

# Al Cooke Wins Hillcroft Invitation Meet

## Donley Needs Thousand Cotton Pickers Says Estimate

### BRONCHOS DOWN M'LEAN TIGERS

### HIGH SCHOOL TEAM SHOWS WEALTH OF MATERIAL IN SLOW GAME

In the first football game of the season at College Park last Friday afternoon, the High School Bronchos trimmed the McLean Tigers to the tune of 25 to 6. The play was characteristic of all first games of the season with many penalties and numerous fumbles included in the afternoon's play. The Bronchos flashed semblances of real football at times, but the sustained drive in their attack was entirely lacking. The locals did however show the fans of the city that there is a world of capable football material on the Broncho squad. Throughout the game Coach Stocking and Huton used around 28 players, and everyone of the men showed plenty of fight and determination in their play.

The game was a very colorful affair with the snappy Tiger band in uniform and Tiger pep squad on one side of the field, and the Broncho band and Broncho pep squad on the other.

The Bronchos started the fireworks in the first minute of play when Hudson scampering around McLean's end ran the defense some 63 yards for a touchdown on the second play of the game. The Tigers came back fighting and due to the inability to keep up the attack with any degree of efficiency, they let the Bronchos have an even score for the remainder of the first quarter. In the second quarter a splendid pass from Captain Nichols to Behrens netted the Bronchos 30 yards and a touchdown, making the score 13 to 0 as a McLean man was off-side on the try for point. The Tigers ripped off a 35 yard pass and ran late in the half, and added another first down immediately afterwards, the drive was stopped however by the end of the half.

Practically an entire new team took the field for the Bronchos at the start of the last half. This new group of players took up the attack where he first string left off and soon had the third touchdown of the game, when Captain Nichols dashed through the Tigers for 15 yards and the score. The last touchdown for the Bronchos was made by Whitlock who reeled off a pretty run through the opposition. The Tigers never gave up and were fighting every minute.

A few minutes before the game ended the first string was again inserted into the game, and were treated rather rudely when the back that carried them 25 yards through the Bronchos for their only score of the afternoon. The goal was missed, and the game soon ended with the final score being 25 to 6.

Hudson, Davis, Whitlock, Andis, Bourland and Beard showed plenty of speed and elusiveness with Captain Nichols featuring in the back that carried them 25 yards through the Bronchos for their only score of the afternoon. The goal was missed, and the game soon ended with the final score being 25 to 6.

Those who saw service in the Friday game were: Johnson, T. Watson, Behrens, Bourland, Andis, Hudson, Hale, Beard, Martin, Langford, Franklin, Davis, Walters, O. C. Watson, Cornelius, Potter, Tidwell, Butler, Jackson, Trostle, Gorman, McMahan and Benson.

### DONLEY COUNTY REDUCED RAIL RATES ARE SUSPENDED

County Agent T. R. Brown received a communication last Friday from C. W. Warburton of Washington, D. C., stating that the reduced railroad rates on livestock and cattle feed for Donley County has been suspended for the present, pending further investigation. Last week a bulletin was issued whereby Donley County was included in those counties qualified to receive aid in this manner from the Federal government. The report however has reached the authorities that Donley doesn't need federal aid, and this reduction has been suspended until a further investigation can be had by the Governmental authorities.

Homers Mulkey and Odos Caraway made a business trip the first of the week to New Mexico via automobile.

### MEDICS FETED BY ROTARIANS

### ROTARY PRESIDENT IS HOST TO MEDICAL ASSOCIATION ENDORSE LITTLE THEATRE

At the regular luncheon period of the Clarendon Rotary Club last Friday noon, the club was host to the members of the Medical Association who were in session in this city at the time. Each was called upon for a speech and most of them responded with clever and interesting talks.

The question of the Little Theatre was brought up for discussion and the movement was endorsed by the local Rotarians, who will give their influence and support in the backing of the movement which proved to be so popular in the city last fall and winter.

The cotton situation came in for a discussion when Rotarian Joe Bailey of Memphis made a speech of some length covering pretty well the position of the growers in this and other parts of the country.

Several short talks were delivered by the members due to the program being cut short by the absence of several Rotarians who were scheduled to appear. After these the club adjourned in the usual manner.

Mrs. Seldon Bagby, Mr. and Mrs. M. P. Gentry motored to Amarillo Wednesday.

### AUBYN E. CLARK POST WINS CUP

### LOCAL LEGION ORGANIZATION RECOGNIZED AS MOST ACTIVE

Officials of the Aubyn E. Clark Post of the American Legion were surprised and a little elated when the name of the local organization was called out at the Department Convention a little more than two weeks past. Post Commander Andis was on the job at the convention and brought home a cup given by the Department for the most active organization in the eighteenth District of the State of Texas.

To win a cup in the eighteenth District is something of an honor in itself when it is considered that the territory covered by the single district is larger than some Departments such as those found in the New England section of the United States. Such Legion Posts as that one in Amarillo, Borger, Pampa, Childress and many other towns much larger than Clarendon were in competition for the coveted prize, which will become the property of the post winning it for three times in succession.

The score made in the posting of the report was such that the Clarendon Post scored 940 points out of a possible 1,000 for perfect. In only three instances were exceptions taken, this scoring twenty points off for each one of the total of sixty points.

In the scoring, it was not the plan of the local commander or the adjutant to attempt to make an impossible record. The Post organization came in for the first item on the merit report. Of a possible total of 200 points, the local organization scored 180. Club advantages score a perfect 150 points. Service and Welfare Activities come in for a loss of twenty points to score 130 out of a possible 150. Community and Civic Betterment Activities reached a perfect score of 200 points. Observation of patriotic events was another item in which the local post scored a perfect 100 points. Co-operation in Department Legion Affairs rated another raise of 150 points, while lack of a delegation to the National Convention knocked the percentage in the last frame down to 30 points out of a possible 50 for perfect.

The cup was returned to the city by the present Post Commander and is occupying a place of honor in the place of business of Service officer Clyde J. Douglas. The same place of honor will be sought at the next department Convention to be held in El Paso, and an effort will probably be put forth to make an even better record at the next convention.

### Legion Election Set For Tuesday

The annual election of officers of the Aubyn E. Clark Post of the American Legion has been set for Tuesday, September 23rd by request of the Commander, Ralph Andis. The Legion year begins with the month of October in Clarendon and it is the desire of the local officers that they have the new officers named and ready to take their places by the first meeting date in October.

Members of the Post are urged to make their plans to be in the city for Tuesday evening, Sept. 23rd, at which time these men will be named. A partial report will also be made of the trip to Austin which was taken by the Clarendon delegation and other matters will be attended that will be of interest to every member of the organization.

Holman Kennedy spent the past week end in Fort Worth returning Monday morning.

### BRONCHOS MEET CLAUDE FRIDAY

### CLAUDE REPLACES QUITAQUE FOR FRIDAY'S OPPOSITION TO BRONCHOS

The Claude High School Mustangs will invade the strolling grounds of the Clarendon Bronchos Friday afternoon at College Park in the second game of the season for the locals. The game promises to produce plenty of thrills for the local grid fans when the prancing Ponies and the Bronchos clash in this contest. The Mustang game replaces the Quitaque game which was scheduled for Friday, but due to a conflict of dates on the Quitaque schedule the Clarendon game was cancelled. Local coaches state that the Claude game will provide the Bronchos with plenty of opposition.

Should the Bronchos smooth out the flaws that was evident in last Friday's contest the Mustangs are going to find the going mighty rough. And the coaches seem to feel that this week has corrected many of the rough spots in the play of the team as a whole. So a fast powerful attack is certain to meet the Claude team in Friday's contest.

The local eleven showed a world of ability last week, and it is expected that the Bronchos will again be high in the running for District honors. Never in recent years has there been such a great amount of capable reserves as this year's Broncho machine boasts. The backfield is fast, with men adapt at weaving through a broken field, and others powerful in plunging the line. Several of the back: can pass with a fine accuracy, and the kicking department is being developed better each day. The line is especially strong, and is certain to stop the most powerful thrusts centered upon it by the other teams of the district. The team this year is a well balanced unit, and with the spirit of the players coupled with the co-operation of the fans of the city, a most successful football campaign is promised the high school team.

### TEARS LIGAMENT IN ANKLE TUESDAY MORN

Stepping backward off a porch last Tuesday morning proved to be a painful accident to Ralph Andis, the mis-step resulting in a set of torn ligaments in his ankle. The injured man will be forced to remain in bed for some time nursing the injured member until he is able to have a dressing applied and outside assistance applied. It was first feared that the member was broken, but later examination showed that this was not the case.

### COUNTY SUPERINTENDENT ELECTION DATE CHANGED

The date for the election of the County Superintendent of Schools has been changed to Saturday October 18. The change was due to the compliance with the State law which necessitates a longer time between the election date and the announcement of the election. The election was first scheduled to be held Saturday, October 4th, with the new date exactly two weeks later.

### NEED PICKERS? CALL PHONE 522

Some requests have been received by the local Chamber of Commerce with reference to the cotton picking situation in this section. These inquiries have been received from both sides; men needing pickers and pickers needing work. Secretary Boykin has tendered the services of the Chamber of Commerce office to act as a clearing house in the effort to get both these parties together.

Farmers who need workers are also asked to call 522 and list their needs as the Chamber of Commerce will have the information they want at their finger tips.

M. M. Noble, operator of large holdings North of the river, states that the need for his immediate territory is at least 200 pickers. Basing the needs of the remainder of the county on this portion, it is estimated that the county as a whole will need no less than 1,000 pickers in the next few days.

### List of Grandjurors For Oct. Announced

The following citizens of Donley county are hereby subject to serve on the grandjury for the October term of District Court. The following men will be called upon to report on the morning of October 23, 1930, as listed below:

- 1—Wilson H. Gray.
- 2—John F. Blocker.
- 3—Frank Bourland.
- 4—W. B. Ayres.
- 5—J. A. Lemmons.
- 6—R. Culwell.
- 7—W. H. Huffman.
- 8—Will Chamberlain.
- 9—J. J. Helm.
- 10—S. S. Carpenter.
- 11—L. A. Kalka.
- 12—R. L. Duckworth.
- 13—W. E. Hodges.
- 14—C. A. Crow.
- 15—Tom Tate.
- 16—J. A. Johnson.

### CITY MARSHAL CITES NEW RULES

### T. M. PYLE STRESSES SAFETY RULES NEAR CITY SCHOOLS AND IN CITY

In an interview with City Marshall T. M. Pyle Wednesday morning several new rules were cited to the News representatives concerning the local traffic situation. The City Marshall states that from this time forward trucks and other vehicles will not be permitted to park in the center of the streets as has been the custom in the past. These vehicles will be parked either at the curb or double parked. Mr. Pyle states that if the citizens of Clarendon and Donley county will co-operate with him and other officials in observing "stop" and "slow" signs throughout the city and will not break the speed limit, cut corners, and otherwise drive carelessly the city officers will be able to handle the double parking situation in the down town section.

When asked about the double parking of automobiles on Kearney street the City Marshall stated that double parking would be allowed for a reasonable length of time only when there was a driver of the automobile left at the wheel of the machine.

The school zones of the city have been marked and all who break the speed limit of 15 miles per hour within these limits will be fined. Mr. Pyle also asked that all the drivers of cars within the school zones do not try to pass other cars traveling in the same direction, as it is impossible to be sure that children will not dart from in front of the car ahead. This is a safety measure that all will do well to heed when driving by the public schools of the city.

The drive inaugurated last week for safe and sane driving within the city has met with the response of most of the citizens of the city, and City Marshall Pyle believes that if the safety and traffic rules of the city are lived up to from this time forward, Clarendon will have the best safety traffic record of any city in Texas.

### Methodist Pastors Meet at Hedley

Methodist pastors of the Clarendon District at the call of the presiding elder, Rev. W. M. Murrell, met at Hedley on September 15. Reverend Murrell announced he believed, despite the financial depression, it would be possible for the Clarendon District to do as it did last year—pay every financial claim in full. The Clarendon district under the leadership of Rev. Murrell last year was the first district in the history of the Northwest Texas Conference to pay everything in full.

A steering committee composed of the following members, S. E. Allison, T. W. Braham, E. D. Landreth, Jno. H. Crow, and B. W. Wilkins was appointed for the purpose of more satisfactory completing the plans of the district before Annual Conference this fall.

The Methodist preachers of the Clarendon district will meet in McLean October 13.

### PANHANDLE BAPTIST TISTS MEET HERE

### CLARENDON BAPTISTS ARE HOSTS IN THREE RAY SES- SIONS OF ASSOCIATION

Messengers from the Baptist Churches of Donley and Hall Counties met this week with the Baptist Church of Clarendon for the twenty-sixth annual session of the Panhandle Baptist Association. The session began with the Pastors and Laymen's Conference and the W. M. U. business meeting at 2:30 Monday afternoon, Sept. 15, and continued through Wednesday afternoon, 3:00 o'clock. The session has been characterized by a fine attendance, an earnestness of endeavor, and constructive plans for the work for the coming year.

In the reorganization for the coming year, the following officers were elected:  
Moderator of the Association—Rev. E. N. Shepherd, Clarendon.  
Clerk—Mr. Fred Landers, Estelline.  
Treasurer—Mr. W. M. Walker, Memphis.

Corresponding Secretary—Rev. Geo. C. Hutto, Hedley.  
President of the Pastors and Laymen's Association—Mr. O. C. Watson, Clarendon.  
Secretary—Mr. J. F. Farkner, Memphis.

President of the Associational W. M. U.—Mrs. B. N. Shepherd, Clarendon.  
Corresponding Secretary and Treasurer—Mrs. T. M. Couch, Clarendon.

Recording Sec'y.—Mrs. Bailey, Estelline.  
Young Peoples' Leader—Mrs. Charles Oren, Memphis.  
Some outstanding hours of the Association were the sermon Monday night by Dr. J. J. Kellam, Field Representative of Buckner's Orphans Home, and his address on the work and the needs of the orphans home, Tuesday afternoon; the address of Rev. W. D. Powell, Field Secretary of Foreign Missions, Tuesday morning; and the report and discussion of Missions Wednesday morning.

Out of the Association visitors included Dr. J. J. Kellam, Dallas, Texas, Rev. W. D. Powell, Nashville, Tenn., Rev. H. F. Aulick, Plainview, Dr. M. T. Tucker, of Claude, Mr. and Mrs. I. S. Mullins, Panhandle.

### FIRST CHRISTIAN CHURCH RECEIVES IMPROVEMENT

The appearance of the First Christian Church has been enhanced the past week through the addition of a new coat of paint from the roof to the basement. The roof of the church is now sporting a bright red coat of paint. The interior of the building is finished a cream color with the walls being painted a natural color. The improvement from the new paint has made the church look like new, and is in line with the other improvements of property being made in the city.

Miss Mildred Martin spent last week as the guest of friends in Amarillo, returning to her home on Sunday.

### PARK GATEWAY TO BE ERECTED

### PARK BOARD SECURES LA- BOR AND MATERIALS FOR ORNAMENTAL GATEWAY

Following a meeting of the City Park Board held in the mayor's office Saturday morning of last week, plans have been in the making for the erection of a rustic ornamental gateway marking the entrance to the projected city park at the head of Kearney Street.

The gateway to be supervised by the committee through J. W. Martin will be the first permanent construction of the project and according to Robt. S. McKee, chairman of the board, will be erected now to direct the public mind more to the need and utility of the park from a civic standpoint.

Round boulder stones will be used in the construction of the gateway and local members of the Business and Professional Women, Lions and Rotary Clubs have promised to have the stones on the ground before Monday of next week. Speed Bros. have donated their services in the masonry needed and will also furnish the sand. Other materials have been donated.

The city has been asked to bring the Northeast corner of the proposed park to a new level before the work begins.

### CITY STUDENTS OFF TO SCHOOL

### CLARENDON'S BOYS AND GIRLS LEAVE THIS WEEK FOR VARIOUS SCHOOLS

With the passing of this week the city of Clarendon will be emptied of much of its young life, as a large number of the young men and women will leave to enter another year in the great Universities and Colleges of this country. A number have already left the city and practically all of them will be gone by the end of the week. The list of students and the school of their choice is given in the following paragraphs.

Joe Bourland and Ennis Taylor have returned to their studies at the United States Naval Academy Annapolis, Md.; Miss Claire Marie Braswell is again entered in C. L. A. Denton; while the Misses Elgin Patrick, Lois Alexander, and Leatrice Benson have enrolled in Kidd Key College at Sherman, Texas. In the University of Texas this year Clarendon will have Miss Florence Fink, Kenneth Fink, Richard Morris and Rhodin Chase.

Gwendolyn Allison and Andrew Reavis will represent the city in S. M. U. at Dallas. Jack Bourland will again be enrolled in Texas A. & M. The Texas Tech will draw Messrs Chester Williams, C. L. Benson, Jr., Sam Cauthen, William Wilder and Glenn Allison from here. Miss Mary Frances Caraway will enter school this year in San Antonio, while Henry Jay Johnson will again enroll in the University of Oklahoma at Norman, Okla.

### LOCAL MAN IS MEETING CO-OPERATION IN WORK

Roscoe Trostle reports splendid co-operation among the doctors, ministers, city officials and others with the work of the World's Purity Federation. Many parents have already lined up with the work, besides the splendid endorsements given by Rev. D. L. Hukel, S. E. Allison, Robt. S. McKee, L. L. Swann and Bro. W. M. Murrell, Judge J. R. Porter and Dr. J. G. Sherman, D. D. S. Young Trostle still solicits the full cooperation of the entire town for better homes, higher moral standards and purer ideals for our young people.

Allen J. Beville of Amarillo was a business visitor in this city Wednesday.

Mr. and Mrs. Roy Kutch of Turkey, Mr. and Mrs. Archie Hallmark of Shamrock and Mr. and Mrs. Paul Atteberry and family of Amarillo were visitors in the home of Mr. and Mrs. S. B. Kutch here last Sunday.

### EIGHTY ENTER OPEN TOURNEY

### AL COOKE PLAYS SENSATIONAL GOLF TO WIN SECOND ANNUAL TOURNEY

Eighty golfers representing the majority of the Panhandle's golf clubs assembled on the Hillcroft course Sunday morning and teed off for their qualification rounds in the Second Annual Hillcroft Amateur Invitation Golf Tournament. The large number of visiting players made it necessary for the tournament committee to arrange for a fifth flight to take care of everyone. The low sixteen men being placed in the Championship flight. After battling through a hard field of golfers, Al Cooke was crowned winner of the second annual tourney when he defeated M. P. Gentry, 3 and 2.

Cooke played marvelous golf in both Monday matches to place him in the semi-finals, when he turned in a days score of 2 strokes under par for the four rounds. He again met Merchant, who defeated him two weeks ago in the city tournament, and after a long hard match Merchant succumbed to the great game Cooke was playing and was defeated 2 up and 1 to play.

Elliott Hatch of Amarillo took off the Medalist trophy Sunday when he negotiated the sand and wind swept course in 74 strokes. Cooke came in with a 76, and Frank Foxhall of Memphis had 81.

Memphis won the team cup by defeating the Shamrock and Hedley teams. The teams was composed of Foxhall, Bradley, Green and Hampton.

Hedley captured the attendance trophy nosing out the Shamrock delegation by one man. The Sunday play was against the forces of a sand storm which made it well nigh impossible to play the holes into the strong wind. The day was closed in a glorious way however, when all the golfers were feasted with a delicious chicken barbecue at the grounds of the Country Club. A bountiful supply of all the items filled the players and put them back into good spirits. Thanks and appreciation are due Frank Whitlock, T. D. Nored, Homer Mulkey and others for the splendid barbecue, and also the ladies of the town who contributed cakes and pies for the occasion.

The entry list included such notables as Senator Clint C. Small candidate for governor, from Wellington, Elliott Hatch, from Amarillo, Frank Foxhall from Memphis, O. T. Nicholson from Shamrock, N. B. Bartlett from Amarillo, Charles Staggs from Shamrock, Eddie Lewis from Borger, and others.

Boney Bonebrake, the likeable pro from Borger and Amarillo kept the tournament running days. He was ably assisted by Robert Weatherly.

Ground keeper Nollie Simmons and his efficient crew of workers kept the course in first class shape all through the tournament. Never have the greens on the local course been so uniform in performance as in the tourney just completed.

The play by flights is as follows:  
Championship Flight:  
First Round—  
Elliott Hatch—Frank Foxhall did not appear.  
M. P. Gentry won from Sam Braswell, Jr., 2 and 1.  
H. B. Kerbow won from Holman Kennedy, 3 and 2.  
Eddie Lewis won from C. L. Clements, (Default).  
P. B. Gentry won from Bill Cooke, (2 and 1).  
A. N. Wood won from Chink Tucker, (2 and 1).  
Ira Merchant won from Walter Wilson, (4 and 3).  
Al Cooke won from J. W. Cooke, (5 and 4).

Second Round—  
M. P. Gentry advanced through default.  
Eddie Lewis won from H. B. Kerbow (4 and 2).  
P. B. Gentry won from A. N. Wood (5 and 4).  
Al Cooke won from Ira Merchant, (2 and 1).

Championship Flight Consolation:  
First Round—  
Sam Braswell, Jr., advanced through default.  
Holman Kennedy won from E. L. Clements, (Default).  
Bill Cooke won from Chink Tucker, (3 and 2).

Go to the Tri-State Fair next week. Wednesday, Sept. 24th is Clarendon and Donley County Day.

Clarendon Hi's Broncho football team is off to a fair season according to the showing made last week against the fast McLean Tigers. The Bronchos should win the district title this year and deserve your support, whether or no.

Leaving out the moral elements involved, The News believes that any community is better off drouthy years like this without the showing of any circus, carnival, tent show, or traveling amusement whatever. They take away lots of dollars needed to buy groceries, pay rents, and carry on the business of the country. The News hopes Clarendon will have no more such visitors.

Clarendon's Annual Golf Tournament just closed drew a score of visiting contestants more than did the one a year ago. The event is rapidly becoming one of the most popular tournaments in the Panhandle country, and is well worth the support of local business men and golfing circles. Clarendon's Annual Golf Tournament is adding much to the prestige of Clarendon in this section.

The sorriest spectacle in modern life is the public servant who has never envisioned the higher and unselfish aspects of his job—that of rendering real public service with no thought of taking of personalities, or of private revenge, nor with respect to personal popularity. Public service is becoming a great field of honest, unselfish noble endeavor. Praise to the men who labor to that end.

It is said that certain able bodied unemployed in Clarendon have refused cotton picking jobs offered them, after the Goodfellows have been contributing to the feeding of them and their families. The News feels that it ought to be definitely understood that those who refuse to help themselves will not be helped in Clarendon. And it ought to be understood before the winter sets in, too.

A replica of the Panhandle-Plains composite agricultural exhibit now being shown at the fairs and expositions of the middle-west, will be on display at the Tri-State Fair at Amarillo from the 22nd to the 27th of this month. Wonderful attention is being directed to the Panhandle-Plains through these exhibits in this a drouthy year, and it will pay everybody to drop by the booth at the Tri-State Fair and see just how our section of Texas is being advertised. The organization is being able to bring hundreds of immigrant families to the Panhandle and is worthy of the support of every county in this area.

Arousement of public sentiment on the matter of reckless driving and other forms of traffic violation is already bearing fruit in Clarendon. As declared in last week's News, it isn't a time to pass the blame on to any one's shoulders, when the blame rests upon us all. It is a matter of public responsibility, and the results of the aroused consciousness on the subject will be measured according to the public's response to better observance of our traffic rules. Give the mayor, the city marshal and the city commission your whole-hearted support and the laws your rigid personal observance. For life and limb, our traffic must be made safe.

General Pershing recently celebrated his seventieth birthday, which he spent at his desk attending to his duties and receiving visitors who called to extend their compliments on the anniversary. General Pershing expressed himself as happy that he had not digressed from his calling of a professional soldier, to dabble in politics, and the country applauds his judgement. Isn't it strange? We are ready to give added praise to the business executive, the successful professional man, the soldier, the educator, as against the politician, yet the citizenship is usually set heels by head by the wiles of politicians whom they profess to despise. When will we learn the lesson?

What a county is Donley! Here in one of the driest years it has ever known it still produces farm products capable of making up a county exhibit at the Tri-State Fair in Amarillo, which is declared to be as good as any ever sent out in the past six or eight years. County Agent Brown and Chamber of Commerce Secretary Boykin are both jubilant over the prospects of a most creditable exhibit on the basis of the county agent's survey of the farms of the county, and there is every hope of "selling" Donley County to the thousands that inspect the farm exhibits at the big fair, as well as prove to ourselves that in the face of strong adversity Donley County has a "comback" as few other counties have. When our citizens go to the Tri-State Fair it will be worth their while to go visit the Donley County exhibit. They will come away feeling more pride in our county and more confidence in the outlook for another year.

## Political Prognosticating

To the News: I note in your last issue that you do a lot of political prognosticating, discussing the possibility of the candidacy of Senator Woodward and Senator Parish to succeed Governor Sterling after four years.

While I am not a political prophet, nor even a prognosticator of any merit, yet I am decidedly of the opinion, that any guessing which does not include Jimmie V. Alfred, the new attorney general is short of the most conspicuous figure in Texas politics now. His recent race winning the overwhelming nomination, mark him as one of the outstanding personalities of Texas politics. Sincerely,

A. M. BEVILLE, Sr.

## McELVANEY RETURNS TO CITY FEELING BETTER

Homer McElvaney, owner of the local Federal agency of the same name, returned to his home here the latter part of last week after a meeting in Dallas of some two hundred representatives for tire stores over the state of Texas and New Mexico. Prior to this trip, Mr. McElvaney stated that he considered his business here to be the only one that was suffering from the present depression, and that his troubles were by far the biggest and most important of any dealer in the state. At the convention he learned that other dealers had formerly held that same idea, but that he learned that all the dealers were in the same boat with him and that all of them were having more or less hard sledding. The meeting was composed of the Federal dealers in the two states mentioned and was held for the purpose of giving them the low-down on the situation as planned for the coming year of 1931. He states that the company has reorganized, that the factory is turning out tires in twenty-four hour shifts to meet the demands placed on them and that he is soon to be in a position to deliver just whatever is wanted in the line he is handling. Some brands of tires are to be discontinued and no new lines are to be added. A general increase in the quality of the line is promised and a general rosy outlook is in sight for the year ahead.

## JEROME STOCKING ELECTED MEMBER HISTORICAL SOC.

Canyon, Texas, Sept. 11, 1930. Jerome D. Stocking of Clarendon, Texas, has recently become an annual member of the Panhandle-Plains Historical Society here. Mr. Stocking is the son of the first doctor who practiced in the Clarendon district. Mr. Stocking is well informed upon genealogy and the history of the Panhandle region.

## ALLAN CARNEY WRITES POSTCARD FROM BELGIUM

The News is in receipt of a postcard from Allen Carney, former student of Clarendon College, who writes while in Antwerp, Belgium. Carney and a chum are touring the world a-la-vagabond style, and are in Europe on the first leg of their adventure. The two young men started their trip from Lubbock where each are employed by the Lubbock Avalanche.

Carney writes that he often thinks of old C. C. and his friends in the city with most pleasant memories, and sends his regards to all his acquaintances. He plans to be in Belgium one week before going on to Germany.

## \$25,000,000 FIRM ENTERS CLARENDON

### ASSOCIATION OF FURNITURE DEALERS FORMED FOR QUANTITY BUYING

Realizing early in this year that there was to be a depression in the prices of all commodities set by the easily seen cheap price of wheat and corn, an organization was formed of seventeen of the largest wholesale furniture dealers in America to meet this crisis. These furniture dealers gathered information as to the demands that might be placed upon them and have purchased outright, the entire furniture production of a large number of factories who had been content heretofore to sell their product on the open market at many points. By purchasing this furniture in quantities, this association had been enabled to cut the prices of the furniture bought, in many instances to almost one-half the original price. Not content with this saving that might have been used to their own advantage by reselling at the original figures, these dealers are coming to the rescue of a drought stricken section with furniture prices hitherto unheard of in this section of the state.

In Clarendon, the association chose the firm of H. C. Kerbow & Sons as their sole distributor in this county and have already shipped in large quantities of new and modern furniture to be sold at sacrifice prices in line with the prices received by the producers for their commodities sold.

This week's issue of the News carries the initial announcement of the sale they are holding with these lines of furniture being featured. The average reader of the News will say at once that these are seconds from some line that was overstocked. This statement will be found untrue if the furniture is given a thorough examination. None of the furniture shown is other than first-class merchandise, built in the standard factories of the nation and merely passed on to the consumer with the stamp of quality plainly seen in every article sold.

In the selection of the H. C. Kerbow & Sons store as their distributors in Clarendon, a district tribute is paid this firm which has stood for quality furniture in Clarendon and Donley County for the past twenty-five years. The advertisement shows only a few of the many pieces they have for your section. You must see them to really appreciate the values being offered.

## POTTS & MCGOWAN MOVE SHOP TO NEW LOCATION

A move for the first time in twenty-five years is the record just closed by the removal of the Potts & McGowan Barber shop from its old home in the one hundred block on Kearney Street to a new location in the center of the two hundred block on the same street. Founded by Lloyd Blackwell of Amarillo, this shop was moved into its old location on the completion of the then new building. Bob McGowan went into the place at the time and has worked in the same shop with no change since its opening in the city. October of this year

would have seen exactly a quarter of a century in the same location.

An interesting item in connection with the removal is found in the fact that Mr. McGowan shaved the first man to have service in the new shop and that he shaved the last man just before closing time on last Saturday night. Dr. Standifer, one of the physicians in Clarendon at that time was the first man to be shaved and Ed Durcan, manager of the "M" System Grocery of this city was the last man out of the shop before the start was made Saturday night to move it to its new location.

Mr. McGowan has been a part owner of the place of business for fifteen years and Mr. Potts has been a partner in the business since July 1916. Mr. Potts has been in Clarendon for twenty-six years and has been in the barbering business all of that time.

The place into which this business has moved is the south half of the Pope Building, between the Bon Ton Confectionery and the Little Mercantile Company. The walls and ceiling of the building have but recently been refinished in a pleasing tone of cream, which with the white and black of the barber chairs and other decorations makes the whole interior one very pleasing to the eye. The shop was ready for operation Wednesday although some minor changes

## HIGH QUALITY BEEF

That's the sort you will secure when you order your meat from us. Full pen fed baby beef that is handled as you would like it. It's the best you've ever tasted. Fresh batch of Brick Chili this week. You'll like this too.

will need to be made to make the operation of the shop as complete as could be expected.

## COTTON REPORT LEAVES TEXAS WITH BIG GAIN

The report for cotton ginned issued by the United States government as of September first shows Texas to have a gain of something near 300,000 bales for the season. Panhandle counties are not included in the report as few had any cotton ginned prior to the first of September. The exact figures for the state as reported are: 1930, 1,119,373; 1929, 810,653.

The next report will show Panhandle and other counties who are late with their crops.

## UNCLAIMED LETTERS

Letters remaining in this office unclaimed for the week ending Sept. 13, 1930:

- Campbell, Lettie (2).
- Durham, Mrs. N. P.
- Dey, J. M.
- Davis, Mrs. Nell
- Ely, J. W.
- Howard, Clinton.
- Jones, W. W.
- Jones, Mrs. Osie.
- Liman, Mrs. Myrtle.
- Martain, Mrs. Helen.
- Martin, W. T.
- Masser, T. N.
- Storles, Leota.
- Sturtivant, Louis.
- Williams, Clarence.
- Wilder, Annie E.

Charles H. Bugbee, P. M. Clarendon, Tex.

## Mid-Month Meals

Especially those of September, are the hardest of the year to prepare. Just between the end of the vegetable season and before the start of heavier meals, nothing quite satisfies the taste.

You'll find our store a splendid place to help you solve this problem, for we have a splendid variety of everything you need to help in the preparation of any meal.

Mr. and Mrs. Bob Williams were guests of Mr. and Mrs. Atkins Mace Sunday. Mrs. Luby Knowles is visiting her parents, Mr. and Mrs. Bandy in Wellington this week. Use only thoroughly dry lumber for farm buildings. Unseasoned lumber causes many defects in buildings, such as cracks in floors, plastering, or walls; rattling windows, weakened structures caused by reduced nail-holding power; blistered paint; increased liability to decay; and warped, checked, and cupped boards. In seasoning, a 12-inch board of fir or pine may shrink as much as half an inch in width, says the Forest Service, U. S. Department of Agriculture. No matter how carefully lumber may have been seasoned, it must be kept dry until used or it will reabsorb moisture. Wood intended for barns, hog houses, sheds, and similar structures need not be so dry as that used for the interior of houses, says the Forest Service. Once satisfactorily dried, lumber for farm buildings will keep in good condition if bulk-piled in a dry unheated shed. If you want to buy something. Advertise for it in the News Want Ad Column.

Everybody is invited to attend these meetings. There will be a good program put on by the pupils and faculty.

Mr. and Mrs. Will Kennedy, Mr. and Mrs. Lamar Aten, son and daughter; Misses Lucille and Loree Ham were dinner guests in the E. L. Kennedy home Sunday.

Mr. and Mrs. Earl Myers and family, Mr. and Mrs. C. L. Lewis and family visited Mr. and Mrs. L. E. McKenney in Estelle Sunday.

Master James Warren of Amarillo spent the week end in the home of his grandparents, Mr. and Mrs. J. R. Mace.

Rev. Knov held a revival meeting at Hudgins last week.

**Sore Gums—Pyrroha**

Foul breath, loose teeth or sore gums are disgusting to behold, all will agree. Loto's Pyrroha Remedy is highly recommended, by leading dentists and never disappoints. Druggists return money if it fails. Clarendon Drug Store.

Mr. and Mrs. Everett Clark of Groom and Miss Lottie Lane of the J. A. Ranch were guests in the home of Mr. and Mrs. W. V. Thomasson Saturday.

Mr. and Mrs. Bob Williams were guests of Mr. and Mrs. Atkins Mace Sunday.

Mrs. Luby Knowles is visiting her parents, Mr. and Mrs. Bandy in Wellington this week.

Use only thoroughly dry lumber for farm buildings. Unseasoned lumber causes many defects in buildings, such as cracks in floors, plastering, or walls; rattling windows, weakened structures caused by reduced nail-holding power; blistered paint; increased liability to decay; and warped, checked, and cupped boards. In seasoning, a 12-inch board of fir or pine may shrink as much as half an inch in width, says the Forest Service, U. S. Department of Agriculture. No matter how carefully lumber may have been seasoned, it must be kept dry until used or it will reabsorb moisture. Wood intended for barns, hog houses, sheds, and similar structures need not be so dry as that used for the interior of houses, says the Forest Service. Once satisfactorily dried, lumber for farm buildings will keep in good condition if bulk-piled in a dry unheated shed.

the Best gasoline from two billion gallons of crude

STARTING ACCELERATION

NOT JUST any kind of crude oil produces the best gasoline. CONOCO selects the best gasoline crude from the more than two billion gallons of crude oil it produces annually from its own oil fields, in making CONOCO Triple Tested Gasoline.

The best gasoline crude—the most modern refining processes—the most rigid laboratory and road tests—all contribute to the excellence of CONOCO Gasoline. It's triple tested—for starting, acceleration and power—and it delivers these modern gasoline essentials to an unusual degree.

Quick starting—rapid acceleration—sustained, economical power—you get all three from—

ITEMS OF INTEREST IN DONLEY

BRAY

W. H. Clay has been real sick the past week. He is improving nicely at present. Mr. and Mrs. W. T. Youre and son were callers in the J. G. Hill home Sunday afternoon. Cotton picking is the order of the day here now. We could use a few more pickers with families. Mr. and Mrs. C. N. Hill spent the week end with Mrs. Hill's parents, Mr. and Mrs. D. B. Lench near Hedley. Mr. and Mrs. Martin Banister and Mr. Mark Saunders spent Thursday afternoon in Memphis. Miss Ethel Bell spent Saturday night with Miss Silva Dishman. Martin Banister and W. O. Hill were transacting business in Memphis Saturday afternoon. The two small children of Mr. and Mrs. W. H. Clay were real sick the first of the week. Mr. and Mrs. J. C. Hill and Mrs. J. T. Bain were visiting relatives and shopping in Clarendon Saturday afternoon. The cool spell of the first of the week was much appreciated after the long hot summer we have just passed through. Martin Banister's brother, Mr. Sanders of Hedley, has been seriously ill at the Boze Hospital at Memphis. He underwent an operation for appendicitis last week. We are glad to report him improving at present. Mr. and Mrs. W. O. Hill were visiting in the home of Mr. and Mrs. J. C. Hill Sunday. R. M. Webb and daughter were shopping in Hedley Saturday afternoon.

SUNNY VIEW

Most all the farmers of this section are picking cotton. Cotton is opening real fast. All would appreciate more help. Mrs. Roy Brounce of Los Angeles, Calif., arrived here last Tuesday for a visit with her mother, Mrs. Patten and sister, Miss Wilma and brother, Phil, also her sister, Mrs. Heckle Stark. Mrs. C. E. Griggs of Clarendon called on Mrs. S. T. Clayton Tuesday afternoon. Mrs. Melvin Cook of Clarendon called on Mrs. S. T. Clayton Thursday afternoon. Mr. and Mrs. Otis Naylor and baby of Clarendon were dinner guests in the S. T. Clayton home Saturday. Mrs. Sam Roberts called on Mrs. Claude Morton of Lelia Lake Thursday afternoon. Mr. and Mrs. Roy Cornelius and children of Amarillo and Mr. and Mrs. Roy Clayton and daughter, Geraldine of Clarendon were visitors in the S. T. Clayton home Sunday afternoon. Misses Kathleen, Orene and Ina Riley entertained the young folks with a social Saturday night. All report a delightful time. Miss Eula Haley, Mrs. Paul Smith and children and their uncle, W. S. Brinson of Palestine spent Tuesday visiting with Mr. and Mrs. Ernest Davis. Mr. and Mrs. Nelson Riley and children attended the singing in the home of Mr. and Mrs. Potter Sunday night. Miss Eula Haley, Will Haley and Dudley Wilson and S. W. Brinson were in Hedley Thursday visiting with Mr. and Mrs. Will Bronson. Mrs. C. L. Knight, Mrs. W. A. Bailey, Mrs. Paul Smith and Miss Eula Haley called on Mr. and Mrs. Brinlee of Clarendon Sunday afternoon.

BRICE

Brice received a very good rain Monday night, in fact it is the best rain we have had since the first of June, but still it is not enough to make the late feed. Most all the farmers have planted wheat for a winter pasture, the rain will be a great benefit to it. Several people from here have bought feed this week from Silverton and other places on the Plains. Practically all the cotton of this section is opened and everybody is busy pulling bolls. This is one year that the Brices will not have to run all night long in order to get all the cotton ginned. Mr. A. S. Carter and family left for Oklahoma last week. Mr. Hope Lemon and Morgan Salmon made a business trip to Silverton Thursday. Mr. and Mrs. Marion Braddock attended the funeral of their niece Tuesday afternoon who had lived at Leslie and was buried at Lakeview. Star Johnson, Hope Lemons, N. L. Murff and Back Salmon made a business trip to Clarendon Tuesday. Mrs. Otis Newton left last week for near Claude where she is teaching school this year. Mr. White from Fort Worth is here visiting his son and daughter Mr. Frank White and Mrs. Jack Braddock. Mrs. Matt Wood of Clarendon was a visitor in the Flat Tuesday. Mrs. Mattie Lewis who has been visiting her daughter, Mrs. John Rhodes of Goldston returned home last Sunday. Mrs. Higgins was called back to the bedside of her father at LeFors last week, who passed away Monday night about eleven o'clock. He was buried in Clarendon Cemetery. The people of Brice community extend our sincere sympathy to Mrs. Higgins and the other relatives. Jeff Addudell and Edd Wheeler made a business trip to Littlefield Wednesday. Mrs. Ben Hill of Clarendon was a caller in the Flat Thursday. The school trustees met Wednesday to discuss school matters. They decided to put the school off till the first of November. Mr. and Mrs. Alvin Pullman of Martin, and Mr. and Mrs. Lee Wood of Amarillo visited in the home of D. T. Smallwood Thursday. Mr. Made Hatley spent Wednesday night in the home of John Rhodes of Goldston.

NAYLOR

Since the rain our farmers have been busy planting wheat and rye for winter pasture. R. E. Beach was called to Bow-ling to attend the funeral of his aunt. His mother, Mrs. J. S. Beach went with him.

for ANY BABY

WE can never be sure just what makes an infant restless, but the remedy can always be the same. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as Baby has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy, and give it promptly. Relief will follow very promptly; if it doesn't, you should call a physician.

EGG MASH

We are now making Egg Mash that is better than most brands now on the market. In addition to this, the price is such that you can afford to buy it at the prevailing price being paid for eggs. Home grown products used exclusively.

nesday night in the home of John Rhodes of Goldston. Mr. Jack Perkins and Mrs. Sybil Addudell called in Clarendon Friday. Mr. Audley Rhodes visited relatives at Goldston Sunday. Mr. Taylor and Mr. Patrick of Clarendon were business callers in Brice Saturday. Mr. Henry Youngblood and grandpa Dixon of Clarendon visited in the Flat Thursday. Mr. Wilson Payne who has been visiting his sister in Roswell, New Mex., returned home Saturday. Miss Odom of Memphis visited friends in Brice Friday. Mr. Payne made a business trip to Littlefield one day last week while there he rented a place and we are sorry that he will not be in our midst another year. Mrs. Jeff Addudell had her sister, Mrs. Hudson visit here Thursday from Clarendon. Miss Oneta Isham is on the sick list this week. Mrs. Higgins is also on the sick list this week end. She was taken to Memphis to consult a doctor Sunday. Sunday school was held at the usual hour Sunday at both Methodist and Baptist churches. Rev. Williamson of Lakeview filled his regular appointment at the Methodist church Sunday and Sunday night. Mr. Thomas and the Pirates returned from their pleasure trip from the eastern part of the state Sunday. They reported a wonderful time. Mamie Smallwood entered school at Clarendon Monday. Mr. Waldrop was a business caller in Claude Saturday. Brice was struck with a bad sandstorm Sunday afternoon which was somewhat damaging to the opened cotton. Dry weather and sandstorms are never beneficial to many things, especially cotton.

Mr. and Mrs. Wilbur Kendall of Amarillo spent the week end with Wilbur's aunt, Mrs. Fanny Naylor. Mr. and Mrs. A. E. Tidrow and family spent the week end at Memphis as guests of Mr. and Mrs. Frank Proctor. Mrs. W. H. Buchanan was called to Wichita Falls to the bedside of her father, Mr. Wallace. He died before she reached him. Monday afternoon. Mrs. Beach went with her. Mrs. A. E. Tidrow spent Wednesday visiting friends at Windy Valley. Mrs. Elizabeth Beach and son spent Sunday with Mr. and Mrs. Walling at Lelia Lake. Mr. and Mrs. Roy Buchanan also Marcus and Sue Buchanan and their sister, Miss Elon, left Monday for New Mexico. They will be there for several weeks. The Windy Valley school has dismissed for cotton picking and for that reason Miss Rachel Tidrow one of their teachers will be home for awhile. Mr. and Mrs. Rich Bowlin were visitors at Lelia Lake Tuesday. Carl Berry came in Sunday from Ennis to visit with Mr. and Mrs. Fred Moore and family. Mrs. Berry has been here for some time with her parents, Mr. and Mrs. Moore. Mr. and Mrs. Berry will return home in a few days.

CHURCH CHAT

"LOVE" Three short words may be said to sum up the sublimest truths of divine revelation. "God is love." Our religion commences in God's infinite love to fallen man, for "we love, because he first loved us" (1 John 4:19) and it is complete in our love to Him and our neighbors, for "on these two commandments hangeth the whole law, and the prophets." "Thou shalt love the Lord thy God with all thy heart," and "thy neighbor as thyself" Matt. 22:37-40 It must never be forgotten that our love to others is a necessary mark or sign of our love to God. "If a man say I love God, and hate his brother whom he hath seen, cannot love God whom he hath not seen" 1 John 4:20. By making the principle of love supreme in the soul, man reaches the full standard of his being and manifests, by disposition, deed and word, precisely the same quality of love as God does.

though, at best, infinitely less in degree. Love is essential. It cannot be dispensed with. Other qualities are helpful, but this is the supreme need, minus which all other qualities sink into nothingness, for "If I speak with the tongues of men and angels, but have not love, I am become as sounding brass, or a clanging cymbal (1 Cor. 13:1.) Love is a mighty power for service, "The love of Christ constraineth us" (II Cor. 5:14). It seeks to impart itself to others. A man may have money and keep it. He cannot have love and not give it away. Love is patient, kind unenvying, humble, unselfish, (See I Cor. 13:4.) Love "covereth a multitude of sins (I Pet. 4:8). It draws a curtain over the failings of others. Excuses their remissness. "Taketn on account of evil" (I Cor. 13:5). See the good in them and never rejoice in unrighteousness. This grace must be cultivated. Jesus spoke to His apostles not so much of the evidences of miracles, as of love. "By this shall all men know that ye are my disciples, if ye love one another" (John 13:35). There are no better incentives to the cultivation of love than (1) the contemplation of God's love and (2) the performance of acts of love. Greater victories await those who love aright than they ever dreamed of.

To help you to greater victories to help you love God and your fellow man more, we are preaching two sermons on "Love," Sunday. In the morning we will talk about our love to and for Christ, our subject will be, "The Supreme Motive." Sunday night we

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get \$4 for 24c today at the nearest Rexall Drug Store. DOUGLAS & GOLDSTON DRUG CO.

will talk of Christ's love for you, and our subject will be, "Demonstration of Christ's Love." We hope you will arrange to be present with us at both services. W. E. FERRELL, Minister, First Christian Church, Clarendon, Texas.

Grape juice can be used for a fruit gelatin, either pure or diluted to taste. To make a quart of gelatin, soak one envelope of gelatin in half a cup of cold juice for a few minutes. Put one cupful of juice on the fire with half of a cup of sugar and when boiling dissolve the softened gelatin in it. Add the rest of the quart of grape juice, one table-spoon of lemon juice, and strain into a mold. Serve with plain or whipped cream when set.

At Saratoga, N. Y., Elijah Johnson, negro racehorse handler, was caught in the ancient trick of stuffing spanges into the nostrils of a favorite horse to restrict his breathing. The abused horse finished third, and Elijah got 90 days in jail, a sentence entirely too light.

Why Stock Insurance?

In stock fire insurance there are no assessments, no future taxation or shifting of the insurance companies' burden of liabilities to your shoulders. Stock fire insurance companies are financially strong. They have one fair, fixed price for dependable, liberal service, and they select experienced agents to help you provide for your exact requirements. The best is always cheapest in the end. J. T. Summer COLDS Quick Relief from any Cold, Sore Throat, Headache or Other Pain

DON'T treat a "slight cold" lightly! The discomfort of a summer cold can easily develop into dangerous illness if neglected. A tablet or two of Bayer Aspirin will check a cold as quickly as it came. And you will get immediate relief from the headache that goes with it. If there's a sore throat, too, crush 2 tablets in 4 tablespoons of water, and gargle. Those who have learned the true value of Bayer Aspirin are never without it in any season of the year. It's always ready to relieve headaches, neuritis, neuralgia, and a long list of aches and pains. Genuine Bayer Aspirin does not depress the heart.

BAYER ASPIRIN

ONLY A DOCTOR KNOWS WHAT A LAXATIVE SHOULD BE

Danger lies in careless selection of laxatives! By taking the first thing that comes to mind when bad breath, headaches, dizziness, nausea, biliousness, gas on stomach and bowels, lack of appetite or energy warns of constipation, you risk forming the laxative habit. Depend on a doctor's judgment in choosing your laxative. Here's one made from the prescription of a specialist in bowel and stomach disorders. Its originator tried it in thousands of cases; found it safe for women, children and old folks; thoroughly effective for the most robust man. Today, Dr. Caldwell's Syrup Pepsin, as it is called, is the world's most popular laxative. It is composed of fresh herbs and other pure ingredients. You can get it in generous bottles and ready for use, at any drugstore.

Reduce the Acid

STICK stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated. Too much acid makes the stomach and intestines sour. Alkali kills acid instantly. The best form is Phillips Milk of Magnesia, because one harmless dose neutralizes many times its volume in acid. For 50 years the standard with physicians everywhere. Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go prove this for your own sake. It may save a great many disagreeable hours. Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians in correcting excess acids.

Advertisement for West Texas Utilities Company. Features a meter illustration with rates: Initial rate 12c, 2nd rate 7c, Low rate 4c-3c. Text: "—And There's Only One Meter for the New Home Comfort Rate". "Another big advantage of the new Home Comfort rate is that you have only one meter in your home. Regardless of the number of electric appliances you operate, there is only one meter to be read—and all electric service is figured on the same basis; that is, the lighting rate has been lowered to where it is now possible to use electric refrigerating service or heating and cooking service through the one meter. This is important from the standpoint of economy, for it means that everything electrical in your home benefits by the low Additional Service rate." "For instance, in the average five room house, in a month ordinary lights and small appliances should utilize most of the service billed on the initial and second rates. Then your meter will record all additional use on the low 4c rate—3c where service is also used for heating or cooking." "There will be no bother of two meter readings or two bills. Everything will be compact, definite and easily understandable." "I'm thinking of new advantages so rapidly that I can hardly wait from week to week for the opportunity of explaining them to you. I'll be with you again next week, and I'm sure I'll have some interesting facts."

## Sims-Baird

The beautiful home of Mrs. J. B. Baird was the scene of one of the season's most attractive weddings, Wednesday morning, September 17th, when her daughter, Miss Beulah and Mr. John Sims were united in marriage by Rev. S. E. Allison, pastor of the Methodist church, South, in the presence of members of the immediate families.

It was a pink, white and orchid wedding and the beautiful interior was attractively decorated with greenery and seasonal flowers.

Promptly at nine o'clock the ceremony hour, to the strains of Mendelssohn's Wedding March, played by Mrs. Clinton Henry, the bride and groom entered together and plighted their vows as read by Rev. Allison, who used the impressive ring ceremony as Mrs. Henry played softly Romance in A. Little Miss Alleen Beville of Amarillo, niece of the bride, daintily clad in pink Crepe-de-Chine stood near to assist during the ring ceremony.

Miss Baird, always attractive, was radiantly beautiful in her bridal gown of rich black velvet trimmed with a deep collar of white Persian with accessories to match. She carried an arm bouquet of pink and white bride's roses.

Following the ceremony an informal reception was held in the beautifully decorated dining room, the center feature of which was the bride's table centered with a huge bowl of arters in pink, white and orchid, with tall pink tapers on either side. The wedding cake was an added attraction.

The bride cut the cake which was served to the guests with coffee. Mrs. Allen Beville of Amarillo, sister of the bride, presiding over the refreshment table.

For her going away gown Mrs. Sims wore an ensemble costume of black and ecru.

Duly showered with felicitations the happy couple left for points in New Mexico and Colorado.

Mrs. Sims is a graduate of Clarendon College in both literary and piano, receiving her diploma from Mr. R. Deane Shene. She spent one year in Tuscaloosa, Ala., as a student of the University of Alabama, the next year receiving her degree from the University of Southern California. She is well known in the Panhandle and counts her friends by her acquaintances.

Mr. John Sims, son of Mr. and Mrs. J. T. Sims, is a native of Clarendon and graduated from Clarendon High School in 1917.

The following fall he entered A. & M. College, later returning to enter the employ of the Donley County State Bank. While employed here he answered the call of our country and entered service, receiving training at Washington, Lee University at Lexington, Va. He is a successful business man of our city at present being owner of the Sims Motor Company.

Mr. and Mrs. Sims will make their home in Clarendon where their many friends join in wishing them sincere congratulations.

## Miss Braswell Named Honoree

On the eve of her return to college Miss Claire Marie Braswell was named honoree of a most clever and original surprise party on Thursday evening by Mrs. Sam M. Braswell.

At 7:30 the following happened in at the home of Mrs. Braswell, Mrs. Paul Smithy, Mrs. Ed Teer, Miss Lois Bairfield, Miss Fray Stallings, Mrs. Meade Haile, Miss Gwendolyn Allison, Miss Frances McMurtry and Mrs. Loyd Stallings and suggested that the party progress to the home of Mrs. G. L. Boykin so that they might help Claire Marie get ready for school.

On arriving at the home of Mrs. Boykin the members of the party made clothing suitable for all needs of a college student and took them to the home of Miss Fray Stallings where they were neatly packed for the journey to Denton, but how was she to get to Denton now that there are so many modes of travel? This was discussed at length at the home of Sam Braswell, Jr., where a replica of each conveyance was drawn from a grab box and its merits as to the proper mode of travel given.

Since all things were packed and the mode of travel decided upon, the party motored back to the home of Mrs. Sam M. Braswell and enjoyed a dainty ice-course featuring still further a desirable mode of travel, the airplane.

## B. and P. Women Entertain Teachers

With just enough tang in the air to hint of fall, though the wealth of garden flowers filled the rooms with rich fragrance of summer, and ideal weather to lend its charm conspired to make the entertainment given Friday evening in the club room by the members of the Business and Professional women's club honoring the lady teachers of the city, one of the most enjoyable of the early autumn social events.

The club room was fittingly arranged with floral decorations setting the color scheme of the

## Miss Jovetta Wilson Is Hostess

On Friday evening Miss Jovetta Wilson was hostess to members of the Broncho football team, the pep squad girls and the boys composing the team from McLean, whom the Broncho's defeated earlier in the day.

This was a lively party enjoyed primarily on the beautiful lawn with music and games of varied nature comprising the principal diversion for the forty-five persons present.

## Juniors Enjoy Outing

The late afternoon's are so delightful at this time of year that many are taking advantage of them for outings and outdoor entertainments.

One of much importance to the children of the Junior age was given by the teachers of the Junior department of the Methodist church, Tuesday afternoon on the outskirts of the city.

The children met at the church and walked to the property adjoining the new Speed home where games of much action were enjoyed untiliced melons were cut and served by Miss Fannie Perry and Mr. Armstrong, who had charge of the children for the afternoon.

## A Delightful Affair

The most delightful and enjoyable affair of the week was that given by Mr. and Mrs. Seidon Bagby and Mr. and Mrs. Phillip Gentry on Tuesday evening at the Country Club for members of their evening bridge club.

A few members of the party braved the chilled waters of the lake and had an exhilarating swim before a sumptuous dinner was served out-of-doors.

After the remains of the meal had been cleared away the party congregated in the club house for games of bridge which continued until late with Mr. and Mrs. M. P. Gentry being high for club members, Mr. and Mrs. Clyde Price high for invited guests, and Mr. and Mrs. Holman Kennedy received consolation.

To participate in this were Mr. and Mrs. Forest Taylor, Mr. and Mrs. Holman Kennedy, Mr. and Mrs. Meredith Gentry, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Charles Trent, Mr. and Mrs. Park L. Chamberlain, Mr. and Mrs. Charlie Bell, Mr. and Mrs. Richard Bell, Mr. and Mrs. Forest Sawyer, Dr. and Mrs. C. G. Stricklin, Mr. and Mrs. C. E. Miller, Mr. and Mrs. C. W. Bennett, Jr., and Mr. and Mrs. Clyde Price.

## '26 Book Club Enjoy Musicale

One of the outstanding programs given by the 1926 Book Club was the musicale on Tuesday afternoon.

This program was given in the College auditorium, then the members motored to the club room where the business session was held with Mrs. Elba Ballew, president, presiding. During the session the name of Mrs. Bill Brom-

ley was taken from the associate roll and placed on the active roll. Miss Lotta Bourland and Mrs. B. L. Jenkins Jr. were hostesses with Miss Erna Lewis assisting.

Following is the program rendered.

Massa Willie's Return—Martha S. Giebow—Mrs. Elba Ballew. Fido—Beethoven—Mmes. Stallings, Bryan, Wilkerson, Smith. Invitation to the Dance—Von Weber—Mmes. Stallings, Boykin and Miss Stallings.

Home to Our Mountains—Verdi—Mmes. Brumley and Wilkerson. Reading—Mary Cary—Mrs. Bairfield.

Shooting Stars—Mmes. Bryan and Smith.

Spanish Dance—Miss Stallings.

## Epworth Leaguers To Groom

Friday evening the Green Belt Division of the Epworth League held their union meeting in Groom with a fair representation of all Leagues in this division. Miss Myrtle Armstrong, Miss Marie Trostle, Miss Fannie Perry, Miss Carrie Davis and Messers. Del and Elmer Smith represented Clarendon.

## Kill Kare Kneedle Klub Opens Season

With Mrs. Eva Draffen as hostess the Kill Kare Kneedle Klub opened its club season, Thursday afternoon, in the beautiful W. B. Sims home which was artistically decorated with cut flowers and pot plants for the occasion.

With Mrs. Draffen, president, presiding the club elected Mrs. Eugene Nolan as president for the coming year.

Fancy needle work and conversation occupied the remainder of the afternoon.

A lovely ice-course was served later to Mesdames Sam Lowe, W. A. Land, W. A. Massie, J. D. Swift, Eugene Nolan, Bill Green, Van Kennedy, W. B. Sims and Brown of Houston.

## Les Beaux Art Begins Year's Work

The country club was the scene of a congenial meeting of the Les Beaux Art club on Saturday afternoon when this club began its work for the year, with Mesdames Taylor and Pebbles as hostesses.

Following the business session Mrs. C. C. Powell gave a splendid talk on "What Some Garden Clubs are Doing." Mrs. Homer Glascoe followed with a demonstration on the various arrangement of flowers.

This club has been of much benefit to the city in that it has encouraged the care and protection of birds by the children, has brought several interesting art exhibitors to the city, has sponsored plant exchanges and is planning equally as many interesting things for the coming year.

## Mrs. Hunt Hostess

On Tuesday afternoon members of the 1926 Needle Club gathered at the congenial home of Mrs. Ernest Hunt for an afternoon of needle work and pleasant conversation.

Late Summer flowers in rich hues decorated the entertaining rooms.

Present were Mesdames George Garrison, Vada Carpenter, C. W. Galloway, Bill Leverette, James Grundy, Ralph Decker, Carl Tyree, Turner Kirby, Buster Vaughn Roy Couch, Marvin Land and Bernice Osborn.

## Ladies Aid

Mrs. S. B. Arnold was hostess to members of the Ladies Aid Wednesday afternoon, when thirteen members answered to roll call.

Study for the afternoon was led by Mrs. F. C. Johnson, who selected the 8th chapter of St. John.

The society will meet in the home of Mrs. R. C. Bryan next week with Mrs. Arnold as leader of lesson.

Mrs. H. B. Naylor returned from Amarillo on Saturday.

## ITEMS OF INTEREST IN DONLEY

Ewell Sibley of Dallas spent the week with his parents, Mr. and Mrs. A. J. Sibley.

Mrs. Earl Humphrey, Lois LaFon and Ina Faye Pittman of Clarendon spent Wednesday night with Ina Faye's parents, Mr. and Mrs. Alvin Pittman.

**LEE'S CAFE IMPROVED WITH NEW FRONT AWNING**

Lee's Cafe is this week the proud owner of a fine new street awning in the front of that place of business. The former awning was in a precarious state of repair, and also detracted from the appearance of the building. With the new awning the place of business presents a pleasing appearance to the public passing from the street. The improvement is the same type of awning which was built on the front of the Hukus-Pokus Grocery some weeks ago.

**FOOD SALE**

The Belle Bennett Circle of the First Methodist Church will hold a Food Sale at Shelton-Sanford Grocery Saturday.

Read the Want Ads regularly.

**Here now —**  
The Radio you've waited for  
The Great **PHILCO** RADIO  
SCREEN GRID PLUS

**AN EXTRAORDINARY SET for people whose needs are extraordinary!**

EXTRAORDINARY in volume and in power to reach out for far-off stations—extraordinary in the ease with which it separates crowded stations in congested areas—extraordinary in its pure, rich, natural tone—made possible through Philco's exclusive engineering achievement—balanced units.

Has automatic volume control which automatically tends to hold distant stations at given volume, and reduces static and other interference noise.

- 1 Enchanting Philco Tone: clear and true at any volume. Never distorted.
- 2 Entrancing Distance-ability: Takes you to far-away stations, perhaps even to foreign countries.
- 3 Extra Sharp Selectivity: Tune in the station you want, and get it as if it were alone on the air.
- 4 Automatic Volume Control: Holds volume almost constant. Tends to overcome fading and swelling of distant stations, and reduce static and background noise.

With 4-Tone Control and Balanced Volume Control—

Mrs. Bob Couch returned to her home here the latter part of last week from near Groom, where she had been working for the past two weeks.

**Reserve System Offers Crop Aid**

W. H. Patrick, member of the Federal Reserve Bank Board, returned to his home here last week from Dallas where he had been in conference with the members of the above board on Monday of last week. The board expressed its desire to be helpful to the full extent of its ability in facilitating the movement of crops and livestock to market. The Board of Directors of the Federal Reserve Bank of Dallas also issued a statement Tuesday to all its member banks emphasizing its desire to co-operate in making available its resource for such purposes. The statement, signed by C. C. Walsh, chairman of the Board follows:

"At its meeting, our board of directors discussed at some length the matter of movement of crops to market in this district and expressed a desire to be helpful. It was felt that at this time it would be proper to again remind our member banks that credit facilities of this institution are available for this seasonal purpose and resolution was accordingly adopted directing the bank's officers to issue an appropriate circular on this subject and to give it prominence through the press.

The extension of credit to facilitate the orderly marketing of crops and live stock is a normal and proper function of a Federal Reserve bank. This institution therefore now wishes to reiterate statements made in previous years, that it stands ready and willing to render its services to its member banks in any legitimate and proper manner consistent with law and sound banking practices.

Notes, drafts and bills of exchange secured by warehouse receipts, shipping documents or other evidences of title to agricultural products; notes secured by chattel mortgage on cotton or grain stored on the maker's farm, properly covered by insurance and protected from the weather, and notes secured by chattel mortgage on live stock are eligible for rediscount with the Federal Reserve Bank. It is, of course, understood that all paper offered must be acceptable from a credit standpoint and unsecured paper is equally acceptable where it possesses the inherent qualities of eligibility and credit acceptability. It is believed that the majority of our member banks are already thoroughly familiar with our own requirements and those laid down in the law; however, it will be a pleasure to inform those who are not, and their inquiries are solicited accordingly.

The purpose of this circular is merely to emphasize our desire to co-operate to the fullest extent in making available the resources of this institution in any proper manner to permit the orderly marketing of crops and live stock.

Mrs. Dodson of Cordell, Okla., is the guest of her daughter, Mrs. J. L. McMurtry and Mr. McMurtry.

Misses Reuelia and Pearl Dubbs returned from Anawit, where they have been visiting in the home of their aunt, Mrs. C. W. Dubbs.

**Pleasant Valley**

Cotton picking seems to be the order of the day out this way. Several are picking. Loyd Moreland and John Goldston were the first to have cotton ginned.

Mr. and Mrs. Phin McMahan and family spent Sunday with Mr. and Mrs. Nelse Robinson.

Mrs. John Goldston and Mrs. Gaither helped Mrs. Longan can a beef Thursday.

Everyone enjoyed the singing at the Potter home Sunday night.

Mrs. M. W. Mosley and Mrs. Jiggs Mosley and baby spent Wednesday with Mrs. D. W. Shelton and Mrs. Sam Robertson.

Mrs. Homer Beach from Clarendon visited Mrs. Nelse Robinson Thursday.

Lewis Youree from Hedley spent Saturday and Sunday in the Lamberson home.

Mr. D. W. Shelton who is working at Boyer came down Friday night for a visit with home folks. Mr. and Mrs. Robertson, Mrs. Shelton and son D. C. took him back Sunday.

Homer Beach and Nelse Robinson made a business trip to Alanreed Thursday.

Mrs. Sowell from Martin visited her daughter, Mrs. P. O. Thompson from Friday until Sunday last week.

Mr. and Mrs. Richard Cannon spent Sunday with Mr. and Mrs. J. M. Cauren at Clarendon.

Jim Clayton and Johnnie Tucker from Tulia visited in the Potter home the first part of the week. They were here for the Golf Tournament.

Mrs. West received word Saturday of the serious illness of her mother, who lives in Oklahoma.

Mr. and Mrs. Pink Marshall and grandma Marshall called on Mr. and Mrs. Lamberson late Sunday evening.

Mr. and Mrs. Hugh Riley and family spent Sunday with Mr. and Mrs. Elmer Palmer in Clarendon.

M. W. Franks in Coryell county says he'd rather milk dairy cows than to pick cheap cotton, and thinks \$93 above feed cost from 13 cows in one summer month isn't so bad. His feed cost \$1.50 per hundred, the cost of producing a pound of butterfat was 14 1-2 cents and it sold for 43 cents. He stays by his cows and plants surplus land in cotton.

The Rev. L. L. Swann, in company with Bishop Seaman, was in Childress last Friday to conduct the funeral of Miss Opal Coley who succumbed to an attack of heart failure, on the train while enroute to her home from Wichita Falls.

Mrs. J. E. Ryan and daughter, Ruzelle, Mrs. Floyd Lumpkin and son, Jimmy, and Mrs. J. A. Potts attended the circus in Amarillo Monday evening.

Robt. S. Stotts and little daughter, Eloise, were up from Memphis Sunday visiting Mrs. Sallie Stotts. Oren Proffitt who has been ill for some time is reported recovering nicely. Mrs. Theo Johnson and children and Mrs. C. Y. Johnson were in McLean Sunday visiting in the Charley Jones home. Mr. and Mrs. J. Y. Crews of Ring visited Mr. and Mrs. Lyle E. Beckwith Sunday.

LARGE NUMBER TO ATTEND TRI-STATE FAIR AT AMARILLO

The largest crowd ever sent from here to the Tri-State Exposition at Amarillo will represent this city at the coming Panhandle fête, September 22 to 27, an early check indicates. Interest in the exposition is greater this year than ever before, if talk of plans to attend is to be accepted as an indication. Advance information from Amarillo is to the effect that the Tri-State Exposition this year is to be the best ever. Thousands of dollars have been spent in making ready, new buildings have been constructed and improvements made on the grounds. Besides the high class amusement features, including Leonard Stroud and the Anvil Park Rodeo each afternoon, the Spanish Nights entertainment in front of the grand stand in the evenings, and the Beckmann & Gerety midway, including twenty shows and fourteen rides, the fair offers many new attractions. Foremost among these is the automobile show to be staged in the new Automobile Building, just completed. Every member of the Panhandle Automotive Association will have cars on display and this show will match, in every respect except for size, the New York and Chicago motor shows. Record entries already are predicted in the beef cattle, dairy cattle, swine, poultry and agricultural exhibits, including many from this county. Jokes about women being poor drivers are entirely out of order, according to the Pennsylvania commissioner of motor vehicles. He declared that while one-fourth of the drivers in the state are women, they were responsible for only 32 out of 915 accidents in the first eight months of this year.

FEELS 30 YEARS YOUNGER—BLOW

"I suffered with stomach trouble for 10 years. I could hardly sleep at night on account of nervousness; my liver was out of

W. M. BLOW

order and I was always constipated. Sargon ended every one of my ailments, I sleep fine and feel 30 years younger. "Sargon Pills completely overcame my constipation and toned up my liver without upsetting me in the least."—W. M. Blow, 2708 Ave. F., Fort Worth. Douglas & Goldston Drug Co., Clarendon, Texas, and Hedley Drug Co., Hedley, Texas.

COTTON CO-OP. ASSOCIATION ENROLLS BIG NUMBER

Farmers have been joining the Texas Cotton Cooperative Association at the rate of six hundred a day, and this week's decline in the market will bring them in at a still faster rate, it is forecast by association headquarters in Dallas. It was said that farmers are unwilling to sell at present levels and the government-supported cooperative plan provides the most economical method of holding, with the least possible risk. Thirty-two thousand bales were received by the association last week, bringing the total for the season to 106,000 bales, compared with 21,600 bales to the same date last season by the Texas Farm Bureau Cotton Association, which the new government-supported organization superseded. While officials would not forecast the total which will go through the cooperative channels this year, it will amount to more than 750,000 bales if deliveries continue at their present rate as compared with last year's. Ninety percent of the value of the cotton is advanced, with no "comeback" on the farmer in case of a decline, but with the farmer receiving full benefit of advances which the market may make between now and the end of the season. Cotton classers have been placed at fifty Texas points, where the full 90 per cent advance may be obtained immediately. At more than 200 other points, receiving agencies have been opened, where all details are handled except actual classing of cotton this being done at the nearest classing office, to which the receiving agent sends samples. A partial advance may be obtained immediately from receiving agents, or from any bank if there is no receiving agent, with the remaining balance of the 90 per cent being advanced as soon as samples are classed, which will be immediately upon their arrival at the classing office. Classing offices that have been opened in this territory are as follows: Plainview, Littlefield, Wellington, Lubbock, Levelland.

AUGUST CHARTERS TOTAL LESS THAN YEAR AGO

AUSTIN.—Charters granted by the Secretary of State during August totaled 173, according to the Bureau of Business Research at the University of Texas. This figure compares with 179 in July and 170 in August last year, but the aggregate capitalization in August this year was \$6,069,000 as compared with \$5,703,000 in July and \$8,173,000 in August last year.

KONJOLA VERY MEDICINE THIS LADY REQUIRED

She Rejoices Over Wonder Relief From Indigestion—Happy To Endorse New Medicine.

MRS. ALMA WEBSTER

"I had stomach trouble for a year and a half," said Mrs. Alma Webster, 5017 Avenue R., Clarendon. "Each meal brought pain for my food was not properly digested. Gas formed after every meal at times making me very ill. There were many things

I did not dare eat because of the condition of my stomach. "I kept reading the papers about Konjola and what it was doing for so many people that I began the treatment. Konjola has so improved my condition that I have not had a sick nor dizzy spell since I began taking the medicine. I can eat anything I wish without fear of subsequent misery. I have improved in general health and am happy to endorse this medicine because of what it has done for me."

Sufferers do not have long to wait after taking Konjola before relief comes. However, a six to eight bottle treatment is suggested for the average case. Konjola is sold in Clarendon at Douglas & Goldston drug store and by all the best druggists in all towns throughout this entire section. In order to get in jail again at the expiration of his sentence, Andrew Farrer, a cripple of Chicago, broke two windows with his crutch and was sent back for three months. Read the For Rent Ads.

# NOW - You Can Buy Fine Furniture at Prices in Line With The Price of WHEAT and CORN

## The \$25,000,000 Annual Buying Power of the ASSOCIATED FURNITURE DISTRIBUTORS of America, Co-operating With This Store, Makes Possible THESE AMAZING VALUES

### Here's the "Reasons Why" --- Read Them Carefully

The Associated Furniture Distributors of America is composed of 17 Big Wholesale Furniture Buying Links, covering the United States. When it was definitely known that the price of Wheat, America's greatest basic food commodity, would be the lowest in many years, this great national organization realized that drastic measures would become necessary to enable the average home maker to buy the furniture he needed. Prices would have to come

down in proportion to the prices paid for such basic crops as wheat and corn.

Here is the answer! Through its \$25,000,000 buying power, the Associated Furniture Distributors of America made contracts with many of the country's leading manufacturers of fine furniture, to design for them exclusive patterns of high grade bedroom, living room and dining room suites, to be distributed through one exclusive dealer in each

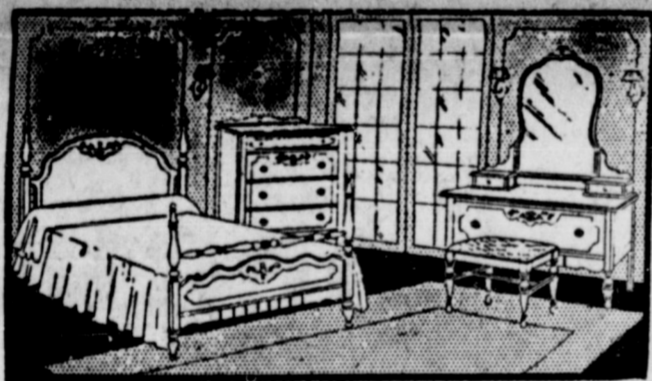

city in the country, at prices never before heard of. It is our good fortune to have been selected by the Associated Furniture Distributors as their representative in this city, and for this reason we are enabled to offer the amazing values shown on this page.

The illustrations do not do these values justice—you must come into our store and see the suites themselves, to gain an accurate estimate of the unheard of values we are able to offer you. Come tomorrow!

THINK! In 1914 wheat sold for 94c a bushel. Corn for 70c a bushel. You know what they are selling for today! When you see this bedroom suite, you'll say it would be a good value at \$100 or more. However, our deal with the Associated Furniture Distributors enables us to offer this beautiful "Shelburne" suite of 4 pieces, for cash, at only-----

**\$59<sup>75</sup>**

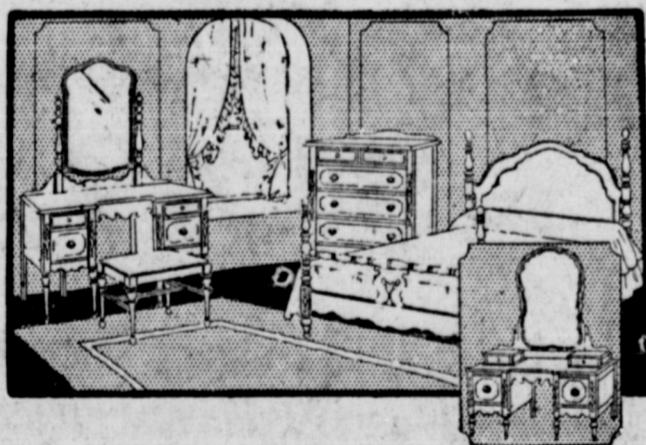

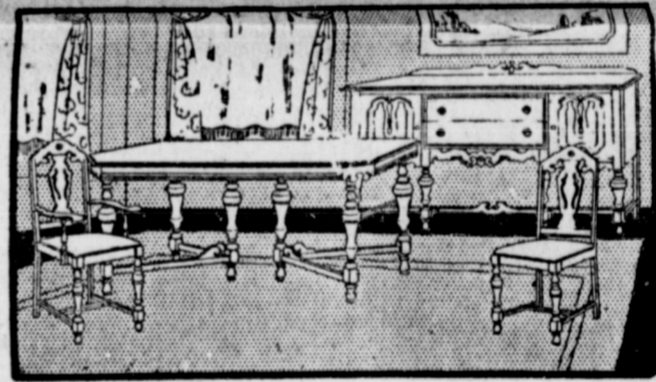

Term Prices Slightly Higher

The price of wheat and corn is not much different today than it was in 1914, but our prices on these magnificent dining room suites are about half what you would expect to pay for such quality today. see this distinctive "Bennett" suite of 8 pieces, large buffet, table, 5 chairs and host chair, in genuine walnut veneer, chairs upholstered in Jacquard Velour, for cash at only-----

**\$89<sup>50</sup>**

Term Prices Slightly Higher

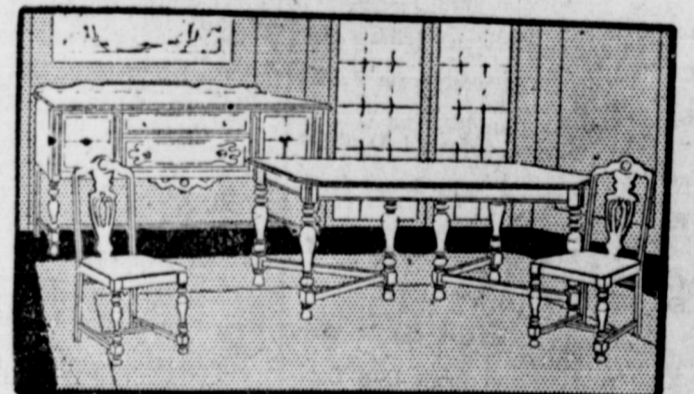

Here's another—the "Temple-ton," one of the latest creations, in attractive bedroom suites. The sparkle of African walnut, added to the soft-rubbed finish of walnut and gum, creates a design that is pleasingly different. Tops, fronts and ends are half-round walnut veneer with top drawers and overlays of African walnut. Fronts are of a light two-tone finish, and the drawers are finished inside. Dust-proof construction. While our allotment lasts, we can sell this splendid suite With a French Vanity, for cash at only-----

**89.75** With a Hollywood Vanity for cash, at only-----\$97.50  
A little more on easy terms.

If you have a small dining room, here is the best value we have ever been able to offer in a Dinette Suite. Made of genuine 5-ply walnut veneer, reversed diamond matched African walnut doors birds-eye maple top drawer, small figured, bright colored denim chair seats. Buffet, table and 4 chairs, for cash at only—

**\$67<sup>50</sup>**

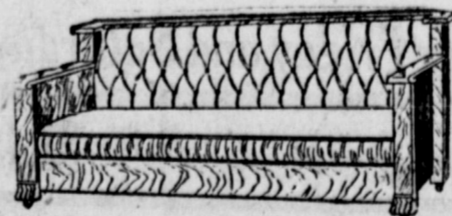

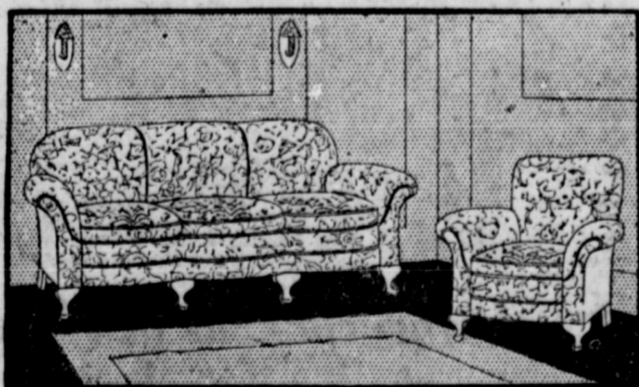

A Little More on Easy Terms

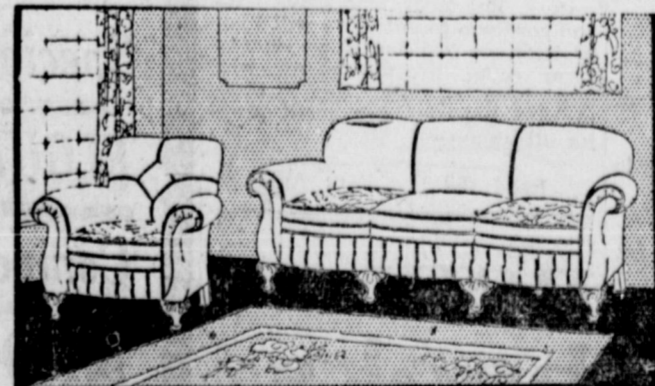

Imagine being able to buy this 2-piece living room suite, with large davenport, and button-back chair, upholstered in 2-tone Jacquard velour with tapestry reverse cushions, at a cash price of only—

**\$59<sup>75</sup>**

The same suite in genuine mohair at only-----\$89.75  
Terms slightly Higher

In 1913 this "latest model" leather Duofold sold everywhere for \$79.50. Compare it in value with the two handsome over-stuffed suites we are offering you today.

Another amazing value—a 2-piece living room suite in beautiful rose and taupe mohair, with rayon moquette reverse cushions, genuine Webb bottom, graceful Queen Ann legs. The davenport and button back chair, for cash at only—

**\$127<sup>50</sup>**

A little more on easy terms

These are only a few of the scores of matchless bargains we are able to offer you, through our co-operative arrangement with the Associated Furniture Distributors. Call at our store at your first opportunity, while the offerings are complete, and look them all over. You'll find many

attractive pieces, some of which you undoubtedly have been wanting for a long time, but felt you could not afford. Now you can buy them at such low prices, and on such easy terms that you cannot afford to do without them longer. DON'T MISS THIS OPPORTUNITY!

Royal, Wellington 110; G. L. Boykin 90, Joe Goldston 100; Clyde Douglas 91; Lee Casey 88, Holman Kennedy 82.

Times are discouraging. Some think the country is going to the dogs. Farmers find low prices for nearly everything they have to sell. Some have had a drought on top of it. There is a tendency to quit formerly profitable lines, such as dairying, to fish in new waters. But those who stay "nut" and continue to cut costs will likely keep on making some money from cows, because many who have been managing herds wisely have been making small profits all summer.

**LIONS ENJOY TUESDAY FEED**

**ABSENTEES ARE FEW AS ATTENDANCE CONTEST OF EIGHT WEEKS STARTS.**

With four of the members of the Clarendon Lions Club out of the city in attendance on a Group meeting at Childress, and three others out of their places for varied reasons, the attendance at the Lions Club Tuesday was somewhat smaller than anticipated. The absence of the Boss Lion placed G. L. Boykin in the chair, he handling the luncheon like a veteran and closing out the business in a manner that was evidently highly pleasing to those present.

The first item to be attended was the adoption of a resolution prepared to a joint committee for presentation to the various clubs and organizations of the city with reference to the work with the traffic laws and regulations of the city. County and state. The resolution will be submitted to the proper authorities from the organizations and individuals as it is brought to their attention.

Announcement was made of the plan as outlined by the Park Board for the erection of an archway into this place, using stones and cement to fashion the entrance. Each member of the club was asked to carry a sack the next time they visited the country and place these on the spot designated by the Camp Fire girls. A local contractor has agreed to furnish the sand and labor for the erection of the arch if the stones and cement are at hand. Construction of the arch has been left in the hands of J. W. Martin.

Twelve members of the organization agreed to make their contribution to the pile of stones the first time they are in a rocky neighborhood. One Lion member even volunteered to furnish a small truck load of stones.

Announcement of the watermelon feed for the teachers was made by the Lion Secretary, he stating that arrangements had been made to entertain the teachers in a monster affair with cold watermelons aplenty for everyone. Thursday, September 25th is the date set for the entertainment. The trip to Troublesome Canyon will be started at 4:00 o'clock and trucks will be furnished by Ralph Andis to provide transportation for the teachers to the appointed place.

Lion Chase made statement that he had planned to have Post Commander Ralph Andis of the Amarillo Lions Club, a member of the club that he had injured his ankle and could not make the luncheon. He was to be especially invited for the next luncheon that he might receive the praise of the Lions for the work he has done in the past year in winning the cup for the Eighteenth District of Texas the commander of the most active Post in this section of the state.

Jion Burton announced the football game for Friday stating that Claude would be played instead of Quin as was initially announced. The Quinque delegation forfeited their game due to the fact that they felt that they could

**ONE ROOM SCHOOLS ARE DISAPPEARING THROUGH MERGERS**

**Pavements Stimulate Better Schools; 45,000 Busses Carry Children.**

By E. E. DUFFY  
 The one-room school house is passing, and at a fairly rapid rate. At the close of the 1928 school year there were 153,306, a drop of 8,225 over the 1925-26 school year.

Consolidation of schools is the reason, for there are now in the neighborhood of 20,000 "educational mergers."

Education and roads, the two prime requisites of a progressive community, go hand in hand. Until the coming of the motor transportation era consolidated schools were practically unknown. But today with some hundred thousand miles of hard surfaced pavements in service, small communities in great numbers are grouping their school activities and installing bus service for carrying children much longer distances than father and grandfather trudged or "bug-ridden" over not so long ago.

These 20,000 consolidated schools employ some 45,000 busses to carry one and a quarter million country children to school—schools which, through pooled money, for the most part are as thorough and efficient as those in cities.

And believe it or not, the old fashioned horse is still playing a part in educating the youth of the land. In 1928 less than 5,691 horse drawn vehicles were carting children to school. These horse drawn vehicles for the most part are in Connecticut, Indiana (where authors are made) Maine, Minnesota, New Hampshire, Tennessee and Wisconsin. But like the one-room school-house time consuming Dobbin is also passing out of the picture.

But pavements are stimulating education in another way aside from their influence in consolidating schools.

Gypsies are spoken of as the leading nomads, but neither they nor any other people on earth see as much of the open country as the American motoring tribe. This constant shifting about has given the city an understanding of the country and the country of the city. Geography and business have been made open books by the open road.

If there is one significant thread running through history it is that no country has prospered mentally, socially or commercially without roads. This is the fact that should help communities decide their road program.

Nothing further coming to the organization at this time, adjournment was had in the usual manner.

**TRI-STATE FAIR MAKES MANY FINE IMPROVEMENTS**

AMARILLO.—Nearly \$35,000 has been spent within the past year for new buildings and improvements at the Tri-State Fair Grounds, President Wilbur C. Hawk of the Fair association, said yesterday. Of this amount, \$5,600 was used to put 40-foot extensions on both cattle buildings and the swine building, two of the many Fair departments which plan to be bigger and better than ever this fall.

When visitors to the Fair enter the grounds the opening day, Sept. 22, they will notice that all of the buildings are resplendent in new coats of white paint. They will see too that all of the interiors have been changed and improved, several hundred dollars being spent for this work alone.

Largest single item of expenditure, of course, is the recently completed \$25,000 automobile building, erected by Potter county officials.

Ernie Young's famous Spanish Nights Revue, Leonard Stroud's thrilling rodeo and the Beckman & Gerey company's "world's best" attractions head the long list of amusements to be offered by the Fair during the big week of Sept. 22 to 27.

This week the Fort Worth and Denver, Santa Fe and Rock Island railroads all announced special reduced rates during Fair week. Some of these rates are as low as one and one-fifth the regular fare for a round trip.

From an humble beginning as "Just another fair," the great Tri-State exposition, under Mr. Hawk's capable direction has grown until it is second—and a close second at that—only to the State Fair of Texas. Every official, every department head and everyone connected in any way with the Fair promises that the 1930 event will surpass any previous Tri-State Fair. Come and see for yourself.

**Avoid All Of These Things**

Parents and teachers should take infinite pains to teach children the danger in:

- Climbing electric poles.
- Going too near a strange horse.
- Riding a bicycle between two cars.
- Playing ball on a traffic crowded street.
- Skating on thin ice.
- Rocking a boat.
- Stepping off a moving boat.
- Using oil to start a fire.
- Playing with fire.
- Using a sling shot.
- Climbing on rotten limbs of trees.
- Walking on top of fences.
- Playing with fire arms.
- Throwing banana skins on sidewalks.
- Pulling chairs out from under another person.

Mrs. Eula Cox spent the past week end with Mr. and Mrs. Joe Horn near Jericho.

Miss Helen Martin will leave Thursday evening via Los Angeles for Seattle, Washington, where she will be in school the coming school term.

Misses Fannie Florence and Nettie Sims of Pampa attended the Sims-Baird neptials on Tuesday morning returning to their school duties later in the day.

Mrs. C. G. Atteberry and daughter, Mrs. Clyde Naylor of Pampa visited several hours Tuesday in the home of Mrs. Sam Braswell, Jr. Mrs. Braswell is the daughter of Mrs. Atteberry.

Mrs. Sella Gentry, Mrs. George A. Ryan and daughter, Miss Berkeley returned home Friday evening from a summer vacation spent at the interesting points of Europe.

Miss Reuelia Dubbs has returned to Amarillo where she has accepted a position with a drug house.

Bennett Kerbow returned to his home here Sunday evening from Mineral Wells, where he had recently gone to take Mr. and Mrs. H. C. Kerbow for a visit to the Crazy Water.

Those men are demonstrators, and are helped by county agents, but otherwise they have no special advantages.

John Beverly of Pampa and son, Travis of Nebraska, were visiting in the home of their parents in Pampa, while Mr. Beverly is recuperating from the effects of a paralytic stroke suffered some few weeks past.

After taking two drinks of bootleg whiskey, James Darham of Chicago, thought he was a fish and was arrested for trying to swim in the street.

**FOOD SALE**

The Belle Bennett Circle of the First Methodist Church will hold a Food Sale at Shelton-Sanford Grocery Saturday.

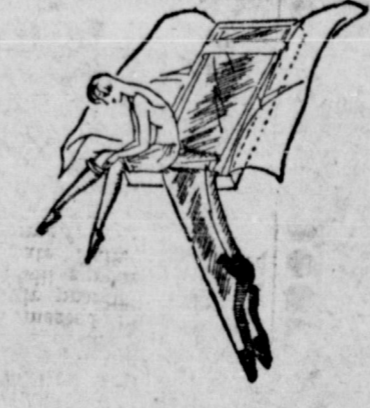

**TIMELY TOPICS**

The world's champion "day-light savers" are the Arctic terns, those graceful birds which breed near the North Pole and spend their winters near the South Pole, thus taking advantage of nearly six months of daylight at each end of the earth. Their annual round trip covers some 22,000 miles, and they enjoy more daylight than any other living creatures.
