### "DUDE" GENTRY IS CHAMP HOG CALLER

FANNY PERRY WINS CLOSE  
HUSBAND CALLING TILT  
FROM MRS. JOE RITTER

Husbands and hogs were in great demand last Friday evening county gathered in the College auditorium and called the two aforementioned animals in the first Donley County Hog and Husband Calling Championship. Interest reached a feverish temperature as callers primed themselves for the contests as the huge crowd jammed the auditorium. The tense feeling which preceded the mighty vocal spectacle was somewhat allayed by soothing strains of old time melodies emitting from the stringed instruments manned by Elmer Palmer, head strummer, Joe David, T. D. Nored and Kutch Decker.

As things got under way each hog caller related to the audience the incident which promoted him to take up the gentle art of swine yodeler, and varied and interesting tales were told some of which were no doubt very true while others—well there were others. A number of hog pens and fences have been reported damaged by the inmates' desire to answer the plaintive and melodious calls of the contestants so earnest and sincere sounded the appeals.

Dude Gentry had the "ax" on the other contestants it was found by virtue of his loud and vociferous commands which had a tendency to penetrate to the furthest corners of the county's swine communities. By winning he brought honor and further dignity to the standing of the Alpha E. Clark Post of the American Legion under whose colors he was appearing. His chief competition A. D. Arnold of Ashtola with Messrs Bill Hatfield, T. E. Trostle, J. H. Ingram, O. H. Brewer, J. A. Ringwall and Dr. Shoffitt in close pursuit.

The real fun came in the husband calling event in which were entered three of the county's most feared husband directors. Miss Fanny Perry brought chills to the hearts of the male population present and handled one Mr. T. D. Nored in a very pleasing and forceful manner. Mrs. Joe Ritter proved a popular caller and it was reported that her spouse heard the first call but before he could traverse the distance to the caller the change in her call had vanquished any desire he might have had to make his appearance. Mrs. J. C. Estlack added quite a bit to the event with her splendid calling exhibition.

The event was declared a success and plans are under advisement to make the event an annual affair in the county, however, a larger place will be found to handle the crowds of the next event.

Dude Gentry entered the Panhandle contest at Amarillo and has qualified for the finals and Clarendon hog calling fans are backing the local entrant to bring back the big prize and the honor to Donley County.

In the finals at Amarillo Dude Gentry copped third place and a money prize of \$25.00 Wednesday night.

### McCRACKEN CALF IS JUDGED BEST

BABY BEEVES OF MONT.  
GOMERY AND BLOCKER  
PLACED 2ND. AND 3RD.

Before an interested crowd of spectators seven of the county's finest baby beeves were displayed and judged here last Saturday morning. All of the animals were fed by boys in the agricultural classes of the local schools under the direction of G. L. Boykin, instructor. Harry McCracken's baby beef carried off the grand prize of \$5.00 and the blue ribbon with Joe Montgomery's and Johnny Blocker's whitefaces coming in with second and third places respectively.

The prize winning animal weighs 950 pounds, an increase of 450 pounds over its weight when the feeding process was started. Harry took the calf on last September 1st from the stock of the John F. Blocker ranch and has fed the animal until March 3rd, when it will be sold, for only \$22.50. This amount includes all the feed costs for the entire time of feeding which places the cost of producing a pound of beef at five cents. The winning animal is a handsome dark Hereford possessing splendid all-round markings. Harry has done a great deal of work on his feeding project and experts believe the local winner will push the other entries throughout the Panhandle section for top honors this week at the stock show in Amarillo.

The other entries in the show were stock fed by Alfred McMurtry, Charlie Word and Bob Word.

### ROTARIANS GIVE DRAW- BACKS TO PROFESSIONS

Only two members were absent last Friday noon at the regular luncheon of the Clarendon Rotary Club. The International Service Committee was in charge of the day's program and as such asked each member to outline the disagreeable features concerning the business or profession in which he is interested. Following these discussions the club adjourned to meet again on this Friday noon.

### GORGEOUS REVUE HERE MARCH 11TH

LIONS CLUB SPONSORS BRIL-  
LIANT "SCANDALS" PRO-  
DUCTION IN CITY

News which will bring gladness to every heart and smiles to the lips of lovers of brilliant stage and musical productions was received by Clyde J. Douglas, chairman of the major activities committee of the Clarendon Lions Club, yesterday from J. C. Paschall, chairman of the Crippled Children's Council, Inc. of Amarillo in which he agreed to stage the "Scandals of 1932", tremendous stage hit of Amarillo, in Clarendon on the evening of Friday, March 11th. Never before in the history of Clarendon has there been attempted a production of such magnitude and sparkling stage scenes and costumes as this Broadway show will bring to the people of Clarendon and Donley County.

The "Scandals of 1932" is said by critics to be far superior to any production staged in Amarillo by the Crippled Children's Council in previous years. The local talent has always been a popular attraction for Amarilloans, but the success of this year's "Scandals" has prompted the producers to stage the colorful attraction in surrounding communities for the further benefit of the crippled children of the Panhandle country. The members of the troop enjoy the work so greatly that they are especially

### PROCLAMATION

Whereas, in the building of the social structure of our great nation, the sons of our democracy have been credited with many deeds of loyalty and valor while the daughters of this great republic, sharing alike in the responsibility of its progress, have received comparatively no attention, and

Whereas, the women of today not only bear the responsibility of guiding the future good citizenship but contribute a majority service in the advancement of art, science and business enterprise, thereby rendering the principal service toward the advancement of our government and nation, and their importance cannot be over emphasized.

Now, Therefore, in recognition of these great achievements, and relying upon the unrivaled integrity of the business and professional women of this city, state and nation, I, W. P. Cagle, Mayor of the City of Clarendon, do hereby proclaim the week of March 6th to 12th, heretofore set aside by the National Federation as Business Women's Week, and request that all citizens of Clarendon recognize and observe this time to honor this great organization of the women of our nation.

In testimony whereof, I hereunto affix my official title as Mayor of the City of Clarendon this the 3rd day of March, A. D. 1932.

W. P. CAGLE, Mayor, City of Clarendon.

### PRESBYTERIANS IN GRIPPING REVIVAL

REV. JAN McMURRY PROVING  
TO BE POWERFUL EVAN-  
GELIST IN MEETING

Large congregations, stirring singing and gripping sermons have marked the special meeting which began last Sunday at the Presbyterian Church. Rev. Jan McMurry of Quana, who is conducting the series of services has proven to be one of the most popular evangelists ever to visit this city and has held the undivided attention of his hearers at every service.

Never in the life of the local church has interest risen to such heights in the church services. Crowds larger than ever before seen in the church have been filling the auditorium of the place at each service, and indications point to over-flow crowds during the remaining services of the meeting.

The revival will continue every night this week at 7:30 o'clock

### PROGRAM FINISHED FOR BIG BAPTIST CONVENTION

Rev. B. N. Shepherd, pastor of the First Baptist Church of this city handed The News editor a copy of the program which will be followed in the big three-day District 10 Sunday School and B. T. S. Convention which will convene here April 5th, 6th, and 7th. The program is a very complete and interesting outline of the fine work which will be guests of the local

work which will be accomplished by the 900 or more delegates Sunday morning and will close with the evening service Sunday night. A number of vitally interesting topics have been announced. Be sure to hear Rev. McMurry.

### NEWS INVITED TO PRESS EXHIBITION

HONOR COMES TO NEWS  
FROM ALL NATIONS PRESS  
EXHIBITION IN EUROPE

The Clarendon News received a signal honor this week when a foreign post-marked and stamped envelope brought an invitation to the "Old Hometown News-

church and the city of Clarendon during the meet. The program committee was fortunate indeed in securing the services of Andrew Allen of Dallas State Sunday School worker, to appear on the program twice during the convention. Mr. Allen is one of the outstanding Sunday School workers in the Baptist Church and his messages will be well worth the time of everybody to hear and study.

Space is too limited this week to carry the program in detail, but the whole program will be found in next week's issue of The News.

The News is this week preparing an exhibition which will be forwarded to Tiflis in the next few days hoping to add something to the exhibits while at the same time, bringing a welcome smile to the face of some wandering American or Texan who might chance to see it in that remote city of Europe.

Quaint English marks the invitation which is reproduced verbatim as follows:

### BAND IS GREAT HIT AT S. SHOW

COMPLIMENTS COME FAST  
DURING BROADCAST AND  
THROUGHOUT DAY

Another tremendous success was scored by the Clarendon High School Band under the direction of Gus B. Stephenson yesterday at the Fat Stock Show in Amarillo. It was Clarendon and Donley County Day in Amarillo and the crack musical organization wearing the smart purple and white uniforms won the hearts of thousands of Panhandle people and centered the eyes of the country upon Clarendon with their sparkling music.

Leaving the city at 8 o'clock the delegation arrived in the show city shortly after 10 o'clock, assembled and paraded through the business streets of the city and finally halted in front of the Amarillo Daily News building where a courtesy serenade was given Col. Erasmus Tack and his fellow newspaper comrades. A royal welcome was handed the visiting group and the band disbanded to appear in the Amarillo Hotel at 12:30 o'clock where Radio Station WDAG had arranged a special broadcast. Before a crowd of lobby of cattlemen and stock show visitors the local musicians once more placed Clarendon before the ears of the Tri-State section with their various offerings of martial airs, overtures and popular numbers. Mason King, of the Amarillo Chamber of Commerce, praised the band and the director for the splendid musical organization which had added so much to the Stock Show on that day. Mr. King commented Clarendon for having such an institution and pointed out just what the band meant to Clarendon and Donley County in an advertisement and good-will manner.

More people were made happy a short time later when the band appeared at the Stock Show arena and played during the exhibitions, adding zest and color to the afternoon performance. Still another performance was made by the band this time at the Auditorium where hundreds of others applauded the offerings of the organization. For thirty minutes before the opening curtain of the Royal Purple Revue the local band entertained the customers with a splendid program after which they were guests of the Amarillo Chamber of Commerce and Fat Stock Show at the stage performance.

WASHINGTON CELEBRATION  
AT HEDLEY FRIDAY EVENING

A public celebration of the Bi-centennial Anniversary of George Washington will be held at Hedley Friday evening at seven-thirty o'clock under the auspices of the Hedley Masonic Lodge.

The Clarendon High School Band will play for the celebration. The program will consist of patriotic music, quartettes and addresses. Clarendon speakers on the program will be Judge W. T. Link and Supt. H. T. Burton, and a large attendance is expected. The meeting will be held at the school auditorium.

### SHERIFF'S DEPARTMENT HAS BUSY DAY TUESDAY

Shortly before 5 o'clock Sheriff Pierce was called long distance from Claude and a robbery was reported of a garage in that city a short time before. The Claude law informed the local Sheriff the robbers were headed towards Clarendon and to be on the lookout.

The Sheriff and deputy Ike Raines leisurely patrolled the highway west until a car passed at an unuspicious rate of speed. Just to make sure the local officers gave chase and upon getting close the pursued automobile rapidly picked up speed thereby giving the officers the needed tip.

Running close to 70 miles per hour when passing the city on the north side of the tracks the car turned over and was demolished as it failed to make the sharp

### THE ROYAL PURPLE REVUE

One of the brilliant choruses which will draw huge crowds to the College Auditorium Friday evening, March 11th, at 7:30 o'clock.

anxious to play before the local audience.

The producer has had years of experience in some of the largest and most successful Broadway revues and has brought to the people of this country a masterpiece of color, music, chorus, dance and novelty numbers which is seldom seen short of first class professional troops.

The Royal Purple Revue, now showing at the Fat Stock Show at Amarillo, is one of the ballet groups which will be included in

the personnel of the show as will be staged here. It is certain that many a year will pass before a chorus possessing such a beautiful and dazzling group of charming young women will be seen upon the stage in the vicinity of Clarendon. There will be no skimping of acts due to the limited stage and house equipment and the numbers will be exactly as they were offered the thousands of people who swarmed the huge auditorium in Amarillo night after night last Fall. The entire pro-

duction will go to the relief of the crippled children of the Panhandle and aside from being the outstanding stage production ever offered the people of Donley County, every one owes his presence to help this worthwhile and humanitarian movement sponsored by the Lions Clubs of this section assisted by a number of other service clubs in Amarillo.

Miss Onata Hayter is spending a time in Dallas with relatives, going down last week.

### CHOIR BEGINS ON EASTER CANTATA

ANNUAL EASTER PROGRAM  
WILL BE RENDERED ON  
EASTER SUNDAY

The annual Easter Cantata of the Methodist Choir will be rendered on Easter Sunday Night, March 27th, according to plans recently perfected, and a very finished program of music is anticipated.

Work has already begun and weekly rehearsals are being held each Friday evening at seven o'clock, with several singers of the city not regular members of the choir assisting. The cantata selected this year is Wildermere's "Victory", and is proving to be one of the most difficult numbers ever attempted by the local organization.

While there is the usual four-part choruses, there are several more soli, duets and trios than usually encountered in the modern cantata, the whole work being one of unusual brilliance.

Miss Fray Stallings will play the organ accompaniment, and a piano will probably be added if such can be arranged, with Miss Delphia Bones at the keyboard. The program will be under the direction of Sam M. Braswell, conductor of the choir. Further details of the program of the evening will be announced later.

Misses Edna Butler and Betty Weatherly spent Sunday with friends in White Deer.

### A SUGGESTION THAT CANNOT BE ACCEPTED

Occasionally one has a suggestion offered which cannot be accepted, even though it has a lot of common sense packed in it.

The News had just such an experience this past week, when a certain citizen commented on the News' Most Useful Citizen Contest for 1931, and while giving the idea his commendation, yet he suggested that The News conduct a similar contest for the discovery of the Most Detrimental Citizen for 1931. The gentleman urged that his idea was not a hoax, but that such a selection would point a moral, and having done so, might be the means of waking some people up to their duties to their community and their fellows.

We can see the good that might come from such a project, all right, but here and now this editor openly declares neither he nor The Clarendon News will ever stage such a contest. We doubt the winner of such an event would be overjoyed at his selection, or discovery, and there might be several unfortunate results following close on the heels of the announcement of the Most Detrimental Citizen.

And yet, Clarendon, this community—all communities—have every twelvemonth some certain resident who has justly earned the title of the Most Detrimental Citizen. God save us from his kind, and may his tribe decrease.

### DONLEY COUNTY IS CALLED NAMES

In a recent edition of the Amarillo News-Globe, Editor T. E. Johnson, in his "Plain-Speaking" column recounted some of the difficulties that beset the state in the matter of completing cardinal highways, and listed Donley County as one of the "stumbling blocks" here in the Panhandle. Read it:

"The two stumbling blocks now to completing main highways are in Donley and Oldham counties. Oldham will vote on a bond issue March 5; Donley has made no provisions toward financing its share of No. 5, looked upon by the state as the 'worst road in the Panhandle.' Disputes over routing the road below Clarendon have kept Donley county from launching any program to pave. Unless Donley citizens unite soon on some plan, the state will be forced to build a part of the road without local aid, and whenever it does, it will locate the road without regard to the claims of Donley citizens.

"Both the state and federal governments realize the imperative need of an improved road between Clarendon and Memphis, and if they are forced to pay the full cost, the road will be built on a straight line between the two points, missing Lelia Lake, Hedley and other communities."

### THREE MEN NOW CONTROL HIGHWAY DESIGNATION IN DONLEY COUNTY

Highway development in Texas and the Panhandle has been so rapid and continuous in the past few months that today there is very little time to be lost if Donley County is to have any voice in the routing of its state and federal highways.

There has been much effort on the part of a few citizens within the last few months to get routings suitable to the convenience of Donley County people, but there has been relatively little accomplished.

With only a few days left in which anything can be done about highway routing in this county, there are just three men among us who have the power to get for us what we are wanting.

Those three men are the majority of the Commissioners Court of Donley County. Which three of the five?

### CLARENDON MADE A GOOD SHOWING

Clarendon and Donley County made a splendid showing at the Fat Stock Show at Amarillo this week, receiving many compliments from the civic leaders of that city on the co-operative spirit evidenced by our people.

Our boys placed in the list of winners for calf feeding, our hog caller did extra well, our High School Band was one of the high spots of the show, and our delegation of visitors was numerous and active.

It's no small thing for a community to co-operate in sectional movements, and Clarendon and Donley County have proven their merit this week at Amarillo.

### THE CRIME OF A MADMAN

Expert criminologists most all agree that the kidnapping of the Lindbergh baby is the work of a fanatic or a madman.

This noted crime news of the week brings close to the hearts of every parent in America the need of immediate and drastic law enforcement along all lines. No home and no sentiment is safe with such acts of crime openly practiced in this nation.

The law—all law—must be enforced.

### D. O. BEENE ASKS FOR REPRESENTATIVE SEAT

D. O. Beene, an attorney of Mobeetie, this week authorized the News to announce his candidacy for the office of State Representative of the 122nd Texas District, subject to the Democratic Primary July 23rd, 1932.

Mr. Beene promises an intensive study of the many problems faced by the varied interests of this District. Realizing as he does that the 122nd District has within its boundaries, almost all lines of business to be found in any Texas District. He believes the State should take over the entire burden of State Highway building, and should assume the outstanding bonded indebtedness of the counties and Districts created for State Highway construction, to end that the real and personal property of the citizens of this State should be relieved of the burden of State Highway building, and that burden passed on to those who use the roads.

"In order to accomplish this" Mr. Beene said, "I would favor the submission to the people for their approval or rejection the constitutional amendment authorizing the issuance of state-wide bonds for this purpose, or if it

is found to be possible to do this by a 'pay as you go plan' whereby the State could provide for the refunding of the county and district road bonds out of the mileage tax on gasoline consumed on highways of this state, and out of its registration fees of motor vehicles, and provide for a continued program of Highway building, without the issuance of state-wide bonds, then I would favor that."

Mr. Beene promises to work for a sound, sensible and economic administration of the state's affairs. He is a native Texan, spent all his life in the State, and has resided in Wheeler County for the past five years; having come to Wheeler County from Wichita County in 1927. Mr. Beene taught school in the public schools of this state for six years before being admitted to the bar in 1916. In addition to his work as an attorney he has been engaged in numerous activities in public affairs. Having served as president of the County Board of School Trustees of Wheeler County, and is at present secretary of his local school board. Through this experience he believes he is qualified to know something of the needs of the schools of this state. He says he will see as many of

the voters as possible and will discuss with them the needs of the district.

### MEDICAL OFFICERS EXAMINATIONS ARE ANNOUNCED

The United States Civil Service Commission has announced that until March 22 it will accept applications for positions of senior medical officers, medical officers, and associate medical officers qualified in cancer diagnosis and treatment, to fill vacancies in the United States Veteran's Administration throughout the United States.

The entrance salary for senior medical officer is \$4,600 a year, for medical officer \$3,800 a year, and for associate medical officer \$3,200 a year.

Full information may be obtained from Norma Rhodes, Secretary of the United States Civil Service Board of Examiners at the post office in this city.

### A FRANK STATEMENT TO

### THE GOOD PEOPLE OF CLARENDON

### AND DONLEY COUNTY

After having spent twenty-five years in Clarendon in the operation and building up of a first class Barber Shop, and in the service of the good people of this section, I feel that I should express my sincere thanks for the splendid patronage that has been given me in testimony of the fair dealings, good equipment and skilled workmen I have always employed. But at the same time I want to say

### I Am Not In This Price War Now On In Clarendon

With my heavy investment, with the present low level of business, and with the high grade of workmen I intend to maintain, it is impossible to make a living or a fair return on my investment at lower prices for good work.

After due consideration, I want to explain my position and situation in regards to the reckless cutting of prices below the profit level, and to assure you that we will continue to maintain the highest order of barber service you can get, and at the usual fair prices. On this basis, I solicit your patronage in the belief that Donley County people are just and fair on such matters.

Yours for High Grade Barber Service

This contest has been waged over a period of several weeks and has created much interest among the members of this class.

The rooms of the Brumley home had been tastefully arranged with spring flowers and games and contests were played following the regular business session. Mrs. Rolle Brumley pleased the gathering with a beautiful vocal solo and Mrs. Bill Bromley gave one of her enjoyable readings before the guests were invited to prepare their own refreshment plates. After securing a plate and silver they were issued packages which when opened were found to contain a lovely afternoon lunch. About twenty ladies enjoyed this delightful affair.

## Missionary Society Has Open Meeting

Members of the Missionary Society of the First Christian Church invited their husbands and held an open meeting on Wednesday evening at the church with Mrs. Frank White and Mrs. J. R. Tucker acting as hostesses. During the business session meeting Mrs. H. Carver, Mrs. R. E. Paxson, Mrs. Frank White, and Mrs. F. C. Johnson gave interesting talks on some of the mission projects.

A social hour was also enjoyed in the basement of this church with the hostesses serving dainty refreshments.

Beatrice O'Neal of Hoover, spent the week end with her sister, Mrs. Charles Trent and Mrs. Richard Wilkerson.

Mr. and Mrs. Lynn Christopher and son, Sidney of Silverton were guests of Mrs. Richard Wilkerson on Sunday.

Mr. and Mrs. J. L. McMurtry were in attendance at the Fat Stock Show in Amarillo on Monday.

## JUNIOR HIGH ASSEMBLY

Friday afternoon Jr. Hi had chapel. We sang several songs which were composed by Stephen F. Foster, the Southern composer.

A violin solo by Bobby Boston, a negro tap dance by June McMurtry, a vocal duet by Aubrey Brady and Nicky Stewart entitled "Uncle Ned", a piece "Old Dog Tray" by the Choral Club, and last but not least an interesting talk on "Good Citizenship" by Mr. Tom F. Connally made up the very enjoyable program.

## EIGHTH GRADE'S DESIRES

Lowell LaFon wishes he had straight hair.

Anna Moores wishes she was a Bolder Blonde.

Bobby Boston wishes he was tall and slender.

Sarah Virginia wishes she would hurry and be a sweet sixteen.

Avis Lee wishes she was short and pleasantly plump.

A. J. Smith wishes he was a brunette and handsome.

Travis wishes she had little feet and curly hair.

Charles Wisdom wishes every one would quit pickin' on him.

Dorothea Jo wishes she was a heart breaker.

## MUSIC PUPILS ENJOY WEINER ROAST

Friday afternoon the pupils of Miss Christine Stroder with Mrs. J. L. McMurtry and Mrs. Chase were entertained with a weiner Roast.

Pupils attending were Joy McCanne, Jo Ellen Kennedy, Dorothea Watson, Anna Moores Swift, Vivian Taylor, Ila Deal, LaVerne and June McMurtry, Arthur Chase and Elizabeth Drennan.

## SENIOR CLASS PLAY

Last Thursday the several members of the Senior Class were told of the class play and were assigned their respective parts. The members chosen for the play were Charles Walker, Lois Wallace, Lola Barnes, Isla Smith, Loma Ayers, Afton Lusk, Robert Green, Ruth Cauthen, Harold Hams and Lu McClellan. The name of the play is "Oh Susan" and is written in four acts which require about 2 hours time. The play is scheduled for March 24, in the College auditorium.

## Alpha Delta Psi Society Activities

Mrs. Carver gave a review of "Great Meadow" by Elizabeth Maddox Roberts last Wednesday at the regular meeting of the Alpha Delta Psi Literary Society. The story of "Great Meadow" was revealed in a most interesting manner. It deals with early life in Tennessee, when that state had just begun and it also revealed some very strong characters. That story consumed the program hour. Following the review, the business meeting was conducted. The minutes were read and approved and the roll was checked. Instead of the regular meeting next week, there is to be a picnic supper on Tuesday evening, March 1st.

## ASSEMBLY ON FRIDAY

Friday morning at 8:30 the High School and College students met in assembly to hear Judge J. R. Porter give a talk on citizenship. At the beginning of his talk he traced the origin and development of citizenship and said that to be a Roman citizen was once a high honor for any person, and that anyone who had this honor valued it highly. Judge Porter stated that he thought the people of to-day take their citizenship as a matter of course. They do not value it as highly as they should; yet, of course, it is our duty to obey the laws of our country and to try to keep the citizenship that has already been obtained for us. As a second characteristic of citizenship the speaker emphasized the importance of service.

This talk was given as a feature of the national observance of citizenship week. It was very interesting and was enjoyed by both the students and the faculty.

## CLASS ORGANIZATION

A suggestive topic discussed at Press Club By Bill Word.

Clarendon Junior College is a very individual school. I must admit that there are innumerable schools of which I have never heard; on the other hand, out of all the schools of which I have read, heard stories of, and seen, none have been without class organization. In this report do I say that our school is individualistic. There is no form of class organization, there is not even a president of either class. Of course we do not attend school for the purpose of learning to organize classes, but it is a great help to know this procedure. But this long sacred school practice is entirely lacking in our institution. Due to this negligence, carelessness, or what you may wish to call it, there is very little if any feeling of class spirit among the students. The activities of any of the high school classes will out number the activities of the college classes. Were it not for the two societies I doubt very much if there would be any activities what-so-ever. With due respect and apologies to every one concerned I wish to relate for the public an incident which took place not long ago. A parent of one of the freshman classmen died. So lacking was

## AGRICULTURE NOTES

During most of last week the Agriculture class were helping the judges prepare for the judg-

class organization that one of the class members was forced to take upon himself the purchasing of wreath. Fellow students, I ask you is this school spirit? Should a class be so disorganized that it could not care for an emergency in any other manner.

Soon, we all realize, school will be out. Graduation exercises are to take place. I am wondering how the college graduation class is going to be able to meet their obligations. They have no period of meeting to discuss such matters. They have no president to care for their business. The teachers are willing to do all that is in their power to assist, but they do not have the time to spend. Probably if they were to go ahead and plan the programs no one in the class would be satisfied. Yet we students have no one but ourselves to go on for month after month letting things rock along as they may, we should raise no cry when we are disappointed in ourselves and our classes.

Fellow students of Clarendon College, you especially do I want to take this to heart. "If the shoe fits wear it; if not take it off." Does the shoe of disorganized classes fit? Or do we desire efficiency in class activities and organization? Let us organize before it becomes too late.

ing at Amarillo. They went to Clyde Hudson's to see some calves to M. P. Gentry's farm to see some hogs, to Nollie Simmons to see pigs and hogs, and to Lim Taylor's and Elby Ballew's to judge fat lambs. There were no classes Monday nor Tuesday because Mr. Boykin had to be in Amarillo.

Saturday morning Joe Montgomery, Harry McCracken, John Blocker, Alfred McMurtry, Bob Word, and Charlie Word showed their calves just south of the Y. M. C. A. building. The judging tea that went to Amarillo practiced on these. Harry McCracken won first place, Joe Montgomery second, Johnny Blocker third, and Alfred McMurtry fourth.

The judging team from Clarendon went to Amarillo Monday. The team is composed of Harry McCracken, Alfred McMurtry, and John Blocker, Asa Yates, Emmett Simmons, and Lavern Goldston were substitutes. The judging started at 10:00 o'clock. Each one judged and turned his cards in. They had to judge fat Hereford calves, fat barrows, Poland China gilts, and sheep. About 1:30 they were taken into a small room to give the reason for their selection.

## Palo Duro Literary Society

When it takes two radios to finish off the evening, it is a fairly accurate sign that the party is a success. This one surpassed such positive classifications, the Palo Duro Literary Society Dance was excellent.

When the guests arrived at the Parish house on the night of February 24, the polished floor and the dance music were awaiting them. By eight-thirty o'clock the dance was in full glory. Some hours later, however, the radio took 'time out', so another one substituted for the remainder of the dance.

As this was to be the last Palo Duro Dance before the mid-semester examinations, every one seemed to use his time. Not a dance was lost; and it was somewhat late when the music was turned off.

Enjoying this evening of dance tunes were: Misses Pauline Sanford, Carol Holder, Jean Bourland, Joyce Link, Dorothy Jo Taylor, Roberta LaFon, Eunice Johnson, Nola Gordon, Hazel Gilbert, Ruth Donnell, Lucile Andis, Pauline Shelton, Benton Smith, Buck McKinney, Mike Stricklin, Carroll Hudson, Tony Watson, Glenn Allison, Byrum Haile, Sam Cauthen, Jim Cornelius, Steve Green, Winford Gattis, Clyde Slavin, Dick Nichols, Joe Noble, Bill Word, Bill Wood, Alex Cooke, and the sponsors, Miss Ineva Headrick and Mr. and Mrs. L. ## WOMEN: watch your BOWELS

What should women do to keep their bowels moving freely? A doctor should know the answer. That is why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles.

It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other harmless ingredients.

When you've a sick headache, can't eat, are bilious or sluggish; and at the times when you are most apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles), and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!

LOCAL HATCHERY ASSET TO CITY

PREMIUMS PAID TO LOCAL RAISERS FOR EGGS OVER \$22,000 IN TWO YEARS

Little as one might think, one of the worthiest institutions in Donley County is the Clarendon Hatchery, owned and operated by Frank White, Jr. Mr. White took time from his work yesterday afternoon to show The News representative through his modern hatchery plant and explained the several interesting points and also to go over the records of the plant since it began operation in 1929.

Since January 23rd, 1929, the day the first setting was made in the giant incubator, there has been more than 2,650,000 eggs placed in the large trays. As a result there has been considerably more than 2,000,000 chicks hatched therefrom. Only this Monday 7,515 eggs were placed in the incubator and will be ready to turn to chicks within three weeks.

"Of course the depression has had its effect on the hatchery game as in every other line of business," explained Mr. White, "but contrary to the belief of a large number of people we have hatched far more chicks this year than was hatched last season." It was further explained that the economic situation had hurt the price to a far greater degree than it has cut down the number of eggs in the custom and individual hatchings. In 1929 the average price per chick was 15 cents, while at the present time the average price is approximately 8 1/2 cents per chick.

The greatest asset of the local hatchery to the community has been its custom of paying for good eggs to the local flock owners. In the past two years the Clarendon Hatchery has paid \$22,000 above the market price for such eggs. This money of course is turned loose in the community, and has helped materially during these times.

Shipments of eggs have been made from Pennsylvania, Oregon, Missouri, and varieties of fowls have been hatched in the local incubators.

Sheriff's Department

turn at the old Baker Gin corner. Luckily neither of the occupants of the car were injured and upon extracting themselves from the wreckage lit out on foot towards the railroad tracks. Darkness made the chase futile and a search of the early northbound passenger proved fruitless, however the officers cruised the country roads until deputy Raines sighted two men tramping down the right-of-way in the cut near Lelia Lake. When the auto was turned to them they turned and ran for cover in a culvert and were soon cornered and hauled back to the local bastille. One of the fellows still had the papers on the car, the only evidence which proved their guilt. Officers from Claude returned the duo, one of which gave the name of Leonard Booth, to Armstrong county where they will await trial.

Tuesday night three young men in a car were noticed by the local officers by their suspicious movements and were finally apprehended in a blind lane near the A. T. Jeffries place and several gallons of liquor seized. The violators were caught as they were attempting to pour the whiskey out on the ground and were brought to town and lodged in the county jail.

Sheriff Pierce is well pleased over the apprehension of the whiskey transporters as he believes the above crew have been supplying liquor for local bootleg agents for a good while. The trio gave their home as in Oklahoma but the automobile license proved to be a Collingsworth number. They will be held here until the March term of court.

TO OUR WIFE AND MOTHER:

To you we pay homage, we will ever cherish they memory. For thou hast been a brave soldier, standing at thy post of duty, through life, unhonored and unrewarded for thy noble service.

To you, who dried our tears and your own withheld;

To you, who soothed our pains, and your own overlooked;

To you, who heard our cries, and your own choked back;

Today, we pay thee homage.

Thou hast been truly great, for Jesus said, "He that is Greatest among you, let him be servant of all." And thou hast served us all.

Today we are made to realize, "How blessings brighten as they take their flight."

We will not say thou art dead; "Thou hast but passed beyond the fog that blinds us here."

In loving remembrance,

C. H. Ellis and Children.

TEXAS HISTORY IS LIONS TOPIC

LION PATRICK DELIVERS INFORMATIVE ADDRESS OF SAM HOUSTON

In commemoration of Texas Independence Day the Clarendon Lions Club program was devoted to that subject. With Boss Lion Boykin out of the city Vice-President Lion Ira Merchant presided over the meeting and turned the program for the day over to the committee composed of Lion Holman Kennedy, Chariman; J. T. Patman and Clyde Douglas.

One question relative to the early history of Texas was passed to each of the members and guests present and as Lion Patman called the question the person holding the same gave the answer. It was very interesting and instructive program feature and a number of the questions made the round unanswerable.

Following this Lion Kennedy introduced Lion Patrick who delivered a brilliant brief address on the life and accomplishments of Sam Houston. Starting with the earliest days of the Republic and linking the domestic tragedy which led Sam Houston. Brilliant young statesman from Tennessee, to give up his public affiliation, Lion Patrick, related how the lives of the man and country were entwined. Following came the story of Sam Houston's life and character and several of the interesting points in the history of Texas.

Guests for the day included Rev. Jan McMurry, visiting evangelist from Quanah, Dude Gentry, Lion Bartlett from Childress and Mrs. Rich Bowlin.

Announcement was made by Lion Bartlett of the Lions Benefit play to be given at Childress on Friday evening and the local

members were invited to attend. The spring attendance contest was announced and every member was urged to either attend or make up his attendance for the coming eight weeks in order to maintain the 100 percent record of the fall campaign.
