Donley County Tax Roll Is Completed

Clarendon Joins Nation In Business Confidence Move

VALUATION FOR COUNTY LOWER

1931 VALUATIONS IN DONLEY SHOW \$340,763.00 DECREASE FROM 1930 LIST

The tax rolls of Donley County, prepared by W. A. Armstrong, county tax assessor, show total valuations for the county to be \$7,432,561.00, as against \$7,773,324.00 for the previous year, an exact decrease of \$340,763.00. The total amount of taxes is shown to be \$153,469.96, as compared with \$153,870.35 for the previous year, or \$400.39 less than in 1930. This small decrease is explained by the fact that the road tax voted in the J. A. Ranch amounted to \$2,155.80. Had this tax not been added the reduction would have been \$2,556.19 from that of last year.

Through the courtesy of Joe Bownds, in the Tax Collector's office of the county The Clarendon News is privileged to publish the summary figures printed herewith. The tax roll was delayed some little time due to the State Tax Board tardiness in setting the state rate.

In common with practically all Texas counties the rolls show a decrease in the total amount of money derived from tax collections.

WALTER WILSON HOME IS DAMAGED BY FIRE SUNDAY

Another fire proved disastrous to the Clarendon residential section Sunday morning about 4 o'clock when the home of Walter Wilson was badly damaged and the contents of the house were lost in flames growing from a gas explosion between the roof and the ceiling of the structure. According to a theory advanced by Fire Marshal Jas. Trent the explosion was a result of a faulty constructed flue. Having no outside opening the gases collected in the space between the roof and the ceiling with the explosion resulting. The family was out of town on business.

The explosion blew the flames throughout the entire house and the whole interior was burning fiercely when the fire department arrived at the scene. The fire was soon brought under control after the hose had been laid, but the damage by the flames, smoke and water was almost total to the contents. The loss was partly covered by insurance.

Mr. Walter Clifford transacted business in Pampa Tuesday.

SHERIFF PIERCE HAS NEW BOSS SINCE TUESDAY

A new inmate of the county bastille, but one with the most importance and authority, arrived Tuesday night at 9:10 o'clock in the person of Little Miss Coleta Joy Pierce. The charming little lady is the daughter of Sheriff and Mrs. Cuv S. Pierce and entered this life prepared to make her dad step about with 7 1/2 pounds of authority. Congratulations are being extended the couple upon the new arrival.

BRONCHOS WIN DIVISIONAL HONORS

REID, McMAHAN, ANDIS LEAD BRONCHOS TO 33-0 WIN OVER WELLINGTON

Led by the flying feet of Fred Reid and "Snooks" Andis and the powerful thrusts through the line by John McMahan and Elery Watson, the Clarendon Bronchos stamped through a fizzling Skyrocket attack on Powell Field at Wellington last Friday afternoon to knock the fire out of the Skyrocket title hopes with an easy 33 to 0 victory. Hopelessly outclassed, but fighting gamely to the end, the lighter and less experienced Skyrockets stayed in the ball game holding the powerful attack of the Maroon and White aggregation to two touchdowns during the first half. Williams, Cook, Glenn and Strong stood out in the Wellington squad, turning in mighty neat jobs both offensively and defensively. The win Friday assured the Bronchos of the right to uphold the honor of the western half of the division against the winner of the Shamrock-Memphis game, eastern half contenders.

The victory Friday was especially pleasing to the Broncho backers for in winning, the team showed power without the services of Captain Dick Nichols, line plunger and broken field specialist de-luxe, Pete Morris, outstanding lineman in this district, and Loyd Benson, dependable and hard fighting end. These men were the entire conflict on the sideline and saw their mates deliver in a most pleasing and surprising style. Not only did the regulars turn in splendid performances but the second and third string men turned in sparkling games playing the Skyrockets on even terms.

Wellington flied to the Bronchos who promptly fumbled and lost the ball, however they regained possession on downs and marched seventy-five yards for the first touchdown featuring runs by Andis and Reid and plunges by Watson and McMahan. McMahan went over and the extra point was blocked by the Wellington players who swarmed through the line. In the second period the Wellington line held the Bronchos with the aid of a fumble within the shadow of the goal, but the Maroon players started again and this time were not denied as McMahan plunged over the second counter. Extra point was added on a pass to Behrens who made a fine overhead catch of the oval. The half ended with the Bronchos steadily marching to the Skyrockets goal.

At the start of the second half the Bronchos were slowed down a little with the appearance of second string men, but these arose to the occasion and blocked beautifully as Andis slipped off right tackle and weaved his way through a broken field for 50 yards and the third touchdown. A pass to Behrens also netted the extra point.

Shortly after the kickoff the Bronchos scampered back up the field and Reid went on through guard for the counter with Elery Watson with a terrific drive through Watson counting the extra point center.

A counter attack by the Skyrockets almost carried the Yellow and Black across the Maroon goal. A fine 30 yard run by Capt. Williams and two pretty passes netted the Wellington team three first downs, but the score was averted when McMahan intercepted one of the enemy heaves and brought the ball out of danger before being downed after a sixty yard sprint. A penalty for clipping cost the locals a large part of the gain but after a few nice running plays Reid broke around right end giving the crowd a thrill with a beautiful exhibition of chance of peace, sidestepping and twisting for 55 yards and the final touchdown. Goal was missed. On the touchdown play the marvelous blocking of the entire team contributed in a large measure to the success of the run.

The fourth was a battle on even terms as the Broncho subs were sent in to get a taste of battle. The Bronchos registered 24 first downs to Wellington's six. Jack Merchant of Amarillo was a visitor in the home of his parents, Mr. and Mrs. Cal Merchant on Sunday.

Legion To Accept Produce For Dues

Inasmuch as the membership of the Aubyn E. Clark Post of the American Legion is composed primarily of farmers, the lack of finances on their part becomes more evident as the season progresses. With this in mind, Commander Nathan Cox has evolved the idea of accepting non-perishable products in lieu of cash for the 1932 dues which are now due. Thus far, the Aubyn E. Clark Post has exceeded all former records in membership to this date in the year. The real drive for membership opened here on October first and to this date ninety memberships have been written. The quota for the year is not known, but the Executive Board is urging that as many as possible be secured in order that the quota will be oversubscribed and the National Citation be again secured for the work done earlier in the year.

Commander Cox is especially urging that the 1931 membership be reached by November 11th, and that the celebration on that date be a sort of climax to the membership work.

Any member who cannot raise the necessary \$5.00 to pay his 1932 dues will do well to see the commander of the adjutant of the Post and determine the amount of produce required to meet the demands and thus get himself in condition to be a paid-up member for the year ahead.

RED CROSS HEAD VISITS ROTARIANS

ROTARIAN B. L. JENKINS ADDRESSES CLUB ON PRESENT DEPRESSION

The regular Friday noon program of the Clarendon Rotary Club was scheduled to be in the hands of Rotarian A. T. Cole, but business matters necessitated the shift of the program into the hands of Rotarian B. L. Jenkins. A splendid discussion of the present nation's economic distress by past president Jenkins was a high light and directed the group into new views on the crisis. Only a portion of the subject was covered in last week's address and the remaining part of the address will be given in this Friday's luncheon. The causes were enumerated by Rotarian Jenkins throwing further light onto the existing conditions.

The guest of the day was Mrs. Montgomery, field representative of the American Red Cross, who spoke before the group on the workings of the organization and the methods used in applying the Red Cross funds in the proper channels. A plea was also made to the Rotarians to support the campaign in Clarendon and Donley county to raise the county's quota for this year's relief work.

Homer Mulkey also was guest of the club and expressed his pleasure at meeting with the Rotarians. He is county chairman of the Red Cross movement and discussed further the problems facing the local chapter in securing this year's quota to the work. A delightful piano solo by Rotary Ann Rhoda Weideman completed the program and the club was adjourned until this Friday noon.

LELIA LAKE CLUB GIRL WINS HONORS AT DALLAS

Miss Bernice Self of Lelia Lake, champion club girl of Donley County who won a free trip to the State Fair of Texas, returned home with honors won in exhibits in which there were thousands of contestants. Miss Self won 2nd place on her apron and 3rd with her pillow case. Miss Buttrill agent, accompanied the fifteen contestants from district one and escorted a grand time with the fair management providing unexcelled entertainment.

BEEF CANNING CLUB PROGRAM

HOME DEMONSTRATION AGENT RELEASES SCHEDULE FOR BEEF CANNING

Miss Martha Buttrill, Donley Co. Home Demonstration Agent, is busy this week getting her plans together and worked out for an extensive series of beef canning demonstrations to be held at each of the different demonstration clubs beginning in November. This promises to be more beef canned in the county this fall than ever before in the history of the demonstration clubs.

The first schedule worked out by Miss Buttrill includes the following dates and the place of the demonstration. On Wednesday, Nov. 4th Mrs. W. P. Holley will be host to the Ashola club demonstration, Thursday, Nov. 5th, the Chamberlain club will meet with Mrs. H. M. Reid for the demonstration. Mrs. C. D. McDowell will be host to the Clarendon Demonstration Club on Friday, Nov. 6th.

The canning will be done in tin cans with the pressure cooker. Every woman whether a member of the club or not is urged to attend the demonstration. Miss Buttrill asks that the club women watch The Clarendon News for further schedules of the remaining clubs. The meetings will be all day affairs and will no doubt be very beneficial in results.

BRONCHOS TO PLAY PANTHERS TODAY

The fast stepping High School Bronchos are entertaining the Panhandle High Panthers this afternoon at the College Park in a football contest. The Panthers are considered a strong team, but plans have been announced by the coaches that the reserves will get a goodly taste of the battle. No chances are being taken of the probability of rehuring the injuries from which Capt. Nichols, Pete Morris and Loyd Benson are recovering and these stars will again be forced to view the contest from the sidelines.

CITY MARSHAL ISSUES WARNING

"FLOP" PYLE ASKS CO-OPERATION FOR SANE HALLOWEEN CELEBRATION

City Marshal T. M. Pyle has asked The News to make the following request concerning the conduct of the youngsters and grown-ups as well on Saturday evening and night, Halloween. Impressive service was held at which a host of friends filled the church in their payment of last respects to the departed friend. The floral offerings were mute testimony of the high esteem in which Mr. Powell was held by his friends and acquaintances.

OPTIMISM THEME OF LIONS MEET

CONFIDENCE WEEK OBSERVED OVER NATION BY LIONS ORGANIZATIONS

As a part of the program outlined for the Lions organizations for this year, the Clarendon Lions Club observed Business Confidence Week with a series of talks from several members of the club. The program committee had charge of the luncheon period, and was led by Tom O. C. Watson, who gave the first thoughts on the matter. He indicated that the work was to restore confidence, increase employment, increase the circulation of money and bring back the optimism and good will. In order to do that locally, a number of the members were called upon for their views of the subject.

Large Delegation At Christian Meet

Monday was a gala day at the First Christian Church of the city when the representatives from Childress, Collinsworth, Hiall, Hardeman, and Board met with local Christian church members in an all-day meeting of the Christian Evangelistic Association. A fine spirit prevailed and the large attendance proved an incentive for a meeting in which a great deal of good was accomplished.

One of the features of the meeting was the appearance of the Young People's Choir from Childress. The next meeting of the Association will be held on the 1st Monday in January in Quanah where that church will act as host.

The program carried out Monday is given herewith: Devotional—H. H. Neely, minister First Christian Church, Wellington. Sermon—"The Highway to Thessalonica,"—C. C. Morgan, minister First Christian Church, Memphis.

Supper provided by Clarendon Christian Church. Special Music—Miss Haning and Mrs. Carver. Open Forum on local church problems led by R. C. Brown, minister First Christian Church, Paducah. Business Session.

GOLDSTON WOMEN MAKE FINE CANNING RECORD

Mrs. Lena Dilli, Mrs. Radnev, Mrs. Jack Weston and Mrs. W. Weston set a fine canning mark last Thursday at Goldston when they canned 101 quarts of beef. Under the supervision of Mrs. Dilli the ladies ran four pressure cookers canning steak, roast, rolled roast, hash, hamburger meat, chili and soup. At the last report the canning was an entire success.

LOYD STALLINGS MOVES TO PAMPA

Lloyd Stallings, long-time employee of The Clarendon News is moving his family to Pampa and will go there the early part of next week to become business manager of the Worley Hospital, and McKean Clinic, where his father-in-law, Dr. H. L. Wilder is one of the principals and owners.

NEWS EDITOR STILL HAS HIS TROUSERS

The News Editor still has his pants. Some time ago a sneak thief came into the choir room at the Methodist Church one Sunday night and stole the Editor's hat. (A gift hat at that, too.) Last Friday evening down at Memphis some hoodlum jimmied the automobile door while the Clarendon delegation was outting on a program at the High school building, and stole the Editor's good, warm, everyday blue coat, along with some clothing belonging to some lady passengers.

ROTARY, B. & P. WOMEN AND C. OF C. JOIN LIONS IN OBSERVANCE

Starting this week and continuing through next week the Rotary Club, Business and Professional Women's Club and other civic organizations co-operating with the Lions Club are straining their efforts to the utmost in observing the "National Business Confidence Week." The movement is a mighty effort inaugurated by Lions International through its individual units to begin a renewal of business confidence throughout these United States and in the whole world. Mayor W. P. Cagle has issued a proclamation, which is found in another part of The News, urging the united effort of all the citizens of Clarendon to enter into the spirit and do their part in bringing about a complete and quick restoration of the business confidence which is so sadly lacking during the present economic crisis.

Realizing that the business depression has reached its lowest point and is without a doubt struggling to regain its lost standing, the Lions with the co-operation of the other civic organizations have banded together with the idea in view of starting the confidence of the people also on the upward trail with a concerted drive during the time outlined above.

FORMER CITIZEN LAID TO REST

HOMER POWELL OF AMARILLO BURIED HERE MONDAY AFTERNOON

While it was known that his condition was critical the news of the passing of E. Homer Powell, former Clarendon citizen, to his home in Amarillo early Saturday morning following a brief illness occasioned by heart disease, was a shock to the many acquaintances and friends of the deceased. At the time of his death, Mr. Powell was president and manager of the P. and P. Garage, Inc. He came to Amarillo in 1924 from Canyon where he had served as vice president and cashier of the First National Bank for several years. In Amarillo he was vice-president and cashier of the National Bank of Commerce for two years before he became manager of the Rule Building Garage upon its opening in 1926. At that time he became identified with the retail automobile business in Amarillo. Preceding his residence in Canyon, Mr. Powell was cashier of the First National Bank of this city for nine years.

He was a native of Holland, Texas, and resided at Bartlett, Texas until 1905, when he moved to Clarendon. He has been a resident of the Panhandle since that time. Mr. Powell received his early education in the Bartlett schools, and later attended Southwestern University, Georgetown, Texas, Texas A. and M. College, and a college at Daughessville, N. Y. He married Miss Elizabeth Clayton of Kingwood, W. Va., in 1912.

Mr. Powell was well known in Masonic and civic circles. He was a member of the Kluksa Shrine, Knights of Pythias, I. O. O. F., and the Amarillo Kiwanis Club. His church affiliation was the Methodist Episcopal, South. The funeral services were held at the First Methodist Church at 2:30 o'clock Monday afternoon with Rev. E. B. Bowen, pastor, conducting the last rites. A very impressive service was held at which a host of friends filled the church in their payment of last respects to the departed friend. The floral offerings were mute testimony of the high esteem in which Mr. Powell was held by his friends and acquaintances.

Mr. Powell is survived by his wife, an 18-year-old son, Homer Clayton, his mother, Mrs. F. Whitton Powell, Houston; four brothers, C. C. Powell of this city; W. P. Powell of Grand Junction, Colo.; Joe Y. and R. E. Powell, both of Houston; and two sisters, Mrs. W. B. McSpadden, Greenville, Tenn., and Mrs. J. R. Porter of this city.

Active pall bearers were James Trent, W. W. Taylor, W. H. Patrick, T. F. Connally, John H. Clark and John Blocker, all of Clarendon. Honorary pall bearers were T. E. Durham, Joe W. Kemble, William O'Brien, J. N. Riggs, Lloyd Fletcher, C. B. Reeder, O. D. Armstrong, George McNeil, Tom W. Woodward, J. P. Jones, H. V. Knupp and E. B. Howe of Amarillo, and Joe Gamble, Oscar Hunt and W. B. Black of Canyon.

TO BE OBSERVED BY LOCAL FOLK

ROTARY, B. & P. WOMEN AND C. OF C. JOIN LIONS IN OBSERVANCE

Starting this week and continuing through next week the Rotary Club, Business and Professional Women's Club and other civic organizations co-operating with the Lions Club are straining their efforts to the utmost in observing the "National Business Confidence Week." To place the movement before the citizens of the city and county slogan stickers will be distributed by the Clarendon Chamber of Commerce for distribution. These will be placed on cars and in conspicuous places over the city. The movement is launched at this time to bring to the focus of public attention the need for confidence in American business institutions and for the need of active steps in relieving unemployment.

Walter S. Gifford, director of the President's Organization on Unemployment Relief states that observance of Business Confidence Week as planned, will render substantial aid to unemployment. Unemployment is to be dealt with by each local community and through the cooperation of all local forces such as service clubs, commercial, social, and religious agencies working in a united local effort.

THE GHOST HOUSE WILL BE PRESENTED TWO NIGHTS

All the amusing and spooky situations which naturally arise when the Halloween season of the year arrives will be enacted this evening and tomorrow evening at the College Auditorium when "The Ghost House" is presented under the auspices of the Ladies Aid Society of the Christian Church. "The Ghost House" is one of the most pleasing mystery productions ever to be shown to a Clarendon audience and the excellence of its cast of characters insures the local folk an evening of laughs, shudders, and gasps before the final curtain clears the terrible plot.

A GOOD TONIC FOR THE NATION

Al Capone's sentence of eleven years in federal prison and a fine of fifty thousand dollars with the cost of another hundred thousand dollars is one of the finest tonics along the lines of respect for law the nation has witnessed in many years.

It proves that no man can be rich enough nor powerful enough to flout the laws of the land. It proves that if local laws can be evaded, there is teeth in federal statutes and the penalty is certain.

WILL OPPOSE ANY "WET" CANDIDATE

W. C. T. U. members have announced after convention that they will oppose any "wet" candidate for the presidency on any ticket.

Here in the South there will be no falling back from the position maintained successfully in 1928. If the Democratic ticket is headed by a "wet", then the South will go largely into the Republican column—if their candidate is "dry". And the men will not let the women fight the battle alone, either.

HEDLEY SETS DOMESTIC GAS RATE

Hedley users of natural gas will enjoy a fifty-cent rate for domestic use if the city ordinance passed last week as approved by the Texas League of Municipalities, stands up.

Since the same concern owns the Hedley system as owns Clarendon's, we shall soon see which town gets lower rates first and permanently. Clarendon has asked for a lower rate and has been promised it if a lower wholesale rate can be secured from the pipeline carrier.

Local gas users will watch the development and effect of these two methods of attaining the same end with much interest.

STERLING VETOES THE BROOKS BILL

Some weeks ago it was said that if Governor Sterling vetoed the Brooks bill, which set aside one-cent of the gasoline tax for retiring county road bonds, it would be made an issue by some candidate who would oppose him for reelection on that issue.

Governor Sterling has vetoed the bill, but somehow there seems to be a reluctance on the part of Clint Small in this section and many others in South and East Texas to take up the gauge of battle.

Fact is, Governor Sterling has pursued the proper course and his reasoning that there could be no immediate relief to the counties involved, while at the same time it would throw hundreds of men out of road work employment just at the time the state can ill afford it, and generally cripple the road building program in Texas, is so logical that it doesn't take a smart man to see it.

There is no basis for relief of East Texas counties until West Texas gets her roads built, then we will all look for relief together—and the state bond issue is the only business-like way to handle the proposition anyway.

CALICHE AND ASPHALT ROADS PREFERABLE IN WEST TEXAS

While it is generally conceded that concrete highways are most suitable for the black-land belt of Texas, there has been growing up a sentiment that caliche and asphalt construction is preferable for West Texas on account of its economy and because in our soils it can be built and maintained at less cost with huge supplies of caliche generally present.

Lubbock County has recently selected caliche and asphalt paving in their new program at a saving of ten thousand dollars per mile over the concrete construction costs. Caliche paving with asphalt top is said to cost \$9,117.86 per mile while the cost of concrete per mile is \$19,648.20. The specified paving was 22 feet wide, one and one half inch asphalt topping and 20 feet wide with a nine inch compact caliche base.

"The state has constructed many miles of caliche type of paving in the last few years," stated Guy R. Johnson of Lubbock, state engineer, "and it has proved highly satisfactory both from maintenance costs and riding qualities. This type of pavement has an additional advantage at this time in that the greater part of its cost is for labor, whereas the larger percentage of the other types is railroad transportation."

Announcement of Chairman Ely of the state highway department that this type paving is now satisfactory to the department in West Texas brings new hope to our people, and already many counties are planning to make immediate plans for the work.

Here in Donley county the average haul of caliche is less than three miles all over the county, and if the citizens want to buy a bargain, it will be possible for them to vote a bond issue of two hundred thousand dollars and see from five to six hundred thousand dollars spent locally for a fine system of highways, with near seventy percent of it left with home folks for labor.

It is a real opportunity to make 1932 a good business year for all our people. Employment, good business and good highways, for a very, very small road tax.

Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the fifth of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas Industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

STORY No. 5

Special To The Clarendon News

Over one-half of the manufactured products of this country today come from six states. The Gulf South-west which includes Texas, produces 7.98 of the manufactured values, with 16.6 of the population yet New England produces 9.15 with only 6.7 per cent of the population.

Here in Texas is coal, oil, gas, lignite, and power, and long light working days which enter into the unit cost, intelligent labor, adequate transportation, and a potential buying population of six million people, and raw material in quantities and variety offered by no other state.

What was the problem? Noth-

ing in the world but that our own people refused to patronize our own industries. The merchants are not the bottle neck. He will put in stock what people ask for and glad to do it. That's business. It simply means we have to show our citizenship as a whole the advantage of retaining the difference between our raw material and the cost for the finished product that has formerly gone to other communities.

This gives those who have the desire to work, the opportunity to earn. When you relieve unemployment you decrease the need for charity. When the farmers receive a profit for their product, the buying power reflects through every channel of commerce.

We have all the God-given resources—fuel, raw material, and those who need employment. We have six million people who buy. Buying our own products would bring a distribution of wealth to all of our people.

When are we going to wake up? (Copyright, 1931, Southland Life Insurance Co.)

HOT SHOTS HERE AND THERE WITH THE EDITOR'S CLIPPERS

Sam: "Why did you tip that girl so much when she gave you your coat?"

Henry: "Look at the coat she gave me."

A man touring Europe sent back a picture post card bearing this message: "Dear Daughter: "On the other side you will see a picture of the rock from which the Spartans used to throw their defective children. Wish you were here."

Columbus certainly was some prophet. Why? When he discovered America he shouted: "I see dry land."

Angler: "What do you think of these beauties?"

Wife: "You needn't try to deceive me; Mrs. Smith saw you in the fishmonger's."

Angler: "I know she did. I caught so many I simply had to sell some."

"Madam," said the hungry tramp, "could you give a fellow a helping hand whose occupation is completely gone?"

"What was your occupation, my good man?" inquired the kindly housewife.

"I used to ston on lighted cigars and smouldering cigarettes so they wouldn't set ladies' skirts on fire."

Girl—Of course, it must be de-

finitely understood that I could not marry a man who plays cards, drinks, smokes, stays out late or spends a lot of his time at the club. All the same, I should like him to enjoy himself.

Man (in love)—Oh, yes, but where? I've rung this doorbell for hours and my girl won't answer. Make a noise like an ice man.

If there were four flies on a table and I killed one, how many would be left? inquired the teacher.

One, answered the bright little girl. The dead one.

By the Kearney Confidant

WE had a good time with FRED BUNTIN and HOMER MULKEY going to the Welling-Broncho game last Friday—the manager of the PASTIME returned from Dallas with a fine line of "Vars" —there's lots of interest in the Pampa-Lubbock football game at Pampa Saturday —Miss BUTTRILL is busy getting her beef canning demonstrations arranged—a lot can be accomplished if we will get behind the BUSINESS CONFIDENCE movement—RUTH PRICE of

Amarillo dropped in for a few minutes Monday—SHE is one of the most popular co-eds in Amarillo Junior College, being pep squad leader and has just pledged a leading sorority—JOE BOWNDS is the most obliging fellow we know of—DUDE GENTRY is turned philosopher, confidence is "IT" with him—TOM CONNALLY looks embarrassed when fanning his ball on the tee—everybody else does too—a lot of football fans ask the CON-FIDANT'S advice on how to wager on the football games and then as soon as we offer our expert advice they rush off to bet the OTHER way—it's darn nice of KERBOW'S and DOUGLAS & GOLDSTON to let the gang listen to the games every Saturday afternoon—STOCKING and HUT-TON don't think so much of Harvard's band—MAURICE BRAY, formerly of Clarendon is a member of SMU'S Mustangs—we hope ANDY REAVIS will send us more copies of the Southern Methodist University campus newspaper.

ASHTOLA SCHOOL NEWS

The Ashtola School opened Monday on a new schedule. A plan has been worked out to try to remedy the cotton picking situation. The school takes up at 8:00 o'clock and runs without an intermission until 1:20 o'clock. School is let entirely on Fridays. It is hoped that by this plan most of the patrons will be able to gather their cotton and not deprive their children of educational advantages. Time lost on Fridays this month will be made up next month by teaching on Saturdays.

Mr. and Mrs. Jack Goldston Honored

On Saturday evening Miss Margaret Goldston entertained at her home in honor of Mr. and Mrs. Jack Goldston of Pampa.

Vases, bowls, and baskets filled with beautiful garden flowers were used in every place of vantage about the entertaining room where progressive games were played until a late hour when a delectious salad course was served.

During the course of the evening Miss Mary Stallings rendered a beautiful piano solo and Mrs. W. C. Stewart gave a humorous reading.

Each guest received a dainty favor from the hand of Miss Goldston.

Participating in this affair were:

Mr. and Mrs. Jack Goldston of Pampa, Mr. and Mrs. W. C. Stewart, Mr. and Mrs. Ralph Andis, Mr. and Mrs. O. L. Beach, Mr. and Mrs. Bill Bromley, Mr. and Mrs. Joe Goldston, Mr. and Mrs. F. L. Goldston and Miss Mary Stallings.

Miss Moores Entertains Contract Bridge

A pretty party was that given by Miss Anna Moores on Wednesday afternoon for members of the Contract Bridge Club at the home of Mr. and Mrs. J. D. Swift, which was tastefully decorated with brilliant hued flowers carrying all the rich autumnal shades, creating a wealth of warm tones.

A Halloween motif was carried out in tallies and the tea-table which was resplendent in a Sentian lace cloth, tall, yellow lighted, tapers, cut flowers and other appointments in yellow and black. The two-course luncheon also embodied the yellow and black color scheme.

Mrs. Charles Trent played high and received a lovely favor.

Present were: Mrs. Charles Trent, Mrs. T. H. Ellis, Miss Mary Cooke, Mrs. Earl Alexander, Mrs. Kelly Chamberlain, Mrs. Manley Ozier, Mrs. Ed Teer and Miss Lorraine Patrick.

Mrs. Sam Braswell Jr., Entertains

One of the most delightful hospitalities of the week was that given by Mrs. Sam Braswell, Jr., at her home on Tuesday afternoon.

The rooms were filled with flowers making a charming setting for the guests who enjoyed games of bridge until late afternoon when they scores disclosed Mrs. Meade Halle as high and Lillian Murphy as second high.

The approaching Halloween season was the inspiration for a color scheme of gold and black which was reflected in the score cards and two course afternoon lunch.

Seated for the games were:

Miss Lillian Murphy, Julia Mae Caraway, Josephine Murphy, Edna Butler, Edna Montgomery, Lorraine Benson, Elgin Patrick, Welfa Alexander, Lois Alexander, Nadine Halle, Maurine Wood, Nell Butler and Esther Morrison. Mesdames Meade Halle, Tom Murphy, and Joe Bounds.

Friendship Club Notes

Mrs. S. Ballew was the gracious hostess to members of the Friendship Club, at her home, Tuesday afternoon.

With fancy needle work and pleasant conversation the ladies spent a most pleasant afternoon, the fitting climax being a surprise miscellaneous shower for Mrs. Skinner. This shower was in appreciation of the services and excellent manner in which Mrs. Skinner has directed the activities of the club during her terms as president.

A lovely salad course was served at the close of the afternoon's entertainment.

Present for this meeting were: Mesdames J. L. Allison, J. H. Morris, J. A. Meadors, M. E. Thornton, Eva Womack, J. E. Mongole, J. A. Tombs, M. T. Crabtree, Silas Hayter, J. W. Rowland, C. E. Skinner, G. J. Teal, H. Tyree, and Miss Katie Meadors, club members.

Mrs. Henry Rundell, and Mrs. T. M. Pyle, invited guests.

MacDowell Club Notes

As has been previously announced the MacDowell Club assisted the Harmony Club of Memphis with an evening of music in Memphis on last Friday evening.

This was a miscellaneous program made up of choruses, solos, dances and the Carl Venth Trio of the MacDowell Club, and proved very pleasing.

The party gathered at the home of Mrs. Green on arrival and from there went to the High School auditorium where they made their appearance. At the conclusion of the program the MacDowell Club members were tended a lovely reception at the home of Mrs. Tarver.

Members of the MacDowell Club are very grateful to the Harmony Club for their hospitality and thoughtfulness during their short stay and trust it will be our privilege to reciprocate sometime in the near future.

Young Matrons' Harmony Class

The monthly social and business meeting of the Young Matrons Harmony Class of the Methodist church was held in the hospitable home of Mrs. Jim Haile with Mrs. W. A. Clark Jr., as assistant hostess, on Tuesday afternoon.

In rooms laden with lovely garden flowers games of "42" were enjoyed at the conclusion of the business session.

A dainty refreshment course was served to: Mesdames Ben Andis, Carl Bennett, Jr., H. L. McElvane, O. C. Watson, C. W. Galloway, Harrison Simpson, E. P. Shelton, Tom Goldston, Walter Hutchens and Lillian Brady.

Billy and Catherine May Entertain

Last evening was a happy event in the lives of Billy and Catherine May and their little guests as they mingled with the spooks and witches in a Halloween party given by their mother, Mrs. C. C. May, at her home, assisted by Miss Elsie Cooper.

The little guests arrived at 7:30 and were escorted to the lawn where they were entertained with a number of Halloween refreshments consisting of Orange and Black cake and ice cream.

The season's motif was used effectively in the charming orange and black decorations of the room. Chrysanthemums and snapdragons filled the vase in the center of the table which was also surrounded with lighted candles. Small orange baskets with orange and black jelly beans provided favors for those present. A large jack-o-lantern threw an orange and black light over the group to add further to the spooky surroundings.

Those present were: Minnie Belle, Lavaine and Lorraine Spurmont; Pauline, Acta Dee and Capitela Sullivan, Mable Johnson, Jonnie Lorene Johnson, Leon Hatley, Dewey May and Dorothy Cooper, and little host and hostess.

Episcopal Auxiliary

The Episcopal Auxiliary met in the home of Mrs. L. S. Bagby for their regular weekly Bible study. Mrs. Ben Chamberlain leading.

During the business session the outline for the year's study was presented and approved. Every member of the Auxiliary was present.

Woman's Missionary Auxiliary

In the parlors of the Methodist church Wednesday afternoon members of the Woman's Missionary Auxiliary held their Monthly business session with the president presiding at which time it was announced that circles two and three would entertain the ladies of the church at the home of Mrs. J. B. Baird on next Wednesday afternoon at 3:00 o'clock.

W. M. U. Notes

Members of the W. M. U. Baptist Church met in the various circles Monday afternoon as follows:

East Circle at the church with six present. South Circle with Mrs. B. N. Shepherd with seven present. West Circle in the home of Mrs. Len Wood with nine present. Rex Ray Circle with Mrs. Bill Bromley with sixteen present.

On next Monday the society will have a business meeting at the church at 3:30 o'clock. All members urged to be present.

P. T. A. To Hold Rummage Sale

The Sims P. T. A. will hold a rummage sale next Saturday in the C. L. Benson building. Those who have clothing they desire to donate please call Mrs. U. J. Boston or Mrs. John M. Bass who will call for them.

Miss Mary Cooke Wins Prize

The Amarillo News of last Thursday announced the winners of a contest held by the Panhandle Pen Woman's Association which was held in Amarillo during that week and friends of Miss Mary Cooke will be pleased to know that she won second place in the short story contest. This is not the first time for Miss Cooke to win honors for out of the four contestants entered she has one first place and two second places.

Holley—Randel

Miss Beatrice Randel, daughter of Mr. and Mrs. D. F. Randel of Ashtola, became the bride of Mr. Earl Holley with a quiet but impressive ceremony Sunday afternoon at four o'clock at the home of the brides parents. The nuptial ceremony was read by Reverend G. H. Gattis of Clarendon. Only members of the immediate families were present.

The bride is a graduate of the Ashtola High School.

The groom is the son of Mr. and Mrs. W. P. Holley of Ashtola. He is a graduate of Clarendon High School and attended John Tevleton College at Stephenville.

The bride and groom are socially prominent among the younger set of Ashtola and have a host of friends who wish them every happiness.

Mr. and Mrs. Holley will be at home to their friends at their home on the W. P. Holley farm south of Ashtola.

A Correction

In the society columns of The News of the issue of October 22nd, there appeared an account of a party given honoring Mrs. W. R. Silvey of Dallas. The hostess for this event appeared in The News in error and we hasten to make the correction here. Mrs. J. T. Sims was the hostess, with Mrs. W. B. Sims as one of the guests, along with a number of the close friends of Mrs. Silvey in attendance. The error was called to the attention of The News by Mrs. W. B. Sims, who did not care to have the credit for the party even though she was one of the personnel who enjoyed the afternoon's entertainment.

Kill Kare Kneedle Klub

In rooms fragrant with Marigolds, chrysanthemums, pinks, mock poinsettias and other garden flowers, members of the Kill Kare Kneedle Klub gathered in the home of Mrs. Van Kennedy for an enjoyable afternoon of needlework and conversation.

After the serving of a delicious refreshment course Miss Dorothy Ann Kennedy presented Mrs. Eugene Nolan, retiring president, with a gorgeous bouquet of dahlias and silver kins. This bouquet was a courtesy from the Kill Kare Kneedle Klub in appreciation of her guidance of their activities during the past year, she being succeeded by Mrs. W. A. Mesdale.

Present were: Mesdames W. C. Stewart, Bill Green, Sam Lowe, Leek Goldston, Ben Hill, Eugene Nolan, Joe Fowler, Buel Sanford.

Geo. McCleskey, M. L. Stricklin, Eva Draffen, and W. A. Massie, club members.

Mrs. Hubert Fitzgerald and John M. Bass, invited guests.

Pathfinder Club Has Book Review

The Pathfinder Club, with Mrs. J. W. Evans and Mrs. Joe Cluck as hostesses, had an interesting book review on Friday, at the club room which had been made attractive by the use of cut flowers and potted plants.

Members answered roll call with "best novel read during summer" The leader, Mrs. G. F. Keener, gave interesting facts of the life of the author, Grace Zaring Stone. Mrs. Fred Rathjen bearing in mind the quotation "In the pages of good books lies the magic to inspire our dreams and the power to make those dreams come true" gave a splendid review of the book "The Bitter Tea of Captain Yess." A general discussion on the unusual and destructive qualities of the book followed.

During the social hour lovely refreshments were served.

Mr. and Mrs. A. A. Mayes Entertains

Mr. and Mrs. A. A. Mayes entertained members of the "42 club" at their home on Thursday evening.

YES, There's Cheaper Flour

BUT, would you eat ordinary biscuits for a week just to save 1¢?

You wouldn't if you knew how light and fluffy--how deliciously good and wholesome--biscuits really can be when made with this better flour!

The trivial extra cost, compared with ordinary flour--not more than 1¢ a week for the usual family--is also your assurance of finer pie crust and pastries.

You'll understand why when you feel this brand's smooth, even texture--when you note its consistent quality--when you try it yourself!

Bible Night At The Methodist Church

A unique and interesting service was had at the Methodist Church last Sunday evening when the congregation had been asked to bring their oldest and most prized Bibles for "Bible Night."

Rev. E. B. Bowen had various members of the congregation stand and tell of the age, history and interest of the treasured Bibles they had brought, preceding the sermon, which was based on the Book, the Word of God.

A committee composed of Messrs. Tom F. Connally, Paul Shelton and Homer McElvany examined the Bibles laid on the table for inspection and Mr. Connally made his report.

It was found that Rev. L. A. Reavis had brought the largest Bible, an old style family Bible, in splendid condition and with the family history noted therein.

Mrs. J. H. Hurn had brought the smallest Bible, old and worn, but treasured as a keepsake account of its family and personal connections.

One of the most interesting Bibles presented was that one owned by Mrs. C. T. McClenny, which was found to be the oldest present, having been printed in 1800.

T. H. Peebles had sent in his family Bible, handed down to him from his grandfather and printed in the year 1883. This Bible showed its long years' use, and is regarded as the most historic Bible present. Mrs. H. L. Brady's Bible was left her by her mother who read it daily to her grandmother who could not read, but who was thus able to quote more scripture than any other person in the community.

Another very ancient Bible was brought forward by L. F. Bones, printed in Edinburgh, Scotland in 1902 and handed down in the family since that time.

As an impressive closing to the service Mrs. O. T. Smith sang, "My Mother's Bible."

Mr. and Mrs. A. M. Taylor and Mrs. W. Taylor were business visitors in Amarillo Wednesday.

Rev. Quattlebaum of Ralls arrived Sunday afternoon for a visit with his father, Mr. J. O. Quattlebaum, and other relatives.

Mrs. C. G. Stricklin and Mrs. Charles Trent attended the bed side of Miss Mae Bennett in Amarillo on Sunday.

Mrs. Wm. Patman attended the bed side of Mrs. Ritter in Amarillo Sunday.

Hon. J. R. Porter and C. C. Powell made a business trip to Amarillo Wednesday.

Rolle Brumley who underwent a tonsil operation at the Adair Hospital last week is recuperating nicely.

Mr. and Mrs. C. E. Griggs, Mrs. L. E. Swearingen and Mrs. W. M. Patman were Amarillo visitors last Sunday.

Mrs. Eula Cox and Mrs. O. T. Smith motored to Amarillo on Thursday where Mrs. Cox received medical attention.

Donald Ballew returned here Monday from spending the week end with friends and relatives in Hereford and Fronia.

Mr. and Mrs. Walter Clifford attended the funeral of Mr. Jeff Jackson which was held in Canyon Sunday morning.

Mrs. H. W. Taylor, Mrs. Homer Taylor, Mr. and Mrs. August Taylor and Mrs. Phil Engle motored to Amarillo on Wednesday.

Mr. Clarence Whitlock and Mrs. Roy Ingram visited in Amarillo with Mrs. Otis Barnes, father of Mrs. Whitlock, on Saturday.

Mr. and Mrs. Otto Foster of Cleburne arrived Monday for a week's visit in the home of their daughter, Mrs. Frank Stocking and Mr. Stocking.

Mrs. W. A. Massie joined Mrs. Walker Knapp and Mrs. Slay of Groom for a visit with her school-friend, Mrs. H. A. Waller of Amarillo on Saturday.

Little Miss Dora Margaret Fraser of Groom is spending the week with her aunt, Mrs. Tom Goldston while her mother attends the Grand Chapter Meet.

Mrs. J. B. Baird, Mrs. Wm. Gray, Ernest Pena, Dr. Harter, Ira Merchant and Dr. and Mrs. C. G. Stricklin were among those who attended the bed side of Miss Mae Bennett on Thursday.

Little Miss Aileen Beville of Amarillo spent from Friday until Tuesday with her grandmother, Mrs. Baird, while her parents, Mr. and Mrs. A. M. Beville, Jr., visited in Dallas.

Mrs. Wm. Gray and Mrs. Eunice Buntin are attending Grand Chapter of the Eastern Star Lodge this week. Mrs. Gray will visit in both Houston and San Antonio before returning.

Mrs. T. L. Kimbriel, Mrs. T. M. Couch, Mrs. Cap Lane, and Rev. and Mrs. B. N. Shepherd attended the Conference held by the Baptists in Amarillo last week. They report a most inspirational message was brought by Dr. T. T. Tritt and plans formulated for the every member canvass of this district.

Friends of Miss Mae Bennett will be delighted to learn of her continued improvement. Mrs. Bennett and Mrs. P. L. Chamberlain having returned to their homes on Wednesday.

Miss Mildred Martin left Saturday morning for Amarillo where she joined a party of friends,

composed of Mrs. Phoebe K. Warner, Miss Kerrick Warner of Claude and Mrs. Lillie Belle McClure of Amarillo, and together they visited Carlsbad Caverns and other points in New Mexico where Mrs. Warner attended boards meetings. Miss Mildred returned to her home on Wednesday.

Mrs. Ritter who has been seriously ill for some time is reported as being much improved. Mrs. Ritter will be remembered as Miss Bess Adams of Lelia Lake.

OVERCONFIDENCE 25
It happens everyday and could happen again—see that it DON'T.

The Bronchos played a whole of a good game against the Wellington Skyrocks last Friday. Of course the Maroon players were doped to defeat the Collingsworth team but the ease with which the locals went about running up the score was encouraging. They are clicking better every game, but then they must develop into even a smoother running unit before there is much hope for a win over the raging Cyclones from down Memphis way. True the early season form of the Cyclone was terrible, but have you noticed how the Yellow and Black have clicked in the past few weeks? They have shown a complete reversal of form and have knocked off the Esteline Cubs with a devastating 79 to 6 victory. Then they routed the unsuspecting wise old bunch of Owls from Hedley with a score of 71 to 0. Now look at it this way. Wellington beat Hedley only 18 to 0 and failed to score until the last few minutes of the game—Clarendon beat Wellington 33 to 0, and then Memphis turns in her 71 to 0 win over Hedley. Figure it out yourself the Cyclone at the present time isn't the same gentle breeze it was at the first of the season. They are going to be plenty hard to handle and every Broncho is going to have to start now in getting himself in the right frame of mind and the proper physical condition before the Memphis Cyclone is going home without a lot of Broncho meat. Reports from the neighboring city have it that the Clarendon game is all the whirlwinds have been practicing for since the first of the season and all the range of sun and moon at the neighboring city is anything but true facts of the case. The Cyclones are gathering momentum each day and are preparing to descend with all its terrifying wrath on the afternoon of the Memphis-Clarendon game.

The work of the youngsters in the game last week was a fine indication of the splendid teams the Bronchos will have in the coming years. Elery Watson, T. J. Mann, Alex Cooke, J. R. Cox, Kenneth Brown, Johnny Bloeker, Homer Etlack, Jackson, O'Neil, Geo. McClesky, all turned in a good account of themselves under fire and assured the coaches that they are capable of taking care of any situation which might arise. It was amusing to watch Nichols, Morris and Benson impatiently bouncing around on the side line while their places were being so ably filled by the younger players. In fact so well were they being filled that the trio had to watch the entire game from beyond the white stripe bordering the playing field.

Then there was Martin, Watson, Easterling, Watters, Green, Behrens in the forward wall

3 RULES
big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a thorough cleaning-out, and it won't leave your insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with your system rid of all that poisonous waste matter.

Dr. W. B. CALDWELL'S
SYRUP PEPSIN
A Doctor's Family Laxative

and McMahan, Andis and Reid all doing their jobs in a most satisfactory manner. It is fairly certain that the Bronchos will be met with plenty of air attacks in the remaining games of the schedule. So far their pass defense has been very spotted, and on no less than four occasions this means of attack have all but meant touchdowns for the opposition. Several times in the last game numerous tosses were grabbed for substantial gains while futile attempts were made to stop the overhead bombardment.

Now I ask you—was it nice for Olin Hinkle to come out in the Pampa News the other day and confidentially ask me "Who was the Pampa-Amarillo football game?" Yes I was reliably informed that the Harvesters came to after the game on the long end of a 13 to 6 score, and I happened to be sitting on the east side of the field when the Sandies crumpled

and watched Martindale and Kahl show their cleats to the enemy and the 12,000 spectators. You will remember that is something they couldn't do against the Bronchos.

Anyway Olin I understand there is to be another game of football to be played in your vicinity in the immediate future and it then I am banking on being able to return your query as to the result of the said contest. You have a fine veteran in the Harvesters and I believe all are proud of their splendid record but they say the Westerners are pioneering new fields of conquest this year and I still am of the opinion that the rosepetal covered pathway to the title will be changed in a few short hours into a rocky road beset with many thorns.

Anyway Olin, I'll be there Saturday with bells on and will say there are many more Clarendon football fans who'll be there too. Please acknowledge my appreciation to Joe M. Smith for the tickets. Awevoir.

It was SPORTS SLANTS privilege and pleasure to meet Budge Tark of the Wellington Leader on Friday afternoon when the Bronchos welcomed the Skyrocks. Budge is a fine fellow and a capable chap. He was loud in his praise of the Clarendon team and predicted they should go far this season. He also said the Wellington fans were disappointed that they were given no opportunity to see this Nickels boy play. Budge says to look out for next year's Skyrocket team, and we think he's right. Only three or four will be left this season and those Wellington fans never know when to stop fighting. This is most of the players' first season and that are mighty good for a next season preparation. Come over to Clarendon when the Bronchos smacked Memphis and let me meet at the

game—bring you boss, Deck, too it he's not too busy.

An effort is being made by local authorities to have the Memphis game played here on November 11. No better date could be arranged and we are 100 percent for having the date set for this time. A much larger crowd would be the result of such a move and such would mean a much larger "gate". It is understood that Memphis is reneging on the grounds that they play Childress on the 6th and another game on the 11th would prove so much of a lead. In 1926 the Bronchos played three games within 8 days and then won the championship so we don't believe two days would make such difference in the condition of a team. The game played on Armistice Day would allow many to attend the game who otherwise could not possibly come on another day. Let's play it the 11th.

Did you know that the Bronchos have not been scored upon by a class "B" team this year? Such is the case and everybody should do their part in seeing that this record is kept intact as long as possible.

The Bronchos, by virtue of their game today instead of tomorrow, will attend the Memphis-Shamrock game at Memphis to-

morrow. One of these teams will be met by the Bronchos in the divisional play-off and a line on the strength will be secured in the game. The locals were well recanted at Wellington with the entire Cyclone squad on the sideline rooting for Wellington.

PAMPA HARVESTERS PLAY LUBBOCK THIS SATURDAY

What is expected to be even more outstanding in color and in importance than the recent Pampa-Amarillo game is the Harvester-Lubbock Westerner gridiron conflict to be staged at the spacious Harvester Stadium this Saturday. The Harvesters are working for this important clash in high spirits with the realization that with a win over the powerful Lubbock crew the District championship will become a reality. However the Westerners have been sailing along smoothly, saying little, and pointing to the Pampa game. They have a wonderful eleven say those who have seen the team in action, and very little lies to justify a prediction as to who the winner might be. A large crowd of Clarendon fans are planning to attend the game and furnish their numbers to the enormous crowd of over 10,000 people who are expected to witness the great grid battle for the championship. Mail orders for reserved seats

when accompanied by the admission price of \$1.00 each, will be filled in order in which they are received. Address Joe M. Smith, Box 905, Pampa, Texas.

COLLEGE BASKETBALL TEAM TO GOODNIGHT SATURDAY

The newly organized college basketball team will open their 1931-32 campaign this Saturday night when they journey to Goodnight where they will dedicate the new \$50,000 gymnasium against the crack Goodnight High quintet. Those playing on the team are

O. C. Watson, Jr. Elbert Bowen, Lee McKinney, Roy Stargel, James Smith and Benton Smith, with other players joining the club in the near future. A fine game is assured the lovers of the maple court contest and other games will be matched here and away from home at regular intervals.

Mrs. Sam Lowe and son, Billy, were in Amarillo on Saturday.

Mrs. Bill Green and son, Paul, attended the football game in Amarillo on Saturday.

Plenty In Donley County

Yes, there's plenty of garden and farm produce in Donley County right now, but unless there is a general effort to can and preserve the surplus the days of plenty may not last long.

You will be doing your family a service by filling up your shelves with canned produce from your own farm and garden. It's good business. Good for you, good for Donley County, good for all of us.

Twelve Reasons Why Home-Town Folks Should Trade With The Home-Town Merchant

1. If a city is worth living in its worth trading in. Money spent away from home never returns to make your home town prosperous.
 2. Trade at home. Money spent away from home does not pay our home laborer or teachers salaries, or repairs on the school buildings. Taxes have to be increased to make up this loss.
 3. Are you helping your home town? The wealth of its citizens is the capital of a city. Its prosperity depends upon its business. Trading at home is good business.
 4. The business men and merchants are counted upon to keep the town in a progressive condition. Help them by trading with them. A town cannot be better or bigger than its business and professional interests.
 5. It's the solid worth of home-spent money and good words that will make our city bigger and better in every way.
 6. Your children will not live in a "dead" town. Home spent money keeps the town growing and the children from moving away.
 7. It is the money spent in your town that gives your property greater value and protects it.
 8. Your town depends upon the money spent in it by its citizens for its growth and prosperity. For a prosperous city—trade at home.
 9. Who wants to live in a "dead" town? The merchant and professional men are the life of your city. Trade with them and help keep the town alive.
 10. The size of your taxation depends on the wealth of your community. Increase this wealth and reduce taxation by trading at home.
 11. You like to live in a prosperous town. Prosperity, like charity, begins at home. Every dollar spent out of town is a check on your town's prosperity. Trade at home.
 12. Dollars spent at home return to the spender in the form of better police protection, better fire protection, better schools and better churches.

Bronchos Win Right to Meet Memphis Cyclones By Win Over Wellington

The Bronchos defeated the Wellington Skyrockets to the score of 33 to 0 last Friday. This victory makes the Bronchos the Champions of this section of the district. The Bronchos had the Skyrockets out pointed in every phase of the game.

The Bronchos displayed an interference such as is seldom seen in high school football. It is difficult to say who played the best for the Bronchos. But we can safely say that Reid, Watson, Behrens, McMahan, and Andis were hard to beat. For Wellington, Williams and Strong were the most brilliant players.

On Thursday of this week the Bronchos meet the Panhandle team. This is a non-conference game, but the coaches are drilling the boys just as hard as if the title depended upon it. Fans let us all be out and let the Bronchos know we are for them. On to Memphis and to victory, Bronchos!!

Palo Duro Literary Society

Winter is surely on its way, and the chill of evening is most exhilarating. Energy in store since last spring makes itself evident in the entire Palo Duro Literary Society last Wednesday, and the program of the evening was most pleasing. President Clyde Slaviv opened the meeting with discussions of the old business and of the forth-coming Halloween dance. The latter gala affair was planned for Wednesday, October 28, but due to the fact that this is the week for college examinations, no definite plans have been made known.

After the minutes of the meeting of October 14 were read, the program paper was presented. Vocal quartet—Bill Word, Fred Bourland, Silas Franklin, Sam Cauthen.

Accompanist—Pauline Shelton. Short Story—Glenn Allison. Jokes—Dorothy Jo Taylor.

Taking part in the program were two of the society's most recent members, Sam Cauthen and Glenn Allison. Theirs were parts greatly appreciated by everyone. Sam Cauthen is a charter member of the club so the society feels quite honored with his presence. Of no less importance is Glenn Allison, whose short story on "Experiences of a Dollar" was thoroughly enjoyed.

Hope for hay fever sufferers is seen in a new method by which the inside of the nose is tanned and toughened through the introduction of ultra-violet rays into the nostrils by means of a slender rod of fused quartz. Dr. Cemach, an Austrian physician who devised the treatment, asserts that he has cured eight out of ten patients by his procedure.

Agriculture Class In More Judging Work

The second year agriculture class went to E. V. Quattlebaum's farm to judge chickens last Wednesday. On Thursday they went to Knight's Dairy to judge dairy cows. This week they have been judging beef cattle. On Monday they went to Judge John Blocker's and Henry McCracken's baby beeves and on Tuesday they judged Charley Word's calves.

Alpha Delta Psi Society Activities

In spite of the rain Tuesday night, the A. D. Psians met at the usual time. The program consisted of a reading by Pauline Siover and a number of songs by the whole society group.

The finances of the society were discussed, and it was decided that more dues must be paid. The meeting hour has been changed from Tuesday evening at 8:00 to Wednesday evening at 7:30.

One new member, Jim Porter, was welcomed into the society. Initiation of the new members will be held next meeting.

Maroon Peppers Make Hit at Game Friday

The Pep Squad had a good time at Wellington. On account of the band not being present to play when the stunt was performed, it was not so good as the spectators expected. The field was very muddy and this made marching difficult. The Pep Squad marched on the field in one line led by Lois Wallace and Marjorie White with Ruth Cauthen and Eleanor Morris leading off when the stunt was completed. When they were near the center of the field, they started circling and continued until every one was "all wound up". They then gave a wildcat and, as they came up, threw sermons into the air. They unwound and marched off the field trailing pieces of serpentine around a few unfortunate ankles.

Press Club Designates Regular Meet Dates

The press club met Tuesday afternoon in order to discuss a time to meet. It was decided that the meetings be held on Tuesday afternoon at three-twenty o'clock of the first and third weeks of each school month.

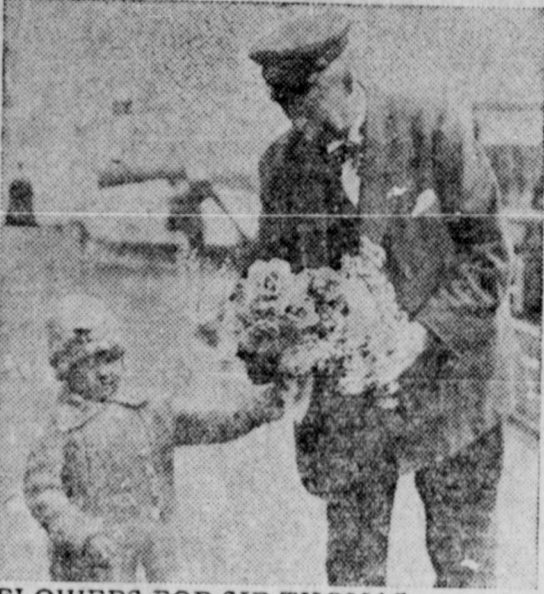

GLORIFYING GANGSTERS

In his speech before a convention of police chiefs recently President Hoover suggested in substance that if there were less glorifying of gangsters and more glorifying of policemen it might help in solving the crime problem. And there is much truth in that, although many policemen merit little glorification.

There is a tendency on the part of many newspapers, and in some instances on the part of the motion pictures, to paint the

THIRD CAMP FIRE TROOP PLANS HALLOWEEN PARTY

The Nowetopotamen troop of the Camp Fire Girls of this city met in a called session Monday of this week to make their plans for a party with which to fittingly celebrate Halloween. Miss Lodi Green is the guardian of this troop and the celebration is to start at her home, with a great lot of very interesting events planned for the party. Announcement was also made of the regular meeting of the troop on Wednesday, November 4th and a large percent of the members were asked to be present to take part in the regular business of the troop.

gangsters as a bold, romantic character. The fact is that he is usually a sneaking coward, who never gives his victim the slightest chance. True, he will do murder for a price, but gangdom is so well organized and justice so laggard that he knows the chances of legal punishment are negligible. The gangster fears rival gangsters far more than he fears the law.

When he does land in jail temporarily, bail is always at hand, supplied by other gangsters or men higher up. The front page notoriety he gets is unctious to his soul and he revels in it. The newsman's have made Scarface Al Capone a romantic hero in

But, speaking of Al, he did get an unlooked-for reception a few days ago when he and some of his gang attended a football game in Evanston, Ill. The crowd booed and jeered until they sneaked away.

Which shows that the press and public might do much toward outlining the gangster in his place by holding him up to the scorn he deserves, instead of throwing the glamour of romance about his despicable personality.

VIRTUE GETS A MEDAL

Chinese possessors of ancestral virtues will be rewarded with medals or tablets of honor by the government, in accordance with a law promulgated by the legislative branch and sponsored by President Chiang Kai-Shek. These virtues include loyalty, filial piety, fidelity, benevolence, and social contributions. District, municipal and provincial authorities have been requested to look for and report all instances of virtue deserving public honor.

In Years Of Plenty

When the acres of Donley County yield bountifully it is time to can and preserve enough vegetables and produce to stock the family larder with plenty.

Years when money is scarce and produce plentiful makes that process still more desirable and wise. Stock your larder and the money you get will go further.

Spooks, Black Cats, Witches Begin Lure of Students as Hallowe'en Nears

If anyone thinks that only the South Ward pupils look forward to Hallowe'en, he is certainly mistaken for the students of Senior High are planning to have just as big a time. There are to be several socials given by the students, some of which are to be masquerade parties. Of course our class rooms are not decorated with yellow pumpkins, black witches and bats and large owls, but the campus boasts of something just as suggestive as Hallowe'en and that something is a large, gray, flea bitten cat who has made his home on the campus for the past several days. Since the arrival of Alma Mater all the social affairs for Hallowe'en have been planned and he is quite welcome to remain for being the seasons first suggestion of Hallowe'en he is given credit for the many good times

which are planned for Saturday night.

Soil Fertility Is Study For First Year Aggies

The first year agriculture class has been studying about fertilizers and the enterprise of maintaining and restoring soil fertility. The teacher, Mr. Boykin, Monday instructed the pupils how to use the farm level and the target and rod. Tuesday the class was outside the building finding the fall of land per 100 ft., also the student's laid lines for terraces. Last year the class did some terracing and the present class hopes to do so too.

Interesting "pick-ups" from the files of the Clarendon News of fourteen years ago.

GOLDSTON—STUBBLEFIELD

Tom Goldston, prominent jeweler of the city, and Miss Donna Stubblefield of Groom were quietly married Sunday afternoon, at that place.

JAMES D. JEFFRIES
BURIED MONDAY

It was a shock indeed that the telephone spread early Sunday morning to our citizens, that one of nature's Noblemen, the embodiment of Honesty, Chivalry, Noble Manhood, the devoted friend of Humanity, James D. Jeffries, was dead.

Born back in the old commonwealth of Kentucky and educated there under highly refined influences and in its best institutions, he came in his early manhood to Texas and into the Panhandle section and was ever a leading factor in the development of this section. He had attained the age of sixty-six years at the time of his death and had made his home in Clarendon for nearly a quarter of a century, and was well and favorably known to all our citizens.

Thousands of friends will regret the death of "Jim Jeffries" as he was familiarly known by his intimate friends.

Mr. and Mrs. A. A. Mayes made a trip to Hollis and Aitua, Okla., last week making the trip in a car. Mr. Mayes has a farm near Hollis where the death was so bad. He only received \$4.00 rent on the entire 160 acres.

OPTIMISM THEME

which has almost trebled in the same time. The effect of martial law was good and operators are now freely predicting oil at \$1.00 per barrel by January first. Operations are to be started on a sound basis, not as they were in 1920-26, or more lately in East Texas.

Lion A. I. Chase was the next in the program, he dealing with the oil business from the basis of a distributor, both wholesale and retail. He stated that indications point to the start of wildcatting with the idea in view of finding further flush production to meet the needs as early as 1933. The present flush production use of the wildcat for further work will soon be exhausted and the development is to proceed within the next six months, putting skilled workers back on the payroll and bring lease bonuses back to the landholders and owners of the leases. A confidence is being worked out that will result in a profit for every one concerned.

Lion T. D. Nored told of how their company gave orders to clear the decks in 1929 for the present depression that they might be ready when it arrived. In 1930 they were told to be ready for the raise in production and now this year to date shows a five per cent increase in wattage consumed over the same period as last year. Statisticians in the Abilene office of the West Texas Utilities Company show that the section is to be eight million dollars better at the close of this year than in a normal year.

Lion Chase reported that the 1931 billings for September showed an increase of \$44.00 over September of 1930 and \$500 over the like period of 1929.

Lion Merrill showed that the government had recognized the work of the Methodist preachers in offering eight cents per pound for their cotton. The church offered this price for cotton in pay-

ment of their pledges for the year.

Lion Mulkey reported a different means of handling the Motion Picture Theatre Owner's Convention in that a different series of men were heard. The address of Lion Erhard was reported to be the best of the entire convention. Other speakers called attention to the fact that one self should be considered and that every man should go to work in earnest rather than do as has been done in the past few years.

Lion Frank Houston brought a reassuring message from the West Texas Utilities District office at Childress, stating that the officials of the organization were looking forward to the return of prosperity—surely, but not swiftly. A whispering campaign against the entire United States had been recently uncovered, but not before it discovered the fact that more than 800 millions of dollars had been withdrawn from banks in every section. This one factor alone would mean quite a bit to the relief of any depression if it could be returned to the banks of the country at large.

A Directors' meeting was called for immediately after the meeting. Lion Burton reported a football game for Thursday that the local boys might attend the Shamrock-Memphis tilt Friday. The winners of this match will meet Clarendon at some date in the future.

A letter from President Hyer was read, expressing his thanks for the reception tendered him and urging that lionism press forward in the future as in the past. Lion Burton reported the great success of the showing at the Dallas Fair and showed that the income of Donley in 19th place was not less than could have been expected. The score was higher, but the place in the list was the same as it was in 1930.

Adjournment was had at the home of Lion E. B. Bowen to preserve the attendance record. It being impossible for Lion Bowen to be at the meeting.

IN MEMORIAN

Sorrow has settled over Clarendon, Pampa, Lubbock, and Miami alike. A mother and father are heart broken; two sisters and a brother are almost prostrate with grief; and numerous friends are sincerely bereaved, for a loyal daughter, a beloved sister, and an ideal pal has been taken from our midst.

Bonnie Nell Gordon passed away October 19, 1931, as a result of injuries received in an automobile accident. Her death is a grievous loss to Clarendon, and her demise is sincerely mourned. As friends assembled Wednesday to pay their last respects, they must have gained a clever conception of the inevitable day when the supreme Ruler of the other world calls one of His subjects to live with Him.

Bonnie Nell's life manifested the loving kindness of her heart, her strong sense of loyalty, and her everpresent helpfulness toward others. Her pathway through life was strewn with innumerable acts of kindness, of which there abides no records save in the hearts of those who shared them. Bonnie Nell spread sunshine and joy among her associates, and

surely in Heaven, she shines brightly, for one as winsome as she could not pass and cease to shine. We know that she was dear to us, and that some time in that fair land her thoughts will be of us.

We deeply deplore her death, yet our sorrow is mitigated by the remembrance of her sincere life. It is when tragedy falls that we see anew the need of a worthy life. Ours is a common fate and we should face it with the calm serenity that was typical of Bonnie Nell. To those left behind, I am sure she would say:

"So live that when thy summons come to join that innumerable caravan, which moves toward that mysterious realm, where each shall take his place in the silent halls of death. Thou go not like the quarry slave at night, scourged to his dungeon, but sustained and soothed, by an unfaltering trust, approach thy grave like one who wraps the drapery of his couch

about him and lies down to pleasant dreams."
