## Green Belt Golfers Invade Clarendon

### Second Good Will Trip To Hedley Thursday, 21st.

#### TOURNEY OPENS MONDAY MORNING

GREENBELT PLAYERS WILL  
INVADE CLARENDON THIS  
WEEK END FOR BIG PLAY

The most successful Greenbelt Golf Tournament ever held in the history of the organization will begin here Monday morning at 8 a. m. with the qualifying rounds. From then on until the winner is decided next Thursday the Hillcroft Golf Course will be alive with more than 150 players from 17 clubs of West Texas and the Panhandle.

Dick Grout, professional of the Glen Garden Country Club, of Fort Worth has been secured by the tournament committee to be in charge of the four day play. With his acceptance the tourney this year is insured of the best type of management it has ever enjoyed. Mr. Grout will arrive in the city early Monday morning, according to his plans at the present time.

The local six-man team which will represent the Hillcroft Golf Club in the Greenbelt has been determined and are Allen Cooke, Ira Merchant, Bill Cooke, A. N. Wood, Meredith Gentry and Duke Gentry with W. A. Wilson acting in the capacity of alternate. These players will compete with the teams of the other clubs in an effort to win the beautiful team trophy for the local club.

The program for the four-day play follows:  
Monday, May 18th, 8:00 a. m. to 1:00 p. m. 18 holes. Medal Play. Will be played in threesomes leaving No. 1 tee at 5 minute intervals.

5:00 p. m., Driving contest at No. 1 Tee.  
8:00 p. m., Stag Smoker and Calcutta Pool at Legion Hall.

9:00 p. m., Annual Meeting, election of Committee and officers.  
10:00 p. m., Announcement for match play all flights.

Tuesday, May 19th, 7:30 a. m. First round match play in all flights.  
1:30 p. m., Second round match play in Major flights.

3:15 p. m., First round match play Consolations.  
7:30 p. m., Chicken barbecue at Country Club. All attending register at Golf Course.

Wednesday, May 20th, 8:00 a. m., Quarter Finals all flights.  
1:00 p. m., Semi-Finals all flights.  
Thursday, May 21st, 8:00 a. m., First Round Championship Finals.  
8:30 a. m., Consolation Finals.

#### GREEN BELT PRESIDENT

R. S. GREENE

1:30 p. m., Second Round Championship Finals.  
An interesting feature of the tournament is the fact that all three of the golfers who have won the championship in the past five years are entered in the play this year and will present a splendid bit of competition for the other entrants. L. S. Walker of Quanah, Raines West of Memphis and Frank Foxhall also of Memphis have entered and each of the first and last named need only one more win to enable them to take the handsome loving cup home for keeps. Many other splendid golfers will be on hand to make the play plenty stiff, and it will not be surprising should some lesser known golfer lead the field next Thursday afternoon.

#### "CHARTER NIGHT" FOR B & P W CLUB

BRILLIANT AFFAIR MARKS  
CHARTER PRESENTATION  
CEREMONIES TUESDAY

In a colorful setting Tuesday evening of this week the Clarendon Business & Professional Women's Club celebrated its anniversary and received its charter from the National organization at the hands of Mrs. Fay Gordon of Amarillo, member of the State Organization Committee and recognized leader in District One, which includes the Panhandle section.

The program and banquet celebrating the occasion was held in the service club room of the Clarendon Hotel and was presided over by Mrs. E. G. Smith, president of the local club. Guests included representatives of the civic organizations of the community and Mayor W. P. Cagle of the city of Clarendon. Others were C. J. Douglas, President Chamber of Commerce; G. L. Boykin, Secretary Chamber of Commerce; C. C. Powell, Secretary Retail Merchants Association; R. E. Drennan, Vice-President Rotary Club; F. W. Rathjen, President Lions Club; Sam M. Braswell, District Governor, Lions Club.

Special guests of the occasion were, Mrs. J. L. McMurtry, past-president Pathfinders Club, and Mrs. O. T. Smith, F. W. Rathjen. These ladies composed a committee, U. J. Boston and E. P. Shelton from the Pathfinders Club who just a year ago sponsored the organization of the Business and Professional Women's Club in Clarendon.

The program began with all standing and repeating in unison "Owed by singing the State Song, the Club Collect, which was followed by "Texas, Our Texas." The club then sang a song of welcome to the guests, and Mrs. Smith introduced Miss Lorena Stegall, who delivered a charming address of welcome. G. L. Boykin, secretary of the Chamber of Commerce responded in a happy vein and conveyed to the club the business men's estimate of the worth of the organization to the city. Then followed the club quartette in a group of bright songs, a very ingenious adaption of words to favorite airs, and especially appropriate. The quartette members were, Misses Lorena Stegall, Norma Rhode, Mantle Graves and Ida Harned. Miss Rhoda Weidman presided at the piano.

Introduction of guests named by Mrs. Smith followed and all responded with words of encouragement and felicitations. Miss Betty Walker and Lucille Allen appeared in a characteristic dance number much appreciated and Miss Fay Stallings gave a classic piano solo adding to the charm of the evening's program.

The presentation of the charter to the club concluded the program when Mrs. Fay Gordon, representing the State President of the B. & P. W. clubs gave an illuminating address on the origin and aims of the organization and commended particularly the Clarendon club for its work during its first year and commenting on the fact that this is the youngest club in the District. A tastefully framed charter was officially delivered to Mrs. Smith as president amid the applause of the guests and members. This ceremony also included the assuming of the pledge of the organization by all members of the club.

The assembly then stood and sang "Amen" as the conclusion of an evening long to be remembered in Clarendon.

#### Local Entries Win In Pampa Contests

Clarendon contestants in the Pampa Music contests met no competition last Wednesday and carried off all the honors. Students of Mrs. Edna Boykin placed in the following order: Lovella Bell, first; Harvey Lou Strawn second; Elizabeth Kemp, fifth; Virginia Cluck, and Bobby Boston.

In the band contests the Clarendon High School Band under the direction of Gus B. Stephenson, carried off first honors—there being no other band entered under the same classification.

Weather conditions were responsible for the small number of

#### Kiddies Milk Fund Escapes a Deficit

"By the skin of the teeth" is just how the Kiddies Milk Fund escaped deficit this month, after having paid all the bills for the April deliveries of whole milk to children in families here unable to provide this diet.

Last week's report showed a deficit of forty-six cents, but a contribution of \$1.00 from L. H. Baker wiped out and put a fifty-four cent balance in the treasury to apply on May bills which will be rendered June 1st. The Fund is now some fifteen or eighteen dollars "in the red" for this month and will continue to add to that condition at the rate of more than a dollar a day.

As stated in last week's News unless the citizens of the community show their desire for this form of assistance to be maintained by substantial contributions during the remaining days of May, service will be discontinued on May 31st.

R. E. Duncan and S. T. Nichols were business visitors in Memphis Wednesday of this week.

#### CLARENDON GIRL HURT IN WRECK

FOUR INJURED AS CAR  
DROPS 30 FEET OFF  
BRIDGE ON GROOM ROAD

Miss Jo Veta Jackson, daughter of Mrs. Walter Wilson, and three companions narrowly escaped serious injury about 4 o'clock last Saturday morning when the sedan in which they were riding ran off a bridge and fell into a 30 foot canyon, seven miles east of Groom on highway 66.

The party had attended a dance here Friday night. Miss Ethel Tracey, former student and resident of Clarendon was the other girl of the party. She was bruised, but received the lightest injuries of the four. J. H. McCormick and Rhy Hankins, employees of the Phillips Petroleum Company of Pampa were painfully bruised and shaken up. McCormick received several painful cuts.

Miss Jackson was the most seriously injured of the victims, receiving a deep gash over her right eye. The party was rushed to the Worley Hospital at Pampa where all but the local young women were released Sunday.

Just before the approach to the bridge there is a sharp curve and a steep grade.

Frank Heath attended to business matters in Memphis and Lakeview on Tuesday.

#### RETAIL MEN TO NAME OFFICERS

NEW BOARD TO BE CHOSEN  
AT MEETING NEXT TUESDAY EVENING

The Antro Hotel has been chosen as the place for holding the Business Men's banquet on Tuesday evening of next week. As was announced at the last meeting, the principal piece of business to come to the attention of the organization at the time will be the election of the official board for the coming year.

W. H. Patrick has been chosen as the speaker for this event, and has not been assigned a subject for discussion. It is thought that he will talk on general business principles.

Other matters to be brought up at this meeting have not been mentioned, but it is thought that the evening will be filled and that an enjoyable time will be had by those who attend.

#### FOURTH OF JULY PROGRAM READY

BIG TWO-DAY CELEBRATION  
WILL BE HELD THIS YEAR  
IN CLARENDON

A mammoth street dance following the grand opening on Thursday night, July 2nd, will mark the beginning of the great celebration which will be carried over until Saturday celebrating the Fourth of July. This year's program was released for publication through the offices of the secretary of the Clarendon Chamber of Commerce Wednesday morning. The list of events are many and varied in the lines of attraction. Never, not even in the old days when the Fourth of July celebrations were awaited by the citizens of the entire Panhandle, has there been such a splendid program planned for the entertainment of the citizens of Clarendon and the entire citizenship of Donley County.

Plenty of music will be on hand to furnish the dancers lively tunes by which to dance that Thursday night, and the festivities of the evening will continue, as the Secretary of the Chamber stated, "from can till can't."

Then beginning on Friday morning, July 3, at 9 a. m. preliminaries will be held in the Junk car races. One hour later the first ball games will be played between the four teams having the highest average for the season in the county. The and Antelope Flat are included in the baseball division also.

After lunch a parade of all rodeo contestants will be staged through the business section at 1 o'clock and then proceed to the College Park where the rodeo prelims will be held. A complete list of rodeo events are included in the wild west part of the program with the finest stock obtainable being used.

Friday evening an old-time fiddle, contest and square dance will be held at the College Auditorium with T. D. Nored and J. E. Ware of Goldstein in charge. No entrance fee is required in these events, but the following rules will be enforced. No fiddlers under 40 years of age will be allowed to enter. No professionals will be allowed. Contestants will be accepted from all counties adjoining Donley county.

Saturday morning, July 4th, at 9 a. m. the finals in the Junk Car races will be held. At 10 o'clock the final baseball game will be played to determine the championship club of Donley County.

Following lunch the rodeo parade will be staged at 1 o'clock with the finals in the rodeo events starting promptly at 1:30 p. m. at the College Park.

The following men are in charge of the various events, and will handle the entries in their particular branch of the entertainment.

C. E. Killough, Baseball; P. B. Gentry, Rodeo; J. T. Patman, Fiddle, Finance, Gate, Concessions; James Trent, O. E. Harvey, Grounds and Parking; Carl Parsons, Junk Car Race; Holman Kennedy, Community Visits; and G. L. Boykin, Publicity.

The American Legion has purchased the Concession rights. Prizes will be given in the races, rodeo events, and in the baseball contests. Entry fees will be charged in the Rodeo and Junk Car Races.

All the morning events are free to the public, but a small charge of 25 cents will be charged those witnessing any of the features after 1 o'clock.

#### CLARENDON REPRESENTED AT LUBBOCK CONVENTION

The city of Clarendon is being represented at the West Texas Chamber of Commerce convention today and tomorrow at Lubbock by Miss Dorothy White and Lotta Bond. Miss White is princess of Clarendon in the present to be presented tomorrow evening while Miss Bondland will represent Clarendon Junior College in the Queen's court in the same event. Besides these charming ladies Clarendon is also represented by Mr. and Mrs. T. D. Nored and Mrs. M. Braswell. These are all expected to return to the city Saturday morning.

#### Exchange Is Set For May 30th

The final spring plant exchange of the Les Beaux Arts Club has been set for the last Saturday in May, the same being May 30th. The committee which had this matter in charge has held the date until the annuals and the late perennials had a chance to multiply and become ready for transplanting.

The calls continue to come in for violets of all sorts, for perennial phlox, for garden phlox and like plants that are easily transplanted and that will stand a lot of punishment from the elements.

A special request has been made that the plants be brought to the City Hall as early in the morning as possible, this in order that they may be planted, or removed from the bright sunshine and placed where they will not wither too much before the heat of the day sets in.

Remember the date, May 30th and bring what plants you have for the exchange and secure what you want. If you want to secure a starting of plants and have none to exchange you are as welcome as if you had a great many to trade.

#### SCHOOL CLOSURES THIS WEEK END

EXAMS FINISHED, STUDENTS  
PREPARE FOR GRADUATION PROGRAMS

The school term is over for another year. Final exams are finished and students are busily engaged in the preparation for the graduation exercises of tonight and tomorrow evening.

Tonight at the College Auditorium beginning at 8:00 o'clock Honorable Marvin Jones, Congressman from the 12th District, will deliver the graduation address to the graduating students from Clarendon Junior College. The program for the evening was published in last week's issue of The News, and will be followed accordingly.

Tomorrow morning the exercises for the Junior High Students will be held at the Junior High Auditorium at 10 o'clock with Dr. J. Thomas Davis delivering the address of the morning. This program will also be found in last week's issue of The Clarendon News.

Friday evening the graduation exercises of the Clarendon High School will be held at 8 o'clock in the auditorium of the First Methodist Church. Dr. J. Thomas Davis, dean of John Tarleton College of Stephenville, will deliver the address of the evening to the thirty-two seniors. The program appearing in the last issue of The News will be carried out as planned.

#### FIRST GOODWILL TRIP LAST NIGHT

CHAMBERLAIN IS FIRST COMMUNITY VISITED BY CLARENDON TRIPPERS

Last evening marked the initial appearance of the Clarendon business men in a series of visits to communities in Donley County. Chamberlain was the community visited and the school house was packed to its capacity by the trippers and the people of the Chamberlain community. A large success was the verdict rendered by the visitors and a splendid welcome was offered by the Chamberlain folk.

T. R. Brown, County Agent, was master of ceremonies, keeping the evening moving off with a fine degree of nicety. He also announced and invited the citizenship of Chamberlain to take part in the big two-day celebration to be staged in Clarendon for the Fourth of July.

The strined band was the principal number on the program, and brought forth much favorable comment.

Punch and cake was sold by the Chamberlain ladies and together with the sales of pop

#### DRY GOODS TO PLAY GROCERS

CLOTHIERS AND GROCERS  
ARE ONLY UNDEFEATED  
CLUBS IN CITY LEAGUE

Tomorrow afternoon at the College Park the baseball fans of Clarendon will be served a fancy seven course menu when the undefeated Dry Goods team, meets the undefeated Grocery team in a game upon which hinges the lead of the league, and which will in all probability, start one of the other teams on the toboggan.

So far each club has won two games each, beating the Gassers and Baptist Babes. Both clubs have scored 22 runs in the contests, but the edge in the dope favors the Dry Goods team who have held their opponents to only 6 runs while the Grocers have let their opponents tally 12 times. Thus far the Grocers have proven themselves the most consistent scorers of the league having been at bat only one inning that they haven't scored a least one run. The dope which often times means exactly nothing points to a Dry Goods victory, but in either case the game will be hotly contested with two fine clubs battling every inch of the way in an effort to stay on top of the heap.

In the games of the past week the Dry Goodsmen showed plenty of power in spanking the sinking Gassers by a score of 13 to 2. Errors by the Gassers was the big factor in their second straight defeat while the masterful pitching of Fitzgerald was keeping the Garagemen helpless.

The Tuesday game between the Baptist Babes and the Grocery aggregation was a slug fest from the start to the finish, keeping the crowd on their toes until the last out was made with the Grocers coming out with the lengthy end of a 15 to 11 score. The Baptist team showed plenty of punch and ran wild when once on a busy one inning that the Grocers showed the consistent batting of the Grocers finally brought victory as it was getting too dark to see the ball. Four home runs and three fluke circuit smashers figured in the scoring. Keener and Beard hit for the route for the Babes while Jones and Braswell accounted for the distant hitting of the Grocers. The Grocers contributed no less than eight errors to the festivities of the day, helping materially in the runs of the Sunday School boys.

The game tomorrow will begin at 6 o'clock. No admission is charged, however, a free will offering will be asked with the passing of the hat during the game, so all those who wish may give a nickel, dime or quarter to go on paying for the baseballs.

Batting averages will be found in next week's issue of The News.

#### Lions Again Claw Rotarians in Game

Last Thursday afternoon the Clarendon Lions Club again swamped the local Rotarians in a fast and furious playground ball game, this time a score of 18 to 10. This game was the second of a series of two contests between the two clubs of the city, the first resulting in a win for the Lions by a score of 28 to 20.

The Lions started the contest in a whirlwind fashion by scoring five runs in the first inning, a lead which the Rotarians could never overcome. Home runs were slugged out by Hope of the Rotarians and by Boykin and Braswell of the Lions.

A fair sized crowd witnessed the game which afforded much mirth and enjoyment throughout the afternoon. A movement is on foot to continue the games between the two clubs as a means of receiving needed exercise by the members of the organizations.

corn, they netted something like \$20.00 profit. Lottery tickets were found in the pop corn and the winner of a fine quilt, Mrs. B. L. Blackburn held the lucky number and won the prize.

Rev. H. Freking of Amarillo spent Tuesday and Wednesday here visiting with Fred W. Rathjen and other members of the Lutheran Church here.

#### GOOD WILL TRIP TO HEDLEY 21ST

LARGE DELEGATION EXPECTED  
TO MAKE TRIP TO  
HEDLEY THURSDAY EVE

Next Thursday evening the Clarendon trippers will make their second Good Will trip, this time to the city of Hedley. Plans are in the making for the largest and best trip of the season with a splendid program being carried to the neighboring city on this occasion. The trip is being made for the purpose of promoting the spirit of good will between the two larger cities of Donley County, and incidentally to advertise and write the people of Hedley and Hedley trade territory to take part in the Fourth of July celebration which will be staged for the entire county by the Clarendon Chamber of Commerce this year.

On the program there will be the Clarendon Band, under the direction of Gus B. Stephenson, in band and specialty numbers. Special numbers will be given by the novelty string band, and probably some singing and readings will be added to the program of the evening. Brief speeches of not more than two or three minutes in length will be made by citizens of Clarendon and Hedley and at the conclusion of the evening's program refreshments will be on hand for those who wish to indulge.

The local business men are especially anxious that a large and enthusiastic delegation will be on hand next Thursday evening to make the trip and enjoy the evenings visit among our friends at Hedley. The program will be held in the spacious Hedley School auditorium, and a grand time is guaranteed all those attending. The program will start about 8 o'clock and all Clarendon folk are urged to make their plans accordingly.

#### BOYKIN CROWNED DOMINO CHAMPION

THIRTY-SIX ENTRANTS COMPLETED FIRST CORNWALLIS DOMINO TOURNAMENT

G. L. Boykin is this week the crowned champion of the Donley County domino players, having won the honor when he defeated the field in the first quarterly tournament of the Cornwallis Domino Club held last Thursday evening in the American Legion Hall. The Chamber of Commerce secretary and city baseball commissioner, after dropping the first match to Clyde Douglas, started on his streak which swept aside Hank Bagby, Morris, P. B. Gentry, Beard Ellis, and Carl Parsons was the order named. Carl Parsons was the favorite in the first bracket, not having lost a single match, however Boykin continued his sensational play to down his opponent two straight matches.

In the doubles competition O. D. Leisburg and Y. E. McAdams carried off the honors of the event they eliminated other contestants in some fast and furious play.

So much was the interest in the tournament and so great was the enjoyment derived from the play that officials have decided to make the tourney a quarterly event. Funds received from Thursday's affair has been spent on a beautiful and expensive loving cup which will be given to the winner of the tournament each quarter. The cup will become the permanent possession of the player winning the tournament three times. The entry fees of the following tournaments will be used for refreshments for the players during the play of the affair.

Mr. and Mrs. Buel Sanford left Saturday about noon for Timson, Texas, where they were called on receipt of a message stating that the father of Mr. Sanford was seriously ill. They were accompanied by C. A. Bryan who will visit in Tenaha, and by Frank Whitlock, who will visit in Joquin and Shreveport, Louisiana.

## AN OUNCE OF PREVENTION

Not long ago the teacher of the negro school of Clarendon made a suggestion to the Superintendent of the Clarendon school system which shows a deep insight in the matter of relations of the races and is worthy of consideration by the entire white population of Clarendon.

Her suggestion was in regard to a practice recently grown up of white boys going across the tracks to play ball with the negro boys. She asked that efforts be made to stop the mixed playing of the races on account of the dangers of trouble being stirred up which might easily result in a race riot.

The teacher of our colored school is absolutely right.

White boys have no business going across the tracks to play baseball or any other game with the colored folks. It isn't good policy and might easily lead to fights and serious shedding of blood. It is entirely possible for a hot-headed white boy to be the cause of a racial gang fight that would cost the lives of both whites and blacks entirely innocent of first cause. And vice versa.

The section of Clarendon across the tracks set aside for the colored folks is rightfully theirs, and as no colored boys are allowed to play on the playgrounds occupied by the whites of our city, no more should white boys intrude on colored playgrounds.

In the South wisdom has long established the policy of general separation of the races in all activities of life as being the most productive of pleasant and helpful relations. Let us see to it that this general policy is adhered to. It means less trouble and more contentment for all concerned.

## EVADING THE LAW

Every day some long-time wanted criminal is brought to justice. He at last is caught in the meshes of the law, though long he may have escaped them. There is always a last "job" for the criminal when tell-tale marks will lead to his detection.

It seems foolish that men will play for petty stakes by shady methods that will at last bring them in ill-repute, and within gray prison walls, and often leads down a narrow corridor to a room in white in which is a big spidery, yawning paymaster—the electric chair. Just debts are finally paid in every line.

The glamour of crime is often over played. Youngsters get the idea that it is something grand and glorious; something that he-men engage in, something that has a certain glory to it. But false glory fades, glamour vanishes, grandeur slinks away when the convict comes to the Last Mile that may lead down the narrow corridor.

You may evade the law today and tomorrow but sooner or later the hand of justice will reach out and pluck you from your shadowy hiding place when you least expect it. You may meek out what you choose for months or years but finally you will be paid.—Dalhart Texan.

Down at Waco one of Texas' greatest educators, Dr. Samuel Palmer Brooks president of Baylor University, lies at the point of death with what has been pronounced as an incurable melody. In spite of his low vitality he has patiently affixed his name to most of the diplomas of this year's graduating class of the university and as gloom comes on evidences a strong determination to complete this, his last official act for his graduates who love him for the great man he is. We hope he may have the strength to finish the task. What an inspiration it will be to the young men and women of Baylor who go out into the world of activity this June to read the name of such a leader on their diplomas. Dr. Brooks will pass, but Baylor will go on—much in the debt of this builder and leader.

Today at Lubbock opens the annual convention of the West Texas Chamber of Commerce. That city won the convention last year on the platform of a business session without the ballyhoo that has long characterized this colorful gathering of West Texas. Just how this plan will work out is yet to be seen, but we must admit that there is some truth in the assertion that the time has come in West Texas to cut out the loud noise and go to work. We hope the sessions of the regional organization will be rendered much more helpful and constructive by the change.

Our good friend and neighbor, Lyman Robbins of the Memphis Democrat has been transferred to Amarillo where he will be connected with the advertising department of the Amarillo News-Globe. Lyman is one of the best advertising men in the Southwest and this wider field is an opportunity for him to prove his ability in a fast company. Russell Clark is made managing editor of the Democrat at Memphis which also widens his field of endeavors. We wish these young men every success.

Chapped, Red Hands Mark of Carelessness

Even though a woman may do all her own housework, there is no excuse for her presenting rough, red, course hands to the public view. Dorothy Perkins Rose Balm, an astringent, healing lotion, will conquer chafed hands and help to prevent them. Just pour a little Rose Balm in the hands and work it well in before going outdoors. Notice how quickly the skin absorbs this velvety liquid, how soon it dries, leaving a protective coating in the hands. Use Rose Balm every night before going to bed, and apply it two or three times during the day, if you do your own work. No trouble to apply and evaporates so rapidly there is no worry about spotting or greasing clothes, etc. Come in for your copy of the "Dorothy Perkins Beauty Book."

## Pathfinder Club In Final Meeting

The Pathfinder club held its last regular meeting for the year at the Woman's Club room Friday afternoon, May 8th, with Mrs. J. A. Thompson and Mrs. A. T. Cole as hostesses. A program on Federation was led by Mrs. Sherman. Others appearing on program were: Mrs. Jenkins, Mrs. Shelton, Mrs. Kemp and Mrs. Bryan. This proved to be one of the most interesting of a series of splendid programs of the past club year which has proved to be very beneficial and constructive.

The activities which have been carried on from year to year namely, contributing to the city library, sponsoring the story hour for children and promoting the interest of the Little Theatre have been continued. Under the capable leadership of Mrs. A. T. Cole, the policy of the state president has been carefully and efficiently carried out. All programs required by the Federation were included in the calendar, namely, a music program during music week, a Texas program and a Federation program.

The health program arranged by the health chairman, Mrs. Jenkins, gained recognition and was published in the State Federation News.

The club sponsored the district essay contest on "How I Can Teach Citizenship By Living It" and gave a prize for the best local essay. It also contributed to the Goodfellows fund, the city milk fund and the State Penny-backer fund and has become a patron of the Permanent Headquarters which is to be a Woman's building at Austin for Texas Club Women.

The outstanding social event of the year was a musical tea given at the home of Mrs. Wm. Gray in celebration of 20th anniversary of the club.

## Les Beaux Arts Club

The Ladies of the Beaux Arts Club met in regular session on Saturday afternoon, at the Club rooms, with Mrs. Frank Bourland and Mrs. C. C. Powell as hostesses. After the usual committee reports, and other items of business, those present were entertained with a program on Dutch Artists, led by Mrs. Holman Kennedy. Mrs. Kennedy presented the history and setting of Dutch art, Mrs. J. W. Evans discussed the artist Frans Hals and his paintings. Mrs. Fred Chamberlain talked on Rembrandt, and Mrs. E. L. Bigger gave an analysis of Rembrandt's "Night Watch", and told about the famous collection of Dutch paintings assembled last year at Burlington House in London.

## Busy Womens Class

Last Thursday afternoon, May 7th, the Busy Womens Class held its regular business and social meeting in the home of Mrs. C. E. Griggs. Twenty-four members and three visitors were present to enjoy the business meeting and the splendid program which followed. Readings were offered by Misses Eunice Johnson and Marie Trostle. A delicious ice course was served the group at the conclusion of the program by the hostess.

Several from out here attended the Domino Tournament in Clarendon Thursday night.

Mrs. Worton called on Mrs. Lamberson Tuesday afternoon.

Misses Nathel and Juanita Lamberson spent Monday with Mrs. Pink Marshall.

Garland Cannon from Seldom visited friends here the latter part of the week.

# Old Timer Visits Friends in Clarendon

V. Finch of Manton, England, visited old friends and acquaintances here over the week end on his yearly return to the states.

Fifty cents was all that stood between V. Finch, a 19-year-old English boy, and starvation, when he stepped on the railway platform at Clarendon, Texas, 33 years ago, after traveling a quarter of the way around the globe in search of the place where he could become a cowboy.

But he met a friend in W. J. Lewis, who gave him a job on the J. A. Ranch and in Jack Hall well known cattleman, who loaned him the use of a horse and saddle.

Today, Mr. Finch has again left his home in England, not to become a cowboy, but to visit the scenes made familiar from 18 years experience on the Plains as a cattleman.

When he first came to Texas in 1898, he went to Abilene, but was told that he would find the Panhandle offering more advantages to one new to the country and occupation. He came to Clarendon.

After seven years on the J. A. and other nearby ranches, Mr. Finch decided to go into business for himself and leased a ranch on Tallyhoo creek, north of Pampa.

"I wasn't exactly green about the cattle business when I first came over," Mr. Finch laughed. "I had worked in a bank in England and knew how to borrow money."

Then followed a number of years filled with cattle raising throughout the Panhandle, camping on lonely creeks, riding through blinding blizzards. Once he had his face frozen, and another time he fortunately found two men wandering around lost in a driving snow storm. On several occasions Mr. Finch was in charge of cattle trains from this country to Canada.

When the World war came, Mr. Finch felt that it was his duty as a British subject to return to England and do his part toward winning the war. In 1916, to his disappointment, he was refused because of his physical condition, by the British army. Immediately he enlisted with the French.

"I had been around too much in the west not to know how to become accustomed to my environment," Mr. Finch said. "It wasn't long before I was a bit chummy with those Frenchmen."

After 11 months service as an ambulance driver on the Verdun front, he was transferred to the British army, given a commission and detailed as transport officer in the artillery. In this capacity he served on the front until the end of the war.

Mr. Finch has not returned to live in this country since the war although he pays yearly visits here to conduct his business. He now has his home at Manton, England, where he is engaged in farming and stock raising. He was married during the war.—Pampa Daily News.

## NO SUMMER SCHOOL HERE THIS SUMMER

Announcement was made the early part of this week that there would not be a session of Summer School in the High School or College this year. A lack of interest for this work has been very marked in the past few weeks and the officials of the schools have come to the decision that they would not authorize the holding of the six weeks school.

Another item that was mentioned was the fact that no tutoring will be allowed for credit this summer. This ruling was made by the school board to offset the effects of the work that has been done here in the past few years. They state that no tutoring by teachers in town will be allowed for credit on school work.

Mr. and Mrs. M. D. Stephens and daughter, Miss Caroline, spent Sunday here in the home of Mr. and Mrs. E. M. Ozier. They returned to their home in Amarillo Monday morning.

Rev. L. L. Swan was in Amarillo Tuesday attending the meeting of the Council of Advice in Conference with the Rt. Rev. Frank Crayton, Bishop of Mexico and Department Literary to the National Council.

**Chamberlain**

Sunday School was held at the regular hour with a fair attendance.

Mr. and Mrs. Clifford Johnston spent the week end in Amarillo.

Quite a few from this community attended the school play at Hudgins Friday night.

If you don't have plenty of sand in your anatomy it's all because you stayed close within your domicile Friday.

In answer to the call of the wild, a company of boys spent Saturday night in a camp near sandy in the J. A. Ranch. After supper the gathering was turned into a pow wow meeting.

Indian dances and play was indulged in until late, then all went under blankets and the dreams of our pioneer fathers were reality, after being awakened Sunday morning by the shining face of old Sol.

Each camper arose and partook of a hearty breakfast of bacon eggs and coffee, every one reports a wonderful time.

Before departure for home the following answered to roll call: Jimmie and Woodrow Millsap, Hawley Harrison, Howard Lett and Royce Hughes, Frank Behinger, Fannie Smith, Macon Johnston, Amos Yates, and J. E. Duckett.

Our school board met with the County Board Saturday in a meeting held to classify the schools of the county. We are glad to note Chamberlain was permitted to teach up to and including the tenth grade for the coming term, because of the character of work done in the Chamberlain school, and the demand for this grade caused the County Board to believe they were justified in promoting this school from the ninth to the tenth grade.

Sunday being Mother's Day we wonder if the proper reverence was rendered to our best friend.

If our mother is living let's plant a kiss on her brow, or write her a line reminding her that she is the best mother in all the world. To those of us who have lost our mothers our mind goes back to the day when we sat at her knee receiving her caresses and listening to her advice and counsel.

Those were the good old days and in our meditation we are made to exclaim, "Backward turn oh time in thy flight, Make me a child again just for tonight."

Miss Athlyn Taylor and Bert Roemer of Groom were Clarendon visitors Sunday afternoon and Monday night.

Mrs. Swan who is confined to her bed suffering injuries sustained by a fall is showing improvement.

**County Home Demonstration Club Living Room Winners And Prizes Are Announced**

The 1931 Improved Living Room Contest for Donley County has been included and winners have been announced, according to the County Home Demonstration Agent, Miss Martha Buttrill.

The winners: First prize, Mrs. J. A. Pool, Martin Club; second, Mrs. J. E. Ware, Clarendon Club; third, Mrs. D. Moss, Ashola Club; fourth, Mrs. C. G. Knox, Lelia Lake Club.

First, trip to short course by Chamber of Commerce; second, lumber and paint for a pantry; third and fourth, paper for dining room.

Miss Bernice Self, Lelia Lake 4-H Club member, was also awarded a prize for the best home improvement for first year girls. She has been awarded wall paper for a bed room by Wm. Cameron & Co.

A report of the activities in the home improvement work for the county has been compiled by Miss Buttrill and will be found in the following paragraphs. The report indicates that the members have been unusually active in the work of improving their homes, and undoubtedly the homes of Donley County are far above the average in the respect of conveniences and improvements.

Miss Buttrill's work is due no little praise, and the benefit of her untiring efforts will be felt through the coming years even more than in the present.

The Living Room Contest is conducted by the Extension Service of the Texas A. & M. College. The H. D. Art, having direct charge in her county.

The aims of the contest are: To encourage interest in better living rooms by making them more comfortable and attractive. To demonstrate the best use of what is on hand, the wise selection and arrangement of furnishings.

There were 10 living room demonstrators in Donley County, five were wives of land owners and five were tenants. Some of the most noticeable improvements were:

7 women improved light and ventilation in their rooms.

7 women improved artificial light also by adding the following: 2 electric light fixtures, 1 floor light, 2 rayo lights.

4 women repaired screens.

1 woman added heat for the first time.

7 refinished walls, 3 papered, 4 cleaned walls.

3 living rooms and had wood work refinished.

9 improved their floors, 3 painted, 3 varnished and waxed, 1 added commercial rugs, 9 added a total of 12 braided rugs.

Most women improved their living room by adding the following furniture which was made by them or some member of the

# SPORTS SLANTS

By Sam Braswell, Jr.

The big tournament is just about here—that a time everybody is going to have. Golfers from sixteen towns as far down as Electra and as far north as Dalhart will be here. It is expected that at least 200 visitors will be guests of Clarendon next week with a growing number coming to Clarendon tonight and tomorrow in preparation for the qualifications. An unlimited amount of publicity and advertising is being given Clarendon through the Greenbelt Association Golf tournament here, and we that the visitors will continue to all should do our part in seeing advertise Clarendon favorably upon their return to their respective homes. We can do this too if all the citizens will mix with the visitors while they are here, and if the opportunity should present itself let's go out of our way a little to make the visitors feel they are welcome and are among hospitable people. Have your car placed at the disposal of the visiting golfers—courtesy tags will be furnished—and on and place it on the windshield of your automobile.

A great number of players will be here, among them will be L. S. (City) Walker of Quannah.

### IRON EXPERT

RAINES WEST

Raines West of Memphis and Frank Foxhall of Memphis. The above are named because they have all won the tournament in the past—Walker and Foxhall have each won the handsome cup twice and West once. These three will be mighty hard to handle this year especially with Walker and Foxhall both wanting to carry the cup home for keeps. However we believe neither of the two golfers will carry off the honors. We predict a new name will be engraved upon the trophy this year, and Clarendon has some players who will figure in the thick of the battle. Merchant, Gentry, Al and Bill Cooke are expected to carry the Hillcroft banner to new heights.

Visiting golfers, we welcome you. We are mighty glad to have you as our city's guests. Come in and look over the beautiful line of prizes and cups. We wish each if you the best of success in the play. Come again.

We'll have with us this week a new Domino champion of the county in the person of G. Lester Boykin, otherwise known as coach and secretary of the Chamber of Commerce. Mr. Boykin rightfully deserves the honor of the new champ, as he lost the first match of the tourney and then turned right around and waded through the best players of the city and county to annex the title. Among the players falling under the sensational drawing of the secretary were Wm. S. Bagby, Dr. Ellis, Beard, Dude Gentry and Carl Parsons.

Of course the secretary had his share of the luck, but credit is due any man who is able to down the above named line of players in straight matches.

A beautiful loving cup will be the symbol of victory which will be given Coach and will be

his for the next three months, at the end of which time another domino tournament will be held. One tournament every quarter is the plan of the officials with the cup being given the winner

with his name being engraved thereon as a token of his winnings. It was decided to make the event a quarterly affair after the unprecedented interest was shown by the large number of entrants. The next tournament will probably be held in August, and it is hoped that an even larger entry list may be present to take part in the fun.

Ira wouldn't tell us what happened—does anybody know? This column would certainly like to find out—our curiosity is getting the best of us.

Say this baseball league is getting hot—and the big fire is expected to burst into flame tomorrow afternoon when the league leading Dry Goods nine mixes hits with the Grocery team in an effort to push the pruned reds off the same perch. The Dry Goods manager, Clarence Miller, has announced that his hurling choice will be his fire ball ace, Fitzgerald, the lad who has set the Gassers and Baptist down in the first two contests. For the Grocers, Jones will probably take the mound in an attempt to baffle the ready-to-wear artists with his tricky curve balls. Anyway a large crowd is certain to be present to see the two leading teams in action in what promises to be the best contest of the current season. One of the teams will take the undisputed lead of the league.

In the games of the week just finished the Dry Goods team swamped the Gassers by a score of 2 to 2, displaying a powerful batting punch and a smooth working infield. The pitching staff of the team was also working with ease which bids ill for all opposition. The Gassers although having lost two games have made some needed changes and from here on out will make the race interesting with any team opposing them.

Tuesday's game proved to be the most sensational and thrilling contest played thus far. The Grocers finally downed the fighting and hustling young Baptist club, but only after the hardest kind of a battle, winning 15 to 11. It was a free scoring contest with everything that goes to make up a ball game. There were real mile-hit home runs, fluke home runs, fancy catches,

### THIS WEEK'S STANDING

TEAM	P	W	L	PCTG
Grocers	2	2	0	1000
Dry Goods	2	2	0	1000
Baptist	2	0	2	000
Gassers	2	0	2	000

### THIS WEEK'S SCHEDULE

Friday, May 15  
Dry Goods vs Grocers  
Tuesday, May 19  
Gassers vs Baptist

good throws, bad base running, fine pitching, sloppy fielding, and errors galore. Seven home runs were accounted for in the game with the losers smacking five round trip bingles, to the Grocers' two. Smith, Keener, Beard, Andis, and Watson hammered out homers for the Babies with Jones and Braswell poking tremendous drives to the outer country for the circuit. The Grocers ran their string of consecutive scoring innings to 12 during which time they have scored 19 tallies. They were stopped in the sixth round with no runs but came back in the seventh to beat the home town's Pirates 10 to 6.

What we mean is those Baptist Babies can wallop that ball to all corners of the lot—and they are due to break into the win column in their next game.

Don't miss the game tomorrow, and bring a dime to help pay for the balls used for your enjoyment.

### BIG DAY FOR HORNSBY

Pittsburg baseball fans witnessed one of the most sensational batting performances of all times the other day when Rogers Hornsby of the Chicago Cubs hit three successive home runs and a single, driving in eight tallies to beat the home town's Pirates 10 to 6.

Hornsby's feat of batting three home runs in a single game has only been duplicated by three other players in the major leagues—by Reynolds of the Chicago White Sox last year, by Kelley of the New York Giants in 1923, and by Captain Anson of the Cubs in 1884.

For more than a decade Hornsby has been a batter of renown. He led the National League in batting six seasons in succession, 1920 to 1925, inclusive, and again in 1928. His season average of .421 in 1924 stands as the highest in either major league for 36 years. The only higher season average made in the major league was .438 by Duffy of Boston in 1894.

Hornsby was born in 1896. As manager of the St. Louis Cardinals he won the world's championship in 1926, defeating the New York Yankees, 4 games to 3. His record as a whole is one of the most brilliant in the history of the national game.

### ASCENSION DAY

The last of the church year's festival based upon incidents in the life of Christ is Ascension Day, or Holy Thursday, which is observed forty days after Easter. It falls on May 14 this year.

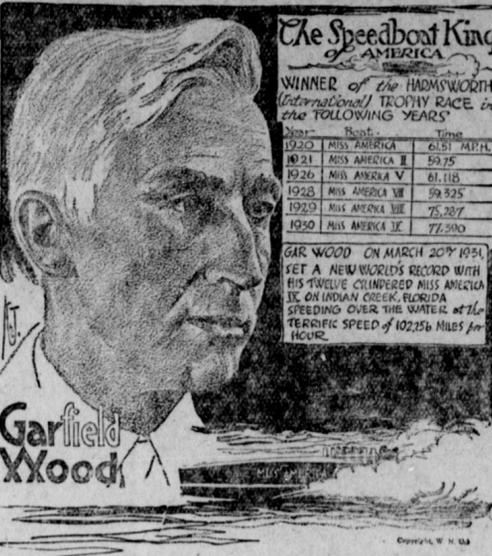

At Florence, Italy, a curious custom peculiar to that city is observed on Ascension Day, as the result of a legend that when Christ ascended to heaven a cricket was carried with him. Before the day arrives each person who takes part in the observance provides himself with a cricket, which can be bought on the street, confined in a little cage made of cane.

On Ascension Day after Mass the people gather with their crickets in parks along the River Arno, where amidst much feasting and merry-making each releases his or her cricket. If it flies away it signifies a year of good luck, but if it remains on the ground it means bad luck. It is said that the superstition is so strong that lovers will often postpone their marriage a year if their crickets fail to fly away.

**PLAN OF HOUSTON FOR COTTON FETE WORTHY EXAMPLE**

AUSTIN, Texas, May 14.—"Worthy of emulation by every city in Texas, regardless of size." That was the comment of J. E. McDonald, commissioner of agriculture on plans for Houston's three-day festival in honor of King Cotton, May 21-23.

"Every move that will help restore cotton to its rightful prestige," McDonald said, "is a step upward."

"Texas cannot progress on 7 to nine cent cotton. It is imperative that our cotton surplus—the greatest in history—be wiped out. There is only one way to dispose of the surplus—that is to use more cotton in every imaginable way."

"First of all the South must awake to the gravity of the situation. Its people must learn to use cotton in preference to imported textiles. Literally as well as figuratively, the south must lift itself by its own bootstraps. Before a helping hand may be expected from other states, the south must lead the way."

"Cotton festivals, such as the Houston plan, awake the rank and file of the citizenry to the need and imperative necessity for greater uses for cotton. Houston is setting a splendid example for other cities in the world's greatest cotton producing state."

**TILTING AT TRAINS**

Don Quixote's tilting at windmills was hardly less foolish and much less disastrous than the habit of present day motorists who assault railroad trains.

Figures covering accidents at railroad crossings during a period of six months show that in 27 per cent of the cases the automobiles ran into trains, instead of trains running into the automobiles.

One railroad company reports that in a single year 500 of its crossing gates lowered to protect the public were run into and smashed by motorists. Another company checked the performance of its tracks. By actual observation of 3,589 drivers while crossing it was found that of this number 2,907 failed to look either to the right or left before crossing, 602 looked in one direction only, while only 80 drivers looked both ways.

With such evidence of recklessness on the part of motorists before us, it is not difficult to understand why 32,000 persons were killed and 900,000 injured in automobile accidents last year.

## NAYLOR

Well Naylor is enjoying this fine weather just now and we are very busy.

Mr. and Mrs. Wynne Bowlin and family of Hedley spent Sunday with Mr. and Mrs. Rhea Bowlin.

Mr. and Mrs. Lewis Fields and sons of Amarillo spent the week end with the lady's mother, Mrs. Fanny Naylor.

Mrs. A. E. Tidrow attended the Baccalaureate sermon Monday afternoon at Hedley.

Mr. and Mrs. Tidrow's daughter Miss Louise is one of the graduates of Hedley High school this year.

H. M. Hefner and son, Leslie, of Amarillo spent the week end with Mr. and Mrs. A. O. Hefner.

Mr. and Mrs. H. D. Van Eaton of Clarendon visited Mrs. Fanny Naylor and daughters Sunday afternoon.

A. E. Tidrow and son, J. D., also his brother Frank, spent Sunday with Byron Alexander at Memphis.

Mr. and Mrs. Richmond Bowlin spent Sunday with friends in Amarillo.

Misses Hazel and Anna Hefner attended the Baccalaureate sermon at Clarendon, staying over for the special meeting of the B. Y. P. U. also Mother's Day Sermon Sunday night.

Mrs. Fanny Naylor and daughters, Misses Minnie Lou and Ana were Clarendon visitors Monday, guests of Miss Eula Naylor.

Leroy Tidrow had the misfortune of cutting his thumb as he was cranking his car. It was necessary to take three stitches in the wound, we are glad to say the cut is doing nicely.

THE TATTLER

Published exclusively each week in The Clarendon News by students of the Junior College, High School and Junior High School.

Bill Rutherford... Reporter of the Palo Duro Literary Society.

AN APPRECIATION OF THE TATTLER

It was the first of school. Everything was in a turmoil; everyone was hurrying, hurrying, hurrying to no place in particular...

tion, someone offered the name of one of the first newspapers, "The Tattler." In our modern day, however, we spell the word with two 't's; so now it had its name.

Within its columns have been printed social events, track team stories, foot ball scores, pep squad parades, home economics cookery, chapel exercises, miscellaneous recitals, programs, college day, senior day, Alpha Delta Psi reports, Palo Duro Literary Society Picnics, Junior-Senior banquet, College Banquet, reports on new window shades, and every now and then the Sophomores had a report. In conclusion "The Tattler" has sketched reports on everything from new tar on the red roof of the College building to a survey of the eighty-nine periodical magazines in the library in the basement.

In all seriousness, however, the students of Clarendon Junior College, Senior High School, and Junior High School wish to take this opportunity to thank all those connected with the Clarendon News, its owner and its staff, for their kindness in allowing in the students an entire page for the reports of their activities and their patience in dealing with such inexperienced writers as we of the "Tattler" staff are.

SENIOR PERSONALITIES

MELBA DEL WARNER

Melba started off her High School career in an admirable manner; she was valedictorian of the eighth grade. This was only the beginning of success in high school for her. She performs every task to the best of her ability, and what ever she does demands the praise of her classmates. She is making quite a success of her typing this year. We prophesy a bright future for Melba.

BILL WOOD HOST

Friday night saw a joyful crowd at Bill Woods home; and from all appearances the party was a decided success. When the guests arrived, they found bridge cards, dominoes, Flinch cards, and the radio. Games and dancing

were the feature entertainments for the evening. To cap the climax and put the finishing touch to a splendid evening's entertainment, ice cream and angel food cake was served.

Those present at the enjoyable affair were: Carol Holder, Lois Wallace, Jean Bourland, Dorothy Jo Taylor, Pauline Shelton, Pauline Sanford, Melba Del Warner, Elizabeth Kemp, Eunice Johnston, Mary Naylor, Jonnie D Lutzon, and Jack Draffton, Snooks Andis, Bill Word, Fred Bourland, Carroll Hudson, Benton Smith, Joe Noble, Pete Morris, Silas Franklin, George Bourland and the host, Bill Wood. Miss Helen Beck, Mrs. J. R. Cox, Mrs. Wood and Mrs. Word were the sponsors of the evening of fun.

BAND NOTES

The first thing encountered by the band while going to Pampa was mud, and it stuck to us for the rest of the way. Slipping and sliding was the order of the day until Pampa was reached. In Pampa, eating took the place of sliding, but slipping continued.

The first event of the day was the band contest. This took place as soon as everyone was rid of as much mud as possible. There were only three bands in the contest, each organization being in a different class, the Clarendon band grading was 59, with 75 as a perfect grade. The second and last event was a parade with mud from head to foot, pants rolled up almost to our knees, and Dillard at his funniest, we made a comical sight. We marched all over town, stopping occasionally and playing a few numbers. So much noise was made in front of the school that classes were dismissed.

The trip was very successful. Many compliments were received on the concert numbers. In spite of mud, a very good showing was made.

Palo Duro Literary Society

After the strenuous day out on the hills of Troublesome Canyon and the J. A. Ranch; the college students who belonged to the Palo Duro Literary Society met and enjoyed several hours of bridge and dancing. Candy, fudge and divinity, was passed, and needless to say, it did not last long. The party took place at the home of Mrs. Harrison Simpson, sister of Nola Gordon, a member of the society and a freshman of Clarendon, College.

Members of the Palo Duro Literary Society who were present at the party were: Roberta LaFon, Eunice Johnston, Elizabeth Kemp, Hazel Gilbert, Joyce Link, Ruth Donnell and the hostess, Nola Gordon and Kenneth Brown, Bill Rutherford, Benton Smith, Joe Noble, Tony Watson.

EX-STUDENT WINS NATIONAL PRIZE

News was received several days ago that Dorothy McCanne, ex-student of Clarendon High School and freshman of Gaucher College, Baltimore, Maryland, won the \$200 prize for first place in National Chemistry Essay Con-

MISS DOROTHY McCANNE

test. Some weeks ago it was known that Dorothy won first place in the contest of Gaucher College; but this new conquest is such an honor for her that the "Tattler" wants to let the world know what one of her students has achieved in the literary world.

Our Weekly Church Chat

"PROCRASTINATION"

The "putting off till some other time" habit is by no means rare, but always injurious. An old proverb says: "It is better to be idle than to be doing, but to no purpose." That is so, but to be busy about things that really matter is the ideal attainment. Hosts of people intend well; they simply postpone the matter and act as though unlimited time was theirs and countless opportunities would yet present themselves. The first need is to improve the present opportunities; the future will bring others.

It is well to cultivate the habit of economizing time. It is said that the more busy a man is the more leisure does he apparently possess. This is paradoxical, but expresses a great truth. It is said that the famous artist, Apelles, thought that day

was lost upon which he did not use his pencil; hence the celebrated proverb: "Nulla dies sine linea"—"No day without a line." This same motto was adopted by Martin Luther when he was translating the New Testament. The path up to the judgement seat is not a way of preparation nor at His bar is it a place to prepare for eternity. It is not time to prepare for battle when the enemy is in the camp; no time to make ready to meet the foe when he has broken open your door. There is such a thing as putting off preparation until it is too late. A man may neglect the care of his health until it is too late. A student may suffer the proper time to prepare for a profession to glide away until it is too late. A man on a rapid stream near a cataract may neglect to make efforts to reach the shore until it is too late. A farmer may neglect to plough and sow until it is too late. And so in religion. It is easy to put off from childhood to youth, from youth to manhood, from manhood to old age, until it shall be too late. Beyond that interview with God, there is no preparation.

We invite you to be with us Sunday morning and study the Christian system under the subject, "Expressive Religion." Sunday night we will deliver a sermon on the subject, "The Fools Death." It is a sermon you will never forget. A sermon on "Procrastination." Come worship with us.—W.E. Perrell, Minister First Christian church, Clarendon, Tex.

SUBMARINE WILL DIVE UNDER ICE FOR NORTH POLE

The submarine "Nautilus" in which the Wilkins-Ellsworth Expedition is attempting to cross the Arctic Circle beneath the ice. Insert shows the submarine's commander, Sloan Danenhower, making a last minute flashlight inspection before sailing from the Philadelphia navy yard.

If all goes well, Sir Hubert Wilkins, famous explorer, is destined to write another thrilling chapter in the story of man's conquest of the frozen north.

In a reconstructed submarine, made available by the U. S. Navy, he will soon be feeling his way beneath the polar ice pack, with the top of the world as his destination. It will be the first time in history that a submarine has

been employed in polar exploration.

The expedition will start from Spitsbergen this summer and after reaching the North Pole will traverse the Arctic Ocean in a zig-zag course in order to study as much Arctic marine life as possible. It will leave the Arctic Ocean through Bering Strait.

Supplies for twelve months will be carried and fuel enough for a 7,000 mile journey.

How One Woman Lost 102 Lbs. Fat

HOW ONE WOMAN LOST 102 LBS OF FAT

Almost Unbelievable—Nevertheless True

Dear Friends: You advertise Kruschen Salts for reducing, so I finally tried them and when I started I weighed 219 pounds and when I took them for a year and 3 weeks, I lost exactly 102 pounds.

I am 23 years old and I look at least 5 years younger now than I did when I was fat. I have a picture of myself before and after so if you want to see them let me know.

I am always telling my friends about the wonderful salts. I am always advertising them. I took two bottles every month for a year and 3 weeks. It amounted to \$25 for reducing 102 pounds but it was worth it.

If I can be of any help to you let me know. Yours truly, Miss Nellie Simpson, 1903 Wayne Street, Swisshavale, Pa., Oct. 31, 1930.

The Modern Safe Way—Right Way To Lose Fat

Just take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

You can hasten the reducing action of Kruschen by going lighter on potatoes, pastry and fatty meats.

Unlike other Salts, Kruschen doesn't reduce by rushing food thru your system. Rather it's an ideal blend of 6 separate mineral salts which help every gland, nerve and bod-organ to function properly.

Women everywhere are overjoyed with this marvelous reducing treatment. Frequently pound by pound of surplus fat leaves and soon you possess that trim, slender figure you've always craved.

An 85c bottle of Kruschen (lasts 4 weeks) is sold by leading druggists the world over—so start this SAFE method to lose ugly fat TODAY! Douglas Goldstone Drug Co. sells lots of it.

## HONOR STUDENTS GUESTS OF LIONS

### REPORT OF DELEGATES TO CONVENTION ARE HEARD TUESDAY

Announcement of the first community visit to be held at Chamberlain on Wednesday evening was one of the first items to be mentioned at the Lions Luncheon this week. The Lions were urged to attend and make the starter a fine affair.

Guests for the day were introduced as Fred C. Connally, Pauline Shelton, Jean Bourland, Dorothy Jo Taylor and Silas Franklin. The latter named four are the honor graduates of the Clarendon High School. Miss Shelton holds an additional honor of having never been absent or tardy in her entire eleven years of attending school.

When the grades of the students were mentioned, Lion Connally raised the question of the basis of grading, stating that when he went to school that no student made more than 75, he presuming that this was the basis for computation of the grades.

Lion Frank Houston of Childress was called upon for a few words, but asked that he be allowed to keep his silence.

A suggestion on the part of Lion Watson, speaking for the committee in charge of the work with the crippled children, was put into a motion and Lions Patrick and Braswell were named a committee to frame resolutions for presentation to Drs. Strite and Killough for the splendid co-operation they showed in the work carried them from the Lions.

Lion Boykin announced the opening of a section of land in the Paludero Canyon by the Canyon Chamber of Commerce and indicated that it would be well for Clarendon people to visit this portion of the proposed park and see for themselves what was there to be seen.

Lion Patman called attention of the Lions to the coming Greenbelt tournament and stated that this would be a fine opportunity to show the visitors some real Clarendon hospitality.

Lion Boykin opened the way for announcements of the graduation exercises of this week in a statement that Hon. Marvin Jones would be here for a speaking engagement on Thursday evening of this week. Dr. J. Thomas Davis will also be here on Friday for the Junior High School and High School graduation exercises.

The remainder of the hour was taken with a report from Lions Braswell and Rathjen. Lion Rathjen was the first to report, concluding his report with the introduction of Lion Sam M. Braswell as the new Lions Governor of District "T". Lion Braswell took a little time to tell of the work of the Boss Lion as a member of the nominations committee and of the selection of Dallas as the next convention city in 1932. Lubbeck was reported as having been selected for the spring convention of District "T", the same to be held in April of the next year. A change in the date of the state convention was also mentioned, with the meeting in "T" District to be held ahead of the State meeting.

The special train to Toronto was mentioned and the price from Amarillo was quoted as a very low figure.

Lion Patrick asked to pay tribute to the Texas Company as being one to entertain all state-wide meetings coming either to Beaumont or Port Arthur.

Adjournment followed the singing of the first verse of "America."

### Correction Due Seventh Graders

Those who are most interested in the grades of the honor students from the seventh grade of the Clarendon Public School are due a correction. In the last issue of the News we carried two errors in the listing of the two high honor students. Miss Lee Christine Cousins received the first place with a grade of 94.21. Second place goes to La Verne Lott with a grade of 93.96. As the News had it, Miss Lott was first, which was in error. The difference in the figures was called to our attention by the member of the faculty who computed the grades, he stating that the above figures are correct.

Mrs. E. C. Herd left Tuesday for Memphis, where she was called by the very serious illness of a nephew, who had been accidentally poisoned.

Mr. and Mrs. Jack Montgomery and W. R. Morrison were here Sunday for Pampa for a visit in the home of Mr. and Mrs. J. W. Morrison.

### LONG TIME RESIDENTS MOVING TO AMARILLO

The J. W. Owens family of this city, residents here for more than two decades, are moving to Amarillo to make their home. Mr. Owens stated to a member of the News staff the latter part of last week that they had decided to make this move, that the girls might all be at home, they are teaching in Amarillo. Mrs. Owens will remain in Amarillo the larger part of the time with the girls, while Mr. Owens will probably stay on the ranch to keep matters going there as smoothly as possible. The home of Mr. and Mrs. Owens has been traded to a building contractor in Amarillo.

### HISTORY OF PANHANDLE ASSOCIATION UNDER WAY

The Panhandle Certificate Men's Association will be written in the very near future. A move toward the beginning of this work was had Sunday when Homer Mulkey and John Blocker, both members of this organization met with others in the home of John Fraser to start work on the completion of the data needed to make it complete. Mr. Mulkey served as officer for the past six years, having relinquished his place only this spring when the meeting was held at Hedley.

### ALTON F. SMITH IS NEW PHARMACIST HERE

Alton F. Smith is the new pharmacist in Stocking's Drug Store. Mr. Smith takes the place of A. M. King, who has been in Clarendon for the past thirteen years. For the past several years Mr. King has been employed in the Stocking's Drug Store and leaves that place of employment to return to his home in Oklahoma, where he plans to retire from active participation in the pharmaceutical game. Mr. Smith is a graduate and

registered pharmacist, having been at this work for the past eight years. He is graduated from the Baylor School of Pharmacy and has done his work in Texas. Mr. Smith plans to have his mother join him here in a short time, they are planning to make this city their home.
