## County Picnic Plans Developing Rapidly

### Clarendon Trippers Make Fourth Visit This Evening

#### GOOD WILL TRIP TO BRICE

#### MANY CLARENDON CITIZENS ARE PLANNING TO MAKE TRIP TONIGHT

The business men of Clarendon with their families will leave the city about 7 o'clock for Brice where they will meet at the school house of that place for a get-together with the citizens of that city. One hundred or more of the people of this city are expected to make the trip to the neighboring city, and a great time is sure to be enjoyed by all who will attend the affair. This will be the fourth of such trips to be made by the business men of this city to the nearby places.

The program for the occasion will be somewhat similar to that presented last Friday evening at Jericho. The Clarendon High School band will be on hand to pop up the gathering with its lively marches and novelty numbers. The Clarendon Amos and Andy team will be there in their special dance skit, and they have promised to make the audience sit up and take notice at their new tricks in the black face tap dance. Readings, and special musical numbers will make up the remainder of the program. Several short and humorous speeches will be made by capable speakers and will be worth the time of any one to be there to hear what they have to say.

The Brice citizens and the Clarendon folk are wanted to be prepared to enjoy a large quantity of this delicious food which will be placed before them.

Mr. and Mrs. Clyde Naylor and Miss Cecelia Atteberry of Pampa spent Saturday night and Sunday with friends and relatives in Clarendon.

Mr. and Mrs. Marvin Smith and family spent last Sunday in Gould, Okla., with Mr. and Mrs. Morris Smith, their son. Mr. Smith reports rains in strips with conditions better than he has seen there for a number of years.

Mr. and Mrs. Fred Connally of Port Arthur announce the arrival of a son June 9th. The young man who weighed 6 pounds and five ounces at birth will be named Dickey Duke Connally. Dickey is the grandson of Mr. and Mrs. Tom F. Connally of this city.

#### ROTARY CLUB IN BOYS WORK

#### LUNCHEON CLUB ENDORSES THE WORK OF THE BOYS COMMITTEE

Boys work was again the topic of discussion at the regular luncheon hour of the Rotary club Friday noon at the Clarendon Hotel. Rotarian Davis, of the Boy's Work Committee reported to the Club what had been done in the meeting with a like committee from the Lions Club. He stated that he knew of no reason whatever that should hinder the progress of four teams in the city. He reported that the Lions Club was strongly behind the movement and would contribute their aid to the project.

The boys of Clarendon are very interested in the move started by the Rotary and Lions Clubs, and now that the Boy Scout movement has temporarily been dropped in the city it is only just that some other means of boy's work be undertaken by responsible parties.

The Clarendon Rotarians were hosts to five visiting Rotarians who were at the Friday luncheon to make up their attendance with their respective clubs. The majority of the visitors being members of the neighboring club at Memphis.

The program of the Friday hour was rendered by Mrs. G. L. Boykin, who presented several very pleasing numbers on the violin. Rev. W. E. Ferrell, pastor of the First Christian Church, is the newest Rotarian in the city, having been voted to membership at the Friday luncheon.

#### BAND CONCERT SCHEDULED FOR SUNDAY AFTERNOON

The Clarendon High School Band will again make its appearance Sunday afternoon at 3:30 o'clock at the band stand in front of the old Grammar school building. Director Gus B. Stephenson stated that the band has prepared a very pleasing program for the entertainment of those present, and that there will be a number of special features to supplement the program. The orchestra will make its second appearance before the public in the Sunday concert, and will present several new numbers for the listeners enjoyment. The program has not been released by Director Stephenson for publication making it impossible to give the program in its complete form at this time. The whole public is invited to be present at this concert.

#### LIONS DELEGATION NAMED TUESDAY

#### NEWLY NOMINATED PRESIDENT IS DELEGATE—BRASWELL ALTERNATE

A meeting of the Board of Directors of the Clarendon Lions Club held following the luncheon Tuesday of this week named the delegate and alternate to the International Convention at Denver, and attended to other business matters coming to the attention of the club.

The directors also placed their approval on the plan of work adopted by the Boys' Work Committee of the Lions and Rotary Club and voted a fund to care for the purchase of sufficient baseballs to meet the needs of the teams for the season. The Rotary Club is supplying a like number of the balls, so that there will be no need for an insufficient supply of these needed supplies for the games.

In addition to furnishing the baseballs, Lion Boykin stated that their plans called for an outing at the close of the playing season. The two clubs of the city to furnish transportation and eats for the all-night outing. Some near-lookout will be provided that is of easy access to everyone.

The directors also approved the payment of the state dues and the assessment for work with the blind in the state.

Lion Mulkey as chairman of Zone 31 stated that he desired to have another zone meeting before the close of the year for the purpose of selecting the officers for this division. The City of Claude was suggested and he and the secretary will make the trip to that city Thursday to determine if they desire to entertain the group on Thursday, July 10th. Adjournment was had after the discussion of a number of items that are not of a great amount of interest to the general public.

#### OFFICERS MOSLEY AND PIERCE RETURN MONDAY

Sheriff M. W. Mosley and Guy Pierce, Deputy Sheriff, returned Monday from Sherman where they had been to testify at the trial of Marvin Shelton, Shelton, an automobile thief, was recently captured near Clarendon by the local officers, and returned to Sherman for trial where it is believed he was connected with an east Texas automobile thief ring.

Shelton's trial was held in conjunction with two other alleged automobile thieves. Each of the two was sentenced to six years in the state penitentiary.

On the return trip Sheriff Mosley visited his brother at Cooper and acquaintances at Enloe. This marked the first time in sixteen years that the local officer had made a visit of this kind back to his old stomping ground. At Enloe Mosley again met his first employer, now a man of some 87 years of age. Reminiscences of many pleasant occurrences were recalled and enjoyed while visiting with this old gentleman.

Miss Lorraine Patrick and Mrs. Kelly Chamberlain will leave Thursday evening for Morrison, Colo., for a visit with Mrs. Florence Reber, Mother of Mrs. Chamberlain.

#### EXTRA ADDED FEATURE ANNOUNCED FOR FOURTH

The most recent addition to the big County picnic to be held in Clarendon the Fourth of July is the announcement from the entertainment committee that there will be a turtle race staged by the pets of the youngsters of the county. Any turtle is eligible to participate in this great classic of speed and endurance. Lining in the turtle you expect to be crowned speed king of Donley County, and he may crash through to win one of the three prizes offered by the business men of Clarendon. The first turtle to break the tape will entitle the owner to \$3.00 in cash, the second will win \$2.00, and the third will be given a prize of \$1.00.

The rules for the race are: every turtle must be named and must be entered under this name. All entries must be made to Phifer Estlack, race chairman. No adults will be permitted to enter their pets in this special feature. All the turtles will be numbered by the committee, the number to be placed on the back of the racer. These will be placed in the center of a large ring and the first three animals to cross the line will be declared the winners of the event. Don't forget to bring your turtle for this great race spectacle of the county.

#### BOARD PASSES NEW RULINGS

#### REQUIREMENTS FOR PROMOTION ARE ADOPTED BY TRUSTEES SATURDAY

Resolutions were adopted at the regular meeting of the Board of Trustees of the Clarendon schools Saturday night, whereby the requirements for promotion will be stricter than they have been in the past. Better scholastic work will be stressed hereafter since the new rules will not permit a student to receive credit for work unless that individual has an average of 75 in that particular subject. The entire time of the meeting was practically taken up with the discussion and adoption of the resolutions to be put into practice with the coming term of the long session of school.

The resolutions as passed are presented to the public in the following paragraphs:

1. No work will be accepted unless done by authorized teachers during the summer months and also during the regular session of school.

2. Beginning with the session of 1930-1931, students in the grades of 75 in the fundamental subjects before they may be promoted. This general average will include art and music. In case a student fails in three fundamental subjects they shall not be promoted, even though their other subjects should bring up their average to the required 75.

3. In case of students coming from unclassified schools they will be given a trial for six weeks in the grade above their last promotion, and providing they make the required grade they may remain in that grade. In case they fail to make the required passing grade, they will be placed back one grade.

4. It is required that all students must have eleven credits at the beginning of the school term to be classified as a senior, and must have thirteen and one-half credits at the beginning of the second school term to remain in the senior class. The student must have sixteen full credits in order to participate in any of the graduation exercises of the school.

5. All pay pupils must pay tuition every month or drop from the rolls of the school after the first week of the following month.

Mr. and Mrs. Tom Connally of Amarillo, spent Sunday in the home of their father and mother, Mr. and Mrs. Tom F. Connally.

#### BOYS BASEBALL LEAGUE FORMED

#### LIONS AND ROTARY SPONSOR CITY BASEBALL LEAGUE FOR BOYS

All the youngsters of Clarendon who have baseball aspirations will be given ample opportunity to develop these talents in the very near future when the boys baseball league swings into action. The schedule of the league is now being prepared by the league officials, and will include approximately 48 games. The project was worked out at a recent meeting of committees from the local Lions and Rotary clubs on boys work. The city is to be divided into four divisions with the dividing lines being Fifth Street, the street leading to the college, and Kearney Street. All the boys of sixteen years and under living within these boundaries are eligible to participate in the league and all are requested to get in touch with the managers of the various teams as soon as they are announced, and hand in their name as being a prospective player.

The boys from the East and West sides of the city have been gathering this week and have been receiving valuable practice from their prospective managers. The equipment for the games will be furnished by the league committee, and no admission will be plan of the league for two games to be played each week. The winning team will be given some sort of a prize, emblematic of their efforts and success. It is hoped that all the boys of the city will get lined up with their respective teams, and get the benefits to be derived from participation in clean wholesome competition. The managers of the teams will be selected with due consideration being given to the ability and character of the individual who is to deal with the youth of Clarendon.

In a practice game between the boys of the east and west sides of the city the east side boys came off the diamond with the victory with a score of 22 to 14. A number of real ball players were uncovered and several good plays were executed. The lack of pitching ability spelled defeat for the west side, although they showed a world of batting punch when they scored ten runs in one inning. It is from these two teams that it is hoped to divide into four teams to form the proposed boys league.

The Friday afternoon at 4 o'clock all the boys in Clarendon sixteen years of age and under are requested to meet at the college park where the league will be discussed, teams planned and captains elected for the season. If any boy in the city can play baseball or cannot play baseball he should be present at this meeting. The object of the league is not to use just those who can play the game well, but it is also to teach the youngster who doesn't know how to play baseball. The business men of the city are trying to do something for you, fellows, so show your appreciation to them by being present Friday at the ball park and carrying out plans started for you.

#### LOCAL MASONS HOLD ELECTION

#### OFFICERS FOR NEW YEAR ARE ELECTED IN REGULAR MEETING

The Clarendon Masonic Lodge, No. 700, met in its regular meeting Friday night and the election of officers were attended to. After a short business meeting the regular election routine was held. The following officers were elected to succeed the present officials: Homer Parsons was elected to the position of Worshipful Master. Elmer Palmer will take over the duties of Senior Warden. Clifford Allison will assume the post of Junior Warden. E. A. Thompson was retained as Secretary of the organization. W. H. Patrick was made Treasurer, and Lonnie Hahn was elected to the position of Tyler.

#### ENTRIES NEEDED FOR FOURTH HORSE RACES

If you have a horse that can run, why not enter him in the horse races to be held in Clarendon the Fourth of July? Perhaps he will win one of the cash prizes which will be offered the winners of the races. The business men of the city are anxious that there be enough entries in the event to justify the offering of good prizes. If there isn't a number of entrants made by interested parties the whole event will be forced to be dropped from the program of the day.

If anyone in Donley County owns a horse and is in any way interested in the races they are requested to get in touch with either Frank Whitlock or Clyde Douglas in Clarendon at the earliest possible moment, preferably this week, and turn in the entries.

The races will be run on a straight-away track, from the Denver Hotel to the concrete dip directly south of the Farmer's Co-Operative Gin. This will be graded up into a splendid track by the city and will afford plenty of spectator room for those who come in their cars. There will be three races included in the card for the afternoon.

#### DENVER IS GOAL OF LOCAL LIONS

#### TOTAL ATTENDANCE FROM CLARENDON MAY REACH FOURTEEN

Attendance on meetings in this section of the state and at the Denver convention was the topic for attention at the Lions Club Tuesday of this week. The first item to be discussed was the Zone meeting at Panhandle Tuesday evening, at which time plans are to be made for a display or exhibit of some sort to be placed at the International convention at Denver during July.

The second item of major importance was the attendance of local Lions on the Denver convention. A final count showed that a total of fourteen Lions and their ladies are planning to make the trip and visit Colorado for their first time. Others may join the party at a later date, but these are the first to signify their intention of making the trip.

Lion Boykin reported on the work started the latter part of last week in connection with the Rotary Club. This has to do with the organization of baseball teams of boys sixteen years and under and is thought to be a step toward the possible formation of others in the city during the summer. The first matched game was announced for Tuesday evening and the Lions were urged to attend.

The program Thursday evening at Brice was announced and a full attendance was urged. The usual sort of program will be presented and the club women of that section will serve ice cream and cake to the visitors.

#### COURTHOUSE LAWN SHOWS IMPROVEMENT IN LOOKS

Under the expert attention of A. O. Yates, caretaker at the courthouse, the lawn and shrubbery on these premises show that there is someone to care for them. The lawn has recently been trimmed in a line between the trees to give it a uniform edge all the way round. In addition to this, the mower is kept busily engaged keeping the surface of the lawn as smooth as possible. The hedge was frozen to the ground by the extreme cold weather, but is improving and will soon be in a position to be trimmed and put in shape again. Flowers are being planted where they will show to the best advantage and as a whole the yard is very much improved.

Jack F. Jones made a business trip to Wellington Monday.

#### JERICO PARTY IS BIG SUCCESS

#### ONE HUNDRED CLARENDON AND JERICO FOLKS IN GET TOGETHER AFFAIR

A large number of Clarendon folks motored to Jericho Friday night to attend the get-together party of the people of that place and the local citizens. The Friday night affair was the third of a series of good will visits to the rural communities of the county.

The Clarendon delegation left the city at 7:15 o'clock and arrived in Jericho shortly after 8 o'clock. The Clarendon High School Band gathered in front of the Jericho school building and played several tunes before the crowd proceeded into the building where the program was rendered.

G. C. Boykin, secretary of the local Chamber of Commerce, was master of ceremonies throughout the evening and handled the program to the pleasure of all present. Miss Eunice Johnson received the lions share of the applause from her rendition of two splendid readings. One was especially pleasing, dealing with the obstacles encountered by a love-sick young man from his family and the family of the girl. L. B. Pierce presented several novelty numbers on the steel guitar, and the Clarendon Amos and Andy black face tap dance team with the addition of a black face piano player put over their act with the usual success and enjoyment to those in attendance.

Announcement was made of the big county picnic to be held in Clarendon on the Fourth of July and an invitation was extended to the people of Jericho and the surrounding country to attend and enjoy the many free attractions offered on that day.

Ice cream and cake was sold to the gathering by the Jericho-Boydston Home Demonstration Club. Approximately \$30.00 was realized from the sale of the refreshments, this money going into the club treasury. An interesting item of the sale of this food was that all the cake for the occasion was sold completely out although the supply of cream was plentiful.

The next affair of this kind will be next Thursday evening at Brice. All Clarendon citizens are requested to make the trip on this day if possible.

#### CITIZENS PLAN FOR JULY 4TH

#### REVIVAL OF OLD FOURTH CELEBRATION WILL BE UNDERTAKEN

Several years ago the Fourth of July celebrations in Clarendon were famed throughout the Panhandle section of Texas, but in recent years there has been no city or county commemoration of this historical episode of our country's birth. This year finds the citizens of Clarendon and the county with the feeling of patriotism rising to such a height that the celebrations of former years are going to be revived. This year's program will be especially for the people of the county, with the program of the following years being extended to the surrounding counties.

Only free attractions will feature this year's celebration. A baseball game between teams representing the east and west sections of Donley County will be the opening feature of the day, starting at 10 o'clock. At noon there will be a beautiful picnic dinner spread under the shade of the trees at the Grammar school building. Everyone is expected to bring a full basket of food for the occasion, the ice and cold drinks and other accessories will be furnished by the Chamber of Commerce of Clarendon. The day's program will be resumed at 2:30 o'clock.

Immediately following this feature of the day will be a band concert at the band stand in front of the old Grammar school building situated at the south end of Kearney Street. It is hoped that there will be five bands present for the day other than the Clarendon High School Band to fill the holiday with lively strains of music. Three of the bands have definitely made plans to be here and the other remaining organizations have indicated their intention of being present if arrangements can be made. Sprinkled in between the band numbers will be speaking and novelty numbers which will meet with the enjoyment of all those who will be present. At the conclusion of the concert all the bands will be consolidated into one massive band and will render a number of selections which should be enough in itself to draw a large crowd to the city.

The managers of the east and west county baseball teams who will play the Fourth have been announced and will meet with the teams from this time forward in their efforts to mould an unbeatable ball aggregation. W. C. Johnson will handle the east county squad, and will have access to the crack Giles city team to draw his stars from. The west team will be ably directed by Roy Blackman and James Grundy, who promise to place a strong team on the field at the time of the game. All the players are requested to get in touch with their managers and attend all practice and receive instructions regarding the approaching game.

#### VALUATIONS OF CITY IN RISE

#### CITY VALUATIONS SHOW \$133,000 INCREASE OVER LAST YEAR

Figures released from the city offices reveal that the assessed valuations of Clarendon for this year amounts to \$3,179,000. The valuation mark of this year shows a substantial gain over the past year's valuation of some \$133,000. The valuation figure of last year was \$3,046,000.

So far the tax rate for the city has not been definitely decided on, but it is thought by responsible parties that the rate will be approximately the same as that of last year. In that case the rate of \$1.48 will hold good in the coming year. This rate will probably be announced following the regular meeting of the tax board on July 1. Such a very small difference in the valuation this year and that of last leads the officials to believe there will be very little and probably no change in the tax rate.

A STEP IN THE RIGHT DIRECTION

The organization, this past week, of rival baseball teams in Clarendon among the boys sixteen years old and under may be taken as a step in the right direction for Clarendon. The Boy Problem has grown until it is one of the things that has taken the time and energy of many men for years without a sign of a solution. The problem has become such that it resolves itself into something for the boy to do to pass his idle hours and these ball teams will assist materially in giving the youngsters something to do during the afternoons.

Originally planned for four sections of the city, it has come to the place where there are not a sufficient number of boys familiar with the game to form four teams. The result has been that two teams have been formed, with others in prospect.

The business men and fathers of the town can do much to assist this project by attending the games. There will be no admission charged for them, and the time lost will be more than regained by the interest of the boy in playing the game squarely. To overlook one of these intersectional tilts will mean that the men are transferring their interest in their boys to some other man or to some organization wholly without interest in the individual.

The Rotary and Lions Clubs of the city are furnishing the baseballs for the teams. They are furnishing coaches for the two sides and are planning to furnish the spectators if they are not forthcoming from any other source.

Back your side of the city—back your boy who is on the team. If you have no boy, back the boy in whom you are interested. In any event, show some interest in the work in hand.

## WORDS

Words are the coinage of our existence, fresh minted out of the mine of experience and stamped with the authority of custom. If we use these words carelessly and extravagantly, we are guilty. A man who pays twenty dollars for a ten dollar debt and tells his creditor to keep the change is no more foolish than the girl who uses awful, terrible, or gorgeous on all occasions. When a time really comes that she needs her shining words, they are either all gone, or so worn that they will not pass for face-value.

The boy whose poverty of language reduces him to the necessity of using slang or profanity to express himself, confesses in all companies that he is in debt. A safe rule with regard to slang is, "Never use slang unless you know reputable English to take its place; and swear never."

The person, who knowing a large number of words, uses only a few, and those of too great simplicity, is a miser; and, as far as his hearer is concerned, he is devoid of riches.

Just as gold and silver lie not on the surface, but are to be found only by deep digging, so the wealth of words is obtainable only by persistent and energetic excavation.

A man who has an oil well or a gold mine on his premises and never avails himself of its presence is not more reprehensible than the college student who possesses a vast and unknown resource, but confines himself to the penny exchange of small talk.

What are you going to do about it?—M. Moss Richardson.

## THE MAN WHO COUNTS

It is not the critic who counts; not the man who points out how the strong man stumbled, or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again because there is no effort without error and shortcoming; who does actually strive to do the deeds; who knows the great enthusiasm, the great devotion, spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement; and who, at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who knew neither victory nor defeat.—Theodore Roosevelt.

## WHAT THRIFT IS

Thrift is a determination to live with a margin for future advancement; to earn a little more than one spends or to spend a little less than one earns, getting meanwhile the value in strength, in satisfaction or in other worthy return for the money one feels free to spend. The spirit of thrift is opposed to waste on the one hand and to recklessness on the other. It does not involve stinginess, which is an abuse of thrift, nor does it require that each item of savings should be a financial investment. The money that is spent in the education of one's self or of one's family, in travel, in music, in art, or in helpfulness to others, if it brings real returns in personal development or in a better understanding of the world we live in, is in accordance with the spirit of thrift.—David Starr Jordan.

## LOCAL GOLFERS

### TRIM SHAMROCK

#### THIRTY-SEVEN MEMBERS OF SHAMROCK CLUB IN MATCH WITH LOCALS

Sunday afternoon the Hillcroft golf club was besieged by the largest number of players from one individual club for a match in the history of the game in Clarendon, when thirty-seven members of the Cole Creek club of Shamrock were the guests of the day. When it was seen that such a large number of the followers of the elusive little white ball were here a hurried call was made over the city for golfers of any type. Enough was finally secured to pair all the visiting golfers, but not until some of the Clarendon caddies were called into service. With all this, the local golfers were able to cope with the situation successfully and repelled the attack of the invading fairway and green artists, defeating the Shamrock team by the score of 23 to 13.

The Shamrock players were entertained at the various hotels and restaurants of the city at noon, and the matches were started at 1:30 at the course.

Four of the matches were carried to extra holes before the winner was determined. It took Bennett Kerbow 21 holes to subdue his opponent and make him admit defeat. Nineteen holes were played by Homer Parsons and Clarence Miller and R. C. Weatherly.

Several of Shamrock's crack golfers were unable to be here for the match and had they been present the Clarendon artists would probably have lost more matches than they did. The Shamrock players are determined to even the count when the Hillcrofters invade their course Sunday week for a return match. It is hoped that a large number of the local golfers will make the trip to the neighboring city on that date.

The results of the matches are as follows:

- Al Cooke won from Mitcham 5 up and 4.
- Bill Cooke defeated Billy Holmes 3 up and 2.
- Ira Merchant won from Hoffman 7 up and 6.
- Meredith Gentry defeated F. Stagers 2 up and 1.
- Selden Bagby defeated B. F. Holmes 5 and 4.
- Fred Buntin won from Clements 6 and 5.
- Kenneth Kerbow won from Bal-trope 2 up.
- Holman Kennedy won from Ko-
- Phillip Gentry defeated Walker 6 and 4.
- Lee Casey lost to George 3 up and 2.
- Bennett Kerbow defeated Patrick on the 21st hole 1 up.
- Homer Parsons defeated Pendleton 1 up on the 19th hole.
- A. N. Woods defeated Rogers 3 and 2.
- J. T. Patman won from Bob Douglas 4 and 2.
- Tom Connally lost to Smith 5 and 4.
- Dick Cooke won from Barkley 4 and 3.
- Clyde Douglas lost to L. Holmes 4 and 3.
- Dr. Stricklin won from Bran-non 2 and 1.
- Milton Shaver lost to Wallace 2 up.

- Ernie Hardin lost to Benson 2 up.
- Alex Cooke won from Lyle 2 up.
- Bill Osborne lost to Commers 6 up.
- Clarence Miller lost to Skidmore on the nineteenth hole.
- George M. [unclear] lost to Hallmark 5 and 4.
- Frank Vaughn lost to Newell 3 and 2.
- Van Allen Kent won from Gooch 2 and 1.
- G. L. Boykin won from S. Purcell 1 up.
- Clyde Price lost to Palmer 1 up.
- R. C. Weatherly won from T. Brothers on the nineteenth hole.
- Paul Greep defeated Jim Douglas 1 up.
- Paul Smithy lost to Jno. Douglas 4 up.
- T. Nored lost to Geyer 1 up.
- I. O. Noble defeated Wildman 3 and 2.
- L. Goldston won from D. Glenn 1 up.

#### CLARENDON COUNTRY CLUB MAKES NEW IMPROVEMENTS

The visitor to the grounds of the Clarendon Country Club will notice several decided improvements in the past weeks. A short time past the officials of the Club provided the members with a miniature golf course, the new amusement craze that has so entirely swept the nation with its many hazardous curves and traps. One must bring his own equipment to play this course, but there is no admission charge for the playing privilege.

Saturday afternoon another amusement feature was added for the enjoyment of those indulging in the aquatic sports on the Club lake. This amusement is the addition of a cable trolley from the diving tower into the water some seventy-five feet in length. This is proving to be the most popular attraction to the swimmers of all the water features offered for their pleasure, and as yet there has been no accident resulting from the installation of the trolley.

The announcement is made to the members of the club that there will be no Fourth of July picnic this year as there has been in the past. This celebration will be given over to the all county celebration to be held in Clarendon on the holiday. However there will be a display of fireworks given shortly after dusk at the Country Club Lake. This feature of the celebration at the club will be continued because of the popularity it has gained within the past several years.

#### IMPROVEMENTS ON RIVER ROAD OPEN TO THE PUBLIC

One of the worst corners in Donley County roads was done away with last week when the cut-off was opened to travel. The corner is approximately one mile south of the River bridge on Highway 88. It has been known to be a most dangerous curve, being both blind and sharp. People will remember it as being the second turn from the bridge, the first curve being straightened several months ago. The County engineers have done a splendid piece of work with the project, making the new road both straight and smoother than it formerly was. Since the rains the past weeks the condition of Highway 88 has become better than it has been in several months, and with the improvements being done by the road engineers the road is in excellent shape to the county line.

#### QUATTLEBAUM DISPLAYS FINE PEACHES TO NEWS

Saturday afternoon the News office was the recipient of a number of fine peaches from E. V. Quattlebaum, one of Donley's most competent farmers, living west of the city on the Amarillo highway. The peaches brought to the News were of the Early Wheeler variety and possessed a very closed center. Mr. Quattlebaum has a large orchard of these peaches at his place. He also has other varieties of the fruit, but the conditions have not been so favorable for the other types as they have been for the Early Wheeler.

One limb had a cluster of eight fine peaches within ten inches. The total weight of the eight peaches was one and three quarter pounds. The peach has a delicious flavor and is of a firm texture.

Mr. and Mrs. John Morris attended to business matters in Amarillo last week.

## Stegall-Chase

A beautiful and impressive wedding service was solemnized Monday, June 16th, at 8 o'clock when Miss Manette Chase, charming and attractive daughter of Mr. and Mrs. A. L. Chase, became the bride of Mr. Keith Stegall in the Presbyterian church. Rev. Robert S. McKee officiated, using the impressive ring ceremony.

A setting of green and white was chosen by the bride for the wedding with the other touch of color being carried out in the gowns of the attendants. The entire platform and altar were covered with greenery. Fluffy white hydrangeas blooming amid the green.

During the arrival of the guests Mr. Rhodin Chase, brother of the bride at the organ played "Marche Neptuals" by Louis Ganne, "A Song of Gladness," by Churchill Sibley, "My Heart at Thy Sweet Voice," Saint Seans, "Cartilene Nuptials" by Thomas Dubois and later accompanied Miss Harriet Poorbaugh of Roswell, New Mexico and student of C. I. A., who sang "At Dawning" by Cadman.

Miss Poorbaugh who was charming in a frock of pink lace entered from the rear of the church and stood near the organ.

The ushers, Messrs Jack Merchant, Ernest Kent, Henry Johnson, Meredith Goetry and Ira Merchant marched from the rear and took their places to the left of the altar forming a semi-circle as the bridal chorus from Lohengrin, by Wagner was being played.

Misses Sarah Allen of Dallas, Texas, in a lovely gown of green lace and Miss Eva Lee Morrison in pink entered together and took their places near the altar. Next Miss Agnes Caraway charming in a dress of coral lace and Miss Leta Verne Martin becomingly gowned in orchid entered. These were followed by Miss Lotta Bourland, who wore rose lace and Mrs. Ira Merchant in yellow. They formed a semi-circle on the right side of the altar.

All the gowns of the bridesmaids were of lace with bouffant skirts and tight bodices of the same material over satin. Each wore satin slippers the shade of her gown, lace mittens in egg-shell color, and a white veil from gladiolas combined with fern and baby breath.

The maid-of-honor, Miss Athlynn Taylor, was lovely in a model of blue lace and wearing a coronet and lace mittens similar to those of the bridesmaids. She carried a bouquet of beautiful pink gladiolas and fern.

The bride entered with her father, A. L. Chase, who gave her in marriage being awaited at the altar by the bride groom and his best man, Mr. Gordon Bain of Sudan, Texas.

The beauty of the bride was enhanced by the filmy lace veil held in place by a pearl coronet, both of which had been worn by her mother at her wedding. This fell in shimmering folds over the rich bridal gown of egg shell lace made in a lovely design, lace mittens, satin slippers and hose of the same shade completed her costume. She carried a beautiful bridal bouquet of pink rose buds combined with fern and baby breath.

During the ceremony Mr. Chase softly played "Call Me Thine Own." Immediately following the reading of the marriage ritual the organ pealed forth the familiar strains of Mendelssohn's "Wedding March" which served as the recessional.

Miss Chase, the only daughter of Mr. and Mrs. A. L. Chase, has made her home in Clarendon since early childhood. She completed the Clarendon Public School and then continued her work at C. I. A. at Denton where she received her degree in June, 1930. She is one of the most popular girls among the younger social group and is known for her charming manners and winning personality.

Mr. Keith Stegall, son of Mr. Mray Stegall is well known in Clarendon, having been associated with different firms of the city and is at present a rancher in Sudan, Texas, where he and his bride expect to make their home.

An informal reception was held by Mr. and Mrs. A. L. Chase, after the ceremony at the home complimentary to the wedding party. Out-of-town guests were: Mr. and Mrs. W. A. Stegall and Virginia of Amarillo, Texas, Mrs. L. I. Garton and daughters, Pauline and Mary Frances of Clovis, New Mexico and Mr. and Mrs. J. G. Stegall and daughter, Billie of Wynoka, Oklahoma.

## Moeller-Britain

A wedding of national interest took place in Chicago last Monday evening where Miss Radie Britain of Chicago and Amarillo became the bride of Leslie E. Moeller of Chicago.

The nuptial vows were read Monday evening, June 9, at 7 o'clock at the Medinah Athletic Club by Dr. Dirgin, formerly pastor of the First Baptist Church of Amarillo. The couple was unattended. The wedding was formally announced in Chicago a few days ago.

The bride is one of the most outstanding pianists of the world and is the daughter of Mr. and Mrs. E. C. Britain of this city.

Mr. Moeller is the son of Mrs. Mary Moeller of Chicago. He is a prominent business man of Chicago being connected with the Butler Paper Company of that city.

The wedding is the culmination of a courtship of two years. Radie Britain Moeller occupies an important position on the faculty of the Gagan Institute of Music and Allied Arts. She has recently been made director of the school in Chicago.

She received her early musical training in Clarendon College, Eureka Springs, Arkansas, for one year, receiving her degree in piano and doing special work in organ under Edward Scherubel. Later, she studied for two years at the American Conservatory of Music in Chicago, receiving her B. M. degree in piano and being awarded special honorable mention both years. She studied piano under Henri Levy and received her degree in organ after being directed by Frank Van Dusen. She was awarded a gold medal at this time. She had a complete course of harmony, counterpoint, composition, analysis and orchestration under Adolph Anderson. She received normal training with Louis Bobyn, a study of pedagogy with J. J. Hattsteadt, receiving honorable mention. She took an ensemble of work under Hubert Butler.

Mrs. Moeller studied in Paris and Berlin, then going to Munich, Germany, where she studied music and harmony under Alice Pimper, Joseph Penbauer and Albert Noite. She was the accompanist for two noted opera singers in Munich and won recognition with her concerts and original compositions.

The following year, she played for three big Symphony concerts and with the Symphony Orchestra of Munich. Her compositions are considered among the highest in the world of music and are played by some of the most outstanding musical artists of the world.

Radie Britain Moeller is considered one of the greatest living pianists and organists. After an extended honeymoon in Wisconsin, Mr. and Mrs. Moeller will make their home at the Olympia Country Club in Chicago.

## Miss Chase Named Honoree in Parties

Miss Manette Chase, Clarendon's most popular bride, was honoree of a much enjoyed Slumber party on Wednesday evening at the home of Miss Leta Verne Martin.

The guests arrived early for a delicious dinner and then spent a quiet evening with only radio music and bridge as the diversion. The guests had had such a strenuous social week that an evening of this kind was welcomed.

A late breakfast the following morning ended this affair and the following parted to meet later in the day.

Misses Anes Caraway, Athlynn Taylor, Lotta Bourland, Eva Lee Morrison, Manette Chase, the honoree, Sarah Allen of Dallas, Texas, and Mrs. Ira Merchant.

At 12:30 on Thursday Misses Eva Lee Morrison and Lotta Bourland were joint hostesses with a luncheon for Miss Chase in the balcony of the Pastime confectionery.

A long table had been arranged and artistically laid with linens and silver for the three course luncheon. Pink and white snapdragons, chosen colors of the bride, formed the center piece and was banked with ferns which concealed dainty nut cups and a lovely gift for the honoree. Pink ribbons extended from this to each plate and after the last course these were drawn with expressions of delight from the guests.

This was a truly picturesque affair, the color scheme being carried out in all the courses. The guests were loathe to leave know-

ing that soon they would lose one of their members.

Enjoying this were: Miss Chase, the honoree, Mrs. A. L. Chase, Miss Sarah Allen of Dallas, Mrs. Duerson of Turpin, Okla., Miss Dorothy White, Mrs. Carl W. Bonnett, Jr., Mrs. Kelly Chamberlain, Miss Lorraine Patrick, Miss Obie Crabtree, Miss Agnes Caraway, Miss Athlynn Taylor, Miss Leta Verne Martin, Mrs. Ira Merchant and the hostess.

On Saturday evening Miss Manette Chase complimented her bridesmaids with a dinner party at her home.

The house was made lovely with soft lights and a profusion of garden flowers only to be made more lovely by the attractive girls in beautifully colored evening gowns.

When dinner was announced the party was led to the dining room by Miss Chase and her maid-of-honor, Miss Athlynn Taylor.

The table was centered with a large cake resting on a beautiful mirror surrounded with flowers. On top of the cake was a miniature bride, a pearl coronet, a gift from the bride, marked each place.

After the completion of a delicious two-course dinner the party returned to the living-room for the other entertainment of the evening.

## Stegall-Chase Wedding Party Honored

On Friday evening the Chase-Stegall wedding party motored to Amarillo and spent an evening at a dinner dance in the private dining room of the Nat.

The room had been arranged especially for the group and those present are loud in their praise for this enjoyable affair.

Attending were: Misses Manette Chase, Athlynn Taylor, Leta Verne Martin, Agnes Caraway, Lotta Bourland, Eva Lee Morrison, Sarah Allen of Dallas, Willie Mae Bryant of Borger, Felice Stinet, Amarillo, Marjorie Walters of Tulsa, Texas.

Messrs Keith Stegall, Jack Merchant, Rhodin Chase, Henry Johnson, Ernest Kent, Loyd Johnson, Bill Carroll, Rex Stegall of Amarillo, Fred Wewerka, Pampa, Gordon Bain, Sudan.

Mr. and Mrs. Ira Merchant, Mr. and Mrs. Richard Bell and Mr. and Mrs. Leonard Goldston, Amarillo.

## Keith Stegall Host with Stag Party

A stag party was given by Mr. Keith Stegall on Saturday evening in the balcony of the Pastime confectionery for the members of the wedding party.

A beautiful dinner was served and the evening was spent in congenial conversation.

They later joined the girls at the A. L. Chase home.

## Greenville Visitor Honored with Party

Enjoyable in its hospitality and lovely in appointments was the bridge party given Wednesday afternoon with Mrs. R. A. Chamberlain as hostess and complimenting her daughter, Mrs. Whitfield Carhart of Greenville, Texas.

An artistic arrangement of sweet peas and nasturtiums was used as the house decorations. In the games of bridge Mrs. R. L. Bigger played high and Mrs. B. L. Jenkins second high and

Mrs. R. R. Burnett low. Mrs. Carhart received guest-of-honor prize.

Following the games, delectable two course afternoon luncheon was served.

Seated for the games were: Mrs. R. R. Burnett, Oklahoma City, Mrs. Edwin Forrest, Fort Worth, Mrs. F. C. Baldwin, Louisville, Ky., Mrs. W. J. Lewis, Dallas, Miss Wanda Ralph, Farmerville, Texas, the honoree, Mrs. Whitfield Carhart of Greenville, Texas and Mrs. Officer of Oklahoma City.

Mesdames W. H. Martin, James Trent, Kelly Chamberlain, L. S. Bagby, Odos Caraway, L. L. Swann, J. T. Sims, Charles Bugbee, T. H. Ellis, Minnie Dyer, B. L. Jenkins, Sr., and B. L. Jenkins, Jr.

J. L. McMurtry, P. L. Chamberlain, W. H. Cooke, R. L. Bigger, John Blocker, A. L. Chase, Holman Kennedy, C. G. Stricklin, A. R. Letts and Selken Bagby.

## Mrs. Meade Haile Hostess to Club

A pleasant club meeting of Saturday was that of the Just-A-Mere Club with Mrs. Meade Haile as the gracious hostess at her apartment.

Bowls and vases or Nasturtiums were artistically arranged about the rooms where bridge was enjoyed with Miss Julia Mae Caraway being presented with high score at the close and Miss Jane Killough with second high.

A lovely afternoon plate luncheon was served to Misses Wylfa Lee and Lois Alexander, Florence Fink, Julia Mae Caraway, Nell Butler, Nadine Haile, Jane Killough, and Lillian Murphy.

Mesdames B. F. Kirtley, Paul Smith and Bill Leverette.

## Father's Entertained

For once Dad comes in for his share of honor and glory in the home when they were honored by their daughter's on Father's Day, June 15th.

These fathers, Messrs J. W. Martin, W. W. Taylor, A. L. Chase, Odos Caraway, J. W. Morrison, and W. M. Bourland were entertained by their daughters, Misses Leta Verne Martin, Athlynn Taylor, Manette Chase, Agnes Caraway, Eva Lee Morrison and Lotta Bourland, at the Country Club.

The party motored out in the late afternoon and enjoyed the cooling waters of the lake, tried their skill at miniature golf and enjoyed other amusements of the club until a call was made for supper. Each responded, as well as the members of their respective families, with a sharpened appetite. The well prepared and planned meal made the hearts of the fathers swell with pride in having such offspring as well as thoughtful daughters.

## Culwell Family Enjoys Reunion

With a reunion of the members of the Culwell family after they had been separated for eighteen years, the children and their father made merry last Sunday, June 15th. The Allen Creek Camp of the J. A. Ranch was the scene for this meeting and it is a well known fact that the day was a merry one for all concerned. The six children had not all been at home at one time since the death of their mother some eighteen years past and they enjoyed the meeting with the father, Buster

Culwell, more than they could find words to express.

Those present for this happy occasion were: Mr. and Mrs. J. H. Roberts of Amarillo; Mrs. Louis D. Washburn and daughter, Patricia Ann, of Lubbock, Texas; Gilbert Culwell, of Los Angeles, California; Mrs. W. A. Crawford and two daughters, Mary Belle and Betty Joe, of Pampa; Dallas Culwell of Pampa and Mr. and Mrs. W. B. Crawford and two children, W. B. Jr., and June, of Houston.

Buster Culwell is one of the best known men in this section of the state, he having made his home here for many years. He is one of the employees of the J. A. Ranch and has a great many friends who would have been pleased to join with him in the celebration of the reunion held last Sunday in his honor.

## Mrs. Kelly Chamberlain is Honored

As other of the many social favors being extended to friends and out-of-town guests, Miss Lorraine Patrick entertained with a beautifully appointed going-away party at her home Tuesday afternoon for Mrs. Kelly Chamberlain who is leaving Thursday evening for Manitou, Colo., where she will spend some time with her mother, Mrs. Florence Reber.

Roses and garden flowers were arranged about the rooms where auction bridge was enjoyed with Miss Mary Stocking being awarded high score favor and Mrs. Whitfield Carhart second high. Mrs. Kelly Chamberlain also received a lovely surprise gift.

Guests were Mesdames R. A. Chamberlain, Kelly Chamberlain, Clifford Davis, Charles Trent, P. L. Chamberlain and Whitfield Carhart of Greenville, Texas.

## Miss Lorraine Patrick Hostess

A delightful social function of Wednesday was the meeting of the Contract Bridge Club in the W. H. Patrick home with Miss Lorraine Patrick as the gracious hostess.

The chosen games were enjoyed in rooms beautifully decorated with garden flowers and fragrant with roses.

Miss Mary Cooke played high for the afternoon and received a lovely favor.

## Friendship Club Enjoys Outdoor Party

The friendship Club tired of indoor parties and luncheons answered the call of the out-of-door Friday evening and entertained with a picnic on the lawn of the

their husbands and a few friends at C. R. Kessler home.

The guests gathered at 7 o'clock and indulged in friendly greetings and pleasant barter until the ladies announced supper.

A beautiful picnic spread had been temptingly arranged and the guests came up to all expectations in tucking it away.

This was a most enjoyable affair and did much toward cementing more firmly the friendships of this club.

Participating were: Mr. and Mrs. C. E. Lindsey, Mr. and Mrs. A. T. Miller, Mr. and Mrs. H. Tyree, Mr. and Mrs. W. D. Van Eaton, Mr. and Mrs. J. W. Rowland, Mr. and Mrs. J. H. Harris, Mr. and Mrs. G. J. Teel and grandson of Amarillo and Mr. and Mrs. L. Ballew.

Mrs. M. E. Thornton, Mrs. J. D. Stocking, Mrs. Walker, Mrs. J. L. Allison, Mrs. R. O. Thomas, and children, Miss Naomi Allison, Miss Bernice Rowland and Mr. M. W. White and nephew, of North Carolina.

**Les Beaux Arts Club Met Saturday**

Mrs. W. H. Cooke was hostess to members of the Les Beaux Arts Club on Saturday afternoon at her home.

The fact that this was the last meeting of the club year had not dampened the ardor of those taking part on the program as each topic was nicely given, showing that much time had been spent in preparation of the assigned subjects.

After a short business session the meeting was turned to Mrs. Word, leader for the lesson on "American Pottery." Mrs. J. D. Swift ably discussed "Modern Pottery." Mrs. W. G. Word gave a splendid talk on "Indian Pottery" and Mrs. J. W. Evans "Collections in America."

Mrs. T. H. Ellis gave a splendid description of "Wedgewood and Spode China."

A delectable plate luncheon was served at the close.

**1930 Good Will Club Meets**

The 1930 Good Will Club held their weekly meeting in the home of Mrs. L. H. Johnson, Monday and completed the quilt they have worked so diligently on for some time.

This quilt is done in a floral applique design and is quite attractive.

Business pertaining to the affairs of the club was transacted under the direction of the president, Mrs. T. D. Nored.

A delicious ice course was served to Mesdames Vadie Carpenter, T. D. Nored, I. O. Noble, Don Martin, R. Y. King and Fred Russell.

**Legion Smoker Huge Success**

Some thirty members of the Aubyn E. Clark Post of the American Legion and invited guests gathered Tuesday evening of this week for the first open house of the organization for the present year. No set program of entertainment had been prepared and the members and visitors enjoyed being in the hall in the manner they saw fit. Games of all sorts had been prepared, the guests finding much pleasure in pitching horseshoes, playing dominoes, checkers and forty-two. Refreshments of cigars, cigarettes and cold drinks were served to the gathering throughout the evening and the visitors expressed their desire to have these events more often.

This meeting took the place of the usual social hour of the organization, this being held on the third Tuesday night of the month. The plans of the social committee call for a picnic outing with the ladies for the next social event.

**Mr. and Mrs. H. Kennedy Entertain**

A dinner-bridge party given by Mr. and Mrs. Holman Kennedy on Tuesday evening at their home was a source of much pleasure to those present and gave the host and hostess a great deal of pleasure as well.

Sweet peas had been profusely arranged about the rooms and put an air of fragrance to the gathering.

In the games of bridge following the dinner, Dr. and Mrs. O. L. Jenkins received high score. Mrs. Meredith Gentry cut for ladies favor and Mr. Philip Gentry for gentlemen.

**Mrs. Edward R. Bentley Honored**

Another charming honoree of the social week was Mrs. Edward R. Bentley of Lakeland, Fla., house-guest of Dr. and Mrs. C. G. Stricklin for whom Dr. and Mrs. Stricklin entertained with a dinner bridge on Thursday evening at their home.

The house was simply abloom with a profusion of lovely garden flowers of every variety, which had been used in every place of

due to the said partnership are to be paid, and all those due from the same discharged at A. N. Woods Grocery Store in the City of Clarendon by said H. S. Williams where the business will be continued under the firm name of Hello-World Meat Market. Wherefore, witness our hands at Clarendon, Texas, this 31st day of May 1930. James F. Wright. H. S. Williams. (26 pd)

vanage throughout the entertaining rooms. The delectable dinner was served at small tables resplendent in lovely linen and silver which were later removed for the games of bridge which furnished the principal diversions until a late hour. Dr. and Mrs. O. L. Jenkins received high score favors and Mr. Seldon Bagby was fortunate in cut. Mrs. Bentley received a lovely gift also.

Present to enjoy this hospitality were: Mr. and Mrs. P. B. Gentry, Mr. and Mrs. Selden Bagby, Dr. and Mrs. O. L. Jenkins, Mr. and Mrs. Meredith Gentry, Mr. and Mrs. Holman Kennedy, Mr. and Mrs. P. L. Chamberlain, Mr. and Mrs. Forest Taylor, Mrs. Charles Trent, Mrs. D. V. Brooks, of Fort Worth, Miss Wanda Ralph of Farmersville, Texas, and Mrs. Edward R. Bentley of Lakeland, Fla., the honoree.

**Booster Class Enjoys Social**

Rev and Mrs. W. E. Ferrell entertained the Booster Class in their home on Tuesday evening. J. R. Tucker opened the meeting with prayer and W. L. Butler led the lesson, 8th Chapter of 1st Corinthians. A lively discussion followed. The meeting closed with sentence prayer.

Mrs. Ferrell assisted by Miss Fields and Mrs. Will Dubbs, a guest of the evening, served banana splits to:

Messrs W. L. Butler, O. D. Leisburg, Tom Moss, Y. O. McAdams, J. R. Tucker, Will Dubbs, Roy Clamptit, H. Mulkey, F. C. Johnson and the host, Rev Ferrell.

**Mrs. Decker Entertains Needle Club**

Mrs. Ralph Decker was the delightful hostess to members of the 1930 Needle Club, Tuesday afternoon at her home which was fairly abloom with the loveliest of spring blossoms.

The environment was ideal for the needlework which occupied the attention of the guests during the afternoon.

A lovely refreshment course was served to:

Mrs. Clarence Whitlock, Mrs. Turner Kirby, Mrs. C. W. Gallo-way, Mrs. Marlin Lane, Mrs. Geo. Garrison, Mrs. Carl Tyree, Mrs. Roy Couch and Mrs. Ernest Hunt.

**Ladies Aid**

Mrs. J. N. Wood was hostess to the fifteen members and three invited guests of the Ladies Aid of the First Christian Church, Wednesday afternoon.

Mrs. O. D. Leisburg, president, presided and during the course of business announced that election of officers would be held next week when the society meets in the home of Mrs. W. L. Butler of Lelia Lake and asked that the ladies meet at the church at 2:15 o'clock and go in a body from there to the Butler home.

Mrs. R. C. Bryan was leader of the lesson, 2nd chapter of St. John.

**W. M. U.**

A splendid attendance was had at the Baptist church for the program "How to Help the Negro" Wednesday afternoon.

This program was rendered by members of the Rex Ray Circle, Mrs. B. N. Shepherd, leader, being assisted by Mrs. Bill Leverette, Mrs. Marvin Warren, Mrs. Ralph Andis, Mrs. Joe Goldston, Mrs.

E. G. Hayes, Mrs. Floyd Keener and Mrs. Bill Bromley. Two special musical numbers, added greatly to the program. Members of the East circle were hostesses for the afternoon.

**Mrs. A. R. Letts Honors Daughter**

Mrs. A. R. Letts, known as one of Clarendon's most gracious and hospitable hostesses, entertained with two colorful parties last week honoring her daughter, Mrs. Floyd C. Baldwin, of Louisville, Ky., who is spending a time with her parents Mr. and Mrs. A. R. Letts.

These were pretty affairs as usual for Mrs. Letts is known not only for her hospitality but for her pretty and colorful parties as well.

A color scheme of pink and white was most effectively carried out on each occasion. Wednesday pink and white larkspur blossoms were artistically arranged about the rooms and bowls of the same blossoms were used to center the tables at the refreshment hour.

Score favors were awarded Mrs. Clyde Price, high, Mrs. Sam Dyer, consolation and Mrs. Baldwin, guest of honor.

The pink and white color scheme was featured in the two course refreshments served to:

Mesdames Seldon Bagby, Charles Trent, Sam Dyer, Phillip Gentry, C. G. Stricklin, James H. Morris, O. L. Jenkins, Don Grady, Charlie Bell, Kelly Chamberlain, C. W. Bennett, Jr., Louie Merrell, Forest Taylor, James Trent, Geo. E. Bagby, B. L. Jenkins, Jr., Clyde Price, P. L. Chamberlain, Richard Bell, R. R. Barnett of Oklahoma City and the honoree, Mrs. F. C. Baldwin.

Misses Mary Cooke, Catherine Patrick, Manette Chase, Leta Vorne Martin, Agnes Caraway, Agatha Taylor and Sarah Allen of Fort Worth.

On Friday sweet peas were the flower used to set the color scheme of pink and white and the bridge appointments and novelty stickers used in the ice course furthered the scheme.

The score favors on this day were presented to Mrs. T. H. Ellis, high, Mrs. M. H. Rhodes, consolation and the guest of honor to Mrs. Baldwin.

Seated for the games were: Mesdames L. S. Bagby, R. L. Bigger, Charles Bugbee, Odo Caraway, R. A. Chamberlain, A. L. Chase, W. H. Cooke, Minnie Dyer, T. H. Ellis, Sella Gentry, B. L. Jenkins, W. H. Martin, J. L. McMurry, W. H. Patrick, L. L. Swann, James Trent, M. H. Rhoades, Will Word, Meredith Gentry, Holman Kennedy, P. B. Gentry, Charles Trent and the guest of honor, Mrs. Baldwin.

**Mrs. Sella Gentry Named Honoree**

Mrs. Sella Gentry who is to sail June 24 for a tour of Europe was named honoree of a beautiful going away party on Thursday by the members of her Bible class of the Episcopal church.

This entertainment was held in the home of Mrs. C. W. Bennett and was symbolic of name—going away. A ship model was used to center the dining table where a lovely luncheon was served. A beautiful Normandy lace cloth covered the table and small bowls filled with nasturtiums were placed on either end with lighted tapers casting a soft glow over all. Miniature ships and scenes of foreign land were used in other features of the afternoon entertainments.

Enjoying this were: Mrs. G. B. Bagby, Mrs. C. W. Bennett, Mrs. R. L. Bigger, Mrs. L. L. Swann, Mrs. P. B. Gentry, the honoree, and Mrs. Floyd C. Baldwin of Kentucky.

### NOTE GAIN IN PAVEMENT OF NARROW WIDTH

#### 3,000 MILES IN SERVICE; INDICATE SOLUTION OF FARM PROBLEM

By E. E. DUFFY

With a trifle less than 3,000 miles of nine and ten-foot hard surfaced pavements in use, highway authorities are becoming more and more convinced that the narrow rigid pavement offers the best solution to the local road problem.

Purely local roads, however, must not be confused with main state or main county highways. Those communities that have built noteworthy mileages of narrow concrete have been careful to place the narrow width only on those roads that carry little or no through traffic.

About one half of all the money spent on road improvement is expended through counties and townships. A vast portion of this money accomplishes no lasting benefit; it goes into the upkeep of poor quality roads that year after year demand grading, re-graveling, re-oiling and extensive patching.

Through the narrow hard surfaced pavement, excessive maintenance costs are ostracized and the money saved can either be devoted to the improvement of other roads or to the retirement of bonds.

An instance of how properly built narrow pavements have served is shown in the experience of Chautauqua county, New York. A study brought to light the fact that the upkeep cost of new gravel roads was as high as \$1,000 a mile yearly, while the per mile cost of concrete was but \$16.

Simple arithmetic led Chautauqua county to build 125 miles of single track pavements. Maryland last year awarded contracts for the construction of 52 miles of nine-foot concrete and Delaware awarded contracts for 21 miles. The southwest corner of Missouri contains a network of narrow pavements; they are found in striking mileages in Illinois, Mississippi, Tennessee and other states. Their widespread use indicates that they serve several regions in all parts of the country with equal satisfaction.

As seen from the viewpoint of the motorist who uses heavily traveled roads, the narrow pavement may seem inadequate; as seen from the viewpoint of the farmer, the narrow feeder pavement is nothing short of a godsend.

### CHURCH CHAT "HEAVEN"

Various figures are employed in the Scriptures to furnish some conception of the kind of eternal home which is being made ready for the righteous. Heaven is said to be a city, which hath foundations, whose builder and maker is God. A building; "In my Father's house are many mansions," (John 14:2). A kingdom; "Come ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the world," (Matt. 25:34). A country; "Now (they desire a better country, that is a heavenly," (Heb. 11:16). An inheritance; "Incorruptible, and undefiled, and that fadeth not away," (1 Pet. 1:4). It is often asserted that heaven is simply a condition; that where righteousness prevails, that is heaven. The figures employed to portray heaven and our Lord's teachings show the incorrectness of that theory; "I go to prepare a place for you; and if I go to prepare a place for you, I will come again, and will receive you unto myself; that where I am, there ye may be also," (John 14:2-3). The realization of heaven will exceed our highest expectations. It is noticeable, that John, in Revelations, depicts the wealth of heaven, but says nothing concerning the riches of its inhabitants. Possibly, no tongue can tell of them, no pen can write of them, nor hath it entered into the heart of man an adequate conception of the greatness of the riches of the inheritance of the saints of glory. Are you sure of heaven? Have you made arrangements for a house there? Are you living for Christ here that you might live with Him there? In Heaven, two of our highest aspirations will be attended. We shall see the King in His beauty; and "Shall be like Him." And every one that hath his hope set on him purifieth himself even as he is pure," (1 John 3:2-3). Get ready to see the King. Be ready when He calls.

Sunday morning we will preach about Heaven, our subject is, "BUYING A HOME." Sunday night, we will preach about meeting God, our subject is, "Face to Face With God." Arrange to be with us.

W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

#### NEW JOBS FOR OLD

What the machine age has taken away it has given back with interest. Those who revile the "iron man" base their lamentations on the fact that 2,000,000 jobs were lost during the 1920-27 period because of the robot's advent. But statistics tell a more hopeful story. Two million jobs were created during the same period. And the gain was almost entirely due to increased use of machines.

In the radio industry, for example, there are 150,000 workers today as compared with 25,000 seven years ago. Electric refrigeration, almost unknown in 1920, now gives employment to 40,000 people. Oil heating has created 30,000 new jobs. And our leading entertainment, the motion picture, figures as an economic factor of benefit to 350,000 employees.

It must not be forgotten, however that numerous workers displaced by machinery, have been unable to find any place for their abilities. Some of them are uneducated, others illiterate. A number have been trained to do work that has no particular value today. Our Federal Board for Vocational Education has cases of this kind under its advisement, and is doing everything possible to help these misfits adapt themselves to changed conditions. Careful planning, training and education, are the main ingredients of the proposed remedy.

My appetite failed, I couldn't sleep and I was losing weight rapidly. I had frequent bilious attacks when my complexion became yellow as if I had jaundice.

"The Sargon treatment appealed to me because of its scientific background. Three bottles taken with Sargon Soft Mass Pills overcame my troubles, and I am in better physical tone than in years."—Dr. Gilbert S. Lambert, well known retired physician of San Francisco.

#### WHAT GUIDE BOOKS DO NOT TELL

People who follow the beaten tracks through Europe have interesting tales to tell when they return. But much more interesting are the narratives of those who stray into the small, unexpected bypaths. Over 700 chatty descriptions of trips abroad as told by Edwin Robert Petre, a seasoned traveler, have been published in his book My European Excursions. Stay-at-homes who weary of the same accounts given by the casual tourist will be delighted by the author's attitude as expressed in his preface:

"I am one of those who believe that the charm of travel in Europe is best enhanced by the observance of little things, such as the birds who fed at my table at Lange Linie in Denmark, or the old man who gave me wine at Asolo and told me of Browning. Visiting cathedrals and castles can become very tiresome, but enjoying 'melody, magic and meerschau' in the lanterned twilight outside Heidelberg's castle changed mere travel into the tapestried beauty of unforgettable experience. Europe is full of such delights off and on the tourist tracks and pleasure which my readers have found in these random impressions is doubtless due to this fact."

Mr. and Mrs. C. L. Benson and daughter, Miss Latrice and Miss Elgin Patrick, returned last Sunday evening from a motor trip to Sherman, where they made arrangements for Miss Latrice to attend Kid-Key College for the coming term.

#### WHAT CUBA MEANS TO OUR FARMERS

Highly productive American agriculture has for many years looked to Cuba as a nice parking place for surplus farm products. Cuba never failed us. She bought to her utmost ability of our pork, Mutton fresh beef, eggs, butter and innumerable other products of the soil. Occasionally her purchases were necessarily curtailed when her purse went thin as a result of American duties on Cuban sugar, but even then the bulk of the Cuban dollar went into American coffers. Now our long-suffering little ward, emulating her guardian, has levied a few tariffs of her own. And what a bitter dose our own medicine is going to be for American farmers.

Lard, for instance, is one commodity upon which Cuba has placed a higher duty. Germany is generally regarded as our important customer for lard, but Cuba buys 40 per cent as much lard from us as Germany does. Exports of eggs from United States to the island were valued at \$1,700,000 in 1928. Cuba has increased the egg tariff. She has also slapped higher duties on condensed and evaporated milk whose flow to the Cuban isle has long delighted the hearts of our dairymen. And it won't take American hog and sheep raisers long to discover the new Cuban duties on hams, bacon, mutton and other meats. There are further details, but these are illustrations.

This seems a heavy bill to pay for the maintenance of a few cane and beef farmers. Perhaps farmers will not consider it excessive.

#### MARTIAL MUSIC IN THE CANNERY

The War Department has proposed to replace military bands with canned music issuing from amplifiers mounted on trucks. Doubtless, the idea of troops marching spiritedly behind a machine braying forth The Star Spangled Banner was merely funny to many people. But their mirth was nothing to the despair of music lovers. "Canned music in the home, tin melodies in the theatre, the robot in the dance hall," they wailed, "and now it is proposed to substitute phonograph records for picturesque drum majors and their followers!"

So far, the suggested change is only in the nature of a trial. The Quartermaster General has been authorized to purchase one mechanical musical device for a "service test." No assurance is given that army officials intend to make the scheme effective. Nevertheless, there are already some cynics who suggest the manufacture of canned patriotism. That is the only brand, they claim which could possibly go along with this inhuman martial instrument. Perhaps when they do away with majors and snappy uniforms wars will be fought with "canned" men—tanks and planes controlled by radio-operated robots. But while we are at it why not "can" war stuff.

Although some trouble was met with in sealing off the water overlying the salt stratum, the Morton Salt Co. salt mine at Grand Saline has been opened and the shaft is now 43 feet into the salt at a depth below the earth's surface of 245 feet deep, as borings indicate the salt dome is at least that thick.

#### Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes it to move through natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. DOUGLAS & GOLDSTON DRUG CO.

#### THE BLIGHT OF THE HOUSEHOLD

The fly is a most deadly insect, carrying millions of disease germs on its feet and legs, says a local official of the Gulf Refining Company. It drags its dirty sticky feet and legs over filth and refuse, and then enters the home and contaminates the food on the table and leaves its dirty filthy disease germs as it alights on children and babies.

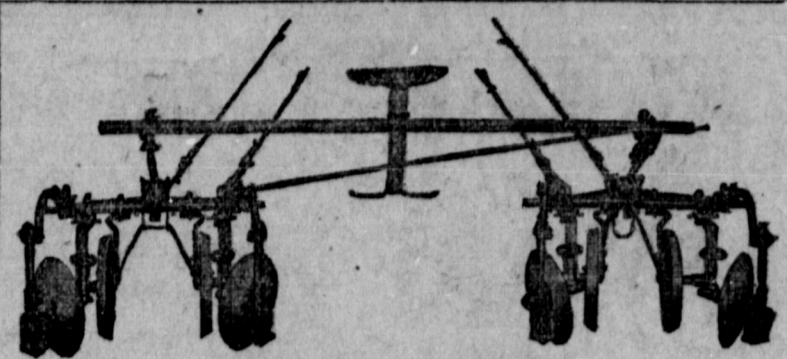

Do not swat the Fly—its disease and exposed body, when crushed, is still a danger to the health of your family. Kill flies in the room by using one of the better types of insect sprays, which have been developed and marketed in the past three or four years by the large oil refining companies, who are now advertising their products in this paper.

#### POSTMEN IN THE AIR

When letter writers put wings on their epistles in the shape of air mail stamps, they little realize the possible experiences which confront their carriers. One of the most breath-taking of recent aviation accidents happened to Henry J. Brown, air mail pilot, when he was flying the night mail from Cleveland to New York. The story is told in a news letter issued by the Air Corps of the War Department at Washington. Brown, flying at an altitude of about 3,000 feet, was only a few miles west of the Allegheny Mountains, when the motor of his plane stalled. While the pilot was in the midst of an attempt to transfer his gasoline supply from the left wing tank to the right wing container in order to equalize the plane's balance, the gasoline clogged. The motor coughed a few times and died. Brown climbed out of the cockpit, dropped over the side and pulled the ripcord of his parachute. While he was drifting earthward, the plane suddenly straightened, the gasoline line cleared, and the motor started anew.

Before the pilot had touched the ground, his plane was swooping in circles above his head. He landed safely, however, and rushed to the machine which was already on the ground in flames. With the aid of two farmers, he managed to drag twelve sacks of mail from the blazing wreckage.

Most gardeners discard hyacinth bulbs after flowering, but this is not necessary, say horticulturists of the U. S. Department of Agriculture. All but the largest sizes will last for several years before they split, and a bulb dried off after flowering will bloom again the next year. Lay the bulbs out in thin layers in a well-ventilated place so that the surfaces will dry as quickly as possible. A good draft of air over the bulbs for the first ten days will insure their keeping better.

I CANNOT PRAISE THIS KONJOLA TOO STRONGLY

SAYS WICHITA LADY SUFFERED FOR 12 YEARS FROM STOMACH TROUBLE

MRS. DELLA SETTLE

"I cannot praise this Konjola too strongly, because I tried many other medicines and treatments, but none gave the remarkable relief that Konjola did," said Mrs. Della Settle, 1719 Millard Avenue, Wichita. "I just had to force myself to eat, and nearly everything I ate made me sick. I had cramping pains in my stomach and bowels until I could hardly endure them, and I simply felt miserable all the time. Finally I decided to put Konjola to the test. That proved to be a wise decision. Right from the start I noticed improvement. I now have a much better appetite and meals are a pleasure as food digests without pains or misery in my stomach. My bowels are functioning as they should, and it is certainly a relief to be rid of that tired, worn-out feeling. I gladly indorse this splendid medicine that restored my health." Konjola has become the most talked of medicine in America because it makes good. And Konjola makes good in the most stubborn cases when given a fair trial and from six to eight bottles are used. Konjola is sold in Clarendon, Texas, at Douglas & Goldston Drug Co., and by all the best druggists in all towns throughout this entire section.

TEXAS COWBOY REUNION AT STAMFORD JUNE 26-28

STAMFORD, June 17.—With arrangements completed for a group of 50 Comanche Indians from the government reservation in Oklahoma to put on a two hour show each evening during the Texas Cowboy Reunion in this city, June 26, 27, and 28, a well-balanced program has been provided for the thousands who will attend the affair.

During each afternoon, a west-ern cowboy rodeo in which approximately 100 actual working ranch hands will compete for liberal cash prizes, will be staged, and after the Indian show in the evening, an old-fashioned ranch dance with real pioneer music will be held in the open air pavilion on the reunion grounds.

Special efforts are being made to have all men who were engaged in working cattle on the ranges prior to 1895 attend the reunion. However, everybody whether an old-timer or a newcomer to this area, is invited, and will find many things of interest and much to entertain and amuse during the three days.

After the First Twenty-five Thousand Miles THE VALUE of sound design, good materials and careful craftsmanship is especially apparent in the new Ford after the first twenty-five thousand miles. Long, continuous service emphasizes its mechanical reliability and economy of operation and up-keep.

As you drive the Ford through many months and years you will develop an increasing pride in its appearance and a growing respect for the substantial worth that has been built into it. From every standpoint—in everything that goes to make a good automobile—you will know that you have made a far-seeing, satisfactory purchase.

Wherever you go, you hear enthusiastic praise of the car and this significant, oft-repeated phrase—"I'm glad I bought a Ford."

A FORD owner in New York tells of a 13,000-mile trip across the United States and back in sixty days and says "the car was extremely economical to operate, comfortable and speedy." A grateful father tells how the Triplex shatter-proof glass windshield saved his wife and children from serious injury.

To test tires, a large company drove a new Ford day and night, for an average of 500 miles every twenty-four hours. It was still giving satisfactory service after 105,000 miles. A Ford car that had fallen into Fernan Lake was submerged for twelve days before being raised. After a new battery and carburetor bowl were installed, it was driven back to Spokane under its own power.

**Senior B. Y. P. U. Enjoys Picnic Friday**

Some thirty young people representing the Senior B. Y. P. U. motored to the river Friday evening for that enjoyable form of outing—a picnic.

A group of wide-awake young people, the great out-of-doors, plenty of action, lots of good things to eat, spelled a delightful evening.

There was just one moment that brought suspense, the feast was spread, the supper call had been responded to, then came the announcement that all the "animals" had to be recognized by "Noah" before they could gain entrance, each couple had to demonstrate their identity till recognized by "Noah." This feature created quite a bit of merriment as the monkeys, frogs, cats, etc., performed.

**B. A. U. Presents "Big Blow Out"**

Members of the B. A. U. and friends received a "car," spare tire and all an invitation to a "Big Blow-out" at the Baptist church Tuesday night at 8 o'clock.

On arriving, the guests were assigned to different groups, Ford, Pontiac, and Chevrolet. The various signs and "decorations" left no doubt as to the nature of the "blow-out."

After a preliminary drill as to the parts of a car, the groups pitted their skill in assembling a car. The points between the Pontiac and Chevrolet representatives was so close that a re-check was necessary to make sure that the score should go to the Pontiac group.

In the backing out contest, the margin between the Ford and

**ROAD DEVIL USED ON COUNTY ROADS SATURDAY**

Those of the county who were met on the highways of Donley County Saturday, Monday and Tuesday of last week and the first of this week by a queer looking object that spread half way across the road will be glad to learn that it was a Road Devil. The Road Devil is one of the machines owned by the Highway Department of Texas which is being used to rid the designated highways of nails, bolts, pieces of iron and other scrap metal that causes injurious cuts and snags to the automobile tires that pick them up. Three days were taken to complete the work on the roads in the county. The machine working both ends of Highway 5 and Highway 88 out of Clarendon.

The Road Devil is a large truck upon which is mounted a large dynamo which generates sufficient power to magnetize a monster magnet which extends across half of the road. The machine is capable of ejecting a nail or other pieces of steel or iron from three inches beneath the surface of the ground. A rich, Nicholas pointed the scrap iron and steel was reaped by the Devil when its journeys were made over the Donley County roads. It is expected that there will be fewer punctures and tire trouble with Donley cars than there has ever been before.

**CRUDE PRODUCTION IN GAIN OVER LAST MONTH**

AUSTIN, June 17.—Crude petroleum production in Texas made a material gain during May, according to Bervard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas. This increase offsets all the progress made in the past six months, Mr. Nichols pointed out. Output in May totaled 26,877,000 barrels, against 25,350,000 barrels in April and 25,034,000 barrels in May, 1929. Daily average flow was 867,000 barrels, an increase of 22,000 barrels from April. This compares with 808,000 barrels in May last year. During the month, 562 wells were completed, of which 299 were producers, compared with 726 completions and 373 successful wells in May, 1929. Crude prices were unchanged, but motor gasoline prices were reduced 1-4 to 1-2 cent in the Texas Panhandle.

Mr. and Mrs. Reagan Bryan and daughter of Turkey spent the week end in the home of Mr. and Mrs. W. A. Land.

Chevrolet was indeed close till a "wreck" on the part of S. W. Lowe, driver of the Chevrolet, gave the race to the Ford, driven by B. N. Shepherd. L. T. Kimbriel in the Pontiac was a very close second.

Point by point the interest rose as first one group then the other won. The mechanical skill of every member of the group was required to reassemble some "wrecked cars." Some even declared that some of the parts were either lost or broken beyond recognition.

A check showed that the Ford group had won the most points during the evening.

All were ready to respond to the invitation to the "Courtesy Service Station" to "retire" and fill up with "gas," enjoying the ice cold lemonade and delicious doughnuts.

**46 TEXAS BUSINESS FAILURES LAST MONTH**

AUSTIN, Texas, June 17.—During May, there were 46 commercial failures in Texas, a small decline in numbers since April, according to Bervard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas. These 46 companies had liabilities of \$1,509,000, compared with 51 companies failing in May, 1929, with liabilities of \$1,262,000. Liabilities per failure averaged \$32,700 in May, compared with \$24,800 in May a year ago. No bank failures were reported.

**Guard Against Bloat**

To prevent "bloating" livestock after pasturing on sweetclover, be sure the animals are not turned into sweetclover pasture when they are hungry. Bloating is usually owing to stock gorging themselves on green succulent feed, especially in May and early June when the grass is tended. When

the cops are stabled for milking feed some hay, silage, or grain before returning them to pasture. Animals on sweetclover pasture continuously, need access to hay straw, or growing grass. In sections having soft water, put lime in the drinking water.

Vitamin C in the diet is supplied by the citrus fruits (oranges, grapefruit and lemons) raw cabbage, turnips and tomatoes, raw, cooked, or canned. Apples, potatoes, raspberries, spinach, sprouted legumes, and string beans are other good sources of this vitamin. The body has only a limited capacity to store vitamin C. Also, this vitamin is very easily destroyed by heat and oxidation. Hence in planning the menu it is well to include at all times one or more of the foods known to supply vitamin C.

Miss Wanda Ralph, who has been a house guest of Dr. and Mrs. C. G. Stricklin left Wednesday evening for Boulder, Colo., where she will enter school for the summer.
