HEDLEY FAIR TO BE SEPTEMBER 20-22

The Hedley Fair and barbecue will be held Tuesday, Wednesday and Thursday, Sept. 20, 21 and 22, and splendid progress is being made on arrangements for same.

The barbecue will be given Sept. 21, or the middle day of the Fair. The personnel of the beef committee is such that everybody will have the opportunity to get plenty of real barbecue.

The agricultural products exhibit of course will be one of the features of the Fair, and will no doubt be well up to this section's high standard.

Livestock and Poultry exhibitors are speaking for pens and space rapidly, and this exhibit will likely eclipse any exhibition ever held here in their line.

There will be on display here in an exhibit somewhat new and novel the Agricultural Exhibits building in the way of practical education pertaining to the products of the farm and ranch.

The Textile and Culinary departments are being ably cared for and will have plenty to show with real merit.

Some local organizations are planning for booths that will contain many noteworthy exhibits.

The amusement committees are arranging for a fast baseball game each day, and other attractions that

might be suitable. The Hedley Concert Band will be on the job to assist in making the occasion a pronounced success.

All in all, the Hedley Fair and barbecue bids fair to outrank any community fair ever held in the Panhandle—or even a wider territory.

Printed matter, giving all details, will be distributed within the next few days, and further information will appear in The Informer each week.

FAILURES ARE DECREASING ACCORDING TO DUN

R. G. Dun & Co., report that business failures are declining. They have fallen from 1,895 for the whole country in January, to 1,200 in June. The prospects are bright for continued decrease. The note of improvement is beginning to drown out the chorus of alarm.

One of the financial experts says that many of the failures, although it may seem unkind to say so, are excellent signs of returning business solidity, for they have occurred where business had been built upon inflated standard and conducted along unsound, wasteful lines.

This sort of business is gradually disappearing, as it should. The firms which weather the depression will be of the type entitled to endure because their methods are sound and represent real service to the public in return for the profits reaped.

In the meantime deflation goes rapidly on. It is said, by those in a position to know, to have traveled as far in one year since the world war as it took several years to cover after the civil war.

It is a rather painful process, to be sure, but maybe it will mean that the return to normal business conditions will be all the more rapid. It will do no harm to hope for it, and to plan for it, at any rate.

BOB TAYLOR'S DREAM OF HEAVEN

Perhaps we all have read the following article by Bob Taylor, one or more times, but to those who love the beautiful it is an epic that never grows old.

"What Heaven is I know not, but I have long dreamed of its purple hills and its fields of light, blossoming with immortal beauty; of its brooks of laughter and its rivers of song and its places of eternal love. I have long dreamed that every bird which sings of this life out here on earth may sing forever in the tree of life and every consecrated soul which suffers the pain of this world may rest among the flowers of Heaven and live and love forever. I long have dreamed of opal towers and of burnished domes, but what care I for gates of pearl or streets of gold, if I can but meet the loved ones who have blessed me here on earth, see the glorified faces of father and mother and little baby brother who died among the bursting buds of hope and take in my arms again my own darling baby who fell asleep ere her little tongue could lip "Our Father who are in Heaven." What care I for the crown of stars and a harp of gold, if I cannot love and laugh and sing with my loved ones forever in the smile of my Saviour and my God."—Selected.

FIERY, ITCHY SKIN QUICKLY SOOTHED BY THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing soothes fiery skin eruptions so quickly, says a noted skin specialist. The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up. A small jar of Mentho-Sulphur may be had at any good drug store.

A Thousand Ton Coal Shortage In Clarendon ! !

Packard Shoes for Men

For nearly four years we have sold Packard Shoes to the men of Donley County. Any one of them will tell you

"They're Good Shoes"

The Packard people make a shoe just as good as they know how to make one—and then price it in accordance with the cost of making. They don't know how to make them better. Promise yourself, NOW, that your next pair of shoes will be PACKARD made.

—For Your Own Protection Buy Advertised Brands of Merchandise

The temptation, to the merchant, is great during these times when people are looking for something CHEAP, to buy for them merchandise that is below standard. And a great many who have their minds on the difficulties of the present time are making the mistake of offering cheap merchandise.

WE ARE KEEPING CLOSELY TO A HIGH MERCHANDISE STANDARD

And, as always in the past, we have a dual purpose in doing so. We know that such a policy will win out. We want to be known as an institution which offers its customers **DEPENDABLE** merchandise. That sort of merchandise has always cost less than un-dependable merchandise, both to the seller and buyer.

Economists and students of business conditions are now agreed that "the bottom has been reached" and that we can not look for further reductions in commodity prices, as regards cotton, wool and leather products. This indicates, in all cases, a time at which one is safe in buying his needs.

'Red Goose' Shoes for Children

Better known than any other make of Children's shoes to the people of Donley County Why? Because we believe in them and have lost no opportunity of advertising them.

It Takes Leather to Stand the Weather

That's why "Red Goose" Shoes, like all shoes made by Friedman-Shelby Shoe Co., give the utmost in wear and appearance.

SCHOOL CAPS

The boy wants an up-to-the-minute style in his cap. The pleated back is "all the go" and we have them in good qualities and about half as much in price as a year gone. Buy the cap and suit and have him look his best when school begins.

"KNITRIGHT" Sweaters

—Direct from the Mills

We fear we have not allotted ourselves enough space to tell you about these unusually fine sweaters and caps. We really do not believe you have EVER seen the equal of this knit-wear. There are heavy jumbo stitch coat sweaters and slip-ons, heavy closely knit coat sweaters in the Shaker knit, some of them displaying the most skilful knitting we have ever seen—knit together without any sewing whatever. The pockets are knit in a wonderful clever manner. Absolutely, to see one is to want one.

In a wide range of colors and combinations, and in white.

Then there are "travelo" jackets—the kind the indoors man likes to wear, because they set close to his body, have pockets for his watch, pencils, etc., and do not feel heavy and clumsy.

IN OUR WINDOWS THIS WEEK—
A FULL DISPLAY

Society Brand Clothes

If you like clothes that "feel right and look right," it's a suit of Society Brand clothes you're wanting.

Made of pure virgin wool fabrics, in correct styles and up-to-the-minute patterns, they are the last word in correct dress.

In keeping with the policy of manufacturers of all high-grade merchandise, these good suits are made just as good as it's possible to build suits, and then the price is made. The result is a suit which can be guaranteed by the maker and the merchant.

"MADE TO MEASURE" SUITS

from SOCIETY BRAND SWATCHES

offer the hard-to-fit man unusual satisfaction. The best-groomed man makes the best impression on his business associates. Make the most of your self! Let us build for you a made-to-your-own-measure SOCIETY BRAND SUIT.

"INTERURBAN SPECIAL" WORK CLOTHING

Here, men, is the very best work-clothing we have ever been able to offer you. A Texas-made line, embodying the highest quality of workmanship and materials, liberal in cut and wear-resisting in fabric. The line includes—

MENS' AND BOYS' OVERALLS
MENS' AND BOYS' KHAKI PANTS
MENS' BLUE AND GRAY WORK SHIRTS

And in each of them, is a garment that will sell another, because of the excellent fit and wear built into it.

"DUBBELBILT" Boys Suits With Two Pairs of Pants

How many coats, with no pants to match, are hanging in the boy's clothes closet? The answer to the problem of getting maximum wear out of the boy's suit, is in a suit with TWO PAIRS OF PANTS.

"DUBBELBILT" Suits, with two pairs of pants, and with many exclusive and valuable features, are surprisingly tailored and styled. And when we recall how very much a one-pants suit cost a year ago, we can but be astonished at the very low price of these good suits for boys. May we show them to you?

SCHOOL DRESSES of Gingham—"Yankee Maid"

Most children's gingham dresses are more or less "tacky" in style when bought ready-made, aren't they? We want you to see the shipment of little models we have just unpacked. Made of good soft gingham, in checks and plaids and hand-embroidered—they are just the most attractive dresses we have ever been able to offer.

In sizes from 2 to 14 years; priced at \$1.35 on 2 year sizes, up to \$3.35 on 14 year sizes.

---Our Policy

When we started in business fifteen years ago next Saturday September 10th, we announced our policy that we would handle nothing but high grade standard merchandise in every department, would sell merchandise on a narrow margin of profit, would as far as our knowledge went, make no misrepresentations about the character and quality of goods we handled; and we would mark the retail price of our goods in plain figures, having a "strictly one price to all" on every article.

We have steadfastly maintained this policy for fifteen years, and although there was an urgent demand for the last ten months for "cheap" merchandise and the wholesale markets have been flooded with cheap and inferior goods we still offer you only high grade strictly standard merchandise of known and tested qualities knowing it will prove the cheapest in the long run, and will merit your continued patronage.

You will find our stocks now complete with the New Fall and Winter goods and we are offering better qualities than for several seasons at moderate prices. We want you to come in any time and see the new goods.

REV. AND MRS. FOSTER ENTERTAIN FRIENDS

Members and friends of the Presbyterian Church of this city were guests of the pastor of the church and his wife, Mr. and Mrs. W. H. Foster, Monday evening at the manse. A shower of rain in the afternoon made a fair bid to break up the party for that night anyhow, but the sky cleared before dark and quite a crowd of friends met—for an informal gathering the main idea of which was chilled watermelons. Reported.
