'69 Cotton Planting Time Nears

Pre-Irrigation Well Underway

Friday's Million Dollar Rain Big Boost to Early Planting

Time is nearing when High Plains farmers will begin planting this year's cotton crops.

Bailey County and area farmers have been busy in their fields preparing the land for the 1969 crop. Irrigation wells have been operating for some time and tractors have been in the fields daily for land preparation.

With most farmers presently in the midst of the pre-plant irrigation schedule, Jim Valliant, High Plains Research Foundation soil scientist, released tips on pre-plant irrigation. He said that pre-plant irrigation is important to insure adequate moisture for seed germination and early plant growth. He added that research at the Foundation has shown irrigation water applied a month to three weeks ahead of planting date is most satisfactory.

Optimum planting date for maximum yield and highest quality cotton in the area is from April 25 to May 10. Other tips in planting cotton, for optimum yields and quality, Valliant suggested planting top quality seed in land with adequate seedbed preparation. "Plans already should be made for adequate weed control," the scientist said.

Valliant said that optimum planting time for best yields is when the soil temperature has reached a 10-day average of at least 60 degrees at the eight-inch depth.

He also noted that farmers might consider results in past tests in which lint yields from cotton irrigated at the pre-square stage showed significant increases.

The 1968 report reveals that irrigating every other row at the pre-square stage Cont'd on Page 4 Col. 3

Greenbug Treatment Recommended

County Agent J.K. Adams said Disulfoton (SI-Syston) has received label clearance for use on wheat.

"This phosphate is approved Oklahoma. Label restrictions limit its use to only one application per season.

"Do not apply within 45 days of harvest and do not graze treated fields."

Adams' report says that field observations and reports indicate rapid population increases.

Library Launches Drive

Joe Harbin announced that the Fine Arts Booster Club will hold a regular meeting Monday, April 14, at the Muleshoe High School Band Hall.

Harbin said, "Everyone please attend the meeting as the club and the fine arts clubs need your support."

Fred Williams, principal of the Lazbuddie Elementary school, has returned to his home after spending 10 days in High Plains Baptist Hospital in Amarillo where he underwent surgery.

His daughter, Mrs. Richard Engelking said he is recovering satisfactorily at his home.

Representative Bill Clayton called from Austin Monday morning and informed the Journal that the Bailey County Hospital District bill has cleared the House and had gone to the Senate.

He said it would probably leave the Senate next week.

Debra Ann Bullock of Muleshoe is one of the 1,107 students listed on the honor list from the University of Texas.

She is on the Arts and Sciences Honor Roll.

Charlene Zoth, daughter of Mr. and Mrs. Truman Lindsey, has been named to the Dean's honor list with a grade point of 3.5 of a possible 4.0 at Texas Technological College, Lubbock. Mrs. Zoth commutes from Brownfield and is classified as a senior. She is an art major with a minor of all-level education.

CONGRATULATIONS! Superintendent of Bala Schools and Mrs. Marion J. McDaniels are grandparents for the first time. Timothy Lane McDaniels was born April 3 to Mr. and Mrs. Gordon McDaniels at College Station, Texas.

Mr. and Mrs. Lewis Wayne Shafer, Ellen, Robert and Linda spent the weekend at Possum Kingdom Lake where they met former Muleshoe residents, the Morris Killough family who now live at Hamilton. They enjoyed fishing and visiting over the weekend.

Mr. and Mrs. Tiny Graves of Hobbs visited several days in the home of Mr. and Mrs. Luther Hamm.

Mr. and Mrs. Fred Beene visited recently in Albuquerque with her sister and family, the Jerry Obrien and in El Paso with her brother and family, the C.D. Wootens and with her sister, Mrs. Beulah Luce.

Mr. and Mrs. L.B. Hall, Perry and Lauren spent the Easter holidays in Galveston and Houston.

Mr. and Mrs. W.H. Hardy, Jr. of Baytown, were guests Tuesday night and Wednesday in the home of his sister, Mrs. W.F. Birdsong. They had visited in Fort Worth with family members and were enroute to Arizona to visit their sons and from there they planned to drive into Mexico.

Mrs. Robert Holt and Cont'd on Page 4 Col. 1

The Muleshoe Area Public Library has come a long way since its formation on February 23, 1939. The library started in a small room in the Bailey County Courthouse. The notes from the minutes of the Muleshoe Study Club for February, 1939 show that Mrs. Lela Barron's office was rented in the courthouse for the first library. The first library board members included Mrs. Lois Lenau, Mrs. Clyde S. Holland and Mrs. A.E. Lewis.

In April 1939, both the 1939 Study Club and the Muleshoe Study Club held a book-tea with benefits given the proposed library. Now, in April, 1969, 30 years later, another Book-Tea is slated by the Muleshoe Study Club. April 23 has been designated as Book-Tea day at the Muleshoe Area Public Library from 3 to 5 p.m. Admission to the tea will be a book, magazine, or subscription to a magazine at a cash donation. All civic and social clubs and school children have been extended special invitations.

From the small beginning in the Bailey County Courthouse, the library was moved to its present location at 113 East Ash in 1964 after the building was purchased through Friends of the Library funds.

When the new library on Ash street opened in August, 1964, and additionally houses the Texas State Library High Plains Bookmobile. The bookmobile began as a project to serve the area surrounding Muleshoe and in Farmer, Cochran and Lamb Counties, as well.

Mrs. Joe Costen is second vice president of the Friends of Library organization, and area membership chairman for the present Friends of Library membership drive. Mrs. Costen has designated area membership chairman members to assist with the drive in the entire area. Named are Marion Cont'd on Page 4 Col. 4

DISTINGUISHED SPEAKER AND SPECIAL GUESTS -- Judge Don Chak, left, was one of the local law enforcement officials who spoke briefly at the Law Enforcement Night held at Muleshoe High School Thursday night. Congressman Bob Price, second from left, was special guest speaker for the evening. Center is Muleshoe City Councilman Alex Williams who was master of ceremonies for the evening and second from right is Chief of Police Harold White and Bailey County Sheriff Dee Clements, far right.

Bob Price Lauds Peace Officers

Alex Williams, Muleshoe City Councilman, acted as master of ceremonies for Law Enforcement Night, Thursday, April 10, and explained the purpose of the special night. He said it was organized to pay tribute to and recognize the area law enforcement officers.

Williams followed the introductory statements by introducing members of the city, county and state police; Justice of the Peace Joe Baughn; County Judge Don Chak; Fire Chief Earl Ladd and members of the Bailey County Fire Department; former County Judge Glen Williams; wives of city officers; husbands and wives of city, county and state employees; employees of city and county offices;

Mayor Wilbur LeVeque and Mrs. Mildred, widow of the former Chief of Police Carl Needy.

In presenting the response to the welcome, Judge Chak said "Everyone should be concerned with law enforcement and expressed appreciation for the fine attendance."

Congressman Bob Price was introduced by Councilman Williams.

Panhandle Congressman Bob Price laid the major blame for the Nation's crime crisis on a shortage of judges, understaffed prosecutors' offices and other courthouse personnel and too many "bleeding heart" judges in an address at Muleshoe, Thursday night, April 10.

"However, the bleeding hearts aren't the only problem," Price told a law-enforcement appreciation rally sponsored by Muleshoe Masons and area civic clubs. "In addition, there just aren't enough judges to get the job done. A lot of these charges are dropped or reduced just so the cases can be moved. Any time you've got an overwhelping overpacked court docket, you're not going to get much justice."

Price cited the "sky-rocketing" crime rate in the Nation's Capital and termed it "a city...turned into a jungle where violence lurks behind every turn and corner."

Price said he believed President Nixon had decided rightly in placing special emphasis on the District of Columbia in his administration.

What Is Your \$1 Doing For You?

The Denim Dolls for Cotton say that for the answer to the question "What is your \$1 doing for you?" to be at the cotton meeting which will be held in the Bula School Auditorium at 7:30 p.m., April 15.

This meeting is designed to bring all concerned up to date on the progress cotton research and promotion is making. J.D. Smith, area Cotton Producers Institute, will introduce the speakers, Earl Younts and Peter Brown from Lubbock. They will show film strips and slides show what is being done. Following the films, they will answer questions and give additional information.

For the women, a style show and refreshments are waiting.

General Rains Cover Area

Beginning the month of April with a total of 1.08 inches of rain, the 11th, rain began falling in the area. Ranging from a gentle, slow rain to occasional brief downpours, a total of 1.22 inches of rain accumulated in Muleshoe by Saturday morning.

At presstime, the sky was overcast and more rain was in the offing for a wide area of West Texas and Eastern New Mexico.

Mickey Wilson Signs With ACC

Mickey Wilson, a 6-2 guard who helped lead Howard County to the National Junior College Tournament, recently signed a letter of intent with Abilene Christian College.

Coach Dee Nutt, who inked Wilson, called his prime catch "a tremendous shooter who will give us a lot of help next year."

Wilson was All-Conference this past season as the Jayhawks hung up a 29-3 record. A two-year Juco

In the area, the most rain has been reported in the Progress community with Elton Guley reporting almost three and one-quarter inch since the rain began. Frank Hinkson, Lazbuddie, received one and one-quarter inches and Birdwell Ranch received from less than an inch to more than an inch of moisture on different areas of the large ranch. More than two inches of rain was reported from the Needmore area.

\$1,000 DONOR--Mrs. John Gunter II is pictured receiving the first \$1,000 donation for the furnishings of the new addition to the Muleshoe Nursing Home. Dr. E.O. McDaniels donated the \$1,000 check which gets the fund drive well underway. Members of the Muleshoe Hospital Auxiliary are heading the fund drive and Pat Bobo is general chairman.

Pork Production Research Initiated

Economics of limited pork production for small operators will be studied in the swine research project initiated this past week at High Plains Research Foundation. The pork research study indicates the amount of interest that has been generated in pork production on the High Plains area. "And it is hoped that through this study, area bankers and other lending agencies can establish guidelines for advancing necessary financing to aid small area farmers obtain more profit from their sorghum crops", Dr. Tom Longnecker, Foundation director, announced the study project.

The two-fold research study will collect economic data on the operation of the portable, slatted floor pigs pens being constructed by several area firms; maintaining a disease-free environment in a semi-enclosed area and comparison of a feeding ration using the by-products of grain sorghum as a base compared to a straight grain sorghum base ration. The study will be conducted in two raised, slatted floor pens, one 50-head capacity and a 25-head pen, furnished for the study by the Hamby Company, Plainview, and Central Supply Company, Borger. Purpose of the raised slatted floor is to aid in maintaining sanitary control.

The pigs, 75 head, are from the Jimmy Dean Pig Parlor SPF herd. On date of receipt, they averaged 40 pounds each and were about nine weeks old.

The pens are divided to hold 25 pigs each and, with removable panels on three sides, can provide protection from winter weather. For the summer months, the panels are removed and sprinklers installed under the roof will provide cooling for the feeders.

A problem in controlling disease is to maintain strict patrol of persons visiting the project. This is being accomplished by an electric fence around the perimeter of the area.

Feeding and watering equipment for the study is furnished by Feeders Equipment Cont'd on Page 4 Col. 2

MOISTURE FOR APRIL 1,22 FOR YEAR TO DATE 2.30

JUNE WEDDING PLANNED Mr. and Mrs. B.H. Waggon announce the engagement and approaching marriage of their daughter, Rhonda Sue, to Dr. Charles L. Pummill, of Muleshoe, son of Mr. and Mrs. Ralph L. Pummill. The ceremony will be solemnized June 14 at 8:00 p.m. in Muleshoe Church of Christ. Friends and relatives will attend. Miss Waggon is a teacher and coach at Muleshoe Junior high school and Dr. Pummill is a Muleshoe physician.

Mrs. Rennels Speaks On Self Improvement

Mrs. Pete Cash was hostess to Joyce Hill Circle of United Methodist Church at their Thursday afternoon meeting in the church parlour. Others attending were Mrs. Eugene Howard, Mrs. Kenneth LaFue, Mrs. Jack Rennels, Mrs. Robert Preston, Mrs. Conrad Williams and special guest, Mrs. Gladys Jackson.

Mrs. Jackson sang several Negro spirituals. Mrs. Rennels was in charge of the program on "Self Improvement", improvement of self-control and improvement in prayer. She quoted from Dr. Norman Vincent Peale's book on Self Improvement and the book will be used as resource material in several meetings.

'Living With Books' Study Club Theme

"Living with Books" was the theme of the program presented at the Thursday afternoon meeting of Muleshoe Study Club in the home of Mrs. R.F. Wright.

"Reading - the Priceless Gift" was the title of a paper by Mrs. Joe Costen. She told the club members there are many kinds of reading some for pleasure, some for consumption of time, and it can be a tool and shield for all, and power-packed. Mrs. Costen said, "The more competent readers a Society has, the greater will be its capacity for doing good to its self."

Mrs. Ed Johnson displayed a collection of books from the public library. She remarked, "If we are to ever live in peace we must learn to understand people of other races. Books can help develop this understanding. Books can give us better insight into lives of people or races other than our own. A book is a land mine of time bomb set to go off when it hits the mind of its reader."

She also said, "If we like books we will find time to read them. They are the most interesting part of any home A book dropped into an eager mind is like one of those little Japanese magic tricks, a pressed flower that opens up when you drop it into a glass of water."

Mrs. O.N. Jennings, Federation counselor, reported on "The Population Explosion", discussing the need of making a deep study of this problem in view of the fact that the population will expand to such an extent that our world will be so overcrowded that body heat will affect the other person. She told of the pill tested on cats and dogs at present.

Mrs. John Farley was director of the program. In the business meeting, plans were made for the 'Book Tea' to be given by the Study Club April 23 as a part of the celebration of Library Week. The public is invited to the tea, each person being asked to bring a book to be placed in the library.

Those present were Mrs. Les Bruns, Mrs. Pauline Benefield, Mrs. Horace Blackburn, Mrs. John Farley, Mrs. Rufus Gilbreath, Mrs. O.N. Jennings, Mrs. LeVina Pitts, Mrs. Douglas Dubose, Mrs. Joe Costen, Mrs. W.T. Andrews, Mrs. Ed Johnson, Mrs. T.R. White, Mrs. G.L. Spaw, Mrs. J. Wald Griffin, Mrs. Mervin Witterding, and Mrs. Walter Bartholf, Sr.

Pink, Blue Shower Honors Mrs. Johnson

A pink and blue shower in the home of Mrs. Sam McKinstry April 5 at four o'clock honored Mrs. Ronnie Johnson, of Lubbock.

Hostesses for the occasion were Miss Carolyn Allison, her mother, Mrs. Harold Allison, and her grandmother, Mrs. McKinstry. Greeting guests were Miss Allison, Mrs. Harmon Elliot, mother of the honoree and Mrs. Randy Johnson, her mother-in-law. They wore diaper pin corsages. Due to unfortunate circumstances, Mrs. Ronnie Johnson, the honoree, was unable to attend the party. Mrs. Elliot and Mrs. Randy Johnson acted in her absence, opening the many lovely gifts.

Presiding at the punch bowl was Miss Susan McVicker and at the silver-coffee service was Mrs. McKinstry. The table was covered with an avocado linen cloth and centered with a yellow umbrella under which a newborn baby doll sat among fresh violets. Crystal and silver appointments were used in serving pineapple punch, nuts, coffee and dainty pastel cookies.

Miss Allison led the group in a game during which she gave each guest a blue diaper shirt on which they wrote advice for raising a child, the probable sex of the expected infant, and the expected time of arrival.

As the guests left each was handed a scroll letter from the expected baby. About twenty five guests called during the afternoon.

Mr. and Mrs. Bob Harvey, 1700 Jonquil Park Drive, Clovis, New Mexico and formerly of Muleshoe, announce the engagement and approaching marriage of their daughter, Sheila, to Ronnie Wicks, son of Mr. and Mrs. Frank Wicks of Clovis. Sheila and Ronnie are both going to attend Texas A&M. Sheila is a granddaughter of Mr. and Mrs. Cecil Harvey and a niece to Mr. and Mrs. Richard Ellis of Muleshoe.

Harmon Elliot Discusses Industrial Foundation

Llano Estacado Civic Club met Tuesday evening at First National Bank community room, with Mrs. Terry Hutton and Mrs. Lee Kimbrough serving as hostesses.

Reports were heard on the style show planned by the club and committees chosen. Proceeds from the bake sale held April 2 were \$138.00.

Resignations were accepted from Mrs. Max King, Mrs. Kenneth Heathington, Mrs. Glenn Watkins, Mrs. Gary Miller was elected to be first vice-president and

Mrs. Eugene Howard was elected to be secretary-reporter.

A discussion was held about working on the cancer drive and the club voted to work on the drive if Jaycees will work with them. Mrs. Jerry Gleason was appointed chairman of this project. Secret vote was taken in the outdaring member of the club and announcement will be made in May. The program was given by Harmon Elliot, who discussed the work of the Industrial Foundation.

The new members attending were Mrs. Buddy Black, Mrs. Jerry Gleason, Mrs. Gary Miller, Mrs. Tom Flowers, Mrs. Lamont Dolar, Mrs. Dale Vise, Mrs. Ken Anzeley, Richard Hawkins, Mrs. Eugene Hawkins.

Others attending were Mrs. Wayne Peterson, Mrs. Ronnie Black, Mrs. Earl Gilliland, Mrs. John Neil Agee, Mrs. Mack Brown, Mrs. Eugene Howard, Mrs. Robert Hunt, Mrs. Jerry Mobley, Mrs. Henry Stoneham, Mrs. Royce Turner, Mrs. John Young and the hostesses. Refreshments of dainty sandwiches, chips and dips and Cokes were served.

Nursery News

LANDSCAPING By A.L. Woodburn GARDEN CENTER NURSERY Clovis, N.M.

"I see that you have tomato plants here, isn't it a little early to plant them in the garden?" That is a question that we are asked several times during the course of a day. It might well be that it is a little early. The thought of getting the plants and getting them started is that the average frost free date is April 15. Of course it doesn't involve any element of risk to say that to have an average of the 15th that there would be some earlier and some later. The element of risk in dealing with plants is that it could come a freeze and damage them but at the same time should a person get them by one or two cool nights and temperatures some two to three weeks ahead of the others, then how much would he have gained. Should he lose, let us say, some dozen plants due to some freak late cold spell then he would have lost his work in getting them out and around \$165, the cost of the plants.

Crafts For Children Young Homemaker's Topic

Mrs. Ralph Wilson, of Friona, was guest speaker at the Thursday afternoon meeting of Young Homemakers of America. Her topic was "Crafts For Children."

Roll call was answered by ten members and three guests with "How Do You Entertain Your Children on a Rainy Day?" A business meeting followed, during which the nominating committee presented a slate of officers for the ensuing year. They are to be installed at the May meeting.

The club voted to go to playview April 25 for the Young Homemaker field day. It was also decided to have a money raising event, a chicken fry for the public at Muleshoe State Bank

community room on April 30. All of the members volunteered to work at the public library, the Muleshoe Nursing Home or with Senior Citizens.

Guests attending were Mrs. Wilson, Misses Kim Haley and Norma Larson, Texas Tech students, Mrs. Kenneth Fowell, Mrs. Jimmy Pressley, Mrs. Ken Anzeley, Mrs. Bobby Newman, Mrs. J.C. Gatewood, Mrs. Derrrell Nowell, Mrs. Jimmy White, Mrs. Robert Hunt, Mrs. Gerald Shanks, and the advisor, Mrs. Roland McCormick.

NOT NEEDED THEN The only part of a man that doesn't function briskly while he is in pursuit of a dollar is his conscience. -Star, Montreal.

Miss Vina Bass

Vina Bass Earns FHA State Degree

Miss Vina Bass, daughter of Mr. and Mrs. Harvey Bass was notified that she has completed requirements for and is qualified for State Degree in Future Homemakers of America at the Area FHA convention held March 22 in the Lubbock Municipal auditorium.

Vina is a senior student Muleshoe high school and the only Home Economics student who made application to work toward the degree this year. To qualify for the signal award, girls must participate in many, many activities and must keep careful record of each such activity, and home economics activities in particular. These records are graded against a standard and all receiving a grade of 70 or above are eligible to receive the State Degree. Before girls are eligible to apply for the State Degree they must have completed requirements for both the Junior Degree and the Chapter Degree, and it usually requires four years to complete work for the degree.

Already recipient of the Betty Crocker Homemakers of Tomorrow award for 1968, Vina is president of Rose Chapter of FHA, a member of Future Teachers of America, National Honor Society, plays a clarinet in Mighty M Band and is a member of Muleshoe Primitive Baptist Church.

Further recognition of those earning State Degrees will be given May 1 at the State FHA convention in Dallas. Attending from Muleshoe along with Miss Bass will be her teachers, Mrs. Roland McCormick, Mrs. Ben Gramling, and student teachers, Miss Kim Hailey and Miss Norma Larson. Mrs. McCormick's mother, Mrs. R.W. Cudd, Mrs. Harvey Bass, two girls from Rose Chapter not yet named who will go on points earned, and two girls from Rosebud Chapter on points earned. The group will return to Muleshoe May 3.

ON MEAT INSPECTION
President Richard M. Nixon has chosen J. Phil Campbell for under secretary of agriculture and will place responsibility for enforcing the controversial 1967 meat inspection law in the hands of one of its leading opponents.

Natl. Piano Auditions Center Established Here

Mrs. Sam McKinstry, local chairman, announces that Muleshoe will have an established center, along with the 700 centers across the nation, when the National Piano Playing Auditions are held this spring.

Thirty pupils from the class of Mrs. McKinstry have registered as candidates for membership in the National Fraternity of Student Musicians sponsored by the National Guild of Piano Teachers.

This is the first year for Muleshoe to have a center and the students will not now have to go to other centers as they have had to do in previous years. Forty students are required to establish a center.

Other local teachers who have registered pupils in this piano playing event are Mrs. Sam Damron, Mrs. A.M. Bradley and Mrs. W.T. Watson. Their pupils will perform in the presence of an imported examiner of note

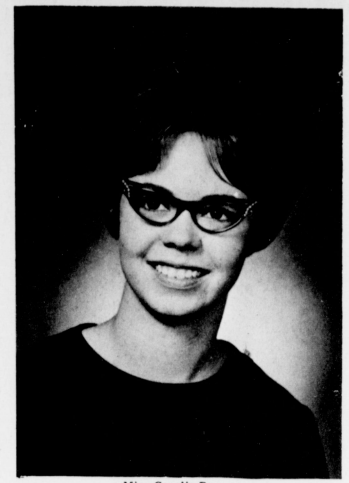

and each pupil will be certified, given a gold or bronze embossed pin and a year's membership in the National Fraternity of Student Musicians and Piano Hobbyists of the World.

The Muleshoe auditions will be held in the McKinstry "Musical Arts Studio" at 318 West Avenue J Tuesday May 6 and Wednesday, May 7, with Mrs. Richard Newton of Wichita Falls as adjudicator.

Carolia Bass Recognized at Tech Banquet

Miss Carolia Marie Bass, daughter of Mr. and Mrs. Harvey Bass and a student at Texas Tech, was among those honored March 29 at Texas Tech's annual awards banquet in the School of Home Economics.

She received the first Ellen H. Richards Award given, in recognition of major contribution in service by a non-officer of the American Home Economics Association and Phi Upsilon Omicron, home economics honorary.

Miss Carolia Bass

Miss Bass is in receipt of a congratulatory letter from Dean Willa Vaughn Tinsley, Dean of the School of Home Economics, Texas Tech.

Fred Beene said. The public is invited.

Seventeen bids have been made and taken to the Muleshoe Nursing Home.

It was announced the girl at Gristown, Berger, who has been sponsored by the Club has been adopted. Efforts will be made to get another girl in August to sponsor. The club does not meet in the summer months.

The afternoon was spent in cleaning the building.

Members attending were Mrs. Marvin Davenport, Mrs. Leland Jones, Mrs. Louis Dale, Mrs. Joe McMakin, Mrs. W.R. Underdown, Mrs. Leon Warren and the president, Mrs. Rudolph Moraw; the secretary, Mrs. Hal Phipps, and reporter, Mrs. Fred Beene.

Mrs. J.R. Otwell, co-

TOPS To Observe Anniversary

Plans were made Thursday night for a salad supper April 17 in Bailey County Co-op community room celebrating TOPS Club's sixth birthday. Charter members are to be honored.

Mrs. J.J. McDonald is in charge of invitations and Mrs. Dee Clements will serve as hostess. Highlights of club events the past six years will be given by several of the charter members attending.

Mrs. J.R. Otwell, co-

leader, presided over the meeting in the absence of Leader Mabel Wolfe who was attending the State Convention in Houston. Also attending were Mrs. Walter Sain, the yearly queen, and Mrs. George Province.

The meeting started promptly at 7:30 p.m. with nineteen members having weighed in.

Queen of the Week was Mrs. Claude Don Holms. First runner-up was Mrs. Lewis Vinson and Mrs. Otwell was second runner-up.

Art Association Elects Officers

Muleshoe Art Association met at the Muleshoe State Bank Community Room Wednesday, April 9, for its regular business meeting. Final plans were made for the annual art exhibition to be held this Sunday, April 13, at 221 East Avenue B in Muleshoe. The public is invited to view the pictures Sunday afternoon between three and five o'clock.

The following officers were elected for the coming year: President, Rheata White; First Vice-Pres., Beatrice Blackburn; Sec-

Vice - Pres., Inez Bobo; Secretary, Ada Murrach; Treasurer, Pauline Jamison.

Members attending were Mildred Williams, Syble Ericson, Bernice Amerson, Velma Davis, Tiny Forbes, Ruth Hammock, Myrtle Steinbock, Ada Murrach, Blanche Lenderson, Rheata White, and Jackie Smith and they enjoyed one visitor, Dorothy Wood.

New officers are to be installed at the meeting scheduled for May 14.

Needmore Club Plans Party

The Needmore Club met April 2 in the community building, with eleven members present. Mrs. L.H. Davenport was hostess.

Plans were made for the annual Co-op gin supper, to be held April 26.

The club will be hostess to a Stanley party, April 16 in the community building. Anyone needing Stanley items are urged to place the order with any club member, or attend the party, Mrs.

Square Thru's Going Strong

The Muleshoe Square Thru's report a lively night of dancing Tuesday at the American Legion Hall.

Club caller Eddie Gunnels, of Clovis, was on hand to put the members through their paces. "Things really moved and so did people," a spokesman said. This was the third lesson for the newly re-organized club. Gunnels travels to Hobbs April 12 to call a "square" with Gary Shoemaker of Abilene, Texas. This promises to be one great square dance with these two callers together.

The club is particularly pleased that teenagers are attending the lessons, some even coming from Earth, and others from Muleshoe, along with the caller's two daughters from Clovis. Other teenagers are welcomed into club membership.

After a short business meeting, presided over by President Jimmy Pressley, refreshments were served by Mr. and Mrs. Curby Brantley and Mr. and Mrs. Arnold Prater to the following members: Mr. and Mrs. Hilbert Wislan, Mr. and Mrs. Bryon Dutton, Mr. and Mrs. Buck Layne, Mr. and Mrs. John Bickel, Mr. and Mrs. Don Seales, Mr. and Mrs. Ben Roming, Henry Stoneham, Monty Dollar, Robert Hunt, Mr. and Mrs. Eugene Shaw, Mr. and Mrs. Bill Robertson, Mr. and Mrs. Willard Tibbetts, and Mr. and Mrs. Ike Wilcox.

Also attending were Chris Brock, Jimmy Littleton, DeAnn Brock, Becky Littleton, Jimmy Goodwin, Elaine Gunnels, Carl Sulser, Elizabeth Seales and Eddie Gunnels.

The next dance night will be Monday, April 14 at 8:00 p.m. at the Legion Hall. Guests and prospective members are always welcome, a club spokesman said, and a "real laugh-in" is prom sed.

Teachers Attend Convention

Delegates from the 215 local affiliates of Texas Classroom Teachers Association met in El Paso this weekend for the association's 13th annual State Convention.

Delegates from Muleshoe attending the convention are Mrs. Jack Obenaus, president of the local association and Elaine Davis.

Representatives of TCTA's 47,000 members voted on constitutional revisions, new state officers, and resolutions concerning legislation on teacher salaries, Professional Practices and professional consultation agreements.

Christian Science News

"It is God that girdeth me with strength, and maketh my way perfect."

Among related passages to be read from the denominational textbook is the following: "God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis. Mind manifests all that exists in the infinitude of Truth. We know no more of man as the true divine image and likeness, than we know of God"

Featured speaker at the NEA luncheon Saturday was Dr. Jack H. Kleinmann, director of the Office of Planning and Organizational Development of the National Education Association.

Delegates who attended the concluding TCTA banquet Saturday night heard Mrs. Mary Condon Gereau, legislative consultant for the Office of Legislation and Federal Relations, NEA.

The weather is still the best mystery of all time.

Welcome to Muleshoe

Norma Larson and Kim Hailey.

We welcome Norma Larson and Kim Hailey, student Economics teachers at Muleshoe High School, to Muleshoe. They are Tech seniors majoring in clothing and textiles and will be teaching here through May 23. Miss Larson is from Houston and attends the Methodist Church and Miss Hailey's home is Eastland and she attends the Baptist Church. They live at 122 W Ave. E.

The following firms extend a cordial welcome to Norma Larson and Kim Hailey:

<p>CASHWAY GROCERY</p> <p>402 MAIN Ph. 272-4244</p>	<p>James Glaze Co.</p> <p>INSURANCE REAL ESTATE LOANS</p>
<p>DAMRON DRUG CO.</p> <p>REXALL</p> <p>308 MAIN Ph. 272-4210</p>	<p>MULESHOE STATE BANK</p> <p>MEMBER FDIC</p>

Fireman Of The Month

Owen Jones

We present Fire Marshal Owen Jones, fireman of the month. He and his wife, Clara Lou, live at 221 E Cedar and have two sons: Mike, 13 and Tommy, a student at WTU. They attend the First Baptist Church. Jones has served on the Muleshoe Fire Department for 18 years and is Resident Engineer for Bailey County Electric Co-operative. This firm is to be commended for allowing their employee to make business hour fire calls.

of growth produced higher yields and returns than solid irrigation at pre-square or solid first bloom stage of growth.
The every other row irrigation produced 497 pounds of lint per acre compared to 402 pounds and 439 pounds of lint for the other two methods respectively. "Also tagging of the blooms showed that 88 to 93 percent of the lint was produced from the first four weeks of blooming," Valliant pointed out.
The skip-row irrigation method at pre-square showed an increase in lint produced from the first two weeks of bloom. "The pre-square irrigated cotton produced 336 pounds of lint from the bloom set in the first two weeks while the first bloom irrigated cotton produced only 304 pounds during

and bring them before the bench." He quoted President Nixon in presenting his D.C. Crime control plan as saying, "there is no deterrent to crime quite so effective as the public presence of policemen."
"I go along with that all the way," Price said. "But I say it's one thing to have a good police force and it's another thing to support it. The major form of support our policemen need right now is support by a decent court system—a system that won't leave them with the feeling that it doesn't matter how well they do their jobs since the criminal they nab is going to be turned loose again anyway."
Price said we must teach respect for law officers and firemen.
He commented that since being in Washington, he has lost a stereo and has had four suits stolen. President Nixon has asked for an additional 1000 police officers for Washington, D.C.
"The ordinary citizen," mentioned Price, "has a disorder and riots in Washington. I affect the entire nation. In Washington D.C. some 31 percent of the Junior High and High School students are on dope. Dope and the increase in crime contribute \$1 billion a year to organized crime."
"Our grandpa had problems, we will have problems, and there will be problems left when we are gone," said Price. "But we do have the brains and ability to help solve some of the problems we are faced with today."
Due to the drastic increase in crime, of which 70 percent of various criminals arrested at least five to seven times, Price urged stronger sentencing, better wages for law officers, better equipment and revision of

McDaniel for Bula-Enoch; Mr. and Mrs. Ernest Ramm, Progress-Lariat and West Camp; Mrs. Kirk Pitts and Mrs. Harold Allison, Pleasant Valley; Mrs. Dan Throckmorton, Y-L; Mrs. Herbert E. Sowder and Mrs. Buck Ragsdale, Three Way, including Stegal, Circleback and Needmore and Mrs. Richard Engelking, Lazbuddie.
Mrs. Costen said other volunteers for the drive are being sought.
Special concentration will be made during Library Week, April 20-26 to secure new members for FOL.
Jeff Peeler, vice president of FOL, is in charge of the membership drive and Lyndal Murray and Kenneth Henry will conduct the business drive in downtown Muleshoe. Details will be released next week.
It is hoped that during the drive, a house-to-house membership drive will be held. The Jayceeettes, under direction of President Mrs. Curtis Walker will sell memberships in Piggy-Wiggy, Cashway and Waggon's Grocery.
Also slated during the drive will be the first annual award to the "Library Family of the Year." The award will be presented the family judged to utilize the facilities of the library the most during the past year.

Chamber Corner

Jerry Hutton, C of C Manager

Things seem to be shaping up pretty good, everyone is real willing to help and it looks like we are going to have a good year. I would like to thank Bill Moore for getting some Indian Dancers for our 4th of July celebration. It took a lot of time, This promises to be one of the biggest, if not the biggest, 4th of July celebration we have ever had. Earl Ladd and the firemen have agreed to take care of the fireworks again this year. If you know of anyone who has some mules or old wagons or anything else we can add to our parade, contact R.A. Bradley at Fry & Cox, or contact the Chamber. We have had several replies from people who will work in service stations, restaurants, and motels, so that these people may attend our tourist ambassador appreciation banquet. We have also had some replies from surrounding towns who plan to attend our Tourist Workshop April 24, 1969. This workshop will be held at the First Methodist Church Fellowship Hall from 9:30 a.m. to 1:30 p.m. We have invited about 20 of the surrounding towns.
Roger Albertson, chairman of Dad's Fishing Wagon, reports that the pick-up should be ready for display real shortly.
If anyone is interested in college courses for credit in Muleshoe, contact the Chamber Office-4248, Jerry Hutton Manager *****
If you have a friend who agrees with everything you say he is either stupid or insecure.

the penal system.
"Since the crime rate is going up, not only in big cities, but 12 percent in rural areas, everyone in the nation will directly feel what is going on in the larger cities," said Price.
Price expressed his concern over the situation in Vietnam and said "There are two ideologies on this planet.... communism and freedom. A constant struggle is communism versus Christianity and freedom."
"The communists would like to occupy and run the world. They have kept 12 nations under their control since World War II. At this time, Czechoslovakia is attempting to regain some basic freedoms."
Price pointed out that at this time southeast Asia has erected an arc of defense around China.
"Further," said Price, "some of the nations of southeast Asia have not been strong enough to police themselves. However, how strong were we in the first few years of our independence."
Price said South Korea is now a showcase for free enterprise and democracy. In Japan, he continued, we have built a major military base.
"Also we have strong forces in Okinawa composed of B-52s. If they were armed

lution buildups in many fields in the state. For specific details of these reports refer to current reports being issued by area Extension entomologists or the weekly Cooperative Economic Insect Report by L.R. Green, survey entomologist, Texas Agricultural Extension Service.
Producers should be encouraged to check small grain plantings closely to avoid yield reductions. The following guide indicates the usual economic population thresholds and need for control:
Plant Height (inches)
3-6
4-8
6-16
Number greenbugs per linear row foot
100-200
200-400
300-800
Reference should be made to additional remarks concerning this pest and the methods of control in MP-339, Texas Guide for Controlling Insects and Mites on Grain and Forage Crops, available at the county agent's office in Muleshoe.

with 400 atomic weapons, we could turn all of China into a sandy beach and the Chinese know that.
"We also have Formosa, Philippines, Malaysia, Indonesia. As of now, the arc of defense is not located on our West Coast."
"People say we should not be concerned or involved in Vietnam. It is a struggle worth winning or we would not be there, he said."
"Now, if we should withdraw from Vietnam it would be the same as capitulation, it would mean we will not stand up and fight. We would become a nation of compromise and the communists would consider this a victory continued Price."
Turning to another area of government concerning everyone, Price spoke on inflation.
"The United States has lived beyond its means for several years," commented Price, "and the national debt has increased and the interest alone on the national debt is staggering."
He also anticipated it would be at least two years before President Nixon would be able to show any results on controlling inflation.
He stated, "This country should and must get inflation under control and must have fiscal responsibility."
"This country has a tremendous capability to produce, however, we cannot have all government spending programs going on at the same time."
"In the attempt to control inflation," stated Price, "the first two groups to feel the readjustment will be the manufacturers of mediocre goods and unskilled labor."

AZALEA QUEEN NAMED
Washington -- Tricia Nixon, blonde daughter of President and Mrs. Nixon, will reign as Queen Azalea XVI at the International Azalea Festival in Norfolk, Va., April 23-27. Last year's queen was Luci Johnson Nugent.

Luke Jeter Show Coming to MHS

Auto Safety Program To Be Held at MHS

Students of Muleshoe High School will have an opportunity at 2:45 p.m. April 17 to see for themselves how the false sense of security the driver of a modern automobile gets, can lead into the danger zone and trouble. Tom Jinks, principal said today. Some students will actually participate in driving tests, he said.

Ben Bullard of Waco, assistant safety director for the Texas Farm Bureau, will present a two-part demonstration at 2:15 p.m. April 17 at the school. The first part will consist of a brief talk and film on traffic safety, and then Bullard will present a reaction and braking demonstration on 5th Street North of the school. High point of the demonstration will come when driving tests are made with various students and faculty members in the specially equipped car. An electric detonator which is mounted on the front bumper of the car will fire yellow paint bullets to indicate the distance required to stop the car in an emergency. The driver being tested will be signalled to stop by

the report of the first shell. The second will be fired automatically when the brake is applied, and the third when the car halts. Distance between the spots of paint will then be measured to determine the reaction, braking, and total stopping distances. Tests will be limited to 20, 30, and 40 mile per hour speeds because of the danger of making emergency stops

SCHOOL MENUS

Muleshoe School Lunch April ---14---18---1969.

- MONDAY
 - Milk

Amarillo Hosts TASC State Convention

The MHS Student Council sent its four delegates and sponsor the TASC state convention March 27-29. The four delegates were Ann Douglass, Trenea Bryant, Sam Feagley and Jerry Scoggin. Mr. Block, sponsor went also. The convention this year was held in Amarillo.

The delegates carried the 1968-69 S.C. scrapbook to the state convention to be placed in competition with books from across the state. Mart Francis, MHS S.C. Historian was the editor of the book and was honored by having it place 3rd in state competition. The scrapbook is quite lovely and was well deserving of this award. The plaque and book are in the MHS library for viewing.

By attending workshops and meeting the delegates collected valuable information and new ideas for bettering our student council. One of the most outstanding suggestions was on the method of voting in school elections. The Muleshoe S.C. will use this method for elections this spring.

MHS TRACK TEAM--The MHS track team has been working very hard this spring. They are (top row, l. to r.) Charles Beamon, Terry Reasoner, and Keith Turner. Bottom row, l. to r., Royce Harris, Dennis Beene and Waid Griffin. Not pictured are Joe Pat Riley, Colin Flatt and Tommy Little. These boys are nearing the end of the 1969 track session.

Top Auto Mechanic Competition Slated

The annual search for America's top young auto mechanics is under way.

Auto mechanic students from schools across the country -- including a team from Muleshoe High -- are entering the 21st annual Plymouth Trouble Shooting Contest, according to Tom Jinks, Principal of Muleshoe High.

All 32 students in Muleshoe's auto mechanics class are eligible for their school's Trouble Shooting team. Two auto mechanic students will be selected for the team through intra-class competition by R.K. Minckler, the auto shop instructor to represent Muleshoe at the local Trouble Shooting Contest to be held May 17 at Lubbock. The contest consists of two competitions: a written exam for each participating student which will count as 30 percent of a team's final score, and a mechanical challenge worth 70 percent.

Contentants are competing for a total of \$125,000 worth of scholarships and awards. Purpose of the Plymouth Trouble Shooting program is to recognize and honor outstanding auto mechanic students and to encourage them to seek a rewarding career as an automobile mechanic.

In the mechanical competition, students work on new cars supplied by local Plymouth dealers who sponsor the event. The boys race the clock each other to find and fix several identical malfunctions purposely place under the hoods of the cars by Plymouth engineers.

The Lubbock Area contest is one of about 100 local events being held across the country this spring. The winning team and its instructor earn an expense - paid trip to the National Trouble Shooting Finals June 16, 17, and 18 in Indianapolis at the famed "500" Speedway.

SPRINTER -- Keith Turner runs the 440-yard dash. Keith is a sophomore at MHS so he will be a top competitor in the next two years. Keith also plays football and basketball for the Mules.

SENIOR SPRINTER-- Coming out of the blocks is sprinter Charles Beamon. Charles will be traveling to Dumas to compete in district, and from there he is expected to go to regional. He is a MHS senior student.

WINDUP -- Terry Reasoner is pictured showing the form of his windup to throw the discus. Terry will be going to Dumas to compete in district.

The Muleshoe Golf Team won the South Zone of District 1 AAA. The boys defeated Hereford by a total of 26 strokes and easily out-distanced Tulia by some 50 strokes. The boys now will be playing Perryton, winner of the North Zone, on April 12 at Dumas. This will be an 18 hole match with the team with the lowest score winning the district championship. Ricky Botkin was the medalist for the South Zone. Ricky will also be competing for District Medalist Saturday along with three other golfers. Next week the boys will travel to Odessa to compete in the Regional Meet on April 17-18. The top two teams in the District go to the Regional Meet, so regardless of the outcome at the District Championship playoff, the boys will be going to Regional since they were the winners in the South Zone. The boys who have competed in at least one district meet this year are: Ricky Botkin, Jeff Chapman, Lewis Morris, Larry Calvert, Bucky Taylor and Mike Riley.

Choir Readies Program For Assembly

Tuesday April 15, at 10:45 the Muleshoe High School Choir will present an assembly for Muleshoe High Students and the public. The program will include such numbers as "My Cup Runneth Over" from the Musical "I Do, I Do", various selections from the Broadway production "West Side Story." Several light lyrical numbers will also be sung along with two selections presented by the choir at UIL contest in Amarillo.

Speech Class Places First In Competition

Speech Class Wins Literary Events! Muleshoe High's School's speech department won 106 points in the District 1-AAA Literary events. Seven points compiled in Spelling by Carolyn Wedel and Shirley Whitsom brought the total to 113 points to secure the Sweepstakes trophy for the speech department. Jim Mardis won first in boy's persuasive speaking to match Mark Edwards who took the division of extemporaneous speaking. Renee Dyer won first with her poetry interpretation and Martha Jane Chapman and Betty Hartin won girls' debates. These students will participate in regional contest at Odessa April 19.

Bucky Taylor and Delton Bass placed second in boy's debate. Joe Duke, second in boy's prose, Sheryl Mawon third in girl's prose, while Leland Ferris placed third in boys' poetry. In girls persuasive one Darsee placed 2nd and Gail Given placed third in informative speaking.

All places contributed important points to the sweepstakes trophy determining that Muleshoe High School's speech department is the best in the district!

FASHION NOTE A young man's idea of a distinctive shirt is one that drowns out all other shirts in his immediate vicinity. -Free-Press, Detroit.

AUTO-MECHANIC OFFICERS--These four boys are the Auto-Mechanics officers. They are (l. to r.) Bob Bomer, Danny McNeal, Rich Bomer and Randy Lackey.

Seniors to Present Arkansas Travelers

Luke Jeter, a native-born Texan, will bring his Arkansas Travelers to Muleshoe to present a show at the Muleshoe High School Auditorium next Saturday night, April 19. The show is being sponsored by the 1968-69 senior class. Jeter, who is a nationally famous fiddler, was born in 1927 in Plainview and moved to Greenland, Ark. as a small boy. One of his youthful companions was Jimmy Dean, who also was born in Plainview.

For most of his life, Jeter has lived on a high mountain top west of Greenland (Ark.) and considers this now his true home. He has been playing music most of his life and has risen to popularity and fame during the past ten years. He has appeared many times on television and radio. For the past few years, Jeter has been a recording star, and spends much of his time in Nashville, Tenn. He has worked and appeared many times with some of the Grand Ole Opry stars, and hopes in the future to become a regular on that popular show.

A violin collector, Jeter has over 300 violins in his collection, and has won numerous national fiddling contests. He not only collects violins, but he also makes them. In his home are literally hundreds of violins which he has whittled out and glued up and put strings on over the years.

He said that one of his ambitions is to put a fiddle in ever school in Arkansas. Each place where the Arkansas Fiddlers Association meets, he has a violin on display.

Final member of the show is Katie Hart, who handles all the bookings and publicity for the group. She is also the secretary of the Arkansas Fiddlers Association. Mrs. Hart is married and the mother of eight children. The senior class welcomes anyone who would plan to attend this night of "Old Time Fiddling."

There is no substitute for brains regardless of what you may be using.

A HELPING HAND

MHS SCRAPBOOK--Mart Francis displays the Muleshoe High School scrapbook. Mart's diligent work on the scrapbook netted the school and Mart third place in state.

Bula News

by Mrs. John Blackman.

Mr. and Mrs. Dewitt Tiller and children were Easter dinner guests of her parents, Mr. and Mrs. John Adudelli, of Lubbock.

Mr. and Mrs. John Blackman enjoyed having their granddaughter, Patt Cash over the Easter holidays. Her parents, Mr. and Mrs. Dudley and boys Dennis and Darryl went to Stillwater, Okla., where he met with some college professors and found an apartment to live in during eight weeks of the summer while he will be attending school there.

Superintendent and Mrs. Marion J. McDaniel were really wearing a broadsmile Thursday morning when I visited the school and very quickly I found out the reason. They had just become grandparents.

Timothy Lane McDaniel was born to Mr. and Mrs. Gordon McDaniel of College Station, Thursday April 3, at 2 a.m. His weight was 7 pounds and 9 ounces.

Mrs. McDaniel was the

former Barbara Autry, daughter of Mr. and Mrs. E.M. Autry. This is their first grandchild.

Both the McDaniel and Autreys spent some time recently in the Gordon McDaniels' home helping to care for this new arrival.

Visiting in the home of Mr. and Mrs. Nolan Harlan and Ann Saturday morning was Mrs. Harlan's aunt, Mrs. Jack Kerry, of Cottonwood, Calif. and also Mr. and Mrs. Edd Britt of Tatum N.M.

Raymond Teston spent a few days first of the week with his daughter, Mr. and Mrs. Avon Rushing at Snyder.

Kimberley and Jackie Oldfield, daughters of Mr. and Mrs. Barney Oldfield of Grants, N.M., spent Thursday until Saturday with their grandparents, Mr. and Mrs. John Hubbard, Mr. and Mrs. Oldfield went to Henrietta for the funeral of his grandfather Mr. A. Goodner of Henrietta.

Mr. and Mrs. J.O. Dane and Mrs. Joe Clark and children Donnie and Nita, left late Saturday evening returning Wednesday. They visited another daughter of the Dane's Mr. and Mrs. Lindsey Bates and boys of Bisbee, Arizona.

Mr. and Mrs. R.E. Jones left Tuesday to spend a few days with his mother, Mrs. I.D. Jones, patient in a Wellington Hospital.

Mr. and Mrs. W.D. Clawson and daughter, Debbie of Lubbock, were lunch guests Sunday of the L.L. Clawsons'. Mr. and Mrs. Art Foley and boys of Littlefield, were supper guests Friday evening of the Gene Bryans.

Mr. and Mrs. Joe Haithcock and children Lisa, Janet and Jeff of Carlsbad, N.M. and Mrs. Harlan's mother Mrs. Mary Britt of Amherst stop by for a short visit Saturday afternoon with the Harlans as they were returning Mrs. Britt to her home at Amherst. Mr. and Mrs. Nolan Harlan and Ann joining them and having supper at Mrs. Britt's in Amherst.

Mr. and Mrs. Richard Stanley of Hereford spent Friday night with her parents Mr. and Mrs. John Hubbard.

Mr. and Mrs. J.C. Withrow and children were hosts Sunday afternoon to an Easter egg hunt for neighbors, relatives and friends children. Following the hunt refreshments of punch, cake and cookies were served by Mrs. Withrow and girls to 32 guests that attended.

Mr. and Mrs. L.C. Fred really enjoyed the holidays by having their children home. They were Mr. and Mrs. Keith Fred and children Todd and Nikki from Normal, Ill. Mr. and Mrs. F.G. Lindsey of Midland, Mr. and Mrs.

Bennie Frey and girls Carolyn and Sheryl of Levelland; Mrs. Dall Sanders and son Billy of Amarillo; Mr. and Mrs. Bobby Fred and children Terry, Kenny, Mark and Janet of Denver City; Mr. and Mrs. James Hooper of Lubbock. Mr. and Mrs. R.T. Newton and boys Denton, Tom and Steve of Enochs. Also Mr. F.L. Fred of Norton, Glenn Price of Morton and Mr. and Mrs. A.P. Fred of Enochs.

George Ann Bahlman, teacher in the Springlake school system spent the Easter holidays with her parents the George Bahlmans.

Mr. and Mrs. Darnell Williams and son Dewayne were dinner guests Sunday of her sister Mr. and Mrs. T.J. Durham of Lubbock.

Mr. and Mrs. E.O. Batties visited during the holidays with his sister Mr. and Mrs. E.T. Holly and her brother Mr. and Mrs. P.H. Estes of Hollis also with another brother, Mr. and Mrs. Wayne Estes of Wellington.

Mr. and Mrs. Lawrence of Freeport, Texas spent Saturday night with her brother and family Mr. and Mrs. James Boleyn and boys, returning to their home Sun-

day. Her father, Doc Boleyn, came home with them for a visit.

School resumed Monday morning at 8:20, after ten days of Easter vacation. Most of all of the teacher personnel and pupils too, went fishing or did something relaxing during the holidays.

Donnie Wayne Jackson, son of Mr. and Mrs. Johnie Jackson of Lubbock and Mrs. P.R. Pierce, Bula, is confined in the Methodist Hospital Lubbock, seriously ill with a blood clot. Donnie, with his parents, came out to spend the Easter Sunday with his grandparents and were attending church when he became ill and was rushed to the Littlefield Hospital then afterwards to the Methodist Hospital, Lubbock. Donnie is 16 years old. He was badly burned when he was about ten years old and hasn't been too well since.

Mr. and Mrs. Gary Everett and children, Scott and Laura, of Odessa spent the holidays with her parents, Mr. and Mrs. W.C. Risinger and Mike was home from Tech for the holidays.

Mrs. B.S. Settiff spent Friday until with her daughter Miss Gladys Settiff of Hereford.

Mrs. Mike Warren, a junior student at the Texas university, spent last week here with her husband, he returned her to school which was to start April 7, and spent the week of his vacation with her. Warren is a teacher in our school.

Sherry and Cynthia Withrow, students at Abilene Christian College spent the past week with their parents, the Jack Withrows. Their studies resumed Tuesday. Brother Buford Peterson

of Enochs brought both the morning and evening message at the Baptist Church in the absence of brother Eddie Howard. Brother Howard was in a revival at the Anton Baptist Church. Easter company in the J. L. Latham home were his sisters, Mrs. Rosie Dody of Seymour and Mrs. Bulah Wardlow of Hobbs, also their daughter, Mrs. Warner DeSautell and boys, Criss and Cliff of Lubbock.

Mr. and Mrs. W.R. Adams attended the 75th surprise birthday party given for Mrs. W.R. Forth, Sunday afternoon at the home of her daughter at Maple. The affair was hosted by grand daughters of Mrs. Forth, 75 W.R. Fort, Sunday afternoon at the home of her daughter at Maple. The affair was hosted by grand daughters of Mrs. Forth, 75 relatives and friends were in attendance.

Easter Sunday company for the Lloyd Pollards were their sons and daughters, Mr. and Mrs. Larry Pollard, children Tanya and Lance of Wichita Falls; Mr. and Mrs. Lacey Terrell of County Line and Mrs. Sue Terrell of County Line and Mr. and Mrs. Bob Robertson of Morton.

Mr. and Mrs. A.M. McBee enjoyed having all their children home for Easter Sunday they were Mr. and Mrs. Perry Spell and children Perry III and Lisa from Alexandria, La. Mr. and Mrs. L.C. Childers of Wolfforth; also Mr. and Mrs. Darwin McBee and girls, Enochs.

Mr. and Mrs. J.D. Rowland were Easter dinner guests of his brother Mr. and Mrs. Waldon Rowland of Littlefield.

Mr. and Mrs. V.C. Weaver visited Sunday afternoon at the Roberts Nursing Home in Morton they visited with a friend of several years Mr. Tommy Murphy and also Mrs. S.A. Williams.

Mr. and Mrs. Claude Whittenburg and children Keith, Julie, and Jamie of Hennessey, Oklahoma visited Monday in the home of his father Mr. and Mrs. Harvey Whittenburg.

Mrs. Earnest Ellison of Lubbock came Wednesday to spend a few days with her parents Mr. and Mrs. J.W. Layton, while recuperating from major surgery recently.

Mr. and Mrs. Clifford Waldin of Lubbock visited Sunday with his mother Mrs. Pearl Walden, and they drove to the Charles Farmer home near Needmore for a visit in the afternoon.

Women's Society met Thursday afternoon at the home of Mrs. W.L. Clawson in Littlefield.

This being a special Easter service, each lady brought an article or Easter taken from a magazine or local news paper. For the worship center an open Bible lay in front of a gold cross edged in white lace surrounded in tiny white carnations. Mrs. Tommy Kirk had charge of the meeting.

Following the meeting the hostess Mrs. Clawson.

served refreshments of open faced sandwiches, olives, cake, and drinks to Mrs. Mary Landers, Mrs. Paul Young, Mrs. Tommy Kirk, Mrs. Harvey Whittenburg, and Mrs. L.H. Medlin Sr. Both Mr. and Mrs. Clawson are charter members of the Bula Methodist Church and continue to drive out to church services Sunday mornings. They have recently moved into Littlefield.

LeRoy Bishaw

BELLEVILLE, Ill.-- Staff Sergeant LeRoy F. Bishaw, son of Mr. and Mrs. Francis P. Corfan, 521 - D Kawailoa Road, Kailua, Hawaii, has received the US Air Force Commendation Medal at Scott AFB, Ill.

Sergeant Bishaw, an administrative specialist, was decorated for meritorious achievement at Scott. He was cited for his knowledge, skill and outstanding duty performance.

The sergeant is in a unit of the Military Airlift Command. He was graduated in 1962 from Kailua High School and attended Vallejo (Calif.) Junior College and Belleville (Ill.) Junior College.

His wife, Dorothy, is the daughter of Mr. and Mrs. Joseph F. Bujosek, son of Mr. and Mrs. Joseph F. Bujosek, Rt. 1, Farwell.

Tax Man
Sam Sez:
 Once upon a time there was a computer. This computer worked for the IRS. When this computer first started working for the IRS all of the taxpayers had to go find their Social Security numbers and give them to the computer so the computer could identify them. Unfortunately not all of the taxpayers got their numbers right. Some of them mixed up their Social Security number. During the first year of notices to taxpayers saying "I don't know you!" The good tax folks asked taxpayers to be good taxpayers and be sure to give the computer their correct Social Security number. To tell the computer who they are. Now, only a very few taxpayers mix - up their Social Security number. This makes the computer happy because the computer wants to know who everyone is, so the computer can give every taxpayer all of his tax credit and won't send him somebody else's tax bill.

These men know cotton... and they know what Paymaster's Certified Lint Block Program means to all High Plains Cotton Growers.

ACCO SEED

Dr. L. L. Ray
 Associate Professor, Texas A & M University
 South Plains Research and Extension Center, Lubbock

Harry E. Arthur
 Assistant Director, Textile Research Center
 Texas Technological College, Lubbock

Orville Bailey
 Roundup Gin
 Anton

"The Texas High Plains has made tremendous progress in upgrading the quality of cotton fiber. This was accomplished by planting better varieties, using better quality seed and marketing through lint blocks or similar programs. The image of this area is greatly improved and it has meant millions of dollars to growers. I am concerned that we do not lose ground. We must (1) plant varieties that will produce fiber the mills want and can use; (2) plant the best quality seed; (3) do a good marketing job."

"A planting program wherein Certified seed is used is certainly a great step toward production of a more uniform fiber. A certified lint program would help to assure the mills of a reliable supply of quality cotton from which they could choose to produce a given fabric."

"No two years are alike, but Certified Paymaster 111 is a good consistent cotton and does good regardless of the weather," says Erlan Gresham. "It has a real good fiber - you can tell the difference just by the feel - and has a price advantage for the grower. I'm planting Certified Paymaster 111 this year and would say that about 50% to 75% of the growers in this area will be planting Paymaster 111."
