THREE PROGRAMS TO FINISH WORK

GRADUATION PROGRAMS OF THREE SCHOOLS TO CONCLUDE WORK OF YEAR

School for the long term of 1929-30 is ending in Clarendon. All that remains to be done is the presentation of the diplomas to the graduates of the three schools of the city, the clearing away of the smoke of battle and all will be again quiet in Clarendon. The presentation will be started this evening in the College Auditorium with the graduation exercises of the Clarendon Junior College being given for the approval of the general public.

Hon. James C. Wilson of the Federal Court of Amarillo is to deliver the address of the evening with Dean W. A. Clark, Jr., presenting the diplomas to the graduating class. The formal program as outlined for this evening's entertainment is as follows:

Processional, Trot De Cavalerie, Rubenstein, Pauline Shelton, Pauline Sanford, Gertrude Shepherd, Jonnie D. Latson.

Invocation—Rev. D. L. Hukel. Address—Judge James C. Wilson.

Piano Solo, Sonata Op. 27, No. 1, Beethoven—Christine Stroder. Presentation of Diplomas—Dean W. A. Clark, Jr.

Recessional. The graduating class with the largest number is to be presented with their diplomas at the Junior High School auditorium Friday morning at 10:00 o'clock. O. C. Watson, Vice-President of the School Board has been selected to make the address of the day. The diplomas will be presented by R. E. Dreannan, Principal of the Junior High School. The following is the program as it will be given:

Invocation—Rev. Robt. S. McKee. Male Quartet—G. L. Boykin, Irl Smith, T. D. Nored, R. S. Cope, Christine Stroder, accompanist.

Salutatorium—Billy Greene. Class Song, Silver Mist—Class. Clarinet Quartet—William Wilder, Bob Bledsoe, Hubert Reavis, Gus Stevenson.

Valdeictorian—Ardis Patman. Solo—Gus Stevenson, Miss Fray Stallings, accompanist. Address—O. C. Watson. Presentation of Diplomas—R. E. Dreannan.

Song, America—Audience. Benediction—Rev. Robt. S. McKee.

Tomorrow, Friday evening, the largest graduation exercise of the week will be held in the auditorium of the First Methodist church. This will be the final program of the year and will probably carry the largest attendance of any of the three graduation exercises. This is to be the graduation of the High School, together with the presentation of diplomas and scholarships from other schools in the state to the honor-graduates from the school.

Hon. J. R. Porter will deliver the address to the class and the diplomas will be presented by O. C. Watson, Vice President of the Board of Trustees of the Clarendon Independent School Dis-

MARINE TEST TO GO DEEPER

PLANS IN HAND TO EXTEND WELL ADDITIONAL THREE HUNDRED FEET

After some weeks of delay following the reaching of the contract depth of 4,000 feet, the Marine test some four miles north of Clarendon is to be drilled another three hundred feet or into production at a lesser depth. This information was released late yesterday evening, the statement being made that Jules Vogel, the treasurer of the Marine Company was scheduled to arrive in the city this evening to complete all details and allow the work to be started at once.

When the contract depth was reached, the drill was in a sandy lime that shows all signs of being a splendid formation. Geologists who have read the log of the well and who have seen samples of the cuttings have made the statement that everything pointed to a big producer if sufficient depth was made.

The extension of the well to 4,300 feet will mean that this is the deepest well yet drilled in Donley County, all others having stopped short of 4,000 feet.

Mr. and Mrs. M. W. Hendrick and daughter, Miss Ineva, will leave Saturday for a visit with relatives in Wichita Falls, Dallas and other points of Texas. They expect to be away about two weeks.

Mrs. L. S. Bagby is expecting to have Mrs. E. A. Simpson and children, Selma and Sue Alice of Amarillo and Mrs. Simpson's mother, Mrs. Joe Brown of Houston, as her guests on Friday.

A. M. Beville returned to his home in Clarendon Tuesday evening of this week after an absence of some weeks in San Antonio and other points in that section of the state.

The following program is to be presented on that occasion: Processional, Grand March, Tannhauser, Wagner—Miss Fray Stallings.

Organ Solo, Marche aux Flambeaux, Clark—Miss Fray Stallings. Invocation—Rev. B. N. Shepherd.

Piano Solo, Marche Carnavalesque, Friml—Lois Strawn. "Alma Mater", Class Song, Graduates—Miss Mildred Sparks, accompanist.

Address—Judge J. R. Porter. Presentation of Diplomas and Scholarships—O. C. Watson, Vice-President of Board of Trustees. "America," Smith. Benediction—Rev. Robt. S. McKee.

1930 LIVING ROOM CONTEST WINNERS

COUNTY WINNERS TO BE JUDGED TODAY FOR POSSIBLE DISTRICT HONORS

Horse Races One Feature

One free feature of the Fourth of July celebration in Clarendon this year is to be the Horse Racing program. The entries are open to any person in Donley County, any age, or any breed of horses. Purses to be furnished by the Chamber of Commerce and there will be no entrance fee. Three races will be run, the last to be a sweepstakes.

Those interested in entering this event will see G. G. Kemp, general chairman of the event or some member of the committee. The committee on this part of the celebration is to be composed of Frank Whitlock, C. J. Douglas and Wesley Knorpp.

The races will be held at 2:00 p. m. the afternoon of July Fourth. Place to be designated later.

Band Concert To Close Day

Closing the entertainment features of Fourth of July in Clarendon, there will be a band concert staged in the band stand on the old Grammar School grounds. At this time, the various and sundry candidates for state, County and Precinct offices will be heard at this time if they care to speak to the assembled county.

The concert has been set for 3:45 and will conclude the program of entertainment as planned to this date. Other entertainment will probably be announced from time to time and will be announced later.

SUMMER SCHOOL STARTS JUNE 9TH

SCHOOL OF INSTRUCTION TO BE HEADED BY DEAN OF COLLEGE

Summer School in Clarendon Junior College is to start in full operation on June 9th this year and will close on July 18th. Change in the starting date of the school was made for the reason that some schools of the state do not start until after June first, giving students sufficient time to return to their homes here and attend the summer session of the school while remaining in their homes.

Courses offered will include those commonly found in the curricula of the High Schools and Colleges of the state. A student will be allowed the privilege of taking one old subject for make-up purposes and one new subject to apply on their work for the coming term of school.

The College courses are expected to be the most popular and will include English, American and European History, Spanish, Solid Geometry, Plain Trigonometry, College Algebra, Elementary and Secondary Education, Chemistry and Government.

High School Courses will be offered in English, Algebra, Plane Geometry, History, Spanish, Civics, Advanced Arithmetic, Biology, and General Science. Other courses may be arranged for in both the College and High School if there should be sufficient demand for them.

The faculty of instruction will be headed by Dean W. A. Clark, Jr., instructor of Education. F. A. Stocking will be included in the faculty as teacher of the Social Sciences. Miss Ineva Hendrick will teach English and... morto ku

Murray Wolfe, former employee of one of the banks at Hedley, and now located in Los Angeles, California, is visiting here for a time in the home of his uncle, Frank White.

Woman's Council Meets Saturday

The Women's Council of Home Demonstration Clubs of Donley County is to meet in the Club Room on Saturday, May 24th for their regular meeting. Miss Smith states that the object of the discussion will primarily have to do with the county rally of women's clubs on July 18th. The organization will also take up the matter of standardization of home canned products with an idea to disposing of their surplus through the marketing plan this fall.

A full attendance is asked from all clubs of the county since these matters are of great importance to everyone concerned.

Mrs. Homer Mulkey and Mrs. H. S. Williams are in Amarillo for a visit in the homes of relatives. They went up this morning with Mr. Mulkey.

R. F. Morris left the latter part of last week for his annual summer trip to North Carolina and Georgia. His first port of call is to be Charlottesville, Virginia, he later returning to Charleston, South Carolina for the remainder of the summer.

WOMEN ORGANIZE NEW SERVICE CLUB

BUSINESS AND PROFESSIONAL WOMEN FORMED. TO MEET TWICE MONTHLY

Under the sponsorship of the Pathfinder Club of this city the Business and Professional Women's Club of Clarendon came into being last Thursday evening. The women of the city gathered at the request of the Pathfinder Club, seventeen being present to signify their intentions of becoming members of the newly formed body. Members of the Pathfinder Club served the ladies a splendid two-course luncheon. Mrs. J. L. McMurtry, president of the Pathfinders presided until the officers were elected for the local club.

The purposes of the club have been set out as being to promote a closer fellowship among the working women of the city. Representatives from all lines of business, with as many others eligible as may care to become members at a later date. Meetings will be held twice each month, the second and fourth Tuesday evening having been selected as the meeting nights. The Club will meet in the basement of the First Presbyterian church at 6:15 and adjournment will be had at 7:15. The first regular meeting will be held Tuesday evening, May 27th.

Speakers for the evening were listed as visitors from like organizations in Memphis and Childress. This delegation was headed by Mrs. Jimmie McKenzie of Childress, the District Chairman of this district. Others from Childress are: Miss Pat Debenport and Miss Aubrey Hankins. Memphis was represented by Miss Gladys Hammond, President of the Memphis club, Miss Edna Bryan, Miss Ruby Adams and Miss Byrd Priestlow. Each of the visitors addressed the gathering impressing upon them the importance of the body in the town where it is found.

In the election of officers which followed the establishment of the Clarendon Club, Mrs. B. G. Smith was named President; Miss Lorna Stegall First Vice President, Miss Helen Wiedman, Secretary and Miss Eva Lee Morrison Treasurer. Other officers of the organization are appointive and will be named at the first meeting of the body. The president is working on the appointment of the various committees which will have the workings of the body in their hands and will name these at a later date.

The membership roll to this time numbers seventeen and is as follows: Miss Mae Lumpkin, Miss Lottie E. Lane, Miss Ruth Thompson, Miss Fray Stallings, Miss Eva Lee Morrison, Mrs. Mae Shaver, Miss Mantie Graves, Miss Helen Wiedman, Miss Lela Lamon, Miss Frances Cauthen, Miss Aileen Parks, Miss Rhoda Wiedman, Miss Norma Rhode, Miss Nora Smith and Mrs. B. G. Smith. It is the hope of the organization to have a charter membership of twenty-five by the time the organization matters are complete. Presentation of the charter will be one of the big events in the future and will be announced later.

Miss Eva Lee Morrison spent the past week-end in Amarillo.

Basket Dinner Holds Interest

A mammoth dinner is to be spread under the shade of the trees at the old Grammar School building at noon on July Fourth. This dinner is to include everyone in the County and will be one of the biggest events ever held here. People from the towns are asked to bring their baskets and spread their dinners with the folk from the rural sections.

A committee has been named to arrange for seats, tables and a band stand. These are Ed Teer and C. C. Powell.

For this portion of the day's entertainment, the Chamber of Commerce will furnish Ice Water, Iced tea and coffee. Everything else is to be brought from Donley county homes.

Business To Close Fourth

All business houses of the city of Clarendon will be closed for the Fourth of July Celebration. This falls on the first designated closing day of the year and is to be observed that the business men may join with those from the county who come to this city for the observance of the day.

The garages, restaurants and drug stores are exempt from this closing, but will probably close a part of the day to allow their employees to take part in the celebration.

BAND CONCERT HAS A LARGE AUDIENCE

SECOND OF SERIES IS WELL HEARD IN CONCERT SUNDAY AFTERNOON

The Clarendon High School Band was heard by a large and enthusiastic audience on last Sunday afternoon as they presented their planned concert on the eastern side of the old Grammar School building. The entire side of the grounds was covered with cars as they came from all parts of the city to listen to the concert. The reception of the music was enthusiastic as was evidenced by the many noises heard at the conclusion of each selection rendered.

A new feature introduced into the concert was the presentation of the newly formed clarinet quartet composed of regular playing members of the band. This was the first time they have played in the band although they have been heard at other events during the past few weeks since they were organized.

The following program was that one presented for the enjoyment of the public:

Our Colonel, March, H. A. Vandercok. Zenith—Overture, Harold Bennett. Men of Ohio, March, Henry Filmore.

Royal Pageant, overture—Geo. D. Barnard. Clarinet quartette. Slidin' Some—Trombone Smear, Ed. Chennette. Moonlight on the Nile—Waltz, K. L. King.

The Eclipse—March, H. A. Mummell.

The Clarendon Band was assisted in the concert by four out-of-town players, with whom Band Director Stephenson has been working for the past several months. These are W. C. Milam and Harry Wood from Memphis and Fred Landers and Hewett Edwards from the Estelline organization.

One New Home Started Monday

The start of workmen on the new home of Mr. and Mrs. Floyd Keener on Monday of this week was probably the signal for the construction of several more homes during the coming summer months. This home is to be the most modern in the city and is to be one of the prettiest possible. Completion date will probably extend into July of this year.

The Holland home has but recently been completed and the occupants moved into this new residence the fore part of this week. This is erected on the site of their old home, it having been utilized in the construction of the new one.

Remodeling is under way on the home of Mr. and Mrs. W. H. Martin and on the C. E. Killough rent house. Others are expected to be added to this in the future.

Mrs. Hugh L. Smith and children, Hollis and Adrienne, and Wayland and Kenneth Daws, all of Throckmorton, are here for a visit in the home of Hon. and Mrs. W. T. Link. Mrs. Smith is a sister to Mrs. Link and the two boys are nephews.

FEDERATION IS TO MEET SEMI-ANNUAL

DECISION REACHED IN MEETING OF BODY FIRST OF MONTH

The Donley County Federation of Women's Clubs met in their regular meeting the first Saturday of this month with Mrs. Thompson presiding and Miss Smith acting as secretary. Roll call was answered by the individual representatives of each club stating that their organization had been carrying out the programs outlined in their year-books.

Representatives from the Clarendon Home Demonstration Club, the Ashtola Home Demonstration Club, the Pathfinder Club from Clarendon, the Mother's Club from Clarendon, the Lelia Lake Home Demonstration Club and the Lelia Lake Book Club; a total of ten were in attendance of the meeting, a part of them being visitors.

The most important item attended by these women was the setting of the meeting dates for the federation twice yearly. Before this time, the federation has met each three months. Following the report of the treasurer, the meeting adjourned to meet on the first Saturday in September.

MANY LOCAL MECHANICS ATTEND PAMPA SCHOOL

Representatives from practically every garage in Clarendon specializing on the mechanical end of an automobile were present Tuesday evening of this week at a school in Pampa held especially for their benefit. The school was held by a precision instrument company as a demonstration of the uses of their tools, a large kit of them being given away as one of the features of the evening. Following the demonstration refreshments were served to the sixty or more visitors present. Clarendon was represented by the following: Does Palmer, Eugene Noland and J. H. McKee, from the Palmer-Noland establishment; I. O. Noble and Homer Bones from the I. O. Noble garage; Andrew Jay from the Caraway's garage; Henry Rape from the City Garage; Phineas Harp from the Harp Auto Hospital; Delbert Allred, Ray Allred and T. L. Kimbriel from the Clarendon Motor Company; Vadie Carpenter from the Sims Motor Company and Harry Guy-

Mrs. O. J. Hubbard of Lockney is here for a visit with her daughter, Mrs. Harry Guyne.

Miss Mildred Martin left Friday for Claude where she spent several days visiting with relatives and friends.

POPPIES TO BE SOLD SATURDAY

The annual sale of Poppies will be staged here Saturday of this week under the auspices of the American Legion Auxiliary and American Legion Post. Special effort will be put forth to keep the idea in front of the public during the entire day Saturday and it is the hope of the two organizations that the sale of poppies this year may exceed any that has ever been held in Clarendon.

The American Legion is to work with the Auxiliary on the day's sale and a committee is working out the details of how they might assist in the sale.

As is generally known, the poppies are made by veterans in hospitals who are dependent on this means of support. Those doing this work are receiving no compensation from the government and each of them receive one cent for each poppy made. The poppies sold in Clarendon come from the Legion hospital at Legion, Texas, where many thousands are made for sale each year. The proceeds received above the cost of the poppies are used to further assist the work of the Legion Auxiliary in carrying out their program of child welfare and rehabilitation work.

Free Baseball On July Fourth

Dividing the county into two sections with the railroad as the dividing line, the committee from the Chamber of Commerce is promising a rip-snorting baseball game for the morning of July Fourth. The committee named by General Chairman G. G. Kemp to handle this matter is U. J. Boston, T. D. Nored and Allen Bryan.

The baseball game will be played in the College park and there will be no charge for admission. The Chamber of Commerce will furnish the baseballs for the game and will also give the players free passes to the picture show on the day of the game.

The two divisions of the county are asked to furnish the teams and the support. Everything else is to be absolutely free of charge.

CLARENDON PLANS FOR JULY FOURTH

ORGANIZATION HEADED BY G. G. KEMP TO MAKE PLANS FOR GIGANTIC EVENT

Plans are now under way to revive the old-time Fourth of July celebrations that made Clarendon at one time the mecca of the entire Panhandle section of the state. As a beginner, the committee has designated G. G. Kemp as General Chairman of arrangements for the affair and plan to restrict the entertainment to Donley County and its residents for this year.

A called meeting of the Chamber of Commerce was held last Friday and initial plans were worked out for the present year. Mr. Kemp has charge of all entertainment features and is naming his corps of helpers to assist him in carrying out the proposal.

Although the event is of such nature that the entire plans are not ready for publication the residents of Donley County may make their plans to attend the celebration and help make it the biggest that has ever been held in Donley County.

MEMORIAL DAY PLANS COMPLETE

SERVICES TO BE HELD IN FIRST CHRISTIAN CHURCH. MCKEE TO SPEAK

The program committee recently named by the Commander of Aubyn E. Clark Post of the American Legion has completed its task. The program for the day has been completed and all arrangements made to satisfactorily celebrate Memorial Day for the year 1930. The service will be held this year in the First Christian church, so situated as to be readily accessible to everyone. Friday, May 30th is the day for the service. Ten o'clock is the hour that has been set, the business men of the city being asked to close from 10 to 11 o'clock during the services.

The following is the program as it has been planned: "America," congregation. Invocation, Rev. W. E. Ferrell, Pastor of the First Christian Church.

"America, the Beautiful," congregation. Address, Rev. Robert S. McKee, Pastor First Presbyterian church. Roll call of the Dead.

Benediction, Rev. B. N. Shepherd, Pastor First Baptist church. Immediately following the close of the services, the Legion Post and the Legion Auxiliary will make their way to the Cemeteries of the city where all graves of veterans of all wars will be fittingly decorated. The securing of the flowers is to be a part of the work of the Auxiliary.

Mr. Jimmy Miller is a guest of his sister, Mrs. Eula Cox.

NATIONAL EDITORIAL ASSOCIATION

PANHANDLE PRESS ASSOCIATION

A PRACTICAL PLAN OF MERITORIOUS CO-OPERATION

In this issue of The News is a story outlining a plan for the marketing of surplus canned vegetables, fruits and meats put up in Donley County. The fact that Donley County customers are the ones who inaugurated the movement speaks volumes for the good-will possibilities as well as the economic soundness of the plan.

Selling home products to home customers is the simplest and most economical marketing system in the world.

If Donley County producers and Donley County consumers can work out such a plan it will be for the great economical progress of the county and the ultimate profit of all concerned.

True, the plan is being tried out on a small scale this first year, but it is a beginning and since all desirable progress emanates from small beginnings, the venture is watched with great jealousy and interest.

There is no reason why a County Marketing association could not come from this movement, and that local grocers and even those in other nearby towns should buy their annual needs in canned foods from the standardized products of our own canning clubs, under the direction of our home demonstrator.

There is something particularly satisfactory and engaging to have home-grown foods of the celebrated 4-H standard served in the non-producing homes of Donley County.

It is a practical plan of co-operation, and one of particular merit.

PRIDE AND THE UNEMPLOYED SITUATION

One incident relating to the present much talked of unemployed situation was called to the attention of the News this past week.

The American Legion Post of Clarendon was much taken to task for allowing two negroes to be used when the work of placing sockets for the American Flags was under way. When questioned closely concerning this matter it was learned that SEVEN white men had been approached, and offered the place before the two colored boys had been given the job. Without fail, each of the seven men offered the job had turned it down when they learned that the job consisted of holding a concrete drill and swinging a heavy sledge hammer. Every one of the seven refused to do the job when they learned that real work was attached.

Whether the refusal of the job was had from physical weakness or from fear of ridicule is not known. At any rate we wonder what sort of jobs would be necessary to assist in the solution of the problem now facing the city of Clarendon in this respect.

EIGHT SUCCESS LAWS TO GUIDE CLUB MEMBERS

Robert G. Foster, formerly in charge of 4-H Club work in the Northwestern States, recently offered the following excellent suggestions for successful, helpful 4-H leaders, officers and members:

1. Cultivate the friendship of everybody.
2. Go out of your way to cheer up folks.
3. Avoid haughty airs. They repel.
4. Take for granted the friendliness of others.—Don't wait for them to speak first.
5. Be thoughtful in the wishes of others in little things as well as big.
6. Remember that haughty airs often cover shyness and timidity.
7. Radiate friendliness.
8. Do a good turn daily.

Those lynchings at Sherman and Honey Grove have left another ineffable blot on the fair name of Texas, and yet there arises this sort of comment which cannot be gainsaid—Texas people will likely continue to take the law in their hands in such extreme cases until the law proves its ability to administer justice quickly and in spite of the chicanery of lawyers and judges who may have lost sight of the ethics of their profession in their zeal to serve their clients. Lynchings must be stopped—but we must change our legal system and speed up our courts if we are to do it.

Very likely the supreme court decision in the case of Tom Love did for the state Democratic committee, what it lacked the foresight to do for itself—rendered him of little threat in the coming primaries. The court saved the committee from blind prejudiced self-destruction.

Sign on a western forest tract: "This is a heavenly spot, but a careless match or cigarette can make it a hell of a place."

We already have the five thousand dollar reward for dead bank robbers in Texas and now they are advocating twenty-five dollar rewards for dead chicken thieves. Next thing you know we newspaper boys will be offering a ten dollar reward for the kind that picks up their neighbor's paper.

Those Al Smith Methodists had just as hard sledding in the general conference down at Dallas as they did in the election of 1928. In addition to that they presented the spectacle of the very thing they claimed to be fighting—bringing politics into the church, and the drubbing they took in committee wasn't anything to what they would have received on the floor of the conference had the matter gone there.

The miniature golf craze has hit Clarendon and we now have two very excellent courses on the main street of the town, as well as a good croquet ground to stir the outdoor instincts of young and old. These games are wholesome amusement, and the owners are to be congratulated on their announced decision to close them on Sunday. No permanent profit ever comes to anybody by operating a business on Sunday.

THE GOVERNOR'S RACE

Voters who desire to express through their ballot, an intelligent choice for Texas' next governor find themselves in much the same predicament as did the man who wanted to view the forest but couldn't see it for the trees.

There are so many candidates in the field, and so many issues, both pertinent and foreign to any consideration of Texas' political problems, that the more one hears and reads, the more confused he is apt to become.

With all their experience and training, editors are finding it no easy matter to pick and choose from the present candidacies. In a few instances, editors have espoused the cause of one of the announced gubernatorial candidates. Most of them, however, are watching and waiting, either for some development which will prove the superiority of a present candidate, or for the announcement of some "dark horse" whose abilities and qualifications will make him stand above and apart from the rest of the gubernatorial forest.—The Editorial Digest.

A NEW RENTAL CONTRACT

As time goes on it becomes evident that the present-day rental contract between landlord and renter in Texas, the general tenor of which is that the landlord shall have "a third and fourth" of the produce of the farm, with certain restrictions, additions and limitations, it is becoming evident that we are outliving this kind of a rental contract and that some of these days, not far distant, we shall have a new kind, one that will more nearly fit in with the balanced farming program which we, as a people, are beginning to see as the salvation of the country.

Already you begin to see this farmer and that suggesting this or that kind of a change to bring about greater equity and better understanding between landlord and renter. Bankers are beginning to reflect this new attitude toward the rental contract. They are studying their customers and their problems, of course, and this matter of the rental contract is one of the things that is coming to the fore.

Undoubtedly the age-old rental contract a la Texas black land is antiquated and out-of-date. Just what its successor will look like is an interesting thing upon which to speculate.—Homer Steen in Floyd County Hesperian.

Harold White of Fort Worth was a visitor in the home of his parents, Mr. and Mrs. Frank White over last Sunday.

Miss Eunice Griggs, who has been an instructor in the schools of White Deer for the past two years, arrived Friday afternoon to spend the summer with her parents, Mr. and Mrs. C. E. Griggs.

H. M. Crane of New York spent the past week-end here in the home of his aunt, Mrs. Georgia Burrell. After leaving here, Mr. Crane visited with his parents in Canyon before returning to his home city.

Mr. and Mrs. Lacy Bourland are here for a visit in the home of his father, W. M. Bourland. Mr. and Mrs. Bourland are making their home in Fort Worth, but were in Graham cutting the telephone system from magneto to common battery when Lacy was stricken with appendicitis. They are here for Lacy to recuperate from the operation.

Cooked Meats

Cooked fresh every day solve the problem before you as to what to serve for your noon day meal. Prompt delivery assures you getting the meat while hot. Our Baby Beef is Grain-fed. The flavor is there. Try an order today. And don't forget our Spring Lamb. It's most wholesome.

Why Risk Your Eyesight When Light Is So Cheap?

Soft and shaded lights present a charming appearance, it is true, but if they are not of sufficient strength or not properly placed they constitute a real menace to your precious eyesight.

For reading or sewing, or even for that enjoyable period of relaxation, good light is an essential.

With lamps and current so inexpensive, there is no reason to deny yourself this necessary convenience. One of the West Texas Utilities Company's lighting engineers will be happy to solve your illumination problems.

ITEMS OF INTEREST IN DONLEY

SUNNY VIEW

Everyone is enjoying the nice warm sunshine once again. Farmers are busy planting and here's hoping we may not have any more sandstorms.

Mrs. Floyd Parker and daughter of McLean are here visiting her parents, Mr. and Mrs. Sam Roberts.

Mr. and Mrs. Nelson Riley and family attended the Baccalaureate sermon at the Methodist church Sunday morning.

Miss Ruby Wood stole a march on us folks last Tuesday when she and Mr. Earl Humphrey drove to Hollis, Okla., and got married. Mr. Earl Smith and Miss Lavada Wood accompanied them to Okla., where they were married. All join in wishing them many long happy years.

Mr. and Mrs. Heckle Starks also Mr. and Mrs. Luther Butler and son, Jimmie Lee, returned from their Sunday afternoon visit with Mr. and Mrs. Neal Bogard.

Mr. and Mrs. L. L. Taylor of Clarendon were visitors in the home of Mr. and Mrs. A. M. Lanham last Sunday afternoon.

Mr. and Mrs. T. T. Waggoner and family of Claude also Mr. and Mrs. Roy McKee and family of Ashtola spent Sunday with Mr. and Mrs. F. L. Behrens.

Mr. and Mrs. Earl Humphrey called on Mrs. A. M. Lanham Saturday morning.

Mr. and Mrs. Guy Jones of near Claude spent Wednesday with Mr. and Mrs. W. A. Bailey.

Miss Nannie Mae Behrens who is staying with her sister, Mrs. T. T. Waggoner of Claude spent Sunday with home folks.

Mr. and Mrs. L. L. Taylor of Clarendon and Mr. and Mrs. Everett Stevenson spent Sunday afternoon with Miss Eula Haley and Mr. and Mrs. Paul Smith and family.

Mr. and Mrs. Earl Humphrey spent Friday night with Mr. and Mrs. P. O. Wood.

Mrs. A. M. Lanham called on Mrs. L. L. Taylor while the men folks attended Lodge Monday night.

and daughter, Frankie, motored to Clarendon Friday afternoon to bring Mamie to her home to spend the week end.

According to the last report from Floyd Darnell at Seminole, Oklahoma, who was mistaken for another party and hit on the head with a car crank last week he was gradually improving. At first he was blind and unconscious a portion of the time.

The Hickman school closed Tuesday. A nice entertainment was rendered by the teachers and pupils. Several from our community enjoyed the occasion.

Mrs. Jack Perkins was a business visitor in Memphis Wednesday afternoon.

Claudine Smallwood spent Friday night with her parents, returning to Clarendon Saturday to prepare for the Baccalaureate exercises at the Clarendon Methodist Church.

Harry Hartzog who received a bruised and sprained knee cap in the ball game at Antelope last Sunday is still suffering quite a bit with it.

The young people of the community enjoyed a party at the home of Miss Richardson Friday night.

A number of people from Antelope came to enjoy the ball game Wednesday afternoon. Antelope was victorious.

Howard were called to the bed side of their father in Childress Wednesday night. We are sorry that he was not expected to live at the last report we had. Mrs. M. L. Carter and little son Lyndell, of Houston are here for a visit in the home of her parents, Mr. and Mrs. A. B. Bynum. Rice Batson visited with his parents, Mr. and Mrs. Z. O. Batson in Memphis Sunday. Jack Lovelady who is working at Stinnett spent the week end here with homefolks. FINAL SETTING DATES ANNOUNCED BY HATCHERY The last days on which eggs may be placed in the incubators on the Clarendon Hatchery was announced the latter part of last week by Frank White, Jr., the owner of this place of business. The dates set are March 26th for chicken eggs and Monday of this week for turkey eggs. Mr. White further stated that the season was short this year and that the greatest part of the eggs were handled in the early part of the time set for operating the two machines. It will be recalled that the second machine was put in operation late in 1929. This season, the second machine has been cut out for approximately the same length of time that it operated last year. More eggs have been handled this season than were handled in the season of 1929 although the time consumed will be something like two to three weeks less than the first year in operation. Tot Morris spent the past week end in Amarillo, where he received medical attention.

National Yard & Garden Contest Winner a World War Hero Who Created Outdoor Living Room

General Pershing's official Photographer Transforms old back yard on 40-foot lot in factory district of Buffalo into fairyland of growing things—outranks Hundreds of most beautiful gardens from all over the United States.

Winning over hundreds of the most beautiful home grounds from all parts of the country, and despite seemingly unsurmountable original disadvantages, the yard of Ernest J. Rawleigh, Buffalo, N. Y., photographer, has been awarded first prize in the National Yard & Garden Contest (amateur division) according to word received today by G. L. Boykin. The national winner is a World War hero, having been cited for valor on the battlefields of France. He also served as official photographer to General Pershing. His health much impaired by army service, Mr. Rawleigh turned to gardening and there found a magic medicine in the touch of Mother Earth. The tremendous difficulties which he overcame in creating his per-

fect home grounds are easily comprehended from the fact that when he began making an outdoor living room out of his back yard he had to build it on his old back yard he had etoaim a swamp. The champion gardener wheeled in on a hand barrow the many loads of cinders necessary to give his soil the proper drainage. He likewise trundled in cartload after cartload of the rich loam in which his 2,500 plants are now flourishing so vigorously. Made Breakfast Taste Good To add to his initial difficulties, the only plot available for the flower garden was on the north side of the house and shaded by three buildings, his own dwelling and garage and a neighbor's garage. By working in his garden regularly every morning from

five to seven o'clock, Mr. Rawleigh overcame all his difficulties and turned his unpromising lot into a veritable fairyland of growing things. He added several hundred dollars to the value of his modest little property in the factory district. His improvements also greatly increased its saleability. But more than all these results which came to Mr. Rawleigh from beautifying his premises was the good health which he regained in creating and in enjoying his outdoor living room. Given a lot with but a 40-foot frontage and a total depth of 112 feet, from which the sea covered by his bungalow was necessarily subtracted, this inspired gardener took such complete advantage of his opportunities that not even one square inch of ground now remains unimproved.

Visitor To Club Painter Of Note

Mrs. C. E. Palmer, the visiting artist who held a showing of her work in the Woman's Club Room recently for Les Beaux Arts Club, is a painter who has won wide recognition in all parts of the United States. Her recognition in other fields is in the office and a foreign magazine, La Revue Moderne, in France, has already given her work praise. One of her paintings was reproduced in the magazine and will be shown at the exhibition here Saturday and Sunday.

In addition to this, Mrs. Palmer is one of two artists from the Panhandle section of Texas who has had pictures hung at the Southern Art Exhibit at New Orleans. One of her paintings is now on display at this exhibition, now under way. No other oil paintings have been shown from this section of the state in this showing.

Les Beaux Arts Club of this city is especially pleased that they have been able to secure such a noted artist as is Mrs. Palmer. They're becoming more pleased now that they have learned that she is becoming recognized further away from home than in the Panhandle section and are very anxious that her paintings be seen by as many people in the openhouse on next Sunday afternoon as possible. The

TYPING STUDENTS GIVEN AWARDS FOR PROFICIENCY

A total of thirteen awards were presented the three high ranking students of the commercial department of the Clarendon High School the latter part of last week. The thirteen awards were presented to Misses Mary Frances Caraway, Mildred Sparks and Lois Strawn as the typing team of the school as entered in the various contests of the county, district and state. All three of the students are seniors in the High School this year and will receive their diplomas at the graduating

Club Room in the basement of the City Hall will be open for this purpose from 2 to 5 p. m. for the general public to visit the place and see the paintings on display.

An excerpt from a story appearing in the Amarillo Daily News-Globe will be of interest to local people since Mrs. Palmer will show here. The paragraph: "Mrs. Palmer's work recently attracted much attention at the art exhibition held by J. R. Willis of New Mexico and the Amarillo Art Association at the Capitol Hotel. She is developing rapidly in the painting scenes of this section and scenes in the Palo Duro Canyon will be featured in her future work. She, in company with many other local artists, make frequent sketching trips to the Palo Duro Canyon and to other places of interest here."

BURTON PRESENTS ATTENDANCE AWARDS FRIDAY

Certificates of award to those students in the Clarendon High School who were neither absent or tardy during the past term of nine months were presented last Friday morning. Superintendent H. T. Burton made the presentation following appropriate remarks concerning the value of perfect attendance. Silas Franklin, Iola Smith, Blanche Mulroy and Margaret Dillard are those with the perfect records of attendance.

Miss Mildred Sparks came in for the second largest number of medals, receiving first in the county, second in the district, a silver medal for proficient work on the Royal and a gold medal for proficiency on the Underwood. According to Mr. Wells, the head of this department, the gold medal is the one most seldom secured, it requiring a net speed of sixty words per minute for fifteen minutes with not more than five errors made. Miss Sparks made a score of 61.1 words in the time limit set.

Miss Frances Caraway came in for three awards receiving third for the county, a bronze medal for proficiency in the Underwood and a silver medal for proficiency on the Royal.

Mr. and Mrs. Fred Rathjen and baby returned Friday of last week from a short vacation trip to New Braunfels, where Mrs. Rathjen visited with relatives and friends while Fred attended the Lions Convention session in Austin.

KONJOLA ENDED NEURITIS AND KIDNEY TROUBLE

Well Known Waco Photographer Enthusiastic About New Medicine. "Proven Wonderful Remedy," he says.

MR. H. O. BRUBAKER

"I suffered for six years with neuritis, kidney trouble and constipation," said Mr. H. O. Brubaker, well known photographer, residing at 623 1-2 Austin avenue Waco. "My ankles and my limbs above the knees were badly swollen and gave me constant trouble. It became an effort for me to walk. My kidneys were out of order making night risings necessary and causing me to lose restful sleep. My eye-sight seemed to be failing on account of these conditions."

"Much to my surprise, I began to get immediate results after taking this medicine. The swelling left my ankles and limbs and I became stronger. I can now go about my work without stopping to rest. I have been relieved of constipation and my eyesight has improved since taking this medicine. I have and will continue to recommend Konjola to all who suffer from such ailments as I had. Konjola has proven to me that it is a different and wonderful medicine. It certainly proved its merit in my case."

Konjola was not designed to afford mere temporary relief. Taken systematically, over a period of from six to eight weeks, this medicine will amaze sufferers by the results obtained.

Konjola is sold in Clarendon by Douglas & Goldston Drug Co., and by all the best druggists in all towns throughout this entire section.

TEXAS FAILURES LARGEST IN APRIL SINCE 1926

Austin, Texas, May 22.—During April, 52 commercial failures, with liabilities of \$1,795,000 were reported in Texas, according to Bernard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas. "This is the largest number of defaults in any April since 1926, while liabilities are the highest since 1923," Mr. Nichols said. "Last year, in April, 37 bankruptcies having liabilities of \$414,000 were recorded. Moreover, failing companies were larger again, liabilities per insolvency averaging \$34,000 against \$14,000 in March and \$11,200 in April, 1929. The fact that larger companies are failing is an unfavorable development.

"Two bank failures occurred in April, making five so far this year. There were but two banks closed in the State during the first four months of 1929.

"The increase in the number of failures is significant, because it came at a time when a normal seasonal decline is to be expected. The upward trend is in sympathy with a similar movement for the entire United States."

OIL PRODUCTION DECLINES IN TEXAS DURING APRIL

Austin, Texas, May 22.—In contrast to the gain in output of petroleum in the United States as a whole, production in Texas declined again in April, according to Bernard Nichols, editor of the Texas Business Review, issued

monthly by the Bureau of Business Research at the University of Texas.

"During April, a total of 25,350,000 barrels of crude oil was gathered in Texas, against 26,381,000 barrels in March and 24,180,000 barrels in April, 1929," Mr. Nichols said. "Daily flow averaged 845,000 barrels, a loss of 6,000 barrels from the month previous but considerably above the 806,000 barrels in April last year."

"Field work was also a little less active in April than in March. There were 531 new wells completed in the State during April and 283 of them struck oil. This compares with 478 completions and 239 successful wells in April, 1929.

"Crude prices advanced about the middle of April in practically all Texas fields. This was the most important advance since the drastic cuts put into effect several months ago. Gasoline prices were also marked up as a result of better demand and finer markets."

Makes Life Sweeter

Next time a coated tongue, fetid breath, or acid skin gives evidence of sour stomach—try Phillips Milk of Magnesia!

Get acquainted with this perfect anti-acid that helps the system keep sound and sweet. That every stomach needs at times. Take it whenever a hearty meal brings any discomfort. Phillips Milk of Magnesia has won medical endorsement. And convinced millions of men and women they didn't have "indigestion." Don't diet, and don't suffer; just remember Phillips. SHEPHERD GIVES ADDRESS SUNDAY

BEGINNING OF COMMENCEMENT WEEK IS SEEN SUNDAY MORNING

Speaking to a house that was filled to more than capacity, Rev. B. N. Shepherd, pastor of the First Baptist Church of this city, delivered the address to the various graduating classes of the Clarendon schools Sunday morning. Rev. Shepherd deviated to some extent from the usual line of thought in the deliverance of his address. The sermon preached was direct to the various classes and contained the usual congratulations on the completion of the prescribed courses necessary to the attainment of their diplomas. In addition to this, Rev. Shepherd pointed out the fact that the cause of the loss in numbers from the first grade to the completion of college was not so much physical and mental weakness as it was from some defect in the character of the individual in question.

The graduates were urged to take Jesus Christ as their personal assistance in their school work and to make of Him their daily companion. To do this would lessen the chance of their being forced to stop their school work and would be more than material assistance in the final workings of their lives.

The following program was presented as it is given:

- Processional, Grand March, Aida, Verdi—Miss Stallings.
- Invocation, Rev. R. S. McKee.
- Hymn No. 180, Coronation, Holden.
- Scripture Reading—Rev. R. S. McKee.
- Anthem, Great and Glorious Heysler.
- Announcements—Superintendent H. T. Burton.
- Offertory, Meditation, Johnson.
- Anthem, Praise Ye Jehovah, Ashford.
- Sermon—Rev. B. N. Shepherd. Hymn No. 540, Ariel.
- Benediction—Rev. D. L. Hukel.
- Doxology, Ken.
- Recessional, March of the Priests, Mendelssohn—Miss Stallings.
- Sam M. Braswell, Director of Music.

NEAR TWO HUNDRED STUDENTS ARE EARNING WAY

FORT WORTH, May 21.—One hundred and seventy-six students in Texas Christian University are earning all or part of their college expenses this year, a recent survey made by The Skiff, student newspaper, shows.

Of this number, 140 are boys and 36 are girls. About half the number are employed by the school, working on the campus, in the university offices, in the cafeteria, in the dormitories, in the library, etc.

The others work for business concerns in Fort Worth, such as shoe stores, cigar stores, department stores, electric shops, drug stores, soda fountains, filling stations, theatres, etc.

It is estimated that the 176 have earned a total amount during the present school year of approximately \$60,000.

Alfalfa should never be pastured the first year and only lightly the second. Over-grazing often injures a good stand.

Hang up a card in the kitchen and note on it the quantity of vegetables, fruits, eggs, poultry, etc., you bring from your garden for family use. At the end of the month you can estimate what the value would have been if they had been sold. You will then have some idea of what the poultry yard and garden contribute to your family living.

Surprise Party for Mrs. J. T. Patman

The most delightful surprise of the week was that tendered Mrs. J. T. Patman on Tuesday by a few of her close friends at the home of Mrs. C. W. Taylor.

Mrs. Taylor had invited Mrs. Patman to have lunch with her on this day and on learning it was her birthday planned with her friends this surprise.

Each guest took a covered dish and went early to help lay the table which was beautiful when complete. A color scheme of pink and green was carried out with pink larkspur and roses marking the center of the table. Pink and green nut baskets and rose place cards made the table even more attractive.

A two course lunch was served with the birthday cake supporting tiny lighted candles being brought in last. After a wish by the honoree and blowing out of the candles a gift from those present was presented. Mrs. Patman was quite overcome with the pleasure afforded her by the following thoughtful friends:

Mesdames A. A. Mayes, W. H. Martin, J. B. Baird, Ann Hall, G. B. Bagby, C. W. Taylor, Miss Mantle Graves and Miss Agatha Taylor.

After lunch the time was spent in viewing the beautiful spacious grounds surrounding the Taylor home, visiting and needle work.

Friendship Club Has Delightful Meeting

The most delightful and enjoyable meeting yet held by the members of the Friendship Club was that of last Thursday at the hospitable country home of Mr. and Mrs. J. A. Meadow with Mrs. Meadow and her daughter, Miss Kattie, as hostesses.

The ladies gathered at the home of Mrs. C. R. Skinner at 2 o'clock and went in a body to the home of Mrs. Meadow. The ride out in the cool, fresh spring air put them in the best of moods for an afternoon of pleasure. On the way many marveled at the beauty of the landscape as the wild flowers are so plentiful this year, due to so much moisture, and not a dull moment was spent by the party after leaving the city.

On arriving at their destination cups, paper novelties and fancy needle work interspersed with pleasant bits of conversation were indulged in until late afternoon when an elaborate two-course luncheon was served by the hostesses.

Present to enjoy this were: Mrs. C. E. Lindsey, Mrs. R. O. Thomas, Mrs. J. H. Harris, Miss H. Tyree, Mrs. J. B. Baird, Miss Berta Mae Thomas, Mrs. M. E. Thornton, Mrs. J. L. Allison, Mrs. J. W. Roland, Mrs. J. D. Stocking, Mrs. C. R. Skinner, Mrs. A. T. Miller and Mrs. Carl Tyree.

Mrs. Bill Meadow was an invited guest.

Mrs. O. L. Jenkins Hostess

Mrs. O. L. Jenkins selected an ideal day for the entertainment of the Friday Bridge Club, on last Friday at her home, as the weather was damp and cool, a dreary mist falling continuously throughout the afternoon. A warm, cherry fire burned in the grate and became a welcome to the guests as they entered and created an air of coziness and congeniality as they settled themselves at tables made ready for the games of Auction bridge.

Mrs. Roberta Ryan, Mrs. Charles Trent and Mrs. Kelly Chamberlain received score favors.

A lovely two course luncheon was served after the games to:

Mrs. Charles Trent, Mrs. P. L. Chamberlain, Mrs. Forest Sawyer, Mrs. Holman Kennedy, Mrs. Forest Taylor, Mrs. Clarence Miller, Mrs. Floyd Lumpkin, Mrs. B. L. Jenkins, Jr., club members.

Mrs. Kelly Chamberlain, Mrs. Frank Stocking, Miss Lotta Bourland, Mrs. R. Wilkerson, Mrs. Eric Kennedy, Mrs. Roberta Ryan, Mrs. Bill Bromley and Mrs. Lacy Bourland of Graham, Texas, invited guests.

'26 Book Club In Closing Meeting

The closing meeting for the present club year for the 1926 Book Club was held in the Club Room, Tuesday afternoon with Mrs. W. C. Thornberry and Mrs. I. O. Noble as hostesses.

Mrs. Joe Goldston, vice-president, presided in the absence of the president and the business for the year was concluded.

Mrs. G. L. Boykin was leader of the lesson on Japan and gave a splendid discussion of the origin and customs of Japanese people. "The Story of a Cup of Tea" was told by Mrs. Edith Brady. Mrs. Charles Trent discussed the topic "Literature and Arts of Japan." Mrs. I. O. Noble gave many instances of the part that flowers played in the life of the Japanese people.

This was a splendid program and many cuts were shown of the paintings of the Japanese people and of their flower groupings.

Home Economics Club In Meeting

Mrs. R. H. Cline was hostess to the members of the Home Economics Club at her home on Friday afternoon.

The study for the afternoon "Growing Capons" was demonstrated by Mr. T. R. Brown, County Agent for Donley County, who caponized a rooster. Mr. Brown also gave a splendid talk on how to make chicken raising profitable.

A delightful refreshment course was served to: Mesdames G. A. Anderson, S. B. Arnold, J. C. Estlack, S. P. Arnold, O. L. Fink, O. D. Leisburg, Tomb, J. D. Stocking, Owen Butler, M. T. Crabtree, C. E. Lindsey and Mr. T. R. Brown.

Mrs. W. H. Martin Needle Club Hostess

On Thursday afternoon Mrs. W. H. Martin was the delightful hostess to members of the 1912 Needle Club at her home where an abundance of beautiful roses and larkspur made the rooms more attractive.

Fancy needle work and pleasant conversation made the afternoon hours slip swiftly by with a lovely refreshment course being served at the close of the meeting.

Those present: Mesdames R. E. Morris, H. C. Kerbow, Sella Gentry, A. L. Chase, R. A. Chamberlain, B. L. Jenkins, A. A. Mayes, J. T. Patman, G. B. Bagby, C. W. Taylor and Mrs. Minnie Dyer.

Mrs. R. M. Morris and Mrs. M. W. Headrick were invited guests of the afternoon.

Miss Fink Hostess To Justamere Club

The Justamere Bridge Club was the guest of Miss Florence Fink in her home in West Clarendon on Saturday, May 10th. The pleasant diversion of bridge was enjoyed for a time during which Miss Edna Montgomery drew high score prize and Miss Elgin Patrick cut consolation. Refreshments of Bavarian cream and cake were later served to the following club members and invited guests:

Lois Alexander, Betty Walker, Wylfa Lee Alexander, Elgin Patrick, Laticia Benson, Edna Montgomery, Mrs. Meade Haile and the hostess, Florence Fink; guests, Maurine Wood and Eleanor Morris.

MacDowell Club Closes Year's Work

In the last meeting for the 1929-1930 club year the MacDowell Choral Club presided over by the president, Mrs. Clark Hemminger, transacted business that was called to her attention, then Mrs. J. L. McMurtry gained recognition of the chair and in a few well chosen words presented Mrs. Hemminger, who has since gone to Amarillo to make her home, with a lovely gift from the members of the club.

Miss Christine Stroder, accompanist, whose work the club greatly appreciates was given a small token of love.

Mr. Robert S. Cope, the able director for the past club year and to whom the success of the year's work is accredited was presented at a later date with an etching from the brush of Jesse Palmer, a landscape artist of some note. Each member of the club has openly expressed her appreciation of the benefits derived from Mr. Cope's directorship and are grateful for the untiring energy and time spent with them.

Thus the club year was closed with all looking forward eagerly to the work of next year.

Mrs. Swann Hostess to '22 Bridge Club

On Tuesday afternoon Mrs. L. L. Swann was hostess to the 1922 Bridge Club at her home when larkspur and spring flowers made a pretty setting of the occasion.

In the games of the afternoon Mrs. W. H. Cooke was high, Mrs. A. R. Lotts low and Mrs. Homer Glascoe cut for consolation.

Small bouquets of larkspur centered each table when the lovely two course luncheon was served.

Those present were: Mesdames R. A. Chamberlain, A. R. Lotts, James Trent, W. H. Martin, Sella Gentry, W. H. Cooke, T. H. Ellis, G. B. Bagby, Odos Caraway and Charles Bugbee, club members.

Mrs. H. Glascoe and Mrs. R. L. Bigger invited guests.

1930 Needle Club Entertained

A gracious hostess of Tuesday was Mrs. Carl Tyree at her apartment with the members of the 1930 Needle Club being honor guests.

Chatting and art needle work occupied the time of those present until a delicious refreshment course was served to:

Mrs. Ralph Decker, Mrs. Harry Guynes, Mrs. Geo. Garrison, Mrs. C. W. Galloway, Mrs. Bill Leverette, Mrs. Turner Kirby, Mrs. Clarence Whitlock, Mrs. Marvin Land and Mrs. J. H. Harris.

First Presbyterian Church

Robert S. McKee, pastor Sunday school, 9:45 a. m. Morning worship, 11 o'clock. Sermon, "The Holy Catholic Church," Ordination and Installation of officers.

Young People's Meeting, 5:30 p. m. Evening worship, 8 o'clock. Sermon, "Christian Responsibilities."

The Woman's Auxiliary will hold its annual Birthday Party and Pageant Wednesday, 3 p. m. at the church.

BAPTIST CHURCH NOTES

Due to the Baccalaureate Sermon, the Sunday School period was shortened and the preaching service dismissed.

A good sized congregation was present Sunday evening for the worship service. The pastor brought a message on the place and meaning of the ordinance of baptism. At the close of the services, this ordinance was administered to Mildred Thompson and Ruth Ferne Ham. There are others awaiting baptism.

Announcements were made of the Association Wide S. S. Enlargement Campaign. There will be a meeting at Memphis, Saturday at 2:30 p. m. to complete the plans. Monday at 12:00 there will be a basket picnic in the grove of trees near Eli. Those interested are urged to bring their lunch and make this a real get-together meeting.

Classes in Building a Standard Sunday School will be taught in each church in the Association. A religious census will be taken, where one has not been recently, the organization will be checked by the standard as the needs are revealed. Plans will be made and worked for the enlistment of those not in Sunday School.

Junior B. Y. P. U. Program May 25, 1930

Subject—"How to Use Vacation Time."

The program is in the form of a play. A group of Juniors have met in the home of their leader, and are discussing their plans for spending the coming vacation time.

The characters are: Sam—Bobby Leathers. Lucy—Ruth Warren. John—Dick Walker. Mary—Mary Ella Barnard. Jack—Truett Holtzclaw. Eloise—Eloise Hill. Margaret—Mildred Crabtree. Group Captain—Mickey Stewart. Special—Dorothy Phelps and Ruth Warren.

Senior B. Y. P. U. Program May 25, 1930

Subject—"The Awakening Nations Need Christ."

Introduction—Marie Cauthen. Christin Democracy the Solution—J. D. Holtzclaw.

Transformed Individuals—Mildred Sparks. Transformed Education—Marjorie McKnop. Transformed Society—Mable Mongole. Transformed International Relations—J. D. Holtzclaw.

Our Part in the Transformation—Marie Cauthen.

Epworth League to Alanreed

Alanreed was host to the Epworth Leaguers of the Clarendon District on Sunday with a large attendance.

During the course of business much discussion and many plans were laid for the summer assembly to be held in Canyon on June 2nd to 6th.

The Green Belt Union of which Clarendon is a part, won the lov-

CRAZY WATER

A Natural Mineral Water

Has relieved thousands of people afflicted with constipation, indigestion, stomach trouble, rheumatism, diabetes, kidney and bladder trouble, sleeplessness, nervousness and other ailments brought on by faulty elimination.

It will probably relieve you. Send us \$1.00 for a trial package of Crazy Crystals and you can make Crazy Water at your home. Crazy Crystals contain nothing except mineral extracted from Crazy Water by open kettle evaporation process.

We will refund your money if you are not thoroughly satisfied after drinking the water according to our directions.

CRAZY WATER COMPANY
MINERAL WELLS, TEXAS

ing cup again, they having held it for many months past.

The secretary's books were graded on this occasion and the one from Clarendon graded one hundred per cent. Mrs. Lester Schull has kept the secretary's record for the past year and the members of the local organization are very grateful for the excellent manner in which they have been recorded.

Miss Fannie Perry, Miss Aileen Parks, Miss Dixie May, and Charles and Ralph Summers represented Clarendon at this meet.

Baptist W. M. S.

"Christianity Answering Today's Needs" was the theme ably presented by the T. E. L. Circle at the church Wednesday afternoon.

Mrs. Simpson was leader of the program and the following ladies took part: Mrs. Hugh Lusk, Mrs. J. E. Turnbow, Mrs. Dee Campbell, Mrs. Geo. Reed, Mrs. Campbell, Mrs. Curtis Thompson, and Mrs. W. B. Sims.

Members of the West Circle were hostesses to the three dozen ladies present.

Booster Class In Meet

The Booster Class met in the home of Mr. J. R. Tucker, Tuesday evening for their regular business and social meeting.

Y. O. McAdams, leader for the evening presented the 5th chapter of 1st Cor. with a round table discussion following.

The meeting was dismissed with sentence prayers after which Mrs. Tucker served a splendid refreshment course to:

Messrs Y. O. McAdams, J. D. McAdams, W. E. Ferrell, Will Dubbs, Jim Casey, H. Mulkey, Tom Moss, F. C. Johnson, and the host, J. R. Tucker. Mrs. Will Dubbs was also present.

The next meeting will be in the home of Mr. J. D. McAdams with F. C. Johnson as leader of the lesson—6th chapter of 1st Cor.

Ladies Aid

The Ladies Aid Society was entertained in the home of Mrs. O. D. Leisburg Wednesday afternoon.

Meeting was called to order at 3 p. m. by the president, Mrs. Clamplitt led in prayer. After a short business session Mrs. F. C. Johnson took charge of Lesson 23 rd chapter of Luke. Interesting discussion followed the reading of each verse.

Mrs. Leisburg served dainty refreshments to the seventeen members and two visitors present.

The meeting was dismissed with the Lord's Prayer.

The meeting of May 28th will be in the home of Mrs. J. D. McAdams with Mrs. O. D. Leisburg as leader of the lesson.

Presbyterian Church Woman's Auxiliary

The Woman's Auxiliary of the Presbyterian church met at the

KILLOUGH REPORTS FINE MEETING IN AMARILLO

C. E. Killough, Secretary-Treasurer of the Clarendon National Farm Loan Association, was present at the Panhandle meeting of associations held in the Herring Hotel in Amarillo Monday of this week. Mr. Killough states that many of the high officials of the company were present to address the gathering and that somewhere in the course of events, the statement was made that something in the neighborhood of \$150,000,000 had been loaned to farmers in the state of Texas, some 56,000 farmers receiving benefits from the loans.

A recent ruling of the association in the state called for a re-check on the loans with particular respect to the needs for terracing the land. Mr. Killough stated that Donley County farmers were in need of this service with few exceptions on from five acres to the entire farm. With reference to the entire Panhandle and West Texas section, the statement was made that there had never been a foreclosure since the association since the Association has been operating, a total of thirteen years.

In Donley County, the record on delinquencies and foreclosures has been more unusual than that for the Panhandle section. Of the 125 loans made to farm owners in this county to total more than half a million dollars, there has never been a delinquency. The Association has been active in Donley County for eight years.

Special care was urged on the local farmers by the association to consider the character of the land on which the loan was being made, the character of the man to whom the loan was being made and the uses to which the loan would be put. To do this would mean no losses for the association for the entire state.

Mrs. Walter Fraser of Groom spent a few days here the fore part of this week visiting in the home of her parents, Mr. and Mrs. C. D. McDowell.

church for the study of the book of Romans.

During the business session the ladies voted to serve dinner twice a month to the Business and Professional Women's Club. Plans were perfected for this.

The next meeting will be held in the church on Wednesday, 28th. A special program is being prepared in celebration of the Eighteenth anniversary of the Woman's Auxiliary of the Presbyterian church.

Episcopal Auxiliary

The Episcopal Auxiliary met in the Parish house for their weekly business meeting and Bible study, with Mrs. W. H. Patrick as hostess.

Plans for the cook book now being assembled by the organization were discussed.

There will be only one more meeting before closing for the summer months.

An elaborate two-course luncheon was served by Miss Catherine Patrick in the absence of her mother, who was ill.

Texas utilities, budgeting \$70,000,000 for permanent improvements during 1930, are proceeding with their work. West Texas Utilities is spending \$500,000 in Dalhart. Southwestern Telephone Co. has started on \$80,000 worth of improvements at Hearne. Texas-Louisiana Power Co. is rebuilding its entire distribution system at Spearman and Western Telephone Co. has completed a new line from Spearman to Guymon, Okla. with a new direct line to Amarillo under construction. Southwestern Bell is to spend \$750,000 on improving its Amarillo-Borger lines and service and in that territory. Central Power & Light will erect a big hydro-electric plant ten miles west of Eagle Pass, using water from the irrigation canal under an 80-foot head.

MOTORS CONTINUE LEAD OVER ROADS

BETTER USE OF HIGHWAY INCOME IS URGED FOR MOTOR TRAFFIC.

By E. E. Duffy

There is a rumor that down in the hill sections of Kentucky and Tennessee people live in such dilapidated shanties that when it rains they are forced to climb into sedans to keep dry.

It is difficult to keep abreast of the automobile—the writer made careful calculations and estimated that at the end of 1929 approximately 26,000,000 cars, trucks and buses would be in operation, but official figures of the National Automobile Chamber of Commerce show 26,500,000 vehicles. A slight error of one half million cars on the part of the writer.

Although this week greatly resembles last week, it is nevertheless, Good Roads Week. In Atlantic City highway builders from all parts of the country are gathered at the annual convention of the American Roadbuilders Association. They are here because of these 26,500,000 motor cars.

The American roadbuilder, for the most part an unsung hero, has a clearer view of the road problem than has the layman. The roadbuilder must not only keep these cars out of the mud but he must provide a smooth traveling surface. If he doesn't he gets blamed. But the roadbuilder can't build smooth pavements unless he has the money—and too many communities are not giving it to him.

The annual highway income if spent directly on road improvements would buy a lot of roads for the forty-eight states, but by taking advantage of modern, efficient financing methods it will purchase a great deal more.

First class pavements are certainly not being built fast enough now. Progressive highway thinkers are urging the casting out of archaic road financing methods wherever circumstances will permit. Countless communities are finding this rather difficult to do, largely through failure of the layman to understand the principles involved. The bond issue method, the most efficient way of making money work hard, does this: speeds the construction program, lowers road maintenance costs, lowers car operating costs, increases the range of vehicle use, and adds to real wealth. Five very good reasons.

This nation need not worry about future highway income. The 26,500,000 cars will soon be 28,000,000. More pavements means more travel and that means more road money from the gasoline tax and that means more roads and more travel and so on.

CHARTERS GRANTED GAIN CAPITALIZATION LOSSES

AUSTIN, Texas, May 12.—During March, the Secretary of State granted charters to 237 new corporations, capitalized at \$5,788,000, compared to 182 corporations having capitalization of \$5,924,000 in February, according to Bervard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas. Mr. Nichols has just released his monthly survey of new corporations organized in the State.

"Last year in March, 228 corporations, with capitalization of \$8,297,000 were organized," Mr. Nichols said. "A total of 660 new charters were granted to corporations having capitalization of \$17,815,000 in the first quarter, whereas 795 companies, capitalized at \$125,345,000, were organized in the initial three months of 1929. It is interesting to note that new enterprises have been much smaller so far this year than they were in the first quarter a year ago.

"The increase in charters granted is a rather encouraging feature, because the general business trend usually follows a similar course a few months later. Permits granted to outside companies increased also, indicating that business is expected to improve before the year is over."

HIS WAGES

An artist was employed to renovate and retouch some oil paintings in an old church in Belgium, and on presenting his composite bill for \$67.28, was informed that an itemized statement was required. So the following was duly presented:

For correcting the ten commandments, \$5.12; for renewing Heaven and adjusting the stars, \$7.12; for touching up Purgatory and restoring the lost souls, \$3.06; for brightening up the flames of Hell, putting a new tail on the devil, and doing odd jobs for the damned, \$2.17; for putting a new stone in David's sling and arranging Goliath's head, \$6.13; for mending the shirt of the prodigal son and cleaning his ear, \$3.39; for putting a new ribbon on Pilate's bonnet, \$3.02; for putting a new tail and comb on St. Peter's rooster, \$2.20; for rebuilding the left wing of the guardian angel, \$1.18; for putting carmine on the left cheek of the high priest, \$5.02; for taking the spots off the son of Tobias, \$10.30; for putting ear-rings in Sarah's ears, \$5.26; for mending the roof of Noah's ark, and putting a new head on Shem, \$4.31. Total \$67.28. Please remit.

MERCHANDISE SALES OFF TEN PER CENT IN TEXAS

AUSTIN, Texas, May 12.—Sales of 84 comparable department stores located in 24 cities of the State amounted \$5,248,000 in March, against \$6,267,000 in March last year, a loss of 14.8 per cent, according to Bervard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas. Sales of the 84 stores for the first quarter were \$14,301,000, against \$15,907,000 for the first quarter last year, a loss of 10.1 per cent. Retail trade in March for the entire United States fell 12 per cent under that in March 1929.

More than 1000 handmen will be at the WTCC Convention in Abilene May 29-30-31. Fort Worth is sending five bands while Portales, N. M. to date holds the record for the most distant record.

Arthur Parker attended to business matters in Memphis Tuesday of this week.

Rent that spare room with a News Want Ad.

General Release

By J. A. McNAUGHTON

I want to make an appeal to the Western States in behalf of hog raising. It seems to me that we have nothing more important than to encourage the production of hogs along proper lines, at least to the point where the needs of the coast markets and the interior will be met, and we have a long way to go before that result can be attained.

The coast markets are paying out enormous sums of money every year to bring the bulk of our hog supply from the Rockies and in the face of the fact that we have the feed, climate and everything favorable to successful hog operations west of the Rockies. The barley situation today fairly illustrates the need for a more extensive home market and the most available plan is to feed barley to live stock. There is no feed that gives better results and will produce more nearly the kind of pork that we want in the coast section, which comes from the bacon types of hog. Denmark uses barley extensively to feed out the bacon type of hog that has been developed to meet the needs of the English market, and Denmark exports principally to the United Kingdom the products of more than five million hogs per year. It surely looks like if Denmark can afford to have a splendid chance of profit by supplying work direct to the English market. Such a plan is feasible but we must first develop the right type of pork.

There are few instances where it is profitable to ship the feed to the live stock, and even though such operations yield a profit it still remains that it is more profitable to feed the barley where the grain is grown, and ship the pork to the ultimate consumer.

It is good business to have a foreign outlet for our products, but it is also good business to have a home market to fall back on in case we are confronted as we are today, and doubtless will be from time to time in the future with an oversupply of all kinds of grain, keeping in mind too, that practically every civilized nation raises barley. Eleven Western States produce about 68,000,000 bushels each year, practically all without irrigation. The average yield is around 33 1-2 bu. per acre. The average price during the past five years was about 67c per bushel, making an average income of \$22.45 per acre. This may not be a fancy return but it is a good substantial earning considering the character of land upon which it is raised and the fact that no irrigation is necessary. As a rule such land has limited use. Notwithstanding this, is there anyone present who thinks for a minute in view of our higher standard of living, that we can compete with many of the foreign countries in the production of barley?

Middle western farmers are putting barley into land that heretofore has been used for corn. This is undoubtedly due to the corn borer and also the fact that barley, owing to its chemical make up, is a very satisfactory and economical feed. A five-year average price for hogs at central markets, ending in 1928, was 10c per pound, yielding about \$2.00 per cwt. for the barley used in feeding and fattening, and be it remembered that in feeding the barley on the farm, the expense of sacking and transportation is saved, a further credit to swine feeding. At this time foreign quotations are \$1.00 per ton less than the home quotations, but we need to broaden our home market, as it is too limited to absorb the yearly crop. Another important point is that we will never have a real packing business in the west until we have an adequate supply of hogs.

The products of other animals are sold fresh, hence the operation is merely one of slaughtering and marketing, while with the hog business, a substantial part is curing, requiring storage, capital

and labor. Hogs are cash every day in the year, because pork is a stable commodity. The quickest and most profitable way to cash our Western grain crop is via the pork route. How about feeding our surplus wheat of the Western States; it also makes good pork, and will bring more money in pork than present grain prices.

Mrs. W. L. Ball was in Clarendon a few days the fore part of this week from Alameda.

Miss Obie Crabtree spent the past week-end in Canyon as the guest of Miss Lone Ball.

Mr. and Mrs. J. T. Patman spent Sunday in Amarillo as guest of Mr. and Mrs. G. G. Adams.

Mr. and Mrs. Haskin Moreman from Mineral Wells, spent the past week-end here visiting with friends.

Misses Geraldine and Davella Kelly of Amarillo spent the past week-end here visiting with friends.

Miss Athyn Taylor returned to her home here the latter part of last week from Groom, where she has been teaching for the past school term.

Mrs. W. C. Breining and baby from LeFors, are here for a visit in the home of her mother, Mrs. Georgia Burrell.

H. S. Dubbs and daughter, Miss Reuella spent last Sunday in Amarillo visiting in the home of Mr. and Mrs. Walter Dubbs of that city.

Mmes M. Stark, Heckle Stark and Neal Bogard were Amarillo visitors Wednesday of last week attending to business matters and visiting with Mrs. James Adams.

W. A. Walters and son, Roy Walters, spent last Saturday and Sunday in Amarillo with their son and brother, Jimmy Walters.

Mrs. Roy Gammons of Fort Worth left for her home Saturday morning after a visit with her parents, Mr. and Mrs. A. G. Lane.

Mr. and Mrs. Houston Miller of Canadian arrived Sunday for a few days visit with their daughter, Mrs. Otis Jackson and other relatives.

Miss Ola Mae Watts of Wellington was a visitor over the week

end with her parents, Mr. and Mrs. J. H. Watts.

ASHTOLA

Following the preaching of the Baccalaureate sermon, May 4, by Rev. G. H. Gattis the Methodist pastor of this place, the pupils and teachers entertained the public with a program Wednesday, Thursday and Friday nights of last week, closing out their school. Wednesday evening the pupils of the primary and intermediate grades presented a miscellaneous program under the direction of their teachers, Mmes Smith and Davis which was enjoyed by more people than could be seated in the auditorium.

Thursday evening pupils of the high school department presented "Go Slow Mary" a farce comedy in three acts consuming about two hours, which did credit to the pupils and instructors. Those who participated in this play were: Beatrice Randall, Helen Parker, Emma Sue Graham, Mary Graham Geneva Collier, John Parker, Tendol Gregg, Lu McClellan, Jr., Horace McClellan, B. S. Dockery and Tate Poovey. This play was attended and enjoyed by a large crowd.

Prof. H. T. Burton of Clarendon College delivered the commencement address for the school Friday night. There was also readings and talks by several others.

Beatrice Randall, John Parker and Kirvin Irwin received their high school diplomas on this occasion and eight pupils received diplomas from the Grammar school. This was the closing of a successful school taught by Prof. C. W. Howard and wife, Aimes Davis and Smith and Miss Maude Bledsoe.

H. W. Lovell and wife received a message Thursday stating that their grandson, Roy Nelson, in Red River county, was not expected to live. They left immediately to be with him.

Mrs. H. C. Tims and her brother, Mr. and Mrs. Masoles, who is visiting her all visited in Amarillo Friday.

Mrs. Meaders and children of Claude visited her parents, Mr. and Mrs. A. L. Allen Saturday night.

The past week has been cloudy and threatening with no hard rains, but plenty to put a good season in the ground.

Mrs. Alice Richardson of Hulver, Mrs. B. F. Collier and children visited in the W. A. Poovey home Saturday.

On account of the illness of Bro. Walker the Baptist pastor, Bro. Lusk filled the pulpit Sunday morning and night. Sunday school was at the regular hour with a very good attendance.

The Sunday School will observe Children's Day the second Sunday in June.

Mr. and Mrs. Whit Calcote and daughter of Claude visited the lady's parents, Mr. and Mrs. A. L. Wallace, Sunday.

Mrs. Edd Lovell of Amarillo visited her mother, Mrs. Albert Reed, last week.

Clarence Shares and J. M. Jordan, Jr. from Goodnight attended services here Sunday and visited friends.

Mr. and Mrs. Guy Huffman and daughter visited Mr. and Mrs. Mondrosky at Pullman Sunday.

H. C. Tims and family, Mr. Marsalis and wife motored to the J. A. headquarters Sunday.

Hubert Deaton of Claude visited his sister, Mrs. John White, Sunday.

Mr. Johnson entertained with a party in his home Saturday night. Several from Clarendon attended.

Mr. and Mrs. Elmer Hunsucker visited friends and relatives in Hedley Sunday.

Mr. and Mrs. John Rex McClellan attended the school closing and visited their parents here last week.

NEW ORGANIZATIONS ARE SMALLEST SINCE APRIL 1925

AUSTIN, Texas, May 21.—Only 168 new corporations received charters from the Texas Secretary of State during April, according to Bervard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas.

These were capitalized at \$3,637,000, compared with 262 corporations with capital stock of \$24,476,000 in April last year. This is the smallest number organized in any April since 1925, while capitalization is the smallest in that month since 1918.

Only 22 permits were granted to outside corporations, whereas 40 outside permits were granted in March.

INTEREST GROWS IN YARD CONTEST

STANDARD SCORE CARD TO BE USED IN GRADING YARDS THIS YEAR

With the final entry date for the 1930 Yard and Garden Contest drawing to a close, the interest in this proposition and the number of entries is increasing at a rapid rate. The women's clubs of the city have taken a great interest in securing entries from their membership and from other of the city and it is reported that the contest will be larger this year than has ever been the case before this time. The exact number of entries is being held out this year until the final date as the club women want to make as many scores as possible.

A new standard of grading will be used this year in selecting the 1930 winners. Before this date the judges have graded on the simplest sort of a set of rules, making the entries conform as closely as possible to the standard. This year the standard score card furnished by the National Yard and Garden Contest Association will be used and numerous points are to be considered.

The grading will be divided into four main groups. The first of these is the front yard with a possible perfect grade of 25 points. The rear grounds of the home come in for the greatest share of the total grade with a possible sixty points. The alleyway adjoining the contesting yard receives ten points and the parking arrangements receive a total of five points for a possible perfect grade of 100 points.

The front yard is divided still further into two groups. The attractiveness takes the larger part of this possible score, grading fifteen points and is in itself divided into two sub heads. The general impression received five of the fifteen points and is to be graded by hospitality, homeliness, appearance from the street and like matters of importance. The details of the yard receive the other ten points in this section and is graded on plantings to boundaries, enclosing house, foundation plantings, all season bloom, maintenance, lawn, permanency features and other like items. The remaining ten points in this group are given to improvements made this year.

The rear grounds division of the card carries a possible perfect total of 60 points and is divided into three sections. The livability of the section received 20 points. Five of these are given the general impression, while the remaining fifteen are to be graded on the details of the part of the place. Privacy, shade and comfort facilities are included in the details of the back yard. Attractiveness of the rear grounds is another item coming in for thirty points of the sixty devoted to this part of the yard. Here, as in other parts the general impression received five points; the flower garden is assigned to carry ten points and is graded on pattern, composition, color and bloom; border planting receive the ten of the points of this section with grading being given on general outline, artistic composition, bloom and shade. Garden features take five of this number of points. The remaining ten points in this division are given the improvements made this year.

The latter two portions to be considered, alley and parking, carry a total of fifteen points are self-explanatory.

The cards used in grading the yards will be available from the members of the committee or at the office of the Chamber of Commerce. Robt. S. McKee, Joe Goldston and J. C. Estlack make up the Yard committee for this year.

MRS. VINEYARD TO HAVE SUPERVISION ANTRO MEALS

Effective today, Mrs. John Vineyard is to have the supervision of the management of the Antro Hotel Coffee shop and dining room. The fame of Mrs. Vineyard in serving meals is well known to residents of the city, she having served in several different places with good results. The Coffee shop is being thoroughly cleaned and will be in condition to receive business after noon today.

Mrs. James A. Patman, Miss Vera Brinson and Lon Simmons spent last Sunday in Hereford visiting in the home of an aunt Mrs. Betty Bell. Mr. and Mrs. A. L. Simmons of Melrose, New Mexico, joined them in that city for a visit.

PATHFINDER CLUB SETS FINE RECORD

FIRST WOMENS CLUB OF CITY LEADS IN ACTIVITIES UNDER MRS. J. L. McMURTRY

Few Clarendon people realize the record of activities achieved the past year and through the years by the Pathfinder Club, the first womens club organized in this city. All through the years, since its organization in 1911, the Pathfinders have benefitted and entertained themselves through their programs of miscellaneous study, but they have not stopped there. They have recognized their duty to the community and have in many ways sponsored movements and activities always for the betterment of Clarendon and her citizenship.

During the past year just closed, under the leadership of Mrs. J. L. McMurtry, the Pathfinders have been unusually active. So active, in fact, that some mention of their record is due the club and is of interest to the public generally. For a number of years the club has sponsored and presented a series of story-telling hours for the children during the summer months. This was signaly successful last summer and

MRS. J. L. McMURTRY Retiring President

under the adopted plan, will probably be even more so in the coming hot months.

Among the outstanding activities of the past administration will be found the sponsoring of the Clarendon Little Theatre. This movement was one of the platform goals of the president, Mrs. McMurtry, and on her instigation two other clubs of the city were enlisted with the Pathfinders and the Little Theatre, culminated under her leadership has just closed a most successful Spring season, and is now recognized as one of the worthy cultural organizations of Clarendon.

Other worthy activities of the Pathfinders include the lump payment into the treasury of the City Library of a sum of \$43, which is equivalent to the membership dues in the library for every member of the club. It will be remembered that the present City Library is the outgrowth of the Pathfinder Club library founded and operated by the club for a number of years, and is a specific contribution to the community never to be forgotten.

When the city authorities granted a club room in the municipal building for the womens clubs of the county, the Pathfinders were among the first to take part in its organization and during the past year has contributed \$45 to its furnishing.

Another movement for community health came in the club co-operation in the Health Week, when

Mrs. McMurtry personally offered cash prizes of \$1.00 each to the best essay written by school boy and school girl in the subject of "Why Drink Milk?" Charles Walker won the prize for the boys and Lee Christine Cousins for the girls. A committee from the club also made investigations in the community in regard to better civic health.

The Pathfinders joined the state federation of womens clubs the year it was organized and this year as usual delegates were in attendance on both the state and district conventions, bringing home to the membership reports of the connectational activities.

The latest movement of the sponsoring of the organization of a Business and Professional Women's Club for Clarendon. Last week this club was organized and promises to be one of the really active service clubs of the community, and will probably be listed as one of the permanent contributions of the Pathfinders added to an already well recognized list.

Mrs. McMurtry as had the whole hearted co-operation of the membership and the record of the year stands as a guide and a promise for the work of the Pathfinder Club in the coming year under the leadership of the new president, Mrs. A. T. Cole.

Clarendon is truly proud of the presence and labors of the Pathfinder Club and its activities has the applause and commendation of the community at large.

JIM HAILE BUYS DON MARTIN TRUCK LINE

This week's issue of the News carries the announcement of the purchase of the Don Martin truck line by Jim Haile. Jim is a former resident of the city of Clarendon and has recently returned to this city to make his home after several months absence in Canyon and Lubbock. Before leaving here Mr. Haile operated a truck business and is well known here for the quality of service rendered.

Mr. and Mrs. Robert Dillard of Amarillo spent Tuesday here visiting in the home of their parents and attending to business matters.

Local and Long Distance Hauling
Day 264 PHONES Night 556

Canada, with its 50,000 miles of paved or surfaced motor roads free from congested traffic, with recreational attractions within reasonable distance of the chief centres of population, offers all that could be desired by the vis-

iting tourist, in the way of comfort and convenience. The map illustrated on this page is a small scale reproduction of one of four sheets of a Sectional Road Map Series indicating main connecting highways between the United States and Canada, that is

issued by the Department of the Interior at Ottawa. Our readers will be glad to learn that the Canadian Government will supply copies of the map, on a large scale and with full detail, free of charge. Interesting booklets are also obtainable, citing the motoring, camping, fishing and other rec-

reational facilities of the country as a whole. Likewise specific data concerning any particular province or district may be obtained, if desired. Applications should be addressed to the Natural Resources Intelligence Service of the Department of the Interior at Ottawa, Canada.

PROMINENT GROOM RESIDENT BURIED TUESDAY

Sanders Merrick, a resident of the Groom community for many years, died in a Wichita Fall sanitarium May 11th. His body was returned to Childress for burial, where Elder Robert Price preached the sermon on Tuesday, May 13th. Mr. Merrick was 55 years 7 months and 1 day old at the time of his death.

Mr. Merrick is survived by his wife and five children; Clarence, Henry, Ivy, Mrs. Leta Garner and Mrs. Mary Knorrp, all of Groom Texas. In addition to these are four brothers, Joe Merrick of Memphis, Clarence Merrick of Ellsworth, Nebraska, Colonel Merrick of Ellsworth, Nebraska, and Clay Merrick of Childress. One sister, Mrs. Emma Gibson, lives at Paducah.

Mr. Merrick has been a resident of the county for a number of years and has many friends who join with the bereaved family in sympathy at this, the time of the death of their loved one.

RETURN ENGAGEMENT OF RIO RITA HERE THIS WEEK

A return showing of one of the most popular plays ever shown here since the installation of sound pictures will be given in the Pastime Theatre here Friday and Saturday of this week. Mr. Mulkey was so impressed with the premier showing of Rio Rita and the audiences were so well pleased that a repetition of the picture has been scheduled. No increase in the price of the picture is to be made for this showing, the usual Friday and Saturday prices remaining effective for this presentation.

Mrs. Glenn White of Menard, is here for a visit in the home of Mr. and Mrs. Frank White.

SARGON RESULTS SIMPLY AMAZING

"After an operation about a year ago I continued so weak and nervous I thought I'd never be strong again. My appetite was

REAL EDUCATION

Intellectual education develops man's capacity to know the truth, that he should pursue it. Emotional education develops man's capacity to feel the beautiful, that he should live it. Moral education develops man's capacity to will the good, that he should desire it. Religious education develops man's capacity to sense the Divine, that he should rest in it.

The Character of Christ is the Christian's standard. It should be the aim of every Christian to become like Christ. God calls us that we may become "conformed to the image of His Son." In other words, Christ is to be our pattern. David said, "I have set the Lord always before me." It is Christ that we are to set before us, not any saint, however eminent or however holy. Christianity is embodied in a single pattern—the Person of Christ. Let us keep the soul and it's Pattern side by side, and make continuous labor to increase the likeness of one to the other. Clay will not fashion itself. Christian character will not form itself. Strive to become like Christ. Christians learn more about Christ, copy Him. Copy no other.

The Apostle Paul, was a model preacher, in matters, in methods, in objects. His theme was Christ. He admonished and taught his hearers, in all the wisdom of divine inspiration, that he might make all men Christians. Sunday morning we desire to study more about the model preacher and our subject will be, "Apostolic Preaching." When Paul delivered a message, he knew what he was talking about and we must listen to him. In the second chapter of the Ephesian Letter he presents a message of importance to all Gentiles. Sunday night we wish to study this message and our text will be the fourteenth verse, our subject, "The Middle Wall." Arrange your plans so you can be with us, and learn more about Jesus, the supreme necessity of the human race.

W. E. Ferrell, Minister,
First Christian Church, Clarendon, Texas.

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.

Mr. and Mrs. Carl Barker and children of Ashtola spent Sunday with Mr. and Mrs. Goble Barker. Born to Mr. and Mrs. Otto, May 19 a girl. She has been named Annie Pearl.

Reta DeFreese of Ashtola spent Friday night with Winona Ford. Mr. and Mrs. Bert Ford and children spent Sunday afternoon with Mr. and Mrs. Ernest Wood.

CHAMBERLAIN

Ashtola came down for a game of baseball game Tuesday afternoon the scores being twenty-three to thirteen in favor of Chamberlain.

There were several from here attended the play at Hudgins Tuesday night.

Churchman played Chamberlain a game of ball Wednesday afternoon the score being in favor of Chamberlain.

Mr. and Mrs. Dial Cearley of Clarendon spent Tuesday night with the lady's parents, Mr. and Mrs. Matt Hardin.

Mrs. Jake Webb and children of Windy Valley took dinner in the W. W. Webb home.

Earl Webb happened to a very painful accident Saturday afternoon when he cut his foot on a piece of tin. He is having to miss school this week, but the teachers were kind enough to send his examinations to him.

Willard Cook of Sunnyview spent Saturday night and Sunday with Doyle Brazile and Earl Webb.

Mr. and Mrs. Olen Cook spent Saturday night with their parents, Mr. and Mrs. J. S. Cook of Sunnyview.

Mr. Dan Brazille who is working in Anarillo spent the week end with home folks.

There was a large crowd at singing Sunday night. Sam Ayers who taught our singing school was with us Sunday night. We are always glad to have him come to singing.

Mr. and Mrs. Earle Jones of Clarendon took supper with their aunt and uncle, Mr. and Mrs. W. Webb, Sunday night.

Ashtola came down for a game of baseball Sunday afternoon. The scores were 14 to 6 in favor of Chamberlain. Sunnyview and Windy Valley also played on the Chamberlain diamond, the score being 10-11 in favor of Windy Valley.

There was a large crowd at the program Monday night.

NAYLOR

Miss Rachel Tidrow left for an extended visit to relatives and friends at Dallas and Cooper.

Misses Hazel and Ava Hefner and Zelma and Letrice Scott attended the Baccalaureate sermon Sunday at Clarendon and were dinner guests of Mrs. Barton there.

Mr. and Mrs. T. E. Naylor and son spent Sunday with the lady's parents, Mr. and Mrs. Tom Bain at Hedley.

Miss Hester Grooms was hostess to the young folks Sunday.

Herman Smith spent the week end with Lee Marshall of Bray.

Mrs. A. O. Hefner and daughters, Misses Hazel and Ava, visited Thursday afternoon with Mrs. E. V. Quattlebaum at Clarendon.

Master J. B. Naylor of Hedley is this week guest of his cousin, T. E. Naylor, Jr.

Miss Mary Lee Buchanan and Leroy Tidrow, Miss Ruby Moore and Hylie Buchanan, Miss Fanny Naylor and Bill Moore attended a party Saturday night at Mr. and Mrs. Meadows at Pleasant Valley.

Nelson Naylor of Hedley is spending a few days with his cousin, Floyd Naylor.

Mr. and Mrs. W. M. Pickering attended the Baccalaureate sermon Sunday at Clarendon.

Rhea Bowlin and wife spent Sunday at Hedley with Rhea's brother and family.

Bro. Williams preached for us at 11 o'clock Sunday and Bro. Jewel Sibley at the evening hour. Both were enjoyed very much.

Mrs. Richmond Bowlin delivered

700 R. I. Reds Monday to parties at Pampa.

All enjoying the sunshine and everyone is busy.

W. M. Pickering is busy delivering fat cattle. W. M. has a profiting pen and is making good profit feeding.

Our school has finished up the year's work. One more week after this. We feel that our teachers, Misses Arnold and Brown, have done well and glad to say they will be with us another year.

Pleasant Valley

Everyone is rejoicing over the sunshine again. Men are all busy with their planting, only the days are hardly long enough for them to get in enough time.

Mr. and Mrs. Lee Singletery moved to Pampa this week, where he has employment.

Mr. and Mrs. J. D. Williams and baby from Wellington visited in the Hugh Riley home Thursday. Mrs. Williams is a niece of Mrs. Riley.

Mr. and Mrs. Longan and son, J. C., Tom Corder and Misses Dolly Corder all spent Sunday with Mr. and Mrs. Gaither at Memphis.

Mr. L. C. Shelton spent several days at Ox Bow camp this week.

Mrs. Ben Andis and son Weiford, also Mrs. Elvin Tinkle were callers in the Longan home Thursday afternoon.

There was a large crowd at the 42 party Saturday night. The club will meet with Mr. and Mrs. Higgins next Saturday night.

Mr. and Mrs. Gib Tims of the Chamberlain community called in the L. C. Tims home Saturday night until bed time.

Miss Martha O'Neal of Clarendon has been with her mother, Mrs. W. V. O'Neal who has been sick the past week. At last reports she was improving some.

BRAY

J. C. Hill and Mr. Dishman were transacting business in Claude Saturday.

Mr. and Mrs. Homer Lee spent the day in Hedley Saturday. Homer now owns the Dreamland

COOLING SYSTEM READY FOR USE

LATEST DEVICE CHANGES AIR IN THEATRE IN TWO MINUTES TIME

Seeing the advantage of using the latest and most improved system for ventilating his place of business, Mr. Mulkey has changed his fans and has the latest system now ready for operation in his place of business, the Pastime Theatre. The system has been installed in a house on top of the theatre and may be seen from all parts of the city. The eastern side of the house has been lettered with the inscription telling what it is.

The system as installed will change the air inside the building every two minutes. The fan has a total capacity of 35,000 cubic feet of air per minute, which gives a little leeway in the matter of twice this capacity. The interior of the building is slightly less than twice the amount of air handled each minute.

In addition to the change of picture show at that place. He has made quite a lot of improvements.

Mr. and Mrs. C. N. Hill were guests in the home of his grandparents, Mr. and Mrs. O. C. Hill, at Clarendon Friday.

Mrs. J. C. Hill was shopping in Clarendon Saturday.

Mr. and Mrs. Martin Barrister were visiting in Hedley Saturday. They remained over there for the show.

Mr. and Mrs. W. O. Hill and little daughter, Omelee were visiting in Hedley Saturday afternoon.

We have organized Sunday school again. Come out and be with us we are hoping for a full house soon as everyone learns we have organized again.

Mr. and Mrs. Claude Hill were visitors in homes of Mr. and Mrs. W. T. Youree and Mr. and Mrs. J. T. Pierson at Hedley Sunday.

Mr. and Mrs. Bill Clay and children spent the day Saturday with Mrs. Clay's parents, Mr. and Mrs. S. A. Burdine at Hedley.

Mr. and Mrs. C. N. Hill spent the week end in the home of the lady's parents, Mr. and Mrs. D. B. Leach, on the Finch ranch near Lakeview.

Ben Kyser was transacting business in Clarendon Saturday.

Dr. W. L. Hardcastle spent the day in the home of his grandson, W. O. Hill, Sunday.

Mr. and Mrs. W. H. Clay were visiting friends and relatives at Hedley Sunday afternoon.

position of the cooling system, another change may be added in a short time. A spray of water may be placed in the cooling house that the temperature of the house may be lowered as much as twenty degrees should this be necessary. Mr. Mulkey stated that he thought this to be unnecessary for the present as the fresh air from the top of the building would be sufficiently cool to keep the interior of the house comfortable.

Some conjecture was had in connection with the placement of the fans due to possible disturbances to the sound pictures. The machine has been tried out with a picture going and no difference has been noted in the production.

Chicks of different ages should not be raised together. The older ones will crowd the younger; poorly developed birds will be the result.

Add about a tablespoon of acid—lemon or vinegar—to the seasoning when starting a mayonnaise dressing, then add the egg yolk and begin beating. Add oil a little at a time, beating steadily and when the mixture begins to get thick add the remaining acid and oil.

LAST CHANCE Custom Hatching

We will take Custom Hatching for a very limited time before we stop setting for this season. Bring your eggs in on Monday or Thursday.

CLARENDON HATCHERY PHONE 263 Opposite Postoffice

AWARDS MADE BY HOME ECONOMICS DEPARTMENT

Miss Helen Beck, head of the department of Home Economics Department made the awards to the winners in each of the three classes as determined at the Style Show recently held in the school auditorium. The pins are the National Home Economics Pins and were secured through the work of the Home Economics department. Misses Martha Thomas Joyce Link and Latrice Benson are the members of the class to receive the pins.

Pasturing sheep on annual crops makes it possible to rotate pastures more frequently. This lessens the danger of infection by stomach worms and other parasites.

TODAY, AS FOR YEARS

BUICK DEDICATES ITSELF TO THIS BASIC SERVICE POLICY.

"Satisfy the customer." This has been the service policy of the Buick Motor Company throughout the twenty-seven years of its history. And so faithfully has Buick followed this policy that today the familiar emblem of Authorized Buick Service means prompt, efficient and courteous maintenance to more than 1,500,000 Buick owners. Buick has twice as many owners as any other company selling cars priced above \$1200.

Here are a few of the many important points of Buick's Service Policy: More than 4,000 factory-supervised Service Stations assure all Buick owners the same fine standard of skilled Buick service. A written Warranty, covering the first 4,000 miles or the first 90 days of ownership, whichever shall accrue first, guarantees every new Buick car to be free from defects in material or workmanship. Should parts or workmanship prove defective at any time during the Warranty period, Buick dealers will supply the parts and perform the necessary labor free of charge. In addition to careful pre-delivery tests, the Buick owner receives two major inspections without cost—one after 500 miles and another after 1500 miles of driving. These include a thorough road test of all elements of performance. The "Tourist" and "Change of Residence" clauses permit the Buick owner to change his residence as frequently as he desires or to tour any part of the U. S. or Canada and still receive the full Warranty benefits from the nearest authorized Buick dealer. ALL BUICK dealers fulfill these provisions of BUICK'S service policy. All dedicate themselves to the task of serving promptly, efficiently and courteously.

NEW PLAN FOR HOME MARKETING

LOCAL COMMITTEE INAUGURATES PLANS LIKELY TO BRING NEW ERA

What is probably destined to be the most far reaching co-operative plan ever attempted in Donley County has been inaugurated and carried to a point which justifies the release of the story here this week, according to Chairman W. H. Patrick of the Key-Bankers Committee of Donley County. This committee is made up of the chairman, J. W. Noel of Hedley, and F. E. Chamberlain and J. D. Swift of Clarendon, and its duties are to work in co-operation with the commissioners court, the chamber of commerce and the county farm and demonstration agents, for a unified plan of co-operation in the county looking to a better economic condition and the raising of standards of living throughout the county.

In co-operation with the home demonstrator and the chamber of commerce this committee recently conceived the idea of a trial plan of creating a home market for the surplus canned vegetables, meats and fruits put up by the women's canning clubs of Donley County. The secretary of the chamber of commerce, Mr. G. E. Boykin, secured orders from some six hundreds cans from local interested citizens for fall delivery, these orders being in turn prorated to the various canning clubs by the home demonstrator. These foods were sold to the customer on an absolute guarantee that the quality and pack will be up to the 4-H standard, which is recognized as very high in every respect, and delivery will be made direct and through grocers of the county at the prevailing market price.

The committee, according to Mr. Patrick, feels that this is the initial step in a movement likely to become the base of home marketing of surplus from Donley County gardens and farms, which will assume large proportions by another year or two and go a long way in making more secure the economic independence of our county farmers.

Secretary Boykin reports the finest spirit of co-operation among the business men approached in the movement, all praised the plan and declaring they had much rather buy their canned vegetables, fruits and meats from Donley County producers than to buy outside, with quality guaranteed and price the same. Delivery of the canned products bought this season will probably be made in September, and if there are any others who would like to place an order for such delivery they can do so for a few days by getting in touch with Mr. Boykin at the chamber of commerce office.

This bringing together of the home producer and the home buyer is a practical application of a theory long-talked of, and is in the hopes of the leaders in the movement the beginning of what will develop into a well-ordered annual business in Donley County which will run into thousands of cans, with a marketing association selling regularly to home grocers their yearly demands. The News feels this to be a movement worthy of the co-operation of every farmer and every citizen of the county. Money spent in Donley is most likely to remain in Donley.

Mr. and Mrs. Ralph Bourland from Quail spent the past week-end here in the homes of their parents.

Demonstrator Has Much Work Ahead

Miss Smith, the County Home Demonstrator for Donley County, states that she has a full calendar of work laid out for herself in the coming months. Probably the most important items now facing Miss Smith and her corps of workers are the two rally days that are planned for the county. The Women will meet in their day on Friday, July 18th and many different ideas will be brought forth at this meeting of all the clubs of the county. A similar day is planned for the girls of the county, but the date has not been set.

Girls of the county are especially interested in their rally day as there will be three winners selected from their group to make the trip to the Short Course that is to be held this year beginning July 28th. Two girls from the county will get to make the trip on their dressmaking ability, one from each of classes one and two. The other girl to make the trip is to be chosen as the most representative Club Girl of the county. Clubs especially interested in the dressmaking are Goldston and Lelia Lake.

A large part of the work of the demonstrator has been put in with poultry with the women's clubs, some good reports having been made. Wednesday and Thursday of this week Miss Smith has as her visitor Miss Sadie Lee Hatfield from a district in the southern part of the state. Miss Hatfield is judging the Donley County entrants in the Living Room Contest to determine the winners in District 1. The results of her judging will be divulged at the annual Short Course.

CLASS NIGHT PROGRAM IS MOST ENJOYABLE EVENT

The final play-night of the Seniors of the Clarendon High School was held last evening in the College Auditorium, being presented to a large audience. The class for this year outplayed themselves in the presentation of this program and it was probably the most enjoyed event of the entire series of graduating series. The following is the program as it was presented:

- Salutatory, "The Stage of Life"—Lucille Pickering.
- President's Address, "Riding Fortune's Favorite Horse"—Joe Noble.
- Class History, "Tales of High School Days"—Helen Smith.
- Viola Solo, My Sweetest, than Sweet, Whiting. Please Let Me Dream in Your Arms, Sherman—Marjorie McKillop, Mildred Sparks, Accompanist.
- Class Poem, "Reminiscences"—Betty Walker.
- Vocal Duet, That Old Gang of Mine, Rose. Rio Nights, Vincent—Fern Caughen, Wilma Hukel, Mildred Sparks, accompanist.
- Reading, "At the High School Graduation"—Nova Cook.
- Class Will, "The World's Greatest Legacy"—Joyce Link.
- Prophecy, "A Vision"—Donald Peden.
- Piano Solo, Under the Double Eagle, Wagner—Mary Frances Caraway.
- Valedictory, "On with the Show"—Eunice Johnson.
- Presentation of the Key of

LITTLE THEATRE HAS FINE RECORD

FINANCES OF ORGANIZATION IN SPLENDID CONDITION. CURTAIN HALF PAID

At a called meeting of the directors of the Clarendon Little Theatre Monday afternoon at the Womens Club Room at the City Hall, a final report on the work of the Spring season was made by the business manager and other details attended.

From the report it was found that the three plays presented during the Spring a total of \$374 had been realized at the box office, which after deducting all expenses for royalties, advertising, printing, books, make-up kit, etc., made it possible for the organization to pay \$270.00 on the cost of the new curtain installed at the college auditorium.

The curtain was bought from a Dallas concern on a year's time, at a total installed price of \$570 which after the credit of \$270.00 applied this Spring leaves a balance of \$300 to be paid before March of next year. Officers of the organization feel that the balance will be wiped out before January 1st, 1931, and the Clarendon Little Theatre will be free to take up some other worthy local work, probably in connection with better scenery, lighting effects, and better stage equipment at the college auditorium, where all its plays are presented.

Another item of business transacted, came when Mrs. Joe Goldston, as president of the Little Theatre, presented the matter of token of appreciation for Rita Foster Stocking, who has given so generously of her time in directing the productions of the organization. By unanimous vote a committee was named to select suitable gift to Mrs. Stocking to be presented her with the thanks of the Little Theatre. Mesdames McMurtry and Boston were named to act with the president on this committee.

The Clarendon Little Theatre is conducted through a board of directors named by the three sponsoring clubs of the city, viz., The Pathfinders Club, the 1926 Book Club and the Lions Club.

AMUSEMENT CENTER STILL DRAWING MORE ATTRACTION

A double size, regulation croquet court is the latest addition to the amusement center of the city. This addition is being installed by Floyd Keener on the corner of the Grammar School grounds and is to be complete to the last detail. Mr. Keener states that the two courses will be as level as they can be made with the use of the spirit level and that the equipment is the professional type and of the best kind available. This amusement spot will possibly be open the latter part of this week although the owner stated he feared it would be the first part of next week before the court could be opened.

Knowledge to Junior President—Joe Noble.
"One More Song", Wilson—Class.

Indian Hills Wollops Locals

Returning the courtesy extended them last year, the Indian Hills golfers from the city of Amarillo took the Hillcrofters into camp last Sunday evening by winning one more match than did the local players. The match played last year resulted in a loss for the Indian Hills aggregation and they now feel that the matter has been squared for the time being. The Hillcrofters were treated to a splendid luncheon at noon at El Taos, a new eating house in Amarillo and were content with losing the match after this had happened. The results of the match are given herewith, Clarendon player first.

- M. E. Ferguson defeated Fred Fyfe, 4 up.
- F. B. Gentry lost to M. Blohm, 1 up, 19 holes.
- H. Kennedy lost to J. R. Farmer, 3 and 2.
- J. T. Patman lost to C. E. Capers, 1 up, 20 holes.
- Mead Haile lost to J. W. Adams, 1 up.
- A. N. Wood beat M. J. Sayre, 1 up.
- E. Hardin lost to Bill Laidley, 3 and 2.
- Dr. Harter lost to S. E. Griffiths, 3 and 2.
- I. C. Merchant beat Bob Laidley, 4 and 3.
- M. P. Gentry beat Gore, 2 and 1.
- H. B. Kerbow lost to C. W. Caib, 3 and 2.
- G. McClesky lost to H. McGrath, 4 and 3.
- Tom Connolly beat Murray Watts, 4 and 3.
- Lee Casey beat Ray Daniels, 3 and 2.
- W. A. Wilson beat E. C. Slough, 4 and 3.

ADVANCED STUDENTS TO BE PRESENTED SUNDAY

Presenting Misses Lois Strawn and Mildred Sparks with others of the class, Miss Fray Stallings, teacher for the Amarillo College of Music is announcing a recital program for the Methodist church on Sunday afternoon, May 25. Three o'clock is the hour set for the presentation and the general public is invited to attend. Mrs. Loyd Stallings will also be heard at this time. The following is the program as arranged:

- Part I
- Sonata in G, Beethoven—Geraldine Pratt.
- The Butterflies, Millegram—Melba Dell Warner.
- Twilight (Pipe Organ)—Mrs. O. T. Smith.
- Invitation to the Dance, Weber—Mildred Sparks.
- Waltz in G Major, Chopin—Margarette Christal.
- Part II
- Sonatina, Allegro, Andante, Rondo, Kublan—Delphia Bones.
- Berceuse from Jocelyn, Godard. Ballet Music from Rosamund, Schubert—Ganz—Lois Strawn.
- My Gipsy Love, Galbraith. Into the Dusk, Kountz—Mrs. Loyd Stallings.
- Idillio, Lack, Japanese Dancing Girl, Adams—Delphia Bones.
- The Butterfly, Merkel. March Carnavalesque, Friml—Lois Strawn.
- "Smilin' Through, Penn. One Fleeting Hour, Dorothy Lee—Mrs. Stallings.

ROTARY ELECTION SET FOR FRIDAY

SEMI-ANNUAL SELECTION OF LEADERS TO TAKE CENTER OF FLOOR.

Friday of this week has been set by the local Rotary Club for the election of officers for the coming six months. This plan has been widely adopted by the member clubs of this organization and is being followed by the Clarendon club.

Another feature of the Friday luncheon is to be the selection of that Rotarian who will represent the Clarendon club at the International convention in Chicago next month. This matter was planned for attention at the last meeting but due to the coming election of officers, it was decided to attend to both matters at one time.

Visitors to the Memphis Rotary Club reported on their visit as one of the features of the meeting Friday. Dr. J. W. Evans also enlightened the members of the organization on the trials of a professional man of his chosen profession. Apt illustrations were applied in some instances, showing the frailties of human nature as applied to those who sit in a dentist's chair.

A report of the Boys' Work Committee was heard, they suggested that the work with the rural boys continue as in the past.

Hon. A. T. Cole returned Monday from Amarillo where he had been for the past week attending to legal matters.

Mr and Mrs. C. J. Douglas returned last Saturday from Dallas, where Mrs. Douglas and the children had been to visit in the home of Mr. Douglas' mother while Clyde was in Austin to attend the Lions Convention.

Mrs. Ed R. Bentley of Lakeland, Florida, was a visitor in Clarendon Monday of this week in company with her father, E. F. Bryan of Amarillo. Mrs. Bentley will be remembered in Clarendon as Edith Bryan.

Mrs. C. G. Strickland returned Wednesday evening from Greenville, Texas, where she had visited an uncle, Mr. Geo. Dugan. While away she together with Dr. Strickland visited the parents of Dr. Strickland, Mr. and Mrs. Strickland of Lamkin, Texas. Dr. Strickland returned earlier in the week.

Plans For Cheaper Golf In Clarendon

"Cheaper golf for Clarendon" was the theme of a called meeting of the Hillcroft Golf Club held Wednesday evening at the Queen Theatre, with President Tom F. Connally in the chair.

The general opinion was that the club should take in new members at once up to sixty in number, in order that the prorated cost would be substantially reduced for the coming year from June 1st.

A committee was authorized and the proposed plan calls for an annual membership fee of ten dollars with a monthly dues of \$2.00, making each member obligated for twelve months, at a total cost of \$34.00. This is slightly less than half the cost of the past year.

The club has received a dozen new members in the last few weeks and there is every prospect for signing up the necessary sixty for the coming year.

MASONS IN AMARILLO FOR CERTIFICATE MEET

The Panhandle Certificate Men's Association is meeting today in Amarillo and has a full attendance from this city. A great program of entertainment and work has been laid out for the members of this body, they expecting to return to their homes here some time tonight. Clarendon is represented by Doss Palmer, Homer Mulkey, president of the association, H. B. Kerbow, Secretary; John Blocker and M. T. Howard.

Mr. and Mrs. J. H. Hurn drove to Post, Texas, last Friday, returning Saturday with their daughter, Miss Mary Hazel, who has been teaching in the Post High Schools for the past year.
