State Highway Commission Offers To Hard Surface No. 5 Through Donley Co.

Donley Farmers Receive Soaking 2.45 Inch Rainfall

State Will Spend \$600,000.00 In Donley In The Immediate Future If Right-of-way Is Secured

The following telegram was received at noon from editor Sam M. Braswell who is attending the sessions of the Texas Press Association at Mineral Wells and who conferred with Judge Ely at that city this morning. The telegram:—

MINERAL WELLS, TEXAS, JUNE 9, 1932.

CLARENDON NEWS,
CLARENDON, TEXAS.

Conference with Judge Ely, Chairman Highway Commission, this morning makes new offer to Donley County. Will grade, drain and hard surface Number Five through County without clause, "When Funds Are Available," if County will furnish right of way. Department determined to close gaps on five and this gives final opportunity to keep road through Hedley and Lelia Lake. Means spending of \$600,000.00 in Donley if court can finance twenty-five thousand for right of way. Formal offer to court at next session.

LIONS SELECT LUBBOCK FOR '33 MEET

DISTRICT "T" WINS LIONS SHARE OF HONORS AT DALLAS CONVENTION

Lubbock was chosen as the convention city for the 1933 convention of the Texas State Lions meeting Tuesday at the final session of the Dallas convention. With the selection of the Panhandle city for the next convention West Texas and the Panhandle stole the show at the Dallas meeting. Chas. H. Dean, Jr., of Dimmitt and formerly of this city, won the speaker's contest and will represent Texas in the International Contest. Sam M. Braswell, retiring District Governor, was endorsed by the Texas delegation for a position on the International Board of Directors.

Herbert Walker, Pampa, was elected governor of T district, succeeding Sam. M. Braswell, Clarendon; F. L. Kuykendall, Albany, E district, succeeds Horace Conley, Eastland; Dr. William Wright, Paris, X district, succeeds Oscar B. Jones, Greenville; Charles Nixon, Del Rio, A district, succeeds N. H. Pierce, Menard; and Bob Lyles, Austin, S district, succeeds B. E. Quinn, Beaumont.

The initial letters of the five districts spell the State's name, "Texas."

S. A. (Sandy) Stewart of Dallas was unanimously re-elected secretary.

Mr. Hyer declared that in number of clubs Lions' International is today the largest service organization in North America. The Texas membership, he said, is 5,456.

In resolutions adopted the group indorsed and praised the work the State is doing for the blind and voted co-operation. A 34c assessment against every member was voted to provide distribution of the Lions' Juvenile Braille Magazine to all blind school children in Texas.

The group also indorsed the Texas Centennial project, to be held in 1936, and suggested that in the same year the twentieth anniversary of Lions' International be observed appropriately. Those attending as delegates from the local Lions Club were President G. L. Boykin, Ira Merchant, O. C. Watson, W. H. Patrick and District Governor Sam M. Braswell.

BARBECUE AT COUNTRY CLUB IS DAMP AFFAIR

A little matter like a high wind and a cold blowing rain failed to dampen the ardor of approximately 125 chicken barbecue devotees who in spite of the elements stuck to their posts and consumption of the fowls and supplementing goodies was something enormous. The barbecue was done by Walter Taylor, C. C. Powell, Chas. Trent, and Odos Caraway. The members brought various and sundry edibles which would tempt the appetite of nobility.

OZIER RE-DECORATING BUILDINGS ON KEARNEY

Further marks of progress was seen this week as E. M. Ozier is remodeling his buildings on the north block of Kearney Street. The building housing the Shelton & Sanford Grocery firm is receiving a new coat of brilliant green paint which increases the attractiveness of the place of business a great deal. The building which formerly housed the Nook Drug is receiving a thorough remodeling and redecorating job and will be one of the most attractive places in the city.

CHILDRESS - CLARENDON GOLF MATCH NO CONTEST

The rain last Sunday afternoon drowned the Clarendon-Childress Caprock Golf League match with only eight matches finished, of which Clarendon had won seven, and as a result the match was declared no contest. It is practically certain the match will be replayed on the Memphis Country Club Course on Sunday, June 17. This is agreeable to the local club in view of the fact that the following week the locals are scheduled to play the Memphis team on the Hall County course.

Mrs. Ralph Kerbow and daughter have returned from Claude where they visited with Mr. Avery, father of Mrs. Kerbow. Mrs. Paul Smithy and her daughter Joan from Memphis spent the day Tuesday with Mrs. Smithy's parents the Bennet Kerbows.

Mr. and Mrs. F. E. Chamberlain drove to Wichita Falls Wednesday on a business trip.

Mrs. Frank Simmons of Dallas arrived last Wednesday to visit her parents Mr. and Mrs. W. C. Stewart.

WELL KNOWN PANHANDLE MAN DIES

F. P. REID OF PAMPA, ADVOCATE OF GOOD ROADS, DIES SUNDAY OF STROKE

The death of F. P. Reid, 69 years old, last Sunday came as a shock to the entire Panhandle. Mr. Reid was stricken with a paralytic stroke Saturday noon and passed away at a Pampa hospital at 6:20 o'clock Sunday night. Reid had been in failing health for some time, but his condition was not believed serious.

He had just finished his dinner Saturday when overcome. He rallied later in the afternoon and declared that he could attend a road meeting if necessary. Mr. Reid was known throughout the state as "Good Roads" Reid. At the time of his death he was president of Oilfield Highway 41 association and secretary of the Fort Elliott Highway association.

Mr. Reid was to have attended the flag raising ceremony at the site of old Fort Elliott yesterday. He was to have raised the flag commemorating the 57th year of the establishment of the fort. The flag to have been used was the one which covered the casket of his son who died May 30, 1922, in service of the United States Navy. The flag stood at half mast Tuesday.

Funeral services were conducted Tuesday afternoon at the First Methodist Church with the Rev. C. Long conducting the last rites. Services at the grave were in charge of the Pampa Masonic Lodge of which Mr. Reid was a member. Interment was made beside his son in the Fairview Cemetery.

Mr. and Mrs. Fred Patching have had as their guests over the past week, Mrs. John Harris and children of McLean, Mrs. C. L. Craig and son of Pampa, and Miss Eva Patching of Amarillo. Miss Eva will attend school at West Texas State Teachers College this summer.

Miss Lorena Stegall who has been in El Paso for the past nine months returned to her home where she spent a time before resuming school work at Canyon.

Mrs. W. L. McConnell from Panhandle came over Wednesday to see Mary Stocking.

HEDLEY GAS RATE HEARING COMPLETE

JUDGE LINK COMPLIMENTED BY EXAMINER ON PREPARATION OF RATE CASE

Col. Ernest O. Thompson, newly appointed railroad commissioner, disqualified himself from hearing the gas rate case of the City Gas Company vs. The City of Hedley here Tuesday when he found his cousin, L. A. Thompson, was mayor of Hedley and a consumer of the utility, and Examiner Latin Stanberry took the bench during the trial.

The day was spent in various testimony pro and con with the counsel for the City of Hedley cross-examining witnesses representing the gas company. Attorneys for the City of Hedley were Judge W. T. Link, Clarendon, and for the Upham Gas Company, Ex-Senator W. H. Parnell and J. J. Ponick of Wichita Falls. The Northern Texas Utilities Company was represented by Frank Coates of Houston.

The testimony continued throughout Wednesday and a decision probably will be reached during the next five months in a hearing before the Railroad Commission following completion of the appraisal and audit of the Northern Texas Utilities Company.

Before leaving the bench to his successor, Colonel Thompson made the following statement concerning the gas rate disputes of the various cities and townships of the entire state:

"At the outset of this hearing I wish to state that it is the sole purpose of the law that fair, equitable and just rates shall be obtained. By this is meant that the rates charged shall be fair to the consumers, fair to the utility and fair to the public generally.

"All existing elements and conditions must be fully considered by the Railroad Commission to arrive at what is a fair, reasonable and just rate under the given conditions.

"What the general public wants and what the law contemplates is only a fair rate—a rate in order to be fair must be high enough to permit the utility to continue in business and make a fair return on its proper investment. This rate must also be low enough to make the use of that utility possible and attractive to the public.

"It is the duty of the Railroad Commission to examine the facts and arrive at what they deem to be a fair, reasonable and just rate based upon facts as found by the Commission.

"This will be done." Judge W. T. Link, council for the city of Hedley, stated to The News representative that he was very well pleased with the way the testimony was produced in the hearing and is optimistic over the chances for a fair rate adjustment at the conclusion of the Austin hearing.

Error is Noted In Grocery Store Ad

Through an error in preparing the copy of Clifford & Ray's Grocery advertisement on page two of this issue, which was not found until the ad had been printed, we are pleased to call the attention of the readers to the item of "Extract". In place of one pint for 40c the correct items should be read one-half pint for 40 cents. We call the attention of the buying public to this error and ask you to make your purchasing list accordingly.

LIONS HEAR FROM R. R. COMMISSIONER

COL. E. O. THOMPSON GUEST AT CLUB WHILE ATTENDING GAS HEARING

Col. E. O. Thompson, former Mayor of the City of Amarillo and newly appointed Railroad Commissioner was a guest of the Clarendon Lions Club at its regular meeting Tuesday noon. He gave a very interesting discussion of the scope of duty of the Railroad Commission stating that it was the most important body in the entire state's political make-up. Practically every business is in some way connected with the Commission and through it the public is insured of a stable condition in all forms of business.

A number of questions were asked by the various members of the club and were answered very satisfactorily by the Commissioner relative to the work of the commission.

Five of the members were absent due to their attendance upon the State Lions Convention at Dallas. These missing Lions were Boss Lion Boykin, Ira C. Merchant, O. C. Watson, Sam M. Braswell and W. H. Patrick. Lion J. T. Patman presided over the luncheon in the absence of Boss Lion Boykin.

Lion A. L. Chase read the report of the nominating committee following the tabulation of the nominating blanks filled out by the Lions at last Tuesday's meeting.

LIBRARY RECEIVES GIFT OF BOOKS LAST WEEK

- "The Patrol of the Sundance Trail", Ralph Connor.
- "Big Timber", Bertrand W. Sinclair.
- "Flower of the Gorse", Louis Tracy.
- "The Long Chance", Peter B. Kyne.

Mr. and Mrs. Houston Miller and sons, Elton and Fred, visited with relatives in our city Sunday.

Wade Youngblood left the latter part of last week for California where he has a position for the summer.

Miss Sara Thompson returned to our city Friday from Fort Worth where she has been associated with the public schools of that city.

CERTIFICATE MEN'S ASS'N. MET AT HOWARD'S RANCH

The certificate Men's Association of the Panhandle held their regular meeting last Thursday at the M. T. Howard Ranch where a fine all-day session featuring a barbecue prepared by Frank Whitlock was enjoyed. Some fifty-four Masons were present to add to the festivities of the day. One of the high-lights of the activities was the ascension to the highest hill where the degree was conferred.

Music for the event was furnished by Arthur Howard, T. H. Gatlin, Elmer Palmer and T. D. Nored.

Certificate men were present from Estelline, Memphis, Quail, Wellington, Pampa and Hedley.

Everyone is loud in his praise of Mrs. Howard's culinary efforts in the way of several fine cakes.

There were twelve present who were over sixty years of age, each of these old veterans added much to the program of the occasion by making interesting talks during the afternoon.

LEE'S CAFE INSTALLS ALL FRIGIDAIRE SERVICE

As a means of further improving the services of the popular cafe, Lee Muse has just completed the installation of Frigidaire equipment in Lee's Cafe. With the latest equipment Lee's Cafe becomes the first 100 per cent Frigidaire equipped place of business in the city and one of the few in the entire Panhandle. The new service insures perfect refrigeration at all times and includes different units which keep milk and cold drinks, ice cream, foods and water cold and fresh indefinitely. An advertisement will be found in this issue of The News announcing the new service and also announcing private dining room service and free delivery anywhere in the business district.

ROTARIANS HEAR ABOUT VOCATIONS

SIXTEEN ROTARIANS AND LADIES WILL GO TO PAMPA JUNE 15TH

With Rotarian B. L. Jenkins, chairman of the Club Service Committee in charge of the program at the regular meeting of the Clarendon Rotary Club last Friday, the members enjoyed a very interesting and diversified entertainment period.

Sixteen Rotarians and ladies signified their intention of making the trip to Pampa on the night of the 15th for the purpose of presenting a program for that club. The Pampa Rotarians presented a program for the local group some time ago in a similar event.

The program was turned over to the members and each was called upon to make a sales talk on his respective business. These were very interesting and educational to the members present and a wide knowledge of the various enterprises of the city's business world.

Rotarian A. T. Cole recently returned from Houston where he attended the Democratic Convention gave a very interesting address on the workings of the convention and the way it was run.

Mrs. A. L. Chase and Arthur Lowe left in the car for Boulder Colorado Thursday morning. Rhodin who has been attending the University of Colorado this year will return home with them.

HAIL IS CAUSE OF SOME DAMAGE

HAIL MOST DESTRUCTIVE AROUND ASHTOLA AND GOLDSTON

Rains which have visited Donley County intermittently the past week have left 2.45 inches of precipitation and considerable damage in spots over the country by heavy hail fall and washing rains. The first of the week's series of showers was received last Friday night when .60 inch of rain fell. This was a welcome bit of moisture to the farmers of the county and it was supplemented Saturday night by a fine quarter-inch rain. No damage of any nature was noted by these fine showers but old man weather was not content to let well enough alone so Sunday afternoon about five o'clock a very dark, treacherous looking cloud formed in the south-west and brought with it destructive missiles of ice. The heaviest damage was registered in the Ashtola section through to Goldston and Jericho via the Country Club grounds. The hail ended within a few miles of considerable damage to crops in the Clarendon on the west but concentered end of the county was reported from the unusually heavy downpour which washed the crops badly. The precipitation Sunday afternoon and night amounted to 1.10 inches.

The heaviest point of the hail was in the Goldston vicinity near the Country Club. A heavy toll was gleaned on the Goldston and Rundell farms. The Giles country was washed badly and crops are being planted over as in the above named damaged communities.

Tuesday night the last downpour was experienced by the county when one-half inch fell just after dark. No hail was reported in the last cloud and it is thought no damage was wrought by the last downfall other than delaying the farmers from replanting and cultivating.

ODDFELLOWS AND REBECCA HOLD MEMORIAL SERVICES

The Independent Order of Oddfellows and the Rebecca Lodge of Clarendon will hold their annual Memorial Services at the First Christian Church next Sunday evening at 8:15 o'clock. The pastor of the church, Rev. W. E. Ferrell will deliver the message of the evening and his subject will be: "The More Excellent Way." Every member of these organizations are urged to be present and to bring their friends with them. Special songs and music has been arranged and the message will be one of inspiration and should be of interest to all who desire to know more about God, and the way to eternal life.

The members are requested to gather at the Hall Sunday afternoon at 3:00 o'clock from where they will leave in a body for both cemeteries where they will decorate all the graves of the Odd Fellows who have gone before.

Both the members of the Rebecca and the Odd Fellows will meet at the Hall Sunday evening at 7:30 in full regalia. Both organizations will march to the First Christian Church in a body where they will attend the special Service.

Ennis Taylor arrived home Sunday from Annapolis to spend a short time with his parents, the June Taylors. Ennis will then go to San Pedro, California, U. S. Navy Base where he will be stationed.

LEADERSHIP

When a herd of cattle stampedes in fright, the fastest runner is in front. The real leader may be in the rear because it has seen no reason for joining the stampede.

In politics, in current literature, and in life in general, apparent leadership often is merely the ability to run fastest in a stampede. Those who are stubbornly at work changing the course of events are quite frequently inconspicuous.

He is the best leader who most fully understands the nature of things, so that his plans are not doomed to ultimate failure; who possesses an active, far-reaching imagination which can see many possibilities; who has a sense of values, so that among possibilities he is able to choose the most excellent; who has a sense of order, to give form, design, and program to the values and purposes he selects; who has practical sense and judgment, and so uses the most feasible means to accomplish his ends; and who has the energy and enthusiasm to carry his plans persistently toward fruition.

All these qualities are susceptible to increase, discipline, and refinement by education.—Antioch Notes.

SEEKERS AFTER CHEAP NOTORIETY

I confess that I am filled with resentment when I hear the criticisms of those who say that the American schools are failures. There are the smug exploiters of society who have been driving communities to the brink of ruin by their greed and self-seeking. They have refused to adopt new taxing systems. They have refused to study social movements. They have been parsimonious with the schools, and they have had the effrontery to pass adverse judgment on the experiments which the schools have been trying in the effort to prepare society for its new day. There are the exasperating critics who belong to our own fraternity, seekers after a little cheap notoriety, carping and complaining but doing nothing to clarify the situation. If the worst that our cities say were true, there would still be ample ground for pride in what has been achieved.—Charles H. Judd, University of Chicago

POLITICS AND REFORM

In 1923, French Strother canvassed the editors of the great dailies, North and South. They were amazingly unanimous that the most important service the schools should undertake is honest and efficient government. Franklin, Washington, Rusk, Madison, Webster, Clinton and Mann, proposed this as the paramount purpose of schools. But Webster, in 1787, thought the schoolmaster to ignorant of the meaning of the Revolution to carry out its principles unless compelled by law to observe them. Attorney Morell, in 1932, has this same idea. I do not know of any public high school that makes the knowledge of politics an intent to purify government its chief concern. If you do, for the land's sake name it, and we'll turn the spotlight on it that its good works may be seen of man.—Long Island Chronicle.

CHARACTER EDUCATION

Character education is not a program to be "put over", but an outcome of our philosophy of education and supervision, our selection of curriculums, our methods of teaching, our skill in living with and guiding children, our ability to quicken and guide the growth of boys and girls. The Yearbook recognizes master teachers as a guiding force. The teacher who has understanding of the complexity of modern life, courage to face its issue and faith in the possibilities which human personality has for growth will see to it that the school is always a place of growth.—Mrs. Jno. K. Norton.

OUR SCHOOLS DETERMINE WHAT OUR NATION SHALL BE

What we do in our public schools with our children determines what our nation shall be. In spite of temporary economic difficulties, it is no time for back-tracking in education. It is more vital for us to have better education and more of it to protect us from our own ignorance and follies. Men are children but once and during that period the grownup can at least afford opportunity to the child.—Ray Lyman Wilbur, Secretary of the Interior.

OUR BIGGEST BUSINESS

It (education) is our biggest business. It is our only indispensable business—if we were to suppress our educational system for a single generation the equipment would decay, the most of our people would die of starvation, and intellectually and spiritually we would slip back four thousand years in human progress.—President Hoover.

STANDING OUT FROM THE CROWD

There are two ways of making yourself stand out from the crowd. One is by having a job so big you can go home before the bell rings if you want to. The other is by finding so much to do that you must stay after the others have gone. The one who enjoys the former once took advantage of the latter.—Henry Ford.

Here's Simplified Cooking

Actually, cooking consists of only three fundamental operations: preparing the foods . . . putting them in the oven . . . and placing the meal on the table.

So much pecking, tasting and testing is necessary! So much time is wasted on these unnecessary, tiresome tasks!

With a modern Electric Range, cooking is reduced to its three fundamentals. You merely prepare your meal, place it in the oven, set the Time and Heat Controls, and forget the actual cooking! All the work is done automatically . . . requiring none of your time or attention—and leaving you free to enjoy happy leisure hours!

And this Freedom is only one advantage of modern Electric Cookery! Foods look better, taste better and are more healthful. In fact, there are so many advantages you'll wonder how you managed with old-fashioned, inefficient methods!

Call us for an individual investigation of your use of electric service. To determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

BABY FRETFUL, RESTLESS? Look to this cause

When your baby fusses, tosses and seems unable to sleep restfully, look for one common cause, doctors say. Constipation. To get rid quickly of the accumulated wastes which cause restlessness and discomfort, give a cleansing dose of Castoria. Castoria, you know, is made specially for children's delicate needs. It is a pure vegetable preparation; contains no harsh drugs, no narcotics. It is so mild and gentle you can give it to a young infant to relieve colic. Yet it is as effective for older children. Castoria's regulative help will bring relaxed comfort and restful sleep to your baby. Keep a bottle on hand. Genuine Castoria always has the name:

night. We were very glad for our B. Y. P. U. and Sunday School when we won the banner Sunday for the third time if some of them did get wet and others had to wait for the water to go down before they could get home.

Those visiting Willa and Othella Poovey Sunday were Misses Jewel Smith, Mary and Emma Sue Graham and Flora and Evelyn Durrett.

Mr. and Mrs. Roy McKee visited Mr. and Mrs. Bert Eddleman until bedtime Saturday night.

Durrett of Melrose, New Mexico and Doris Hatley of Goodnight visited in the W. W. Leverett home this week.

Our community was deeply stirred Friday when we learned of the death of one of our friends and neighbors, Mrs. Whit Calcutt, who left last Sunday for Fort Worth where she was operated on and only lived a short time after the operation.

Mrs. Whit Calcutt was loved by all that knew her. She has been in bad health for over a year. Funeral services were held at

the home of her parents, Mr. and Mrs. A. L. Wallace. She left a husband and one little girl. Those left to mourn her passing were Mr. Whit Calcutt and little girl, Mr. and Mrs. A. L. Wallace, Mr. and Mrs. Raymond Slater, Mr. and Mrs. A. L. Mace and other relatives and friends.

Mr. and Mrs. Clifford Johnson and daughter visited Mr. and Mrs. Brin Johnson Sunday. Author Shipman visited his grandparents, Mr. and Mrs. W. W. Leverett.

H. C. Tims of Goodnight spent the week end with his grandparents, Mr. and Mrs. J. L. Tims.

Mrs. J. L. Tims, Mrs. E. E. Hardie and Miss Carma Lee Tims all motored to Amarillo Thursday. Mrs. Tims went to visit her grandbaby who is sick.

of Mr. and Mrs. A. E. Tidrow she having grown to womanhood among us and all love her and fell that Mr. Crites has taken our best girl. She was graduated from Memphis High School in 1928, and studied two years at Canyon. For the past two years she has taught at Windy Valley.

Mr. Crites is a prosperous young farmer of Lelia Lake, a young man of trice worth. Mr. and Mrs. Crites will be at home to their many friends near Lelia Lake.

Miss Helen Marie Northcutt of Wichita Falls is visiting in the home of Mr. and Mrs. Perry Tunnell, she is a niece of Mrs. Tunnell.

Mrs. Nora McMurtry of Clarendon attended the singing Sunday afternoon.

The singing Sunday afternoon was much enjoyed and many visiting singers.

Mr. and Mrs. H. L. Whitfield and children of Hedley visited the lady's parents, Mr. and Mrs. Rich Bowlin Sunday afternoon.

Mr. and Mrs. Jimmy Baker of Martin visited relatives Sunday and attended the singing in the afternoon.

Mr. and Mrs. W. M. Mosley and little grandson, J. V. Mosley of Clarendon attended the singing Sunday afternoon.

The pie supper Friday night was not so well attended, the storm kept people away, but all the pies were sold and a general good time was had.

Another big rain came Sunday just at night, doing some damage to crops.

Win-One Class Enjoy Social Meeting

With Miss Katie Meadow and Mrs. Bill Meadow as hostesses members of the Win-One Class, Methodist Church, spent a most pleasant afternoon at the beautiful country home of Mr. and Mrs. J. A. Meadow.

In the spite of the hail and rain of the previous week the hostesses had a number of beautiful garden flowers with which to decorate the home and after the business session, presided over by the vice-president, Mrs. Van Allen Kent, the party inspected the flower gardens and fish pool of this complete home.

About twenty members were present to enjoy this delightful meeting.

Willie Mulkey of Santa Anna, California, spent Tuesday and Wednesday in the home of his brother and family, Mr. and Mrs. Homer Mulkey. Mr. Mulkey was en route to Chillicothe and Ardmore, Oklahoma, where he will visit his father and other relatives.

Mrs. A. R. Letts Hostess to 1912 Needle Club

The 1912 Needle Club members and invited guests enjoyed a most pleasant afternoon, Thursday, at the home of Mrs. A. R. Letts, where several hours of needle work and conversation were enjoyed in rooms made attractive with garden flowers.

At the close of the afternoon dainty refreshments were served to members and following special guests:

Mesdames L. S. Bagby, A. L. Chase, R. A. Chamberlain, Minnie Dyer, John Fleming, Sella Gentry, B. L. Jenkins, H. C. Kerbow, A. A. Mayes, J. T. Patman, L. L. Swann, and Mrs. F. C. Baldwin of Louisville, Ky.

Home Ec. Club Has Interesting Study

Home Economics Club members were guests of Mrs. Lonnie Hahn Friday afternoon when an interesting business session and study were held in the home of Mrs. Hahn.

During the business session presided over by the president, Mrs. C. D. McDowell, in the absence of the president, Mrs. O. L. Fink. Plans were made to defray the expenses of the Club's delegate to the A. & M. short course. Later Mrs. C. L. Benson was elected as the delegate to this course.

Planning and serving meals was the study of the afternoon with roll call being answered with a menu for one day.

Mrs. McDowell exhibited a number of canned goods which had won first place at the Tri-State Fair giving the ladies an idea of how to prepare and can foods for exhibit.

Mrs. Hahn and Mrs. Acord demonstrated and told of ideas obtained at the two-day sewing school conducted last week.

A splendid talk on Menu's and balanced rations was given by Mrs. T. R. Broun for the following members present.

Miss Coye Latson is Honoree on Thursday

One of the most colorful affairs of the week was the pink and blue miscellaneous shower given by Misses Isabell and Helen Bailey in honor of their life-long friend, Miss Coye Latson, bride of the week.

Pink larkspur and roses in silver baskets tied with bows of blue tulle had been used in every place of vantage about the entertaining suite of the O. W. Latson home. Soon after the arrival of the guests dainty little Miss Kittie Ruth Bailey presented Miss Latson with a large clothes basket filled with attractive packages of pink and blue which when opened revealed a number of useful as well as beautiful articles for the home.

An enjoyable refreshment course was served. Invited guests included Mesdames B. G. Smith, W. A. Simpson, J. H. Hurn, Eula Cox, Cal Merchant, Clarence Whitlock, E. M. Ozier, Manley Ozier, Dave Johnson, Ralph Bourland, Edwin Bailey, Roy Ingram, Guy Pierce, Holman Kennedy, E. O. McCanne, O. T. Smith, Nathan Cox, C. A. Burton, O. W. Latson, Georgia Burrell, and Mrs. Bill Bentley of McLean, and Mrs. Loyd Stallings of Pampa.

Misses Lillian Murphy, Betty Weatherly, Eunice Johnson and Johnnie D. Latson.

Out of town guests were Mr. and Mrs. Bentley and son, Bobbie, of McLean, Miss Verna Latson of Amarillo, Mrs. R. H. Collier and Miss Lucile Collier of Post City, Mr. Harold Voss of Oklahoma City, and Mr. C. M. Voss of Post City.

Collier—Latson

Miss Coye Latson, daughter of Mr. and Mrs. O. W. Latson, was married Sunday at 8:30 A. M. at the Methodist Episcopal Church South, to Mr. Wynne Collier, Rev. E. B. Bowen, pastor of the Church, officiated. Ushers of the morning being Miss Pauline Shelton and Miss Pauline Sanford.

Ferns and flowers in the wedding colors, pink and blue, were arranged artistically in the church making a lovely background for the impressive ceremony. Tall pink cathedral candles, which were lighted by Miss Verna Latson preceding the ceremony, were used effectively in the decorations.

Miss Isabell Bailey sweetly sang "I Love You Truly" as the pre-nuptial song accompanied at the organ by Miss Johnnie Latson, sister of the bride, who played "Love's Delight" by Leipes Friends as the wedding march.

The bride and bridegroom entered together. She wore a model of powder blue triple sheer crepe trimmed with ecru lace with large picture hat of white braid with trimmings of pink and carried a bouquet of pink rose-buds, sweet peas baby breath and lacy fern.

Her slippers and other accessories were of pink.

Miss Latson has grown to young womanhood in our city where she is a favorite with the young people. She is a graduate of Clarendon College and an ex-student of Baylor University. She has followed the teaching profession for the past four years having been associated for the past two with the public schools of Post City.

Mr. Wynne Collier, son of Mr. and Mrs. R. H. Collier of Post is a prominent young business man of that city being a partner in the firm of the Collier Drug Company. This being the second business house to open its doors to the public after the founding of the City of Post. Mr. Collier is a graduate of Post High School later attending Baylor Medical school where he pursued the pharmaceutical course now being a registered pharmacist.

Mr. and Mrs. Collier left after the ceremony for a wedding trip to points of interest in New Mexico. The brides traveling suit was of sun beige mashie crepe with accessories of white. Upon their return home they will make their home in Post City.

A Lovely Party

A lovely party of last week that delighted all participants was that given by Mrs. Allen Bryan and Mrs. Floyd Keener at the home of Mrs. Keener Thursday evening, with Mrs. Walter Clifford as the charming honoree.

Four tables had been arranged for games of 42 which filled the evening hours with Miss Mautie Graves receiving high score and Miss Norma Rhodes low. Each presented their gifts to Mrs. Clifford.

A dainty refreshment course was served following which Mrs. Clifford was given a ball of twine and requested to find the end of it. This twine led her to various places about the house finally ending in a large basket filled with packages of various sizes. After a gracious thank you from Mrs. Clifford the following guests departed for their homes.

Misses Anna Moores, Norma Rhode, Mantie Graves, Opal Pyle, Winnie Weatherly, Mildred Martin, and Sybil Smallwood of Amarillo.

Mesdames Walter Lowe, Manley Ozier, Rayburn Smith, C. E. Griggs, Buel Sanford, C. W. Galloway, Elma Smith, and Walter Clifford, honored guest.

Bill Wilder motored over from Pampa Saturday to return Mrs. Loyd Stallings and children to their home. Mrs. Stallings and children have been guests in the home of Mr. and Mrs. D. O. Stallings for the past ten days.

Mrs. Stegall returned on Sunday from Canyon where she has spent the past three weeks with her mother who has been quite ill with small pox.

TOO- Personal

By Mary Jo

G. W. Antrobus can prove to his wife and to the public that he wasn't in mischief while he was gone this past month. He brought back his picture with the Christian Bible School of Corpus Christi to show how well he had behaved himself on this trip.

Editors Note—I think it would be well for other leading citizens to follow Mr. Antrobus' example when they are out of town.

We have managed to keep cool all week on account of the rain and the work done by the Frigidaire salesman.

You will notice in the Want Ads column that Mrs. Hvass wants three gentle saddle horses for two hours a day three times a week. I guess that the horses won't have to be gentle except on those days and then for only two hours.

Bennet Kerbow wants some one to give a bridge party where there isn't a foot table. He thinks he would have a lot better time.

I noticed that H. T. Burton had his USUAL appetite at the Country Club Barbecue.

Several years ago a local politician who was running for a county office was in the country doing a little campaign work. He went in the yard of one of the homes where he intended to tell them that their votes would certainly be appreciated and a vicious dog began to growl at him. The office aspirant began to run with the playful dog after him. A lady in the house heard the commotion and looked out the window astonished by the race.

"What are you running for?" she asked.

"County Judge", the candidate answered and kept on running.

It seems that Donley County Candidates know how to make the best of their opportunities.

Fred Rathjen reads the Congressional Records with as much avid interest as most people have been reading True Confessions or Startling Detectives.

Ira Merchant, the "Don Juan" of Kearney Street, has returned from Dallas with a lot of city ways.

I wanted to be Crime Reporter for the News and Sam finally gave his consent. He said that he didn't think there would be vice in the fair city so soon after the Revival but that I

could look around. For a week I couldn't find a single story and then—

Tom Conally came in the office and let me on the inside of a scoop. Mr. Conally was visited by thieves Monday night. He was awakened about midnight by some one prowling in his yard, stealing secretly around the house he decided it would be wise to wait until daylight to investigate. The next morning the detectives were called in and careful investigation was made. The milk had not been purloined nor had any chickens been lifted. At last the guilty crime was found—before Mr. Conally's eyes was the brutal truth. What he had so tenderly watched and cared for was gone, never to return, he had even sacrificed time from his golf to be with them. Two rows of his prize onions were missing.

There were no finger prints but Pierce and Peabody are scenting for clues. If you are the guilty one you had better hide that circumstantial evidence by purchasing a mouth wash from a reliable drug store.

Have you heard that you can charge marriage licenses in Iowa? I guess they figured that people might as well start out by charging for they would begin it anyway.

Lorraine Patrick, one of our "Social Butterflies" spent a few days in her own home this week.

I asked a prominent physician if he had any relatives visiting him and he said "no \$!&! \$!! THANK GOODNESS!"

I am looking for a couple of news-minded Staff Correspond-

ents to take care of the Crime Politics, Romance, and local happenings on Sully and Gorst Streets. I want to get the Late News Flashes from these sections and I am kept constantly on the watch on Kearney Street, hence the seething life of Sully and Gorst has been neglected.

When you are Crime Reporter it requires night work and I imagine that I will be forced to go out on many of these country lanes that our Sheriff keeps posted on account of petting. If he would give me an endorsed PETTING PERMIT it would save Guy and me lots of time and embarrassment.

Mr. Robert Broad and sons, Stewart and Robert, Jr., returned to their home in Crookston, Minn. today. The many friends made by Stewart and Bobby during their stay here will miss them.

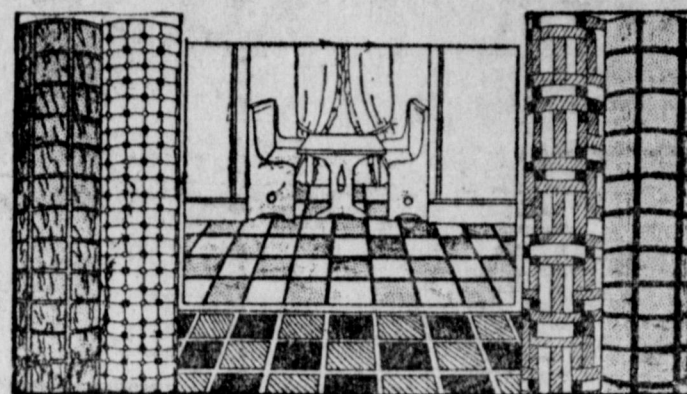

Mr. R. E. Duncan and W. B. Mayfield left this afternoon for Los Angeles California on a business trip.

Miss Jessie Ingram, who has taught in the Amarillo schools the past term returned to her home Thursday.

Mr. and Mrs. Homer Gorman and children are visiting with Mr. and Mrs. Stegall at the Country club.

Dr. Puckett of Amarillo was called to our city on professional business last week.

Pauline Atteberry went to Shamrock last week to attend summer school.

ELECTRA INVITES LOCAL GOLFERS GREENBELT MEET

All Clarendon golfers are invited to attend the seventh annual tournament of the Greenbelt Golf Association which will be held at Electra on June 13, 14, 15 and 16. More than \$200 worth of handsome prizes have been secured for the occasion and are now on display at Electra. The new championship cup won last year by L. S. (City) Walker of Quannah, will of course be the center of the keenest interest and Mr. Walker will defend his title to the trophy against a field of the best golf players in northwest Texas and Southern Oklahoma. Clubs affiliating in the Greenbelt organization are Vernon, Crowell, Quannah, Memphis, Clarendon, Shamrock, Childress, and Electra, Texas and Frederick, Oklahoma. Electra Country Club has made elaborate preparations for the meet. The sporty course with its winding creeks and rolling fairways has been put in tip-top shape and more than 100 entries are expected to qualify. Entertainment features include:

Even the hills of Sparta and Athens used to respond to "squawks" about athletics. Says Euripides, dramatist and debunker of ancient sports, in his Autolycus—
"Of all the countless evils throughout Hellas, none is worse than the race of athletes—slaves to their belly paw."
Overemphasis in Euripides' day gave birth to professionalism; and professionalism is generally agreed upon as having been the germ which finally killed the

"August 7-12 of 1932," say Pacific Coast and eastern enthusiasts, "will surely be the days of reckoning."
The number of yacht racing devotees on the Pacific Coast alone runs into the hundreds. Operating in the familiar currents of Los Angeles—Long Beach Harbor, great Pacific gateway; being familiar with the light chop of the local seas and the expected 12-18 mile an hour breeze, these possible contenders look for a heavy acquisition of yachting scalps.
The spectators lining the busy San Pedro and Long Beach waterfronts and the towering cliffs of the Point Firming region north-

A triangular 9 1/2 mile course for the 8-meter trials has been charted just outside the San Pedro backwater and directly in the lane of the Catalina Island steamers with world famous Catalina Island itself in full view, along with the endless vista of beaches and the modernistic skyline of Long Beach.

My very personal scout, and newest addition to The News' staff, Mary Jo, has just uncovered a big break in the sports life of the city. So excited and so in a hurry to report her sensational "break", we gathered between puffs that on last Friday night Tom F. Connally suffered such relentlessness a number of his friends were called to sit up with the unfortunate man. After a lengthy duration of time spent in attempting to quiet the popular wheat and oats man from Dumas, his friends gathered from his incoherent babblings that his malady was caused on the golf course where the victim finally came around in par figures for the nine holes earlier in the afternoon.
What a pity—now the jiggerman hasn't anything to play golf for. Poor fellow, he's done for now. Nothing to play golf for since he has mastered old man par and made a hole-in-one.

complete. Crews of workmen headed by Frank Stocking have laid off three new courts and have placed the backstops and net posts and cut the weeds from the playing surface of the boundaries. These courts are going to be as good as any in the country and the big feature is they are not going to be crowded will be in some one else's way. They are spacious courts, level and laid off with the thought in view of making them so no player will be facing the sun, no matter where old sol is beaming from the skies.
You tennis players of the city get out your rackets and try the new lay-out, and don't forget about the tennis tournament. Better practice up so you will be at your best. And there's going to be prizes given to the winners too, so keep it in mind.
Complete details will be announced in next week's issue of The News—watch for it. And let's make this a real first-class tourney.

ELECTRA COUNTRY CLUB

By-the-way folks don't forget to read Mary Jo's new snappy column over on the society page. I predict it's going to provide many chuckles and good tips to the readers of The News in this week's to follow. Give the little girl a hand—but be careful where—even though sometime you are tempted to.

Well sir, the Goldston baseball team put the skids under the Chamberlain nine in the first meeting between these two crack Dade County clubs last Saturday afternoon before a large crowd by the score of 5 to 3. It was a real ball game and one any baseball lover would thrill over. Goldston knocked everything but the paint off the Chamberlain School House in the first inning to put across four runs before Roy Blackman, pitching his first game this year, got right and whiffed a flock of the north county boys. However, the four runs were enough, as Buck Parker was just as stingy toward the Chamberlain wielders. Every one enjoyed the contest and it was a game unwarned by wrangling of any kind. That's the kind of baseball the fans want to see, and every ball player on any team in the county should do his utmost to play the game for the love of the sport and win or lose have a good time and display the finest of sportsmanship.

There are several good ball teams in the county this year and the fans are all anxious to see the game free from squabbles between the players. Players shouldn't participate in contests if they can't stand to lose—it kills the game.
Perhaps there will be other games between these two fine clubs. If there are plenty of action and baseball is assured the followers of the diamond sport.

The new tennis courts near the Junior High School are almost

The big thrill the fans got the other day when Lou Gehrig whaled out four homers in a row against the A's brings a chance for the writers of the county to spill a little information which might be of interest to some who have forgotten or never heard of a Texas League player hitting eight home runs in a single game.
The player Nig Clarke, was with Corsicana and played Texarkana at Ennis, Texas, on June 15, 1922. J. Walter Morris, well known Texas League figure, was playing short stop for the same club and vouches for the validity of the statement as does the box score which was carried in the Dallas News. It was a regular Texas League contest with Clarke catching and batting in seventh place. He was at bat eight times, hit the ball over the fence eight times and scored eight times. The final score of the game was 51 to 3. Lot's of unofficial records were made in that game. Twenty-one homers were registered. Corsicana made 53 hits and no errors. Only one pitcher tolled for the losing Texarkans. The most runs in one inning was nine and the fewest was two. Corsicana scored in every inning.

Another little bit of information. The Texas League holds the record for length of games. Down at Dallas last week, Dallas and Longview played a double-header night program. The games started on May 31st and wasn't ended until the early morning of June 1st. Fancy one ball game lasting a month—try to tell that to your granddad.

In last week's SPORT SLANTS we omitted the names of two very promising youngsters who will don the colors of the Maroon and white for the gridiron season. These were Reid and Duckett both of Chamberlain. Perhaps there are others. If there are let's have the names. The Bronchos are going to have a great

a driving contest on Monday afternoon at 5 o'clock, Calcutta Pool and a barbecue supper at the clubhouse that evening. A bridge tournament for ladies Tuesday at the clubhouse and a dance that evening have been arranged.

Bill Strachan, Wichita Falls professional, will be the starter.
A complete list of the trophies include, winner first flight, four-piece silver coffee set; runner-up, four-piece pewter coffee set; winner consolation, fitted camp set.
Second flight winner, 29-piece Community plate and chest set; runner-up, fine leather "6" golf bag; consolation winner, universal vacuum water set.
Winner third flight, 29-piece Tudor silver service and chest; runner-up, set field glasses; consolation, Avondale electric clock.
Winner fourth flight, electric perculator; runner-up, lifetime pen and pencil set; consolation steel shaft golf club.
Winner, senior division, silver water pitcher; runner-up, waffle iron set; consolation, fitted traveler's set.
The medalist will receive a cocktail pewter set. Eight golf balls will be presented to the winner of the driving contest and four golf balls to the runner-up.

Besides requiring full conformity with the International Olympic Committee rules as to amateurism, these governors of American yacht-dom require that the yachtsman be a Corinthian. A Corinthian, if you must know, is one who has never followed the sea as a means of livelihood, and whose heart is clearly unweaved by the call of the bounding main and the belling sail, and not by the call of Mammon hiding behind Neptune.

Bits Of WASHINGTON'S Current Comment

Special to The Clarendon News

The old time Civil War report "All quiet along the Potomac" may properly be applied to the present day Congress. It is a quiet of activity, however, and not of sloth. Such important affairs as the tax bill absorb so much energy that little is left for the ordinary and sensational newspaper reading. The beer tax has been defeated, and has also the tax on manufacturers sales price of autos. The Democrats have introduced a two billion dollar relief measure for the unemployed. President Hoover, however, does not like some of its features, and a compromise with the Republican wing will be necessary. Mrs. Amelia Earhart Putman is accorded the Distinguished Cross, for her flight from America to Ireland. The resubmission of the Eighteenth Amendment to a vote of the people is considered, but tabled for the present. Since first of January, 1931, three senators and sixteen representatives have died, and the nation's loss thereby is alluded to in appropriate memorial services. The Senate was twenty minutes late in getting to work one morning recently, and the pages had their little joke, accordingly, without noting that the upper legislative body had worked until quarter past ten the night before.

In the House, two contested seats are awarded, one going to a Republican and one to a Democrat. A proposal to investigate government competition with private industry goes on the shelf for the time being. Changes in the copyright law are referred to the appropriate Committee, with disapproval, in some respects. The Committee on Ways and Means does not think well of the bill permitting the spreading of information regarding birth control. A conference of the business President has been held, with the President of the American Federation of Labor, and a representative of the National Grange as advisory outside parties. Stockholders in national banks have long been troubled because, in the event of a smash, they are liable for the amount of their stock, and as much more beside. They will have to continue to worry, since the House has turned down a proposal to decrease their liabilities.

The Supreme Court of the United States holds that a railroad company is not liable for injury to a boy playing on a bridge. Bridge players practically run the country. It is time that something was done about it.

A heavy wet snow is reported from North Dakota. Congress has handled beer proposals so roughly of late that any wet news is good news to those of the damp persuasion.

Agricultural activity is said to be increasing in Europe. This may mean throwing the dust into the eyes of America regarding debt payments.

The hundredth anniversary of the birth of President Garfield has just passed. He was the second of three Chief Executives to fall by an assassin's bullet. The country was uneasy over the prospect of having Chester A. Arthur, who was regarded merely as an elegant and aristocratic clubman, in the White House. Mr. Arthur fooled his critics, and filled the vacated office perhaps as well as anyone could have done. The United States will never go to smash through the lack of effective leadership. The supply will always be ample, even though it is drawn solely from the ranks of under-valued men.

St. Paul described himself as "a citizen of no mean city." If he were living in the United States today, he could have made his boast and had 41 towns to choose from, since that number of places have a population of at least two hundred thousand, and embrace one quarter of the population of the land.

According to a popular child's story, Dick Whittington became a rich man by sending a cat from England to a rat-infested country, and the Germans have a comfort-legend about a tyrant upon whom rodents visited justice, after he had locked himself against other forms of molestation in a castle on an island in the Rhine. These may be interesting tales, and they may be cold history. Rats are responsible for two hundred million dollars worth of damage annually in the United States, and the Philippine government has had to resort to airplanes in exterminating the same pest. It may be that the old timers simply had to take their medicine, and passed a trustworthy account of their troubles along by word of mouth, in the form of yarns that have never been forgotten.

ROBERT S. DOLLAR

SAN RAFAEL, Calif.—The Capt. Robert S. Dollar, one of the few great shipping magnets of the world, was a Master Mason for nearly fifty-seven years. He was a charter member of Muskoka Lodge No. 360, Bracebridge, Ontario, Canada. When addressing a group of young people two weeks before he died Captain Dollar gave them his formula for success and long life: "My rule for long life," he said, "is moderation in all things, clean habits, clean thoughts, plenty of exercise, and last but not most important, fear God and keep His commandments." He was fond of saying: "Work keeps a man in good health and when a man has good health he keeps at work."

ENGLISH RANKING MASON DEAD

London, Eng.—Dr. John Henry Salter, Deputy Provincial Grand Master of the Province of Essex, died recently at the age of ninety-one years. Joining the Masonic Order at the age of twenty-three, Dr. Salter was a member of the Craft for sixty-eight years. He was a founder and Master of two English lodges and a Junior Grand Deacon of the Grand Lodge of England, in 1899. He was vice-president of the Royal Masonic Institution for Girls; Life Governor of the Royal Masonic Boys and Benevolent Institutions; a member of both the York and Scottish Rites, and had advanced to the Thirty-second Degree of the latter Rite.

Dr. Salter was a country physician by profession and built up a large practice over a wide area of Essex which covered for the most part on horseback. He proudly said that he had brought nearly 7,000 babies into the world, some of whom are now grand mothers, whose ailments he attended. On one occasion, after a long ride and in an extreme circumstance, he amputated a man's arm with a small knife by

the light of an oil lamp.

IRISH DAIL ABOLISHES ALLEGIANCE TO KING GEORGE

WASHINGTON, D. C.—According to dispatches from Ireland, the government's bill to abolish the oath of allegiance to King George passed the Dail by a vote of 77 to 69 and was sent to the Senate. The gist of the reply of J. A. Thomas, secretary of the British dominion, to a recent question asked in the House of Commons was that the British Government served notice on the Government of Eamon de Valera that if it abolished the crown oath there would be no renewal of the Anglo-Irish trade agreement at Ottawa this summer.

It was stated that this would mean that Ireland would find itself in the same position as a foreign government. The new British tariffs which average 20 per cent would stand as a wall against Irish goods.

GUM-DIPPED CORDS
The Firestone patented Gum-Dipping process transforms the cotton cords into a strong, tough, sinewy unit. Liquid rubber penetrates every cord and coats every fiber, guarding against internal friction and heat, greatly increasing the strength of the cord body, and giving longer life.

TWO EXTRA GUM-DIPPED CORD PLYS UNDER THE TREAD
This is a patented construction, and the two extra Gum-Dipped cord plies are so placed that you get 56% stronger bond between tread and cord body, and tests show 26% greater protection against punctures and blowouts. It sets a new standard for fire performance on high speed cars.

NON-SKID TREAD
Tough, live rubber specially compounded for long, slow wear. Scientifically designed non-skid gives greater traction and safe, quiet performance.

* Firestone does not manufacture tires under special brand names for mail order houses and others to distribute. Special brand tires are made without the manufacturer's name. They are sold without his guarantee or responsibility for service. Every Firestone Tire bears the Firestone name and the quality equals that of special brand mail order tires sold at the same price.
