Democratic Landslide Elects Roosevelt

Texas Gives Mrs. Ferguson Governorship By 170,000

ROOSEVELT WINS FORTY-TWO STATES

TEXAS VOTES HEAVILY DEMOCRATIC AND ELECT MRS. FERGUSON GOV.

The topmost tip of New England and three other eastern states still marked the only Hoover spots on the election map as tabulations progressed toward completion.

Returns on Tuesday's balloting showed the Roosevelt and Garner walk-away brought them not only leads in 42 states and control of the new congress, but sent several Republican governors, many members of senate and house and numerous other G. O. P. officeholders looking for jobs. Overturns of Democrats were scarce.

President Hoover in his six states—Maine, New Hampshire, Vermont, Pennsylvania, Connecticut and Delaware—could muster only 59 electoral votes. Roosevelt kept a tangible lead for 472. He was almost two-to-one ahead of Hoover in first reports from Kentucky, which began counting today.

The popular vote from 79,000 of the 119,000 election units showed the New York governor with 15,882,109 and Hoover with 11,625,098 indicating a record popular vote.

A mighty Democratic tornado whipped across the country in Tuesday's voting. It tore relentlessly into every section of the nation, elected Franklin D. Roosevelt to the presidency, assured him a strongly Democratic congress and brought success to a multitude of his party's state and local office seekers.

In the hands of the Republicans it left a scant handful of New England and eastern states and upon New York's governor it conferred an electoral vote that, from all indications today, will surpass the record of 444 established when Herbert Hoover was elevated to the nation's highest office four years ago.

The whole was an emphatic reversal of the 1928 landslide. North, East, South and West, the triumphant Democrats gleefully added to their total and electoral votes of state after state which heretofore had been regarded as traditionally and unshakably Republican.

From the time the first scattered returns began trickling in, the trend was unmistakable. By midnight the Roosevelt lead had grown to such commanding proportions that President Hoover, awaiting the result in the seclusion of his Palo Alto home conceded defeat and wired the New York governor his congratulations.

Meanwhile, the Democratic surge was electing a strong majority in both houses of congress. Although returns were incomplete early today, more than a score Democrats and only a few Republicans had been placed in the 32 senate seats involved in this year's contest. In the contests for the 435 house seats nearly 200 Democrats had won when Republican winners numbered less than 50.

These contests saw the downfall of many a familiar figure of capitol hill. The genial Jim Watson, for years senator from Indiana and since 1929 Republican floor leader, lost to Fredrick Van Nuys, a Democrat. Senator George Moses of New Hampshire, famed for his allusion to western insurgents as "sons of the wild jackass" went down to defeat. So, too, did Smoot of Utah, veteran chairman of the senate finance committee whose name is borne by the current and much discussed tariff law.

House upsets swept from office alike the partisan Ruth Pratt of New York and the fiery Fiorello La Guardia, staunch friend of labor.

The Connecticut district now represented by John Q. Tilson,

DONLEY MEN GET AUSTIN SUMMONS

SEVENTEEN LOCAL CITIZENS CALLED BEFORE TRAVIS COUNTY GRAND JURY

An unusual circumstance this week was the summoning of seventeen local men to appear before the Travis County grand jury at Austin on Thursday of this week, presumably to testify in connection with alleged irregularities in fee bills paid in district court cases in this county.

Some drove through, leaving here Tuesday, while others left Wednesday by train and by auto. According to Sheriff Guy Pierce, who served the summons, those making the trip are: Otis Barnes, Jess Davis, Leonard Reed, H. W. Taylor, C. D. McDowell, Joe Bounds, Roy Wilson, James Trent, C. M. Peabody, Ira Merchant, H. Lott, A. O. Yates, J. T. Patman, C. W. Taylor, R. Y. King, T. M. Pyle and A. H. Baker.

Three others out of the country were also called and included, H. B. White, J. D. Seals, and M. L. Patton.

All are hoping to be back by the end of the week, and Clarendon people are hoping that no irregularities can be attached to any Donley County officers, past or present.

Mr. Bruce McClelland of Oklahoma City, visited here over the week end and was accompanied home by his mother, Mrs. J. B. McClelland, who will spend some time there.

MUSICAL COMEDY IS P. T. A. BENEFIT

MONDAY AND TUESDAY NIGHT OFFERING OF SIMS P. T. A. IS COLORFUL

A two-night presentation of "Miss Blue Bonnet", a three-act musical comedy, given as a benefit to the Sims Parent-Teachers association, will be staged at the College Auditorium next Monday and Tuesday evening.

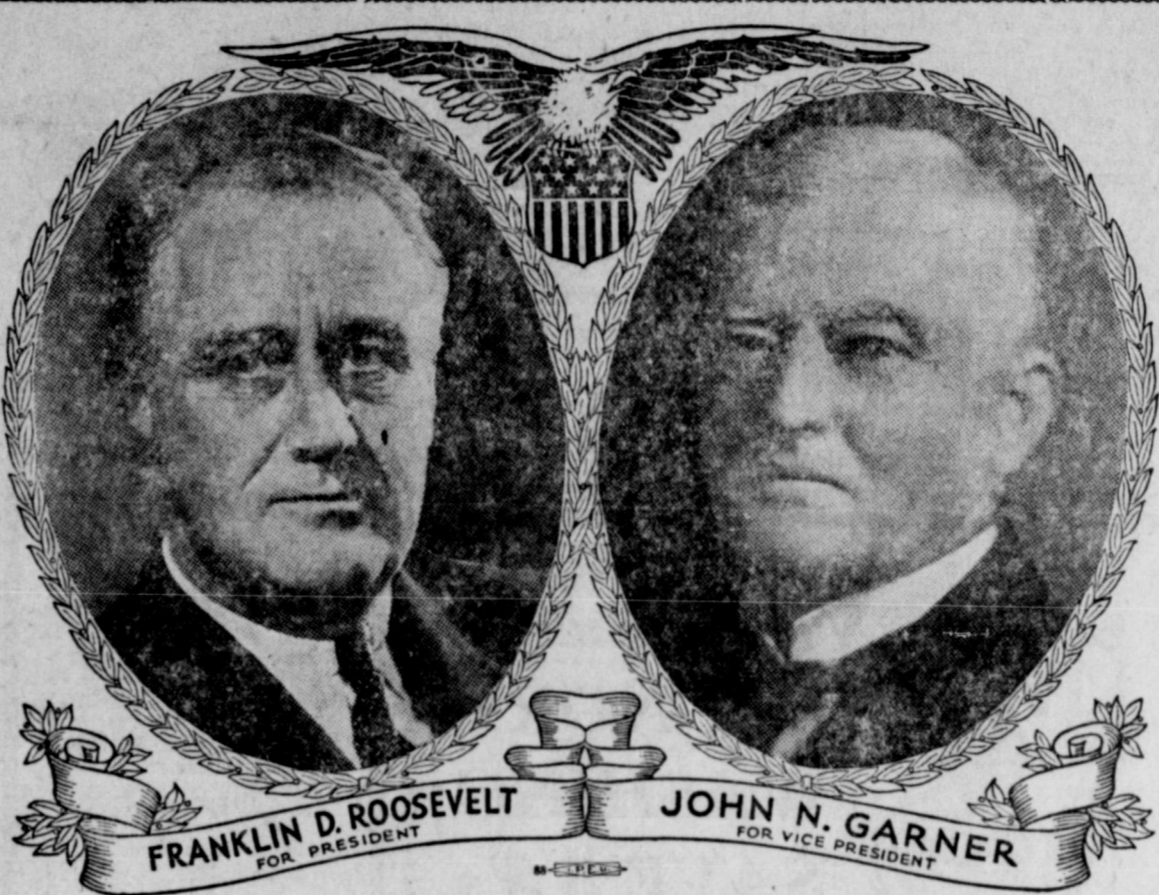

The production is put on by the Wayne P. Sewell Production Co., with Miss Frances Benton as director. The cast is made up of local people, and with the choruses numbered around fifty. Miss Benton brings the costumes here with her, and those who know the plot and setting of the play, declare that it will be one of the most enjoyable and colorful home talent plays ever presented in Clarendon. The producing company and the director gets a share of the proceeds, but are furnishing the costumes and paying for a part of the advertising.

The cast as furnished the News is as follows:

- "Miss Blue Bonnet," Lorraine Patrick.
- Dr. Evans, R. E. Drennan.
- Mrs. Evans, Mrs. O. T. Smith.
- Magnolia, Nettie Sims.
- Burton Hills, Elbert Bowen.
- Hickory Stoot, Dick Cooke.
- Minerva, Elon Oiken.
- Janie Bell, Mrs. McHenry Lane.
- Una, Penelope Blocker Ellis.
- Kate, Pauline Fox.
- Susie, Vada Waldron.
- Sally, Pauline Clark.
- Wes Evans, James Smith.
- Thad Penny, Henry Wilder.

The four choruses are made up of children and grown ups and will add much to the color and effectiveness of the performance. Officials of the P. T. A. organization here are urging a "sell-out" on both nights, as they need the revenue for their projects on behalf of the schools.

Velma Shaw and brother, Bill, from Oklahoma, spent the week end with friends at Ashtola.

DISTRICT COURT HAS BUSY WEEK

GRAND JURY RE-CONVENES TODAY—SEVERAL INDICTMENTS LIKELY BE MADE

With Judge A. J. Fires back on the bench the criminal docket of this term of district court was taken up this week and under his vigorous leadership many cases were disposed of.

The grand jury re-convenes today after a recess and rumor has it that several indictments will likely be returned before its work is finished and its report handed in.

Notable in the work of the week was the dismissal of cases against Roy Wilson and Judge J. J. Alexander on motion of the district attorney. Other cases disposed of were:

State of Texas vs J. H. Ben-

nett, Burglary, 3 years suspended sentence.

State of Texas vs Walter Alexander (colored), Transporting Liquor, three and one-half years suspended sentence.

State of Texas vs Tom Brown, Burglary, not guilty.

State of Texas vs Clyde Moss, Burglary, not guilty.

State of Texas vs Barney Rutledge and Ray Brisco, Possession of intoxicating liquor. Brisco dismissed and Rutledge 2 years suspended sentence.

Monday—State of Texas vs Bill Miller, Possession and transporting of intoxicating liquor.

Judge J. J. Alexander, Commissioner Sid E. Harris, A. L. Chase and Homer Mulkey motored to Amarillo Wednesday to confer with Division Engineer W. J. Van London on matters pertaining to right-of-way on No. 5 through Donley County.

Mrs. Meredith Gentry left Tuesday for Lubbock where she will visit her sister for a few days.

DENVER OFFICIALS HERE LAST FRIDAY

COURT AND HIGHWAY COMMITTEE DISCUSS PROBLEMS WITH RAIL MEN

J. D. Farrington, general manager, J. W. Mode, assistant Superintendent, and Mr. Stainer, maintenance-of-way engineer of the Fort Worth & Denver railroad were in Clarendon last Friday to meet members of the Donley County Commissioners Court and the local highway committee of the Clarendon Chamber of Commerce.

The meeting was held in the directors room of the Donley County State Bank at ten o'clock, and shortly after twelve adjourned to Caraway's restaurant where the party had luncheon and

GREAT CROWD HERE FOR "TRADES DAY"

ONE OF LARGEST CROWDS HERE IN YEARS ATTENDED TRADES DAY SAT.

Clarendon merchants witnessed one of the heaviest crowds here last Saturday that has been in Clarendon for many years. The occasion was Trades Day, and every establishment in the city offered special values to buyers, and in spite of adverse conditions a very fine day's business was registered.

Since these events are to be weekly the promoters of the trade event are jubilant over the response here Saturday, and Mr. F. W. Rathjen, chairman of the committee in charge gave The News the following statement: "The directors of the Trade League feel that Trades Day Saturday was very successful, with the people generally taking much more interest than had been expected. The crowds came from far and near and I believe it was the biggest crowd in Clarendon for the past two years."

"No doubt from now on", continued Mr. Rathjen, "the interest will be even greater and the merchants, members of the League, feel that their energy and money spent in bringing more good will and a friendlier feeling."

Remember, there's another Trades Day in Clarendon next Saturday and there'll be more bargains in every local store. Read the ads and get ready to save money.

FATHER AND SON BANQUET, NOV. 17

EARLY BUYING OF TICKETS IS URGED BY COMMITTEE IN CHARGE

The committee in charge of this year's Father and Son Banquet, which will take place next Thursday evening in the basement of the First Christian Church, has all plans well in hand for a most successful program in what has become one of the institutions of this community. As announced the program is kept secret and there is much interest in what the committee will have to offer in the way of entertainment, but those who have the event in hand are men able to produce something out of the ordinary—and that is just what they promise.

The menu, a good one as usual, has been agreed upon. The program has been made, and The News feels sure there will be ground out much grit for your entertainment and interest next Thursday evening. IT WILL BE DIFFERENT. So buy your tickets early that the committee may know, as soon as possible, just how many turkeys to dress and the many other things to prepare for that banquet.

As has always been the custom it is asked that all who know a boy whose father is dead or out of town to give the name of such boy to the committee with the assurance that a "father" will be found for the evening for that boy. All "emergency fathers" are asked to report to the committee if they will take on a "buddy" for that evening. Dont delay this all important matter, but see the committee NOW and let's make this one of the best ever.

The Committee is composed of: Tom F. Connally, Frank White, Jr., Elba Ballew, Snooks Andis, James Smith, with Dr. B. L. Jenkins as chairman.

Tickets will be on sale at the three drug stores of the city.

DEMO MAJORITY IN DONLEY 10-1

DEMOCRATIC TICKET HOLDS HEAVY LEAD IN ALL RACES BUT ONE

Unofficial returns from Donley County with four boxes still missing gave the Democratic ticket a heavy lead of 1540 to 138 in Tuesday's general election. In the governors race Bullington held a small lead of 44 votes, which might be wiped out by the complete returns. Below is the vote by boxes with only Bray, McKnight, Rowe and Naylor missing.

Glenwood—Roosevelt 12, Hoover 0; Ferguson 10, Bullington 2. Whitefish—Roosevelt 12, Hoover 1; Ferguson 9, Bullington 5. Skillet—Roosevelt 18, Hoover 1; Ferguson 17, Bullington 6. Hedley—Roosevelt 267, Hoover 20; Ferguson 161, Bullington 115. Lelia Lake—Roosevelt 158, Hoover 5; Ferguson 70, Bullington 89.

Goldston—Roosevelt 45, Hoover 0; Ferguson 32, Bullington 15. Wilson—Roosevelt 16, Hoover 1; Ferguson 6, Bullington 11. Clarendon No. 2—Roosevelt 415, Hoover 58; Ferguson 156, Bullington 346.

Clarendon No. 18—Roosevelt 378, Hoover 38; Ferguson 210. Bullington 210. Ashtola—Roosevelt 61, Hoover 3; Ferguson 44, Bullington 21. Chiles—Roosevelt 25, Hoover 0; Ferguson 23, Bullington 0. Smith—Roosevelt 25, Hoover 0; Ferguson 17, Bullington 6. Jericho—Roosevelt 49, Hoover 7; Ferguson 32, Bullington 21. Martin—Roosevelt 37, Hoover 4; Ferguson 28, Bullington 18. Watkins-Oller—Roosevelt 22, Hoover 0; Ferguson 19, Bullington 4.

SLOAN BAKER'S NAME LEFT OFF THE TICKET

In a ticket as large and voluminous as the general election ticket of Nov. 8th, errors sometimes creep in, and such an error did creep in Tuesday when it was found that the name of Sloan Baker, Democratic nominee for the post of County Superintendent of Public Instruction did not appear.

The election judges at once began to write in the name, and to show that there was no intention to deprive Mr. Baker of his rightful election, so far as known now there was not a vote cast for any other person. He is, therefore, the duly elected county superintendent, as much so as any other candidate who won in Tuesday's voting.

The News handled the ticket this year, but had it printed in Canyon, where two other county tickets were printed, and where the county judge is county superintendent ex-officio. In changing the list of county officers in some manner this one office was overlooked, hence the error.

This explanation and apology is due Mr. Baker, and no county official or party officer is responsible in the least for this mistake.

Stores to Close For Armistice Day

By general agreement Clarendon stores will be closed here Friday in observance of Armistice Day. Early in the morning a large caravan will drive to Memphis to participate in the Armistice program sponsored by the American Legion Posts of that city and Clarendon, and for the annual football game in the afternoon between the Memphis Cyclones and the Clarendon Bronchos.

All Clarendon citizens are invited to be present for the Legion parade at Memphis at ten o'clock, according to Ralph Kerbow, commander of the local post.

ARMISTICE OBSERVATIONS AND RECOLLECTIONS

How many recall the first Armistice in 1918? How many memories go back clearly over the fourteen years intervening to bring up those thoughts and impulses which came like a thunderbolt that early morning of November 11th, 1918? We shall never forget the receipt of the glad news which came in a telegram sent to The Clarendon News by the Star Telegram at Ft. Worth. After recovery from the first shock of this all-important message The News summoned its staff and crew and worked feverishly on the issuance of a Special Edition—one of the few and the most important published by this newspaper in its long and conscientious history of service to this community.

Emblazoned across the first page in stalwart letters was the simple statement, "The War is Over." This was followed by brief details of the signing of the Armistice on the special train of the allied command on that lonely siding in Northern France. This issue was eagerly bought by the cheering citizens and a hundred copies were sold to the news agent on the west-bound Fort Worth & Denver train which had left the Metropolitan centers too early for their special editions of the great dailies.

Cheering in ecstacy abandon 2500 men, women, and children marched and surged the length of Kearney Street and overflowed into the by streets. In the early afternoon a huge parade headed by the American Flag traversed the streets and a funeral pyre to burn the Kaiser in effigy was lit in the middle of Kearney Street at the bank corners. These proceedings and a thousand personal recollections crowd the memory of that November day. And much the same spectacle was enacted in every city, town, and village in the nation.

Mention should not be necessary of the great difference in public sentiment and personal spirit as we approach the celebration of Armistice Day in 1932. There jubilation and hope reigned, in many instances dark despair and inaction now reign.

This difference should not exist. The American people are the most fortunate in the whole wide world and despite financial reverses the government is sound and will emerge unimpaired if this people will give its loyal support and sincere attention to its problems.

Let us draw a new vision from the memories of 1918 and the train of good things we have enjoyed before and since. Let us face the morning of November 11, 1932 in a better attitude than we have hitherto displayed and with a courage and hope that will not be denied.

AND AGAIN MRS. FERGUSON

Texas Democrats in Tuesday's Election refused to give Mr. Bullington enough votes to place him in the Executive Seat in Austin. By a substantial majority they returned Mrs. Ferguson to the head of the State Government, and now friend and foe alike are contemplating with interest and apprehension the next two years in Texas. Those of us who vote consistently and at every opportunity against the Fergusons would be recreant to the demands of good citizenship if we did not hope the worst we predicted would be less undermining to good government and the fair name of Texas than we feared.

Texas needs peace, harmony and efficiency in the state capitol.

REPUBLICANS ASSIST THE DEMOCRATS IN THE ELECTION OF ROOSEVELT

Through a spirit of unrest and dissatisfaction multiplied thousands of normal Republican votes have joined the banners of Democracy to sweep Hon. Franklin Delano Roosevelt into the Presidency.

States long in the Republican column have ordered a change and their electoral votes are listed in the Democratic column. In a very able short address Walter Lippmann, nationally known political observer declares that the outstanding feature of the national election was the giving of the Democratic chieftain control of both houses of Congress. Mr. Lippman observes that President Hoover has been trammelled and hindered by insurgency in his own party and a Democratic House for the first two years which limited his ability to carry out his policies looking to the rehabilitation of the nation.

When Mr. Roosevelt assumes the Presidency he will have a free hand at least for two years and in case no rebellion against his leadership shows itself in the two houses of congress.

All this augurs well for the new administration and for the continued recovery of the nations commerce.

The nation is rid of the demoralizing effects of a national election. The verdict is on the shoulders of Mr. Roosevelt. Therefore, in a generous spirit of patriotism voters of all shades of belief wish him well, and the nation well.

On the prevalence of this spirit depends recovery and progress.

A Study

. . . . in Contrasts

The above scene is a graphic representation of the homes of two housewives—just before guests arrive for the evening meal. The woman at the left has been working in a hot kitchen all afternoon . . . nothing has gone off well . . . she is nervous, tired, irritable . . . and looks it. But the modern home-manager at the right is cool, fresh, lovely and unhurried. She has been away from home all afternoon, yet is ready to take a delicious, savory and attractive meal from her oven. Her meal will be an unqualified success . . . the success of the other housewife's dinner-party is extremely doubtful.

The difference is that the modern home-manager, at the right, has an Electric Range. . . The other housewife still cooks by old-fashioned methods!

You, too, should profit by the many advantages and superiorities of modern Electric Cookery. With one of the new General Electric Hotpoint Ranges in your kitchen you'll save money, work, time and food. You'll serve better, more healthful and more attractive meals. You'll be happy, cheerful and energetic. Take advantage of special prices and terms . . . TODAY! See one of our salesmen NOW. He will be glad to tell you the interesting and valuable story of Electric Cookery. There's no obligation, of course.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

MOTORISTS NOW TAKING BETTER CARE OF CARS

LOCAL FIRESTONE DEALER FINDS OWNERS SPENDING MORE FOR UPKEEP

That motorists are beginning to increase their expenditures on proper care of their cars was indicated by Hommel Bros., local Firestone distributors.

"We have noticed during the last few months that many motorists are having their cars lubricated oftener, changing the oil oftener and checking the performance of the car and especially the safety factors," said Mr. W. O. Hommel.

Oil should be changed at least every thousand miles, as running the car too long with dirty, diluted or poor grade oil leads to expensive repairs and increased fuel consumption.

"Faulty brakes have been the cause of a large portion of accidents. Drivers have now learned of this fact, and they are having their brakes adjusted regularly.

"Proper care of the battery keeps the lights and electrical operation up to safe standards and prevents one of the most costly and troublesome hazards of motoring—battery failure. More people are buying the extra power and superior types of Firestone batteries even though they cost a little more than other types in the line. This is proven economy.

"It is also false economy to run spark plugs over 10,000 miles or not to have them inspected at least every 5,000 miles—especially since the general use of testing apparatus by dealers and the developments for increased performance such as the remarkable new electrode perfected for Firestone spark plugs.

"Statistics and experience show that the most damage from

freezing comes with the early cold snaps, so don't put off safeguarding your car for all winter with a permanent anti-freeze such as Firestone's new scientifically perfected liquid."

Mr. Hommel indicated that the motoring public are not riding on "bald headed" tires to the extent that they formerly did. "We are mounting any number of Firestone Gum-Dipped tires at the present time for motorists who heretofore have exacted the last mile out of their tires," he said.

"The last one thousand miles in a tire is worth only 43 cents and the least expense you can have from one puncture is 50 cents, while in all probability you will have loss of time, soiled clothes, a wreck or a hospital bill in case of tire failure. Besides there is constant danger from worn and non-gripping treads

and that is why Firestone has developed the most angles of non-skid protection ever provided in any tread."

"HEARERS"

Good hearers are as necessary as good preachers. "We ought to give the more earnest heed to the things that were heard, lest haply we drift away from them (Heb. 2:1). "Let the words of Christ dwell in you richly in all wisdom," (Col. 3:16).

There are important duties enjoined upon hearers. They should discriminate between truth and error. Our Lord said: "Take heed what ye hear" (Mark 4:24). Paul said: "But though we or an angel from heaven, should preach unto you, let him be anathema" (Gal. 1:8, 9). By comparing what men hear with what they read (in God's Word) they can judge whether it is the gospel or another. In political matters, few are so gullible as to believe all they hear, yet in religion men will, without question, accept as orthodox the word of any preacher.

Hearers must also cultivate the proper manner of hearing. Luke gives the utterance above referred to as, "Take heed how ye hear" (Luke 8:18). Beware of critical hearing, of occupying the "chair of the scorners", sitting rather as a magistrate, than as a criminal. Wherever there is a Paul to preach there will be a Tertullus to find fault. Hearers should not look so much to the vessel as to the priceless treasure it contains.

Inattention should be guarded against. Men are wide awake in business, but drowsy in religion. They never fall to sleep over their meals but nod and slumber when the bread of life is being broken for hungry souls. Men should not be half-day hearers. "Once-ers" are not a great help to the cause of Christ. They put ease before religion; fleshly desires before the spiritual work of the church. Lastly, care must be taken, lest men should be mere hearers and not "doers of the word" (James 1:22).

Great rewards are promised to those who hear and obey God's Word, and next Sunday morning our subject will be: "Hold Fast Thy Crown." This will be a very interesting message. Sunday night our subject will be: "The Eye of Truth." A lesson on the watchfulness of God.—W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

ELDER AND PASTOR TO AMARILLO MEET

METHODISTS OF CLARENDON WILL MAKE BID FOR 1933 SESSIONS

Presiding Elder M. M. Beavers and Rev. E. B. Bowen, pastor of the Clarendon Methodist Church left Wednesday morning for Amarillo where they will attend the twenty-third session of the Northwest Texas Annual Conference of the Methodist Episcopal Church, South, which formally opens there this morning.

Church finances were lamentably short on the final tabulations, showing something like one-third unpaid. In a session of the local board Tuesday a resolution was passed expressing appreciation and accord with the pastor's administration and asking the bishop and cabinet to return here for another year.

Rev. Bowen will invite the conference to meet in Clarendon in November 1933 and a strong campaign to that end has already been carried out among the delegates. Voting will probably take place Saturday morning with Abilene and Plainview also asking for the meeting. The local choir will present a short program of anthems at the Friday evening service.

The session will last through Sunday, November 13, at which time appointments by pastors for the ensuing year will be announced.

Approximately 400 preachers and lay delegates are expected to be in attendance. Reports of the past year's work will be heard, and plans made for promotion of the work of the church for the coming year.

Dr. John R. Score, pastor of St. Paul's Church, Houston, will preach the opening sermon of the conference Wednesday night at 7:30 o'clock and will speak again on Thursday and Friday, the hours yet to be announced, but possibly at 3:30 o'clock each afternoon, and at night.

The area covered by the Northwest Texas Conference is described as including the territory beginning at Baird, on the Texas & Pacific Railway, west to Midland, northwest to the New Mexico line, taking in all of the Panhandle of Texas and the western part of Oklahoma, then east to Wichita Falls.

BAPTISTS MEET IN ABILENE, NOV. 16

Executive offices of the Baptist General Convention of Texas are preparing reports to be submitted to the State Convention Meeting at Abilene November 16. Representatives of nearly half a million Baptists are expected to number more than 5000 when the convention is called to order by President L. R. Scarborough of Ft. Worth.

Important business to come before the convention includes reports on the \$600,000 Every-member Canvass Campaign, Mission Emergency Funds, and the Co-operative Program. Every agency of Texas Baptists will be represented at the gathering, and the South-wide Boards of the denomination will send representatives.

Dr. T. H. Ray of Richmond, Va., will represent the Foreign Mission Board, and the following Missionaries will represent their respective stations: Rev. and Mrs. E. J. Gregory of Mexico, Miss Cynthia Miller, China; Mrs. W. Eugene SaLee, China; Miss Mary D. Williford, David, Spain; Rev. and Mrs. R. S. China; Rev. and Mrs. V. L. Jones, Brazil; Miss Effie Baker, Japan; Rev. E. O. Mills, Japan; and Miss Naomi Robertson, Africa.

Presidents of Baylor University, Baylor College, Howard Payne College, Simmons University, Wayland College, College of Marshall, Decatur College and San Marcos Academy will make reports of the condition of their institutions, and the manager of Buckner Orphans Home will present his report.

Local committees at Abilene announce that the city is prepared to care for the large gathering, and all railroads are offering reduced fares during the convention.

Pastors and Laymen will meet in conference on Monday, November 14, at the same time that the Woman's Auxiliary meets. Both these gatherings will adjourn on Tuesday and the General Convention will meet at 10 a. m., November 16.

BULLINGTON IS SPEAKER MONDAY

ANTI-FERGUSON CANDIDATE ADDRESSES LOCAL VOTERS MONDAY NOON

Orville Bullington, anti-Ferguson candidate for governor of Texas, addressed a fair sized audience here Monday morning at 11:20, being a few minutes late from other addresses at Panhandle, White Deer and Pampa earlier in the day.

Mr. Bullington was introduced by Tom F. Connolly of this city and spoke for some forty minutes to the near-filled Pastime Theatre, where local voters had gathered out of the wind-swept streets to hear the Wichita Falls man who was that day concluding a strenuous speaking campaign in all parts of the state.

Entering at once into the issues of the present campaign for governor, Mr. Bullington urged a "non-partisan" doctrine. He said it was not an issue between Republicans and Democrats, but a matter concerning the welfare of the state that should not know party lines.

"It's like choosing a school district trustee, party issues having nothing to do with it," Bullington argued. "It is a matter of whether Texans want to place their government in the hands of an impeached governor who would serve as the chief executive in his wife's name."

He maintained that the medicine needed to banish the turmoil and furore that had split the Democrats since Fergusonism became an issue with the impeachment verdict of 15 years ago, was the defeat of the Ferguson by a Republican.

He argued that were he chosen governor he would recognize that the part played by Democrats in the victory and refuse to "turn this state upside down politically" by giving its government over to the Republicans.

The address was well received

LOCAL MEN GO TO GET R. F. C. FUNDS

FUNDS FOR UNEMPLOYMENT TO BE DISTRIBUTED AT AMARILLO NOV. 17TH

Clarendon's Committee for the handling of unemployment relief funds secured from the federal government through the agency of the West Texas Chamber of Commerce go to Amarillo Nov 17 to study the various plans of the organization and to receive the first installment of the sum set aside for Clarendon and Donley County this fall. Those in attendance will be Clyde Douglas, H. T. Burton and Homer Mulkey, as the committee, together with Odos Caraway, local director of the West Texas Chamber of Commerce.

D. A. Bandeen, general manager of the W. T. C. C.; Maury Hopkins, assistant manager; Wilbur C. Hawk, president, and Lawrence Hagy and John Gilvin, directors, will attend the local meeting, which will be held at 10 a. m. in the directors' room of the Amarillo Chamber of Commerce. The other meetings will be held Wednesday in Wichita Falls, Friday in Lubbock, and Saturday in Midland and Abilene.

Checks for the money which has been made available through the federal relief appropriations will be presented to the directors of the community relief organizations at the meetings. Mr. Bandeen recently spent a week in Washington presenting the claims of the West Texas cities for relief funds. The checks are for the first two months appropriations and the payment of the remainder of the money depends upon the success of the community charity drives in the different cities.

Recommendations for the distribution of the money will be made at the meetings. Plans will be studied at each meeting for a program to obtain the most benefit from the funds to be spent.

In the annual report of the Comptroller to the Governor for 1931 we find that 178 counties did not report money of banks and money of bankers for taxation; 215 counties did not report credits of banks and bankers report shares of capital stock for taxation; 228 counties did not report stocks and bonds for taxation.—G. G.

and many local citizens came forward after the speech to greet the candidate and promise him their vote.

He was accompanied here by Mason King of the Amarillo News-Globe and Harry Montgomery, Associated Press correspondent.

CHAMBERLAIN H. D. C.

The Chamberlain H. D. C. met with Mrs. Carl Adams Thursday, Nov. 3, with fifteen members and three visitors present. Subject for the lesson was "Christmas Cookery". There being no demonstration given the time was spent in quilting. At a late hour delicious refreshments were served to Mesdames Beverly, Bayson, Barbee, Fowles, Gray, Huffstutler, Hearne, O. B. Rumpy, Lloyd Reid, Frank Reid, Skinner, Thomas and Miss Willie Barbee, Rose Ada Reid and Martha Thomas.

EDUCATIONAL DIGEST

A study in Caldwell county revealed the fact that in 1928 the average ratio of assessed to the true value for acreage property worth \$2500 or less was 39.1 per cent, whereas the average rate of assessment on acreage property worth \$2501 and more was 28.7 per cent. The corresponding figures for 1926 were 40.1 per cent, indicating that the burden of the state property tax was one-third greater on the owners of farms more valuable than that.—Richard Gonzalez.

What we do in our public schools with our children determines what our nation shall be. In spite of the temporary economic difficulties, it is no time to back-track in education. It is more vital for us to have better education and more of it to protect us from our own ignorance and follies. Men are children but once and during that period the grown-up can at least afford opportunity to the child.—Ray Lyman Wilbur, Secretary of Interior.

We should, therefore, firmly resolve that we will not let down

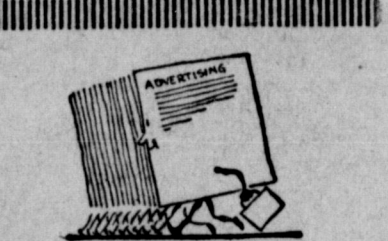

our educational standards or permit this temporary industrial setback to mar the future of our children by impairing their education. We should cut down expenses wherever it can be done, and ease the taxpayers load just as much as is safe, but let us determine that our great system of free public schools shall go forward in the work which has made America the leader of the world.—George H. Dern, Governor of Utah.

Denver Officials

(Continued From Page One)

continued the conference until after two o'clock. Discussions were had on the moving of the stock pens at Ashtola to clear the right-of-way for the new highway to be built by the state through Donley County and a few other minor details of difference. Progress was made in the final solution of the problem, and when two other details are completed the survey will be made by the state highway department in Amarillo.

The rail officials gave evidence of their willingness to cooperate to the limit of their ability in all matters pertaining to the new highway, and their sincerity was well received here by those in conference with them.

Miss Winnie Weatherly Honored

Miss Winnie Weatherly, who left Sunday evening for Los Angeles, California, was guest of honor at a lovely party when the Business and Professional Women entertained Thursday evening.

The guests met at the Pastime Theatre where they enjoyed a clever show, after which they adjourned to the home of Miss Norma Rhode where they enjoyed a delicious buffet supper.

The table, which was charming, presided over by Misses Opal Pyle and Mantie Graves, was artistic in its crystal and silver setting. A beautiful bouquet of yellow chrysanthemums lighted on either side by tapers in silver holders made it very effective.

Miss Weatherly was presented with a beautiful beaded evening bag by the club as a token of their friendship. Members of the B. & P. W. Club attending were: Misses Winnie Weatherly, the honoree, Opal Pyle, Rhoda, Julia and Helen Weidman, Gwendolyn Couch, Mantie Graves, Martha Buttrill, Julia Mae Caraway, Ruth Donnell, Ida and Etta Harned, Norma Rhode, and Mesdames Ruth Reeves, Irene Mitchell, B. G. Smith, Beth Little. Guests were Mesdames D. S. Smith, Eva Rhode, Irene Ellis, Walter Clifford, R. C. Weatherly, and Misses Dorothy White and Herloise Burrell.

Friday evening Miss Dorothy White was hostess to a miscellaneous shower complimenting Miss Weatherly.

When the guests had assembled the honoree was presented with a huge lunch basket which contained many lovely and useful gifts. When each had been inspected by all and had been thanked by Miss Weatherly delectable refreshments were served by the hostess to Miss Winnie Weatherly, Miss Rhoda, Wiedman, Miss Mae Bennett, Miss Madge Davis, Miss Helen Weidman, Miss Norma Rhode, Miss Katherine Cole, Miss Opal Pyle, Miss Julia Wiedman, Miss Lynn LaFon, Miss Herloise Burrell, Mrs. D. S. Smith, Mrs. Walter Clifford, Mrs. Manley Ozier, Mrs. Curtis Galloway, Mrs. Irene Ellis and Miss Gwendolyn Couch.

THE PATHFINDER CLUB will meet Friday evening at 8 o'clock at the club rooms. The change of time is for the benefit of those wishing to attend the football game in Memphis that afternoon.

Mr. and Mrs. Earl Alexander Entertain

Members of the Evening Bridge Club had a delightful time last Thursday evening as guests of Mr. and Mrs. Earl Alexander. In the games of bridge Mrs. Frank Stocking was awarded high score. At a late hour an appetizing salad course was served to Mr. and Mrs. J. E. Teer, Mr. and Mrs. Frank Stocking, Mr. and Mrs. Basil Kirtley, and the host and hostess, Mr. and Mrs. Earl Alexander.

Dinner Bridge

Mr. and Mrs. Kelly Chamberlain entertained the recently organized Tuesday night dinner bridge club at their home Monday night. After a delicious dinner those who enjoyed the games were Mr. and Mrs. Carroll Knorrp, Mr. and Mrs. Parke Chamberlain, Mr. and Mrs. Ira Merchant, club members, and Mr. and Mrs. Tom Bugbee and Mr. and Mrs. Bill Montgomery of Los Angeles, California, guests. High score was won by Mrs. Tom Bugbee.

Geraldine Clayton Celebrates Birthday

Little Miss Geraldine Clayton celebrated her eighth birthday at the home of her parents, Mr. and Mrs. Roy L. Clayton, with a Halloween party Monday afternoon.

Jack-O-Lanterns and Halloween colors of orange and black greeted the kiddies on arrival.

While refreshments were being served they were visited by the old witch, much to the delight and surprise of the children.

The guests for the afternoon were: Nelda Sue Burton, Marylin Sawyer, Bobby Jo LaFon, Basil Kirtley, Billy Thornberry, Garland Osborn of Ft. Worth and the little hostess Geraldine Clayton.

Mrs. Tom F. Connally is in Amarillo receiving medical attention.

Birthday Party Honoring Mrs. O. H. Wilson

A very happy occasion was had Sunday at the home of Mr. and Mrs. Jimmy Moore in West Clarendon in honor of Mrs. O. H. Wilson's seventy-seventh birthday. A dinner was served with a lovely birthday cake containing seventy-seven candles.

Those present were: Mrs. O. H. Wilson, Mr. and Mrs. Jimmy Moore, Mr. and Mrs. J. F. Cannon, Mr. and Mrs. Peabody, and Erietta, Jim Cannon and sons, Eli and Robert, Mr. and Mrs. J. M. Cannon and daughters, Nell Ruth, Nada Lou and Jane Mrs. A. C. Hyott and son Carl, Miss Clara White of Ralls.

Mrs. Cannon and Mrs. Hyott and daughters, and Miss Clara White, a granddaughter of Mrs. Wilson.

Those coming in the afternoon were: Mr. and Mrs. Sam Cannon and son Leo of Vernon, Mrs. Linnie Cauthen and daughters, Ruth, Hulda Joe, Mrs. U. Z. Patterson and Mrs. Buck, Mr. and Mrs. Layd Moreland and family.

Sims P. T. A.

The Members of the Sims P. T. A. were pleased with the large number present for the regular meeting Thursday afternoon. A very delightful program of Nursery Rhymes was presented. Miss Pauline Fox, with her group of fifteen small children made a very realistic Mother Goose. Features of the Mother Goose Play-lette were sung by Manley Bryan and Jim Boykin.

A lovely trio was sung by Mrs. O. T. Smith, Mrs. J. L. McMurtry, and Mrs. R. Wilkerson.

Mrs. Fred Rathjen gave a very interesting and instructive discussion of "Children of Pre-School Age." As a result of the membership drive which has just been concluded the Sims P. T. A. has fifty-eight members. Everyone interested in children and their welfare is urged to join the P. T. A. and assist in the splendid work it is doing.

Mrs. Earl Alexander Is Hostess

Mrs. Earl Alexander was gracious hostess to members and guests of the Contract Bridge Club Tuesday afternoon at her home.

During the afternoon games of Contract were enjoyed in which Mrs. Meade Haile received high score. At the conclusion of the games a delectable two course afternoon luncheon was served by the hostess.

Club members attending were: Mrs. Kelly Chamberlain, Mrs. Charles Trent, and Miss Mary Cooke. Invited guests included Mrs. Carroll Knorrp, Mrs. Parke Chamberlain, and Mrs. Frank Stocking.

Episcopal Auxiliary

With Mrs. A. R. Letts as hostess, members of the Episcopal Auxiliary met in the Parish House Wednesday afternoon to continue their sewing for the needy. Fifty garments have been completed in the past three meetings which shows that each member is doing her bit.

The Nawetompatimin Troop of the Camp Fire Girls met at 8:45 Wednesday, November 9, 1932, with six present and the two guardians, Helen Goldston and Francys Choate. The officers were elected and are: President, Jean McDonald; Vice-President, Oleta Woods; Secretary and Treasurer, Rebecca Welch; Reporter, Elizabeth Sanders; Sergeant-of-Arms, Virginia Buttrill. The Troop was adjourned to meet the following Wednesday.

Birthday Party

Mr. B. L. Knowles of Lelia Lake celebrated his 55th birthday Saturday by having all of his children present for the day. During the afternoon pictures of all the family were taken and everyone had a most enjoyable time. Children present to help him celebrate were: Mrs. John Hessey and son, Jack; Mrs. Everett Alexander and daughter, Dorothy of Borger; and Mr. and Mrs. Luby Knowles of Lelia Lake.

Mrs. Dyer Entertains Club

On Thursday afternoon, Mrs. Minnie Dyer was a very charming hostess to the 1912 Needle Club at her lovely home.

The afternoon passed quickly due to the conversation and busy fingers of the workers. A dainty and delicious two course afternoon luncheon was served at the conclusion of the afternoon's sewing.

Club members present were: Mesdames L. S. Bagby, H. C. Kerbow, W. H. Martin, Sella Gentry, R. A. Chamberlain, A. L. Chase, B. L. Jenkins, Sr., A. R. Letts, Homer Glascoe, C. W. Taylor, A. A. Mayes, Anna Hall, J. B. Baird, and Mesdames James Trent, Seldon Bagby, and T. H. Ellis, special guests.

Mother's Club Enjoys Program

Eighteen members of the Mother's Club enjoyed a very interesting and entertaining program last Friday afternoon when they met in the club rooms with Mrs. Wilkerson as hostess.

The program was as follows: Child Psychology, Chapter 9 and 10, Mrs. Will McDonald, leader.

"Psychology of the School Age Child", Mrs. Vestel Mosley.

"What Price Good Habits", Mrs. Frank Heath.

Music by Margaret and Lalar Belle Wilkerson.

The next meeting will be Nov. 18th with Mrs. Bill Bromley as hostess.

Mr. and Mrs. Odos Caraway have as their guest their daughter, Mrs. Clarence Heironomus of Pampa, and her little daughter, Betty Rose.

HICKMAN PRICE ON COMMUNISM

HUNDREDS ENJOY ADDRESS SPONSORED HERE BY ROTARY CLUB

"Communism" was the subject of an able address delivered last Thursday evening at the Clarendon Methodist Church, by Mr. Hickman Price, under the auspices of the Clarendon Rotary Club, and one of the most interesting programs of the season was enjoyed by hundreds of citizens of the community. Mr. Price spoke on the various phases of communism as practiced by the Soviet Union of Russia, from his intimate observation and research while in that country for about nine months last year. Having been associated with a delegation of Russians sent to this country by the government to study wholesale wheat farming on his father's great wheat farm near Kress, Mr. Price made his trip to Russia on invitation and as a guest of the Soviet government.

The speaker was introduced by Judge A. T. Cole, who was master of ceremonies for the Rotary Club, and launched at once into an intensely interesting discussion of the political, economic and social conditions and customs in Russia prevailing under communism.

The audience was held to closest attention by the graphic delineation of the political system that holds with a grip of steel the one hundred and sixty million inhabitants of Russia, by a governing body of twelve, and with less than three millions in the Communist Party. The system of police and spies so completely dominates the country that no one dare breathe criticism of the system or of the officials. This accounts for the facility with which the Soviet government holds the unsympathetic hundred millions in helpless subjection.

Economically, Mr. Price declared that the much advertised "five year plan" was a fraud and a failure, and said no American citizen should ever fear the competition of the Soviet in an industrial or economic channel. He described the wasteful factories, their shoddy, unwieldy products and the ardent lack of judgement displayed by those in charge of such industries. The farms are divided into three classes, the state farms, the group farms and

the poorest and last class, the individual farm. In the first two classes the workers are herded together without regard to sex, driven to their work and poorly fed in the extreme. In the last class are those who have failed to show any aptitude in farming, and who are not regarded as dangerous in production or initiative. "There is no food in Russia" said the speaker, "and the only time I got a square meal was when I was the guest of some high official". Continuing, Mr. Price said that necessity forced the small quantity food for the workers, as food supplies had to be shipped out of Russia in payment of machinery and repairs to carry on the system.

Socially the Russians are the most miserable people in the world, according to the intimate story of Mr. Price, who sketched how the Soviet system had destroyed home life, marriage, religion, and all the finer elements of life, in the belief that these things contributed to an individualism which was opposed to the Communist theory as expounded by Karl Marx, the German Communist, upon whose doctrines the Soviet government is based. Even the picture shows are dedicated only to propaganda and not to amusement—propaganda extolling the "five year plan" and other projects of Communism, denouncing the United States and other democratic nations, and belittling and making fun of religion. No article may be printed in any newspaper without the approval of the government, who dominates all publications.

Mr. Price closed his address by appealing to his hearers to stand firm against the least approach of Communism being propagated in America, to defend with their last drop of blood the institutions of the United States that make her the greatest nation of freemen on the globe, and to cherish those ideals of education and religion that give us the finest cultural life in the world.

At the conclusion of his address, Dr. Oscar Jenkins, president of the Clarendon Rotary Club, asked the audience to join in singing America as they faced the flag, and no one present but what joined in with greater fervor after having the merits of this nation brought home so forcibly by comparison with the unfortunate people of Russia under their Communist system.

Harvie Reynolds, Wesley Reeves, and Buddie Stephens of Whitewright, Texas, who have been visiting Mr. Reynolds' uncle, Mr. E. L. Blanks and family returned home Thursday.

ROTARIANS ENJOY MUSICAL PROGRAM

DISTRICT GOVERNOR ANDY ANDERSON TO BE HERE NOVEMBER 14TH

With President O. L. Jenkins presiding the Clarendon Rotary Club held its regular meeting Friday, November 4 with a luncheon at the Clarendon Hotel. Judge Cole and Dr. Jenkins both commented on the splendid reception given Mr. Hickman Price's lecture on Russia, which was sponsored by the local Rotary Club.

Misses Jean Bourland, Carroll Holder, and Margaret Jenkins were visitors of the club and Misses Bourland and Holder delighted the members with several duets.

REV. ROBERT S. MCKEE DELIVERS OPENING SERMON

Rev. Jan McMurtry, pastor of the First Presbyterian church at Quanah, was elected moderator of the Dallas presbytery Tuesday night at the opening of the semi-annual session of that body at the First Southern Presbyterian church Wichita Falls.

About 35 pastors and elders of Southern Presbyterian churches in North Texas attended the presbytery. The territory represented comprises counties adjacent to the Ft. Worth & Denver railway from Dallas to Texline, and the entire Panhandle of Texas.

Rev. M. W. Baker of Spearman was chosen as temporary clerk for the current session and Rev. Robert S. McKee of Clarendon delivered the opening sermon

Tuesday night, the service closing with communion of the Lord's supper.

Devotionals with which Wednesday's session opened were conducted by Rev. Paul F. Bobb, assistant pastor of the First Presbyterian church of Dalls. Dr. H. W. Burwell, pastor of the First Presbyterian church at Waxahachie, delivered the presbyterial sermon Wednesday at 11 a. m., using as his subject, "Christ the Evangelist."

Routine business occupied the afternoon, and a missionary review by Rev. Robert Knox of Korea. The closing session of the presbytery was held Wednesday night at 7:30 o'clock, with a missionary sermon by Rev. Mr. Knox.

JAMES L. SMITH LAID TO REST HERE FRIDAY

Funeral services for James L. Smith who was fifty-nine years of age, were held Friday morning at the home of his sister, Mrs. W. M. Montgomery, with the Revs. Jones and McKee officiating.

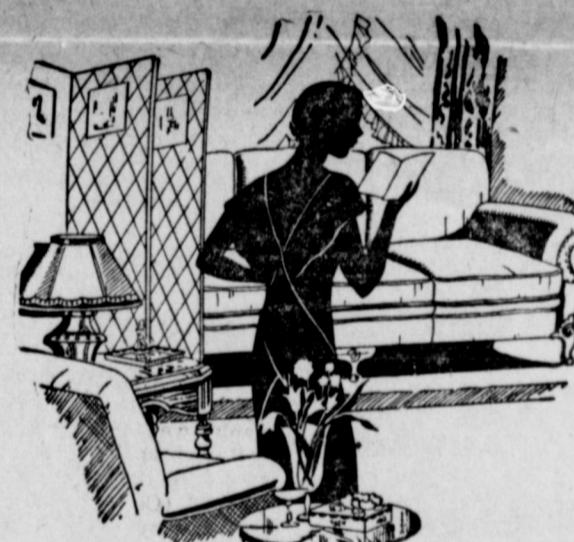

Mr. Smith was a long time resident of Donley County, coming here in 1891. His death is attributed to heart failure due to low blood pressure.

The deceased is survived by his wife and three sons, Kedron, Lester, and Kay. Two sisters, Mrs. W. M. Montgomery and Mrs. W. H. McLaughlan also survive him.

The News joins with the host of friends in sympathy at the loss of this good man.

Miss Lorraine Patrick returned Tuesday from a week-end trip to Dallas where she attended "Home Coming" of former S. M. U. students. She made the trip with Mr. and Mrs. John Maberry of Sayre, Oklahoma.

SHARP EGG GAIN LIKELY
TURKEYS GAIN IN PRICE

Egg prices by December probably will be more than double their August price, for in nine of the twenty-three years of advancing prices during the period of 1900 in Texas price more than doubled and in only one year did prices fail to advance during this season. Better business conditions, small storage stocks and light receipts at markets are favorable to more than seasonal advance in eggs this year.

SHOW DEC. 1, 2, 3

Indications point to a banner list of entries in Dalhart's Fourth Annual Trans-Canadian Poultry Show to be held here Dec. 1, 2, and 3. Inquires have been received from as far away as Stephenville in Texas, and from distant points in Colorado, Kansas, Oklahoma and New Mexico.

INSULL'S OPERATING
COMPANIES

Samuel and Martin Insull's unpardonable sin was in running out from the consequences. They cannot be forgiven that. But whatever may be said of the Insulls, they have never run out on West Texas. Out here the most significant counter picture to the vast and reverberating fall of their horse of holding-company cards is the going condition of the operating companies that were the real heart of the structure.

It has not missed on the promise to pay, a few weeks ago distributing \$117,000 in hard coin of the realm to its holders of \$5 preferred stock of whom 2,000 are West Texans. Last year it paid taxes amounting to \$1,160 per day, and salaries and wages of \$5,000 per day.

More can be said. The West Texas Utilities Company has, every year, spent more money in the development and expansion of its properties than it has received in profits from their operation. In efficiency and good conduct it is one of West Texas' finest assets. Last week its operation, viewed for the first time won the admiration of two har-headed business men from Chicago the receivers of the Middle West Utilities Company, Messrs. Hurley and McCulloch. Those gentlemen issued an enthusiastic statement in which, however, they only said what the West Texan already knows.

The News pays it this tribute because, in the present emergency, its personell have taken their medicine without complaint or whimper. Not one, from the president down to the porter in the general offices, has asked this newspaper, or any newspaper, to "go easy" or "give us a break."—Abilene Morning News.

HOW PROHIBITION
WAS "PUT OVER"

(By Dr. W. D. Bradfield, S. M. U., Dallas.)

There is a fond story that has been diligently propagated by the wets to the effect that our National dry policy was a "war measure," that it was not intended to be permanent, that advantage was taken of the two million young men overseas fighting for the liberty of the world, and that the Eighteenth Amendment was put over in their absence, depriving them of the liberty at home for which they were fighting abroad. Much has

FIFTY HEREFORDS SHIPPED
TO ROYAL LIVESTOCK SHOW

The cream of the Hereford aristocracy of the Panhandle was shipped from Pampa and Miami Monday to the American Royal Livestock show at Kansas City.

J. P. Osborne of Miami shipped out 17 pure-bred Herefords of the Prince Domino strain. Mr. Osborne's cattle are known

throughout the Hereford world. He is the original breeder of the Prince Domino cattle. His entries have won first at livestock shows all over the country.

The Combs-Worley herd which recently returned from a tour of livestock shows in which they won many ribbons, were shipped from Pampa again Monday. The herd comprised 12 animals. The 4-H club calves of Betty and Jim Farley were shipped with the Combs-Worley herd.

H. A. Talley, another prominent breeder of this section shipped out 17 pure-bred Herefords, including his famed herd bull. The club calves of Wilbur Lee and Billy Wilson of McLean were shipped with the Talley herds. P. B. Farley of Groom accompanied the shipment to Kansas City. Later in the week, Billy Wilson, Jim Farley, Wilbur Lee and W. W. Wilson will drive to Kansas City.

The minority report of the Texas Tax Survey Committee stated that "tax collectors make little or no effort to enforce the collection of taxes on personal property." In this same report it is calculated that "the total of all delinquencies on the general insolvent and erroneous list therefore is \$44,878,565.99 and the portion of this sum that arises from poll taxes is \$12,025,299.89.

MISSON, TEXAS—Plans are all completed for the Texas Citrus Fiesta, which will open in Mission December 9, according to Paul Ord, Mission newspaper man, who is general chairman. This will be the first attempt of the glorification of citrus in the history of Texas, it is stated.

The fiesta will find Mission decorated with grapefruit, oranges and flowers in every part of the business and residential sections. There will be a mammoth grapefruit parade and floats will be entered from every valley city. The pageant of grapefruit will be one of the outstanding features. The grapefruit, from the blossom until it reaches the stage of the golden hue, will be revealed, said Mr. Ord.

Hundreds of Northern and Eastern people who own citrus groves in the valley are expected to come to Texas and to the valley for this novel event. Many of these nonresident property owners are in the habit of coming

"PROVED by the GUILLOTINE—
the Safest tire ever built"

FLOYD GIBBONS

HELLO EVERYBODY, Floyd Gibbons speaking. I've just watched an execution. They're using the Guillotine in the good old U. S. A!

Boy howdy! Those Safety Searchers at Goodrich took me down into a darksome pit at the bottom of an abandoned elevator shaft.

There was an Executioner's Block down there. Above it was the wickedest-looking piece of machinery I want to see. The Guillotine!

Instead of a blade, the business-end of it was a blunt steel spike. On the block—instead of my neck, thank you—they put a Goodrich Safety Silvertown Tire. Blown up to normal pressure.

They cranked this heavy Executioner's Ax up till I could hardly see it—they said it was only 50 feet above us, but it looked a hundred. Then they let her go.

She came down like chain lightning—BAM! Steel above, steel below. Nothing between but that tire full of air.

BAM!—but that was just the sound of the Guillotine hitting the tire. We rushed forward to look. Air still in the tire. Hardly a mark on it!

So they tried it again from 60 feet. BAM! Same result. No blowout. No damage.

They were certainly determined, these Goodrich safety seekers. They dropped the heavy weighted, death-dealing instrument 75 feet—and this time the air came out. Not a real blowout, at that. Just a gentle wheeze—a slow dying groan.

They convinced ME!

But what a test! Zowie! I would have sworn no tire ever made would stand up under half the punishment this one took. That's why they say the Safety Silvertown is the safest tire ever built.

They convinced me! Then they told me some more real news—this Safety Silvertown sells at the price of any standard tire!

"THE BLUNT STEEL SPIKE came down like chain lightning—BAM! Steel above, steel below. Nothing between but that tire full of air!"

Goodrich states its position on prices
As you read tire advertisements emphasizing price, bear this fact in mind:
Goodrich has provided its dealers with greater values in each price class—Safety Silvertowns, Cavaliers and Commanders. Size for size—quality for quality—Goodrich dealers will never be undersold.
Goodrich tire prices begin at \$3.55 each (in pairs).

ARMISTICE DAY

BY ARDIS PATMAN

For the past thirteen years we have been celebrating November 11 as Armistice Day, and we shall probably keep on doing so until the end of time. If some visitor from another planet were to ask us just what it is we are celebrating, it is a question what we should answer. Almost every boy and girl would readily answer that we were celebrating the great victory which our nation along with other nations won about fourteen years ago after the most terrible war in the history of the world. Yes, assuredly, the victory is celebrated on this day. But how many of you who hail Armistice Day so joyously ever stop to think of the real significance of the event which this holiday commemorates? How many of you ever stop to think of the meaning of Armistice?

As a result of the World War thousands of young men who gave their lives willingly to that the world would be made safe for democracy were killed or maimed for life. The war practically bankrupted not only those who were on the losing side but those who were on the winning side. It left the nations of Europe staggering under crushing debts which some of them can never hope to pay. In the face of such situations, what is, or, what should be the purpose of Armistice Day? It seems that the day should be used in a way that will help to attain the renunciation of war to settle national and international controversies. John Glasworthy, the distinguished writer, has suggested that Armistice Day should be renamed and called "World Peace Day". This suggestion is worthy of all consideration. But whether the name is changed or not, the day can be devoted to the promotion of world peace, and thus the peace spirit can be helped to grow.

Broncs Prepare to Meet Cyclones

The Clarendon Broncs will journey to Memphis to meet the Memphis Cyclones on Friday, November 11. The game is called for 2:30 o'clock at the Fair Grounds.

The Broncs are in the best condition since the opening of the season. Those who have been on the injury list have recovered and are able to participate in the game. The past two weeks

have been spent in preparing an improving the offense and defense of the plays. The rough edges of the plays have been polished off, and the Broncs are expected to click in great harmony.

The spirit of the team has improved greatly since the last game. The boys are determined to win under any opposition. Much fight has been exhibited in the scrimmage of the past weeks. When the Broncs leave for Hall County this Armistice, each man goes with the grim determination to do his very best to defeat the old rivals of the Maroon and White.

This is to be the game of the year and a large crowd is expected to attend the game. The Jinx, which the Cyclones seemed to hold over the Broncs was broken last year when the powerful Bronco eleven defeated the Cyclones for the first time in a number of years. The Broncs are the favorites for the game according to the dope. We are hoping that this is true and that the Broncs will be able to avenge the stingy defeat of the 54 to 0 in 1928.

Fans, let's all go to Memphis with the Broncs. They need your backing. The game promises to be the best of the season and will contain many spills and thrills for those who are present. YEA, BRONCS, BEAT MEMPHIS! WE'RE FOR YOU!!!

THE SOPHOMORES

The sophomores have decided that it is about time to sit up and take notice. The other classes seem to be getting ahead of them in several ways. Perhaps it would be profitable to have a class meeting and brush up a bit. The class must be at least ambitious.

HOME ECONOMICS CLASS PREPARES MEALS

The Second Year Home Economics Class prepared breakfast, dinner and supper for the average family of five Thursday, November 3. The food was prepared at the regular class period and served at noon. The host and hostess for the breakfast were J. M. Lummus and Eleanor Morris; for dinner Heavy Whitlock and Margaret Blackwell; for supper, Hubert Reavis and Lola Barnes. The menus were: breakfast, oat's, applesauce, toast, bacon, eggs and coffee; for dinner, macaroni and cheese, beans, cabbage, and carrot salad, cornmeal muffins and rice pudding; for supper, baked potatoes, cornmeal muffins, spinach with egg garnish, butter, stewed prunes, tea for adults, and milk for children.

Pep Rally

Due to the on-coming game with Memphis there will be a pre-game pep rally held at the old central ward school building on Thursday evening, November 10. The rally will, in all probability, be the most enthusiastic rally of the year because everyone will be well aware of the fact that on the morrow the Broncs meet their deadliest enemies and ancient rivals, the Memphis Cyclones. The squad is contemplating a large bon fire to aid in the inspiration that is to be derived from the affair. The girls are desirous of the presence of the students at this rally. The more there the more noise they can make and noise is the main element in a pep rally.

The main squad is planning a stunt that will be performed at the half in Friday's game. It is expected to be the best stunt worked this whole year. Everyone must go to Memphis and yell until he cannot yell anymore for the Broncs. It helps.

General Assembly

On Monday afternoon at 3:00 o'clock the college and high school students met in assembly for Mr. Burton to make several announcements. His first one concerned the high school students. All boys playing football were asked to meet in the Senior room Tuesday afternoon for physical education. The girls were requested to meet in the study hall with Miss Morgan and Miss Thornton. From this time on, classes in Physical Education will meet regularly; the girls are to be instructed by Miss Morgan and Miss Thornton while the boys work will be supervised by Mr. Burton and Mr. Carver.

Other announcements were made in connection with the daily routine of school work. By way of climax, Mr. Burton announced the coming holiday on November 11.

IN THE CLASSES

Miss Headrick: Hollis, tell Leroy the use of an adjective.
Hollis: Aw, he already knows them.

And one day Leroy told the English class about a girl in Louisiana who took her cows to school to get an education for them. Something new to the cows, well bet.
Have you heard Nova Cook calling Mr. Carver, Mr. Clark? She isn't getting him confused with the dean, either.

Harry H. Porter of Evanston, Ill., walked up to Harry H. Porter in the latter's police court and said: "Don't let the similarity in names influence you, judge; I'm guilty and should be fined."

High School Artists

Students of the High School are accustomed to seeing decorations by our leading artists in the Study Hall before the every football game, but this week the decorations have surpassed themselves. The words "Beat Memphis" are inscribed in letters of all sizes. Cheer leaders in gymnastic attitudes are uttering such encouraging slogans as, "Yea team, fight!", "Bronchos, Bronchos", "beat those cyclones." Prophets have predicted the final score, and in many instances poor Memphis does not make anything. With such encouragement the Bronchos should be able to win by a comfortable margin.

THE JUNIOR SOCIAL

Last Friday night the Juniors enjoyed a social evening at the Parish House. While many of the boys and girls danced to the beautiful music, furnished by Rhodin Chase and Hubert Reavis, others enjoyed themselves by playing bridge, forty-two, and other games. Many of the students invited seniors, sophomores, or freshmen. After the last strain of the music had faded away, everyone declared that it had been a very enjoyable affair. The class hopes to have many more socials that will be just as enjoyable. This affair was sponsored by Miss Anna Wiedman.

SPORT SPUTTERS

BY O. C. WATSON, JR.

All week long the Broncho squad has been going through strenuous workouts, getting in full stride to meet the powerful Memphis Cyclones, their long arch rivals. Since both teams have met defeat by the Fighting Irish of Shamrock they will be evenly matched and you fans can prepare to witness 60 minutes of real fighting football. The antagonistic spirit that exists between the two teams has made them rivals for many years, and as long as there is football, the spirit will exist.

Every year the Clarendon-Memphis game is the game that fans look forward to. This game last year drew a larger crowd than the district game at Dalhart or the bi-district game at Clarendon. One can easily see what the fans of each city expect.

The eyes of both teams are turned toward the Wellington-Shamrock game which is to be played in Wellington tomorrow. This game will determine whether the Bronchos or the Cyclones get back into the district running. If Wellington defeats Shamrock, which I think they will, the winner of the Clarendon-Memphis game will play Shamrock for the Sectional title. But, if Shamrock defeats Wellington, both Clarendon and Memphis are out of the conference running.

Memphis looked very weak against Shamrock, however, they are determined to win from the Bronchos. Personally I think the Bronchos have had a better team than Memphis for five years, but Memphis has won four out of the five years because they out-fought the Bronchos.

Sport Sputters prediction on this week's games of interest:
Texas 7, T. C. U. 2.
S. M. U. 7, Arkansas 0.
A. M. 0, Rice 12.
Notre Dame 18, Northwestern 13.
So California 24, Oregon 21.
Iowa State 7, Oklahoma 21.
Wellington 14, Shamrock 13.
Clarendon 18, Memphis 7.

Some people are in favor of good schools if it does not inconvenience them any.

HOME ECONOMICS CLASS EXPERIMENTS

The Home Economics Classes are making some scientific experiments with two white rats donated by George Wayne Estelact. The first three weeks they were fed the same diet, graham bread, cabbage, milk. Both of the rodents gained in weight, and weighing the same, one was put on a coffee and bread diet while the other was kept on the original diet. A member of the Third Year Class is feeding them for her project. The rats have been given the names of Mickie and Minnie.

EBY STOCKING WINS NEW YORK SCHOLARSHIP

Hobart Eby Stocking, candidate for the Ph. D degree at Johns Hopkins University has just received a scholarship in the Faculty of Philosophy of that institution. As a graduate Geologist from the University of Texas young Stocking was attached to the Sinclair Exploring Company and worked for two years in Portugues West Africa. He resigned that position and returned to America a year ago to pursue a graduate course at the Baltimore institution. As a student in the geological department he has distinguished himself with a high scholastic standing and in recognition of good work the award was made by the faculty of Johns Hopkins University.

EDUCATIONAL DIGEST

Taxes! Taxes! Taxes! Seems to be a household word now days. The problem of taxation is getting its share of comment these times. If we had a tax that was inforceable and based on the ability to pay, these comments about high taxes would vanish like dew of a spring morning.

In 1926 the assessment of the real and personal property for state purposes was reported to be 20 per cent of the true value in Dallas and 75 per cent of the true value in Galveston. Though the rate of the state levy per \$1000 of assessed valuation was \$7.70 in both these cities, the rate per \$1000 of estimated true value was \$1.54 in Dallas as compared with \$5.78 in Galveston. Thus the burden of the state tax on property in Galveston was 3.75 times that on usually valuable property in Dallas. In 1929 real property was assessed for state purposes at 35 per cent in Houston and 67 per cent in Waco. Enough examples have been cited and countless others could be added, to show that the state ad valorem tax imposes unequal burdens on the different counties. This will continue to be the case so long as the present system of administration is retained. It is simply out of the question to get at uniformly fair valuations of property for state purposes with 254 separate assessors appraising it according to local needs and local influ-

ences, and with 254 separate boards of equalization.—Richard Gonzalez.

The only weapon with which we can successfully combat the "Demon Ignorance" is education.

MUSICAL PROGRAM ENTERTAINS LIONS

TUESDAY PROGRAM FEATURED BY ADDRESSES AND POPULAR MUSIC NUMBERS

One of the best programs in many weeks greeted the Lions Club Tuesday of this week at the noon luncheon in Lions Hall on Kearney Street. Quite a number of visitors were present and all alike enjoyed the music and speeches that carried the program to a few minutes past regular adjournment time.

The program of the day was in charge of the Lions Education committee, with Lion Clyde Douglas, chairman, as announcer. For the musical part of the program the committee had secured an instrumental trio composed of Hubert Reavis, Elmer Palmer and Rhodin Chase on the saxophone, banjo and piano. They began their offerings with a medley of patriotic airs suitable to election day and to the various tastes of the membership. Following this they played a group of modern dance hits in a very professional manner, to the delight of the Lions whose feet it set going.

Lion O. C. Watson was the speaker of the occasion and in a wonderfully well conceived and delivered address of brief duration set out the benefits of Lions Club membership personally and for the morale of the community under trying times. His presentation of the arguments for steadfastness in club service and community morale found a ready response in the minds of his hearers.

Following Lion Watson's address, Lion W. H. Patrick rose and offered some splendid thoughts in respect to our duty as citizens in the matter of voting and showed how much better off we of America are when compared to the conditions faced by those of other nations of the world.

Lion J. T. Patman reported on carrying the crippled ward of the Lions Club to the specialist in Amarillo, and brought the climax of the meeting by declaring that this fine work being done by the Lions Club was worth every penny invested in the carrying on of the club, the time given to its activities, and asked a rededication of every Lion to unselfish service to humanity such as the club is now engaged in.

Announcements were made of the Parent-Teachers musical comedy to be given next week, by Miss Frances Benton, director, who was a guest of the day, with Mrs. Ira Merchant and Mrs. Penelope Blocker Ellis. Other

former house Republican floor leader went Democratic, with Francis T. Maloney, defeating Republican T. A. D. Jones, the famous former Yale football coach.

Dormant but by no means forgotten while candidates discussed economic issues through the campaign, prohibition, and its future, was very much involved in the day's voting.

Roosevelt and his vice presidential running mate, John N. Garner of Texas, were elected on a platform pledging the repeal of the 18th amendment and immediate legalization of beer. Their ability to fulfill this pledge hung however, on the elections to congress.

Of the first 218 house members definitely elected, 103 were classed by wet or dry organizations as favoring repeal or refision. Of 12 senators for whom the vote was conclusive nine were on record for repeal.

An analysis of the presidential returns showed no section untouched by the Democratic triumph. The South made up for its 1928 departure by returning with emphasis to the Democratic fold, carrying with them the sometimes debatable border states.

In the East, tiny Delaware gave Hoover its three electoral votes while the Democrats were sweeping New York and New Jersey. The present chief executive led, but inconclusively, in Pennsylvania, in which the strongly Republican Philadelphia districts gave him a vote roughly 100,000 below that which party leaders there generally count upon.

New York went for Roosevelt and lost no time about it. Eastern Republican leaders conceded the state both to Governor Roosevelt and Herbert Lehman, Democratic gubernatorial candidates, early in the vote counting. New York City gave the governor an 800,000 plurality to offset a Hoover advantage of 200,000 in other parts of the state.

In New England, Maine, which wandered off the Republican reservation

were the musicians named and M. M. Noble, a former member of the club.

Lion Watson also made announcement of the Boy Scout movement being revived in Clarendon and asked the moral support and interest of the club members.

vation in September, was back with a Hoover lead of some 60 to 75 thousand. New Hampshire, Vermont and Connecticut went to Hoover by small margins. Aside from six states already mentioned as for Hoover, not a single state west of the Alleghenies, on the basis of returns early today, gave its electoral votes to Hoover, not even the state of his birth, Iowa, or that of his present residence, California.

Michigan for the first time since 1852 found itself with a vote that though inconclusive early today, strongly tended to list the state for the Democrats. The customary Republican states of Indiana, Ohio, Iowa, Minnesota and the Dakotas gave the Democratic candidate mounting pluralities. On the Pacific coast the tale was the same.

Out there, while his state went Democratic, President Hoover sat in his Palo Alto home, weary from a campaign carried on aggressively clear through election day itself. Toward nightfall he had cast his vote in his home precinct. Surrounded by a small group of close friends he watched the disappointing totals accumulate. Some time soon after 9, by California clocks, he penned a brief message to Franklin D. Roosevelt.

It said: "I congratulate you on the opportunity that has come to you to be of service to the country and I wish for you a most successful administration. In the common purpose of all of us I shall dedicate myself to every possible effort". The president fingered the communication for

a short while, then dispatched it. At that moment, Governor Roosevelt was the center of a joyous throng of party workers and close friends in New York's Democratic headquarters, the Baltimore hotel. Al Smith was there, brown derby aslant, a happy grin up-lifting a big cigar. So, too, was Jim Farley, astute politician, who directed the Roosevelt campaign, predicting from the start a Roosevelt plurality of 10,000,000.

As the accumulating returns became conclusive, the governor with his son, James at his side proceeded to the Baltimore ballroom where a throng of party followers greeted him with a tumultuous ovation.

MUSEUM CORNER STONE IS LAID

MASONIC CEREMONIES MARK CORNER STONE LAYING OF MUSEUM AT CANYON

Two thousand people stood with bowed heads as the cornerstone of Pioneer Hall, Panhandle Plains Historical Society museum, was laid last Saturday morning on the West Texas State Teachers College Campus in Canyon.

It was the realization of a 10-year-old dream of the sturdy octogenarians, who laid the stone with loving hands. The \$50,000.00 structure will be constructed with funds raised half by the members of the society and half by appropriation from the state funds.

It is a structure unique in the annals of America as the society is unique a museum built while the history of a section is being made, a society formed of the men who made the history.

At 11:30 o'clock the ceremony

of the cornerstone laying took place on the southwest part of the campus. T. D. Hobart of Pampa, president of the society, led the service, which was given by the Masonic Grand Lodge of Texas. Those who took part were W. H. Patrick, Col. R. P. Smythe of Plainview, Sam Isaacs of Canadian, O. W. Gano and Don Sanders of Canyon, and George Stapleton and M. O. Carder of Amarillo.

Into the cornerstone went a sealed box containing a buffalo horn, copies of The Prairie, college newspaper, The Canyon News, The Clarendon News, The Amarillo News-Globe, The 1932-33 student directory, a bulletin of the college, a Lions Club directory, which contained the names of all the Panhandle Clubs and their officers, an issue of the Panhandle-Plains Historical Society Review, copies of the speeches made during the ceremony and some coins.

Members of the board of directors of the society were seated on the platform. After the Masonic ceremony, Dr. J. A. Hill, president of the West Texas State Teachers College, paid a tribute

to the men who had built the Panhandle and later raised funds for the memorial building to the glorious history of West Texas.

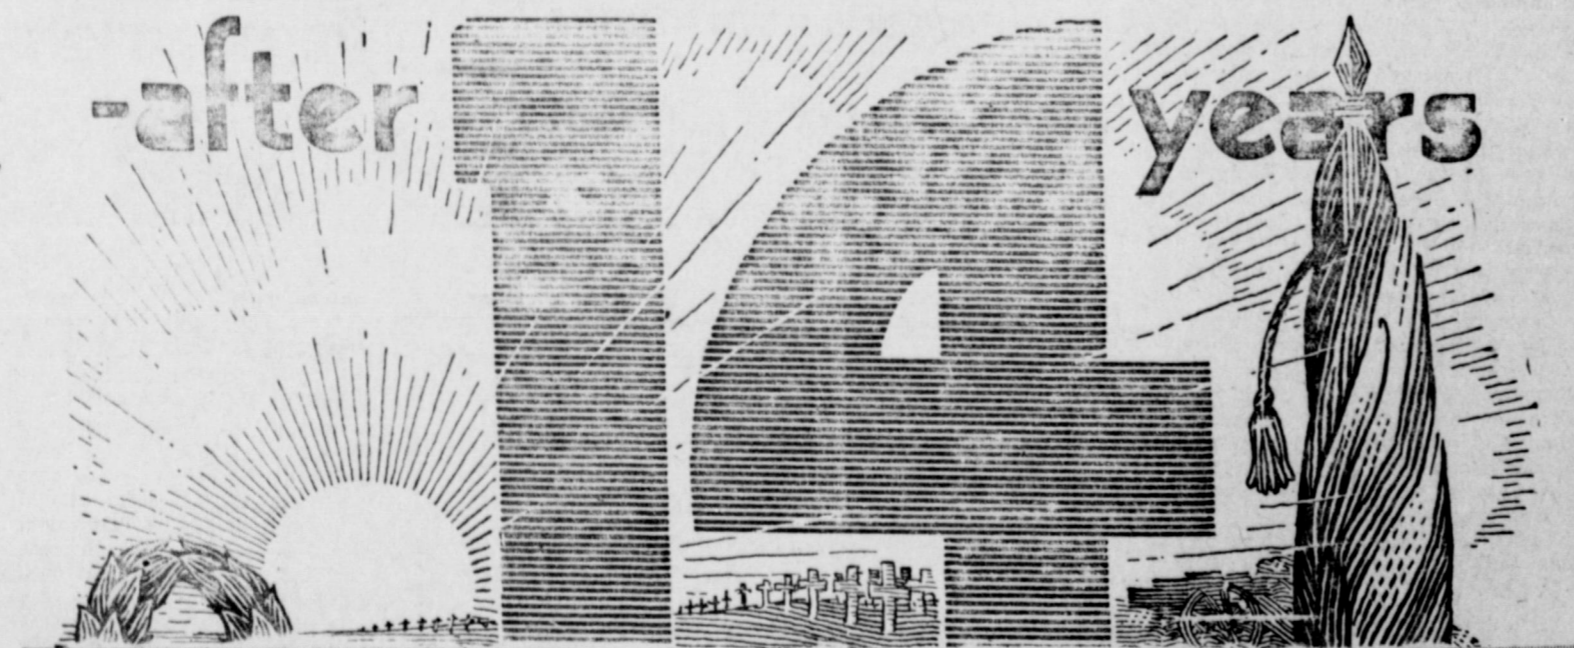

"We are met today to lay the cornerstone of a building that at once symbolizes their achievement and their hopes. It is the spirit of the pioneer objectified," he said.

J. O. Geluke of Amarillo, member of the state board of education represented the state of Texas at the ceremony.

Besides Mr. Patrick, other Clarendon people attending the ceremony were: Mrs. W. H. Patrick, Miss Katherine Patrick, Mr. Harold Bugbee, Mr. Ann Mrs. Homer Mulkey, Mr. Tom F. Connally, Mr. and Mrs. Robert Dilford, and Mr. and Mrs. Sam M. Braswell.

Mrs. T. W. Welch and daughter, Rebecca, visited in the home of Mrs. Clarence White in Amarillo Sunday.

W. H. Patrick returned the first of the week from Dallas where he attended a regular meeting of the directors of the federal reserve bank of this district.

ARMISTICE DAY - NOVEMBER 11, 1932

Time moves steadily onward. Hardly seems like 14 years since the greatest conflict of all history was brought to a victorious conclusion by the Allied Armies. Yes, and in those 14 years, many of us have had . . . and some still have . . . dark days when it seemed the battle of Life was turning against us. But . . .

Our personal trials and tribulations are as nothing compared to sacrifices so valiantly made by the heroes of '17 and '18 in defense of the Peace and Security of the world. Many of those brave lads gave their lives, any still patiently bear the wounds of war, both in our hospitals and in private life. For many of the latter, the war will never be over.

So to them . . . yes, to all veterans . . . and in memory of the honored dead, our salute. And a silent prayer of thanks as we FACE THE EAST at 11 a. m. ARMISTICE DAY!
