### CHURCH OF CHRIST RE- VIVAL AT LELIA LAKE

Announcement is made this week of the beginning of a ten days series of revival services at the Church of Christ at Lelia Lake. Elder John M. Rice of Abilene will preach the sermons and local talent will lead the singing. The services will start Thursday evening at the Church in Lelia Lake, immediately following the close of the series that Elder Rice is holding in Clarendon. The general public is asked and urged to attend and assist in the making of this a splendid series of services.

### MISS HARVEY THOMPSON NEW AGENT AT CHILDRESS

Late news releases from Childress indicate that Miss Harvey Thompson, former agent from Donley County, is the newly named County Home Demonstration Agent for Childress County. Miss Thompson resigned from the position here early in this year to attend school at Denton with an idea in view of securing her degree. Her work completed, Miss Thompson is again ready for work and was assigned to Childress county for the present.

### PRIZES CHOSEN IN YARD EVENT

PRIZES IN EACH OF TWO  
CLASSES ON DISPLAY IN  
NEAR FUTURE

The committee in charge of the yard contest for Clarendon for the year 1930 has made selection of the prizes to be presented to the winners after the judging for the year. As is known, the yards of the city were divided into two classes this year, the older yards or those who had been prize winners in years past being placed in one class and the yards of those entrants who had never been in any contest placed in the second division.

June first closed the date for entering the yard event and the contestants set to work to make their yards look as well as possible. The committee states that the entrants have been working under somewhat severe conditions and for that reason they will not be so strict as in years past when it comes to the judging of the yards. It is possible that the closing date for the event will be moved a short distance, but with favorable conditions the date will remain as it has been set, at August 25th.

The prizes chosen are those that will be treasured by the winners. A Roseville Pottery Jardiniere was selected as the prize for the first place winner in the old class. This prize was awarded from Goldston Brothers and may be seen in their place of business. Second prize in this group is a lawn chair that may be seen at the Kerbow Furniture store. Third prize is a jardiniere similar to those given last year and is to be found at the Taylor Hardware store.

The new yards will fight for a lawn settee as first prize, this being secured at the Kerbow place of business. Second place winner in this class will receive a chair from the place of business mentioned above. A jardiniere matching the one given as third place winner in the older class will go to the winner of the third place winner in this group.

Les Beaux Arts Club of this city was adjudged the winner of the contest for securing the greater number of entries for the contest. They were competing against all other women's clubs of the city and piled up far more than one half the 45 entrants in the contest.

The prizes will probably be gathered in a central location at a later date and all of them may be seen and admired at one time.

After all matters had been taken into consideration, the decision was reached to install a dip on the street, this affair to be twenty feet in length and approximately seventy-five feet in length. The excavation has been completed on the eastern side of the ditch and work is well under way on the western side of the projected matter.

### Evangelistic Meeting Closes

The Evangelistic Campaign  
conducted by Dr. John W. Tyndall  
came to a close Sunday night.

The last week of the meeting was well attended and Dr. Tyndall gave some powerful sermons that the fathers and mothers, the husbands and wives of Clarendon will long remember. The week was dedicated to the remaking of home-life in this community, the sermons dealing with the commandments that men and women must obey to be Bible Fathers and mothers, husbands and wives.

Dr. Tyndall closed his part of the meeting Friday night and the pastor of the First Christian Church, Rev. W. E. Ferrell, preached to a large crowd Saturday evening. His subject was "Move or Die." Rev. W. H. Marler of Crockett, Texas, conducted the services Sunday morning and evening.

During the meeting there were 49 additions. The church feels that it has been blessed in many ways and the faith of its members strengthened, and the community enjoyed the programs and will continue to be blessed by the lessons presented to its citizens.

### TAYLOR SPEAKS TO FINE CROWD

JUDGE FROM HENRIETTA  
DELIVERS STIRRING  
PEAL TO VOTERS HERE

Judge R. E. Taylor of Henrietta, prominent attorney of that city and former United States District Attorney for this district spoke to several hundred people on the Grammar School grounds Wednesday evening. The purpose of the address of Mr. Taylor was to meet the speech made Tuesday night by James E. Ferguson in the campaign for the nomination of Mrs. Miriam A. Ferguson for the office of Governor of the State of Texas.

Homer Mulkey acted in the capacity of master of ceremonies, telling of past victories for the people against the Fergusons. Sam Lowe introduced the speaker of the evening.

In his address, Judge Taylor recounted the pardoning of three criminals during the Ferguson regime, telling of the crimes they committed and of the means used in securing pardons for the men who were released. The record of the last 29 days of the Ferguson rule was recounted in which more than four hundred criminals of all sorts were pardoned from the penitentiaries of the state. The record of the workings of the highway department under the Ferguson rule were told, with the profits amassed amounting to two thirds of the contracts let in one case and a large sum in another. Comparative figures were given on the cost of the same road under the present and under the past administration. Under the Ferguson rule this road cost 61 cents per square yard to build. Under the present regime this same sort of road costs 14 cents per square yard.

The women in the audience were especially asked to exercise their rights as voters, remembering when they did so that their homes and families would be put under threat from the 2,000 criminals promised pardons if the Ferguson rule is to be again started.

### BAPTISTS OPEN REVIVAL SUNDAY

TWO WEEKS OR MORE OF  
SERVICES TO BE HELD BY  
REV. LITTLETON

The annual revival of the First Baptist Church of this city is to begin here with the Sunday morning service August 17th and will continue two weeks or more. Plans have been laid for this series of services all the summer months and a special series of prayer meetings have been in progress at the church during the past few days, beginning with Wednesday evening.

Rev. J. H. Littleton is the pastor of the First Baptist Church at Hamlin, Texas, and is a personal friend of the pastor, Rev. Shepherd. He comes to the city highly recommended for the position he is to take and is known

REV. J. H. LITTLETON

to be a preacher of note in the locality where he makes his home. Rev. Littleton has worked with Rev. Shepherd in like campaigns before this date and both of them are expecting great things from the series.

The service will be led by Rev. C. B. Stevenson from Houston. Rev. Stevenson needs little or no introduction to the people of this

REV. C. B. STEVENSON

section since he was at one time pastor at Groem before he went to Houston. He is the son-in-law of Mr. and Mrs. C. W. Taylor of this city.

Special plans will be made to care for the crowds in a manner that will be comfortable to everyone. It is presumed that two services will be held each day although this matter has not yet been disclosed. Further announcement concerning the revival will be made on the opening day.

### HILLCROFT MEMBERS MEET FRIDAY NIGHT

Notification has been mailed all members of the Hillcroft Golf Club of the city calling a meeting Friday evening, August 15th, at eight o'clock at the Legion Hall.

Officers and directors for the coming year are to be elected and the question of the annual tournament will be settled and a date set.

### Band Concert Enjoyed Sunday

The Clarendon High School band played a very pleasing and entertaining concert last Sunday afternoon on the stand at the entrance to the band hall. A fair sized crowd was in attendance, registering their approval of each selection by the uproar of horns heard at the close of each.

The orchestra was featured in a number of selections in the middle portion of the program and were followed by the band to complete the program of entertainment. A new feature of the program was the presentation of Charles Walker in a trombone solo that was much enjoyed by the gathering.

The clarinet quartet that presented two selections in the last third of the program was another feature that had been withheld from public performance in the past few of the events presented by the band.

Mr. and Mrs. J. R. Bartlett and family were Clarendon visitors Wednesday, returning to their home in Childress late in the evening.

### LOCAL ROTARIANS HANDLE PROGRAM

AMARILLO CLUB INVITES  
CLARENDON MEMBERS TO  
LEAD EVENT TODAY

As a sort of return proposition, the Clarendon Rotary Club has been asked to care for the program at the luncheon of the Amarillo Rotarians in their city today. It will be recalled that the Amarillo Rotary Club was most instrumental in securing the organization of the Clarendon club early in this year. The program has not yet been completed, but it is understood that D. R. Davis, Jack B. Jones, R. E. Drennan, R. S. Cope, Rev. W. E. Ferrell and J. C. Estlack will appear on the program.

In addition to these, there will be a number of others from the local club who will join the party to make up a representation from the Clarendon Club. This delegation will be headed by Dr. B. L. Jenkins, president of the local Rotarians.

The program as rendered Friday of the past week was pepped up quite a great lot by the song leading of Rotarian Cope, who did his best to make it one of the peppiest meetings of the season. Miss Wilma Sexton of Cooper, Texas, a guest of the club, gave her bit when she rendered a splendid piano solo to the great delight of the Rotarians. The ethics of the furniture business was ably discussed by Rotarian Paxson, who surprised his hearers in the language used and the clarity of the speech he made.

Guests for the day were W. B. Armstrong and M. W. Mosely, each of them expressing his appreciation of the work being done by the Rotarians and extending thanks for the invitation to meet with the Clarendon organization.

Rotarian Cabness of Memphis was in attendance to make up his luncheon of the past week, adding his part to the program.

A report on the boys baseball teams was given by D. R. Davis, who stated that the East side was so far in the lead that they had lost interest in playing the West side boys and that they were seeking other fields to conquer. The club concurred in a projected program of games with boys from the rural sections to further stimulate interest in the game among the boys in the city.

TURKEY PASTOR FILLS  
REV. SHEPHERD'S PLACE  
Rev. Ira Fulgham of Turkey, Texas, pastor of the First Baptist church of that city filled the pulpit of the First Baptist church of this city at both the morning and evening services last Sunday. Rev. Fulgham filled the place in the absence of Rev. Shepherd in a series of revival services.

Mr. and Mrs. Murrell and children, Mary Ella and Virginia, of Dallas who were guests of Rev. and Mrs. W. M. Murrell the past week returned to their home on Friday.

### FERGUSON SPEAKS TO LARGE CROWD

REPRESENTATIVES HERE  
FROM WIDE TERRITORY  
HEAR FORMER GOVERNOR

Clarendon was the scene Tuesday evening of this week of the only appearance in the Panhandle of James E. Ferguson, campaigning for the interests of the candidacy of Miriam A. Ferguson for the governor's chair in the state of Texas. Representatives were present from many of the nearby cities of this section, Shamrock and Wellington probably leading in the number present to hear the address of the evening.

The signal for the opening of the program was the beginning of the concert by the Clarendon High School Band. The music rendered drew the crowd's attention from the city and the audience grew until the speaking was started. O. H. Brewer, farmer who lives in the eastern edge of Clarendon and who has been an ardent Ferguson supporter through the entire campaign, acted in the capacity of master of ceremonies in the opening of the event.

Dan McGrath, Assistant County Attorney for Potter County, was introduced and made a stirring appeal for the candidacy of Jimmie Allred of Wichita Falls for the office of Attorney-General of the state.

This was in turn followed by the introduction of A. T. Cole, Attorney-at-Law, who made a few remarks and introduced the speaker of the evening, Mr. Cole also made an appeal to the crowd for a large Alford vote before turning the stage to Hon. James E. Ferguson, who delivered the address of the evening.

It was an aging and broken Ferguson who stood on the platform before the Grammar School building and delivered the address in behalf of his wife. He charged that politicians of the state had kept him from running himself, but that the people of the state had forced his wife to pick up the banner and carry the name of the Fergusons on to victory again. He said that it was charged against him that he was running "Under his wife's coat tail" but that there was nothing further from the truth than this statement.

The platform as outlined included the passage of further laws in the state. Principal among these are the Old Age Pension Law; An appropriation to double the capacity of the tuberculosis sanatorium; The passage of a law to force officers of the law to sign a pledge that they will not drink during their terms of office; A law to keep Texas tax money in Texas depositories rather than send it out of the state concerns and finally a law that will allow a man two years in which to reclaim property confiscated by foreclosure.

The platform of the candidate received scant attention at the hands of the speaker, he preferring to dwell at length on the supposed crooked dealings of other officials of the state. Charges of graft in many commissions of the state were made without number as against the management of the penitentiary system under the initial Ferguson regime.

A challenge was issued to Sterling on his road plan, urging an answer by Thursday on the proposition of whether he has dropped the plan, if so, when it was dropped and how long the matter is to remain dropped.

### STERLING DRAWS OVERFLOW CROWD

PASTIME THEATRE OVER-  
FLOWS WHEN ROSS STER-  
LING SPEAKS HERE

The largest daytime crowd ever to greet a political speaker in Clarendon gathered here Wednesday morning at ten o'clock to hear Hon. Ross Sterling, chairman of the state highway commission, and candidate for governor in the present campaign. Although only announced two days ago, the Pastime Theatre was full, main floor and balcony, and scores stood in the rear and aisles while many more went away who could not get inside.

Judge J. R. Porter was master of ceremonies and introduced Senator Walter C. Woodward of Coleman, who made an introductory address before he presented Mr. Sterling.

Senator Woodward centered his remarks more especially on the charges made by Jim Ferguson in his speech here on the previous evening, and from the court records quoted the facts about certain specific pardons which were granted by the administrations of both the Fergusons. He refuted many of the insinuations in Jim's Tuesday night speech and was emphatic in his characterization of the impeached governor in word and deed.

Referring to the Ferguson boast that if elected they would pardon two thousand convicts immediately on taking office, Senator Woodward declared that while there was no possibility of the Fergusons ever holding another office in Texas, yet as state senator he would offer a bill in the next legislature to repeal the law against carrying pistols, that the law abiding citizenry of Texas should have some protection from the hands of high-jackers and outlaws who would be let loose on the innocent public if the Fergusons were elected.

Mr. Sterling was given a splendid ovation when he was introduced and in the plain, simple, unassuming manner of a real Texan he recounted the history of his early life when in South Texas he faced poverty and the lack of proper educational advantages. His story of struggle against odds as told in the simple words of neighbor to neighbor made a profound impression on his audience here as in other places where Mr. Sterling has spoken and it was easy to discover that he had his audience with him as Texans who honor and revere any man or woman who has fought against poverty and ignorance and won.

Refuting the charges that he is the owner of the Humble Oil Company and that he owns the Standard Oil Co., Mr. Sterling recited he sold his interests in the Humble company in 1925, and that he owns not one cent's interest in any oil concern under the sun. He further insisted that he had been rated by his opponents as being a much richer man than he actually was—that he was worth scarcely ten per cent of what he had been credited as owning. In this connection Mr. Sterling recounted some of the things he has tried to do for his community and his state as evidenced by his donations to the Y. M. C. A. in a camp for underprivileged boys where today one hundred and fifty of the underprivileged boys of Houston and community are being given proper instruction in the basic elements of good citizenship while they enjoy the pleasures of a supervised vacation on the property he provided. The speaker added that if he were worth what his opponents say he is worth that he would be able to give another hundred thousand dollars to T. C. U. of Fort Worth to give a larger sum to the endowment of Baylor at Waco, and to S. M. U. at Dallas, that he would have a good time giving more underprivileged children a chance in the world and in aiding churches over the country.

As to riches, Mr. Sterling said that he had come to the conclusion that real riches lay in the good one could do and in the friends one could gather around him and on that basis he was happy to say that he was really rich.

Answering slurs against him by Jim Ferguson, Mr. Sterling said the reason Jim thought him a bad fellow was that he had been

PANHANDLE PRESS ASSOCIATION

September 22-27 are the dates of the big, free-gate Tri-State Fair and Exposition at Amarillo. Mark the dates on your calendar.

And now we hope that we do not see the spectacle of scores of lawyers flocking to the defense of Lawyer Payne as in the case of Judge Hamilton. It looks like justice is going to be meted out without hindrance this time.

Advertising does the trick. In the recent release of census figures California and Florida show the greatest gains in population over the ten year period, and no other states were even to be counted as rivals in the advertising effort of the leaders. With states—with cities—as with individuals the advertisers with persistence and intelligence are the winners. California and Florida were the leaders in population gains as a result of their advertising efforts.

Jim Ferguson finds himself in the midst of a grueling campaign with practically no speakers on the stump for him—something that has never happened to him before. Only C. C. McDonald, Luther Nichols, and Lee Pierson, with B. Y. Cummings threatening, are left of the scores who used to "stump" the state with telling effect. All the others are opposing Ferguson and that is probably the reason for the pessimistic moodiness which Jim is unable to throw off. Like the old devastating timber wolf, he is making his last stand—and without the aid of his pack.

"Cherez la femme" is a French proverb meaning "look for the woman," and is the basis upon which all crime is studied in that country. In the Payne case at Amarillo we saw an exemplification of its truth and reliability when after weeks of uncertainty Mr. Macdonald, Kansas City Star reporter, picked up the thread by locating "the woman" and the mystery was solved. Very few major crimes are committed without the sex problem being mixed in, and Mr. Macdonald's technique was in perfect form when he "looked for the woman." Newspapers and newspaper men have always contributed greatly in ferreting out mystery crimes, and the Amarillo Daily News with Editor Gene Howe are due most of the credit in bringing Payne to a confession of his heinous offense in this notorious affair, the latter having brought Mr. Macdonald to Amarillo and into the case.

#### JIM FERGUSON IS ALWAYS THAT WAY

Hon. Riley Strickland of Amarillo contributed one of the most enlightening episodes to the governor's race in a letter to the people the first of the week, when he showed the utter lack of sincerity of Jim Ferguson about any matter—where financial gain is considered.

Here it is: "As a further evidence that he is never sincere in his platforms, you will recall how he went about over Texas "cussing" the Ku Klux Klan, in 1924, up until the last Saturday of August. He told the people of Texas how unreliable any person was who had ever had any connection with the Klan. In less than three weeks after the second primary, when the Executive Committee assembled at Houston to select a candidate to place on the ballot for Railroad Commissioner, to fill the vacancy of Dr. Splawn, Jim championed the cause of the man at Fort Worth, from whom he had theretofore borrowed \$9,500 and who was an admitted Klansman. In answer to the protest by the anti-klan committeemen, Ferguson retorted that, "You can't blame a man for joining the Klan if he does it to get contracts." Ferguson's idea of either principal or government is that, so long as you can make money by changing your position, or denouncing the principals that you had espoused, that it is perfectly excusable."

#### DICK McCARTY TELLS IT PLAIN

"The doubtful ones are walking around and saying that it can't be done. They say that Ross Sterling can't beat Ma for governor. The Small bunch say we elected the weakest man to go up against Ma. Well dad blast it, if Small could not beat Ross Sterling, how in the devil and Tom Walker could he beat Ma? No, folks, Texas has not lost its head, Ma is going to be beat, she is going to be eliminated and put over in the scrap heap of oblivion. Yes, grand old Texas is going to rally at the polls, and my what a majority we will roll up for good government. O but they say it can't be done, but be it said that the word can't is not in the vocabulary of Democracy.

"No the Ferguson's are going to take a back seat. Ma is not going to sit on a political throne, with Jim as attorney for the convicts. That's in their platform, Jim says that they will pardon two thousand convicts right off the bat. During their last administration they turned loose something over two thousand in the two years of their misrule. No, no, Democracy has not lost her cunning, she has not lost her good judgement. No, Democracy will rise up on the twenty-third day of August and Ma and Jim—They also ran. Something like 800,000 votes in this state. Ma got a little over one-fourth of em, that leaves something like six hundred thousand votes. Come on Old Man Texas, and pull your whiskers and say by Gattlins the same folks of this great commonwealth are going to rule."—Albany News.

#### FERGUSONISM STANDS FOR SCANDALISM

The only major issue in the run-off gubernatorial campaign is honest and responsible government. The people of Texas must decide on August 23 whether they will have for the next two years a capable business man and administrator in the state house at Austin, or whether they will have an impeached former governor serving by proxy in his wife's name.

The record of Fergusonism in Texas is one of betrayal of public trust and abuse of public confidence. Scandals of the Ferguson regime of 1924 to 1926 threw into an uproar and caused the great majority of the people to lose all faith in their state government. Texas became a laughing stock, and the object of pity and scorn, over the civilized world.

That James E. Ferguson has not reformed is shown by his promise, made from many speaking platforms in recent weeks, that if his wife is elected one of her first official acts as governor will be to liberate 2,000 convicts.

The unloosing of a horde of murderers, highway robbers and criminals of every kind and class upon the people of Texas should cause every citizen to be dismayed.

The contrast between the Fergusons and that of Ross Sterling of Houston is so sharply drawn that it remains only for the friends of good government to rally to the polls on August 23 and forever bury the menace of proxy government.

Should the "two governors for the price of one" be nominated in the runoff primary, it would be due solely to the indifference of the sober-thinking voters of Texas and their failure to appreciate fully the threat now facing their beloved state."—The Mirror, Houston, Texas.

#### SURELY NOT FERGUSON AGAIN

Is Jim Ferguson again going to rule the State of Texas? Are we, the people of this State again to be subjected to the political castigation of the man so thoroughly discredited by the courts that he cannot hold public offices in his own name? Are we, sane and sensible citizens that we believe ourselves to be—are we going to permit this thing to happen again? Are we going to stand by and see this State again become the laughing stock of the Nation?

More than two hundred thousand Texas voters already have said yes. No doubt there will be more of them who will say yes on August 23 when the final battle is fought out between Ferguson and Ross Sterling. It is likely that the Ferguson vote in the run-off will reach as high as 250,000—perhaps more.

Which means that every Texan who wants to see his State honored and respected, who wants to see its instructions entrusted to men of high ideals and sound ability, who wants to protect his interests against such things as happened in 1925 when the Fergusons were in power—it will behoove every such Texan at this moment to make a solemn vow that he will not be found wanting when the final hour of battle is joined.

For four years Texas has enjoyed comparative political peace. Private enterprise and public works have prospered. A State highway department, whose gross mismanagement under the administration of the people who are now seeking re-election, became a National by-word, a department almost completely disrupted, bankrupt and helpless, has been reclaimed, put in working order, and has accomplished more in the brief span of three years than had been accomplished in the preceding decades. Federal aid withdrawn from Texas because of the hopeless condition of the highway department, has been restored. Texas is going ahead.

What folly it would be, what utter folly, to plunge this State again into the throes of political disorder and strife which inevitably would result from the election of the Fergusons. Surely it will not be done. Surely the majority of our people have had enough of that kind of thing. But if you, as a sovereign voter of Texas, do not want to see the Ferguson fiasco repeated, then make up your mind now that you will not go to sleep at the switch, that you will vote, and vote hard, on August 23 for Ross Sterling and the welfare of your State.—Corpus Christi Caller.

## Braswell-Atteberry

Sunday morning at nine o'clock at the C. G. Atteberry home in Pampa, Miss Cecelia Atteberry became the bride of Mr. Sam Braswell, Jr., in a very informal wedding with only the immediate families concerned in attendance. The bride was attired in an afternoon dress of black georgette while the groom wore the conventional.

The ceremony was read by Rev. J. H. Braswell of Canyon, grandfather of the groom, and immediately after the wedding the happy couple left overland for a brief honeymoon at Mineral Wells, Dallas, Fort Worth and other points.

Miss Atteberry is the second daughter of Mr. and Mrs. C. G. Atteberry, who moved to Pampa from Clarendon a few years ago, and who grew into charming young womanhood here where she attended school.

Mr. Braswell is the son of Sam M. Braswell of this city and the wedding is the culmination of a romance begun back in high school days here in Clarendon. The groom pursued his studies further at the University of Texas for the past two years and is at present city editor of The Clarendon News. He was prominent in athletics while in school here and at Austin.

The young couple will be at home in one of the Wm. S. Bagby apartments about the 20th of August.

Joining the many friends of these worthy young people, The News wishes for them many long years of happiness and useful service.

## J. E. Teer Married In Memphis Sunday

A wedding of interest in the Panhandle took place Sunday evening at 6 o'clock at the First Christian Church in Memphis, when Miss Mae Nell Elliott of that city became the bride of Mr. James Edward Teer of Clarendon.

The marriage vows were spoken by Rev. H. A. Shaw, pastor of the First Christian Church of that city.

Two candelabras, each bearing seven white tapers and twined with fern, flanked the sides of the altar. White floor baskets filled with salmon pink gladioli and white and pink roses added a note of beauty.

Mrs. John M. Elliott, Jr. sister-in-law of the bride played the accompaniment for Mrs. Hershel K. Whaley and Miss Carolyn McNeely, who sang "O Promise Me," preceding the nuptial service. During the ceremony, Mrs. Elliott played, "Believe Me If All Those Endearing Young Charms."

For the entrance of the bridal party, the choir, composed of ten of the bride's most intimate friends, sang "The Bridal Chorus" from Lohengrin. The choir included Mrs. Hershel K. Whaley, Miss Eloise Norman, Miss Ruby McCanne, Miss Margaret Milam, Miss Mota Maye Shaw, Miss Doris Shaw, Miss Margot Shaw, Miss Carolyn McNeely, Miss Coll Merriek, Miss Maxine Russell of Ballinger and Miss Jeanette Kinch of Fort Worth. They carried their music in white satin covers, marked with white ribbons and tied with orange blossoms.

Miss Dorothy Elliott attended her sister as maid-of-honor. She wore a frock of pale green organdy on molded lines with circular tiers that formed from her knees to the floor. With it she wore a large picture hat of natural colored straw. Her bouquet was of pale pink sweetheart roses.

The bride entered with her father and met the groom and his best man Dr. H. F. Harter of Clarendon at the altar. She wore an exquisite gown of white chiffon made on close fitting lines to the hips, from where it flares in the circular folds to the instep. The neckline is marked with princess lace. She carried a small white Bible.

An informal reception was held at the home of the bride, following the ceremony. Assisting the bride and the groom and the bride's parents were Miss Eloise

Norman, Miss Jeanette Kinch and Miss Maxine Russell.

Mr. and Mrs. Teer left immediately for a short wedding trip in Colorado. The bride's traveling costume was of dark green wool with accessories of beige.

The bride is the charming daughter of Judge and Mrs. J. M. Elliott, one of the foremost pioneers in the Panhandle. She was graduated from Memphis High School and later attended T. C. U. at Fort Worth, where she was chosen as the most beautiful girl for two consecutive years. For the past two years she has been teaching near Memphis.

Mr. Teer is the son of Mr. and Mrs. J. L. Teer of Belton. He is manager of the William Cameron Lumber Co. at Clarendon.

Mr. and Mrs. Teer will reside at 502 East First Avenue, Clarendon.

In bearing this out, we always send out statements on the subscriptions when they expire, or as soon as possible thereafter. This has been done this year with the usual results. Subscribers who have read the News for years are coming back for more and the list is mounting daily.

Incidentally, it might be mentioned that the force of the News has recently completed a card file for listing subscribers. A card is provided for every reader of the News and a complete record of the subscription is kept so that the person may be satisfied by inquiring the name only. Hereafter the name and address must be known but the new system has matters simplified so that the matter is simple. We would be pleased to show our readers just how their records are kept.

## BATS ARE KILLED OCCUPANTS ROUTED

Bats had become a nuisance around the back portion of the City Hall a short time past, so desperate means were taken to put them to flight. In the daytime, when all of them were in their hiding places the openings were all stopped and the bats were penned up in this close place. The result was quite gratifying. for the bats died in large numbers. It is to be supposed that large numbers of them met their death in this wise, for the Legion Hall portion of the City Hall was rendered untenable by the odor left. Passers by have noted the windows being open for the past few days and have wondered about the occasion and this information will be pleasing to them since it is to be explained that the bats have put their captors to flight for the present at least.

### GRATEFUL LADY PAYS TRIBUTE TO NEW KONJOLA

Now Giving This New and Different Medicine to Her Children—Read Her Statement

MRS. J. D. RHYNE

There is a reason why Konjola is America's best known medicine, and that reason can be summed up in just three words—Konjola makes good, even when all else tried has failed. Consider, as a typical example of Konjola's 32 ingredients at work, the case of Mrs. J. D. Rhyne, 616 East Eleventh street, Amarillo, who says: "I was in a terrible condition

### BLATCHLEY IS MANAGER AT ANTRO HOTEL HERE

E. A. Blatchley arrived in Clarendon the latter part of last week from Amarillo and immediately took charge of the Antro Hotel. Mr. Blatchley takes the place of Mr. M. H. Crowder, who has been in charge of this place of business for the past several months. Mr. Crowder will leave at some time this week for a vacation in Fort Worth, Dallas and Galveston before returning to Amarillo, where he will take a place with the Herring.

Rev. and Mrs. W. M. Murrell left Sunday on their vacation trip which will be spent in Mount Sequoyah and other points in the Ozarks.

For many years, with constipation, nervousness, indigestion and kidney and liver ills, it seemed no use to try medicines and treatments further, for I kept growing worse right along. I lost weight and had headaches and dizzy spells and bilious attacks. Food caused indigestion, and many a night I lay awake until 2 or 3 o'clock. But words can not express my surprise over what Konjola did for me. All of my ills have vanished and now I am giving Konjola to my children, and my husband is about to start the treatment."

Konjola is a medicine for all the family old and young. That is why Konjola is a household word in tens of thousands of American homes.

Konjola is sold in Clarendon, Texas, at Douglas and Goldston drug store, and by all the best druggists in all towns throughout this entire section.

### If baby has COLIC

CRY in the night. Colic! No cause for alarm if Castoria is handy. This pure vegetable preparation brings quick comfort, and can never harm. It is the sensible thing when children are ailing. Whether it's the stomach, or the little bowels; colic or constipation; or diarrhea. When tiny tongues are coated, or the breath is bad. Whenever there's need of gentle regulation. Children love the taste of Castoria, and its mildness makes it safe for frequent use.

And a more liberal dose of Castoria is always better for growing children than strong medicine meant only for adult use.

FAMILY DOCTOR MADE MILLIONS OF FRIENDS

Fifteen years after his graduation, Dr. Caldwell became famous for a single prescription, which now, after forty years, is still making friends.

Today Dr. Caldwell's Syrup Pepsin is the world's most popular laxative. Millions of people never think of using anything else when they're constipated, head achy, bilious, feverish or weak; when breath is bad, tongue coated, or they're suffering from nausea, gas, or lack of appetite or energy.

Dr. Caldwell's Syrup Pepsin is made today according to the original formula, from herbs and other pure ingredients. It is pleasant-tasting; thorough in the most obstinate cases; gently effective for women and children. Above all, it represents a doctor's choice of what is safe for the bowels.

### SOUR STOMACH

JUST a tasteless dose of Phillips' Milk of Magnesia in water. That is an alkali, effective yet harmless. It has been the standard antacid for 50 years. One spoonful will neutralize at once many times its volume in acid. It's the right way, the quick, pleasant and efficient way to kill all the excess acid. The stomach becomes sweet, the pain departs. You are happy again in five minutes.

Don't depend on crude methods. Employ the best way yet evolved in all the years of searching. That is Phillips' Milk of Magnesia. Be sure to get the genuine.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

### GUEST'S FEATURE LIONS LUNCHEON

JAMES E. FERGUSON AND OTHERS ARE AT LUNCHEON TUESDAY

Business matters have been relegated to the background of the Lions Club for the past few weeks, finding that a great majority of the members of the club have been on their vacations and have hardly yet turned to their business houses for the year.

Lion Caraway reported that the work of the first section of the highway was completed by the Jury of View and that their report had been turned to the court and that they had been discharged. The map of the second section, from Hedley to Clarendon had been completed but had not been approved by the Federal authorities. No further work on the highway in the county has been done for the reason that the department engineer has been removed and no man has been found to take his place.

James E. Ferguson who was in the city to fill a speaking engagement was one of the guests of the luncheon, stating that he was hampered to some extent in this being a luncheon at which no political addresses could be delivered. He spoke of the present condition of the country as compared with famous times in years past and indicated that there would be a great growth in the work of diversification program of the farming classes and that the people would depart from the idea of a single crop and that they would live at home rather than depend on a living from other sources. He was well received.

C. M. Spradley of Dallas and Arthur F. Meren of Dallas were other guests who expressed their pleasure at being with the Lions Club for the day. Mr. and Mrs. Richmond Bowlin of the Naylor community were again guests at the luncheon, Mrs. Bowlin making a series of remarks that were more than appreciated by the Lions and guests present. Mrs. Bowlin stated that this plan of living at home was all to the good, but that she had discovered that this was better when one brought a little more to town each visit made than one took back home with them from town. This gives a margin with which the loan at the bank may be paid and incidental expenses kept to a minimum. The net profits on the crop are then kept as a reserve for future needs.

D. W. English, a member of the Austin Lions Club was another guest who expressed himself as being pleased to meet with the gathering and become more acquainted with the membership of this section.

Lion Boykin reported that the efforts of the committee's work with the boys had about come to an end due to the great lead by the boys from the east side. Some boys were reached in this manner that could not have been reached in any other manner and it is thought that the work as started will be of some good to the future efforts put forth in this direction by the two civic clubs of the city. The work is to be continued through the Fall although no plans have been made as to how they can be worked.

A plan of entertainment will be planned for the boys of the baseball team and other matters will be cared for in the very immediate future that they may know that their efforts have been appreciated.

The appearance of the Wichita Falls Boy Scouts here on Thursday evening was mentioned and Lions with suggestions for their entertainment were asked to confer with Lion Boykin.

Adjournment as usual.

#### CITY TO BE SCENE OF JUNIOR MEETING

August 28th will mark a red letter day for the Junior age children of this immediate section of the Panhandle. Mrs. John Lofland of Memphis is director of this work and is known as the District Superintendent of Children's Work. Features arranged for the day include a program which will be presented in the Methodist Church at the morning hour, dinner in the park at noon and a free picture show in the afternoon.

The title of the picture is to be "World Friendship" and was taken in Japan and Mexico at the suggestion of the World Friendship Committee. The school is to be interdenominational and will be free to children of this age whether they live in the city or in other sections touched by the district organization. The object of the picture is to prepare the way for world peace by the training of children.

A small charge will be made for adults as there is a charge for securing the picture that must be paid. The Pastime Theatre is being given without charge by Mr. Mulkey.

Mr. and Mrs. McHenry Lane who are attending school in Canyon, spent the week-end with relatives here and at Lelia Lake.

used as a witness in the impeachment trial of Ferguson concerning the dissipation of an escrow fund of \$28,000 in Ferguson's bank at Temple, which finally showed to have only \$46 left for the beneficiaries and that said beneficiaries had never received what was due them. This speaker claimed forever set Ferguson against him.

Mr. Sterling was openly confident of the outcome of the primary on August 23rd and predicted that the good women and men of Texas would elect him governor by an overwhelming majority. "The real issue before the people of Texas on the 23rd of August is honesty and responsibility in government," declared Mr. Sterling.

Immediately after the speaking and the congratulations of scores of people of Texas on the 23rd of August is honesty and responsibility in government," declared Mr. Sterling.

### COUNTY TAX RATE REMAINS AT 75c

NO CHANGE MADE IN RATE COVERING TAXES FOR PRESENT YEAR.

The tax rate for Donley County is to remain at the figure set for this tax by the court in 1929, this being 75 cents. No change has been anticipated in the past few months and the tax rolls have been worked on this basis, the sheets being made ready for the collection of tax moneys to start October first.

This, coupled with the state tax of 69 cents, represents a raise of one cent on the State and County valuations as rendered to the Tax Assessor. The rate for the city has not yet been computed. The school tax for the Clarendon Independent School District will remain at \$1.00 as it is necessary that it be held at this figure to raise the required amount of money for the operation of the Clarendon school system.

In the eight districts which have been joined to the Clarendon College District for the purpose of maintaining the Clarendon Junior College as a tuition free school an additional 20 cents will be added to the State and County tax for purposes of operating the college. It is thus readily seen that the rate will be 89 cents plus whatever school tax applies in instance of Clarendon, this rate their particular district. In the will amount to \$2.64 plus whatever the city tax may be when it has been settled upon by the commissioners. It is thought that this will be set in the very near future.

Mrs. Dorr Ellis and Mrs. Charles Trent spent Thursday in Amarillo.

### UTILITIES MEET GREAT SUCCESS

ECONOMY IN OPERATION AND INCREASE IN BUSINESS ARE STRESSED

One of the most successful Employee's Educational meetings held in recent years in the local office of the West Texas Utilities Company was held here Tuesday. In the morning the usual procedure of the Manager's meeting was disposed of to the satisfaction of everyone concerned, this feature to be followed by a luncheon at the Clarendon Hotel. The luncheon was attended by all representatives of the company who were here from out of the city and from the local office.

In the afternoon the program as outlined in the last issue of the News was carried to a successful conclusion. The entertainment features of the meeting were made more popular by the presentation of Miss Lola B. Holmes and Miss Natalie Williams, both from the Shamrock office of the company.

The keynote of the entire meeting was probably found in the reading of a letter from Price Campbell, Vice President and General Manager of the company with headquarters in Abilene. This letter asked for a closer cooperation and a reduction of the overhead in all offices that the general depression might be met and the company carry on in the manner done in the past years. This letter met with the entire approval of those present, all of them signifying their intention of returning to their places of business to do their best to make up for the possible losses with new business in sufficient quantity to care for the loss sustained.

The following is a list of those in attendance from out of the city: H. H. Monk, Mr. and Mrs. Monty Garrison, Dewey Smith Bill Role, Alex Leslie, Alvin Cardenhead, Carl Hudson, Booker Grant, Mr. and Mrs. W. R. Cabaniss and Milo Dotson, all of Memphis; Mr. and Mrs. A. C. Hallmark, Chester Guthrie, Miss Natalie Williams and Miss Lola B. Holmes, all of Shamrock; Bee Handley, Paul Vinson, Ellswick Sherwood, and Mr. and Mrs. Oren Starkey all of Wellington; Chas. M. Lowry and Miss Jewell Everett of Hedley; Mr. and Mrs. Roy Kutch of Quitaque, Denver Powell of Estelline; Mr. and Mrs. Cecil Reavis of Turk; John Owens and Red Fuller from Matador; Mrs. Bill Roper, Abilene; Mrs. Verle Volk, Chicago; J. H. Austin, Federal Electric Company of Dallas and Miss Eudora Hawkins from Abilene.

T. D. Nored, local manager of the company, presided at the meetings and kept the ball rolling nicely through all parts of the event.

Among those from Clarendon who attended the wedding of Miss Frances Field of Groom and Mr. Roy Mosley of Wink, Texas at Groom on August 9th were Miss Ava Naylor, Mr. and Mrs. T. N. Naylor, Miss Minnie Naylor, Mr. and Mrs. Tom E. Naylor and son.

### MRS. PHEBE K. WARNER TO VISIT CLARENDON SAT.

Mrs. Phoebe K. Warner of Claude, Texas, well known worker for this section of the state has announced that she is touring the Panhandle in the interests of the candidacy of Hon. Ross Sterling for Governor of the state. Mrs. Warner will be accompanied by Miss Laura V. Hamner of Amarillo and will be in Clarendon at 2:00 o'clock, Saturday, August 16th. Her campaign will close with the stop in Clarendon, she having made more than seventeen Panhandle towns on this tour. The platform on which Mrs. Warner will speak is based on the following statements she has issued:

Because he is an honest candidate seeking the office in his own name.

Because his motive is patriotism; not vindication, or self seeking.

Because he understands the problems and struggles of both the masses and the classes.

Because he has a constructive mind. He is a builder, a character builder, home builder, state builder.

Because he knows how to successfully handle big business. Texas is a big business institution and demands a big business man to guide her destinies.

Because he is financially able to live on \$4,000 without being tempted to do a lot of crooked things to make an honest living.

Because he is a man that all Texas will be proud of on all official and state occasions.

Because in his private life he is a clean, dry, law abiding citizen—a worthy example to be placed before the youth of our state as our state leader.

Because he stands for law observance, law enforcement and honesty in government.

Because he will strive to be a true and loyal governor for ALL TEXAS.

### CAR AND TRUCK BURNED IN MONDAY NIGHT FIRE

Fire originating from unknown causes destroyed a Ford car and a Chevrolet truck belonging to W. B. Haile. The garage in which the cars were stored was also destroyed as the entire building and contents were thoroughly ablaze when the fire was reported. The gasoline tank on one of the motor vehicles exploded, scattering the blazing contents over the entire building, adding to the heat and fury of the blaze. Hose lines were laid and firemen battled the blaze for an hour before it was finally brought under control and put out. The cars were neither one covered by insurance.

### JERICHO CHURCH TO CALL PASTOR FOLLOWING MEET

The church at Jericho, which was revived in a recent series of services conducted by Hugh B. Lusk of this city. The series of services resulted in twelve re-claimations and four conversions. The church at Jericho has been almost disbanded due to no organization there. The Sunday school has been reorganized and the membership of the church is planning to call a pastor in the very immediate future.

Mr. Dorr Ellis of Borger spent Sunday with Mrs. Ellis and their son. Mr. Ellis is now employed by the Chevrolet people of Borger.

### COOPER HOME RECEIVES ATTENTION FROM WORKERS

The home of Mrs. F. A. Cooper, owner of the Clarendon Greenhouses, is receiving attention at the hands of workmen this week and is to be completely remodeled before they are finished with the task at hand. Three rooms are being added to the home and a new roof is being placed over all. The completed structure will be given a complete coating of stucco and the entire interior will be refinished to make this one of the most modern homes in that section of the city. The work is progressing at a rapid rate and will be ready for occupation in the very near future.

Mr. and Mrs. O. T. Smith and son, J. A., returned the latter part of last week from a two weeks vacation to points in New Mexico and Colorado.
