

Donley Wins Honors At Amarillo Fair

County Ginners Reduce Rates After Memphis Parley

DONLEY COUNTY PLACES SEVENTH

\$100 LESS 20 PERCENT IS PREMIUM WINNINGS—WATERMELONS FEATURE

In a long distance telephone conversation with the Agricultural Agent, T. R. Broun Tuesday night it was learned that the Agricultural Exhibit of Donley County had placed seventh in the judges decision of the exhibits at the Tri-State Exposition at Amarillo, scoring 903 tallies.

For Donley's share of the winnings it will receive \$80. The premium was to have been \$100, but our winnings were reduced 20 percent due to this year's conditions.

Randall County for the fourth consecutive year carried away first honors in the Tri-State fair agricultural department.

The blue ribbon county took first place with 9417 points out of a possible 1,000 in competition with 20 exhibits from the Panhandle and New Mexico.

W. H. Upchurch, Canyon, prepared the winner.

Lamb County, under the direction of D. A. Adam, county agent, placed second, with 929.33.

Following closely behind Lamb was Hemphill County with 928.83.

The three major crops on display from Randall County are wheat, alfalfa and grain sorghum.

The rest of the exhibiting counties ranked as follows: Collingsworth, 903.17; Hardley, 907.

Collin, 896.33; Hardin, N. M., 897.67; Gray, 878; Wheeler 877.67; Bailey, 867.17; Armstrong 841; Sherman, 840.33; Hale, 835.5; Haskell, 834.67; Lipscomb, 826, and Parmer, 802.5.

Good Crowd Is Attending Fair Today

Clarendon and Donley county are celebrating today at the Tri-State Exposition at Amarillo. Nearly one hundred persons from this city and county made the trip to the exposition city this morning being headed by the band of Clarendon High School Band.

Several concerts are being played by the band in various parts of the city, and a radio broadcast this afternoon by the band features their appearance in Amarillo. The college will also have a part in the day's program with a radio appearance this evening starting at 8 o'clock over radio station WJG.

Mr. and Mrs. J. Saye and son, Tammy, spent Tuesday in Amarillo visiting the fair and other places of interest in the neighboring city.

DONLEY 4-H CLUBS WIN MANY PRIZES

SHOWING INDICATES GOOD LIVING ON MANY FARMS FOR NEXT YEAR

With the winnings of Donley County club women as an indication of the quality rather than the quantity of produce canned this year, there are many farms which will have a living stored on the shelves of their pantries and will not have to be bothered with the high cost of canned food this coming year.

Here are the prizes as they were awarded Donley County folk:

4-H Club Girls' Work Canned Tomatoes—Fourth, Bernice Self.

Uniform Apron—First, Bernice Self. Uniform Cap—First, Bernice Self. Pillow Case—First, Bernice Self.

Home Demonstration Clubs Butter Beans or Lima Beans—Mrs. W. P. Holley, first.

Canned Carrots—Mrs. J. M. Acord, second. Canned Okra—Mrs. J. M. Acord, third.

Other Canned Vegetables Mrs. W. P. Holley, first. Sweet Pickle Watermelon Rind—Mrs. Elmer Ashmead, first.

Pickled Onions—Mrs. H. M. Reid, third. Other Vegetable Pickles—Mrs. J. B. Turnbow, third.

Chopped Pickled Onions—Mrs. H. M. Reid, first. Other Relishes—Mrs. Clark Lutzner, third.

Watermelon Rind Preserves—Mrs. J. A. Lamb, third. Cherry Preserves—Mrs. J. B. Turnbow, second.

Apple Preserves—Mrs. J. C. Estlack, first. Watermelon Marmalade—Mrs. Elmer Ashmead, third.

Plum Jelly—Mrs. D. F. Randal, second. Blackberry or Dewberry Jelly—Mrs. J. B. Turnbow, second; Mrs. J. A. Tomb, third.

Jelly—Mrs. D. F. Randal, first. Homemade Braided Rug—Gunnysack—Mrs. H. M. Reid, first.

Braided Mat—Miss Katie Meaders, second. Towel—Mrs. Jim Ware, first.

In the Domestic Arts group, Donley County is also listed among the winners in the Old Ladies Work. Mrs. R. F. Terry of Clarendon was given first place in the Machine Sewing specimen and received a second in the Tatting specimen division.

Canned Blackberries, Mrs. W. H. Corbin, first. Plum Butter, Mrs. W. H. Corbin, first.

Blackeyed Peas Shelled, Mrs. W. H. Corbin, second. Canned Beef, Mrs. W. H. Corbin, first.

Lard, Mrs. W. H. Corbin, second.

PASTIME THEATRE WILL FEATURE BARGAIN NIGHTS In line with the Pastime Theatre's policy of popular prices Manager H. Mulkey comes to the aid of the theatre going public with his announcement that from next Wednesday, September 30th and until further notice the admission price will be 10 and 15 cents on Wednesday and Thursday matinee and evenings of each week. The reduction of price will in no way mean that the high standard of picture entertainment will drop the least bit on these

DIST. GOVERNOR BROOKS IS HEARD

DISCUSSES WORLD WIDE TASKS BEFORE ROTARY INTERNATIONAL FRIDAY

A fine and inspiring address was made last Friday noon by Dr. Tom Brooks of Baylor University, District Governor of the 41st District of Rotary International, to the Clarendon Rotary Club. Before the luncheon hour was turned over to the visiting executive the Charity Committee reported and Rotarian C. C. Powell was appointed to represent the organization in the United Charities group.

Chas. M. Lowry, manager of the local West Texas Utilities unit during the absence of T. D. Nored, was another visitor of the day, and expressed his pleasure at meeting with the group.

Dr. Brooks complimented the local Rotarians on the optimistic spirit of their club.

The Governor dwelt upon what a town would be without churches and also speculated how the town would be affected should it have to do without a Rotary club.

A grave responsibility rests upon the members of a club to which a Rotary charter has been granted. They must seek to live up to all that the charter implies, and try to become better business men from year to year, and live up to the highest ethics.

The speaker then described his International at Vienna last June. There are great differences between Rotary here and abroad.

In Europe the clubs generally are small but select. The fellowship such as we understand it is wholly lacking. It is solely an organization of big business men. Dr. Brooks attended a Rotary meeting at Zurich, Switzerland. Talking to his right-hand neighbor he found the man was a wool importer, very familiar with San Angelo and other great wool markets.

On his left hand was an international banker. Across the table was a printer, who seemed more democratic, but who turned out to be the biggest manufacturer present whose family had been in the printing business since its invention, and who after learning the business in Europe had spent several years of study in printing establishments in Chicago, New York and Philadelphia.

The solution of the world's most difficult problems is now put up to Rotary International. It is needed, too, for Europe is in the grip of a fear complex. Every nation seems to stand in mortal fear of its neighbors, and we all know what fear-crazed individuals may do.

In Italy and France soldiers may be seen everywhere, and in the mountains of Northern Italy new military roads and fortifications are being constructed with feverish activity.

The tariff walls in Europe during the past two years have become too high for revenue. Every nation wants to become independent of any other in case of war. The tension caused by this fear psychology makes people everywhere predict another war in 1935, and the highest possible compliment that Rotary could receive is paid when Rotarians are expected to bring about a continued peace.

With such program before us let every club continue to strive for the betterment of its community. At the present time our town needs Rotary more than ever. And we need it; we want friends who can express their sympathy in our sorrows without words. We need not only their sympathy, we also need their kidding lest we should take ourselves too seriously. This is not the first time that the world has been hard up, nor will it be the last.

There is emulation in Rotary when a man feels down and out and meets another fellow whose grin is still in good working order. He makes one feel, if he can stand it, I can, too.

bargain days of each week. The same standard of pictures which are shown on the regular nights will be offered on these nights. The initial bargain night will feature William Powell and Carole Lombard in "Man of the World".

Mr. and Mrs. E. C. Herd were fair visitors in Amarillo Tuesday of this week.

Patrick Heads Old-Timers Group

W. H. Patrick, of Clarendon, dean of Panhandle Bankers, was elected president of the Panhandle Old Settlers Association at the annual meeting at the Tri-State Fair Wednesday.

Mr. Patrick has been a resident of the Panhandle for more than 40 years and has been actively engaged in the banking business at Clarendon since he came to the Panhandle.

The men and women who with their contemporaries have made the Panhandle what it is—719 of them—had their day at the Tri-State Fair yesterday.

It was Old Settler's Day and the Livestock Pavilion was more than filled with those who have been residents of the Panhandle for 25 years or more. In fact more than half of the crowd had been residents of the Panhandle 40 years.

Indian fighters, buffalo hunters, bone-gatherers, cattlemen, nestors, farmers, bankers, lawyers—every line of activity in which Panhandle citizens have engaged—were represented.

And more than half of the big crowd stood when Judge Hoover called for those who have been here 40 years or more.

Among those mentioned were Tom Brummett who has been living in Armstrong County since the memory of man runneth out to the contrary and Cal Merchant of Clarendon who has seen many a maverick roam the Plains west of Amarillo.

And to be dismissed by "God Be With You Till We Meet Again" and there were many who wiped tears from their eyes, as the words of this old song died away, for they realized that at the 1932 fair there would be several faces missing from the ranks of those who have built the Panhandle.

New officers of the Association are W. H. Patrick, of Clarendon, president; Dr. M. W. Cunningham, Amarillo, first vice president; Mrs. L. Gough, Amarillo, second vice president; Judge H. E. Hoover, Canadian, third vice president; Jim Christian, Claude, fourth vice president; Dave Lard, Pampa, fifth vice president, and Floyd Studer, Amarillo, secretary.

LIONS FIELD WORKER IN CITY FOR PIEDRO Cecil Webb, field worker for the International Association of Lions Clubs, has moved his family to Clarendon and will make this city headquarters while he is engaged in contacting Lions Clubs in District "T", under the general direction of his district governor.

Mr. Webb has done similar work in Texas before but comes here from South Dakota where he has been for the past several months. His wife and little daughter are with him and they are occupying rooms in the H. J. Edington home.

GOV. STERLING SIGNS COTTON LAW

NEW LAW WILL LIMIT PLANTING TO ONE-THIRD LAND IN CULTIVATION

Texas led the way for the South Tuesday in cotton curtailment with a new acreage reduction law designated to bring farmers relief from overproduction and low prices.

Gov. Ross S. Sterling placed his signature on the measure restricting cotton planting in 1932 to one-third of the Texas land now in cultivation and forbidding the planting of cotton thereafter on the same land in successive years.

Considering that 51 or 52 per cent of the cultivated area in Texas was planted in cotton this year, advocates of the measure predicted it would reduce cotton planting in 1932 50 per cent.

Enforcement of the law would be left to county and district attorneys, assisted by inspectors of the state commissioner of agriculture. They were empowered to file injunction suits against farmers failing to abide by its terms, the penalty being from \$25 to \$100 per acre.

BUSY LUNCHEON FOR LIONS MEET

FIRST MEETING OF CONTEST OPENED WITH PERFECT SCORE

Announcement was made Tuesday of this week at the Lions luncheon that the first contested meeting on last Tuesday was perfect from every standpoint.

The only member absent from the meeting made up his attendance and the cars were at a standstill for the second meeting. Absences from the luncheon this week will be cared for before the next meeting next Tuesday.

Lion Douglas reported on the community welfare committee, telling of the tentative organization of the United Charities and of the call for a meeting at 2:00 o'clock to complete the organization. Lion H. T. Burton was named to the executive Board as representative of the Lions Club.

Guests for the day were introduced as H. W. Rowe, member of the Midland Lions Club and past president of that organization; C. W. Webb, Lion International Field Director assigned to District "T" for a month or six weeks time; E. M. Rice, Secretary of the Matador Lions Club and Chas. M. Lowry, who is here from Hedley acting for Lion T. D. Nored while he is out of the state.

Lion Rowe explained that he had been invited to the luncheon and that he had written a speech that took more than an hour to deliver and that the others need make no plans for a speech. He spoke interestingly of the so-called "Repression", calling to the Lions minds the fact that the pioneers of this country had these really hard times and in case they were living today they would not consider these as hard at all. Now the plan is to plant all cotton or wheat, realize all cash from these crops and live from cans the remainder of the year. He stated that the surest way of curing this idea was to learn to live at home, thus relieving the situation and curing the matter of over production for all time to come.

Lion C. W. Webb also spoke along the same lines after bringing a message and greeting from the officers and board of Lions International. He brought to the Lions the thought that those of the Texas clubs had a great work to do in bringing a message of optimism to the entire nation inasmuch as this is the largest organization of the sort in the States. The idea of trading as now being followed in Texas is being caught up by other states and they are learning that this means will be splendid and will be used to care for a large majority of the surplus in many lines.

Lion Secretary E. M. Rice of Matador brought greetings from his organization and stated his pleasure at being with the Lions in Clarendon for the first time. He brought the Lions a message of knocking the letters D-E-I-E from depression, thus leaving the two words "Press On". The Lions should lead in the work of pressing forward even in the face of difficulties.

Lion Treasurer Caraway stated that he was treasurer for all the defunct organizations in the city without asking for the job and that he supposed he would continue to hold the jobs until he was fired.

Lion Frank Houston was present for the luncheon, introducing Charles Lowry as his guest. An adjournment followed in the usual manner.

HUGE CROWD SEES PROHIBITION PLAY

COURT TRIAL DRAMA MONDAY EVENING POWERFUL INDICTMENT OF LIQUOR

As was announced in last week's issue of The Clarendon News, the prohibition drama "Who Killed Earl Wright?" was presented Monday evening at the First Methodist Church under the auspice of the pastors association of Clarendon.

There was a very large crowd present overflowing into the balconies and the incidents of the trial of a young man for the murder of his best friend while drunk, and the accompanying discovery of the bootlegger who sold the liquor made a profound impression on the big audience and brought home in a new way the blighting effects of liquor and the low aims and criminal acts of those who profit from it and those who tampered with it.

The cast were all local people with the exception of the defense attorney, which role was taken by Dr. Atticus Webb, head of the Anti-Saloon League of Texas and noted temperance worker. S. W. Lowe was the judge in the case. Sheriff Pierce was the sheriff and H. T. Burton was the deputy. The bootlegger for the play was C. E. Griggs and Carrol Holtzclaw was the defendant with Mrs. C. A. Burton taking the part of his widowed mother. Mrs. Jimmie Beck and little sons, Jimmie Beck and little sons, were the widow and orphans of the murdered man, while G. L. Boykin was the county coroner who handled the body of the victim. Mrs. W. C. Stewart was an important witness in the case as Mrs. French. The prosecutor was Sam M. Braswell and the jury was made up of twelve local citizens with J. H. Horn as foreman.

Before the conclusion of the trial Dr. Webb made an appeal for funds to carry on the work of the Anti-Saloon League and offering was taken for that purpose.

Bill Cooke is medalist last Sunday with 115 strokes merchant 2nd

Fifty-one golfers of Hall and Donley counties rode with the wind into Clarendon last Sunday and negotiated the first half of the 54 hole medal play golf tournament, the last 27 holes of which will be completed next Sunday with the golfers at Memphis on the Memphis Country Club course. Bill Cooke, veteran of many Hillcroft campaigns, flashed back to his old form and led the golfers from Hedley, Memphis, Turkey Estelline and Clarendon over the 27 holes with a played 115 strokes. Closely on his trail was Ira Merchant, city champ, with 116 being followed a couple of strokes later by Frank Foxhall who overcame the wind with 118 total.

The number of players were somewhat smaller than was anticipated by the local officials, but was very good considering the weather conditions which were anything but conducive to golf competition.

The players were divided into four flights, the winners to be determined by the entire 54 hole medal play.

In the first flight qualifiers were: W. H. Cooke, Clarendon, 115; Ira Merchant, Clarendon, 116; Frank Foxhall, Memphis, 118; M. P. Gentry, Clarendon, 119; H. B. Kerbow, Clarendon, 120; Pinky Kerbow, Clarendon, 122; P. B. Gentry, Clarendon, 125; Carl Harrison, Memphis, 126; R. S. Greene, Memphis, 126; A. N. Wood, Clarendon, 127; Reginald Greenhaw, Memphis, 128; and W. A. Wilson.

Mr. and Mrs. Joe Goldston left Wednesday morning for a business trip to their property near Dimmitt.

William Wilder left Wednesday morning for Lubbock, where he will again enter Texas Technological College.

LOCAL GINNS CUT GINNING COSTS

TWENTY-FIVE CENTS PER HUNDRED IS NEW SCHEDULE IN CLARENDON

Clarendon ginners lowered the price of ginning from thirty-five cents per hundred to twenty-five cents, the latter part of last week, with the idea of carrying their part of the burden of this year's low priced cotton crop.

Clarendon bankers made a trip to Memphis last week and conferred with certain parties about a reduction in ginning, and later a group of farmers made an appeal to those in charge of the gins of this section without knowing of the action of the local bankers.

The new low price here is in line with the charge in many other nearby towns, and applies to picked cotton only. The price for ginning bolls remains at thirty-five cents per hundred.

Among those in the group of farmers making the plea for lower ginning were: W. L. Butler, E. L. Lewis, Custis Benson, Sid Harris, J. R. Dale, M. M. Noble, Luther Butler, Heckle Stark, Mess. Martin and G. A. Davis.

BRONCS TO FACE McLEAN FRIDAY

MAROON GRIDSTERS BEGIN CONFERENCE CONTESTS TOMORROW

With a full strength and a bag brim full of plain and fancy plays, coaches Frank Stocking and John Hutton have declared the Clarendon High Bronchos ready for their invasion of McLean on the morrow where they open the 1931 conference gridiron race as guests of the McLean Tigers. Injuries which for a time threatened to play havoc with the forces of the Maroon eleven have healed and the Bronchos will be ready to throw their entire strength into the fray against the Bengals in an effort to hang up their initial conference win and keep pace with the fast stepping and powerful Quikqua Panthers who to date have bowled over everything it was with comparative ease, including the Memphis Cyclones and the McLean Tigers. The Panthers bested the McLean outfit last Friday on their own field 43 to 0 with ease and the Bronchos are out to enlarge the margin of victory and thereby keep even with the Briscoe county boys.

Examinations have revealed Tony Watson, star end, recovered from a severe knee injury sustained in the Pampa game, and the boy with the fighting heart and love for the game will again be in action upholding the colors of the local school. Pete Morris, tuffer of strength in the line, who suffered a painful ankle sprain in the Floydada contest last week seems to have rounded into form once again and any one knows what this dependable player can do in the line-up.

The game is expected to be one of the hardest battles confronting the championship bound Bronchos for several reasons. McLean has been pointing to the game with Clarendon for an entire year, they've made plans for the game and the players are primed to shoot the works in an effort to down the locals. Then they are playing on their home grounds with the entire country backing them for a win. These two reasons carry considerable weight in an important contest which this certainly can be classified. Should the Tigers win they are in a splendid position to tie for the championship of this division, but if they lose their chances change to a broken dream.

In the local backfield Reid, McMahan, Andis and Capt. Dick Nichols will very probably receive the starting assignment while the linemen facing the kickoff will probably be Tony Watson, Ronson, F. L. Behrens, Morris, Easterline and Waters.

A mammoth pep rally will be held at the College Auditorium this evening at 7:30 to bid the boys good luck in their first conference battle.

OLD REMEDIES STILL HOLD GOOD

In the stress of these depressed times many folks have almost lost their heads in seeking some method by which we can come back on the plane of normal times. Freak methods, isms, panaceas, legislation and all that sort of thing are just so much delay in the path of prosperity. The old remedies still hold good and it is not by hitting on something new but by getting back to the old, the sound and fundamental principles upon which America was founded, that we are going to work out our future.

Hard work, sacrifice, honesty, privation, saving, management and the principles of the Christian religion are the rules for success which our forefathers used to conquer a wilderness and lay the foundation for the greatest nation in the world today. Prosperity brought with it the dreams of short cuts to fame and fortune. America chased the bubble until it burst and now most of us are sitting down trying to think of some short cut or scheme to get back on prosperity's road again. We need rather to get back sound common sense.

The world has changed but the principles upon which civilization was founded have not changed. The inequalities under which we are now chafing are the result of our disobeying the fundamental principles listed above. Instead of further fooling ourselves by following some of the many who are proposing unsound ideas about the return of prosperity, let's get back to the old remedies. They will still hold good, if we but apply them.—News, Lenoir City Tennessee.

PENNY WISE, MAYBE

There is little doubt but that the legislature will pass and the governor sign the proposed bill to cut the salaries of state employes ten percent, in the interest of economy, an action that will save the state something like one million two hundred thousand dollars per year.

At first thought taxpayers may applaud the action because there is a demand for action that will save public money and lower the tax rate, but it may be penny wise in its effect. The state of Texas is noted for its low salary scale, from the governor's pitiful four thousand dollars per year all the way down, except where the fee system plays its sorry role, so it is probably a mistake to cut the salaries which are already low.

A much greater saving could be effected by the consolidation of departments and the elimination of duplication in official functions both state and county, which action would tend toward greater efficiency in government and save the people of Texas more tax money than twice the proposed cut in salaries.

Texas will take her little savings on the salary cut now, because conditions are critical, but let us hope that the next regular session of the legislature will restore the salaries to proper level and go about the task of reorganizing the public service in a way that will eliminate many jobs and get service in full for the fewer salaries paid.

JUMPING ON HOOVER AND STERLING

Not all people who jump on the government heads when times are hard are simple, but most of them are openly unfair in their attacks against executives, who are not in the remotest degree responsible for our misfortunes.

It is a great sport here in the Southwest to jump on Hoover and on Sterling for everything unpleasant on the calendar, and were it not for the fact that these two gentlemen are without doubt the best poised men to hold office in recent years, they would not be able to remain and guided by good, sound judgement in spite of the tremendous pressure of the little souls that jibe at them.

The world is full of strutting critics, but few are able to weigh with sober judgement the world-wide situation that controls our present misfortunes, executives are not responsible, and will loom large in history when those who cry against them will be forgotten in the oblivion of the past.

LOCAL GINS DUE THANKS

When the local gins reduced the price of ginning ten cents per hundred last week they in effect shared their earnings with the producer who this year is placed in the unfortunate position of having to throw his cotton on the market at less than cost of production.

It is true that the gins cannot afford to lose money on their season's work, but the farmer is being forced to do that very thing in most instances and it is good to see an industry willing to reduce their own rates for the benefit of customers forced into distress through no fault of their own.

The local gin management are due the thanks of the whole community for their far-sighted policy in this respect.

HOT SHOTS HERE AND THERE WITH THE EDITOR'S CLIPPERS

Executive (interviewing applicant for important position)—Are you absolutely honest, straightforward and trustworthy?
Applicant—Yes, indeed, I am sir.
Executive—If you should enter the office tomorrow morning and find a wallet containing \$100,000, what would you do?
Applicant—What would I do? I'd do nothing and live on my income.

Reason for Postponement
Mr. Crabber—You say the noon train has been postponed until tomorrow. Then I suppose I'll have to take the evening train.
Ticket Agent—That's been postponed until next week. You see this railroad has just elected a new president and he was formerly a judge.

Traced to Mathematics
Invalid—The doctor tells me that I have calculus of the kidney.
Visitor—And to what do you trace that condition?
Invalid—Well, when I was a little fellow I recollect that I ate two pages out of my mathematics book.

Would Take a Train
An Englishwoman walked into the ticket office at Chicago and asked for a ticket to New York.
"Do you want to go by Buffalo?" asked the clerk.
"Certainly not," said the Englishwoman. "By Train."

"Clara seems to be very fond of music."
"Yes, indeed. You'll always find her at the piano when her mother is washing dishes."
"She's seen twenty-nine winners."
"Oh, she's forty at least."
"Yes, but they go south every fall."

When Clubs are Handy
"Do you believe in clubs for women?"
"Yes if kindness fails."

"You saw you were once connected with a college. Were you a tutor?"
"Yes. I tooted a horn once for the football roosters!"

Now Be Good
Griggs—What do I think of your new hat? Well, if I were you I wouldn't wear it to a dog fight.
His wife. But I was planning on wearing my other one when we visit your people, dear.

A Poor Acrobat
Mathews—I'll bet it was hot on the desert! No shade, either, eh?
Jenkins—No, the only shade there was was my own shadow, and I nearly broke my back trying to sit on it.

"It is now possible for a wife in England to telephone to her husband, even if he is on the other side of the earth," says a writer. Then what's the good of going to the other side of the earth?—The Humorist.

"And you mean to stand there and tell me that Lungheigh was killed by a bolt from a clear sky?"
"Sure, a woman on a 20-story building dropped the bolt."

1st Stude (writing home)—How do you spell "financially?"
2nd Stude—Financially, and there are two Rs' in "embarrassed."

Bad For Married Men
"What's the worst thing a married man can do?"
"Well, to be frank—"
"I guess you're right."

Reason
"Dolly's father rather likes the modern shieks."
"Matter of business; he owns a ukulele factory."

* BRAY *

School has discontinued for the children to help gather the cotton. The weather has been so hot and dry nearly all the cotton is opened.
Mr. and Mrs. W. H. Clay and children visited friends and relatives in the Ring community Sunday.
C. N. Hill and Mr. Hastings of McLean, were visiting in the home of Mr. and Mrs. Claude Hill Thursday.
Mr. and Mrs. Jim Bell and children were visiting in Hedley Saturday.
The sand storms of the past week are doing quite a bit of damage blowing out the cotton and drying up the late feed.
Mr. and Mrs. Joe Crawford and Miss Floren Hollinsworth were shopping in Hedley Saturday.
W. L. Harcastle spent Sunday visiting in the home of his grandson, Mr. and Mrs. W. O. Hill.
Mr. and Mrs. W. D. McDaniels and family moved Tuesday to the Ring community.

* NAYLOR *

Mrs. F. H. Peebles and W. D. Van Eaton of Clarendon spent Thursday afternoon with Mrs. Fanny Naylor and family.
Mr. and Mrs. A. E. Tidrow and family spent the week end at Shamrock visiting relatives and friends.
Mrs. F. M. Barton of Clarendon is spending this week with

her sister, Mrs. A. O. Hefner.
Mr. and Mrs. Frank Proctor of Shamrock spent a few days with the Tidrow family.
Mrs. Fanny Naylor and daughters, Misses Minnie Lou and Ava spent Friday with Mr. and Mrs. Joe McMurtry on their ranch near Brice.
Mrs. Beam and daughters, Miss Ruth and Mrs. Wesley of Memphis spent Wednesday with Mr. and Mrs. A. E. Tidrow.
Our school dismissed Friday for cotton picking.
We had a fine rain Sunday night which will be of help to late feed and sweet potatoes.
Miss Hazel Hefner is spending this week at Clarendon visiting friends.
Miss Lou Naylor is in Amarillo this week taking in the fair.
A number of Naylor folks attended the Barton-Hefner dinner party at Clarendon Sunday in honor of Mr. and Mrs. Ray Hefner.
Farmers are getting wheat planted for winter pasture this week and are busy-cutting feed and picking cotton.

COOKED MEATS

Try an order of this most appetizing food. It's one of the great helps in preparing any meal.
Pure Pork Sausage is in season. This is fine. Try it. We've just made up a fresh batch of Brick Chili. You know the kind. It's fine.

Delicious Frozen Dainties Prepared Right In Your Home

For these heated summer days, when your ingenuity is taxed to supply tempting dishes for jaded appetites, the modern Electric Refrigerator will prove a double blessing; it will supply attractive and palatable hot weather delicacies, and will assure you of scientifically-correct refrigeration in spite of the blistering heat of late summer days.

The hostess who serves inviting frozen salads, tasty mousses and frozen puddings, appetizing sherbets and sparkling beverages is sure to strengthen her reputation as a cordial hostess. And the mother who serves such delectable dainties to her own family will find irritating summer months tranquil and happy!

Reputable electrical dealers throughout West Texas offer you a wide choice of modern Electric Refrigerators. Moderately priced and costing but little to operate—you'll find Electric Refrigeration a wise economy. Why not buy that Electric Refrigerator now?

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

at her home Sunday were Othella Poovey, Athyn Drennon, Emma Sue and Mary Graham, Lola Fay and Erma Gene Gregg.

Mrs. Ida Wallace visited her daughter, Mrs. Ethel Calcote at Lelia Lake Wednesday.

Mr. and Mrs. Raymond Slayter's house and all that was in it burned Saturday afternoon. Mrs. Slayter was canning and the oil stove exploded. We extend to them our greatest sympathy and hope that everyone will help them.

Mrs. Sam Shadle was a visitor at Mr. and Mrs. Joe Gillespie's Sunday.

Mr. and Mrs. Sam Shadle was a visitor at Mr. and Mrs. Joe Gillespie's Sunday.

THE PLUME WAVES AGAIN

The Ostrich-feather industry of South Africa has temporarily recovered from a ten-year slump, according to DuWayne G. Clark, United States Assistant Trade Commissioner at Johannesburg. For this, South African might thank the milliners who looked to the Empress Eugenie for a current style in headgear. Demands from Paris and London for feathers have decidedly increased, with a corresponding rise in prices, and the ostrich-feather industrialists are facing the future with optimism.

LELIA LAKE

The T. E. L. Class of the First Baptist church met with Mrs. Loman Thursday afternoon. The hour was spent in reorganizing.

Mrs. Loman was elected president, Mrs. W. S. Noble, Vice-President and teacher; Mrs. Billy Christal, Secretary; Mrs. Van Knox, Social Chairman; Miss Margaret Christal, devotional leader; and Mrs. M. Cooke, Reporter.

Dainty refreshments were served to the above named and Mrs. D. E. Leathers, Miss Jessie Cook, Mrs. D. W. Tomlinson, Mrs. Kinch Leathers, Mrs. Ben Wallace and Mrs. B. J. Leathers.

Mr. and Mrs. E. R. Myers entertained with a bridge party Saturday evening. Those enjoying the games were: Mr. and Mrs. W. V. Thomasson, Guy Taylor, H. R. King, D. E. Leathers, M. G. Cottingham, R. E. Darnell, B. J. Leathers, W. A. Tomlinson, and Elmer Kennedy.

THE BETTER ENGLISH CLUB

The Sixth Grade Better English Club, was organized September 4, 1931 at the school house in the sixth grade room at 1:00 o'clock. In this first meeting we elected Larid Reeves for President, Laura Mae Gerner for Vice President and Jane Williams for Secretary. Orvill Dodson, Albert Shaw and Warren Hardin were appointed by the president to make some posters for our club.

Billy Knov and Layton Humberd were appointed to make some tests for our next meeting. The members of this club are Richard Davis, Larid Reeves, Albert Shaw, Laura Mae Williams, Warren Hardin, Billy Knov, Orville Dodson, Millard Cruise and Layton Humberd. We then adjourned to meet again next Friday afternoon at the school house at one o'clock in the 6th grade room.

The Better English Club met September 11 at the regular time and place. Billy Knov and Layton Humberd gave the members the tests as assigned to them. At this meeting James Bozeman asked if he might become a member of the club. He was not accepted this meeting as a meeting will have to be held when he is not present, so that we may vote. We then adjourned to meet again September 18.

The Better English Club held its regular meeting September 18. The meeting was called to order by the Vice-President and Nesbit Baker, Hazel Moore and Billy Knov told some interesting stories. Miss Hill, our sponsor, was present. Fourteen members were also present. Albert Shaw and Wallace Grimsley were the only members absent. We then adjourned to meet again Oct. 31.

The departments of Govern-

ment Legislative by Mrs. Guy Taylor, Executive by Mrs. E. R. Myers, Judicial by Mrs. Thompson, The Cabinet by Mrs. H. R. King. Three ways in which a Bill becomes a Law by Mrs. Thompson.

IN SOCIETY

Hite-Allen

A wedding that came as a surprise to friends, was that of Miss Lucile Allen of this city to Mr. H. A. Hite of Dallas. The wedding took place Saturday night, September 19th at Dallas. The bride is well known in Clarendon having lived here most of her life where she has been popular in social circles. Miss Allen finished high school at Central High School, Ft. Worth, and did College work at Baylor University Waco. The Groom is a graduate of Lubbock Tech and finished his education in Chicago as a Civil Engineer. At present Mr. Hite is employed with the Texas Oil Company. At present the couple are at home 803 Cristler Ave. Dallas.

Mr. and Mrs. Boykin Entertain BPR Club

On Thursday evening of last week the B. P. R. Club met at the home of Mr. and Mrs. G. L. Boykin to celebrate their first birthday. All guests came dressed as kids and it is said that one insurance man could have passed for a boy of ten. Guests were first given pipes for "blowing bubbles in the air" when the novelty of this child's game wore off tally cards of sun bonnet girls were passed, tables arranged and "42" was enjoyed until a late hour. Refreshments of Strawberries and cake were served. Mrs. Boykin being owner of the patch from which the berries were picked. Grape juice punch was served with the birthday cake. In cutting the birthday cake Mr. Braswell drew the button, Mrs. Burton the ring, Mrs. Boykin the dime. Club members present were Mr. and Mrs. Sam Braswell, H. T. Burton, Mr. and Mrs. G. L. Boykin, Mr. and Mrs. Ralph Porter, Mr. and Mrs. C. C. Powell and Mr. and Mrs. Fred Rathjen.

MacDowell Club Has Interesting Meeting

The Mac Dowell Club met last Saturday evening at the Club rooms. Instead of the regular practice hour, an unusual program was presented by organizations of this city. The President, Mrs. Tom Goldston, gave a short history of the Clarendon Chapter of the MacDowell Club which was followed by a history and the purpose of the MacDowell Artist Colony at Petersboro, New Hampshire, by Mrs. Sam Braswell. Mrs. Braswell also outlined a prospective program for a greater musical activity by the local chapter. Miss Anna Moores presented a story of the life of Edward MacDowell, America's greatest composer. The following musical program was enjoyed: Piano Solo—Miss Christine Stroder. Vocal Solo—Elbert Bowen. Saxophone Solo—Miss Cecil Hukel. A Trio of cello, violin and piano—Mrs. Boykin, Mrs. Stallings and Miss Fray Stallings. A few words from the new director, Mr. Sam Braswell inspired the club to a greater musical program for the coming year.

Mrs. Kelly Chamberlain Gracious Hostess

Mrs. Kelly Chamberlain was hostess to the auction Bridge club Thursday afternoon. Attending the party were Meses Roy Ingram, James Haile, Lillian Brady, Barcus Antrobus, Carl Bennett, Tren Stargel, Edd Teer, Josephine Ball, Harry Simpson, Meses Lorraine Patrick, Gertrude Parr, Elgin Patrick, Mary Jo Chamberlain. Mrs. Ball was fortunate for the Hi Prize. A refreshing ice course was served.

Mr. and Mrs. W. J. Lewis honored

Wednesday evening of last week a number of Mr. and Mrs. W. J. Lewis' friends gave a picnic at the Country Club to bid them good bye before they returned to Dallas after spending the summer here. A beautiful supper was spread for the guests, Mr. and Mrs. W. J. Lewis, Mr. and Mrs. John Blocker, Mr. and Mrs. W. H. Patrick, Mr. and Mrs. C. T. McMurtry, Mr. and Mrs. J. L. McMurtry, Mr. and Mrs. Odos Caraway, Mr. and Mrs. George Ryan, Mr. and Mrs. F. E. Chamberlain, Mrs. R. Chamberlain, Mrs. A. L. Chase, Messrs. Bill and Allen Cooke, Mrs. Cooke, Miss Mary Cooke, Mr. W. Knorpp. After supper tables for bridge were prepared in the club room, games were enjoyed until a late hour. Mrs. Patrick played Hi for ladies and J. L. McMurtry played Hi for gentlemen. A lovely gift was presented Mr. and Mrs. Lewis.

Good Will Club Honored by Mrs. Russell

The Good Will Club met with Mrs. Fred Russell Thursday afternoon for a social meeting. The rooms were made beautiful by large vases and baskets of Asters. Needle work and 42 were enjoyed throughout the afternoon. Members present were Meses. Cy Johnson, Don Martin, Blanche Oden, Nash Blasingame, H. Shoflett, A. O. Yates, Will Johnson, C. H. Longley. Visitors, Mrs. R. Y. King, Mrs. Hick Johnson and Mother King. Refreshments of apple pie and ice tea were served. The club will meet Oct. 1st. Mrs. Will Johnson as hostess.

Friendship Club

The Friendship Club held their regular meeting Sept. 22 in the home of Mrs. J. C. Allison. The afternoon was spent in quilting a quilt for the hostess. The following members being present, Mrs. J. S. Hayter, G. J. Teel, J. W. Rowland, C. R. Skinner, J. D. Stocking, J. E. Mongole, J. A. Toombs, M. T. Crabtree, M. E. Thornton. Guests, Mrs. Julia Beverly and Mrs. J. H. Hall. At the close of the social hour an ice course was served. The next meeting will be held with Mrs. Silas Hayter.

Mrs. J. T. Warren Is Honored

Thursday was the birthday of Mrs. J. T. Warren. The ladies of the Baptist church discovered this fact and gave her a shower. All day Thursday and the remainder of the week friends kept dropping in with canned goods, jellies, preserves, things for the pantry shelf and words of love and appreciation for this faithful, efficient worker who is confined to her bed while her broken limb heals.

Newlyweds Honored

Sunday evening at the home of Mr. and Mrs. F. M. Barton was the scene of a merry group when Mrs. Barton and Mrs. A. O. Hefner gave a dinner honoring Mr. and Mrs. Ray Hefner, a recent bride and groom of the Naylor Community. The table was beautiful with all the decoration for a wedding supper and laden with carefully prepared foods. Present to enjoy the occasion were Mr. and Mrs. Ray Hefner, Mr. and Mrs. A. O. Hefner, Hazel Ava, Loyd and grandmother Hefner. Mr. and Mrs. Walter Scott, Inez Leatrice and Chester Lee Scott, Mrs. F. M. Barton, Ansil and Russell Barton, Vernon Lotz, Edwin Eans, Carol Holtzclaw, Misses Gertrude Shepherd, Lucille Pickering, Mr. and Mrs. B. N. Wood of Pampa, Texas, Mr. and Mrs. B. R. Wood of Pampa, Texas.

B. A. U. PICNIC

B. A. U. Members and their families had an enjoyable time picnicking at the River last Friday evening. Games, wading, the lunch and the fellowship all contributed to the happiness of the occasion.

BAPTIST W. M. S. NOTES

The Baptist W. M. S. met in their mission study program at the church Monday afternoon. The subject of the program was "Christ for Africa". Mrs. E. A. Thompson was leader. Mesdames L. L. Cornelius, W. Z. Borron, T. L. Kimbriel, and J. H. Harris, gave interesting talks. Refreshments were served by members of the West Circle to 29 ladies. This coming Monday the East Circle will meet with Mrs. J. T. Warren, the West with Mrs. Cap Lane the South with Mrs. W. Z. Borron, and the Rex Ray with Mrs. Floyd Keener.

Announcement was received here this week telling of the marriage of Henry Ellis, formerly of this city to Miss Bernice Guthrie of Memphis. The young couple will make their home in Memphis.

Miss Verna Latson left for Amarillo Tuesday where she has accepted a position with an Insurance Company.

J. T. Wiley, father of Meses Teat and Roy Beverly, was brought here Monday from his home near Clayton, New Mexico. Mr. Wiley has been in a rather serious condition for some time, but is reported as doing very nicely since being brought here.

Mrs. H. D. Luke left last Sunday morning for her home in Dallas after spending the summer here in the home of Mr. and Mrs. F. G. Patching. Mrs. Luke is a sister of Mr. Patching.

Miss Gladys Stallings of Tullia, Texas spent last Sunday here in the home of Mr. and Mrs. D. O. Stallings.

Iva Huneycutt of Tullia spent last Sunday here visiting in the home of his brother, Dr. and Mrs. Huneycutt and family.

Mr. and Mrs. Jack Montgomery and Mr. Dale Low of Miami spent last Sunday here visiting in the J. W. Morrison home.

Mrs. Rhea Couch, operated on Tuesday for appendicitis, was reported doing very nicely at last account.

Mrs. Neal Bogard, who underwent a very serious operation at the Adair Hospital Monday evening, is reported to be doing as well as could be expected under the circumstances.

Iron and Mrs. J. R. Porter and children spent last Sunday in Tullia visiting with the mother of Judge Porter.

Prof. and Mrs. Stuart H. Condron and son left the early part of this week for their home in Canyon after a several days visit here in the home of Mrs. W. H. Condron and with other friends and relatives.

B. & P. Women Hear Lions Field Director

The B. & P. W. club held one of its most enjoyable meetings at the Clarendon Hotel Tuesday night. Mrs. Mary Naylor and Miss Lela Lamons were hostesses. The program committee on research had a splendid program. Miss Katherine Patrick made an interesting talk on Clarendon's Pioneer Women. Some of our most distinguished citizens of today are men and women who were among the first to come to Clarendon. The club feels that it was more than fortunate in having as the principal speaker of the evening Mr. Cecil Webb, of Chicago, Field Service director of the Lions International. Mr. Webb's message to the club was both an inspiration and a challenge. The service clubs of our communities are made up of a vast army of picked men and women, and their duty is to make this world a better place in which to live. The influence of each club member is carried beyond the border of their own community and it should be the aim of every member to participate in the worth-while things that the clubs stand for. Let the public be able to identify you by the service club to which you belong.

Mr. Webb stressed fine points that each club should strive for. First was selected membership, attendance, finance contact, and activity. Service clubs cannot be justified unless they live up to their motto of service. Within the next year there will be plenty for each and every club to do in helping relieve the distress of mankind, and if we truly wish

to be of service there will be much to do.

Misses Mantie Graves and Rhoda Wiedman, delighted the club with a beautiful piano solo. Visitors present for the evening were Mr. and Mrs. Webb, and Miss Katherine Patrick.

A ROYAL WEDDING: Princess Theodora of Greece, daughter of Prince Andre, brother of Ex-King Constantine of Greece, was married to Prince Margrave Berthold of Baden, recently at his beautiful castle at Baden-Baden.

THE NEWS' BOOK REVIEW CORNER

BEST SHORT STORIES FROM THE SOUTHWEST

Edited By Hilton Ross Greer. Two years ago Hilton Ross Greer—well known in the Southwest as poet, editor and anthologist—brought out his first collection of notable Southwestern Short Stories. Such was the immediate success of his experimental anthology that almost at once came insistent requests for an additional volume which should be compiled from the most significant stories of the Southwest that have appeared since 1928. This book is recommended because it is itself an excellent collection of stories. Without any sectional feature, it would average high in literary quality. Mr. Greer has carried on the work begun in the similar volume of 1928 with a slight change for emphasis. Although the first volume includes only stories by Southwestern writers, several of the stories are set in scenes far from home. In this second volume, however, both stories and authors are strictly Southwestern. The value of the book to everyone concerned with contemporary fiction is evident from the list of the stories and the names of the authors in the table of contents of this new volume: "The Listeners Under the Ground" by Stanley Vestal.

"The return of Cal Clawson, B. M." By Bridsall Briscoe. "O' Roany Ranahan" by Omar S. Baker. And many more equally as good but too numerous to mention.

F. E. Chamberlain left Monday for a business visit to Saint Louis.

GOOD RAIN IS RECEIVED HERE

HIGH WIND ACCOMPANIED 1.7 INCHES RAIN HERE LAST SUNDAY NIGHT

Accompanied by a high wind nearly reaching the proportions of hurricane velocity a fine rain of 1.7 inches terminated a drought of nearly two months duration. Starting about 8 o'clock Sunday night heavy rains commenced falling from heavy clouds which had threatened for several hours before the actual precipitation. Following the first torrential down-pour a short lull was experienced and another fall started which continued off and on throughout the night and early morning hours of Monday.

Although too late to be of much advantage to the row and feed crops of the country a considerable benefit will be derived from the rain on the grass lands throughout the entire Panhandle. There is some late feed and other row crops which will give a great boost by the badly needed moisture. The damage to the cotton amounted to considerable according to estimates by the growers, the major damage being the result of the hard driving wind.

The rain was a welcome visitor despite the damage as it cooled the scorching winds which had been sweeping the Panhandle for several weeks without a let-up. The general distribution of the rain throughout the entire Panhandle has done wonders toward making the atmosphere very pleasant.

50 cents' worth of powdered alkaloid strychnine was all it cost Milton Riddle of Dale community, Caldwell county, to kill out the gophers in 15 acres of sandy land in one of his fields, the county agent reports.

Because he picked 11 bales of cotton from a 20-acre field that before terracing four years ago had never made more than two bales, P. A. Chapman, Jr., of Ellis county now has several hundred acres terraced and plans to protect all the rest.

The majority of tomato growers in Sabine county made a net profit of \$40 or more per acre last year in spite of very low prices and a 50 percent cut in yield due to dry weather, the county agent says.

People eat 20 percent less bread than they did 30 years ago, according to the Department of Agriculture. If bread consumption had kept pace with increased population there would be no wheat surplus. Perhaps the various dieting fads are responsible for the low price of wheat. The farm Board should look into this.

Legion Party Much Enjoyed By Members

Probably the last of a series of outdoor outings for the American Legion Post No. 126 was held on last Tuesday evening at the swimming hole on the Bell Ranch. The largest attendance yet registered was present but not many took part in the swimming that officially opened the fun for the evening. One of the members had been thoughtful and had brought a small bore rifle and a target pistol, the members having a part of their fun in seeing how far they could miss the targets as they were set up.

As for the feed, there was sufficient for at least twice the number in attendance. This was not the first time this has happened, but everyone took as much as he thought two people could eat with the result mentioned above.

Numbers of new members were present, along with those who are eligible for membership in the organization but who are not affiliated with the group. Following the serving of the evening repast the gathering broke into groups and enjoyed themselves as they saw fit until the meeting was adjourned at a late hour.

FORMER LION GOVERNOR VISITS IN CLARENDON

Dr. R. H. Graham, former district governor of District "E" of the Lions Club, visited here from Saturday morning to Monday morning in the home of Mr. and Mrs. Sam M. Braswell. Dr. Graham was enroute to his home at Wichita Falls, from Colorado where he has been resting in an endeavor to recover from an automobile accident which incapacitated him for all work nearly a year ago.

Dr. Graham has many friends here among the Lions having done little M. J. Bonham, whom the local club sponsored two years ago when he was discovered here almost blind from cataracts.

REV. MCKEE ATTENDS JOINT SYNOD MEET IN FT. WORTH

Rev. Robert S. McKee, pastor of the First Presbyterian Church of this city left Tuesday morning for Ft. Worth, where he will attend the Joint Synod of the Northern and Southern Presbyterian Churches in Texas. The Synod marks the 100th anniversary of the Presbyterian Church in Texas and is of more than passing interest for this reason alone. Rev. McKee was accompanied from here by Rev. B. W. Baker and Paul Morgan, both of Spearman; Rev. Fred Clark of Clayton, New Mexico and was joined at Quanah by Rev. Jan McMurry. They are expected to return to their homes the latter part of this week, following the adjournment of the Synod.

Mrs. E. Fish and son, Allen, from Long Beach, California, arrived in the city last Sunday evening to be with Mr. E. Fisch of the Economy Store. They will make their home in the Edington Apartment.

News Features Proving Popular

With the announcement of a number of weeks ago that the subscription rate of The Clarendon News was reduced to \$1.50 per year another announcement was made at the same time which caused doubt among many readers in the great ranks of News subscribers. That announcement was the statement that although the price was sliced twenty-five percent there would be no drop in the interest and publication of Clarendon's and Donley County's best edited and most widely read newspaper. The leadership of The Clarendon News as an advertising medium stands unquestioned by those who know the value of the many hundreds of homes over the entire trade territory which read The News in exclusion to any other Clarendon newspaper.

It was stated that additional reader interest was being planned for our subscribers. Such was the case and true to the statement other interesting features were added and are running each issue at the present time. Compliments have found their way every day into the News Office upon either "Uncle Al's Weekly Letter," "Ezra's Palaver," "14 Years Ago," or of the other eleven special features appearing exclusively in The Clarendon News for your enjoyment.

For 43 years The News had led in Clarendon and Donley county and with each issue the staff of this state prize winning paper has endeavored to improve and bring to its ever growing list of readers the choicest news stories and also the highest type of features. Even now other additional features are being arranged for to offer through the columns in the near future.

Besides the reduction in price of subscriptions The News has further pioneered the aid to the rural readers through its offer to accept canned products on subscriptions. The offer has met and is meeting with a wonderful response. And last week The News came to the front again in behalf of its readers and friends with a free swap column in which any one may offer some commodity for trade free of charge and only requires that no cash be involved in the deal and that it be confined to three lines. If you have something to trade let The News get you something you need in exchange for it.

Auxiliary Elects New Officers Monday

The American Legion Auxiliary met in their regular meeting Monday of this week and had as their particular piece of business the election of officers for the coming year. Mrs. James Trent was again placed in the office of President; Mrs. H. T. Burton was named to the office of Vice President; Mrs. B. C. Antrabus, Secretary-Treasurer; Mrs. H. R. Kerbow, Historian; Mrs. O. L. Pink, Chaplain; Mrs. L. S. Bagby, Sergeant-at-Arms; Mrs. C. G. Stricklin, Mrs. L. L. Swann and Mrs. V. A. Kent, members of the Executive Committee.

The organization also completed their plans for a "42" Tournament which was postponed from last Spring and which is to be held on the evening of September 29th in the Ladies Club Room in the City Hall.

The American Legion Auxiliary also laid plans for their work this

year and have them well in hand for another and more successful year than the one just closed.

Mrs. F. E. Chamberlain was a visitor in Amarillo Monday of this week.

ONE DOSE GERMAN REMEDY ENDS GAS

"I was sick and nervous with indigestion and stomach gas. One dose of Adlerika helped. I eat anything now and sleep good."—Henry Dodd.

You can't get rid of the indigestion or gas by just doctoring the stomach. For gas stays in the UPPER bowel. Adlerika reaches BOTH upper and lower bowel, washing out poisons which cause gas, nervousness and bad sleep. Get Adlerika today; by tomorrow you feel the wonderful effect of this German Doctor's remedy, Douglas-Goldston Drug Co. R-1

SPORT SLANTS

by AM BRA/WELL JR.

The Broncos had a great time down at Floydada last Friday afternoon when they did battle with the Floydada High School eleven. Even though the boys did fail to hang up a win, they did everything just about right except hold on the ball when they were making their long jaunts through the Floyd county boys. It seems that everybody fumbled the ball in the most inopportune moments and their hosts acted in a most ungentlemanly manner and would take advantage of the miscues each time by recovering the oval. One time Martin carried the ball across the goal line on the famous end around fake without being touched, but the official seeing how embarrassed the local boys were before the home crowd decided another chance would be the very thing to show the generosity of the Donley county boys. The locals not to be outdone refused to cross the goal and further harm the reputation of the home team and contented themselves with running signals from one end of the field to the other, but being careful to drop the ball into the hands of one of their opponents just before stepping over the line.

Pete Morris became so enthused in the frolic that he started accomplishing several reverse handlings in his playful antics with the opposing linemen and had to retire from the game with a slightly sprained ankle.

The Hall-Donley golf tourney started here last Sunday got off to a blustery start with the score for the 27 hole play blowing out of control by the heavy gales which swept the Hillcroft course from tee to green and all intermediate points. Bill Cooke uncorked the best score for the route with a total of 115, while Ira Merchant negotiated the distance in 116 with Frank Foxhall. Memphis' best blowing in two strokes later with 118 total. Something like 52 players were up to start the two-Sunday match. The finals will be played off next Sunday afternoon on the Memphis Country Club course.

Boy, what a baseball series that Dixie classic is. Never in the history of the post-season series between the two clubs have the games been so hotly contested. First the Birmingham Barons romp on the offerings of Dizzy Jerome Dean and take the jump on the Buffs with a 1 to 0 win. Then back comes Dick McCabe, Fort Worth ace, and smears a 3 to 0 licking on the Barons. The Buffs continue their streak with a 1 to 0 victory when old George Washington Payne limited the Barons to one hit during the session. Then up steps the great Dizzy and in his great moment of comeback emotion let the Barons have it on the ear again with a 2 to 0 masterpiece. This, boys and girls, was the last straw—at least so thought the folks on the outside, but nay, the Barons from the noble domain of Alabama and province of Birmingham arose in their stately wrath for the unkind handling at the hands of their hosts and promptly swatted Sir Richard McCabe from Houston back to Fort Worth and when the joust had ended the Buffs were annihilated and contentment lie within the ranks of the noblemen with a 3 to 1 victory safely guarded in the club room. Well, they're back in Birmingham now and it's up to you to guess how this civil strife will end.

The Broncos are set for the opening of the conference engagements and will meet the first victim next Friday at McLean where the McLean Tigers will play hosts to the Maroon warriors. With the return of Tony Watson, the Behrens brothers and Pete Morris to the line-up a powerful unit may be placed upon the field to carry the Clarendon High Colors through the first conference game.

The game will not be easy however because the Tigers have been pointing to this game ever since they were defeated here last season. That is thought to have been the reason for the unexpected defeat at the hands of the Quitaque Panthers last Friday. Both of these teams will be met in the next two weeks and will in all probability tell where the Broncs will end in the District race, as the Panthers battle

FOOTBALL

Over The Week-end

SHAMROCK BOWS TO WHEELER ELEVEN 19-6

SHAMROCK, Sept. 23.—In their second game of the season the Shamrock Irishmen went down before the strong attack of the Wheeler Mustangs here Friday. Hooker, halfback, was the stronghold of the Wheeler eleven carrying the ball for practically all the gains made by the Mustangs. Despite the hurting of a weak ankle in the second half the star stayed in the rest of the game.

Repeated gains for Shamrock by Bumbers, L. Ratican and Sims proved that the Irish team had the material for a good eleven but the squad failed to click.

QUITAQUE 13 McLEAN 0

QUITAQUE, Sept. 23.—The Quitaque Panthers defeated the McLean eleven here Friday, 13 to 0, in their first conference game of the season.

The first touchdown was made by Blake Witcher in the first three minutes of play. M. Graham, 190 pound half, ran the ball over for a counter in the second quarter.

The Panthers will meet the Skyrockets at Wellington in their second conference game Friday, Sept. 25.

HEDLEY HOLDS ESTELLINE TO 7-7 TIE FRIDAY

The fighting Hedley Owls staged a comeback in the final quarter of their game with the Estelline Bear Cubs scoring a touchdown and adding the extra point which enabled them to gain a 7 to 7 tie. Berry scored for Estelline in the third quarter with Armstrong and Humsucker starting for Owls. Both teams were evenly matched.

OWLS ANNOUNCE SCHEDULE

The schedule for the Owl football team of Hedley High School includes seven more games, all of which promise to be hard fights. The next game is to be played against the Groom Tigers on the home field October 2nd. The team is coached by Pat Newman, former West Texas Teachers star.

The schedule:
Oct. 2, Groom.
Oct. 9, Memphis, there.
Oct. 16, Estelline.
Oct. 30, Turkey, there.
Nov. 11, McLean, there.
Nov. 14, Groom.

Twelve Members Try Out New Rifle Range

Last Sunday afternoon, despite a strong blustery wind, twelve members and a number of interested spectators reported to the

QUIMET'S GREAT COMEBACK: Francis Ouimet, who won back the National Amateur Golf Championship which he held 17 years ago, by defeating Jack Westland at Beverly Country Club, Chicago, Sept. 5th.

Rainey Westberry successfully defended his laurels as Hedley's golf champion in a thirty six hole match Sunday afternoon with Elvin Hickey and Ray Moreman. Westberry defeated Moreman on the 29th hole, 8 up and 7 to go, but foud stiffer competition in Hickey who carried him to the 37th hole before losing 1 up.

Plenty In Donley County

Yes, there's plenty of garden and farm produce in Donley County right now, but unless there is a general effort to can and preserve the surplus the days of plenty may not last long.

You will be doing your family a service by filling up your shelves with canned produce from your own farm and garden. It's good business. Good for you, good for Donley County, good for all of us.

new rifle range of the newly organized Rifle Club where the members indulged in an afternoon of fine sport shooting from the 200 yard range. This being the initial tryout for most of the members, and considering the weather conditions prevailing the scores were on the whole encouraging. Chas. Trent turned in the best score for the afternoon with a 47 out of a possible 50. Closely behind was Dean W. A. Clark with a 46 out of the possible 50. Only two participated in the rapid fire shooting event. Trent scored 41 to the latter's 32.

Other scores and the participants were Jenkins 38, Douglas 36, Decker 31, P. Weidman 32, R. Weidman 36, Phillips 18, Melton 35, Gentry 32, Price 28, Bennett 32.

According to Chas. Trent another shoot will be held at the range next Sunday afternoon if the weather is favorable starting about 2 o'clock. It is probable that other distant ranges will be

A. N. WOOD'S OKLA. GOLF COURSE RECORD BEAT

BOISE CITY, Okla., Sept. 22.—For the third time in as many weeks a new course record has been set at the Boise City Country Club links. Ralph Jones is the new record holder with a low score of 38 for the 36-par nine hole course. The previous mark was 59, shot by A. N. Wood of Clarendon, Texas.

POLITICS AND PERSONALITIES

Nothing since the war debt moratorium has provoked such a buzz of speculation as Governor Albert C. Ritchie's recent speech before the American Bar Association. Riding his favorite hobby, States Rights, the Maryland executive charged into the advocates of power regulation by the federal government and attempted to rout them. His attack has given rise to numerous questions:

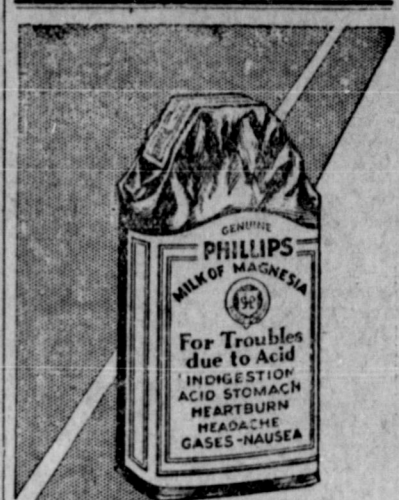

Is the Governor trying to regain his lost position as an important Democratic presidential prospect? While his remarks were directed at a whole political faction, his main target obviously was Franklin Roosevelt, chief contender to the Democratic throne in 1932. The more conservative element of the party does relish Roosevelt's economic liberalism, particularly as regards utility regulation. Does Ritchie hope that this element will express its dissatisfaction with the New Yorker by rallying around Maryland's favorite son?

Or is Ritchie instigating a "Stop Roosevelt" movement for the benefit of some other Democratic candidate? If so, is the

available for use at this time. Visitors are welcome to drive out to the range located six miles from the city on the JA road at Sandy Pasture.

beneficiary Owen D. Young, Al Smith or Newton D. Baker? At least two of these gentlemen rank higher than Roosevelt with the Raskob party forces, and the Marylander's remarks on prohibition and power dovetail perfectly with Raskob views which disrupted the Democratic conference in Washington last spring.

WHEN FOOD SOURS

ABOUT two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians for correcting excess acid. 25c and 50c a bottle—any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

IN CASH PRIZES

FOR THE BEST ANSWERS EXPLAINING THE MYSTERY of the "HIDDEN QUART"

AND TELLING HOW THIS QUART BENEFITS MOTORISTS

Fact No. 1—Thousands of motorists and service station men have observed that after a car has been given its first fill of Conoco Germ Processed Motor Oil and is driven 200 to 350 miles, a look at the crankcase gauge shows that about one quart of oil is apparently missing . . . but

Fact No. 2—These same people have noticed that on the second and later fillings with Conoco Germ Processed Motor Oil, scarcely a drop of oil will disappear during the first 350 miles, and practically none at 500 and up to 1,000 miles!

The above facts have been checked by actual tests with cars that use six quarts of oil for the crankcase, cars in good mechanical condition and driven at ordinary rates of speed. These facts will also prove true for your car, in proportion to the amount of oil your crankcase usually holds, your car's mechanical condition and the speeds at which you drive.

What becomes of the "hidden quart"? The answer is easy if you study the Facts given above and keep in mind the things that only Conoco Germ Processed Motor Oil can do. The explanation of the whereabouts of the "hidden quart" is simple—no technical knowledge of motors or oil is necessary.

Remember—The "hidden quart" of Germ Processed Oil does not escape through leakage . . . does not burn up, wear out or evaporate. It is "present but unaccounted for." Fact No. 2, given above, proves all this.

After you've found where the "hidden

quart" goes, you can easily see the special benefits it gives the motorist—advantages that no other oil can give.

Ask at any Conoco Station or Conoco Dealer for free Entry Blank which contains information about Conoco Germ Processed Motor Oil that may help you win. Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest.

See Rules of Contest for complete details.

29 PRIZES

First Prize \$5,000

Second Prize - - \$2,000

Third Prize - - \$1,000

4th, and 5th Prizes - - \$500

6th, 7th, 8th and 9th Prizes - \$100

10th, 11th, 12th and 13th Prizes \$50

14th through 29th Prizes - \$25

WINNERS WILL BE ANNOUNCED

as soon after the contest closes as possible. Announcement of all winners will be made in this newspaper.

THE JUDGES

DR. W. B. BIZZELL, President
University of Oklahoma

JOHN A. HUNTER
Professor of Mechanical Engineering,
University of Colorado

FRANK L. MARTIN, Asso. Dean
School of Journalism, University of Missouri

THE QUESTION

"What becomes of the 'hidden quart' and how does this quart benefit the motorist?"

COMPLETE RULES OF CONTEST

- Answers may be any length not exceeding 200 words, length of answer will not determine winners. Write answers on Official Contest Entry Blank preferably, or on plain white paper. Conoco Stations and Dealers will give you an Official Contest Entry Blank free. Elaborate presentations of answers will not count in your favor.
- Write your answer in plain, simple language. Technical terms or special scientific knowledge will not influence the judges.
- Contest closes midnight, September 28, 1931, and no entries bearing postmarks after midnight, September 28, 1931, will be accepted.
- Contest open to everybody except employees and executives of the Continental Oil Company, Conoco Stations, Conoco Dealers and the Company's advertising agency, and their families.
- In case of tie, both contestants will receive full amount of prize tied for.
- You do not have to use or purchase Conoco Germ Processed Motor Oil or other Conoco products to compete for prizes.
- All entries submitted, whether or not they win prizes, become the property of the Continental Oil Company and may be used in advertising without payment, and none can be returned to senders.

CONTEST CLOSES MIDNIGHT SEPTEMBER 28th.

BRONCHOS BATTLE WHIRLWINDS TO DEADLOCK FRIDAY

The Bronchos met the Floydada Whirlwinds at Floydada Friday. At the end of a hard fought battle the score was tied, nothing to nothing. The Bronchos looked better than the score shows, however, most of the game was played in Whirlwind territory. At the end of the first half, the Bronchos had the ball on the one yard line with four downs to play when the whistle blew. One touchdown made by Martin was called back by the referee. The Bronchos made 22 first downs against 5 for the Whirlwinds. The Bronchos will meet McLean Friday 25th., for the first Conference Game of the year. A large crowd is expected to be out to see the Bronchos in action for their first Conference bout. Let's all back the Bronchos for the district championship.

Palo Duro Literary Society

Following the announcement concerning President Slavins choice as to members of the program and social committee, there appeared on the bulletin board a program for the evening of September sixteenth. President Slavins called the house to order; old business was discussed and new questions concerning semester dues were debated upon. The program committee composed of Bill Wood, Nola Gordon, and Jonnie D. Latson, had the following program for the evening's entertainment: Reading of Constitution and By-Laws of Palo Duro Literary Society—Ruth Donnell. Solo—Wilma Hukel. Accompanied by Pauline Shelton. Piano Solo—Pauline Shelton. Reading—Eunice Johnson. Jokes—Bill Wood. A Social committee of Roberta LaFon, Bill Word and Dorothy Jo Taylor met last week and planned a picnic for this coming Wednesday night, September 23. Details of the picnic will be found on the bulletin board at Clarendon Junior College.

A thief who stole a traveling bag from the home of Naif Joseph in Flint, Mich., one night, returned the next night and got the key.

ARE YOU DOING YOUR PART?

(An Editorial by the Editor)

The editorial staff of our school page, "Along The Broncho Range," would appreciate it if more interest were shown in regard to the page and its success. The page has become an important place in our school life in that it connects us with the out-side world. There is a great deal of interesting news in our school that never reaches the paper, and by all means it should. It would if the students as a whole would show more interest and try to build it up.

If we would co-operate and build up our page, we could make it a portrait of the college and high school. It would portray the school life to the out side world, and cause citizens of the town to become interested in our school. It would advertise the school system and probably in the long run cause it to grow.

Let's all boost our page "Along The Broncho Range".

Pep Rally Begins at 7:30 O'clock At College For McLean Game

We now have thirty-three on the Pep Squad. There was a good crowd at the Pep Rally last Thursday night before the Floydada game. As it was a warm moonlight night we stayed outdoors, but tonight we plan to meet in the Auditorium and learn some new yells and songs. We want all new members to be there so that they can learn the yells. We shall have more fun than we have ever had before. Be sure to be there.

Sophomores and Seniors Exchange Rooms

The section of the ninth grade formerly residing in the room of the southwest corner upstairs has moved to room 13 on the northeast corner downstairs. The change was made due to the fact that a few more students were being placed in that room making the room rather crowded for sophomores though large enough for the Seniors. Miss Harris is still the room teacher for the Sophomores.

Ag Class Finishes Exhibit For Fair

The Agriculture Classes have been working on products which will be in the fair at Amarillo. Last week the students culled wheat, barley and oats. They also bailed peas alfalfa, peanuts, and sudan.

Other than working on products for the fair, agricultural pupils have been sharpening tools and making things out of rope. The members of the department are looking forward to the trip to Amarillo to see the fair Thursday.

Junior Class Is Progressing Nicely

The Junior Class is, at last, getting a start in school and it is progressing rapidly. Most of the Juniors by now have their schedules arranged and it will not be necessary to bother the teacher much longer by going to the book room.

Most of the Juniors that have come from the rural schools have by this time become accustomed to our beloved school and we hope that they, as well as the rest of the Junior class, may be able to progress rapidly and learn to love our school more each day.

HEDLEY RECEIVES CREDIT FOR HOME ECONOMICS

A report from the Home Economics Division of the State Department of Education states that Hedley High School has received additional credit on Home Economics, based on a work of the students last year.

This makes a total of twenty-two affiliated credits for Hedley Schools, the highest rating the school has had in history.

The Rotary and Lions Clubs of McAllen, Texas, recently staged a night baseball game when all of the players were attired in pajamas.

Senior Class Moves To New Quarters

The Senior Class held a short business session this morning. Nadine Haile was elected reporter in the place of Aleem Mann, who has moved away. The meeting was held in the south-west room of the third floor, the new room of the Seniors, they having moved away from the old traditional north-west room where it has been the custom for the seniors for years back to meet each morning before beginning the day's grind. The reason for the change in the rooms is that the Sophomores have a larger class this year than years before and the Seniors have a smaller class.

THE GREATEST DIRIGIBLE

Soon the largest dirigible ever built, the U. S. Navy's Akron, will take to the air for a series of test flights, the result of which will be keenly interesting to the aeronautical world. This master monster of the air has a gas capacity of six and a half million cubic feet, nearly twice that of the Graf Zeppelin.

The Akron is 785 feet long, with a greatest diameter of 133 feet. Eight engines will develop 4,480 horse power, and a maximum speed of 84 miles an hour. At ordinary cruising speed, the ship will be able to travel 10,000 miles without refueling. It will exert a gross lift of about 200 tons and carry a useful load of about 90 tons. Equipment will include a number of airplanes and several rapid-fire guns.

In view of the disasters which have attended the operation of dirigibles in the past, it is natural to speculate on the Akron's fate. One has only to recall the destruction of the American ZR-2, Roma and Shenandoah; the British R-101 and six other large dirigibles; the French Dixmude, the Italian Italia, and many others, to realize how few dirigibles, even those of the improved types of recent years have survived for any great length of time. The first dirigible disaster in the United States, by the way, was the explosion of one named the Akron, in 1912. Let us hope that the new Akron may have better luck.

A Well Filled Larder

brings happiness to your home even if money is scarce. Just now when Donley County is yielding abundantly of garden and farm produce is the time to stock up on peas, corn, cucumbers, canteloupes, and other produce for the winter months ahead.

DO YOUR CANNING NOW—YOU CAN'T LATER

FARMERS STATE BANK

In Years Of Plenty

When the acres of Donley County yield bountifully it's time to can and preserve enough vegetables and produce to stock the family larder with plenty.

Years when money is scarce and produce plentiful makes that process still more desirable and wise.

Stock your larder and the money you get will go further.

ASHTOLA SCHOOL NEWS

P. T. A. PROGRAM

The first entertainment P. T. A. Program was given here last Friday evening. A very large crowd was in attendance. There were several visitors present. The program was a "howling" success. The program consisted of two short plays. The imitation of a zoo, and several negro stunts. Everyone left pleading for another program soon. We invite our neighboring communities and town friends to come out and enjoy these programs. Our plan is to have one program each third Friday evening of each month.

ASHTOLA STUDENTS SEE PLAY

Several of the Ashtola students gathered Monday evening at the school house and went via truck to Clarendon to see the play given by the Anti Saloon League. Vernon H. Baker acted as chaperon.

Ezra's Palaver—

Dear Mr. Editor: Danged if I aint gettin a little worried. Here it is the middle of September and we aint got no rain yet. He bet th Almighty has took us in hand and intends to cut this cotton acreage to suit himself insted of lettin these here muckle headed legislatures and governors let some big guy make a pile of this years crop. If we'd a plowed up every third row as was proposed we would have been better off, for right now we wont maik more than half whut wuz in sight sixty days ago. Trouble with this is thet th feed is a hurtin too an we need that worse than we ever did.

You know these here towns hez got a community chest er something to take care of th needy when they need takin care of most. Me and Maria we wuz a talkin about this here business a little while past and we decided thet the United States is out to act as a community chest for th whole world. It seems that we have most ov everything here and the rest ov the world hasnt got any, so why not just hold it here and passel it out to th starvin and hungry heathen

that can come after it. It they cant come after it send it to em and take whut they got in trade fer it. Wede at least get rid of these here surpluses and make room fer th next crop an that seems to be whut is botherin th folks mostly these days.

About that cotton candy business. I found that wouldnt work at all. The first feller I asked about it laughed in my face and said Ide be helpin th sugar sugar bizness insted of th cotton. Sed thet th cotton candy was made of sugar and not cotton at all. I never did like it anyway.

Sam Lowe sorter spread hisself last week didnt he. Sort of knocked me fer a row when I saw that spread out all over th inside of th Nuse. And this her Prince Albert. He beats all I ever hear tell of. Th picture makes me want to start smokin cigarettes my self and I been smokin a pipe fer all these years.

Fred Rathjen seems to hav some new shoes. I passed down by his place here a day or so ago and looks at some he had in th winder. They certainly looked fine. Maria sez she wishes she could wear some of em but th last pair of high heeled shoes she wore maie her feel like she wuz standin on her head so she sez she guesses shell have to let Fred fit her out with some more of them old comfortable shoes like she wears.

Them friendly fives sold by Bryan-Miller are sure sporty lookin. Guess some of the grand-kide will have to git some of them.

That there sale at Littles shore looks good to me. They got some stuff there that is as low as it was after th Civil War.

Old Piggy Wigly is a stayin right in there along with these

RELIEF

From Headaches Colds and Sore Throat Neuritis, Neuralgia

Don't be a chronic sufferer from headaches, or any other pain. There is hardly an ache or pain Bayer Aspirin tablets can't relieve; they are a great comfort to women who suffer periodically. They are always to be relied on for breaking up colds.

It may be only a simple headache, or it may be neuralgia or neuritis; rheumatism. Bayer Aspirin is still the sensible thing to take. Just be certain it's Bayer you're taking; it does not hurt the heart. Get the genuine tablets, in this familiar package for the pocket.

THIS WOMAN LOST 64 POUNDS OF FAT

Mrs. H. Price of Woodside, L. I., writes: "A year ago I weighed 190 lbs. I started to take Kruschen and now I weigh 126 and never felt better in my life and what's more, I look more like 20 years old than the mother of 2 children, one 19 and the other 18. Every one of my friends

say it's marvelous the way I reduced."

To lose fat with speed take a half teaspoonful of Kruschen in a glass of hot water before breakfast every morning—don't miss a morning—an 85 cent bottle lasts 4 weeks—get it at Douglas Goldston Drug Co. or any drug store in America. If not joyfully satisfied after the first bottle—money back.

Chester Williams left Tuesday night for Lubbock where he will enter Texas Tech to complete his B. A. Degree.

"Why My Next Car will be A FORD"

WHEN you buy a Ford there are two things you never have to worry about. One is reliability. The other is long life.

Here's an interesting letter from a Ford owner in North Carolina:

"My Ford was purchased May 8, 1928, and has been run 121,767 miles. It has never stopped on the road for repairs of any kind whatsoever except punctures.

"The brakes were relined at 101,000 miles. My gas mileage averaged 21 miles to the gallon, and on tires, 19,000 miles per tire. I travel over all kinds of road conditions—mountainous and flat.

"I consider this a wonderful record and I assure you my next car will also be a Ford."

This is just one of many tributes to the reliability and long life of the Ford. A Ford owner in Iowa tells of driving his Ford 73,000 miles in a single year. Another writes of 120,000 miles of good service.

Think ahead when you are considering the purchase of an automobile and consider what it will be like after thousands of miles of driving. Will you still be satisfied? Will you still say "it's a great car"?

If it's a Ford, you know everything will be O. K. It will be taking you there and back in good style, just as it has always done. And you will have saved many important, worth-while dollars in cost of operation and up-keep and low yearly depreciation.

FIFTEEN BODY TYPES

\$430 to \$640

F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. Economical time payments through the Authorized Ford Finance Plans of the Universal Credit Company.

DO YOU REMEMBER
Fourteen Years Ago

GOV. FERGUSON IS
IMPEACHED AND
OFFICE BARRED

The last act of impeachment proceeding Governor James E. Ferguson of Texas was recorded on Tuesday, when the senate high court of impeachment pronounced judgement removing Mr. Ferguson from office and disqualifying him from holding hereafter any office of "honor, trust or profit" in Texas, by vote of 25 to 3.

PART OF JA RANCH SOLD

A deal was closed last week whereby E. D. Harrell and J. B. Gamble buy between fifty and sixty sections of the JA Ranch, in the canyons.

On the land bought in two camps, each purchaser getting one of these. Mr. Gamble gets the old camp, which has a great historical setting, and around which much of the early history of this section has been enacted. It is the place that Mr. Adair and Col. Charles Goodnight first landed when they came into the Panhandle many years ago, and was their headquarters for many years. Both of these men had much to do with the early history of the Panhandle and were true empire builders.

The JA Ranch now owned by Mrs. Adair of London, originally consisted of 700 sections of land. This has been materially reduced in size during the past few years. Mrs. Adair selling off a number of smaller ranches and opening up considerable sections to farmers.

COLLEGE HILL NOTES

The high school football team came over Wednesday evening and played the college second team an interesting game, lasting three quarters. While errors were made on both sides, it was soon seen that both teams had some excellent players.

The game ended with the score 12 to 6 in favor of the high school. The stars for the high

BRONCHOS HELD
TO 0 TO 0 TIE

FLOYDADA ELEVEN HELD
POWERLESS AGAINST
BRONCHO DEFENSE

The fates of football again decreed that the Clarendon High Bronchos should be delayed at least one more week before the Maroon and White shall break into the scoring column. The chief obstacle last Friday seemed to be the Floydada eleven on rare occasions but more frequently the inability of the Broncho backs to hold the ball for a sufficient length of time to cross the goal line before fumbling the oval. Still on other occasions when the ball was carried across without either of the other afore mentioned impediments blocking a non-stop crossing into Floydada's sacred guarded zone the officials or time keeper came forward with just the proper decision to beat back the Bronchos and erase the six points before the score keeper could enter the tallies. In simpler terms we have endeavored to bring out the fact that on last Friday afternoon the Bronchos were held to a scoreless tie by the Floydada high eleven on the latter's field in the second game of the season for the locals. The Floydada team failed to score primarily due to the extremely busy afternoon they put in in fighting the Maroon gridsters away from their goal line. The short intervals during which they did have possession of the ball they were to interested and taken up with the delights of the de-

school were Mead, Hudgins and Bourland. For the college, R. Saunders, Doughty and Ray. If the high school keeps up its present efficiency, we are looking for two championship teams to have Clarendon as their home.

The new furniture for the boy's Hall has arrived and been installed. The new parlor has been fitted up with a number of chairs and settees of finish to match the interior woodwork. New tables and dressers have been installed in most of the rooms.

Uncle Al's
Weekly Letter

Dear Editor:

It will be a hard job to beat Mr. Hoover next year. Germany is going to be solid for him after this moratorium. If he can just swing Italy, France and Czecho, Illinois, into line it looks like another Republican landslide.

Maybe we ought to give the Republicans another chance anyhow. They have been mighty active in relief work. Wheat farmers have been relieved by being made unconscious. Cotton farmers have been relieved of any hope of paying out. Labor has been relieved of most of its jobs. The unemployed man is fast being relieved of his shoes and pants.

Now the President has appointed Mr. Gifford to head a Commission to look around and see what else can be relieved.

Yours,
Uncle Al.

ensive game no headway was gained and they soon switched back to their favorite type of ball. No less than twenty-five first downs were registered by the Bronchos as they romped up and down the well distributed grass-burr covered field of the host city. During the scampering escapades of the frolicking Bronchos hither and yon over the enemy landscape something like 500 yards were registered—but nay, not a measly little six points could the Maroon players make—and keep.

WHITES

VERMIFUGE
For Expelling Worms
Douglas & Goldston Drug Co.

It was a fine workout for the horses as they galloped through their paces in preparation for the conference contests which begin next Friday, and although they failed to hang up an official win the local mentors are well satisfied with the showing made and at the ease with which the yards and first downs were reeled off. A satisfactory defense was also shown by the homelings as they successfully kept the enemy from successfully negotiating the ten

NOTED SPEAKER TO APPEAR
AT CHRISTIAN CHURCH

On next Sunday evening at the First Christian Church beginning at 7:30 o'clock the membership of the local organization and any others who are interested will have an opportunity to hear Hon. Patrick Henry, State Secretary of exas Missionary Society of the First Presbyterian Church organization. Hon. Henry comes

to the city from Wichita Falls, Texas, where no doubt many of our readers have heard him address his Sunday School class over the radio a number of times. It is with great pleasure that the members of the Christian Church Welcome a man of this type to the pulpit and a large crowd is anticipated to join in the great services on this Sunday evening.

For the best
HOME-ROLLED
cigarettes ever... try this

2 full ounces in every Tin
No other tobacco is like it

OPEN a tidy red tin of Prince Albert... sniff the delightful fragrance of the tobacco. It's the grandest aroma that ever floated out of a package of smoking tobacco. Then spread a cigaretteful in a paper and see how quick and easy it rolls into a trim cigarette that burns evenly and stays put. No fuss or muss or spilled tobacco... because P.A. is crimp-cut. That's why it rolls so smooth.

Now light up!

You'll have to admit that no other home-rolled cigarette ever had so much to recommend it. Prince Albert is simply better tobacco, Gentlemen.

Have you tried a pipe lately? Men who thought a pipe was not for them have changed their minds after the first load of P.A. This friendly tobacco just wouldn't think of biting your tongue or paning your throat. Take my tip... get out through pipe and give it a new deal.

—AND THE PAPERS ARE IMPORTANT, TOO. The perfect combination for home-rolled cigarettes: P.A. for filler and OCB for wrapper. The world's finest papers, made at the famous Boflore mills in France expressly for R. J. Reynolds Tobacco Company. Book of 150 leaves for 5¢. Buy OCB's with good old P.A. and you're all set to be satisfied
