

Tax Payers League Will Meet Tonight

Commissioners Court To Consider New Hi-way Offer

TAX LEAGUE IS ORGANIZED HERE

O. C. WATSON MADE TEMPORARY CHAIRMAN. LEAGUE MEETS TONIGHT

Twenty-one interested tax payers of Donley County met Friday evening, June 10th, for the purpose of organizing a Tax Payers League. O. C. Watson was elected temporary chairman and will remain in that capacity as a result of the action of the resolutions committee which recommended that temporary officers be retained permanently. T. D. Nored was elected secretary and will serve permanently as such.

Upon motion of Dr. B. L. Jenkins the chairman appointed a committee of three to draw up resolutions of purpose and aim of said league. W. H. Patrick, B. L. Jenkins and F. W. Rathjen were appointed and drew up the following resolutions which were adopted by the members of the organization. The resolutions:

Resolved that the Citizens of Clarendon in meeting assembled this, the 10th day of June, 1932, at which meeting O. C. Watson was elected temporary chairman and T. D. Nored was elected temporary secretary, that this body adopt the name of Citizens Economic League.

Resolved further that we recommend that the Chairman of the meeting appoint a committee of six tax paying citizens of which O. C. Watson shall be chairman ex officio to meet with all tax-paying boards for the purpose of co-operating with said boards with the object in view of more thoroughly equalizing values and reducing all public expenditures to the minimum, commensurate with the actual needs of such taxing agencies.

We further recommend that the temporary officers be made permanent.

Signed—
W. H. PATRICK
B. L. JENKINS
F. W. RATHJEN
Committee on Resolutions.

Fred Rathjen moved that all tax payers in Donley County who are interested in the work and aims of the League must sign the membership roll to become an affiliated member.

Band Concert Is One of Best Ever

The Clarendon Band presented its first out-of-door concert for the summer season last Friday evening before a large and appreciative audience. Every one was interested in the band's offerings and were especially profuse in their applause. The numbers by the band were new and pleased the audience a great deal, and showed the brand of work being carried on by the band under the capable direction of Gus B. Stephenson. This splendid concert was made in spite of a number of members being absent by being out of the city and a few others being detained for various reasons. However the same high quality of music greeted the listening public the same as has always been produced by the present director and it was gratifying to note the splendid response from the audience. Other concerts are planned throughout the summer months.

Dr. Mark Strickland and family returned last week from Medicine Park where they spent their vacation.

Mrs. O. L. Fink returned from Gunnison, Iowa last week where she had been visiting friends and relatives.

Rainfall For June Reached 3.89 Inches

Precipitation amounting to 1.89 inches has been received in Donley County since last Thursday afternoon, bringing the total for the County to 3.89 inches for the first sixteen days of June. The amounts of rainfall for each day as furnished The News through the courtesy of Joe Goldston is as follows. Thursday, June 9th, .50 inch; Friday, 24 inch; Sunday .30 inch and Monday .40 inch.

The weather man has been very kind to the citizens of the county in that it has only rained late at night and has not bothered any one during the day time. Each day the sun beamed hotly upon a sweltering citizenship, and each night a cooling rain visited the fields and other real estate of Donley County, making it too wet again the next morning for the farmers to get into their fields with planters and cultivators.

Very little hail has been reported from the various downpours and a minimum of damage has been sustained from the week's rains.

Mrs. Mary Bugbee and daughters, Mary, Ethel and Betty, arrived Wednesday afternoon from Long Beach, California. They motored through and are visiting in the home of Mrs. Bugbee's brother, John Bugbee.

Miss Lottie Lane left last Wednesday to visit in Dallas.

LIONS HEAR ABOUT STATE CONVENTION

LION IRA MERCHANT MAKES INTERESTING REPORT ON DALLAS CONVENTION

Lion Ira Merchant made the principal address of the day Tuesday at the regular weekly luncheon of the Lions Club and gave a very full and interesting summary of the trip to Dallas and the state Lions Convention. A wonderful trip was reported with a most remarkable program of activities during the entire convention. Lion Merchant was loud in his praise for the efforts of the convention committee and stated that it was the best and largest state convention he had ever been privileged to attend. The spirit of the delegates were high in spite of the conditions existing today and there was a note of optimism in the manner and speech of the Lions at the convention.

The speaker told the group of the various sessions and banquets held at Dallas and then turned the floor back to Boss Lion Boykin who related a number of interesting sidelights concerning the President's breakfast. Lion Wilson was called upon and made an interesting speech on a few details concerning the trip back home. Lion Burton and Lion Wilson were called to the floor to testify on a peach case which interested the group considerably. Boss Lion Boykin asked the members for a frank expression about whether or not the Chamber of Commerce should undertake to stage a Fourth of July celebration in similarity to the one of last year. Most of the discussion was to the negative.

Ed Fleming, district manager of the Continental Oil Company, was the guest of the day.

Lion Fred Rathjen made a motion which was seconded and carried that a resolutions committee be appointed to draw up resolutions of sympathy in respect to the sad passing of Lion Holman Kennedy, one copy being delivered to the bereaved wife and one to The Clarendon News.

In respect to the departed brother Lion the club bowed in silence for a time immediately following the invocation by Lion O. C. Watson.

NO FOURTH OF JULY CELEBRATION HERE

CHAMBER OF COMMERCE DECIDED NOT TO ATTEMPT CELEBRATION THIS YEAR

The question of whether or not Clarendon was going to have a Fourth-of-July celebration this year on the order of last year's event was definitely answered Tuesday afternoon when the Board of Directors of the Clarendon Chamber of Commerce decided to abandon the attempt this Fourth in the face of existing conditions. It was hoped for a long while that plans could be worked out whereby the celebration could be staged, but the conditions which have defeated so many budding plans of late added the local celebration to its list of victims and the citizens of the city must leave Clarendon if they should participate in a celebration of the independence of the United States.

It is rumored that an independent rodeo celebration will be staged by P. B. Gentry and "Skinney" Adams, however no formal announcement has been received to this effect.

OFFICERS UNCOVER BIG SADDLE THEFT SYNDICATE

The News has been requested by Sheriff Guy Pierce to announce to the people of Donley County that officers have broken up one of the most unique theft rings in the history of present day thievery. The syndicate which was well organized made a specialty of stealing saddles throughout this section of Texas and which also operated throughout Oklahoma. The thieves have been apprehended and the cache where hundreds of saddles were stored was found. Sheriff Pierce states that any one in Donley County who has lost a saddle within the past year or two to see him for particulars regarding the return of the stolen items.

Mrs. A. L. Chase, Arthur Lowe, and Rhodin are expected to arrive home Friday morning. Mrs. Chase and Arthur Lowe went to attend the graduating exercises at the University of Colorado where Rhodin received his degree this year.

PLANS MADE FOR TRIP TO PAMPA

LOCAL ROTARIANS DISCUSS GOOD RECEIVED FROM ROTARIANISM

Four members of the Clarendon Rotary Club were absent at the regular weekly luncheon and the program consisted of discussions for the most part.

The trip to Pampa this Friday evening to present a program before that group was discussed to a good advantage and the plans outlined in its final detail. Every thing was declared in readiness for the trip and a goodly number are awaiting the time to make the trek to the nearby city to return a like program by the Pampa Rotarians here some weeks ago.

General talks were made by each member present covering the subject, "What Rotarianism has done for me and the good it has done for the community."

There being no further business the meeting was adjourned.

Mrs. Charlie Hvass and children, Charles and Lucille, arrived Monday morning from New York to spend the summer with Mrs. Hvass' parents, Mr. and Mrs. G. W. Antrobus. Mrs. Hvass will be remembered to her many friends as Florence Antrobus.

POPULAR BANKER KILLS SELF HERE

HOLMAN KENNEDY CALMLY TAKES LIFE SATURDAY IN FUNERAL HOME

Clarendon, and the entire Panhandle, was stunned last Saturday shortly after noon when Holman Kennedy, popular cashier of the Donley County State Bank, non-

HOLMAN KENNEDY

chalantly stroled into the Buntin Funeral Parlor, greeted an attendant in his usual cheery manner, and whipped out an automatic and sent a bullet crashing through his brain. The friendly "hello," so a part of Mr. Kennedy, was the last words spoken by the deceased who died at 2:10 p. m., living an hour and fifteen minutes.

Worry was said by relatives and intimate friends to have been the cause of his act.

At the time of his death the popular citizen was President of the Panhandle Bankers' Association and was one of the most widely known bankers in this section of the state. He had been connected with the Donley County State Bank for fifteen years.

He had been a resident of Clarendon for 19 years, graduating from Clarendon High School and Clarendon College, where he starred in athletics. He also attended the University of Texas.

The deceased was the son of Mr. and Mrs. Tom Kennedy, long time residents of Donley County. He was a leader in the civic work of the city being a member of the Baptist Church, Lions Club, Golf Club and numerous other local and sectional organizations.

Complying with his wishes left in a letter to his wife that his funeral be informal the last rites were held at the family residence Sunday afternoon at 4 p. m. A host of local and out-of-town friends were present to pay tribute to their departed friend and fellow man. Pallbearers were Sam Dyer, Forest Taylor, Clyde J. Douglas, C. C. Powell, H. B. Kerbow and Meredith Gentry. Interment was made in the Citizens Cemetery. The services were conducted by Rev. Robert S. McKee, pastor of the Presbyterian Church.

Those surviving Mr. Kennedy are his wife and a daughter, Jo Ellen, and his mother and father, Mr. and Mrs. Tom Kennedy.

R. B. HOOD VISITS IN CLARENDON TUESDAY

R. B. Hood of Weatherford, Texas candidate for place No. 1, Congressman-at-large, was a visitor to the voters of Clarendon and community Tuesday and paid his respects to The News force. He was accompanied by his old friend, S. T. Clayton, of this place. Mr. Clayton remarked to the editor that Judge Hood was the first man he ever voted for after he became of age and it was a real pleasure to have the privilege of introducing his friend to the citizens of Clarendon.

LODGES ELECT NEW OFFICERS

INSTALLATION SERVICES FOR BOTH GROUPS WILL BE ON FRIDAY, JUNE 24TH

Election of officers have been announced by the Clarendon Lodges, Chapter 216 and the A. F. & A. M. No. 700. The officers for Chapter 216 were elected Friday, June 3rd, and are as follows: Edley Crabtree, High Priest; Ralph Andis, King; W. A. Davis, Scribe; W. H. Patrick, Treasurer; and Homer Parsons, Secretary.

Last Friday evening in the Masonic Hall the following members were elected to the various offices in the A. F. & A. M. Nolie Simmons, Worshipful Master; Homer Mulkey, Senior Warden; Ralph Andis, Junior Warden; W. H. Patrick, Treasurer; Homer Parsons, Secretary; and Lonnie Hahn, Tiler.

Installation Services will be held for both organizations at the Hall Friday evening, June 24 at 8 o'clock. All Master Masons are asked to be present for this ceremony.

COUNTY BOARD MEETS IN MONDAY SESSION HERE

The County Board of school trustees met in Clarendon Monday afternoon and transacted quite a bit of business. W. K. Davis was appointed trustee for the Sunnyview school. The board also confirmed the election of two trustees in Jericho district, they being H. H. Hunt and George Shoupe.

The Martin School District was rebounded, and the action of the Commissioners Court in passing on the election returns was read. The vote to build a new school house was passed with 41 for and 5 against. The transcript was fixed and passed by the board and the erection of the building will be started in the near future. The new structure will be built of brick bought from the owners of the old boys' dormitory which has been razed.

Mrs. W. C. Stewart accompanied her daughter, Mrs. Frank Simmons, to Dallas the fore part of the week where she will spend a time visiting relatives.

EXTEND HILLCROFT PLAYING PRIVILEGE

NON MEMBERS WILL BE ALLOWED TO PLAY GOLF WITH GREEN FEE SYSTEM

In a special called meeting of the Directors of the Hillcroft Golf Club Tuesday, W. Selden Bagby was appointed Secretary to fill the vacancy left with the passing of the former Secretary Holman Kennedy. A number of important matters were discussed and disposed of to the satisfaction of the entire board.

An announcement of no little interest to the golf enthusiasts of the city who are non members of the Hillcroft Club is the establishment of the Green Fee system which permits these persons to enjoy the game on the local course for the nominal charge of 25 cents for each 9 holes played. This charge will prevail throughout the weekdays with a flat charge of 75 cents on Sundays and holidays which will entitle the player to a full day on the course.

Nolie Simmons, expert grounds keeper of the Hillcroft Course, is authorized to collect the green fees from the non-member players.

R. E. Duneson is expected to return from Los Angeles Friday morning.

Local Golfers Win And Lose in Tourney

Fortunes of luck smiled and frowned alternately upon the golfers from the Clarendon Golf Club in two tournaments the past few days. Tom F. Connally basked in the spotlight while the soothing rays of victory danced about his head as he proudly displayed a beautiful match set of Vulcan Woods which he won in the banker's golf tournament at Pampa this week.

"Just another superiority of grainman's versatility over that of Panhandle bankers", is the receipt of his monopoly of the bankers tourney.

In the other tournament the Green Belt Association, at Electric A. N. Wood brought honor to the city when he walked away with the honors in the senior division for the second straight time. Al Cooke, city champ, who slipped in his qualification rounds is in the finals for the second flight while the other local players, Pinky Kerbow, Dick Cooke and Bill Cooke were dropped from the competition with defeats, the former two in the first round matches of the consolation.

Of interest to Clarendon sportsmen is the fact that L. S. "City" Walker, alleged title holder for 1931, was defeated in a semi-finals match by Billy Holmes of Shamrock. Holmes will meet Reginald Genhaw of Memphis, conquerer of Frank Foxhall, for the title of the Association today.

JEWEL SMITH IS CONTEST WINNER

MUCH INTEREST IS NOTED IN COUNTY DRESS CONTEST HERE WEDNESDAY

The Woman's Dress Contest sponsored by the County Home Demonstration Clubs was held Wednesday afternoon in the American Legion room of the City Hall. The ten clubs in this county were all present. Hedley and Smith had 100 percent clubs. There were one hundred and seven women's and children's dresses displayed.

Mrs. O. L. Fink called the participants to order at two-thirty and the style show began. The children's garments were modeled first, seventeen youngsters proudly modeled their dresses and suits. The women then displayed their wash dresses. There were solid colors and prints, each one was an interesting and an inexpensive dress. Miss Minnie Mae Grubbs, District Home Demonstration Agent from College Station stated that it was one of the best contests she had ever attended and that the dresses showed careful workmanship and an improvement over last year.

The 100 percent clubs, Hedley and Smith, were awarded pinking machines. They had all of their members present and a dress exhibited by each of them. Lelia Lake had a dress displayed from each member but lost out because one of their members was ill and could not be present.

The four high places were won by:
First, Jewel Smith, Ashtola club; cost of dress \$1.32.
Second, Mrs. Clyde Rodin, Smith Club; cost of dress \$2.67.
Third, Mrs. Bailey, Martin Club; cost of dress \$1.00.
The twenty-one receiving honorable mention were Mesdames B. B. Smith, J. A. Huffstutler, Roy Beverly, W. E. Grimsley, J. M. Acord, John Aufil, McDaniel, Tombs, C. L. Benson, W. D. Mabry, John Thomas, Sloan Baker, Pit Holley, E. Balson, Crabtree, A. H. Baker, A. C. Maves and Misses Lucille Pickering and Mary Lee Mabry.

The three high places for the

Frank Stocking left for Clarendon Sunday morning to visit his wife and son who are spending the summer with Mrs. Stocking's parents, Mr. and Mrs. Otto Foster.

COURT RECESSES UNTIL MONDAY

AMPLIFIED HIGHWAY OFFER WILL BE HEARD MONDAY, JUNE 20TH

The Commissioners Court recessed Wednesday after busy sessions the first of the week with routine matters and tax equalizations, until Monday, June 20th when it will hear the amplified offer of the Highway Department on No. 5.

It is expected that on that day either a personal presentation of the offer by an official of the department will be made, or a letter outlining the provisions will be in the hands of the court.

This follows the verbal offer made the county at Mineral Wells last Thursday morning, when Chairman Ely of the department outlined the change in the wording of the old offer, and declared the department was ready to hard-surface No. 5 through Donley, in a short conference with Sam M. Braswell, editor of The News, who was in Mineral Wells in attendance on the annual convention of the Texas Press Association.

The terms of the offer were repeated before D. K. Martin, another member of the highway commission, and State Engineer Gilchrist, who were in positive agreement with Chairman Ely.

There is a great deal of interest in this offer which means the spending of more than a half-million dollars in the county, with a cost to the county of about twenty-five thousand dollars for right-of-way, and with the routing still touching Lelia Lake and Hedley. It is understood that many at Hedley still cling to the belief that the department will finally agree to designate the route through Hedley on the North side of the Denver, and are strongly against any other offer.

LOCAL BANKERS ATTEND ASSOCIATION SESSIONS

Clarendon was represented at the Panhandle Bankers' Association convention at Pampa the fore part of the week by Mr. and Mrs. F. E. Chamberlain and family, W. H. Patrick, Mr. and Mrs. J. D. Swift and family and Miss Anna Moores, Mr. and Mrs. J. L. McMurtry and family, Mr. and Mrs. Kelly Chamberlain, Wesley Knorpp and Mr. and Mrs. Carroll Knorpp.

Tom F. Connally was also present and was one of the principal speakers of the convention.

First Red Cross Flour Is Distributed

The half car-load of flour from the American Red Cross headquarters has been received by the Donley County Chapter of the organization, according to county chairman Homer Mulkey, in a statement to The Clarendon News the fore part of the week. The flour, which is of excellent quality, is stored in the Kerbow building and the first distribution has been made. Two sacks were distributed to needy families Tuesday and other calls are being passed upon at the present time. Those needy families of the county rural communities of the county may secure the flour by making application to the commissioner of their precinct who will file the claim with the county chairman. One-half of the quantity received was sent to Hedley where a committee is superintending the distribution in that portion of the county.

Frank Stocking left for Clarendon Sunday morning to visit his wife and son who are spending the summer with Mrs. Stocking's parents, Mr. and Mrs. Otto Foster.

PANHANDLE PRESS ASSOCIATION

THE HANDICAP OF SUSPICION

One of the greatest curses of all progress and advancement is the blight of suspicion that is thrown on every effort to go forward.

There is no better example for this than is witnessed in the attitude of a few citizens of Donley County in the recent offer of the State Highway Commission to grade and drain highway No. 5 through the county, without cost to the county, if the right-of-way was furnished. In the contracts in use with counties, there appeared an old clause that the usual county's part of one-third was to be paid by the state until "funds are available." It was explained that this was a matter of form and in no case would the state ask the county to pay at a later date under this clause. But right here came evidence of the suspicions of these citizens who make themselves uncomfortable and throw cold water on efforts at progress, by professing to disbelieve the integrity of the state department.

The fact is that the highway department has been absolutely free from graft and recognized as one of the really effective departments of the state government at Austin, ever since the Ferguson administration and its slimy record.

Now the department has made Donley a new offer, taking out the clause "when funds are available," and boldly saying they will hard-surface the highway through the county. As a matter of fact the new offer is only the old offer put in blunt words for the enlightenment of those whose suspicions would not let them see the generous intent of the department.

The habit of suspicion dulls and impedes throughout a life time, and one so encumbered deserves sympathy for his unfortunate handicap.

THE SAME OFFER DRESSED UP IN SIMPLE LANGUAGE

There are some who profess to think that the state highway department has made a new offer, out and out, to Donley County on Highway No. 5.

This is not the case, however. It is the same offer recently heard by the court, the only difference is in the leaving out of a clause that appeared to alarm some citizens, and the bold declaration that the state will complete the road, which has been intimated heretofore.

The clause in question was the one referring to the usual one-third cost of the project which the state proposed to pay until county "funds are available", but which the department indicated they had no intention of trying to collect. In fact they could not collect unless the county voluntarily provided the funds specifically for that purpose.

There ought to be a unanimous demand on the part of the citizens of Donley County for the court to furnish the right-of-way at once so construction could begin immediately, and with it the spending of half million to six hundred thousand dollars outside money at a period when it is needed as never before. Then, this is another unlooked-for opportunity to get the highway routed by Lelia Lake and Hedley—and the last opportunity.

The demand ought to be so general that the court would act at once. If it isn't and the court again declines, we are all going to be sorry for this refusal to accept the best business proposition ever offered any county.

LET THE FIGHT COME ON

Action of the state Democratic Executive Committee at Austin the first of the week whereby the voters of Texas will vote for or against the submission of the repeal of the Eighteenth Amendment in the July primary, brings to Texas voters the direct challenge of the liquor rebellion now in progress over the nation.

After all the question is not whether we want the matter submitted again to the states, but the real issue is whether or not we want liquor legalized in the nation. The question is not the method of handling liquor, it is whether or not we want more liquor than we have today.

There is no camouflaging the "wet" and "dry" issue for Texas voters now. A "wet" committee in a "dry" state has brought on the fight and every sober citizen who believes that prohibition is the best method of dealing with the outlaw, will not hesitate to accept the gauge of battle. Let the fight come on. There can be no compromise with the outlaw of the ages, the enemy of morals, manhood and womanhood, the destroyer of character and the home.

Texas who love truth, virtue, honor and clean living will welcome the fight and will meet the enemy on his own ground. Let the fight come on.

FINE RAINS INDICATE HEAVY CROPS

With the fine rains of the past two weeks over the Panhandle, there is coming a feeling that we shall see heavy crops in this section this fall. Now if congress will adjourn shortly after putting the final touches to the budget of the nation, maybe business will begin its slow but gradual recovery, bringing with it better prices for farm products, and better business for everybody in this section.

Meanwhile study the candidates for all county, state and national offices, that you may vote for men standing for the best principles of morals and government in the elections this summer and fall.

ITEMS OF INTEREST IN DONLEY

GOLDSTON NEWS

There was not a large attendance at Sunday School as a number of the youngsters went to Brice to Singing.

We still have rain most every day or night and some more hail Monday night of this week.

Mr. and Mrs. Shrigley and baby of Lake View and Mr. and Mrs. Veazy visited with W. H. Gray and daughter, Cleo, last Sunday.

Mrs. S. Dilli has been pretty sick for a few days but is better at this writing.

Monty Garrison of Childress visited over the week end with his family at the Frank Elmore home.

H. M. Stewart and family went to see Mrs. Dilli Sunday afternoon.

Floyd Shannon and family of Martin visited with old friends here Sunday afternoon.

Mrs. Jordan was real sick part of last week but is now able to be up again.

Several from here attended the Holman Kennedy funeral at Clarendon Sunday afternoon.

Mr. and Mrs. Floyd Shannon and family, Mr. and Mrs. W. C. Veazy, Mr. and Mrs. Howard Rhodes and children and Mr. Millsap of Chamberlain came to see Grandma Churchwell at Mr. Grant's Sunday afternoon.

Farmers have been very busy trying to replant their crops since the big hail storm but most the time has been too wet for planting.

Mr. and Mrs. Mixon visited at the H. M. Stewart home Friday night until bedtime.

Candidates are pretty numerous out this way these days.

Read the Classified ads.

ASHTOLA

There was 108 attending Sunday School here Sunday. After Sunday School Rev. King preached, B. Y. P. U. met Sunday night at 8:00 o'clock with Rev. King preaching another interesting sermon afterwards.

Mr. and Mrs. John White and son, Mrs. Dollie White and son, L. P. and Mr. W. E. Gregg and Mrs. Lizzie Nix visited the Payne home Sunday.

Those visiting in George Warrick's home Sunday were: Misses Dola Fay Gregg, Doris Hatley and Della, Stella and Mamie Leverett and Flora and Evelyn Durrett and Mr. Cecil Allen.

Miss Irene Collier spent Saturday night with Othella Poovey.

Mr. and Mrs. Walter Gregg and daughter returned home after visiting in the W. E. Gregg home a week.

Miss Alma and Lucille Gregg visited their uncle, Mr. Howard Gregg Sunday.

Miss Lela DeFries visited Winona Ford Saturday night.

Mr. and Mrs. J. L. Tims motored to Hedley Sunday.

Mr. Lyra Nix visited Tendal and Foster Gregg Sunday evening.

Misses Flora and Evelyn Durrett are visiting Ruth Warrick this week.

Mrs. Levertt and children and Mr. and Mrs. Townson and children visited Mr. and Mrs. Dunning Sunday evening.

Mr. and Mrs. Loyd Shelton and son, Douglas, motored to Fairview Friday to the bedside of his sister who is very ill.

Mr. and Mrs. George Warrick and children and Mamie Leverett visited Mr. and Mrs. Grady Hen-

son until bed time Saturday night.

Mr. J. M. Jordan of Goodnight visited in the community Sunday.

Mr. and Mrs. Albert Miller of Alanreed visited the lady's parents, Mr. and Mrs. Smith Sunday.

Mary Travis Meadors visited Margaret Hill Sunday.

Mr. Lou McClellan Jr. visited his brother Jonnie Rex McClellan last week.

Mr. and Mrs. Roy McKee and children visited George McKee and family Monday.

Mrs. Lizzie Nix left for Farwell, New Mexico Tuesday. She will visit relatives.

Mr. and Mrs. Raymond Slater are the proud parents of a baby boy who arrived Monday.

Most of the farmers are busy replanting their crops after the rain and hail.

We Have All Helped to Make ELECTRICITY your most inexpensive servant

The West Texas Utilities Company strives constantly to provide electric service more economically. That's one reason why your electricity is so inexpensive today.

There is another reason. With the rate schedule arranged so that the unit price is less with each additional use, our customers have reduced their own average rates by applying electricity to more and more of their household tasks.

This working arrangement between customer and company makes electric service constantly more useful and constantly lower in cost. As you make fuller use of the service, your rate is always going down.

West Texas Utilities Company

STATE TICKET IS HEAVY THIS YEAR

ONLY FOUR UNCONTESTED OFFICES AS MANY CERTIFIED ON STATE BALLOT

The following is the listing for the official ticket of the Democratic Primary in July:

For Governor.—R. S. Sterling of Harris County, George W. Armstrong of Tarrant, Tom P. Hunter of Wichita, M. H. Wolfe of Dallas, C. A. Frakes of Jefferson, J. Ed Glenn of Bosque, Miram A. Ferguson of Travis, Frank Putnam of Harris and Roger Q. Evans of Bexar County.

For Lieutenant Governor.—Edgar E. Witt of McLennan County.

Meany of Harris and Joe Burkett of Bexar.

CENTENNIAL CHAIRMEN FOR DONLEY COUNTY NAMED

Mr. Sam M. Braswell and Mrs. C. A. Burton of Clarendon have accepted appointments as County Chairmen of the Texas Centennial Committee for Donley County, and will at an early date complete County and Precinct organizations for a campaign to acquaint voters with the pending Centennial constitutional amendment. The County Committee will appoint chairmen for every precinct in the County.

The State Constitution as originally framed, however, made no provision for State support of a Centennial celebration and the amendment would authorize the legislature to appropriate funds for assisting in such a celebration in 1936, but especially provides that it shall not apply to any other exposition or celebration of any kind.

The Committee believes that all that will be necessary to secure an overwhelming majority for the Centennial amendment will be to inform voters as to its purpose, and that with attention properly directed to it, every patriotic Texan will favor a creditable celebration of a kind

LOCAL MAN VISITS PALO DURO CANYON

CANYON, Texas, June 11.—Kenneth Fink, of Clarendon, was among the recent visitors registered at the Palo Duro Free Park, 13 miles east of this city. This park located on the brink of the Palo Duro Canyon, which is known as the "Scenic Wonder of Texas," is maintained by the local chamber of commerce and is open free to visitors at all times. It is kept open for the purpose of acquainting the people of the state and nation with natural scenic beauty spots of Texas.

Thousands have visited the park during the last year, coming from all sections of Texas, 43 states of the nation and 10 countries.

Texas voters will be confronted with the task of selecting two Railroad Commissioners this summer. One for the regular term, now expiring and the other to fill the vacancy created by the resignation of Hon. Pat M. Neff.

"The most regulatory commission in Texas government at the present time is the Railroad Commission," Lee Satterwhite said recently.

According to Lee Satterwhite the people of Texas are awakening to her ever-increasing dissipation of the oil and gas resources of the State, through lack of effective regulation.

There is not a farmer, business or professional man in Texas who is not effected in some way by the decisions and rulings of the Railroad Commission, according to Lee Satterwhite, who has served in the Texas Legislature for fourteen years.

Mr. and Mrs. E. A. Simpson and Mr. and Mrs. Allen Beville of Amarillo attended the funeral of Holman Kennedy on Sunday.

to reflect the heroic sacrifices of the founders of the State, the resplendent achievement of the first century and the wonderful possibilities for the future.

ON TEXAS FARMS

By W. H. Darrow, Extension Service Editor

Special to The Clarendon News

Cost of living studies made on farms during the last 20 years indicate that 40 percent to 60 percent of the family living has been made on the farm. Food has constituted a little less than half the total living costs. As much as 50 percent to 75 percent of the food supply has come from the farm, these studies show.

The Texas 4-H pantry demonstration plan represents the extreme limit to which living at home can be pushed. It shows that it is possible to produce 87 percent of the food requirements for a family of five on the farm. A few of the most efficient home demonstration club women and their families have actually accomplished this, and large numbers are producing as much as 80 percent of the food at home. There are nearly 30,000 of these 4-H pantry demonstrators and cooperators in the State.

The influence of 4-H pantry demonstrators extends far beyond the limits of the home demonstration clubs. Members have set as goals the coaching of from 50 percent to 85 percent of all the farm families in their counties in gardening, budgeting food requirements, canning and organizing efficient pantries.

In Jack county the home demonstration clubs are trying to help 976 farm families this year. The home demonstration agent has established demonstrations in

It seems that bad weather has again qualified for the annual Green Belt Golf Association's tournament at Electra this week. It will be remembered that when Clarendon entertained the Association here last year we were also victims of the worst sort of golf weather. The present tourney is enjoying a siege of heavy rainfall which delayed the qualification rounds several hours Monday morning.

Our old pal, Fred Thompson of the Wichita Falls Record-News, comically gives his version of the weather in Clarendon last year. He wasn't far wrong either. Here's what he says:

"Hope the storm blows over before the Greenbelt tourney gets started at Electra Monday. Do you remember that frigid Clarendon course last year? It was plenty cold during that tournament. Al Cooke of Clarendon played nine holes before he discovered he had been teeing off with a big icicle.

"That high wind was so cold on the day of the finals that City Walker mistook a snowball for a golf ball and knocked it 300 yards with a brassie.

"It was so cold the newspaper reporters thought they were at a stock market session listing frozen assets.

"Mister it was so cold that the ladies serving coffee at the refreshment tent called us over and said: 'Come here little man, and we'll chip you off a cup of coffee with an ice pick.'"

All but one of the Clarendon entrants made the first flight. It fell the lot of Clarendon's City Champion, Al Cooke, to succumb to the handicap of the rain-swept course and thereby tumble outside the championship flight elite. Those shooting into the championship's flight were Bill Cooke, Dick Cooke, Pinky Kerbow, and A. N. Wood. However Mr. Wood will compete in the senior division.

There are getting to be more baseball teams in the county than there are fans to go around. The latest nine to take the field, and by the way haven't lost a game so far, is the Clarendon

Sluggers. We call them the "Sluggers" in want of something else to call them. They haven't been named yet and none of the players or the manager knows what to call them. Anyway the Sluggers are a group of the college and high school athletes who bid fair to make it interesting for several of the better baseball clubs of the county. So far this year the Sluggers have displayed that indomitable something called "fight". In most every contest the new club has played they have been behind until the latter stages of the game when the big bats of their wrecking crew got busy and brought home the needed tallies for victory. Those on the club are Andis, Boles, Keemer, Davis, Rode, Watson, Tucker, McMahan, Pearson, and a number of others whom I haven't learned of. They are ready to tackle anybody, so if you want a game let 'em know.

Folks, those new tennis courts are wonderful. They are better by far than we had anticipated and there seems but one thing for the players of the city to do to have the best courts in this part of the country. That is—KEEP OFF THE COURTS EXCEPT WHEN WEARING TENNIS SHOES. Nothing can tear a tennis court to pieces faster than hard heeled shoes.

The other day we noticed a group of girls playing on the new courts and only one out of the four were wearing tennis shoes. The other three had high heels and a few minutes later the court was chopped into holes something terrible and unfit for playing.

I've got to buy some tennis shoes before I play again on the courts and every one else who likes the game should do the same thing before going on the new courts. It's been a long fight to get the courts and now let's appreciate them enough to keep them in good condition.

Please do not play unless you are wearing tennis shoes. Thank You.

The dates for the first tennis tournament are tentatively set for Friday, Saturday and Sunday, July 8, 9, 10. It is hoped

(By LEONARD HORWIN)
Special to The Clarendon News

The 25 foot rope-climb record has been smashed three times in the last three years, and each time by a cripple.

The original world's record for the distance stood at 62.5 seconds. On the evening of April 8, 1932, in a meet between several Junior Colleges held at San Bernardino, Cal., the center of the orange belt, Norman Parrish of Los Angeles Junior College and the L. A. Athletic Club broke the world's record with the terrific speed of 53.5 seconds. James Burton of Compton Junior College, also a cripple, broke the record the same evening and followed Parrish into second place with a mark of 59.10 seconds.

"Only in gymnastics could men so unfortunately marred in one portion of their body, succeed in developing in the remainder of their physiques that strength and perfect coordination necessary in winning world championships.

"The splendid torso builds on both Burton and Parrish, enabling them both to break the world's record in a sport which takes more intense effort than the 100 yard dash and 10 times as much training, is a testimonial to the unlimited possibilities gymnastics offers men for development."

Ben Price, be-spectacled, diminutive master of muscle, and assistant coach of the American Olympic Gymnast Teams, was telling us of his work to revive a sport almost forgotten in America until but a few years ago.

Ancient Performers
Hercules was the original world's record holder in gymnastics, as well as in weight-lifting and other diversions.

If you don't believe he deserved his reputation just try holding up the heavens on one shoulder

that as many tennis players of the community as possible will get ready and participate in the coming tourney. Now is the time to choose your partners for the doubles matches and get in some valuable practice. The competition promises to be plenty tough as there are a number of first class racket wielders in the immediate locality.

In the event Frank Stocking is still out of the city by that time the tourney dates will be postponed until his return, however it is presumed he will be back by that time.

sometime, or taming a three-headed wild boar, or spreading yourself around a sufficient distance in sufficient time to clean up an Augean stables, or conquering an Amazon—latterly known as a co-ed.

As a result of such feats. Hercules had his figure in action sculptured all along the side of marble Temple of Zeus in the center of the sacred Altis—ancient scene of the Olympic Games.

Hercules Visits Los Angeles.

Were that ancient performers with us during the Olympic gymnast events from August 8-12 in 1932, he would perform in a spot just east of the center of the 121 foot long Olympic Stadium and to the applause of 105,000 spectators.

He could enjoy a deserved rest afterwards by visiting a score of museums, beaches, mountains resorts, the historic San Gabriel Mission and home of the Mission Play, the world-famous Bernheimer Japanese Gardens overlooking Hollywood and the palisades of Santa Monica Beach—the furthest at an hour's distance away.

Were that worthy on the American gymnast team he could perhaps boost America from the 7th place in the team event won in the games at Amsterdam and the generally

low position of American athletes in the exacting Olympic gymnastics. Switzerland won the team event in 1928, and along with Czechoslovakia and Italy has always presented excellent teams.

In 1932, tumbling, rope-climbing, and club swinging will be for the first time included in the Olympic Games. For the first time also, the individual apparatus events will each count as many points toward the national scores as any event in the games. Horizontal bar, parallel bars, pommel horse, long horse, vaulting and flying rings compose the arduous gymnastic menu for the 5-man team events—the score of the best 4 out of each team bringing victory.

America may expect great things in gymnastics from any one of a number of aspirants. Norman Parrish, blond-headed record holder in the rope-climb; Alfred Jochin and Frank Haubold, young masters of rhythmic performance of the New York Metropolitan Association; Herman Witze of N. Y. U.; Paul Krepml of the Los Angeles Athletic Club and member of the Olympic team in the '20 and '28 games; Glen Berry, performer for the same club and the finest all-round athlete next to "Briek" Muller ever turned out by the University of

California; Dave Sharp, protégé of Ben Price and 15 year old national tumbling champ—the youngest ever to win the senior national finals; and unknown others who may break through the ranks.

Field Is Open

From the age of 15 to at least 388, the gates of active gymnastic competition will answer the 'Open, Sesame' of men of all types and from every walk of life looking for the development of strength, skill; and the finest type of coordination.

And genial Ben Price points out significantly: "Dean Cromwell, famous track coach of the University of Southern California always keeps a pair of parallel and horizontal bars on the field Russ Saunders, Lee Eisen, Harry Edelson, Arthur Duffy, and many others among the greatest football and track and field athletes of all time were gymnast devotees."

The Panhandle will have an opportunity of placing two of its favorite sons on a Texas regulatory commission this year in voting for Lee Satterwhite and Col. Earnest O. Thompson for Railroad Commissioners. There are two vacancies to be filled.

The Sun Never Sets Upon The Stars & Stripes

Special to The Clarendon News

We Americans may well be proud of our flag. It is the most beautiful of all national colors, and has pointed the way to freedom for countless thousands. It stands for patriotism, loyalty and fidelity to the ideals of America. For 155 years it has been waving in the breeze, the most beloved symbol of our country.

Woodrow Wilson said: "This flag, which we honor and under which we serve, is the emblem of our unity, our power, our thought and purpose as a nation. It has no other character than that which we give it from generation to generation."

"The choices are ours. It floats in majestic silence above the hosts that execute those choices, whether in peace or in war. And yet though silent, it speaks to us—speaks to us of the past, of the men and women who went before us, and of the records they wrote upon it."

On June 14, 1777, the Continental Congress decided "that the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation." In the intervening years it has remained unchanged, save only for an occasional variation in the number of stripes and the addition of a star for each new state.

The story of the flag is the story of the nation. It has kept pace with the march of events that followed the Revolution, and has braved the battle and the breeze during more than a century and a half of national growth.

Its influence has gradually extended around the globe, and in our generation the sun never sets on the Stars and Stripes. Every minute of the twenty-four hours, somewhere on our planet the folds of Old Glory are flying in the breeze.

It is the custom of the U. S. Marines to raise the flag every morning at eight o'clock. It remains flying until sunset.

Three hours after the U. S. Marines at New York, Boston, Norfolk and other East Coast naval stations have raised the flag, the Marines at posts along the Pacific seaboard present arms to the colors as they are hauled smartly to the top of the flagstaff—the time interval varying only when daylight saving is in vogue.

About two and one half hours later the ceremony is repeated in the Hawaiian Islands. More than five hours have rolled around before the flag is raised by Soldiers of the Sea in the far-off Philippines, and at virtually the same hour in Shanghai, China, the Marines of the Fourth Regiment hoist the flag above their regimental headquarters.

Several hours later the westward march of daylight catches the fluttering folds of the Stars and Stripes flying over American Consulates in the Near East or in Europe, and when the sun passed its zenith in the Old World, the flag is again flung

to the breeze on the Atlantic seaboard.

Thus the Stars and Stripes makes its appearance in the early morning in all parts of the globe and remains flying until the sun disappears over the horizon.

Our Flag has been a symbol of military aggression. At home and abroad, afloat on the seven seas, or in some far distant outpost, it is America's guarantee of justice to those who seek protection under its folds.

DAVE SHANKS ISSUES CHALLENGE TO SMALL

Special to The Clarendon News

PERRYTON, Texas, June 15.—A stormy challenge was issued today by Dave Shanks, Perryton's fighting mayor and candidate for State Senator from the 31st Panhandle District, directed at Clint Small, the present incumbent, to either come out in the open and announce for re-election or withdraw from the race.

"Mr. Small's unwillingness to announce, led me to believe that he is afraid to face the real issue of the campaign," Dave Shanks stated. "Certainly with less than six weeks' time before election day, Mr. Small should be able to decide whether he chooses to run for governor, congressman-at-large, State senator, or possibly justice of the peace."

"I can understand why he is afraid to come out into the open and meet the real issue of this campaign," Dave Shanks continued. "There is going to be no political fence-riding in this campaign and Mr. Small knows it. Elect me senator and if my record isn't one of service for the people, I won't ask for re-election either, I'll resign."

"Our government is top-heavy with laws, bureaus and departments. I am for fewer laws, better enforced, the abolishment of unnecessary bureaus and departments and the consolidation of others. I stand for and will fight for removing from the counties, tax burdens for State Highway Purposes. I am opposed to any law forcing the farmer or any member of his family or any employee, to pay a license to drive his own truck to haul his own products to market. Send me to the Senate and I'll get such an infernal piece of legislation killed or know the reason why."

"Isn't it time for a change?" Mayor Shanks concluded. "Let's put some new blood in the Texas

Senate. The vote-grabbing politicians have had control long enough. Instead of getting relief from them, they are getting our state affairs into a bigger muddle than ever before and taxes have continually increased. I repeat, send me to the Texas Senate and if my record isn't one of service for our people, I'll resign."

RUFUS CARHART TO GET A & M DEGREE

Rufus C. Carhart, son of Mr. and Mrs. Whitefield Carhart of Greenville will receive his B. S. degree in civil engineering at the fifty-sixth annual commencement of the Texas A. and M. College, Saturday morning. A total of 363 graduates will receive degrees at this exercise. Dr. Edgar Odell Lovett, president of Rice Institute will deliver the commencement address.

Mr. Carhart has made a splendid record as a student at A. and M. and is one of the 182 to receive the degree in engineering, the school that led in the list of graduates. He is a graduate of the Greenville high school where he achieved a fine scholastic record and was a leader in extra-curricular activities, being very popular with students and instructors alike.

—Greenville Herald.

"The breakdown in regulation of Texas oil and gas fields may be traced directly to the Railroad Commission," Lee Satterwhite, who has served in the Texas Legislature, said recently.

Texas ranks first among the States in oil and gas production and it is of prime importance that these resources be protected, Lee Satterwhite, candidate for the railroad commission said recently.

R. E. Duncan left for Los Angeles, California last Thursday afternoon on a business trip.

CHILD need REGULATING?

CASTORIA WILL DO IT!

When your child needs regulating, remember this: the organs of babies and children are delicate. Little bowels must be gently urged—never forced. That's why Castoria is used by so many doctors and mothers. It is specially made for children's ailments; contains no harsh, harmful drugs, no narcotics. You can safely give it to young infants for colic pains. Yet it is an equally effective regulator for older children. The next time your child has a little cold or fever, or a digestive upset, give him the help of Castoria, the children's own remedy. Genuine Castoria always has the name:

Chas. H. Fletcher
CASTORIA
CHILDREN CRY FOR IT

LELIA LAKE

C. H. Ellis and son Dorr left for Mineral Wells Monday.

Miss Lyma Taylor spent Sunday with her sister, Mrs. Jones at Amarillo.

Mr. and Mrs. M. G. Cottingham spent Sunday in Clarendon with Mr. and Mrs. Arnold.

Mr. and Mrs. Albert Tomlinson and daughters, Maxine and Joyce, spent Sunday with Mr. and Mrs. J. P. Rowland of Clarendon.

H. R. King left Tuesday for a visit with his aunt, Mrs. L. B. Chunn of Antelope Flat.

Mrs. Oliver McElyea came Saturday for an extended visit with her relatives and friends.

D. W. Tomlinson and family spent Sunday with Mr. and Mrs. J. D. Cook of Clarendon.

Misses Ruby Jewel and Juanita Jones spent the week end with Bonnie Hardin of Sunny View.

Mrs. Guy Taylor and daughter Lyma left Tuesday morning for an extended visit with relatives at Pilot Point.

Clifton Mace of New Mexico is visiting with his grandfather, J. R. Mace.

W. W. Jones and family went to Amarillo Thursday.

The Home Demonstration Club met in regular session with Mrs. McDaniel Tuesday.

The H. M. U. of the First Baptist Church met in regular session Monday and Rev. Allen conducted the Bible lesson.

The First Baptist Church organized a Baptist Training Service Sunday night for the juniors and intermediates. All interested are invited to come.

Mrs. Avner Robertson was honored Friday afternoon when Mrs. Oliver Espey gave her a surprise shower. Her many friends gave her useful and attractive gifts. Mrs. Espey served to her guests delicious ice cream and cake.

SMITH NEWS

The W. C. D. Club met at the home of Mrs. Berl Smith Wednesday night with Miss Buttrill gave a very interesting lesson. Due to a bad cloud all of the members were unable to attend. Those present were Mesdames Frank Jackson, Gerald Knight, Jess Grimes, Sloan Baker, Wes Mabry, Clyde Roden, F.

Harris, and Misses Martha Buttrill, Mary Lee and Tootsie Mabry.

A number of candidates were down to visit the closing school plays Friday night. The plays were put on by the pupils of Mr. Sloan Baker and Miss Mildred Baker.

Mr. and Mrs. Frank Jackson and Mr. and Mrs. Gerald Knight visited with Mr. and Mrs. Bud Hampton Sunday.

Mrs. Mary Richardson is still very ill at her home.

The farmers are all anxious for it to stop raining and let them catch up with their crops.

Judge Elliott made a fine talk after Sunday School Sunday.

Mrs. George's sister from Childress visited with her Sunday.

Mr. and Mrs. Sloan Baker and family attended the ice cream suppers at Chamberlain and Bray.

The club ladies went to Mrs. Browns Wednesday of last week and made foundation patterns. The club is going to the dress contest at Clarendon on Wednesday of this week.

Messrs Sloan and Morgan Baker attended the funeral of Mr. Holman Kennedy at Clarendon Sunday afternoon.

Mrs. Lena Smith of Groom is visiting her son Berl for a few days.

Miss Louise Thomas of Lubbock came Monday for a visit with Miss Mildred Baker.

The party at Mr. and Mrs. Robert Jackson's Saturday night was greatly enjoyed by all.

THE WASHINGTON CATHEDRAL

High above Washington on Mount Saint Alban the Washington Cathedral gradually increases its structural form, and the North transept has been completed and work on the South transept is going forward rapidly. The foundations, crypt, three magnificent chapels, passageways and the Apse have been completed for sometime. It will undoubtedly be possible to carry out a long-cherished hope of Bishop Freeman to hold religious services for the commemoration of George Washington's birth in the Cathedral proper next month. That Episcopalian, vestryman, and Christian gentleman, left a definite record of his hope and desire that a National Cathedral should be built in what he chose to call the "Federal City."

There are sixty acres in the Cathedral close, and the "Bishop's Garden" is one of the delights of visitors. Three hundred thousand or more worshipers and pilgrims

have been visiting the Cathedral every year, but this number will probably swell beyond the million mark during the Bicentennial period.

The Cathedral carries out the general architectural scheme of fourteenth century English Gothic; it is 534 feet in length, and the height of the nave is 95 feet.

Of course, every organization, denomination or institution, enthuses over its own creations, and Washington citizens are apt to agree with those who created and those who are the builders of the Cathedral in their claim that this will be "the most beautiful" Cathedral the World has ever seen. Those who are familiar with Old World Cathedrals are more apt to give full credit to them as monuments to religious and political

and human history, while at the same time marveling over the rare beauty achieved by their builders centuries ago. It is not necessary to compare the great twentieth century Washington Cathedral with any of these medieval institutions. It is enough to know that America has done its best in the building of the Washington Cathedral, and to acknowledge that it wholly satisfies. It represents the great Faith of our Christian people in the Christian religion as satisfactorily as any material structure in all the world. Therefore, to us who belong to the New World it is a house for National purposes, beautiful and satisfactory in every particular.

WOMAN SOCIETY

Mary Naylor Is Honored

Miss Mary Naylor was the honoree at a surprise miscellaneous shower given Tuesday afternoon by Mrs. C. E. Griggs and Mrs. C. W. Galloway at the home of Mrs. Griggs.

Garden flowers and pot plants of various kinds and hues were used artistically in the entertaining rooms to lend charm and attractiveness to the setting.

Soon after the guests had arrived each was asked to register in a Bride's Book by giving some favorite recipe or special advice to the bride. Following registration Miss Naylor was asked to search one particular portion of the room for a slip of paper containing instructions whereby a valuable treasure might be found. Thus began the treasure hunt, which led to various and sundry places throughout the house until small gifts began to be found along the trail. Upon the discovery of each gift instructions were found for continuing the search until the large treasure was found which proved to be many articles, both useful and ornamental for the home.

Miss Nova Cook, in her pleasing way gave an appropriate reading expressing good wishes for the honoree's future.

An enjoyable ice course was served to the following: Misses Mary Naylor, the honoree, Zell Rodgers, Helen Rodgers, Lois Wallace, Eunice Johnson, Evelyn Murphy, Jo Ella Stewart, Roberta Lafon, Nova Cook, Laura Black, Estherbel Haning, Delphia Bones, Eula Naylor, Ina Naylor, Ruth Donnell.

Mesdames Otis Naylor, Simmons Powell, O. L. Fink, John Black, Nathan Cox, G. L. Boykin.

Out of town guests were Mesdames B. E. Hagerty of Amarillo, Loran Naylor of Panhandle, and Misses Evelyn Nix of Amarillo, Mamie Ruth Black of Wellington, Genevieve Davidson of White-wright.

CARD OF THANKS

We wish to thank our friends for all the kindness shown us in our great sorrow and for the beautiful floral offering.

Mrs. Holman Kennedy, Jo Ellen Kennedy, Mr. and Mrs. Tom Kennedy.

Chester Williams, son of Mr. and Mrs. Henry Williams, arrived home from Texas Tech where he has completed a successful school year.

Mrs. O. T. Smith and son, A. J. left on Thursday for Tyler where they will visit for a time with relatives.

Fat Man Reduces 53 Pounds—Oh Boy!

Don't be stubborn, you big fat men—throw off your fat before your fat throws you into the discard. Do as Mr. S. A. Lanier of Sawtelle, Calif., did—read his letter:

"I have used two reducing belts to no benefit but since using Kruschen Salts each morning in my coffee I have taken off 7 lbs. in a week and eat most anything I like. I weighed 243 lbs. 6 months ago and now I weigh 190 lbs."

Take one half teaspoonful of Kruschen Salts in a glass of hot water every morning—cut down on fatty meats, potatoes and sweets—now you know the safe way to lose unsightly fat.

For a trifling sum you can get a jar of Kruschen Salts that lasts 4 weeks at any drugstore in the world—but be sure and get Kruschen—your health comes first.

MARTIN HOME DEMONSTRATION CLUB HAS MEETING

The Martin H. D. C. met June 9 at 2 p. m. with Mrs. W. H. Morrow as hostess. There were 13 members and 8 visitors and Miss Buttrill present.

After the business session Mrs. Patterson and Mrs. Hutchins gave a demonstration on the different attachments of the Singer Sewing Machine, demonstrating to the club the various things they had learned at the 2 days sewing school held recently.

Miss Buttrill exhibited a number of canned products that had won the blue ribbon. Also a miniature of a model clothes closet.

The club adjourned to meet with Mrs. Patterson June 23 at 2:30 p. m.

The club then enjoyed a social hour during which delicious ice cream and cake was served.

"CHRIST, OUR EXAMPLE"

It is highly important and desirable that our great High Priest should not only obtain for us the heavenly inheritance, but also go before us, in the path that leads to it. That He should not only describe Christianity in His discourses, but exemplify it in His life and conversation. This our blessed Savior has done. In Him we see pure and undefiled religion embodied. In Him, Christianity lives and breathes. And how amiable, and how interesting does she there appear. How convincingly, how animating is our Savior's examples. How loudly, how persuasively does His conduct preach. How would you learn submission to parental authority. See Him, notwithstanding His exalted character, subjecting Himself to the will of His parents, and laboring with them as a mechanic, for almost thirty years. Would you learn contentment with a poor and lowly condition? See Him, destitute of a place where to lay His head. Would you learn active beneficence? See Him, going about doing good. Would you learn to be fervent and constant in devotional exercises?

See Him rising for player before the dawn of day. Would you learn in what manner to treat your brethren? See Him, "washing His disciples' feet." Would you learn filial piety? See Him forgetting His sufferings, while in the agonies of death, to provide another son for His desolate mother. Would you learn in what manner to pray for relief under afflictions? See Him in the garden. Would you learn how to bear insults and injuries? See Him on the cross. In short, there is no Christian grace or virtue, which it was proper for a perfectly innocent being to possess, which is not exemplified in His life; and there is no situation, however perplexing, in which the Christian may not derive sufficient instructions from the example of His divine Master.

The Master was interested in the souls of the people around Him and He gave His life that souls might be saved, and established the Church to carry on the program of soul-winning. The church of today should follow His plan and evangelize the world for Him. Sunday morning our subject will be: "Traveling for Souls" Sunday night our subject will be: "The Christians Hiding Place." Come, learn of Christ and His program.—W. E. FERRELL, Minister, First Christian Church, Clarendon, Texas.

IN SOCIETY

Farwell Party For Maxine Holloway

—One of the most pleasant parties of the season was that of last Saturday evening when a group of friends honored Miss Maxine Holloway, house guest of Miss Jo Ella Stewart, with a surprise farewell party. Coming to the home of Miss Stewart shortly after dusk the guests quickly secured tables and games of bridge were soon taking the attention of the happy group. To add further to the festivities of the evening were a number of boys from Memphis.

Those present were Misses Marjorie White, Vera Noland, Luree Burson, Evelyn Murphy, Berkley Ryan, Lois Wallace, Lucille Andis, Eugenia Noland, Jo Ellen Stewart and the honoree. Miss Maxine Holloway, and Messrs. Snooks Andis, George Bourland, Kenneth Brown, Bill Rutherford, Carroll Hudson, Willard Skelton, Elery Watson, Hollis Leathers and Buster Leslie, Jack Sitton, A. R. Evans, Pee Wee Pierson, Charles Flannery and V. L. McGlocken, all of Memphis.

Young Folks Enjoy Hay Ride

A group of young folks gathered at the home of Donald Mathewson on Tuesday evening for a hayride trip to the river. Those enjoying this trip were:

Misses Dorothy Keener, Wilma Russom, Elsie Eoff, Ratha Eoff, Harvey Lou Strawn, Mildred Golliday and Thelma Reed.
Messrs Sterling Golliday, J. L. Russom, Jim Myers, Donald Mathewson and the chaperone, Mrs. Carl Meek and her small son, Paul.

Minga-Barcus

GEORGETOWN, May 30.—The marriage of Annie Edward Barcus assistant professor of English in Southwestern university, to Herbert Minga, pastor of the Methodist Episcopal church, South, Celeste, Texas, was solemnized by the father of the bride, Dr. J. Sam Barcus, presiding elder of the Sulphur Springs district, at the First Methodist church here Monday at 7 p. m.

On account of the long relation of the bride and her family to Southwestern university, the wedding was made a feature of the 59th commencement of the college, and occurred on the day set aside for class alumni reunions.

Members of the family of the bride and the families of the board of trustees and faculty of Southwestern university and their families occupied reserved sections on the main floor of the church. The church was filled with friends and acquaintances.

Following the musical program, the wedding party entered the church and approached the altar to the music of Wagner's "Bridal Chorus" from Lohengrin, played by Miss Allie Barcus, on the organ.

Bridesmaids were: Miss Lorena Moses, Miss Tula Lee Stone and Miss Mary Sue Bureham of Georgetown; Miss D'Laurel Beville, Clarendon; Miss Roberta Barcus, of San Angelo; Miss Doris Jane White of Fort Worth; Miss Evelyn Raetzsch, of Marfa, and Miss Louise Hardin of Gatesville.

Following Mr. Minga's graduation from Duke he served the Methodist church of Cooper, Texas, as pastor. At the last annual conference he was stationed at Celeste, which will be the home of Mr. and Mrs. Minga, following their wedding trip.

Miss Barcus was born in Clarendon, and her father, Rev. J.

Sam Barcus of Sulphur Springs, was at one time pastor of the First Methodist Church of this city and also served as President of the Clarendon College at one time.

Jean Bourland and Dorothy Taylor are Hostesses

To make the vacation days happier and more complete Misses Jean Bourland and Dorothy Taylor entertained at the Parish House, Friday evening.

True to all gatherings of this sort by this particular group the evening was danced away amid laughter and applause. Delightful refreshments were served at a late hour.

Attending were Misses Geraldine Pratt, Mary Frances Caraway, Pauline Shelton, Berkley Ryan, Johnnie D. Latson, Pauline Sanford, Virginia Gardenhire, Elizabeth Kemp, Melba Dell Warner, Eunice Johnson, Roberta LaFon, Barbara Smith, Pauline Slover, Carroll Holder, Athlyn Taylor, Vera and Eugenia Noland, Marjorie White and the hostesses.

Messrs Chas. Bourland and Henry Wilder of Pampa, Bill Rutherford of El Paso, Fred Bourland, Kenneth Brown, Carroll Hudson, Sam Cauthen, Mike Stricklin, Bill Word, Bill Wood, Steve Green, Johnnie Blocker, Ardis Patman, George Bourland, James Smith, Phifer Estlack, Benton Smith, Winford Gattis, Alfred McMurtry, Elery Watson, Tony Watson, Phillip Smith, Ennis Taylor, and Wilford Andis.
Mr. and Mrs. Frank Bourland, Mr. and Mrs. W. W. Taylor and Rev. and Mrs. L. L. Swann acted as chaperones for the evening.

Blue Bonnett Club Members Entertained

Mrs. R. L. Bieger entertained members of the Blue Bonnett Club and their house guests at her home Thursday, this being the last meeting of the club year.

Roses adorned the rooms adding fragrance and loveliness to the already cheerful atmosphere of this home.

In the games of auction bridge Mrs. A. R. Letts played high and Mrs. C. G. Stricklin received consolation cut. An afternoon luncheon of two courses was served at the close of the games to:

Mesdames Odos Caraway, Homer Glascoe, A. R. Letts, E. O. McCann, J. L. McMurtry, W. H. Patrick, Geo. A. Ryan, C. G. Stricklin, club members.
Mesdames Solla Gentry, James H. Morris, Floyd Baldwin of Louisville, Ky., and Mrs. Hearn of Seattle, Washington.

Les Beaux Art Club Install New Officers

In the closing meeting of the club year for the Les Beaux Art Club the retiring president, Mrs. T. H. Ellis, relinquished her chair to Mrs. L. S. Bagby, incoming vice-president in the absence of the new president, Miss Mary Howren.

Mrs. Bagby called for and transacted new business then turned the meeting to Miss Catherine Ross who acted as leader of the lesson which was a study on French Art.

Mrs. Frank Bourland gave an interesting sketch of the lives of Marie Antionette and Louis XVI. Miss Ross then discussed architecture during the reign of Marie Antionette and Louis XVI and the influence Marie Antionette had on art. Mrs. James H. Headrick discussed at length the life of Grenze showing a reproduction of his most famous pictures.
Miss Mary Howren, club his-

torian, had prepared an interesting history of the year's work which was read by Mrs. James H. Morris.

After adjournment a tasty ice course was served by the hostesses, Mrs. T. H. Peables and Mrs. Charles Trent in a lovely environment created by the use of many garden flowers.

Kill Kare Kneedle Klub Spends Afternoon In Fancy Work

After several weeks of not having met together, members of the Kill Kare Kneedle Klub spent one of the jolliest afternoons in the history of their organization, Thursday, at the home of Mrs. F. O. Wood.

Cut flowers had been placed in welcome to the guests who neglected their needle work in their eagerness to visit with each other again.

A delicious ice course was served to the following club members: Mrs. H. C. Brumley, Mrs. W. B. Sims, Mrs. Buel Sanford, Mrs. M. W. Mosley, Mrs. W. A. Land, Mrs. W. A. Massie, Mrs. Fowler, Mrs. Van Kennedy and Mrs. F. L. Goldston.

Friendship Club Spends Afternoon With Needlework

A number of beautiful house plants decorated the home of Mrs. L. Ballew when she was hostess to members of the Friendship Club, Tuesday afternoon.

Needle work was the principal mode of entertainment throughout the afternoon hours until an ice course was served.

Club members in attendance included: Mesdames J. E. Mongole, J. L. Allison, J. H. Harrison, J. A. Meadow, A. T. Miller, J. W. Rowland, C. R. Skinner, J. D. Stocking, H. T. Tyree, G. J. Teel, M. E. Thornton, and Miss Katie Meadow.

Invited guests included Mrs. W. A. Massie, Mrs. Ben Andis, Mrs. J. H. Headrick, Mrs. Donald Ballew, and Mrs. T. M. Pyle.

Dorcas Class Has Interesting Business Meet

With Mrs. H. C. Brumley, teacher of the class, acting as hostess, members of the Dorcas Class, Baptist Sunday School, held an interesting business and social meeting at her home, Wednesday afternoon.

The home was tastefully arranged with cut garden flowers in welcome to the thirty members who out of an enrollment of forty-five answered roll call with a riddle which provoked much thought as well as laughter.

During the business session officers for the new year were elected and other routine business transacted before the social hour began. An ice course completed the afternoon's entertainment.

ST. JOHN BAPTIST CHURCH (EPISCOPAL)

Services for the fourth Sunday after Trinity.

Morning Prayer and Sermon, 11 a. m.—Sermon Subject, "The Shadow of the Cross".

Church School and Bible Class, 9:45 a. m.

All are cordially invited to join us in worship.

TOO-- Personal

By Mary Jo

The Inquiring Reporter is one of the most unknown writers of Donley County or any where. Her column is published in The News because it takes up space. The opinions she expresses are her own, no one agrees with her or is responsible for the things she says. Her mutterings are not to be interpreted rationally.—Editor's Note.

Ralph Kerbow swept the front porch of the Kerbow Hardware Co. Wednesday morning while his big brother, Bennett, swapped jokes and read the morning paper.

Anne Myra and Pinkie haven't named the baby for sure yet, I think that Clyde I. Price, Jr., will probably be what they select. It doesn't make much difference what his formal name is for he will always be Little Pinkie in respect to his notorious father.

Obie Crabtree says, "You can't eat your cake and have 'IT'."

They let me get the inside story of "The Women's Dress Contest" yesterday afternoon. I went over at the City Hall and stayed from 2 to 6. I don't see any use of people around here ever going to Africa as long as we have a place as warm as that City Hall to attend contests in. It was the usual contest . . . one of the judges made a speech about how hard it was to select the winners from so many beautiful dresses but they finally decided on four.

Mayor Cagle said that they were all mighty pretty dresses but there was one thing wrong—the women would all look a lot prettier if they had on a sun-bonnet. (Girls if you want to coquette with the Mayor wear a sun bonnet to town, it must be the way to his heart.)

I certainly was glad to see "Uncle Johnny" Martin on the street this week.

My Petting Permit was granted indorsed by Guy and Curry Powell but the Notary of Public seal on it. The permit is good only in Donley County and is not transferable. If any one knows the Sheriffs in Gray, Armstrong, and

Randall counties I wish they would tell me their names because I might have to go on their lanes to inquire about crime. I'm not going to bother about having a permit for Hill County for they don't mind petty vices.

Ernest Pope, Allen Bryan, Floyd Little and Bill Greene were holding the annual meeting of The Gent's Clothing Club this week. Bill Green read a very interesting paper on "Abandoning the Coat for the Summer" and then Ernest Pope asked this vastly important question—

"Do you know what the well dressed man of 32 will wear?" "His clothes of 29", answered Allen Bryan and Floyd Little in unison.

One of my brawny friends told me I had better keep his name out of my column or HE would wipe my face all over the sidewalk. I want to be diplomatic and I'm a little scared of Charlie Trent so I decided not to say anything about him.

Flop Pyle and his wife, (Opal went too, but she doesn't like her name in the paper—I wish I had a list of the people's names who don't like to be in print, it would keep me from offending any one) motored to Newlin last Sunday.

"Life is a jest and all things show it, I thought so once and now I know it."

That expresses the fatalistic and pessimistic philosophy that I have been about to believe in lately, YOU ALL have disappointed me. When I started a column I had faith in the world, perhaps I was conceited too, but I thought columnists were brought gifts to their offices so they could thank them in the paper. At night I dreamed of the Public dropping in with delectable ham-hocks—messes of prize winning spinach greens—and rare poke-salad. The next morning the only people that came in were candidates to tell me how much better and cheaper they could run things than their rivals.

If any one wants to ameliorate for my grief drop in and leave me a diamond bracelet maybe that would help. Mr. Goldston did not pay me one cent for this advertisement because he doesn't have any diamond bracelets in

stock right now but he can order one.

Another one of our summer tourists who have been vacationing in Estes Park is home. Bunk Ozier dropped off a through freight, third car from the caboose, at two o'clock Sunday morning. Bunk stated that the train didn't slow up very much and he thought for a while he might have to stay on until they got to Memphis.

The Crime Reporter "is that way" over a certain President and it isn't Hoover.

Everette Johnson is visiting with Mr. and Mrs. Clarence Liston of Commerce. He expects to return next week.

Ladies Aid

Mrs. O. D. Leisburg opened the meeting of the Ladies Aid at 8:30 o'clock by announcing that Mrs. Humphrey would lead in prayer. Two hymns followed then a business session was held before the lesson was presented by Mrs. F. C. Johnson. The lesson, 2nd chapter of 1st Cor., proved unusually interesting.

Fourteen members and three visitors were present to derive the benefits from the lesson study as well as enjoy the social hour.

Mr. and Mrs. Clyde I. Price are the proud parents of an eight pound baby boy born Wednesday morning. Mrs. Price and the baby are doing nicely.

TEXAS DEMOS TO VOTE ON REPEAL

JULY PRIMARY VOTERS WILL VOTE ON DRY REFERENDUM IN NATION

In addition to a candidate ballot with around 100 names, the Texas Democrat who votes next month will get a second ballot to mark "for" or "against" a proposal that the Seventy-Third Congress submit to the people the retaining or repealing of the Eighteenth Amendment.

The additional ballot was provided for Monday at Austin by the Democratic executive committee in adopting a resolution offered by an asserted prohibitionist and seconded by a leader in the anti camp. It was passed by 16 to 13, with more proxy holders than committeemen voting.

The vote came after a floor fight so heated that Chairman W. O. Huggins of Houston had to invoke a rule that he would hear none but committeemen or proxy members.

The referendum and the mechanics of conducting it filled the afternoon after a morning session cleared the matter of selecting Lubbock for the September convention and the certifying of a ticket of seventy-three candidates, nine of them seeking the Governorship and thirty-nine after the three offices of Congressman at large.

Protest against the referendum was made on the basis that prohibition was not a party matter and, more heatedly, on the ground that including any matter other than the pledge and the list of candidates brought a risk of throwing out the whole election by invalidating the ballots.

Around the second objection, provision was made for submitting the proposal on a separate ballot which, if necessary, the executive committee will have printed for supplying to county chairmen.

On it will be printed two paragraphs, one reading "for" and the other "against" the "submission by the Seventy-Third Congress of the United States of the question of retaining or repealing the Eighteenth Amendment to the people through conventions especially elected in the separate States to consider that issue by itself as provided in Article 5 of the Constitution."

Mr. and Mrs. A. Thompson from Hereford spent Tuesday in the home of Rev. E. B. Bowen.

SOME BIBLE FACTS

Dr. Thomas Horne, an English Bible scholar and critic who died in 1862, devoted several years to compiling interesting facts about the Bible, among them being the following:

The Bible is composed of 66 books, containing 1,189 chapters, 11,173 verses, 774,746 words, and 3,566,480 letters. The shortest verse is John 11:35 and contains only two words, "Jesus wept."

The longest verse is Esther 8:9. The word "Lord" occurs 1,853 times; "Jehovah" 5,845 times; the word "girl" only twice; "everlasting fire" is found twice; while the words "everlasting punishment," "eternity" and "revere" occur only once each.

Several verses are duplicated, thus four verses of the 107th Psalm are identical, and the 36th chapter of Isaiah and the 19th chapter of II Kings are exactly alike.

No original manuscript of any portion of the Bible is in existence. The oldest manuscript known, a fragment of the 11th chapter of the Psalms, thought to have been written in the third century, is preserved in the British Museum. The Bible as we know it has come down to us through many translations, the first complete English translation having been made by John Wycliffe, who died in 1384, and his fellow workers, Nicholas and Purvey.

William Tyndale was the first to print the Bible in English, beginning in 1525. He printed all of the New Testament and a small portion of the Old, but his translation came under the displeasure of the ecclesiastical authorities. After 15 months' imprisonment he was tried and burned at the stake for heresy on October 6, 1536.

JUDGE B. D. SARTIN HERE WEDNESDAY

Judge B. D. Sartin of Wichita Falls, and candidate for Congressman-at-large, place No. 2, visited Clarendon Wednesday of this week and while here spoke before the Home Demonstration Club Women of the county assembled at the city hall for the

Advertising That Pays CLARENDON NEWS

dress contest.

Judge Sartin made no mention of his campaign in his address to the ladies, but spoke on the prohibition issue which has suddenly become a burning issue by the action of the State Democratic Committee in ordering a vote of Texas Democrats on whether or not the Eighteenth Amendment should be resubmitted to the states.

His address dealt with the motives back of the effort to repeal the liquor laws of the nation for shifting the burdens of taxation from the rich to the poor working class through a tax on beer and liquors. He called on the moral forces of the county to take up the fight and be ready to fight the movement for liquor at the ballot box in July.

Mrs. H. M. Van Trease and Maudie Anne from Amarillo are

spending a few days in the home of Mr. and Mrs. C. W. Bennett.

NEWEST PHOTO OF CHIEF EXECUTIVE: Here is the most recent portrait taken of President Herbert Hoover, as his four-year term of office is drawing to a close. The president's vigorous regime of exercise seems beneficial.

ITEMS OF INTEREST IN DONLEY

WINDY VALLEY

Rev. Campbell of McKnight preached an interesting sermon at the Baptist Church Sunday morning. He was a visitor and made a short talk at the Union Sunday School Sunday afternoon.

Miss Pauline Calhoun from Arizona is visiting her cousin, Mrs. Robert Wells.

Mr. George Stockman and daughter, Peggy, and Mr. J. W. Skinner and daughter, Lora, were Amarillo visitors Saturday and were dinner guests of Mr. Stockman's sister.

Mr. and Mrs. Hallbrook of Tulsa, Oklahoma, visited her aunt Mrs. J. R. Williams, Thursday.

Mrs. J. S. Harlin returned Thursday after visiting her daughter, Mrs. G. E. Tims at Leslie. Mr. and Mrs. Tims are rejoicing over a baby boy since June 6.

Mrs. J. M. Noble together with Rev. and Mrs. McClure of Hedley and Miss Vera Garland of Ash-tola, left Wednesday for Wichita Kansas to attend the General assembly of the Nazarene Church. They expect to be gone about ten days.

Mr. and Mrs. Alvin Mace spent Saturday night with her parents, Mr. and Mrs. N. R. Simmons.

There was a large crowd at Singing Sunday night. We invite all the visitors back again.

Mr. Bud Fletcher of Lelia Lake and Maurice McGowan of Hedley spent Saturday night with Leslie Skinner.

Mr. and Mrs. Jim Josey visited his sister, Mr. and Mrs. Lonnie Bullard Sunday.

Miss Mattie Fletcher spent the latter part of the week with Miss Gladys Noble.

BRAY

Wednesday night our community met with the county candidates at the school house and enjoyed a few hours of entertainment. We all enjoyed the made by the candidates and believe they enjoyed the ice cream and cake. We had lots of cake and cream and some left. Most all the crops have been blown out and washed away and the last few days of sunshine the farmers have been very busy replanting.

Miss Mario Hargis was visiting Sunday with Miss Otie Allen. Miss Ethel Bell spent Sunday with Miss Imogene Robinson.

Miss Thelma Styles was a caller in the Dishman home Sunday.

Mrs. Bert DeBoard of McKnight spent Sunday visiting in the home of Mr. and Mrs. A. A. Parrott.

Mr. and Mrs. Howard were home from Canyon Wednesday night.

Miss Imogene Robinson was a caller in the home of Mr. and Mrs. W. O. Hill Tuesday.

Mr. and Mrs. Grif Christian and children were visiting with the lady's parents Sunday, Mr.

were Clarendon visitors Saturday afternoon.

Little Miss Lavoice Sweeny and small brother, Jerold were visiting with the Bell children Thursday afternoon.

A. A. Parrott has returned home after several weeks spent in New Mexico.

Mr. and Mrs. Earl Dickson and little son were visiting relatives at Hedley Sunday afternoon.

Mildred Parrott spent Thursday night with Lavoice Sweeny. Mr. and Mrs. Homer Lee were shopping in Hedley Saturday afternoon.

Dates for the 46th annual State Fair of Texas at Dallas, have been set for Oct. 8 to 23, inclusive, it has been announced by Otto Herrold, new president of the exposition.

Rev. J. H. Hamblen and wife from Sweetwater visited friends in the city last Thursday.

Questions and Answers about Conoco Germ Processed Oil

Q: WHAT DOES "GERM PROCESS" MEAN?

A: The words "Germ Process" describe the scientific method by which this oil is manufactured. Such processing adds immeasurably to the oil's lubricating properties. North American patent rights to this Process are owned by Continental—only CONOCO oils are Germ Processed!

Q: IS IT DIFFERENT FROM OTHER OILS?

A: Yes. It is the only oil of its kind, and does what no other oil can do. The Germ Process gives it the ability to penetrate and combine with metal surfaces in your motor. The Germ Process also gives more "oiliness" than any other oil. Any oil would be better oil if Germ Processed.

Q: WHAT IS THE "HIDDEN QUART"?

A: The "Hidden Quart" is tangible evidence that CONOCO Germ Processed Oil penetrates metal surfaces and gives surer, safer lubrication. During the first 250 to 350 miles after your first fill

with Germ Processed Oil, a pint to a quart seemingly disappears. On later fills, it does not. That's the Hidden Quart—it stays up in your motor and never drains away! Other oils drain away when your car is idle, leaving vital parts unlubricated during the starting period, when almost half of all motor wear occurs. CONOCO's Hidden Quart lubricates before your motor starts—cutting down costly starting wear!

Q: WHY SHOULD I CHANGE TO CONOCO GERM PROCESSED MOTOR OIL?

A: Because, by cutting down starting wear, it gives your motor longer life, keeps it sweet-running and saves expensive repair bills. Because Germ Processed Oil's extra oiliness makes your car run better. It forms a stronger piston-ring seal, making starting easier and giving more power. It withstands crankcase dilution and high temperatures. CONOCO Germ Processed Motor Oil gives you the safest, surest lubrication you can buy. Change now to this better oil at any CONOCO Red Triangle station.

CONOCO GERM PROCESSED MOTOR OIL 30¢ a quart

A HIDDEN QUART STAYS UP IN YOUR MOTOR AND NEVER DRAINS AWAY

BAYER ASPIRIN

is always SAFE beware of imitations

Unless you see the name Bayer and the word genuine on the package as pictured above you can never be sure that you are taking the genuine Bayer Aspirin that thousands of physicians prescribe in their daily practice.

The name Bayer means genuine Aspirin. It is your guarantee of purity—your protection against the

imitations. Millions of users have proved that it is safe.

Genuine Bayer Aspirin promptly relieves:

- Headaches
- Neuralgia
- Rheumatism
- Lumbago
- Neuritis
- Toothache

No harmful after-effects follow its use. It does not depress the heart.

THE PEOPLE OF TEXAS MUST DECIDE THE FATE OF TEXAS RAILROADS

● THE WELFARE of Texas and Texans has gone and will always go hand in hand with the welfare of Texas railroads. Their dependency upon each other is absolute.

In 1929 Texas railroads gave employment to 82,956 employes, to whom they paid annually \$126,674,543 in salaries and wages. In 1930 this number decreased to 70,739 while the payroll declined to \$109,892,226. In 1931 the number of employes fell to 57,098 and the payroll to \$89,505,918.

This represents a decrease of more than \$37,000,000 in purchasing power in Texas communities. There has been a corresponding decrease in purchase of materials and supplies by Texas railroads. The ability to have maintained railroad payrolls and purchases would have been a very important factor in overcoming the present trying economic condition.

The decline in railroad payrolls and purchases is due only in part to economic conditions. The revenues of the railroads have been affected not only by business conditions but to a very large extent by loss of traffic to trucks and buses using the public highways in competition with the railroads.

● The time has come when the people of Texas must decide whether the traffic of this state can best be carried by the railroads, using facilities which they built and maintain at their own expense, or by trucks and buses using the highways built and maintained at the taxpayers' expense.

THE TEXAS RAILROADS

Bits Of WASHINGTON'S Current Comment

Special to The Clarendon News

Without notifying anyone of his intentions, the President appeared before the Senate and urged immediate action of emergency legislation. The passage of the tax bill followed. It was prepared for conference with the House. The conference was had, the bill passed both Houses, and was approved by the President on the 6th of June. Thus, Congress has disposed of one of the most serious pieces of business which will confront it at this session. The revenue act of 1932 is voluminous and requires the services of the traditional Philadelphia lawyer for its complete comprehension. Certain features, however, stand out so plainly that the wayfaring man, though a fool, need not err therein. For example, the income tax is increased considerably. Under the old law, the first four thousand dollars was subject to a tax of one and one half percent as compared with four percent under the new law. The exemption for married persons has been cut from three thousand five hundred dollars and for single persons, from fifteen hundred dollars to a thousand dollars. The allowance for earned income has been reduced from twenty five percent to nothing, which, of itself, will amount to a substantial income. Inheritance of ten thousand dollars are subject to tax, as compared with fifty thousand dollars, under the existing law. There are import taxes on lumber, oil, copper and coal. The manufacturers' tax is laid upon a wide range of articles, among which are included gasoline, soft drinks, chewing gum and candy, matches, sporting goods, mechanical refrigerators, various auto supplies, jewelry and toilet preparations. Persons using electricity will be subject to a three percent tax. Bank checks will carry a tax burden of two cents each. Telephone messages of fifty cents and upwards are taxable. Five percent is laid upon all telephone messages. Admission tickets to amusements, costing forty-one cent and over, carry a ten percent tax. As to postal service, a three cent stamp must go on each first class letter, and there are increases in the postage on other classes. The economy measure is receiving overhauling and consideration. It looks as though government salaries under a thousand dollars, paid from the Treasury would go free, with a ten percent cut above that sum. The bonus army has descended upon Washington, and is voicing its demands, in no uncertain terms, but it is questioned whether Congress will see its way clear to pass favorably on a bonus payment at this session. Fortunately, a Communist document planning for a "red letter day" early in June, was read by

New Postal Rules Are Explained Here

From a Postal Bulletin secured from Postmaster Chas. H. Bugbee the new postal rates are explained to the readers of The News. Copying the following from the Bulletin the readers will find the rules self explaining and what increase is made in the postage rates for the mail. Effective July 6, 1932, the Postal Laws and Regulations are amended as follows: "Sec. 384. On and after the thirtieth day after the date of the enactment of this act and until July 1, 1934, the rate of postage on all mail matter of the first class (except postal cards and private mailing or post cards, and except other first-class matter on which the rate of postage under existing law is 1 cent for each ounce or fraction thereof) shall be 1 cent for each ounce or fraction thereof in addition to the rate provided by existing law. "2. Upon all matter of the first class postage shall be charged at the rate of 3 cents for each

the police ten days in advance. Once in a while there is a rift in the clouds that lets a flood of sunlight in upon a darkened and money-grabbing world. An Ohio man postponed the spring opening of his roller coaster to accommodate a pair of robins that were raising a family in a nest built on the tracks.

Over in Holland, Ex-Kaiser gets his exercise on the fuel pile. It is reported that his oldest boy may be called upon in the fall to boss Germany. One suspects that, in general, the Hohenzollern family is saying nothing but sawing wood.

England has just distributed about 250 million dollars as interest on some of her war loan bonds. Uncle Sam will have to be contented with the compliment that was paid to the patient several hundred years ago, by the English poet Milton: "They also serve who only stand and wait."

Three persons clearly got the worst of it this week. A drunken Washington woman hailed a police car for a taxi, a Michigan crackman blew an empty safe, and a New York baby had to undergo an appendicitis operation before he was forty minutes old.

The old folks come to the front in the current print. Yugoslavia reports a peasant 127 years old. Nothing is said of him saving that he died. England has a church warden who can attend to the duties of his office at 99. Chicago does not make much of a showing in the age column by referring to a man of 78, yet it may be that the Chicago patriarch, though a little short in years, should be stepped to the head of the list. He has run one auto since 1924, in order to have a little loose cash with which to buy meals for the children of the poor.

ODD — BUT TRUE!

IN 1869 THE AURORA BOREALIS WAS SO STRONG THAT THE TELEGRAPH SYSTEMS IN THE MIDDLE AND EASTERN STATES WERE OPERATED WITHOUT BATTERIES.

-Masonic Notes of Interest-

MASONS TO TRACE EARLY AMERICAN HISTORY OF CRAFT

Alexandria, Va.—At the sixth annual conference of the Masonic Librarians' Association which met in the George Washington Masonic Memorial Temple during dedication week, a research committee was appointed to go into the early facts of Freemasonry in the United States. The sources of such facts are to be found among the manuscripts in the older libraries of the country, it was stated.

The committee members are J. Hugo Tatsch, acting librarian and curator, Grand Lodge of Massachusetts, Boston; William L. Boyden, Librarian, Southern Supreme Council, Scottish Rite, Washington, D. C., and William Dick, Librarian Grand Lodge of Pennsylvania, Philadelphia.

Having held his present office for thirty-six years, Mr. Boyden is dean of the Masonic Librarians' Association. He is also author of "Masonic Presidents, Vice Presi-

dents and Singers," as well as many articles on biography and colonial Freemasonry. Mr. Tatsch has had a wide Masonic library experience and is author of several works of Masonic interest among which are "Freemasonry in the Thirteen Colonies," and "The Facts About George Washington as a Freemason."

It was revealed at the Alexandria meeting by Dr. John Dorsey Wolcott, assistant librarian of the Library of Congress, that there are more than 5,000 Masonic books and pamphlets in the governmental collection. These, he said, are available to patrons of the library.

CLARENDON NEWS

INDIANS FEATURE AT MASONIC ENTERTAINMENT

Buffalo, N. Y.—The officers and members of Summit Chapter No. 307, of this city, and Niagara Chapter No. 200, R.A.M., of Niagara Falls, N. Y., were entertained recently by Mount Nebo Chapter No. 76, R.A.M., of Niagara Falls, Ont. There were full-blooded Indian Chiefs were among the guests who, in their native dress, added a colorful touch of dignity, grace and purple regalia of the red, white and purple regalia of Royal Arch Masonry.

The chiefs were: Nicademus Bailey, Ex. High Priest of the Western Star Chapter No. 35, Batavia, N. Y.; Clinton Richard, of the Tuscarora Reservation, N. Y., and Romeo J. Green, of the Six Nations Reservation, Ontario.

A feature of the festivities was the remarks of Chief Nicademus Bailey, who revealed a bit of Indian humor and his powerful vision in drawing conclusions. Observing the presence of another stranger, Companion A. S. Jannatti, an East Indian, he said: "Columbus, 400 years ago, crossed the perilous ocean, hoping to find a passage to India but he found us (the Amerind) instead of our Hindu friend Jannatti, which was a pity, although it had to happen sooner or later, but the Indian was then rising to eminence and power, and at that time his people, one of the Five Nations, who had formed the great Aganushioni, or Iriquois Confederacy, were both a terror and a preeminent power, and would soon have been the masters of this great American continent, had it not been for the advent of Columbus and the White Man."

Chief Bailey said that his people were now considered a dead race but through the equal education of Indian children by the White Man's government "they were coming back to their place in the sun," qualifying for positions as lawyers, doctors, preachers, scientists, scholars and statesmen. "Masonry is doing much," he said, "for the Indian, as is evidenced by his presence in the Fraternity. We are proud," he continued, "to be acknowledged as members and companions of an Order so uplifting, elevating and energizing as Royal Arch Masonry."

MEMBER OF CUBAN SUPREME COUNCIL VISITS WASHINGTON

Washington, D. C.—Jose Luis Avellanal, Ph.D., LL. B., world traveler, youngest member of the Supreme Council, Scottish Rite, of Cuba, and a recent graduate of a law school in Georgia, visited the House of the Temple, Southern Supreme Council, in this city. Related to the Spanish royalty, Mr. Avellanal is a cousin of Jose Luis Cortez, a priest in charge of the St. Isidoro Church in Seville, and a nephew of General Guillermo Langra, former military governor of Seville.

He is a member of the bar in the State of Georgia and after settling his father's estate in Tampa, Fla., he will go to Madrid to claim his title of Marquisait, following which he will finish his course in medicine at Paris and then return to the United States, where he expects to practice law.

Rev. Swan filled his regular appointment at Childress and Quinah last Sunday and reports crop conditions unusually favorable throughout that section.

More Ways Than One To Make The Farm Pay

The farmer of a few years ago had just one idea—to plant a crop and get his profit on the harvest from that one crop. Modern methods have shown that there are more ways than one to make a farm profitable. Diversified farming has come to stay. Cows and chickens add their share to the farmer's income. Are you making the most of your opportunities?

MRS. MITCHELL BELL BURIED HERE SATURDAY

The citizenship of Donley County was saddened last Friday morning when Mrs. Mitchell Bell passed away at her country home following a lingering illness of many months.

Funeral services were held Friday evening at the home of her daughter, Mrs. P. B. Gentry, where a host of friends gathered to pay their last respects to this fine character.

Mrs. Bell was born Tillie Nelson on September 11, 1873, in Wise County. She moved to Donley County with her family in 1890 and met Mitchell Bell. The marriage of this young couple was celebrated in their marriage in 1895.

B. & P. W. Women In Interesting Meeting

The B. & P. W. Club met in regular session Tuesday evening at the Clarendon Hotel. Fifteen members and three guests were present.

Miss Jessie Ingram gave a very clever reading followed by a piano solo by Rhoda Wiedman. Miss Lottie Lane gave a full and interesting report on the State Convention held at Dallas the past week.

An auditing committee was appointed to audit the club books for the past year. Serving on this committee are Martha Buttrill, Lela Lamons, Naomi Allison and Etta Harned.

Mrs. W. E. Privvy of Wichita Falls is spending this week with her sister, Mr. and Mrs. Cap Lane and family.

County Candidates Have Heavy Speaking Schedule

LELIA LAKE HOST POLITICAL RALLY

BIG PLANS ARE BEING MADE FOR ROYAL ENTERTAINMENT ON JUNE 21

Lelia Lake intends to do honor to the various candidates next Tuesday evening at the Lelia Lake High School auditorium at 8 o'clock, and plans of such magnitude have been made until the citizens of that community are anxious for as many of the people of the county as possible to meet with them and enjoy the festivities of the evening.

All the candidates have signified their intentions of making the Lelia Lake rally and are pleased that the citizens of that place have taken the interest in the political race sufficiently to invite them to the meeting. Every candidate will be given an opportunity to present his claims for the respective offices, although there will be a time limit so no one will become too tired.

Hedley P. T. A. Sponsors Political Rally

A letter was received the fore part of this week from the Parent Teachers Association of the city of Hedley which asks The News to announce that on Friday evening, June 24th, that organization will sponsor a county-wide political rally and ice cream supper in the spacious auditorium of the high school.

A limit of ten-minutes is given each candidate for the outline of his qualifications for the respective offices and no one will be bored by lengthy and argumentative speeches. A quilt, made by the Hedley Rural Club, will be given during the evening's festivities.

REBECCAS ANNOUNCE PIE SUPPER MONDAY EVENING

The News has been requested to announce the pie supper sponsored by the Rebeccas on next Monday evening, June 20 following the regular meeting of the organization. The place has not been named at the present time, but every one is requested to meet at the Rebecca Hall where instructions will be given where to go. The meeting will be in the form of a political speaking as all the candidates have been invited to be present and do their bit towards making the event a great success.

CLARENDON, H. D. C. TO SPONSOR ICE CREAM SUPPER

Mrs. O. L. Fink has asked The News to announce that on Thursday evening, June 23rd, the Clarendon Home Demonstration Club will sponsor an old fashioned ice cream supper at the old Grammar School Building at the South end of Kearney Street.

NAYLOR

Mr. and Mrs. H. B. Naylor and family left Friday for Mangum, Oklahoma to make it their home. We regret to see them go but wish for them the best.

Misses Mildred Tunnell and Helen Marie Northcutt spent Tuesday at Clarendon.

Rev. Liles preached for us Sunday and was guest over night in the Pickering home.

Mr. and Mrs. A. E. Tidrow and two small children and their guests, Mr. and Mrs. Dee Crites of Lelia Lake, spent the week end at Shamrock with Mrs. A. E.'s brothers, Messrs. Carnes, Miss Vera Lee Carnes returned home with them and will visit over the week.

Mr. and Mrs. T. E. Naylor and sons were Clarendon visitors Tuesday.

Still we have rains but most of the crops are looking fine.

Mrs. K. C. Reed was a Memphis visitor Saturday. Quite a crowd visited the old swimming hole Sunday afternoon and all report a great time.

Little Sidney Rhea Beach of Hedley is spending the week with his grandparents, Mr. and Mrs. Rich Bowlin.

THRILLS OF RACER IS TOLD BY TIRE DEALER

A graphic story of the remarkable part played by tires in the 500-mile international sweepstakes on the Indianapolis Motor Speedway, Decoration Day, was told Hommel Bros., Firestone dealers

in this city. It was the thirteenth consecutive triumph for Firestone in this great motor racing classic.

"There is no more severe test of automobile tires than that to which they were put at Indianapolis," said Mr. Hommel.

"The cars darted along the straightaway at close to 150 miles an hour and swept into the embanked curves at an appalling pace. It was on these turns that the stress and strain was the hardest. As the cars dived into the turns, their momentum caused them to climb the embankment from the lower rim to the outer. This was an uncontrollable action by the car and is called 'drifting'.

"At these terrific speeds one would expect to find great holes burned in the tread and the rubber worn entirely away. But nothing of the sort happened. An inspection of Firestone tires after they had traveled the full 500 miles revealed an amazing state of preservation. Very little wear

was discernable.

"It is the patented construction features of Firestone tires which have made it possible for them to hold a supreme mastery for thirteen years in the 500-mile contest. Gum-dipping is one of these features. By this process the innermost fibers of the cord body are coated with rubber and protected against the fierce heat which in other tires is developed by friction at high speeds. At 100 miles an hour the centrifugal force in a tire increases its circumference by more than ten percent, which would throw off the treads of ordinary tires. Firestone engineers solved this problem by means of a construction principle known as two extra gum-dipped cord plies under the tread. By this patented method of construction the tread and body are held together in a perfect unit.

"The life of a racing driver is dependent at all times on the performance of his tires. It is not surprising that the majority choose Firestone."
