Bronchos Play Semi-Finals Tomorrow

Santa Claus Sends Word He Will Visit Donley Kiddies

WILL PLAY IN MIAMI FRIDAY

LARGE CROWD WILL ACCOMPANY BRONCHOS TO SITE OF IMPORTANT BATTLE

"Beat the Warriors" is the battle cry of the Clarendon High Bronchos as they prepare to invade the reservations of the Miami Chieftans, and "On to Miami" is the slogan for hundreds of Broncho rooters as they make plans to accompany the Maroon and White gridsters while they attempt to again scalp the Redskins on tomorrow afternoon, thus advancing to the finals of the District championship.

All attempts to secure the game for Clarendon or on a neutral ground proved unsuccessful, and the date was set for Friday afternoon at 2:30 o'clock on the gridiron of the Miami High School.

Heartened by their glorious victory over a great Memphis Cyclone team on Armistice Day, the Bronchos have gone about their task of getting into shape with added zest and spirit, which local fans believe is indicative of the determination the Bronchos hold in their hearts to live up to the expectations of the Clarendon supporters. The win over the Cyclones have added a great deal to the confidence of the Maroon and White players, and their eyes are set upon the crown which is the highest reward which comes to a class "B" football team.

Forgetting what has already happened and the Bronchos this year on the gridiron, the local rooters are driving their charges hard for the foreign conflict with one view in mind—that of winning and winning like the gentlemen they are. No animosity is held within the hearts of the Broncho players for injustice suffered by one of their teammates in the initial meeting between the two teams which the locals carried off by a score of 24 to 0, however each wearer of the Maroon and White colors is primed and ready to give their utmost in trampling the championship aspirations of the Warriors into nothingness.

While the Bronchos have sailed into the honors of Section "A" with little difficulty and without being scored upon, the Warriors have a much less impressive record, losing two games, however the Indians have waded through some very tough competition and have seemed to get better with the more work they receive. The test which has served to bring out their true strength was the tough strain they have been laboring under for the past two weeks. Winning from Wheeler, conquerors of Shamrock, on one Friday they played another game on the following Thursday, defeating White Deer for the right to meet Spearman for the honors in section "C". This last game was played two days later on Saturday in Spearman which the Warriors won 7 and 6. Following a nine hour automobile trip to the site of the battle through all but impassable roads. No injuries of any importance were reported and the squad will be in fine fettle when they try for their revenge against the Bronchos tomorrow.

Clarendon is proud of the record of the Bronchos this season and will move almost as a unit to Miami tomorrow to lend their influence to the local eleven's bid

THANKSGIVING DAY PROCLAMATION

Whereas, the earliest harvest Thanksgiving in America was kept by the Pilgrim Fathers of Plymouth in 1621—and it is very important that we should observe and keep the same spirit in our minds. Thanksgiving Day has been observed from the time of President Washington down to President Hoover.

Therefore, I, as Mayor of the City of Clarendon respectfully request our citizens to observe Thursday, November 26th, 1931, as a Holiday, and ask that our business men close their shops and houses for an old fashioned Holiday, and give God the glory for blessings bestowed upon us.

W. P. CAGLE, Mayor.

NO VERDICT IN JUDGE'S TRIAL

JURY HOPELESSLY DEAD-LOCKED, 8 FOR ACQUITTAL 4 FOR CONVICTION

Hope for a verdict in the trial of Judge J. J. Alexander, county judge of Donley County, charged with fee extortion faded Saturday when the jury failed to reach a verdict.

The trial started on last Thursday morning and was given the jury shortly after four o'clock on the afternoon of Friday, November 13th. Considerable interest was manifested in the trial of Judge Alexander, the court room being filled to capacity almost throughout the trial.

Judge Alexander had been indicted by the grand jury on three counts, charging collection for himself of fees not allowed by law in criminal cases and cases not really tried. He was alleged to have collected fees in 17 cases that had been dismissed and not tried, and to have collected fees in a special case that was dismissed.

Judge Alexander was serving his second term as Donley County magistrate.

Local Turkey Market Slumps

Clarendon produce dealers reported a slump from former years in the Thanksgiving turkey market this year. The market closed last Saturday with buyers paying 17 1/2 cents, a high market price, they claim.

Dealers also say that there were fewer turkeys sold on the local market by about 50 per cent, than last year. This was due, it is claimed, to the warm weather this fall. The Christmas market, which will open about December 5th and close the 15th, is expected to be much better, as cold weather is a boon to turkey raising in this section.

November 10, 1931

Honorable Mayor and City Commission,

The Aubyn E. Clark Post 126, American Legion of this city in a call meeting Monday night, Nov. 9, 1931, after discussion passed the following resolutions unanimously:

It is hereby resolved that American Legion of Clarendon go on record as opposing the turning off of street lights in our city and hereby petition the city commission in the interest of safety, protection, and freedom from danger for our residents that the lights be turned on at once.

Be it further resolved that we are fully aware of the move to economy in such action but that we believe the safety of our city, and the protection of our homes and residents of more importance than the mere saving of money in this instance.

It is requested that the city commission give this petition their earliest and most careful consideration.

Aubyn E. Clark Post 126
L. N. Cox, Commander.

UNION THANKS- GIVING SERVICE

ANNUAL THANKSGIVING SERVICE SET FOR WEDNESDAY EVE NOV. 25TH

Following the custom of several years there will be held a Union Thanksgiving Service for this community, on Wednesday evening, Nov. 25th, at the Presbyterian Church. This announcement is made by the pastor's association of the city, and all members of local churches and non-members, as well, are invited to the service at 7:15 on that evening.

Rev. E. B. Bowen, pastor of the Methodist Church has been named to preach the sermon with Rev. B. N. Shepherd, Baptist Pastor, in charge of the service. Special music will probably be arranged for the occasion.

For several years this annual union service has been held Wednesday evening preceding Thanksgiving in order to attract a larger congregation, since Thanksgiving has become such a day of family reunions and visiting of friends, and the pastors of the city are urging that a large percent of their congregations be present for this year's service.

Remember the date and hour—Wednesday evening, Nov. 25th, Presbyterian Church at 7:15 o'clock.

COUNTY BOLL PULLING CHAMP PULLS 1,119 LBS.

This section of late as to who was the champion boll puller of the county, now comes the record that is a record and will leave the boys shooting at it for a long, long time. The honors go to C. V. Sloan of Canyon, Texas, who turned in 1,119 pounds at the end of one working day, consuming ten hours and forty minutes. Mr. Sloan is working on the McClelleny farm five miles east of town.

Duck Season Opened Monday

The Duck season opened Monday of this week, and hunters are preparing for the thirty-day session. To date very few have been hunting, due to the extremely dry weather of recent weeks, causing a scarcity of the coveted birds in this section.

The season will close on December 15th at sundown.

NEW ELDER WILL PREACH FOR METHODIST SUNDAY

Rev. M. M. Beavers, newly appointed presiding elder of the Clarendon District of the Methodist Church will preach here Sunday morning, according to announcement of Rev. E. B. Bowen, Methodist Pastor.

Rev. Mr. Beavers will arrive here Friday with his family and household goods and will occupy the district parsonage being vacated this week by Bro. Murrell who is moving to his new post at Abilene.

A full attendance of the Methodist organization and others at the Sunday services is urged by the pastor, as a greeting to the new elder.

DONLEY COUNTY GINS CONTINUE ABOVE 1930

According to the latest ginning report released to The News from the Bureau of the Census, Donley county has ginned 2,529 bales of cotton thus far this season in advance of the number of bales ginned in the county for the same period of last year.

The report shows that prior to November 1st Donley county had ginned a total of 10,885 bales against the total of 8,358 bales for the corresponding time in 1930.

In Hall county the gain over the previous year is 10,054 bales with this year's total running to 22,060. Childrens shows a gain of nearly 12,000 bales with a total ginning record of 16,302 bales against a miserable total of only 4,984 in 1930. Collingsworth also shows a marked increase with 23,636 bales reported.

The state report is considerably

FATHER AND SON BANQUET SUCCESS

DEAN JARRETT PROVES TO BE ONE OF EVENTS POPULAR SPEAKERS

One hundred and sixty-seven fathers and sons of Clarendon and Donley county were in attendance for the tenth time Monday night and enjoyed the splendid fellowship which has marked these exclusive gatherings of the Masculine sex in the past years. The number attending this year's affair was not so large as some in the past, but the spirit of the occasion was at its best and every one present declared the event to be the outstanding in the entire ten years of the life of the father and son movement in the city.

At 7:30 the doors to the large dining room were thrown open to the crowd of men and boys which had assembled in the spacious auditorium of the First Christian Church, despite the heavy down-pour of rain and the black night, and to the spirited strains of the orchestra filed to their places around the long tables laden with the delicious feast.

Following a sing-song led by G. L. Boykin the invocation was said by Rev. E. B. Bowen, pastor of the First Methodist Church, and dads and sons alike seated themselves and began a devastating attack on the plate before them to the music by the orchestra under the direction of Gus B. Thompson.

Every one enjoyed the approval of the accessories served by the ladies of the Christian Church.

The toastmaster, O. C. Watson, Jr., made a popular hit with the gathering and left nothing more to be desired in the official capacity, keeping the program running smoothly with a number of humorous take-offs at the expense of the dads and sons addressed.

Something new and a novelty which met with the approval of all was the introduction of the fathers by the oldest son present.

The next number on the program was the presentation of the Collier male quartette. Sam Cauthen, James Smith, Bill Word

BOYKIN SUNDAY SCHOOL CLASS TO REPAIR TOYS

The Sunday school class of G. L. Boykin of the First Methodist Church have requested that everyone who has any old toys that have been broken or, any that the paint is worn off to please bring them to the chamber of commerce office in the next several days. The class will repaint and repair them and distribute them to the underprivileged children of the city. This is a splendid undertaking and all the kiddies of the city who have old toys that they know would warm the hearts of the poor children please get them together and leave them at the secretary's office in the City Hall.

Citizens Protest City's Economy Plan

A week or two of darkness has apparently met with disapproval of the citizens of Clarendon, for in this issue of The News several resolutions are carried from various organizations protesting to the city commission the cutting off of the street lights over the city. It was evident that something must be done to lessen the drain from the city treasury and the commission decided that the greatest saving could be made by cutting the street light service, however much protest has been voiced and the citizens await further action from the city commission.

ahead of last year's figures, and it is probable that before many more weeks the total will run close to a million bales over the last year record. The figures show that 4,035,885 bales are recorded thus far this season while last year totalled 3,294,432 bales ginned.

C. OF C. URGES TRIP TO MIAMI

ASKS CITIZENSHIP TO BACK BRONCHO TEAM IN SEMI-FINALS AT MIAMI

At a meeting of the Chamber of Commerce board of directors Tuesday afternoon it was decided to back a movement to secure as large attendance as possible to the Clarendon-Miami football game Friday afternoon at Miami, when the local Bronchos enter the semi-finals for gridiron championship of the great Panhandle district of Class B.

The News has been asked to register all those who will furnish cars for the trip, saying whether or not you will make up your own crowd or will make seats for extras. If sufficient transportation can be secured the High School Band will be carried along to add to the support of the home team in their fight for the Championship.

If you can go to Miami, call The News, phone 66 before 10 o'clock and register your car and say how many you can carry along.

The Chamber of Commerce urges Clarendon people to make this trip and see that the local team has the proper backing and that Clarendon is adequately represented.

JUDGE THOMPSON GIVEN ONE YEAR IN WHISKEY CASE

Judge Thompson was sentenced to one year in the state penitentiary for violation of the state liquor law. Judge was caught on the night of September 17th while operating a liquor still in a dug-out on the place of J. O. Thompson, father of the defendant, together with C. L. Tyler, who was given a three year suspended sentence on the same charge.

Mr. Thompson acted as his own counsel while he was prosecuted by James Mahan, district attorney.

Judge Thompson was under a five year suspended sentence and will serve a total of six years in penitentiary.

Red Cross Quota Is Coming In Slowly

The Donley County Chapter of the American Red Cross reports \$187 received in Clarendon. The local committee with Mrs. H. T. Burton as chairman will work the city again this Saturday and all Clarendon citizens are urged to enroll at once with this movement, so that the local drive may be finished in the immediate future.

The Red Cross spent \$1300 in Donley county last year for the relief work, and without this help the county would have been in a bad predicament at the present time. This year the county quota is \$400 and little trouble should be had in raising this subscription. The work at Hedley is under the direction of L. E. Thomson and Rev. Webb.

THREE BRONCHOS INVOLVED IN MIAMI RECORD DISPUTE

A committee of two Miami citizens were visitors in the city early today investigating the scholastic records of three Broncho football players, Pete Morris, Pete Easterling and Captain Raymond Nichols. These gentlemen were entertained in the County Superintendent's office where they perused the records of each of the above players. Nothing was found out of order and it was thought that the visitors returned to their home city with empty hands.

CLARENDON HIGH SCHOOL BAND WILL GO TO MIAMI

Negotiations were completed this morning whereby the members of the Clarendon High School band will accompany the Bronchos to Miami and lend their support to the local eleven in their drive for the district championship. The movement was cinched when the Sneed Bros. donated their large truck to haul the band members to Miami for the battle and then back home again. This is a great boon to the chances of the Bronchos, who will be insured of a strong backing even though they are playing on foreign soil. All cars will leave around 10 o'clock tomorrow morning.

NEWS WILL BE ISSUED ON NEXT WEDNESDAY

In keeping with a custom of The News for many years next week's issue of the publication will be printed and distributed on Wednesday, November 25th, instead of Thursday, regular publication date. Thanksgiving has always been observed by employees of The Clarendon News together with the other citizens of the city as a holiday, and for this reason The News will be issued one day earlier next week.

All advertisers are urged to co-operate with us and prepare their copy accordingly, so there will be no delay or let down in the proper display of the ads. All community correspondents are also requested to bear the change in mind and send in their items a day earlier if possible.

BERT SMITH IS GIVEN RETRIAL

WAS CHARGED WITH PART IN EMBEZZLEMENT AT STINNETT

AUSTIN, Nov. 18.—Bert Smith convicted and sentenced to three years in the state penitentiary on an indictment alleging that he had embezzled \$10,000 from the state penitentiary while in charge of the kitchen there.

Smith was indicted by a Hutchinson County grand jury but his case was tried in Potter County on a change of venue.

The appellate court held that if the allegations made against Smith were true he should have been indicted as a principal and not not as an accomplice. The indictment alleged that he "advised, commanded and encouraged" R. A. Franks, an agent of the bank, and J. W. Adams in the alleged embezzlement.

Rev. Robt. S. McKee left the first of the week for Spearman where he is conducting a revival for the Presbyterians at that place.

Mrs. A. A. Mays returned on Saturday from a visit with Mr. and Mrs. John Daniels of Tulsa, Oklahoma.

Patrick Named For Fourth Term

Announcement was made the first of the week of the re-election of W. H. Patrick as Class A director of the Federal Reserve Bank at Dallas.

This is the fourth term for Mr. Patrick and comes unsolicited and as a tribute to the high rank he holds in the banking circles of the Southwest.

Mr. Patrick returned here Wednesday morning from Dallas where he attended the monthly meeting of the federal reserve board and is receiving the congratulations of his friends for the honor conferred.

SANTA CLAUS TO VISIT CITY AGAIN

VISITING DATES ARE DEC. 12, 19, 24. NEWS TO PUBLISH LETTERS

Old Saint Nick, better known to the youngsters as Santa Claus, has already begun planning for his trip from the North Pole this Christmas. This was made known yesterday in a letter to the Clarendon Chamber of Commerce, who met in a called meeting to discuss plans for his reception on the three dates previous to the visit to each of the various houses where there are good kiddies. Santa says he will be in Clarendon for a short visit on December 19th, and 24th. These visits from the jolly old man will be in the afternoon and he asks that every child in Clarendon and every kiddie in Donley County come to town on those dates and tell him whether or not they have been a good boy or girl, and also what they want for Christmas.

Oh, yes, Santa said that he was going to bring each boy and girl a bag of candy or a little toy of some sort while he was in Clarendon. The News believes he is going to do this because he likes the kiddies of Clarendon and Donley County, for on Santa's last here last year he told the editor that he sure did like to come to see the children here, they were so nice and weren't like some he saw who wouldn't let him see them.

Kiddies to send their letters to The Clarendon News so he could get them easier when he came to Clarendon. In compliance with the jolly old fellow's request The News will place a mail box on the outside of its building for the letters of little folks who want to write to Santa and tell him what they want for Christmas. However, the letters may be mailed through the postoffice and will probably reach the Clarendon News without getting lost, but the best way is to send them to The News or drop them in Santa Claus' mail box in front of the News office.

The city will take on its Holiday attire on December 12th when all the streets will be dressed up in their Christmas and New Year decorations. The lights will be placed in position and will be turned on that evening and will continue through the entire holiday season. The West Texas Utilities has contributed their force to see that the decorations are in their proper place and the company has very graciously consented to donate the power for the street light decorations. Other plans will be announced in the columns of The News as they are released from the Holiday arrangements committee.

By-the-way kiddies, two of Santa's little friends from Lelia Lake have already sent their letters to Santa Claus. The News received them last night and are taking care of them until Santa calls for them. Better write your letters early so you won't forget it or have it arrive at the North Pole along with the millions of others. All the letters will be printed in the Big Home Town edition of The Clarendon News on December 10th, and will be sent to every family in Donley county.

Clarendon, Texas, Nov. 17, 1931

To the Hon. Mayor and City Commissioners:

Whereas, The American Legion Auxiliary in regular meeting assembled November 16, 1931 did pass on and protest the action of the Hon. Mayor and City Commissioners of Clarendon in cutting off the street lights at this time of year when the nights are long and many of our women and girls have to go to and from their work in the dark.

Whereas, The American Legion Auxiliary has gone on record as pledging their influence toward the maintenance of law and order, and

Whereas, we believe that cutting off the street lights will foster all forms of lawlessness and is not conducive to a high degree of morality. Therefore be it Resolved, That the American Legion Auxiliary do hereby petition the Hon. Mayor and City Commissioners to rescind their action in cutting off the street lights.

Mrs. B. C. Antrobus, Sec.
Mrs. James Trent, President.

ARE WE UNTHANKFUL

Is it possible that among us there are some who feel that they have no cause for thankfulness as the annual season of Thanksgiving approaches?

If we are to judge by the attitude and actions of some we are forced to the conclusion that there are those who feel no gratitude for anything at this time. This would be alarming except for the fact that people have felt and acted thus since the foundation of the world.

It has been said that the sin of ingratitude is the basest of all sins and if traced to its final culmination we are forced to admit that there is some truth in the saying.

Let us not, then, at this season set apart for the contemplation of our temporal and spiritual blessings, allow ourselves the sin of ingratitude through the neglect in realizing our blessings—for we all have blessings in staggering degree—but rather let us recount with sincere gratitude the numberless personal and national items of good that are ours, all from the hands of a beneficent and all-wise God.

It is a great sin to be unthankful. It is a greater sin to feel that we have no cause for gratitude.

A TRIBUTE TO THE CHURCH

Edgar A. Guest, the popular writer of verse, was born in England in 1881, and came to this country with his parents at the age of ten. Concluding his formal education while in high school he went to work on the Detroit Free Press. For many years now he has helped and inspired people throughout the world by his homilies put into verse. He was deservedly popular and much beloved. Frankly and openly he espouses the religion of Christ. He says: "I owe to my religion my home and the peace within it. I owe to my religion my ability to make friends and keep them. I owe to it whatever of patience has been mine and whatever steadfastness of purpose I have displayed. I owe to it my powers of understanding, for it was from my mother and her religious teachings I caught my first glimpse of the great brotherhood of man. Criticized and derided and belittled, ridiculed and mocked as it is, the church still stands for all that is finest in our thought. It is still the mother of our greatest sons and daughters. I do not join with the non-believers and the non-church-goers, because I see no hope where they would lead me. I see them trying to lead me and my children into license and debauchery; into a cruel struggle for existence on earth and to a hopeless deathbed at the last. I will not set my face or the faces of my children toward such a wilderness."

WHAT AMERICA OFFERS

Thomas A. Edison was the finest finished product of American civilization. Russia will not produce any Edisons. Other European countries have not produced them. There is no use in trying to be an Edison in Russia. For with all his inborn modesty and the desire to submerge his personality in a love of work, Edison was human. He liked to know that his great inventions were going to be of some use to the world and that he had behind him a government which could give him the right to make use of his discoveries to the benefit of humanity. He had behind him a government which gave to other men the opportunity to make use of Mr. Edison's inventions, such as the railroads, the light and power companies, the telegraph and telephone companies otherwise known as the utilities. Mr. Edison's discoveries made millionaires by the score but he himself died a comparatively poor man, as rich as he cared to be, for he found more joy in his work than he did in making money for money's sake. Without capital to develop his discoveries would have been of little use to the world but he preferred that other men should furnish the capital and make the money. Suppose that Edison had preferred to be selfish and capitalize all his own discoveries and reserve to himself all the commercial benefits of his discoveries he could have held the world in the palm of his hand. But what satisfaction would there have been in that? He found a million times more enjoyment in seeing the products of his brain produce wealth and happiness and comfort for millions of people. A government that frowns on capitalism would have cast Edison's discoveries on the scrap heap and Edison would have had no inspiration to work. And how he loved to work! Measured by the average work day of eight hours and allowing 16 for rest and recreation, Mr. Edison lived 155 years as nearly as he could estimate it from the average number of hours he worked in a day. Not that he kept a record of it. He simply worked till exhaustion compelled him to lay off and an 18 hour work day was nothing unusual for him. For more than 40 years the patent office records show that he was granted an average of two patents a week. The opportunity to work and enjoy the possession of the products of his own brain and muscle are what made Edison. That's what America offers to every boy.—W. H. Bridgeman, Republican, Stanley, Wisconsin.

Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the 8th of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

STORY NO. 8

Special To The Clarendon News

In the past year through the cooperation of the people in buying cotton we have seen many of our industrial plants built up where they are today forced to turn down orders. We have seen employment double, triple, and in one case, quadruple in these plants. It means that today we are shipping to the North, where formerly we were buying from the North.

To give you an illustration of the enhanced profits accruing to our state through manufacturing the finished product, let me cite, for example, cotton in the making of a shirt. The present price of cotton is six cents a pound; in making it into low count broadcloth which runs 4 and one-tenth yards to the pound, this will increase the value of the cotton from 6 cents to 24 cents per pound; then from the gray

mills to the finishing plants it is increased from 24 cents a pound to 45 cents a pound; in making the same goods into shirts, the cotton value is further increased from 45 cents to \$1.55; the total increased cost of raw material to finished product showing additional \$1.49 per pound, money retained in your own community. This holds true for the average manufactured products. The shirt is used just as an example.

Today we are building up in Texas many cutting plants that are getting prosperous. The time will come when we will need mills making the finer quality cloth for both men's and women's garments. We will also need dye plants to turn out the finished products.

For years we have been the leading producer of cotton, and yet these finished plants have not come in. They will be forced of necessity to come in now because Texas people are demanding Texas products. They will come in not asking for bonuses, but locations, because they are coming where the business is obtainable, and where people support their own institutions.

When are we going to wake up?

Are These Efficient Servants Working In Your Home?

THERE are literally hundreds of efficient *Electrical Servants* which inexpensively will assume the hard and distasteful work in your home. They cost so little, and operate at such slight expense, it is truly "penny wise and pound foolish" to struggle along without them.

IN SOCIETY

Mr. and Mrs. Sam Dyere Entertain

An affair which added much to the week's social activities was given Thursday evening when Mr. and Mrs. Sam Dyere delightfully entertained a group of friends with a dinner-bridge at their home, West Fourth Street.

The dining room was fragrant with beautiful flowers of the late fall variety such as Chrysanthemums, dahlias and roses, and made a pretty setting for the tables, which were laid with snowy linens and lovely china and silver ware, from which an enjoyable dinner was served.

Games of bridge followed and furnished amusement during the evening.

Present for this affair were: Mr. and Mrs. P. B. Gentry, Mr. and Mrs. M. P. Gentry, Mr. and Mrs. Holman Kennedy, Dr. and Mrs. O. L. Jenkins, Mr. and Mrs. Seldon Baebly, and Mr. and Mrs. Forest Taylor.

Good Will Club Has Quilting

Quilting was the diversion for several hours Tuesday afternoon when Mrs. Nash Blaisinger entertained members of the 1930 Good-Will Club.

The entertaining room had been fittingly arranged in anticipation of the gathering of her friends. The little Dutch girl was the pattern used for this quilt and was very pleasing to the members when finished.

To enjoy this informal club meeting were: Mrs. S. Johnson, Mrs. H. L. Johnson, Mrs. Cecil Longley, Mrs. Don Martin, Mrs. L. D. Carlisle, Mrs. A. O. Yates, Mrs. Blanche Oden, and Mrs. Fred Russell, club members.

Mrs. I. B. Pierce was an invited guest.

W. M. Auxiliary In All Day Meet

The annual week of prayer was observed by members of the Woman's Missionary Auxiliary of the Methodist Episcopal Church South on Thursday of last week. The theme being "Love and dealing mostly with work in the foreign fields, which was brought out forcefully in many incidents and illustrations given during the day.

At noon a pot luck lunch was enjoyed there being a nice variety of foods to please those present.

Mrs. Fred Buntin was leader for the morning session with Mrs. U. J. Boston having an interesting part. Special musical numbers were given by Mrs. R. Wilkerson and Mrs. Rolle Bramley.

The afternoon session was divided into two parts, Mrs. Elba Ballew leader for one part and Mrs. Bowen the closing retreat. Special musical numbers were a vocal duet by Miss Helen Martin and Mrs. Ralph Kerbow with Miss Mildred Martin, accompanying. A vocal solo by Mrs. Tom Goldston and a violin solo by Elizabeth Kemp. Mrs. W. C. Thornberry, Mrs. Paul Shelton and Mrs. C. W. Bennett Jr., took part on the program also.

At the close a call was made for a special offering and the women responded most generously.

Mrs. J. G. Patman and Miss D'Laurel Beville returned Saturday from a two week's visit with Mr. and Mrs. Wm. Price and baby and Mrs. James Patman in Pleasanton, Kansas. While there they made several sightseeing trips to interesting points. Among them were Liberal Kansas and Pilsburg. The most enticing place of all, however, was the woods, so beautiful at this time of the year and several days were spent roaming and admiring the beauty of the forests. Mrs. Patman and Miss Beville are not in the least superstitious as they left for their homes on Friday, 12th in the rain. No trouble was experienced on the trip and it was made in record time.

Newly Organized Club Entertained

One of the most recently organized Clubs was that entertained by Mrs. R. L. Bigger on Thursday afternoon, at her home on College Hill.

Yellow and Green predominated in the house decorations, setting for color scheme for the afternoon.

During the business session, which preceded the games of auction bridge, Mrs. J. L. McMurtry was elected president and will direct the actions of the club during the first year of its organization.

At the close of the games Mrs. Fred Chamberlain was declared high score winner and Mrs. Odos Caraway was fortunate in the cut for consolation.

The members of this club, all of whom were present for the afternoon's playing are as follows: Mesdames J. F. Blocker, R. L. Bigger, Odos Caraway, Fred Chamberlain, A. L. Chase, Homer Glascoe, A. R. Lotts, McCann, J. L. McMurtry, W. H. Patrick, George Ryan and C. G. Stricklin.

Autumn Leaves Decorate Home

Autumn leaves rich in the coloring of red, gold and brown, suggestion of the approaching Thanksgiving season decorated the cleverly arranged home of Joe Bounds, Thursday afternoon, when Mrs. Bounds entertained with auction bridge complimenting members of her bridge club.

In the game Miss Maurine Wood played high, receiving a lovely gift. Mrs. Marvin Warren holder of low score, received a dainty gift also.

A Thanksgiving motif featured in the appointments and refreshment course of the afternoon.

Seated for the games were: Misses Haile, Edna Montgomery, Josephine Murphy, Leatrice Benson, Lois Alexander, Wylla Lee Alexander, Julia Mae Caraway, and Esther Morrison.

Mesdames Sam Braswell, Jr., Tom Murphy, Jiggs Mosely, Marvin Warren, and Bill Leverette.

Mrs. Eva Rhodes Hostess

On Thursday evening Mrs. Eva Rhodes was the hospitable and genial hostess to members of the "42" Club, at her home, which had been tastefully arranged with brilliant hued autumn flowers in welcome to her guests.

A delightful refreshment course was served at the close of a hilarious evening spent in the chosen games, "42".

The following were participants in the games: Mr. and Mrs. H. R. Kerbow, Dr. and Mrs. J. G. Sherman, Mr. and Mrs. C. E. Killough, Miss Oual Pyle, Miss Mantie Graves, Miss Norma Rhodes, Mrs. B. G. Smith, and Mrs. Bill Greene.

Mr. U. J. Boston, Mr. A. A. Mays, Mr. J. T. Patman, and Mr. M. M. Noble.

American Legion Auxiliary Notes

At the regular monthly business session of the American Legion Auxiliary plans were formulated for a special membership drive to last over a period of two weeks. It is the hope of the president, Mrs. James Trent, that a large number of new members will be enrolled during this time. Since the membership of the Legion has increased there is no reason for the Auxiliary not enjoying a larger membership.

The program for hospital work and arrangements for the Christmas program also was completed at this meeting on Monday. Another item of interest to the public was the discussion of the members to hold a tulip show in the spring. Place, date and details to be announced later.

MacDowell Club in Pleasing Program

On Saturday evening at the Ladies club room the MacDowell Club presented the third of its monthly programs, this proving to be the most interesting yet given.

The business session was presided over by Mrs. Tom Goldston, president, plans were discussed for an appearance of the MacDowell club sometime in January. The nature of the program and date to be announced later.

Roll call was answered with a favorite folk song after which Miss Pessey Taylor opened the double quartet under the program with a clever close-dance, direction of Miss Anna Moores and composed of Misses Wilma and Cecil Hukel, Carroll Holder, and Gene Bourland, Messers Sam Cauthen, Elbert Bowen, Bill Word and James Smith, delighted those present with the rendition of "Little Cotton Dolly" and "Sleep Kentucky Babe." Mrs. G. L. Boykin, a favorite with all groups, played on her violin a beautiful Spanish number, she being in costume. Mrs. John M. Bass then gave a splendid interpretation of the "Carnival of Venice," on the piano. Miss Anna Weidman discussed negro and cow-boy music being followed by Mrs. O. T. Smith who in characteristic negro fashion sang two negro spirituals, "Swing Low Sweet Chariot" and "O! Dem Golden Slippers."

"Neapolitan Nights" and "Mighty like a Rose" were the selections chosen by the MacDowell Chorus and was beautifully rendered under the direction of Mr. Sam M. Braswell. A paper on Indian Folk Music was read by Mrs. J. L. McMurtry. The program closed with Miss Anna Moores in costume, singing that ever beautiful and popular Italian Song "O Sole Mio."

Mrs. G. L. Boykin and Mrs. R. Wilkerson acted as hostesses to the large group of members and invited guests present.

Pathfinder Meeting

The Pathfinder Club met in the Ladies Club room with Mrs. Allen Bryon and Mrs. Floyd Keener as hostesses, for one of the most interesting meetings of the year.

The room was tastefully arranged with chrysanthemums, roses and other late garden flowers. A splendid report of the State Federated Club Meeting held in Shamrock last week was given by the president, Mrs. O. T. Smith, who represented the local club at this meeting.

The program on "Best Short Stories of 1930" was led by Mrs. W. C. Stewart, who presented "The Vineyard of Schloss Ramburg," by William Hazlett Unson, in an absorbing fashion. Mrs. Allen Bryon gave the story "A Red Coat For Night," Mrs. F. L. Bourland related "The Voice of The Turtle," by Edythe Squier Draper, in an interesting manner and Mrs. Joe Cluck interested the members in a short story by Walter Gilkyson, "Blue Sky."

At the close of the meeting a delicious refreshment course was served by the hostesses.

Mr. Phillip Engle left for Wichita Falls on Monday evening where he will transact business.

Rev. E. B. Bowen returned on Monday from Vernon where he attended a session of the Northwest Texas Conference. Mr. Bowen was returned to Clarendon for another year, much to the pleasure of his congregation and the city at large.

Rev. and Mrs. W. M. Murrell returned to their home on Monday after having attended session of the Northwest Texas Conference at Vernon. While in Vernon they were guests of their son Richard Murrell and family.

Mr. and Mrs. Jess Rodgers and Mrs. W. J. Atteberry of Amarillo were guests of Mrs. Sella Gentry and Mrs. Geo. Ryan on Tuesday of last week.

Mr. and Mrs. John W. Dunn and niece, Miss Inez Dunn, arrived Tuesday evening from Mesa, Colorado, for the visit in the home of Ms. and Mrs. H. J. Edington. They will continue to Memphis where Mr. Dunn has a farm and where Miss Inez has her home.

WORTH LOOKING AT: Under any circumstances the legs pictured above would be worth looking at. But they are doubly interesting in the present instance because they are prize-winning legs. Miss Blumenstock Holward, Viennese beauty, won first prize in a recent contest for the most perfect limbs in the Austrian capital. Boy, what a pleasure to be a judge!

Mrs. James Trent and Mrs. L. S. Bagby motored to Borger on Wednesday where Mrs. Trent arranged affairs pertaining to the district convention of the American Legion Auxiliary to be held soon in Borger.

Leon O. Lewis, Jr., has been spending the past week with his father, Judge L. O. Lewis and renewing old acquaintances. Leon is now working at San Antonio.

Mr. and Mrs. G. C. Boswell and children, Helen and Geneva, of McLean were guests of Rev. and Mrs. W. M. Murrell on Tuesday evening. Mr. Boswell is superintendent of public schools in McLean.

Mrs. O. T. Smith returned Thursday from Lubbock, where she attended the State Federated Club Meeting as a representative of the Pathfinder Club.

Miss D'Laurel Beville will leave on Wednesday for Amarillo where she will visit with her brothers, Allen M. Beville, Jr., and Harwood Beville until after Thanksgiving, then she expects to go on to San Antonio for the winter. While in Amarillo Miss Beville will attend the sessions of the State Teachers Association.

Mrs. W. A. Massie returned to her home on Wednesday after having spent the week with her friend, Mrs. H. A. Waller of Amarillo. Mrs. Waller and daughter had spent the previous week with her, returning to their home on Saturday, accompanied by Mrs. Massie.

Rev. and Mrs. W. R. McPherson were guests in our city on Saturday of last week.

Dr. R. P. Jarrett, dean of West Texas State Teachers College, was here Monday evening as the speaker for the Father and Son banquet, and was accompanied by Rev. Kunze, pastor of the Presbyterian church at Canyon.

ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless, and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts.

Be sure to get the genuine. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

Father and Son—

and Elbert Bowen, who pleased the group with two splendid numbers.

Loyd Benson was the first speaker of the evening and was introduced as a popular person among the boys of the school, but a regular knockout with the fair sex of the institution. Overcoming one introduction Loyd stated that through the ages the mother of the child was lauded and honored with but little or no recognition being given the father. Possibly dad was a little harsh in his actions and apparently failed to take much interest in the accomplishments of the son, but under the gruff outer shell a deep rooted interest was ever on the alert for anything that the boy was doing. And too the son was more or less indifferent to the wishes and problems which face each father each day, but yet the feeling of comradeship was there and through every day the boy was certain of the wholesome contact between himself and his dad. Tribute was paid to every father and the speaker seated himself amid a round of cheering.

Dr. B. L. Jenkins followed with a tribute "To Our Sons", taking himself back to the time when he first looked into the face of his first son he expressed his feeling and that of every father and also the responsibility which rested upon his shoulder when the little one arrived. The friendly feeling, the love and the responsibility ever grows with the passing of each day and even the grandfather possesses greater responsibility than does the father. Dr. Jenkins called his barber shop quartette to the floor and they rendered two very humorous and inspiring numbers. Members of this organization were G. L. Boykin, O. L. Jenkins, R. E. Drennon, and Arch Dyer.

O. C. Watson called the attention of the gathering to the financial straits of the school board and asked that all delinquencies be paid immediately in order that the schools may continue to run throughout the year. Sam M. Braswell was called upon to introduce the speaker of the evening, Dean R. P. Jarrett of W. T. S. T. C., making several interesting introductory remarks. Dean Jarrett opened his talk with a number of interesting and humorous incidents which he encountered in his home life and continued to hold the attention of the group with a well planned address sprinkled here and there with sparkling wit. Dean Jarrett outlined the hopes of the father for his son in four main points: First, father wants his son to be physically fit, in other words a man; second, he wants his son to find himself a life's work; third, he wants his son to find the proper kind of girl and make a home, even better than that of the father's and fourth, he wants his son to stay close to the Divinity, working and playing within the Ten Commandments. Especially did the youngsters of the crowd cheer the Dean's statement that if his son needs his car to go "see that girl on Thanks-giving, he could surely have it" no matter how badly he himself needed it. Many glances stole to the countenances of the father from the sons' direction.

In the election of officers Dr. B. L. Jenkins was elected to the presidency for 1932 by acclamation over his stubborn protest, with Frank White, Jr., receiving the vice-presidency through the same manner. The board of directors received the following members, Elba Ballew, Tom F. Connally, James Smith and "Snooks" Wilford Andis.

In the contests the Bryan family carried off the honors with four generations present, also Great-grandfather Bryan was the oldest family present. In the largest family of boys present L. Ballew carried off the honors again being pushed by J. C. Estlack.

With several minutes on hand Tom Connally made an important speech which sparkled with interesting truths concerning the relations of father and son.

Following more music by the orchestra and the singing of America the group adjourned to meet again next November.

4 COUNTY MEDICS ATTENDED ROTARY

W. H. PATRICK SPEAKS TO ROTARIANS ON GOLD STANDARD QUESTION

The Clarendon Rotary Club had as its guests for the regular Friday luncheon the members of the Four County Medical Association, who were in the city attending the sessions of the group. Doctors and physicians were present from cities in the four counties represented. Donley, Hall, Childress, and Collinsworth. These were introduced by Dr. B. L. Jenkins each expressing his pleasure at meeting with the local civic organization.

The main speech of the luncheon was delivered by W. H. Patrick, president of the First National Bank and member of the Federal Reserve Board, who addressed the group on the Gold Standard, a question of magnitude and of international importance. The failure of the British Empire to continue on the Gold Standard has been a cause for no little worry on the part of international affairs and credit. Other countries have fallen in line with the action of the English people and at the present time only France and the United States are safely continuing on the gold standard of credit.

HEDLEY MAN BRINGS IN FIVE POUND SWEET POTATO

Ted Gray, from near Hedley was a pleasant caller in The News office Saturday and displayed a prize sweet potato and a head of grain, which the writer is at a loss to know what to call

it. Many have been in and named it but no two have given the same name for the product, but to get back to the oversized potato, it is one of the largest we have ever seen and tipped the scales at five pounds when brought in for display.

Chickens and Dairy Cows Are Making Money . . .

Here are some suggestions to get "Old Bossy" to deliver that extra pound of butterfat: feed three hundred pounds of ground maize heads and one hundred pounds of PURINA 34 per cent Cow Chow. If you are one of the lucky folks who carried their cotton seed home, get a sack of Proteina Cattle Feed at our store. It consists of Bran, Shorts, and good, fresh black strap Mollasses. It sure sweetens up that cotton seed and grain and makes it palatable. And what's more, it puts extra dollars in your pocket.

We've also got eggs in the bag and these eggs cost you about eight cents per dozen. Your local merchants pay you twenty-five cents per dozen. If you want that seventeen cents profit, come in and talk it over.

(EDITOR'S NOTE:—Below is the payment of Ted Reid of the Memphis Democrat of the wager which existed between the writer of SPORTS SLANTS and himself, writer of his column, "HIT OR MISS". The wager was that should the Cyclones defeat the Bronchos I would have to conduct his column for one issue, and as the Bronchos ran away with the game I am taking a rest this week. Ted is a mighty likable chap and I believe you will agree that his efforts are splendid and his words sincere. He is one of the Bronchos' most ardent supporters in their remaining games and has accepted our invitation to witness the remaining home games in the Maroon drive for District honors.

In closing his letter which accompanied his column Ted writes—"Wishing you much success and as large a victory over your coming opponents, I remain sincerely, Ted Reid")

Well, it all long gone now with the Bronchos holding the victory trophy. And let me tell you its a great trophy that they hold. The field generals have retired and the powerful Nichols with his powerful eleven have the field in their possession while General Boardland and his men are retreating, but not with a down and out spirit. It was a battle to behold—the one on Armistice Day. And it was a battle that was fought fair and square.

I don't believe there has been a better game played on any field in this district this year that has been more interesting and created more excitement than the annual tilt between Clarendon and Memphis. It is always that one game of the year that is looked forward to with great anticipation. But this is one year the Cyclone has passed from the picture without the victory in their hands. They saw they had the Bronchos won over them again and they were fairly good sports in winning the honor.

And, too, Sam won our wager as fairly and squarely as did his home town team win the victory. After the game, I went around and told him that it was my time to weep on Dame Fortune's shoulder. I thought in the last half of the game the Cyclone would overcome or at least tie the 12 points, but when they got down in the Broncho territory and were held there my air castles just floated up in the air and burst like soap bubbles. And they burst so loudly that I felt them down on the ground.

Jerry Sitton and I were on the sidelines getting the game play by play. Jerry declares that the Clarendon squad should have been penalized once when the referee said nothing about what was done. He was sitting over on the Memphis side just writing away when the Bronchos called a play. It happened that the play came around our end and Jerry didn't have time to look up and see what was happening. If I'm not mistaken, Nichols had the ball and was coming plenty fast. Just as he got even with us, one of the Cyclone hit him, and both rolled out of boundary. I saw them coming and jumped, but Jerry was in the big middle of the whole affair and was knocked flat as a spare tire.

I went over to look at the remains to see if there was anything left or take his last words to his folks. He still had the true newspaper spirit for he was gripping the piece of board he was writing on like a baby gripping a rattle after he has gone to sleep. Finally, to my surprise, he rallied, stood up, and asked where he was. I told him and then he remembered. He started to complain to the referee that he had been hit out of bounds, but I held him back and finally he realized he was not on the field. Jerry has the old fight still in him from his high school and freshman college days.

There was a man from Clarendon in Memphis the other day after the game who had a brother on the team. He was telling

about the time Reid made that 65 yard run, like we didn't remember it. And he was telling what a fast man Reid was. He said he thought Reid was pretty good on his feet until that Leslie boy took after him and caught him which saved the score from being 13 to 0. He said Leslie was coming at an angle and had the better chance to get Reid, but let me tell you, this Leslie boy is plenty fast and I would like to see him and Reid run the 100 yard sprint. It would be a race worth the money.

Well, I am only hoping that next year Clarendon and Memphis get to play again. And, too, I am hoping that instead of Memphis coming out with the sack over its head the Clarendon squad will have it. The teams will both lose several of their best men, and from all present indications the game will be as hard fought as the one this year. But, we will be in better condition to tell how the battle is going to come out this time next year—in fact we will know by then.

If Sam sells more than the usual number of his papers the week this miscal appears in it. I will know that it is all due to this column I am writing being in it—and the writer blushing modestly. And if such is true, I am asking that he give me a percentage of the proceeds derived so I will get paid for doing his work when he is taking a rest. But on the other hand, if he fails to sell the regular quota, I'm not saying that I'll make up the loss—which will likely be the case. But either way the question goes, you can tell the folks back home that Clarendon beat Memphis good and proper and are expected to give any other teams in contact with a good fight.

How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedeke of Dayton, writes, "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, safely and quickly take one half teaspoonful of Kruschen in a glass of hot water every morning before breakfast—an 85 cent bottle lasts 4 weeks—Get it at Douglas Goldston's or any Drug Store in America. If this first bottle fails to convince you this is the easiest, safest and surest way to lose fat—money back.

LOCAL COACHES WITNESS PLAY OF NEXT OPPONENTS

On last Friday morning the Broncho Coaches, Frank Stocking and John Hutton, left for Dalton where they witnessed the encounter between the Dalhart Wolves, District champions, and the Stratford eleven. The powerful pack of Wolves had little trouble in trouncing the little Stratford team, and ran away with a 32 to 7 victory. The mentors report the charges of Blake Bolton a powerful outfit and one which will be hard for any class "B" team to handle. They boast an eleven which embodies speed, weight and aggressiveness in their attack. The Dalhart team plays Hereford tomorrow for the right to meet the winner of the Clarendon-Miami title game at Miami the same day.

The training coaches skidded all over the plains on Saturday and finally landed in Spearman in time to see Miami nose out the Lynx for the right to face Clarendon. The score was 7-6 and featured a hard fighting and improved Warrior eleven, which promises the Bronchos a full afternoon of entertainment tomorrow when the Bronchos attempt to successful invasion of the redskin's reservation.

CLARENDON CITIZENS MAY ENTER CONTEST

Special To The Clarendon News
STAMFORD, Nov. 18.—Citizens of Clarendon are invited to put their thinking caps on, maybe win one hundred dollars, and do a great service to Texas. The West Texas Chamber of Commerce has announced a contest to select a trade-mark for Texas fed meats.

To the man, woman, or child who suggests the best trade-mark for Texas fed meats, which will be used to identify such meats and popularize their use and demand at markets, cafes, and hotels, the West Texas Chamber of Commerce is offering a cash prize of one hundred dollars.

Complete details may be obtained from the local chamber of commerce secretary, but anybody may qualify. A trade-mark may be a mark, a device, a symbol, phrase, slogan or a combination of any two or more of these. The entries must be sent to the Stamford office of the West Texas Chamber of Commerce not later than January 15, 1932. Any person may submit as many entries as he desires, but each must be on a separate piece of paper and bearing the contestants name and address.

Three judges yet to be named will pick the winner. The contest originated with the Livestock committee of the West Texas Chamber, which is working for increased consumption of Texas meats in Texas, and the promotion of feeding Texas livestock.

Texas. John M. Gist of Odessa is chairman of the committee and Paul T. Vickers, Midland, secretary.

REV. PAUL MERRILL VISITS HERE MONDAY

FENCING WILL BE FEATURE OF OLYMPICS NEXT YEAR

Special To The Clarendon News
LOS ANGELES.—Lovers of the art of fencing will be privileged to enjoy 14 consecutive days of men's foils, swords and sabres and women's foils during the Games of the Xth Olympiad to be celebrated in this city from July 30 to August 14, inclusive, 1932. The Organizing Committee has arranged for the use of a splendid pavilion for the fencing events, which will be held from July 31 to August 13. This pavilion, which is the California State Armory, is located in Olympic Park, near Olympic Stadium, and is of concrete and steel construction, surmounted by a glass roof which provides natural light. The floor measures 90 x 45 meters, and will accommodate eight regulation fencing mats. The pavilion is arranged to seat several thousand spectators. Splendid offices are available for federations and and juries, and dressing rooms and shower baths for the competitors. A complete kitchen and dining room are installed in the pavilion.

Rev. Merrill is one of the most popular Christian ministers in Texas and is well known here in the Panhandle, having served churches at Hereford and Pampa, before entering the evangelistic work.

ASHTOLA SCHOOL NEWS

A mixed group of school boys and outsiders met a challenge of a Goodnight outside basketball team. The Ashtola group played with an unorganized team and a very little previous practice. The score was 27 to 12 in favor of Goodnight.

The Ashtola group will probably play a basket ball game the coming Saturday night. They have begun night practice this week.

The school attendance has increased greatly this week.

Reid gains two. Reid punts for 30 yds. Norman comes in for Flannery and Walker for Leslie. Norman's pass to Walker is incomplete. May gains and Norman passes to Stargel for a 20 yd. gain. May fails to gain. Norman to Walker is incomplete. May gains 2. Stewart's pass to West is incomplete and the ball goes to Clarendon on her 20 yd. line. Nichols gains 6 as the game ends with the score Clarendon 12, Memphis 0.

The Bronchos will play Miami on Friday for the bi-sectional championship. The winners of this game play the winners of the Waterloo. Many games for District championship. The Bronchos defeated the Miami Warriors earlier

COLLEGE SOCIETY STAGES ANNUAL DANCE TUESDAY

What a wonderful time they must have had at those dances long ago. The hours spent in arranging those unruly curls, that brooch at the throat, the lace gloves on her arms, the pain of the newly punched ears, the misery of the fitting of the evening gown! But all this pain, all this tedious waiting vanishes as the musicians tune their instruments. The escort forgets the trying positions necessitated by the new, close fitting suit of royal hue, forgets his worry over the "bunch of lace at his throat", yes, he even forgets his anger over the streaked powdering of his hair as the musicians, their instruments now in tune, swing graciously into a slow waltz, a rhythm of memories.

Time goes by. Fashions change. The powdered wigs and lengthy gloves and frock tailed coats of "kirts have disappeared. The lacy many colors have held their sway, ruled, reigned, and passed on. But still the musicians tune their instruments: the shining floor still beckons as before; maidens anxiously finger escaping curls; young men glance about the room in search of others who are awaiting the opening number. The spirit of youth. Yesterday's, Today's. There is no change there.

Then as the leader of the orchestra sines to his company, a rattle of excitement, a flurry of something akin to nervousness pervades; the couples are waiting. It is time to begin!

Such was the feeling at the dance given by the Palo Duro Literary Society last Tuesday evening of the tenth. It was at the Parish House that the festive affair took place; and from the smiling countenances, those good times of the "good old days" were modernized.

Arriving at seven thirty, bridge tables were found ready for a rubber or so. By the time the cards were laid aside, members of the orchestra had arrived, and sad neglect was the fate of those diamonds and hearts, clubs and spades.

Dancers of the evening were: Misses Joyce Link, Hazel Gilbert, Jean Bourland, Nola Gordon, Jonnie D. Latson, Carol Holder, Dorothy Jo Taylor, Elizabeth Kemp, Eunice Johnson, Roberta LaFon, Pauline Shelton, Leslie Andis, Messrs. Mike Strickland, Buck McKinney, Roy Stargel, Carroll Hudson, Glenn Allison, Fred Bourland, Sam Cauthen, Bill Word, Benton Smith, Steve Green, Clyde Slavin, James Smith, Silas Franklin.

Miss Ineva Headrick, sponsor of the society, and Reverend L. L. Swan, sponsored the evening's entertainment. The dancers left for their home with "Taps" ringing in their ears.

PEP SQUAD

The stunt the Pep Squad performed at the game with Memphis did not differ very much from others they have had this year. They came on the field in four lines from the corners. The two lines on the south side were led by Lois Wallace and Eleanor Morris, those on the north side were led by Ruth Cauthen and Marjorie White. An "M" was

to be given Wednesday. Many different kinds of work have been covered this six weeks, and every one is dreading the test.

The First Year Ag. Class has been studying about soil. They also have filled their notebooks out as far as possible until they are farther advanced in the work.

AGRICULTURE REPORT

The second year Agriculture Class has been making models of Chicken Self Feeders and concrete tile forms. They worked all last week on these, and nearly every one finished his models. The Class was divided into twos, each pair working together on the same models.

This week the class has been reviewing for the test which is in the season with a score of 20 to 0, however this does not mean that they have an easy chance to win. They will need your support so be out to back the Bronchos for District Champions this year.

Aches and PAINS!

When you take Bayer Aspirin you are sure of two things. It's sure relief, and it's harmless. Those tablets with the Bayer cross do not hurt the heart. Take them whenever you suffer from

Headaches Neuritis
Colds Neuralgia
Sore Throat Lumbago
Rheumatism Toothache

When your head aches—from any cause—when a cold has settled in your joints, or you feel those deep-down pains of rheumatism, sciatica, or lumbago, take Bayer Aspirin and get real relief. If the package says Bayer, it's genuine. And genuine Bayer Aspirin is safe.

Aspirin is the trade-mark of Bayer manufacture of monoaceticacidester of salicylicacid.

Alpha Delta Psi Society Activities

Due to some misunderstanding about the meeting date of the A. D. Psi Literary Society, some of the members were not present at the meeting last Tuesday night. The meeting time was again changed and reverted to the former time, Tuesday evening.

Nevertheless, a most interesting program was presented. The Spirit of Armistice Day was observed throughout the entire evening. A number of war songs were sung by the group. Ansel Barton told a very interesting war story. James Smith sang "Oh How I Hate to Get Up in the Morning". This was very appropriate because of its reference to the encampment days of the soldiers during the war. Mr. Carver, who served during the war, told some interesting experiences of those days. And a number of War-time slogans were given.

PRESS CLUB HAS INTERESTING MEETING

The regular meeting date for the Press Club is every other Tuesday afternoon at 3:20. The meeting which was postponed November 10 was held November 17. All reporters were present except Eunice Johnson, Jo Ella Stewart and Fay Hutton.

After a business session in which many suggestions for improvement of the paper were made, Bill Wood gave an interesting talk on the history of the Newspaper.

In the course of his talk, he related the following: The Editor of the first American Newspaper, published in Boston and called Public Occurrences, proposed to publish the news once each month and if anything happened between times to publish an extra! This brought a hearty laugh

formed in the center of the field facing Memphis. They, then went down one after the other and as they came up gave a yell for Memphis. Lois and Eleanor then led the lines in a formation to make a "C". The Peppers then knelt on their left knees and scattered confetti. At a signal they came up with a wildcat for Clarendon. They then marched off the field in twos. When they got off the field, Mr. Alderson took their pictures. Music for both the Memphis and Clarendon stunts was furnished by the Clarendon Municipal Band.

LION MURRELL BID FAREWELL

NEW MEETING PLACE AND STREET LIGHT QUESTION BEFORE LIONS CLUB

The formal farewell of a departing member, Lion W. M. Murrell, by the Clarendon Lions Club was carried out at the regular Tuesday noon meeting of the group together with discussions relating to important questions confronting the citizens of the city and the club. Following a sing-song under the leadership of Lion Fred W. Rathjen and the luncheon, Boas Lion Boykin called the members' attention to the small folder containing therein a parting wish from each member of the club. With appropriate ceremony, embodying both the ridiculous and the sublime, the presentation was made as a parting gift with the hope that when Rev. Murrell gets settled in his new home at Abilene he will find time to read the statements called to mind the old guard back here in the Lions Den.

Receiving the gift the departing Lion accepted it with a great deal of pleasure and stated that he was indeed reluctant at leaving Clarendon where he had spent four of the most satisfying years of his life, a large part being contributed to his associations with and through the Lions Club.

Lion H. T. Burton introduced Miss Gillstrap, state school inspector, who was in the city making an inspection of the local schools. She declared her pleasure at being with the Lions, on other occasions having visited numerous Lions Clubs.

Lion O. C. Watson stated that the committee in charge of the location for a new place to hold the Tuesday Luncheons was ready to make its report to the club, already having made its findings known to the directors the evening before. He stated that after lengthy deliberation and minute investigation the committee decided the most convenient and logical plan would be for the club to accept the invitation of Mr. Dyer, manager of Caraway's Cafe, to be served by that place in the building just south of the cafe. Plans call for the remodeling of the interior of the building into a very attractive club room, including the construction of a door connecting the two buildings to facilitate the serving of the luncheons. The club on motion accepted the report unanimously and it was announced that the Lions would meet in its new den next Tuesday noon.

The Lions Club then heard a discussion on the question of the new north of the economic move of the city which has blighted the city into darkness. After some discussion the club went on record as opposing the move and a committee was appointed to draw up the resolutions to that effect to be presented to the city commission for its approval.

Lion H. T. Burton reported on the negotiations of the school in the attempt to bring the Miami-Clarendon football game to this city, but upon failure of any cooperation from the Miami officials it was agreed to play the game in Miami on Friday afternoon at 2:30 o'clock. All Lions were especially urged to make their plans to attend and support the Bronchos in their drive for District honors.

Adjournment was had with the singing of "America" and the Lions bid their old den farewell.

CITY MARSHAL THANKS CITIZENS FOR COOPERATION

City Marshal T. M. Pyle, has expressed his appreciation and thanks for the splendid co-operation given him and his force on Halloween night. The celebration went off without an accident of any kind and the wrankers had their fun without damaging city and personal property.

for the district honors. While the Bronchos are a splendid team the Warriors are a worthy foe and will give the Bronchos the test of the season. In Captain Rankin and Morrison the foe boasts two of the outstanding backfield performers in the entire ranks of Class "B" players, while these will be matched against Captain Nichols, Fred Reid and Snooks Andis, Clarendon's capable trio of backfield aces.

Tentative lineup for the local team include Watson and Benson, ends; Behrens and Martin, tackles; Morris and Easterling, Guards; McMahan, center; Capt. Nichols, fullback; Reid and E. Watson, halfbacks; and Andis, quarter.

Crow; Memphis—J. M. Fuller; Mobeetie—John R. Bright; Pampa—A. D. Moore; Quitoque—O. M. Addison; Shamrock—R. N. Huckabee; Turkey—J. F. Michael; Wellington—T. M. Johnson; Wellington Circuit—C. P. Carmack; Wheeler—E. D. Landreth; Allison-Briscoe—C. D. Dameron; Missionary to Japan—Sam Hilban; President, Texas Woman's College—T. W. Barham; district secretary, Christian education—R. N. Huckabee.

Friends of Rev. Murrell will be pleased to learn that he has been sent to the Abilene District where he will be Presiding Elder for the coming year. Other appointments which may be of some interest to local readers include Rev. J. T. Griswold who will have charge of the pastorate at Baird. Dr. Geo. S. Slover will return to Stamford where he will continue in the presiding eldership; Rev. J. H. Hamblen who will take the pastorate of the First Church at Sweetwater.

GOLDSTON

We had another big rain Monday night.

J. J. Goldston was out to his farm the first of the week.

We are sorry to report that Mr. and Mrs. Bill Weston's house with all of its contents was burned Saturday night. Origin of the fire was not known as they were visiting at Spearman.

We are having beautiful weather since the rain.

Mrs. Homer Gorman and children of Clarendon visited with her parents Mr. and Mrs. Steagall over the week end.

Mr. and Mrs. Leonard Goldston and children visited in Clarendon on Armistice Day.

W. L. Goldston attended Court at Clarendon Monday of this week.

The Pie Supper Friday night was well attended, some thirty dollars being realized.

Mr. and Mrs. W. C. Veazy, Mr. and Mrs. Elmore, Mr. and Mrs. Jordan and children, and Mrs. Hishon called Sunday afternoon to see Grandma Churchwell who has been confined to her bed since she fell, over three months ago.

Dick Eichelberger and Leonard Goldston attended court at Clarendon last week.

Sunday School was held at the usual hour Sunday afternoon and singing Sunday night.

WIFE OF FORMER PASTOR IS IMPROVING AFTER OPERATION SATURDAY

The many friends of Mrs. J. T. Griswold will be glad to learn that her condition has been slowly improving since undergoing a second operation Saturday night. Although Mrs. Griswold is not yet out of danger, her chances to recover are slowly increasing. The first operation was performed Friday night, and from that time until the second operation she was in a very critical condition.

If Mrs. Griswold continues to improve Rev. Griswold plans to leave about Friday for his new charge at Baird. Mrs. Griswold's daughter, Mrs. Seale of Cisco, is now at her mother's bedside, and will remain with her indefinitely. When Mrs. Griswold is able to go to her new home Mrs. Seale will accompany her on the pullman. However Rev. Griswold has no hopes of Mrs. Griswold joining him, in less than two weeks.

FORMER PASTOR TO FILL PRESBYTERIAN PULPIT

On account of the absence of the pastor Rev. R. S. McKee, the pulpit at the Presbyterian Church will be filled at the morning and vesper hours Sunday by Rev. F. T. Carlton of Canyon. Rev. Carlton will be remembered here as a former beloved pastor of the local church, and his many friends will greet him at the eleven and five o'clock hours Sunday.

O. T. Smith was in Fort Worth over the week-end where he received treatment at the hands of a specialist.

MINISTERS AND LAYMEN PRESENT GIFT TO MURRELL

As a parting remembrance after four years' service on the Clarendon District, Rev. and Mrs. W. M. Murrell were presented with a set of china dishes by the ministers and laymen in attendance at the annual conference at Vernon last week. Dr. E. E. Robinson of Memphis made the presentation at the Saturday session of the conference on behalf of the donors.
