### PROGRAM PLANNED FOR MEMORIAL DAY

COMMITTEE NAMED TO COMPLETE ARRANGEMENTS FOR CELEBRATION

Plans were set in motion Tuesday evening of this week to have a Memorial Day Service in this city on May 30th, to give a fitting tribute to those of this section who have lost their lives or who served their country during time of war in the past. The local Post has reached a membership that had never been seen before this time, announcement being made the early part of this week that the total had reached 102 members for the Aubyn E. Clark Post.

Plans for the Memorial Day celebration are to be completely worked out by a committee composed of Ralph Kerbow, R. M. Chunn, C. J. Douglas and Ralph Andis. The tentative schedule for the day includes a gathering of the entire membership at the Legion Hall for a service at 10:00 o'clock, with a parade of the membership of the Legion immediately following the exercises of the day. A display of the colors of the Post will probably be had in the parade. Other and more complete plans for the observance of the day will be announced as they are finished.

### FOOTBALL DIVISION ANNOUNCED TODAY

CLARENDON, WELLINGTON, McLEAN AND QUITAQUE IN WESTERN SECTION

Monday afternoon at Hedley, football representatives of this district met in called session to decide upon a successful and convenient division of the southern eastern half of District No. 1. After considerable discussion as to how the district should be officially divided a committee of disinterested parties was selected to draw out the plans for the division whereby the play of next season should be governed.

The committee chosen later brought in their report and gave the following divisions. Clarendon, Wellington, McLean and Quitaque make up the western half of the division with the eastern half being made up of Shamrock, Memphis, Estelline and Turkey. The report of the committee was accepted as the best solution to the problem of speeding up the play in the lower half of the district.

### MUCH GOOD ACCOMPLISHED AT FIREMAN'S CONVENTION

College Station, Texas, May 7.—Clarendon was represented by two firemen at the second annual firemen's training school held recently at the A. & M. College of Texas, registration figures show in all, 305 firemen, fire chiefs and marshals, representing 106 Texas cities and towns, attended the three-day school which was conducted by the department of chemistry and chemical engineering of the college, in cooperation with the Bryan Fire Department. Leading state and national figures in fire prevention work appeared on the program of the school in discussion of various phases of fire fighting. Moving pictures were used to illustrate points stressed and fire drills were held at the afternoon sessions. Emphasizing the importance of a fireman's training school, J. W. DeWeese, state fire insurance commissioner of Texas, told delegates he would recommend to the Board of Insurance Commissioners of Texas that credit of three per cent, in the key rate be granted all cities and towns sending representatives in the future to such training schools. Those attending from Clarendon were: O. E. Harvey, and James Trent.

### LUCILLE ANDIS, NICHOLS, STOCKING ARE IN AUSTIN

Miss Lucille Andis and Raymond Nichols, state interscholastic league contestants, left last night accompanied by Coach Frank Stocking for Austin where they will compete in the State meet, tomorrow and Saturday. Miss Andis will be entered in the typing contest, while Nichols will be entered in the weight events. Preliminaries in track and field events will be staged in the University of Texas Memorial Stadium Friday with the finals Saturday afternoon.

### Clarendon Band Aids Music Week

The Clarendon Band has and is doing its bit in the local celebration of National Music Week in this community and the Panhandle.

Last Thursday evening it participated in the Macdowell program at the college and earned especial honors for its contribution to the program. Yesterday it journeyed to Pampa where it participated in the contests for Panhandle bands and added its part to the Music Festival held in that city as a feature of Music Week.

Music Week will be closed Sunday afternoon in Clarendon by the first Summer Outdoor Concert of the band if the weather permits. According to Director Gus B. Stephenson, the program will be held at 8:00 o'clock in front of the old Grammar school building and will begin at 8:30 o'clock. As an added feature of this concert the Junior band will take part in the program, playing three numbers. These youngsters are coming along as musicians and deserves the presence and appreciation of the friends of music in this community.

The public is cordially invited to attend this first Summer Concert of the Clarendon Band.

### CREAM SHIPMENTS CONTINUE TO GROW

APRIL TOTAL AGAIN CONTINUES TO TOP PREVIOUS MONTH'S RECORD

Cream shipments from the various Clarendon Cream stations continue to increase with the result that prospects still are favorable for this year to top all records for shipments in the past. 329 10-gallon cans of cream were shipped by express and truck, surpassing March's record by exactly 100 cans. With the 329 cans of cream registered in April the year's total has been skyrocketed to 1087 cans of the commodity. This year's production continues to stay far in the lead of other year's shipments from Clarendon. Last month's total is lower than for the corresponding months of 1930 and 1929, these months registering 371 cans and 409 cans respectively, but the lead of the first three months was more than sufficient to keep the 1931 cream shipment out in front.

With summer weather finally here the production is expected to become even more profuse with the shipments also recording larger totals.

### NEWS ADDS NEW FEATURE IN THIS ISSUE OF PAPER

Readers of The News will notice for the first time a new feature titled "Topnotchers." In keeping with the News policy of being first in everything we are offering this metropolitan newspaper cartoon feature for your interest. "Topnotchers" deals with the accomplishments of men and women who have reached the top in their line of endeavor. Some of the cartoons will feature topnotchers in various lines of the sports world, while others will be of great men and women of the business world.

The Cartoons are well drawn and have sketches of the lives of the person with whom they deal. One cartoon will be found in each issue of The News.

New lawns, attractive home gardens with fish ponds and bird baths are coming into existence. One feature of the Mayor's clean-up program is the fact that the vacant lots of the city are receiving some much needed attention. These are being cleaned of their winter's collection of trash, and are making a rather presentable appearance. Many of the trees of the city are being given attention by the owners, and this summer—whenever that season does get here—Clarendon will be more beautiful than in the past several years. City trash wagons are being used in the collection of the city's trash piles, and Clarendon citizens are requested to have their rubbish piles placed in accessible reach of the city wagons.

### RODGERS FAMILY REPORTS EXCELLENT VISIT TO RATON

Mr. and Mrs. W. H. Rodgers of this city and their daughter, Mrs. L. C. Duncan of Bogger, returned the latter part of last week from a vacation trip of three days to Raton, New Mexico. They visited in the homes of Mr. and Mrs. Marion and Ray Rodgers while in Raton and reported to the News that they had assisted in a three day fish fry that was in progress at Eagle Nest Dam. The fish are being caught with seines, the trout being thrown back into the lake, the other varieties being kept back and given to anyone who cares to come for them. Mr. Rodgers stated that there were great numbers of the fish being caught and that large crowds were taking advantage of the free fish offer.

GROCERY TEAM DOWNS GASSERS AND CLOTHES DEFEAT BABIES IN OPENERS

The Grocery team took the measure of the Gassers 7 to 1 and the Dry Goods nine defeated the Baptist Babies 7 to 4 in the opening games of the newly organized city twilight league. Large crowds have witnessed the contests to date and increased interest is being shown by the citizens of the city every day.

The Grocers prized the bid open last Friday with Gus B. Stephenson on the mound, taking the helpless until an instant before the last man was thrown out at second base when Jackson scored on the play. The Grocery club had a way of always bringing in a run before the side was retired and scored in every time at bat. Jackson pitched a fair ball game for the losers but poor support and sloppy base running proved his undoing. However the Gas nine is really in earnest now and will be a vastly improved club when they meet the Dry Goods entry tomorrow afternoon.

At the last minute it was found that it would be impossible for the Gingers to place a team on the field and the Baptist Babies stepped in and filled the breach, opposing the Dry Goods club. Without practice the youngsters entered the game and played a right creditable contest more than holding their own in the latter stages of the game. The Clothiers have a splendid aggregation and will be plenty hard to handle during the entire schedule.

The Baptist team has a capable hurler in Martin who with a little support will be good enough to turn in a number of wins before the schedule is completed.

Free-will offerings are being taken up at each of the games to take care of the expenses of purchases for the baseballs, and everyone who cares to is asked to bear this in mind and help as much as possible.

The games this week are scheduled to be between the Gassers and the Dry Goods teams on Friday afternoon with the Tuesday afternoon game being played between the Grocery nine and the Baptist club. Both games will be played at the College park beginning at 6:00 o'clock.

## Modern Methods Make Ironing a Real Pleasure

Competent and unbiased authorities have figured that in ironing an average family laundry the housewife pushes her iron a distance of over five miles, and lifts an accumulative weight of over five tons! Amazing, isn't it?

But those days are past, for now the modern Homemaker sits at ease before an Electric Ironer, and gets the job done in but one-third the time formerly required. And best of all she finds herself fresh and happy when the last piece is finished.

Shirts, towels, pillow-cases, table covers, garments of all description glide rapidly through the modern ironer, coming out smooth, lustrous and perfectly ironed.

Find out how effortless, how inexpensive in operation these modern electric ironers really are. The Fedco Ironers are considered the finest available—drop in and see them today.

club having left town by invitation of the citizenship and comment as to the open evasion of the law in respect to the nuisance of a pool hall.

This brings to our mind the fact that it hasn't been many weeks since Clarendon was fortunate enough to lose a so-called "amusement club", which was probably as well conducted as such institutions ever are.

The point in mind is this: Since Clarendon has been fortunate enough to lose its "amusement club," and we are so well rid of it, it should be the purpose of our citizens to see that no other ever comes to our town again. Leaving out the low and vicious results often springing from its associations, it is an economic menace, for it promotes laziness and idleness at a period when ever effort ought to be expended in the exalting of honest labor and thrifty employment of time and money.

Clarendon is well rid of its thinly veiled pool hall. Let's stay rid of it.

### BETTER EQUIPMENT FOR THE PULLMAN

This is in no sense an advertisement even if we are to cast a bouquet at one of the great service corporations of the nation, when we commend the Pullman Company for the recent installation of new and comfortable mattresses in their sleeping cars.

The traveling public has long desired a soft mattress, especially in the lower berths where seat cushions did little to make a downy bed, but now there is little to be desired in the new equipment in use on all standard cars. The new mattress is very little, if any thicker than the old ones, but through some new process it is as resilient and inviting as any mattress in the finest homes or hotels.

Every line of business is seeking to enhance its service to the public and this is a marked example coming from one of the oldest and most conservative concerns in the nation.

### THE OLD GRAY MARE BAND COMES TO AMARILLO

The justly famous "Old Gray Mare Band" will henceforth make its home in Amarillo, according to an announcement released last week.

This musical organization which won name and fame overseas and from its home town at Brownwood, is still the band of the 142nd Infantry, which National Guard unit serves this territory in West Texas.

We trust the "Old Gray Mare Band" will lose none of its color or popularity in coming to Amarillo and we speak for it much service to the section in general.

### HAVE YOU AN OPEN MIND

It is amazing to how great an extent some human minds can resist information. Even some young minds lock the door against truth, not only declining to accept facts but even refusing to listen to an honest analysis of an unfamiliar problem or situation or plan, and, as a result, live in ignorance and poverty when they might enjoy and possess knowledge and riches. The highest and most brilliant act of any mind is to look at, listen to and consider a new idea. Integrity to your own soul demands that you be open-minded.—Woodrow Wilson.

LELIA LAKE

Grandma Baggett, who has been with her granddaughter, Mrs. Jim Rogers in Lubbock, the past few months, returned home Sunday, Mr. and Mrs. C. H. Reynolds meeting her in Amarillo. All our present teachers but one have accepted the school for another year. We regret losing Miss Stogner from our teaching force, she having accepted school work elsewhere. Miss Stogner has been with us four years and is a valuable English teacher. The Bridge Club met Wednesday with Mrs. Willard Knox, at which time the Club showered Mrs. Bert Smith, who recently lost her home and contents by fire. Mr. and Mrs. E. L. Lewis and daughter, Louise, visited their daughter, Mrs. Rex Reeves of Lela, Sunday. Mr. and Mrs. Ralph Alvin of LaFors, visited his sister, Mrs. C. L. Lewis, last week. Bert Mayfield shipped out two cars of hogs Wednesday, bought of local hog raisers. Dr. and Mrs. W. W. Brewer of Granite, Oklahoma, visited in the J. B. Reynolds home a short while Tuesday. P. M. Cruce and wife took dinner with R. I. McGowan and wife of Clarendon Tuesday. Thursday afternoon Goldston and Lelia Lake met in one of the peppiest ball games of the season. After nine innings the score stood even and in the hotly contested tenth, Lelia won by a score. This we understand was the first defeat for Goldston of the season. Mr. and Mrs. Loyd Rice, of Claude, visited in the Holly Wood home Sunday. Mrs. Julia Cook, of Amarillo, is visiting her sister, Mrs. E. L. Kennedy. Miss Edna Wood accompanied by Miss Iva Carruth, visited Miss Wood's mother, Grandma Wood Sunday. Miss Edna teaches at Shamrock. Mrs. W. H. Grounds of Amarillo visited in the W. L. Butler home Sunday. W. L. Butler and Mrs. Butler attended the funeral of John Hopkins Sunday. Mr. Hopkins died in El Paso we understand. Mr. and Mrs. Glenn Rutter of Herford, spent the week with Mr. and Mrs. Aten, parents of Mrs. Rutter. Out of town guests of Miss Moody Kennedy Sunday were: Mr. and Mrs. Tom Kennedy, Mrs. T.

B. Lumpkin, Miss Elma Smith, of Clarendon; Mr. Walter Haygler of Wellington, and Miss Louise Batson of Memphis.

"The Galloping Princess" presented here Friday night by the Senior Class was well rendered and greatly enjoyed. "The Tom Thumb Wedding" with other numbers, will be presented by the primary grade Friday evening, May 8. Miss Lena Simmons and mother of Borger, were callers in the home of Mrs. Nobles and Miss Stogner Sunday. Mr. and Mrs. C. C. Cottingham and son, Bobbie, of Plainview, visited Mrs. W. S. Noble last week. Mrs. Lester McKinney and daughter Erlene, of Estelline, visited her parents, Mr. and Mrs. Dotson over the week end. Mr. A. A. Smith and family, Mrs. O. A. Smith of Martin, together with Mr. and Mrs. Seth of Lelia Lake, visited in the home of Mrs. Noble and Miss Stogner Sunday. Fishing is the order of the day at Lelia Lake these days. Good catches of the several kind of fish in Mr. Taylor's lake are being reported daily. Rain! Rain! We like rain but would like some sunshine too. Health fine, and farmers ready to plant their crops when the weather settles. Miss Eula Haley and Mrs. Paul Smith and children visited with Mrs. Nelson Riley Friday afternoon. Mr. and Mrs. A. M. Lanham called on Mr. and Mrs. M. C. Reid of Clarendon Sunday afternoon. Mr. and Mrs. Sam Roberts spent Sunday afternoon with their daughter Mr. and Mrs. Floyd Parker of Goldston. Mr. and Mrs. Perry Wood entertained a few of their friends with a "42" party Saturday night. Mrs. Millard Starks spent Monday with Mrs. S. A. Pierce of Clarendon. Mr. and Mrs. F. O. Wood of Clarendon called on Mr. and Mrs. Neal Bogard Sunday afternoon. Mr. and Mrs. Gene Hester and children spent Sunday with her parents, Mr. and Mrs. N. L. Jones of Ashtola. Misses Katherine and Ina Riley attended church Sunday morning and took dinner with Miss Messie

Lee Clayton, all attended League in the afternoon. Mrs. F. L. Behren and daughter Miss Nannie Behrens, and Mrs. Lanham called on Miss Ethel Hutto Monday afternoon. Mrs. Heckle Starks visited with her mother, Mrs. Patten and Miss Wilma Friday. Miss Eula Haley and Mr. and Mrs. Parcel Smith and children called on Mr. and Mrs. Will Haley Friday evening. Mrs. Sam Roberts and Miss Ethel Hutto called on Mrs. A. M. Lanham Monday night till late. Mr. and Mrs. Neal Bogard and Mr. and Mrs. Heckle Starks also Mr. and Mrs. Luther Butler were entertained by Mr. and Mrs. Owen Butler of Lelia Lake, games of 42 were played till a late hour when the host and hostess served delicious refreshments to all present.

Chamberlain

Mrs. D. N. Hudson has been real sick of late but is reported better at this writing. Homer Newton attended to business at Amarillo Friday. The recent showers and spring days has instilled the Base Ball spirit rather strongly in these parts. The Hudgins team came up Thursday and took the short end of a three to seven score in a good game played on the home diamond. Friday the Chamberlain team was defeated by the Hudgins team on the latter's diamond. Considerable progress was made

last week in the round-up of old Stub Foot and his tribe. Mr. Sloone located the home of this noted Wolf's mate, and by excitation he and son Alex and Mr. Byrd dug her and a large brood of young ones out and killed them. The Community is due these gentlemen a real turkey dinner, to say nothing of the fried chickens that should be their's. Mr. Hinkle says to his knowledge old Stub Foot has made this Community his home for ten years, and he thinks during this period at least one hundred chickens have been added to the menu of this noted wolf from his farm alone. In the last few weeks some five packs of Grey hounds have made desperate efforts to capture him, but in each instance he has either eluded them or turned and whipped them to a frazzle, thereby gaining the reputation of being king of the breaks. But Mr. Hughes says old Stubby is soon to meet his Waterloo, for he made a trip to Amarillo Friday and brought back two noted wolf hounds, with pedigrees as long as a man's arm and enough grit in their gizzard to fight a circle saw. Now when these famous canines meet old Stub Foot on the field of honor if they should come out second best, then their reputation as scrappers and Hughes standing for truth and veracity will have gone haywire, so here's hoping. R. W. Moore and H. A. Harrison motored to Amarillo Wednesday. Lee White of Amarillo visited in the home of his sister, Mrs. Clifford Johnson Sunday. Charley Dozier who has lived in this Community for several years and has worked for the J. A.

Ranch's interest for twenty-two years have severed his relation with them on account of poor health and moved last week to Clarendon. We regret to the loss of Mr. Dozier and his god nveetainshrd Dozier and his good family, and in his broken health we trust the J. A. People will live up to their reputation of being generous to those who have worked for them long and faithful. N. Dingler and daughters, Misses Mamie and Gertrude and Mr. and Mrs. M. R. Ayers were dinner guests in the Hughes home Sunday. RODGERS FAMILY REPORTS EXCELLENT VISIT TO RATON Mr. and Mrs. W. H. Rodgers of this city and their daughter, Mrs. L. C. Duncan of Borger, returned the latter part of last week from a vacation trip of three days to Raton, New Mexico. They visited in the homes of Mr. and Mrs. Marion and Ray Rodgers while in Raton and reported to the News that they had assisted in a three day fish fry that was in progress at Eagle Nest Dam. The fish are being caught with seines, the trout being thrown back into the lake, the other varieties being kept back and given to anyone who cares to come for them. Mr. Rodgers stated that there were great numbers of the fish being caught and that large crowds were taking advantage of the free fish offer.

Rev. C. B. Ingram, evangelist de luxe, returned Monday morning from a three days swing around his southern circuit, and brought back a splendid record of his results on the crusade. He reports 23 conversions during the three day drive and a wonderful spirit. Rev. Ingram states that thus far this year he has converted 191 lost souls and expects to top the 200 mark before the end of the week.

## Les Beaux Arts Club Holds Reception

Saturday, May 2, Les Beaux Art club held their annual reception at the spacious and attractive home of Mrs. T. H. Ellis. The receiving line for the afternoon was composed of past and active presidents, Mrs. Homer Glascoe, Mrs. T. H. Ellis and the guest of honor, Mrs. Grace Palmer of Amarillo.

An interesting feature which caused much favorable comment throughout the afternoon were the oil paintings and etchings by artists of the Panhandle, on display throughout the guest suite. Other exhibitions included articles studied by the art club in the past months such as pottery, old china, glassware, Sheffield silver, pewter and hand-made laces. The exhibits were presided over by the young ladies of the Junior Beaux Art club.

During the afternoon the guests were ushered into the attractively decorated dining room were delightful decorations were carried out in the club colors of yellow and white. A dainty ice course was served in the form of a chaste daisy, the club flower. Each guest upon leaving the dining room was given a miniature wild flower bouquet by Mrs. L. S. Bagby. About 90 guests were received.

## Mrs. Forest Taylor Pleasing Hostess

Three tables of bridge were in progress Friday when Mrs. Forest Taylor entertained the Friday afternoon Bridge club at her home.

Mrs. Clifford Davis was winner of high score and Mrs. Odos Caraway of cue consolation. Dainty refreshments were served to these club members: Mrs. Jim Morris, Mrs. Kelley Chamberlain, Mrs. Forest Sawyer, Mrs. Holman Kennedy, Mrs. Charles Trent, Mrs. Clarence Miller, Mrs. Floyd Lumpkin, and guests were: Mrs. J. Sims, Mrs. Odos Caraway, Mrs. Fred Chamberlain, Mrs. B. L. Jenkins, Mrs. Clifford Davis and Mrs. P. B. Gentry.

## Young Matrons' Class Enjoys Party

Thursday afternoon a meeting of the Young Matrons Harmony Class was held at the home of Mrs. Lillian Brady with Mrs. Brady assisted by Mrs. Harrison Simpson as hostess.

Tulips attractively arranged were used as house decorations. A short business session was followed by games of "42". A refreshment course was served to: Mesdames, B. F. Kirtley, C. E. Miller, Henry Toombs, Jim Haile, Ben Andis, H. L. McVane, Charles Bairfield, Paul Shelton, B. C. Antrobus, O. C. Watson, Stark, Will Hayter, L. B. Chunn.

## 1930 Needle Club

Mrs. Ernest Hunt was hostess to the 1930 Needle Club at her home Tuesday afternoon. Several hours were spent in working on gay handwork after which the hostess served dainty refreshments to: Mesdames, Clarence Whitlock, Alvin Landers, Marvin Land, Turner Korby, Don Martin, Buster Vaughn, Ray Couch, Mrs. Grimsley, and Carl Peabody.

## Mrs. James Trent Charming Hostess

Mrs. James Trent was hostess to the 1922 Bridge club Tuesday afternoon at her home. Garden flowers were attractively ar-

ranged in the guest rooms. In the games of bridge Mrs. Charles Bugbee received high score and Mrs. T. H. Ellis drew consolation.

A tasty refreshment course was served to: Mrs. L. S. Bagby, Mrs. Sella Gentry, Mrs. W. H. Martin, Mrs. Charles Bugbee, Mrs. Odos Caraway, Mrs. W. H. Cook, Mrs. J. H. Ellis, and C. G. Strickland.

## Mrs. M. B. Haile Is Honored

Tuesday of last week Mrs. M. B. Haile was the honoree of a delightful surprise birthday party with Mrs. W. B. Haile as hostess. Mrs. Haile was 83 years old Tuesday.

Eighteen ladies arrived and enjoyed several hours of conversation and other amusements. The hostess then served a delightful plate lunch to the guests. Those attending were: Mesdames Blanton, J. R. Bulls, Brown, L. L. Contelow, Carran, Crabtree, Joe Goldston, V. W. Holtzclaw, R. Y. King, J. R. Leathers, Morris, J. H. Reeves, Hays, Robbins, B. N. Shepherd, Shoffit, J. B. ## MacDowell Club Entertains Guests

Thursday evening following the musical presentation at the College Auditorium the MacDowell Club entertained the Memphis visitors with a delightful social at the beautiful home of Mr. and Mrs. J. T. McMurtry.

The beautiful guest suite was bright with tulips and other garden flowers. A delightful program was given by the Memphis visitors and by the local club in return. All present then sang many beautiful numbers together. An attractive plate luncheon was served to about 35 guests. Plate favors were miniature mandolins which caused much comment among the guests.

## MACDOWELL CLUB SINGS AT PASTIME THEATRE

Last Monday evening the members of the MacDowell Club were presented at the Pastime Theatre in an offering dedicated to National Music Week. "Water Lilies" was the selection rendered by the local musical organization and was especially well received by the large audience present. Following the singing of this number the Club led the audience in the singing of the National Anthem "The Star Spangled Banner." Robert S. Cope directed the numbers of the evening with a marked degree of efficiency.

## MISSIONARY SOCIETY MEETS AT CHRISTIAN CHURCH

The Ladies Missionary Society of the First Christian Church met for its regular monthly meeting yesterday at the Christian Church. The meeting was called to order by the president, Mrs. J. R. Tucker. After the opening song, prayer and reading of the minutes, Rev. W. E. Ferrell, the minister of the church, made an interesting report of the Cunningham Missionary activities at the Tokyo, Japan Mission. The local society voted to support this mission to the extent of twenty-five dollars a year. They also voted to send twenty-five dollars to Panhandle District of the State work. The election of officers was in order and the following ladies were elected. Mrs. J. R. Tucker, Pres. Mrs. R. E. Paxton, Vice-Pres. Mrs. Ed Carlson, Secty. Treas. Mrs. Eddie Teer, Reporter. Several of the members present gave interesting readings and clipping of

the missionary work and conditions of India. There were twelve members and one visitor present.

## REV. W. E. FERRELL ACCEPTS POSITION OF FIELD MANAGER

Rev. Ferrell, who for the past fourteen months has been the pastor of the First Christian Church of Clarendon, tendered his resignation to the Church Board, the resignation to become effective not later than July 1st.

Rev. Ferrell was recently appointed Field Manager of the Bible Expositor, for the State of North Carolina. He states that he has accepted the appointment and will enter into his new duties about the first of July. He expects to make his home and headquarters at New Bern, N. C. for the first few months. Rev. Ferrell is a real "down-homer" and a native born "Tar Heel." Since entering the ministry, one of his greatest desires has been to go back to the Old North State and do some Missionary and Evangelistic work. He feels that opportunity is knocking at his door and he is going back home to do a more effective and lasting work for his Master and Church.

## FORMER RESIDENT IS MARRIED IN AMARILLO

Friends of John Burgan of this city have received announcements telling of his marriage in Amarillo on May 3rd to Miss Zelma Lee Robinson of that city. Mr. and Mrs. Burgan will make their home in Amarillo, having their apartment in the Amarillo Apartments. Mr. Burgan was formerly one of the force of salesmen connected with Hanna-Pope & Co.

## 1926 Book Club

The 1926 Book Club was entertained Tuesday afternoon at the club room with Mr. Paul Smith and Mrs. Lloyd Stallings as hostesses. Leader for the afternoon was Mrs. Henry Toombs who discussed "The College Laboratory and the open air Theatre."

"A comparison of the European and American Little Theatre" was given by Mrs. Charles Bairfield and "What the Little Theatre Can do" by Mrs. O. T. Smith. A one act play "The Flattering Word"—George Kelley—was cleverly presented by the following talented cast. The Reverend Loring Rigby, Pastor of the Reform church of Youngton, Ohio. His wife, Mary—Mrs. Elba Ballew. Mrs. Zasker, a church worker, Mrs. Manley Ozier. Lena, her daughter—Miss Fray Stallings. Eugene Tesh, a prominent dramatist—Mrs. Allen Bryan.

The scene, a room in the parsonage, on an afternoon in May, 1931, about 5:00 o'clock.

## IMPROVEMENTS ARE BEING MADE ABOUT CLARENDON

That Mayor Cagle's proclamation appearing in last week's issue of The News has had its effect is seen by a look over the city. Last week end the city trash wagons were busy in cleaning up the ditch on east Kearney of its debris and trash. Then at the front of the Telephone Building between the walk and the curb a very attractive flower garden has been planted which will add no little to the appearance of the local exchange. Further on the observer will notice how clean and neat the courthouse lawn has been made since the grass and weeds have been plowed and removed from the curb to the last row of trees. This border has been raked and is very pleasing and attractive. The remains of the Bunt Owens residence, destroyed by fire some months ago, in east Clarendon has been cleared away, removing the eye sore which has stood since the fire.

**Lions Outlast Rotarians in Ball Game**

A roaring crew of Lions, after being held in check for the first part of the Saturday morning playground ball game with the local Rotarians, ran rampant in the latter stages of the contest and knocked the eggs off the Rotary wheel for enough tallies to win 28 to 20. The game was staged between the two service clubs of the city as an opener for the day's activities planned as a culmination of Boy's Week. Rain however drowned other plans of the day as the athletic grounds became a sea of mud and water.

The Rotarians took advantage of the shortage of players in the ranks of the Lions and staged a scoring spree for an early lead. Lion reinforcements were soon forthcoming and with them also came a deluge of base hits and almost as many runs to net the older club its margin of victory. Heavy hitting was turned in by Drennon, Davis, Dyer, Burton, Merchant, Boykin and Teer.

A large crowd witnessed the classic and enjoyed the antics of the club members as they sought to catch, stop, or knock down the terrific drives of the powerful hickory welders. The casualty list of both clubs have been greatly increased by the game—and it is expected some time will elapse before the members will again be in fit condition.

Dr. George Ward Stocking, son of Mrs. J. D. Stocking, professor of economics in the University of Texas at Austin is one of seventy-seven persons to receive fellowships from the John Simon Guggenheim Foundation totaling \$175,000.

Dr. Stocking, professor of economics, University of Texas, has studied in the field of science economics, art and history. A study of developments in the Mexican oil industry, of the program of social control set up by the State, of the economic consequences of this program, and of the future of industry will be taken up.

Dr. Stocking was born in Clarendon, Texas, and is a graduate of Clarendon College. He holds the following degrees: University of Texas A. B., Columbia University M.A., Ph. D. Dr. Stocking is the author of "The Oil Industry and the Competitive System," a book which won first prize in the Hart, Schaffner and Marx Economic Essay contest in 1924.

The fellowships, which average \$2,500 a year each, will be used to carry on research and creative work in the United States, Mexico, South America and Europe. They bring the total number of Guggenheim Fellowships up to 372.

Thirteen of the fellows from the United States will go to Mexico and South America, and ten will come from Latin America countries to the United States. The list contains the names of several American novelists, poets and dramatists, three sculptors and seven painters. Thirteen of the recipients are women.

**Clarendon Is Well Represented at Pampa**

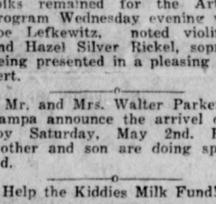

Clarendon was well represented yesterday at the Pampa Music Week contest held in the City Auditorium in Pampa with entrants in the band contest and in the violin competition.

Violin contestants and their numbers were: Bobby Boston, "Sixth Aire Varie" by Dancla; Lovella Bell and Virginia Cluck, "Pantasia—Infant Paganini" by Mollenhauer; Harvey Lou Strawn and Elizabeth Kemp, "Celebrated Minuet" by Padereski. All of the above entrants are students of Mrs. G. Lester Boykin and they will all be accompanied on the piano by Mrs. John Bass. Points for Grading were Technique 30 points, Tone Quality 20 points, Rhythm 15 points, and interpretation 35 points.

A large number of Clarendon folks remained for the Artists program Wednesday evening with Joe Lefkowitz, noted violinist, and Hazel Silver Riekel, soprano being presented in a pleasing concert.

Mr. and Mrs. Walter Parker of Pampa announce the arrival of a boy Saturday, May 2nd. Both mother and son are doing splendidly.

**Pampa Man Buried Here Last Sunday**

John Beverly Hopkins, aged twenty-two years, of Pampa, was buried here Sunday afternoon, the body having been shipped here from El Paso where the young man died Thursday of last week. He was a son of Mrs. Maggie Hopkins of Pampa and a member of one of the pioneer families of the Panhandle.

The funeral services were held at the Baptist Church where a large gathering of friends from Pampa and Clarendon met to honor the memory of the deceased who was loved by a wide circle of friends and relatives. The service was a simple one conducted by Rev. Lanchester, pastor of the Pampa Baptist Church of which Mr. Hopkins was a member assisted by Rev. Brabham, pastor of the Pampa Methodist Church. The music was under the direction of Miss Anna Moore, and a quartette sang "Beautiful Isle of Somewhere," requested by the family. The quartette was composed of Mesdames J. L. McMurtrey and O. T. Smith, Mess. Sam M. Braswell and Clyde Hudson.

Interment was in the Citizens Cemetery where Mr. Hopkins' father is buried in the family lot, and where a large and impressive floral offering attests the love and esteem of a host of sorrowing friends.

Mr. Hopkins was born and raised 14 miles south of Pampa. His parents were pioneers of Gray county moving there in 1886. He was a student of Pampa high school and Terrell Military college.

He is survived by his mother four sisters, Mrs. Roger McConnell and Mrs. Ralph Glascock of Pampa, Mrs. Ewing Williams of Perryton, and Mrs. Carl Adams of Clarendon; also two brothers, Siler and James, Jr., of Pampa.

# SPORTS SLANTS

By Sam Braswell, Jr.

The first week of the play in the new city league has been concluded and the Grocery and Dry Goods teams are sitting on top of the heap with 1000 per cent. The Grocers handed the Filling Station nine a stinging 7 to 1 defeat last Friday in the league opener featuring a well balanced club and a fine hurler in Gus B. Stephenson. Jackson pitched a fair game for the losers, but ragged support cost the Gassers a few runs. The Grocers scored in every inning of the game.

The Dry Goods team started off like a double-barrel shot gun scoring three runs off the Baptist Babies in the first inning and then coasting along until the end of the game to win by a score of 7 to 4. The Baptists were handicapped by the fact that only one day was given them in which to organize a team to take the place of the Gingers who failed to place a club in the race.

Each of the winning teams looked good in the initial bouts but both the Gassers and the Baptist teams have fine players and with a bit of luck will make it hot for any of the clubs. The Gassers have been working hard every afternoon to regain their lost prestige and will bear watching from this time forward. The Baptist have a bunch of youngsters, who will be hard to handle with a little practice work together. Their pitcher Martin, has a world of stuff and left many of the Dry Goods players looking at his fast breaker scream past them at the plate.

The most encouraging thing of the whole project is the interest being taken by the whole citizenship of Clarendon. There are people attending and really enjoying the contests who we never even thought were interested in any athletic event. The games are really better than the average small town ball league games and are getting better each contest as the batters are getting their eyes back on the ball after so many years of idleness as far as baseball is concerned. It will do one good to again see Fred Buntin, Sam Dyer, Ira Merchant, Dude Gentry, and several other old heads cavorting around the diamond—and believe it or not those babies can still play plenty good baseball.

Bring along a nickle or a dime with you when you can and help the teams pay for the baseballs—you will enjoy it better if you give a little to it.

In keeping with the progressive policy of The Clarendon News, we are offering for your approval this week the first of a series of sports Cartoons titled "Topnotchers." We are grateful for the favorable comment on our sporting observation efforts, and because of this we are endeavoring to provide you with a feature which we believe will meet with the liking of our great host of readers. If you like them please tell us about it. If you do like it we will feel that we are more than repaid for the expense of it.

Well, now we doubt whether Memphis is so sure they will win their half of the football division now as they were two weeks ago when sports writer Pearson of The Democrat stated that Memphis was sure to win their half but was not so sure that Clarendon could win theirs. Of course at the time of that writing Memphis was laboring under the impression that they were to have only Turkey, Estelline and Quitaque to play—but the officials were so unkind last Monday afternoon at Hedley as to spoil the crowning achievement of Memphis' long line of schemes and really place another first class team in their division. Such nerve of the committee to deliberately blast the fanciful and clever plans of the Memphis officials who so carefully had arranged such a splendid division with Clarendon, Wellington and Shamrock battling each other for the right to play the winner of the Memphis practice games. However we pick Turkey and Estelline both to pack a punch for the Cyclones next season. Anyway, Memphis, it was a good idea and it did last for nearly two whole weeks—but it wouldn't hurt too much if the remainder of the district were asked about such moves before making them public as official rulings.

The Committee is to be congratulated upon the action taken in placing two strong teams in each of the divisions—however we are sorry the Broncos and Cyclones were not placed in the same division. But Maybe they will meet

in the finals—let's hope so.

The prettiest line of cups and trophies ever offered in a golf tourney in west Texas are now on display in The News office awaiting the decision as to who will take them home on May 21st, at the conclusion of the Greenbelt Tourney to be held on the Hillcroft Course. We don't ever remember seeing the local course as pretty as it is at the present time. The fairways are a perfect cushion of thick green grass, cropped close so that summer rules may be played if necessary with little difficulty. The Greens are being worked and these will be in the finest condition when the visiting big boys start cussing the large bail for rimming the hole.

Lots of visiting golfers are playing the course every day in preparation for the tournament play. Golfers from Memphis, Hedley, Childress, Pampa, and Estelline have played the course this week with an army of shooters expected to invade the Hillcroft fairways over the weekend. Let's all show these visitors they are welcome and that we are glad to have them in our midst. Clarendon is being talked wherever golf is the topic of conversation in Texas—so let's all be on our toes to let them know we are proud of our course and the Greenbelt tourney.

### INTEREST IS HIGH OVER FIRST DOMINO TOURNAY

If all the domino players in the county enter the tourney to-night who have been in the News office or phoned in asking further details concerning the event the American Legion Hall will be filled to overflowing with domino players. The little announcement appearing in last Thursday's issue of The News has brought out a world of interest in the tournament, and it looks like the officials will have their hands full this evening in keeping the many players going at top speed so the winner will be known before sometime tomorrow.

The tourney is open to each and every player in Donley County and the champion will be named at the conclusion of the play. Prizes will be awarded to the winners in each division, both single and double. A small entrance fee will be charged at the door to handle the expenses of the championship tourney.

### UTILITIES COMPANY IS OPTIMISTIC OVER FUTURE

ABILENE, Texas, April 5.—Prospects for improved crop ranching and business conditions during 1931 continue promising according to the regular monthly Business Condition Survey conducted by the West Texas Utilities Company. The survey includes reports from nine operating districts of the company and covers forty-nine West Texas counties. Indications are that the 1931 wheat, small grain and feed crops will be far above average, and although but little cotton is planted as yet, the excellent condition of the top and subsoils gives promise of yields considerably above normal.

A consensus of opinions from the various sections served by the company places the wheat and feed crop yields at from twenty-five to thirty per cent above normal during 1931. In the Panhandle section, wheat is the main crop, while the abundant feed will be beneficial to all sections of the territory.

The report points out that while trade and collections are still far below normal, a slight improvement has been noted throughout the properties chiefly apparent in the trade territories of San Angelo, Quanah, McCamey and Dalhart. This improvement should become more rapid as confidence in 1931 crop conditions grows more widespread. Retail trade has picked up perceptibly during the past thirty days.

The survey concludes with optimistic observation that with favorable weather conditions during the spring and summer, a good cotton, wheat and feed crop seems assured. Even though prices remain low a large crop will give remunerative employment to thousands of men and put large amounts of money into circulation.

Prospects for 1931, despite the shortage of ready money due to three consecutive years of crop failures, are more encouraging than at any time during the past two years.

American air line operators transported 8,324,255 pounds of mail last year.

### PROSPECTS GOOD FOR FINE FOOTBALL TEAM

While it is early for football comment it might be of interest to The News readers to know just what kind of a football team the Broncos will place upon the Gridiron next September. A splendid amount of material is on hand from which coaches Frank Stocking and John G. Hutton will have to mould a formidable eleven. Five lettermen are lost to the 1931 team by graduation and for other reasons. Bourland, Wood, Langford, Beard, and Franklin are the veterans of the 1930 campaign who will carry the Maroon and White in the gridiron battles of C. H. S. no more. Although these men were regulars throughout last season prospects for 1931 are far brighter than for the past few seasons.

Backfield men available for the coming season are, Hudson, Nichols, Andis, Reid, Davis, Turnbow, and McClesky. In the line the Broncos will be represented by Morris, Benson, Tony Watson, Elery Watson, O. C. Watson, F. L. Behrens, Truitt, Bohrens, Gorman, Haile, Martin, Trostle, Linders, Montgomery and Butler.

A new man by the name of Veazy is a candidate for a backfield position, and comes recommended to capably deliver as a good gainer. Veazy comes from central Texas.

### MACDONALD GETS PULITZER PRIZE FOR PAYNE CASE

The Pulitzer prizes in journalism and letters were awarded Monday for achievements which ranged from a novel of war-time America to the solution of a murder by a newspaper reporter.

A. B. Macdonald of the staff of the Kansas City Star won the \$1,000 prize for the best example of a reporter's work which accomplished "some public good commanding public attention and respect."

Macdonald was sent to Amarillo at the suggestion of Gene Howe, editor of the Amarillo News and Globe, to investigate the murder of Mrs. A. D. Payne. She had been killed by an explosion of dynamite hidden in her automobile, and a mystery too deep to be solved. Macdonald's work brought about the confession of her husband, who subsequently committed suicide with explosives while awaiting trial.

### INTERMEDIATE B. Y. P. U. HAS PICNIC FRIDAY

The members of the Intermediate B. Y. P. U. and a number of invited guests enjoyed a picnic at the river Friday evening. As soon as the cars stopped, the crowd made for the hills, while the sponsors spread the lunch, after supper, various games were included. About sixty people were included in this outing.

We don't sell Germ-Processed Oil on claims...we just show you the test results, figured out in fractions...

IT'S comfortable to know that the oil you are using will result in gasoline and oil economies. A prominent southwestern bus line (name on request) wanted to know. They put Germ-Processed Motor Oil to the test in a 25-passenger bus. Competent engineers checked every detail of operating cost and maintenance during 7,488 miles of regular passenger service, comparing the results with an equal test of the competing oil.

When the test ended it was found that Conoco Germ-Processed Motor Oil had reduced oil consumption by 13% and had lowered gasoline consumption by 14.3%.

Such economies are also possible in your car. And there are other advantages which soon become evident to the user of Conoco Germ-Processed Motor Oil, each proved by authoritative tests. Your own test-through-use will be most convincing. Have your crankcase filled today with Conoco Germ-Processed Motor Oil at the nearest sign of the Conoco Red Triangle. All grades 35¢ per quart.

SENIORS ENTERTAINED BY BAPTIST LADIES

The graduating classes of High School and College were honored with a party given Monday night by the members of the Baptist Church.

The program represented the school year. The students were first given a card with their name on it. Each student was required to get as many words as possible with the first letter of his name contained in the word.

The classes were then formed with all whose names started with A to D were Freshmen; D to I were Sophomores; I to K were Juniors; and K to Z were Seniors.

Stunt night came next. The Sophomores represented a large family crossing the rail road track. Bill Dillard was the father and Hazel Gilbert the mother. They had to be sure that no trains were coming before they crossed.

The juniors presented Napoleon who told of his love for his grandmother. The Freshmen picked a cast from the various classes and presented the one act comedy "The Gathering of the Nuts."

The seniors called for Mr. Burton, who was to represent the famous Woolworth Building. After requesting him to hand over fifteen cents the famous slogan "Nothing over fifteen cents." was pinned on his back.

Next came an athletic contest between the combined forces of the Seniors and Freshmen and the Sophomores and Juniors. In this contest each opponent was given a common name such as bear, rail, gold, etc.

Then came final exams with questions which had to be answered with a part of the body, abbreviations of states, and words in which "cat" appeared. For Commencement Exercises, Mr. Huff, the dean of Wayland College, gave a fine talk on the requirements of success.

Dean Huff, in his introduction, stressed the importance of spending some time during the educational career in a Christian college sponsored by the denomination of the person's choice.

Ada Mae Owens from Hodley visited friends here Sunday afternoon.

HOME ECONOMIC WINNERS GO TO LUBBOCK THURSDAY

The winners of the Home Economics Clothing Contest went to the State Rally at Lubbock last Thursday morning. The girls that were of the school I. Dorothy Jo Taylor, winner of tailored costume in second year Home Economics and Martha Thomas, winner of special occasion dress in third year Home Economics, teachers also went.

The girls left Thursday morning on the 6:00 o'clock train, arriving at Lubbock about 11:30 o'clock. They were met at the depot by members of the Lubbock Chamber of Commerce and were taken to the Hotel Lubbock. After lunch the works of the different school were put on exhibit at the Hilton Hotel.

The judging of the dresses took place in the Matador Ballroom at the Hilton Hotel Friday morning, beginning with the first year dresses, then the second year dresses and later the special occasion dresses. Friday afternoon contests were held at the Hilton Hotel, Jo Ella Stewart entering the judging of children's play suits.

Saturday morning at 9:00 o'clock the six hundred Home Economic girls marched down the streets of Lubbock with the Lubbock High School band leading them; they went to the Lindsey Theatre where an interesting program was enjoyed by all.

We, Jo Ella Stewart, Dorothy Jo Taylor, and Martha Thomas wish to thank the Clarendon Chamber of Commerce for their much needed help that they so willingly gave us, and we greatly appreciate it.

HOME ECONOMIC GIRLS AND AG. BOYS HAVE PICNIC

Monday afternoon the Home Ec. girls and Ag. boys went on a picnic to Troublesome Canyon, accompanied by chaperons, Miss Beck and Mr. and Mrs. Bairfield. They got out there about four-thirty and played games until about six o'clock.

The call to supper brought us to a most enjoyable supper consisting of apples, oranges, bananas, sandwiches and ice cream. The ice cream was furnished by Mr. Sam Braswell Sr. We are grateful to Mr. Braswell for his liberal contributions to our good time.

It seems that Clarendon College has accomplished much this year. Queer as it may seem, we have school-teachers, to be, in our midst. Mr. Robert Weatherly and Mr. Bill Dillard have accepted positions as teachers for the coming year.

THE SCHOOL ORCHESTRA

On Friday evening, May 1, 1931 the Clarendon High School Orchestra made a public appearance in the City of Clarendon for the first time in some months. This appearance was at the Clarendon College Auditorium for the MacDowell Club program.

SOPHOMORE REPORT

The Sophomore class had a class meeting on Tuesday, May 5. They voted whether or not they would have a picnic on Tuesday or not. Of course all were in favor of having it.

Virginia Wisdom Entertains

A group of fun-loving girls gathered at the home of Virginia Wisdom Friday evening. Bridge, dancing, and gossiping occupied most of the evening.

At a late hour apples and cookies were served to the following: Joyce Link, Roberta LaFon, Hazel Gilbert, Nola Gordon, Rosemary Hurn, Wilma Hukel, Ruth Dunn, Ruth Donnell and the hostess, Virginia Wisdom.

Louise Lewis of Lella Lake visited with Ruth Price Saturday afternoon.

Nell Butler and Maurine Wood visited in Memphis Saturday.

The C. H. S. Band staged a parade and concert Saturday afternoon. They are going to Pampa Wednesday.

FORD BRAKES ARE UNUSUALLY EFFECTIVE

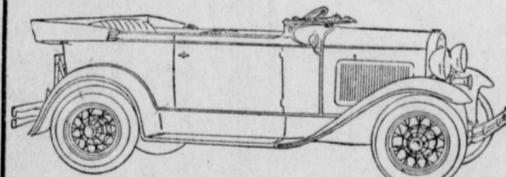

Reliability and safety due to simple design and careful construction

ONE OF the first things you will notice when you drive the Ford is the quick, effective action of its four-wheel brakes.

They are unusually safe and reliable because they are mechanical, internal expanding, with all braking surfaces fully enclosed. This prevents mud, water, sand, etc., from getting between the band and drum and interfering with brake action.

Other outstanding features of the Ford are the Triplex shatter-proof glass windshield, four Hou-daille double-acting hydraulic shock absorbers, aluminum pistons, torque-tube drive, more than twenty ball and roller bearings, Rustless Steel, reliability, economy, and long life.

You save when you buy the Ford and you save every mile you drive.

AUSTIN COLLEGE HEAD TO SUEP IN CLARENDON SOON

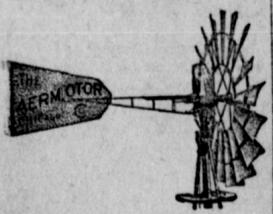

SHERMAN, Tex., May 6.—Dr. T. S. Clyce, president emeritus of Austin College left Friday for an extended swing through East and South Texas, in his speaking tour and visitation work among Presbyterian churches and alumni of the college. He was accompanied by E. L. Foshee, registrar of the college and secretary of the alumni association.

A tentative date has been set for the First Christian Church in Clarendon, the Rev. R. S. McKee, Pastor, for Sunday, June 14th. Further announcements regarding the services will be announced through the columns of The News at a later date.

LOCAL MEN HEAR COUNT VON LUCKNOR WEDNESDAY

H. T. Burton, C. C. Powell, Ralph Kerbow, G. L. Boykin, and Clyde Douglas, accompanied F. W. Rathjen to Canyon Wednesday evening to hear Count Von Lucknor, German War Submarine Ace and world figure, deliver a lecture. Among the interesting stories told by the German hero was that within three years Europe would again be in the throes of another terrific armed conflict.

Mr. and Mrs. John Beverly of Pampa were visitors in Clarendon last Sunday, they having come for the burial of John Beverly Hopkins of that city. Mr. Beverly remained here for a visit with friends for a few days.

LIONS ENJOY A BUSY LUNCHEON

LOCAL ORGANIZATION TAKES PART IN MUSIC WEEK CELEBRATION

The Lions Club luncheon hour was filled to overflowing on Tuesday of this week as the program committee presented the Lions a program in celebration of National Music Week. The opening portion of the program was taken with a series of announcements, this being done in order to conserve time that would be needed later in the program. The directors were called to meet in their usual time and place next Monday evening; the introduction of Lion club Heath was made and his initiation was postponed until the following meeting. The recital of Miss Eunice Johnson was announced for Tuesday evening and a few other items were mentioned.

The committee in charge of the underprivileged of the city announced through Lion Chase that the condition of Mr. Houdashell's eyes was pronounced to be those of normal and that Dr. Strite had reported to be finished with the work. The playground ball game between the Lions and Rotarians was reported and a play-off was announced for Thursday evening of this week.

The remainder of the program was turned to Lion T. D. Nored, Chairman of the program committee and the Lions celebration of Music Week was started with Lion Sam Braswell giving a short talk on "Music" A little of the history of music was given, as some of the present developments of American music. American musicians were also given their share of the honors, with the prediction being made that American music was only now coming into its own.

Mrs. Lester Boykin opened the musical portion with a violin solo, playing a Mexican Serenade, "Estrella." Miss Fray Stallings accompanied her on the piano. I. B. Pierce followed with a selection on the Hawaiian guitar with a series of accompanists on other instruments. Elmer Palmer gave a selection on the Tenor Banjo with the same accompanists and was followed by P. B. Gentry, who played a selection on the Jew's Harp. T. D. Nored then gave a number using the Mandolin as his

instrument, to be followed by a quartet composed of R. E. Duncan, D. R. Davis, G. L. Boykin and Jack B. Jones. Miss Fray Stallings gave a spirited number on the piano, and was followed by Joe David, whose performance broke one of the requests of the day in that he was recalled for an encore, the only one of the program.

Gus. B. Stephenson, director of the Clarendon band, played a difficult selection on the cornet to the great pleasure of the Lions and their guests. The final number on the program was to have been a selection played by Holman Kennedy on the phonograph, but since no needles were available, this was not heard.

Boss Lion Rathjen expressed the appreciation of the club for the presence of the artists and suggested that they be welcome at any time they could return.

C. H. Bugbee, a former member of Sousa's band and other big musical organizations was present as one of the guests, as was Mrs. Rich Bowlin.

Adjournment was had in the usual manner.

MacDowell Concert Wins High Praise

The annual Spring Concert of the Clarendon MacDowell Club presented at the College auditorium last Thursday evening drew a discriminating audience and is pronounced one of the foremost musical programs ever presented in Clarendon. Musicians from Memphis assisted in making the evening a success by their varied numbers, and a neat sum of money was realized even at the low popular prices of admission.

Director Robert S. Cope is deserving of high praise for the choral work of the club and while the first appearance of the MacDowell Club in old favorite songs presented in Colonial costume was most pleasing in the last group song which included "Humoreque" and "Water Lilies." Mr. Cope also won new honors as a soloist when he sang "The Horn," a heavy number by Flegier. Miss Grace Mae Sample, accompanist and soloist, added much to the pleasure of the occasion by her work at the piano. A one-act playlet, done by Miss Anna Moores and Mrs. Meade Haile "The Girl of Today," was a happy diversion to the program and these accomplished players did a very fine piece of work in its presentation. Mrs. Drake and Miss Vernadine Jones of Memphis scored success in their soprano solo numbers, and

the male quartette composed of Mess. Johnsey, Noel, Delaney and Fitzgerald was also a valued addition to the program. A cutting from "Chinese Operatta," "I Want You," a duet sung in costume by Mrs. Drake and Mr. Johnsey was greeted with much applause.

Specialty dances by Ethelyn Drennon, Lucille Allen and Betty Walker, also Miss Mary Cooke added spice to the evening's enjoyment.

The Clarendon Orchestra, directed by Gus B. Stephenson, played several numbers interspersed in the program and proved again just what progress has been made by the organization under their competent and willing director.

R. E. Drennan presented medals to five winners of awards in the Music Appreciation Contest held in the city schools, commenting on the high average of the work of the winners.

At the conclusion of the program members of the MacDowell Club and the visiting musicians from Memphis were guests at a brief but most enjoyable reception at the home of Mrs. J. L. McMurry.

BILL RAY RECOVERING FROM OPERATION NICELY

Late reports from the bedside of Bill Ray, stricken Monday morning with acute appendicitis, state that he is recovering nicely from the operation. This is encouraging news for the host of friends of this popular young business man, and The News joins with them in wishing him the speediest of recoveries.

SENIOR PLAY IS SUCCESS AT LELLA LAKE FRIDAY

"The Galloping Princess" presented by the Senior Class of Lella Lake High School last Friday evening was a decided success both from the entertaining and financial standpoint. A large and appreciative crowd was present to receive the efforts of the last year students. A nice sum of money was realized from the

performance and will be used in defraying the expenses of the commencement programs.

The play was under the capable direction of Miss Layma Taylor. Especial thanks are due Mr. Jack B. Jones and Mr. Gattis for furnishing the cosmetics and making up the cast for their stage appearance.

BAND IN STREET PARADE SATURDAY AFTERNOON

Last Saturday afternoon the Clarendon High School Band with all its accessories in their nifty uniforms paraded Kearney Street making short concerts at each intersection. The band made a decided hit with the large crowds which were in the city Saturday, and especially were the band sponsor, Miss Ruth Price, and the drum major, Billy Dillard well received. The Saturday appearance of the band marks the opening of a series of frequent concerts and parades of the organization under the direction of Gus B. Stephenson which will continue throughout the summer and into the fall.

Wednesday was a holiday for the students of Clarendon Junior College who took the day off for a picnic outing at Troublesome Canyon. After exploring the canyon to the best of their ability the party continued its journey to the J. A. Ranch headquarters where further explorations were carried on. After this feature of the day the group visited one of the camps of the ranch. As the day passed into the late hours with the shadows lengthening across the range the collegians enjoyed a huge picnic lunch and hid themselves back again to Clarendon and home.

Mr. and Mrs. C. B. Grissom announce the birth of a fine baby boy Wednesday night. Both mother and son are doing nicely.

NEWMAN BARBER SHOP EXTENDS DECORATIONS

Workmen were busily engaged the early part of this week placing new mirrors and other decorations to complete the decorative scheme of the Newman Barber shop. New cases were placed for the use of two additional chairs, this making the interior of the shop harmonize with the original equipment placed some time ago when the shop was first opened for business.

Mrs. Sam M. Braswell returned Saturday afternoon from a week's visit with relatives in Canyon.
