Lions Group Meets Here Tuesday, 14th

A. M. Beville, Sr., Dies at Family Home Monday Night

DISTRICT LIONS HERE NEXT WEEK

NEIGHBORING CLUBS TO
MEET HERE FOR ANNUAL
ELECTION TUESDAY

Clarendon is to be again the host to the Lions Clubs nearest Clarendon. The date for the meeting was tentatively set since some time past and the official invitation was received from Dr. W. A. Warner of Claude the early part of this week. Clubs at Amarillo, Claude, Memphis, Estelline, McLean and Childress have been asked to meet here for the election of officers and other business that may come to the attention of the organization at this time.

This was the first matter of business coming to the attention of the Lions at their luncheon Tuesday. The report of the auditing committee was read and approved by the club, the committee being discharged with the thanks of the organization.

Reports on the July third and fourth celebration were made to the club, statement being forthcoming that it was one of the best that had ever been held here. The director's meeting which was scheduled for next Monday evening was postponed until a later date, when all the officers will be in their places for a joint meeting of the old and new boards.

The Boss Lion, G. L. Boykin, is to be out of the city at the next meeting.

Ed Smith of Wellington second; Marvin Stephens third, July 4th. Ed Clifton of Pampa first, 25 seconds; Johnnie Rex McClellan of the J. A. Ranch second; Nash Blasgame of the J. A. Ranch third. Best average prize of Stetson Hat awarded to C. H. Huff with 26 3/4 seconds.

Goat Roping: July 3rd. Cleo Norwood of Goodnight first, 17 1/2 seconds; Johnnie Rex McClellan second; Frank Gray third, July 4th. C. H. Huff first, 19 1/2 seconds; Cleo Norwood second; Ed Clifton third. Best average prize of pair of spurs awarded to Cleo Norwood, average 18 seconds.

Wild Cow Milking: July 3rd. Eddie Smith first 36 1/2 seconds; Nash Blasgame second, Marvin Stephens third, July 4th. Rex Long first, 37 seconds; Loyd (Shy) Johnson second; Dude Johnson third.

Breakaway Roping Contest: July 3rd. Tom Blasgame first, 7 1/2 seconds; Cleo Norwood second; Tot Morris third, July 4th. Ed Smith first, 7 1/2 seconds; C. H. Huff second; Aubrey Bowers third.

Steer Riding: July 3rd. \$3.00 mount money winners, Shy Johnson, Mike Beard, Horton Sibley, Royce Turnbow, Robert Bellamy, Wayne Morrow, Esca Trostle and Marvin Stephens. July 4th. Richard Morris, Mike Beard, Rex Long, Tot Morris, George Shouse, J. C. Mars and Frank Gray.

Bronc Riding: July 3rd. \$5.00 prizes, Dude Miles and Tex Doyle of Gray county. July 4th, Rex Long and George Smith.

Pony Race: \$5.00 each day. Won both days by Hollis Eevans of Rowe Ranch.

Saddle Pony Race: \$15 and \$10 won each day by Elizabeth Holloway first and Rosie Crawford second.

Maverick Race: \$5.00 won by Aubrey Bowers.

TRANSFER FEE REDUCED—PENALTY ADDED RECENTLY

In another column of the News will be found a statement issued from the office of the Tax Collector, which indicates that a number of the citizens of this county have possibly been guilty of a violation of the state transfer law without realizing the fact. The transfer fee has been reduced from one dollar to twenty-five cents and a penalty has been added which grows with the time passed between the time of sale and the time of transfer to the new owner. Car purchasers are asked to read this item and act accordingly.

Mrs. M. L. Stricklin and son arrived in Clarendon Monday of this week to make their future home here. Dr. and Mrs. Stricklin have rented the Carroll home and will make their home there in a short time.

RODEO ATTRACTS THOUSANDS HERE

65 ENTRANTS BRING BACK
WILD WEST ACTION IN
STIRRING 2 DAY EVENT

The old west was enacted over again in Clarendon last Friday and Saturday, July 3rd and 4th, when sixty-five rodeo performers helped celebrate the Glorious Fourth in wild west events before crowds numbering into the thousands. The huge grandstand was filled both days and the bleachers and row of cars, encircling the entire arena, seated hundreds of spectators. On Friday somewhere near 5,000 people witnessed the first day's rodeo performance and were rewarded with some of the finest exhibitions of the old west ever staged in the southwest.

Special mention is due the fine stock used in the rodeo. It is doubtful if better stock could be found anywhere than that used in Clarendon last Friday and Saturday. One thing certain is the fact that no wilder bunch of broncs ever trod a rodeo arena than those of the event just concluded. The goats, the cows, the steers, the calves, the horses, riders and all were first class.

The events were run off with the smoothest of precision and reflected credit to the rodeo officials on their splendid ability to carry out their plans without a hitch.

The results of the events follow: Calf Roping: July 3rd. C. H. Huff of McLean first, 21 seconds; Ed Smith of Wellington second; Marvin Stephens third, July 4th. Ed Clifton of Pampa first, 25 seconds; Johnnie Rex McClellan of the J. A. Ranch second; Nash Blasgame of the J. A. Ranch third. Best average prize of Stetson Hat awarded to C. H. Huff with 26 3/4 seconds.

Goat Roping: July 3rd. Cleo Norwood of Goodnight first, 17 1/2 seconds; Johnnie Rex McClellan second; Frank Gray third, July 4th. C. H. Huff first, 19 1/2 seconds; Cleo Norwood second; Ed Clifton third. Best average prize of pair of spurs awarded to Cleo Norwood, average 18 seconds.

Wild Cow Milking: July 3rd. Eddie Smith first 36 1/2 seconds; Nash Blasgame second, Marvin Stephens third, July 4th. Rex Long first, 37 seconds; Loyd (Shy) Johnson second; Dude Johnson third.

Breakaway Roping Contest: July 3rd. Tom Blasgame first, 7 1/2 seconds; Cleo Norwood second; Tot Morris third, July 4th. Ed Smith first, 7 1/2 seconds; C. H. Huff second; Aubrey Bowers third.

Steer Riding: July 3rd. \$3.00 mount money winners, Shy Johnson, Mike Beard, Horton Sibley, Royce Turnbow, Robert Bellamy, Wayne Morrow, Esca Trostle and Marvin Stephens. July 4th. Richard Morris, Mike Beard, Rex Long, Tot Morris, George Shouse, J. C. Mars and Frank Gray.

Bronc Riding: July 3rd. \$5.00 prizes, Dude Miles and Tex Doyle of Gray county. July 4th, Rex Long and George Smith.

Pony Race: \$5.00 each day. Won both days by Hollis Eevans of Rowe Ranch.

Saddle Pony Race: \$15 and \$10 won each day by Elizabeth Holloway first and Rosie Crawford second.

Maverick Race: \$5.00 won by Aubrey Bowers.

TRANSFER FEE REDUCED—PENALTY ADDED RECENTLY

In another column of the News will be found a statement issued from the office of the Tax Collector, which indicates that a number of the citizens of this county have possibly been guilty of a violation of the state transfer law without realizing the fact. The transfer fee has been reduced from one dollar to twenty-five cents and a penalty has been added which grows with the time passed between the time of sale and the time of transfer to the new owner. Car purchasers are asked to read this item and act accordingly.

Mrs. M. L. Stricklin and son arrived in Clarendon Monday of this week to make their future home here. Dr. and Mrs. Stricklin have rented the Carroll home and will make their home there in a short time.

Woman Enroute Here Killed In Auto Crash

Mrs. S. J. Erskine of Malone was fatally injured Monday morning when the automobile in which she and her husband and her parents, Mr. and Mrs. J. J. Smith, were riding overturned. The crash occurred when the party enroute here to visit in the home of Mr. and Mrs. B. F. Kirtley failed to notice the sharp curve across the railroad track just off the west end of the Hall county pavement. An attempt was made to slow the automobile but as the breaks were applied they locked throwing the car over and over in the deep ditch on the outside ridge of the curve. Mrs. Erskine was dead when rescuers arrived at the scene of the accident. The car was driven by Mr. Erskine, who together with Mr. and Mrs. Smith escaped with only minor bruises and scratches.

Mrs. Erskine is the sister of Mrs. Kirtley of this city. With the news of the accident, Mr. and Mrs. Kirtley left immediately for Memphis where the body was being held. A number of Mrs. Kirtley's friends also made the trip to Memphis to be with the bereaved family. The men also went to Memphis Monday afternoon to help with the arrangements.

The body was shipped to Hubbard City where interment was made. Mr. and Mrs. Kirtley attended the funeral of Mrs. Erskine.

Street Dance Proves Big Attraction Here

One of the most popular events of the Fourth of July celebration held here last Friday and Saturday was the big free dance last Thursday evening on the street in front of the City Hall. Somewhere in the neighborhood of 2,000 people from Donley and surrounding counties thronged the streets and either participated in or watched the dancers in the evening's frolic.

Two splendid stringed orchestras furnished the music for the dancers throughout the night, and received plaudits of the huge throng enjoying the old time tunes.

The dancers were divided into two groups, one where the old time square dance held sway and the other where the more modern type dance was enjoyed. Each of the two dance divisions were crowded with participants and

BAPTIST REVIVAL BEGINS SUNDAY

DR. J. J. KELLAM OF DALLAS
IS EVANGELIST WHO WILL
HOLD MEETING

Dr. J. J. Kellam of Dallas has been secured to conduct the revival services of the First Baptist Church which will begin this Sunday, July 12th. The meeting is to be a two weeks series and the announcement of the members of Dr. Kellam has met with the instant approval of the members of that organization. The splendid work of Dr. Kellam is well known over the entire southwest, and his record as an exceptional strong and appealing evangelist is pointed to as a fair indication that his time and efforts spent here will be of a great benefit to the local Baptist church and the community in general as well.

Although the usual time for the Baptist Revival is in the month of August the meeting will be held earlier this year in order that the services of the Dallas evangelist may be obtained. Dr. Kellam had only the one open date and so anxious was the local church to secure his services the meeting was arranged for the next two weeks.

The music for the services will be under the direction of Miss Anna Moores and Mrs. Allen Bryan in the evening periods while Misses Vera Thompson and Thelma Stephens will provide the music in the morning services. The members of the orchestra and choir of the other churches to attend any or all of the revival services and participate in the musical services. An invitation is also extended the membership of the other congregations to attend the services.

Mr. and Mrs. A. D. Bishop left Tuesday evening for their home in Louisville, Kentucky, after a visit of a week here in the home of their aunt and uncle, Mr. and Mrs. P. A. Buntin.

Mrs. L. T. Green of Dallas is here to spend the summer in the home of her son, Geo. L. Green. She remained so until midnight. The large crowd was still on hand at that time and would have danced through until morning had not the authorities turned out the lights.

Trip Will Be Made To Club Contest Winners

The News has been requested to announce through its columns the visit planned to all the winners of the Living Room and Wardrobe Contests. The trip is under the supervision of the home demonstration clubs of the county and all club members and any one else who is interested is cordially invited to meet at the home of Mrs. J. D. Moss at Ashtola at 8:30 o'clock on the morning of July 20th. Miss Martha Buttrill, competent local demonstrator will head the sight-seers, and will make necessary explanations about each of the winning exhibits.

The trip is expected to be well attended and will be of a benefit to all the club women and those interested in the demonstration work in Donley county. Visits will be made to the following homes where the prize winning work will be inspected: Mrs. J. A. Pool, Martin; Mrs. Katie Meaders, Clarendon; Mrs. C. E. Lindsey, Clarendon; Mrs. C. G. Knox, Lelia Lake; and Mrs. Ross Adamson, Hedley.

An interesting side visit will be made at the home of Mrs. Pit Holley where the fine poultry flock will be duly inspected. This is one of the finest flocks in the country and has attracted considerable interest in poultry circles.

Mr. and Mrs. C. Daughtry of Fort Worth arrived in the city Wednesday evening for their annual vacation in the home of Mrs. W. P. Manley.

Forty-Three Kiddies Enjoy Story Hour

Some forty-three children were present on last Tuesday evening at the Girls Dormitory and listened with rapt interest to Uncle Remus tales as told by Miss Lorena Steagall. It is doubtful if there has ever been any stories told which have proved of more interest to the kiddies than the old time tales of the beloved Uncle Remus character. Mrs. G. L. Boykin acted in the capacity as sponsor for the occasion and proved to be most capable in the direction of the children's play.

The Pathfinder Story Hour is held each Tuesday afternoon for the benefit of all the children of the city and county who enjoy interesting stories and properly conducted play periods. All the kiddies are invited to participate in these events sponsored by the Pathfinder Club of this city.

GIRLS CAMP FIRE WEEK IS SUCCESS

PLANS CARRIED OUT WITH
CHURCH PROGRAM
CLIMAXING BUSY WEEK

Camp Fire week for the city of Clarendon which ended last Sunday evening with a program at the First Methodist Church was a decided success with a great deal of good and beneficial work being accomplished by the girls under the leadership of Miss Lorena Steagall. A summary of the activities of the week are found in the following paragraphs.

On Monday the girls, some 40 strong, met at the new city park and cleaned the tract of ground of its unsightly and damaging weeds. The flowers were cultivated and everything made in readiness for the big barbecue of Friday noon.

On Tuesday the girls gave the meeting rooms of the Girls Dormitory a general cleaning and fixed one new room in readiness for further Camp Fire activities.

More than 100 children of Clarendon and Donley county were present at the grounds of the Junior High School on Wednesday evening and indulged in the stories and various games offered them under the direct supervision of the girls. The crowd was the largest ever entertained by the Camp Fire Girls on previous occasions, and show the popularity of the organization.

On Thursday evening in the basement of the First Presbyterian Church the Annual Fathers and Mothers banquet was held with the Council members and the business men who have sponsored the movement throughout the year also as guests of the girls. The event was one of the most pleasant of the entire week.

On Friday, July 3rd, the girls visited the sick and the shut-ins, and delivered twenty bouquets to those unfortunates. The hospital was visited as well as the other houses in which the sick and feeble resided, each place was left a portion of the holiday spirit and cheerfulness of youth to brighten the day of the person visited.

Saturday was enjoyed in the spirit of the Fourth of July. It was known as girls day and was designated such that they might have fun of their own for the holiday.

The program for the Council Fire presentation on Sunday evening was published in a previous issue of The News and was carried out as planned. A large crowd was present with a number of the churches turning out for the splendid occasion. Some 42 girls took part in the evening's program with Rev. McKee delivering a very inspiring address on Camp Fire work.

Guardians of the Camp Fire movement in the city are Misses Lodi Green, Mary Frances Caraway, Lotta Bourland, Ruth Donnell, Roberta LaFon, Helen Goldston, Ruth Nichols, Lucille Andis and Lorena Steagall, head guardian.

FRST COTTON BLOOM BROUGHT TO THE NEWS

The first cotton bloom of the local 1930 cotton season was brought to The News office Wednesday morning and left for inspection of interested parties. The bloom comes from the field of Barney Fielder, and is a splendid specimen. The stalk is over knee high and is exceptionally healthy and rugged in appearance. The 1931 crop of Mr. Fielder's is looking fine as is the crops in all parts of the county, and a heavy yield is expected.

Miss Dorothy White left last Saturday evening for a two months vacation on the West Coast in the cities of Los Angeles and San Diego. She stopped for a few days visit in El Paso before continuing on the trip to the original destination.

Mrs. Will Dubbs spent the week end visiting relatives in Borger.

MASONS IN CHARGE OF FINAL RITES

DEATH FOLLOWS LINGERING
ILLNESS—OF PIONEER
CITIZEN—BURIED WED.

With the passing away of A. M. Beville, Sr. on last Monday night the last chapter has been written in the life of another Clarendon and Donley County's most worthy and beloved citizen and pioneer. While the end has been expected for several weeks, the going of Mr. Beville has nevertheless been a shock to the citizens of Clarendon, Donley county and the entire Panhandle of Texas. One of the finest and most respected characters ever to be associated with any group of citizens has been the loss of Clarendon.

It is doubtful if there is another pioneer who has meant so much in the shaping of the life and destiny of the City of Clarendon as A. M. Beville, Sr. He was born in Louisiana October 23, 1862, and was reared in Hopkins county, Texas. In 1889 he moved to Clarendon and engaged in the insurance business, becoming one of the oldest insurance men in the State, from point of service. For more than 36 years Mr. Beville was actively engaged in the insurance business.

For three terms during his residence in the city he has held the office of Mayor of Clarendon and was postmaster during the administration of President Woodrow Wilson.

When the Methodist Church began looking for a location for a school he took an active part in securing the institution for Clarendon which was so long a leading unit in the State's educational system. He wrote the charter for the old Clarendon College and was the first secretary of the Board of Trustees. Not only was Mr. Beville connected with the church in an educational way but was one of the organizers of the First Methodist Church here, becoming Sunday School Superintendent in which capacity he served for 26 years, as well as chairman of the Board of Stewards. Mr. Beville was treasurer of the Northwest Texas Conference for a lengthy term of years and at the time of his passing was one of the church trustees.

During the world War Mr. Beville was chairman of the Local Draft Board, and was active in the general war work at home.

His fraternal life of the community he together with Judge J. N. Browning, organized the Clarendon Masonic Lodge No. 700, becoming its first secretary. Mr. Beville was Worshipful Master of the lodge at the time the Amarillo Lodge No. 731 received its dispensation. An outstanding honor was bestowed upon him when he served as District Deputy Grand Master through three successful terms.

Always an active figure in the local district and state political issues he was for years Democratic District and County Chairman, and for several years past was a lone delegate from Donley county to the State Democratic Conventions. Mr. Beville was a strong prohibition leader in the early days when the movement was looked upon with great disfavor, but his work through the capacity of business manager of the "Agitator," a prohibition newspaper edited by J. R. Henson, in 1893, was a large factor in the swing of the public in its conviction of the prohibition ideals.

Gaining a love for the newspaper work through his association with this early publication Mr. Beville purchased the plant and conducted the newspaper, the "Clarendon News." After a short time this publication was sold but the love of the newspaper game had entered his blood too deeply and in 1909, together with his son, Harwood, purchased the "Clarendon Chronicle" from W. P. Blake. The publication was again named "The Clarendon News", and is the same newspaper which bears the title today. Mr. Beville has always been most active in every movement

(Continued on Page Eight)

For Services Rendered

In appreciation for the services rendered by various individuals, committees, and others we the committee in charge of the July 4th. celebration held in this city on the 3rd, and 4th. of July and the Board of Directors of the Clarendon Chamber of Commerce for its members and supporters take this opportunity to express our appreciation and extend our thanks for the work and help given by those connected and further extend special thanks to Mr. John Bass of this city for his very public spirit in erecting and taking the full financial obligation of the grandstand in use during the celebration which we feel sure made possible the comfort of more visitors to the various entertainments than any other contribution to the very fine success of the occasion.

We further call on the business interests of this city and others interested to assist in the future in a way to make Clarendon a real celebration each year hereafter on the 4th. of July.

BOARD OF DIRECTORS OF THE CLARENDON CHAMBER OF COMMERCE AND ITS JULY 4TH COMMITTEE

CLARENDON'S CELEBRATION SCORES A SUCCESS

In spite of the short finances of the county; in spite of the depressed spirits of the citizenry; in spite of every difficulty that hindered, the celebration of July 3-4 here in Clarendon was an unqualified success.

Thousands of people from Donley and nearby counties came and joined in the wholesome activities of the two-day celebration, and proved that Clarendon has lost none of her drawing power on such occasions. The Chamber of Commerce, the business men and the citizens of the town are proud of the accomplishments of the two days, and have in mind even more pretentious arrangements and amusements for 1932.

A few hundred failed to get any barbecue on the first day, and everybody is sorry for that circumstance, but very seldom is any community ever able to furnish all the free barbecue a great throng can eat, and the community will try to provide another beef or two next year. Anyway, those who came early to be served got plenty to eat, which proves it pays to be on time.

Clarendon's Celebration was a notable success—no accidents—no unseemly conduct—just a big, good-natured throng joining in with a city and people who greatly enjoyed playing host.

Come again, folks.

TEN BETTER BUSINESS SIGNS

(From the Nation's Business)

1. Appearance of some large construction plans for building and other heavy construction in various parts of the country, this involving large orders for structural steel.
2. Reopening of a large number of suspended banks.
3. Breaking by repeated falls of rain and snow the year-long drought.
4. Smaller number of large failures despite a record number of all suspensions.
5. Smaller total of fire losses.
6. Early progress of farm work.
7. Earlier opening of lake navigation than last year, with all that this implies as to opportunities for work for the idle.
8. Reports of increased activities in cotton, wool and silk mills.
9. Distinct tendency for the downward curve of commodity prices to flatten out, possibly the harbinger of the end of the eighteen-months decline.
10. Bright crop prospects generally.

CITY METHODS IN ADVERTISING

Time was when many merchants in the smaller towns would argue that price advertising such as now the vogue all over the country, was only for the cities where daily editions were read by great masses of humanity.

New methods of merchandising have forced merchants everywhere, and newspapers, too, to a different system of operation, and today there is hardly a small town newspaper, anywhere, where regular weekly advertising of the necessities of life is not the rule.

Human nature is largely the same the world over, and advertising methods of the cities are effective in relative scale in any community. The only sad feature to the change is certain merchants who have not met the changed conditions and who are losing their volume of sales to competitors who have recognized the new conditions and have met them.

Regular and systematic advertising of any business is now a necessity.

FRANCE YIELDS TO WORLD DEMANDS

For centuries France has lived in dread of the German hordes, and it is no secret that she prefers a financially poor Germany to a rich, prosperous Germany. It was in keeping with this constant fear that she at first rejected President Hoover's proposal of a moratorium on one year on the payments of war reparations and debts.

However, France is learning that Europe is not isolated any more. She is finding out that the pressure of world opinion and demands is a mighty thing, and it is a recognition of this fact that has caused France to yield to the plan with a very great many more of her exceptions ruled out than she had ever thought she would allow.

World opinion is a gigantic power—just as much so among nations as is public opinion in any one nation. France and all other powers must recognize this growing factor in world affairs.

READJUSTMENT OF FARMING METHODS URGED IN SPEECH

WEST, TEX.—July 8.—Sounding a plea for adjustment of agriculture to modern conditions, J. E. McDonald, commissioner of agriculture, in an address Friday at West's Independence Day celebration declared that present agricultural practices were antiquated.

"Our agricultural boat," he said "is launched on new waters. The machinery which has been propelling it is antiquated, and it is going to require the special and combined efforts of every institution and agency to again make this boat seaworthy and its passengers happy and prosperous."

As a special example of antiquated methods, McDonald cited the "mad scramble" to produce cotton without attempt to coordinate production with consumption. "In this mad scramble," he said, "we are accumulating a burdensome surplus to disrupt and undermine our economic structure and if continued will not only bankrupt us financially but socially."

Figures were cited indicating the carryover this year would be from 8,500,000 to 9,000,000 bales with only two-thirds of a year's consumption. "Quite a good many of us," he said, "have seen four cent cotton when we were confronted with one two-thirds of a year's consumption in our carry-over, and when we enjoyed practically a monopoly of the cotton growing industry. It behooves us to pause and reflect at this time and try to vision what conditions will be should we be confronted with a carry-over in excess of a whole year's consumption with no definite and positive means of regulating next year's production so as to protect this huge carry-over."

"Apparently there are three ways to stop wasteful over-production by voluntary cooperation brought about by educational campaigns and school house meetings, the means we have tried of utilization of the government and laws established for the happiness and prosperity of our people; and finally to continue producing cotton without unity of action or supervision until we impoverish our soil to the extent that we can't overproduce."

"The farmer doesn't need coercion; he does need some means established whereby unity of action may be given to his production."

McDonald explained the details of the Olson soil conservation bill, which died on the calendar of the 42nd legislature, declaring that enactment of this bill into law would establish for agriculture the same supervision industry now enjoys. This subject should be, he declared, a major subject before any special session of the legislature.

Alleging his new glass eye "exploded" because of a flaw, S. H. Beasley of Greensboro, N. C. is suing an optical company for \$150,000.

Mrs. Joseph Lattino of Lawrence, Mass., testified in her divorce suit that on her wedding night she had to sleep on the floor while her husband occupied the bed.

The twelfth wife of Sam Oberman of Los Angeles was granted a divorce on the grounds of cruelty.

HOME DEMONSTRATION REPORT IS COMPLETED

The Semi-Annual Home Demonstration report for Donley county as prepared by Miss Martha Buttrill has been completed and prepared for publication. The report shows the county work along this line in splendid condition with the demonstration activities far in excess of previous years. Much credit is due Miss Buttrill, local demonstrator, for her untiring efforts to place Donley in the forefront of the demonstration work. Her report:

Garden work shows there are 39 garden demonstrators and 177 co-operators, 70 hot beds have been made, 15 asparagus beds have been made.

Orchard work shows 1023 fruit trees have been planted and 2363 berry vines have been put out.

Dairy work shows 97 co-operators with 2380 dairy cows, value of dairy products used \$3,028.01, value of products fed \$851.68, value of products sold \$2,578.89.

Poultry work shows 12 demonstrators and 60 co-operators in women's clubs and 49 demonstrators in 4-H clubs, number of birds Jan. 1st 7834, value \$56.69.53, number of doz. eggs sold 20543, value of eggs sold \$1848.53, number improving housing 25.

Food preparation work shows 98 new preparations for bread, number of new preparations for eggs 63, number of new preparations for meat 56, number of new preparations for milk 39, number of new preparations for vegetables 56, number of new preparations for fruits 22, number of new preparations for other dishes 97, number of club members having adequate supply of milk 125. 9 make own cheese.

Food preservation work shows 81 qts. of canned fruit, 536 of dried fruit, 81 qts. of canned vegetables, 436 qts. of relishes, 6501 qts. of canned meat, 28,951 lbs. of cured meat, 225 qts. of preserves, 220 qts. of Jelly, 4587 lbs. soap.

Clothing work shows 417 dresses with a saving of \$1251. 30 coats made at a saving of \$94.35, 300 undergarments made at a saving of \$490.47, 21 aprons made at a saving of \$16.80, 426 children's garments made at a saving of \$378.49, 191 garments renovated at a saving of \$354.25, 75 foundation patterns made.

Home Improvement, Interior, shows the following articles have been made, 39 dresser scarfs, 21 luncheon sets, 62 braided rugs, 10 braided mats, 15 hooked rugs, 10 table cloths and napkins, 159 pairs of pillow cases, 6 bed spreads, 150 towels, 152 quilts, 39 rooms with walls refinished, 17 rooms with woodwork refinished, 32 rooms with floors refinished, 26 tables refinished, 7 dressers refinished, 30 chairs refinished, 13 beds refinished, 77 tables painted, 47 chairs painted, 5 dressers painted, 14 beds painted, 30 other pieces of furniture painted, 23 pieces furniture upholstered, 113 living rooms improved, 14 dining rooms improved, 22 kitchens improved, 14 other rooms improved.

Home Improvement, Exterior, shows the following, 79 women have improved yards, 5 lawns, planted, 206 shade trees planted, 518 pieces shrubs planted, 110 roses planted, 16 walks made, 1 drive made, 21 buildings moved.

William Williams, in a hotel in San Francisco, heard over the telephone the funeral services of his mother in Schenectady, N. Y.

CAMP FIRE GIRLS TO HAVE BENEFIT FOR MESS HALL

As the means of raising money for the erection of a mess hall on their newly donated camp grounds, the Camp Fire Girls will sell tickets for a benefit picture show to be given on Monday and Tuesday, July 13 and 14. The show is entitled "One Heavenly Night" and is starring John Boles and promising to be one of the most pleasing pictures of the season.

Donations are also accepted according to Miss Steagall, and any who may wish to contribute to this worthy cause are asked to see her. The house is to be 12 by 30 feet, with the estimated cost being placed at \$150.00. Labor and rock has been donated with the money being needed for only the purchase of the lumber material.

Ninety bars of lead weighing 4,500 pounds and valued at \$450 were taken by robbers from a smelting company in Chicago.

Don't Tie Yourself to An Old-Fashioned Stove

TEDIOUS hours of strict attention to your cooking tasks are not necessary with Electric Cookery, for when you cook this modern way the actual work is finished when you place your meal in the oven. The Automatic Time and Temperature Controls do all the "watching and testing" . . . accurately and scientifically . . . assuring you of the finest and most healthful meals, completed with a minimum of effort.

The convenience and comfort that this modern cooking method will bring you is sure to be appreciated. Picture your new freedom—leisure hours in which to enjoy the better things of life. . . . And when it is actually less expensive and the results are better . . . why hesitate longer?

Investigate the possibilities of this remarkable *Electrical Servant*. Learn how to break the ties that bind you to your kitchen responsibilities. See the new Hotpoint Ranges . . . now on display in the merchandise showroom.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

Large Crowd Attends First Wrestling Match

Before a capacity house the old master of the mat, Dutch Mantell, took the measure of Roy Welsh, plucky grappler from Borger, in two straight falls to bring to a climax one of the finest athletic exhibitions ever staged in the city of Clarendon. The Welsh-Mantell bout offered the mat fans of the county plenty of excitement and gave the crowd a chance to see their idol, Cal Farley in the role of referee. Cal, always the smiling and genial little Irishman, pleased the spectators with the neatest bit of refereeing ever turned in in this part of the country.

LEGION NAMES DELEGATES TO MEET

NATHAN COX IS NOMINATED TO COMMANDER'S OFFICE TUESDAY

The Aubyn E. Clark Post of the American Legion, Department of Texas, was told how they might win the state cup at the meeting on Tuesday night of this week, along with a lot of other minor items when Dr. M. L. Stricklin spoke to the gathering. Dr. Stricklin is recently from the post at Groesbeck, Texas, which has won the state cup for two years in succession and which organization is planning toward taking this cup home with them for the third consecutive time.

Dutch, always the showman, started off with a few monkey faces at the audience and several wild and woolly actions towards the young Welsh, and after several minutes of spectacular wrestling pinned the Borger tool dresser's shoulders to the mat with a body slam in 1 1/2 minutes. The second setto started off with Welsh using the plugging headlocks to a fine advantage coupled with a series of pretty arm locks. These however proved inadequate to the wily Mantell, who despite his 50 odd years is still one of the best in the game, and the end came when Dutch tossed Welsh over his head with a reverse body slam and clamped his shoulders to the mat with his deadly body crush. The second fall ended after 20 minutes of swapping holds.

Report was heard from Post Commander Miller on the recent Fifth Division convention at Lubbock. Much business was transacted at this meeting, with plenty of fun being enjoyed by all those present. Much discussion was heard on the Department convention to be held in El Paso August 23 to 26, the city planning to spend \$10,000 for entertainment features for the event. Delegates were asked from all posts in the state as early as possible that plans might be laid to care for the large crowd.

In the prelims the big thrill came when five dusky local battlers started swinging a barrage of arms and fists much to the delight of the large audience. After three rounds of intensive slugging only one remained in the ring and was declared winner via of his knockout of the other remaining opponent.

Report on the concessions at the July 3rd and 4th celebration was also made by Commander Miller, who stated that slightly less than \$75.00 was netted after all expenses and deductions had been made.

NO PREACHING SERVICE AT PRESBYTERIAN CHURCH SUN.

The News has been requested to announce that there will be no preaching services either morning or evening at the First Presbyterian Church on next Sunday, July 12, due to the pastors absence. Sunday School however will be held at the regular hour and every one is urged to be present.

The selection of a delegation for the Department convention was the next matter in hand, it being learned that the Post was allowed six delegates and as many alternates. Decision was finally reached to send four delegates and to allow as many others to attend as wanted to make the trip. Since it has been the custom to make the Commander-elect one of the delegates the next item to be attended was the nomination of a man for this place. Nathan Cox was placed in nomination and was named to this place by acclamation without a dissenting vote.

B. A. U.

Subject, Two Debaters.
Leader, Mrs. Eva Draffen.
1. How Jesus Won Friends, Mrs. W. B. Holtzclaw.
2. What Happened at Simon's Feast, Mrs. Lorena Wardlow.
3. What is the Measure of True Love?, Mrs. Kate Vinson.
4. What Encouragement Does This Bring To Sinners?, Mrs. W. B. Holtzclaw.
5. How May We Show Our Gratitude?, Mrs. Laverne Shufford.

The delegation will then be headed by Nathan Cox with B. C. Antrobus, Clifford Decker and R. W. Moore as the others of the party. Clarence Miller, Tom Tucker and Joe Holland are the present alternates with a possibility of adding others in the near future. Some of those present indicated their desire to attend the convention as visitors and not as delegates and would not allow their names to be placed on the delegation list.

Mr. and Mrs. John Babb, Everett Babb and Melvin Land from Greenville, and Mr. and Mrs. O. M. Babb, from Guymon, Okla. spent the week end in Clarendon with J. H. Wallace and family.

Huge Crowd Swamps All Barbecue Supplies

Some thirty-five hundred hungry holiday visitors swamped the free barbecue grounds last Friday noon and when they had retreated with their fill of the deliciously prepared lunch the barbecue supply of meat and other accessories were exhausted, and some four thousand people who were not present at the first assault were turned away without the necessary items essential for the relief of their cravings for nourishment. Such a huge crowd was never dreamed of by the barbecue officials, and it was never suspected that the ten beeves barbecued for the event would not be sufficient to feed many more persons than would be in the city.

Miss Carrie Davis left Monday morning on her vacation, she first stopping at Turkey and Quitaque for a visit before continuing on her way.

Miss Lillie Lane spent the week end with Miss Wanda Blaylock of McLean.

Miss Julia Wiedman returned to her home here last Sunday evening after a two weeks absence in Long Beach, California.

Mr. and Mrs. Clyde Naylor and daughter of Pampa celebrated the Fourth with friends and relatives here.

Mrs. Whitfield Carhart of Greenville, Texas, arrived Saturday night and is visiting her mother, Mrs. R. A. Chamberlain, and brother, Fred Chamberlain.

Misses Ina and Mary Naylor of Lubock visited friends and relatives in this city over the week end.

Mr. and Mrs. W. Chunn and daughter, Mrs. Philbrick and Mr. and Mrs. C. O. Gillette, all of Dallas are here for a visit in the home of Mrs. R. M. Chunn.

Mr. and Mrs. John Blevins of Wellington spent the Fourth with friends and relatives in the city. Mr. and Mrs. Bryan Backus and children of Wichita Falls arrived in the city last Friday for a visit of some time here in the home of Mrs. Backus' parents, Mr. and Mrs. W. B. Webb, Bryan left Monday for Wichita Falls.

Miss Helen Blaylock of McLean spent the week end with Miss Reta Lane.

Mr. and Mrs. W. B. Stargel of El, Texas, spent the holidays here with their sons, T. G. and Roy.

Mrs. Roy Henderson of Kansas City is spending two weeks with her parents, Mr. and Mrs. W. A. Robertson.

Mrs. G. F. Lane and daughters visited in the home of her daughter at Childress Saturday and Sunday.

SPORTS SLANTS

By Sam Braswell, Jr.

Well, the Fourth of July celebration was a huge success and everyone had a large time and received one of the best sun tans or old time sunburns in a long time. We are certainly enjoying our share of the sunburn with it passing into the peeling off stages—but it was worth it, and we hope we get another chance next Fourth.

It was too bad that the barbecue ran out before all the visitors were fed, but nobody not even the most optimistic ever thought there would be anything like the crowd here for the free barbecue. Some 3,500 were fed, but the other nearly four thousand had to hunt up the hamburger stands for their dinner. It was the largest crowd ever in Clarendon for any event and goes to prove that with a little advertising the returns will outdo the fondest hopes.

Congratulations to the Goldston baseball club. Those boys walked off with the prize money and first place without severe trouble, behind the capable pitching and terrific hitting of all concerned.

Every one enjoyed the wrestling match last Thursday evening between Dutch mantell and Roy Welsh to such an extent that other matches may be brought to the city in the future.

The appearance of Cal Farley had the fans all anxious to see the little fellow work in the ring as the referee even if not as one of the contestants. Cal gave the fans their money's worth, and proved to be one of the most popular men with the crowd ever in Clarendon. Farley is just a swell fellow, clean, pleasant and friendly and the kind of a man that makes you feel good to be around. There is nothing artificial about Cal, he is just a business man with time to spend on his friends. He is a clean liver, clean sportsman and a clean business man—what more could be said of any man?

While speaking of Cal Farley, there is a chance that he might be brought to Clarendon for a wrestling event. He said he would be glad to appear before a Clarendon audience in an exhibition match, if the local fans wanted to see him in the ring as a contestant. Personally Cal, we'd like to see you.

We got a kick out of watching the ringsiders during the main bout the other night. Some of the fans were in as much of a strain when the going got rough as were the contestants themselves. Several looked as if they were on the verge of a pass out, while others were applying arm locks in vigorous style.

Seen from the ringside were the following "socially elite" of the city: H. B. Kerbow, E. T. Pope, C. C. Powell, Bill Greene, Odos Caraway, Wesley Knorpp and sons, Carrol and Walter, Dude and Meredith Gentry, Eddie Teer, Holman Kennedy, Seldon Bagby, J. T. Patman, Ira Merchant, Walter Wilson, J. W. Kent and C. L. Benson.

The other day down at Abilene in the big golf tournament Gus Moreland met John Pennel in the finals and gave the former Clarendon southpaw a severe trouncing to win by 8 and 7. Pennel will be remembered by his friends here as the boy who could thump the marble a mile, and was the best player of the club back in 1927. It was largely through his fine playing that the Hillcroft club was able to bring the team cup home from the Panhandle Amateur tournament at Amarillo that year. Reports of the match with Moreland tell of the trouble Pennel was experiencing with his game. The thought of playing Moreland, who holds nearly every golf title in the state except the Greenbelt and West Texas, evidently unnerved the southpaw for the story tells how he was pressing resulting in poor drives and hisrable approaches.

Interest seems to be growing less and less in the city league games, with some of the teams failing to show up for the contests. Tuesday the contest was supposed to be between the Grocers and the Dry Goods clubs. Arch Dyer had his crew on hand but the Clothiers failed to appear on the scene of the struggle. Is everybody tired of the game or do you want to continue these contests? Let's have more of them.

Goldston Nine Wins Baseball Title Here

Playing a fast and superior brand of baseball the Goldston team romped off with the county title and the \$50 prize money by virtue of their victories over Giles in the first contest and over Clarendon in the second battle.

In the games on Friday morning resulted in victories for the Clarendon and Goldston clubs. Clarendon bowled over the McKnight team in an easy contest by the score of 14 to 7. The Goldston club was having a little harder contest downing the boys from Giles winning by a score of 9 to 0 after Giles had violated a rule causing the forfeit.

Before a large crowd Saturday morning the Goldston and Clarendon teams battled for the title and the Goldston boys won the title and the \$50 prize money by virtue of their victories over Giles and Clarendon. The Goldston team was having a little harder contest downing the boys from Giles winning by a score of 9 to 0 after Giles had violated a rule causing the forfeit.

Clemmons started off a great style retiring Blanton with three strikes. Clarendon looked as if they might send over a tally however when Braswell doubled down the left field line. The damage was stopped though when Beach lined to Conner who doubled the runner off second. Goldston registered eight runs before Clarendon crossed home plate. In the fourth, Otto Beach hit one a mile for a trip to third and four runs were chased across before Vodie Clemmons

could be derricked for a relief hurler. This marked the first time in the mound career of the young pitcher that he has ever been knocked from the box. However Blackman was equal to the occasion and held the local sluggers from that point while his team's tallies continued to pile up.

MEMPHIS STUDEBAKER WINS JUNK CAR RACE HERE 4TH

J. Hackett of Memphis driving a Studebaker roadster won first place in the junk car finals on the morning of July 4th winning over Harve Barnard driving a Chrysler and G. Houdeshell in a Ford. Hackett won the preliminary event Friday morning.

The race started off with the Chrysler taking an early lead and soon developed into a two car race with the Chrysler striving to keep first place from the gaining Studebaker with the Ford bringing up the rear. For three laps the Studebaker tried vainly to gain the advantage of the Chrysler, but each time the curve thwarted all plans of Hackett's advance. On the fourth lap however Hackett passed Barnard and increased his lead several lengths until the final four laps when an inside rear tire was thrown from the wheel. This did not daunt the Memphis driver who kept his distance ahead of the Chrysler with an exhibition of some mighty fine driving, coming in some thirty yards ahead of Barnard.

REV. E. DUBBS OF BORGER TO DRUMRIGHT

Rev. E. Dubbs, pastor of the First Christian church in Borger for almost three years, today announced his resignation from the local pastorate to accept an appointment as pastor of the First Christian church at Drumright, Okla.

Rev. Dubbs will leave, together with Mrs. Dubbs, for Drumright Wednesday, to take over his new charge.

Coming to Borger in 1928, from tillwell, Oklahoma, Dubbs has seen an addition of 47 to the church during the period of residence here. Sunday school attendance has shown yearly increases, and church activities have demonstrated a similar growth.

Rev. Dubbs announced that he will have one more service here—

LOST 20 Lbs. OF FAT IN JUST 4 WEEKS

Mrs. Mac West of St. Louis, Mo. writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast—an 85 cent bottle lasts 4 weeks—you can get Kruschen at Douglas Goldston Drug Co. or any drug store in America. If not joyfully satisfied after the first bottle—money back.

Advertisement for Goodyear tires with various slogans: Air Volume, Blowout Proof, Breaker, Piles It, Under Tread, Non-Skid, Cubic Sections, Strips, Tread, Depth, Inches, Rubber Cure, Volume, Pounds, Cross, Strips, Tread, Depth, Inches.

WHEN you set out to buy tires, don't you really want the most miles and the utmost in safety at the lowest possible price. That being your objective, which tire should you buy? If the experience of 20,000,000 motorists means anything, you should certainly buy Goodyears. But if you try to puzzle through the welter of statistics on thicknesses, weights and diameters you lose the main issue and are as much at sea as ever. The one and only reliable guide for you to follow is the seasoned preference of the public. And that preference is overwhelmingly for Goodyear.

Advertisement for Goodyear All-Weather tires, priced at \$8.55 for 4.75-19 size. Includes text: "The last whisper in style, mileage, value! With Goodyear quality priced so low, why not avail yourself of the long mileage, safety and the good looks that have made Goodyear reputation?"

"At The End Of The Rainbow"

SAN ANGELO SITUATED IN THE HEART OF AN EMPIRE STANDS AS TRIBUTE TO TEXAS PROGRESS

"BUILD TEXAS" PROGRAM OF TEXAS PRESS ASSOCIATION FINDS IDEAL SURROUNDINGS FOR LAUNCHING OF NEW ERA IN LIFE AND PROGRESS OF THE ORGANIZATION. SAN ANGELO MAKES LASTING IMPRESSION AS HOST CITY.

Not every member of the Texas Press Association that attended the annual convention, June 11-12-13, had realized the true meaning of San Angelo's cherished slogan "At The End Of The Rainbow", before those dates, but certain it is that few went away without a full appreciation of that growing city and an admiration for the pluck and industry that has literally made the slogan a reality.

Considering the low business levels the attendance at the convention was a source of satisfaction to President R. H. Nichols and Secretary Sam P. Harben of the organization and the fifty-second anniversary of the body proved to be a most notable milestone in its history. Captains of Industry and Finance provided the inspirational addresses at the morning sessions, while the afternoon meetings were divided into three groups that the individual member could avail himself of the particular discussions in which he was interested, be he engaged in the publication of a periodical, daily or weekly. Some of the addresses from men who bulk large in Texas and in the nation's affairs were far above the ordinary range of such speeches, and all were shot through with the spirit of faith and optimism in the future progress of Texas and the Southwest.

Headquarters were at the St. Angelus Hotel, one of the best managed hotels in West Texas, and famed as being the first metropolitan hotel in the entire section. This hotel being soon to be replaced by a large contingent of the press folk at the Hilton, a new hotel of the well-known chain, and one of the most modern in the state.

All features of the convention arrangements and entertainment had been cared for in a generous fashion by the Board of City Development, whose workers were on hand every moment to see that no item of comfort or accommodation was missing and that every want of the visitors was provided. The morning sessions were held in the new City Hall and Municipal Auditorium, which, by-the-way, is a wonderful example of architecture and would grace a city of a quarter million inhabitants. Group meetings in the afternoons were held in the St. Angelus hotel, while luncheon and banquets were held at the St. Angelus and the Hilton, all being particularly well served to the added enjoyment of the guests.

Entertainment features included a ride out to the Texas State Tuberculosis Sanitarium, fifteen miles Northwest of San Angelo, where over five hundred men, women and children are receiving the finest medical attention for the dread disease, and where nature by moderate altitude and unusual dryness of atmosphere has provided one of the best locations for such an institution in the world. The plant is valued at \$1,700,000 and has a staff of

eighty doctors and two hundred employees. Over 11,000 cases have been treated since 1912, and every time a patient is discharged there are two hundred and fifty waiting to enter, according to Dr. J. B. McKnight, Supt.

After the party had returned from the ride, the Texas Club was host to an All Texas Products Banquet, served at the St. Angelus under the direction of Homer D. Wade of Dallas. Hon. Houston Harte, publisher of the San Angelo Standard-Times and president of the West Texas Chamber of Commerce, was toastmaster while Walter D. Cline, of Wichita Falls was the principal speaker. This banquet as unique in its menu and proved that a most elaborate dinner can be served entirely from Texas products.

The second afternoon the guests were treated to a ride out to Lake Nasworthy, property of the

TROST & TROST ARCHITECTS & ENGINEERS SAN ANGELO TEXAS CITY HALL AND AUDITORIUM SAN ANGELO TEXAS

the culinary art of the old range days was demonstrated in the shadow of modern skyscrapers and sound of metropolitan traffic. This was new to some members from the Eastern section of Texas, but all alike enjoyed the fine hospitality and fellowship of the occasion.

After the concluding session on

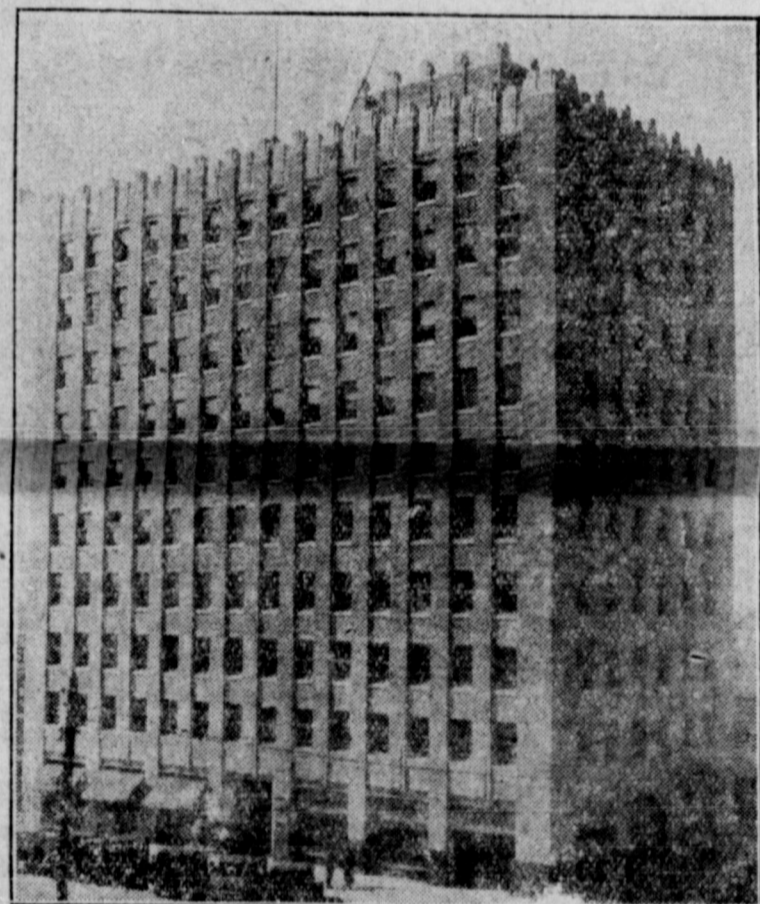

largest wool market in the world and is the largest banking center in West Texas, having more deposits than any city between Fort Worth and El Paso. Forty-five of the major oil companies operate in the fields of West Texas from San Angelo, and its airport is recognized as one of the most commodious in the Southwest, affording daily service between Dallas, Fort Worth and San Antonio. The Tom Green County Court House, patterned much after the Treasury building at Washington, ranks among the best court houses of the nation, which with the City Hall, three large hotels, many large office buildings and every facility for education and recreation makes San Angelo without doubt the truly metropolitan center of West Texas, and the center of a vast empire all its own.

"At The End of The Rainbow," is aptly said and proven more and more with each succeeding year. The implied "Pat of Gold" is there for aggressive, forward-looking, far visioned men and women who are not afraid to back their vision with unflinching toil and that is a pleasure amid such favorable surroundings.

San Angelo—"At The End of The Rainbow".

HOW SUPREME COURT'S RULING AFFECTED HIGH SCHOOL TUITION LAW

1. No child that was not enumerated for the 1931-32 census can get free high school tuition paid by the school district or the State.
2. No child that was 18 years of age before September 1st, 1931 can get free high school tuition.
3. Even those children above scholastic age in the school district in which they live will be compelled to pay tuition if tuition is charged.
4. Only those children within the scholastic age and who have been enumerated and who are above the grades taught in the school district in which they live as classified by the County Board of Education can transfer for high school purposes and secure high school tuition paid by the school district or State.
5. Transfers for high school purpose can only be made from the district in which the children are enumerated to some high school district adjoining or contiguous to the county from which the transfer is made. Pupils can not secure high school tuition un-

WESTERN RESERVE BUILDING

West Texas Utilities Company, a body of water impounded to twenty miles in length and approximately a mile wide. Here are splendid facilities for fishing and motor boat racing. Another interesting spectacle on this ride was the \$300,000 Henshaw Field, the finest polo plant in the Southwest, and then the San Angelo Country Club, famed for its splendid eighteen-hole golf course.

Just before sundown in a beautiful city park just off the business section of the city the Press people were guests at a barbecue and picnic dinner, where

Friday morning, June 13th, the Association was entertained in the spacious Crystal Ball Room of the Hilton Hotel at a buffet luncheon of meats and salads in keeping with the season and as well prepared and lavishly apportioned as one ever finds. It was indeed a fitting climax to a convention long to be remembered by members of the Texas Press Association.

San Angelo is a city of over twenty-five thousand population, situated in Tom Green County, in the very heart of an empire of 40,000 square miles. It is the

MANY MEN GET WORK ON ROADS

300,000 WORKMEN NOW BUILDING NATION'S HIGHWAYS

(By E. E. Duffy)

Construction work, despite the widespread introduction of machinery, still needs greater numbers of workmen and few, if any, of the large industries require as much hand labor. It is estimated that in highway building from one-half to three-fourths of the money goes into the pockets of workmen. It is estimated that about 300,000 men are at work building the nation's roads. The magnitude of highway building is pointed out in a recent announcement of C. M. Babeock, highway commissioner of Minnesota. Mr. Babeock shows that in concreting 284 miles of trunk highway in Minnesota last year it was necessary to ship by freight 24,933 carloads of equipment and material at a total freight cost of \$1,477,000. Of the average cost of \$23,848 per mile for finished concrete pavement, \$5,188 was required for freight, not including sand and gravel hauled locally by truck.

This year Mr. Babeock estimates that the concrete paving program of 425 miles will require railroad loadings of 37,400 carloads of paving materials, for which the freight charge will be \$2,650,000. In addition to this there will be about 1,000 carloads of brick material and about 3,000 cars of tile, culverts and material for use in grading projects.

Mr. Babeock points out that this business with the railroad means the keeping of a great many railroad men in work this summer who might otherwise be unemployed. At present about 10,000 men are working directly on Minnesota state highway projects, not including the great numbers of men employed in producing and transporting the thousands of carloads of materials.

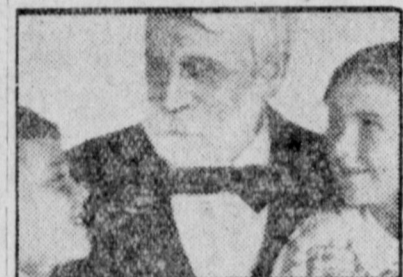

Practically all states have accelerated highway construction work this year and it is believed that a little later in the summer the effect of this disbursement of cash to workmen will evidence in business conditions.

These large highway programs however, are being offset in a large degree by the lack of ac-

tivity in municipal construction. A few cities, however, are taking advantage of present bargain prices in materials and construction by inaugurating programs for municipal improvement construction. Some of these cities are: Kansas City, Memphis, Tacoma, Houston, New Orleans, Chicago, Duluth, Rochester and Syracuse.

John and Jerry Hayter and Bill Gerner from Dallas spent the holidays here with Mrs. J. S. Hayter. They left Sunday afternoon for their homes.

Miss Lois Westbrook of West Texas State Teachers' College at Canyon spent the holidays here in the home of her uncle, G. L. Green.

BOWELS need watching

Let Dr. Caldwell help whenever your child is feverish or upset; or has caught cold.

His simple prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste.

You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without loss of one mother or baby is believed unique in American medical history.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your drugstore and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite—makes digestion more complete.

40,000

Conoco Passport Holders are on Vacation Highways

THESE motorists have requested and received free 1931 Passports from the Conoco Travel Bureau. In addition more than a million are using Conoco Road Maps. Now they are on the highways of America... fishing in the Minnesota Lakes, viewing new scenes in the Rockies, lazying thru restful days in the Ozarks, exploring historic spots in the East... swimming, golfing... enjoying vacation time to the utmost.

As these motorists travel the highways Conoco stations will be their stopping places for service and information. These stations are not merely sales points for Conoco Germ Processed Motor Oil, Conoco Ethyl Gasoline and Conoco Balanced Blend Gasoline; each is a field outpost of the Conoco Travel Bureau, rendering many special services, which include:

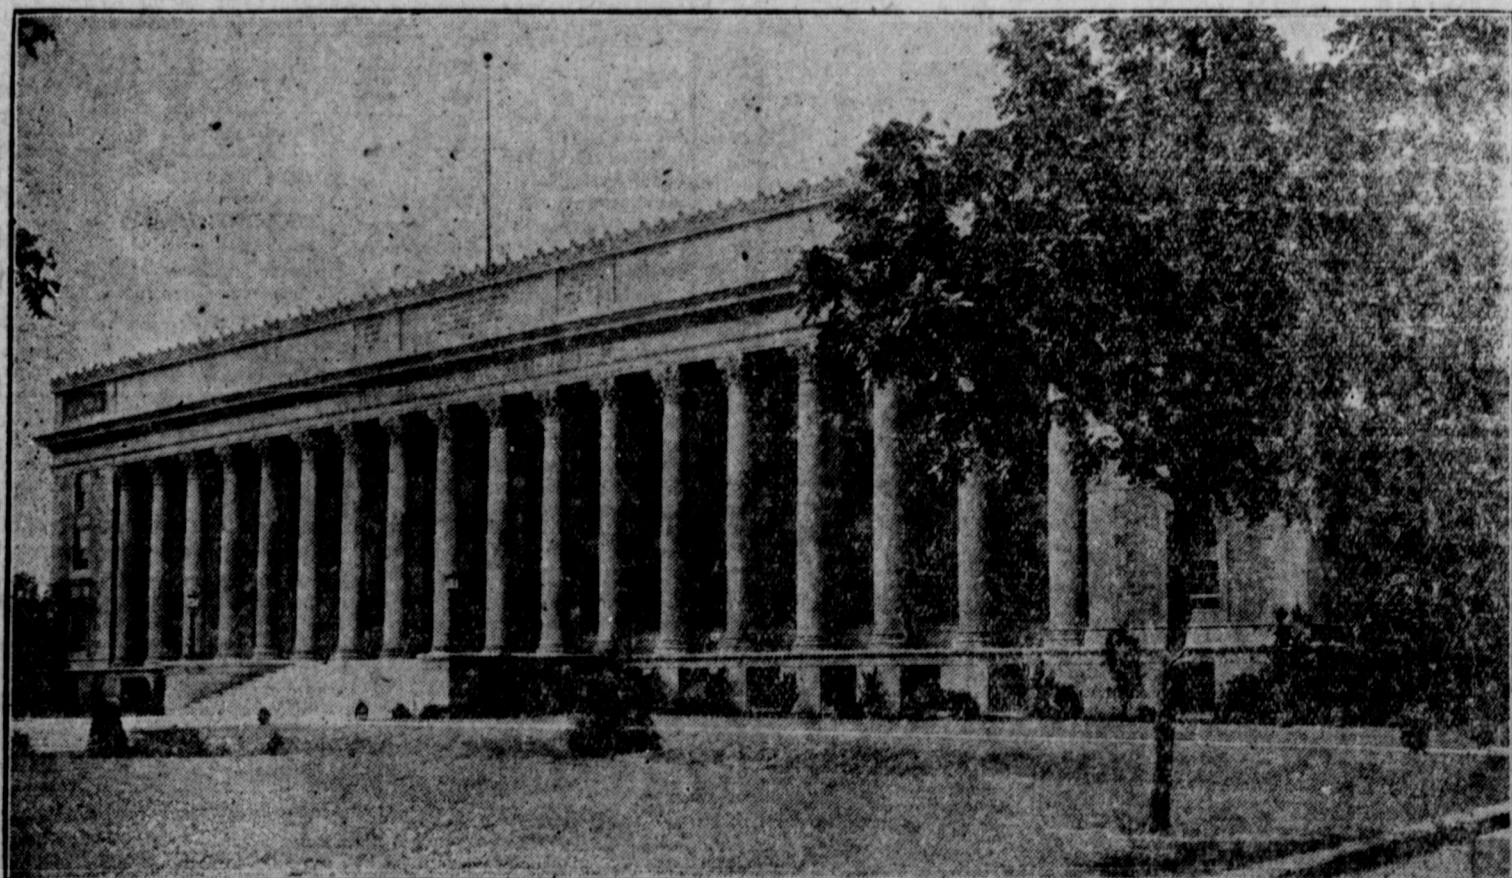

- Local Road Information
- Hotel Information
- Mail Forwarding
- Fishing Information
- Package Checking
- Camp Information
- Assistance in Obtaining Repairs and Making Necessary Purchases

The Conoco Travel Bureau... maintained by the Continental Oil Company... is the only free national service of its kind. It is the culmination of years of growth of the idea of service to travelers, dating from the earliest days of the oil industry. This free service is at your command, whether you plan a long trip or a short one. Stop at Conoco stations, identified by the Red Triangle; call on Conoco men for service. You'll find each a well-informed friend.

LOCAL LIONS TO TORONTO MEETING

G. L. BOYKIN AND SAM M. BRASWELL REPRESENT LOCAL CLUB AT TORONTO

District Governor Sam M. Braswell and G. L. Boykin, president of the Clarendon Lions Club, will leave tomorrow for Dallas where they will entrain with several hundred other Lions on the Texas special which will carry them to the International convention at Toronto, Canada, July 14-17.

One of the features of the closing moments of the International Convention of Lions Clubs at Toronto will be the presentation to the newly seated president, Hon. Julien C. Hyer, of Fort Worth, Texas, a gavel from the historic shrines of Texas. The gavel was made under the direction of District Governor Sam M. Braswell of Clarendon, Texas, District "T", Texas, and is made from a piece of timber secured from the battlefield of San Jacinto on San Jacinto Day, April 21st, this year. In its head is embedded a small stone taken from the walls of the Alamo, in San Antonio, Texas.

Presented by the Lions Clubs of Texas, this gavel represents two of the historic events and settings of Texas and the Southwest, for at the Alamo, an old Spanish Mission, Col. Travis and one hundred and seventy-six heroes defied the oppressive hordes of Santa Anna, President

JULIAN C. HYER

of Mexico, and were killed to the last man in the early days of the Texas independence. After the annihilation and the garrison, Santa Anna caused the bodies to be piled, row on row, and burned. From this funeral pyre sprang a flame that swept Texans to arms and to an overwhelming victory at San Jacinto on April 21st, 1836, where in twenty minutes one of the great decisive battles of the world was won. Here it was that Sam Houston and eight hundred Texans defeated the Mexican army of near three thousand men, and forever settled the question of Anglo Saxon rule North of the Rio Grande.

The gavel is encircled by two sterling silver bands fittingly engraved. The top reads "From the Sacrificial Walls of the Alamo, and the Victorious Field of San Jacinto." The bottom band reads "Presented by Texas Lions to Hon. Julien C. Hyer, President International Association of Lions Clubs, Toronto, Canada, 1931."

A brief presentation speech will be made by District Governor Braswell, who was delegated to perform that pleasant task by the Texas Council of District Governors.

Texas claims to be the state of birth of Lionism since the

SAM M. BRASWELL

first Lions Club ever organized was the Lions Club of San Antonio. Dallas entertained the first International Convention of Lions Clubs and also gave the young Association one of its first International Presidents, Mr. L. H. Lewis, now of San Antonio. It was sixteen years ago, two years before the founding of the International Association of Lions Clubs that the first Lions Club at San Antonio came into existence. In the succeeding two years other Lions Clubs were formed, and after formal organization of the association in June

1917, the first Convention of Lions International was held at Dallas in the same year. Lionism not only found its birth in Texas, but has shown a consistent

G. L. BOYKIN

growth—until at the present time there are 244 clubs in the state—more than twice the number of clubs of the other service organizations combined. There are now approximately 2500 Lions Clubs in the United States and Canada with a membership only slightly less than 100,000.

TEXAS FARM CENSUS GIVEN

FIGURES ON VARIOUS FARM ITEMS RELEASED BY CENSUS BUREAU

As a follow-up to the Donley county farm census appearing in the last issue of The News we offer for our readers the statistics of the State of Texas farm census. The figures are received by The News from the census bureau at Washington and were released for publication on July 7th.

Comparative figures show that in 1920 the State had 436,033 farms, with the number growing to 495,490 in the ten year span between then and 1930. The acreage has also increased during the ten years growing from 114,020,621 acres in 1920 to 125,041,764

in 1930. In the division of the tenure of farms one finds that what was true in Donley is also true over the entire state. The farms operated by the owners are becoming less while the tenant operated farms are growing steadily. In 1920 the farms operated by the owners totaled 201,210 but has dwindled in the past ten years until there are only 190,391 at the present. The tenants have picked up running from 2,230,919 in 1920 to 301,535 in 1930.

While the horses of the state have dropped from 991,362 in 1920 to 746,988 last year and hogs have diminished from 2,225,558 to 1,048,561 in the ten year period the other livestock have more than held their own with the exception of the cattle showing a loss from 6,156,715 to 5,567,175. Mules have gained from 845,932 to 1,032,993, milk cows from 833,586 to 1,093,061, and chickens from 18,062,744 to 21,594,539 in the ten years outlined above.

The most popular sized farms in Texas are those from 50 to 99 acres of which there are 123,483 such tracts. On the extremes there are 2,259 farms under 3 acres and 11,884 comprising 1,000 acres or more.

GENERAL MANAGER IN VISIT TO LOCAL OFFICE

R. B. Fairly of Lubbock, General Manager for the Southwestern Associated Telephone Company, was a visitor in Clarendon Wednesday of this week on a preliminary trip of inspection to the properties he is to supervise. Mr. Fairly was accompanied by E. C. Thropp of Memphis, District manager for the same company, these two making many calls principally in the business district before continuing on their journey. The Southwestern Associated is a newly formed company and is composed of the late State Telephone company of this section with others of the same group operating in the state of Texas, New Mexico, Oklahoma and Louisiana. Headquarters for the four states is located in Lubbock.

DONLEY COUNTY RECEIVES HEAVY SOAKING WED.

Starting about 7 o'clock Wednesday evening a heavy driving rain drenched Clarendon and Donley County to the extent of 1.35 inches. A small amount of hail accompanied the early downpour, but was of no particular harm, due to the smallness of the stones and the short duration of the fall. Reports from all over the county indicate that a like amount of rain was received with the precipitation insuring a season sufficient for a lengthy duration.

Messrs J. H. Morris and C. W. Bennett left Sunday for Corpus Christi, where they plan to spend the summer months operating their cotton buying business.

BEVILLE FUNERAL

(Continued from Page 1)

of civic interest until the last few months when his failing health has forced him from the active list.

At the time of his death he was 63 years, 8 months and 13 days of age.

Funeral services were held yesterday afternoon at 3 o'clock in the First Methodist Church here. The local Masonic lodge had charge of the services with the Rev. J. Sam Barcus of Sulphur Springs, Texas, conducting the last rites. The church was crowded with friends of the bereaved family, whose love and respect for the deceased friend was shown in the hundreds of beautiful floral offerings which banked the entire front of the huge auditorium. Words of tribute and sympathy were delivered by the pastor, an old time friend of the deceased, while the service was made more beautiful by the soft inspiring music of the select choir together with the Masonic ritual service. Interment was made in the Citizens Cemetery in Clarendon.

Mr. Beville is survived by one daughter, Miss D'Laurel, and two sons, Harwood and Allen, both of Amarillo. All the children were with their father when he slipped quietly from the troubled walks of this earth to his rich reward beyond the blue horizon.

Masonic Pallbearers were: F. Whitlock, Wint Bairfield, Joe Holland, Sr., Joe Horn, J. H. Hurn, O. W. Latson, H. Mulkey S. B. Kutch.

Active Pallbearers were: H. W. Taylor, P. A. Buntin, M. M. Noble, Dave Johnson, James Trent, Jno. T. Sims, Sr., R. W. Tolley, Frank Bourland.

Honorary Pallbearers:

Judge A. J. Fires, Childress, Texas; R. A. Moore, Wichita Falls, Texas; Judge Henry Bishop Amarillo, Texas; E. A. Simpson, Amarillo, Texas; E. F. Bryan, Amarillo, Texas; Stuart Miller, Amarillo, Texas; G. W. Antrobus, Rich Bowlin, C. M. Lane, W. A. Walters, M. E. Bell, T. H. Peebles, G. L. Boykin, A. T. Cole, J. R. Porter, R. E. King, W. T. Link, Geo. McCleskey, Holman Kennedy, Wesley Knorrp, W. W. Taylor, C. W. Taylor, Forrest Taylor, Y. E. McAlams, Y. E. McAdams, S. M. Braswell, M. W. Mosely, J. R. Mace, J. C. Estlack, J. J. Alexander, T. F. Connally, W. T. Hayter, W. P. Cagle, Odos Caraway, A. L. Chase, Joe Goldston, Tom Goldston, Clyde Douglas R. H. Alexander, John Sims, Jr., E. H. Noland, Henry Williams, Jerome Stocking, J. R. Bain, J. H. Rutherford, E. P. Shelton, E. M. Ozier, R. L. Biggers, W. T. Butler, Wint Bairfield, Frank A. White, Leon O. Lewis, C. C. Powell, D. O. Stallings, Gus B.

Stephenson, L. M. Smith, O. T. Smith, Dr. T. H. Ellis, Sam G. Dyer, Chas. Trent, J. R. LaFon, L. A. Reavis, H. B. Kerbow, J. D. Phillips, C. W. Bennett, Sr., Homer Glascoe, Chas. H. Bugbee, Lee Holland, Fred Rathjen, Ushers were: Dick Chunn, C. W. Taylor, O. C. Watson, A. A. Mayes.

Out-of-town attendants to the funeral were:

Dr. J. Sam Barcus, Sulphur Springs, Texas, Mr. and Mrs. B. O. McCreless, and Miss Lelia Nell McCreless, San Antonio, Texas; R. R. Moore, Wichita Falls, Texas; Mrs. Coe Cleek, Panhandle, Texas, and Major and Mrs. E. A. Simpson; J. Lewis Brown, Mr. and Mrs. F. C. Collier, Mr. and Mrs. L. C. Pitchford, L. C. Pitchford, Jr., Harry Myers, D. M. Showen, Mrs. Marguerite Pierce, Mrs. Ruby Dell Walker, Judge J. L. Bagwell, Leo Sparks, Fred H. Woodard, Mrs. G. T. Adams and son, Mrs. Bess Adams Ritter, Mrs. LeRoy Byrd, Mrs. John H. Beville and son, all of Amarillo; Dr. Bagwell, Claude, Texas; J. B. Summerour, Dalhart, Texas.

CREAM SHIPMENTS REGISTER A LOSS

JUNE SHIPMENTS IN SHARP DECLINE OVER PAST SEVERAL MONTHS HERE

Hopes for the continued heavy shipments of cream from Clarendon for a new year's record was considerably dimmed last month when there was only 265 ten gallon cans of the commodity shipped from the local cream stations. The past month's total was 56 cans less than the shipments made in the month of May.

Heavy losses were noted both by the express company and the truck carriers. Only 232 cans found their way to market via Express route while 33 cans were carried by the truck companies.

With the total of June's shipments, 265 cans, added to the 1428 cans already accounted for this year the season's total mounted to 1793 ten gallon cans of cream from the local cream stations.

W. H. Patrick left Monday night for Dallas where he attended a meeting of the Federal Reserve Bank Board. He returned Wednesday morning.

Mr. and Mrs. Arthur Arnold and family of Stratford were holiday visitors in the city last week.

1930 COTTON CROP MORE THAN 1929

DEPARTMENT OF COMMERCE CENSUS REVEALS STARTLING COMPARISON

Whatever the majority of the citizens of Donley county believe concerning the relative cotton production of the season just past with that of the previous year, the fact still remains that the 1930 cotton crop surpassed the crop of 1929 by more than 3,000 bales. This knowledge is forwarded to the readers of The News from a census bulletin compiled by United States Government statisticians, and is considered correct. The bulletin was issued for release to newspapers on July 8th.

Donley County harvested 21,242 bales of cotton an excess over the 18,723 bales produced in Donley in 1929. The total is much better than was anticipated by the people of Donley and exceeded all the early predictions, although it will be remembered that The News predicted more than 20,000 bales for Donley.

The total for several of the neighboring counties which may be of some interest to the readers are given below. Hall county 52,249 in 1929 dropped to 46,108 bales this year; Childress county gained 25,781 bales in 1929 and gained a few hundred bales in 1930 with a total of 26,040 bales; Collingsworth also showed an increase with a 1930 crop of 44,158 bales against 42,934 in 1929. The cottonseed crop for Donley county last season was 9,604 tons.

AMARILLO GOLFERS WILL MEET LOCALS SUNDAY HERE

The Hillcrest Golf Club of Amarillo will be entertained by the Hillcroft club of this city in a return match for that one played in Amarillo two weeks ago. Some twenty-five or more players are expected from the Amarillo club, and entertainment features have been planned for the visitors. The local players are hoping to even up the scores in Sundays play after losing by a narrow margin in the previous engagement.

Mr. and Mrs. Guy Stidham are spending this week in the home of Mrs. Stidham's parents, Mr. and Mrs. W. K. Davis, and other relatives.

Misses Carrol Holder and Jean Bourland are spending this week in Canyon where they are the guests of Mr. and Mrs. S. H. Condon.

Car Owners Bought More Firestone TIRES

During April, May and June . . . than in any like period in History

THERE are reasons for this—Firestone is now building the Greatest Tire Values in history, with the result that Firestone factories are operating 24 hours a day, 6 days a week, to meet public preference.

This is the year everybody is scrutinizing his purchases. This is particularly true in tire buying because of the many confusing and misleading statements made about tires.

To give car owners the facts, Firestone published comparisons showing quality, construction and prices. Then the public came in—made their own comparisons with cross-sections cut from Firestone tires—and from special brand mail order tires and others.

When they saw the facts, they bought more Firestone tires during April, May and June than in any like period in Firestone history.

Drive in today and let us show you these Firestone Extra Values and have your car equipped for Safe, Trouble-Free Summer Motoring. We can save you money and serve you better.

COMPARE PRICES Firestone OLDFIELD TYPE

Table with columns for MAKE OF CAR, Our Cash Price Each, Special Brand Mail Order Price, and Our Cash Price Per Pair. Lists various car models like Ford, Chevrolet, Chrysler, etc., and their corresponding tire prices.

COMPARE CONSTRUCTION and QUALITY

Table comparing Firestone tires with other brands on metrics like More Rubber Volume, More Weight, More Width, More Thickness, and More Piles at Tread.

*A "Special Brand" tire is made by a manufacturer for distributors such as mail order houses, oil companies and others, under a name that does not identify the tire manufacturer to the public, usually because he builds his "best quality" tires under his own name. Firestone puts his name on every tire he makes.

Double Guarantee—Every tire manufactured by Firestone bears the name "FIRESTONE" and carries Firestone's unlimited guarantee and ours. You are doubly protected.
