LEADER

CLARENDON NEWS

The LEADER brings your friends and acquaintances near you every week. Keep your subscription paid up.

Youngsters of the Texas Scottish Rite Hospital for Crippled Children, Dallas, couldn't wait to try out the new spinnet piano given them recently by the Let's We Forget Club, a group of women exceptionally generous in donating equipment for the kitchen and other parts of the hospital. At the piano playing for an impromptu chorus is Betty Nawara. The singers are Sue Plummer, behind the piano, Sailor Shipp and Jean Monteith. Friends all over Texas yearly contribute many such fine gifts, as well as funds, to help carry on the work of the Scottish Rite Hospital.

Guy Lombardo At Wellington May 22nd

WELLINGTON, May 12—Guy Lombardo and his Royal Canadians will make only four stops in Texas on their current tour, and one of these will be Wellington. The nation's number one band leader, Lombardo brings his orchestra here to play for a dance Saturday night, May 22, Russell Yates, entertainment chairman for the Veterans of Foreign Wars, sponsors of the dance, has announced.

The other three points at which he will play are Dallas, Fort Worth and Lubbock. The dance will be given in the community building in Wellington, famous through the Panhandle for its spaciousness and its excellent floor.

Playing "The Sweetest Music This Side of Heaven" Guy Lombardo and his Royal Canadians feature the Lombardo Trio (Guy, Carmen and Lebert), Don Rodney and Kenny Gardner. For a whole evening, lower Panhandle and western Oklahoma residents will dance to the songs that Guy Lombardo and his orchestra have made top hits—the first opportunity that almost all of them have had of hearing this No. 1 orchestra leader in person.

Tickets are now on sale at \$3.50 per person, and may be secured by writing Russell Yates at Wellington, Texas. All mail orders are requested to enclose a self-addressed, stamped envelope.

SERVICES WEDNESDAY FOR MRS. W. M. PICKERING

Funeral services were held Wednesday afternoon at the Methodist church for Mrs. W. M. Pickering with Rev. S. W. Hayne officiating.

Mrs. Pickering, age 65, passed away at St. Anthony's hospital Monday afternoon due to a heart ailment. She has been a resident of Donley County for the past 36 years, having made her home for the past several years in the Naylor community on Lake Creek. She was a member of the Methodist church.

Survivors include her husband, W. M. Pickering, a daughter, Mrs. Edwin Eanes of San Antonio and a son, Lesley Pickering of Abilene. Also two brothers, Ross Jacobs of Berthold, Colo. and Willis Jacobs of Cheyenne, Wyo.

Palbearers were Roy Jewell, Carl Naylor, W. W. Noblet, Gene Chamberlain, W. J. Williams and Nollie Simmons.

Burial was in Citizens Cemetery through the Murphy-Spicer Funeral Home in charge of arrangements.

Local Schools Commended By Deputy Supt.

The Clarendon public schools received a very favorable report from the State office this past week as a result of the personal visit recently of Deputy School Supt. Morris H. Jones.

The commendations outlined in the report were as follows: 1. New building for gym, HM Department and VA Department has been completed and is in use. 2. Have added a new building for shop, and a building for the colored school.

3. Library is one of the best. The librarian should be commended for her excellent work.

4. All exhibits were on file and were in good order.

5. This school has a very good science department.

6. The deputy thanks Supt. Burton for his many courtesies. The recommendations were:

1. All teachers should have degree for 1943-49, if possible. No new teachers should be hired without a degree.

2. More emphasis be placed on health and safety education.

GOOD WEATHERMAN NEEDED TO PRODUCE MOISTURE

It seems that the weathermen around this area are falling down on the job and having very little influence in regard to moisture for this particular area. Instead of a good soaking rain to make everything brighter, we have been taking a pounding from high winds that have sapped a goodly portion of what little moisture we had out of the ground. Wheat in this area has suffered most and those drops of moisture are certainly needed in conjunction with the planting that needs to be done.

The heading above an article in the Leader a year ago, May 15, 1947, would look mighty good right now. The heading read: "Nearly Five Inches Rain Falls Here In Weeks Time". On down in the article, a final check was made before press time and a total of 5.36 inches was counted.

Well, that was last year and all we can do now is look forward to several beneficial showers which usually fall this time of year.

DISPOSITION OF 1947 CROP LOAN COTTON

The Department has announced that all 1947 crop cotton under loan August 1, 1948, will be pooled by the Commodity Credit Corporation on that date. These loans mature July 31, 1948. All cotton producers who are interested should give serious consideration to this matter.

PLOWIN' Out the CORNERS by Uncle Zeb

Visited awhile in Panhandle the other afternoon and found it a very enjoyable trip. They have an outstanding public library with some sort of a record on books about Texas. Enjoyed visiting with Mr. Nichols, the county agent. He is new in these parts, but is the kind of person that we are always glad to have become one of us. They have an outstanding man in the Weekly newspaper field, in their editor, Mr. Warren. His desk was piled high with all kinds of mail, newspapers, books and what-have-you, but he had never read one of our little columns. However, he didn't seem to feel that he had missed a great lot. Anyway, he promised to read at least one.

Talked to Cal Farley and have a date with him to visit Boys Ranch, and write some little items about it. Hope I can make them interesting enough that you will like to read them. Anyway, I am glad Mr. Farley is staying on with the Boys.

The Farm Bureau is losing a good man with the moving of Joe Hatton. Joe says that opportunity is knocking and the West is calling, and that toward the horizon he can see greener pastures. Best wishes Joe, and thanks for having known you.

Every Spring in West Texas, when the wind reaches its peak, and the wheat is going down for the third time because of the drought, we always hear these old stories kicked around again.

Tourist—"Does the wind blow this way all the time?"

Old-Timer—"No, sometimes it blows from the other direction."

Tourist—"Does it ever rain in this country?"

New-Comer—"I wouldn't know, I've just been here twelve years."

Anyway, I heard them both yesterday and we all laughed, and the wheat didn't look any the worse, and somehow everyone seemed to feel better.

Now and then some Fly-by-night salesman comes through the country, selling some article that is so worthless that he is unable to sell it himself, and will trick some innocent club or class to get out and sell it for him. He promises them a nice reward for their group, that usually turns out to be as sorry as the salesman or his product. Most people will buy because they do not have the heart to turn down an innocent boy or girl, knowing in their heart that ninety cents of their dollar probably went down the pocket of this gunless bandit. People in charge of these groups should check and double-check before they expose the people to these schemes.

What happened to us Democrats? When election rolls around we seem to come up with only one choice as a candidate for President. One man that we have heard enough about to be able to form an opinion. If we continue this policy, it is going to be a great day for the Republicans in some not too distant election.

FIDDLER RETURNS HOME IN BETTER HEALTH

Friends of Joe David, that champion fiddler, will be glad to know that he returned a few days ago "fit as a fiddle" from a sojourn of several months in the Veterans Hospital at Kerville.

Mr. and Mrs. Clyde Hudson spent Sunday with her parents, Mr. and Mrs. G. R. Grant.

Commencement Exercises Will Begin Tonight At College Auditorium

Poppy Day May 29th

The American Legion Auxiliary will again observe Poppy Day here May 29th, the Saturday before Memorial Day. Poppies will be offered throughout the day so everyone will have the opportunity to wear this memorial flower in honor of the war dead.

All contributions made for the poppies will go to the rehabilitation and child welfare funds of the Legion and Auxiliary, and "can only be used for the benefit of disabled war veterans and needy children of veterans."

The poppies which the Auxiliary will distribute have been made by disabled veterans who are unable to do any other type of work. Making these flowers has provided interesting employment for hospitalized veterans during the winter and spring months. It has helped keep their hands and minds busy, relieving them of long hours of tedium and contributing its occupational therapy value toward their recovery. It has also given these veterans the encouraging experience of being able to earn money again. They are paid by the Auxiliary for each poppy they make, and much of this money earned by the veteran is sent home to his family where it is most needed.

START SPRAYING NOW TO KILL CEDAR BAG WORMS

During the month of May, arborvitae, Italian Cypress, and other similar plants should be examined every few days for cedar bag worms. When the bag worms are young, they are so small and so well covered that they are hard to see. They spin a cone shaped, waterproof silk protector, which they cover with bits of bark and leaves.

County agent H. M. Breedlove has had many calls at this time of the year wanting to know how to get rid of these bag worms. Breedlove advises that the best method is to spray the evergreens with lead arsenate by adding three tablespoonsful to one gallon of water. They should be sprayed about once a week and after every rain.

Bag worms cause much damage to evergreens and as they grow larger they add to the size of their tent like cone. They never leave it but stick their heads out of the cone and feed on the green tender leaves. They can be pulled off and burned but it is quite a tedious job and the spraying is much faster.

Now is the time to start spraying and get the bag worm before he has time to start. Anyone wishing more information can call by the county agent's office.

Mr. and Mrs. Harry Blair had for dinner guests Sunday her mother, Mrs. Park Mitcham and brother Robert of Memphis and Mrs. Cecil Easley of Los Angeles and son Dwight Blair and family and Delene and Biffie Blair.

B & W AUTO PARTS TO OPEN FOR BUSINESS HERE SATURDAY

In this issue of the Leader you will find an advertisement announcing the opening of a new business in Clarendon Saturday, May 15th. The new firm is the B & W Auto Parts and the business will be managed here by M. F. Webb, one of the partners in the firm. The other partner is W. S. Brown who will operate their store in Electra.

The new business is located in the building first door north of Norwood Pharmacy. Mr. Webb stated that the partnership purchased the building from R. W. Moore several weeks ago. Mr. Webb and son Gene, aged 16, plan to make Clarendon their home permanently.

"The business will feature everything for cars, trucks and tractors and will be operated on both a retail and wholesale basis," Mr. Webb stated.

MONDAY WILL BE DEADLINE FOR FILING CONGRESS RACES

Who is going to run for Congress? Who wants to be Senator?

So far Senator Pappy has been quiet. Rep. Lyndon Johnson filed Wednesday for a chance to succeed O'Daniel. Other candidates include former Gov. Coke R. Stevenson and George Peddy.

Worley has announced for reelection in this district and at present has no opponent.

The deadline is Monday, May 17th. By that time the people of Texas will know who is in the field.

COMMUNITY "D" IN AAA PROGRAM

This is another in the series of reports on what is happening in Donley County to better farming soil and conditions. This is the report from community "D". A small but very important part of our county. Community "D" is located in the central part of the county, with the Salt Fork of Red River as its northern boundary, the section line one mile north of Lelia Lake as its extreme southern edge, the east edge is nearly due north of Hedley, while the west side of this community is located about a mile and a half east of Clarendon.

Community "D" is mostly sandy land and the practices that are predominant in other communities are not necessarily the most important in this part of the county. For instance strip cropping is very important to these farmers as it prevents so much wind erosion. At the present time Marvin Jones, Dewey Brinkley, Hubert Johnson, Don Tomlinson, Howard King, Oscar Wilkinson, Loyd Moreland, and W. N. and J. B. Proctor are strip cropping 1253 acres of cotton and feed or corn and feed. Several other farmers are expected to carry out this practice this year. There will be several applications filed this week.

To fertilize the soil and build up their land Leslie Bowling and Wayne Hansard have planted 2400 pounds of Austrian winter peas. All the farmers in this county carrying out the winter legume practice are reminded that Friday, May 14 is the last day for reporting this practice as completed.

DeVerdie Leathers has applied 200 pounds of superphosphate under the 1948 program. Any farmers who have any doubts concerning the value of this practice are urged to watch the results of this practice and talk to Mr. Leathers.

ORTHOPEDIC CLINIC BEING SPONSORED BY KHIVA TEMPLE

A clinic for orthopedic examination for deformed children will be held on Saturday, May 22, beginning at 8:00 A. M. in Khiva Temple, corner 5th and Fillmore, Amarillo, Texas.

Mr. John F. Blocker Sr., Post-tentate Aide for Donley County, said, "any child with a deformity under 15 years of age regardless of race, creed, or color, and where the parents are unable to pay, is eligible and welcome." Applications for this clinic can be obtained from Mr. Blocker or any member of Khiva Temple.

"This clinic is sponsored and financed by the Khiva Kendrick Fund and it is their sincere desire to be helpful to any and all unfortunate and deformed children living within the jurisdiction of Khiva Temple.

Receptionists, nurses, and orthopedic surgeons will conduct the clinic. They will make examinations and give their recommendations during this clinic. It will be conducted for examination only.

Applications can also be obtained from Khiva Temple, Box 328, Amarillo, Texas, Mr. Blocker stated.

LOCAL R. A. TEAM BEATEN BY THE FLAT

The R. A. nine had a miniature battle with the colored boys May 10th and were defeated. The R. A.'s have plans of battling the boys again in the future. The team also has plans of joining the Jr. League which is to be organized in the near future.

The next time the R. A.'s have a game, the public is cordially invited.

FORMER RESIDENTS ON VISIT HERE WED.

Among those of Clarendon's former residents, no one likes to visit friends here more than Mrs. Harwood Beville of Amarillo. Here Wednesday, she intimated that she might move back here since her children are out on their own, and the lovely family home has been sold while property was at the peak of high prices.

Accompanying Mrs. Beville were Mr. and Mrs. Allan Beville, late of Mineral Wells, but who now make their home in Amarillo.

GROOM P.T.A. SPONSORING HOMECOMING MAY 19

The Groom High School will be the scene of an all day picnic and Homecoming Wednesday, May 19th. Various games and entertainment will be scheduled throughout the day with a free barbecue at noon. The event is being sponsored by the Groom P.T.A. and all ex-students of the Groom school, living in Donley county, are urged to attend.

SKYLINE TIDINGS

By DODO (the flightless bird)

Monday morning we had two Steerman spray ships from Anadarko, Okla. to drop in and have been doing some spraying around this vicinity. They have been operating from this field the past week, so if you see some airplanes flying low over some of the fields, don't get excited. Those boys know what they are doing. It seems that this spraying is a coming thing and is pretty effective also. The spray boys say that this country is about as windy as Okla. and has hindered their work some. It seems that you can't lay that stuff on when it is windy. The Clarendon A&E Service finally got Mr. Clyde Cope's airplane back in the air again after

replacing its tail feathers when Mr. Gope ran it through a fence.

Dr. Keith S. Lowell has made two trips to Dallas this week in his "Richmans Erocoupe" (Beech Bonanza that is)

Mr. Roy Neal of Lubbock was a visitor at the field Tuesday in the new Cub Vagabond. Mr. Jones and Mr. M. Taylor tried it out. They say she sure is a cute gaget.

Dr. Winton Welch gave Matt Taylor a demonstration on how to make wheel landings in the new Vagabond Cub. If you'll look at Taylor's hair you will notice there are a few more gray hairs. Taylor is not used to one set of controls in an airplane.

Mr. Joe Jones and Doctor Welch made a business trip to Spearman Tuesday night in the little silver Funk.

"Doc" Weaver of Canyon breezed in to have his Staerman duster tuned up Sat.

J. R. Brookover of Odessa was in Sunday morning for a visit and to refuel his ship.

One of the pilots out at the field was pulling a very low manifold pressure Sunday morning at the field. What was the matter Jay?

Gehe Davis of Hedley took his solo K.C. Sunday.

L. L. Wallace made a business trip up on the north plains Sunday morning. Or was it a pleasure trip. All I know was that he took a trip.

Mr. Fred Holt of Spearman flew in Sat. morning in his Balanca for a visit.

Joe Jones made a charter trip to Amarillo Sunday night. Joe says that he loves these night trips; Ha Ha.

Well folks I guess I had better close before someone hits me with a prop.

MARTIN

By Mrs. J. H. Helton

There was a nice crowd out for Sunday school Sunday. Mrs. Kysar, principal of the school, presented her two sixth grade pupils with their diplomas. They will go to Clarendon next year. They were Elmer Clement, and Perry Jordan. We also had an Easter program that was greatly enjoyed.

Mr. and Mrs. J. M. Newland ate Mother's Day dinner in the home of their daughter, Mr. and Mrs. Walter Hutchins.

Mr. and Mrs. Roy Roberson, Dudley and Martha visited Sunday in the home of her parents, Mr. and Mrs. W. N. Jordan.

Mr. and Mrs. Doc Higgins of Amarillo, Mr. and Mrs. Clyde Pittman of Stratford, Mr. and Mrs. W. D. Higgins at Sunday dinner in the Raymond Waldrop home.

Curtis Bailey and Kenneth Crawford of Hedley spent Saturday night with Lowell Wake-

field. Mr. and Mrs. O. T. Hill and sons visited Mrs. Hill's mother at Muieshoe Sunday.

Mr. and Mrs. Joe Holden of Roswell, N. M. Mr. and Mrs. L. L. Waldrop ate dinner Monday in the Raymond Waldrop home.

The W. C. Wakefield family spent Sunday with the Croffords at Hedley.

Mr. and Mrs. Joe Holden and children of Roswell, N. M. arrived Saturday to spend Mother's Day with her parents, Mr. and Mrs. L. L. Waldrop.

Mrs. Lavell Phillips and boys returned home Tuesday after a weeks visit in the home of her parents, Mr. and Mrs. J. H. Helton.

Miss Jeanenne Waldrop went home with her sister, Mrs. Joe Holden of Roswell, N. M. to spend the summer.

Mrs. A. J. Sibley, Mr. and Mrs. W. L. Barker, Mr. and Mrs. Clyde Barker, Shirley and Vickie of Clarendon visited in the Guy Sibley home Sunday.

Mr. and Mrs. Ray Allison and sons of Lubbock visited over the weekend in the home of her parents, Mr. and Mrs. Louis Marshall.

Mrs. W. J. David and children were made happy Friday by the return of Joe David from Legion, Texas where he has spent the past few months regaining his health.

Mr. and Mrs. R. C. Rogers of Amarillo spent the weekend in the home of her mother, Mrs. Robert Davis.

Enlistment For Air Force Specialist School

Under plans recently set up by the U. S. Air Force, men intending to enlist for the purpose of attending a specialist school can now determine definitely, before enlisting, whether or not he will be accepted for training. Major Mitchell, commanding officer of the Amarillo U. S. Army and U. S. Air Force Recruiting Station, said that this program was designed to give the career-minded young man an opportunity to choose his technical vocation while still a civilian, and to receive assurance of desired assignment.

Upon advising the local Recruiting Office which school he would like to attend, a request

will be sent by the Recruiting Office to the Air Force requesting a letter of authorization to send the man, upon enlistment and completion of basic training to school.

Other means of applying for specialist training are also in force. An enlistee can take an examination or can apply for technical training after being transferred to an Air Force installation.

"Whichever means is used,"

the Major said, "any qualified young man today is assured of technical training in a school of his choice, Army or Air Force, and the training he receives is the best obtainable."

Sgt. Bewjey of the Amarillo office will be in Clarendon each Thursday from 10 o'clock until 3 o'clock and will answer all questions pertaining to these special enlistment opportunities.

Weekly SURPLUS NEWS WAA

Six locations in New Orleans and nearby Algiers, Louisiana, are being readied for synchronized clearance sale from May 10 through May 14. The goods will aggregate an inventory with a cost valuation of about \$700,000. Inspection and purchase at all locations will take place for veterans and other buyers at the same time. The spot bidding and awarding will be held in the New Orleans District WAA office beginning at 9 a. m. May 14.

A sealed bid offering of approximately \$330,000 worth of

electrical machinery and industrial equipment is being announced this week by WAA's Grand Prairie regional office. It is the first catalog offering by the regional office in several weeks and includes 109 different types of tools and equipment located at the Longhorn Ordnance Works, Karnack, Texas. Vibrators, warehouse trucks, pumps, presses, mixers and hundreds of other items are offered in small listings of similar goods. Final date for receiving mailed-in bids from all classes of buyers is May 31. Catalogs are available at the Grand Prairie Customer Service Center.

The first part of May will find the regional War Assets office relocated across the way from the NAA plant B into the adjoining A plant. The WAA entrance will be through the main gate be-

tween the two plants and a side door of the A plant. The Customer Service Center will be situated on the second floor in approximately the center of the A plant. Parking space for the public will be provided near the front of the building and signs are being erected to direct visitors to the office.

One of the largest offerings of surplus camp buildings to schools and other priorities will involve 815 structures of the Amarillo Army Air Field. The buildings are for off-site use only and include mess halls, recreation, storehouses, hutments, warehouses, latrines, lavatories, officers quarters, office buildings, post office, post exchange, administration and similar types. The Grand Prairie WAA office of Real Property will entertain qualified applications until May 28th.

More machine tools released from a previous armed forces screening are contained in a sealed bid offering of the regional War Assets Administration. This equipment includes 1,694 articles on 109 separate catalog listings. All is located in the Longhorn Ordnance Works, at Karnack, Texas, where it may be inspected. This special sealed bid offering closes on May 31.

Another big war surplus sale

in Texas is being planned at Fort Bliss, near El Paso. Besides some \$90,000 worth of machine tools and similar equipment to be offered the various purchasers, more than \$100,000 worth of consumer goods and veterans set-aside items will be ranged for informal bidding and fixed price awards. Inspection on the industrial equipment will open at the site on May 10.

THE STATE OF TEXAS

TO: W. N. Stanton and his children and heirs and "all persons claiming any title or interest in land under deed heretofore given to W. N. Stanton and W. A. Walters as grantees", and all the heirs of said W. N. Stanton, deceased, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 21st day of

June, A. D., 1948, at or before 10 o'clock A. M., before the Honorable 100th District Court of Donley County, at the Court House in Clarendon, Texas.

Said plaintiff's petition was filed on the 3rd day of May, 1948. The file number of said suit being No. 2450.

The names of the parties in said suit are: Mrs. Mollie E. Gray, acting for herself individually, and also as survivor of the community estate of William Gray, deceased, and herself, as Plaintiff, and W. N. From where I sit... by Joe Marsh

Jeb Had the Folks in Stitches!

At the Friday Night Social, Jeb Crowell had the audience in stitches—doing a take-off on the blustering character who belittles everybody and everything that isn't from his own home town.

Well, we can laugh at that sort of character because from where I sit, Americans are just the opposite. We like to boast a bit perhaps, about the paint job on the new barn, or the missus' style of cooking—but we aren't intolerant of people who don't think or act exactly the same way we do.

In our town, for instance: Some folks like band concerts, others don't—some families serve beer with dinner, others, buttermilk—and as for politics, there's plenty of healthy disagreement.

But when it comes to denying folks the right to think or act as they choose... no, we're like you—we don't believe in it, whether it goes for serving beer, or speaking one's mind on public affairs.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt
The Library received a shipment of books this week and also a generous gift of books. The shipment includes the "Babe

Ruth Story" as told by him to Bob Considine. Life magazine and the Saturday Evening Post have each contained biographies of Babe Ruth recently. This copy at the Library is illustrated. Another book is Elizabeth Goudge's "Pilgrim's Inn", which is her first book since she wrote "Green Dolphin Street" almost four years ago. Then "No Trumpet

Before Him" by Nella Gardner White was winner of the Westminster Annual award for fiction. One of the judges states that she voted whole hearted for this book because it is a finely written novel filled with memorable characters and as a whole leaves a strong impact for good thru the personality of Paul Phillips. Next is "Mr. Roberts" by Thomas Heggen, which was purchased because it has not only fascinated the reading public, but theatergoers have been quite attracted by the play, and soon screen fans will have their opportunity for approval. The author, Thomas Heggen, is a member of the editorial staff of the Reader's Digest. Last of the fiction list is "Home To The Hermitage", a novel of Andrew And Rachel Jackson by Alfred Leland Crabb. The Juvenile section added a few books from the memorial

fund given in memory of Mrs. Burton. "The Lost Violin" (They came from Bohemia) by Clara Ingram Judson is an interesting story with sufficient historical setting to be informative. Another of the Betty Cavanna series, "A Girl Can Dream" is a clever story, and for the boys, "Silver Wings" by Wilbur and Schoenholtz.

Quite a few books were given to the Library too. Among these are four choice volumes of selected short stories from the classics, and the autobiography of David Grayson, or really known as Ray Standard Baker, the politician. This was checked immediately after it was received, and some one on the waiting list for re-checking. Also a copy of Eric Johnston's "America Unlimited." It is very thoughtful of these friends to give the Library this material, for new reading material is too expensive to acquire on the limited means possessed. However, the most fastidious readers can find interesting entertainment if they will take a membership with us.

The fellow who used to walk a barbed wire fence barefoot, with a wildcat under each arm, is now married to a little red-headed woman who makes him do the dishes three times a day.

THE TEMPLE OF TRUTH

By the Apostle

This nation needs more politicians who really love the people between political campaigns.

One way to control inflation—
"Too high, no buy, good-bye."

It's funny how some people get the idea that they are authorities on some subject. For instance: A bald head man thinks that he is a great authority on hair tonics; a fat woman knows all about diets; an old maid is an authority on rearing children; an old bachelor knows all about women. And that person who is so free to exhale knowledge at every opportunity, is the dumbest person running loose.

Since a beauty operator is a beautician, and undertakers morticians, and real estate agents realtors, why not dignify the family butcher by referring to him as the meat surgeon?

No, dear, you would hardly call it a sandwich spread when a person gets fat eating between meals.

A lady in discussing her new neighbor allowed as how her husband was the best yessed man in Clarendon.

I feel sorry for the bachelors. When they lose anything, there is no one to blame it on.

When the first mocking bird woke me up some three weeks ago singing in the large elm at my bedroom window, I really appreciated the music. Song birds never attempt anything beyond their ability. That beats a lot of bunk heard on the radio.

A woman can talk without thinking, but she can't think without talking. When the mother soothed her daughter by saying "there is a man for every woman according to nature's arrangement," the daughter came

right back and said "I know that mother and I would not change the plan of nature for anything. I just want to get in on it."

A fat lady stepped on the penny scales in front of the store that were in bad order without her knowledge. The weight showed to be 75 according to the indicator. Just about that time a woosy guy came ambling along, looked her over and spied the "75" showing up, then remarked: "Good gosh, here is a woman that is hollow!"

"No thanks, I'll stay at home Sunday," said the man who had been invited to accompany his friend, to the zoo. "My oldest daughter talks like a parrot; my son laughs like a hyena and acts like a monkey, my wife watches me like a hawk, my boss is as cross as an old bear, my mother-in-law calls me an old gorilla. No zoo for me. I want to go some place for a change."

Pity those who have no children. The only way to be sure of friends in your old age is to raise your own.

High Blood Pressure

CAUSE HAS BEEN DISCOVERED

A prescription has been compounded in tablet form to be taken orally in your home, no dieting, no restrictions of any kind. After being examined and symptoms recorded, take the medicine for thirty days, return, be re-examined, and if there is no reduction in blood pressure your money for professional services and medicine will be refunded.

Some of the symptoms are headaches, dizziness, pain in back of head and neck, rheumatism, irregular heart, cramping and aching in the limbs.

Records of all cases are kept and are open for inspection to anyone interested. This is a new discovery and has been successfully used for five years.

The steel industry and its allied fabrication plants provide jobs for more than 40,000 Texas workers. This is another Texas industry in which natural resources of the earth are put to use for the benefit of mankind.

The growing steel industry of the South combines our own native minerals with the natural resources of many other areas. But there would be no steel industry in the South today if those natural resources were left worthless in the ground.

There would be no natural gas industry, either—no convenient, low-cost fuel for your home or factory—if this important resource were left in the ground. Only after companies like United Gas gathered, processed and transported it to places where people could use it, did natural gas become of value to mankind.

This is practical conservation, for it stimulates industrial development, creates jobs and benefits all the families in Texas.

STEEL INDUSTRY

Southern capital invested in steel fabrication plants has made thousands of jobs for southern workers, providing payrolls for our people, tax revenues for our government and income for local businesses in every section of the South. This is Free Enterprise at work—the profit system that has made the American standard of living the highest in the world today.

COSTS OF PRODUCING YOUR ELECTRIC SERVICE HAVE BEEN GOING..... UP

BUT THE PRICE YOU PAY FOR ELECTRIC SERVICE IS STILL... DOWN!

It's a hard fight!

THE cost of producing electric service is going up... and up! Every-day necessities are taking more and more of Reddy Kilowatt's pay—but he is fighting to keep your electric service the biggest bargain in your family budget.

Fuel is up, materials are up, structures are up, new equipment is up, the average cost per man-hour worked is up; almost everything needed to provide you with electric service is up except the hire of capital. Many people—who are owners either directly or indirectly through savings accounts, insurance policies, trust funds, or similar institutions—are getting less for our use or hire of their savings.

Thus, here is one very important difference between Reddy Kilowatt's services and most other things you buy. While other costs have almost doubled since 1938, the hourly pay of Reddy Kilowatt—average cost per kilowatt-hour for residential use—has come down 17 per cent.

LOVELY COFFEE HONORS MRS. U. J. BOSTON

A lovely coffee, honoring Mrs. U. J. Boston who is moving to Amarillo, was given by Mrs. J. L. McMurtry at her home Tuesday morning at 10 o'clock. Artistic arrangements of mock orange and iris decorated the dining and reception rooms.

A very interesting program was presented for this occasion, consisting of two piano duets, a medley of Victor Herbert's favorites, and Cecelia Waltz, played by Mrs. J. L. McMurtry and Mrs. Oliver Elliott. Mrs. Joe Ritter followed with an original poem beautifully expressing the admiration Mrs. Boston's many friends have for her. The program closed with a lovely vocal solo "Bless You" sung by Mrs. Rolle Brumley.

The refreshments consisted of delicious cinnamon rolls and small doughnuts, coffee and fresh strawberries.

Mrs. McMurtry was assisted by Mrs. Robert Boston and Mrs. Ray Palmer and Alfred McMurtry.

The following were included on the guest list: Mesdames Carl Almond, Rolle Brumley, Bob Boston, Bairfield, Lollie Bagby, H. Beck, H. T. Burton, Allen Bryan, John Blocker, Frank Bourland, Ed Dishman, Sam

Dyer, Goodner, Hayne, Ruth Kennedy, Pete Kunz, F. Lumpkin, Bill Lewis, Bill Bromley, C. T. McMurtry, Alfred McMurtry, Mayes, Cal Merchant, Cap Morris, Gene Noland, Norwood, Ozier, Jim Patman, S. Powell, C. C. Powell, Ray Palmer, Ralph Porter, Bill Ray, Joe Ritter, Harry Rhoades, John T. Sims, P. Shelton, F. Sawyer, Rayburn Smith, Bill Thornberry, Millard Word, and Myrtle Reeves of Hedley, Anna Moores, Mantie Graves.

KAPPA SUB-DEB

On Friday night, May 7, the Kappa Sub-Debs met in the home of Elba Jean Ballew for the annual election of officers, and a slumber party combined. The officers elected were as follows:

Mae Morris, president; Patsy Blair, vice president; Lois Marie Hommel, secretary; Ann Thompson, treasurer; Elba Jean Ballew, parliamentarian; Doris Wallace, historian; Shirley Sparks, pledge captain; Portia Hay, reporter.

The installation ceremony was performed at midnight by candlelight. The retiring president, Juanita Carpenter, read the duties of the officers and presented each of them with a corsage, and the incoming president with the club gavel. After this impressive cere-

mony, the sub-debs enjoyed hamburgers, potato chips, pork and beans, cookies, ice cream, and cokes, after which everyone retired to their bedrolls. Very little slumbering was done, however.

Those present were Juanita Carpenter, Louva Hunt, Lois Hommel, Ann Thompson, Doris Wallace, Patsy Blair, Alma Murphy, Jane Johnson, Pat Pittman, Jean Ballew, Layma Tatum, Jo Blackwell, Mae Morris, Sybil Head, Portia Hay, and a visitor, Vivian Bones.

MRS. U. J. BOSTON HONORED AT BRIDGE

Mrs. Simmons Powell and Myrtle Reeves of Hedley were hostesses at a bridge party at the home of Mrs. Powell Saturday evening, given in honor of Mrs. U. J. Boston, who is leaving this week for Amarillo to make her home. Spring flowers were used throughout the reception rooms.

A guest prize was presented to the honoree with high score going to Mrs. George Norwood and Mrs. John Blocker receiving second high.

A dessert course was served to the following guests: Mesdames U. J. Boston, C. T. McMurtry, J. L. McMurtry, Geo. Norwood, Floyd Lumpkin, Forrest Sawyer, Bill Ray, R. S. Brumley, H. R. Beck, Allen Bryan, Bill Bromley, Carroll Deahl, Ray Moreman, Alva Simmons, Hobart Moffet, Leon Reeves, John Blocker, Frank Hurray, and Miss Anna Moores.

MOTHERS CLUB

The Mothers Club entertained with their annual spring luncheon at the clubroom Tuesday. The luncheon was served buffet style from a white damask covered table with a center piece of pink carnations and iris.

Place cards indicated each guest's place at small tables covered with pastel covers and napkins. A single rose was the center piece of each table and lovely bouquets of roses completed the floral decorations of the clubroom.

After the dessert course was served, members and their guests enjoyed a delightful book review of "Together" by Mrs. Geo. Marshall, wife of Gen. Geo. C. Marshall, given by Mrs. Joe Ritter.

Hostesses were Mesdames Lowell, Bones, Seay, King, Rhode and Wilson who served some fifty members and guests.

COLORED P. T. A.

The Colored P. T. A. will present, under the direction of Mrs. V. Henry (music director), a musical May 18th, 1948 at South Ward School auditorium at 8 o'clock. Admission 25c.

THE TEA

Those attending were Mesdames Boston, Beck, Blocker, Kennedy, Simmons Powell, Curry Powell, J. L. McMurtry, Alva Simmons of Hedley, Miss Myrtle Reeves of Hedley, Misses Anna Moores, Mary Cooke and the hostess, Mrs. McMurtry.

One of the most interesting features of the tea was the book review. A most delicious and bountiful dinner was enjoyed.

Two quilts were quilted. The Club will meet May 20th with Mrs. Mooring.

Mother's Day gifts were given to each by their Pollyannas. A very enjoyable day was spent. Guests for the day were Mrs. White, Mrs. Wilkerson, Mrs. Morrison, Mrs. Nance and Miss Nance Mooring.

PATHFINDER CLUB SPONSORING CONCERT MAY 21st

The Pathfinder Club is sponsoring a concert by Mrs. Millard Word, May 21st at 8 p. m. at the Methodist Church. She will be accompanied by Mrs. Sexhauer of Memphis.

This will be an open program and the public is cordially invited.

Mr. Parker and Mr. Perkins have purchased the three lots just south across street from F. A. White from Mrs. A. E. Rector of Los Angeles, Calif. and expect to build two homes on same later on.

FAREWELL PARTY

Ruby Bromley and Anna Moores were hostesses Wednesday afternoon at the home of Ruby Bromley. The occasion was a farewell party honoring Mary Boston who is moving to Amarillo.

The tea table was attractive with shell pink organdy cloth, shell pink roses and white candles.

Each guest was asked to write in a white memory book. The theme chosen was "I Remember Mary." The book was presented to Mary Boston by the hostesses. The guest list included Mary Boston, Vera McMurtry, Buell McMurtry, Mary Thornberry, Ruth Kennedy, Rachael Swift, Anna Moores Simmons, Clotzel Ray, Imogene Brumley, Virginia Bryan, Mildred Almond, Wanda Phelan, Emma Powell, Vera Lewis, Orene Noland, Mantie Graves, and from Hedley were Allie Mosley, Pauline Moffitt, Omie Bell Simmons, Myrtle Reeves.

FAMILY REUNION

A family reunion was held in the W. J. Luttrell home of Hedley. Those attending were Mr. and Mrs. Marvin Hamblain and son Troy, Mr. and Mrs. Comfort, Mrs. Jenny Hamblain, Mr. Luttrell's sister, also her niece Helen, Mrs. B. L. Pollard, Mrs. Maggie Deal, all of Amarillo, Mr. and Mrs. Henery Posey of Hedley, Mr. and Mrs. Leeroy Luttrell, Sylvia Leo and Wonall Ray of Clarendon.

Pre-Vacation Tonsil Clinic

Have you neglected your child's health by failing to have his tonsils checked? One of the largest contributing factors to the poor health of your child is infected tonsils.

The tonsils as a source of infection have definitely established themselves as an important cause in a large and growing class of diseases. Infection in the tonsil, under favorable conditions, allows the bacteria and its poisonous products to enter the blood and lymph streams, causing the whole body to become affected.

The following list of diseases has a direct relationship to chronic infection of the tonsils: Heart Disease—the nation's number one killer. This includes "rheumatic heart." Most all the other heart diseases are caused from infection also. Ear, Nose, and Throat Infections—Here the child's ears are sometimes ruined for life and nose and throat conditions set up that will follow them always. Rheumatism and Arthritis—Infections which appear very simple during juvenile years, often cripple in later life. Croup, Chest Colds, Upper Respiratory Infections and Kidney Diseases.

The size of the tonsil is not necessarily the true indicator as to the possible lurking danger. It is the unseen, bacterial infection that is always present and

that may attack the health of a child at any time. Most of these acute diseases are highly infectious and spread.

Experience and Modern professional Opinion can be summed up in these few words, "An infected tonsil should be removed, regardless of the individual's age." This is to announce that you may have your children's tonsils checked, without charge, at the Clarendon Clinical Adair Hospital. Children, one to six years of age on Wednesday and Thursday the 19th and 20th of May; Children six to fifteen years of age on Saturday, May 29th between the hours of 8:00 to 11:30 forenoon. PLEASE DO NOT BRING YOUR CHILDREN IN THE AFTERNOON. — Staff writer for the Clarendon Clinical Adair Hospital.

Veterans' News

More than 15 thousand West Texas World War two veterans in education and training programs in this area will be eligible for increased rates of pay thru the Veterans Administration based on legislation signed this week by President Truman, Robert W. Sisson, Va regional manager has announced.

Veteran-trainees are urged not to write to the VA regional office at Lubbock, or to any other VA office, asking how to qualify for the increased subsistence benefits. This most recent change in legislation increases the wage ceilings, and the number of dependents, which determines the amount of subsistence allowance VA can pay veteran trainees. The new law also increases the subsistence allowances for part-time school training and for combination school and job training, including institutional - on - farm training.

Sisson said that the higher rates will be paid automatically to those veterans whose existing applications with VA contain the information needed to certify them for the increases. Adjustments for disabled veterans training under the Vocational Rehabilitation (Public Law 16) and qualified to receive additional benefits also will be automatic.

When additional information is needed from veterans training under the GI Bill, the veteran will receive a form from the VA regional office asking for the necessary data. Since adjustments will be made on the basis of these completed forms, veterans are urged to return them immediately when they are received.

Due to the necessity of checking the more than 1500 individual files and the accounting process involved, initial payments at the higher rates will not be made before the July subsistence checks are sent out about August 1. The increase will be retroactive to April 1, 1948 in most cases, and the initial payment at the adjusted rate will include all increases due from April 1 thru the end of the subsistence period covered by that check.

The higher ceilings for on-the-job trainees provide that earned income plus subsistence shall not exceed \$210 a month for a veteran without dependents, \$270 for a veteran with one dependent, and \$290 for a veteran with more than one dependent. The previous limits were \$175 for a veteran without dependents and \$200 for a veteran with one or more dependents. In the case of veterans in job training only, no change was made in the maximum subsistence payable of \$65 a month to veteran without dependents and \$90 to a veteran with one or more dependents.

Mrs. Carl Tyree and Mrs. Lucian Bones of Amarillo were dinner guests of Mrs. Clyde Butler Tuesday.

Mr. and Mrs. Lawrence Watson and family of McLean visited Sunday with her parents, Mr. and Mrs. D. W. Hinkle.

Mr. and Mrs. J. G. Clifton of Dalhart spent Sunday night with her sister, Mr. and Mrs. H. B. Hill.

Mr. and Mrs. Frank Hommel and daughter Geraldine spent Mother's Day with her mother, Mrs. Forkner at Memphis.

FEDERAL INTERNAL REVENUE COLLECTIONS

AUSTIN — Texans paid more than \$184,000,000 in Federal revenue collections in March, The University of Texas Bureau of Business Research reported.

Collections from July to March stepped up 18 per cent above a like period in 1946-47.

March collections rose 37 per cent above a year earlier. Income taxes from corporations and persons not on withholding status gained 35 per cent, and employment taxes more than doubled last year's collections. On the other hand, withholding collections fell 59 per cent from March 1947.

First District (South Texas) marked up a 45 per cent rise over March 1947 collections. Income taxes were up 41 per cent; employment, 57 per cent; and other collections, 127 per cent. During the same period withholding taxes dropped 74 per cent.

Second District (North Texas) collections were 28 per cent higher than March 1947. Employment rose 127 per cent for greatest monthly gain.

Mrs. O. C. Watson left Wednesday for Ft. Worth where she will receive a medical check up and will visit relatives.

Mrs. Will Johnson is visiting relatives at Ft. Worth this week.

Mrs. Herman Dodson is at Ft. Worth for a visit with relatives.

Things we stub our toes on today are ones we laid around carelessly yesterday.

Community "D"

(Continued from Front page)
ity "D", is too sandy to terrace but on the land that is not too sandy Edwin Eanes and Oliver Rackley have constructed 19741 feet of large ridge terraces. Edd Mooring and Elba Bailey have constructed 8868 cubic yards of diversion terraces. In some communities terraces are the most important practice but in community "D" they are not so practice as some other practice.

William Pickering is the only farmer in the community to con-

struct a ditch for draining cropland. He has completed a ditch of 211 cubic yards. Where excess water is left on the land with no drainage this practice is very important.

The only other practice carried out in this community to date is that of seeding grasses. Loyd Moreland and W. N. and J. B. Proctor have seeded 16 pounds of weeping love grass. That is enough to seed 16 acres of land since one pound to the acre is enough of this type of grass.

We wish to compliment the committeemen of this community who are Don Tomlinson, Edd

Mooring, and Frank Hardin. Their community is not as large as some of the others but it is most all farming land.

Shorter rotations, more crops that protect the soil, and more of the other practices that make up conservation farming, are advised. The Agricultural Conservation Program is set up to help farmers conserve their soil—not to keep it out of production but to keep it producing both now and in the future. There is no such thing as free conservation. The real question is one of getting the most conservation for each dollar spent—of getting the job done.

Mr. and Mrs. Bert Smith Jr. returned home Saturday from Dallas where Mrs. Smith was at the Baylor hospital for medical treatment. Mrs. Smith is improving at this time.
