## County Finances Still In Sound Condition

### BANKS SHOWING TREND OF TIMES

#### POSITIONS CONTINUE STRONG DESPITE CONTINUED LOW ECONOMIC AILMENTS.

Despite the fact that conditions have never been less promising than at the present time and despite the fact that the outlook seems rather gloomy, the financial institutions of Donley county are standing up well under the buffeting and their statements issued as at the close of business on September 29th will compare rather favorably with other statements issued on the same date of call in other years.

A spirit of conservatism has found its way into the offices of all institutions with the results that the Loans and Discounts have fallen by the way. In Clarendon alone, the three banks show a total of \$737,106.44 in this item, when they showed a sum of \$750,867.14 June call. To the first mentioned sum will be added \$347,191.33 in the Hedley bank to bring the total for the county to \$884,297.77.

In the cash column the same effect may be seen. The three local banks show that they are holding a total of \$175,217.04 in this space, with \$13,603.80 in the Hedley bank bringing the grand total in the county to \$188,820.84.

One of the most noticeable losses was experienced in the deposit column of the local banking institutions. At the close of September 29th there were deposits amounting to \$741,279.29 in Clarendon against a total of \$843,148.93 for the June call. To the first amount will be added the Hedley bank's total of \$72,608.66 which brings the Donley deposits to \$813,887.95.

The banks, although not in as good condition as might be the case in normal conditions have made a very credible showing and still indicate that the county is on a very stable basis along monetary lines.

### WICHITA FALLS IS AFTER BISON HERD

#### COMMITTEE IS ASKED TO INSPECT SITE NEAR GREAT RETENTION DAM

As much as Panhandle people have wished to see the Goodnight herd of buffaloes finally and officially located on the old Goodnight ranch by the State Game, Fish and Oyster Commission, it now appears that there is growing up strong opposition in the Wichita Falls area, according to information received by the editor of this newspaper, on a recent visit to Dallas.

The Wichita Falls group has invited the state committee headed by General John A. Hulien to visit that city and inspect the proposed site for the impounding of the herd out near the great retention dam, and where it is anticipated that a fish hatchery site will also be offered the commission. It is also contemplated that enough acreage can be secured to provide an ideal game preserve and bird sanctuary.

If the committee approves the plans as outlined then pressure will be exerted at once to have an official inspection by the state commission and all efforts will be directed to closing the deal at an early date.

This location is about a hundred and fifty miles from Clarendon, which isn't so far as distances go in West Texas, but it is a matter of some regret here that more progress hasn't been made in closing up the transaction for the Goodnight property and the final location of the famous herd in the adjoining county, where many believe that the buffalo will live and thrive better than in any other possible location.

It looks like it is Wichita Falls arrayed against the Panhandle in a friendly but determined effort to win what will become the greatest game preserve in the nation.

### Donley County Has Fine Dallas Exhibit

Those who have visited the Dallas State Fair report the agricultural exhibit of Donley county, under the supervision of County Agent T. R. Brown, one of the outstanding exhibits in this year's exposition. A much better balanced showing is attracting the attention of the State fair crowds than that which carried off seventh place in the Amarillo Tri-State Fair. As was the case at Amarillo, the mammoth watermelons in the local exhibit and creating the sensation of the entire exhibit building.

#### DIRECTOR STEPHENSON ANNOUNCES CONCERT SUNDAY

Director Gus B. Stephenson, director of the Clarendon High School Band, requests The Clarendon News to announce to the public that an attempt will be made to present the band concert this Sunday afternoon which was scheduled last Sunday week, and cancelled when he and his family were called to the bedside of his wife's father in New Mexico who is dangerously ill. The same program, featuring the selections played in Amarillo at the Fair, will be offered in this possibly the last of the outdoor concerts this season. Weather permitting, the concert will be held at the band stand at the south end of Kearney street beginning promptly at 3:30 o'clock.

### COUNTY HOSPITAL IS LIONS SUBJECT

#### ADVANTAGE TO COUNTY EXPLAINED AS MUCH MORE THAN THOUGHT

Recent improvements to the Adair Hospital in this city have given the county one of the best equipped and most modern of all places in the Panhandle section of the state. Lion Patrick, one of the original members of the Adair Hospital board, called the attention of the Lions to the work most recently done on the building to bring it to its present state of perfection. The expenditure of some \$9,800 in the past few months has put into effect some major changes to make the building ready for any emergency.

Lion Porter stated that the hospital brought more people into the city than any other institution here, with the possibility of the jail and courts. Although he had never been in the hospital and hoped never to have the use of it, he was in favor of any improvement that might be placed in the institution.

All of this discussion was brought forward by the mention of the possibility of the acquisition by the Lions of furnishing a room in the new wing. This has been tendered the Major Activities Committee and they will later report to the club of their findings.

The first Little Theatre play for Tuesday evening and the football game for Friday were announced by Lion Burton. Lion Burton also stated that if Clarendon were to win over Wellington on October 30th that the Bronchos would have opportunity to meet Memphis at Clarendon some time later in the season for the District Championship.

Lion Braswell announced the appearance here of Julien C. Hyer for the annual Ladies Night Program. Lion Hyer will be in Clarendon after meeting with the Presidents and Secretaries from over the Panhandle in Amarillo 10:30; with the Amarillo Lions Club at their noon luncheon and with Group 31 in the afternoon immediately following the close of the luncheon of the Amarillo Lions. A program for the event here is being arranged to allow Lion Hyer all the time needed.

The Lions were asked to make their plans to attend the meetings in Amarillo on the next Tuesday if possible and Lions Braswell, Chase and Patrick signified their intention of attending the meetings in the neighbor city. A committee composed of Lions Chase, Caraway and Boykin was named to secure listing of all those who might attend the meeting, that the Amarillo club might be notified of the action and be ready for the onslaught.

Lion Nored was welcomed back to the club and stated that Clarendon looked to him like a million dollars since he had been over in Oklahoma and other points south and east. He said that either the merchants here were doing better than they were elsewhere, or were putting on a

### LIONS PLANNING GREAT EVENING

#### PLANS ALL SET FOR CELEBRATION OF NINTH ANNIVERSARY NEXT WEEK

There will be no noon-day luncheon for the Lions Club in Clarendon next Tuesday. This luncheon was called off due to the celebration of the ninth anniversary night celebration of the club which will be held in the dining room of the Antro Hotel on that evening. The program has been scheduled to begin at 7:00 o'clock and the Lions have been told that they must be on time or pay the penalty of a fine at the hands of the Tail Twister for the evening.

The program committee has centered their attention on G. L. Bovkin for the toastmaster for the occasion and this Lion has been working on the program with the committee since he was notified of their action. He will ring the bell for the opening at the hour set by the committee.

The principal attraction for the evening will be the presence of International President, Julius C. Hyer, who accepted the invitation for this event shortly after he was elected to the office he now holds. He will arrive in the city from Amarillo on the morning of the event, in which city he is planning to meet the Presidents and Secretaries of the Panhandle clubs at 10:30 in the morning. At noon he will address the Amarillo Lions Club at their regular luncheon and will later address the Lions of Group 31, which will go into session immediately following the close of the Amarillo Lions Luncheon.

In addition to the presence of President Hyer, there will be the heads of the local civic clubs and the Presidents of a number of the neighboring Lions clubs.

The chairman of the program committee has been in Dallas a few days and has returned with sufficient supplies to make the party one of entire enjoyment by this group of nine-year-olds. Noise makers in plenty, favors for the ladies and something to make the evening remembered by everyone will be the order of the evening.

Lion Hyer has not suggested the subject for his address, but since he has but shortly returned from a meeting of the Directors in Chicago, he will have a great message of good-will and optimism for the Lions and their guests on this occasion.

### VISITORS HEARD AT ROTARY CLUB

#### EXTEMPORANEOUS TALKS TAKE UP MOST OF TIME AT ROTARY CLUB FRIDAY

The regular Friday luncheon period of the Clarendon Rotary club was studded with interesting talks from the three visitors to the club, Whitfield Carhart of Greenville, Texas, a former resident of Clarendon; Rotarian Frank Houston of Childress, and Chas. M. Lowery of Hedley. Each expressed himself as being more than pleased with the opportunity of being allowed to meet with the Rotary group and hoped to again have the privilege of enjoying the fellowship of the organization.

Two pleasing renditions on the piano by Rotary Ann Rhoda Weideman were exceedingly well received by the gathering.

The remaining minutes of the luncheon hour were taken up in round table discussion and brief addresses concerning the present day problems and major items of interest.

Mr. and Mrs. C. J. Douglas and children motored to Dallas on Friday afternoon, spending a few days with relatives.

better front, for some of the stores he visited looked as if they had not been cleaned for years. The appearance of the town was even more disheartening.

A report from the luncheon committee disclosed that they had reported to the Board of Directors Monday evening and that they had asked for more time. A more complete report will be made later.

Dr. H. F. Harter was the guest of the day, his host stating that he had come only after the promise that he would not be asked to speak.

### Petition Protests Cut In Co. Agent's Salary

Petitions are being circulated this week by county club women protesting the action taken by the Commissioner's Court by which they affected a decrease in the wages of the county Home Demonstrator, Miss Martha Buttrill. The circulation asks for a reconsideration of the action, and requests the commissioners to temper their wage slash with less severity. The ladies point to the fact that with the heavy reduction made in the Demonstrator's salary the services of the competent agent will be lost as she will not be permitted to remain in this county.

#### GREAT BAPTIST LEADERS COMING TO AMARILLO

The Baptist of this district are greatly favored by having Dr. George W. Truett, Dallas; Dr. Millard A. Jenkins, Abilene; Secretary J. Howard Williams, Dallas; and Mr. T. C. Gardner, Dallas, as speakers at the District Convention which meets at Amarillo, Texas, October 22, 1931. The meeting will begin at 10 o'clock and last until about 3:00 p. m.

Everyone and especially every Baptist, would do well to hear these outstanding leaders and speakers at that time.

The meeting place is the auditorium of the First Baptist Church, Amarillo.

### "A FULL HOUSE" WINS APPLAUSE

#### FIRST OFFERING OF LITTLE THEATRE THIS SEASON SETS HIGH STANDARD

Clarendon's Little Theatre opened the Fall season Tuesday evening when it presented the three-act comedy-drama, "A Full House" to just that sort of house, speaking of the audience.

Official returns are not yet in on the ticket sales, but there was a few cents short of fifty dollars taken in at the door, and from the size of the crowd the gross should run somewhere around ninety or one hundred dollars. According to Mrs. U. J. Boston, president of the organization, this was a most pleasing attendance and proved again the interest of Clarendon people in the work of the organization.

The play was directed by Miss Anna Moores, and she is receiving much praise on the smoothness of the production, especially hard to attain in a play where there was so much action. It would be hard to name those in the cast giving the best exhibition of acting, since all did so remarkably well, but special praise should go to those who had such heavy parts—Misses Dorothy White, the maid; Misses Johnson, Chamberlain and Martin; together with Carl Parsons, the butler; Mess. Kelly Chamberlain, Ira Merchant, and Frank Stocking.

The casting committee is very proud of the cast they secured for this play and only they can do as well in subsequent performances, according to the chairman.

Mrs. G. L. Boykin, accompanied by Miss Stallings, played several violin numbers preceding the curtain.

### 36 Names Appear on Third Petit Jury List

The petit jury list as issued by A. H. Baker, District Clerk, for the third week of the District Court of Donley County includes thirty-six names who will be summoned subject to duty for the week starting November 2nd.

The list includes Homer McElvany, C. H. Howard, C. F. Weaver, C. T. McMurtry, J. D. Swift, W. O. Hommel, W. T. Burr, W. A. Wilson, C. M. Johnson, Henry Wilson, C. C. Phelps, P. L. Dishman, W. B. Mayfield, B. J. Leathers, J. A. Johnson, W. W. Wiggins, Sam Braswell, Jr., G. H. Benson, L. E. Holloway, Ed Teer, Lu McClellan, Glen Williams, Marvin Hall, R. E. Duncan, E. V. Quattlebaum, Henry Stogner, E. M. Ozier, S. T. Clayton, G. L. Johnson, G. E. Kinslow, Art Pierce, U. J. Boston, E. B. Gardner, Nolie Simmons, Irvin Alderson, Austin Rhoades.

Carroll Knorr spent from Saturday until early Tuesday visiting friends in Wellington, Kansas. Carroll reports the roads good excepting the numerous detours on Highway 66.

### MIAMI WARRIORS TO PLAY FRIDAY

#### BRONCS WILL HAVE HANDS FULL WITH INVASION OF INDIANS TOMORROW

All the thrills of the old west will again be seen when the Indian Warriors from Miami invade the pastures of College Park to round up a herd of wild Bronchos. On the morrow beginning at 3:30 o'clock, the attempted round-up will be depicted in true modern style with the Indians throwing away their lion cloths, war paint, and war bonnets and donning cleated shoes, padded uniforms, jerseys, and leather helmets, will attempt to corral the Bronchos into peaceful submission. On the last appearance of the Warriors on the Horseshoe soil it will be remembered that the Broncos refused to be herded and stampeded, resulting in the trampling of the Indians all over the landscape.

After an interval of these few years the Miami chieftains believe they have once more restored their forces sufficiently to again return in an effort to carry home the much to be desired hides of eleven Clarendon Bronchos. The Bronchos on the other hand have been aroused to white heat anger over the poor showing exhibited last week against the Amarillo Yarnigans and have been driven hard and long this week by the range riders, Stocking and Hutton, in an effort to again remove the causes of the defective display of teamwork.

Miami is reputed to have a powerful eleven this year having won all her games this season and is coming to Clarendon with the avowed intention of knocking off the polish of the local's championship brilliance. The game will begin at the College Park at 3:30.

Mrs. Geo. Dugan of Greenville, Texas arrived last Friday for Gray and Dr. and Mrs. C. G. Stricklin.

### LEGION REACHES NEW HIGH LEVEL

#### FURTHER INCREASE IN MEMBERS SOUGHT BY CLOSE OF FIRST PERIOD

With a new all-time record being set here last Tuesday evening when seventy-five ex-service men had made their payments of dues for 1932, the Aubyn E. Clark Post started to work to set another record by going still further ahead before the citation period is closed on next Tuesday, October 20th. The goal was set at the regular meeting last Tuesday evening and was reached when two members in the hall paid their dues to bring the total to the figure mentioned.

A celebration of sort of planned for the October 20th meeting, with an invitation to be extended to the Hedley Post to join with the Clarendon Post in the event. Starting plans call for an attendance of fifty or more and the coffee and doughnut detail will have their hands full to care for the delegations present. C. Huffman, Clifford Decker and Tom Tucker was named on this detail to make all arrangements.

Preliminary report was also made on the Armistice Day Plans by the committee named October 6th. These include a parade to be headed by the band and at least two squads in uniform. The school children of the city are invited to fall in with the parade and will assist in making the event a large affair. Invitation is also to be extended neighboring Posts to have representations here if possible.

Members are asked to make their plans to be at the meeting next Tuesday evening, bringing a new member if possible.

### Adair Hospital Is One Of County's Worthiest Institutions Survey Reveals

Possibly the institution which is due the most praise from the citizens of Donley County and in reality receives less thought than any of the county's tax supported activities is the Adair Hospital here in Clarendon. The News staff writer, like the majority of the citizens in this territory, knew the institution was still out on the southern rolling hills overlooking the tree studded city of Clarendon, and had some knowledge of the new improvements going on at the place. But that such extensive remodeling procedure had taken place and the Hospital had cared for so many patients as was shown in a study of the building and records was indeed enlightened as well as surprising.

Two years ago the county assumed control of the institution and a hospital board was placed in charge of operation acting under the authority of the commissioners court of Donley county. The Board composed of F. E. Chamberlain, President; J. G. McDougal, Odos Caraway, J. W. Martin, Dr. T. H. Ellis and T. R. Moreman with only a single change in the personnel, Dr. Webb for McDougal, have piloted the venture through two years with an astounding degree of success.

Through two of the hardest years in recent history the county hospital has emerged without the help of a great amount of the county's funds. In the main the institution has been able to carry itself, and during average times when conditions are normal the competent and never tiring secretary-treasurer of the hospital, Odos Caraway, states there is every reason to believe the project will bear sufficiently to meet the monetary demands of the properly conducted county hospital.

Since the county has had charge of the plant there has been a total of over 340 patients admitted to the wards, including both charity and pay cases. Something like \$20,000 has remained in Clarendon and Donley county in this period, which in itself is a benefit not to be overlooked. Of course a number of the cases brought here have been charity cases, but the expense would have fallen on the county at any rate—possibly costing the tax payers in the long run had the cases had to be

taken out of the county for treatment. In the charity case situation the county is charged with the duty to properly care for its unfortunates, and what better way has been devised by man than the local institution.

Until the sixteenth day of last month Mr. Caraway has compiled interesting figures setting forth the total patients receiving treatment at the Adair Hospital and classifying them into the precincts from which they were admitted and the number of pay and charity cases.

Precinct	Pay	Charity	Part Pd.

Notes are held against every patient who has been unable to pay his bill, and in most instances these will be paid off with little loss. But, the big recompense, states the genial secretary-treasurer, comes to the board and commissioners court from the knowledge that the community and the tax payer's funds are being spent in a worthwhile movement in which humanity is receiving a real and lasting benefit.

A short time ago contracts were let for the remodeling of the plant in which a new and sufficient heating unit was installed, the outside brick veneered and stuccoed, roofed with a metal covering, and four new rooms were added to the west ward. Saturday the commissioners court inspected the new improvements and accepted the finished unit from the contractors. Sensing that something was lacking the court let contract for the construction of a rear porch across the south side of the building. When completed the porch will afford a rear entrance to the building where ambulances will be allowed to deliver their patients instead of having to enter the wards through the front door of the hospital.

While discussing the new improvements Mr. Caraway was loud in his praise for the contractors, Messrs. Joo. M. Bass, Speed Bros. Decker Bros., O. W. Latson and O. C. Watson, stating that it was the most pleasant deal the board or any of its members, individually, had ever had any connection with. All the contractors entering

### Mystery Veil Shrouding Suicide Of Stranger Lifted On Relatives' Arrival

The mystery surrounding the identity of the suicide of Mrs. M. L. Goodwin, 38, nee Minnie Louise Stevens, alias Mrs. J. W. Walters, last Saturday shortly after noon in her room at the Rutherford Apartments was cleared up Wednesday noon with the arrival of two daughters from the arrival of the body and had it moved to Muskogee, Oklahoma, where funeral services will be held and interment had in the family burial lot at that city.

The queer turn of fate which brought death to the victim also brought about the identity after four days of tireless effort to get in touch with relatives of the deceased. The story of the case is outlined in the following paragraphs as explained to The News staff writer.

Mrs. Goodwin, in company with her husband, visited relatives in Borger last Monday week and left for Amarillo on that same day. That was the last anyone ever heard or saw of the dead woman's husband. On Wednesday she sought aid from the Amarillo Police department and left the city Thursday with a card from the chief of Amarillo Detective Bureau soliciting the aid of another woman to help her reach Fort Worth. Thursday night she registered at Claude as Mrs. Goodwin, Tulsa, Oklahoma, and secured a quantity of chlorform which she used to relieve pain Friday found her in Clarendon where she registered as Mrs. J. W. Walters, Tulsa and on destitute via local officers secured room for her at the Rutherford Apartments. More chlorform was secured as the recent operation seemed causing great pain. Interest in the welfare of the woman City Marshal T. M. Pyle visited her room to find the door locked. Believing she was asleep waited until about 2 o'clock before returning to the place. The door was still locked and no response answered his knocks. Upon investigation the officer saw she was apparently lifeless. The door was taken from its hinges with the help of J. H. Rutherford, proprietor of the apartments, and the investigators found the woman dead.

Justice of the Peace, L. O. Lewis, was called and the inquest held.

The woman was lying across the bed with her face across a glass tumbler filled with chloroform saturated handkerchiefs. Justice of the Peace, L. O. Lewis, held the coroner's inquest and read the verdict as suicide from self inflicted poisoning, motive unknown. It is believed by physicians and relatives that the suicide was accidental, the victim while obtaining relief becoming overcome before the liquid could be moved from near her face.

### Mystery Veil Shrouding Suicide Of Stranger Lifted On Relatives' Arrival

Notification messages were immediately sent to Tulsa and Borger, where she stated she had relatives. No trace was found of relatives by the name of Walters. Further investigation was made Tuesday when the Sheriff made a trip to Amarillo, stopping at Claude where a picture of a daughter belonging to the woman was found and carried to Amarillo where the Detective Bureau identified her as a Miss Stevens with a brother known as Lantern Joe was engineer on division run to Denison, Texas. Messages were sent and late Tuesday evening a wire was received from the brother, W. A. Stevens, at Denison who confirmed identity as Minnie Louise Stevens and gave address of daughters in Borger. In the meantime, however, the wife of Mr. Stevens had got in touch with relatives at Borger and yesterday afternoon the woman's daughters, Virginia Walton and Mr. and Mrs. George Finger, arrived and completed identity and unraveled the mystery of the various names. The deceased maiden name was Stevens, her first marriage was to Mr. Walton, the name which officers misread as Walters, with last married name being Goodwin.

The body was claimed and arrangements completed through the Buntin Funeral Home to move the body to Muskogee, Oklahoma where the last rites of Mrs. M. L. Goodwin was held this afternoon.

A son, Segal Walton, of Kilgore, Texas was notified Wednesday morning.

The relatives requested The News to express their sincere appreciation for the kind and sympathetic attention given Mrs. Goodwin both before and after her death and especially City Marshal T. M. Pyle and Mr. Fred Buntin for their help and cooperation throughout the dark hours of the family's grief.

Miss Elton Alken returned Tuesday morning from Llanon, Texas where she has been at the bedside of her sister, Lucy, who has been quite ill.

## SCHOOL TAXES AND CITIZENSHIP

Every tax supported institution of government is facing serious handicap on account of the likelihood of delinquencies in tax payments in the present and coming years. Indeed, at present there is indication that delinquencies will increase rather than diminish in the settlement of 1931 taxes.

With this in view, the trustees of the local schools have been reducing to the lowest figure possible the cost of operation consistent with keeping up the required standards, but this is not enough in the face of the present delinquencies, and when there is prospect of increased shortage of tax money, the situation becomes serious indeed.

Most citizens have three kinds of tax to pay; city, school, state and county, so naturally there comes a question as to which tax is the most important if any shall take precedence over the other when money is short. No good citizen is willing for his tax to become delinquent, except as a last and necessary resort, and nearly everyone can pay at least a portion of his dues to city, school and state; therefore in some cases it may become necessary to decide which taxes he will elect to pay with the money he has available.

Good schools have become so essentially the mud-sill of this Republic, that it requires very little thought to decide that temporary favors should be given the school. The community and the citizenship of tomorrow demand that our schools continue unhampered, so it follows that all of us should give our schools the break when it comes to paying partial taxes under stress of the conditions.

Pay your school taxes FIRST. The schools need the money NOW, and good citizenship is best served by that course.

## "HELLO NEIGHBOR"

You never realize how much that simple, staunch greeting you hear so often means unless you go away and hear it not at all—"Hello Neighbor" you hear it on your way to work. It starts the day off right, gives you confidence, sends you forth with added zest, with fresh courage and a determination to remain worthy.

"Hello, Neighbor"—you hear it when you go to lunch. Somehow it makes the food taste better, makes you forget your worries, makes you spend with a glow of inward satisfaction.

"Hello, Neighbor," you're greeted as you journey homeward.

And all the rancor leaves you, you catch that sense of well-being, your troubles and perplexities leave you, life seems truly sweet.

It is strange how these two simple words can mean so much. However, they do. They contain the very essence of friendship, itself. When they are spoken to you they really come from the bottom of someone's heart. They are more than a greeting, they say: "We hope you are well and that everything is going along swimmingly and that it's a fine world if you just understand and make the most of it." The pleasure of hearing these two words expressed gives everything a brighter hue and the somber thought which tenaciously abide with us are evaporated in the greeting, "Hello, Neighbor."—Burt County Herald, Tekamah, Nebraska.

## CLARENDON BACKS HER LITTLE THEATRE

In its second organized year the Clarendon Little Theatre began its fall season with some trepidation on account of the short finances, and with much misgivings as to the attitude of the community under the present conditions.

This feeling was swept entirely away Tuesday evening when the first offering of the season was staged at the College Auditorium, for there was a splendid attendance, and the performance was received as only an interested and sympathetic audience can receive it.

The Little Theatre officials are most happy over the heartening display of public approval and confidence and will now proceed to carry out cherished plans for a most successful season of this important cog in the civic machine.

## WHAT WOULD CLARENDON DO WITHOUT THEM?

Had it ever occurred to you just what a contribution was continually being made to the civic and cultural life of Clarendon by the service clubs, the study clubs, the Little Theatre, the MacDowell Club?

One of the delights of citizenship in this community is the well-rounded life of this people, and all these enumerated above are the adjuncts of government, school and church which go to make life in Clarendon better and richer.

What would Clarendon do without her Lions, Rotarian, Business and Professional Women's Clubs, the American Legion, the Womens Study Clubs, the Little Theatre and the MacDowell Club?

# Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the third of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas Industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

## STORY NO. 3

In the taking of the manufacturing and distribution census and the population census for the United States Government it was apparent to me that there were two major points involved that needed careful study. Where smaller cities of this state had shown a decrease in population there were two contributing factors:

First, the people had failed to support their home town merchants and were going far afield to make their purchases. This meant hard times in their community with necessary reduction of employment. It meant that the young people had to migrate to the larger cities to obtain employment. It also meant depreciation in property values to off-

set any saving they might have made in any out-of-town purchases.

Second, many communities had not encouraged manufacturing plants which would mean payrolls and the purchase of the raw materials from the farmers.

In the manufacturing and distribution we found goods that were comparable with any made elsewhere. But, owing to the fact that our people would not buy Texas manufactured products, the cost of distribution incident to our manufacturers being forced to invade foreign territory was necessarily high and condition was constantly impaired through the excessive sales expense.

It, therefore, was apparent that to build up our state as a whole it necessitated the consolidation of the forces of each individual city toward their own building, and it meant also that some determined effort must be made to enthrone the people of our state to patronize our own industries.

### GET A KNIFE

Old Lady, (witnessing tug-of-war for the first time), "Wouldn't it be simpler, dear, for them to get a knife and cut it?"

### WHAT'S N NAME?

Bobby, "Can't I change my name today, ma?"  
Mother, "What in the world do you want to change your name for?"

Bobby, "Cause said he will whip me when he gets home, as sure as my name's Robert."

### ALL EXPLAINED

The minister called at the Jones' home on Sunday afternoon, and little Willie answered the bell. "Pa ain't home," he announced. "He went over to the golf club." The minister's brow darkened, and Willie hastened to explain, "Oh, he ain't gonna play any golf; not on Sunday. He just went over for a few high-balls and a little stud poker."

### THE REASON

It was a sunshiny Sunday morning and Pat had brought his shaving tools out on the porch. Mrs. McGinnis looked over the fence. "Sure, Mrs. Murphv, does your old man shave on the outside?"  
"And what's bothering you?" asked Mrs. Murphv. "Did you think he was fur lined?"

Mr. Nobbs, "Will my boy learn

to drink at your school?"  
Professor, "Sorry sir, but we can hardly find enough for the faculty."

"How are you getting along at school Henry?" asked the father. "Fine," answered the son, "I have learned to say 'thank you' in French."

"Good," came back the father, "that's more than you ever learned in English."

# ONLY CONOCO GERM PROCESSED OIL Can Give You the Extra Benefits of the "HIDDEN QUART"

## that Stays Up in Your Motor and Never Drains Away

Almost half of all motor wear takes place while you're starting your car! And it's in the starting period that oils not germ processed fail to protect your motor. They lubricate your motor after it starts... but they drain away when your car is idle, leaving vital working parts unlubricated while you're starting.

Germ Processed Oil gives you safe lubrication not only after your motor starts but during the starting period! For only Germ Processed Oil has penetrative lubricity... the ability to cling to, penetrate and combine with metal surfaces. A "hidden quart" of Germ Processed Oil stays up in your motor and never drains away. It cuts down starting wear and makes

starting easier and quicker. Save your motor from wear... Change now to Conoco Germ Processed Motor Oil, the only oil in North America made by the patented germ process. Fill up at any station that displays the Conoco Red Triangle.

## Macdowell Club Entertains At Program

Another successful evening of music has just been completed by the Macdowell Choral Club when on Saturday they entertained with a program at the Ladies' Club room. Each member had invited a guest and the room was comfortably filled during the evening.

The second appearance of the Jr. Macdowell Chorus, they having appeared earlier in the day for chapel exercises of the Jr. High School, surpassed even the exaggerated imagination of the members of the club. This group of singers under the direction of Miss Helen Martin, has reached a finesse of interpretation during the few weeks under her direction that is not equaled by groups having had much more training and it delighted the hearts of those present to hear them sing, "Merry Life," "Volga Boatman," and "East Is West a Chinese number. Miss Martin gave a short sketch of each number prior to the rendition.

Mrs. Allen Bryan, always a favorite at her chosen instrument, played beautifully a "Virginian March" which was followed by the group singing a number of folk-songs, directed by Miss Helen Martin with Miss Mildred Martin accompanying. Miss Helen gave a short history of each song. Since folk-song was the theme for the evening Mrs. R. Wilkerson gave the first chapter of the book "From Song to Symphony," the study for the club during the year and in keeping with this theme Mrs. Frank Stocking delighted her listeners with two negro dialect readings.

A vocal duet, "By the Waters of Minnetonka" was beautifully rendered by Mrs. J. L. McMurtry and Mrs. O. T. Smith, accompanied by Miss Mildred Martin and Miss Elizabeth Kemp, who played a violin obligato. All four of this group appeared in costume, making this a very colorful number.

## Pathfinder Club Studies Indians

Mrs. W. H. Patrick and Mrs. C. T. McMurtry welcomed the members of the Pathfinder Club to the Ladies' Club room on Friday afternoon to one of the most delightful meetings of the season. Lovely dahlias, cosmos, roses and zinnias expressed the hostesses' cordial welcome to the meeting.

The session opened with the customary business session, presided over by the president, Mrs. O. T. Smith. An interesting program dealing with Indian welfare, with Mrs. U. J. Boston as leader, followed.

Mrs. Boston opened the program with a splendid paper on "American Tribes, Where Located, Past and Present Life, Rights and Citizenship." Mrs. Floyd Keener followed with a talk on "American Legends" being followed by Mrs. Joe Cluck who told of "Indian Arts and Crafts."

Mrs. J. L. McMurtry, the ever faithful and popular member of the club, ably discussed "Indian Music" and with Mrs. O. T. Smith sang "By the Waters of Minnetonka," a beautiful duet by an ardent writer of Indian music.

An ice course was served during the social hour that followed.

## Sims P. T. A. Holds Interesting Meetings

"A child a home training and a mother's influence have everything to do with a Man's career," was the question conspicuously placed on the black board Tuesday afternoon by Mrs. Paul Shelton, when members of the Sims Parent Teachers Association gathered for their regular monthly meeting and was fully discussed later by Mrs. Shelton in her discussion on "Parenthood". Those who did not hear this talk missed something truly worth while for many helpful suggestions were given parents at this time.

The program opened with the P. T. A. prayer and song. This being fire prevention week a program on fire prevention was given by pupils of the two fifth grade rooms. Miss Fray Stallings pleased her listeners with a splendid rendition of "Air de Ballet."

During the business session the membership campaign was launched by Mrs. F. E. Chamberlain, Chairman of this committee. She has set as a goal one hundred members making an average of ten members per room, even though there should be a greater number.

This campaign will run for ten days and be worked through the room, mothers and teachers mostly. A prize had been promised to the room that enrolled the greatest number of members, while Mrs. Chamberlain is offering a matinee ticket to the boy and girl in each room enrolling the largest number. It was voted to give a picture to the room having the largest number of parents present at the monthly meetings provided that number is ten or more.

Mrs. Lane's room received the picture for this month. A splendid report was read from the Child Welfare Committee and was equally received by the forty-five mothers present.

## Jr. Les Beaux Arts Discuss Cathedrals

In the home of Mrs. Clifford Davis with Miss Nell Butler and Miss Josie Maye Davis as hostesses, members of the Jr. Les Beaux Arts Club discussed the outstanding cathedral of the day. During the session the by-laws and constitution were re-read by the secretary, then the lesson followed.

Mrs. Sam Braswell, Jr., leader for the afternoon, discussed fully West Minister Abbey and St. Pauls Cathedral. Luree Burson followed with interesting facts concerning Notre Dame and Rheims Cathedrals. Miss Sylvia Burson discussed at length Cologne and St. Marks Cathedrals then Miss Wylfa Lee Alexander closed the program with an interesting discussion on the two Cathedrals, St. Peters and Milan.

A lovely salad course was served during the social hour that followed adjournment.

## Kongential Kard Klub Opens Season

With the cooler days we find members taking more interest in the club season which is rather slow starting off this year due to the unusually mild autumn, but since the rain has cooled the atmosphere we find more clubs opening for the season, particularly evening clubs. The Kongential Kard Klub opened their club year last Thursday evening with the hospitality offered them by Mr. and Mrs. Clarence E. Miller.

In the games Mrs. Park Chamberlain played high for the ladies and Mr. Basil Kirtley for the gentlemen, at the conclusion of which a refreshment course was served.

Present for the occasion were: Miss Ineva Hendrick, Mr. and Mrs. Ed Teer, Mr. and Mrs. Basil Kirtley, Mr. and Mrs. John Sims, Jr., Mr. and Mrs. Carl Bennett, Jr. Invited guests, Mrs. Park Chamberlain, Mr. and Mrs. Chas. Trent, Mr. and Mrs. Charlie Bell, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Clyde Price, Mr. and Mrs. Forest Sawyer, club members.

## Friendship Club Ends Year of Work

Mrs. Silas Hayter delightfully entertained the members of the Friendship club in home in the south part of town Tuesday afternoon. The order of business being the election of officers for the incoming club year. The ballot declaring Mrs. C. R. Skinner president, Mrs. J. D. Stocking Vice President, and Mrs. M. E. Thornton Secretary Treasurer.

The report of the past years work was read, showing that the members of the club had canned 2000 containers of fruits and vegetables. Made 74 garments of various kinds. 59 quilts pieced and quilted. 7 rugs made. 9 floors painted. 102 individuals helped financially and with groceries and clothing.

At the close of the business session Mrs. M. T. Crabtree with a beautifully worded speech made in behalf of the society, presented Mrs. J. D. Stocking with a beautiful quilt which the members had spent most of the summer in piecing. Mrs. Stocking accepting the surprise in a most graceful manner. Later the time was spent in the usual line of doing fancy work and conversation. After which the hostess assisted by her two daughters, Mary Lois and

Onata, served a salad course to the following members: Mrs. H. Tyree, J. D. Stocking, J. H. Meaders, J. W. Rowland, T. Allison, T. J. Teel, Eva Womack, C. R. Skinner, M. T. Crabtree, J. A. Tombs, L. Ballew, J. E. Mongole, M. E. Thornton and Miss Katie Meaders and Mrs. T. E. Trostle visitor. The next meeting of the club is to be with Mrs. L. Ballew.

## Mrs. Bagby Hostess to Les Beaux Arts

The Beaux Arts Club was entertained Saturday afternoon by Mrs. L. S. Bagby and Miss Mary H. Howren at the home of the former. During the business session Mrs. T. H. Ellis and Mrs. Charles Trent were chosen as delegates to the meeting of Federated clubs which will convene at Lubbock in November.

The club presented its first program on the history of French Art, the subject chosen for the year. Miss Katherine Ross led the program with an interesting description of French chateaux. Mrs. J. D. Swift gave a well organized paper on the influence of Italian Art at the French court, and Mrs. Charles Bell followed with a talk on Clent, a French artist of the period. After the program refreshments were served by the hostess.

## Miss Martin Hostess to Friday Bridge

Friday afternoon marked the opening of the club year for the Friday Bridge club when Miss Mildred Martin entertained at her home, which was gaily decorated with Autumn flowers in bright hues.

A short business session was held during which Mrs. Frank Stocking and Miss Helen Martin were elected to membership. Several changes were made in the workings of the club which will no doubt prove satisfactory. A lovely refreshment course was served to: Mrs. Park Chamberlain, Mrs. Floyd Lumpkin, Mrs. Clarence Miller, Mrs. James H. Morris, Mrs. Charles Trent, Mrs. Frank Stocking and Miss Helen Martin.

## Mr. and Mrs. H. B. Kerbow Entertain

"42" was the game of the evening when Mr. and Mrs. H. B. Kerbow entertained at their home on Thursday.

A merry group gathered at this home and thoroughly enjoyed the games until a delicious ice course was served to: Mr. and Mrs. A. A. Mays, Dr. and Mrs. J. G. Sherman, Mr. and Mrs. U. J. Boston, Mr. and Mrs. J. T. Patman, Mr. and Mrs. R. Wilkerson, Mrs. L. S. Bagby, Mrs. B. G. Smith, Mrs. Eva Rhodes, Mrs. Bill Greene and Mr. and Mrs. M. M. Noble.

## County Federation of Clubs Meets

The County Federation of Clubs held their regular quarterly meeting in the ladies club room on Saturday afternoon with the vice president, Mrs. O. L. Fink, presiding.

A number of clubs were represented and gave a short outline of the work being done by their particular group.

The resignation of Mrs. Fred Rathjen as president, was accepted. Mrs. O. L. Fink will fill out the unexpired term since there will be only one more meeting during the year.

Mrs. W. R. Silvey arrived here Saturday for a visit in the home of Mr. and Mrs. W. B. Sims. Mrs. Silvey is a sister of Mrs. Sims.

## Kill Kare Kneedle Klub Meets

Mrs. S. W. Lowe made a very charming hostess to a large gathering of members and special guests, at her home Thursday afternoon.

The rooms were fragrant with cosmos and other garden flowers where the afternoon was spent with needle work. Several hours were enjoyed in conversation and the exchange of quilt patterns.

A salad course was served to the following members: Mesdames Eugene Noland, Geo. McClesley, F. O. Wood, W. A. Massie, W. B. Sims, Eva Draffen, Bill Greene, Van Kennedy, Joe Cluck, Ben Hill, W. C. Stewart, H. C. Brumley and Leck Goldston.

Special guests were mesdames W. T. Clifford and Miss Elton Aiken.

## Willie Maude Pratt Celebrates Birthday

How precious are the days when one can celebrate their birthday and be proud to proclaim to the world their age. Those years slip away too rapidly and should be celebrated such as Miss Willie Maude Pratt did on October 7th, when she invited a number of friends in to commemorate her thirteenth birthday.

Arriving at the home of Mrs. R. L. Bigger at 6 o'clock a number of games were played in which Joe Ellen Kennedy was winner of the paper and pencil

contest and La Venre McMurtry in the stunts, even though it was difficult to decide which was the cleverest.

A beautiful three tiered chocolate cake centered the table where the guest found their places by favors of individual cakes with the nick names of girls molded on the icings.

After enjoying an ice course Mrs. Bigger chaperoned the girls to the Pastime Theatre where the picture of the evening was enjoyed by:

Misses Jo Ellen Kennedy, Dorothy Powell, Mary Frances Powell, Travis Dyer, Eugenia Noland, Mary Lois Hayter, Helen Louise Greene, Joy McCanne, Laverne McMurtry, Merrytom Atteberry, Vivian Cluck, Frances Sanford, and Willie Maude Pratt.

## Contract Bridge Club Celebrates Birthday

This week was an eventful one for the members of the Contract Club, since it was the second birthday of their club and they joyfully celebrated at the home of Mrs. T. H. Ellis, Wednesday afternoon.

The home was attractively arranged with dahlias and other garden flowers with a color scheme of pink and white predominating in the decorations as well as score cards.

Prize favors for the afternoon were awarded Mrs. W. H. Martin and Mrs. W. H. Cooke at the close of the games. Then the guests were invited into the dining room where they found a

table centered with a beautiful birthday cake decorated with two imposing lighted candles. A lovely afternoon lunch was served to the following:

Mrs. Charles Trent, Mrs. John Sims, Jr., Mrs. Kelly Chamberlain, Miss Mary Cooke, Miss Anna Moores, Miss Loraine Patrick, Mrs. W. H. Martin and Mrs. W. H. Cooke.

## Little Miss Morris Is Party Hostess

The wee young set enjoyed their share of frivolities the past week and among the very happy occasion was the party given by little Miss Cassandra Sims Morris, six-year-old daughter of Mr. and Mrs. James H. Morris.

All kinds of games, under the direction of Misses Willie Maude Pratt, Laverne and June McMurtry, were played and later the guests were invited into the dining room where pretty garden flowers added to the charm of a perfectly arranged tea-table.

The birthday cake with its six imposing candles surrounded by dolls and made even more enticing by Halloween decorations,

proved a feature of great interest to:

Cassandra Sims Morris, the hostess, Muffet Merrill, Carl and Noami Morris, Mary Frances and Al Word, Geraldine Clayton, Lewis Chamberlain, Annie Ree, Jean Dale and Helen Frances Porter, Billie Melton Bromley, Marion McCanne, Betty Caraway, Carl Marcelos Bennett, James Morris Jr. Stewart and Bobby Broad, La Venre and June McMurtry and Willie Maude Pratt.

## Woman's Auxiliary

The Woman's Auxiliary of the Presbyterian Church believe in making hay while the sun shines, thus realizing the need for bed clothing they are making quilts to be used for charitable purposes during the winter months.

Circle number one met in the home of Mrs. McCanne, Circle number two with Mrs. Fred Chamberlain. After a short devotional and lesson study the ladies spent the remainder of the afternoon in work on quilts.

Mrs. J. R. Porter transacted business in Pampa on Thursday.

**Business—Profes-  
sional Women Meet**

The Business and Professional  
Women's Club met in regular  
session at the Clarendon Hotel  
Tuesday evening at 6 p. m. with  
Miss Ida Harned and Mrs. B.  
G. Smith as hostesses. Halloween  
place cards and beautiful garden  
flowers made the tables very at-  
tractive.

In the absence of the President,  
Miss Norma Rhodes and both vice  
presidents, Mrs. B. G. Smith  
presided over the business session.  
A number of interesting reports  
were given, but the one given by  
Mrs. Mae Womack, Chairman of  
the Health Committee, announcing  
that a physical culture class  
would be organized among the  
club girls at an early date, was  
enthusiastically received.

The club voted to assist as  
hostess to the Club Room "42"  
Tournament on the evening of  
Nov. 6th and Misses Carrie Davis  
and Lotta Bourland were to be  
hostesses.  
After a lively discussion and  
much merriment the club voted  
to give a Halloween Dance at  
the opera house on Friday even-  
ing, Oct. 30, 1931. This created  
much enthusiasm among the mem-  
bers and this dance promises to  
be one of the most outstanding  
events during the Halloween sea-  
son.

Club adjourned earlier than us-  
ual as nearly the entire member-  
ship was anxious to attend the  
Little Theatre play at the College.

**School Affairs For  
Last Year Closed**

All school affairs for the school  
year of 1930-31 were closed in  
the office of the county Superin-  
tendent of this week. Mrs. Mc-  
Murtry also announced that the  
final payment of \$100 per scholastic  
fund had been received by the  
schools of the county, closing out  
the receipt of a total of \$1750 for  
the entire year.

Another item of finance was  
handled in this office Wednesday  
this coming under the head of  
High School tuition paid the High  
Schools of the County from the  
State-Aid fund of this amount.  
Lelia Lake receives \$319.25; Hed-  
ley receives \$135.00 and Clarendon  
receives \$750.25.  
Other matters of detail to com-  
plete the year's work were also  
brought to a close on October 14th  
to make way for the new year,  
which actually started near the  
first of September, but which in  
theory was begun with the close  
of the tax paying period on  
October 15th.

Mr. and Mrs. M. C. Stephenson  
and small daughter of Amarillo  
arrived Saturday for a short visit  
in the home of Mr. and Mrs.  
E. M. Ozier, parents of Mrs.  
Stephens. Mr. Stephens returned  
to Amarillo on Monday while Mrs.  
Stephens and daughter remained  
for a longer visit.

Y. E. McAdams Jr. of New  
Mexico was greeting old friends  
on our streets Tuesday. He had  
come for another load of house-  
hold effects and stopped for a  
few minutes visit with his friends  
who are missing him greatly on  
the school campus this year. Y.  
E. plans to enter Amarillo High  
School soon.

Mr. H. W. Taylor accompanied  
Mr. J. W. Martin and daughters  
to Claude on Tuesday.

Mrs. A. H. Baker returned last  
Sunday from California where she  
attended the bedside of a son who  
had received serious injuries in  
an automobile accident. At the  
time of her departure the son was  
greatly improved.

Editor and Mrs. T. T. Waggoner  
and son from Claude visited in  
the home of Mrs. Waggoner's par-  
ents, Mr. and Mrs. F. L. Be-  
hrens, Friday and left for Dallas  
on the evening train to attend  
Press Day Saturday at the State  
Fair.

Mr. and Mrs. Ralph Andis and  
son left Friday for Austin where  
Ralph attended to some business  
relative to the new trucking laws  
prevailing in the state. They re-  
turned to Dallas Saturday where  
Sunday was spent in taking in the  
sights at the State Fair.

Oh, Boy! Do I have friends? I have and how! It takes a catastrophe or some misfortune to really find out who are our real friends, I've been told, and I can truthfully say all my friends have passed the test with flying colors. It happened this way—after listening attentively to all the radio broadcasts concerning the outcome of the various football games of last Saturday and scanning the various daily newspapers Sunday morning in which I could find not a word concerning the outcome of the Rice-Texas football game at Austin, my friends—my pals helped me a great deal by volunteering the heart breaking information of dear old Alma Mater's humiliating defeat. Special thanks are due those who so kindly broke the sad news to me in the sympathetic atmosphere of my home via the telephone which buzzed so often throughout the Sabbath. Isn't it fine to have friends like these in times of darkness. May I have the opportunity ere too distant time to show my sincere appreciation.

It was a big help, ladies and gentlemen, as we had just lost a confectionery full of drinks on the failure of my and Mr. Mack's Philadelphia Athletics to deliver in the World's series. Yes sir, it was a dark week for SPORT SLANTS, and but for the particular kindness of our friends there is doubt that we would have survived.

and trotted out of bounds. McMahon gave the fans something to talk about with his fine drives through the line. This boy has been used for interference only this year and in the game Saturday proved that he can bang the line with nearly as much effectiveness as Nichols. He is fairly certain to get his share of leather lugging in the remaining games of the schedule.

This week end finds the Bronchos acting hosts to the Miami Warriors. Nothing very much is known of the Miami eleven other than they are always tough competition and plenty hard to beat. However the Bronchos should be in fine physical condition except Lloyd Benson who suffered a broken rib in the Amarillo fracas. Benson's injury will in all probability keep him from returning to the gridiron for three weeks anyway. The loss of this lad will be keenly felt by the club, but he will be back for the play-offs following the game with Wellington.

Another man showing up good this year is Behrens. This big fellow is a real end and when he takes the ball on an end around the majority of the opposition takes a good look at his cleats. He is pretty good on receiving passes too.

The most impressive tributes ever given any man were heard last Friday night over practically every radio station in the nation, in which the memory of Knute Rockney, one of the nation's greatest sportsmen and man builders, received the tributes from friends and admirers alike. The occasion was the eve of the great scoreless battle between the Rockne Riders from Notre Dame and the Northwestern Purple. Mrs. Rockne expressed her appreciation for the sympathy of the whole nation which was extended her and the two sons after the tragic air crash which robbed the sports world of its prince of the American gridiron. Another tribute which pulled the heart strings of the multitude of hearers was that given by Dick Hanley, Northwestern University coach, saying that players like Carideo, Brill, Mullins would be missed from the Notre Dame eleven and Hanley and Bruder from the Purple crew, but what he was going to miss more than anything was the warm handclasp from "Rock" with the challenge "Dick you'll have to have a real ball team to lick us today". Other tributes came from Hunk Anderson of Notre Dame and numerous others. The

S. M. U. band and student body paid their respects to the great Irish mentor when they stood with bowed heads during the half of the Simmons-Mustang game as the band played the Notre Dame Victory March. It was just one year ago at the time that the Mustangs were battling the combined forces of Carideo, Mullins, Savoldi, Brill and Rockne in a dedication game of the South Bend oval.

The battle of the hour is the Pampa Harvester-Amarillo Sandstorm this Saturday at Pampa. We choose the Sandies and believe they will win, but the game will be one to remember and play and replay time and again. Below is a part of a splendid editorial written by Olin Hinkle of the Pampa Daily News. It might easily be applied to the local Maroon and White—What do you think?

Listen to Rockne, that grand old wizard of the gridiron: "I tell you lads there are five types I do not want. And I say the first type I have in mind is the swelled head—the man who was a success a year ago and who is content to rest on his laurels, who wants to play on his reputation. Dry rot sets in and he ceases to make an effort. To that kind of boy there will come quite a shock, because the chances are there will be someone playing in his place.

"The second type of lad is the chronic complainer. He crabs at everyone but himself. And I say no organization can afford to have that type of man among them, because it is infectious.

"The third type is the quitter. The quitter is the fellow who wishes he could play, but who is not willing to pay the price. I tell the boys if any of that type is here he might just as well quit now and not wear out the equipment.

"And I do not want boys to dissipate physically or emotionally. I tell them that I have no brief against playing pool long hours in the afternoon, dancing half the night, or learning to drive automobiles with one hand, but that we have no time for it. If we are going to compete with organizations who do not do that sort of thing and who are saving all their energy for the contest, I say, do not dissipate any energy emotionally; and by that I mean that they should not give way to emotions such as jealousy, hatred, or anything of that kind. I say that this sort of thing destroys any organization, and then I tell them that we should look upon one another and be inspired by the fine qualities in those around us and forget about their faults.

"There is a sixth type of man who suffers from an inferiority complex. He generally comes from a small community and he says to himself: 'What chances have

I got to get on the first string for 33 men there, when there are 350 boys trying for it. I don't believe I can make it.' I say to them, 'You are just as good as any man out here.'

"There are certain types I do not want unless they change their habits. The first is the chap who offers alibis; the second—and I usually have a few of them—is the slicker, the mucker, who tries to get by playing unfair football. And I tell him that we cannot afford to have him on the team for he will bring discredit to the school and on our organization, and I also impress upon him that slugging and unfairness do not pay, either in a game or life after leaving school. And third there is the boy who lacks courage, who is afraid. Courage means to be afraid to do something and still going ahead and doing it. If a man has character, the right kind of energy, mental ability, he will learn that fear is something to overcome and not to run away from."

**TAX DOLLARS . . .**  
Paid for You by the West Texas Utilities Company

YOUR business is not the only one which has been faced with the serious problem of ever-mounting tax expenses. Since 1923, the year of this company's organization, taxes paid by the West Texas Utilities Company have increased over 1,200 per cent! In making these tax payments, the West Texas Utilities Company is contributing substantially to the cost of government . . . and relieving you of a considerable burden which otherwise would fall on your shoulders.

If the taxes paid annually by the West Texas Utilities Company could be applied by governmental agencies as efficiently as funds are handled by private enterprises, they would build for you each year: two large city high schools; three completely equipped ward schools; fifteen modern rural schools; a complete water system for a city of 12,000 population, or seven and one-half miles of standard concrete highway.

While this company has had to meet an ever-mounting tax bill and increased cost of equipment and materials . . . you, as a customer, have benefited by rate reductions which make this modern necessity available to you at an average cost sixty per cent lower than was charged before the organization of the West Texas Utilities Company!

Electric service will do your domestic, industrial or farm tasks more efficiently than they can be accomplished by any other method, and the entire cost of such splendid service can be figured in terms of pennies!

Out of every dollar you spend for service, approximately 10 cents is returned to the various governing bodies in the form of tax payments.

**Do You Know?**  
That the average cost of government per family in 1913 was 12 times the average family's electric bill—but that through increased political activities the cost of government to the average family is today 85 times greater than the cost of household electricity?  
That a reduction of 10% in the average family's household electric bill would amount to but \$2.50 a year; whereas a reduction of the political racketeering activities alone connected with the cost of government should decrease taxes at least 3%—a reduction sufficient to pay all the nation's household electric bill? Let's work on the political racketeers. There is the easiest place to save.

**Plenty In Donley County**

Yes, there's plenty of garden and farm produce in Donley County right now, but unless there is a general effort to can and preserve the surplus the days of plenty may not last long.

You will be doing your family a service by filling up your shelves with canned produce from your own farm and garden. It's good business. Good for you, good for Donley County, good for all of us.

**Maroon Peppers Performed Last Saturday**

At the game Saturday most of the Pep Squad girls wore their new uniforms. They also had the first stunt they have had this season. This consisted of forming a "C". The girls were divided into two lines and marched onto the field under the goal posts. The two lines met and formed the "C" near the fifty yard line. At this point, the Mascot, Betty Jo Bain, came onto the field wrapped in a Broncho blanket. After the "C" had been formed, the girls leaned over in domino formation and dropped the confetti. As the day was so windy most of the girls were still leaning over, they gave several yells. After they came up they sang "When the Old High School Team Falls in Line". They then marched off the field in two's led by the leaders, Marjorie White and Ruth Cautchen, with the Mascot walking between them.

**The "Old Timers" Enjoy Responsibility**

The past week, which was exam week, was a very busy one for the student body. The Sophs, as the work was entirely new to them, passed a miserable week of hard study, the Juniors passed a none too carefree week but the Seniors who have passed through many such weeks stood the strain of it better than any other classes. Each morning the Sophs could be seen wandering through the halls stopping every Junior or Senior they passed to ask how so and so gave an exam. Were they strict about grading and if the exam had to be taken in ink, and many other similar questions. But the Old Timers would be very nonchalant and say that so and so never gave hard exams nor did he care if one wrote in pencil and that the teachers in high school gave one half on a question for trying. Then the Soph would have a sigh of relief and stop the next person he saw to ask him the same questions. But the Old Timer would only shrug his shoulders and ask the next Old Timer he met why the teachers here always gave such hard exams and why they didn't appreciate one's efforts enough to give

**Press Club Meets. Hears News' Editor**

The recently organized Press Club of C. H. S. and C. J. C. met for the second time Monday afternoon at three-thirty. Dorothy Jo Taylor was elected reporter for the club, the election of the reporter having been postponed at the last meeting until a time when there were more members in the club.

The members of the club were very fortunate to have had the very fortunate in having Mr. Sam Braswell, Jr., speak to them at this meeting. As Sam is the city editor of The Clarendon News, the students were benefitted by a talk from one who knows a great deal about the editing of school news. He discussed the different parts of the paper, such as the feature story, the news leads, and editorials, separately giving requirements and essential characteristics of each. He ended his talk by answering the questions that were asked by different members of the club.

Those present at the last meeting were as follows: Geraldine Pratt, Jo Ella Stewart, Berkeley Ryan, Louise Smith, La Verne Lott, Dorothy Jo Taylor, Alfred McMurtry, Garland Wood, Bill Wood, Ansel Barton, Herbert Carlson, and Bill Word.

**AGRICULTURE REPORTS**

Most of the Agriculture pupils have finished their examination but a few have not because of having to gather crops. They have this week been studying poultry and hogs. Making a balanced ration for them and taking care of them.

**THE GOLD STANDARD**

Great Britain sought to show that it was smarter than Germany, in avoiding the collapse of its financial house of cards, by "temporarily" abandoning the gold standard. Sweden, Norway and Denmark have imitated Great Britain's action.

For more than a hundred years silver and gold were accepted on a definite ratio of value at the mint. Then came the 1896 battle for free silver led by William Jennings Bryan, and his defeat for the Presidency. After the 1900 elections bimetalism lost its appeal in America. The movement for the gold standard swept the big governments of the old world.

The world seems dumb enough, and today only the United States and France are "sitting pretty" with their gold piled high. That is because the people of other Nations think that their precious money is safe here and in France.

London, a few years ago, was the "greatest bank of the world" but when payments in gold were demanded in tremendous volume for international obligations Great Britain's money was placed on an equal value. When sterling fell in international values that meant all of Great Britain's money fell, including gold.

London defended its gold standard to the last ditch. Maybe America will, with profit, return to the study of bimetalism. Mary Naylor spent Sunday afternoon and evening in Amarillo

**Palo Duro Literary Society**

Meeting as usual in the society's club room, the members of the Palo Duro Literary Society enjoyed an interesting program. After the preliminary speeches of the president concerning old and new business the program was begun. Reading of the minutes—Pauline Shelton.

Whistling Solo—Mike Stricklin. Short Story—Lois Wallace. Piano Solo—Jonnie D. Latson. Vocal Solo—Silas Franklin. Jokes—Sis Andis. Critic's report—Lee McKnedy.

This year has shown a decided increase in the membership of the club. It is their boast that all their pledges become members; and still recruits are being added. Just last Wednesday night the Palo Duro Literary Society accepted Glen Allison and Sam Cautchen into its roll.

On the bulletin board is posted the program announcing a whistling solo and a Ukelele duet. Wednesday night certainly appears to be a promising evening.

**WOOD WORK IS JOB OF FIRST YEAR AGGIE**

The first year Agriculture class elected Garland Wood reporter for their room, Tuesday morning. The class has been doing jobs in wood working for the past week. Some of the pupils do such things as mending chairs, benches, hammers, and axes. Most of the pupils though are making bench hooks and nail boxes.

**AMOS 'N' ANDY STILL HEARD EVERY NIGHT AT 10**

Contrary to newspaper reports circulated around this section the past week, declaring that the popular radio entertainers, Amos 'n' Andy had been withheld from their nightly broadcast, is false and the Pensodent pair are continuing their nightly visit to the millions of homes at 10 o'clock.

A petition was signed by many prominent negroes protesting the black fare comedians, but nothing came of it and until further notice the exploits concerning the private life of Amos 'n' Andy will be heard each night except Sunday over the National Broadcasting Company's network at 10 p. m.

**Clarendon Bronchos Score Poor Victory Over Amarillo Yannigans**

By One Interested In the Success of the Maroon and White

The Bronchos defeated the Amarillo Yannigans 13 to 0 Saturday, October 10th at the College Park, in a slow, disappointing display of football. The difference between the teams was negligible and luck, not breaks, was responsible for the two Bronco scores. Displaying a ragged, lackadaisical offense that seemed never to function, and mental lapses that should have proved costly, the Bronchos seemed to be performing in a bewildered fashion that may prove fatal if it appears in later games.

It seems that the warriors of C. H. S. cannot stand prosperity. A win is certain to make them lazy and overconfident. For the next conflict, displaying none of the fight and concerted drives of former Bronco aggregations it is hard to make predictions for the district campaign. Wellington and either Shamrock or Memphis stand before the Bronchos and a Championship in this section. If they do not show marked improvement any of the three may soundly defeat them.

To single out a man who reported himself in a commendable fashion is nigh impossible; no one seemed interested in the outcome. On the other hand, to list those committing errors either of commission or omission, would be only to give the local roster. McMahan, E. Watson, Martin, Watters, and Mann were the more flagrant in the miserable display of gridiron activities. The victory proved costly, both Benson and Morris were forced to be sidelines with more or less severe injuries.

Fans let us all be out on Friday and see if we can't wake the Broncos up when they play Miami!

Pauline Slover returned to Hedley for the week end.

**First Year H. E. Class Is Honored In Party**

The second year Home Economics Class entertained with a party Friday night for the first year class. The pledge was read by the president, each member repeating it after her. Each first year student was blindfolded and led into a room where H. E. '31 was written on her leg, they next being led into the kitchen where her skill in spice testing was tested. Ushered into another room the students were asked to make a paper costume. They were judged by the second year class, the winner again being presented with a prize. Games occupied the rest of the evening. Then the students were told what they were to wear all next week as an initiation into the club.

**"More genuine satisfaction than any car I ever owned"**

**THE FORD** is good-looking. It is safe. Comfortable. Speedy. Reliable. Long-lived. Economical. Everything a good car should be.

There is, too, an added something about it that brings enthusiastic comments from every one who has ever driven a Ford . . . the joy it puts in motoring.

"I have been a car owner continuously for nearly 20 years," writes a motorist connected with a leading university. "During this period I have bought eleven new automobiles. Eight of the eleven were in the middle-price field, one cost three thousand dollars, and the last is a Ford I purchased thirteen months ago.

"In the light of this experience I can say in all sincerity that I have derived more genuine satisfaction from the Ford than any car I ever owned. In

saying this, I am thinking in terms of comfort, safety, driving pleasure, ease of control and economy. My next car will also be a Ford because it will give me what I want at a price I can afford to pay."

When you get behind the wheel of the Ford and drive it yourself you will know it is a truly remarkable car at a low price. You will like it when you first buy it. You will become more and more enthusiastic the longer you drive it.

After thousands of miles of driving you will say "it's a great car." Its economy will save you many dollars.

## Donley Club Woman Proves Canned Products Are Solution To Depression

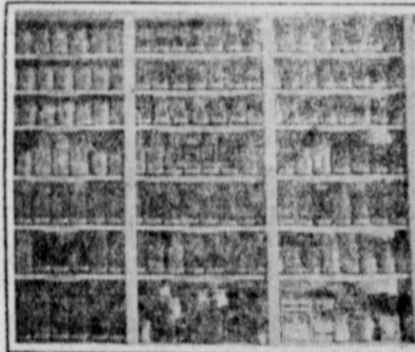

While there has been a great deal said about the prevailing discouraging condition existing in Donley county as well as over the entire nation, there are a number who have plied their time and energy to material opportunities and face the winter with its pessimistic outlook dimmed and all but obliterated through the ray of optimism which flashes from the well stocked larders and pantries of hundreds of Donley homes. Among the host of canners however, there stands one woman in these ranks who might well be titled, and rightly so, a Master Canner in Donley county. The lady of whom we speak is Mrs. June Taylor, mother of nine children, and keeper of one of the best organized and cleanest homes in the Panhandle. True, there are several who cannot greater quantities of food stocks this summer but these have been professional canners who have had the latest equipment suitable for greater quantities of the containers. Starting out this year with the intention of canning only enough products for customers to pay for her own canning supplies, this master canner unexpectedly found her canned products in great demand, especially to the housewives of Clarendon. The value of her goods quickly spread further through her regular customers and this list grew faster until soon Mrs. Taylor was deluged with orders for canned goods of all descriptions. Her already well filled days were turned into steady hours during which she worked with her pressure cooker and sealer between her time spent with the daily routine of housework. Interesting figures on Mrs. Taylor's activities were furnished through Miss Martha Buttrill,

capable and never tiring home demonstrator of Donley county. As the genial demonstrator revealed the following facts she visibly showed her admiration of this super-home maker's activities and proudly pointed to the accomplishments of this splendid club woman.

Taken from a study of the canning budget of Mrs. June Taylor, one finds that up until last Thursday morning the following had been sold: 350 No. 2 cans corn, 343 No. 2 cans tomatoes, 42 No. 2 cans pumpkin, 177 No. 2 cans shelled peas, 108 No. 3 cans shelled peas, 144 No. 2 cans butter beans, 62 No. 2 cans soup mixture, 70 No. 2 cans okra, 113 No. 2 snap peas, 5 No. 2 snap beans, 9 pints chili sauce, 18 pints catsup, 5 pints relish, 19 pints chowchow, 25 quarts pickles, 19 quarts snap pickles, 22 pints preserves, and 6 pints jelly. The Taylor's personal pantry boasts 1,054 pints of various products consisting of corn, tomatoes, snap bean, soup mixture, black eye peas, squash, pumpkin, butter beans, beets, tomatoes, relish, canned apples, watermelon products, tomato preserves, jellies, canned butter and okra.

Eight hundred and forty-three quarts of canned products have been sold by Mrs. Taylor which totals a gross return of slightly more than \$220.00. This total however, will be considerably higher before the canner is stored away for the winter as the okra season is just starting.

It is probable that next season will see a great expansion in the canning activities of this master canner's project. Plans are in the making for a new canning shed where later and more commodious canning and sealing equipment will be in operation.

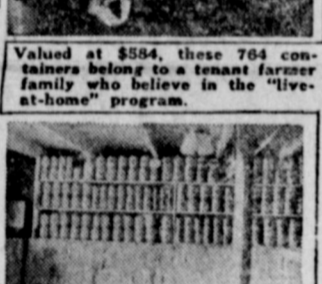

The 4-H Pantry of Mrs. S. A. Logan of Blue Ridge arranged to make easy the selection of food for a balanced meal for the family.

At Spur, in Dickens County, Mr. W. B. Lee, Chairman of the Agricultural Committee of the Texas Bankers' Association, had the Home Agent (left) and a Pantry Demonstrator (right) exhibit in his bank.

Valued at \$594, these 764 containers belong to a tenant farmer family who believe in the "live-at-home" program.

Here we see a cellar full of good food which is preserved by a W. L. Adams, a demonstration club woman in Wise County.

**Watermelon Pineapple Jam**  
1 qt. ground watermelon rind  
1 qt. sugar  
1 pt. sugar  
2 cups grated pineapple  
Remove all the pink and green from rind. Soak 5 hrs. in salt water. Drain and soak in clear water 2 hrs. Drain and cover with clear water and bring to boiling point. Drain and run through a food chopper using a coarse blade, combine sugar, rind, and water, and cook until mixture is clear and syrup is heavy, add pineapple and cook 10 minutes. The finished product should be amber in color and syrup thick.

**Watermelon Marmalade**  
4 cups coarsely ground rind  
4 apples peeled and chopped  
2 oranges quartered and sliced  
juice of three lemons  
4 cups sugar  
2 1/2 cups water  
Remove all green and pink from rind. Soak in salt water 2 hours, drain and soak in clear water 2 hours. Drain, grind, mix all the ingredients and cook slow until the fruit is done and liquid thick.

**Watermelon Rind Preserves**  
2 pounds rind cut in 1 inch cubes  
2 quarts sugar  
4 quarts water  
1 lemon sliced thin  
2 tablespoons lemon juice  
6-8 pieces root ginger, broken into 1/2 inch pieces  
Remove green and all pink. Soak in lime water over night. Drain and let stand in fresh cold water 2 hours. Drain, drop in boiling water, sugar, lemon juice and root ginger together. Cook until rind is tender and transparent and syrup thick—thick as honey. The last 15 minutes add slices of lemon. Put one piece of lemon and one piece of ginger in each jar.

**Watermelon Rind Sweet Pickles**  
7 pounds rind cut in 2 1/2 by 1/2 inch pieces or 1 by 1 1/2 inch pieces  
3 pints vinegar  
4 pounds sugar  
2 ounces whole cloves  
2 sticks cinnamon  
1 1/2 ounces root ginger  
Prepare rind same as for preserves. After boiling in clear water drop in hot pickle instead of syrup as for preserves.  
Salt Water: 3 tablespoons salt to 1 quart of water.  
Lime water: 1 tablespoon lime to 1 quart water.

**Watermelon Rind Garnishes**  
4 cups rind cut in 1/2 inch cubes, be sure to remove all pink and green coloring  
1 1/2 cups sugar  
1 cup water, add more later if needed  
Make syrup of sugar and water drop in rind and cook until tender. Add coloring and cook until transparent. Add flavoring and seal. Mint and cloves are used for flavoring and red and green for coloring most often.

**Candied Ginger Watermelon Rings**  
1 pound rind cut with doughnut cutter, use thick rinds  
1 1/2 cups sugar  
1/2 cup water  
4 tablespoons root ginger beaten up. Make a ginger tea by pouring boiling water over ginger and let steep 3 to 5 minutes.

Prepare rind by cutting all pink and green off, soak in lime water 3 hours. Drain and soak in fresh water 1 hour. Drain, cut rind and cook until tender in clear water. Make a syrup of sugar, water and tea. Boil 5 minutes and add rings and cook until transparent. Dry and slices on cloth in sun or in warm room about 24 hours, then drop in a crystallizing syrup.

**Crystallizing Syrup:**  
1 1/2 cups sugar  
1/2 cup water  
Cook until spins a thread, remove from fire and beat a few seconds. Dip slices in one at a time and coat. Evaporate any surplus moisture in slow oven. Do not pack until dry.

ed into the work with only the thought for a perfect job, and none of these splendid workers left anything undone to make it a first class job.

During the past two years not a single case has been lost at the hospital where the physicians had a fair chance at the patient. This record has been heralded far and wide and the Adair Hospital enjoys the reputation of one of the highest type institutions of its kind anywhere, both in service and equipment. This fact is not only attested to by our own splendid doctors and physicians, but visiting physicians of great prominence over the southwest have stated that Donley county's hospital, though not as large as some, features the very highest type of service and equipment second to none the country over.

The competent Hospital staff includes Mrs. Ruth Teat, Superintendent; Miss B. E. Mayers and Mrs. O. E. Harvey.

When enumerating the fine points of Donley county don't forget the Adair Hospital—it's an asset to the county impossible to be valued in any amount of money.

### DISTRICT COURT OPENS MONDAY

FAIRLY LIGHT DOCKET GREETS JUDGE FIRES IN OCT. TERM OF COURT

Next Monday marks the beginning of the October term of District court in what promises to be the lightest docket enjoyed by the court in a long period. Two snags also seem likely to hamper the smooth sailing of the court in disposing of its docket these being the murder trial of Oscar Brown and that of a case transferred to this district from the Memphis district on a change of venue. Only the latter is expected to produce a trial of much length, in it probably will be issued a special list of jurymen. Civil Court Docket carried over from March term 1931 to Oct. Realty Trust Company vs Mrs. Sally Haley, Foreclosure, on paving lien.

C. D. Shamburger Lumber Co. vs Dee Fletcher, Et-al, Suit on account.  
Foxworth-Galbraith Lumber Co. vs W. E. Bray and Ora E. Bray, Foreclosure on note.

Criminal Docket Carried Over From the March Term  
The State of Texas vs Oscar Brown, Murder.

The State of Texas vs Hal Walker and Sleepy McDaniel, Hog theft.

Divorce Docket October 19th.  
Abbie Parker Finucane vs James E. Finucane, Divorce.

Margeline McAllister Hodges vs Theodore (Ted) Roosevelt Hodges, Divorce.  
S. A. Eddings vs Mary Eddings, Divorce.

### BRONCHOS BEAT YANNIGANS 13-0

WITH VETERANS ON SIDE—LINE LOCALS PLAY IS SLOW AND UNIMPRESSIVE

Dropping back into the rut which has marked the difference of a championship team and that of just another football eleven, the Clarendon Bronchos nearly quit playing too soon last Saturday afternoon and with the aid of the timekeepers whistle left the field with a 13 to 0 victory over the Amarillo Yannigans. The thirteen points were piled up in the second quarter with Captain Nichols appearing in the role of rescuer, after the starting squad had failed to threaten. Nichols swept through the Yellow and Black for substantial gains aided by the sensational jaunts around the wings by the fleet footer Reid to place the ball in scoring position. Another crash through the center of the line and the first score resulted after which Reid carried the ball off the post over the bar for the extra point with a fortunate kick.

The second score came shortly after when Behrens showed the fans plenty of speed and clever running with a forty yard sprint after taking a short pass near the sideline. The Bronchos appeared to be entirely satisfied with the situation and began resting then and there for the coming encounters of the next few weeks. Their play had the earmarks of another game called hide the thimble—sometime they were warm to the spot where they should be but mostly their time was spent in wandering from one side of the line wondering where the thimble was as the Amarillo players were registering yards and yards at the expense of the energetic locals.

Of course Captain Nichols, Tony Watson, Andis were out most of the game and Lloyd Benson was injured and withdrawn from the attack soon after the opening minutes of play with a broken rib, but the line play was anything but up to standard for the Bronchos and he drive power, blocking and interference was practical ly of no help at all.

In the second half it was all Amarillo, stacking up six first downs to the Bronchos' four. In these periods the line gave way completely as the visitors shifted through time after time to rush and break up plays before being well started, punts were blocked and passers tackled before receivers could get into the open. As the sun edged the ball rasted inside the local's one yard line with Amarillo having two downs to make the counter following a six-five yard march down the field.

To partly off-set the disappointing showing of the locals the line plunging of McMahan brought delight to the hearts of the Maroon fans, who saw another ball carrying threat loom in the Broncho attack. Fred Reid turned in a fine game and featured some mighty fine tries around the Amarillo ends without anything but the moral support of his other colleagues.

Mr. M. M. Noble spent the week end in Amarillo with Mrs. Noble and other members of their family.
