ALL FACTIONS SEEK SETTLEMENT

COMMISSIONERS MEET FRIDAY MORNING TO IRON OUT DIFFICULTIES

Nearly everybody in Donley County, regardless of his viewpoint, is looking forward to the meeting of the Commissioners Court Friday morning at ten o'clock in the hope of a definite settlement of the highway problems of the county.

Following the meeting last Friday, when the court was presented with a petition signed by several hundred citizens of the east end of the county asking for a bond election in the sum of \$45,000 for the purpose of buying right-of-way for highway 5 with an overpass in the outskirts of Hedley and thence on the North side of the Denver tracks through the county, and for the purpose of building a bridge on the Hedley-McLean road, there has been a number of developments. The petition was filed without action by the court, but action is mandatory on that body if the petition is legally drawn and signed.

The commissioners made a trip to Amarillo Saturday for a conference with Divisional Engineer W. J. Van London concerning a proposal to borrow the money needed to purchase right-of-way from the department, to be paid from the car license over a period of years. The engineer stated that he knew nothing of such financing plans and recommended that the matter be laid before Chairman Ely of the highway commission. Accordingly Commissioner Les Hawkins went to Abilene that night to confer with Judge Ely the next day, and was advised of the commission's action after its meeting the first of this week. This reply is expected for the Friday session.

In the meantime road enthusiasts here who do not intend for Donley County to lose the road on account of divisions or delays, have secured legal counsel and are going to Friday's session with some alternate plans ready to propose if the court refuses to order the purchase of the right-of-way all the way through the county.

There is a growing anxiety on the part of the citizens in all sections of the county that unnecessary delays will lose the road for the county and that the county will lose thousands of dollars in valuations and commerce, while it must suffer additional taxation for the upkeep of the present route through the county which would be abandoned if the highway goes from the Mulberry bridge to Washburn through the Paloduro Canyon.

Judge Alexander has returned and the final decision may be with him if the court presents a tie vote on the hoped-for settlement. Nothing is known as to his attitude in such an event.

NEW SERVICE STATION ADDS PRODUCE LINE

Roy Philpott moved here from Childress the past week and took charge of the Phillips station across from the Antro Hotel. The name of the business under the new management is the West Texas Service Station and Produce Co., the produce line being added under Mr. Philpott's direction.

Mr. Philpott says he is pleased over his move to Clarendon and the business volume is already encouraging, though he intends to add much to his volume through the buying and sale of poultry, cream and eggs. See his advertisement in this week's issue of The News.

W. H. Patrick, Katherine Patrick, Harold Bugbee and H. W. Taylor attended the Old Settlers meeting at the Tri-State Fair at Amarillo, Wednesday.

Mr. and Mrs. Ira Merchant and Cal Merchant were in Amarillo Wednesday for the Tri-State Fair.

Joe Bourland Gets Highest U. S. Academy Honors

ALSO BUSINESS MANAGER OF BOOK

MIDSHIPMAN BOURLAND IS ONE OF ACADEMY'S MOST POPULAR

While all of Clarendon and Donley County have been proud of the splendid record made by Joe Bourland at the United States Naval Academy at Annapolis, Maryland, this pride has been justly amplified recently in further honors being bestowed upon this city's most illustrious son by the Naval Academy's authorities. The following news story was received by The News this morning from Washington D. C., and is self explanatory:

The honor of Regimental Commander of Naval Academy Midshipman during the coming year has been bestowed on Joseph Hunt Bourland of Clarendon, Texas. Last year Tate Simpson of Houston, Texas, was honored as Lieutenant Commander.

Joe Bourland, besides being one of the star men of First Class, is business manager of Lucky Bag, and one of the most popular men in his class.

While on summer cruise he was especially honored and entertained by Governor Beverly of Porto Rico, formerly of West Texas and Washington.

Midshipman Bourland comes from a prominent old West Texas family of ranchmen.

When on leave he is at home with Mr. and Mrs. R. C. Fulbright, of Texas and Washington, in their country home near Washington, D. C.

Joe is the son of W. M. Bourland of this city and has been outstanding in his scholastic career. While in Clarendon High School Joe was an honor student as well as being one of the most popular students ever to graduate from the local schools.

Mr. and Mrs. Bert Boomer and Mrs. R. H. Foster of Groom visited Mr. and Mrs. Walter Taylor Sunday.

SARGENT LEANORD GIVES DESCRIPTION OF WORLD WAR EXPERIENCES

The regular Friday luncheon of the Clarendon Rotary Club was turned over to the reminiscence of the World War as told by Sargent Leanord, Pittsburg, Pa., veteran who is making a tour of the country. Sargent Leanord was presented to the group by Rotarian Densil Davis, chairman of the Club Service Committee, in charge of the day's program.

Mr. Leanord gave a number of vivid descriptions of the various campaigns of the great struggle in which he participated, which furthered the cause of universal peace.

STATE REPORTS INCREASE IN GINNING REPORTS

In a bulletin released to The News from the Department of Commerce in Washington the state of Texas is approximately 200,000 bales of cotton ahead of the total last year in ginnings for the same period of time. The report shows a total of 652,198 bales ginned to date with only 352,930 bales reported for the same period in 1931.

WEDNESDAY HAIL DOES DAMAGE IN COUNTY

From information gained from talking to people from the Lelia Lake, Windy Valley, and Chamberlain communities it is estimated at this time, that eight or ten crops were damaged from 8 to 10 percent by the hail Wednesday afternoon.

METHODISTS TO SEEK CONFERENCE

LOCAL CHURCH TO ASK 1933 ANNUAL CONFERENCE FOR CLARENDON

Clarendon Methodists will go to Amarillo in November to the annual conference of the Northwest Texas body asking that it hold its 1933 conference in this city, according to a movement inaugurated by Rev. E. B. Bowen, pastor, and the board of stewards of the local church, the past week.

Letters have been mailed out to over three hundred clergy and lay delegates to the annual convocation, inviting them to consider Clarendon's invitation when it is presented at the Amarillo meeting, and presenting arguments why the body should come to this city.

The old Northwest Texas Conference in session in 1910 had become so large and unwieldy that it was divided at that time, the lower part of it taking the name of the Central Texas Conference and the Panhandle and West Texas division retaining the sectional name. Thus Clarendon is considered the native birthplace of the present organization and the local church is urging that it come here in the nature of a "homecoming" in 1933.

BRONCS HUSTLE IN FIRST SCRIMMAGE

DAVIS, LINDERS, BOLES, WORD, SHOW UP WELL AS BRONCHOS GET OFF

Last Friday afternoon several hundred football fans watched the Bronchos scamp through their exercises and then unleash a furious scrimmage using more than three complete teams in the section. An unusual feature of the scrimmage found the second team sporting enough power to score on the first team and then score on the second team. The third and fourth elevens to lose the decision. The supposedly first team lads showed only a flash of their potential power, appearing very sluggish and showing lack of co-ordination, while the second string ran the wings with annoying regularity and then the third and fourth team youngsters as if to show they were being overlooked came in and literally out battled the seconds to push over a score.

A SPLENDID ROLE FOR JIM TO TAKE

WAS DONLEY SECOND OR THIRD?

Miss Martha Buttrill, Home Demonstration Agent of Donley County, visited The News office Wednesday morning and contradicted the statement in the Amarillo Daily News of the fore part of the week which gave Donley County third place and Wheeler County second in the Home Demonstration Contests of the Tri-State Fair.

The local Demonstrator outlines the claims of Donley County for the runner-up position on the following grounds:

1. Donley was awarded cash premiums totaling \$47.20 as against Wheeler County's awards totaling \$16.40.
2. Donley won two more first places than the Wheeler entries, while the only point in favor of the Wheeler Club was the fact that it was given a margin of one place over the local county, placing in thirty events as against 29 for Donley County.

Did Clarendon win 2nd or 3rd place in the contest?

CLARENDON CLUB CLOTHING VICTOR

CLARENDON CLUB PLACES FIRST IN CLOTHING EXHIBIT CONTEST

Big Linders, giant 211 pound end prospect, showed unusual form at the end post and furthered his bid for the starting call. The big fellow suffered a broken nose when hit by a flying heel, but it has only served to make him even more determined to make the team, much to the satisfaction of coaches and fans alike.

Davis, flashy half, produced some of the most sensational scoots up and down the field seen here in a long time, leaving a string of disgusted first string prospects in his path. It was one of his lightning runs which were his winning and adding through for the score against the "A" team. Shortly after the first team made a march up the field which was halted when the "C" team was inserted. The "B" club proved to be unable to stem the attack of Willard Hudson and the diminutive Word, who later slithered through the "B" line for a counter as the scrimmage ended which brought joy to the hearts of the Broncho supporters.

The result of Miss Martha Buttrill's services as County Home Demonstrator was evidenced the week past at the week Donley County club women carried off many prizes in the home demonstration exhibit contests at the Tri-State Fair, winning third place in the County H. D. C. Contests. This splendid record speaks well for the interest and work which the Donley Clubs are carrying on at the present time.

The Clarendon Club led the locals to the first place in the Clothing Contest when they carried off two first places and a second. Other Donley County ladies placed first in a number of contests as did several of the 4-H club girls who participated in various events.

The list of winners from Donley County appear in the following paragraphs:

One quart sweet pickled pears: Third, Mrs. T. Y. Pickering, Naylor Club.

One pint pickled onions: Third, H. M. Reid, Chamberlain Club.

One pint bread and butter pickles: Third, Mrs. B. Johnson, Ashtola Club.

FLOWER SHOW PLANS FORMED

LES BEAUX ARTS CLUB PLANS FOR MOST SUCCESSFUL SHOW STAGED

As was announced in last week's issue of The News, the Les Beaux Arts Club of Clarendon is rapidly formulating plans for its annual flower exhibit to be staged at the Ladies Club Rooms in the City Hall Building on the first Saturday of October, the date being October 1st. This annual showing of the various plants and flowers has become one of the most looked forward to events in the calendar of those who appreciate lovely flowers.

Prizes will be awarded the winners in the various displays of the different species of plants and a growing interest is being manifest in the approaching show. No admission will be charged to the exhibit rooms and every one is cordially invited and urged to attend. This invitation is especially extended to the rural citizens of the county and entries from the ladies of the surrounding communities is especially urged.

HIGHWAY DELAYS AT OUR PERIL

Every day's delay in accepting the generous offer of the State Highway Department is a real peril to the future of Donley County, and the peril grows from day to day.

If Donley County should dilly-dally around and fail to secure the paved route of Highway 5, it will cost us thousands of dollars in lost valuations, thousands in loss of business, and increased taxes in the upkeep of the present highway through the county which cost the state more than ten thousand dollars to maintain last year. The state is frank to say they will withdraw maintenance from the present route if the new paving goes from Mulberry bridge through the canyon to Washburn.

This is a dark picture, but it isn't half so dark as the experience would prove to Donley citizens if our indifference and delays lose us the highway.

As The News sees it we have three alternatives, one of which we are pretty sure to take.

First—the commissioners court must enter an order on the minutes agreeing to purchase the right-of-way through the county on location approved by the State Highway Department for Highway 5—no ifs nor ands nor buts—just the simple order which will be the acceptance of the fairest and most liberal offer any county ever had. Such purchase should be financed by warrants, and should not cost any taxpayer any appreciable sum any year for two or three years, then none at all.

Second—if the first proposition cannot be secured from the court, then Precincts one and two, with the Lelia Lake justice precinct added should be formed into a road district, secure their own right-of-way and deal directly with the Highway Department. This would bring the paving down to a point East of Lelia Lake and be better than no paving at all. Indeed it would probably mean the closing of the gap at state expense entirely. Anyway, it would save the highway for the County.

Third—Just sit still, growl and do nothing, let the road go to Timbuctoo or the Canyon. Then the Panhandle would begin to believe what some of our neighbors are already saying—that Donley County is the most laggard and backward county in this section. (It's not so, but it will take the acceptance of Proposition No. 1 to give the lie to that charge; or the acceptance of Proposition No. 2, if we are able to argue with our neighbors on even terms.)

The News has always contended for the Highway all the way through Donley County, and for it touching every town from Hedley to Ashtola. We still believe that is right and we don't think any controversy with the highway department about a block or two North or South ought to bring devastation and sorrow to Donley County in the loss of the Highway altogether. That is for the citizens of Clarendon, Ashtola, Lelia Lake and Hedley without respect to which town they live in.

Every day without a settlement of the question is a day of peril for Donley County. Let's get together, folks, and treat the whole County right. Let's hold together; let's get the highway; let's hold the respect of the Panhandle; let's prosper together.

HOARDED MONEY BENEFITS NO ONE

A certain man during his eighty years of life saved up \$40,000 which he hoarded in tobacco cans, hiding them about his shack home. He denied himself the comforts of life, robbed his family of necessities as well as pleasures and real living, held himself aloof from his fellowmen, had nothing in common with neighbors, had no community interest. He just existed in a self-centered, sub-normal pursuit of more money, which as he used it, was not worth as much as a single smile, an apple in the hands of a hungry child, or a bit of finery for some worthy girl. Then his shack caught fire, and his \$40,000 went up in smoke. Money is valueless if it is not used. Put your money in a bank, or invest it. Put it to use.—Kansas Republican, Newton, Kansas.

WILL TEXAS STAND FOR IT?

Not many people in Texas have given much consideration to the so-called Democratic platform written by the so-called Democratic convention at Lubbock, their minds being taken up either with jubilation over the apparent success of the Fergusons, or the apparent defeat of Ross Sterling.

As a matter of fact the most serious question facing Texas people at the present time is not the seating of Mrs. Ferguson, Ross Sterling or Orville Bullington as governor, as bad as that might be according to our several

beliefs, but rather is the so-called Democratic platform of the Lubbock grist to be put in effect in Texas.

The Democrats of Texas had nothing to do with the forming of the Lubbock platform—Jim Ferguson fashioned it out of his own devious mind and it is typically Fergusonesque, in that it is worse than valueless. It is devastating.

Jim Ferguson proposes through the Lubbock platform to reapportion the gasoline tax so that one-third goes to the schools, one-third goes to the highway department and a third is put into the general revenue fund. Commenting on this wholesale change is our tax system, Hon. Peter Molyneux, editor of "The Texas Weekly" at Dallas, makes the following clear cut statement: "Let us see what this does. In the first place it establishes a new tax policy for the State, that of taxing gasoline for general fund. In the second place it increases the tax on gasoline for school purposes. And third, it cuts the revenue of the highway department from gasoline taxes to less than 45 per cent of the present revenue of the department from that source. There is no justification for the first, the second is of doubtful wisdom as a State policy, and the third cripples the highway department to such an extent as to make inevitable a demand for an increase of the gasoline tax."

Further than that if such a law was passed, it would mean the immediate invalidation of the new law to reimburse counties and road districts for bonds spent on state and federal highways. It would mean the immediate replacing of the burden of taxation on the farms and homes of the people for the payment of these bonds. It would prove the most costly venture ever enacted by any legislature at the demand of a so-called Democratic platform.

Another feature of the Lubbock Demo-comic platform is the demand for election of highway commissioners. Here again, Mr. Molyneux flays the weakness of the plank: "That means, among other things, the creation of three more independent offices, without any responsibility to the State administration, and three more candidates for State office without any responsibility to anybody but their personal followers. Eloquent gentlemen appeal for "party loyalty," but the truth is we have no real party organization in Texas. We have only personal politics. The convention at Lubbock, when you come right down to the plain truth, was not a Democratic Convention in any strict sense; it was a Ferguson convention, just as it would have been a Sterling convention, if Governor Sterling had received a majority of the votes in the primary. The various other candidates for State offices on the ticket were not the nominees of that convention; each of them was the candidate of his own particular personal following. Our primary system, together with the multiplicity of elective State offices, has destroyed any vestige of real party organization we ever had in Texas. And now it is proposed to create more such independent political machines by making three more State offices elective and subject to the Democratic primaries! Moreover, by compelling the candidates for the places on the highway commission to raise immense campaign funds and make State-wide campaigns for the Democratic nomination, the department will be thrown into politics up to its neck."

These proposals are so contrary to sound government, and so mis-represent the sane Citizenship of Texas, that the News cannot believe that the brass-collar of "party loyalty," nor the illegal pledge of any primary is going to command the respect or support of free-born, white people who know what a Ferguson reign means at Austin, anyway.

Will Texas stand for such tampering with the tried and tested system of taxation and administrative direction of highways?

The News very candidly refuses to believe that Texas will stand for it, and the November election will prove the disfavor of Texas voters.

EDUCATIONAL DIGEST

Education is as necessary to the life of a democracy as are food, clothing, and shelter to the health and life of the individual citizen.—Texas Outlook.

Children must be first, because in the words of Mr. J. E. Moore, the editor of the National Education Association Journal, "They are the torch-bearers of civilization. We must put the children first and keep them first, knowing that it is they who must carry the torch tomorrow, if civilization is to march forward." "The real spirit of America is that of honesty and willingness to fulfill every trust given into the care of man. America must recognize the right of the child, pay the interest on her baby bonds owned by childhood, and keep the schools at their best. Because children are our greatest national treasure we must keep them first. —C. C. Mitchell, Texarkana.

Thomas Jefferson said: "If a nation expects to be both ignorant and free in a state of civilization it expects what never was and never will be."

Texas gave as one of her reasons for declaring her independence from Mexico, that Mexico had failed to establish a system of Free Public Education.

"A fool and his money are soon parted," is an old saying that emphasizes the fact that ignorant humanity cannot compete successfully with those who are well informed, educated, trained.—Texas Outlook.

With Modern Electric Refrigeration You Know Your Foods Are Safe

Proper food preservation, doctors say, is a vital prerequisite to health. Defined by these authorities, the proper preservation of foods means keeping perishables at a constant temperature of less than fifty degrees.

Modern Electric Refrigeration will give you this necessary low temperature... automatically. It has been tried and tested over a period of years, in actual, everyday use... its assurance of food safety for your family is a proven fact. Isn't this security against the dire effects of food-spoilage worth the small cost of a dependable Electric Refrigerator?

—But Electric Refrigeration is not an expense at all! Actually, Electric Refrigeration pays for itself! In food savings... in time savings... in labor savings... in permitting you to purchase in quantities at bargain prices—safety... and in exceptionally low operating cost!

Ask a Trained Representative to tell you the interesting story of Electric Refrigeration. There's no obligation, of course... and you are sure to enjoy the demonstration. Call in at our Merchandise Showroom, or see your Electrical Dealer... TODAY!

the grassed gridiron of the College Park. The grass looked fine until two weeks of daily practice by the fifty-odd players have just about put it out of any practical use. It's a shame to care for the grass all summer and then have it beaten out before the first game. Something ought to be done about it—and water given the dying grass.

The Bronchos this season seem to be endowed with several petty jealousies. Trouble has flared between the players several times so far this season and climaxed Monday afternoon with a little pugilistic affair. To the observer it is plain to see that more than one player who has gained a little recognition in past years is suffering from the inability of finding a head gear large enough to enclose their respective heads this season. This ailment seems to have made those persons feel they are above taking the bumps which the afternoon scrimmage is sure to bring to every player. Just where these individuals get the idea they mustn't be tackled is beyond the reasoning ability

of the writer. It is just as much the business of the other players to bring the ball toters down as it is for these players to get through without being tackled. Perhaps these temperamental stars which bless the Broncho squad this year should train a bit more diligently in order to stand the gaff from the lesser players, and lay aside their jealousy for other players who threaten to take a bit of glory from them.

That sort of thing has ruined many a promising football team and will again should the same condition prevail throughout the year. One of the most notable instances of such a spirit existed

at A. & M. only a few years ago when ones or two players who were just too good for the team tore the team spirit to shreds and consequently lost the majority of the games played.

The coaches have the correct solution and are to be commended for informing the players that all the jealousies and petty differences must either be laid aside or both turn in their uniforms.

It's a fine thing for the players to be fired up in their practice, doing their dead leveled best to make the team. This is the first time in the history of

Diet Didn't Do This!

HAPPY little girl, just bursting with pep, and she has never tasted a "tonic!"

Every child's stomach, liver, and bowels need stimulating at times, but give children something you know all about.

Follow the advice of that famous family physician who gave the world Syrup Pepsin. Stimulate the body's vital organs. Dr. Caldwell's prescription of pure pepsin, active senna, and fresh herbs is a mild stimulant that keeps the system from getting sluggish.

If your youngsters don't do well at school, don't play as hard or eat as well as other children do, begin this evening with Dr. Caldwell's

Syrup Pepsin. This gentle stimulant will soon right things! The bowels will move with better regularity and thoroughness. There won't be so many sick spells or colds. You'll find it just as wonderful for adults, too, in larger spoonfuls!

Get some Syrup Pepsin; protect your household from those bilious days, frequent headaches, and that sluggish state of half-health that means the bowels need stimulating. Keep this preparation in the home to use instead of harsh cathartics that cause chronic constipation if taken too often. You can always get Dr. Caldwell's Syrup Pepsin at any drug store; they have it all ready in big bottles.

SPORT SLANTS

The school that competition has been such in every department and especially in the backfield to make the players really put on the steam in their daily workouts. The Bronchos however are putting in just as much and consequently the "bustings" have been frequent and plenty hard.

Keep up the hard playing, but leave off the hard feelings and make a powerful eleven this year for old C. H. S.

"Owl" Benson, that illustrious and energetic manager of the High School Bronchos, appeals to this department to plead with certain parties to bring back the football taken from the College Park Monday afternoon. If the ball is returned the manager will appreciate it and he might give the party a pass to the opening game of the season.

We certainly have lots of praise for this big fellow, Linders, who received a broken nose from last Friday's first public scrimmage. The big jovial player knows very little about the game, but we never saw a man wanting to learn as badly. And how he was tearing them up until he retired from the result of a football shoe being firmly planted in the immediate vicinity of his olfactory attachment. But while several of us were still cursing dame luck for robbing the Maroon and White on one of the most likely looking prospects, here he comes back, broken nose and all, rearing to go and threatening dire consequences to all who look like they are aiming at the injury. He is displaying the spirit which all of us hope will mark the entire Broncho squad this season, and even though this is Linders' initial year to take the game seriously he is going to be doubly hard to keep out of the starting line-up for he loves the game with all his 211 pounds of brawn and muscle.

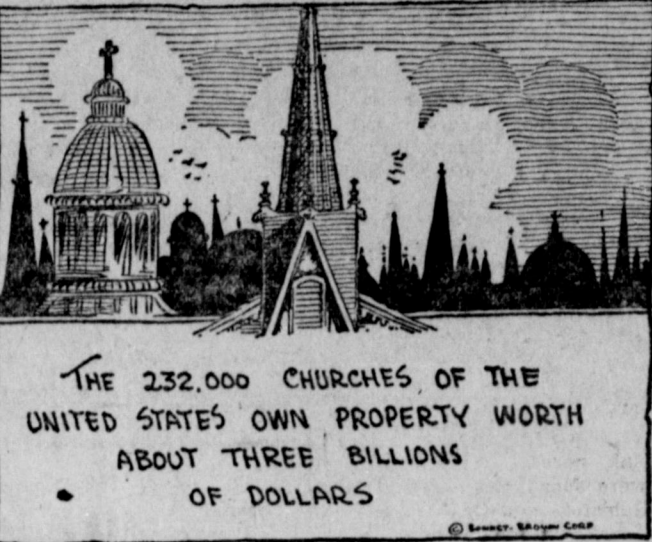

One would believe the Bronchos were playing a championship game in Amarillo next Saturday instead of a clash between the Tech Matadors and the Texas Aggies by the crowd that is planning to attend the game from the local city. Looks like every one is interested in the game and is going to be on the sideline pulling for the teams of their favor. It appears that the crowd is about evenly divided and both teams will be accorded fine support from Clarendon and Donley County.

The Aggies should take the Matadors to camp by about three or four touchdowns, or even more should they desire Saturday afternoon, but the collegiates color will make the contest well worth going to see. While the Matadors have a wonderful team for this section of the country, fans can

not realize the vast difference which marks the play in the Southwestern Conference. Yes, even though the Aggies are not one of the more powerful clubs in the conference, they will overpower the less experienced Tech gridsters with little trouble.

Guess Doc Galloway must have left his Ford out in the rain Monday cause when we saw him Tuesday afternoon the darn thing was shrunk up the the size of an Austin.

That's a nifty window the Rexall Store is sporting this week, and has baffled any number of the local Sherlock Holmes. Just where the pretty water comes from that drops from the wooden faucet suspended by two pieces of string has the home folks worried. Yes, I know—somebody told me after someone else told him.

Well sir, looks like we might get some roads yet if the Big Four can get settled and take time to really consider the issue. When the 1934 Bronchos leave town we hope they will get to travel on a concrete ribbon. Let's have the road.

Just received a card from Tony Watson, who is wintering in the city of Dallas at a business college. Tony says Dallas sure is a big city for a small town boy, but we bet he gets by O. K. He also stated he saw the final Dallas-Beaumont Texas League Play-off and Dallas was rotten as a baseball team. Perhaps Luke Hamlin, with his four hit pitching, just made them look that way, Tony.

O. K. Tony, I'm sending your paper as per your request—hope you like it.

By-the-way he sends all his friends here his usual friendly "hello".

It was nice to see Marion Gatlin the other day, after an absence of seven years. "Gat" had changed very little since he used to star on the famous undefeated Broncho team of 1924. He enjoyed swapping yarns with the other old members of the Boykin regime who still are found in the city. "Gat" was one of the cleverest backfield men ever to score a Maroon and White touchdown.

Well sir, we hit pretty nearly a thousand percent on our predictions of the outcome of the major leagues baseball season. The Yankees won as we picked, how-

ped this year due to school turning out during the rush cotton picking season.

The first game will be played Sept. 30 against the powerful Clarendon eleven on the Clarendon field.

Mrs. W. H. Davis and Mrs. Leon Middleton of Quitaque were in Clarendon Tuesday visiting their daughter and sister, Miss Carrie Davis.

QUITAQUE BUILDS TEAM AROUND EIGHT VETERANS
QUITAQUE, Texas, Sept. 20.—Twenty young huskies, who aspire for places on the Quitaque High school football team, are working out daily under the direction of Coach E. W. Schied. With eight letter men from last year's squad back, the Panthers are rounding into shape for the opening game. Twelve new men are fighting for places.

A. C. Bickford, flashy backfield man, was re-elected captain. Big "Bo" Graham, one of the best backfield men in this section, along with Evan, star tackle, Stroup, Taylor, Hawkins, Woods and Morris, are the letter men who will form the foundation of the team. Coach Schied is well pleased with his new men and is expecting a fighting machine during the season.

The Panthers will be handicap-

Surprise Party

Sunday afternoon Stanley Carlile was delightfully surprised when a group of out of town friends honored him with a Birthday Dinner at his home. Mrs. Carlile made a delicious birthday cake and the others brought loads of good food. Those from Hall County were: Mrs. J. T. Hancock and daughter, Mr. and Mrs. Scott Hancock and family, Mr. and Mrs. O. M. Hancock and family, John Nobles and daughter; while Mr. and Mrs. W. L. Hancock and family came from McLean and Mr. and Mrs. Homer Ratliff and family from Albrecht.

Ladies Aid

The Ladies Aid of the First Christian Church met at the home of Mrs. Jim Casey Wednesday afternoon for their regular weekly meeting. The meeting was opened with prayer by Mrs. Casey. After a short business meeting Mrs. Frank White, Sr., led the Devotional, the 13th Chapter of 1st Corinthians. Delicious refreshments were served to 12 members and 2 visitors. The next meeting will be with Mrs. R. H. Carver, with Mrs. Jim Casey leader of the 14th Chapter of 1st Corinthians. The meeting dismissed with the Lord's Prayer.

1930 Good Will Club Guests of Mrs. Don Martin

Mrs. Don Martin was gracious hostess last Thursday afternoon when she entertained the 1930 Good Will Club. Members of this club are perhaps the busiest of all club workers as they are always doing some kind of fancy-work or quilting. During the meeting it was announced that Mrs. T. D. Nored would be next hostess to the Club, Thursday, September 29. Lovely refreshments were served the following present for this meeting: Mesdames Will Johnson, Si Johnson, Lucian Bones, Melvin Cook, T. D. Nored, Henry Shoffitt, Fred Russell, A. O. Yates, Blanche Oden, L. D. Carlile, club members and Mrs. Joe Carlile, guest.

Birthday Party

Mrs. Joe Horn was honoree at a surprise party Monday morning, when a group of Eastern Star ladies and a few friends motored out to the ranch. A sumptuous luncheon was spread under a beautiful grape arbor and everyone had a delightful time. Mrs. Horn was presented with many lovely gifts. Those making this an enjoyable affair were Mesdames E. W. Bromley, Bill Bromley, Mollie Gray, W. D. Van Eaton, L. S. Ragby, John Sims, Sr., Cliff McDowell, Bill Greene, Eva Rhodes, Robt. Weatherly, Sella Gentry, M. W. Mosley, John Blocker, W. H. Patrick, Wesley Wood, C. R. Skinner, Misses Nancy Wood and Mary Ann Bromley and Master Billie Milton Bromley.

Recent Bride Honored

Mrs. D. M. Cook and Miss Wilma King were hostesses Friday afternoon with a delightful shower for Mrs. Earl Alderson, formerly Miss Margarette Christal. The home of Mrs. Cook was decorated with aster and roses. After following a treasure hunt, Mrs. Alderson found her gifts in a cave, abandoned by her friends, and they proved to be very useful indeed. After the ladies had written wishes, types for handling her husband, and recipes for the bride, ice cream and cake were served to: Mesdames W. V. Thomasson, S. R. Tomlinson, Kinch Leathers, D. W. Tomlinson, Deverdie Leathers, J. C. Christal, Earl Myers, H. K. Leathers, Billie Christal, B. J. Leathers, Lovd Shelton, Irvin Alderson, G. Leathers, H. R. King, the honoree, Mrs. Earl Alderson, and Misses Layma Taylor, Eula Bess Hill, Vera Garland, Nan Potter, and the hostesses.

Sims P. T. A. Holds First Meeting

On Tuesday afternoon at three o'clock the Sims Parent Teacher's Association held its first meeting of the year at the Southward Building. Rev. Robert McKee made a splendid talk about "Parents and Co-Operation", which was thoroughly enjoyed by everyone present. In the business session, Mrs. I. O. Noble was elected President to fill the vacancy when Mrs. Bain resigned.

Dinner Party

Mr. and Mrs. Ira Merchant were hosts at a delightful dinner at home, Thursday evening for a few friends. A delicious two-course dinner was served to Misses Mary Jo Chamberlain, Dorothy McCanne, Catherine Cole, Lorraine Patrick; Mr. and Mrs. Carroll Knorrp, and the hosts, Mr. and Mrs. Merchant.

Board of Stewards Honored

Rev. and Mrs. E. B. Bowen entertained with a sumptuous dinner last Thursday evening, honoring the Board of Stewards and their wives. Gorgeous roses in crystal bowls, with pink tapers on either side, adorned the table. Mrs. Bowen was assisted in serving by her daughter, Katherine Stark and Mrs. O. T. Smith. Rev. Bowen, in his usual charming manner, welcomed the guests. Responses were made by Judge Ralph Porter, Chairman of the Board, and M. M. Beavers, Presiding Elder. After the delicious dinner a social hour was enjoyed. Mrs. G. L. Boykin, accompanied by Mrs. O. T. Smith, delighted everyone with several violin selections as did Mrs. Sam M. Braswell, who gave a reading.

Slumber Party

Katherine Stark was charming hostess to a group of friends Tuesday night, when she entertained with a Slumber Party. At a late hour a delicious Buffet Supper was enjoyed by Misses Katherine Cole, Nettie Sims, Mary Jo Chamberlain, Ruby Cherry, Lorraine Patrick; Mrs. Earl Alexander and the hostess, Katherine Stark.

Julia Mae Caraway Entertains B. & P. W.

Last Tuesday the Business and Professional Women's Club spent a most pleasant evening at the Country Club as guests of Julia Mae Caraway. The cry, "Let's Eat" was soon heard as the crisp air had sharpened every one's appetite, and much fun was had about the camp fire as each girl toasted weiners and buns. Later stunts and games of various kinds were played. "Where is my shoe" proved to be the most popular game. Those enjoying Miss Caraway's hospitality were: Carrie Davis, Tommy Perry, Rhoda and Helen Wiedman, Opal Pyle, Winnie Weatherly, Etta and Ida Horred, Mary Alice Jay, Ruth Teat, Mildred Martin, Mantie Graves, Irene Mitchell, Gwendolyn Couch, Norma Rhodes, Mrs. Eva Rhodes, guests, and the hostess, Julia Mae Caraway.

Camp Fire News

The Nowetomatimin Troop of the Camp Fire Girls met on Wednesday, 14, at 4:00 p. m. with 14 present. The first thing did was to elect

new officers as follows: President, Ruth Lalor; Vice-President, Margaret Kelly; Sec. and Treas., Mary Lois Hayter; Reporter, Kedron Evans.

The guardian suggested that we have a program every meeting day, so it was decided that we would. Our new President will be the supervisor over all programs. We also agreed to change the time from 4:00 to 3:45.

The next thing was a discussion about entertainments. We reached a decision for two to entertain together. This is to cut down expenses and some of the girls can't entertain for special reasons.

The guardian made some rules and the meeting adjourned to meet Wednesday, the 21st.

1926 Book Club has Book Review

Edna Feber's "American Beauty", was reviewed by Mrs. W. A. Clark, Jr., when the 1926 Book Club met in the home of Mrs. Harry Brumley Tuesday afternoon, with Mrs. Rolle Brumley as hostess.

During the business session, Mrs. Rayburn Smith resigned as President and Mrs. Frank Stocking, who was Vice-President, was elected to fill her place. Mrs. Manley Ozier was elected Vice-President.

At the close of the meeting a delectable salad course was served.

Special guests of the afternoon were Mesdames Gene Herd, Leck Goldston, and C. J. Douglas.

George Watson Celebrates Birthday

The ninth birthday of Master George Watson was fittingly celebrated with a game party with several of his friends, Wednesday afternoon at the home of his parents, Mr. and Mrs. O. C. Watson.

Such games as Cowboy, Hide and Seek, and others most enjoyed by children were played. George was the recipient of many gifts, which were opened for all present to admire.

Ice cream packs and delicious angel food cake were served by Mrs. Watson, assisted by Dorothea, to the following: Charles Britton Shuford, Jimmy Lumpkin, Billie Ralph Andis, J. V. and Catherine Mosley, Louise Armstrong, Jean Stargel of Amarillo, and Marilyn Maher of Dallas.

News has just been received of the marriage of Dr. Ruth Stocking, daughter of Mrs. J. D. Stocking and Mr. Joe Burton, son of the late Mr. C. A. Burton. The ceremony was performed in Pittsburg, Pa., Thursday, Sept. 22. More details will be given in next week's News.

Plans Made For Big A. & M. Frolic Sat.

Graduates, students and ex-students of Texas A. and M. and Texas Tech, and their friends will be honored with a dance at the Amarillo Athletic Club, 207 Polk Street, Saturday night, Sept. 24.

The dance, which has been arranged by Panhandle ex-students organizations of the two institutions, will begin at 8:30 o'clock the night after the football teams of the schools clash at Butler Field as a feature of the entertainment offered by the Amarillo Tri-State Fair.

The special trains, which Lubbock will send to the game, will be held in Amarillo until after the dance. Amarillo college and high school students have been invited to make it an inter-school affair. Former students of the two colleges from every section of the Panhandle have given notice so that they will attend. It undoubtedly will be the biggest event of its kind held in Amarillo this season.

Those in charge of arrangements have announced that the Largent-Peret, 10-piece orchestra of Plainview, one of the outstanding dance bands of all West Texas, has been booked to furnish the music. The athletic club ball room was leased in order that the

crowds, however large, might be accommodated. The athletic club building is located in the block north and across the street from the Amarillo Hotel.

CARD OF APPRECIATION

We wish to extend our sincere thanks to our good neighbors and friends for their kindness shown us in our sad hours at the passing away of our sweet little girl, Annetta. We thank each of you for the flowers. May God help us all to live so we may go to a better world, is our prayer. Mr. and Mrs. Frank White.

CARD OF THANKS

Words cannot express our sincere thanks and appreciation for every kindness and word of sympathy in the loss of our dear mother. So many friends showed their warm sympathies, expressed in deeds of love and helpfulness. We feel so grateful for the beautiful flowers and to all who visited her and brought flowers while on her bed of afflictions and her long, weary days. May God in so many ways tried to brighten each and every one of you. Mr. and Mrs. G. R. Grant Mr. and Mrs. W. L. Meek George A. Churchwell.

The school that competition has been such in every department and especially in the backfield to make the players really put on the steam in their daily workouts. The linemen however are putting in just as much and consequently the "bustings" have been frequent and plenty hard.

Mrs. B. G. Smith and Mrs. Sam M. Braswell attended the Fair in Amarillo Tuesday.

Wade Willis and Mrs. D. P. Ross were in Clarendon Tuesday.

Sam M. Braswell made a business trip to Dallas over the week end.

Mr. and Mrs. Tom Bugbee of Goodnight were in Clarendon Saturday afternoon.

Mr. and Mrs. Carroll Knopp motored to Amarillo Saturday evening.

Mrs. Ione Ellis and Mrs. For rest Taylor were in Amarillo Saturday.

Mrs. W. H. Patrick and Elgin visited in Amarillo Wednesday and Thursday.

One would believe the Bronchos were playing a championship game in Amarillo next Saturday instead of a clash between the Tech Matadors and the Texas Aggies by the crowd that is planning to attend the game from the local city. Looks like every one is interested in the game and is going to be on the sideline pulling for the teams of their favor. It appears that the crowd is about evenly divided and both teams will be accorded fine support from Clarendon and Donley County.

The Aggies should take the Matadors to camp by about three or four touchdowns, or even more should they desire Saturday afternoon, but the collegiates color will make the contest well worth going to see. While the Matadors have a wonderful team for this section of the country, fans can

not realize the vast difference which marks the play in the Southwestern Conference. Yes, even though the Aggies are not one of the more powerful clubs in the conference, they will over power the less experienced Tech gridsters with little trouble.

Jerry also picks the Cubs to win the World Series. Wrong again, says we, as we hand the issue to the Yankees of Gotham. Anyway it'll be good, and will set the football season back temporarily in the interest of the fans.

We also pick Beaumont to come through with the Dixie title against the Chattanooga Lookouts, Southern Association titlist.

See you at the Tech-Aggie football game, Saturday.

TO WHOM CONCERNED

This is written to testify to the real merit of the work of Mr. O. L. Tolzien, piano expert, in tuning, rebuilding, and all forms of piano renovating.

It is further written in behalf of Mr. O. L. Tolzien who has been time to really consider the profession all thru the Panhandle. The bearer of this letter is the real expert who has been doing the work at Clarendon College for fifteen years. We will have no other and the work of this bearer is of such high character that I have written this testimonial without solicitation, deeming it a pleasure to have done so, because of the high regard in which I hold both the man and his work.

R. Dean Sure, Director of Music Clarendon College, May 25, 1919. Phone 302

Well sir, looks like we might get some roads yet if the Big Four can get settled and take time to really consider the issue. When the 1934 Bronchos leave town we hope they will get to travel on a concrete ribbon. Let's have the road.

Just received a card from Tony Watson, who is wintering in the city of Dallas at a business college. Tony says Dallas sure is a big city for a small town boy, but we bet he gets by O. K. He also stated he saw the final Dallas-Beaumont Texas League Play-off and Dallas was rotten as a baseball team. Perhaps Luke Hamlin, with his four hit pitching, just made them look that way, Tony.

O. K. Tony, I'm sending your paper as per your request—hope you like it.

By-the-way he sends all his friends here his usual friendly "hello".

It was nice to see Marion Gatlin the other day, after an absence of seven years. "Gat" had changed very little since he used to star on the famous undefeated Broncho team of 1924. He enjoyed swapping yarns with the other old members of the Boykin regime who still are found in the city. "Gat" was one of the cleverest backfield men ever to score a Maroon and White touchdown.

Well sir, we hit pretty nearly a thousand percent on our predictions of the outcome of the major leagues baseball season. The Yankees won as we picked, how-

ped this year due to school turning out during the rush cotton picking season.

The first game will be played Sept. 30 against the powerful Clarendon eleven on the Clarendon field.

Mrs. W. H. Davis and Mrs. Leon Middleton of Quitaque were in Clarendon Tuesday visiting their daughter and sister, Miss Carrie Davis.

Surprise Party

Sunday afternoon Stanley Carlile was delightfully surprised when a group of out of town friends honored him with a Birthday Dinner at his home. Mrs. Carlile made a delicious birthday cake and the others brought loads of good food.

Those from Hall County were: Mrs. J. T. Hancock and daughter, Mr. and Mrs. Scott Hancock and family, Mr. and Mrs. O. M. Hancock and family, John Nobles and daughter; while Mr. and Mrs. W. L. Hancock and family came from McLean and Mr. and Mrs. Homer Ratliff and family from Alanreed.

Ladies Aid

The Ladies Aid of the First Christian Church met at the home of Mrs. Jim Casey Wednesday afternoon for their regular weekly meeting. The meeting was opened with prayer by Mrs. Casey. After a short business meeting Mrs. Frank White, Sr., led the Devotional, the 13th Chapter of 1st Corinthians.

Delicious refreshments were served to 12 members and 2 visitors. The next meeting will be with Mrs. R. H. Carver, with Mrs. Jim Casey leader of the 14th Chapter of 1st Corinthians. The meeting dismissed with the Lord's Prayer.

1930 Good Will Club

Guests of Mrs. Don Martin

Mrs. Don Martin was gracious hostess last Thursday afternoon when she entertained the 1930 Good Will Club. Members of this club are perhaps the busiest of all club workers as they are always doing some kind of fancy-work or quilting.

During the meeting it was announced that Mrs. T. D. Nored would be next hostess to the Club, Thursday, September 29. Lovely refreshments were served the following present for the meeting: Mesdames Will Johnson, Si Johnson, Lucian Bones, Melvin Cook, T. D. Nored, Henry Shoffitt, Fred Russell, A. O. Yates, Blanche Oden, L. D. Carlile, club members and Mrs. Joe Carlile, guest.

Birthday Party

Mrs. Joe Horn was honoree at a surprise party Monday morning, when a group of Eastern Star ladies and a few friends motored out to the ranch.

A sumptuous luncheon was spread under a beautiful grape arbor and everyone had a delightful time. Mrs. Horn was presented with many lovely gifts. Those making this an enjoyable affair were Mesdames E. W. Bromley, Bill Bromley, Mollie Gray, W. D. Van Eaton, L. S. Ragby, John Sims, Sr., Cliff McDowell, Bill Greene, Eva Rhodes, Robt. Weatherly, Sella Gentry, M. W. Mosley, John Blocker, W. H. Patrick, Wesley Wood, C. R. Skinner, Misses Nancy Wood and Mary Ann Bromley and Master Billie Milton Bromley.

Recent Bride Honored

Mrs. D. M. Cook and Miss Wilma King were hostesses Friday afternoon with a delightful shower for Mrs. Earl Alderson, formerly Miss Margarette Christal. The home of Mrs. Cook was decorated with aster and roses. After following a treasure hunt, Mrs. Alderson found her gifts in a cave, abandoned by her friends, and they proved to be very useful indeed. After the ladies had written wishes, tips for handling her husband, and recipes for the bride, ice cream and cake were served to: Mesdames W. V. Thomasson, S. R. Tomlinson, Kinch Leathers, D. W. Tomlinson, Deverdie Leathers, J. C. Christal, Earl Myers, H. K. Leathers, Billie Christal, B. J. Leathers, Lovd Shelton, Irvin Alderson, G. Leathers, H. R. King, the honoree, Mrs. Earl Alderson, and Misses Layma Taylor, Eula Bess Hill, Vera Garland, Nan Potter, and the hostesses.

Sims P. T. A. Holds First Meeting

On Tuesday afternoon at three o'clock the Sims Parent Teacher's Association held its first meeting of the year at the Southward Building. Rev. Robert McKee made a splendid talk about "Parents and Co-Operation", which was thoroughly enjoyed by everyone present. In the business session, Mrs. I. O. Noble was elected President to fill the vacancy when Mrs. Bain resigned.

Dinner Party

Mr. and Mrs. Ira Merchant were hosts at a delightful dinner at home, Thursday evening for a few friends.

A delicious two-course dinner was served to Misses Mary Jo Chamberlain, Dorothy McCanne, Catherine Cole, Lorraine Patrick; Mr. and Mrs. Carroll Knorpp, and the hosts, Mr. and Mrs. Merchant.

Board of Stewards Honored

Rev. and Mrs. E. B. Bowen entertained with a sumptuous dinner last Thursday evening, honoring the Board of Stewards and their wives.

Gorgeous roses in crystal bowls, with pink tapers on either side, adorned the table. Mrs. Bowen was assisted in serving by her daughter, Katherine Stark and Mrs. O. T. Smith.

Rev. Bowen, in his usual charming manner, welcomed the guests. Responses were made by Judge Ralph Porter, Chairman of the Board, and M. M. Beavers, Presiding Elder.

After the delicious dinner a social hour was enjoyed. Mrs. G. L. Boykin, accompanied by Mrs. O. T. Smith, delighted everyone with several violin selections as did Mrs. Sam M. Braswell, who gave a reading.

Slumber Party

Katherine Stark was charming hostess to a group of friends Tuesday night, when she entertained with a Slumber Party. At a late hour a delicious Buffet Supper was enjoyed by Misses Katherine Cole, Nettie Sims, Mary Jo Chamberlain, Ruby Cherry, Lorraine Patrick; Mrs. Earl Alexander and the hostess, Katherine Stark.

Julia Mae Caraway Entertains B. & P. W.

Last Tuesday the Business and Professional Women's Club spent a most pleasant evening at the Country Club as guests of Julia Mae Caraway. The cry, "Let's Eat" was soon heard as the crisp air had sharpened every one's appetite, and much fun was had about the camp fire as each girl toasted weiners and buns. Later stunts and games of various kinds were played. "Where is my shoe" proved to be the most popular game.

Those enjoying Miss Caraway's hospitality were: Carrie Davis, Tommy Perry, Rhoda and Helen Wiedman, Onal Pyle, Winnie Weatherly, Etta and Ida Horred, Mary Alice Jay, Ruth Teat, Mildred Martin, Mantie Graves, Irene Mitchell, Gwendolyn Couch, Norma Rhodes, Mrs. Eva Rhodes, guests, and the hostess, Julia Mae Caraway.

Camp Fire News

The Nowetompatin Troop of the Camp Fire Girls met on Wednesday, 14, at 4:00 p. m. with 14 present.

The first thing did was to elect

new officers as follows: President, Ruth Lalor; Vice-President, Margaret Kelly; Sec. and Treas., Mary Lois Hayter; Reporter, Kedron Evans.

The guardian suggested that we have a program every meeting day, so it was decided that we would. Our new President will be the supervisor over all programs. We also agreed to change the time from 4:00 to 3:45.

The next thing was a discussion about entertainments. We reached a decision for two to entertain together. This is to cut down expenses and some of the girls can't entertain for special reasons.

The guardian made some rules and the meeting adjourned to meet Wednesday, the 21st.

1926 Book Club has Book Review

Edna Feber's "American Beauty" was reviewed by Mrs. W. A. Clark, Jr., when the 1926 Book Club met in the home of Mrs. Harry Brumley Tuesday afternoon, with Mrs. Rolle Brumley as hostess.

During the business session, Mrs. Rayburn Smith resigned as President and Mrs. Frank Stocking, who was Vice-President, was elected to fill her place. Mrs. Manley Ozier was elected Vice-President.

At the close of the meeting a delectable salad course was served.

Special guests of the afternoon were Mesdames Gene Herd, Leek Goldston, and C. J. Douglas.

George Watson Celebrates Birthday

The ninth birthday of Master George Watson was fittingly celebrated with a game party with several of his friends, Wednesday afternoon at the home of his parents, Mr. and Mrs. O. C. Watson.

Such games as Cowboy, Hide and Seek, and others most enjoyed by children were played. George was the recipient of many gifts, which were opened for all present to admire.

Ice cream packs and delicious angel food cake were served by Mrs. Watson, assisted by Dorothea, to the following: Charles Britton Shuford, Jimmy Lumpkin, Billie Ralph Andis, J. V. and Catherine Mosley, Louise Armstrong, Jean Stargel of Amarillo, and Marilyn Maher of Dallas.

News has just been received of the marriage of Dr. Ruth Stocking, daughter of Mrs. J. D. Stocking and Mr. Joe Burton, son of the late Mr. C. A. Burton. The ceremony was performed in Pittsburg, Pa., Thursday, Sept. 22. More details will be given in next week's News.

Plans Made For Big A. & M. Frolic Sat.

Graduates, students and ex-students of Texas A. and M. and Texas Tech, and their friends will be honored with a dance at the Amarillo Athletic Club, 207 Polk Street, Saturday night, Sept. 24.

The dance, which has been arranged by Panhandle ex-students organizations of the two institutions, will begin at 8:30 o'clock the night after the football teams of the schools clash at Butler Field as a feature of the entertainment offered by the Amarillo Tri-State Fair.

The special trains, which Lubbock will send to the game, will be held in Amarillo until after the dance. Amarillo college and high school students have been invited to make it an inter-school affair. Former students of the two colleges from every section of the Panhandle have given notice so that they will attend. It undoubtedly will be the biggest event of its kind held in Amarillo this season.

Those in charge of arrangements have announced that the Largent-Peret, 10-piece orchestra of Plainview, one of the outstanding dance bands of all West Texas, has been booked to furnish the music. The athletic club ball room was leased in order that the

crowds, however large, might be accommodated. The athletic club building is located in the block north and across the street from the Amarillo Hotel.

CARD OF APPRECIATION

We wish to extend our sincere thanks to our good neighbors and friends for their kindness shown us in our sad hours at the passing away of our sweet little girl, Annetta. We thank each of you for the flowers.

May God help us all to live so we may go to a better world, in our prayer.

Mr. and Mrs. Frank White.

CARD OF THANKS

Words cannot express our sincere thanks and appreciation for every kindness and word of sympathy in the loss of our dear mother. So many friends showed their warm sympathies, expressed in deeds of love and helpfulness. We feel so grateful for the beautiful flowers and to all who visited her and brought flowers while on her bed of afflictions and her long, weary days. May God in so many ways tried to brighten bless each and every one of you.

COLLEGE SOCIETIES

The two literary societies of the Clarendon Junior College are by name, "The Palo Duro and the Alpha Delta Psi. These societies are all that the College offers to the students in the way of diversion. Therefore, we believe it is the duty of all College students to join one of the two societies in order to make them larger and better. Some students are surely existing in a morose frame of mind because they could not go away to school where there is spicily college life about them all the time. It might be of interest to these students to know that they could be in an atmosphere of college life generated in this school if they would get down and help make it so. The societies are a means by which this spirit can be partially if not wholly developed. We have heard some say that it is merely a waste of time to join a society because they really did not amount to much. Such assertions as this is, to begin with, a gross assumption, but if the societies do convey that idea to some of the students that have never joined, it is up to them to join and try to make them amount to something.

Both literary societies offer good programs on one night each week; also they bring out a good natural antagonism that puts that desired atmosphere into college life. If every college student belonged to one of the societies, the school as a whole would be livelier. That is if each student had an interest in his society.

Bits Of WASHINGTON'S Current Comment

Special to The Clarendon News

The closing summer shows no abatement of the widespread interest in the bi-centennial celebration of the birth of George Washington, and as might be expected, the focus of activity is in the nation's capital. The new bridge spanning the Potomac, with its vista of Arlington National Cemetery and the home of Gen. Lee, continues to carry its traffic of visitors. From the southern portal of the bridge, the recently-constructed highway, broad enough to take four autos abreast leads an interested throng over the twenty-mile stretch that terminates at Mount Vernon. Along the way there is a plenty of places for picnicking, with the river in the foreground. In Mount Vernon there are spacious porches affording a sweep of the river. Not even the Washingtonians tire of treading the soil of the place that the Father of his Country called home, or making the most of the wide water-view upon which his eye was accustomed to rest.

The physical machinery of the government is in full operation, but those who tire of seeing how money is manufactured, or how the Government Printing Office spreads its publications over the land, can slip away to the home of Barbara Fritchie in the quiet heart of Maryland, between lunch and dinner. When art galleries and museums pall, there is Richmond ripe with memories of

Alpha Delta Psi

The 1932-33 Alpha Delta Psi was formally organized Wednesday evening, September 14. Judging from the crowd and spirit there everything was started with a bang, and we plan to keep that spirit and even a larger crowd throughout.

First, we Psians wish to thank the school board and faculty for the attractive room in the dormitory where we are now meeting. It is easily found and a great improvement over our old room.

At our first business meeting the following officers were elected and installed by the Summer president, Miss Barbara Smith.

President—Nova Cook.
Vice-President—Homer Estlack.
Secretary-Treasurer—Charles Walker.

Sergeant-at-Arms—J. R. Cox.
Reporter—Pauline Slover.
Miss Cook appointed her program committee which consists of Homer Estlack, Dollie Lea Cook, Harold Phelps, and Pauline Slover. The committee has planned a very interesting program for the coming Wednesday.

Following the business meeting Pauline Slover told a few things about the Alpha Delta Psi, and explained the spirit of the society, which we now have so much of. Charles Walker, the only man in captivity who can reach for the moon instead of crying for it, told us what he expected to do for the society during the coming year, and what he expected the society to do for him. James Smith, Clarendon's own tenor, pleased his audience by a very beautiful presentation of that favorite, "Smilin' Through." Mr. Smith was accompanied by Miss Delphia Bones who also played a piano solo, "Pas Des Amphares."

It was moved and seconded that we "eat and adjourn" until next Wednesday at 7:30. For a truly interesting and helpful evening, be our guests at the Alpha Delta Psi Literary Society next Wednesday evening.

the days of the Confederacy, or the Blue Ridge and its hazy summits, with trailing wisps of cloud between. The whole burden of scurrying sight-seeing may be laid aside, if one wishes, for a voyage on the Potomac and Chesapeake Bay, of such duration as circumstances may permit. No one questions the wisdom and value of leaving Main Street now and then, and a vacation can be spent nowhere to better advantage than amid the interesting, beautiful and historic scenes of Washington and its environs.

A hunting expedition in Africa will go after lions with tear bombs. The roar which is usually associated in the mind with the king of beasts, seems likely to degenerate into a cry.

SENIOR CLASS REPORT

The Senior Class is finding it difficult to fill the offices of Reporter and Boy Pep Squad Leader, especially that of Pep Squad Leader. Herbert Carison was elected to fill this office at a meeting held Wednesday of last week. His resignation made it necessary to hold another election at which Thayer Acord was chosen. Geraldine Pratt was elected to fill the vacancy in the office of reporter. This was made necessary because of Donley Darnell's resignation.

Though last year's Senior Class was small, the same is not true this year. The Seniors are quartered in the room usually assigned them and even it is not large enough. Many of the students are sitting two in a seat.

BRONCHOS SEEN IN ACTION

Hey fans, it's here now! On last Friday two Range reporters happened to glance in the direction of the foot-ball field and by the number of cars one would have thought something was taking place. The investigation proved the Bronchos were having their first scrimmage. Of course it was just among themselves, but it was action.

The boys got a little rough and as a consequence they are hobbling around considerably. Nevertheless they have had a taste of battle and seem to like it. Stay with them Bronchos we are for you!!!

Although the plays were rather slow and shabby, there is a world of material to be shaped into a powerful eleven, which we hope will equal or surpass that of last year.

but welcome tendency to drift back to the old anchorage. The intellectuals professed to like the sort of film which called for no setting more elaborate than a few oil paintings and vases, a grand piano, and a sofa upon which two headliners sat for a half-hour at a time and carried on a smart dialogue of such intensity that real life could not possibly have supported it. Yet when the show was over, the highbrows had to admit a feeling akin to disappointment, after all. There is something in the human mind, often suppressed, but vital nevertheless, that finds enjoyment in full-stage films of the Iron Horse type, in the love story which turns out well, and even in a small amount of tempered pie-throwing. It seems as though the producers are laying a finger closer to the public pulse.

Every nation has its troubles. Germany doesn't know what to do with a group called the Steel Helmets, and the United States has a less definitely organized party which might be referred to as the Cement Heads.

Miss Marjorie White, Pep Squad Leader, is now raising armadillos and doing expert home laundry work at the home of her father, Mr. F. A. White.

"Snooks" Andis has created quite a sensation in the halls and round about by his erstwhile auditions of "Sweet Jenny Lee."

And did you know that John G. Hutton has been seen frequenting South Kearney for the past two weeks for a glimpse of a certain red-haired faculty member?

"Muskogee" Carver told his shorthand class the other day that last year a certain young lady came to his class with a package of Camel cigarettes in her coat pocket. We thought the cigarette manufacturers advertised more impressively than that. The young lady was questioned and it was learned that they were Chesterfields.

Bill Word wanted to know if any of you have seen the little red-haired, brown eyed sensation that is giving all the boys a thrill in the person of Mavis Whitesides. We know now that all those "contented cow" expressions on the faces of all the boys weren't caused by any enlightenment that they received from their teachers.

And, incidentally, we found out in assembly last week that O. C. Watson likes watermelons, and that's the reason Helen Lawler likes O. C. But why doesn't Helen have her dad fix the highways—just by way of civic improvement of course.

"Heavy" Whitlock told us all this scandal; but of course we wouldn't want it to get out of Donley County—it might cause some trouble.

Nothing is likely to come of it. Suspects will continue to turn up for the next thirty years, with no result save to revive in the mind of the stricken family, the details of a tragedy that they would gladly forget. The guilty man will be punished in the end, but each abortive attempt at the administration of justice will be a fresh punishment of the innocent.

ASSEMBLY REPORT

Friday morning, September 16, Mr. Burton called an assembly of the college and high school students. Mr. Leonard, a former sergeant-major in the Canadian Army who enlisted in the fall of 1914, gave an interesting talk. He told us of some of his experiences in the war in which he served five years and nine days. Mr. Leonard was in the hospital a long time from gas wounds, but was sent back to the front after his recovery. When he was in a hospital at Kenvale, he was converted. The theme of the speaker's speech was the attainment of peace through spiritual redemption.

Tuesday morning at 10:25 Mr. Burton called an assembly of the college and high school students, at which time he made two announcements. The first pertaining to excuses for the football games and the fair. For the benefit of the new students, he announced the rules pertaining to fire drills. For the present season Lloyd Martin is Fire Chief while Lawrence Whitlock, J. T. Easterling, O. C. Watson, Snooks Andis and Carol Hudson are assistants.

"Hold fast to the present," he may have been putting in a good word for the merchant, in regard to after-Christmas exchanges.

The voice of September, speaking from the past, has a good deal to say. During that month, Oliver Cromwell, Whittier the poet, Aaron Burr, Daniel Boone, and Presidents McKinley and Garfield died. Two patriots paid on the scaffold the extreme penalty for devotion, Robert Emmet in Ireland, on Sept. 19, 1803, and Nathan Hale in America, on Sept. 22, 1776. There were things doing on the water, too. In September 1609, Hudson was having the first white man's look at the river that bears his name. Macdonough's victory on Lake Champlain makes the month memorable for the year 1814. Perry performed a similar service for his country on Lake Erie, on the 10th of September, 1813. On the 4th of the month, in 1917, the

Palo Duro Society

The Palo Duro Literary Society held its first meeting Wednesday evening, September 14, at seven-thirty. The new members were welcomed into the society after the former members answered roll call. The new officers were then elected. Miss Dorothy Jo Taylor was elected President of the society; Mike Stricklin Vice-President; Pauline Shelton, Secretary and Treasurer; Jean Bourland Reporter; Henry Wilder, Critic and Miss Ineva Headrick Sponsor.

The Palo Duro Literary Society hope to make their society one of "Pep, Push and Personality."

The following were admitted as new members: Lu McClellan, Henry Wilder, Kenneth Brown, George Bourland, J. C. Rolis, Clayton Powell, Robert Greene, Hollis Leathers, Carol Holder, and Fred Bourland.

A cordial invitation is extended to all students who would be interested in joining the Palo Duro Literary Society.

Everyone should include meat in the diet at least twice each day, according to the latest doctrines of the medical world. This fact will be brought out by several internationally famous physicians during the campaign for "Meat For Health", which will be one of the features of Beef Cattle Week at the 1932 State Fair of Texas, Oct. 8 to 23.

PEP SQUAD REPORT

The Pep Squad is beginning on the work of the season. They have held meetings to organize and plan about the uniforms. The uniforms this year will be more attractive than they have been for several years.

Within the next few days the squad will practice yells and stunts for the Quitaque game. From the attitude that the "Peppers" are taking this year, they will be a big success.

Because he wanted to create an impression among his girl friends that he was a smart dresser Fred Kolber of St. Louis, stole socks of all shades.

DONLEY COUNTY ATTENDS FAIR

COUNTY EXHIBIT CROPS TWELFTH PLACE IN FINE SHOWING AT TRI-STATE

Yesterday was Clarendon and Donley County Day at the Tri-State Fair at Amarillo and a party of several hundred persons attended. The Clarendon High School Band, one of the outstanding musical organizations of the Panhandle, failed to make the trip when it was learned some of the members objected to traveling to the fair in a large truck. Much of the glamour was taken from the local's invasion of the Exposition by the absence of the band, however a great amount of favorable advertising was secured for Clarendon and Donley County from radio appearances.

The Donley County agricultural exhibit placed twelfth in the county showings. This was thought to be very good when it is considered that the exhibit was gathered in a very short time with none too good a variety of products to select from. Randall County copped the first place for the fifth consecutive year with Wheeler County nosing out Hemphill for second place.

The program presented by the local artists at Amarillo last evening over the radio is as follows:

Piano Solo, Delphia Bones; Reading, Ruth Price; Clarinet Solo, Hubert Reavis; Reading, Ruth Price; Short Talk, W. A. Clark, Jr.; Clarinet Solo, Hubert Reavis; Piano Duet, Delphia Bones and Barbara Smith.

CHRISTIAN CHURCH TO HAVE SPECIAL SERVICE

Because of certain statements and rumors that have been circulating in Clarendon, for the past few weeks, regarding the Christian Church and its teachings, Rev. W. E. Ferrell, the minister of the First Christian Church, has announced that he will preach a sermon Sunday night, on: "What The Christian Church Believes and Teaches." Many of the important questions concerning the church and its program will be presented, those who desire to know why this organization exists and what its purpose and program is, are invited to be present at this special service. Rev. Ferrell believes that the program and purpose of the church has been misunderstood and that if the people of Clarendon were acquainted with certain facts, that the cause of Christ would be greatly benefited and a better understanding and feeling would exist among the Christians of the city. He invites all to be present at this service and insists that you bring your Bibles and note books with you.

What You Want in the WANT ADS

THE HOUSE IN WHICH I LIVE THE TEMPLE BUILT BY GOD. Text-Matt. 22:37.

You don't know much about your brain, do you? You have a brain within your skull. The brain is difficult to describe. It is a soft, pulpy, mass, and is linked to the nerves and joined to the spinal cord. I wish I could tell you more about it, for it is within your brain that God has given you the power to think, to love, to remember, the ability to reason and to learn.

The mind is that part of you that thinks. It is something like the soul. It cannot be handled or looked at. You can spoil your mind or you can train it. It is the thinking part of you and with your soul will live forever. Your mind is ever ready to reason to good or evil. When you go to school, or out into life, it is possible to go into good or had company. Your school days may be blessed by good companions, or they may be spoiled by bad influence. Your parents watch those days most carefully. Little evils will spoil your life. They say if a mainspring of a watch has ever been near a magnet you can never trust that watch again, until it has a new mainspring. It is so with your mind. An evil influence may spoil your whole life.

If your mind is the part of you that thinks, what is it you do think? If your mind is that part of you that admires, what is it that you do admire? If your mind has to do with your affections, what is it you love? There is a passage of Scripture that I would like for you to commit to memory. "Whatever things are true, whatsoever things are just, whatsoever things are love, whatsoever things are of good report, if there be any praise, think on these things."

The Apostle Paul, advises us to set our "affections" (mind) on things above. If we think on good things we will be inspired to do good deeds. Evil thoughts leads to evil deeds. So think on good things.

To help you in your thinking along this line we will bring two lessons next Lord's Day. At the morning hour, our subject will be: "God's Great Service Station." At the evening hour a special sermon will be delivered on: "What The Christian Church Believes." We invite you to be present.—W. E. Ferrell, Minister, First Christian Church.

ATTENDANCE CONTEST IS STARTED

LIONS HEAR FORMER MEMBER "BILL" MURRELL WHO VISITS CITY

Tuesday marked the start of the fall attendance contest of the Clarendon Lions Club who appeared in full force with only one member absent. Roll Call was answered by whether or not Lions were going to attend the Tri-State Fair, the majority answering to the affirmative.

Boss Lion Ira Merchant read an announcement of the arrival of a daughter to Mr. and Mrs. L. B. Cooper of Florida. Mr. Cooper is a former member of the Lions Club of this city and spent several years in the faculty of the local schools. He is now eligible for membership into the father's club of the Lions Group and membership was voted him upon motion of Lion Fred Rathjen.

Another communication was read from the father of the little crippled girl who is being cared for by the local club. She was taken to Amarillo yesterday for another adjustment by the specialist who reports her doing nicely. The major activity committee announced that the laboratory blower for the chemistry department of the College had been ordered and was expected in a few days.

One of the most pleasant visitors to the club in a good while was Rev. W. M. "Bill" Murrell, former resident of Clarendon and member of the Club. His old-time wit and humor prevailed throughout his remarks which were aimed at the membership of the club. Greetings were brought from the Abilene Club and were returned by Boss Lion Merchant. The "buddy" system is being used during the fall attendance contest by the club in an effort to keep the attendance to the 100 per cent mark.

Mr. and Mrs. Kelly Chamberlain announce the birth of an eight-pound son, Wednesday morning at the Adair Hospital.

Mr. and Mrs. Jay Fierce and daughters, Betty J. and Peggy Clair of Bartlesville, Oklahoma visited Mr. and Mrs. M. C. Reed last week.

MRS. LEONARD HATLEY DIED SEPTEMBER 17TH

Mrs. Gertrude Hatley slipped peacefully away last Saturday morning at the Adair Hospital succumbing to a lingering illness after a valiant fight to regain her health. With the passing of Mrs. Hatley, Donley County lost one of its most loved citizens and devoted mothers.

She was the wife of Leonard Hatley and the daughter of J. H. and M. W. Gillespie. She was born June 12th, 1905 and since that time has grown up in an environment of Christian home life and service, joining the Baptist Church at Elmo, Texas, in 1919 to which she has served faithfully until death. She married Leonard Hatley and to this union has been born two children.

The deceased is survived by her husband, two children, her father, J. H. Gillespie; her step-mother; two brothers and a step-brother, besides a host of friends and other relatives.

Funeral services were conducted by the Rev. B. N. Shepherd, pastor, at the First Baptist Church Sunday afternoon at 4 o'clock. A large group of friends and acquaintances attended to pay their final tribute to the splendid woman they had all learned to love and admire. Interment was made in the Citizen's Cemetery.

The News joins with the many friends of the bereaved family in extending our heartfelt sympathy in their irreparable loss, though we are all comforted in the assurance that God, in his infinite wisdom, has seen fit to take her home where all is peace and happiness.

Mr. and Mrs. Archie Hallmark and daughter, Nancy Beth of Shamrock visited Mrs. Hallmark's parents, Mr. and Mrs. S. B. Kutch Sunday and Monday.

Mr. W. V. McCauley and Ellis Chenault of Lelia Lake left Tuesday for Hot Springs, New Mexico.

MRS. MARY CHURCHWELL BURIED HERE THURSDAY

Grandma Churchwell, as she was familiarly known, succumbed to a year of illness Wednesday night of last week at the home of her daughter, Mrs. G. R. Grant, of Goldston community.

The deceased was born near Adamsville, Tenn., December 4, 1845. She was united in marriage to John C. Churchwell at Adamsville, Tenn., March 5, 1868. To this union was born two sons and two daughters. One son predeceased his mother in death in infancy. She leaves two daughters and one son, Mrs. G. R. Grant of Goldston, Mrs. W. L. Meek of Amistad, New Mexico; and George A. Churchwell of Long Beach, California. Eleven grandchildren, ten great-grandchildren and one great-great-grandchild. Also one sister, Mrs. Mongotte of Hartshorne, Okla., to mourn her passing.

Her husband also preceded her to the grave some fifty years ago. She was converted at the age of 14 and since that time has lived a Christian life. She, with her husband, joined the Primitive Baptist Church at Farmersville, Texas in 1877. She has been a member of the Primitive Church at Shamrock for the past several years.

Funeral services were held at the Grant home Thursday afternoon with the Rev. Morgan of Shamrock conducting the last rites. Interment was made in the Citizens Cemetery.

Rev. E. H. Kennedy suffered a stroke at his home in Lelia Lake Tuesday. However, at the last report, he was much better.

Miss Lorene Griffin has returned home from Quitaque where she spent three weeks visiting with friends.
