## County Exhibit Will Be One Of Finest

## News To Aid County Folks With Free "Swap Column"

### COUNTY EXHIBITS NOW IN MAKING

#### AGRICULTURAL EXHIBITS WILL BE SENT TO TRI- STATE, DALLAS FAIRS

The outlook at the present points to one of the most complete and finest agricultural exhibits ever to represent Donley county will be shown at the Tri-State Exposition and the State fair at Dallas this fall. County Agent T. R. Brown and chamber of commerce secretary, G. L. Boykin are especially optimistic over the prospects for a prize winning exhibit.

A large portion of the necessary products which are listed in the score sheets of the fairs have already been brought in and prepared for the exhibits. The Vocational Agriculture classes of the local schools have been doing a large part of the collecting, culling and selecting of the best products. One of the brightest reasons for the optimistic outlook according to the managers is the fact that Donley will show wheat testing 66 pounds.

Another announcement of signal importance to the people of Clarendon and Donley county is the designation by Tri-State Fair officials that Thursday, September 24th, will be Clarendon and Donley County Day. A radio program will be presented that evening by the Junior College of this city.

#### BAND CONCERT PLEASES PUBLIC LAST FRIDAY EVE

The band concert presented by the Clarendon High School band on last Friday evening at the band stand was well attended by an appreciative audience. The band under the direction of Gus B. Stephenson has been making great strides through the summer and is one of the most polished performing musical organizations in this section of the state. A number of new members among the younger players have joined the band and have helped in the personnel of the group. Other concerts will be announced in The News from time to time until cold weather.

#### Cream Shipments Above August Total

during the month of August totalled ten gallon cans. This total is an increase of 15 cans over the shipments of the month of July when only 246 cans were shipped from the local cream stations. Up until this past month the total cream shipments for the entire year amounted to 1949 ten gallon cans, with the August shipments bringing the year's total up to 2210 cans.

Miss Coye Latson left for Lubbock Sunday to attend Institute Monday and Tuesday. Miss Latson will teach at Post again this fall.

#### LATE FLASH! Brown Captured!

Announcement from the Sheriff's department to The News stated that the capture had been made of Belk Brown, convict who broke jail last evening. Sheriff Pierce apprehended the desperado shortly after two o'clock this afternoon about one and one-half miles west of the city as he was trying to secure a "lift" into Amarillo.

Upon the arrest it was learned that the escaped man was suffering from a broke ankle received when he jumped from the top of the jail in his break for liberty. Congratulations are due Sheriff Pierce and the entire force for their untiring effort in catching the fugitive, and to Mrs. Pierce for her bravery which prevented a clean delivery of all the inmates of the county bastille.

#### SCHOOL PAGE APPEARS IN YEAR'S FIRST ISSUE

"Along the Broncho Range," publication devoted to the Clarendon Public Schools and Junior College, makes its first appearance in this week's issue of The Clarendon News. This is the second year a school page has been published in the city and promises to be even more popular this year. Bill Word is editor of the page and is busy completing his staff to insure the very best of news coverage throughout the entire year. The staff will be announced in next week's issue of The News.

The Clarendon school page is one of the best in the entire state and reflects much credit upon the English department of the schools, headed by Miss Ineva E. Adrick.

Miss Gertrude Parr who has been visiting in the Wesley Knorrp home left for her home in Long Beach, California. While here Miss Parr was complimented with a number of lovely parties.

#### LIONS TO START 8 WEEKS EVENT

#### CONTEST WITH CHILDREN TO RUN CONCURRENT WITH OTHERS

The attendance committee of the Clarendon Lions Club made report on their plans for the eight weeks contest starting with the 15th. This year, the event is to be in the form of an automobile race with a Chevrolet being used by one side and a Buick by the other. Sam Braswell, Jr., is driver of the Chevrolet and is assisted by T. D. Nored, Mechanic, while the Buick is to be piloted by Ira Merchant and assisted by Fred W. Rathjen on the opposite side of the car.

To make the contest more interesting, a race track has been prepared and miniature cars are on the track. In conjunction with the international contest, there is to be a contest with the Children Lions Club, plans and specifications for which have been left with the attendance committee.

The committee in charge of the Ladies Night on the evening of October 20th was announced as the Major activities committee. They were asked to begin making their plans for the event.

A gift of the Clarendon Lions Club load of watermelons for use at the Clarendon picnic was received with enthusiasm. It was reported that these were very much enjoyed.

Lion Caraway apologized for the short time given the young ladies who furnished the program for the luncheon, giving as his reason the fact that two of the members were out of the city and that he had been moving and had forgotten about the entire matter.

Miss Mary Francis Caraway pleased the club with two piano solos and was followed by Miss Eunice Johnson in two readings that delighted the gathering.

Lion Douglas announced the receipt of the book covers recently received for the Lions and stated that they were now in the hands of the secretary. The disposition of the covers was left to the school affairs committee, with the suggestion that this body see H. T. Burton and Mrs. McMurry and ask them to assist in the distribution of the covers.

Lion Burton announced an enrollment of 59 in the college; this being more than was enrolled at this time last year and an enrollment of 604 in the schools of the city, this being a few less than last year.

A rising vote of thanks was voted Ralph Kerbow for his work in preparing the background for the race track. Adjourment followed immediately.

#### Donley Products Lead In Amarillo

Reports received from Amarillo in the past few days indicate that Donley County vegetables are those being called for more often than those from any other locality in this section of the state. R. H. Beville is partly responsible for these reports, he stating that he always asked for Donley County products at the market, and that he had become so accustomed to hearing Donley County men and other vegetables requested that he seemed almost at home when he visited one of these places. The general excellence of these products is well enough known to home folk but when Amarillo and other places a like distance from home begin asking for Donley vegetables it is sufficient proof that others are looking to Donley for their appetizing vegetables and other like substance.

#### RIFLE RANGE NEARING STAGES OF COMPLETION

The rifle range of the local rifle club is rapidly approaching the stages of final completion which will make it one of the finest in this part of the state. The pit is completed and two of the targets are in position. The embankment has been built behind the targets, and a phone line is in the process of being extended to the range. The range is located about 6 1-2 miles from the city in Sandy Pasture of the J. A. Rasch. Ranges will be offered the members from 200, 300, 600, and 1,000 yard distances.

#### A. N. WOODS IS PRIZE

By virtue of winning the third flight in the recent Amarillo Open Golf tournament A. N. Woods is proudly displaying a beautiful set of Hagen International wood clubs to all of his friends here. A. N. turned in a score of 331 strokes for the 72 hole play over the difficult Amarillo course. He was the only Clarendon golfer to break into the prize winnings, and is very proud of his accomplishment.

#### Two Break Jail Here One Still At Large

Shortly before eight o'clock last evening a wholesale jail break was frustrated by the unusual bravery of Mrs. Guy Pierce, wife of the Donley County Sheriff, who held four prisoners from breaking jail after two others had already escaped.

Sheriff Pierce through courtesy allowed the prisoners from their cells into the run-round where they might take a bath. He was called to investigate a suspicious automobile and was at the scene of the jail break.

The bars on the south side of the jail were sawed through and Belk Brown, convicted as a party in the Naylor affair last winter, and "Sleepy" McDaniels, held in connection with an automobile theft case, had slipped through onto the ground and Milan Brown was on the roof when Mrs. Pierce became aware of the break. She fired at the escaping Brown and it is thought that one of her shots found its mark. Milan Brown pleaded for his life and was allowed to return to the jail. A general alarm was given and citizens took up the chase of the fugitives. McDaniels was found later by Sheriff Pierce, but up until this morning no trace had been found of Brown.

It is thought that an accomplice helped Brown in his escape, as someone smuggled steel files into the jail. The bars were "cut" off soon to keep the local officers from becoming aware of the intended outbreak.

Sheriff Pierce wishes The News to express his appreciation for the splendid response of the local citizens in helping him and his deputies in the search for the desperadoes. A reward of \$25 has been posted by the Sheriff's department for the capture or information leading to the capture of Brown. A strict watch is being held throughout the Panhandle and it is expected that the breaker will be apprehended in the immediate future.

Mrs. Henry Hicks and Mrs. Carl Williams, both of El Paso, left Tuesday for their home after a few days visit here in the home of J. H. Rutherford. They were accompanied to El Paso by Miss Lota Bourland and Mrs. Richard Bell.

Mr. and Mrs. Fred Wewerka of Borger spent the past Sunday here in the home of J. W. Martin and other friends.

#### BRONCHOS CLASH WITH HARVESTERS

#### MAROON AND WHITE TEAM HOPES FOR WIN OVER POWERFUL PAMPA TEAM

When the Clarendon High School Bronchos trot out on the Harvester Park field tomorrow afternoon they will show grim determination to put up a stubborn battle against whatever attack the strong Pampa Harvesters throw against them. There is not the semblance of a pessimistic thought among any of the Bronchos, and it is the aim of the Harvesters to stop at nothing short of a victory over the great Harvester aggregation.

True, the dope favors the Pampa gridsters, but that is just the way every team likes to go into battle. The Bronchos have prepared for the opening contest and are all in fine shape. A varied attack has been perfected by Stocking and Hutton, local mentors, and should the battering line attack fail to click a brilliant carnal game copied with a flashy running offense will be called into play to dent the Harvester goal line. It is believed by the most rabid fans of the city that the local attack will match play for play that boasted by the Mitchell coached Green and Gold.

Only one position will be filled by a new man. The position of half-back which Hudson was slated to fill is being fought for by a number of new and untried men, but it is almost certain a capable

the other positions will be filled with experienced players giving the Bronchos a first class forward wall to match the powerful and aggressive line of the Harvesters.

The game is slated to begin at 4 o'clock which will give everybody from Clarendon plenty of time to reach Pampa in time for the contest should they wish to leave after lunch.

Wade Youngblood left Saturday night for Dallas where he will attend Baylor Medical School this winter.

#### QUITAQUE LOSES EVERY MATCH TO LOCAL GOLFERS

Last Sunday afternoon the inter-city golf match between the local shooters and the Quitaque golfers on the local course ended disastrously for the visitors as the homebats acted most unkind in winning every one of the twelve matches played. The visiting players are rather new at the game and were matched with the lower bracket of the local players. The Hillcrofters have not lost a match in three months.

#### TALKS FEATURE ROTARY PERIOD

#### ROTARIANS O. L. JENKINS AND D. R. DAVIS OFFER SHORT TALKS FRIDAY

Two splendid speeches by members of the club featured the regular Friday luncheon period of the Clarendon Rotary club at the Clarendon Hotel. No guests and visitors were present at the luncheon.

The program was under the supervision of the Club Service Committee with Rotarian B. L. Jenkins as chairman. The subject, "What I Owe to Rotary" was taken by Rotarian O. L. Jenkins and discussed in a very pleasing and instructive talk in which many points were brought out which outlined the duties of the local individual to the club. Rotarian Jenkins' talk was followed by another equally interesting and enlightening by Rotarian D. R. Davis. His speech was on the subject of "What This Club Means to Clarendon and the Surrounding Territory."

The splendid musical period was under the direction of Rotarian R. S. Cope and Rotary Ann Wiedman. The next program will be in charge of the Community Service Committee with Rotarian C. C. Powell as chairman.

#### Business Men To Meet Tuesday Eve

The Retail Credit Men's Association of Clarendon will have their regular monthly meeting next Tuesday evening in the banquet room of the Clarendon Hotel. The secretary of the association, Mr. C. C. Powell, stated that this arrangement was made this week by the Board of Directors of the organization.

At this meeting, the prime topic for discussion will be the report from the Charities committee named at the meeting in August. Chairman of this committee is E. P. Shelton. Other addresses have been planned, but the announcement of the names of the speakers is being withheld at this time.

The meeting will be opened at 7:15 p. m.

#### SIMS P. T. A. HOLDS FIRST MEET TUESDAY

The Sims Parent Teachers Association met in their first regular session of the new school term last Tuesday afternoon with a splendid representation present. A pre-view of the year's schedule of activities were outlined and discussed by these present.

The following program was presented: Miss Christine Stroder offered a charming piano number, followed by a talk by Mrs. H. T. Burton on the relationship of the home and school as seen by a school patron. Mr. R. E. Drennon discussed the same subject from the standpoint of the teacher.

Miss Sara Thompson left for Ft. Worth Monday morning. Miss Thompson will teach public school music in the Denver Ave. school, Fort Worth, again this year.

Misses Jessie Ingram and Naomi Allison left for Amarillo Saturday night where they are to be employed in the schools.

#### W. T. Cashiers Here Tuesday

The cashiers and women members of the West Texas Utilities force in District J. were visitors in Clarendon Tuesday of this week. The meeting was held in the Club House of the Country Club, where a delicious chicken barbecue was prepared and served by Frank Whitlock and O. E. Harvey. Representatives from the various officers were present at the program.

Those here and taking part were: Miss Josephine Moore, Matador; Miss Aubrey Hankins, Childress; Miss Annie Ruth Johnson, Estel; Mrs. Lorraine Tarver, Memphis; Miss Jewell Everett, Hedley; Miss Annie Finley, Turkey; Mrs. Lola Middleton, Wellington; Miss Tennoka Bell, Wellington; Mrs. Roy Kutch, Wellington; Miss Mann, Hedley and Miss Russell, Matador. T. D. Nored, manager of the local office was host; Frank Houston, Jr., of Childress assisted in the handling of affairs and G. L. Hamilton of Matador was driver for the delegation from this section of the state.

Mrs. Endora Hawkins from the Abilene office of the West Texas Utilities Company was present as Home Economist of the company and had quite a part in the program of the day.

#### RADIO AUDITION HAS UNUSUAL INTEREST HERE

According to Mrs. J. L. McMurry, chairman of the local committee on the national Radio Audition contests, there is unusual interest in the local contests with eight of the local young people working very hard in an effort to win the honor of representing Clarendon in the state audition contests to be held in Dallas in the near future.

Both the young ladies and young men competing here will meet at the home of Mrs. McMurry next Saturday evening where the local contest will be staged. Judges from the city of Memphis will be used in selecting the winners. These are Mrs. McNeely, Mrs. Tarver and Mr. Wm. Russell Clark. Mrs. J. L. McMurry, Miss

#### QUEER CANTELOUPE BROUGHT FOR DISPLAY

P. O. Wood dropped into The News office last Saturday afternoon with what most of the News force believed to be a greatly enlarged specimen of Bo' d' Arc apple. Mr. Wood informed us that the product he was beginning was nothing more or less than a new species of canteloupe. The seed was brought to Goodnight by a sister of Mr. Wood and originally were grown in Colorado. The melon is wrinkled, more so than a dried prune, and is said to be just as wrinkled when it first comes on the vine. When green they are of a very dark color, turning to a yellow when they are ripe. The meat is very thick, leaving only a very small space in the center for the seed, which are of ordinary size. The flavor is good, but the vines do not carry a great many of the melons, not more than three having been found on a vine by Mr. Wood. The melon brought to The News weighed ten and one quarter pounds.

#### LEGION ELECTION SET FOR TUESDAY

#### NOMINATIONS MAY BE AT ANY TIME PREVIOUS TO MEETING

An especially large attendance is asked for the meeting of the Aubyn E. Clark Post of the American Legion for Tuesday evening of the next week. At this meeting

from those whose names have been placed in nomination and which were posted on the board in the hall last Tuesday, September 1st.

At the request of many of the members, and to forestall any idea that the election was to be a steam-roller affair, the nominations were made and placed on the board two weeks in advance of the election date. The nominations were left open and others may be placed in nomination at any time before the election is closed. Election will be had by ballot, except in cases where there is no opposition, when it may be had by acclamation if so desired.

The first announcement of the plans for the coming year will probably be laid out to start immediately. This last named feature is one of the major items in front of the Legion for this year and a complete enrollment will probably have much to do with the retention of the eighteenth District Cup for one next year.

Nominations made at the first regular meeting this month are: For Post Commander: Nathan E. Cox; For First Vice Commander: Joe Holland, T. R. Brown, H. R. Kerbow; For Second Vice Commander: Guy Pierce, R. M. Chunn; For Adjutant: G. L. Boykin; For Sergeant-At-Arms: Tom Tucker, Cleo Emerson; For Historian: H. T. Burton, Loyd Stallings; For Liaison Officer: Chas. B. Trent; For Service Officer: C. J. Douglas; For Chaplain: R. W. Moore, Elba Ballew; For Executive Committee, three to be elected: R. Y. King, E. R. Andis, B. C. Antrobus, C. Huffman and Dick Cannon.

#### LOCAL METHODISTS ATTEND DISTRICT MEET AT McLEAN

Headed by Presiding Elder W. M. Murrell, a number of Clarendon Methodists attended a district meeting of pastors and laymen at McLean Tuesday. The purpose of the meeting was to make plans for the completion of the conference year now drawing to a close.

Bishop H. A. Boaz was present and preached a stirring sermon just before adjournment at noon, when all the assembly lunched with the McLean Lions Club in the basement of the church.

Those sending from Clarendon were Rev. W. M. Murrell, Rev. E. B. Bowen, Rev. C. B. Ingram, Mess. W. A. Armstrong, E. V. Quattlebaum and Sam M. Braswell.

Anna Moores and Mr. R. S. Cone, will judge the Memphis audition contests.

#### NEWS OFFERS SWAP COLUMN

#### SIXTY DAYS CAMPAIGN OPEN TO ANY ONE WITH ANY THING TO TRADE

In conjunction with the News offer to trade home canned products for subscriptions and with the county-wide plan of bartering Donley County products for the wheat and other out-of-the-county products, the News comes forward with another offer to assist readers. This is to be in the form of a free trade column in which our readers may advertise what they have to trade for something someone else may have.

It would seem that conditions are such that the county must be forced to accept a trade in order to keep in operation. Lack of funds to purchase is a hindrance in some instances, but this offer of a free swap column should alleviate this need to a large extent and at the same time fill gaps that may be present in the larder or in products needed on the farm.

The column will be limited to trades only, since the plan in itself does not call for the exchange of any deal. The ads will be limited to three lines, this being approximately eighteen words and is ordinarily sufficient to give the ideas in mind. For instance:

Alec Smith has ear corn to swap for young pigs. Phone 709K  
Maize heads to swap for one or two calves. Oscar Eckhardt, Route A.

The offer of the News will close with our issue of November 5th. It is the hope of The News that we may be the means of trading a great deal of material that is needed in one section of the county and is not available in that section.

Who'll be first?  
Milton H. Crowder of Lubbock, formerly of this city, was here the latter part of the past week visiting with friends and acquaintances.

#### Business Women In Interesting Session

Misses Fray Stallings and Gwyndolen Couch were hostesses Tuesday evening to the Business and Professional Women, at the Clarendon Hotel.

The club is one of the most active Civic Clubs of the town. At present they are sending one

girl to college. Misses Estelle Taylor of Taylor, Texas, Anna Finley of Turkey, and Mrs. Lola Middleton of Quitaque were visitors to the club. Eighteen members answered roll call.

#### WELLINGTON AND MEMPHIS VOTERS FAVOR GAS BONDS

Bond issues of \$65,000 in each instance were approved by voters of Wellington and Memphis Tuesday the proceeds to go to construction of municipal gas systems.

The move in both cities came as the climax of prolonged protests against rates charged by the Northern Texas Utilities company.

#### SCHOOL DISTRICT NEEDS TAX MONEY

Every Tax Payer within the Clarendon Independent School District who has not paid their School Taxes is called upon by the Board of Trustees to pay them at the earliest time possible in order that our school may remain open.

W. C. Alexander, Tax Collector.

ASSOCIATION

### AN UNCOMFORTABLE POSITION

Donley County today occupies the most uncomfortable position of any county in Texas. She has within her borders a little over fifty miles of two great highways—Five and Sixty-six—and so far has refused to do her part on any program of paving completion. Further, she evidences little interest in the matter.

It is the most uncomfortable position to be occupied by any Texas county, and it is costing every citizen more money every year than his part of the paving would cost, while he "enjoys" the bad roads.

Now if that uncomfortable position could be shifted solely to the ones responsible for it—

### A FAVORABLE OUTLOOK

With more food canned for winter consumption than ever before, with more feed stored than at any time in a decade, with plenty of cotton in the fields considering the low prices, with a spirit to "carry on" and weather the storm, Donley County has a favorable outlook.

Now if the legislature will pass a reasonable law restricting cotton acreage for a period of three to five years, and other states co-operate along the same line cotton prices will advance to a profitable figure, and 1931 will close with every indication that better times are ahead in 1932.

The politicians cannot bring us good times. They can help, but the people themselves must plan and work to bring better conditions through their own efforts.

### RAIL WAGES TO BE LOWERED

There is little doubt that immediately following the verdict of the interstate commerce commission that an increase in railroad freight rates of fifteen percent be disallowed, that the railroads of the nation will announce a decrease in wages of rail workers. This seems inevitable.

Now if the wages of the executives be cut in proportion to other employees there is little chance that labor troubles will result from this move. From many sources there is evidence that the rail men are expecting a reduction and will accept a reasonable cut with the best of grace. There will be radicals, of course, who will attempt to engineer a strike, but the majority of the men realize that living costs have been lowered, that they have been enjoying relatively high wages for many years, and that reductions to new conditions are logical.

A strike is certainly illogical now.

### CHARITY FUND TO BE JEALOUSLY GUARDED

If those who refuse to work when an opportunity is given, and who expect to impose upon the generosity of the American people this fall and winter, think they are going to be fed they are due for a rude awakening.

Clarendon people, like other responsive citizens, will certainly do the best they can for the truly worthy unfortunate this winter, but there is to be no duplication of effort and there is to be a more rigid investigation before aid is extended.

If it be a "hard winter," those who would "ride free" are going to feel it keener than any one, for necessity forces Clarendon and every other town to clamp down the lid on any but the most worthy cases of charity.

Another thing—these gypsies that range from one town to another in search of food; they may as well pass on, for they will receive scant attention in Clarendon.

### CONSOLIDATIONS IN GOVERNMENT

Now as never before men are thinking along the lines of consolidations of various branches of government, where large savings in operation can be effected with small hurt to the services rendered. In many areas the city and county governments have been consolidated with splendid results and heavy reductions in taxes to the citizenship.

There are those who now advocate the consolidations of several counties for administration purposes and with the increasing demand for lowering of taxes it is probable that some plan will be worked out in this country before many months. Advocates of the consolidation plan argue that the citizenship in a four-county block would be relatively closer to the county site now than they were when present size counties were established, and they are right. Transportation and communication have made this possible.

Anyway, there is coming an overwhelming demand for lower taxes, and one of the most feasible ways of doing the job is fewer and more efficient tax-supported offices.

The demand will not be hushed and consolidations in government administration are inevitable.

## HOT SHOTS HERE AND THERE WITH THE EDITOR'S CLIPPERS

The novice at golf had an uncanny genius for sending the ball into the rough. Finally his exasperated partner whispered: "You've paid your membership dues at the club, haven't you?" "Of course," the other replied. "Well," said the partner, quietly, "I just wanted you to know that if you've paid, you're entitled to use the fairways."—Kennedy Advance.

Mrs. Hoskinson—I have found out one thing about that Mrs. Newcome. Whoever she is, she has certainly never moved into good society. Mr. Hoskinson—How do you know that? Mrs. Hoskinson—She shakes hands as if she meant it.

"These magazines will enable you and your wife to keep up with the times," said the agent. "The only thing you could interest me in would be something that would enable us to keep up with the neighbors," growled his victim.

"I think we could be very happy together." "But do you think we could be as happy as we could apart?"

Men's lives should be open books, so their good wives expect, and they seem to think each page should represent a check.

"How it is you don't speak to Bess any more?" "She won three of my engagement rings from me playing bridge."

"Are you in favor of women taking part in public affairs?" "It's all right if you really want the affairs public."—Bennington Banner.

"Say this coffee looks like mud!" "No wonder—it was ground before it was boiled."

And what has become of the old-fashioned girl? She's still at home. —Kennedy Advance.

"Did your husband sleep after taking the sleeping draught?" "Not a wink." "You could not have administered it properly." "No, I forgot to take the price off the bottle."—Moustique, Charleroi.

Miss Neverston, seating herself between two much-engrossed clerks, exclaimed: "A rose between two thorns." "No," retorted one, "say rather a tongue sandwich."

"But, madam, you have no claim. Your husband did not insure his life; he took out a policy against fire." "That's what I claim. He has been cremated."—Times of India.

"Can I marry your daughter?" "Can you lend me \$25?" "Yes." "Yes."

"Will you tell your sister I'm waiting?" "I did, and she said to tell

you the line formed in de front hall."

"I cook and bake for you and what do I get? Nothing." "You're lucky, I get indigestion."

"That's a swell job Joe's got playing the guitar." "Yeah, he got it by pulling strings."

The literary critic met a young and inspiring author at his club. "I've just read a book of yours," he said. "My last one?" inquired the author, hopefully. "I hope so," replied the critic.

The hotel guest was thoroughly annoyed. People were running backward along the corridor outside his room, making a terrible noise. So he took the telephone and spoke to the manager's office. "I can't get to sleep with all this noise going on," he complained angrily.

"I'm sorry, sir," said the voice of an excited clerk, "but I'm afraid we can't control the movements of the fire brigade."—Kennedy Advance.

## POLITICS AND PERSONALITIES

Instead of calling Congress into session to formulate some definite fiscal policy to offset the national deficit, the Administration announces a \$1,000,000,000 long-term bond issue which will constitute a burden on future generations. Instead of making sure that his debt moratorium will be ratified by the 15th of December, as it should be to become truly effective, Mr. Hoover will allow Congress to meet as usual on December 2nd and possibly spend weeks organizing the two houses before even discussing the international problems. Instead of summoning the legislative branch of government to originate action for unemployment relief, the President delegates that task to private individuals and committees.

Reason for Mr. Hoover's reluctance to call Congress were given by the President himself when he stated a few months ago that an extra session would "interfere with the healing processes now going on." Since then, it has become painfully evident that not only are there no healing processes under way, but that the economic wounds are deepening daily.

Naturally, an Executive who has taken a firm stand on some question is loath to back down, but when refusal to yield is as contrary to public good as in this instance, his firmness becomes sheer stubbornness, if not egotism. Hoover has backed down before, notably on the sky-high Tariff Act which he signed after he had specifically called for "limited revision" only. An exhibition of the presidential back-bone seems rather untimely right now.

## ATTENTION GINNERS

Now is the time to check your Printing needs for the coming season. We are in position to give you prompt service on Weight Receipts, Gin Tickets, Scale Books, Special Forms, Numbered and Wired Cotton Tags, Receipt Books, Envelopes, Letterheads, Statements, Ledger Leaves, Rubber Stamps, Carbon Paper, Typewriter Ribon, Adding Machine Paper and anything in special gin form printing. Let us figure your needs. Be sure to get our prices before you buy away from HOME. Always a pleasure to serve you and bear in mind your HOME PRINTER can give you RIGHT NOW service, when you need it and as you want it.

## Modern Electrical Refrigeration Keeps Vegetables Crisp and Tasty

HAPPY electric refrigerator owners have eliminated the problem of preserving fresh fruits and vegetables during these hot summer months. They merely place perishables in the spacious moist-air compartment, where their fresh-from-the-garden taste and appearance is maintained for an indefinite period. Even wilted and unusable greens become firm and fresh after over-night storage in the moist-air section!

Just imagine the hot-weather-convenience of this one advantage alone—think of the substantial economies that will result from the savings to be

gained. And the moist-air compartment is just one of many Electric Refrigeration advantages.

Ask a salesman to show you the new Frigidaires. Ask for a demonstration of the Hydrator, Cold Control, acid-resisting porcelain-on-steel and many other superiorities of the beautiful new models. No obligation, of course, and terms can be arranged to suit the most modest budget requirements.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

LONG TIME RESIDENT OF CLARENDON DIES SUNDAY

After a brief illness, Abner Theophilus Miller died at his home here in Clarendon early Sunday morning, Sept. 6th. Mr. Miller had been a sufferer for some years and while his going was a shock to the community, he had been in failing health for many months.

The funeral services were held at the family home Monday afternoon at three o'clock, conducted by Rev. Robt. S. McKee, pastor of the Methodist Church. The Masonic fraternity also conducted an anti-burial service at the home, the ritual being read by W. H. Patrick, and the Knight Templar Masons also participating. Mr. Miller was a Mason of both the York and Scottish Rites, being also a Shriner.

Mrs. J. L. McMurtry had charge of the music for the service and a mixed quartette sang "Precious Name," "It Is Well," and "Beautiful Isle of Somewhere."

Mr. Miller had lived in Clarendon for eighteen years and was recognized as a splendid citizen, a good neighbor and dutiful husband and father. He was born Aug. 2, 1858 at Moresville, N. C. He united with the Presbyterian church at the age of twenty-one, and later joined the Methodist church with his wife. In 1879 he moved to Collin County, Texas, and later served as a Texas Ranger under Capt. Bill McDonald. He was frontier postmaster at old Margaret, Ford Co., in the stage coach days and in January, 1893 married Mrs. Naomi Nixon, settling on a stock farm in Foard County where they lived until they moved to Clarendon in 1913. He retained his farming interests in Foard County and through good management added other properties as the years passed, having shown splendid ability as a manager and provider.

The deceased leaves a wife, a daughter, Mrs. C. B. Morris, three grandchildren and two brothers to mourn his going. The brothers are R. L. Miller of Redmond, Ore. and J. W. Miller of Plainview, Texas, neither of whom could be present at the funeral.

Active pallbearers were: R. L. Bigger; Ralph Andis; Bennett Kerbow; W. D. Van Eaton; C. R. Skinner; Walter Clifford. Honorary pallbearers: G. J. Teel, Gayle Park, Locke Lorraine, Dave Hamer, John Ray, Dr. Aimes Clark, E. G. Grimley, W. F. Wood, W. C. Gardner, M. C. Adkins, Gale Lorraine, Ralph Porter, John Allison, P. A. Caldwell, M. S. Parsons, T. H. Peebles, V. T. Dever, C. C. Powell, S. W. McLarty.

Those in attendance for the last rites were Mr. and Mrs. E. G. Grimley, Mr. and Mrs. W. C. Gardner, Mrs. C. H. Wood, Mrs. C. C. Linsley, Mrs. E. J. McKinley, W. C. Bond, all of Thalia, Dr. Hines Clark, Mrs. J. S. Ray and Mrs. Nora Boardman of Crowell, Mrs. Dave Hammer, Mrs. E. L. Marrs and Miss Geraldine Marrs of Plainview, Mr. and Mrs. M. J. Jackson of Hedley, Mrs. Lula Burke, Mr. and Mrs. Bob Bell of Crowell, and P. A. Campbell of Childress.

Interment was made in the Citizens Cemetery where a large concourse of friends attended and where the floral offerings were beautiful and profuse as they were placed with loving hands on the mound that marks the last resting place of this good man and neighbor.

**ASHTOLA SCHOOL NEWS**

The Ashtola P. T. A. met Thursday afternoon, September 3.

The purpose of their meeting was to organize the work in cooperation with the school work. It was agreed at this meeting to reduce the membership fee to twenty-five cents per year. An extensive campaign is to be launched to increase the membership of the organization.

It was agreed at this meeting to hold a business meeting once a month on the first Thursday and to have a community entertainment program once each month on the third Friday evening. The first Friday evening program will be given September 18. A cordial welcome is extended to all patrons and friends to attend this first program or other programs of the year.

The officers of the Ashtola P. T. A. are Mrs. W. A. Poovey, president; Mrs. M. S. Swinburn, secretary; and Mrs. L. C. Tims, treasurer.

**ON TEXAS FARMS**  
By W. H. Darrow.  
Extension Service Editor

Many light-frame farm buildings develop sway-backed roofs, bulging walls, or sagging floors, or they may lean over or collapse completely because they are not properly built in the first place. Most failures of farm buildings are caused by improper foundations, insufficient anchorage of the frame to the foundations, in insufficient bracing of the frame. You can get a 6-page leaflet on Bracing Farm Buildings, Leaflet 77-L, from the U. S. Department of Agriculture, Washington D. C.

The quantity of feed a laying hen eats varies widely. A hen will eat more of one kind of feed than of another. A big hen eats more than a little one. A layer has to eat more than a loafer. Hens will usually eat more of a mixed-grain ration than a ration made up of only one grain. Leghorns and similar small breeds eat less than birds of the larger breeds. Usually birds bred for high egg production consume slightly less feed than birds of the same size of less productive strains. Records at agricultural experiment stations show that Leghorns laying an average of 150 eggs a year consume about 80 pounds of grain annually, and that general-purpose breeds with the same production eat about 87 pounds. Hens usually eat more grain during seasons of heavy egg production.

There will be about 20 trench silos in use in Harrison county this year, the county agent reports. For pulling the esilage cutter which is to be supplied free by the local Chamber of Commerce and a milk concern.

Out of the 3150 head of dairy cattle recently tested for tuberculosis in Wise county only one reactor was found, the county agent says. By pooling their cattle these farmers saved \$1100 in getting a veterinarian to do the testing.

Encouraged by raising 102 bushels of corn to the acre last year, Fred Winkemann, Washington county 4-H club boy, has increased his crop this year to seven acres and the county agent says he stands a good chance to make a big yield in spite of dry weather.

O. O. Gain in Earth county is reclaiming a 20-acre field full of huge gullies by terracing, planting sweet clover, and letting nature do the rest.

# IN SOCIETY

## Miss Dorothy McCanne Is Hostess

Fortunate indeed were the guests of Miss Dorothy McCanne, Saturday morning at the lovely bridge breakfast, given at the beautiful McCanne home in west Clarendon.

Guests arrived at eight o'clock and were greeted by Miss McCanne and her mother.

The tables were laid with choice china and silver wear, a bowl of roses made the center piece for each table. Silhouette tally and place cards, made on parchment paper by Miss McCanne, were found at each plate.

An elaborate breakfast was served before the games were played.

The guests: Misses Lotta Bourland, Fray Stallings, Eunice Johnson, Gertrude Parr, Ann Craven, Edna Montgomery, Lodie Green, Maurine Wood, Elgin and Loraine Patrick, Mrs. Tom Murphy, Mrs. Meade Haile, Mrs. Ira Merchant, Mrs. Kelly Chamberlain, Mrs. Carl Hicks, Miss Esther Morrison. Miss Ann Craven was fortunate in playing high score, receiving a dainty Silhouette Miss McCanne brought from Germany.

Miss Parr played low, receiving a Silhouette.

## Miss Chamberlain Charming Hostess

Miss Mary Jo Chamberlain was the charming hostess Wednesday evening, when she entertained with a lovely dinner bridge, a group of friends at her lovely home. The rooms were made beautiful with garden flowers.

Guests for the occasion were: Misses Dorothy McCanne, Gertrude Parr, Lorraine Patrick, Ann Craven of Childress, Mrs. Kelly Chamberlain, Mr. Tom Bugby, Eby Stocking, Elbert Bowen, John and Carol Knorpp, Kelley Chamberlain, Mrs. Kelly Chamberlain played Hi for the ladies and Tom Bugby played Hi for the gentlemen.

## Picnic Honors Knorpp Family

Mr. and Mrs. Knorpp and family were the guests of the Country Club where a real picnic was enjoyed, games of other days were enjoyed on the lawn with the beautiful supper a climax.

The party consisted of Mr. and Mrs. Ira Merchant, Mr. and Mrs. Holman Kennedy, Jr., Ellen Kennedy, Mr. and Mrs. Merideth Gentry, Mr. and Mrs. P. B. Gentry, Dr. and Mrs. Oscar Jenkins, Misses Lorraine Patrick, Ann Craven, Gertrude Parr, Mary Jo Chamberlain, Mr. and Mrs. Wesley Knorpp, Messrs John, Carol and Waalter Knorpp, Tom Bugby, Mr. Elbert Bowen, Mr. and Mrs. Kelley Chamberlain.

## Win-One Class

The Win One Sunday School Class met Tuesday afternoon for the regular monthly social and business meeting. Mrs. Tom Connally, Mrs. R. Y. King, Mrs. Henry Williams were hostesses, at the home of Mrs. Connally.

Lovely baskets and vases of flowers adorned the house. In the business hour officers for the year were elected.

Mrs. V. A. Kent Vice-President, Mrs. Frank Bourland Treasurer, Mrs. D. O. Stallings Secretary.

Mrs. J. T. Patman was re-elected as teacher. Plans for raising finances for another year were discussed.

A pleasant social hour was spent after which a lovely salad course was served.

## Club Honored By Mrs. Roy Ingram

On Tuesday afternoon Mrs. Roy Ingram was the charming hostess to her bridge club.

Seated at the four tables were the following club members.

Misses Lillian Brady, James Haile, Tren Stargell, Barcus Antrous, Eddie Teer, Harry Simon, Carl Bennett, Jr., Josephine Ball, Miss Lotta Bourland. Guests were, Misses Eunice Johnson, Jonnie D. Latson, Mary Hazel Hurn, Esthers Morrison, Mrs. Meade Haile, Mrs. Bill Brumley, Mrs. Carl Hicks of El Paso, Texas. Mrs. Brady played Hi, Mrs. Stargell cut for Consolation. A salad course was served.

## Mrs. W. H. Patrick Entertains In Lovely Parties

Mrs. W. H. Patrick was a pleasing hostess Friday evening, when she entertained with nine tables of bridge in honor of Mrs. Wesley Knorpp and her house guests. The party was at the home of John Bugby. After a number of games were played, dainty refreshments were served.

Mrs. Patrick was hostess again Sunday with an elaborate dinner honoring the Bugby, Knorpp and Carroll families and guests of Miss Lorraine Patrick, Miss Ann Craven of Childress, Texas.

## Young Folks Have Melon Feast

Lest the melon crop soon be gone and to celebrate the opening of a school term just begun, the young folks motored to the river and through the hospitality of Miss Carol Holder, a huge water melon feast was enjoyed by the following girls and boys.

Misses Elizabeth Kemp, Jean Bourland, Carol Holder, Pauline Shelton, Pauline Sanford, Mary Francis Caraway, Dorothy Jo Taylor, Jonnie D. Latson.

Mr. Benton Smith, Carol Hudson, Mike Stricklin, Fred Bourland, Steve Green, Roy Stargel, and Mrs. Kemp.

## Miss Elizabeth Kemp Gives Party Tuesday

Tuesday night at the home of Miss Elizabeth Kemp, was the scene of much merriment, when a few of Miss Elizabeth's close friends gathered for a slumber party.

The first part of the evening the girls accompanied by Mrs. Kemp and Mrs. Boston, motored to the Country Club and enjoyed a swim before a picnic supper was spread. After returning home games and "gossip" was enjoyed until the midnight hour when another lunch period was enjoyed.

The party was composed of Pauline Shelton, Pauline Sanford, Carol Holder, Jonnie D. Latson.

## Mrs. Blanche Oden Hostess To Club

Mrs. Blanche Oden was hostess to the Good Will Club and served invited guests Thursday afternoon.

Miss Delphia Bones gave several piano numbers, while the members, engaged in various kinds of needle work. Generous slices of ice cold melon were served the following ladies:

Mmes. Fred Russell, T. D. Nored, Henry Shoffett, L. Carlyle, Don Martin, F. O. Wood, R. Y. King, Gorman, Willie, Anna and Beatrice Gorman, and Delphia Bones.

Mrs. Fred Russell will be hostess to this Club Thursday, 17th.

## Mrs. Eva Womack Is Hostess To Club

On Tuesday afternoon Mrs. Eva Womack was the delightful hostess to the Friendship Club, receiving at the home of her daughter, Mrs. Ralph Andis.

After a short business session, the afternoon was spent piecing a very beautiful designed quilt. Answering roll call were Mmes. J. D. Stocking, Allison, Meader, Tyree, Teel, L. Ballew, Skinner, Thornton, Tombs, Mae Womack. A dainty ice course was served by Mrs. Andis.

## 1926 Book Club To Meet Next Tuesday

Hostesses have been changed for the regular meeting of the 1926 Book Club which will meet next Tuesday afternoon, Sept. 15th, at 3:30 o'clock at the club rooms in the City Building. Mrs. R. S. Cope and Allen Bryan will act as hostesses for the afternoon. A full attendance is requested from all the members.

## PAMPA BUSINESS WOMEN PLAN FINE STYLE SHOW

On the 16 and 17 of this month the Pampa Business and Professional Womens Club are sponsoring a style review to be held at the LaNora Theatre. There will be the regular picture featuring Ramon Navarro in India.

There will be a showing of pajamas, sports and afternoon dresses and evening frocks. Also the latest thing in winter coats and hats will be shown. The merchants are making a special effort to get the latest the markets have to offer in the way of ready-to-wear for this occasion.

Besides apparel for milady there will be toggery for men and boys and little misses.

## MRS. CAL MERCHANT IS OPERATED ON TUESDAY

Stricken by an acute attack of appendicitis at three o'clock in the afternoon and operated on at eight-thirty that evening is the story of the sudden illness of Mrs. Cal Merchant who is recovering from an operation performed Tuesday night at the Adair Hospital.

Mrs. Merchant was busy making jelly, and preserves Tuesday morning and the swiftness of the attack was a great surprise to her and the family. Her sister, Mrs. Carhart of Panhandle, came hurriedly as also other absent members of the family.

Mr. and Mrs. J. E. Watson and daughter from Hobert, Oklahoma, were here the early part of this week visiting in the home of a brother, Mr. and Mrs. O. C. Watson.

Mrs. S. A. Andrews and Mrs. Reese Jones from Colorado, Texas are visiting in the Dryer home at Goodnight. Mrs. Andrews is a sister to Mrs. Dreyer.

## Ezra's Palaver—

Dear Mr. Editor: Here I am back agin and I hope you will keep on givin me all that room I had last week. Some day I may say somethin that is real good.

You know there has bin a lot of talk here of late about relief for the cotton farmer. Me and Maria wuz takin about this cotton relief th other night and Maria she sez we could make a lot of difference if we would only eat a sight more cotton candy. Myself I never did care for th darned stuff, but I reckon if they wuz to color it pink or blue or sum other color that wuz nice I could eat a right smart of it. Sort of reminds me of this here wind puddin Ma used ter make when I wuz a kid.

This here tradin idear seems to be goin over purty well. I got a neighbor that sez he reckons he had better git into a massel of truck and take em to the plains an git him some of that there wheat. Says he always did like sum whole wheat flour to make pancakes fer breakfast. Guess I would try that but Me and Maria already had a cellar of stuff al-ready on hand and we don't know where we would put any more.

Imeant goin to write you much this week. I've been right busy this week. The cows broke down a fence and got into a massel of corn and put nigh ruined their fool selves and I've ben so dern busy I havn't had time to do much in this line. Me and Maria we have ben doin some talkin this past week about what to do this wintter when these here folks come in an need help. We aint right certain how to do it, but we want you to call on us when you need some sweet per-taters or eggs or any thing like that. We got a lot of nabors who are going to help right along too.

My chickens has about all got well from the roup. It turned out that it wasnt roup at all. Hopin yure the same, Ezra.

## ETHYL DEMONSTRATIONS PROVE INTEREST IN FUEL

Primarily demonstrating the products of the Continental Oil Company, specializing on their Ethyl Gasoline as compared with their white motor fuel, the demonstration crew of this organization was in the city last Friday and showed their motor at the dealers' places of business here, at Lelia Lake, Jericho and Gold-ston.

Inasmuch as the demonstration was held for the purpose of showing the value of the addition of ethyl fluid to the gasoline, two samples of gasoline drawn from the regular dispensing tanks were used. One was the white gasoline and the other was that containing the ethyl fluid.

A constant load is provided on the Deico engine, allowing the test to be made with the engine running at full load rather than idle. The load is so fixed that the engine is acting as though it were pulling a heavy hill when running at normal speed. The Deico engine is on the same type found in all automobiles and is provided with a plate bolted to the top of the cylinder to give the high compression found in most motors used at the present time.

A small hole is drilled in the top and a plate is placed in this hole, requiring a force of 300 pounds to flex it. This called the bouncing plate and shows to what extent the motor pounds when the ordinary fuel "breaks down" in the explosion.

When using the Ethyl fluid, the motor runs about 900 revolutions per minute, generating 450 amperes. Switch to white fluid and after a few moments the motor begins to pound, losing up to fifteen percent of its productive power and losing at the same time the number of revolutions per minute needed to secure the power wanted. Continued use of the white gasoline will heat the motor to such an extent that it will continue to operate as a diesel engine after the spark has been cut off. A return to the ethyl gasoline will cool the motor and allow it to stop within a very few minutes.

The demonstrator in charge of the equipment stated that it was not the purpose of the ethyl to remove carbon but rather that it made it possible for the car to utilize the power caused from the presence of the carbon through higher compression and more even fire. Gasoline, he stated, was a more powerful explosive than dynamite or nitroglycerine, this giving raise to an explanation of the reason for the detonation of the white gasoline rather than the even burning found when the ethyl fluid is present.

The car and demonstrator here are part of the Continental Oil Company's plans to cover their territory in one year's time with this demonstration of their motor fuels.

Mr. and Mrs. Harold Rippey of McLean were guests over the week end of Mr. and Mrs. Homer McElvoney.

Miss Ugatha Taylor will teach school in the Briscoe County school, she left Sunday.

Mr. and Mrs. R. T. Darnell visited with Mr. and Mrs. Leonard Darnell of Dumas the past week.

Mr. and Mrs. Reid Taylor of Wichita Falls visited L. B. Taylor Saturday.

## THE NEWS' BOOK REVIEW CORNER

### DANCING GODS

Indian ceremonials of New Mexico and Arizona. By Erna Fergusson.

The first popular account of the principal Indian dances of New Mexico and Arizona, based upon all available sources and also upon many years of study and observation. Miss Fergusson, a native of the Southwest, believes that the Corn Branches, Snake Dances, Fire Dances and others, the only survival in this country of primitive religion, are a definite form of art. They are rapidly passing and will soon be lost.

As a dude-wrangler, Erna Fergusson spent several years conducting parties to the Indian reservations and villages to see the dances and thus learned what people wished to know. She is convinced that Indian dances are not the yelling and cavortings of savages, but a definite art form, worthy of serious consideration and serious study.

Miss Fergusson writes very well, and her book makes interesting reading. The sixteen illustrations are reproductions, photographed by the New Mexico Museum, from paintings of John Solan, Oliver Rush, Victor Higgins, Will Shuster, Gerald Cassidy, Grace Ravlin and other noted artists.

### THE COMPLETE WORKS OF FRANCIS VILLON

Translated from the French by J. U. Nicholson with an Introduction by Lewis Galantiere. The first complete Villon in English, is the admirable translation by J. U. Nicholson. This edition is made from the definitive, varium edition of Villon's works recently published in France. It includes all the known poems, many never hitherto identified as Villon's, others now attributed to him, a complete index of personages, and enlightening notes. Truly a volume worthy of a place in your library.

### FATAL INTERVIEW

By Edna St. Vincent Millay. Freshness and vitality, a poignant understanding of the human heart in love, distinguish this new volume of sonnets by one of America's most popular and most distinguished poets.

In this sonnet sequence Miss Millay demonstrates her mastery of rhyme and rhythm, bringing to the classic form a color and a splendor all her own.

## FORMER PASTOR HERE NAMED PRESIDING ELDER

Rev. Sam E. Allison, former pastor of the Clarendon Methodist Church, who moved from this point to the pastorate of the Carlsbad, N. M., church, has been appointed Presiding Elder of the

Albuquerque, N. M., district and will assume his duties there in a few days. The appointment came at the annual meeting of the New Mexico Conference at Walsenburg, Col. the first of this week.

Rev. Allison is not unknown in Albuquerque, having served that

point as pastor and elder in former years.

Misses Winnie Weatherly returned to her home here last Sunday evening from a two weeks vacation spent in Los Angeles with friends and relatives.

# SEE THE SPECIAL FORD EXHIBIT

At The Show Room of the Donley County Motor Company

Monday and Tuesday, Sept. 14th and 15th

7:30 P. M.

## ADMISSION FREE

SEE and HEAR

# THE TALKING PICTURE

"A Tour Through the Ford Factory"

Thousands of people from all over the world visit the Ford plant every year. Now this vast industrial organization is brought direct to you by an intensely interesting Talking Motion Picture.

Come and see where and how America's most popular car is built. Only when you see and hear how efficiency, economy and craftsmanship have been put into volume production can you realize how so much extra value can be given in the Ford car without increase in price.

## Special Showing of Latest Ford Cars and Many Trucks

Don't miss the new Ford De Luxe Body Types. Distinctive in line and color. Smart in their new appointments. Rich and luxurious in their interior trim and upholstery. You will be interested, too, in the reasons why so many manufacturers and stores have chosen the rugged Ford truck and the swift Ford delivery cars.

There are many other features on display that in themselves make this Special Ford Exhibit well worth a visit. You will learn about the safety of the shatter-proof glass windshield, the strength of the sturdy Ford steel-spoke wheels, the comfort of the Houdaille double-acting hydraulic shock absorbers, and the brilliance of the Rustless Steel.

ITEMS OF INTEREST IN DONLEY

SUNNY VIEW

The ladies are still busy canning vegetables, making pickles, jelly, preserves and etc. in this community.

Mr. and Mrs. Heckle Starks and his mother, Mrs. M. Starks, and Mr. and Mrs. Luther Butler drove to Amarillo Thursday where they visited Mrs. James Adams and Mrs. J. H. Roberts. We are sorry to say Mrs. Adams is still in a real serious condition and not expected to live long.

Mr. and Mrs. Ham and daughter, Beatrice of Amarillo, also Mr. and Mrs. Melvin Thomas and family of Clarendon were dinner guests of Mr. and Mrs. Jack Bailey Sunday.

Mrs. Nelson Riley and Children called on Mrs. Millard Starks Friday afternoon.

Mrs. Sam Roberts spent Friday afternoon at Lelia Lake with Mrs. Bullard and Mrs. Quinn Aten.

Mr. and Mrs. Hubert Day and baby called on Mr. and Mrs. A. M. Lanham Friday afternoon.

Mr. and Mrs. B. F. Judd of Denver, Colorado spent Sunday night with Mr. and Mrs. S. T. Clayton. They were once neighbors in East Texas and their visit was enjoyed very much.

Mr. and Mrs. Tom Bogard of McLean spent Sunday with his brother, Mr. and Mrs. Neal Bogard and family.

Mrs. Roy Wilson of Pleasant Valley spent Monday afternoon with Miss Eula Haley and Mrs. Paul Smith.

Mr. and Mrs. Millard Starks Mr. and Mrs. Neal Bogard and children and Mr. Rob McNeely spent Monday with Mr. and Mrs. Heckle Starks.

Miss Eula Haley called on Mrs. Barbee of Chamberlain Saturday afternoon.

Mrs. A. M. Lanham visited with Mrs. Neal Bogard Thursday.

Mrs. Foy of Dallas is here visiting Mrs. Nelson Riley and other friends since Thursday.

Mrs. S. T. Clayton attended the quilting last Thursday in the home of Mrs. Ozier of Clarendon.

Mrs. Clayton's Sunday School class helped with the quilting.

Little Miss Dorothy Jean Bogard spent Saturday night with her Aunt Mr. and Mrs. Harve Smith of Clarendon.

Mr. and Mrs. Bill Knowles of Lelia Lake and Mr. and Mrs. Luby Knowles of Ashtola were callers in the home of Mr. and

Mrs. Nelson Riley Sunday afternoon.

Mr. and Mrs. A. M. Lanham called on Mr. and Mrs. Jack Bailey Sunday afternoon.

Ray Roberts and his friend and room mate, Johnny Wise of Amarillo spent Sunday with his parents, Mr. and Mrs. Sam Roberts.

Mr. and Mrs. L. L. Taylor called on Mr. and Mrs. D. B. Bailey Sunday afternoon.

Mr. and Mrs. Heckle Starks called on Mr. and Mrs. Luther Butler if Lelia Lake late Sunday afternoon.

Mr. and Mrs. Earl Humphrey and his mother, Mrs. Eva Humphrey and Mrs. Nat Woods and son called on Mr. Henry Hutto and daughter, Miss Ethel Tuesday evening late.

Mr. and Mrs. Alfred Estlack visited her father, Mr. and Mrs. Hutto and sister, Miss Ethel Thursday night.

HUDGINS

There was a small crowd present at church Sunday evening but a large crowd present at singing Sunday night.

The meeting will start at Hudgins the 23rd of September. We don't know how long it will continue.

We are sorry to report Mr. Hal Harden having to be operated on for appendicitis last week. At last report he was doing as well as could be expected. We hope he will soon be well again.

Miss Hays of Clarendon spent Monday night with Miss Lopez Whit.

Mrs. Goodman spent Monday night with her son at Ashtola.

Mr. and Mrs. Jimmie Allie of Pampa spent the week end with her mother, Mrs. J. L. Talley and family.

Mr. Woods returned home Thursday from Cook County.

There were several from Chamberlain who attended the singing Sunday night. We are glad to have them come and help us.

Mr. and Mrs. G. D. Bennett and Miss Marvin Pierce of White Wright, Texas, and Mr. J. T. Williams of Sylvester, Texas, spent Saturday night with their sister Mrs. O. L. Jacobs and family.

Mrs. McGlamery and daughter Lola visited in the J. L. Talley home Saturday night and Sunday.

Mr. and Mrs. Newel Hudson and

family visited with Mr. and Mrs. T. J. Talley Sunday.

Miss Annie Marie Harden spent Saturday night with Miss Madge Lowe.

Miss Mattie O'Neal of Clarendon spent the week end with home folks.

Mr. and Mrs. W. V. O'Neal and brother, Knoy and Clyde Putman of Lelia Lake called in the O. L. Jacobs home Sunday evening.

BRAY

A program was given at the school house Friday night by the school children and was enjoyed by a large crowd.

Mr. and Mrs. J. C. Hill were visiting Sunday with Mr. and Mrs. Walter Parker at Goldston.

Mr. and Mrs. Brooks Riley returned to their home near Wellington after a weeks visit with Mrs. Riley's parents, Mr. and Mrs. D. W. McDaniels.

W. O. Hill and D. N. Robinson went to Shamrock Sunday afternoon.

Mr. and Mrs. D. W. McDaniels were called to the home of their daughter near Wellington Sunday whose eighteen months old baby had died Saturday evening.

Martin Banister was transacting business in Clarendon Saturday afternoon.

Mr. and Mrs. Claude Hill attended the picnic at McLean Monday.

NAYLOR

Mr. and Mrs. Al Walker of Washburn were guests of Mr. and Mrs. Tom Bain Thursday.

Mr. and Mrs. A. E. Tidrow had for their guests Sunday Mr. and Mrs. Byron Alexander.

Mr. and Mrs. T. E. Naylor and T. E.'s sister, Miss Ava Naylor returned Saturday from a trip out in New Mexico, all report a fine time.

A. E. Tidrow who is cutting feed for Byron Alexander at Memphis spent the week end with home folks.

Miss Syble Walker of Washburn spent a few days as guest in the Walter Scott home.

Alma Espey who is working at Berger is at home for a few days.

Miss Zell Rodgers began her school work at Conway Monday.

Mr. and Mrs. John Watts and Miss Ola Mae of Ft. Worth visited friends in Clarendon the past week end. Mr. Watts moved to Ft. Worth early in the summer and came for his house-hold goods in storage here.

HAWK VISIONS FAIR AS AMONG NATION'S BEST

FAITH, HARD WORK GIVEN CREDIT FOR PROGRESS OF TRI-STATE FAIR

AMARILLO, Sept. 10—Vision of its leaders, faith of the Panhandle-Plains pioneers, and hard work on the part of its backers today were given credit for the unprecedented strides made by the Tri-State Exposition since its birth less than ten years ago by Wilbur C. Hawk, president of the Association.

Mr. Hawk became the head of the fair board in 1927.

"A few years from now, citizens who have moved away and returned to the Plains—as they always do—will find the Tri-State Exposition occupying a position with an competing with the leading state fairs of the country," said Mr. Hawk.

Can't Be Whipped "There is a certain determination, a civic pride and an unquenchable desire to accomplish things here in the Panhandle that is unmatched anywhere else in the United States," declared Mr. Hawk, in placing the credit for the progress of the Tri-State Fair where he believes it belongs.

"That same spirit that conquered the old west and made of it a modern civilization of progressive homes, schools, churches and industry, is evident in the actions of the fair's workers, and only a catastrophe can call a halt."

Free Gate, As Usual The Tri-State Fair this year will be held from September 21 to 26, inclusive, and its now famous free gate will be wide open.

More than \$15,000 in cash prizes is being offered, and early entries indicate that, despite economic conditions, the 1931 fair will surpass all of its predecessors.

Mr. Hawk believes the attractions this year will eclipse all previous attempts at entertainment, which, together with competition between towns and bands for attendance and attention at the fair will help to set up another attendance record.

REPORTS FARM ACREAGE AND VALUES IN TEXAS According to a bulletin recently issued by the Bureau of the Census, there are 495,489 farms in the state of Texas having a

total acreage of 124,707,130, and a total value, including land, buildings, and implements and machinery, of \$3,779,593,795. These figures are given in detail for each county and minor civil division within the State. This is the first Federal census report to show these figures by minor civil divisions.

Of the total farm acreage 24.6 per cent, or 30,634,370 acres, was crop land on which crops were harvested in 1929; 1.9 per cent, or 2,328,222 acres, was crop land which lay idle or fallow; and 1.4 per cent, or 1,803,574 acres, was land at which the crops failed to mature or were not harvested for any cause. Pasture land with a total of 86,942,437, representing 69.7 per cent of the farm acreage of the State, included 11,156,355 acres of plowable land, 14,449,011 acres of woodland, and 61,337,071 acres of other land. In addition to the land cropped and pastured, the total land in farms included

1,240,472 acres of woodland not used for pasture, and 1,758,055 acres not in forest, pasture, or crops, including the land occupied by house yards, barn yards, feed lots, lanes, roads, etc.

The total value of farm land and buildings was \$3,597,406,986, of which \$534,537,451 represented the value of all farm buildings, including the farmers' dwellings,

which were valued at \$351,008,434. The value of farm implements and machinery, including farmers' automobiles, was \$132,186,509.

Copies of this bulletin may be obtained by writing to the Bureau of the Census, Washington, D. C.

# Pampa Harvesters Plan For Hard Game With H. S. Bronchos

## GAME IS CALLED FOR 4 O'CLOCK

(BY HARRY E. HOARE)  
Sports Editor Pampa News Post

EDITOR NOTE: The following was prepared exclusively for The Clarendon News.

PAMPA, Sept. 10.—Coach Odus Mitchell of the Pampa Harvesters is any thing but confident over the outcome of the opening football game of the season here Friday afternoon against the Clarendon Bronchos. He has the material for a real team but is having difficulty getting an eleven to click.

The coach has not named his starting lineup but it is expected that the backfield will be composed of Captain Ray Chastain, spin play artist, Joe Kahl, quarter, Durwood Martindale, half, and Paul Hill, giant fullback. The line is doubtful although it is probable that six lettermen will be in the starting lineup.

The Harvesters job will be to stop Nichols, Broncho fullback, who is reported to be a football team all by himself. He has three able assistants, according to dope received here, that will make the green and gold step.

Opposing Nichols will be Hill, 220-pound fullback. The big fellow is new to the fullback position and Friday's game will be a real test for him. The other men in the backfield are well known. Chastain and Martindale were regulars last season while Kahl was the fleet-footed Albert Lard's understudy. He has been out of the game for two weeks with a broken finger and it is possible that Mitchell will start Carl Bost or Sam Turner in his place and use Martindale at the quarterback position.

Harley Kennedy will be the missing link in the Harvester line and one hard to fill. Kennedy died during the summer following an operation. Mitchell has some promising members of last season's Gorilla squad that he has to rely on four substitutes and to fill Kennedy's place.

The game has been called for 4 o'clock.

### PLENTY LINE STRENGTH FOR LONGHORN TEAM

AUSTIN, Sept. 10.—More than a ton of tackle material will report to the Longhorn training camp here September 10. Thirteen men, ranging in weight from Carl Tyson's 185 to Albert Cauthorn's 260, will give Lino Coach Bill James a lot of trouble this fall, but it's the kind of trouble coaches enjoy. The task of picking a pair of starters from a whole raft of good football players. And if tales of Harvard's tackle-killing attack be accurate, the Steers will need these thirteen huskies and maybe more when Clyde Littlefield and his squad invade Cambridge October 24.

Wilson Cook, regular starting tackle on the champion '30 eleven, has been tentatively switched to guard in Ox Emerson's place. In this case, James will be left with four lettermen: Ox Blanton of Hewitt, 210-pound all-conference tackle last year as a sophomore; Herschell Moody of Austin, 195, another soph star of last season; Sonny Deell of Mason, 190, letterman in '29 and '30; Carl Tyson of Austin, 185, playing his last season. Four reserves of last year will be back, including the huge Cauthorn of Del Rio, 260; Ralph Greer of Clovis, N. M., 188; Phil Lester of Austin, 195; Gresham Temple of Pinedale, 190.

Five husky tackles from last year's freshman team will keep the old heads tending strictly to business. These are Arthur Niebuhr of Bellville, 195; Frank Fisherman of Big Springs, 190; Sid Millsbaugh of San Angelo, 190; Raymond Seals of Plainview, 200; H. E. Wheeler of Poteet, 215.

From this well-balanced crew Blanton, Moody, Deell, and Niebuhr are favorites to share the regular tackle posts. Tyson, Greer, Millsbaugh, or some other "dark horse" may upset calculations and squeeze into the regular line-up.

### A KILLER'S RELIGION

It is well known that the most hardened criminals sometimes have decidedly religious tendencies. Many stories are told of bandits praying for success before starting out on a robbing expedition, and the like.

"Of course I killed that cop. I don't like cops. No. I don't want a lawyer; get it over with. Repent? Hell no! My conscience was never so clear in my life. What I want is a square meal."

When the district attorney asked if he would have a nice beef-steak, Crowley indignantly replied: "No, sir. No meat for me. Don't you know this is Friday?" So, out of respect for Crowley's religious scruples he was served fish.

Just one more day and the Bronchos will get into action against the powerful Pampa Harvesters on the latter's field. The chances of the Bronchos have been materially lessened since the decision of Hudson not to participate in football activities this fall, but it is probable that his presence in the lineup of the maroon and White would even handicap the local eleven since his disposition seems to be turned to keeping off the gridiron.

There are several men capable of filling the gap left by the temperamental Hudson however, and these players will be in there every minute of the game giving all they have for the team. That's the kind of spirit it takes to play the game of football. Football is the best clinic in the world to show what is under the players' belts.

With such men as Nichols, Reid, Andis, Benson, Behrens, Morris, Gorman and others the Bronchos have capable leaders of just the right type of men who are willing and anxious to face the issue of the gridiron squarely and fairly. The squad under Coaches Stocking and Hutton have the right attitude and whatever way the tide of victory in tomorrow's contest goes the fans will know the lads are doing their best.

Although the dope is heavily in favor of the Harvesters we just can't help but believe the game will be a close one with the locals offering the Harvesters a double tough dose of competition. The starting lineups of the two teams will be very evenly matched, and should the Bronchos starters weather the steady stream of fresh Harvesters which will undoubtedly be thrown into the play by Coach Mitchell there is every reason to believe that there is possibly an even break for a victory.

Of course the Broncho chances lie in the battering attack of Raymond Nichols, and as he goes so will the Maroon and White. Should our prophesy that Dick will not be stopped become a reality the ability of Fred Reid, Snooks Andis and Whitlock will also have a great deal to do in making the afternoon a most unpleasant one for the touted Harvesters.

Another thing which will point to the fighting spirit of the team is the boasting by the Harvesters that the Bronchos will never get to the line of scrimmage. That the Pampa line is powerful is a common knowledge, but to boast that another team no matter how weak will never get to the line of scrimmage is very bad taste to the opposition. Just such a boast has ended disastrously more than once. The most striking example that comes to our mind just at present was in 1928 when the S. M. U. Mustangs invaded Austin for their annual tussel with the Longhorns. Redman Hume made the

boast to newspaper reporters that he personally guaranteed a victory over the Orange and White. The paper came out about noon the day of the game and during the first minutes of the game the Redman was carried from the field suffering from injuries sustained in returning a punt.

We believe Dick Nichols could personally guarantee that the ball will be carried beyond the line of scrimmage, but Raymond prefers to demonstrate and do less talking than the Mustang flash.

The game is being advertised as one of the biggest to be played in Pampa this year and fans will be there from all over the Panhandle. It's the first big game of the season and Amarillo, Lubbock and Memphis will be there in full force to get a line on the power of the two teams. Let's all go over for the game tomorrow Clarendon and help the Bronchos cut the yield of the Harvesters' football crop. Fight 'em Bronchos!

Roy Welch, local face massager and neck twister, seems to be talking to the extreme in the manner of rough stuff in the matches of late. The boy came to the city and became popular because of his few clean wrestling tactics, but we wonder if this just wasn't a stall. In the past few matches and especially in the last match with Hansen the Bowyer boy was featuring a great deal more rough stuff than was absolutely necessary. To explain more clearly we are speaking of the kicking full in the face, rousing of the eyes, and the general habit of Welch's in trying to disguise his opponent. We have seldom seen such clean wrestling as was displayed by Hansen and the majority of the Clarendon fans do not wish to tolerate the wrestler who makes it a kicking, gouging and slugging bee.

Mrs. Bowlin says we were a little wrong in stating last week that the Bull whipped her in their big struggle on her place a few weeks ago because we haven't seen the bull, and she can come to town and the bull can't. Well, maybe she's right—yes, maybe so.

### MEMPHIS CYCLONES HAVE STIFF SCHEDULE FOR '31

Below is the Memphis High School Cyclones' schedule for the season of 1931. The Twisters have a schedule similar to that of the Bronchos this year meeting Pampa, Childress, and the Amarillo Yarnigans. The hardest campaign will be on successive week ends when the Whirlwinds meet in 1928 when the S. M. U. Mustangs invaded Austin for their annual tussel with the Longhorns. Redman Hume made the

Sept. 18, open (Clovis probably)  
Sept. 25, Memphis at Pampa.  
Oct. 2, Amarillo Yarnigans at Memphis.  
Oct. 9, Hedley at Memphis.  
Oct. 16, Turkey at Memphis.  
Oct. 23, Memphis at Estelline.  
Oct. 30, Shamrock at Memphis.

Nov. 6, Memphis at Childress. (\* conference games)  
CHANGES ARE MADE IN LEAGUE FOOTBALL RACE  
AUSTIN, Texas, Sept. 10.—Competing schools will be brought

closer together and long distance travel will be eliminated in Inter-scholastic League football this fall with the opening of the twelfth season of this sport, according to Roy B. Henderson, athletic director of the University of Texas League Bureau. Conference A will

hereafter be divided into sixteen districts instead of the eight districts which have existed in the past. The closing date for registration for League football this year is October 1.

## Pep Rally Tonight At College For Pampa Game Tomorrow

### RALLY TO BEGIN AT 8:00 O'CLOCK

EVERY ONE URGED TO BE PRESENT TO SPUR BRONCHOS ON TO WIN

A gigantic pep rally will be held at the College building this evening at 8 o'clock in what is expected to be the largest and most enthusiastic pep meeting since the days of the old Clarendon College Bulldogs. The purpose of the rally is to show the Bronchos that the students and the entire city are behind them to the limit and are backing them in their game tomorrow with the highly touted Pampa Harvesters. Every student in Clarendon is expected to be on hand and lend their voices and assistance to make this a pep meeting which the Bronchos will never forget and make them realize just what the citizens of Clarendon are expecting of them on Harvesters field tomorrow afternoon.

The band will be on hand as will a number of the football fans of the city. Plenty of music, plenty of action, plenty of pep and a few pep talks will feature the short session.

Everybody be present—students and all—let's forget about the repression for a few minutes tonight and make the sendoff of the fighting Bronchos something they will fight for in the Pampa game.

### MARVIN JONES TO FURNISH PICTURE FOR SCHOOLROOMS

Announcement was made today by Congressman Marvin Jones that every schoolroom of every school in his district will, within a few weeks after the opening of the new school term, receive a beautiful portrait-poster of George Washington, executed in colors.

The portrait to be used in these posters is a reproduction of the famous Gilbert Stuart painting and will be 22 inches by 28 inches in size. This poster was selected after a good deal of study, and is considered the finest example of poster making available.

The poster-picture featuring George Washington are being distributed by Congressman Jones in cooperation with the United States George Washington Bicentennial Commission of Washington, D. C., in order to stimulate interest among the thousands of school children of the district in the coming nine-months celebration of the Two Hundredth Anniversary of the Birth of the Father of Our Country.

Mr. Jones is in constant touch with the activities of the United States George Washington Bicentennial Commission which was created by Congress to formulate and execute plans for the great celebration in 1932.

The United States Commission is placing a good deal of emphasis on the cooperation of the school children of America in this historic event. This poster picture is just one feature of its work.

Congressman Jones announced that he will see to it that the schools, clubs, churches, and fraternal and patriotic organizations in his district will be adequately supplied with literature to be issued by the United States George Washington Bicentennial Commission.

The George Washington Bicentennial Celebration will begin on February 22, 1932, and last until the following Thanksgiving Day.

### Very Little Loss In City Schools This Year

The Clarendon Schools opened this year with an enrollment that varies somewhat from that of the preceding year. The entire number enrolled last year was seven hundred and thirty-six, while this year it is seven hundred and four. This is omitting the number enrolled in the College both years. The entire number enrolled in the Junior College last year was seventy. This year fifty-nine have already enrolled, and it is known that six more will enroll Monday.

The enrollment of the College will probably reach the number of eighty-five this year.

The enrollment of the High School last year was one hundred and sixty-five. It is one hundred and sixty-nine this year with thirty in the Senior class, seventy in the Junior class, and sixty-nine in the Sophomore class. The number in the Junior High last year was two hundred and forty-five. This year it was two hundred and forty-four in the sixth grade, seventy-one in the seventh grade, and seventy-five in the eighth grade.

The South Ward had three hundred and sixteen enrolled last year, and three hundred and thirty-five this year.

### 28 MEMBERS IN SENIOR CLASS

CHARLES WALKER PRESIDENT OF CLASS FOR 1931-32 TERM

The Senior Class of '32, including 28 members, has started on its journey, which will have its first meeting on Friday of the class met Friday to choose their leaders. Among those chosen was Charles Walker, who will lead the class as president. Dick Nichols was chosen Vice-President, Nadine Hale secretary Treasurer, and Earl Easterling will have the responsibility of being Sergeant-at-Arms. As reporter Ayleen Mann will try to keep up with all class activities.

### VISITORS FROM TEN STATES VISIT HISTORICAL MUSEUM

CANYON, Aug. 31.—August Brought the Panhandle Plains Historical Society Museum visitors from ten different states and from South America. The South American visitors were Mr. and Mrs. P. E. Elliott, of Barranca-Borneo, Columbia, and the states represented on the visitors roll are Texas, Indiana, Oklahoma, Iowa, Louisiana, New Mexico, Alabama, California, Ohio and Colorado.

Professor L. F. Sheffy who is secretary for the Historical Society believes that this museum would be visited by hundreds of people each month if the materials were properly housed so that they could be seen to advantage. The Historical Society expects to erect a permanent home within the next few months.

During the afternoon of August 22 there were 89 people visited the museum, although there was no special occasion to bring them in.

### FACULTIES FETED AT COUNTRY CLUB

CHICKEN BABECUE IS BIG FEATURE OF ANNUAL PICNIC FRIDAY

It is the custom of the Clarendon School Board to entertain the entire faculty and many others each year with a chicken barbecue. At five o'clock last Friday afternoon guests and hosts left the College Building, reaching the Country Club, the chosen place for the picnic, in time for an invigorating swim before supper. Although no person can say that the teachers are adept at swimming, there were several who swam. The majority, however, watched in three-ring circus manner, the diving feats of Mr. Reeves, the dextrous rowing of Carver and Mr. Patton, or the laborious strokes of Mr. Burton as he swam over the whole lake.

After the swimming, the guests were called to eat the chicken but were delayed until an effective birthday ceremony was performed over Miss Headrick and Mr. Burton by Mr. G. L. Boykin. These two members of the faculty were presented with a candle covered cake which had been baked by Mrs. Odos Caraway, but were compelled to display their melodies ability before they were permitted to blow out the candles. Because of the strength of Miss Headrick's lungs, Mr. Burton had no opportunity to blow; however he later eased his disappointment with a great show of healthy appetite.

Forty-eight chickens had been barbecued for the guests in the way that only Mr. J. W. Martin and Mr. C. Powell, both ex-wives of the school Board, and Mr. W. W. Taylor, Mr. Odos Caraway, Mr. O. C. Watson, Mr. J. R. Porter, and Mr. E. P. Shelton, members of the present Board, can barbecue them, a most delicious and savory way. The wives of these men and those of the absent members, Mrs. Chamberlain and Mrs. Montgomery, had cooked everything that is chicken. All of the food was well prepared and graciously served. And Mrs. Fred Rathjen made every woman present happy by washing the dishes and conscientiously only men to dry them.

The last part of the evening was spent on the lawn in front of the Club House, where Mrs. G.

### Owls Fail To Appear For Friday's Game

The Clarendon Bronchos were to have had a practice game with the Hedley Owls last Friday but it seems that someone got married and the Owls all went to the wedding.

Since the Owls were out of the picture, our coaches decided upon a scrimmage game. Many brilliant plays were pulled by both teams which made the Bronchos look good for a championship team this year.

We are all looking forward to the coming game with Pampa which is to be played at Pampa Friday. We are all sure that this game will show the true power of the Bronchos this year as the Harvester team is reported as one of the strongest class A teams in the State, so let's every one be on hand to see the battle.

The probable starting lineup will be: Nichols 183, Antis 163, Reid 165, Whitlock 155, F. L. Behrens 176, Martin 179, Pete Easterling 179, Morris 168, T. Watson 150, Benson 161, Jackson 160. Likely substitutes, J. T. Easterling 161, T. Behrens 188, Garwen 170, Cross 163, McMahan 165, Green 170, Watters 155, O. C. Watson 153, E. Watson 160, Cook 160, Cox 163, Veazy 152, Johnston 155, Tidwell 166, Wood 115, Millsap 142, P. Smith 122, Butler 138, Brady 150, Little 123, O'Neal 157, Duckett 144, Mann 135, Harlan 141, Brown 153, Blocker, 131.

Miss Naomi Allison left Friday evening for Amarillo where she will again be connected with the schools of that city for the coming nine months.

L. Boykin, assisted by Mrs. Frank Stocking, Miss Pauline Fox, Miss Mamie Price, Mr. Drennan, Mr. Lane, and Mr. Reeves, presented a play in the style of the silent movies. Each member of the cast showed much histrionic skill. The party then turned from dramatic to musical entertainment, singing songs both old and new and including Mr. W. W. Taylor's favorites.

This was indeed a highly entertaining evening. The teachers of the Clarendon Schools have always been made to feel that the men who employ them wish them to have pleasant recreation. The fact that the Board members do all of the work and pay all of the expenses themselves causes each teacher to anticipate this annual event with sincerest appreciation.

### MAROON PEPPERS DOWN TO WORK

LOIS WALLACE HEADS SQUAD. PLANS STUNT FOR PAMPA GAME

While the Bronchos are preparing for the little argument this Friday with the Pampa Harvesters, their fair lady backers are also doing some real work in preparation for the same event. The 1931 edition of the Maroon Peppers, local high pep squad, have organized with Miss Lois Wallace being elected as head yell leader. Assistant leaders are Miss Marjorie White and Miss Elinor Morris. The organization of the squad was had last Friday and consisted of twenty original members of the group. Others have been recruited to fill in the vacancies of the ranks.

This year's group will be most strikingly attired in new classy uniforms consisting of White hose, maroon skirt, white blouse and maroon tams with the letters C. H. S. adorning the front.

Plans were discussed and formulated whereby special stunts will be performed during the half of the game tomorrow at Pampa.

Few tornadoes occur in the world outside of the central portion of the United States, especially the Mississippi Valley.

One hundred and twenty pairs of trousers were sold at 18 cents each at a sale of policemen's cast-off clothing in Baltimore.

### Carrol Hudson Heads Sophomore Class

Well here are our officers. The best we could do was Carrol Hudson for president. Elery Watson is all stuck up because he is Vice-President. Mary Francis Powell is our Secretary-Treasurer. Everybody wanted Eleanor Morris for yell leader. Marshall Butler feels very important, too, because he is Sergeant-at-Arms. Last but not least Lavern Lott was elected reporter.

### JUNIORS OFF TO FINE START

O. C. WATSON, JR. ELECTED TO EXECUTIVE POSITION FOR YEAR

The Junior class of 1931 met in full swing Thursday, September 4. The class was organized and officers were elected. O. C. Watson was elected as President, Billy Green was elected as Vice-President. As Secretary and Treasurer Marjorie White will make one of the best. Because of Delbert Linder's small size and his bashfulness he was elected Sargent at Arms. Lois Smith was elected Class Reporter. For her good sportsmanship Marjorie was elected Pep Leader of the class.

This coming class of '32 expects to accomplish much throughout the year. The Junior Class is well represented on the football field, having a number of boys on the Broncho squad.

We, the Junior Class of '31, wish the Broncho eleven the best of luck throughout the season and will be glad to do anything in favor of the school and Bronchos.

### YOUNG BLOOD WANTED

American sea power is still struggling with the problem of personnel. It is hard to find the right kind of Americans to take up the sea as a life work. "If the American merchant service is to come back," says Captain Hartley of the Leviathan, in Collier's, "the young men must be reached and interested. The sea as a profession must be made desirable. A merchant commission must be made as stylish as one from Annapolis or West Point.

### CHILDREN CRY FOR IT

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. And this pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

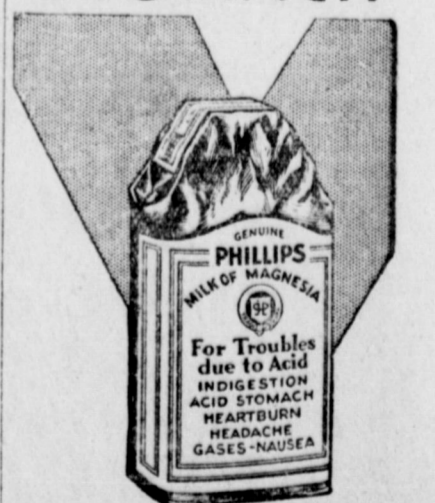

Castoria is sold in every drugstore; the genuine always bears Chas. H. Fletcher's signature.

### Bladder

**Weakness Kills Energy**  
If you feel old and run-down from Getting Up Nights, Backache, Leg Pains, Stiffness, Nervousness, Circles under Eyes, Headaches, Burning and Bladder Weakness, caused by Kidney Acidity, I want you to quit suffering right now. Come in and get what I think is the greatest medicine I have ever found. It often gives big improvement in 24 hours. Just ask me for Cystex (Glee-Ex). It's only 75c and I guarantee it to quickly combat these conditions and satisfy completely, or return empty package and get your money back.  
Douglas & Goldston Drug Co.

### ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.  
One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless, and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts.  
Be sure to get the genuine. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

### In Years Of Plenty

When the acres of Donley County yield bountifully it is time to can and preserve enough vegetables and produce to stock the family larder with plenty.

Years when money is scarce and produce plentiful makes that process still more desirable and wise. Stock your larder and the money you get will go further.

## FIRST NATIONAL BANK

DO YOU REMEMBER  
Fourteen Years Ago  
IN CLARENDON

Interesting "pick-ups" from the files of The Clarendon News of fourteen years ago.

THE PUBLIC SCHOOLS  
OPENED ON MONDAY

Clarendon Public schools opened on Monday, September 10th. Although the night previous to the opening of the school was stormy and the weather still threatening on the morning following, the teachers, many of the patrons, and a large number of pupils were on hand at the time appointed for school to start.

After the singing of "America" by the audience and prayer by Prof. S. W. Lowe, some splendid speeches were made. The principal speakers were the Reverend G. E. Burton, pastor of the Baptist church and W. A. SoRelle, mayor of Clarendon. Then followed short talks by Prof. Reeves and Prof. Lowe, and announcements by Supt. Silvey.

RED CROSS BOOTH  
EVERY SATURDAY

Every Saturday the local Red Cross organization will maintain a booth at the Rexall Drug Store corner in Clarendon for the purpose of soliciting and accepting donations for the advancement of work of the national organization. It must be remembered by our people that the hundred million dollars recently collected in the United States will not last much longer than the present year and will disappear very rapidly when our own armies are once engaged on the plains of France.

MEETING OF CANNING  
CLUBS OF THE COUNTY

The canning clubs of the rural districts and the Clarendon canning club held a joint meeting of much interest and import Saturday afternoon at the court house for the purpose of forming a federation.

Most of the rural clubs were represented, and much enthusiasm was shown over the work.

The Martin club reports having 37 members and having canned 2,253 quarts, the Chamberlain club 40 members, 1,540 quarts canned up to Aug. 19. The Goldston club, 30 members, 3,000 quarts canned.

Childrens people are rejoicing over the recent rains in their section as for the past several months it has been unusually dry. But these rains seem to have filled all ponds, creeks and streams. For the first time over a month a water train has been running from Clarendon Daily to supply childrens with drinking water, but the supply is now sufficient, and the train was discontinued.

ATTEND SALES MEETING  
IN AMARILLO SATURDAY

A sales meeting, attended by the agents and dealers for the Continental Oil Company in the Amarillo District, was held Saturday evening in the Club Room of the Capital Hotel in Amarillo. Forty or more were present to hear the address of T. H. Lawson, Sales Manager for this District, as he told of the results of the summer's work in the Conoco Travel Bureau and the results obtained from this intensive campaign. Increased sales of gasoline and oils and a greatly increased feeling of good-will were engendered through the use of the passports and the attendant services rendered through their handling. Estimates show that three times as many will be issued during this season as were issued in 1930.

Later parts of the address were given to an increased advertising schedule that will be released in the near future and the benefits that may be derived from the campaign and its working. Attending from Clarendon were A. L. Chase, Agent, R. S. Moss and C. E. Mixon, dealers in Clarendon and Goldston, respectively and Loyd Stallings of the News force.

GEN. HULEN HEADS  
BUFFALO EFFORT

STATEWIDE ORGANIZATION  
SET UP AT GOODNIGHT  
BARBECUE MONDAY

General John A. Hulen, vice-president of the Fort Worth & Denver railroad was named president of the statewide organization set up Monday at the barbecue at Goodnight to devise a plan and raise funds for the purchase of the Goodnight ranch as a game preserve to be presented to the State of Texas for the sanctuary of the Goodnight herd of buffalo to be bought by the State Fish, Game and Oyster Commission. Fred L. Haskett was named secretary and a steering committee of nine will be appointed to work with them in the movement.

Clarendon was well represented at the barbecue, and the Clarendon Lions Club complimented the two hundred Panhandle citizens in attendance with a load of the famous Donley County watermelons, which served as desert after the dinner of beef and mutton barbecue and trimmings prepared by Amarillo's barbecue King, John Snider. Those in attendance from here were: Clyde Douglas, President of the chamber of commerce, G. L. Boykin, secretary, Mess. O. C. Watson, Supt. H. T. Burton, Harold G. Bugbee, Judge Alexander, Mayor W. P. Cagle, W. L. Clappitt, Homer Mulkey, Earl Alderson, T. D. Nored, Dr. C. G. Stricklin, Phillip Gentry, Sam M. Braswell, also J. E. Watson of Hobart, Oklahoma, visiting his brother O. C. Watson. Ladies present were Mesdames T. D. Nored, Clyde Douglas, H. T. Burton, O. C. and J. E. Watson, Sam M. Braswell, Mae Shaver.

The immediate business was the laying of plans to acquire a part or all of the 11,000-acre range of the 250 animals, but Murrell Buckner, Dallas, member of the Commission, intimated that that is only the beginning as far as he is concerned. Mr. Buckner in a talk after the big barbecue at noon painted a picture of a wild game refuge and reserve in the beautiful Palo Duro canyon section of the Col. Goodnight ranch, 40 miles from Amarillo, in which not only the Buffalo but antelopes, pheasants, wild turkey, quail, prairie chickens and deer would find protection.

The commissioner predicted a game preserve and fish hatchery which would not only become famous in this state but throughout the Nation and which would pay for itself annually in tourist who would come here on their way from coast to coast. He would fence the entire tract and make it the nation's greatest game refuge.

The barbecue which was the feature event of the program for the 250 invited guests, was held three miles inside the ranch from the town of Goodnight, on the edge of which is the big blue and white Goodnight ranch home and headquarters. This "feed" was arranged by the Amarillo Chamber of Commerce. Tents were pitched and seats provided beside two beautiful pools of water, one of them 35 feet deep, stocked with fish, surrounded by trees and covered with lilly pads.

The Gainer bill passed recently by the legislature in special session gives the state game commission authority to purchase the herd provided a range is obtained for it. The commission has the money to buy the animals.

Visitors who were admitted at 10:30 o'clock first got a glimpse of the herd on the far side of low hills across a ravine where they had been herded by cowboys. The area in which they were seen is wild, picturesque country, ideal for a game preserve and termed by most of those present probably the only spot in Texas where they would thrive as they have there during the past 50 years.

Mr. Haskett predicted that enough money would be raised by December 1 or January 1 at the least to purchase at least part of the Goodnight ranch. To show

NEIGHBOR COUNTIES  
ACCEPT BARTER PLAN

Here's one county that has accepted the barter plan in a whole-hearted manner. The item comes from the Panhandle Herald at Panhandle, Texas, in Carson County. It shows that the folk in that section are more than sold on the trade idea that they are all ready and willing to trade their products for the Donley County products. Donley County farmers will do well to go in touch with either the Panhandle Herald or with Miss Margie Lyon, Home Demonstration Agent for Carson County. Here is the article from the Panhandle Herald.

Home Demonstration Agent  
Endorses the Barter-Trade Plan

Local farmers have the opportunity to trade their low price wheat for Donley county vegetables and other farm products, according to County Home Demonstration Agent, Margie Lyon called the attention of this announcement to an article published in the Clarendon News. We are reproducing the article for the information of our readers.

The Barter plan announced by farmers of Donley County last week has met with the instant approval of the wheat farmers is evidenced by the large file of letters received by the county agent. All of them are interested in trading their wheat for the vegetables raised in Donley County. A number of the wheat growers who have already had their wheat ground into flour have trucked large quantities of the commodities into the county and traded for the vegetables they needed.

The article goes on to tell that the largest crop of tomatoes of any year is now being harvested, and invites Panhandle farmers to come to Donley county, or make arrangements for exchange of Plains wheat for Donley county vegetables.

Any one desiring any further information can get in touch with Miss Lyon or the management of this publication.

Mrs. Wesley Knorrp and sons John C. and Walter, left Sunday evening for Lone Beach, California. John will attend college at Los Angeles and Walter will attend high school at Long Beach.

Countess and Sam Jones left for their home in Fort Worth Sunday morning after spending the summer here in the home of Mrs. F. E. Caraway.

Miss Winnie Weatherly returned from her vacation Sunday. Miss Weatherly spent three weeks seeing Los Angeles.

The state and even national interest in the project he said he had 500 letters from persons wanting to save the buffaloes and offers of as high as \$500 for a single animal. Mr. Buckner said that one man in Dallas had offered to give \$1,000 toward a fund to provide a range for the animals.

Uncle Al's  
Weekly Letter

Well, Uncle Andy Mellon had a nice trip to Europe but when he got back to the office in Washington he found everything in a mess. The cash was short nearly a billion dollars, and red ink was all over the books. "Now then," says Uncle Andy, when he set down to think things over, "we kin raise taxes and get this cash in but if we raise taxes there's liable to be a Democrat election next time." Then Uncle Andy hit upon the bright idea of borrowing money to make the books balance so he floated that \$800,000,000 loan the other day. Now if the worst should happen and a Democrat get elected next time the new administration would find itself saddled with debt that would insure only one term for the Democrats.

You got to hand it to Uncle Andy. He's a deep thinker  
Yours,  
Uncle Al.

JUDGE ALEXANDER HAS ENJOYABLE REUNION SUNDAY

Last Sunday was indeed an enjoyable occasion for Judge and Mrs. J. J. Alexander as all their children and grandchildren were present. Nineteen in all were present to make this one of the most enjoyable events in many years. Four sons, eight grandchildren and one new granddaughter-in-law comprised the guest list.

Judge Alexander's grandfather, T. J. Roberts, 86 years of age was also present. He made up the four generations present in his four boys represented a half ton of the finest specimens of Panhandle manhood to be found anywhere.

Mrs. R. A. Chunn and son, L. B. returned last Saturday from a visit with friends and relatives at Roswell, New Mexico and at Bledsoe, Texas and other points in that section of the two states.

Miss Mary Hazel Hurn left Monday to take up her duties as Home Economist in the Post city school.

Mrs. R. D. Brass and children of Taylor, Texas, are guests of her parents, Mr. and Mrs. J. W. Morrison.

SEASON ON DUCKS  
CUT TO 30 DAYS

PRESIDENT APPROVES EMERGENCY REGULATION ON BREEDING AREAS

Because of disastrous conditions caused by prolonged drought the season for hunting ducks, geese, brant, and coots throughout the United States and Alaska has been reduced to one month by an amendment of the Migratory Bird Treaty Act regulations, approved by the President today (August 25). The amendment becomes effective immediately, announces the Biological Survey of the United States Department of Agriculture, and it is anticipated that Canadian authorities will soon take similar action.

In the northern half of the country except Alaska, the season on ducks, geese, brant, and coot under the new regulations will open October 1, and in the South November 16, except in Florida, where it will begin November 20.

The Season from November 16 to December 15 applies to Texas, Oklahoma, New Mexico, Arizona, and California.

The drought that has necessitated curtailment of the season has occurred on the principal wild-fowl breeding grounds in northwestern United States and in western and southwestern Canada, the Biological Survey explains. The disappearance of sloughs and marshes from much of this great region has prevented the birds from rearing normal numbers of young, and as a result the annual flight ducks and geese this fall is expected to be the poorest on record.

Tuesday Bridge Club

The Tuesday afternoon bridge club met with Mrs. W. H. Cook Tuesday afternoon with fourteen members and guests present. After interesting games of bridge in which Mrs. Will Martin cut for high and Mrs. Fred Chamberlain won high a lovely salad course was served to Mesdames L. S. Bagby, C. H. Bugbee, R. A. Chamberlain, T. H. Ellis, Sella Gentry, W. H. Martin, J. B. McClelland, James Trent, Lucy McClelland of Detroit, W. J. Lewis of Dallas, Earl Alexander and Fred Chamberlain.
