CLARENDON, DONLEY COUNTY, TEXAS, DECEMBER 9, 1943

A Common Paper for Common People

All Industrial Users of Rationed Foods To Re-register With Local Boards

Between December 15, 1943 and January 5, 1944, all industrial users of rationed foods will be asked to re-register with their local War Price and Rationing Boards, J. Doyle Settle, district rationing executive, announced today. This registration will be made on the new form R-1200, which is a consolidation of the former sugar form R-310, the processed foods form R-1308, and the meats form R-1605.

The purpose of this re-registration is to combine the allocations of all rationed foods on one form rather than on the three forms heretofore used. This will permit uniform application of the Regulations to all industrial users of rationed foods. It will permit the issuance of all allocations of rationed foods at one time instead of at three times as heretofore has been the case, Settle said.

After this initial re-registration between Dec. 15 and Jan. 5, allocations will be granted for three months at a time on all rationed foods, the rationing executive pointed out. This will eliminate trips to the Board at different dates, and will enable the industrial user to plan his purchases and use of rationed foods on a uniform basis.

Industrial users include, for example, such people as bakers, dairies, bottlers, candy manufacturers, pharmaceutical manufacturers, and a host of others who use rationed foods in the preparation of other products both rationed and unrationed. Settle declared a baker, for example, he explained, would use sugar, processed foods, and fats and oils, which fall under the meat program. He would be given one allotment of all of these commodities each three months. Any petitions he might file for relief on one rationed commodity could be made applicable for all his corresponding needs of other rationed commodities.

This change of policy is in line with OPA's announced intention to simplify and consolidate its regulations whenever possible, Settle said.

Memorial Fund Growing

At noon Thursday morning, December 9th, a total of \$983.60 had been deposited in the three Clarendon banks to the credit of the Donley County Memorial Fund. This is an excellent start, and a number of the various school districts are near or over their quotas. Clarendon is still lagging on her quota, but a number of the local committees have not been able to work yet.

Monday night, Dec. 13th, is the date for the regular meeting of the County Committees. It is hoped that by that time sufficient work will have been done to bring the project to completion. The public is invited to this meeting. Time—8 p. m. Place—American Legion Hall in Clarendon.

It seems that there is still some misunderstanding or question as to eligibility requirements for placing names on the roll. This question was decided at the first meeting of the County-wide Committee, and has since been confirmed at other meetings. Any man or woman who has been in service since December 7, 1941—regardless of the length of time served—and who considers Donley County as home, is eligible to have his or her name placed on the list.

HAILES VISIT HERE ON WEDNESDAY

Mr. and Mrs. W. Bert Haile were in town for a few hours Wednesday seeing a number of their friends.

Mr. Haile states that dry weather continues on the plains where his Hutchinson county ranching interests are located, though the recent snow did revive the wheat somewhat.

RAIN COMES EASY NOW

The wheat farmers are really wearing a big smile today, while those who still have crops to gather are a little on the reverse side. It seems that when it starts raining, it can rain with the greatest of ease.

Taking all into consideration, the rain that has fallen the past week and the 80 inch reported up to 7:30 this morning, the slow drizzle is soaking in and building up a sub moisture for next year's crop. The only drawback in sight is the possibility of freezing weather and ice collecting on everything.

Song Program To Start Off Yule Season

A 30-voice choir composed of the young people of the First Baptist Church of this city, will start the Christmas season off with a song program, Sunday, December 19th, at 8 o'clock.

"You don't want to miss this program," said W. D. Kidd, director of the song program. "I dare say after you have heard these young people, you wouldn't mind paying to have it again. There are parts of it that is a credit to any church to have presented for the public. So come out and lend your support to these singers. You will say that Johnny and Gene are far above the average. You will enjoy it."

Mr. and Mrs. Willard Hudson of McLean visited relatives in Clarendon the week end.

Christmas Shopping Hits High Peak This Week With Only 16 Days Left

Practically all business firms in Clarendon have finished their Christmas dress-up and are really settling down to the point of dish-ing out the goods for Christmas presents.

In a general survey of all stores, a good stock of merchandise is still available but is being trimmed down each day, especially the gift items for men and women in service. As most every one knows, the packages being sent out of town should be in the mail by the fifteenth as the mails will be congested after that time and delivery will only be probable.

In order to help acquaint those who have not done their shopping with the many items left in the stores, the Leader will come out next week with its annual Shoppers Edition. Due this extra amount of work, we are asking all advertisers and those turning in their news items, to bring their copy in as early as possible. This courtesy will be greatly appreciated as we don't want any item left out.

Returns To States

S/Sgt. Eddie M. McQueen of the South Pacific arrived in San Francisco, Calif., November 26, and is now in Huff General Hospital at Santa Barbara, Calif. Eddie has been in the service 5 years. He received his basic training at Lowry Field at Denver and was among the first to be sent to Sheppard Field as an instructor.

He was assigned to the South Pacific theater a year ago where he has been pounding the Japs from the air.

His mother, Mrs. E. M. McQueen is expecting him home in six or eight weeks. He contracted Malaria in the Islands and has been in the hospital quite some time.

He has many friends and relatives in Donley, Hall and Collingsworth counties who would be glad to know of his return.

Share - - But Not Like This

It's patriotic to share your food these days—but not with ants or cockroaches or other kitchen intruders.

While homemakers cannot prevent insects from searching for food, there are several control measures recommended by the A&M College Extension Service. These include eliminating breeding places, poisoning, spraying, and trapping pests, and preventing them from entering the house. It will also prove effective to keep food out of the reach of insects.

The homemaker can improve considerably the insect situation in the kitchen by removing garbage after every meal and by scrubbing her garbage pail frequently. The rural woman likely will use her garbage in a compost pile, which should be kept covered with dirt to eliminate breeding places, and the city women should assure protection with a tight cover for her garbage container.

One other important point, specialists say, is to allow no dirty dishes to accumulate in the kitchen. It is also a good idea to keep foods tightly covered. When there is ripe fruit on hand, it should be eaten or preserved or stored in the ice box before it becomes a breeding place for gnats - - or pomace flies, as entomologists call them.

Extension workers also recommend that the homemaker examine all shopping bags she brings home from the grocery store, for foods and containers may be harboring roaches. Further protection from cockroaches can be obtained from plugging cracks around baseboards and plumbing with putty or plaster of paris.

A thin sprinkling of sodium fluoride will help combat roaches and ants. Care should be taken for keeping poison out of the reach of children.

RATIONING AT A GLANCE

By PEPPY BLOCKER

SUGAR—Stamp No. 29, Book IV, good for 5 lbs. through January 15, 1944. Nos. 15 and 16, Book I, already expired but if unused, may be taken to local War Price and Rationing Board for application for sugar certificates.

MEATS and FATS—Book III, brown stamps L, M and N valid and P to become valid Dec. 12, all good through January 1, 1944.

PROCESSED FOODS—Book IV, green stamps, A, B and C valid through Dec. 20. Green stamps D, E and F, which became valid on Dec. 1, will be good through Jan. 20, 1944.

SHOES—Book I, stamp No. 18, and Book III, stamp one on airplane sheet, each valid for one pair of shoes indefinitely. Consumers will be notified 30 days in advance of expiration date.

GASOLINE—(Endorse coupons on front.) A coupons, 3 gals. each with No. 9 expiring on Jan. 21. When B-2 and C-2 coupon books are issued effective Dec. 1, 1943, those coupons nationally will have a value of 5 gallons each. Other B and C coupons, including B-1 and C-1, still outstanding at that time will retain their two gallon value as at present. R and T, five gals. each; D, one and one-half gals. each; and E, one gal. each.

Next Tire Inspection Dates—A, March 31, 1944; B, Feb. 29, 1944; C, Feb. 29, 1944; and T, every six months or every 5,000 miles whichever comes first.

Magic Show Here Next Monday Nite

Scheetz & Company, Magicians, will be at the College Auditorium next Monday night, December 13 at 8 o'clock to stage another of their famous magic shows.

This is not "just another magic show." The stage settings, lighting effects, stage manner and illusions are refreshingly original. The program, while a riot of fun, is dignified and unique.

Raymond Scheetz has built more than twelve years of his life into the show. More than half a ton of equipment is used. The "menagerie" includes a dog, birds, guinea pigs and rabbits.

Mirth and magic are blended by masterly hands into a show of striking entertainment value. Among the illusions presented will be the Enchanted Cottage, A Collapsible Duck (the duck used is a sister of Gracie Allen's Herman), Chinese Ink Cabinet, Rapid Transit, A Light Affair, Television Extraordinary, etc.

FORMER RESIDENT IS NOW A GENERAL

Visiting friends here the last of the week was Lt. Gen. Nat Perrine who has been an area commander in Haiti for the past several months. Further information is considered a military secret.

The General formerly resided at Hedley and Clarendon for many years.

Mrs. Major Hudson spent Thursday and Friday with her son and family, Mr. and Mrs. Willard Hudson at McLean. Her grandson Bobby accompanied her home for a few days visit.

Soybean Meal To Panhandle

Congressman Gene Worley announced today that 35 cars of soybean meal had been designated for immediate shipment to Texas, most of them going to the Panhandle area.

The protein feed for the Panhandle will be distributed as follows:

One car each to Silverton, Hartley, Booker, Follett, Dumas, Etter, Farwell, Friona, Canyon, Umbarger, Amarillo, Tulla, Claude, Canadian, Clarendon, White Deer and Panhandle, and two cars each to Hereford, Perryton, Vega, Stratford, Spearman, Pampa and Miami.

Worley said shipment would be made just as soon as the railroads could move the feed. He said one of the big problems in the Panhandle district at the moment is that of getting adequate feed to the right places for the area's cattle.

Stacks of mail and telegrams have come in explaining the situation, and the congressman said his office is doing everything possible to keep the feed moving. He said he is convinced that shipment of feed to the cow country now means more meat for the nation later on.

SERVICE BUTTONS BEING DISTRIBUTED

Plastic gold-coated lapel buttons for wear on civilian clothing, to signify honorable military service on and after the declaration of a period of national emergency, September 9, 1939, are being distributed to issuing agencies throughout the country, the War Department has reported. The insignia on the button is an eagle within a circle, the wings extending beyond the circle's edge. Persons whose army service has been terminated under honorable conditions will be permitted to wear the insignia.

Mrs. Grady Holbert and son Billy are visiting her mother, Mrs. David Johnson.

BAPTIST CHURCH TO PRESENT BEAUTIFUL XMAS PAGEANT, FRIDAY NIGHT, DEC. 24th.

CHOICE HOMES CLAIM NEW OWNERSHIP

Mr. and Mrs. Lon Rundell are the proud owners of the beautiful home on the boulevard west of the Methodist church. They exchanged homes with Dr. B. L. Jenkins. The good doctor has not signified his intentions further than to say that he will continue to reside in Clarendon. He has large farming interests in Donley county which require his attention.

Mr. and Mrs. Haskell Kemp acquired ownership of the beautiful home of Mrs. Tom Goldston, and have already moved into their new home.

Mrs. Goldston will make her home in Amarillo.

REDUCE MEAT POINT VALUE

The entire list of rationed beef items has been cut two or three ration points, making the most meat available to civilians since rationing began late last March. Many pork cuts remain at the reduced value set by OPA in mid-November, and point values of lamb, mutton, and all veal remain unchanged. This means an increase of approximately 30 percent in the housewife's meat ration for December as compared with the ration set at the beginning of November.

DINNER GUESTS

Dinner guests in the Underdown home Saturday night were S/1c Lewis Underdown (U. S. Navy Seabee), Miss Lois McCrary, Mr. and Mrs. L. P. Waddle, Mr. and Mrs. "Keet" Weaver, Pampa, Tex., and Mr. and Mrs. C. E. Underdown and family.

Three Grocery Stores Are Victims Of Robbery Saturday Night

FARMERS' TAX DEADLINE, DEC. 15

Farmers are required to file declarations of estimated 1943 income and victory tax and make a payment by December 15. Farmers who elected to make declarations September 15 when most other persons made them, will need only to make an installment payment December 15. Persons who made declarations September 15 and wish to amend them or those who made no declarations but since have had a change in income to require them, also should file by December 15. Persons with tax installments due on that date will receive and have received bills from the local Collector of Internal Revenue.

Odis Barnes Buried Here Saturday

Graveside services were held here Saturday afternoon at one o'clock for Odis Barnes of Amarillo and former resident of Donley county.

Mr. Barnes, who was a prominent farmer of Donley and Hall counties for about 20 years before moving to Amarillo seven years ago, passed away at his home Thursday night after an illness of about a year.

He is survived by his wife, a son Everett of the U. S. Navy and two daughters, Mrs. Nadine Whitlock and Mrs. Hazel Smith.

Services were held at Amarillo for Mr. Barnes Saturday morning and his body brought to Clarendon for burial.

Pallbearers acting here were W. W. Taylor, Lon Rundell, Buel Sanford, Reagan Bryan, Elba Ballew and A. J. Parker.

Burial was in Citizens cemetery under the direction of Buntin Funeral Home.

The Sheriff's department is working this week on four robbery cases which lend very little evidence toward the guilty persons.

Mrs. Sidney Powell who lives in the Fire Department quarters heard a noise about 1 a. m. Sunday morning and upon investigating, she saw someone breaking into the Clifford & Ray Grocery. The law was summoned but the culprit had escaped before they arrived. The thief evidently became scared as nothing seemed to be missing out of the store.

Early Sunday morning it was found that the McCrary Grocery and the Clarendon Food Store had also been entered and the former lost approximately three dollars in small change and some merchandise; and the latter lost around four dollars in change. It was hard to tell whether much merchandise was taken after the rush hours of Saturday night.

The Norwood Pharmacy was also a victim Friday night. Someone was locked up in the store and robbed two cash registers of approximately \$15 in change. The thief had to break his way out as the door contained a master lock whereby only a key could open it from either side.

MUST COLLECT POINTS FOR PORK SOLD

Although WFA has temporarily lifted all its restrictions on the amount of pork a farmer may deliver to persons living off his farm, he must continue to collect ration points for all rationed meats, OPA said recently. If pork is transferred point-free, it means that a great deal of this food will find its way into the black market and will be unavailable to legitimate consumers.

IMPROVED OUTLOOK FOR NEW FARM MACHINERY

An improved outlook for new farm machinery in 1944 is foreseen by the War Food Administration. Raw materials authorized by WPB to make planting, tillage, and harvesting equipment during the year provide for about twice the quantity produced in 1943, or almost 80 per cent of the production in 1940—a year in which manufacture was relatively large. The manufacture of repair parts will be unrestricted.

TO HOLD BAZAAR

The Presbyterian Auxiliary is holding a Bazaar Market and Lunch or Tea Saturday, December 11th in the basement of the Presbyterian church, starting at 11 o'clock. Everyone is cordially invited.

Cal Farley Speaks To Lions Club Tuesday

Members of the Clarendon Lions club enjoyed a very fine talk by Cal Farley of Amarillo, at their regular luncheon Tuesday.

Mr. Farley, who is well-known around these parts, made a trip to Washington, D. C. recently to speak before a legislative committee. His topic that he spoke on before the Lions, was this trip and what he observed to be taking place up there where all our laws are formulated and passed. He spoke of how the lobbyists operated and how lots of unwanted bills are created only by this type of pressure. His talk was very interesting and informative and enjoyed by all. He also talked about the boys ranch at old Tascosa and the fine work these organizations are doing for these boys. Before coming to the luncheon, he spoke to the school students on the same subject and stated that he had never seen a serious talk taken so well by a group of students anywhere.

MEMBER OF Panhandle Press Association

THE TEMPLE OF TRUTH

By the Apostle

HISTORICAL.

This column is cut short. The Boss says space is limited this week—limited because paper is limited. Daily papers take no more new subscriptions, and it won't be long until the weekly papers will be in the same fix—paper shortage. Having to wait and put up with a shortage reminds the old Apostle of his kid days when the preacher came for Sunday dinner. He always had to wait to eat, even to the fourth table. In fact he grew up and had his second pair of

shoes before he found out that a chicken had anything but wings and necks. He hates chickens to this day, and is skeptical of a chicken-eating preacher.

SERMONETTE.

"An idle mind is an open door to perdition, and idle hands are tools of the devil." That was what the preacher always told me when I started to put up his horse and feed it while he ambled into the house to attack the chicken.

DUMB-DEAF-BLIND.

Then there's the dumb gal who turned a deaf ear to blind dates.

PIONEERISH.

Then there was the cow gal

who was so bowlegged that she couldn't keep her calves together.

Having reached the limit of his space, the old Apostle takes out for this spasm. May you have a merry Christmas. In order to do so, mail your packages early. Do it right now or they may not get across the state by March 1st. The mails are jammed with packages already.

CO-EDS VISIT ARMY AIR SCHOOL

Co-eds in school at Texas Technological college this week are still passing the praise for the visit at South Plains Army Air Field they were given by the Womens Army Corps.

More than 125 junior and senior girls visited the field last week to get a first hand glimpse of the Wacs at work. All of them were high in their praise of the essential jobs the Wacs are doing and many expressed interest in taking advantage of the opportunities offered in the WAC.

Other South Plains women also may join the growing list of those who are joining the WAC for service in the Army Air Forces Training Command, the world's largest educational system, which is playing an all vital part in winning the war and preparing this nation's men and women for future roles in peacetime.

OLD AGE ASSISTANCE GRANTS RAISED 20¢

John H. Winters, Executive Director of the State Department of Public Welfare, announced today that payment of Old Age Assistance grants will be raised a flat 20¢ over November payments when December checks are written. The welfare director said that the \$2.64 cut in each grant, which has been in effect for several months because of insufficient money, will be reduced to \$2.44 this month when \$3,781,489.16 is distributed to 180,511 aged persons in an average payment of \$20.95. The rolls made a net decline of 1,332 cases between November and December payments, due principally to better employment conditions and to a general increase in resources of recipients, the director said.

Four thousand six hundred

NURSE LOSES FAT SAFELY AYDS WAY

Get slimmer without exercise. Eat starches, potatoes, gravy, just cut down. AYDS plan is safe, sensible, easier. No exercise. No drugs. No laxatives.

Nurse was one of 100 persons losing 10 to 15 lbs. average in a few weeks in clinical tests with the Ayds Plan under the direction of Dr. Von Hoover. Sworn to before a Notary Public.

Delicious AYDS before each meal dulls the appetite. Yet you get vitamins, minerals, essential nutrients in Ayds. Start the Ayds way to lose weight now. Large size box only \$2.25—30 day supply. Money back GUARANTEE if you don't get results. Just phone

Douglas - Goldston Drug Co.

eighty-one blind persons will be paid \$114,942 in December in an average grant of \$24.56. This is practically no change in the rolls, being a net increase of only nine recipients and \$27 over November rolls.

The Aid to Dependent Children program sustained a net loss of 289 families with 600 children during November. The December rolls call for \$221,052 in average payments of \$21.28 to 10,389 families, representing 23,000 children.

NOT INTENDED FOR IDENTIFICATION PURPOSES

Bankers and business men who normally cash checks for people should not accept social security account number cards as means of identification, according to Dewey Reed, Manager of the Amarillo Social Security Board office. The practice is not only dangerous but the social security cards were not intended to be used for such purposes.

"Several individuals have recently applied for account numbers," Mr. Reed stated, "who admitted they had no jobs and only wanted the account card in order that they might cash checks at stores without having to go to the bank."

It was explained that the holiday season usually brings forth many fraudulent checks in cities, especially in Army camp centers. Individuals should not accept social security account cards for

identification in paying out money on checks, drafts, money orders, etc.

A social security account card is used for the purpose of identifying the wage earner's old-age and survivors insurance account which is maintained by the Social Security Board.

The cooperation of all business men is urged by the Social Security Board, Mr. Reed, said.

HEAR JOHNNY SING?

Domestic production of wood-pulp this year will be less than 9 million tons as compared to over 10 million tons used by the U. S. in 1942. A further decline is anticipated for 1944.

IN NORMAL TIMES, the holiday season provides an ideal interlude for pleasure trips. But these are not normal times and "pressure" travel comes first.

Trains loaded with troops are always of primary importance. Furlough travel is especially heavy during the holidays. Then, too, there is a surprising amount of essential civilian travel which must continue without interruption.

Thanks to the cooperation of the traveling public, the railroad's are handling this biggest of all transportation jobs — quickly and efficiently.

When You Travel These Days Here Is How YOU Can HELP

PLAN YOUR TRIPS to avoid week-end and holiday travel. That is when furlough travel is heaviest. Accept accommodations available. If plans are changed, cancel any reservations immediately. Travel light. Take only necessary luggage aboard the train and have it plainly labeled. Since war traffic has the right of way allow for possible delays. Advance planning is often helpful. Burlington representatives are available for travel advice.

WEDDING TAKES PLACE AT ARMY AIR BASE

Pfc Eunice Roberts, of the WAC detachment at the Air base, was united in marriage to S/Sgt. Johnny Grady, at West Chapel, at 6 p. m. Friday, in a double ring ceremony performed by Chaplain John R. Faintain. She wore her uniform and pinned to her shoulder was a corsage of gardenias.

Lt. Madge L. Rivers, commanding officer of the WAC, gave the bride away. Sgt. Juanez Holt, of Baton Rouge, La., was maid of honor, and Mrs. Edward Russell, 3207 Lyndale, was bride's maid, while Sgt. James Gamble, of Belvidere, N. J., served as best man. The bridal attendants wore corsages of Ophelia roses.

Mrs. Grady is the daughter of Mr. and Mrs. George Roberts, of Frankfort, Ky. The bride enlisted in the WAC Jan. 9, 1943, and trained at Ft. Oglethorpe, Ga. She was then assigned to Monticello, Ark., where she worked at headquarters, and came to Pueblo six months ago. She is supply clerk at the WAC detachment.

S/Sgt. Grady is the son of Mr. and Mrs. Ralph Grady, Clarendon, Texas. A rancher in civilian life, S/Sgt. Grady is engineer of his crew at the base. He has been in the service 18 months.

S/Sgt. and Mrs. Grady received friends in the vestibule of the chapel following the ceremony and dined at the Vail hotel afterwards.

PATHFINDER CLUB

The Pathfinder Club will meet Friday, Dec. 10th at 4:30 p. m. at the home of Mrs. U. J. Boston

Mr. and Mrs. Clifford Allison and family of McLean visited his mother, Mrs. J. L. Allison Monday.

BIRTHDAY PARTY

Mrs. Dick Lanham entertained with a birthday party complimentary to her small daughter, Mary Kathryn, on her 5th birthday Tuesday afternoon at her home. Christmas decorations were used, a large red bell hanging over the table where the gifts were placed and covered. Mary Kathryn was blindfolded and led to the table. When the blindfold was removed she saw to her delight, the table piled high with gifts. After the gifts were opened and admired by all, games were played. Each little guest received a cellophane sack of Xmas candy and cookies as favors.

The lovely birthday cake was cut and served with ice cream to Jackie Oller, Barbara Faye Estlack, Jacqueline Marie Estlack, Hubert Kidd, Harlene Smith, Jack and David Lowell, Gene Alderson, Wesley Knorpp, Bill Noblet, Dorothy Jo Knorpp, Bobbie Massie, Iva Jean McAnear, Mary Esther Hagler, Mrs. Lanham was assisted by Mrs. Oller, Mrs. Jones and Mrs. Davis.

BIRTHDAY PARTY

Mrs. A. M. Taylor honored her grandson Buddy Hudson and nephew, Donnie Taylor, with a birthday party at her home Sunday afternoon. The youngsters were celebrating their fourth birthdays.

A birthday cake for both the honored guests was set on each end of the serving table and lovely refreshments were served to the following: Francis Wright, Bobby Bell, Walter Knorpp, Dorothy Jo Knorpp, Clyde Price, Jerry Price, Jack Lowell, David Lowell, Bill Harter, Buddy Hudson and Donnie Taylor.

1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon Dec. 7 in the Home Economics Dept. of the College with Miss Maurice Berry and Dr. Laura Lowell as hostesses.

The reception rooms were beautifully decorated in evergreens, mistletoe, and richly colored autumn leaves. The center of attraction being a large V hand-woven of nature cedar and gaily colored Christmas tree ornaments.

Mrs. Bill Ray, president, presided over a brief business session, during which Mrs. B. G. Watson was elected corresponding secretary for the following year, the Club having accepted Mrs. Loyd Shelton's resignation to that office.

Miss Lucille Polk gave a very interesting review of Eve Currie's best seller "Journey Among Warriors." Miss Currie tells the story of one of the great reporting trips of this war—a trip which took her around the battle fields of the world—on which she spoke with many of the world's leaders.

The hostesses served attractive Christmas refreshments to twenty members and one guest, Mrs. Rufus White.

JR. LES BEAUX ARTS CLUB

The Jr. Les Beaux Arts Club met in the home of Nelda Sue Burton on Thursday, Dec. 2 at 5 p. m. Hostesses were Sue Burton and Glenda Davis.

The members sang Christmas carols after which La Rue Shadle read a Christmas story. Frances Phelps gave an interesting talk on church windows.

Lovely refreshments were served to La Rue Shadle, Margaret Wadsworth, Frankie Hommel, Sara Lowry, Joline Etter, Joan Hillman, LaVoice Armstrong, Frances Phelps, Betty Ann Craft, Helen Porter, Mary Nell Keys, Pat Alverson, and sponsors: Miss Howren and Jeanne Bourland Ross.

1937 BRIDGE CLUB

Mr. and Mrs. Geo. W. Estlack entertained members and guests of this club Friday night. At the three tables, Mr. and Mrs. Maurice Lane won high score prize and Mr. and Mrs. John Gillham, low.

Refreshments were served to guests, Mr. and Mrs. Maurice Lane, Mr. and Mrs. Brooks Ches-shir and members, Mr. and Mrs. B. G. Watson, Mr. and Mrs. John Gillham, Mr. and Mrs. A. B. Turner and the hosts, Mr. and Mrs. Geo. W. Estlack.

BIRTHDAY PARTY

Mr. Geo. Trout honored his wife with a surprise 42 party Saturday night, celebrating her birthday. The birthday cake was baked and decorated by Mrs. Carl Pittman. Mrs. Trout received many beautiful and useful gifts.

Refreshments were served to Mr. and Mrs. Carl Pittman and children, Mr. and Mrs. Dalton Swinney, Mr. and Mrs. Geo. Terry and children, Mr. and Mrs. Virgil Jordan and sons, Mr. and Mrs. J. T. Easterling and daughters,

Mr. and Mrs. Guy Sibby and daughters, Mr. and Mrs. Glen Adkins, Mr. and Mrs. Jack Eddings and Joyce, Mr. and Mrs. Jack Halligan and son, Mr. and Mrs. O. H. Tidwell and Sandra Jeanne and honoree and host, Mr. and Mrs. Geo. Trout.

Sunday, December 12th
11:00 a. m. — Morning Prayer and Sermon—Mr. Knorpp.

FIRST CHRISTIAN CHURCH
L. Guy Ament, Pastor
Christmas is just around the corner. "You must be good just before Christmas." Next Sunday we have services at 11 a. m. You are wanted in the group for worship. Evening services the Vesper hour, 8 p. m. Bible school meets at 10 a. m. for the class work. Be in your class.

Sunday night, December 19 we have the offering "White Gifts for the King." The program for the hour is based on a beautiful story called "White Gifts for the King." That story will be told before the offerings are made.

Next Wednesday night our prayer meeting and Bible study will be at 8 o'clock. All are invited to attend.

Mrs. Ed Speed, Mrs. Nollie Simmons and Mrs. Beatrice Rodgers and Delene Blair were Amarillo visitors Tuesday.

Use New Tops Correctly

A good many jars of home-canned food have been lost this year because homemakers misunderstood or failed to follow directions for use of war-time seals for glass jars. To prevent further loss of meat, fruits, or vegetables this fall and winter, Mrs. Winifred J. Leverenz, food preservation specialist for the A&M College Extension Service, urges home canners to look for directions which come with boxes of glass jars.

Most home canners are using a new glass top seal cap developed by the War Production Board to save metal. It consists of a metal screw band, a glass lid, and a vulcanized rubber ring. Here are rules to follow when using this type of a closure.

Leave a half-inch to 1 inch of empty "head" space at the top of the jar. Fit the rubber ring around the projection on the bottom side of the lid. Then place the lid so the rubber lies between it and the top edge of the jar.

Be sure that the metal screw band is slightly loose while jars are in the pressure cooker or hot water bath. This is necessary to prevent breakage. As soon as jars are removed from the canner, turn the bands down tight, but not so tight as to crush or break rubber ring.

To test the seal when the jar is cool, remove the metal band and pull gently on the lid with the finger tips. If the lid is tight, the jar is sealed. The metal band may be left off. Filled jars should not be turned upside down.

Mrs. Geo. R. Barnett of Okla. City, Okla. is visiting Mrs. Glenn E. Heas and Mrs. Ruth Kennedy this week.

Textiles After The War

That phrase "100 per cent wool" on garment labels might not be nearly so important after the war.

This prediction comes from the clothing specialist of the A&M College Extension Service who says in time wise consumers may prefer blends to "all wool and a yard wide." For example, a blend of wool and rayon may not wrinkle as much as 100 per cent wool, the specialist, Mrs. Dora R. Barnes, explains, and it may wear longer. This month she is showing samples of some of the new fabrics to county home demonstration agents and rural homemakers over the state.

Manufacturers are bringing about textile miracles through wartime necessity. For example, at the request of the army, a material which is lint-free has been developed. Most of these new textiles will not be available to the general public until the war is over and civilian production has been maintained. Homemakers who fret now over shortages, high prices, and skimpy styles in the fields of textiles and clothing should take the long view. After the war they are promised more beauty and utility, the specialist says.

SPECIAL NOTICE

The American Legion Auxiliary will not meet Dec. 20. The ladies will not pick up any more papers.

Sgt. and Mrs. Link who have been visiting in Washington State were guests of Mrs. A. L. Chase Sunday night. They were joined by Cpl and Mrs. Scudder who have been visiting his aunt, Mrs. Chase, the past 15 days and left Monday for Alexandria, La.

DECEMBER NINETEENTH?

An Inventory of Texas Pantries

Preliminary reports on the amount of food preserved by Texas families during 1943 reach astronomical proportions.

Figures compiled by Mildred Horton, vice director and state home demonstration agent of the A&M College Extension Service, reveal 43 million quart jars and 21 million tin containers have been filled with canned food this year. More than five million containers of fruit butter, jams, jellies, and marmalades swell the totals reported by county home demonstration agents in the state.

Food has been conserved in a variety of ways. The total now stored in home freezing units or community freezer lockers approximate 10 million pounds, and the number of pounds of meat cured and stored is in excess of 30 million pounds.

Home dehydration figures show the greatest percentage increases. The report reveals that 1,246,038 pounds of vegetables have been dried and 2,440,998 pounds of fruit. An additional million quarts of vegetables has been preserved by brining and salting. The largest figure in the entire report is 107,179,250 pounds of food stored in bulk, including potatoes, root crops, and apples.

County home demonstration agents over the state report 80,000 pressure cookers in use during 1943, including 6,532 new ones. Approximately 1,148 home dehydrators were bought this year, but three times that number were made at home. One of the greatest shortages in food preservation equipment is boiling water canners, and 30,000 are needed in Texas for next year.

Lewis Underdown, S/1c, who has been in the Navy Seabees about two months and is stationed at Camp Endicott, Davisville, Rhode Island, is now home on a short leave.

Mr. and Mrs. Bob Oswalt and two children Sandra and Janice who have been visiting her parents, Mr. and Mrs. Buel Sanford, left for Little Rock, Ark., Thurs.

Ted Dozier of Amarillo and Forrest Dozier of Claude and Doug Dozier of Childress spent a few days at the Walter Lowe home hunting quail.

Mrs. W. D. Martin and Mrs. Clyde Martin visited relatives in Shamrock last week, returning home Friday. Mrs. Ethel Moss accompanied them home.

Judge Link was in Amarillo Monday. Mrs. Link accompanied him home after a week's visit with their daughter, Mrs. Bill McKinley.

J. C. Myers of the Navy is home on furlough visiting his wife and other relatives. J. C. has seen service in the Southwest Pacific.

Lon Rundell and Haskell Kemp left Monday night for Spur to be with a sister of Mrs. Rundell, Mrs. Cleve Floyd, who is seriously ill.

David Johnson of Amarillo spent the week end at home. His daughter, Mrs. Holbert and son Bill accompanied him home for a visit with friends.

Mrs. Clyde Martin left for Amarillo Saturday where she is with her sister, Mrs. Holtzclaw and Mrs. W. D. Martin accompanied her for a visit.

Mr. and Mrs. Carl Peabody returned to their home at Ft Stockton Tuesday morning after a week end visit with relatives.

Mr. and Mrs. W. A. Land returned home Monday night from a 7 weeks visit with their son and family, Mr. and Mrs. Marvin Land at Tucumcari, N. Mex.

Farm Cash Income For October Drops 7%

Farm cash income in October dropped 7 per cent from the October, 1942, figure, the University of Texas Bureau of Business Research reports.

The October, 1943, income was \$162,000,000, while that of October last year was \$177,000,000.

The increase in the cash income during October of last year was mainly the result of larger returns from ginnings of cotton a year ago, Dr. F. A. Buechel, economic analyst of the Bureau, explains. Bulk of ginnings this year came in August and September rather than in October, and this year's cotton crop is considerably smaller than that of last year.

Another factor in the decline in cash income was the decline in the marketing of cattle, calves and sheep with little if any advantage in price. Income from hogs showed an increase both as a result of large marketings and higher prices.

The Leader was informed today that Mr. R. W. Fowlkes who has been ill for quite some time is still not improving at this time.

Mrs. Donna Goldston has moved to Amarillo. She sold her residence to Haskell Kemp.

A 10 per cent reduction in consumers' use of manufactured gas would save 1,500,000 barrels of fuel oil a year.

GREENE
DRY GOODS COMPANY

NAZI "Supermen"
—the morning after.

These captured members of "The Master Race" are bitter and disillusioned. Hypnotized by the promises of power and glory they gave up all human freedom, all personal privileges, all individualism to follow the fanatic paperhanger. With ruthlessness and savagery they fell upon a world unprepared for war . . .

a world geared only for peaceful productivity. With their practice of total war the world was all but crushed. The democracies of free people rallied to the support of liberty. The production miracles of free people working under business "know-how" applying the dynamics of free enterprise to the grim business of war bring the minions of the swastika up against a force they cannot master and scarcely comprehend.

Independence . . . the right of every American within reasonable limits, to enjoy the rewards that his own work may bring . . . is the force that made America! Today, it is devoted to all out war. It must not be lost when the war is won!

West Texas Utilities Company

For THE 56 OUNCE MODEL PLANE

For THE 56,000 POUND BOMBER

PHILLIPS produces AVIATION FUEL

WHY DOES PHILLIPS BOTHER with Model Motor Blend Aviation Gasoline... which is bought by the pint and used by the medicine-dropper-ful?

The answer is simple: The boy enthusiast of today, flying his three and one-half pound model plane, may be the designer of tomorrow's 200-ton airliner. It is good for the future of aviation that such youths should be encouraged.

Less than ten years ago many of the weapons and materials, which are now so important to us in the fight for freedom, seemed as trivial as pint-size sales of special aviation fuel for nine-ounce midget engines. At that time some people wondered why Phillips research men sought the secrets of synthetic rubber, when natural rubber was

plentiful. They questioned why so much study was devoted to the chemistry of petroleum hydrocarbons.

Today the answer is simple: Phillips is a major producer of butadiene for synthetic rubber... and 100 octane aviation gasoline for the Army, Navy, and United Nations air forces. And these synthetic chemicals are only two of the limitless thousands of products which can be made by using petroleum and petroleum gases as a chemical raw material.

That is why we say, every time you see the Phillips 66 Shield, let it remind you that Phillips refineries in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants, pouring out weapons for victory.

HIGH SCHOOL FASHION FLASHES

Dorothy Nell Kemp has a darling gold skirt and blouse.
Kathleen Grady has a peachy blue suit.
Jean Porter has a pretty bright green sweater.
J. B. Knight has a nice looking brown and yellow sweater.
Miss Smith has a beautiful grey suit and some brown oxfords.
Manly Bryan has a handsome black pen stripe suit.
Mary Talley has an attractive rose dress.
Mary Nell Hanks has some skirts and sweaters.

Robert Semrad has some natty blue trousers.
Mrs. Cox has a very pretty light brown dress.

SOUTH WARD

The sixth grade room mothers gave a Thanksgiving party for the sixth grade in the gym Tuesday afternoon, November 23. Mrs. Word supervised the games and Mesdames Hunt, Carlile, Wallace, Muse and Ballew passed out fruit and candy bars.
Our appreciation was evident from the good time we had.
Lois Marie Hommel and Lawrence Taylor won the Penmanship

Award in the sixth grade this month.

Mrs. Mears and her pupils invite you to come and see their room. The desks and reading chairs have a new coat of varnish which they think makes a decided improvement in their room.

Miss McGowan's room is making December calendars.

In Mrs. Holland's room Patsy Jackson and Dwayne Hearn won show tickets for penmanship.

Mrs. Prewitt has a new pupil in her room, Bernice Hills from California.

Patricia Estlack and Don Thornberry got show tickets for writing.

Miss Mongole and Miss Rose's room are planning their Christmas programs.

JR. HIGH

The seventh grade enjoyed Thanksgiving holidays.

Seven-One has a new pupil, Lora Faye Fitzgerald from Lockney.

Le Main Patrick spent the Holidays in Turkey.

Tommy Murphy has a beautiful new sport shirt.

Gene Bryan spent the holidays in Amarillo.

Ira Jean and Scharlean spent Saturday in Amarillo. They have

new story books and seem to be enjoying them.

You should see Ira Jean's beautiful hair. It looks like spun gold.

What fun! Lou, we had a wonderful time Tuesday night. We should have those get togethers more often.

Have you seen "Taps"? Well if you haven't you have heard them. It worries the whole student body and the teachers for someone to have steel taps on his shoes.

Is Wanda mad? Wow! She nearly boiled over last Tuesday when she heard Doug was going with Lou.

Jim, watch out; the wolf is loose. She'll be knockin' at your door.

F.F.A. NEWS

The Clarendon F.F.A. will be represented at the District F.F.A. Banquet December 7, at Wellington, Texas.

The combined meeting and Christmas party of the Future Farmers will be held Wednesday, December 15 at eight thirty in the Ag. room.

The Future Farmers have been studying processing and curing meat. It is expected that their knowledge will be put to a test shortly.

ALPHA KAPPA DELTA

The Alpha Kappa Delta Fraternity met in the home of Max Keys Wednesday, Dec. 1, 1943. The Constitution and By-Laws were read and approved by those there. The next meeting will be in the home of Manly Bryan, Dec. 15, 1943. Delicious refreshments were served to: Dick Reeves, James Palmer, Manly Bryan, W. S. Carlile, Bob Bentley, Tom Goodner, Jimmy Douglas and Max Keys.

GENE SINGS AGAIN?

TACKY DANCE

Last Friday night the Juniors sponsored a Tacky Dance at the gym. Everyone had a super time dancing to Harry James' records. Prizes of stick candy were awarded for the tackiest boy and girl there. Helen Porter won it for the girls in her beautiful levis and her green and black checked overcoat (it's really a shirt). Jack Semrad won by being dressed like a "little boy." Both winners were really cute.

CHAPEL PROGRAM

Rev. H. W. Hanks talked to the student body Friday. He told lots of funny jokes which all of the pupils enjoyed. Then he gave a splendid talk on living a life of real service to others. The students want him to come again soon.

Only Kroehler, world's largest manufacturer of furniture, could build and design a suite like this. You get new comfort through the scientifically designed seats and backs and your body is completely supported. "Streamline" your home with this newest furniture creation. Beautiful covering fabrics.

The "furniture of tomorrow" is ready for you today. It's Future-Form, the new furniture fashion with scientifically designed seats and backs that give restful, healthful relaxation. See it tomorrow!

Handsome, soundly constructed chairs and sofa, upholstered in attractive, long-wearing fabrics, with highly polished frames. All our furniture is made with expert workmanship.

A handsome addition to any room... and a comfortable refuge for the work-weary. Made of sturdy fabrics, smartly patterned.

CLARENDON FURNITURE STORE

Our buyers' association with buyers stationed in the leading furniture markets of the nation have purchased for us one of the best assorted and largest stocks of merchandise in West Texas. Practically all of this merchandise is direct from the manufacturer to us at the lowest possible price.

Improving Quality of Country Butter

Although Texas leads the nation in production of country butter, it doesn't rate that high in quality, says Charles Reed, local County Agent for the A&M College Extension Service.

Among several defects is a sour, curdy flavor and aroma caused by the cream becoming excessively sour before churning, or by leaving too much milk or curd in the butter. This also may be caused by churning too long or, more frequently, by insufficient washing of the butter. This may be prevented by allowing the cream to ripen just long enough to get the desired flavor, and churning stopped when the butter granules are about the size of wheat grains. The butter then should be washed sufficiently with clean, fresh water, to remove excess milk or curd.

Feed and weed flavors are transferred to the milk from grazing, and the especially objectionable, like garlic and wild onions, can be prevented only by eradication or keeping cows from pastures where they grow. Turnips and similar vegetables should be fed only immediately after milking.

Animal and stable flavors are caused by contamination from soiled bodies and udders of cows, by letting milk or cream sit in the barn, or by putting hot milk or cream in a tightly covered con-

tainier. Remove the causes and the ill flavors will go too.

Although objectionable flavors are mostly noticeable in eating the butter, defects in body and structure also are objectionable and hurt the appearance of the butter. These defects are weak, greasy, salty, crumbly, and mealy bodied butter. Some of the causes of these faults are inadequate cooling of cream and excessive working of butter; working excessively while soft, too high churning temperature, or allowing the butter to get warm before working; over-working while the butter is firm, especially if worked without water; and churning sour cream which has been held at high temperature.

Clarendon Clinic Hospital Notes

Medical:
A. C. Rattan, Clarendon.

Surgical:
Mrs. P. F. Wiedman, G. E. Allen, Clarendon.

Bettie Jo Bartlett who is attending the University at Austin spent the week end with her parents, Mr and Mrs. J. R. Bartlett and to visit with her brother and wife and son Freddie from New Ark, N. J. who is also visiting at home.

Mrs. Doss Palmer and Mrs. Hattie Palmer and son James Wesley were in Amarillo Monday.

RED CROSS VOLUNTEER SERVICE

Wherever the Red Cross is on active duty—and that's wherever our overseas armed forces carry on, there will be Christmas this year. It may be a big Christmas party in camp or at some brightly decorated club in a big city. It may be only a little bedside gift on a gaily decked tray at some general or station hospital. It may be a gift box passed out to a lonely soldier on isolated duty and unable to get in to celebrate with his buddies.

Seventeen million strong, members of the American Junior Red Cross have made spectacular contributions to the morale of able-bodied and wounded men of our fighting forces. They have kept alive a spirit of world understanding among children of war-torn countries, and have waged major conservation campaigns on Uncle Sam's war front.

Knitting
Sweaters were taken out by: Mrs. J. W. Evans, Mrs. Ernest Kent, and Mrs. Wesley Knorpp; mufflers by Donna Lee Jones, Evelyn Jones, Mrs. R. A. Chamberlain, and Mrs. Ollie Kendall; helmets by Mrs. W. T. Clifford, Mrs. Nova McClure and Mrs. Frank Phelan.

Men's bathrobes for hospital use were taken out by Mrs. Nova McClure, who has been most generous with her time in making several of these robes. One was taken out by Mrs. Rayburn Smith.

Two quilt tops and one lining were given by Mrs. Joe Horn. These will be quilted by the adjoining communities to Hedley. A completed quilt was turned in by Mrs. Harvey Shaw made by the following ladies of the Windy Valley Community: Mrs. W. F. Barker, Mrs. Carl Barker, Mrs. John Hudson, Mrs. W. B. Ayers, Mrs. C. C. Ayers, Mrs. J. E. Kidd, Mrs. Molder, and Mrs. Harvey Shaw.

HOME SERVICE

Mrs. C. A. Burton
A recent Red Cross Bulletin again calls attention to the fact that members of the Women's Army Corps, "Wacs", and the Women's Reserves of the Navy, "WAVES", of the Coast Guard, "SPARS", and of the Marine Corps are included in rights to hospital care under the Veterans Administration. The disability need not be service connected, but priority is given to disabilities which are when there is any shortage of beds.

The act establishing these service orders was so amended in November as to give to these women all the benefits provided for male soldiers, the act being made retroactive to July, 1942.

Colorado has been added to the list of states with programs of medical, nursing, hospital maternity and infant care for wives and infants of soldiers. Only a few states have failed to meet the conditions for this care, but Texas still remains one of those states.

Enlisted men who are about to leave for overseas are, unless military necessity prevents, allowed a furlough prior to reporting to port of embarkation or replacement depot for shipment overseas.

The War Department states that Christmas cards to soldiers overseas must be sent in sealed envelopes as first class mail because the German and Japanese censors will not allow them to pass otherwise. A simple greeting card without embellishment, however, would be accepted.

An American prisoner serving with the British Eighth Army who was exchanged by the Italians and is again on active duty with the Field Ambulance service after being fitted with a wooden leg in Cairo, wrote to his mother from Egypt: "The Red Cross is doing splendid work here with clubs and canteens. Hats off to them on all counts. I dare say 50 per cent of all long-term prisoners will come back due to them alone. Food, medical equipment, clothing, morale and supervision are tops."

This prisoner brought out from Italy the names and addresses of 300 men who were in the same camp with him. He sent the list to his mother who has since written each of the families of the 300 men.

Another letter from Stalag Luft III contains this sentence: "Thank God for the Red Cross, don't know what we'd do without their food parcels. Never realized I would be on the receiving end of that dollar Red Cross subscription, which will be a lot more when I go home again."

Another letter from Offlag 84 says: "We have established quite

a library and I have been made librarian, a very pleasant job. I am learning to appreciate good books and most important, how to take care of them. The British gave us the books, we have about 700. The Germans provide us with a public address system and we can listen to German news and music, good music."

MIDWAY Mrs. John Goldston

It makes an older person very happy when one of the younger generation thinks of them and does something nice for them. We had a nice letter from our young friend, Kenneth Stone, who has been in the Pacific area for the past 11 months in service. Kenneth volunteered for service before the drafting of the 18 year olds. He is a very loyal citizen and a brave lad. In his letter, he said he waited longingly for the Donley County Leader and always looked first for the Midway news. Now, neighbors, give us the news. Let's not disappoint our boys overseas.

And about being happy, our daughter, Lucille, who has been in San Diego for the past two years working in Consolidated Aircraft, is coming home for Christmas.

Cpl. Harold Loggan of Camp Houze is home on two-day furlough. S. C. S. Harley of the Navy in San Diego, Calif. left Monday night after a furlough at home.

Miss Bobby Watts of Dallas spent the week end in the Loggan home.

Floyd Derrick of the armed service is visiting his parents.

Charletine Corder of Amarillo spent Sunday with her aunt, Mrs. Edith Loggan.

Mrs. R. A. Chamberlain is spending the week with Mrs. Louise Chamberlain.

Mrs. John Goldston spent from Thursday to Sat. with her daughter, Mrs. Gene Chamberlain of Memphis.

We are happy to hear that Mrs. Koontz and family are moving back to the farm in Midway where they lived a few years back.

We regret very much that we are losing one of our best neighbors this next year. The W. D. Higgins family are moving to the Martin community. Our loss will be Martin's gain.

Ben Chamberlain is attending a two day AAA and Range program in Amarillo, Tues. and Wed. Mr. and Mrs. Quattlebaum spent Sunday in Memphis.

Mrs. Hefner visited with Miss Minnie Naylor Monday eve. Miss Naylor has been ill.

The Nelce Robinson family spent Sunday in the Loggan home. Mr. and Mrs. Clifford Davis and son Billy of Amarillo visited Sunday with his parents.

Ernest Davis of Silverton was over Saturday.

Ben Chamberlain went to Memphis Sunday and visited in the Gene Chamberlain home.

This Year Give War Bonds

"THE CHRISTMAS PRESENT WITH A FUTURE"

If you're having any difficulty in deciding about a Christmas gift for someone near and dear, do as so many others are doing this year and give a War Bond — "the Christmas present with a future".

We'll be glad to provide the War Bond in the denomination you desire. And we feel sure whoever receives it will say, "Thanks a lot. Just what I wanted. I'll hold it until maturity 10 years from now."
