## Legion Makes Call For Cast-off Clothing

## Wellington Skyrockets Here Friday to Tackle Broncs

### "SMILE DAY" TO BE CELEBRATED HERE

#### CITIZENS URGED TO GATHER UP CAST-OFF GARMENTS AND SHOES

Last fall the Aubyn E. Clark Post of the American Legion of Clarendon did some very fine relief work in gathering up shoes for needy school children, as well as clothing for needy adults and children.

This fall the work will be carried on, again with special emphasis on the need for shoes for needy boys and girls of school age, and Sunday, Oct. 30th, which has been designated "Smile Day" in Texas by the Legion, is the day on which this drive will be made. The local post has named a committee composed of Ralph Andis, T. M. Shaver and Sullivan Cooper, to be in charge of this movement, and they will be glad to call at the homes of Clarendon people to pick up any garments or shoes on Sunday, Oct. 30. If preferred, bundles of clothing or shoes may be left at the Mayor's office at the City Hall, or a phone call to any member of the committee, the city hall, or Post Commander Ralph Kerbow will bring some one to pick up the bundle.

Sunday, October 30, has been designated by Carl Nesbitt, Commander of the American Legion, Department of Texas, as "Smile Day" and is the first phase of the state-wide program that has been outlined by the new Commander of the organization for the new year of the Legion.

In cooperation with the program of the American Legion, Governor Ross S. Sterling has issued a proclamation in which he calls upon the people of Texas to cooperate with the local posts of the American Legion and the American Legion Auxiliary in this worthy movement for the relief of distressed citizens during the coming winter.

The object of "Smile Day" as outlined by Mr. Nesbitt, is to put on a city-wide campaign in every city that has a post of the American Legion for the purpose of collecting surplus clothing which may later be distributed to the needy of the community and thus insure these people warm clothing for the winter months. The plan is designed for each community to take care of its own situation in this regard as adequately as possible.

American Legion Posts and units of the American Legion Auxiliary are urged by Commander Nesbitt to enlist the cooperation of other clubs and civic organizations of the community in this movement so that the greatest possible good may be accomplished.

The surplus clothing that is collected on "Smile Day", Sunday, October 30, will be assembled by each post at some central place in the city where it will be renovated, buttons replaced and sorted by sizes. When this is done it will be distributed to the needy of the community either through a commissary or turned over to the local Community Chest or organized Charities for distribution.

### THOMAS GROWS LARGE TOMATO

An ox-heart tomato, which is a rare thing in the Panhandle country, has been grown on the R. O. Thomas farm, two miles northwest of here. It is 14 inches in circumference and weighs 16 ounces. The unusual thing about this plant is that it contains no seeds and has an extra fine flavor.

### MacDowell Program Date is Changed

The November open program of the MacDowell Club has been changed from Saturday evening, Nov. 12th to Saturday evening, Nov. 19th, according to the advice of Mrs. John M. Bass, president.

Another change is made in the weekly rehearsal hour of the MacDowell Chorus whereby the chorus will now meet Monday afternoons at four-thirty o'clock instead of Saturday afternoons as before. This change is made on account of several of the members working on Saturdays and being unable to attend rehearsal on that day.

The director is anxious that all choral members be on hand next Monday afternoon at four-thirty at the club room.

### LOCAL MASONS TO LAY CORNER STONE

#### CLARENDON LODGE, OLDEST IN SECTION, WILL CONDUCT CANYON CEREMONY

CANYON, Texas, Oct. 25.—The Masonic Lodge of Clarendon, the mother lodge of the Panhandle, will have charge of the services at the laying of the corner stone of the Panhandle-Plains Historical Society museum building on Saturday, November 5 with W. H. Patrick, a member of the Clarendon lodge, and also of the Board of Directors and Building Committee, participating in the program.

The event which is one of importance to the entire Panhandle falls on the same day as the West Texas State Teachers College Homecoming, and the program at the Historical building will mark the culmination of the morning's entertainment.

Features of the program will be a tribute of appreciation from Dr. J. A. Hill, president of the College, to those who have supported the project, and also a short talk by J. O. Guleke of Amarillo, a member of the State Board of Education, who will speak on behalf of the state of Texas. A representative of Alva Bryan of Waco, Grand Master of the Masonic Lodge of

### NO ARMISTICE CEREMONY HERE

#### AUBYN E. CLARK POST WILL JOIN WITH MEMPHIS IN CELEBRATION

Aubyn E. Clark Post of the American Legion are going to co-operate with the local athletic officials in the sale of tickets for the Clarendon Bronchos and Memphis Cyclone football game to be played in Memphis, Friday November 11th.

There will be no Armistice ceremony here on November 11th, as the local post will go to Memphis where they will parade with the Memphis Legionnaires in the morning and in the afternoon at the football game will aid in policing the game.

There will be an American Legion dance at the Legion Hall in Memphis after the game hat night.

### NO COURT THIS WEEK SAYS JUDGE A. J. FIRES

Judge A. J. Fires announced that there would be no court this week in Donley County and next week Judge Kenneth Bain of Floydada would preside over this court while Judge Fires will hold Judge Bain's court as he is disqualified.

Texas, is also expected to be present for the occasion.

The museum building, located on the southwest corner of the Canyon college campus, is a long, low structure of Texas sandstone, of a design suitable to the Plains country. The large center room is called Pioneer Hall, at one end of which is a semi-circular art gallery to be called the Mary E. Hudspeth Room.

This room is the gift of the ex-students of the West Texas State Teachers College, and is given in honor of Miss Hudspeth, for many years dean of women and at present head of the modern languages department of the college.

The basement of the museum contains room for the preparation of exhibit materials and for the exhibit of paleontological and archaeological materials. This department will be directed by Floyd V. Studer of Amarillo.

### LIONS CELEBRATE 10TH ANNIVERSARY

#### OLDEST SERVICE CLUB IN CITY ENJOYS DECADE PARTY TUESDAY EVE

Clarendon Lions and their ladies met Tuesday evening at the Lions Hall for a jollification and celebration of the tenth anniversary of the organization in one of the most colorful events of the season.

Boss Lion Ira Merchant was the presiding toastmaster, and handled the occasion like a veteran and to the immense satisfaction of members, ladies and other visitors. The hall had been decorated in the Hallowe'en motif, and as the members and guests arrived they were furnished with paper hats and caps, provided with noise makers and colored ribbons, all of which contributed to de throne dignity and insure an evening of gleeful gaiety.

Shortly after seven-thirty Lion Fred Rathjen led a sing-song in which everybody limbered up their vocal cords and joined with hearty accord. Lion Rathjen introduced the various songs with humorous quips directed at a certain prominent citizen present and when the call "to table" was sounded the party was already in real seasonal spirit.

After the invocation was said by Lion O. C. Watson and the toothsome menu had been properly disposed of, Lion Merchant welcomed the ladies and visitors on behalf of the club, and made some remarks on the anniversary occasion, exhibiting the menu program of the Charter Night at the club's birth, October 28th, 1922. He then introduced Lion W. H. Patrick, the speaker of the evening, whose subject was "The Tenth Anniversary and The Surviving Seven."

Lion Patrick reviewed briefly the history and accomplishments of the club since its organization in Clarendon, and paid tribute to the aims and ideals of the Lions organization, giving it much credit for having worked at all times for a better community and for maintaining the morale of this citizenship during the years. He paid especial attention to the work of the club for the rehabilitation of crippled children and those afflicted by

### POOR ATTENDANCE AT GOLF MEETING

#### DECISION ON CONTINUANCE FOR 1933 STILL HELD IN SUSPENSE

The annual meeting of the Hill-croft Golf Club scheduled for Monday evening of this week found a scant dozen members present and with the plans for another year still in a very unsettled condition, there was no election of officers.

A proposition from Wesley Knorrp, owner of the property on which the links are situated, brought out a tentative plan based on a minimum membership of thirty-five, with membership fee set at ten dollars, and with monthly dues of two dollars. It was agreed that the members present were to canvas the town for the necessary membership on that basis, and a meeting at a later date would decide the matter.

The meeting has been set for Monday evening, November 7th, and all interested in golf are invited and urged to be on hand.

### Curfew Set For Hallowe'en Night

In just four more days it will be Hallowe'en and that's the night that witches ride on a broomstick to the moon and the spooks come out to play after a years hibernation. Of course there will be plenty doing. That's why Floop Pyle, City Marshall, is going to add eight new men to his force for that night. It isn't that he doesn't want anyone to have a good time for he does, but he does not want anything destroyed. No! Not one thing! He and his assistants will be on hand to see that the youngsters have a hilarious time and are not disturbed by those who might object and destroy.

He also asks that all children under 14 years of age be at home or off the streets by 10 o'clock.

Mr. and Mrs. Charlie Baldwin of Lamesa visited here the first of the week. Mr. Baldwin conducted a dry goods store here for many years and is now engaged in that business at Lamesa.

### Methodist Choir To Sing at Meet

Arrangements are being perfected this week whereby the choir of the Clarendon Methodist Church will go to Amarillo during the sessions of the Northwest Texas Methodist conference, convening there on Nov. 10th, and present a musical program before that body.

Since Clarendon is a contender for the 1933 session of the conference, every effort is being made to bring the candidacy of the local church to the attention of the four hundred delegates, and the local choir is planning to do its part by giving this program.

The local choir is one of the best volunteer choirs in West Texas and is capable of very effective musical renditions.

### "VOTE THE TICKET" SPEAKERS ADVISE

#### DEMOCRATIC RALLY HERE URGES VOTERS TO VOTE STRAIGHT TICKET

In spite of several other events and attractions in the city, a good-sized audience was present Tuesday evening when Mayor W. P. Cagle, who is county chairman of the Democratic executive committee, called the meeting to order and in his opening remarks predicted the militant spirit of the rally for Donley County.

A number of Democratic speakers and workers from Amarillo had accompanied Hon. Harwood Beville here for the occasion and were heard from in the course of the evening. Lou Stogner of that city was here and added much to the interest of the program with his songs and entertainment.

Most of the speakers present urged the voting of the ticket from president to constable, and all advocated a militant and aggressive campaign between now and Nov. 8th for the success of the national ticket, predicting a victory for Roosevelt and Gerner, and better times for the county at large.

Judge Beville presented the speakers as follows: Gene Howe, better known as Col. Erasmus Tack of the Amarillo News-Globe;

### BRONCHOS DRIVE FOR GAME FRIDAY

#### WELLINGTON FAVORED IN GAME HERE FRIDAY SINCE TYING CYCLONES

The second conference game for the Clarendon Hi Broncs is scheduled here Friday afternoon at 3:30, when the mighty Wellington squad comes over filled with determination to do what the Shamrock Irish did last Friday when they spilled Clarendon by a score of 14-13.

Wellington tied Memphis last Friday on the Memphis gridiron, which is always hard to do, and they are working hard this week to do a better job here than they did at Memphis, heartened somewhat by the unexpected weakness the Broncs displayed a week ago against Shamrock.

Coaches Stocking and Hutton are conceding nothing, however, contending that if the locals will go in and fight, using the football knowledge they have they should emerge on the long end of the score. Several changes in the line-up of the Broncs are being made, and the fans are hoping for a very different spirit in the team when the whistle blows Friday afternoon.

The Broncs are not out of the running for district champs just because they lost to Shamrock, and there is a growing determination to offset that loss by consecutive wins over Wellington and Memphis this sectional rag, and a drive through the competition of the other sections for another district title. The fans are encouraging the players and are expecting much from them from here on out.

Judge Julius Dorenfield; C. C. Gibson, chairman of the Potter County Democratic executive committee.

Others in the party from Amarillo were Dan McGrath, E. L. Coggin, Bob Underwood, Jr., Misses Sybil Smallwood and Jessie Webb.

### EDUCATION IS ROTARY THEME

#### FRIDAY'S MEETING GIVEN OVER TO CONSIDERATION OF SCHOOL PROBLEM

Dr. J. W. Evans, vice-president of the club presided Friday at the weekly luncheon of the Rotary Club in the absence of President O. L. Jenkins, who with F. E. Chamberlain were the only members not present for the day.

The program hour was given over to a discussion of Education, by Rotarian R. E. Drennan, whose address was most illuminating and helpful.

Mr. Puryear, a visiting insurance man was the guest of Rotarian C. C. Powell for the day and spoke briefly of his pleasure at being present for the occasion.

### Local Artists to be On Air Saturday

Mason King of Amarillo is sponsoring a Clarendon Artists Program to be on the air Saturday afternoon, October 29th, before the football game, over KGRS, an Amarillo Radio Station.

There will be a variety of entertainment offered and everyone is urged to listen in. Those appearing on the program are: Mrs. G. L. Boykin, Mrs. Allen Bryan, Miss Elizabeth Kemp, Miss Harvey Lou Strawn, Miss Joyce Link, Miss Barbara Smith, Miss Delphia Bones, Mr. Gus Stephenson, Mr. Hubert Reavis, and Mr. Robert Sandusky of Shamrock.

## Broncs Tripped In First Conference Game

### SHAMROCK WHIPS BRONCHOS 14 TO 13

The Clarendon Broncs were severely brought to earth Friday afternoon when the Shamrock Irishmen, outfought and outcharged them to win the first conference game 14 to 13. This means that the Broncs will really have to get down to work if they expect to be the district champions this year. They will have to show more fight in the opening part of the following games than was exhibited in the last two. The following is the game play by play:

**First Quarter**  
Capt. Andis won the toss and the Broncs chose to receive. McMahon received the kickoff on the thirty yard line. Andis hit the line for no gain. Davis hit off tackle for 2 yards. Andis passed to Watson for a 40 yard gain but the ball was called back and the Broncs penalized 5 yards for off sides. Martin punted out of bounds on the Shamrock 48 yard line. Cherry went through the line for 5 yards and again for two yards. Cantrell failed to gain and Wells punted out of bounds on the Broncs 32 yard line. Andis gained two yards and then failed to gain. Bolles failed to gain on the next play. Martin punted to the Irish 45

yard line. Wells and Cherry each gained a yard. Cantrell's pass to Wells was incomplete. Wells punted to Bolles on his 22 yard line and he returned the ball to the thirty yard line. Andis gained two yards. Davis gained one. Martin's pass to Andis was incomplete. Martin punted to Cantrell on his 45 yard line and he returned to his 40 yard line. Cherry hit the line for 15 yards and a first down. Time out was called for Shamrock. Cherry and Blake each gained one yard. Blake fumbled on the next play and the ball was recovered by the Broncs. Andis passed to Davis for three yards. His next pass to Davis was incomplete. Martin punted out of bounds on Shamrock's 60 yard line. A pass, Wells to Cantrell, was good for a first down. Wells gained a yard. A pass Cantrell was good for another ten yards. Wells gained one and then two yards. Clarendon substitutes Hudson for Davis. A pass, Wells to Cherry, was good for 8 yards and a first down. Cherry failed to gain, then gained one yard. Wells attempted to pass to Blake and Mayfield, but both were incomplete. The quarter ended with the ball going over to Clarendon on their own 28 yard line.

**Second Quarter**  
Andis passed to Martin for a

gain of five yards. Andis failed to gain through the line. Hudson picked up four yards. Martin punted to Shamrock's 31 yard line. Wells passed to Cherry for 7 yards. Cherry gained 3 for a first down. Cherry failed to gain. Wells gained two. Wells passed to Cherry for a first down. Cherry fumbled and Mann recovered for Clarendon on Clarendon's 48 yard line. Andis lost 9 yards. Clarendon called time and Whitlock went in for Andis. Whitlock gained 9. Hudson gained 3. Watson picked up one and the ball goes to Shamrock on their 43 yard line. Wells gained five. Wells passed to Cherry for 20 yards. Another pass Wells to Cherry was incomplete. Clarendon drew a 15 yard penalty for illegal use of the hands. Cherry gained two. Wells picked up 3. Blake netted 2. Cherry carried the ball over for a first down. Shamrock's ball on Clarendon's one yard line. Wells no gain; Cherry no gain; Wells no gain; then Cherry scored. His pass to Wells was good for the extra point. Shamrock kicked off to Bolles who downed on his 30 yard line. Shamrock substituted Shoemaker for Cantrell. Whitlock's pass to Watson was incomplete. Whitlock gained 9 and Hudson one. Clarendon substituted Easterling for Watson. Whitlock picked up one. A pass

to Easterling was incomplete. Clarendon drew a five yard penalty for off sides. A pass, Hudson to Martin was good for 13 yards. Whitlock picked up two and a first down. Hudson's pass to Martin and Martin's pass to Hudson were no good. Clarendon was penalized 5 yards for two incomplete passes. Martin punted to Shoemaker on his five yard line and he returned to his 20 as the half ended.

#### Third Quarter

Wells kicked off to Andis on his 20 yard line returned to his 26. Hudson picked up 4. Watson failed to gain. Bolles's pass was intercepted by Martin of Shamrock. Wells gained 8 then one. Cherry picked up 5 for a first down. Wells failed to gain then picked up one and then 4 more. Shoemakers pass to Wells was incomplete. Clarendon received the ball on her 19 yard line. Hudson gained one. Andis' pass was intercepted by Martin on Clarendon's 19 yard line. Wells gained one then passed to Blake for three more. Wells picked up 3 then failed to gain. Clarendon's ball on their own 9 yard line. Andis' pass was intercepted by Cherry who scored. Shoemakers pass was good for the extra point. Wells kicked off to Hudson on his 15 yard line and he returned to his 32 yard line. Andis gained

2. Watson picked up one. Clarendon substituted Whitlock for Watson. Martin passed to Bolles for 20. Whitlock hit the line for 15. Shamrock called for time out. Hudson picked up one. Whitlock gained 2. Whitlock passed to Andis for 8. Shamrock called for more time out. Shamrock substituted Harvey for Carmen. Andis picked up two and Whitlock three. Whitlock's pass to Andis was incomplete. Andis passed to Martin for 10. Whitlock went through the line for 6 yards and a score on a spinned play. The try for extra point was unsuccessful. Clarendon kicked off to Mayfield on his 30 and he returned to his 35 yard line as the quarter ended.

#### Fourth Quarter

Wells gained 6. Shoemaker lost 2. Cherry picked up 3. Wells punted out of bounds on the Broncs 19 yard line. Andis and Hudson each picked up one yard. Martin's pass to Andis was incomplete. Martin punted out of bounds on Shamrock's 49 yard line. Wells failed to gain. Wells picked up 5. Blake gained one. Wells' pass was intercepted by Bolles on the 18 yard line. Whitlock's pass to Easterling was good for 10 yards. A pass, Bolles to Andis was incomplete. Hudson lost 5. Shamrock drew a 15 yard

## WEST TEXAS MIS-REPRESENTED

The West Texas Chamber of Commerce is finding itself in the attitude of being at variance with thousands of long-time membership in numbers that very likely constitute a majority thereof.

When the tax reduction committee named for one year (1932-33) went outside of its duties and recommended the defeat of the constitutional amendment authorizing the Centennial Celebration and providing for funds for same if the legislature sees fit to appropriate, it started a war in the ranks of the membership and brought upon the organization the suspicion of the other regional chambers of commerce in the state.

As a long-time and ardent member of the West Texas Chamber of Commerce, and one who has believed that West Texas never had a better representative than the organization, we are forced to take a stand firmly against such a pronouncement and to declare that the tax reduction committee transcended its authority and stepped out of bounds when it considered any movement except tax matters of 1932 and 1933.

The amendment merely enables the legislature to make an appropriation of funds if funds become available in the years to come before 1936 the year of the Centennial. There will be several tax committees before that date, and clearly this action is usurping the authority of the committees to be appointed by succeeding administrations.

Nearly every state organization in Texas have endorsed the Centennial Amendment which means that in West Texas there are thousands of West Texans who are committed to the practical and patriotic purposes of the Centennial Amendment and who repudiate the action of the tax reduction committee, and of the administration which has rushed into print to bolster up the illogical action of its committee.

West Texas is thus mis-represented by the official heads of the West Texas Chamber of Commerce, for this section is not jealous of the historical spots of the state and our citizenship is not opposed to the spending of tax money for a celebration worthy of the past and indicative of the future of Texas—if conditions improve until such an expenditure is justified, and certainly no legislature will make any but routine appropriations unless conditions do improve.

In California the state appropriated a million dollars for the Olympic games, with the result that the state treasury received more than a million dollars in gasoline taxes and thousands of other dollars from sundry other sources; while forty-four million dollars were added to the business totals of California by the visitors who were drawn there.

Any celebration worthy of the Centennial will bring so many thousands to the state in 1936 that any ordinary appropriation will be a profit maker for the state treasury and the lesser consideration of profits to Texas business will follow in the wake of the higher aim of heralding to the world the greatness of Texas and her resources while Texans, themselves, gain a new and higher viewpoint of citizenship.

Vote for the Centennial Amendment. Vindicate the patriotism and generous viewpoint of West Texas. Make possible a celebration worthy of the name.

### PRAY FOR RAIN AND VOTE FOR BULLINGTON

Texans have learned many lessons since the Fergusons first came into prominence in state politics, and it now appears probable that the Fergusons are to learn one last lesson on November 8th.

Texas voters who stood for honesty and integrity in office almost defeated Fergusonism with Dr. Butte in 1924, and would have done so, had not the Ku Klux issue and party tradition stood in the way. Then came 1928 when Texans first learned that party lines could be broken successfully.

Now in 1932 with the brass collar tradition shattered, and with the state threatened with another mal-administration of Fergusonism, comes Orville Bullington, a bi-partisan citizen of well-known character and integrity, temporarily labeled Republican and carrying their more than a hundred thousand votes, and the light grows brighter, for multiplied thousands of Democrats who regard principle higher than party label are determined to add their votes to Bullington and drive Fergusonism forever from the political arena of Texas.

From all over the state comes the heartening news that character and ideals are repudiating the fraudulent nomination of the Fergusons and are turning to Bullington as the salvation of the state. Without beating of drums, without the blare of trumpets, without public demonstration, the thousands that love Texas more than empty party regularity are girding themselves to the battle for good government and on Nov. 8th will give an account of themselves that will likely give Texas a Republican governor, elected by the Democrats.

Down in East, Central and South Texas the busy season is at hand, and a rain on election day would deprive the Fergusons of thousands of votes—maybe a hundred thousand. This situation suggests a slogan which means the vindication of Texas before the eyes of the nation.

"Pray for Rain and Vote for Bullington" is the slogan.

## INCONSISTENT CHRISTIANS

I heard a preacher say Monday that he thought he could pay up all his debts—and with a sigh of relief he expressed his satisfaction at settling up and starting over again. He did not say however, that all the debts OWED him were settled. He never complained one whit about not being paid off for services rendered at a rate exceedingly low in comparison with what local CHRISTIANS have PAID visiting high powered evangelists, who bring their emotional messages and concentrate their campaign of religion. However, I happened to know that HE was not paid in full—not in half of what the church owed HIM. I knew that the only reason he owed anyone was because the CHURCH was behind with his meagre, paltry salary, amounting to approximately as much for one WHOLE YEAR as the Christian people of Spearman gave Dr. Rayburn and his singers in CASH for three weeks services just four short months ago.

While this writer has no criticism to offer for the method of the Christian churches, and the traveling evangelists who come at the invitation of the local pastors and churches—rather we have praise to offer for the HANDSOME way that the Christian people pay them—we do have criticism to offer for payment of VISITORS if it is at the COST of local ministers.

I think I can safely estimate that the membership of a certain church in Spearman contributed \$400, in cash to pay Dr. Rayburn and his singers during the meeting here in June. His services covered three weeks. His expenses were nominal. This same church is expecting their pastor to serve four months for the same money. His (the pastor's) expenses are not nominal. He has a family to provide for. He takes his car and attends this and that church function, that is a part of the organized denomination. He drives many miles in service to the poor and sick of his flock. He may be called on to drive 200 miles to officiate at a funeral. His expenses are LARGE. I do not have to speak from hearsay—I lived three years with a preacher, and I KNOW. They should have a fund over their salary to take care of the expenses incident to serving as pastor of their church.

Let us be consistent. Either keep up our payments to our local pastors who live with us year in and year out, and work and suffer with the entire community, or let us pay our visiting preachers in the same ratio that we do our pastors.—Spearman Reporter.

### CONDITIONS BETTER AFTER NOV. 8TH

With many partisan politicians to the contrary notwithstanding, The News believes firmly that business conditions will improve faster after Nov. 8th, regardless of who is elected president.

The country isn't going to the dogs whoever is elected to the presidency.

## BUSINESS MAY VARY, BUT SERVICE, — NEVER

For a number of years this institution has adhered strictly to the policy that business trends and requirements might vary but that service to its customers and depositors should be maintained at a uniformly high standard. This includes: Properly trained and skilled personnel; fair and impartial treatment administered to all clients; to render unexcelled service—always; and to keep faith with customers, community and the banking profession.

### HOME ECONOMICS CLUB

#### ENTERTAINS WITH PARTY

The Home Economics Club entertained with a party on Saturday evening in the Home Economics rooms. There were ninety-three present, including Miss Morgan and Miss Harris. The rooms were decorated with Halloween decorations. The special numbers on the program were a tap dance by Peggy Taylor and Mary Francis Dyer, and a song by Lovie Beavers. The initiations were then started in which all the new members took part. The initiations required that the girls wear bonnets, leave off all make-up and carry their books in a flour sack during the following week; the boys were to wear their ties, shirts, and sweaters backward and carry their books in a flour sack. Refreshments of ice cream and cake came at the conclusion of this highly successful party.

#### STUDY HALL REVERIES

Oh my! Here I am sitting in the study hall. It's the awfulest place. To think that I have to spend this year here is atrocious, it's abominable, it's . . . everything. Why do I have to go to school? Why do they have schools any way? Schools were built by those who should know better and of course our teachers think schools are the best places for us. My, this school gives me the wiggles.

Miss Howren thinks that this world is run mathematically correct. Miss Headrick, of course, insists that everybody should be able to speak perfect English. Miss Wiedeman actually believes that Spanish ought to be the world language. Imagine! and if she can't succeed in making it such, no doubt she'll try French and German. She could get off easy with any one of them since she says she speaks all three. Yes and there is chemistry in that smelly room and physics should be only for college students. What do I care about that history even if I do like my history teacher. She's more interesting any how than the subject she teaches. Honestly it would frighten my Dad and Mother if they only knew how many subjects this school teaches and we are exposed to.

My, but this seat is comfortable. I can sit back and look at the walls—they have been painted this summer. The pictures are pretty, too. I have studied them a lot since I've been in this study hall. I wonder if every body here knows who painted that pretty one right up there in front of us. They say it is Harold Bugbee's work. Gee, but I wish I could be out on the range some where. My, but this room is full. I wonder why they are so busy—at least they look that way. Look here, there's Anna Moores digging away at her Spanish. I believe she does enjoy that subject. I always do enjoy watching Bob McKee getting his Math. Gladys Salmon was never known to take her eyes off her book (guess that is the reason she always answers the teacher's questions, too.)

By the way, we surely do have some good looking boys and very pretty girls in this school. Mr. Burton should be proud of such a showing. T. J. Mann is getting a kick out of that novel he is reading for English points. My, but this is a cozy study hall in the winter time. Guess that is the

reason they have school in the winter time.

Well, I'd better buckle down to work these last fifteen minutes.

Everybody is so absorbed in books. There must be something in them if the majority of this crowd gets interested. Dad promised me he'd let me drive the family to California next summer if I make good grades this year. If I do that, I'll want to make an impression on those westerners, that is, I can't afford to be so much dumb. Anyway discussing civics with Miss Harris is more interesting than sitting around home and hoping to find a job some day. I heard the other day that the boy or girl with the High School education stood a better chance of getting work later on. I'm a strapping big fellow, and Mr. Stocking promised to try me out

### Alpha Delta Psi Literary Society

The Alpha Delta Psi Literary Society met Wednesday, October 19, at seven-thirty in the girls' Dormitory for a very interesting musical program and business meeting. A social committee of Barbara Smith, Charles Walker, and Helen Lawler was appointed by the president. Two new members were welcomed into the society. Following the business Rhodin Chase and Hubert Reavis were guest entertainers for the society. They played several numbers both classical and popular. The musical program was completed by Pauline Slover, who gave a review of the life of Chopin, Polish musical composer.

#### DANCE AT PARISH HOUSE

On Friday night a group of High School girls were instrumental in arranging for a dance honoring the football team for their efforts put forth to win Friday's game. Every branch of the school was well represented as the majority of the Band Boys, Football boys, Pep Squad, and Jr. High, College, and High School pupils attended. Even a few Shamrockians remained for the dance. Music for the evening was furnished by Miss Douglas and Mr. Palmer. Everyone has said that he hopes the girls get their heads together and plan another dance for next Friday evening.

on the field if I made a certain average. Say, I believe I could make the team, too. Besides if I do well in my school work here mother will let me go to a big university after finishing in Clarendon Junior. I always did want to be an electrical engineer or something big. Say, five more minutes. Just look how I have wasted this hour. So I'll get to work; sure enough I will. This is surely a fine place to sit and work. I think this is some school, and I think I ought to stay here. A person has got to do something and I may as well study. Gee, but this is a nice place to sit.

### SENIORS SELECT OFFICIAL RINGS

The Seniors have decided upon the design for the 1933 class ring. It is to have an oblong black onyx set, bearing a design of the torch of knowledge. On scrolls around the torch Clarendon High School will be written. On one side of the set the figure 19 will be written while on the other will appear 33. One of these beautiful designed rings will be given free to some person selected by the class. This fortunate individual has not been chosen at the present time.

#### C. H. S. PEP SQUAD PROGRESS

The Pep Squad has made much progress since the first of the year. On Thursday afternoon three group pictures were taken of the Squad and are now on display at Alderson's Studio. The improvement in their cheering and marching is the result of much practice. A Pep Rally was held at the auditorium Thursday night, but the weather prevented the squad from parading in town. The stunt between halves at the game Friday was exceptionally good, due to the

### Palo Duro Literary Society

On the night of Wednesday, the nineteenth, the Palo Duro Literary Society met at the Society Room in the College building to enjoy a very interesting and unusual programme. Almost all of the members were present and the society was especially glad to have present several invited guests and visitors.

After reading of the minutes and roll call, Franklin read a very amusing short story. This was followed by two songs "The Rosary" and "We Just Couldn't Say Goodbye" which were sung in a very "laughing manner" by Carol Holder and Jean Bourland accompanied at the piano by Pauline Shelton, the society pianist. Miss Elizabeth Kemp, an invited guest and a very accomplished violinist, entertained the society with several classical violin selections, accompanied by Rhodin Chase at the piano.

large number of girls on the squad. Do you not think the Jumper suits are clever and show up well on the field?

The last part of the programme was composed of a number of popular and classical selections played by two members of the towns latest and best jazz orchestra. Rhodin Chase and Hubert Reavis. Rhodin played three piano solos for the fascinated group "Mood Indigo", "Love Notes and a beautiful Spanish tango. After Hubert had played two clarinet solos, the jazz music started, "and boy what music", the saxophone wailed, the piano rocked, and everyone's feet kept time, including Miss Headrick, to the rhythm of such selections as "Lies", "Me", and "Shanty in Old Shanty Town."

When the "Orchestra" refused to play longer, the members adjourned with the statement that they hoped Rhodin and Hubert would visit the society every Wednesday night, for they certainly enjoyed that type of "Literature."

#### NOTES OF THE AG. CLASS

The Agriculture Class spent last week working on their Record books. Every one has begun to understand what it is all about, and each has filled out a Calculated Expense Receipt and In-

come for his projects. Thus we find each boy has planned to make some profit regardless of current depression.

One hundred women inmates of the state prison in Joliet, Ill., recently obtained permission to play football.

HELPLESS—ABOUT TO CRASH—because the tires have failed to grip the road! . . . Don't let it happen—your loved ones can now have new protection against this menace. Guard them with Safety Silvertowns—the tire that resists skidding—THE SAFEST TIRE EVER BUILT!

PARALYZING terror—that's the least effect of a skid. For thousands, every year, the result is injury or death!

Greater driving speeds—quick-action brakes—smooth, oil-filmed roads—all have increased the skidding hazard. All have increased the responsibility of tires.

Goodrich engineers spent three years developing a tire to meet these conditions. The new SAFETY Silvertown—the safest tire ever built.

Just give us 10 minutes. We'll show you proof that the Safety Silvertown resists skidding more than any other tire—proof that its 15% thicker tread gives thousands of additional anti-skid miles—proof that its Full-Floating Cord brings greater protection against blow-outs!

Its extra safety doesn't cost you an extra cent—it's priced the same as any standard tire. We'll make a generous allowance for your old tires, too. Don't wait—protect your family with Safety Silvertowns NOW!

penalty for roughing. A pass, Whitlock to Andis, was incomplete. A short pass, Martin to Bolles gained 2 yards. Andis' pass was intercepted by Wells on the 48 yard line, who scored but was called back and the ball replaced in Clarendon's possession. Martin punted to the Shamrock 29 yard line. Blake gained one and then 3. Wells punted to Hudson on the Shamrock 40 yard line and he returned to the 35 yard line. Bolles lost a yard. Andis' pass to Martin was good for 8 yards. Whitlock's pass to Martin was incomplete as was the one to Easterling. The ball was placed in Shamrock's possession on their 28 yard line. Blake picked up 3. Wells failed to gain. Shamrock substituted J. Shoemaker for Mayfield. Wells fumbled on his 35 yard line and Easterling recovered. Whitlock gained 5. Whitlock passed to Easterling for 4. Clarendon called time out. Watson went in for Bolles. Whitlock passed to Easterling for 10. Clarendon's ball on Shamrock's three yard line. Hudson hit the line for one. Whitlock gained one. Whitlock scored. Andis kicked the extra point. Clarendon kicked off to Blake on his 30 and he returned to his 40 yard line as the game ended.

Last Monday evening the board met at the church and after the business sessions one group was entertained by the losing group in an attendance contest of the year. Mesdames Porter and Brasswell prepared and served the dinner, as their husbands were on the losing side.

Judge Porter, chairman of the board, urges every member to see his steward and make as liberal a contribution as possible as the time is short and the need in every department of the church is very great.

### MISSIONS

The Missionary spirit is the spirit of the Bible. From the fall of man, the great end of God's revelation of His will to man has been to bring wandering, rebellious man back to Himself. This great purpose became more apparent as the ages rolled by, until it burst all bounds in the great commission given to the apostles, to go into all the world, to all nations, to every creature, and preach the glad news of the pardoning love of God as set forth in His gift of His Son, to suffer and to die for our redemption, that man might be reconciled to God in loving surrender to His will. The missionizing genius of the gospel of Christ; and with burning zeal for the salvation of man, went forth and suffered and endured untold hardships in their efforts to bring the world to Christ. So great was the power that they exerted and so mighty was the conquest they achieved, that they were described as the men who turned the world upside down. (Acts 17:6)

But this missionary spirit was smothered and paralyzed by worldly pride, ambitious, love of preferment, and bitter controversy about petty things such as priestly order, relics, images, vestments, and many other things. For sixteen hundred years the missionary spirit that characterized the first century was all but dead. But the nineteenth century was particularly noted for the revival of this missionary spirit; and today it is more widespread than ever before in the history of religion. Christian missions, with the invaluable aid afforded by the Bible Societies, have penetrated into all parts of the world. The great commission is fast receiving its full requirements. The gospel is to be preached in all the world for a witness. God is gathering out of all nations a people of His name. It is the whole duty of the whole church to preach the whole gospel to the whole world. Are you obeying the marching orders of the great Captain of your salvation? Obey Him, Preach the Word.

Sunday morning we will present a missionary sermon on the subject, "The Program of Jesus." Sunday night our message will be on "Temperance." Arrange to hear these sermons, they will help you solve your problems.—W. E. Ferrell, Minister, First Christian Church, Clarendon.

Mr. and Mrs. J. H. Hurn returned Monday afternoon from a week's trip to Dallas and Henrietta. At the latter place they visited a brother of Mr. Hurn.

Mr. and Mrs. A. D. Lightsey of Tyler spent the week end here as guests in the G. G. Kemp home.

Mr. and Mrs. W. A. Massie motored to Amarillo Thursday.

## How Old?

He doesn't look a day over fifty. And feels like forty.  
At the age of 62.

That's the happy state of health and pep a man enjoys when he gives his vital organs a little stimulant!

When your system is stagnant and you feel sluggish, headachy, half-alive—don't waste money on "tonics" or "regulators" or similar patent medicines. Stimulate the liver and bowels. Use a famous physician's prescription every drug store keeps. Just ask them for Dr. Caldwell's syrup pepsin.

This appetizing syrup is made from fresh laxative herbs, active senna, and pure pepsin. One dose will clear up almost any case of headache, biliousness, constipation.

But if you want to keep in fine shape, feel fit the year round, take a spoonful of Dr. Caldwell's syrup pepsin every few days. You'll eat better, sleep better and feel better. You will never need another laxative.

Give the children a little of this delicious syrup two or three times a week. A gentle, natural stimulant that makes them eat and keeps the bowels from clogging. And saves them from so many sick spells and colds.

Have a sound stomach, active liver and strong bowel muscles that expel every bit of waste and poison every day! Just keep a bottle of Dr. Caldwell's syrup pepsin on hand; take a stimulating spoonful every now and then. See if you don't feel new vigor in every way.

## Andis—Wilson

Two popular young people were united in marriage Thursday evening when the Rev. Henson, pastor of the First Methodist Church, performed the ceremony for Mr. Wilford "Snooks" Andis and Miss Jennie Lee Wilson, in his study at Hollis, Oklahoma.

The bride is the daughter of Mr. and Mrs. R. D. Wilson, who have recently moved here from Weleetka, Oklahoma, and has many friends among the younger set, and is an active worker in the Christian Church. She is a member of the Pi Mu Sorority and attended the Washington Conservatory of Music in St. Louis. At present she is a Senior in Clarendon High School and will graduate next June.

The bridegroom is the son of Mr. and Mrs. Ben Andis of this city. He is Captain of the Broncho Football team this season, and his presence will be greatly missed by his teammates. He was very active in school and social affairs.

The News joins the friends in wishing this young couple a happy wedded life.

## Recent Bride Honored

Honoring Mrs. Wilford Andis, who before her marriage last week was Miss Jennie Lee Wilson, Misses Lucille Andis and Vera Noland entertained Tuesday afternoon with a Miscellaneous Shower at the home of Mr. and Mrs. Ben Andis.

The entertaining suite was attractive with beautiful bouquets of autumn flowers, which added much to the occasion. When the guests had assembled they were entertained with a Piano Solo by Miss Pauline Shelton, a Violin Duet by Misses Elizabeth Kemp and Joyce Link, and songs by Miss Carroll Holder.

After the program the honoree was presented with many useful and attractive gifts, which she graciously received. Besides the honoree, those enjoying this hospitality were: Misses Lois Wallace of Amarillo, Dorothy Jo Taylor, Jean Bourland, Pauline Shelton, Carroll Holder, Berkeley Ryan, Evelyn Murphy, Louise Adamson, Filora Wilson, Joyce Link, Nola Gordon, Elizabeth Stephens, Nan Potter, and Mesdames Pat Longan, R. P. Wilson, Elizabeth Rawley, M. W. Mosley, Ralph Andis, Ben Andis, Master Billy Ralph Andis; and the hostesses, Misses Vera Noland and Lucille Andis.

## American Legion Party

The Aubyn E. Clark Post of the American Legion will be host to Ex-Service men of Donley County at the Legion Home in the City Hall on Thursday evening, November 1st.

The entertainment committee is arranging for the entertainment of a large crowd. There will be a lot of games, music, and refreshments.

## Mrs. Carroll Knorpp Honored

One of the most elaborate social affairs of the season was the tea given honoring Mrs. Carroll Knorpp by Mrs. Kelly Chamberlain Monday afternoon from four to six, at her lovely home.

The rooms were ablaze with gorgeous dahlias of brilliant hues which added to the pleasure of the occasion. Tea was served from the dining room, where a charmingly appointed table was presided over by Mrs. Parke Chamberlain and Miss Lorraine Patrick. The tea table was centered with a bouquet of marigolds and cosmos. On each side green tapers burned in silver holders and tea and coffee were poured from antique silver services.

The receiving line included the hostess, the honoree, Mrs. Wesley Knorpp, and Mrs. Fred Chamberlain. Approximately forty guests called.

## Surprise Party

Mr. and Mrs. M. W. Mosley surprised their daughter, Mrs. Bill Bromley in a charming manner when they entertained in her honor Wednesday evening of last week with a "42" Dinner-Party. Halloween colors of orange and black ran riot in the table and house decorations and made each very attractive.

At the conclusion of the games, birthday cake and coffee were served to the honoree and her Hedley friends and schoolmates. Attending were: Mr. and Mrs. R. F. Newman, Mr. and Mrs. Joe Mitter, Mr. and Mrs. Jiggs Mosley, Misses Ruby Moffitt, Dannie Battle, Alice Noel, Vera Garland, Clotel Moreman, Mess. Winifred Mosley, Reid Chilcoat, Kermit and Ernest Johnson, Leon Reeves of Hedley, Mr. and Mrs. Joe Bownds, Mr. and Mrs. Ben Tom Prewitt, Mrs. A. T. Cole, Mrs. E. W. Bromley, Mrs. Vestel Mosley, Bill Bromley, Bill Ray, Jack Bromley, and Misses Louise Adamson, Vera and Eugenia Noland, and Mavis Whitesides.

THE SIMS P. T. A. will have a clever and unusual program, consisting of Nursery Rhymes and Fairy Tales at their meeting Thursday, November 3rd.

## Mother's Club In Session

Eighteen members of the Mother's Club met in the Woman's Club Rooms Friday afternoon with Mrs. John M. Bass as hostess.

Mrs. Eva Draffen as leader gave a splendid review of two chapters of "Child Psychology". Mrs. Bill Bromley and Mrs. Will Johnson also discussed interesting topics pertaining to Child Life. Little Annie Ree Porter delightfully entertained the club with two readings as did John M. Bass, Jr.

At the conclusion of the meeting a delectable salad course was served.

## B. and P. Women Meet Tuesday

The Business and Professional Women's Club met Tuesday evening with Mrs. Andrew Jay as hostess. Her lovely home was attractively decorated for the Halloween season.

Miss Winnie Weatherly had charge of the program and entertainment for the evening.

Mrs. Irene Mitchell and Mrs. Jay served pumpkin pies with whip cream and coffee to Gwendolyn Couch, Julia Mae Caraway, Ruth Donnell, Manie Graves, Etta Harned, Ida Harned, Lela Lamons, Beth Little, Opal Pyle, Norma Rhodes, Ruth Teat, Winnie Weatherly, Rhoda Helen, and Julia Wiedman. Mrs. Barcus Artobus, Mrs. Ellis, and Elizabeth Holloway.

## B. P. R. Honored

The B. P. R. Club met last Thursday evening as guests of Mr. and Mrs. G. L. Boykin.

The living room was cleverly arranged with harvest products and added much to the merriment of the evenings entertainment.

The novelty of the occasion was the prizes which were fashioned from the Harvest season products of Donley County. Mrs. Powell won High, which was a cushion made up to resemble a prehistoric animal. The low score was a pumpkin jack-a-lantern and Mrs. Burton received this.

After the awarding of prizes delicious refreshments consisting of sweet potato pie topped with whipped cream and Olympic cocktail were served.

Those participating in this delightful affair were: Mr. and Mrs. Fred Rathjen, Mr. and Mrs. C. C. Powell, Mr. and Mrs. J. R. Porter, Mr. and Mrs. H. T. Burton, Mr. and Mrs. Sam M. Braswell and the hosts, Mr. and Mrs. G. L. Boykin.

## H. D. Club Meets

The Clarendon H. D. C. Club met in the home of Mrs. C. D. McDowell Friday afternoon, Oct. 21st.

Election of officers for the coming year were elected as follows: President, Mrs. O. L. Fink. Vice-President, Mrs. J. C. Estlack. Secretary and Treasurer, Lester Schull.

The program consisted of Demonstrations of caring for a "Sick Bed" by Miss Frances McCurry and Mrs. M. T. Crabtree.

Carrying out the Halloween colors in the refreshments served to the following closed an enjoyable afternoon: Mrs. G. A. Anderson, D. H. Baker, T. R. Brown, J. H. Clark, M. T. Crabtree, H. J. ## WEATHER FOR THE WEEK

On Monday morning Boreas gave us the first touch of winter and reminded all that the warm glowing sunshine of fall, with its accompanying hues of yellow and gold, was drawing to a close. We were somewhat surprised to see the ground covered with snow which again called to our mind that sausage, brindle gravy, hot cakes, and pumpkin pies will soon be in order. It also reminded us that Hallowe'en is drawing near. The turkeys are being fattened; the quails are flocking to the fields and both will be fat and juicy for Thanksgiving Day.

Mr. and Mrs. David Johnson visited Sunday in Quail.

### AMERICAN BEAUTY FLOUR

In the Baking Contest held at the State Fair in Dallas, Texas, on October 13th, there were nearly one thousand entries of Bread, Rolls, Biscuit and Cake from all over Texas and Oklahoma and practically every flour on sale in Texas and Oklahoma was used by some of the Contestants, many of them used the high priced carton cake flours, but all of the 156 prizes offered, First, Second and Third, were won by the housekeepers who used our AMERICAN BEAUTY FLOUR.

This might happen once and be an accident but it has been happening for years that American Beauty users have won practically all of the prizes and it might be due to the fact that our seventy-five years experience in this business has equipped us to make a prize winning flour.

### OH BOY! THOSE GHOSTS

Halloween brings to most of us visions of fun and jollity, for it is an old old festival. The old Romans held it about the last of October, in honor of Romana, the goddess of fruit trees.

In the Roman Catholic countries Halloween is an occasion for visiting the cemeteries and laying flowers on the graves of friends and relatives.

In Great Britain and the United States Halloween is an evening of merry making and trick playing.

Usually, young folks think of Halloween as being a time to do something mischievous. We think of only the bad spirits appearing but why not think of the good spirits and not do anything that will ruin anyone's health or property, or something bad which is impossible to undo.

The teachers and parents always try to plan something interesting for the young people on Halloween, such as having school carnivals, class parties and plays for everyone to enjoy. So lets take them in and have a good time and do not do anything harmful.

For instance, in Lelia Lake two or three years ago a group of mischievous boys put a wagon on the top of one of the store buildings. The wagon was torn up and a man was badly injured in the back getting the wagon off the building. The man is still troubled with his injured back all because of a group of thoughtless boys.

Lelia Lake is not the only place in Texas that suffers many hardships on Halloween, but every other place of which we know has some mischievous things done at that time.

So from now on, let's try to help everyone who needs help. If some old people in your town needs help, take them something useful instead of doing some meanness to them.

Let us think of Halloween as a joyous time and not as a time to do something mean.

As we look back over our lives when we are old we would be much better satisfied if we could think of some Halloween when we did a good deed and not some mischievous deed. So let's remember that this time and bring good spirits as well as bad ones.

### THE SCIENTIST'S CLUB

It matters not how long we live; but how?

Last Wednesday was a jolly day for the General Science and Biology classes. The period before noon both classes met in Mr. Waldron's room to organize a club. After a few instructions the following officers were elected:

President, D. W. Tomlinson; Vice-President, Winston Nippert; Secretary, Francis Johnston; Reporter, Rubye Jones; Critic, Virginia Williams; Parliamentarian, Mr. Waldron; Sergeant-at-Arms, Bobby Leathers.

The General Science and Biology class both tried very hard to get all the officers from their respective classes. Even though the classes met to organize for a common good to all, there was a close contest for each officer and much rivalry displayed. All in all, we're going to assist our officers, be they from the science or Biology class.

### KING COTTON REIGNS IN LELIA LAKE

All the girls in high school decided that it would be much easier on the "old pocket book" to wear cotton hose. We concluded that it would be even better to buy all of our school dresses of cotton material.

So the girls met October 21, 1932 and organized a Cotton Clothing Club. Miss Hill was elected president and Virginia Williams secretary and reporter. The girls decided to have only two programs a year and one social. The president appointed the following program committee: Beatrice Hardin, Juanita Jones, Dora Mae Koen, Maxine Tomlinson, and Margaretta Cruse; Rubye Jones, Anna Belle Creamer, Margaret Gerner, Lorene Howard and Ruth Davis as a social committee. The girls decided to have C. C. as their emblem.

### LOOK OUT! DON'T FALL IN THE CREEK

Folks say it is getting cold but not too cold for a group of Lelia Lake young folks to go on a picnic and wade in the creek and play football. Although the girls were not interested in football, the boys had a very nice "kick" seeing who could kick the football the highest. They decided the champion football player to be Mr. Fearl Floyd. And the laziest one in the bunch was Great Cottingham who could not kick the ball over Altha Knock's head but hit her right in the back.

"When do we eat?" Dean is always ask when we go on a picnic, because she is so slim and wants to gain a few pounds and get to where she will weigh as much as Juanita Jones. Boy, howdy! What food. Sandwiches, cookies and pies were enjoyed very much. Oh yes, we forgot the coffee and bananas but hardly anyone got any bananas but Billy Floyd because he was sitting closer to the sack than any of the rest and of course he ate almost all of them.

Harold Smith wanted to go to church Sunday night so he made the coffee very strong and a report came from everyone that it was absolutely impossible for them to sleep Sunday night.

Don't mention sleep to me," said Rubye Bullard, "because I drank too much of that old strong coffee."

"Let's go wading," suggested Rubye Jones after lunch was finished. Everyone fell for the idea of wading except Lucille Hamm, Ruby Bullard and Anna Belle Creamer who had on boots

and decided it was too hard a job to unlace them.

All went wading except the three. Everyone waded down stream and a few snapshots were taken unexpectedly. The girls decided if we were going to do them that way they would get out but alas, they couldn't find shoes because someone had hidden them all except Rubye Jones and Dean Bullard's. They got out and searched for the others' shoes but could not find them. Anna Belle Creamer and Lucille Hamm who always find the most eggs on an Easter egg hunt found the shoes and decided Rubye and Dean had hay fever because they could not smell the disagreeable odor that would guide them to where the shoes were hidden. The shoes were returned and everyone said let's go home. The crowd left saying, "How about another picnic?"

Those attending were Lucille Hamm, Altha Knox, Goldie Atkinson, Anna B. Creamer, Juanita and Rubye Jones, Dean and Rubye Bullard, Messers Billie and Fearl Floyd, Roy Lowery, Irill Box, Harold Smith, John McCauley and Great Cottingham.

### VALUABLE BOOKS DONATED

The school this past week received a most valuable donation, "The Messages and Papers of the Presidents" in twenty volumes. These were given by Mr. Ellis and are much appreciated. They will be especially valuable for history reference books.

We cannot give just one little measly legitimate reason why we should refuse to support our system of free public education.

### FOURTH, FIFTH AND SIXTH GRADES ENTERTAIN

Everyone enjoyed the chapel program given by the fourth, fifth, and sixth grades last Friday afternoon.

The audience was asked to sing the state song, "Texas, Our Texas", for the beginning of the program.

The grades then sang "Boola Boola" and "Salmon Levi".

The next number was two readings given by Betty Jo Webb entitled "A Hurry Call", and "Twinkle Twinkle Little Star", given as a well educated lady would say it, and as a timid girl would say it.

Harold Liles and Jack Espey gave "Family Financing".

A solo, "Somebody Loves You" was given by Mary Jo Johnston.

The last number was a play, "Examination Day" by the fifth and sixth grades. This number was representing an oral examination day in school which was a real farce and also true to life in practical manner.

The program was enjoyed by everyone and we are hoping they will have charge of chapel several Fridays during the school year.

### GIRLS ATHLETIC REPORT

Wednesday, October 19, 1932, the girls decided they were tired of playing volley ball and basketball so we tried a game of baseball. Margaretta Cruse and Lorene Howard were appointed by Miss Hill as captains. Margaretta's team defeated us by one score. Some of the girls had not played baseball before, but the game was enjoyed by everyone. It does us good to have something different and not play the same thing all time.

Thursday we played the teachers in basket ball and were defeated again. We found that our greatest defect was fouling which we think we can work out without very much trouble.

Mr. and Mrs. Hugh Knox spent the week end with relatives.

### QUIEN ES?

We learned in Spanish Club Friday, Oct. 13, more about the Spanish people as Cynthia Mae Eller gave a talk on the subject. Ruth Davis one of our first year Spanish pupils, proved her ability to speak Spanish when she read the story, "Los Tres Osos," making very few mistakes. Questions were asked by Gaynell Humberd and the pupils answered all except the last one, which Miss Hill answered for them.

Suggestions were made by the pupils for Spanish programs. After several suggestions, someone suggested that we continue having as good programs as we have been having. We are hoping to do so.

Noel Knox of Adrain spent Sunday with home folks.

## NON-SKID TIRES

FISCAL year closes October 31, and we are offering unusual bargains during the month of October.

October and November are the dangerous months of the year for driving. Trade in your thin, worn tires for Firestone non-skid tires, used by race drivers because they are the safest tires in the world.

Glen Schultz recently set a new world's record for the Pikes Peak climb, where hair-pin turns were made at high speeds and where a skid or tire failure meant death.

All world's records on road and track, for safety, speed, mileage and endurance are held by Firestone Gum-Dipped Non-Skid tires.

Come in today and exchange your smooth, thin, worn tires for the safest and best tires you can buy.

They cost you no more — besides, in this October Clearance Sale we will give you a liberal allowance on your old tires in exchange for these safe non-skid Firestone tires.

Consider the hammer — It keeps its head. It doesn't fly off the handle. It keeps pounding away. It finds the point and then drives it home. It looks at the other side, too, and often clinches the matter. It is the only knocker in the world that does any good. — The Indiana Penn.

The Firestone tread is designed with angles and projections to give the maximum traction and non-skid. The brakes can stop the wheels, but the tires must stop the car.

## The Eyes of the Nation Are Turned Toward Texas

Three hundred Texans, battling against a thousand Mexican regulars, June 11, 1835, for four days (Dec. 5 to Dec. 9, 1835), into San Antonio. The gallant Ben Milam was killed, but the victory was complete.

### Let's Hold "Open House" and Invite the World in 1936

Texans have a right to be proud of the heritage of heroic tradition which is theirs. And they justly take pride also in the record of progress which Texas has made since its independence was established on the battlefield.

The events of the Texas Revolution stirred the hearts of all Americans a hundred years ago. Today the whole nation is turning its eyes toward Texas because of the remarkable growth it has been achieving.

The one hundredth anniversary of the birth of Texas independence provides a fitting occasion to invite the world to visit us and see what we have done with our freedom and to behold the immense resources which still remain to be developed.

The Centennial Exposition will leave many permanent and worth-while monuments. The roads which will be laid to conduct our visitors over the State will endure for years to come. The buildings and grounds themselves will doubtless remain as public parks and community centers. And the visions of Texas' splendid future will bring us a rich heritage of men and women moving here to become adopted Texans in a State of so heroic a past and so glorious a future.

**SPORT SPUTTERS**

BY O. C. WATSON, JR.

'Tis not a discouraged but a determined Broncho squad that has been working all week in preparation for the second Conference conflict this week end with Wellington. Determined yet to win the District Championship, the entire group has begun work with renewed enthusiasm.

Smarting some under the defeat handed them by the "fighting Irish", and realizing that the green and white deserved to win because of greater determination, the Bronchos are determined not to be caught in any such fashion again.

The greatest source of discontent at the present time seems to be the "down-town" coaching "regeneration", numbering well into the hundreds. This bunch of "second guessers" are being very charitable with advice. The only prerequisite to membership in the group is that you have had absolutely no experience as a participant in football and that

you lose your two-bit bet by a small margin.

In looking over some of the Southwestern grid scores we notice another upset this week—that of Texas downing Rice 19 to 6. It looks like the Longhorns are set for another S. W. Championship.

Baylor and A. & M. played their first game Saturday since 1926. It ended in a 0 to 0 tie showing strength in both teams.

It is indeed a great loss to the Bronchos this week having lost three players—Halle and Clemons in the line and Captain Andis of the backfield.

In the games of interest to the local fans in the Class B grid race, we find that some of the teams that were supposed to be weak, showing more strength each week. Memphis, one of the supposed weak ones, won over Wellington by first down after both sides had fought to a 7-7 tie. McLean showed very little of their supposed strength when they were held by the Quitaque Panthers 15-7. We believe that

the Bronchos will win the district by beating Wellington and Memphis, who will defeat the Irishmen from Shamrock. If this comes the way it has been predicted, Memphis and Clarendon will play a second game at Clarendon, so as to play off the tie for this section. Shamrock and Wellington will be out of the race by losing two games.

Shamrock will lose to Memphis and Wellington has lost to Memphis, and will lose to Clarendon. Well, maybe this will be true. Here's hoping so. And if you folks want to see some real football come out Friday.

**CAMPUS EXCITEMENT**

And say, has this been an exciting week, or has it been exciting? It was positively tremendous!

The first and most exciting thing that happened was Tuesday night when "Snooks" and Jennie Lee married in Hollis, and no one knew it until Friday night at the dance.

The most surprising thing that happened last week was Friday afternoon when Clarendon lost the

football game to Shamrock. Too bad!

The most idiotic thing that happened last week was the day that one of the blondes was out to football practice to see the little "quarterback" do his exercises; and, incidentally, she found out that he is a "halfback" and not a "quarterback" but that he is still "adorable."

The most depressing thing that happened last week was when Nettie Sims, who goes barelegged winter and summer, failed to recognize Helen Lawler because Helen had changed her dress.

The funniest thing that happened last week was Friday at the football game when Julia Mae Caraway said that shed like to have little T. J. Mann to set on her dresser. He's that cute.

The most astonishing thing that happened last week was Tuesday in Shorthand Class when Flora said to the shorthand teacher, "Mr. Carver, do you like to work crossword puzzles?" And the instructor said, "Gosh no!" Tsh! Tsh! Sech langwlich!

Dr. and Mrs. M. L. Stricklin returned Saturday from Grosbeck

**TEXAS CENTENNIAL DEPENDS ON VOTE**

STAR-TELEGRAM SHOWS WHY TEXANS SHOULD AUTHORIZE CELEBRATION IN NOVEMBER ELECTION

The voters of Texas should not fail to support the amendment providing for a proper observance of the one hundredth birthday of Texas when it occurs in 1936. The mistaken idea that ratification in the November election means the immediate appropriation and expenditure of a large sum of money should be corrected. Ratification of the amendment merely clears the way for legislative action later when the project takes on definite shape and when the general industrial condition seems to warrant it. It is not the intention of any advocate of a centennial to force such a movement onto a State in financial distress.

But the people should prepare the way for a recognition of Texas' century of patriotic and progressive history. Few political

units in the world have a history comparable to that which was made while Texas was battling for liberty. It might have been that the devotion to the cause of liberty in the human race came to a cream state at the Alamo and San Jacinto—not to mention Goliad. No event in all history is more worthy of adequate remembrance.

But that is merely the sentimental side of the picture. Texas should be registered to the world in the true colors of its quantity and quality characteristics. Purely as an advertising proposition there is merit enough to justify every Texan to authorize with his ballot the acceptance of a psychological moment in the State's economic affairs to combine the ideally patriotic with the materially progressive and display Texas in legend and advertising copy to a quarter of the population of the North American continent.

All that is needed is an attractive excuse for seeing Texas. The millions of visitors will take the World Fair content of the offering as a matter of course, but they really will have been drawn here because of a long-continued desire to see the Texas

which, turned back on its north border line will deposit Brownsville on the Canadian border of North Dakota and turned east on the Arkansas line would lay El Paso on Georgia sands of the Atlantic Ocean. It will be keen to see the highway that is 79 miles longer between Texarkana and El Paso than it is between Texarkana and that Chicago which made Lake Michigan's sand dunes famous.

These are the potentialities that should be made possible by ratifying the amendment November 8. We shall not want the project carried out unless conditions warrant it, but it is preposterous to say in 1932 that the financial, industrial, and crop conditions of Texas will not support a visitation of 10,000,000 tourists four years hence. It is as reasonable as to make a guess on the Texas weather for the centennial year.

Authorize the centennial ballot. If Texas can afford it, the project will be carried out. If it can not afford it, no intermediate Legislature will vote the taxpayers' money for it.—Ft. Worth Star-Telegram.

## VOLUNTEERS IN IN REDCROSS WORK

### MANY DONLEY COUNTY WOMEN WORKING IN SEWING ROOM FOR NEEDY

The local Red Cross Chapter received this past week a shipment of 2,000 yards of outing, half of which goes to Hedley. The local club women of Clarendon and Donley County have been at work Monday, Tuesday, and Thursday of this week making shirts, slips, bloomers, layettes, and pajamas. These are to be used to clothe the needy this winter.

W. H. Miller, local representative for the Singer Sewing Machine Co., is furnishing the machines for the women and Joe Goldston, owner of the Rexall Building, furnished a vacant store room at the rear of the Drug Store as a sewing room.

After this week Tuesday will be designated as Cutting Day and Thursday as Sewing Day.

blindness, saying that no more worthy or humane objectives ever animated human effort. In closing Lion Patrick made facetious allusions to the seven charter members still active in the club, viz, Lions Porter, Rathjen, Chase, Caraway, Mulkey, Burton and Braswell. His true stories of early days in Clarendon were also received with appreciation.

Then followed two clarinet soli, by Hubert Reavis, with Rhodin Chase as accompanist, which evoked much applause from the assembly. Mr. Reavis is rapidly being recognized as one of the rising young musical artists of the Panhandle and his work on this occasion brought him many deserved compliments.

The toastmaster then introduced the next number on the program as being "Just an ordinary director's meeting" staged by the charter members present, to explain away the mystery existing in the minds of Lion's wives as to just what went on at such meetings. Lion Porter acted in the vocation aside from the business of the hour, and the chairman

was forced to frequently demand order and attention. Under the head of new members much animated discussion took place when the names of O. C. Watson, G. L. Boykin and A. A. Mayes were presented, but in the end all were safely elected. Quite a furor broke out when the question of programs came up for discussion, with reference to the flair for sentimental singing of Lion Rathjen, and the persistent playing of instruments of Lion Nored, who has been observed getting acquainted with a "bull fiddle". Here the meeting became absolutely unruly and Boss Lion Porter indignantly adjourned the session amid the applause of the party.

The argument didn't end just here, however, for there were insistent calls for a number from Lion Nored from his many admirers, and when he appeared at a loss since he had brought no instrument with him, the Tailtwister, Lion Mulkey drew from his hiding place a battered "bull fiddle", and the confusion became general. When Lion Nored had refused to play on the proffered instrument, the Tailtwister produced a guitar, saying that there would be no refusal considered on the smaller instrument, whereupon Lion Nored pulled himself together, tuned up a bit and sang to his own accompaniment a ridiculous parody on "Where the River Shannon Flows", to the delight of all.

The conclusion number of the program was a musical drama, "Songs in the Life of a Lion", presented by Mesdames Boykin, Rathjen, Bryan, and Wilkerson, with Mrs. Rathjen doing the reading, Mrs. Wilkerson the singing, and the other two ladies accompanying on the piano and violin, respectively. This was a number of artistic merit and brought vividly to the auditors the periods of life ranging from birth, through school days, graduation, war, marriage, business, parenthood and finally to the end—"Sunset and Evening Star, and One Clear Call for Me".

This closed the entertainment for the evening, and all went home under the spell of the fine fellowship of the occasion and with pride at the work of the Clarendon Lions Club in its first ten years of existence.

Guests present besides the capacity of Boss Lion of the meeting, with the other charter members as directors. The meeting was fraught with much con-

## DEPRESSION CLOUDS ARE DISAPPEARING

The business outlook is getting better as each week comes and goes. Last week there were several new business firms opening and all are reporting good business.

This issue of The News carries a large number of advertisements featuring new merchandise and many worthwhile bargains.

Some of the Merchants who are buying new stock are reporting a considerable advance over former prices, but some of the merchandise was purchased before the advance took effect. Buying now means money saved and creates prosperity for Donley County.

Reports from the East have shown that many of the large manufacturing plants are opening and employing thousands of men.

General Motors Co. put on over 2,000 men so far this week. Confidence is returning and in a few months we may all be able to forget the depression. Your Dollar does double duty now, therefore use it to advantage.

## WHY Does Laundry Washing Save \$\$\$

because Wet Wash Service is exactly what home washing gives. You pay from 50c to 60c for the average family washing.

COUNTING— soap, powder, bluing, starch, gas water, repair and depreciation on equipment, interest on investment, etc; the equivalent of this work done at home would cost approximately \$1.15

It is this substantial difference in cost that is daily prompting new customers to obtain from the laundry a better quality of work for less money. It will pay you to make this comparison, and to be one of our many customers.
