Bronchos Whip Dalhart Thanksgiving

Santa Claus Begins Long Trip To Visit Donley Kiddies

REID TRAVELS 77 YARDS TO SCORE

WOLVES PUT UP WONDERFUL GAME AND THREATEN OFTEN TO SCORE

From 2:30 until 4:00 o'clock last Thursday the Clarendon High School Bronchos gave an exhibition on how to keep the Wolves away from the door and on one occasion sent one Fred Reid around end who galloped 77 yards and left the Dalhart contingent agast as this dashing young hero counted six points, rescued the lady of Victory from the Pack's lair and restored her queen of the Broncho Range for another year. This one thrill was the supreme achievement of the Maroon and White as they, all eleven of them, played the game of their respective careers. Battered about consistently throughout the first two periods, but stopping the Dalhart assaults when danger loomed, the Bronchos played on even terms with the defending champions during the last half and were driving steadily for their second touchdown as the gun terminated the play.

Captain Nichols won the toss and Reid kicked to Yarberry who returned 10 yards to Dalhart's 30 yard line. Starting off with a drive and power attack seldom seen in big school circles the Wolves marked up three first downs featuring beautiful line plays by Howell, Yarberry and Webster. While striving back against their own 20 yard line the Bronchos stiffened and took the ball on downs on the 21 yard strip. Nichols drove off right tackle for fifteen yards, but on the next play a 15 yard penalty nullified the gain. A fumble which Dalhart recovered presented the Wolves with an excellent scoring chance, but the Bronchos held and gained the ball, putting out of danger.

The second period found the Wolves using an effective aerial attack with Howell heaving and either Yarberry, Thompson or Brewer receiving. The second Dalhart advancement was killed on the four yard line where the Bronco forward wall held the terrific charges of the heavy Wolf backs. On an exchange of punts and a long Wolf pass over the goal line Clarendon received the ball on the 20 yard line where a series of small gains by Andis and Reid closed the first half of the 28 yard line.

Clarendon 0, Dalhart 0. Reid Kicks to Thompson to open the final half who returns 15 yards to the 25 yard line. The Wolves started another drive up the field adding two first downs with the aid of an off-side penalty. The Dalhart passes to the flat zones coupled with their hard line play continued to puzzle the Maroon defense and cause chills to run up and down the collective spines of the Clarendon fans. The Bronchos held and Dalhart punted out on the locals 17 yard line. On the first play Nichols smashed through center for six yards near the south side line. On the next play the ball was flipped to Reid who started on a sweeping end run. The Broncho

ROTARY PRESIDENT IS SPEAKER

INTERESTING SPEECHES ARE DELIVERED AT FRIDAY LUNCHEON

Rotarian A. T. Cole was in charge of the program for the regular Friday luncheon of the Rotary Club last week as chairman of the International Committee of the organization. As such he offered two splendid speakers in the person of Rotarian C. C. Powell and Rotary President J. C. Estlack. The former gave a recitation on an up to the minute question while the latter gave an interesting discourse on grape industry. President Estlack brought forth many new angles regarding this industry which met with the ready approval of the members present. The club enjoyed a short musical program and the meeting adjourned until this Friday.

LAMESA BOASTS GREAT RECORD

BOTH CLARENDON AND LAMESA ARE UNSCORED ON DISTRICT COMPETITION

With the District One honors carefully tucked away, the Bronchos are primed and ready to take the wind out of a rampaging Tornado which has caused destruction throughout the south plains and like the Bronchos brought their district title to the city of Lamesa. These same Tornadoes who have bowled over most all their competition this year have an enviable record and they too have won their District without having had their goal line crossed by conference opposition. The Lamesa Golden Tornado will attempt to hang the manes of the Bronchos on their trophy hook together with the Bi-District title tomorrow afternoon in the semi-final game for the regional honors with the Clarendon Bronchos. The game will be played on the College Park gridiron beginning at 2:30 o'clock.

According to the dope the Clarendon Bronchos will enter the game with a one touchdown disadvantage, but the advantage of playing the contest on the home field is expected to offset this "dope." Clarendon and Floydada played to a scoreless tie in an early season engagement and last week the Lamesa Tornadoes spilled the Floydada Whirlwinds for a 10-0 tie to clinch the District Two title.

Fully cognizant of what might happen should the local eleven suffer a let-down following its hard string of games, the local mentors, Frank Stocking and John Hutton have driven the Bronchos through stiff scrimmages in an effort to keep the morale of the team to its high standard. Although the power of the Lamesa invaders is an unknown quantity the coaches and players alike are determined that there will be no slip up, and this week has been spent in desperate preparation to ston the heralded wing plays and end runs featuring Captain Treadaway, sensational fullback of the Tornadoes, and punt returning of Marr, slippery and heady quarterback.

A large crowd is expected to come to Clarendon from nearby towns to watch the gridiron which will determine the football supremacy of the entire West Texas section. For the past number of years District Two teams have held the edge over the home section elevens, but the Maroon charges are determined that beginning with this year District Two will be pushed aside and District One football take its rightful place at the top of the heap.

Both teams are in excellent shape and as neither have had their goal lines crossed by Glass B teams, the winner of tomorrow's game will win the right to meet the winner of the Olney-Masonic Home game in the final contest to determine the regional winner, the final round in Class "B" football.

The usual line-up will probably take the field in the game this Friday.

GROCERY STORES WILL CLOSE FOR GAME. OTHERS?

As far as the Groceriesmen are concerned Clarendon and Donley county people can go hungry during the championship football game tomorrow afternoon, for Piggly Wiggly, "M" System, S. W. Lowe, Armstrong Grocery, Shelton & Sanford and Clifford & Ray will close their doors at 2:15 p. m. and take themselves to the College Park where they will remain until the last puff of the Lamesa Tornadoes has been stamped out by the Bronchos. With this splendid lead taken by the groceriesmen it is hoped that every business man will close his doors during the ball game and give himself and his help an opportunity to see the Bronchos in action. It is optional with the individual whether or not he closes for the two hours during the ball game, but it is hoped that every one will close and be out backing the Maroon and White.

Canning Demonstrations Get Results

In the eleven canning demonstrations held in November by the home demonstration clubs in the county 331 persons were present and 1,272 containers of food were put up. The demonstration at Hedley proved to be the largest attended event with 50 members present. The average attendance of these demonstrations was 30 people.

The total value of the goods canned amounted to \$608.40 with the expense running to \$112.75, thus a saving of \$495.65 was effected in the demonstrations with possibly the value of the actual benefit received running far above these figures.

Fourteen varieties of meats were canned including plain roast, stuffed roast, plain steak, swiss steak, minced meat, liver paste, soup stock, heart, tongue, stew, meat loaf, hamburger, chili and sandwich spread.

Fourteen persons were given help on canning meat. One hundred and fifty-four were present at the slaughter demonstrations, a goodly number of whom returned to their homes and canned their own supplies using the recipes used at the demonstrations.

Miss Martha Buttrill and T. R. Brown were in charge of the demonstrations.

The morning southbound passenger, No. 2, which formerly arrived at 7:45 a. m. arrives now at 8:01 a. m. Northbound passenger, No. 1, which formerly arrived in Clarendon at 7:27 p. m. arrives now at 6:08 p. m. No change has been made in the late southbound train which continues to arrive at 9:46 p. m.

OLD TIME LAND MARKS REMOVED THIS WEEK

The large trees which have been familiar landmarks for many years in front of the old J. B. McClelland land office, just east of the City Hall, are this week being cut down and removed by workmen. This leaves the little brown shack very neglected and lonesome in appearance—a sharp contrast to the busy days it has lived when present history was being born.

LEGION ENTERS CHARITY WORK

LOCAL LEGIONNAIRES TO OPERATE WITH UNITED CHARITIES THIS YEAR

Meeting Tuesday night in regular session, the Aubyn E. Clark Post of the American Legion completed preliminary preparations for their cooperation with the United Charities of Clarendon.

A central committee composed of P. B. Gentry, chairman, C. E. Miller and Ralph Kerbow, to take reports from sub-committees, men, in reporting all cases of needy children of ex-service men in Donley County. At the next regular meeting, December 15, final reports will be heard, and gifts assembled, consisting of candy, nuts, fruits, and toys. These will all be distributed at Christmas time by other workers.

The local post also is making an appeal for old clothes, and any person wishing to make such donations for any needy persons in the country, is asked to call Post Commander Nathan Cox or Ralph Andis, and they will call for them. These will be collected at the Legion Hall, to be turned over to the United Charities.

A committee was also appointed to meet in conjunction with committees from the Lions Club, with the Mayor and City Commission at an early date, in the matter of reestablishing our street lighting system, which was discontinued by the late Mayor, J. W. City commission.

Forty-two were present at the meeting Tuesday night, and other routine business was transacted.

TAX COLLECTOR IS PLEASED WITH RETURNS

The Tax Collector's department of Donley County is well pleased with the returns received the past week from tax payers who paid half of their total taxes by Nov. 30th. A total of ninety-four Donley tax payers paid half of their taxes with the remaining coming due in April. This number exceeded the expectations of the department by something over forty half payers. Those who failed to take advantage of this partial payment plan will find their taxes due in full in February.

Auto licenses for the coming year, beginning with the number 377,100 in Donley County, are here and will be ready for distribution this week end if the receipts are received from the printers when expected.

New Features In This Week's News

As announced a few weeks ago the readers of The Clarendon News will find some new and entertaining features in this week's issue of The News. The new features which will appear regularly in this, Donley County's greatest newspaper, are "Odd-But True", "Smilin' Charley", "The Family Next Door", and a weekly cartoon. These add considerably to the interest of the paper catching the entire family in its entertaining meshes.

Who but is not interested in the world of oddities? Loose will have a cartoon of interesting and odd happenings and facts each week of the year over which to pass many pleasant hours. And who but will not fall into the habit of looking forward each week to the pertinent sayings of your friend Smilin' Charley. Then there comes those interesting and neighborly characters to entertain the whole family each week in the comic strip, "The Family Next Door".

The News is pleased to present these added features for your pleasure and entertainment with the hope that they will add a wee bit to the joys of our friends throughout the new year.

Advertisers will find that these new interesting features will add much to readability of the paper therefore drawing attention to the messages directed to the reading public whom The News serves far more than any other publication.

State Supervisor Here December 14th

County School Superintendent, Mrs. Nora McClurthy, announces to all rural schools that on Monday, December 14th, State Supervisor Eilers will visit Donley county and make a survey of the county rural schools. Mr. Eilers will visit Donley county and make a survey of the county rural schools. Mr. Eilers will probably be in this county for a week or ten days.

Mrs. McClurthy points out that every rural school seeking state aid must be in operation at the time of the visitation of the Supervisor. Unless these schools are running no state aid will be considered at all.

All principals of rural schools are requested by the county superintendent to send lists, by grades, of all library and reference books on hand at once. These should be sent to the superintendent's office.

LIONS MEET IN NEW DEN TUESDAY

LIONS DECIDE TO SPONSOR BENEFIT SHOW DECEMBER 17TH

Everything was cozy and the Lions were in the best of spirits as they gathered in the building just north of the Caraway Bakery and Restaurant which will hereafter be the permanent den and meeting place for the club. New and fresh yall paper greeted the eye and made the new place even more attractive, and it is thought that with the completion of further repairs and decorations the new Lions home will be on of the most delightful club rooms to be found anywhere.

Lion H. T. Burton made the announcement that on Friday the Clarendon High School Bronchos would meet the Lamesa Tornadoes on the local field for the championship of the bi-district race. A tough game was promised and every one who could was urged to attend and help the locals win this title and get a crack at the Orphans Home. He also announced that the athletic council sponsored the tickets for the band on the special train last Thursday to Dalhart.

Lion C. J. Douglas stated that the absence of publicity of Clarendon in the recent issue of the Amarillo Daily News was brought forth forcibly to mind in a telephone conversation with that publication. Lion C. J. Douglas, who he said he thought that considerable mention would be given the Clarendon game in subsequent issues of the Amarillo News.

The report by the major activities committee on the furnishing of a room in the county hospital was made by Lion Clyde Douglas, stating that the furnishings were here and that arrangements were worked out in the committee to care for the transaction. The report was accepted and motion made to carry out the plans which was seconded and carried unanimously.

The question of a benefit picture show was brought up by Lion Homer Mulkey. This was explained and the Lions Club voted to sponsor the afternoon and evening performances on Thursday, December 17th, the proceeds going into the crippled children's fund of the organization. It was brought out that the films would be furnished by RKO producers free of charge, theatre and help donated by the Pastime Theatre, current donated by the West Texas Utilities, and tickets and advertising donated by The Clarendon News.

Guests for the day were introduced next as W. R. Krause of Panna and George Moffitt, visiting Lion from Chillicothe.

Ashtola Man Buried Tuesday Afternoon

Joe Lewis, section foreman for the Fort Worth and Denver railroad at Ashtola for the past sixteen years, and who died at a Fort Worth hospital Monday following an operation there in October, was buried here Tuesday afternoon from the Buntin Funeral Home. Services were held at two-thirty o'clock, conducted by Revs. G. H. Gattys and L. O. Lewis, and interment was in the Citizens Cemetery.

Mr. Lewis had been a trusted employee of the Denver road for the past thirty years and had spent the major portion of the time in the Panhandle and Donley County having been stationed at Clarendon before he was made section foreman at Ashtola sixteen years ago. He had no family or relatives, except those by adoption, having been a member of the W. A. Poovey household for many years, and who mourn his loss as much as would blood kin.

Joe Lewis, section foreman for the deceased was 67 years of age. Pall bearers were Ben Lovell, Tate Poovey, Leo Wallace, Gene Payne, L. P. White and Jno. White. The deceased was a kindly man and much loved and respected by his circle of friends and associates, as well as his employers. He will be greatly missed at Ashtola.

SANTA CLAUS WRITES THAT ALL SHOULD MAIL LETTERS NOW

Well, well, kiddies, just nine more days and that jolly old gentleman, Santa Claus will be in Clarendon. For on Saturday, December 12th, Santa will be right here in town meeting his little boy and girl friends who live in Donley county and other nearby places. And yes sir, he is going to have something for every kiddie he sees.

Santa has already started his long trip from the North Pole and here is a special news message just received by The Clarendon News which may be of some interest to the little folks of Clarendon and Donley county.

The old gentleman also is anxious for every little boy and girl in Donley county to write their Santa Claus' letters right now and bring or send them to the Clarendon News. Santa wants every one of them in the big Home Town Edition of The News to be published on next Thursday, the

10th. This issue of The News goes into every home in Donley county and with it will be carried interesting stories and features together with the Santa Claus letters of the Clarendon and Donley county kiddies. So don't forget boys and girls get you letters in right now so Santa will have plenty of time to read them.

SKAGWAY, Alaska, Dec. 2. (Special.)—Santa Claus rested here enroute to Clarendon, Texas, today after a hard two-day journey from his North Pole headquarters.

"Whew! This is a relief," he shouted merrily as he leaped from the sleigh, turned his panting reindeer over to the care of a well-coming committee, and grabbed up a tiny tot in each arm.

"I've seen snows," added the fat little man, stopping suddenly to talk to a local newspaper man, "but nothing like I came through yesterday. The snow was so deep and so fluffy that I could not see Prancer up there in the lead half the time. Finally I decided to stop and wait for the snow to get crusted on top so we could skim over it. While waiting, I rigged my radio and notified you of my delay.

"By the way, do I have a message from Clarendon?" "Here it is, sir," said a messenger boy with such snap and eagerness that Santa rewarded him with an airgun then and there.

"Ah, this is the stuff; they are making big plans to welcome me down in Clarendon," said Saint Nick as he read the telegram. "I am going to have a lot of fun with those children from Panhandle towns when I get to Clarendon. They are a fine lot and they'll be waiting for me—every one. I bet—when I ride down the street, I'll reward them too. I've sent many sleigh-loads of gifts to Clarendon and I'll distribute them Christmas eve.

"But I'm sleepy folks, and since I've got to get an early start tomorrow, I'm going to turn in."—Santa Claus.

Mr. and Mrs. Collie of Amarillo were guests of Dr. and Mrs. J. G. Sherman on Thursday.

Mrs. R. H. Carver has returned from a two weeks visit with her parents in Oklahoma.

A WORTHY RECORD

Aside from their clean, hard playing of heads-up football which has characterized the District Champion Clarendon High School football team this season, there has not been a single claim of unsportsmanship against any member of the team by any spectator, opponent or official.

This is indeed a worthy record. It reflects credit on the school authorities, the athletic coaches, the players and the town generally.

The Bronchos are truly championship in their attitude and rugged play and the entire community stands behind them as they plunge forward toward bi-sectional and regional honors.

NEXT WEEK IS OUR "BIG WEEK"

Next week is the "big week" of the year in the Clarendon News office, for on Thursday, Dec. 10th will be issued our 1931 Home Town Edition.

Already the staff is girding itself for some long hours and hard work to make the Edition just as good as it can be made under existing circumstances, and to make it truly representative of Clarendon and Donley County.

An almost unanimous representation of local advertisers will be found in its columns and we hope the contents of the news columns will be as unanimously enjoyed and appreciated.

THE SUPPORTING POWER OF FRIENDSHIP

How many of us realize just what an influence for good our friendships have upon our lives?

Many a man today strives a little harder to walk the "straight and narrow" paths of rectitude and right by reason of the powerful supporting influence of his friends.

Most of us appreciate our friends for the warm light of easy comradeship that we enjoy in daily contacts, but there is a more powerful reason why we should appreciate them—we should appreciate them most for the help, aid and assistance they give us in doing better work and living more useful and worthwhile lives—for doing right when we might more easily do wrong.

ALREADY LOTS OF DEBTS PAID

In spite of low prices for farm products and general financial distress this fall banks and merchants report quite a favorable percentage of accounts already paid in full, and partial payments on a great many more.

One of the heartening facts of the season is the determination of many to pay what they owe in spite of all difficulties—and they have been successful beyond what seemed at all possible a few months ago.

The heart of America is sound, men and women generally intend to pay what they owe and success is attending those who are frankly facing the situation and making a real effort toward liquidation.

Slowly the world is righting itself and each individual can contribute to better conditions and easier finances by doing everything in his power to be employed, to live normally, to pay accounts promptly and to look to the future with confidence and energy.

POLITICS BUZZING JUST BEFORE NEW YEAR'S DAY

With New Year's Day less than a month away there is considerably much political talk and activity in Texas and the Panhandle.

Mayor Shanks of Perryton and Rep. Dewey Young of Wellington are both feeling out their ground as aspirants for Clint Small's seat in the Texas Senate. Shanks is better known in the Panhandle, while Young has had more experience jumping hurdles at Austin.

Clint Small is still trying to get up his courage to cast loose from his comfortable seat in the senate and plunge into the swift stream of Texas politics in the hope of unseating Governor Sterling for his second term.

Senator Small has moved from Wellington to Amarillo, where he has formerly had very strong supporters in his political contests, but in the last few weeks there has been some open hostility against him for any office manifested by some of the leaders of that city, which coupled with the reaction over the Panhandle territory from the last governor's race, would give some credence to the statement that Small made his strongest bid in 1930.

All or none of these men may be candidates in 1932, but that is the way the indications point this late in 1931, according to the buzzing of the political bee.

Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the 10th of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas Industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

STORY NO. 10

Special To The Clarendon News
More of the people in the South are depending upon cotton than any other industry or commodity. Forty-five million acres are devoted to cotton, 3,381,000 farms, 16,000,000 people growing it, 17,132 cotton gins with their employees, and the multiplied thousands of men in the commission houses, and buyers' cooperatives who deal with this staple.

We raise 56 per cent of the world's cotton, which has necessitated the exportation of almost half of our crop. Owing to the intensive development in India and in Egypt with the lowest priced labor obtainable in the world, England, Japan, and France are buying less and less from us each year. Our low staple cotton today does not compare with the low grades of India cotton which an old customer, has now six million of acres, a gain of six-

ty per cent over 1930 in cotton acreage.

Curtailment of production for the next two years would not materially relieve the surplus that is now on hand. Our answer to this challenge is one word—CONSUMPTION. I have been reliably informed that if people of the South would wear cotton it would consume three and one-half million bales of cotton. To substitute cotton where jute is now used would consume another million and one-half bales of cotton. This would almost equal our exportable surplus.

What would it mean if the North also followed our example? We must set them the example. They are to a great extent dependent upon cotton because 25 per cent of the industries of the United States use it. 35 per cent of the manufactured values come from cotton. Our prosperity is reflected in buying power that builds their industries.

It is like the man who was asked how he got into his Austin car. He replied that he did not get into it, that he put it on; and that's what we have to do with cotton.

When are we going to wake up?

EUGENIE HATS TO GO

Here's a bit of good news for ladies who can afford to throw their Empress Eugenie hats away. They are going out of style. So we are assured by Lucien Lelong, famed Paris fashion authority, who recently arrived in New York to confirm what American fashion experts have been saying already.

Of all the creations foisted upon an unsuspecting public in recent years, the Empress Eugenie hat is about the ugliest. Somewhere there may be a woman who really looks good in one, but if this is so she would look better in some other mode of headgear.

Commenting on Lelong's pronouncement, the Outlook speculates on the reason for the short life of the Eugenie fashion. It suggests several reasons, but concludes that the ladies have regained their sense of humor and now see the ghastly jokes the Parisians played on them.

And in the present depressed state of affairs it was all the more cruel to lead folks to spend good money on such monstrosity as the Empress Eugenie sky-niece.

Entertainment In Odos Caraway Home.

Ten years ago next New Year's eve, Mr. and Mrs. John F. Blocker invited a group of friends to meet at their ranch-home to watch the old year out and the new year in, little dreaming that out of the meeting would materialize a 500 club with the original group meeting ten years later for a Thanksgiving feast, for such was that given by Mr. and Mrs. Odos Caraway at their beautiful new home on last Saturday evening with all members of the original group being present.

The dinner-table was centered with a bowl of luscious fruit which did not detract in the least from the well filled plates served the guests.

Games of 500 followed with Mrs. A. L. Chase winning high score and Mrs. J. T. Sims consolation for ladies. Among the men Mr. J. T. Sims played high and Mr. J. F. Blocker received consolation.

Attending were: Mr. and Mrs. A. L. Chase, Mr. and Mrs. George A. Ryan, Mr. and Mrs. J. F. Blocker, Mr. and Mrs. James Trent, Mr. and Mrs. J. T. Sims, and Mrs. W. H. Patrick.

Thanksgiving Party Enjoyed by Many.

Another enjoyable evening to add to the Thanksgiving holiday was that enjoyed by members of the Konzenial Kard Klub at the lovely home of Mr. and Mrs. P. L. Chamberlain on Wednesday evening when each member took a dish to add to those prepared by the hostess making an elaborate turkey dinner fit for a king.

Thanksgiving motifs and color were used to make the table more attractive and the party more enjoyable.

Games of Auction Bridge followed with Mrs. Clyde Price and Mr. C. E. Miller holding high scores at the close.

To enjoy this were: Mr. and Mrs. C. E. Miller, Mr. and Mrs. Charles Trent, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Clyde Price, Mr. and Mrs. Forest Sawyer, Mrs. Richard Bell and Mr. John Hutton.

Pathfinder Club In Judicial Pageant.

"Thou too; sail on, O Ship of State! Sail on, O Union, Strong and Great!"

By Longfellow was the motto under which the Judicial Pageant was given by members of the Pathfinder Club on Friday afternoon with Mesdames J. G. Herman, Nathan Cox, J. A. Thompson and Fred Rathjen as hostesses.

With gowns and costumes in duplication of those worn by justices of the Supreme Court the ladies created a very striking scene. This program had been worked out for the pleasure of the Woman's Culture Club of Memphis, but due to the inclement weather these ladies were unable to attend, however the pageant was presented, much to the pleasure of other members of the club.

Those participating were:

Mr. Cagle Honored Friday Evening.

Perhaps the most informal and enjoyable social affair of the Thanksgiving holidays was that given by Mr. and Mrs. Van Kennedy at their home on Friday evening honoring their uncle, Mr. J. A. Cagle of Greenville, Texas who at the time was a guest in their home.

Mr. and Mrs. Kennedy were fortunate in that a number of Mr. Cagle's former schoolmates lived here and to them it was a real treat to be together again for an evening of "old time visiting", Reminiscences dating as far back as "ox-cart days" were recalled and narrated for the benefit of other members of the party some of whom were not familiar with ox-cart days.

For further entertainment of Mr. Cagle a miscellaneous program had been arranged and was as follows:

Song by College quartette, composed of Misses Wilma and Cecil Hukel, Jean Bourland, Carroll Holder, Messers James Smith, Sam Cauthen, Floyd Keener and Bill Word, with Miss Anna Moores director and Fray Stillins accompanist.

Forty-Two Club Entertained.

Though the regular meeting date of the "42" Club fell on Thanksgiving evening the party was postponed until Friday so that members might attend the football tilt in Dalhart, thus was the occasion for an elaborate Thanksgiving dinner at the home of Mr. and Mrs. Bill Greene.

Turkey with all its trimmings, together with everything good to make a well balanced meal and still feel that one had indulged in perhaps one spoonful too much which is prevalent at this time of the year, was served from a long table centered with a bowl filled with dainty garden flowers.

At the conclusion of the meal games of "42" were enjoyed until a late hour. Enjoying this affair were:

Mr. and Mrs. J. T. Patman, Mr. and Mrs. R. Wilkerson, Mr. and Mrs. A. A. Mays, Dr. and J. G. Sherman, Mr. and Mrs. C. E. Killough, Mr. and Mrs. H. B. Kerbow.

Mrs. U. J. Boston, Mrs. B. G. Smith, Mrs. Eva Rhodes, Miss Rhoda Weidman, Loraine Thornton, and Mr. and Mrs. M. M. Noble.

Josey - Allen.

Of considerable interest to Clarendon and Donley county is the announcement of the marriage of Miss Eula Allen to Mr. Grady L. Josey of Hedley.

The young couple were united in a ceremony at Hollis, Oklahoma, on June 20th, the marriage being kept a secret and coming as a surprise to the many friends of the bride and groom.

Mrs. Josey is the popular and accomplished daughter of Mr. and Mrs. G. M. Allen of the Sunnview community. She received her education in the Clarendon schools, graduating from Clarendon High School with the class of 1926 and received her diploma from Clarendon College in 1929.

For the past few years Mrs. Josey has been engaged in the teaching profession, being a member of the Grandview school, Gray County, at the present time. Mr. Josey is the son of Mr. and Mrs. M. A. Josey of Brownsville and formerly of Windy Valley. Mr. and Mrs. Josey will make their home near Hedley until December 15th when they will move their home to Brownsville where Mr. Josey will be engaged in the farming industry.

The young couple have a host of friends who extend congratulations and wish them all the success and happiness life affords.

Clyde Naylor and C. G. Atteberry of Pampa were visitors in our city Sunday.

LOST 20 LBS. OF FAT IN JUST 4 WEEKS

Mrs. Mae West of St. Louis, Mo., writes: "I am only 28 years old and weighed 170 lbs. until taking one box of Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast—an 85 cent bottle lasts 4 weeks—you can get Kruschen at all druggists in America. If not joyfully satisfied after the first bottle—money back.

CHILDREN CRY FOR IT—

Fletcher's CASTORIA

CHILDREN hate to take medicine
as a rule, but every child loves
the taste of Castoria. And this pure
vegetable preparation is just as good
as it tastes; just as bland and just as
harmless as the recipe reads.
When Baby's cry warns of colic,
a few drops of Castoria has him
soothed, asleep again in a jiffy. Nothing
is more valuable in diarrhea.
When coated tongue or bad breath
tell of constipation, invoke its gentle
aid to cleanse and regulate a child's
bowels. In colds or children's diseases,
you should use it to keep the system
from clogging.
Castoria is sold in every drugstore;
the genuine always bears Chas. H.
Fletcher's signature.

WOMAN SOCIETY

An Enjoyable Reception

The royal hospitality that has
ever marked the Panhandle Coun-
try was the keynote of a beau-
tiful and hospitable reception
given on Monday of this week
by the Sunday School as a repre-
sentative of the Methodist church,
for members of the church in hon-
or of Rev. and Mrs. Beavers and
Rev. and Mrs. E. B. Bowen. Mr.

Book Tea An Elaborate Affair

A Book-Tea, something new for
our city was given by members
of the 1926 Book Club on Tuesday
afternoon at the club-room with
much interest being manifested in
the showing of the books, which
was extremely gratifying to mem-
bers of the club, who worked so
hard to make the tea a success.
The club-room made a pretty
back ground for the guests with
decorations of tinsel, cedar and
other suggestions of Christmas.
The color scheme of green and
red being effectively carried out
on the tea-table, covered with a
beautiful lace cloth, with a bowl
of poinsettas banked with tinsel
and four tall red tapers casting
a soft glow over all, making a
charming setting for the silver
appointments.
A nice assortment of books, suit-
able for children was displayed
on small decorated tables from
which one could make their
selections.

the weather was ideal for such a
trip, that the ladies attacked
their needle work with much zeal
while remarks were made concern-
ing the surrounding country and
other topics of interest.
A dainty salad course also de-
lighted the following guests be-
fore their return home.

PRE-MED TEST TO BE GIVEN HERE DEC. 11TH

On December 11th throughout
the United States the Medical
Aptitude Test of the Association
of American Medical College will
be given in more than six hundred
colleges to all premedical students
who expect to apply for admission
to practically all the medical
schools, and since it will be given
only once a year, all students
who expect to apply for entrance
by next fall should take the test
at this time. (If you are undecided
as to whether you will apply or
not, you had better take the
test.) Failure to take it will
handicap your chances for admis-
sion to practically all the medical
schools and will prevent your
admission to a number of the
schools.

The tests will be given at Clar-
endon Junior College, Room No.
7, under the supervision of W. A.
Clark, Jr. The test will require
slightly less than two hours. Each
student should bring with him two
well-sharpened pencils and the
fee of one dollar to defray the
necessary expenses of the Associa-
tion in the preparation, adminis-
tration and interpreting of the
test. Students are requested to
be in their seats promptly so that
fees may be collected, papers dis-
tributed, and all may begin the
test simultaneously without con-
fusion and under the most favor-
able conditions for all.
Woe Winsome Sammie Jean ar-
rived November 21 to make her
home with Mr. and Mrs. Sam
Allen.

Southwest Review Has Interesting Articles Recently

As the newspapers of the nation display front-page headlines dealing with the recent decision of the Interstate Commerce Commission on the railroad rate situation, the Southwest Review announces as the lead article in the Fall number, which will be ready for distribution in a few days, "Streaks of Rust," by Charles Spence. Mr. Spence is an attorney who has made an exhaustive study of the railroads of America, and is well qualified to discuss the problems of government intervention. In this simple but scholarly essay, the author outlines important railroad legislation of the past thirty years as a background for the present plight of the railroads, and discusses their relation to busses and water transportation. His conclusion is that the recent decision is only a temporary measure, and that proper changes in our economic system are necessary if the railroads are to be saved from becoming mere "streaks of rust."

The same issue of the Review will contain an essay by John S. Mayfield, entitled "Sidney Lanier in Texas," which sheds new and interesting light on Lanier's visit to San Antonio in 1872-73. Mr. Mayfield draws a fascinating picture of San Antonio in that stirring era, and quotes from the Southern poet's vivid

Too Much ACID

MANY people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Phillips Milk of Magnesia. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes many times its volume in stomach acids, and at once. The symptoms disappear in five minutes.

You will never use crude methods when you know this better method. And you will never suffer from excess acid when you prove out this easy relief.

Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians for 50 years in correcting acid stomachs. The bottle has any drugstore. Milk of Magnesia has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company since 1875.

Congratulations to the Bronchos! It was a wonderful victory they won on Thanksgiving day when they overcame great odds to defeat the powerful Dalhart Wolves to win the District championship. It is a great bunch of boys, these Bronchos, and it was a greater game they exhibited in bringing home the coveted flag. Sports Slants believes that the city of Clarendon is proud of their splendid record and as a token of this appreciation we believe the football fans of the city could no better show such than from presenting the lads with gold miniature footballs.

The boys have gone through a hard schedule and without an exception have given their best in the most sportsmanlike manner. They have brought credit and honor to themselves and their school and Clarendon has received a great deal of fine advertising from the efforts of this splendid band of Bronchos and the two coaches.

What do you say, Broncho Fans, don't the boys deserve gold footballs this season? The best will not be great, and it will be an appreciation for their great work this season. Who'll be first!

It was a fine piece of work by the Clarendon Chamber of Commerce, Clyde Douglas as President and G. L. Boykin as Secretary, in getting the special train to Dalhart. Much credit is due the 35 business men who put their name on the dotted line to insure the train too. It all goes to show just what might be done here if every one will put aside their petty jealousies and work together.

Possibly no one enjoyed the trip to Dalhart more than Mr. Jerome Price, general manager of the city of Clarendon. Jerome had the time of his life keeping things running straight and added no little to the success of the venture. Every one is positive that his presence in Dalhart was in a large measure responsible for the Bronchos win over the Wolves although Mr. Price told us he couldn't go to the game because he wasn't taking any chances of getting lost from that train.

One of the finest things about the game was the fine spirit displayed by the Dalhart team and fans after being defeated. Nothing but praise was heard from any quarter. Even though they were stunned beyond words by the game results they never at any time detracted from the power and success of the Clarendon team.

Folks, every city in the world could take a lesson from the Dalhart people in the proper way to be the perfect hosts. Never have we seen such a welcome and every courtesy awaiting the visitor like it was in the Dallam county metropolis last Thursday.

Dalhart has one of the best backfields in the state embodying all the requirements for first class football players, however their line failed to live up to advance notices which in a large measure contributed to their defeat.

Every one of the Bronchos was a star for a full sixty minutes and the win was the equal result of every man's duty performed perfectly. No Broncho took the full share of the compliments paid by Clarendon fans—always referring the praise to other members of the team. That is the ideal spirit for a successful eleven and the Bronchos have that for the first time in years.

Boy how Tove and Lovd did smear those Wolves interferers and a number of times bring the carrier to earth too.

ing, and Jonny Marr, heady field general of the invaders. And another thing—the Bronchos will not get a chance to beat the Masonic Home eleven unless a victory is registered tomorrow. How about it, Bronchos? Now is the time to show the folks at home how you have been winning these games away from home. And if you don't deliver Friday there'll be a gang in this town who'll never believe anything Holman Kennedy or I tell again.

I told you so on how the Southwest Conference would turn out, and how this Class "A" was going to end. Amarillo all the time—and I still believe the Bronchos are the third strongest eleven in West Texas—second only to the Westerners and Sandies.

CRAFTY LAMESA TEAM ON WAY

COACH McCOLLUM AND TORNADOES WILL WORK OUT IN AMARILLO TODAY

By Vic Lamb
Lamesa Reporter Staff
LAMESA, Tex., Dec. 2.—(Special to the News)—Coach F. T. McCollum and his aid de camp, L. F. Gregg, will leave here Thursday at noon accompanying 20 Golden Tornado players to invade Clarendon's corral for a contest to decide the championship of District 1 and 2, Class B Friday.

Both teams have the same record of holding all Class B opponents from crossing their goal this season. Only Class A squads have scored on Lamesa this year. The much publicized Lubbock Westerners ran rough shod over Lamesa 32 to 0 and the Big Spring Steers, another strong major high school machine, defeated the locals 13 to 0. McCollum stated before leaving here that he was not certain of a victory. "We will be playing good ball if we hold them to three touchdowns," he said. Upsetting South Plains dope, Lamesa won over three conference opponents this year after entering the match with odds against them. They put down Brownfield, 6 to 0, for the southwest quadrant prize; Post, 10 to 0 for the south half title, and Floydada, 6 to 0, for district honors. In each game, outstanding defense tactics saved the day for the Dawson county crew.

The Gold and Black does not boast of a strong reserve squad, having only a handful of men to replace regulars. The District Champs this season are the second product to win honors for McCollum, the other squad losing to Hereford in bi-district finals in 1928. This season's squad was practically built from the ground up, since only two men reported back to slip the spiked shoes on their feet from last year's regulars.

Lamesa's backfield is comprised of "Red" Moore, lumbering half-back, one of the regulars of last year; Capt. David Treadway, fullback, the other old timer; Cox, halfback, and Johnny Marr, quarter. Ends for Lamesa are Lowrimore, Medlin and Koger. The first two men swap turns on the field. Borden and Boswell have the job of defense at tackles and Jordan and Gable play guards. Conklin and Womack take turns as center.

Postmaster Gives New Train Schedule

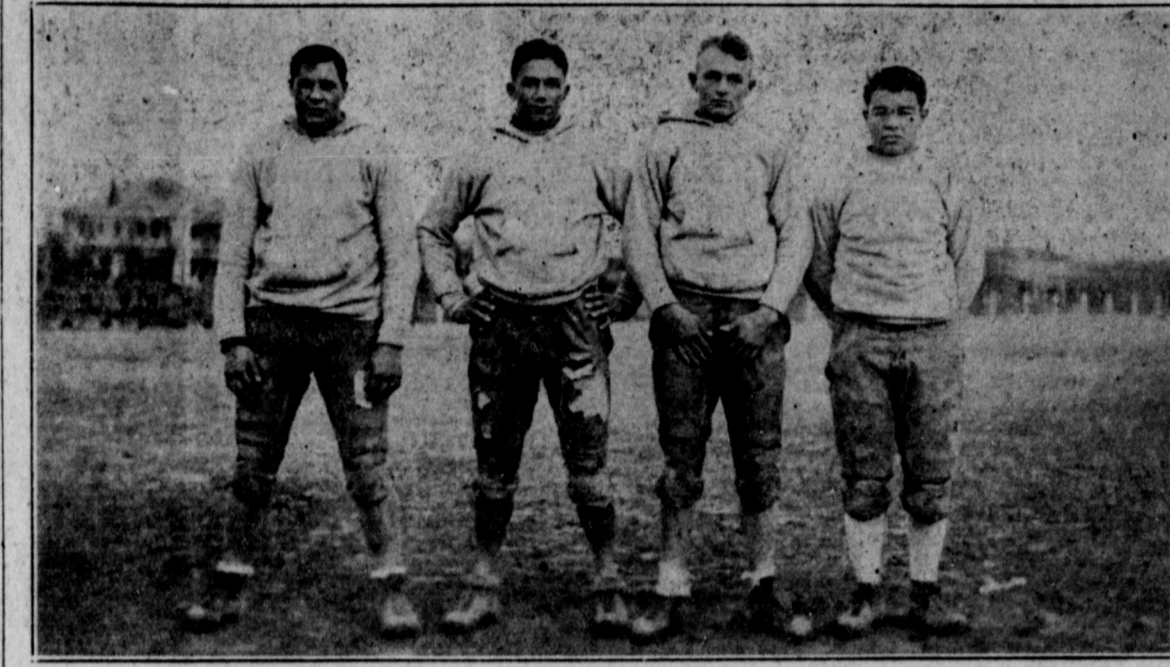

Postmaster C. H. Bugbee, in discussing the new changes in the train schedules, has asked The Clarendon News to make the following statement concerning the time letters and packages should be mailed in order to get off on the north bound passenger. Heretofore letters mailed by 7:00 o'clock each evening was sent off on the 7:35 north bound train, but the new change makes it imperative that any mail will have to be in the office by 5:30 o'clock each afternoon to make the north bound train.

DALHART PROVES WONDERFUL HOST

LOCAL CITIZENS GIVEN KEY TO CITY BY DALHART PEOPLE THANKSGIVING

The warm welcome extended the two hundred Clarendon citizens by the Dalhart people and their unparalleled sportsmanship won the hearts of every Clarendon person who visited that splendid city on last Thursday for the primary purpose of backing the Bronchos in their Turkey Day encounter with the Dalhart Wolves for the supremacy of District One. Clarendon expected a fine welcome from the Dallam County metropolis, for their splendid sportsmanship had been heralded far and wide, but the north Texans even outdid themselves in making the several hours stay of the Clarendon people in their midst one of pleasure that will live long in the hearts and memories of the local football fans.

Upon the arrival of the Football Special the 200 Broncho fans disembarked from the seven coach train to find the depot crowded with 400 Dalhart citizens, each anxious to be of some courteous service to their visitors. Some two or three hundred automobiles were on hand and whisked those who declined to face the elements in a parade up the business section, to their hotel in enclosed cars. Not content with this show of welcome the Dalhartans continued their hospitality where even a Clarendon person appeared. Then at the game only the finest of

rivalry existed between the two teams and the sidelines alike.

Stunned with the defeat of their great Wolves eleven, the host city not for one minute forgot their role of the perfect host and congratulated the Bronchos and the local people for the truly wonderful gridiron victory.

As time grew near for the special train carrying the victorious District Champions and their happy followers the Dalhart citizens

BRONCHOS DOWN DALHART 7 TO 0

75 YARD DASH BY REID GIVES WIN TO BRONCHOS

The Clarendon Bronchos defeated the Dalhart Wolves 7 to 0 on Turkey Day for the title of District Champions, and the right to meet Lamesa for Bi-District Title.

Despite the fact that the Wolves seemed to out play the Bronchos and twice threatened the Bronchos, when in the second quarter the Wolves advanced to the four yard line with passes from Howell to Yarberry, and Brewer to Thompson, the Bronchos held the Wolves on the one yard line and on an exchange of punts got the ball on their 20 yard line.

The Wolves received the starting kick off and advanced the ball for three first downs before they were stopped by the Bronchos. With the exception of the gain made by the Dalhart passes neither team gained very much yardage and the half ended 0 to 0.

Dalhart received again in the second half with Tompson returning the kick-off for 15 yards. A pass from Howell to Tompson netted 8 yards, and a five yard penalty gave the Wolves a first down. The Bronchos held the Wolves for downs and on the first play Nichols gained 5 yards. On the next play Reid took the ball on his 25 yard line and went around left end with perfect interference for 75 yards and a touchdown. Reid made the extra point with a perfect place kick. Dalhart came back strong on the kick off and after an exchange of punts placed the ball on the Clarendon 4 yard line. A fumble by Yarberry set the Wolves back for ten yards, and the Bronchos held them for downs. In the last few minutes of the game the ball was in the Bronchos possession, and they were steadily marching down the field when the game ended.

Dalhart was penalized for a total of 25 yards while the Bronchos received a total of 55 yards. The Wolves made 12 first downs against the Bronchos six. Dalhart completed 12 of 21 attempt passes and one was intercepted by Clarendon. Clarendon completed her only attempt pass.

The officials were Gib Jackson, T. C. U. referee; Walker, T. C. U. umpire, and De Ford, S. M. U. head linesman.

BRONCS MEET LAMESA FRIDAY

The Lamesa Tornados will meet the local Bronchos on Friday afternoon at College Park. The game is called for 2:30 o'clock. The winner of this game is to be the Bi-District champions and has the privilege of meeting the winner of the Olney-Masonic Home, of Fort Worth, game for Regional Championship where the Class B games end.

According to the dope the Bronchos are the under dogs of this game as Lamesa defeated Floydada 6 to 0 while the Bronchos were held to a scoreless tie. Despite this fact the Bronchos are determined to win this game. It will be one of the hardest games ever played on the Clarendon gridiron and promises many thrills and spills.

Fans, if you want the Bronchos to win come out and back them. Let's back the Bronchos for Regional Champions!!! Yea, Bronchos, fight 'em!!!!

Some of the students who attended the football game at Dalhart were Lucile A. Williams, Elizabeth Kemp, Roberta LaFon, Dorothy Jo Taylor, Hazel Gilbert, Eunice Johnson, Julia Mae Caraway, Roy Starnell, Sam Caithen, Benton Smith, Phifer Estlack, James Smith, and Bill Wood.

Mrs. Frank Stocking and Miss Helen Martin were also at the Clarendon-Dalhart game.

Helen Bales attended the Teachers Association in Amarillo.

Alpha Delta Psi Society Activities

What do Alpha Delta Psians care for snow? Amid the snow and sleet ten of the braver and more daring Psians met for their weekly meeting at the usual place and time. Even though every one shivered from cold, an unusually interesting program was presented.

"In the Gloaming", "Loves Old Sweet Song", "Jingle Bells", "Hard Times Come Again No More", and "When You and I Were Young Maggie" were sung by the entire group. The hearts of all were greatly touched by Loree Ham's vocal solo, "Kiss Me Good-Night, Not Good-by". Ansel Barton gave a number of facts about Thanksgiving Day that no one present had ever thought about. Every one knew that Thanksgiving Day was always the last Thursday of November, but no one had thought of it being the fourth Thursday, always. Also it was found that Lincoln was the first president to observe this day for Thanksgiving.

Mr. Carver, in a very polite and nice way, told how the society could be improved. A much keener interest was felt by every one at the close of the meeting than at the beginning. In the absence of the critic everyone gave his opinion of the program. A very educational debate will be given next week. Resolved: That "Old Maids Are of More Benefit in Society Than Old Bachelors" is the question. With Barbara Smith and Pauline Slover affirmative and Ansel Barton and Benton Smith negative, this promises to be a real treat.

After leaving the school house every one enjoyed a tram through the snow to town. A lunch, consisting of hamburgers was the delight of the evening.

WHY DO STUDENTS ATTEND SCHOOL?

We had always thought that after boys and girls entered college, they were going to school with the intention of improving their minds and enlarging their fund of knowledge. It seemed that boys and girls of college age were old enough to stop going to school merely because it was the usual thing to do, and to begin looking at it as a privilege—an opportunity to prepare themselves for higher things.

But now we are learning that this is not the case. It seems that college students lose sight of the fact that attending school is a great privilege. Statistics give us the sad facts that college students do not make the most of their opportunity, but that most of them emerge no wiser than they began. They seem to be more interested in the social phase of college life.

In our own school here we are glad to say that our old ideas of why a student goes to school is the one that applies.

Although the students here do enjoy the various social affairs—which is just as it should be—they seem interested in their work for its improving qualities. They are always ready to do any outside work which they think is helpful and it appears that they try to make immediate application of what they learn.

So far as we know, the local instructors are pleased with the average students of Clarendon Junior College.

Pep Rally Tonight At 6:30 Will Spur Bronchos To Victory Over Tornados

A mammoth pep rally will be held this evening at 6:30 at the college in an attempt to spur the Bronchos to another victory and bring the Bi-District title to Clarendon for the first time. A huge bon fire will feature the enthusiastic meeting and every backer of the Bronchos are urged to come out and enter into the spirit of the occasion. The team members will be present and will be called upon to make short speeches and it is possible that the Lamesa squad will also be on hand to add to the football spirit.

PEP SQUAD ACTIVITIES

While little has been reported concerning the activities of the Broncho Pep Squad team, much has been done. Pep rallies and enthusiastic meetings have inspired the girls to do their share toward the victories of the home team.

On the special train to Dalhart Thanksgiving Day, members of the Pep Squad paced the aisles continuously with shouts of: Pop Corn! Candy! Apples! Oranges! Cheering Gum! And it even went to the point where they passed around the cigars. Everyone on the train seemed to catch the enthusiasm of the girls; and on every coat and lapel were pinned maroon and white ribbons, arms bands, and C. H. S. tags. Some "real" saleslady persuaded

the conductor to wear the colors of the Bronchos.

No accurate report has been turned in as to the profits made, but the proceeds are to go toward the annual banquet. Suggestions have been made that the girls use part of their returns to buy regular maroon and white uniforms of such weave as would be serviceable no matter what the weather and of such texture as to be passed on from one year to the next.

At the Dalhart game the Pep Squad had the disadvantage of facing the cold north-west wind, but their spirits made up for the weather. On the way home they were as joyous as ever, and rumor has it that one girl made a profit of 25 per cent on her pep squad's cap. Who said anything about depression?

Just because the Dalhart game is over is no reason we should do away with our pep rallies—say the girls plan for the Lamesa game are being made now and full attendance is expected at the game.

Palo Duro Literary Society

Slush and mud. Sleet and rain. A cold north wind that could sting and bite as well as freeze. A black night.

Such was the setting for the "night-goers" of last Wednesday evening, but in spite of the cold wind and the sleet, in spite of the mud and the slush, a fair representation of the Palo Duro Literary Society met and enjoyed a program that though quite short, was well applauded.

Those taking part on the program were as follows:

President's Remarks—Clyde Slavin.

"Adam and Eve"—a reading—Eunice Johnson.

"Why I prefer the Palo Duro Literary Society" from a new member's standpoint—LaTrice Quattlebaum.

Adjournment.

We have prospects of some of the greatest cooks in the nation. Any one wanting a wife who can cook might choose from this year's Home Economic group as we are sure they can fulfill all requirements for a first class cook. Two dinners have been served recently. Herbert Carlson and Loma Ayers acted as host and hostess of the family dinner and Arville Wood and Marjorie White as host and hostess of the informal dinner at which all the guests were adults. There will be two dinners served this week using the Christmas motif. On Wednesday we will have as guests some members of the faculty. Friday evening we shall entertain the members of the school board.

UNION SERVICE TO BE CHANGED

1932 SERVICE TO BE ON THANKSGIVING DAY INSTEAD OF NIGHT BEFORE

One of the features of the Union Thanksgiving Service held Wednesday evening of last week at the Presbyterian Church, was the announcement of the Pastor's Association of Clarendon that the 1932 Thanksgiving service would be held on Thanksgiving morning instead of Wednesday evening for several years. The announcement was made by Rev. B. B. Howard, speaking for the ministers. It is desirable from a standpoint of showing proper respect for the day set apart for Thanksgiving, and the use of the evening preceding might be taken as an evidence of a desire to appropriate all the holiday for selfish and personal pleasure.

Rev. E. B. Bowen, pastor of the Methodist Church, preached the Thanksgiving sermon Wednesday evening to a small attendance the weather having kept many away from the service. The message was one of recounting our blessings and the necessity of thankfulness for God's goodness toward his people.

Rev. B. N. Shenherd, pastor of the Baptist Church, was in charge of the services and Rev. Robt. S. McKee was in charge of the music with Miss Howren at the organ. No offering was taken, but an announcement of the call for funds of the United Goodfellows of the city was made.

Reid Travels 77

interference was working beautifully and swiftly, cutting down man after man, as Reid sped into the secondary, worked his way to the sideline and flashed by a number of yellow jerseyed Wolves who tried to force the flying Broncho out of bounds. A last frantic dive failed as the space widened between the clutching fingers and the Maroon clad hero who galloped the remaining 35 yards unmolested. It was this sparkling play in which every Broncho carried out his assignment perfectly which sent the hundreds of Clarendon fans into joyful hysterics and the Dalhart partisans into profound silence, trying hard to realize that their great team was behind and staring at defeat. Reid also added the seventh point with a beautiful boot with Nichols holding.

However the Wolves were not whipped and came back fighting mad. Thompson took the kickoff and cleverly eluded several Broncho tacklers to return the oval 25 yards to the forty yard line. Howell and Webster riddled the line for another first down and later kicked across the goal as the quarter ended. The Wolves were still fighting for a win and again carried the ball deep into Clarendon territory employing spread formations, flat passes and line drives. With a yard to go for a first down and two yards for a touchdown Yarberry fumbled on the fourth down and Clarendon punted out of danger. Passes were thrown with reckless abandon by the losing Wolves, and Pete Morris who played a whale of a game in the line found the ball in his hands for the first time in his life. However the line man staged a run which bordered on the sensational and would have done justice to any backfield man, raining 20 yards before being hauled down. From this juncture the game switched decidedly in Clarendon's favor. With four minutes of play left Nichols, local line plunger, started to work and ripped the hitherto undented Dalhart line to shreds with his powerful smashes. A pass to Behrens for eight yards also helped in the drive into Dalhart territory. Reaching the 25 yard line the Bronchos received a 15 yard penalty, but Nichols made it back on the next down as the game ended.

DALHART—On 71 plays gained 192 yards, lost 19, including 65 yards gained from passes. Passed: 22 times, 10 complete for 65 yards, 11 incomplete, 1 intercepted. Fumbled 4 times, recovered 5 times. Penalties: 5 for 35 yards. First downs, 11.

Clarendon: On 32 plays gained 184 yards, lost 21, including 8 yards gained from passes. Passed 1 time, completed for 8 yards. Penalties: 5 for 35 yards. First downs, 6.

300 CLARENDON PEOPLE AND FIRE TRUCKS MEET VICTORIOUS SPECIAL TRAIN

When the special train bearing the District championship Broncho football team and the 200 supporting fans rolled into Clarendon at 10:30 o'clock last Thursday night bedlam and confusion greeted the returning heroes. Some three hundred Clarendon citizens who were unable to make the trip turned out with the city's fire department and staged a welcoming demonstration for the Maroon and White warriors which will long be remembered in the memory and hearts of the players.

With news of the Bronchos great victory over the Dalhart Wolves plans were immediately instigated by Clyde J. Douglas, president of the local Chamber of Commerce for a grand reception on the arrival of the train. He

kept the phone busy informing the Clarendon folks of the planned welcome and even secured the fire department with their trucks to help in making the reception a great event. His efforts were rewarded with what is believed to have been the greatest demonstration of its kind in the history of Clarendon.

Amid the screams of the sirens and the continual clang of the fire bells the happy but tired Bronchos, band, pep squad, and rooters returned to home soil with praises for the team, the great game and the hospitality of the Dalhart citizens. The band quickly got their instruments and paraded up Kearney Street heralding the newly crowned champions of District One, the first of which the city boasts since 1926, before dispersing for their respective homes and the welcome beds.

Donley County Crop Remains Above That of Last Year

That this year's cotton crop bids fair to exceed all previous records is found in the ginning records as released to The News by the Bureau of the Census this week which shows the 1931 report in excess of 1930's total for the corresponding time by 4,075 bales. The 1931 record reveals that a total of 15,023 bales have been ginned in Donley to November 14th as against last year's ginning total of 10,948 for the same period.

For the benefit of the readers of The News who might be interested in ginning activities of other nearby counties the following reports are published. Hall County, 31,638 in 1931, 15,760 in 1930; Collingsworth county, 33,561 in 1931, 25,475 in 1930; Childress county, 22,641 in 1931, 6,668 in 1930; Gray county, 5,320 in 1931, 4,409 in 1930.

The State total has already exceeded last year's mark by a million bales with a total of 4,544,176 this season against 3,525,479 in 1930.
