NO. 44

GOOD ROADS MASS MEETING ADOPTS RECOMMENDATION FOR BONDS UNANIMOUSLY MONDAY

IMPROVED HIGHWAY FOR DONLEY COUNTY RECEIVES BOOST WHEN CHAIRMAN PATRICK IS ASKED TO APPOINT COMMITTEE TO CIRCULATE PETITION ASKING FOR \$250,000 ISSUE. EXTENSIVE CAMPAIGN FOR PROJECT TO BE WAGED.

Without a dissenting vote the good roads mass meeting assembled at the court house Monday night adopted the recommendation of the steering committee in charge of collecting data looking to the improvement of Donley county roads. The committee recommended that a bond issue of \$250,000 be floated by the county to finance the surfacing of the roads with a semi-permanent gravel construction.

W. H. Patrick, chairman of the meeting, was asked to appoint a steering committee whose duty it shall be to circulate petitions to obtain the requisite number of names to be used in requesting the commissioners court to call an election. This work will be taken up immediately and every effort put forth to push the movement as fast as possible. The committee is expected to be organized and ready for work by the first of next week. Following is the committee: M. M. Noble, chairman; J. T. Patman, J. W. Noel, Odos Caraway and Matt Bennett.

Good roads proponents are highly elated over the turn of affairs and are planning to enter the campaign without reservation. All efforts in this direction will be thoroughly organized and a detailed canvass of the entire county is planned. The project is to be handled something like the Liberty Bond campaigns during the war. Every community will be visited by speakers equipped to answer questions and to show beyond question why the condition of the county's roads cannot be neglected. The campaign, according to plans, will be more or less educational in its nature in that the promoters believe that a great deal of the opposition is due to the fact that the voters do not realize the gravity of the situation, or they have been misinformed in other respects.

One phase of the roads proposition that is not generally considered, if known, by the voters, one man mentioned, is the fact that Federal aid is allotted according to the classification of the highway. This is an important phase of the situation, he said, for if the Colorado to Gulf highway deteriorates to such an extent that the classification is lowered it will mean that its chance for Federal aid will be lessened. "The danger of this suggestion is recalled by numerous letters from tourists complaining of the roads through Clarendon," he continued. "A large part of the traffic west last season was diverted to highways south and north of here which is an unmistakable symptom of this danger. And then there is the other consideration of what tourist travel means to a city in the way of business."

COLDEN CROSS BACKING CO-OP HALL FOR GIRLS

The Golden Cross Society of the Methodist church is backing a movement for the establishment of a co-operative hall for the girl students of Clarendon College. Letters have been mailed out to girls who were formerly students of the college asking for donations to be applied to the new venture and it is hoped that the response will be so prompt and favorable that some co-operative plan can be worked out for the next term.

The new institution is being promoted particularly for those girl students who are unable financially to pay for the regular accommodations of the college. Such a place is badly needed locally, the Methodist women think. The college at present has a similar hall for the boys that has met with quite a success.

Reuben Pirtle and Joe Mounts of Spearman were in Clarendon Saturday.

AUTO ACCIDENT IS FATAL TO MRS. S. E. BURKHEAD

Friends in Clarendon will regret to learn of the death of Mrs. S. E. Burkhead in Houston Sunday. Mrs. Burkhead, aged 60, died as the result of injuries received on the streets of that city Saturday night when she was struck by an automobile while crossing a street. Further details of the accident are lacking. Dr. Burkhead who was with her at the time of the accident was uninjured. Her body was laid to rest Monday, after the funeral services at the residence at 2612 Smith street.

While deceased never resided in Clarendon and is not known here, her husband, Dr. S. E. Burkhead was for years dean of Clarendon College and is known all over the Panhandle. He left here several years ago, going to Houston to live and married there. Mrs. Burkhead had resided in Houston for forty years.

BULLDOGS PLAY O. S. S. W. N. C. FRIDAY

The Clarendon College Bulldogs will meet the team from Oklahoma Southwestern Normal College of Weatherford at Mangum Friday. The game was brought to Mangum from Weatherford because of the State Teachers Convention that is in session in the former city this week. The Oklahomaans are reputed to be a strong team and the Clarendon boys are expecting a stiff game.

BOY KICKED BY MULE

Alex, a five year old son of Mr. and Mrs. G. D. White, suffered the misfortune of being kicked by a mule Saturday. The only damage, however was a small scalp wound and the youngster is little worse off for his experience. He was playing in the lot at the time of the accident.

REBEKAHS IN HALLO- WE'EN PARTY

The maids and bachelors of the Rebekah lodge were hostesses and hosts to other members of the order in a Hallo'we'en party staged at the I. O. O. F. hall Tuesday night. A typical Hallo'we'en program was rendered at the social and all present report a splendid time. A large crowd was present.

MR. AND MRS. BEVERLY RETURN FROM WEST

Mr. and Mrs. John Beverly returned Saturday night from a four-weeks' visit in the western states. They visited in Arizona, at Los Angeles and Long Beach, Cal., and on the return trip they stopped in Salt Lake City and at points in Colorado. At Los Angeles Mrs. Beverly visited an uncle and aunt whom she had not seen for over thirty years. They report a very pleasant trip.

POTENTATE NICHOLSON HERE FRIDAY ATTENDING GAME

O. T. Nicholson, Potentate of the Khiva Shrine, Amarillo, was over from Shamrock Friday attending the football game between the Bulldogs and Decatur College and mixing with the brethren. Potentate Nicholson is quite a football fan, choosing rather to attend the game here than the Bankers Convention which was in session in Amarillo that day. He is one of the leading bankers of Shamrock.

Mrs. W. I. Marshall of Polytechnic is visiting her sister, Miss Sarah Porter.

FARMERS WILL CHECK BUDGET

DONLEY COUNTY TO HAVE REPRESENTATIVE IN A. & M. APPROPRIATION CONGRESS.

County Agent G. W. Harris returned Monday from College Station where he had been for a week on business at A. & M. College.

Mr. Harris advises that plans are on foot for the assembling of a congress of farmers at the College on December 5th, 5th and 6th for the purpose of studying the appropriation budget to be presented at the next session of legislature. The idea is to have from one to three representatives from every county in the state.

"The basis for the convention is the fact that the appropriation for A. & M. College is primarily for the benefit of the farming interest of the state," Mr. Harris explained. "For that reason every dirt farmer of Texas is vitally interested in the disposition made of the bill by the legislature. Heretofore, the budget proposed has been indiscriminately slashed with the result that some times an item has been eliminated or so materially reduced that certain phases of the College's work, most vital to the farming industry, has been crippled or done away with completely. The plans this time is to have the men who are acquainted with the farming conditions of the entire state check over the entire budget and make a report to recommendations as to the various items. From the assembly will be chosen a committee to go before the State Legislature and present these recommendations."

Legislators in the past have shown a painful lack of practical knowledge of the need of the farmers with respect to the appropriation, he said, and it is contemplated that the farmers select some of their number to go before them with facts that may prevent a repetition of some mistakes they have made in the past. The fact that the College is asking for an appropriation of six million dollars for the next two years will make the congress at College Station of interest to the farmer if from the standpoint of a taxpayer alone, he added.

Mr. Harris stated that there will be at least one representative go from Donley county and he is at present busy devising ways and means to finance this man's railroad fare. The Donley County representative will be selected by a committee appointed by A. & M. College authorities. The selection of this committee and the appointment will be announced later.

All expenses of the visitors will be paid by the College while they are in College Station. Referring to the appropriation to be asked Mr. Harris explained that this amount covered every phase of activity by the College, including the extension work and experimental stations.

MANY CHANGES IN NEW STAMPS

REVISED DESIGNS AND COLORS WILL APPEAR ON SEVERAL DENOMINATIONS.

Information received by Postmaster C. C. Powell is to the effect that a new series of stamps have been issued by the postal authorities at Washington and will be placed in circulation at an early date. Exactly when the first new stamps will make their appearance here is not known by the local postmaster.

The new revisions comprehend changes in practically all denominations, particularly as to colors. A number of the designs will differ materially from those now in circulation. For instance, the design on the Special Delivery stamp will be changed from the bicycle to the motorcycle, modernized as it were.

Among the onigous stamps to be issued is one of the 11-cent denomination on which will be the portrait of Rutherford B. Hayes. The first of these stamps made their appearance in Fremont, Ohio, Hayes birthplace, on the 100th anniversary of his birth. The first one to be printed was presented to Mrs. Harding. The printing of the 11-cent denomination had been discontinued for some time.

Armistic Day, November 11, has been selected as the date for the appearance of a new stamp of the 50-cent denomination. The design on this stamp is divided, the Amphitheater of Arlington will appear on one side and the tombstone of the Unknown Soldier on the other.

A new 5-cent stamp bearing the portrait of Roosevelt made its first appearance in some postoffices on last Friday, October 27, the anniversary of Roosevelt's birth.

Quite a number of changes, other than those mentioned above, are being made for the purpose of making the several denominations more easily distinguished.

Miss Radie Britain of Clarendon was presented in an elaborate musical recital in Amarillo Tuesday night. Miss Britain has gained quite a reputation as a musician in the Panhandle.

Sheriff Rutherford returned Monday from Wichita Falls where he had been to take a woman from Hedley to the asylum.

Mr. and Mrs. Frank Whitlock and Mr. and Mrs. F. C. Whipple spent Sunday in Jericho attending a singing convention staged by Boydston and Jericho. Dinner was served on the ground and report a splendid time.

PLAYGROUND IS LIONS' OBJECT

LOCAL CLUB ANNOUNCES FIRST OBJECTIVE IN CIVIC IMPROVEMENT CAMPAIGN.

The establishment and equipment of a suitable playground for the school children of Clarendon is the first attainment toward which the efforts of the Clarendon Lions Clubs will be directed. This decision was reached at the weekly luncheon Tuesday and a steering committee was appointed composed of Homer Mulkey, Harry Sitner and Ray S. Carney who will have charge of the activities in this direction. Mr. Mulkey kindly consented to let the Lions have the proceeds from the Pastime for one day, less the current expenses. The club will have charge of the advertisement for this benefit night and an extensive campaign will be inaugurated to realize as much as possible from this event. Other ways and means will be devised from time to time until sufficient funds have been raised.

The club decided unanimously Tuesday to continue its weekly luncheons. On every second Tuesday, however, the meeting will be held in the evening and the ladies are to be invited. The first "Ladies Evening" will be held in December, it was decided.

The secretary was instructed to send a resolution of thanks to the Cunningham Flower Shop of Amarillo for their favors extended to the ladies "Charter Night." The Amarillo florists donated beautiful white chrysanthemums for the lady visitors. Votes of thanks were also extended to Bob Strickland for assistance in decorating and to the women of the Christian church who served the banquet. Letters of appreciation will also be directed to Lee Casey for a Lions emblem drawn and contributed to decoration for "Charter Night" and to Miss Billie Nell Pirtle for readings at Lions programs.

The following permanent officers were elected: Sam M. Braswell, president; Dr. H. L. Wilder, 1st vice president; Fred Story, 2nd vice president; Bob Moreman, 3rd vice president; Geo. Ryan, secretary-treasurer; Odus Caraway, Lion Tamer; Abe Mulkey, Tail Twister; Superintendent J. E. Nelson, A. L. Chase, Carl Boston and Bob Bigger were selected as directors.

Mr. and Mrs. Frank Whitlock and Mr. and Mrs. F. C. Whipple spent Sunday in Jericho attending a singing convention staged by Boydston and Jericho. Dinner was served on the ground and report a splendid time.

AMARILLO CLUB OFFICIATES AT CHARTER NIGHT

SEVENTY-FIVE LIONS AND LIONESSES FROM POTTER COUNTY GUESTS OF LOCAL MEMBERS AT BANQUET SATURDAY NIGHT.

If Lionism means anything it means liberty of thought and freedom of religious practice and of speech and it is the duty of every Lion to see that these principles are respected. This was the keynote of the address of Lion Judge Gee of Amarillo in explaining the principles of Lionism before the assemblage of Lions and their ladies in celebration of "Charter Night." The meeting was held in the basement of the Christian church Saturday night and was attended by the twenty-six charter members of the local club with their guests and a party of some seventy-five Lions and "Lionesses" from Amarillo. The presentation of the charter of the local Lions was under the supervision of the Amarillo club.

Following a social gathering in the main auditorium of the church the party marched to the basement and assembled around the festal board to be served a delightful feast at the hands of the Christian women. The diners were seated following an invocation by Lion W. T. Hayter the introduction of visitors from and then the first thing in order was Amarillo. This was accomplished by the men arising and introducing themselves and their guests.

The fact that the Clarendon and the Amarillo clubs are neighbors, and the fact that the visiting Lions came as instructors were emphasized in a few well chosen words by Lion Ralph Porter in a welcome address. The response was made by Lion J. N. Riggs of Amarillo. Miss Billie Nell Pirtle of Clarendon College brought down the house with a splendidly rendered humorous reading and a piano solo by Lion Paul Allen, director of music at Clarendon College, contributed materially to the pleasure of the evening. Following Lion Allen's rendition, Lion "Ham" Palmer of Amarillo was called upon for a solo. He responded with a humorous speech.

It was during a forty-five minute period allotted to the Amarillo Lions for their contribution to the program that Lion Gee made his impressive dissertation upon the principles of the order. His address was practically the only serious number of the entire program and was in the nature of an island of seriousness in a sea of levity. The Judges remarks came as needed admonition to those Lions who were just entering upon the study of Lionism.

The Amarillo program was in charge of Tail Twister W. O. Gattion and a feature of this period was a beauty contest between Lions Mulkey, Bob Eigger and Bartlett of the Clarendon club in which Lion Bigger won hands down over his opponents. The award was an enormous piano, some six inches high by eight in length. In an oratorical contest between Lions Wilder and Hayter of the local club, during which the speakers had to hold a piece of ice, the former was victorious and was presented with a handsome bouquet of radishes and beets. A vocal solo by Miss Parks was highly appreciated as were the numbers by the Lion Orchestra from Amarillo.

Upon announcement of the conclusion of the Amarillo program, Lion Harry Gardner, Deputy District Governor, was introduced and in a terse address she presented to the local club its charter, remarking that the sheepskin had been framed as a compliment of the Amarillo-Lions and that the engraving had been so arranged that the room was left at the bottom for the signature of all charter members. The speech of acceptance for the Clarendon Club was by Lion President Sam Braswell.

Tail Twister Mulkey of the local Lions made a short speech urging the closest of association and

BULLDOGS WIN FROM DECATUR 39 TO 0 FRIDAY

HEAVY BAPTISTS ARE IGNOMINIOUSLY DEFEATED BY SPEED OF CLARENDON COLLEGE BACKFIELD. LOCALS USE OPEN PLAYS.

The Clarendon College football team is called the Bulldogs and there is no doubt but that they have the bulldog spirit of determination and fight but the way they handled themselves and the pigskin in the game with Decatur Baptist College on the local gridiron Friday afternoon would lead one to believe that they also possess a number of the qualities of the greyhound. The Baptists from down-rates, coming here with an advantage in weight and in having practically a veteran team intact, returned ignominiously defeated and trailing a score of 39 to 0.

One should have seen the bulldogs in action to fully appreciate the speed and accuracy of the local aggregation. Their superiority over the visitors was so pronounced that it was pitiful as well as pitiable. With perfect interference—the kind that is a delight to the soul of a "dyed-in-the-wool" fan—the Bulldogs, almost at will crushed the flanks of the opposition and swept the field for enormous gains. And then for variety and to give some of the boys a rest a few passes would be mixed in, and it might be said incidentally that a goodly number of these aerial efforts were successful. The locals relied almost entirely upon open plays and their speed in the execution of these maneuvers made the Baptists look like a bunch of cows.

However, it can be truthfully said of the visiting collegians that they fought to the last. They apparently were not discouraged by the odds against them in the speed of Clarendon men and it was theirs to fight with bulldogs tenacity until the final whistle blew. It can be further said in their behalf that they played a clean game, speaking of the team as a whole. There were but two penalties during the entire game—one against each team in the third quarter. Where speed was not so essential to the execution of a play the Baptists were more nearly the equals of the Bulldogs. Very few gains of any consequence were made through Decatur's line.

One of the features of the game was the kicking of Smith for Clarendon. In the kick-off, he didn't figure it counted unless it went over the goal line. The work of the entire backfield as well as the ends of the Clarendon team was spectacular. The broken field running, the interference and the pass receiving of the Close brothers will be outstanding in the memory of those who saw the game for many weeks. Repeatedly, George Close, playing safety, made returns through the Baptists that looked impossible. The passing the generalship displayed by Captain Jackson of the locals was an outstanding feature, despite the fact that he was crippled. This speedy quarterback counted the second touchdown on an end run for about sixty yards in the first quarter.

For the visitors, Stallworth at right end played a splendid game. Particularly did he show up well in getting down under punts, Fox and Shoemaker played stellar games in the backfield.

The first touchdown was made early in the first quarter on a buck by M. Goodwin, following a series of passes and end runs. Jackson failed to kick goal. The second counter followed shortly when Jackson pulled off a spectacular end run for sixty yards. An attempt at goal again failed and the quarter ended 12 to 0 in favor of the Bulldogs.

Clarendon received several set-backs in the beginning of the second quarter. A fumble of a forward pass resulted in a loss of 8 yards and Fox intercepted a long pass on Decatur's forty-yard line. The Baptists soon lost on downs however, and were

THE LOVE THAT SAVES

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.—John 3:16.

Write it "Earle B. Mayfield of Bosque Co."

Speaking about "pouring it on" Paddy, didn't our Bulldogs "mop up" with Decatur last Friday?

Another argument for the proposed road bond of \$250,000 is that you have thirty years to pay the amount and will receive \$200,000 or better from the federal government absolutely free and will never have to pay it back. A fine business proposition even to the ultra-conservative citizen.

The News admonishes all who claim to be Democrats and who hope to remain Democrats to vote the ticket straight from Mayfield to constable. If you voted in the primary your word is out. Make good or expect to suffer the consequences of party treason.

At Nacogdoches George Paddy made a speech for Ferguson during the primary campaign. He said "All honorable people will support the nominee, and if Earle Mayfield is chosen in the run-off election, Aug. 26th, I shall support him as all honorable men should do." The News is willing to draw the line according to Mr. Paddy's own dictum, and we now know just what class Paddy belongs in. His punishment will fit his crime.

Write it "Earle B. Mayfield of Bosque Co."

When discussing the cost of retiring the proposed \$250,000 road bonds remember that it will cost an annual tax of 35c per hundred dollar valuation and no more. If your taxable values are one thousand dollars your tax will be increased \$3.50 per year; if you pay on \$10,000 property it will cost you only \$35.00 per annum.

When The News comes to you next week the election will be over and everybody will again slip back into normal life again. Fellows that have been shying off from you will begin to warm up again and the warming rays of friendship will again cheer and gladden. That is—until next election.

The Clarendon News announces its annual special "Home Town Edition" for Thursday, Dec. 21st. We expect to make this edition the greatest special edition ever gotten out in Clarendon and one of the largest ever gotten out in the Panhandle. It will handle the holiday advertising and will contain matter of especial interest to everybody, who ever lived in Clarendon and to anybody who is interested in Clarendon and the Panhandle. The date is Thursday, Dec. 21st.

Some people in Clarendon have strange ideas about how a chamber of commerce ought to function. They believe that for it to be a success everybody, regardless of their principles of life, should be for it in all its activities. They think that if there is any objection to the secretary or to any of its officials that the organization is a failure. They want only harmony, and dove-dove talk and slush. Fellow citizens, there is nothing to that line of reasoning. No progress was ever made at any period of the world without divergence of views, by contest and battle. No spineless pacifist ever did his community or his nation any great service, and a progressive citizenship doesn't have to agree with its leaders in every detail to continue the march to a better goal. The only requisite is that each individual be willing to be governed by the majority and be good sport enough to work with anybody who is earnestly laboring for the community good, even though you do differ as to methods. The only time Clarendon ever had a chamber of commerce that ever did her any good was when it was receiving its most severe criticism—when the criticism died away the organization died with it. There has never been a truer truism than the old one about "only the live fish swim up stream, any dead one can float with the current." The News believes that Clarendon ought not wait much longer about securing a real, live chamber of commerce—one that will receive criticism and lots of it. When it does it will be doing things worth while.

Write it "Earle B. Mayfield of Bosque Co."

The News will welcome the day when the citizenship of Clarendon gets back on the job as a working unit on matters of community interest. We want to say that the present attitude of the great majority of our citizenship is a disgrace to the community and a reflection on our former record of achievement. There ought to be a wholesome, citywide celebration of Armistic Day, but there has not been a wheel turned in that direction. There ought to be a genuine and universal demand for a great Thanksgiving Service on Thanksgiving Day, but there has been nothing in that direction but wishes. I ought to get under our hide a little to think of such a self-centered and utterly smug, selfish condition. All of which reminds us again and again that the town will never be alive and awake again until we have a going chamber of commerce. Try this over on your piano and see if you like the discord.

The action without dissent of the mass meeting adopting the report of committee appointed to submit their findings on the matter of a bond issue for good roads in Donley County marks a new era in the history of Donley County and The News hopes will be but the beginning of a far reaching development of this and neighboring counties. It is very fitting that the intelligence and progress of this county lead the way in road building for our neighbors and it is now up to the progressive spirits of the county to launch and carry on a campaign of reason up until the day of the election which will be set by the commissioners court upon presentation of the petitions properly signed. If The News has any difference with the findings of the committee whatever it is in the amount of bonds recommended to be voted. The committee found that a bond issue of \$250,000 would be the proper amount to vote, which when supplemented by federal funds would give us from \$400,000 to \$450,000 to expend. We would have preferred to vote on a bond issue of \$350,000 or \$400,000, so that the available sum with federal aid would have been proportionately larger, but it is not our purpose to enter into a discussion of the amount proposed at this time, but believing in advancement to accept the findings of the committee and put our shoulder to the wheel in an honest endeavor to accomplish something for our home county in the way of good roads and to give the county's growth a new impetus by the constructive work. Let us sink our personal views for the benefit of the public weal and let us honestly and with reasonableness seek to do this job for the immediate benefit of ourselves and for those who come after us.

DEMOCRACY VS WINE AND BEER

The people of Texas should not be fooled in the coming November election. All of the Paddyism and Republicanism is nothing more than the breweries trying to get a foothold in Texas on the part of Paddy and the Republicans trying to do away with the primary system of nominating. Look wherever you please, but you see the old brewery gang doing everything in their power to send "a light wine and beer" man to the United States Senate. In Texas you hear the cry of "Ku Klux" and the Republicans go so far as to say that no Republican is a Ku Klux and that is the reason they should go in. But this is pure "slush" unfounded upon the facts in any shape, form or fashion. The Republican who makes such a statement is either ignorant of what is going on daily, does not read the papers, or else wishes to mislead. There are five Northern States at this very time that have been strong Republican for many years. The brewery gang up there is behind the Democrats, making the assertion that the Ku Klux are all Republicans, and that is why a Democrat should be elected in those Northern States. The brewery people have taken special pains that they selected a Democrat who was against the Volstead Act. They are making the same claim for these "whiskey Democrats" up there in Republican states as do most of the Republicans and all the brewery gang are doing in Texas for the Republicans down here, and that is that no "Democrat" in a Republican Northern State is a Ku Klux, while down here no Republican is a Ku Klux. It's the old brewery story told over, only in a different form, on the one side, while on the other Republicans wish to discredit our primary system and get back to the old convention system where men are nominated for office only by "pulls"

New Legion Chief

Col. Alvin W. Owsley, of Beaumont, Tex., is the new Commander-in-Chief of the American Legion, elected last week at New Orleans.

and "trickery." The Republicans are only trying to gain a foothold in Texas. For this we do not blame them, but the plea that they are putting out that Ku Klux are all Democrats is unfounded and a gross misrepresentation. The Ku Klux have nothing to do with the case either way. We don't know who are or who are not Ku Klux, but we'll venture the assertion that, according to numbers, the membership is equally made up of Democrats, Republicans, and all other political beliefs in existence, with the exception of the brewery gang. The Ku Klux say they stand against the whiskey ring, and of course they would naturally be against them. Don't be deceived in the coming election. You have the breweries to deal with on one hand and a "click" on the other trying to tear down our primary system. Will you let them put it over? —Paducah Post.

BANKERS DISCUSS UNFAIR TAXATION AT CONVENTION

W. H. Patrick of the First National Bank was in Amarillo Friday attending the District Bankers' Convention. Other local bankers who had previously announced their intention of going up were unable to attend. Bankers representing twenty-six Panhandle counties attended the luncheon which was presided over by C. A. Fisk of the Amarillo Bank & Trust Company who is president of the Association. The feature of the program was an address by John Carrington, a business man of San Antonio, on the inequality of taxation in Texas. He presented figures showing how, under the present system, certain counties are bearing more than their share of the state's taxes. Ed Hall, vice president of the Dallas County State Bank was the principal speaker of the business session. Following the luncheon the entire party was presented with membership cards to the Longhorn Club, a new department of the new Hotel Amarillo.

SHAMROCK PEOPLE SEE GAME

About twenty-five Shamrock football fans were present Friday to see the contest between the Clarendon Bulldogs and Decatur Baptists on the local gridiron. The visitors were attracted largely because of the fact that three of the Bulldogs are from that city. They are: Clinton Collingsworth, George and Oscar Close. Mrs. J. T. Close was among the fans who saw her sons star in Friday's game.

GUARDSMEN ARE ASKED TO BRING EQUIPMENT FRIDAY

Col. Dorenfield and Lt. Jack Jones, quartermaster officers from Austin, were in Clarendon Tuesday and made a trial inspection of Co. H, 142nd Inf., which they pronounced to be decidedly unsatisfactory, due to the fact that a large amount of the equipment had not been turned in. A number of the men holding out equipment could not be found and had made no arrangement for the stuff to be turned in. The officers promised a final inspection next Tuesday. Lt. Geo. Taylor, commanding the local company requests that every member of the unit be present at the armory Friday night, in full uniform and bearing his entire equipment. He insists that the compliance with this order is essential to the maintenance of the Clarendon unit. Otherwise it will be mustered out of service. The lieutenant will have the money for the pay roll Friday night but declares he will pay no man who cannot satisfactorily account for all of his equipment. "Furthermore," Lieutenant Taylor added, "every civilian who is found wearing Federal property will have to account for how he obtained it."

Reduce your electric light expense by using only tested Hygrade electric light globes. For sale at Stocking's Store.

ANNOUNCEMENT

The News is authorized to announce the following candidates for office as indicated, subject to action of the general election, Nov. 7th, 1922.

FOR DISTRICT CLERK:
 Mrs. H. B. White

JUDGE GIVES ANTI-DIVORCE RULES

A New York judge the other day suggested the following rules for home happiness to a man who had appeared before him asking for a divorce: Get a good joke book and read it. Go to a funny motion picture show with the family once in a while. See a good vaudeville with the family now and then. Practice smiling in front of the mirror. Leave third rail whiskey alone. "Try this out," said the magistrate, "and see how well you get along and watch the scowl disappear."

FORMER C. C. STUDENT DEAD

Word has been received in Clarendon announcing the death of Hubert Maples at his home in Munday recently. Mr. Maples will be remembered as a former student of Clarendon College. He made many friends while here.

Watch the little folks speed home for Kellogg's Corn Flakes

"Mudder, I always wins the race when I carry home Kellogg's Corn Flakes. I can't hardly wait till I have some quick, mudder!"

It's great to see child-enthusiasm for Kellogg's; great to see every one in the family enjoy their crisp crunchiness and wonderful flavor! To sit down before a heaping bowlful of these joyous oven-browned "sweet-hearts-of-the-corn" and some milk or cream—and fresh fruit, if it's handy—is just about the very last word in appetizing appeal! And, your good taste will prove that!

Kellogg's Corn Flakes ought to be superior—they are the original Corn Flakes! Kellogg's are never tough or leathery; never hard to eat; never a disappointment!

Be certain to get Kellogg's—the delicious kind of Corn Flakes in the RED and GREEN package—because none are genuine without the signature of W. K. Kellogg, the originator of Toasted Corn Flakes.

Kellogg's CORN FLAKES

Also makers of KELLOGG'S KRUMPLES and KELLOGG'S BRAN, cooked and krumbled

There are two places to eat in Clarendon. At home and at the Busy Bee.

Oyster Stew, dozen.....50 cts.
Fried, half dozen.....30cts.

BUSY BEE CAFE
Open from 4 a. m. to 12 midnight.

EFFORT WILL BE MADE TO STANDARDIZE FLAG

Washington, Nov. 1.—To call a hat on a steadily increasing number of freak varieties of American flags and to attempt the standardization of flags, the division of simplified practice of the department of commerce held a meeting yesterday of representatives of the army, navy, association of flag manufacturers of the United States, the chamber of commerce of the United States, and

others. At this meeting steps were taken to develop general use of recognized national standards of size. One manufacturer alone is now producing flags of 88 different sizes, in 17 qualities, and from 1 to 9 styles in each quality, although an executive order of President Wilson an executive order of President Wilson designates only 12 sizes uniform in characteristic for governmental use. President Taft issued an executive order of June 24, 1912, establishing 12 standard sizes. This order was superseded by an executive order of President Wilson, dated May 29, 1916, somewhat altering these standards. The industry has developed innumerable standards almost entirely different from those established by President Taft and Wilson.

To set up recognized dimensions as national standards, the association of flag manufacturers was asked to make a survey, and to prepare a report indicating 10 widths, and a uniform proportion of widths to lengths, which will best represent the greatest economy in the manufacture and supply of the largest prevailing needs. This report is to have the consideration of the government departments and the fine arts commission, possibly with a view to legislation setting up authorized standards.

FIRST CHRISTIAN CHURCH

Bible study, 10 o'clock. Preaching morning and evening. Morning subject: "The Two Builders." Evening subject: "Divinity of Christ." Subject for Wednesday evening: "Give Heed to Receding." The public is cordially invited to worship with us at all of these services.

J. R. Tucker, Supt.

POSTED NOTICE

All persons are hereby warned against hunting, wood hauling and trapping in the C. T. Word & Son pasture in Hall and Donley counties. All violators will be prosecuted promptly.

C. T. Word & Son.

POSTED NOTICE

This is to notify the public that all of the J. A. pastures are posted and hunting, trapping or fishing is not permitted and all trespassers will be prosecuted.

J. W. Kent, Supt.

Jots And Dots From Other Lots.

T. M. Spinger of Littlefield realized \$34 per acre from Sudan grass seed this year.

With the completion of a new contract Amarillo will have over fourteen miles of pavement.

Mrs. Edith Rockefeller McCormick, Cyrus H. McCormick and Francis W. Farrell object to their handsome estates in Chicago being used as targets by the gunners at Fort Sheridan and ade this fact known in no uncertain terms recently when their houses were spoiled by a barrage from a one-pounder. The commanding officer called the lieutenant in charge of the firing on the carpet to ascertain whether or not he hit what he shot at. He was supposed to be shooting at Lake Michigan.

Hereford received her first bale of cotton for several years last Saturday week. It was ginned at Tulia. A strong effort is being made in that country to encourage the growing of cotton and farmers have pledged themselves to plant over 1,000 acres next year, and more pledges are coming in daily to the Cotton Committee of the Bankers' Association.

A Frisco freight car was broken into in Vernon last week and \$800 worth of merchandise was stolen.

Brown county is soon to hold an election on a bond issue of \$1,185,000 to be used on highway improvement.

The Plainview Board of City Development is offering a cash prize for a new slogan for the city.

A legless mendicant arrested on the streets of New York last week for begging drove his custodian to the police station in a five passenger car which he said he had had built for himself at a cost of \$8,000.

A landowner in Ohio has announced that he will not rent his property to families without children. Furthermore, he proposes to give a \$5 saving account to every child born in his houses.

San Jacinto Heights in Amarillo has a weekly paper, started last week. It is a four-page sheet run by the civic club and will be devoted entirely to local news.

The West Texas Utilities Company recently opened up a central plant at Abilene that will serve twenty-seven towns in that section of the state.

According to Supt. R. G. Fitzpatrick of the Fort Worth & Denver a freight car jumped the track up above Amarillo the other day and ran for seven miles along the rails, smashing tires and bolts indiscriminately, and then jumped back on the track while running over a wagon crossing.

W. Q. Richards, a wealthy land owner who died recently at Quanah, left \$50,000 to be used in the erection of a hospital at Paducah and another \$50,000 to be spent as the trustees of the institution think best.

The business men of Wellington are enthusiastically pushing a move to build a railroad from that city to Childress. It is said that the Katy, Rock Island or the Denver would be glad to operate it.

A farmer in Foard county claims to have a cotton row 75 miles long. He has fifteen rows on 200 acres. To save time he started at the outside and drilled in a hugh circle to the center. The hired men object to the arrangement because, they say, there is no place to "quit for dinner."

Some people near Friona are constructing adobe houses. The outside is made of sod and the inside is plastered with some sort of stuff made from the sub-soil.

The Hereford Chamber of Commerce has arranged to have a bunch of Hereford scenes used in the pictorial section of the St. Louis Post. Hereford has one of the most active commercial organizations in the Panhandle.

At a banquet given by the business men of Portales to the visitors of the Eastern New Mexico Press Association, Ex-Governor W. E. Lindsay provoked considerable applause when he suggested a new state to be composed of West Texas and Eastern New Mexico.

A monstrous steer belonging to R. L. George of Shamrock was shipped

Rivals Helen Keller

Willetta Higgins, 17 years old, of Wisconsin, although blind and deaf, can tell colors by smell and hear by touch. Her remarkable ability was discovered while sewing when she told colors of materials by smelling them. She listens to concerts by touching her fingers to an audiphone.

to Kansas City last week. The animal was coming six years old, seventeen hands high and weighed 2,425 pounds when he was shipped. At that, he was not "in good condition."

Lubbock is preparing to spend \$150,000 on water and sewer extensions.

As punishment for having participated in a pajama parade in their dormitory, the authorities of Marshall College in Huntington, W. Va., recently denied some girls the privilege of seeing a football game. When the team heard of the sentence they held an indignation meeting and refused to play the game. "No girls, no game," they said.

From Akron, Ohio, one of the biggest tire manufacturing cities in the United States, comes the prediction that there is due a rise in the near future on automobile tires and tubes.

The Board of Regents of the University of Texas has passed a ruling that after January 1, no student will be permitted to own a car for use at Austin. Graduate students and resident students are excepted. Inferior scholarship among the car-owners was given as the reason for the edict.

Shamrock is preparing to install a new water system. They have already begun work on the sewer system.

The Chamber of Commerce at Canadian is behind a movement to introduce cotton in that section as one of the primary crops.

WEST TEXAS COUNTIES PAY TOO MUCH TAXES

One hundred and sixty-eight counties in the state of Texas are paying an average of 30 per cent excess in taxes. This statement was made by John Carrington of San Antonio, tax expert, before the Board of City Development in Amarillo last week. He displayed a map and pointed out the majority of these counties are in what is known as West Texas. Continuing his discussion of unequal taxation the speaker showed how 84 counties in East Texas have paid \$80,000,000 during the last ten years than they should have paid.

Mr. Carrington pointed out particularly the injustice of the operation of the Rural Aid Fund. Speaking of Potter county individually, he said that that county paid 35 per cent excess in taxes and received not a penny from the Rural Aid Fund.

UPTON LEAVES FOR PEN

Houston Upton left Monday night in company with a representative of the State Penitentiary to begin serving a sentence of ninety-nine years. This sentence was given him when he was convicted of murder in the July term of the Donley County District Court. The case was transferred here from Lockney.

POSTED NOTICE

The public is hereby warned that hunting and wood hauling is forbidden in the H. O. pasture. All trespassers will be vigorously prosecuted.

W. J. Lewis

BIG MEN

Big men always grow in communities far from the borders of our horizon. We see their names and faces in the newspapers and magazines, but to us they are myths. We often wonder why this is, and are inclined to think that destiny has played us a cruel trick in dropping us in the center of so much mediocrity.

Go where you may and light where you will and you'll always find the same condition. Big men are a mirage whose place of abode we never reach; they are the pot of gold at the end of the rainbow.

Great preachers, great orators, lawyers, great herds of commercial and industrial enterprises! how we would love to walk and talk with them, if we but knew their street address or their telephone number. We might become greater ourselves if we were privileged to rub shoulders with the big men, or sit at their feet and learn wisdom.

Now, there's Dr. Small, pastor of our local church; he went off up to Chicago to attend a convention and all the papers wrote him up and printed his picture but pshaw, we've heard him preach and he's not so wonderful. Take this foley Ed Pearce, the guy who used to be cashier of our local bank, he got a big job up in New York and is now president, and they say he draws a whale of a salary, but he's not so wonderful; we've known him all his life, and he's just a common everyday sort of a fellow. And there's Calvin Jackson, the lawyer went out to Frisco and made a speech and all the papers called him "a modern Demosthenes," but he's just a common garden variety sort of a lawyer and we wonder how the papers could be so fooled.

A year or so ago Tom Price was called to Toledo to become manager of a manufacturing concern and the other day a New York magazine wrote him up and called him a business genius, but we know better; we used to go to school with that bird. Wait until they find him out and then watch his stock tumble.

This community has sent out several fellows who now have big jobs, but it's luck, pure luck. We've pitched horseshoes with them, been to parties with them, and bummed chewing tobacco from them, and we know they're not big men; they're just getting by on their nerve, that's all. Wait for the shakedown.

This is a miserable community to live in. No big men at all; nothing but little peewees who talk about the weather and walk a block to save a penny. Sometimes they get all steamed up over something and pop off, but they can't fool us; we know 'em.

We'd like to live in a community where they grow big men!—Heart to Heart Talks by W. D. Trotter.

NAVY DAY PROGRAM IS WELL ATTENDED SUNDAY

A good crowd was present at the Y. M. C. A. auditorium Sunday afternoon at 3:30 to attend "Navy Day" services. The program was under the supervision of Dr. B. L. Jenkins. Judge Link delivered a very interesting and enlightening address on the navy and several splendid musical

AMARILLO CLUB OFFICERS AT CHARTER NIGHT

brotherhood among the Lions and the program of the evening was closed by three cheers to the women who served the dinner.

The following are charter members of the Local Lions Club:

J. R. O'Prter, F. N. Reynolds, Wesley Knorpp, Odos Caraway, Dr. H. L. Wilder, B. W. Moreman, H. T. Burton, R. L. Bigger, P. E. Allen, W. T. Hayter, E. T. Pops, H. B. Kerbow, Ray S. Carney, W. W. Taylor, J. E. Nelson, F. W. Rathjen, J. R. Bartlett, A. L. Chase, S. M. Braswell, G. A. Ryan, H. Kennedy, F. A. Story, H. Mulkey, C. S. Boston Capt. Nat S. Perrine and H. H. Sitzer.

At this time a Lions' Club is being organized at Memphis and local members of the order are planning to get "revenge" on charter night at that city. Deputy Governor Gardner has enlisted the assistance of Clarendon Lions for the occasion and the prospects are that there will be but few who will miss the occasion. The date is to be announced later.

The Lions Clubs have formed an International Association that operates at Chicago under a charter granted by the State of Illinois, U. S. A. and Canada. The international aspect was assumed in a meeting of the various independent organizations held in Chicago in June, 1917.

The first convention assembled at Dallas with a roster of twenty-five clubs. Progress was retarded by the war but since the Armistic over five hundred clubs have been formed. The Association is governed by a board of directors elected by the delegates at the annual convention and consists of a president, three vice presidents, secretary-treasurer, and nine directors. All financial matters are under the control of this board. The Board has picked out every live town in every English speaking country and proposes establishing clubs therein as quickly as possible.

Lionism symbolizes Loyalty, Integrity, Oneness, Nobleness, Initiative, Service, Merit. The name Lions stand for: Loyalty to country, community and home; Individual integrity in thought, word and deed; Our flag, our language; New Ideals, new hopes, new ambitions in business and profession; Service that is founded on the golden rule. The Lions' slogan: Liberty, Intelligence—Our Nations Safety.

The spirit of progress and service for which the Lions stand is very well summed up in the following poem:

Don't sit supinely on your roost,
But come along and help us boost,
For Better things of every kind
And leave your kicking clothes behind.

(Continued from page 1)

BULLDOGS WIN FROM DECATUR 39 TO 0 FRIDAY

forced to punt. The Bulldogs' third touchdown followed shortly when, from Decatur's forty-yard line, Oscar Close received a long pass and crossed the line. Oscar also received the pass for point after touchdown. Clarendon failed to gain after kick-off on several incomplete passes and the score at the end of the half was 19 to 0 in the Bulldogs' favor.

The period intervening between the two halves was employed by the student body of Clarendon College in staging a snake dance. From a formation in the center of the field the collegians delivered themselves of some lusty yells.

The second half opened by Clarendon kicking to Decatur. They soon lost the ball on downs and G. Close made the third center on and end run from the Baptists' thirty-yard line. Jackson failed to kick goal. Decatur received and later fumbled on their twenty-five yard line. From this point Jackson received a pass and crossed the goal for the fifth touchdown. Pass, O. Close to Jackson, nets point after touchdown. Third quarter ended with ball in Decatur's possession. Score: C. C. 32; D. B. C. 0.

The opening of the fourth quarter was marked by a number of substitutes being sent in by Coach Burton of the Bulldogs. The sixth and last center followed shortly on a fake end run by G. Close. Jackson kicked goal. Bourland was substituted for Jackson and displayed splendid ability at quarter. The game ended with the ball in Clarendon's possession and in Decatur's territory. Score: C. C. 39; D. B. C. 0.

The game was witnessed by one of the largest football crowds ever seen in Clarendon. An unusual number of visitors from Shamrock were present.

Saturday Special

Next Saturday, November 4th

WE WILL OFFER SPECIAL PRICES AS FOLLOWS:

Ladies' Ready-to-Wear

In this department we will give 25 percent discount, one-fourth off, on Suits, Coats, Dresses and Waists—Some beautiful garments to choose from as our new Fall stock is hardly broken.

We are merchandising solely on the Merits of our Merchandise plus Prompt and Courteous treatment.

Yours for Better Values,

Baldwin Bros.

"The One Price Cash Store."

Announcement

I take the means of announcing to the motoring public that I have complete charge of the repair shop at the Buick Garage formerly operated under the name of Luxa & Noble.

I still maintain the same efficient workmanship, and will give absolute satisfaction.

Your business will be appreciated.

I. O. NOBLE

FEW PRANKS HALLOWEEN

Halloween in Clarendon passed fairly quietly. Considerable noise was heard on the streets at times but this was caused mainly by youngsters invited to social events or by those engaged in innocent fun. Several auto casings were missing Wednesday morning; one fellow was looking for his car and others were busy cleaning tallow off of windows, but in the main very few pranks were played.

Rev. Justin Anderson, professor of Bible in Clarendon College, is receiving the condolence of his friends following his return from Anson where he went to attend the funeral of his father.

INDUSTRIAL EXPOSITION IN AMARILLO THIS MONTH

The Jobbers & Manufacturers' Association of Amarillo will on November 23, 24, and 25, stage in Amarillo, what is conceded to be the greatest industrial exposition ever attempted in the Southwest. Amarillo made articles, together with commodities handled by jobbers who have distributing houses there will be displayed, and thousands of visitors representing all sections of the Panhandle, Oklahoma and New Mexico will be here to see the display, it has been announced by officials of the organization.

INDUSTRIAL EXPOSITION IN AMARILLO THIS MONTH

The Jobbers & Manufacturers' Association of Amarillo will on November 23, 24, and 25, stage in Amarillo, what is conceded to be the greatest industrial exposition ever attempted in the Southwest. Amarillo made articles, together with commodities handled by jobbers who have distributing houses there will be displayed, and thousands of visitors representing all sections of the Panhandle, Oklahoma and New Mexico will be here to see the display, it has been announced by officials of the organization.

The exposition will be held in the J. I. Case Threshing Machine Company's building, and display booths are being arranged to accommodate the showings. Amarillo is conceded to be one of the fastest growing manufacturing and jobbing centers in the Southwest, and being in the heart of the world's greatest gas field, a tremendous growth of the manufacturing and industrial enterprise is believed inevitable.

Following were the line-ups: Clarendon—Lane, left end; Smith, left tackle; Ratliff, right guard; Colingsworth, center; Bulls, right guard; Peoples, right tackle; Martin, right end; Jackson, quarter back; G. Close, left half; M. Goodwin, right half; O. Close, full.

Decatur—Williams, left end; Haralson, left tackle; Van Meter, left guard; Boyd, center; King, right guard; Price, right tackle; Stallingsworth, right end; Blankenship, quarter back; Shoemaker, left half; Hughes, right half; Fox, full.

Officials: W. Walker, (Baylor) referee; J. A. Hilburn, umpire; Carter, headlinesman.

The financial budget for the enterprise has been assured and committees from the association are at work arranging the details. In connection with the showing of manufactured products and merchandise jobbed through this point, a program of music and entertainment of exceptional merit is being arranged, including band music, orchestra music, vaudeville performances, dancing and other forms of entertainment.

Aarillo's hotel accommodations have been greatly increased within the past few months, but room reservations should be made early, it was announced by officials of the association. For full information concerning accommodations, those who expect to come to Amarillo should get in touch with E. B. Sanders, secretary of the Jobbers & Manufacturers Association, National Bank of Commerce Building, Amarillo.

TRAFFIC MANAGER P. P. C. C. TO OKLAHOMA CITY HEARING

Hamlin Palmer, traffic manager for the Panhandle-Plains Chamber of Commerce and Board of City Development left Monday for Oklahoma City, where he will meet in preliminary conference with other traffic men of Texas, prior to the rate hearing granted the Oklahoma Corporation Commission. The entire rate structure of the State of Texas is in danger of being disturbed if the Oklahoma hearing is decided adversely to the interests of Texas shippers.

Mr. Palmer has arranged a series of exhibits to be presented the rate officials.—Amarillo Tribune.

Parcel Post Tea and Sale

The ladies of the Episcopal Church will have a Parcel Post Tea and Sale of useful articles at the home of Mrs. M. L. Kelly Jr., on Saturday, Nov. 4th from 3 to 6 p. m.

BAPTISTS REPORT

\$35,000,000 CASH

CAMPAIGN HAS MADE POSSIBLE
VAST ENLARGEMENT OF EVERY
PHASE OF GENERAL WORK

GAIN 500,000 NEW MEMBERS

Effort Will Be Made to Enlist These
and All Other Baptists in Share
in Forward Movement Dur-
ing November

Total cash collections on the Bap-
tist 75 Million Campaign up to May
1, 1922, had reached the sum of \$35-
132,211.50, according to the general
Campaign headquarters. This repre-
sents an advance of nearly \$20,000,000
over what Southern Baptists did for
their general missionary, educational

DR. L. R. SCARBOROUGH
General Director Baptist 75 Million
Campaign.

and benevolent work for the three
years preceding the Campaign.

The contribution of larger gifts to
religious work has been accompanied
by larger spiritual results in the local
churches. It is pointed out. For in-
stance, Southern Baptists baptized
150,000 new converts during the first
three years of the Campaign than
they did in the three years before,
gained 3,000 new Sunday schools and
400,000 new pupils, enhanced the
value of their local church property
by \$33,000,000, enlarged their contribu-
tions to local causes by \$22,350,000,
and increased their contributions to
all causes by \$45,480,490.

Baptist Institutions Grow
Some other phases of denominational
progress made possible by the
Campaign include increasing the num-
ber of Baptist hospitals in the South
from 12 to 19, with three others un-
der construction and four more de-
finitely planned; strengthening of 17
Baptist orphanages and the estab-
lishment of two new ones, fitting \$3,000,
000 indebtedness on 119 Baptist
schools, colleges and seminaries, com-
pletion and projection of permanent
improvements there in the sum of
\$4,800,000, and the addition of sub-
stantial sums to the endowment funds.
Over 2,500 ministerial students are
enrolled at Southern Baptist schools.

Church Loan Fund Raised
Among the outstanding accomplish-
ments in the work of the Home Mis-
sion Board and the aiding of 1,908
churches in building new houses of
worship, the completion of the mil-
lion-dollar Church Building Loan
Fund, strengthening the work among
the foreigners and Indians and the 58
Mountain mission schools. The Board
has employed an average of 1,406
workers during the Campaign and re-
ports for that period 134,832 bap-
tisms, 218,371 additions to churches,
2,276 Sunday schools and 759 church-
es organized, and 1,403 houses of wor-
ship built or repaired.

On the foreign fields the equipment
for mission work has been practically
doubled, more than 250 new foreign
missionaries have been sent out, more
than 400 new native workers have
been employed, and the Board has
entered the new fields of Spain, Jug-
oslavia, Hungary, Romania, Southern
Russia, Palestine and Siberia. The
Board reports for the period of the
Campaign 117 new churches on the
foreign fields, 31,723 baptisms, 211
new Sunday schools, gain of 17,575
pupils, active contributions of \$1,000,
300.63, and \$23,621 treatments admin-
istered by medical missionaries.

Another result of the Campaign is
that the Relief and Annuity Board,
which is seeking to care for the aged
dependent ministers and their fam-
ilies, has been enabled to double the
number of such persons helped and
the amount that is given these bene-
ficiaries. Last year the Board was
able to dispense \$123,966 among
needy ministers. It has invested as-
sets of \$1,149,088.

Receive 500,000 New Members
More than 500,000 new members
have been received into the local
Baptist churches of the South since
the Campaign began, and in the hope
of enlisting all these in the Cam-
paign, as well as reaching the older
members of the churches who have
not shared in the forward movement
heretofore, the month of November 5-
December 3 has been designated as
Re-enforcement Month by the Cam-
paign Conservation Commission. Dur-
ing this month it is planned that ev-
ery Baptist church in the South will
call upon all its members who are
not already participating in the Cam-
paign and secure subscriptions from
them covering the two remaining
years of the Re-enforcement program,
although the details are being work-
ed out in the various states under
the leadership of the secretaries of
the state mission boards. It is hoped
to secure several million dollars in
additional subscriptions and several
million in cash by Decem-
ber 1.

RED CROSS PUTS UP \$9,739,872

Year's Budget Stresses Relief
and Services at Home
and Overseas.

MILLIONS FOR VETERAN AID
Over \$3,000,000 Allotted to the
Disabled—Foreign Work
Lessens.

Washington.—Expenditures totaling
\$9,739,872.47 for carrying through its
program of services and relief during
the fiscal year in the United States
and overseas are authorized in the
budget of the American Red Cross, ef-
fective July 1, 1922. This total is \$2-
735,975 less than the expenditures for
the last fiscal year, when disburse-
ments reached \$12,475,847.03, it is an-
nounced at National Headquarters in a
statement emphasizing the necessity
of continued support of the organiza-
tion by enrollment during the annual
Roll Call, November 11-November 30
inclusive. This total for the budget
is exclusive of the large financial op-
erations of the 3,300 active Red Cross
Chapters, which, it is estimated, will
more than double the total.

War Veterans Have First Call
First call on Red Cross funds is for
the disabled ex-service men, of whom
27,487 were receiving treatment from
the Government on June 1 last. This
work for veterans and their families
in a wide variety of service that the
Government is not authorized to ren-
der and for which it has neither
funds nor facilities has the call on
\$3,000,000 during the current year, or
about \$360,000 more than was ex-
pended last year for soldier service.
Adding the funds disbursed in this
humanitarian work of physical recon-
stitution following the World War by
the Chapters throughout the country
will approximate a total for the cur-
rent year approaching \$10,000,000.
This work, in the opinion of the Sur-
geon General's office, will not reach
its peak before 1923.

Through its Chapters the American
Red Cross is equipped to find the in-
dividual ex-service man, help him in
his problems and difficulties, provide
immediately for his necessities, and
open the way for him to the Govern-
ment compensation and aid to which
he is entitled. The extension of this
work to the families of such men
proves to them that the Red Cross
has lost none of its sympathy nor will
it service manifested in wartime. Sim-
ilarly the service goes out to the men
still in the Army and Navy, 11,087 of
whom were under treatment in Gov-
ernment hospitals on June 1, 1922.

Greater Domestic Program
This year—after five years of con-
structive effort during the war and
after the armistice—brings with it a
greater responsibility for domestic
service to the American Red Cross.
The budget for foreign operations,
however, totals \$3,404,000, but of this
amount \$1,834,000 is for medical re-
lief and hospital supplies for Russia,
which is a part of the gift made by
the American Red Cross in 1921 to
the Russian famine relief work of the
American Relief Administration pro-
gram. The child health service in Eu-
rope continues, moreover, and \$654-
000 is appropriated for this work un-
dertaken in 1920. Other items in the
stringently diminished foreign pro-
gram include \$200,000 to support the
League of Red Cross Societies, \$22-
000 for nurses' training schools insti-
tuted by the Red Cross abroad, and
\$600,000 for liquidation of the general
Red Cross foreign relief program.

Prepared for Emergencies
For disaster relief the Red Cross
has set aside \$750,000, and for emer-
gencies in Chapter work \$500,000
to be available for domestic, insular
and foreign demands. This is more
than \$305,000 above last year's ex-
penditures. For service and assistance
to the 7,900 Chapters and their
branches \$1,235,000 is provided by the
National organization.

Other budget items of importance
in the domestic program include \$200,
000 for assistance to other organiza-
tions and education institutions for
training Red Cross nurses and work-
ers; \$100,000 for Roll Call assistance
furnished to Chapters; \$100,000 for
unforeseen contingencies.
Of the total budget less than \$500,
000 is allotted for management in the
National organization. No cash esti-
mate, of course, is possible to weigh
the value of the service by volunteers
in the Chapters.

parents Mr. and Mrs. Charlie Rey-
nolds Sunday.

Something over fourteen hundred
bales of cotton have been ginned at
the Lelia Lake gin.

FOUR BIRTH REPORTS

The following births are reported
for the past week:

A girl on October 26 to Mr. and
Mrs. Theodore Fowler of Hedley.

A boy on October 26 to Mr. and
Mrs. O. B. Gray of Clarendon.

A girl on October 27 to Mr. and
Mrs. C. T. Allen near Jericho.

A boy on October 28 to Mr. and
Mrs. H. W. Melton near Clarendon.

TUESDAY ELECTION DAY

Donley county ballots to be used in
the general election Tuesday are in
the printer's hands, but the job
was being held up as late as last
night pending the disposition of
the legal muddle over the placing
of Earle B. Mayfield's among those
to be printed. The political situa-
tion is rather tense and a large vote
is expected to be polled.

More light for less money if you
use the tested Hygrade electric light
bulbs. Supplied in both gas-filled and
vacuum lamps. At Stocking's Drug
Store.

A marriage license was issued
October 31 by County clerk Bray to
Paul Byrd and Miss Emma Russel
of Estelline.

Headquarters Co. H. 142nd, Inf.
Clarendon, Texas, Nov. 1st, 1922.

Your presence is desired at drill
Friday evening, Nov. 3rd, and re-
quired at drill Friday evening, Nov.
10, 1922. The object of this is to
give every man connected directly, or
attached to Co. H, the opportunity
of turning in his equipment to the
supply Sgt.

Any man failing to turn in his
equipment through refusal or negli-
gence will be arrested by military
authorities and placed in jail pend-
ing a hearing before the United
States federal court. Absentees will
be excused in case of sickness pro-
vided an affidavit is secured from the
physician attending and equipment is
turned in within 48 hours after date
set for same.

It is further stated that any man
convicted of selling United States
government property or in posses-
sion of stolen property will be ar-
rested and turned guilty until proven
otherwise.

TO WHOM CONCERNED

This is written to testify to the real merit of the work of Mr. Tolzein, piano expert, in tuning, and rebuilding, and all forms of piano renovating.

It is further written in behalf of Mr. Tolzein who has been impersonated so prolifically all thru the Panhandle. The bearer of this letter is the real expert who has been doing the work at Clarendon College for fifteen years. We will have no other, and the work of this bearer is of such high character that I have written this testimonial without solicitation, deeming it a pleasure to have

done so, because of the high regard in which I hold both the man and his work.

R. Deane Shure, Director of Music Clarendon College, May 25, 1919.
Member of National Association of Piano Tuners Chicago Branch. Now here phone 57.

W. T. LINK, Lawyer

Will practice in District and Appellate Courts.

(After January 1st will practice in all courts.)

AMERICANISM

THEODORE ROOSEVELT

There are two or three things that Americanism means. In the first place it means that we shall give to our fellow citizens the same wild latitude as to his individual beliefs that we demand for ourselves; that, so long as a man does his work as a man should, we shall not inquire, we shall not hold for or against him in civic life, his method of paying homage to his Maker.

Now for another side of Americanism, the side of the work. Our democracy means that we have no privileged class, no class that is exempt from the duties or deprived of the privileges that are implied in the words "American citizenship." Now that principle has two sides to it, itself, for all of us would be likely to dwell continually upon one side, that all have equal rights. It is more important that we should dwell on the other side; that is, that we will have our duties and that the rights can not be kept unless the duties are performed.

The law of American life must be the law of work; not the law of idleness; not the law of self-indulgence or pleasure, merely the law of work. That may seem like a trite saying. Most true sayings are trite. It is a disgrace for any American not to do his duty, but it is a double, a triple disgrace for a man of means or a man of education not to do his duty. The only work worth doing is done by those men, those women, who learn not to shrink from difficulties, but to face them and overcome them. So that Americanism means work, means the constant unending strife with our con-

ditions, which is not only the law of nature if the race is to progress, but which is really the law of the highest happiness for us ourselves.

You have got to have the same interest in public affairs as in private affairs or you cannot keep this country what this country should be. You have got to have more than that—you have got to have courage. I don't care how good a man is, if he is timid, his value is limited. The timid will not amount to very much in the world. I want to see a good man ready to smite with the sword, I want to see him war effectively for righteousness.

Of all the things we don't want to see is the tendency to divide into camps, on the one side all the nice, pleasant, refined people of high instincts, but no capacity to do work, and, on the other hand, men who have not got nice instincts at all, but who are not afraid. When you get that condition, you are preparing immeasurable disaster for the nation. You have got to combine decency and honesty with courage. But even that is not enough, for I don't care how brave, how honest a man is, if he is a natural-born fool he cannot be a success. He has got to have the saving grace of common sense. He has got to have the right kind of heart, he has got to be upright and decent, he has got to be brave, and he has got to have common sense. He has got to be intelligence, and is he has those, then he has in him the makings of a first-class American citizen.

The Clarendon News' Americanization series

(Editor's Note—The articles appearing in the above space from week to week are taken from "Americanization" by Elewood Grisco, Jr. This excellent volume, which is a collection of articles upon the general theme of patriotism and good citizenship, is presented to the schools of Texas by the Bodies of Scottish Rite Masonry in Texas.

NEW FRUIT MAKES

TOUGHT MEAT TENDER

Down near Brownsville a new fruit has been discovered concerning which wonderful things are being told. This newly discovered wonder, which has been given the name of Papaya, is said to have qualities that act somewhat as a "post mortem fountain of youth" for the bovine specie. If the virtues of the Papaya have not been exaggerated as extolled in reports from those who have studied its characteristics, it will no doubt revolutionize the butcher business and reduce it to a very matter of fact form of slicing the meat, pouring on a little Papaya, and taking in the cash—a vast simplification over the present system demanding the highest skill in the method of slicing and the selection of the quality requested by the customer.

For this is what is claimed for the Papaya: "That it will make the toughest of meat tender." In the future old ago will be respected. No longer will the remains of the veteran of the range be spurned; no longer will his steaks be placed to the side to be turned into the plebian articles of hamburgers, sausages and chilli meat; no longer will he be called upon to furnish the world with soupbones for the laborer's table while his more youthful friends furnish the decorations for the table of the aristocrat in the shape of veal roasts. But a little dash of Papaya will place him on an equality with his younger associates of the ice box—restore his youth, in other words—and he can as proudly adorn the table of the aristocrat as roast veal as he could years ago when the memory of man ran not to the contrary.

The Papaya is a sort of a melon and grows in clusters close the trunk of the tree in alternate rows with the leaves. When ripe it is yellow and contains many black seed. The fruit is said to be rich in pepsin. The tree grows about twenty feet high.

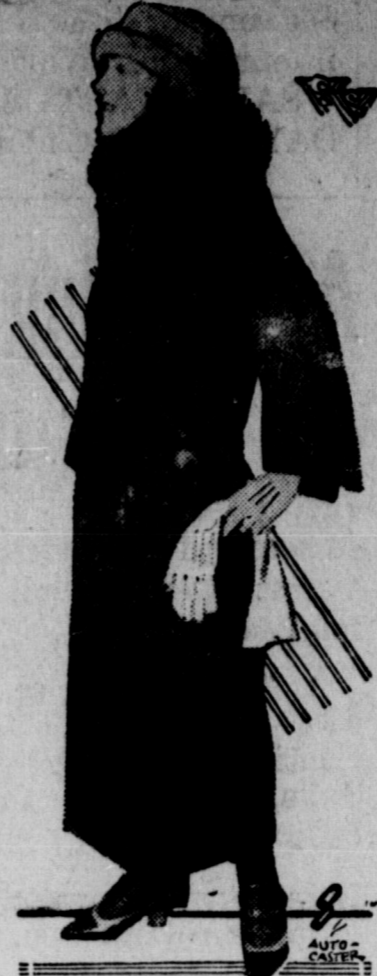

AIN'T IT THE TRUTH

Here is something that we picked up in passing, authorship unknown, but its truthfulness is admitted:

The banker who attempts to personally manage and direct the operations of a farm usually makes a failure of it just as the farmer who attempts to run a bank without experience usually fails. A newspaper is about the only kind of an institution that needs neither experience nor special knowledge to operate. Anyone can run a newspaper, or thinks he can.

Uneven hargs Hems

The uneven hem line features this new Poiret coat. It is buckled on the side, tied from the back and is embroidered with red and black. It is stylishly conservative.

MEMPHIS LEGIONNAIRES PLANNING CELEBRATION

From Memphis comes the report that the ex-service men of Hall county are planning big things for their Frontier Celebration to be held in that city November 9th, 10th and 11th.

Quite a number of appropriate contests have been scheduled, including a daring cowboy jumping from a speeding automobile on to the horns of a wild Mexican steer and pinning him to the ground; also real artists performing, as trick roping and trick riding. Shorty Ricker, known everywhere in rodeo circles will make his rope sing for the grandstand, also Montana Jack Ray who ropes with his hands, feet and teeth; Roy Mays' string of famous bucking horses that has thrilled some of the largest crowds in America. These include: Flaxie, No Name, White Deer, Grey Demon, Kangaroo, Carry Nation, Old Paint, X. L. Ball and many others that are well known to the cowboys.

C. W. Ames, winner of many bronco rider, these hands will all be at the Memphis rodeo, they have made the contests a success.

PULLMAN CARS ARE NAMED BY SEQUENCE

There is a legend which is hard to down that Pullman cars are named by a member of the Pullman family for \$5 apiece, says the Scientific American. This may have been the case in the early days, but not in our time. The Pullman company has just made public some of the details of their system in the Pullman Bulletin. Sequence is the system. One name suggests another. Thus, "Ruth and Naomi, Venus and Adonis, Dewey and Manila." The first picker was biblical.

Next came some one with classical thought, "Helen and Paris." also "Trojan, Iliad, Achilles, Hector, Ajax, Nestor, Ulysses and Penelope." Then come selections from Dickens' characters, Kipling and his works, Walter Scott's characters, Indian names, Ireland and its countries. King Arthur and the Round Table knights.

To excite the palates of those who regret the passage of the Eighteenth Amendment there are the cars "Bourbon, Rygate, Gordon, Manhattan, Moselle, Burgundy, Tokay, Yvette, Chassat, Scotland, and Beachante." Hope is seen in the "Wetmore," but there also is "Aqua" and "Temperature."

TEXANS BUY HALF MILLION MOTOR CARS IN ONE YEAR

Total automobile registrations for the nine months of 1922, ending September 30, was 489,428, which is an increase of 19,491 over the registrations during the entire year of 1921, according to figures compiled by the Texas State Highway Department. "This shows that previous esti-

A STACK OF DOLLARS

A stack of dollars is pleasing to the eye of anyone—particularly when that stack is all your own.

The best way to acquire that stack of dollars is to cultivate the saving habit.—And the best way to acquire the saving habit is to start an account at this bank, and keep that account on the increase.

Start that stack of dollars today by coming in and making the initial deposit.

The Bank of Safety and Service.

Guaranty Fund Bank. Clarendon, Texas.

mates of the department that the registrations for 1922 would pass the half million mark were correct. Every indication is that the number will be between 51,000 and 520,000," said a statement issued by the department.

"While some counties show some decreases in this nine months comparisons, it is believed that nearly all will show increases when the full year's registrations are compiled."

In the larger counties of the state, these increases are shown: For the nine months of 1922, ending September 30, total registrations in Dallas county reached 36,773, an increase of 2988 over the entire year of 1921. Bexar county for the same period, 29,360, increase of 3044. Harris 32,573, increase of 3990. Tarrant 22,948, increase of 1942. Travis, 8586, increase of 966. El Paso, 10,841, increase of 392. Jefferson, 10,130, increase of 1410. Wichita, 12,677, increase of 280. The total increase in all counties for the nine months of 1922 is 32,721, while total decreases number 13,230. The decrease are in the smaller counties. Cochran, was the only county in Texas in which not one automobile is registered.

Texas Commercial News.

FRYAR FOR DISTRICT CLERK

I wish to announce herewith my candidacy for the office of District Clerk of Donley county. I have lived in this county 16 years, and served four years as county commissioner. While holding that office, "honest service" was my motto, and I am asking for this office on that platform.

I need the office and feel that I am fully qualified to fill it to your satisfaction. On this basis I ask your consideration.

Write "N. L. Fryar" on the space just underneath "For District Clerk." (44p) N. L. (Nick) Fryar.

Buick Service Protects Buick Owners Everywhere

Buick owners everywhere recognize this blue and white emblem of authorized service as further assurance of dependable Buick performance.

Experience has shown Buick owners that "authorized" service means a conscientious, helpful interest in the continued and perfect operation of their Buicks.

Authorized service is a guarantee of skilled labor from mechanics of long experience on Buick cars, and that every new part is genuine, factory-made of the same high quality as the original unit.

It is an assurance that the establishment is conducted to serve Buick owners first, last, and always in the way that will continue the dependable performance built into every Buick car.

INDUSTRIAL OPTIMISMS REDUCING LABOR SURPLUS

Washington, Nov. 1.—Improved business conditions and increased employment with almost no idle men seeking work now obtain in practically all sections of the United States, according to an official report by the Department of Labor. The conclusion is based upon telegraphic response to a query sent out through the United States Employment Service to every State, the agents of the service in their answers indicating an almost universal shortage of common labor and a very general demand for skilled workmen in a wide variety of trades and occupations.

In Massachusetts, Connecticut and other New England States common labor shortage was said to be pronounced and building trade workers fully employed. In Illinois the department found the industrial situation "better than it has been in the past two years," and in Michigan and Ohio similar improvements was noted.

In New York State clerical help was said to show the only oversupply of workers. In the far West, California, along with increased employment, was said to have a lack of railroad cars as a factor holding back full employment. Similar reports of car shortage also were received from Iowa and Kansas, but increased employment was also said to have been noted in recent weeks. In the Southeast, Alabama and North Carolina cited building operations has a source or betterment.

Oklahoma where employment conditions were declared to be "normal for this season," the future outlook for workers was said to be "only fair." New Jersey and Pennsylvania like other manufacturing States, were said to be taking more workers into plants.

The Farm Labor Bureau of the employment service, covering general midwestern territory in its survey, reported an existing demand for farm labor which exceeded the supply, "with every indication that this situation will continue for some time."

SOCIETIES CHOOSE DEBATERS

Cecil Peoples, Mr. Drennan, Jake English and P. W. Walker will represent Clarendon College in the inter-collegiate debates this year. These men were chosen by their respective societies in regular meetings Thursday nights. The former two are representatives of the Adkissonian Literary Society and the latter two were elected by the Panhandle Literary Society. Quite a number of men were candidates for places on the teams and the contest developed some able speakers.

More light for less money if you use the tested Hygrade electric light bulbs. Supplied in both gas-filled and vacuum lamps. At Stocking's Drug Store.

P. W. Walker of Clarendon College visited in McLean Thursday.

OVER \$12,000 IS RAISED HERE BY METHODISTS

SHOWS CHURCH IN GOOD CONDITION, FINANCIAL FOURTH QUARTERLY CONFERENCE REPORT GIVEN AND LOCAL OFFICIALS ANNOUNCED.

The First Methodist church of Clarendon, including its various departments, raised a total of \$12,113.15 during the last conference year according to the final accounting rendered at the fourth quarterly conference held Monday. The session Monday was for the purpose of finally winding up the church affairs for the year prior to the opening of the Northwest Texas Conference at Quannah Wednesday. Rev. J. T. Griswold and M. M. Nobles with their wives left for Quannah Tuesday morning, making the trip through the country by automobile.

Rev. Griswold left Clarendon prepared to render a splendid report before conference. Besides the remarkable financial accomplishments, the local pastor will report a total membership of 1,070. Twenty-four have been added by profession of faith and seventy-eight by certificate and letter. Total membership removals by death and otherwise amount to thirty-two. Fifteen adults and eight infants have been baptized. Twenty-seven local preachers are under the jurisdiction of Clarendon quarterly conference.

The Epworth League is divided into three departments—Senior, Intermediate and Junior—and has a combined membership of 500. The Sunday school has an enrollment of 833 at this time. However, counting those who have enrolled at various times through the year but did not keep up their attendance, the Sunday school records have had 1,200 names during the year. Of the 833 enrolled, thirty-six are on the cradle roll and eighteen are included in the home department. The officers and teachers total forty-six. The Sunday school organization includes one training class and six Wesley classes. Twenty Sunday school pupils have joined the church.

Of the total amount raised by the church and its various departments, the Epworth League contributed \$500 and the Golden Cross \$50. Expenditures by the Sunday School department totals \$1,053.50 and is listed as follows: Missions, \$372; Sunday school supplies, \$666; miscellaneous, \$15.50. A total of \$680 was contributed toward missions by the women's missionary societies. Other expenditures were reported as follows: Presiding elder, \$612; preacher, \$3,560; conference claims, \$1,614; incidentals, \$1,000; insurance premiums, \$293.65; orphanage, \$500; church obligations, \$2,100; charity, \$110.

The church property is valued at \$75,000 and the parsonage at \$8,000. The value of the district parsonage

is placed at \$6,000. Insurance carried totals \$59,000 of which \$39,000 is for fire and \$20,000 for tornado.

M. M. Nobles was selected as district steward and C. C. Powell is recording steward. R. A. Long is charge lay leader. The following are members of the board of stewards: M. M. Nobles, C. C. Powell, S. M. Braswell, Dave Johnson, D. O. Stallings, R. A. Long, Frank L. Bourland, J. L. Bain, J. B. Annis, J. R. Bulls, M. E. Bell, T. F. Connally, T. G. Goldston, C. H. Dean, Lee Holland, J. H. Headrick, Cleveland Hayter, J. F. Jones, A. A. Mays, E. M. Ozier, E. P. Shelton, Leslie Shaw, J. R. Bartlett, W. L. Blaylock, S. H. Condrion, E. M. Beights, Dr. H. L. Wilder, R. L. Strickland, W. E. Bray.

The trustees are: A. M. Beville, S. H. Condrion, T. F. Connally, W. A. SoRelle, R. H. Alexander, N. N. Martin, Dr. Geo. S. Slover.

Following are officials of the Sunday school: F. A. Story, superintendent; Lloyd Stallings, secretary; Gene Thompson, treasurer; E. P. Shelton, Buel Sanford and J. W. Watts, assistant superintendents. Miss Pansy Lane is president of the Senior Epworth League. Mrs. R. C. Brogan is superintendent of the Junior League and Mrs. J. T. Griswold is superintendent of the Intermediate League.

S. M. Braswell is choir director and Miss Mabel Claire Betts is organist.

CHINESE MISSIONARY TO LECTURE FRIDAY MORNING

Peter S. T. Shih, representative of the Board of Missions of the M. E. Church South of Brazil, will lecture at the Clarendon College chapel services tomorrow morning. The speaker will address his remarks particularly in the interest of missions and will explain the importance of the Pass Fundo movement.

Mr. Shih is a Chinaman by birth and at this time is a student in the Peabody College for teachers in Nashville, Tenn., and is a candidate for a Ph. D. degree. He is a graduate of Shoochow University at Shoochow, China. He has the reputation of being a splendid speaker.

FRANK SLAY AND FAMILY ARE FOUND IN MICHIGAN

Frank Slay and family who was thought to have been met with foul play while on their way to Rochester, Minn., have been located in Michigan. They left their home in Wellington, September 21st, and nothing had been heard from them until this week. They were making their way by auto and had \$1,000 with them to defray expenses, and when word could not be received of their whereabouts this fact created the feeling that foul play had been met with.

Their relations at Groom are rejoicing over their discovery.—Panhandle Herald.

COLLEGE DRAMATIC CLUB PLEASES McLEAN AUDIENCE

A large and appreciative audience witnessed the presentation of three one-act plays in the theatre of McLean on the evening of Thursday, October 26th. The plays were "The Tangled Web of Deceit," "Lessons of Love" and "Her Picture" all of which had been presented in Clarendon previously.

The personnel of the cast made the trip to McLean in cars. The Club is planning to stage a number of plays in neighboring towns this season.

VESTAL MILLER DIED IN SAN ANTONIO WEDNESDAY; BURIED HERE SATURDAY

Funeral services of Vestal Miller were held at the Methodist church Saturday morning at 10 o'clock by Rev. J. T. Griswold. The body was laid to rest in the Clarendon Citizens Cemetery.

Miller's remains were shipped from San Antonio where he died Wednesday, October 25, after having suffered for several years with tuberculosis contracted as a result of being gassed while in the army in France during the World War. He was in the service for two and a half years

and was a member of the navy forces prior to his enlistment in the army. He has been in Fort Sam Houston under Government treatment for several months and wrote to friends here a few days ago that he was getting along fine. Consequently the announcement of his death came as quite a surprise.

Deceased was something over twenty-one years of age. He was a brother to Lewis Miller who was formerly jailer at the local county jail. His mother also formerly lived in Clarendon.

Miss Lorene Thornton visited relatives and friends in Memphis Sunday.

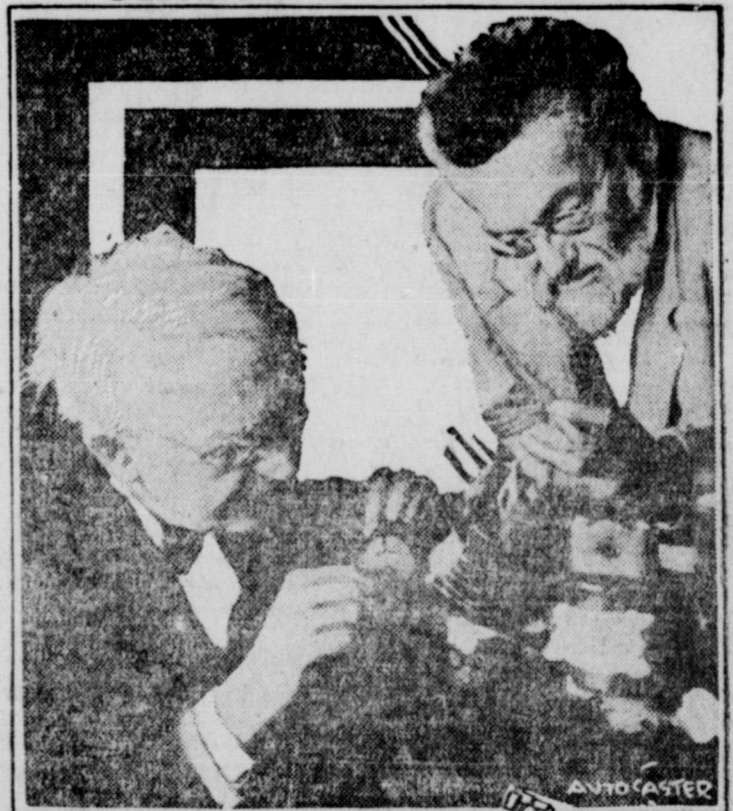

poem by UNCLE JOHN

If there's ever a pastime a feller holds dear, it's gatherin' nuts, in the fall of the year. The forest, arrayed in its purple and gold, appeals to the hearts of the young an' the old. . . . A call that's resistless floats out from the trees, when the trophies drop down, at the toss of the breeze. O, there, GATHERIN' ain't any pleasure that's any more dear, than NUTS gatherin' nuts—in the fall of the year. . . . The big, juicy shrapnel, from walnutty ranks—the shell-barks, a-shellin' the roisterer's tanks. . . . The hazel machine-guns, in hid-away dell, bombard the invaders with many a shell,—all, army maneuvers, with nothin' to fear—campaignin' fer nuts, in the fall of the year. . . . Then, forward,—with baskets an' gunnysacks, too,—charge on, past the medder—the fortress in view! We'll pillage the stronghold of kernel an' pod, and win, by the grace of a bountiful God. . . . Each brown-fingered trooper busts loose with a cheer, when we go after nuts, in the fall of the year.

HOMER PHILOSOPHY for 1922

DR. BASIL G. GILDER, 91 years old, great-grandfather of Greek Scholars, once professor of Johns Hopkins University, in splendid health, telling the world he does not like to be 91. It is an ugly number. Ninety is divisible by 1, 2, 3, 6, 9, and 10, whereas 91, well, one must multiply the first 13 by the sacred number 7, and this jars him. Then the mellowed sage says he grows no less old-fashioned with the years. He loves the classics, but he has learned there is really such a thing as a gentleman. An optimist? No, nor yet a pessimist. He has seen the country go to the dogs so often and come back that he is not in despair. The professor has learned much since he left college and absorbed the teaching of old man Time—don't get excited.

History Made When Camera Clicked This Picture.

Thomas A. Edison made a pilgrimage to Schenectady, N. Y., last week, the first in 25 years. He was met there by Dr. Chas. P. Steinmetz, the only man in the world his equal in electrical knowledge. Photo shows Edison examining parts of tree and porcelain insulators shattered by Steinmetz a few moments before with his new invention—a lightning making machine. It is the first picture of the two great inventors together. It is to be preserved. Edison is now 75 years old and Steinmetz is 57.

Robt. T. Wilson was a business visitor in Vernon Friday and Saturday.

Harwood Beville returned Tuesday from a business trip to Houston.

Mr. and Mrs. W. N. Martin visited friends in Giles Sunday.

INSURANCE WARNING

It is said to be a common practice for many people, when an electric fuse burns out to place a penny or other coin or bit of metal to make the electric connection and this

WILL VOID

Fire Insurance Policies for they all provide that where electric lights are used that they be used according to the requirements of the NATIONAL ELECTRICAL CODE.

This is a very dangerous practice and we trust that no one will void their insurance and be the means of destroying their own and their neighbor's property.

If you expect the Insurance Company to keep its contract with you and pay you in case of a loss, then you should keep your part of the contract as set forth plainly in the policy. We advise all policyholders to READ YOUR POLICY.

In our 33 years as Insurance Agents in Clarendon we have paid out more than a

HALF MILLION DOLLARS in losses and never had a policy contested. We endeavor to

WRITE IT RIGHT and then keep things RIGHT by timely warnings as we are in this.

Sincerely,
A. M. BEVILLE & SONS

Mrs. Ida Moore, of Fort Worth, is visiting with Mrs. J. D. Jeffries.

NIGHT SHOW 7:15

TO THE VOTERS OF DONLEY COUNTY

In my announcement for the office of the District Clerk, I stated that my election to the office would save the county in the neighborhood of a thousand dollars added expense in separating the offices of county and district clerk. I am submitting herewith, a letter from Miss Lottie Lane, democratic nominee for County Clerk which corroborates my statement and shows her endorsement of my candidacy and her fine spirit in the matter. My candidacy is based on my ability to discharge the duties of the office, my need for the office and the economy that will accrue to the county in my election. Read the letter:

Clarendon, Texas
October 25th, 1922

Mrs. H. B. White,
Clarendon, Texas.
My Dear Mrs. White:—
With reference to your candidacy for the office of District Clerk of this county:

I heartily endorse you for the office in question, and it will be a pleasure to me to lend you any influence I may have towards the securing of that office.

Inasmuch as you and I have worked together in the past and each understands the other, it has occurred to me that you and I could occupy the same office,—that is, both of us could use the office all ready fitted up for that purpose and now being so used, without requiring the county to equip and maintain a separate office for the District Clerk. I am taking the liberty to you and to you only, this proposition. It is my understanding that the county has in the room already furnished as a clerk's office adequate vault space as well as sufficient filing cabinets and other office equipment for the proper handling of both offices, and if this meets with your approval I shall be very glad to occupy jointly with you the office as it now stands. I know we could office together without any unpleasantness whatever, and I believe you and I could so manage our respective offices that such an arrangement would be mutually helpful.

Think this over and let me have your views on the question.

Sincerely,
Lottie E. Lane

Your vote is solicited. Write my name on the ticket "For District Clerk"

The bride is a daughter of Mr. and Mrs. G. A. Latimer and formerly lived in Clarendon. The young couple will make their home in Fort Worth.

Bran Cookie Recipe From Chef of Note

Hubert Van der Broeck

Hubert Van der Broeck, supervising pastry chef of the Hotel Statler, at Buffalo, has discovered a way to make bran cookies, and he is rather proud of his achievement.

The ingredients are one-half cup brown sugar, one-half cup butter, one heaping teaspoon ground cinnamon, one half cup Sultana raisins, one-half cup chopped walnut meats, two cups flour, one level teaspoon baking soda, one heaping teaspoon baking powder, two and one-half cups of bran, one egg and one-half cup water.

Beat sugar and butter to a cream; add egg and beat well; add water, mixed with baking soda and flour, sifted with baking powder; then add the other ingredients and mix thoroughly. Drop by teaspoonfuls on greased baking sheet and bake in a moderate oven. Sufficient for thirty cookies.
