Co-Operation Is Asked In School Crisis

165 Attend Mother-Daughter Banquet Monday Night

LACK OF FUNDS BRINGS CRISIS

COMMITTEE HAS PLAN FOR
LOCAL CONSIDERATION
—MAY SOLVE PROBLEM

"Unless some plan of relief can be found which will provide some cash for our teaching staff, the Clarendon Schools will be forced to close before the end of the present term," was the calm statement of Supt. H. T. Burton, as made to a meeting of the board of directors of the Clarendon Chamber of Commerce last Thursday evening. Mr. Burton reviewed the financial situation of the school board, the lack of sufficient tax collections, and the necessary issue of 8 per cent warrants for teachers' salaries for the last five months of the school year. Most of the teachers cannot finance themselves unless some avenue of exchange for these warrants, or at least a portion of them, is provided, explained Mr. Burton. This means simply, that when the teaching staff has gone its limit, they will have to find other means of livelihood and the schools will therefore close.

There is a rumor circulating that the Legislature might do something to prevent anyone having to pay any kind of taxes, or if not the Legislature, then something else might happen that would prevent having to pay the taxes. This, of course, is erroneous, as the taxes are a first lien on the property and must sometime be paid, and if it is at all possible for the taxpayers of this district at this time to make payment, now is the time to do it. After hearing this situation and recognizing the crisis, the Chamber of Commerce directors appointed a committee to consider plans for the aid of the teachers and the subsequent continuance of school for the year. A meeting with the School Board was asked with this committee, whereupon the School Board appointed a similar committee to meet and discuss the crisis with the business men appointed by the Chamber of Commerce committee on Monday evening of this week. The Chamber of Commerce committee was composed of Messrs. Joe Goldston, chairman, Tom F. Connally, Ralph Andis, H. T. Burton and Sam M. Braswell. The Committee acting for the School Board was O. C. Watson, J. R. Porter, Odos Caraway, Paul Shelton and Walter Taylor.

After full discussion of the difficulties threatening the remaining school term and examination into the financial standing of the school district, there came a unanimous decision to bring the whole matter to the attention of the citizenship of the school district, and to make the outcome a matter of personal responsibility for each citizen.

It was explained that warrants were being issued to the teachers in units of \$20.00 and less, and so registered that they would be paid in equitable distribution to each teacher as the funds accumulated from State apportionment and local taxes; that these warrants bore eight per cent interest from date of issue, and were liens on the income of the district for the year 1932-33. That the people may see and understand this series of warrants, a facsimile is printed herewith, so that there will be no misunderstanding as to their form and provisions.

Now from the financial statement, also printed herewith, it will readily be seen that even with over \$13,000.00 deficit carried over from the last two school years, the district is thoroughly solvent and has a collectible paper surplus of over \$18,000.00. The warrants are, therefore, entirely safe and dependable, and will be paid with the

PORTER SUGGESTS FEWER OFFICIALS

OUTLINES TO ROTARIANS
POSSIBILITY OF SAVING
LARGE PART OF TAXES

An annual saving of \$15,750 on the salaries of what he termed "Donley County's official family" was suggested by Judge J. R. Porter in an address made to the Clarendon Rotary Club at its regular meeting Friday at the Clarendon Hotel. The program of the hour was in charge of F. E. Chamberlain, at whose invitation Judge Porter spoke to the club.

Judge Porter's discussion of economies which could be effected included county, municipal and school district government. The present "official family" of Donley county includes, he pointed out, a total of 39 officials with combined salaries of approximately \$33,950.00 per year. He expressed the opinion that all the duties of the 39 officials could be discharged in a wholly satisfactory way by a "suggested official family" of not more than nine members, at estimated salaries of \$18,200.00, with a saving of \$15,750.00 per year. The present official family of 39, according to Judge Porter, consists of: district judge, district

Local Red Cross In Need of Supplies

A News reporter dropped into the local Red Cross sewing room, in the Goldston building, one day this week and found Mrs. H. T. Burton and her assistants busily engaged in issuing garments and materials to the many applicants waiting in line.

Mrs. Burton, with genuine distress in her voice, said, "We have so many calls from needy people for garments, materials and other articles which we are unable to supply. I wish you would tell your readers that we need, so badly, almost anything that can be mentioned. We have requests for dishes, even, and if anyone has surplus dishes on their shelves that they could give us we would be very grateful for them."

A young father was among those who were waiting their turn. "I have four children of school age, the oldest 12 years that I want to keep in school if possible," he said, "but I can't buy the clothing that they need to protect them from the weather." He accepted the articles given him with tears in his eyes. Our readers are urged to look their homes over for anything no longer needed. The Red Cross will gladly accept anything usable, especially shoes for both children and adults.

County Collects 48 Per Cent of Taxes

County Tax Collector M. W. Mosley states that approximately 48 per cent of the state and county tax roll was paid up to Feb. 1. The state tax roll amounts to \$47,546.87, of which \$22,723.27, on which the same percentage is applicable, would net \$20,492.90. While figures on the exact number of poll taxes paid were not available, Mr. Mosley estimates that less than 1,000 poll tax receipts were issued, as compared with 2,038 last year. He stated that, as is usually the case, the voters in the Jericho voting precinct have paid the largest number of poll taxes in proportion to the poll taxes assessed.

Automobile registrations showed a sharp decline, 947 passenger car licenses being issued against 1,337 to the same date last year, and 107 truck licenses this year as compared with 170 last year.

LOCAL RED CROSS AIDS 600 FAMILIES

OVER TWO CARS FLOUR AND
QUANTITIES GARMENTS,
MATERIALS DISTRIBUTED

A total of 602 families in Donley county have received aid in some form from the Donley County Red Cross chapter, according to Homer Mulkey, county chairman. The aid extended includes the issuance of flour, ready-made garments and materials for making garments, all of which have been supplied to the county chapter by the American Red Cross.

Over 5,000 yards of cloth, including shirting, outing, prints, birdseye and muslin, have been issued and issued 32 dozen sweaters, 122 dozen ready-made garments. Two and one-half carloads of flour, made from wheat turned over to the American Red Cross by the Farm Board, have been received and distributed by the local Red Cross.

The above figures do not take into account the vast number of used garments and shoes which have been distributed through the Red Cross, according to Mrs. H. T. Burton, who has been in active charge of distribution work. "We made an attempt to keep records of used garments, as our work would have been greatly increased had we done so, and we have had almost more than we could do anyway," she said.

Over 900 garments have been made and issued from the Clarendon headquarters of the Red Cross, 103 families receiving them, Mrs. Burton stated. About

Scouts Will Present Play, Friday Feb. 24

Boy Scouts of Patrols Nos. 1 and 2 will present a highly interesting play "Where There's a Will," in the main auditorium of First Baptist church, on Friday night, Feb. 24. The play will be followed by a banquet to be given in the upper rooms of the church. The boys' drama, under the direction of S. L. Tidwell and Lee Vaughn, will develop the story of a crippled lad whose brother's reports of Scout activities and interests stirred him to the supreme effort of trying to walk, with the result that he was able to do so and begin a real Boy Scout training, the worthy points of which are depicted as the play proceeds.

Tickets for the play and banquet will be sold at 25 cents each, the proceeds going into the funds of Troop No. 37.

CLUB CHOOSES ITS HONOR CANDIDATE

B. & P. W. CLUB NAMES
JULIA MAE CARAWAY
FOR QUEEN'S CONTEST

Miss Julia Mae Caraway, daughter of Mr. and Mrs. Odos Caraway, and one of Clarendon's most charming and popular girls, has been chosen by the Business and Professional Women's Club as its candidate for the honor of being the Queen of the Rainbow Pageant of Progress which will open the Amarillo Fat Stock Show on the night of March 6.

Competing against all Panhandle-Plains towns (Amarillo excluded) the Clarendon club women plan to sell more tickets to the pageant than any other contestant, thus winning for Miss Caraway the honor of being Queen of the Pageant. As announced last week, the pageant will be one of the most colorful gatherings of the Panhandle's fairest women ever assembled, staged under the direction of Hal C. Worth, of Dallas. The Queen's court will be comprised of princesses and maids-of-honor from each of the 25 cities which are expected to participate.

Dance Saturday Night
The B. & P. W. Club announces that it will sponsor a dance at the Clarendon Opera House Saturday evening, Feb. 18, beginning at 9 o'clock, the use of the house for the dance having been donated by Jas. Trent, the owner. The music will also be donated, members of the club believe.

Tickets for the dance will be sold at \$1 per couple and the purchaser of each ticket will also be given a ticket to the Pageant. Members of the club are expect-

LIONS CLUB WILL ATTEND DIST. MEET

LOCAL LIONS CLUB BUSY
NOW ON MEMBERSHIP
AND ACTIVITY PROGRAM

Long holding a high place in the Lions Clubs of Texas and in this district, the Clarendon Lions Club is now in the midst of its most active period preceding the Convention of Lions Clubs in

DISTRICT GOVERNOR LIONS

C. HERBERT WALKER

District "T", which meets in Amarillo, April 17-18.

Under the administration of President Ira C. Merchant, the Clarendon Lions have held a high standard of activities and attendance in spite of conditions which have handicapped all service clubs everywhere. The club has done more in the way of relief to handicapped and crippled children than at any other period in its long history of service, and is faced with the task of caring for even more such worthy projects this spring and summer.

At the present time there is a movement on foot to enlist the aid of several new members who by their high ideals and standards of life are interested in the humanitarian work sponsored by the Lions Club here, and several former members have sign-

(Continued on Page Eight)

ing the affair to be the largest in point of attendance that has been held at the opera house and promise those who attend a delightful evening.

An active campaign in behalf of the club's candidate will be waged by its members, who say that they will not be satisfied unless she is crowned Queen of the gorgeous pageantry which will officially open the Panhandle's own Fat Stock Show, which is expected to be the finest and best that has ever been held in Amarillo.

COMMITTEES ARE NAMED BY C. OF C.

BOARD ENDORSES PROTEC-
TIVE LEAGUE AND OF-
FERS ITS ASSISTANCE

Standing committees of the Chamber of Commerce for the current year were announced by President Bill Ray at the first regular meeting of the new board of directors last Thursday night. The personnel of the committees is as follows:

Agricultural Committee: W. H. Patrick, Chairman; Tom F. Connally, Oscar Castleberry, J. D. Swift, U. J. Boston.

Highway Committee: T. D. Nored, Chairman; Ralph Andis, A. L. Chase, Sam M. Braswell, H. Mulkey.

School Committee: H. T. Burton, Chairman; W. W. Taylor, Paul Shelton, Odos Caraway, Allen Bryan.

Civic Committee: D. R. Davis, Chairman; C. C. Powell, D. O. Stallings, F. W. Rathien, Ed Fox. Membership & Finance Committee: Joe Goldston, Chairman; Carl Parsons, Joe Holland, H. R. Kerbow, Clyde J. Douglas.

Publicity Committee: Fred A. Story, Chairman; J. T. Patman, O. C. Watson, W. C. Stewart, P. B. Gentry.

Union Committee: H. R. Carbone, Chairman; F. E. Chamberlain, J. R. Porter, Otto Busch, J. C. Estlack.

H. T. Burton, superintendent assistance in working out a plan

Masons Will Hold Memorial Service

Members of the Masinic lodge, A. F. & A. M. No. 700, will hold their customary annual George Washington memorial services on Friday evening, Feb. 22, beginning at 7:30 o'clock.

All Masons are requested to note that a bountiful banquet, to be prepared and served under the direction of Frank Whitlock, will be served promptly at 7:30 o'clock, after which the program will be presented.

The principal address of the evening will be delivered by Dr. H. E. Nicholson of Wheeler, who is Deputy Grand Master. Other talks will be made by local Masons.

Every Mason in this territory is invited to attend and participate in honoring the memory of George Washington, one of Masonry's most distinguished members.

BANQUET WILL BE HELD EACH YEAR

COMMITTEE IS NAMED FOR
1934 BANQUET; PROGRAM
OF LOCAL TALENT

The perpetuation of an annual Mother and Daughter Banquet is assured by the attendance of 165 mothers and daughters at the first gathering of the kind in Clarendon, held here last Monday night at the Antro Hotel under the auspices of the Business and Professional Women's Club.

Miss Mantie Graves presided as toastmistress in a most capable way. The principal address was made by Mrs. U. J. Boston, whose interpretation of her subject, "The Relation of Mother and Daughter," was thoughtful and inspiring. Mrs. J. T. Patman paid tribute to "Our Daughters," the response to "Our Mothers" being made by Miss Eunice Johnson. Miss Marilyn Maher gave a delightful reading.

Music for the occasion was furnished by a girls' orchestra under the direction of Mrs. G. L. Boykin, and vocal solos were given by Mrs. Rollie Brumley and Mrs. O. T. Smith.

An enjoyable feature of the program was the recognition of the oldest mother, the youngest daughter and the youngest mother present. Mrs. H. W. Taylor, who is 79 year old, was the oldest mother present, while Mrs. Thomas Heatherly, 21, was the youngest mother. She is the youngest daughter of Mr. and Mrs. Chas. Speed. The youngest daughter present was Mary Anne Brumley, 3 years old.

A committee for the 1934 banquet was named as follows: Miss Carrie Davis, Mrs. J. L. McMurry, Mrs. T. D. Nored, Misses Julia Caraway, Ruth Cauthen and Ruth Tucker.

Members of the sponsoring club are gratified over the fine response given to the affair and have been the recipients of many compliments from those who attended it.

Free Play To Be Presented Tonight

The Little Theatre will present "Love in a Mist" tonight (Thursday) at the Junior College auditorium. Complimentary to the public which has given good support to the Little Theatre, no admission charge will be made to this play. It is hoped that a packed house will see the play.

PROCLAMATION

Whereas George Washington was born February 22, 1732, in Westmoreland County, Virginia. No star, no sign foretold his coming, but I sincerely believe the great Ruler of Heaven led and guided his every step from the cradle to the grave.

In wisdom he was great, but in humility greater; in justice strong but in compassion stronger. He became a leader of men by being a lover of truth and righteousness. He was the Commander in Chief of the Armies of the revolution; the first president of this nation. As a general and statesman, he had few equals and no superiors. Washington was loved and adored by his soldiers. It was said of him "First in War, first in peace and first in the hearts of his countrymen." God of Heaven give us men like Washington.

Therefore it is befitting that each year we should observe the memory of this great and good man. Now I, as Mayor of the City of Clarendon, Texas, respectfully request that the business houses whose proprietors deem it expedient, close their doors and honor the great hero of Valley Forge.

W. P. CAGLE, Mayor.

MAKING GOOD USE OF SURPLUS

The average American, reading of the distribution by the Red Cross, of 85,000,000 bushels of wheat converted into flour, and 500,000 bales of cotton converted into garments, will applaud the achievement as one which has made good use of some of the surplus of both wheat and cotton about which so much has been written.

The use of the machinery of the Red Cross and of part of the surplus of wheat and cotton which the Farm Board has had on its hands has resulted in a higher appreciation of both agencies in these strange times of too much wheat and not enough bread, too much cotton and not enough clothing.

It should be remembered, however, that the wheat had to be milled and transported to those who needed it, and the cotton had to be woven into cloth before Red Cross volunteer workers could make it into garments. Red Cross funds went into the manufacturing processes, and mills and factories were operated at no profit to their owners. Railroads furnished transportation for a large part of the relief materials.

New interest in Red Cross relief work has been the result, according to statements made by it. Volunteer workers here, and everywhere, responded to the call for help especially in Red Cross sewing rooms. Who can estimate the real worth of the assistance rendered the 97,000,000 individuals to whom flour and garments have been issued?

FORECLOSURE DOES NOT CANCEL DEBT

As this is being written, the Senate at Austin is considering a bill which has already passed the House by a vote of 108 to 10. The bill is known as the "Deficiency Judgment Bill," and is a bill in which every person in Texas who owes any debt on real estate should be vitally interested.

The bill seeks to correct existing Texas laws which give the holder of a deed of trust a strangle-hold on the debtor which may be continued long after the mortgaged property has been foreclosed. It is likely that the majority of the holders of such deeds of trust are not aware of the length to which they may legally go in keeping a mortgage in bondage. But the best legal minds declare that the law, as it now stands on the statutes, is perfectly clear on the point. The effort to remove the clearly unjust legal rights of the mortgagees from the statutes is the object of the Deficiency Judgment Bill.

Under the popular, but little understood, deed of trust laws, the person who buys a piece of real estate executes a deed of trust to a trustee. Usually these deeds of trust provide that the trustee may foreclose on the real estate if the signer gets in arrears on payments as scheduled, or interest, taxes, or insurance. At his option he can post notices of the proposed sale under the deed of trust and sell the property "at the courthouse door between the hours of 10:00 a. m. and 4:00 p. m.," no special hour being set.

The representative of the mortgage can bid in the property at his own figure if no other bidders are present, the amount bid being credited to the note and the unpaid balance constituting a "deficiency" which can be sued for as an unpaid debt.

The mortgage holder, by this process, not only gets the property, plus the money which has been paid on the debt, but he also has the property owner in his debt for as much as the total unpaid debt. He can get judgement for the unpaid balance. Then he can attach a bank account, not otherwise exempt, take any other property the debtor may have and sell it to the highest bidder for cash (usually at a very low price) and apply the cash to the original debt, leaving the debtor still in debt, to be attached again if through inheritance or in any other manner he should come into property or money which could be levied upon.

The public does not know that when a real estate mortgage is foreclosed, the deficiency suit does not have to be prosecuted for four years after the foreclosure, and the debt hangs over the debtor's head for that period. If judgment is taken, it runs for ten years and can be renewed for ten years longer, putting the debtor in bondage for life. The only way out of this bondage is through bankruptcy, death or moving out of the State.

Furthermore, if a person sells property subject to the indebtedness and does not sell it with the assumption of the debt described in the deed and deed of trust, the loan can be declared due and payable, even though it has a long time to run, which means that each time the property is sold with a mortgage on it another endorser or guarantor is placed back of the loan.

The only remedy available for the people of Texas is to have their legislators pass a law providing that when a real estate mortgage is foreclosed the debt shall be cancelled so far as the mortgage is concerned and that there shall be possible no deficiency judgment.

Such a law is the Deficiency Judgment Bill, already passed by the House, and now before the Senate. The

people of Texas, by letters and telegrams, should demand of their Senators that they pass the bill and thus remove definitely the opportunity for unjust prosecution for debt on real estate no longer owned.

MUCH IS SAID, BUT NOTHING DONE

The suggested re-organization of county and city government, outlined by Judge J. R. Porter to the Rotary club of this city last week, will doubtless meet with the tacit approval of the majority of the tax-payers of Donley county. They would welcome the initiation of any plan which would guarantee a reduction of county taxes, quite as much as they would welcome the reduction of state taxes.

Mark Twain once said of the weather that "A great deal has been said about it, but nothing has been done about it." The taxpayer feels much the same way about his taxes. Big winds blow through the halls of Congress and state capitols as legislators introduce bills which would actually reduce government expense. But when voting time comes expense reduction measures go down in defeat, as foreseen by their very proponents. And the lawmakers then go cheerfully about the task of providing tax revenue to meet the expenses which could not be reduced.

Judge Porter says that "if Donley county is an average county, the 258 counties of Texas would save annually \$4,043,500" under his suggested reorganization plan, outlined on another page.

But what folly to look in that direction, when the certain fate of the reorganization and economy plan now before the Texas Legislature is so clearly to be seen. Political expediency spells its doom. The legislature will spend its time in devising new forms of taxation to take the place of levies which do not now produce their former revenues. There is no hope for the tax-burdened, it seems.

Throw OFF That COLD!

Some men and women fight colds all winter long. Others enjoy the protection of Bayer Aspirin. A tablet in time, and the first symptoms of a cold get no further. If a cold has caught you unawares, keep on with Bayer Aspirin until the cold is gone. Bayer Aspirin can't harm you. It does not depress the heart. If your throat is sore, dissolve several tablets in water and gargle. You will get instant relief. There's danger in a cold that hangs on for days. To say nothing of the pain and discomfort genuine Bayer Aspirin might have spared you! All druggists; with proven directions for colds, headaches, neuralgia, neuritis, rheumatism.

MARTIN

A large crowd was present at Sunday school last Sunday morning, but we hope to see more present next Sunday. Rev. Chas. Williams, of Goodnight, filled

his regular appointment Sunday morning and night with good attendance on the services.

Next Sunday afternoon at 3 o'clock Rev. Jones, the Holiness preacher, will preach. Everybody is invited to hear him.

Dovie Wood spent Sunday afternoon at the home of Polly Sowell. Mr. and Mrs. Clyde Easterling and family, Luther Pittman and

Mutt Maxwell visited Sunday at the J. H. Easterling home.

Mrs. C. J. Talley visited Sunday afternoon with Mrs. E. Long. Oscar Jones visited Sunday with Charley Jones and family.

"I agree with you; your wife is impossible," said Judge Harris of Chicago, in granting Henry Florey a divorce.

PROGRESS AND POWER

Present-day industrial progress of small communities is based in a large measure on ample and economical power facilities which deliver a practically unlimited power supply at once—when and where needed.

Small local plants, serving single communities, generally lack these facilities—lack the variety of volume and demand which is necessary if the road to industrial growth is not to be blocked.

The transmission system, which has resulted from a group of towns pooling their power requirements and resources, can deliver this power easily, economically, at any time or place.

Progress and Power go hand in hand in the small city—and the West Texas Utilities Company is aiding this desired progress in 125 alert cities and towns in West Texas, the "Land of Opportunity."

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

NAYLOR

Cold did you say? Sub-zero weather for Naylor, but we made it all right with very little loss. Naylor people are grieved to know that Mrs. Clyde Bain's father, Mr. A. C. Hicks of Hedley, died Sunday at Amarillo, following a runaway accident some few weeks ago. T. E. Naylor and W. M. Pickering were Amarillo visitors Monday, T. E. taking a load of sweet potatoes to market. Billy Cleon is the name of the little man who came to the home of Mr. and Mrs. Walter Scott last Wednesday. The friends of Bert Tunnell, will be sorry to learn that he received a severe injury to his eye last week while playing ball. Bert lived at Naylor last year but lives at Pleasant Valley now. We hope he will soon be well. T. E. Naylor went to Amarillo Sunday to bring Mr. and Mrs. Clyde Bain home who were there with her father, Mr. C. A. Hicks. Valley, spent Sunday with Mr. and Mrs. Bowlin. Perry Tunnell, of Pleasant Valley spent Sunday with Mr. and Mrs. Rich Bowlin. Mrs. Tom Bain went to Amarillo Sunday to be at the bedside of Mr. Hicks who died Sunday at Amarillo.

SUNNY VIEW

Most every one who has been indoors during the severe freezing weather is beginning to venture out a little further, for the past few days. No great damage from the cold has been registered out this way except, F. L. Behrens lost two head of stock. A. M. Lanham's auto radiator bursted. Heckle Starks also had some car trouble, and several of the neighbors have frozen ears, but after all the severe cold weather may be a great benefit in various ways. Who can tell? Neal Bogard and daughter, Dorothy Jean spent Sunday at McLean, with the families of his brother Tom Bogard, and sister Mrs. J. B. Pettitt. Mr. and Mrs. Sam Roberts were visitors in the home of Mr. and Mrs. Millard Starks Sunday. Mr. and Mrs. L. L. Taylor of Clarendon were callers in the A. M. Lanham home Sunday afternoon. Mrs. Neal Bogard and children of Hudgins spent Sunday with her parents, Mr. and Mrs. Millard Starks. G. A. Little of Chamberlain visited a short time with F. L. Behrens and A. M. Lanham Sunday afternoon. Mr. and Mrs. Hubert Day and daughters drove to Hedley Sunday to see friends at that place. Junior Brame has been absent from school the last week as he was sick with cold. Mrs. A. M. Lanham was among other friends who attended the funeral and burial of Mrs. Jessie Prachar at Claude last Monday afternoon. Miss Mildred Brame is visiting her sister, Mrs. Sam Dale and Mrs. Roy Morgan of Goldston. Mr. and Mrs. Travis Reeves of Lelia Lake were dinner guests Sunday of her parents, Mr. and Mrs. Zeb Morris. Mrs. Millard Starks spent Tuesday night and Wednesday with Mr. and Mrs. Neal Bogard of Hudgins. Mr. and Mrs. W. K. Davis and family have moved from our community to Pleasant Valley. We are sorry to lose these good neighbors and have not yet learned who will live where Mr. Davis vacated. Mrs. Hubert Day and small daughter called on Mrs. Nelson Riley Monday. Mr. and Mrs. McWharther and family moved to Clarendon last week. Mrs. Nelson Riley spent Tuesday afternoon with Mrs. S. T. Clayton. Mrs. Lamberson spent Tuesday at Hedley visiting her mother, Mrs. Youree, and brother, Woodwine. Mr. and Mrs. Rice Batson of Lelia Lake, called on Mr. and Mrs. Sam Roberts Friday night. Mrs. Nelson Riley and daughter Miss Ina spent Friday afternoon with Mrs. Heckle Starks. Mr. and Mrs. Roy McKee of Lelia Lake spent Saturday afternoon with Mr. and Mrs. F. L. Behrens.

ALANREED

The second quarterly conference of the Alanreed-Heald charge of the Methodist church will be held at Alanreed Methodist church February 19. Rev. M. M. Beavers, Presiding Elder of the Clarendon district will preach at 11:00 o'clock. An old fashioned basket lunch will be served at the church after which the business session of the Conference will be held. A large group from Heald is expected to attend. The Alanreed Longhorns have won "B" championship over Hemphill, Roberts and Gray Counties. Miss Ruby Adams, of Pampa, has organized a 4-H Club for the girls of Alanreed. Mrs. H. A. Bullock has opened a Cafe in town. Alanreed is to have for the first time the honor of entertaining the school superintendents and principals of Gray County on next Tuesday night. An informal banquet is to be given in the high school auditorium. A pie supper was given in the high school auditorium, proceeds being used to buy basket balls. Norma Rue Bryant was taken to a hospital in Pampa Sunday for an operation. Mr. S. L. Loftin is home from the Shamrock Sanitarium, and is doing very nicely. Mr. and Mrs. J. P. Elms visited in Oklahoma Saturday and Sunday. Congressman Pat Stubbs visited Mr. S. L. Ball last week. Mr. and Mrs. Leo Ray were in Alanreed Sunday. S. L. Ball, Ernest Tipton, Ollin Stapp, Leon Steager and J. C. Oakley were in McLean Friday night. Misses Georgia Faye Tipton and Neta Ball visited Misses Burnese and Wilsie Blakney Sunday evening. Miss Lila Hill visited Miss Myrtle Guill Sunday. Mrs. W. W. Whitsitt and Mrs. Bob Mathis visited Mrs. J. A. Tipton Monday evening. Mrs. Jim Green and daughter Mrs. Odell Hill visited Mrs. S. B. Kiser Monday. Miss Willa Dee Hall spent Sunday night with Miss Georgia Fae Tipton. Mr. and Mrs. Donley Hall visited Mr. and Mrs. Houston Bell Sunday. Miss Ethel Bell and Mrs. Hulon Bell of Hedley are visiting in Alanreed.

ASHTOLA

Rev. King preached here Sunday morning and Rev. Ashley, of San Angelo, preached Sunday night. Mrs. C. H. Walling and daughter, Edna Lee, spent Sunday in the home of W. A. Poovey. Alanreed. Mr. and Mrs. Jim Green spent Friday with Mr. and Mrs. Roy Sherrod. Miss Marie Moreland of Dallas is visiting her sister, Mrs. Roy Sherrod. Miss Joeldene Kiser visited Miss Opal Oakley Saturday night. Mr. W. E. James and Mr. J. P. Elms were in Clarendon Tuesday. Mr. Walter Brown and Aubrey Carlton were in McLean Friday night. Mr. and Mrs. Gilbert Garrett are visiting relatives in Lefors. Mr. S. L. Ball, Herman Tipton, Tom Ball and Harold Guill were in Pampa Friday. Mrs. S. B. Kiser visited her mother, Mrs. Boydston, near Groom Sunday evening.

Mr. and Mrs. D. W. Jones and children, R. D. and Dorothy, motored to Amarillo Sunday morning. Mr. and Mrs. Ted Brise and children, of Train, Texas, arrived here Saturday night to be at the bedside of Mrs. Brise's mother, Mrs. D. R. Drennan, who is very ill. Miss Viola Barker spent Sunday with Miss Geneva Collier. Miss Dola Fay Gregg and Gerald Hatley visited in the Wamick home Sunday. Mr. and Mrs. Clifford Johnson and daughter, Velma, visited Mr. and Mrs. Bryan Johnson Sunday. Mr. and Mrs. Odell Walling are visiting his parents, Mr. and Mrs. C. H. Walling. Visitors in the D. W. Jones' home Sunday afternoon were Tate Poovey, Mr. and Mrs. Henry Williams and daughter, Myrtle Mae, of Hedley. Mr. Jim Tidwell and daughter, Frances, and Miss Marie Haney, of Goodnight, were visitors here Sunday night. Mr. Foster Gregg was on the sick list the past week-end. We are glad to see him in school again. It will soon be time for the Interscholastic League Meet and

every one is working faithfully on his entry. Miss Mary Slyne Parker has recovered from the small pox and is out among her friends again. Mr. and Mrs. Elsie Gregg and children, and Rev. King visited in the White home Sunday. Mr. and Mrs. D. F. Randall visited Sunday with their daughter, Mrs. Earl Holley. Mr. W. W. Leverett is on the sick list this week. Mrs. Panch Arich of Snider and Mr. Benny Ashley, of San Angelo, Mrs. Mantie Burrough, of Lubbock, and E. D. Caston, of Briwnwood, are visiting in the H. W. Lovell home. Grandma Ashley is very ill. Mr. and Mrs. D. B. Shipma and children of Goldston, Mr. and Mrs. C. L. Leverett and Raymond Stafford visited in the W. W. Leverett home Sunday. Very few attended school here last week on account of the cold weather. Mary Frances Meadors spent Monday night with Margarette Hill. Mr. Clifton and Willie Dunning and Oscar Brown, who have been working at Tahoka, returned home Thursday night.

Miss Easter DeFries, of Amarillo, spent Sunday with Wiona Ford. Mr. Elbert Bowen spent the week-end with his parents in Clarendon.

Teacher: "You have been very naughty, and I am going to keep you after school an hour every day this week." Jimmie: "Well, I don't care for myself, but ain't you afraid folks will talk?" "That's a good-looking car. What's the most you ever got out of it?" "Eight times in a mile".

Sales Record for Past 54 Months Is Announced

Dayton, Ohio, January 3, 1933—A record of achievement which is possibly without parallel in business history was revealed here today when officials of the Sargon Laboratories, Inc., reported that fifty-four months ago their medicines, Sargon and Sargon Soft Mass Pills, were first placed on the market, and that up to date 7,417,428 packages of these two medicines have been sold. In explanation of this truly remarkable record Mr. J. J. Gibson, Secretary of the Company, said: "We spent two years' time and a considerable fortune in developing these medicines before they were placed on the market, and we had good reason to believe that as soon as the public became acquainted with their effects there would be a very large demand for them. This is what seems to have happened during the past fifty-four months. "As evidence of this," he continued, "thousands upon thousands of individual endorsements have literally poured in from all parts of the country, and we are shipping our medicines throughout the United States, Canada, and Hawaiian Islands, Porto Rico, the Philippine Islands, Cuba, Jamaica, and several Central American countries. Only yesterday we received an order from Nice, France. Indeed a large part of our business comes from sections where our advertising has never appeared. This indicates that people who use our medicines are writing or telling their friends about them." When asked for a brief statement of what effects Sargon and Sargon Pills have on persons who take them, Mr. Gibson replied, "These are new medicines and they actually accomplish many things which the older remedies were supposed to do. For instance, it is now conceded by the medical profession that calomel and other laxative drugs have no effect whatever on the liver. Our medicines actually stimulate the liver to cleanse itself by increasing its production of bile. Sargon and Sargon Soft Mass Pills also promote general glandular activity; build up the red blood cells, and correct the most prevalent causes of indigestion and constipation and the many ailments resulting from these disorders." Douglas-Goldston Drug Co.

Special Programs to Stress Citizenship

The month of February being designated as "Citizenship Training Month", Mrs. J. L. McMurtry, chairman of the Seventh District, Women's Federated Clubs, American Citizenship committee, has asked each school in Donley County to have a patriotic program of some kind during the coming week.

Mrs. Fred Rathjen will speak to the Camp Fire Girls and Boy Scout leaders will have a patriotic program on Friday night. With the co-operation of these two splendid groups and the schools throughout the country, this united effort is expected to bring constructive results. "Two words loom large in the month of February—love and patriotism. The little god of Love has his day on the 14th, and on the 12th and 22nd days we think of two of the great leaders of these United States.

"Troublesome times exact much of us. We need judgment that we may distinguish right from wrong. We need sympathy and understanding that we may help the unfortunate to better living. We need vision, we need determination that we may stand steadfast in upholding the principles of true Americanism. Judgment, sympathy, understanding, vision, and determination are the cornerstones in the wall of good citizenship. For there is a destiny that makes us brothers; none goes his way alone."

Hedley Farmer Dies Of Runaway Injuries

Charles Alfred Hicks, 61 years old, farmer of Hedley who was injured about a month ago when a runaway team hurled him from a wagon, died at 3 o'clock Sunday afternoon at an Amarillo hospital where he had been under treatment for the past two weeks.

Suffering from a fractured skull and concussion of the brain, Mr. Hicks did not regain consciousness after the accident.

Funeral services were held Monday afternoon at the First Methodist church at Hedley, the body being taken to Hedley from Amarillo by the Buntin & Son Mortuary of Clarendon.

Chamberlain School Patrons Meet Monday

The trustees of Chamberlain School, which recently lost its school building by fire, have called a meeting of patrons of the school which will be held Monday night at the temporary school building on the Karl Adams farm.

The meeting is called for the purpose of making a decision as to the erection of new building and its equipment. The trustees are said to favor a \$3,000 bond issue by the district which, together with the insurance on the burned building, will provide sufficient funds for the erection and equipment of a new brick building.

After an explanation of the proposed plans and necessary bond issue, petitions asking for a bond election will be circulated. The trustees urge all the patrons of the school to be present at the meeting.

GROUP TO SPEAK AT THREE POINTS

PROTECTIVE LEAGUE MEETINGS TO BE HELD LELIA LAKE, HEDLEY, JERICO

W. T. Hayter, president of the newly formed Farmers and Home Owners Protective League, announces three speaking dates this week for Judge L. Gough, of Amarillo. He will speak Thursday night in the school building at Lelia Lake, at 7:30 o'clock; Friday afternoon, at 2:00 o'clock, at Hedley; Friday night at Jericho, at 7:30 o'clock in the school building.

Judge Gough will outline to his hearers the aims and purposes of the Protective League, as presented to the audience which heard him at the courthouse on Saturday, Feb. 4, when more than forty members were enrolled in the League.

The public generally, especially all who own any indebtedness on farm or home property, are urged to be present at the most convenient meeting named above.

Witnesses Called to Peabody Trial Mar. 13

Sheriff Guy Pierce received and served Wednesday papers summoning 24 Donley county men to Austin on March 13, when the case of the State of Texas vs. C. M. Peabody will come to trial in the 126th District Court of Travis county. Peabody was indicted by a Travis county grand jury for alleged irregularities in connection with fees and mileage charges in certain Donley county district court cases.

The following witnesses are called to Austin: Crockett Taylor, A. O. Yates, A. H. Baker, R. Y. King, W. T. Link, Glenn Allen, W. S. Bazzy, G. L. Boykin, Allen Bryan, Stanley Carlisle, M. W. Mosley, Walker Lane, Roy Clayton, A. T. Cole, Ira Merchant, Otis Barnes, Jess Davis, Leonard Reed, T. M. Pyle, C. D. McDowell, James Trent, Roy Wilson and J. T. Patman.

Howard Hardin Badly Burned In Explosion

Howard Hardin, who formerly lived in this county, was one of five men who were injured in a natural gas explosion near Heald last Sunday, three of whom died later. Hardin is the brother of W. R. Hardin, of this county.

Following the explosion, which occurred shortly after he had left the building, his efforts to save the lives of the other four men, by cutting burning clothing off them, resulted in severely burning both his hands. A. J. Tillery told Hardin to go for help. He had to walk nearly two miles, the only car on the scene being destroyed by the explosion.

Tillery died Monday night at 7:30 o'clock, and five hours later Paul Ladd died.

SIX FINE HAMS STOLEN

Sam Roberts, living four miles east of Clarendon, is mourning the loss of six big sugar-cured hams, weighing 23 to 24 pounds each, which were stolen from the loft of his barn last Saturday or Sunday night. "Not a ham left!" Sam wailed.

The door to the loft was locked, but entry to the loft was effected through a window, some 22 feet from the ground, according to Mr. Roberts. "How they got up there to the window is a mystery, though they must have brought a ladder along in the car or truck whose tracks were plainly to be seen. There is no ladder on my place." Sam may be assured he has the full sympathy of all the people who like sugar-cured hams. That's a real calamity.

Veterans Attend Military Funeral

Seven members of the Aubyn E. Clark Post, American Legion, attended the military funeral which was conducted Wednesday afternoon for A. J. Tillery, who died Monday night of burns received in a gas explosion Sunday afternoon. Tillery was manager of the McLean Gas Company, and a member of the McLean American Legion Post. A squad of veterans from Pampa also attended the funeral.

Veterans from Clarendon were Post Commander H. R. Kerbow, Chas. Trent, Nathan Cox, Barcus Antrobus, Ollie Hommel, C. B. Morris and Clifford Decker.

Mrs. H. E. Westmoreland of Amarillo were here Monday and attended the Mothers and Daughters Banquet with Mrs. Connally.

Typhoid germs can live for six weeks in milk and from six to 10 days in water.

SOCIETY

LORRAINE PATRICK, Editor

Our Society Pup

Sox! Sox! Sox! "Now all you do is buy a pair and then sell four and so on and so on."

If you haven't been accosted by a "Sox Salesman", let me congratulate you, but let me add that it won't be long cause practically everyone is "sold" on the idea. In a few days there won't be anyone left to sell to 'cause everyone is selling.

And of all the Day-Dreams I've heard about. One man is going to build a marble swimming pool with his first \$700,000.00, and one of the girls is going to buy a Lincoln and build a mansion. It sounds swell and maybe I'll bite before the week is over. You can't tell.

Mrs. Stricklin is Hostess To Club

Numbering among the many enjoyable affairs of the week was the entertaining of the Blue-bonnet Club with a one o'clock Valentine luncheon by Mrs. C. Stricklin at her lovely home last Thursday.

When the guests had assembled they were served a delicious luncheon. The Valentine motif was evidenced in the attractive decorations of red and gold. The dining table was centered with a bouquet of red sweetpeas in a gold bowl, while on either side tall red tapers burned in gold holders. Dainty dresden nut cups tied with red ribbons added to the pretty setting, as did the Valentine place card tallies.

Mrs. James Trent was a guest of the club and won high score. Others attending were: Mrs. George Ryan, Mrs. W. H. Patrick, Mrs. J. L. McMurtry, Mrs. C. B. McCanne, Mrs. A. R. Letts, Mrs. Homer Glascoe, Mrs. C. T. McMurtry, Mrs. F. E. Chamberlain, Mrs. Odos Caraway, Mrs. R. L. Bigger, and Mrs. J. F. Blocker.

Les Beaux Arts

"Renaissance and 18th Century Art in Spain" was the subject for discussion at the monthly meeting of the Les Beaux Arts Club, which was held at the home of Mrs. J. W. Evans on Saturday afternoon, with Mrs. J. D. Swift and Mrs. Evans as hostesses.

Miss Mary Howren was leader for the study and gave an interesting paper on the Scripture of that period, while Mrs. R. L. Bigger told of the Architecture and Mrs. J. H. Morris of the Painting.

Some splendid drawings by Walker Lane were on display. These included classic designs and a beautiful sketch of a Gothic Window.

After the business session and study, dainty refreshments and a social hour were enjoyed.

Mr. and Mrs. Powell Entertain

Entertaining members of their Bridge Club, Mr. and Mrs. Simmons Powell were cordial host and hostess at their home on Tuesday evening.

After the delicious dinner was served, attractive tallies portraying likeness of George and Martha Washington were passed and the playing began. Mr. Frank Stocking was proclaimed winner at the end of the games and was awarded two very pretty silhouettes of the Washingtons.

To enjoy this were: Mr. and Mrs. Earl Alexander, Mr. and Mrs. J. E. Teer, Mr. and Mrs. B. F. Kirtley, and Mr. and Mrs. Frank Stocking.

Friendship Club

Meeting with Mrs. J. A. Tomb at the home of her daughter, Mrs. M. T. Crabtree, the Friendship Club spent a pleasant afternoon Tuesday.

The Lord's Prayer opened the meeting, after which Mrs. J. H. Allison read the 100th Psalm. In the absence of the president, the vice-president, Mrs. L. Ballew presided. Different poems and jokes were enjoyed during the afternoon and later dainty refreshments, carrying out the Valentine motif, were served to: Mesdames J. E. Mongole, L. Ballew, C. E. Lindsey, J. A. Meadows, J. D. Stocking, J. W. Crawford, J. H. Allison, M. T. Crabtree, Eva Womack, and Miss Katie Meaders, club members; and Mrs. Julia Beverly, guest.

"42" Club

Mr. and Mrs. Simmons Powell were genial host and hostess to their Forty-Two Club last Thursday evening, when they entertained with a dinner and forty-two party at their home.

After the sumptuous dinner was enjoyed, games of forty-two were played the remainder of the evening.

Participating were: Mrs. L. S. Bagby and Mrs. W. A. Clark, Jr., guests; and Mrs. B. G. Smith, Mrs. Bill Greene, Mr. M. M. Noble, Mr. and Mrs. Bennett Kerbow, Mr. and Mrs. A. A. Mayes, Mr. and Mrs. J. T. Patman, Mr. and Mrs. U. J. Boston, and Dr. and Mrs. J. G. Sherman, members.

Junior Beaux Arts

On Monday afternoon at the Woman's Club Room, the Junior Les Beaux Arts enjoyed an address by Mr. J. C. Estlack on "Early Indian Civilization in the Panhandle," which was very interesting.

Mr. Estlack told of the ruins of the Indian Civilization which are to be found along the Canadian River. He had several different types of arrowheads and explained how each tribe used a different kind.

After the splendid talk, refreshments were served by the hostesses, Joyce Link, Lucile Andis, Jo Ella Stewart, and Berkeley Ryan.

Guests for the afternoon included members of the Les Beaux Arts and mothers of Junior Beaux Arts members.

Pathfinder Club

"Topics of the Day" was the subject under discussion by members of the Pathfinder Club on Friday afternoon when they met at the Club Room with Mrs. Eva Draffen and Mrs. W. B. Sims as hostesses.

Mrs. H. T. Burton proved an able leader while Mrs. W. H. Patrick discussed "Foreign Affairs," Mrs. J. R. Porter, "National Affairs," and Mrs. James Trent, "State Affairs."

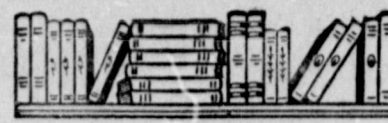

At the close of the study a social hour and dainty refreshments were enjoyed.

The next meeting will be at the Club Room with Mrs. C. T. McMurtry and Mrs. W. H. Patrick hostesses.

Mrs. G. J. Teel has been in Amarillo the past week visiting her daughter, Mrs. Oscar Kerr.

CITIZENSHIP PROGRAM BY PATHFINDER CLUB

The Pathfinder Club invites the public to attend a "Citizenship" program which will be presented Monday evening, Feb. 20, at 7:30 o'clock, at the Junior College auditorium. The program is one of several similar programs which will be given during February by various organizations and schools of the county in special recognition of America's two great patriots, George Washington and Abraham Lincoln. The program: Music by band. Greetings from the Pathfinder Club—Mrs. Jas. Trent. Community Singing, Patriotic Songs, led by Sam M. Braswell. Citizenship which will meet the present time needs, Rev. Robt. S. McKee.

Library Notes

By MRS. C. A. BURTON

Promises of books continue to come to us, assuring us that our friends are keeping the Book Shower in mind. There is a great satisfaction in the knowledge that a book you no longer need or want will become a source of profit or delight to some one else.

The need for children's books is great. We have so many interested readers among the small people. Have your children outgrown their little story books? Bring them to us and make other children happy with them. Little Marilyn Maher has promised a few of hers and is sure her little cousin will send some. Our one "Raggedy Ann" book is "ragged", so is our one "Billy Whiskers", as well as many others.

Do you have a copy of Hawthorn's Wonder Book and Tanglewood Tales which you can spare? These are in a constant reading list and we do not have them. Or can you spare us a copy of "The Count of Monte Christo"? You own absorption in it when you read it will indicate its value to us.

Do you have the World Books on Lincoln's Library of Essential Information from which your own children gained untold help in their school work, but which now stands undisturbed on your shelves? We need them sorely. Our Western Stories—to which boys and men always gravitate—are literally falling to pieces. We hope for many new ones from the shower.

Book Shower, Feb. 22

Remember the Book Shower is to be at the Club Room on Feb. 22nd from 2 p. m. to 6 p. m. Come and bring your gift and meet your friends. The following attractive program has been prepared and will be presented during the afternoon:

Reading—Mrs. Frank Stocking. Quartette—From the B. & P. W. Club.

Piano Duet—Mrs. John Bass and Mrs. Allen Bryan.

Reading—Mrs. Bill Bromley. Violin Solo—Mrs. Boykin.

Dance of the Pine Tree Fairies, Neapolitan Nights—MacDowell Choral Club.

Sunday School Social

Among those attending the "Of Thee I Sing" in Amarillo Monday night were: Mr. and Mrs. Charles Trent, Mr. and Mrs. Carroll Knorrp, Mr. and Mrs. E. E. Champlin, George Chamberlain, Wesley Knorrp, Miss Anna Moores, Miss Etta Harned, Miss Ida Harned, Mrs. L. S. Bagby, George Bagby, John Bugbee, Mrs. W. H. Patrick, Lorraine Patrick, Penelope Blocker-Ellis, Homer Parsons and Kelly Chamberlain.

Miss Wilfa Lee Alexander, Mr. Wayne Thornberry and Mr. and Mrs. Johnnie Tucker spent Sunday in Borger.

Mr. and Mrs. Bright Tucker of Amarillo were Clarendon visitors Sunday.

Wayne Thornberry of Wichita Falls spent the past week-end here.

Ladies Aid Items

Mrs. Homer Mulkey was hostess to the Ladies Aid of the First Christian Church at her home on Wednesday afternoon.

The meeting was opened with a prayer by Mrs. R. H. Carver. In the business session the Aid decided to have a Food Sale at the Jitney-Jungle Store Saturday, Feb. 18th.

During the social hour twelve members and one visitor were served. They were dismissed with the Lord's Prayer.

The next meeting will be with Mrs. Ralph Paxton, on Feb. 22nd, with Mrs. Homer Mulkey, leader.

WRITING COURSE OFFERED TO PANHANDLE PENWOMEN

Writers from other sections of the country tell us that the Panhandle abounds in "feature" stories.

The Panhandle Penwomen, knowing that the Panhandle also abounds in potential writers who could and should profit thereby, determined to contribute their bit toward that end and secured Frank Clay Cross to come to Amarillo and conduct a short course in feature and non-fiction writing.

Mr. Cross is a regular contributor to such magazines as The Ladies Home Journal, The Forum, American Magazine and others and was an instructor at the Writers' Conference at Boulder, last summer, where his classes were extremely popular.

The Course will begin Monday, February 20th and continue six days. Classes will be held at 7:30 p. m. and the charge will be \$3.00 for the six lectures. Anyone who so desires may take the course and the Penwomen are hopeful that many of the Panhandle writers will avail themselves of this very unusual opportunity. Further information may be had by addressing Mrs. Mildred J. Cheney, 1409 Madison St., Amarillo, Texas.

Mr. and Mrs. T. L. Houghton of Crowell, are in Clarendon today. He is attending to business, and Mrs. Houghton is visiting Mrs. F. L. Patching.

Mrs. Bob Younger of Amarillo visited her parents, Mr. and Mrs. W. H. Martin here the fore part of the week.

Kill Kare Kneedle Klub

With Mrs. Ben Hill as hostess, members of the Kill Kare Kneedle Klub spent a delightful afternoon on Thursday as her guests.

Pleasant conversation and fancy needle work furnished the entertainment, with dainty refreshments being served to: Mrs. W. C. Stewart, Mrs. W. A. Land, Mrs. Homer Mulkey, Mrs. Ted Williams, Mrs. M. W. Mosley, Miss Etta Harned, and Mrs. Buel Sanford, club members; and Miss Ida Harned, Mrs. W. O. Hommell, and Mrs. Joe Voss, guests.

Pearson—O'Neal

A wedding of much interest to several Clarendon people was that of Miss Nora Lee O'Neal and Mr. Jack Pearson which was solemnized on Sunday, Feb. 5, at 5 o'clock in the Methodist Parsonage in Tucumcari, N. M.

The Rev. John S. Rice read the marriage services and Miss Harriet Campbell and Mr. Clarence Parr attended the couple.

The bride was attractively attired in a grey crepe gown trimmed in dark blue crepe with grey accessories.

Mrs. Pearson is a daughter of Mr. and Mrs. W. E. O'Neal of Clarendon, Texas, but she has been making her home with her uncle and aunt, Mr. and Mrs. H. O. Penter, of Tucumcari, the past two years. Mr. Pearson is a son of Mr. and Mrs. J. S. Pearson of San Jon and is an electrical engineer in the State Highway Department of New Mexico.

The newly weds will reside in the Runyan Apartment in Tucumcari.

Mrs. Pearson will continue to work in the Service Beauty Shop where she has been employed the last year.

Mrs. Florence Reber and her mother, Mrs. S. V. Moore, of St. Louis, arrived Sunday night for a few days' visit with Mrs. Reber's daughter, Mrs. Kelly Chamberlain. Mrs. Moore left Tuesday for Colorado Springs, Mrs. Reber remaining for a few days longer.

Troubles of Radio Owners Being Cured

C. W. Pendarvis, chief electrician of the West Texas Utilities company, and a crew of eight men arrived in Clarendon Monday to conduct a five or six days' check-up on local radio interference. The company has had several crews working at several other points and has been able to effect great improvement in radio reception.

The program calls for a general tightening-up of all metal work and electrical contacts, both at the local power plant and sub-station and for a distance of about four miles on the high line. Mr. Pendarvis states that the buzzing, crackling noise heard at times over a radio is frequently due to the tie wires which attach the high line to its insulators. The noise, it has been found, can be eliminated by a special treatment of the tie-wire joint which increases the contact and covers the joint with an elastic conductive paint.

"This radio interference elimination will cost the company many hundreds of dollars and not increase its revenues a single dime," said T. D. Nored, local manager, "but it is gladly done as a service to our customers." During the time the work is going on the high line will be dead, local power needs being supplied by the Clarendon plant.

The Tankersley Home Demonstration Club in Tom Green county, with 12 members, has canned and stored \$3876.40 worth of food products and helped 84 other families.

As a general thing when a man gets rich enough to play golf all day he divides his income between the caddies and the doctors.

A man who claimed to have found buried treasure valued at thirty thousand dollars retracted his yarn when he discovered that it laid him open to about four thousand dollars in income tax. Unless the activities of the Federal Government are checked somehow, even the fish story will have to go.

JUNIOR SENIOR BANQUET

The time for the annual Junior-Senior Banquet is approaching, and plans for this affair are being made. Miss Jimmie Morgan, teacher of the Home Economics, is to make out a menu which will be given to all those who are interested in serving the banquet. These will submit their bids for the occasion. The lucky persons will be determined through the vote of both classes. The date has been tentatively set for February 22.

COLLEGE CLASS MEETING

A college class meeting was called by Presidents Pauline Shelton and Charles Walker on Wednesday 8, for the purpose of making definite plans for the College Banquet to be held on March 17. By a majority vote of the student body, it was decided that a dance would be held afterwards.

This is the first College Banquet in the history of the Junior College, and it is to be strictly a College affair. However, guests will be invited to the dance. The following committees were appointed by the Presidents:

Program: Josephine Murphy, Helen Lawler, Bill Word, Denneth Brown.

Menu: Barbara Smith, Virginia Wisdom.

Place: Bill Word, George Bourland.

Decoration: Jean Bourland, Dorothy Jo Taylor, Henry Wilder, Leroy Leathers.

Dance: Mike Stricklin, Pauline Sanford, Fred Bourland.

At this time, Pauline Shelton announced that on Wednesday night, February 15, there would be a moving picture reel on "The Electric Ship" shown to all College students in the Palo Duro Society room.

AGRICULTURE NOTES

The students of the Agriculture class have finished two very interesting weeks studying how to make funnels, solder tin and galvanized iron, and test milk. The class also discussed the Agriculture Home Ec. Banquet. This interested every member of the class. The class is expecting this to be the most important event of the year for them.

Through the cooperation of the Home Ec. classes and the Agriculture students this banquet is being held at the Home Ec. department Friday night at 7:30 o'clock.

Alpha Delta Psi Literary Society

Well folks, we are a week behind with our reporting. Since the "Broncho Range" was omitted last week, we failed to report the preceding week's activities. The society did not meet last Wednesday night because of cold weather. So we will now tell you about Miss Helen Lawler acting as hostess to the society members and their guests.

The smiling faces began to gather at Helen's beautiful home about 8:00 o'clock. After receiving a hearty greeting from the hostess, every one donned a spirit of dancing, playing 42, or working jig-saw puzzles. The conqueror of a jig-saw puzzle is undoubtedly a creature of great stamina. After working in shifts or relays, it is probable that one half of a puzzle was assembled during the course of several hours. Yep, them jig-saw puzzles am som'n.

At a late hour, after some self-sympathiser disclosed the fact that he had rushed from home before eating, welcomed refreshments consisting of sandwiches, doughnuts, and home made candy were served, and every one appeared to be content to resort strictly to a program of eating.

The society members and their guests participating in the consumption of delectable edibles and enjoying the various other delightful events were: Misses Virginia Wisdom, Barbara Smith, Eleanor Morris, Delphia Bones, Oleta Conn, Pauline Slover, Claudine Ratcliff, Melba Del Warner, Evelyn Murphy, Nova Cooke, Emily Smith, Pauline Oarnelle of Lela Lake, and the Hostess, Helen Lawler. Messrs. Lawrence Whitlock, Lu McClellan, Lloyd Benson, O. C. Watson, Jr., Harold Phelps, Silas Franklin, Bill Wood, James Smith, Homer Estlack, and George McCleskey.

Cartwright: I really don't know what to do with my weak-end.
Mr. Dillehay: Why, put your hat on it.

The thoughts of going to heaven must have been embarrassing to the old-fashioned woman who wore five petticoats.

Palo Duro Literary Society

At society last Wednesday night, Cupid played the leading role with Valentine just around the corner. Carroll Holder and Bill Word sang a couple of "sweetheart" songs, "Sweethearts Forever" and "Let Me Call You Sweetheart." Then just like a "bolt from out of the blue", Mary Travis Dyer and Peggy Taylor entertained with a tap dance selection. They must have started the ball to rolling, for they had scarcely finished until Henry Wilder's nimble toes began tapping to the music furnished by Rhodin Chase. Fred Bourland told some funny jokes, and then to make a perfectly delightful evening complete, a Valentine Box was held and owing to the generosity of a number of members the society was served with delicious sandwiches and heart-shaped cookies.

HOME ECONOMICS

The Home Economics Girls and Agriculture boys are having their annual feed Friday night at 7:30. The following program will be carried out: Solo—Lovie Beavers. Dialogue—Phillip Smith and Sarah McGowan. Quartet—Agriculture Boys and Home Economics girls. Magical Traits—Mr. W. E. Ferrell, Tap Dance—Peggy Taylor and Mary Travis Dyer, Sing Song by all.

THE GLOOM CHASER

Friday night the tenth of Feb. the Gloom Chasers made their debut into the world of musical entertainers and dance orchestras by giving a dance at the Parish House. This new orchestra is made up of a group of young musicians who will probably go far with their music. They are Rhodin Chase, pianist; Gus Stevenson, clarinet, saxophone, and trumpet; Hubert Reavis, Saxophone and clarinet; Henry Wilder, bass saxophone; Dick Cooke, drums.

USED MAGAZINES WANTED FOR HOME EC. DEPARTMENT

The Home Economics department of the high school would be very glad to have used magazines, such as Good Housekeeping, Better Home and Garden, House Beautiful, American Home, Parents Magazine, Child Life, and Babies-Just Babies. The library of the department is short on this type of material in the way of text books, and no money can be had for them at the present.

School Notes

By SLOAN BAKER.

Class B Basket Ball Meet will be held at Hedley March 3 and 4. Admission of 5 cents will be charged to defray the expense of the meet. Roy Stargel and Dick Nichols of the Clarendon Junior College will officiate at all the games. Sid Thomas of Ashtola is Director General of the Tournament.

Miss Myrtle Hall of Jericho sends in the following names of Honor Pupils from that school: First Honor Roll, Pauline Hermsmeyer; second honor roll, V. G. Glazener, Jr., Joyce Helm, Eugenia Nell Hermsmeyer, Rex Schaffer, Georgia Ruth Spangler, Dillard Williams and Ivon Williams.

White Fish School is making nice progress. Miss Evelyn Curry has a Tiny Tot Story Telling

Class consisting of Bobby Crisp, J. L. Ward, Billie Bible, Vern Cummins, Buford Cummins, Joan Sparkman, and Willa Dean Lingo who will be hard to beat at the Interscholastic Meet. Mrs. Dexter Fincher is using objective Drill Books and Progressive Books to teach Arithmetic and History. Lula Mae Dunkle and Billie Crisp seventh grade pupils, have finished their Objective Drill and Progress Books.

Much interest is being shown in the school program by the pupils of Glenwood under the teaching of Miss Ruth Dunn. Miss Dunn keeps the pupils occupied with extra seat work that is instructional.

Pleasant Valley is very busy improving their building and grounds to meet State Aid Requirements. Mr. P. O. Thompson is overseeing this work.

Mrs. Carl Naylor who is finishing her seventh year as teacher of Hackberry School should be commended on the manner in which she handles discipline of her pupils. Good manners and Courtesy are one of the extra things being stressed at this school.

Texas Week from February 26 to March 4, will be celebrated by all the Donley County Common School Districts. Texas History will be reviewed in Composition and History classes and will furnish the theme of study for that week. March 2, Texas Independence Day, will be Trustees and Parents day at all the schools of the county. Let's make this Good Citizenship Week for every one who is proud of being a

Texas. The Texas Legislature passed a law on February the 8th giving the taxpayer the right to pay his school tax separately from county and state tax in school districts.

The Interscholastic Meet will be at Clarendon March 24 and 25.

Dr. Ray Wilbur, secretary of the Interior and Chairman of the Conference on the Crisis of Education, told the group that Americans have "to meet the situation in some bold and practical way, since old methods of taxation for schools are not providing adequate support."

"Why not boldly challenge the highways", Dr. Wilbur suggested to the Conference, "and put money for them into the schools."

Highways are extracting funds painlessly through gas taxes. A billion dollars could be taken from roads and put into education, and still we would have adequate roads. Dr. Wilbur urged the delegates at the Conference to make an aggressive fight to protect education against injurious curtailments. He said the attitude of the delegates should be "aggressive, not a matter of passing resolutions, but a matter of fighting." "Fight through," he urged. "Fight politicians, fight highways, fight all groups opposed to education. It's worth while."

An old handmade clock, estimated to be more than two hundred years old is the prized possession of L. V. Styles, of St. Edward, Nebraska.

Donley County State Bank

AGAIN CHEVROLET LEADS THE PARADE OF PROGRESS

WITH THE GREATEST ARRAY OF IMPORTANT ADVANCEMENTS EVER INTRODUCED . . . ON ANY CAR OF LOWEST PRICE

• Chevrolet was FIRST to build a low-priced car with a gear-shift and a self-starter—FIRST to introduce modern ideas of beauty and comfort into its field—FIRST to give America's millions the advantage of "SIX CYLINDERS—no more, no less." Chevrolet has always made a habit of leading the low-price field in all that's new

and advanced. And today, Chevrolet continues to set the pace with these typical features listed below! Here is the greatest array of new advancements and inventions ever combined in a new Chevrolet. Only the world's largest builder of automobiles could provide them at the price. CHEVROLET MOTOR CO., DETROIT, MICHIGAN

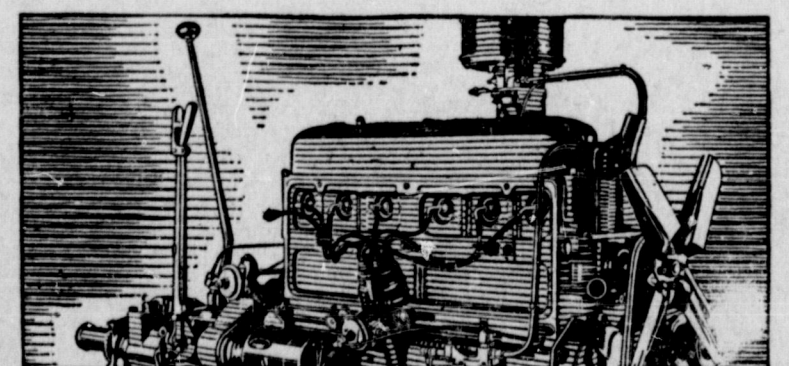

AT A NEW SCALE OF LOW PRICES
SPORT ROADSTER \$485 • COUPE \$495 • COACH \$515 • PHAETON \$515
SPORT COUPE \$535 • SEDAN \$565 • CABRIOLET \$565

All prices f. o. b. Flint, Michigan. Special equipment extra. Low delivered prices and easy G. M. A. C. terms.

FISHER NO DRAFT VENTILATION

With Fisher No Draft Ventilation, all the occupants of the new Chevrolet Six get fresh air when and where they want it. And this remarkable advancement is exclusive to Chevrolet in the low-price field.

CUSHION-BALANCED ENGINE

The Cushion-Balanced six-cylinder engine—a new and exclusive Chevrolet feature—completely blots out excessive vibration. In fact, you will find the new Chevrolet Six is the smoothest low-priced car you have ever driven.

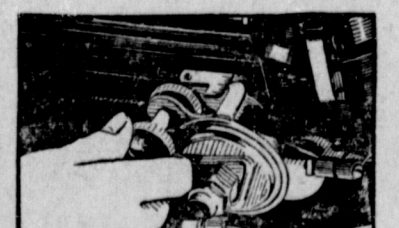

SAFETY GLASS WINDSHIELD
This year Chevrolet adds the final touch of safety by providing safety plate glass windshield and stronger Fisher bodies.

FREE WHEELING and SYNCRO-MESH
Chevrolet Free Wheeling, combined with Syncro-Mesh gear-shifting, is even simpler and more enjoyable than before.

THE STARTERATOR
No more stalling trouble. A gentle pressure on the treadle-type pedal starts the engine and feeds it gas at the same time.

THE OCTANE SELECTOR
A slight twist of this dial makes antiknock fuel of any grade of gasoline—thereby assuring maximum economy.

THE LEADER CAN ACCOMPLISH—CHEVROLET—WHAT OTHERS DARE NOT TRY.

Keep Your Eye On These Wonderful Programs

Flour, Cotton Program of Red Cross Has Aided Over 21,000,000 Needy Folk

DISTRIBUTES 85 MILLION BUSHELS WHEAT AND HALF MILLION BALES COTTON

In its widespread distribution of flour and garments, produced from government wheat and cotton surpluses, the American Red Cross has supplemented the needs of more than 21,000,000 distressed individuals. So far-reaching has this operation been that its benefits have been felt in about 97 percent of all the counties in the United States.

Backed by its long experience in major disaster relief operations, the National Organization lost no time in setting the machinery at its command in motion following passage of each Congressional act affecting the surpluses. Soon after the President of the United States last year signed the initial bill providing flour for distressed families, the Red Cross became the largest wheat dealer in the nation. A second act of Congress, later in 1932, charged the Red Cross with additional responsibilities by placing at its disposal another allotment of wheat, amounting to 45,000,000 bushels and bringing the total to 85,000,000 bushels and 500,000 bales of Farm Board cotton.

At the opening of 1933, applications for 55,371,000 yards of cotton materials and 16,500,000 ready-made garments had been approved. In the wheat program 7,553,000 barrels of flour had been approved as of the same date.

In corresponding periods, the Midwestern Branch office at St. Louis approved applications for 15,839,000 yards of cloth, 5,145,000 ready-made garments and 2,308,000 barrels of flour. In the nation the number of families benefited by flour distribution totaled approximately 4,424,000 as the year 1932 ended. In the Midwestern Area the estimate was 1,352,000 families.

One of the most valuable outgrowths of the entire operation has been the revival of interest in all sections of the country by Red Cross volunteers. Indeed, the success of the program may be credited in a large measure to the untiring efforts put forth by these groups in thousands of communities.

Men, as a group, have taken an extremely active part in flour distribution, but it was upon skilled fingers which only women possess that the National organization has depended for local production of garments.

Interest Renewed
In recent months a large number of women have found their way into Red Cross sewing rooms for their first time. A host of others, whose needles had been idle since World War days, reassembled under the Red Cross banner at the first call for workers. A nation-wide radio appeal for 100,000 women volun-

teers made by Vice-Chairman James L. Fieser last August 30 met with an immediate response.

Although it has been necessary for the National Organization to issue specific instructions to chapters participating in the flour and cloth projects, the careful planning, economical handling and ingenious methods of production on the part of local committees to meet individual community situations have been noticeable in every step of the operation.

Cooperation received by chapters as well as by the National Organization, has been a significant factor in speeding up the program. Nationally, the milling and textile industries and railroads have given the Red Cross orders prompt attention and in many cases priority handling. Locally, civic and welfare organizations, garment factories and other interested firms have united in an effort to expedite the work.

All but 20 million bushels of wheat and the entire supply of surplus cotton had been called for before the middle of January; however, the needs for clothing, as well as flour, still are acute in many sections. In either case the supply is only partially meeting the demands. Meanwhile, the chapters, spurred on by a magnificent performance of volunteers, can be depended upon to hold faithfully to their posts until their work is done.

"New Gas Pleases Car Owners," Says Chase

Results from the extensive advertising campaign which announced the new Conoco gasoline are highly pleasing to A. L. Chase, agent for Conoco products, and to his dealers in this territory.

"Our dealers are all reporting increased sales of gasoline and, best of all, complimentary reports on the performance of the new gasoline," said Mr. Chase. "The extremely cold weather of the past week was a real test of Conoco's claims for quicker starting when the new gasoline is used, and buyers reported excellent results in their motors. Some of them tell us that they find it takes considerably less choking to start a motor with the new bronze gasoline," he added. There is a brisk demand for entry blanks for the \$5000 name contest and the \$5000 slogan contest, according to Mr. Chase, who is confident that a large number of entries will be made from his territory.

During the month of September thirty-five Texas mills reported total production of 596,971 barrels of flour from 2,718,826 bushels of wheat ground.

EMMETT SIMMONS WINS BOOK ON PRIZE ESSAY

Emmett Simmons, senior and member of the second-year agriculture class in Clarendon, has been awarded a copy of Wm. H. Danforth's book, "Adventures in Achievement," according to advice received by his teacher, G. L. Boykin, from the Purina Mills. The book was offered for the best essay on "a local farmer who achieves." Emmett is the son of Nolie Simmons of this city.

The text of Emmett's essay is as follows:

Farmers Who Achieve
The farmers of today who achieve and make money are those that look ahead and use good sound management in operating their farms. Most farmers who achieve, terrace their land, rotate their crops from year to year, use up-to-date methods in feeding livestock and farming. Every farmer who wants to make money should keep records on the farm to see how they stand financially. Farmers who achieve do not plant most of their acreage in cotton, but plant several different row crops, which can be fed to livestock if the price is too low to make money by selling on the market.

The successful farmer I have in mind, who has achieved, lives six miles northwest of Clarendon, in the Sunnyview community. There is no need to mention his name as he is known throughout these parts. He believes in raising truck products on a large scale along with the usual line of crops grown in this part of the country. Each year he plants over one hundred acres in watermelons, canteloupes, cucumbers, tomatoes, peas, and numerous other vegetable products. These he sells to truckers who carry the products to larger cities where there is a greater demand. This farmer who has achieved believes in planting his truck early to get off to the market when the price is up and the market is not over-loaded.

This farmer does not raise truck altogether, but plants a large acreage in cotton, milo, kafir, and corn each year. He believes in planting high quality seed in order to increase the yield per acre. He keeps most of the feed for his own use, feeding it to his livestock.

A large herd of dairy cows is owned by this farmer and about twelve work horses and mules which he uses to farm with. Fifty hogs, which have been fattened on home-grown feeds and faulty watermelons and canteloupes, are owned by this successful farmer who expects to sell them on the market soon.

The farmer's wife has a great deal to do with his success. She has a large flock of laying hens and about fifty turkeys, which she expects to sell in December. In the spring and summer she plants and raises a large garden which helps in feeding the family and cutting down living expenses.

LELIA LAKE

Mrs. J. A. Warren and children of Clarendon, spent Friday with her father, J. R. Mace.

Avis McGowan and family spent Sunday with her parents at Clarendon.

Troy Jones of Levelland came Saturday for a visit with relatives.

Bob Williams and family spent Sunday with her wife's parents, Mr. and Mrs. M. L. Putman at Chamberlain.

Mr. and Mrs. Lon Harwood came from Levelland Saturday for a visit with relatives.

Sam King returned Saturday from a visit with his aunt, Mrs. L. B. Chunn at Antelope Flat.

Lyndal Ragle underwent a tonsil operation Monday at the Adair Hospital at Clarendon.

From this garden she has canned several hundred jars of vegetables which are put away for the winter months.

The Home and Garden Club met in the home of Mrs. C. G. Aten Thursday to quilt "Friendship quilts" for Mesdames Louise Aten and Wilma Batson. The quilts were a great surprise to the honorees. At noon a delicious lunch, brought by the members, was served to the following guests: Mesdames C. R. Skinner, Tom Kennedy of Clarendon, Lawar Aten, Quinn Aten and Miss Rena Aten, Miss Moody Kennedy and members, Mesdames M. G. Cottingham, John Geraer, Claude Morton, S. R. Tomlinson, W. V. McCauley, Guy Taylor, A. B. Brown, H. R. King, E. R. Myers, Will Kennedy, Elmer Kennedy, G. Leathers and hostess Mrs. C. C. Aten.

Me. and Mrs. Rice Batson and Mr. and Mrs. Quinn Aten entertained Friday evening with a Valentine forty-two party in the home of the latter. Many games of progressive forty-two were enjoyed and delicious refreshments were served to Mr. and Mrs. Wilton Grounds, Claude Morton, Rob Weatherly, Bascom Webb, Elmer Kennedy, H. R. King, E. R. Myers, Carrol Lewis, Deverdi-

Leathers, W. V. Thomason, Mrs. John Dial and hosts and hostesses.

More than 2500 garments made by 187 farm women in Limestone county last year by home demonstration methods saved these women an average of \$12.50 apiece.

Since going on feed last June, the 30 Menard county 4-H club baby beeves have averaged 2½ pounds of gain daily.

More than 50 beeves have been canned in Kaufman county by home demonstration club members, and 50 more are being fattened for later canning.

They've Never Tasted a Tonic!

THESE are not patent medicine children. Their appetite needs coaxing. Their tongues are never coated, cheeks never pale. And their bowels move just like clockwork, because they have never been given a habit-forming laxative.

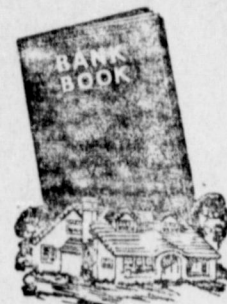

You can have children like this—and be as healthy yourself—if you follow the advice of a famous family physician. Stimulate the vital organs. The strongest of them need help at times. If they don't get it, they grow sluggish. Dr. Caldwell's syrup pepsin is a mild, safe stimulant.

When a youngster doesn't do well at school, it may be the liver that's lazy. Often the bowels hold enough poisonous waste to dull the senses! A spoonful of delicious syrup pepsin

once or twice a week will avoid all this. It contains fresh laxative herbs, active senna, and pure pepsin, and does a world of good to any system—young or old. You can always get this fine prescriptive preparation at any drug store. Just ask them for Dr. Caldwell's syrup pepsin.

Get some syrup pepsin today, and protect your family from those bilious days, frequent sick spells and colds. Keep a bottle in the medicine chest instead of cathartics that so often bring on chronic constipation. Dr. Caldwell's syrup pepsin can always be employed to give clogged bowels a thorough cleansing, with none of that painful gripping, or burning feeling afterward. It isn't expensive.

The Bulwark of the Home

It's your Bank Book. The man who deposits regularly in fair weather need not fear stormy times, days when he is out of employment or laid up with an illness. Open an account today at . . .

Get Official Entry Blank from Conoco Stations and Dealers.

CONTEST RULES:

- Names must be not more than 12 letters; slogans not more than 12 words. Submit either or both on single sheet; plain white paper; one side only; but preferably on official contest information-and-entry blank, free at Conoco dealers and stations. Elaborate presentations receive no extra credit.
- Contest closes midnight, February 23, 1933. Entries must be postmarked before that date and hour.
- Continental employees, members of their families and others connected directly or indirectly cannot compete.
- Should more than one person submit exactly the same name or slogan, each will receive full amount of any prize such entry may win. All entries become Continental Oil Company property, and none will be returned.
- The Company reserves prior rights to phrases and slogans of its own creation, already in prepared advertising. Also it reserves the names "Continental" or "Conoco" gasoline, "Conogas" and "101" gasoline. Whether or not the winning contest name is adopted, prize money will be paid; but the Company reserves the right to use a name of its own creation if deemed more suitable and more protectable under trademark laws.
- No purchase is required of contestants. Continental Oil Company executives will be the judges and their decisions final. Winners will be announced over radio and prize money paid as soon as possible after contest closes. Address All Entries to "CONTEST OFFICIAL," Continental Oil Company, Ponca City, Okla.

Makes Motors Say, "Wh-oo-pee" then Get-up-and-Go . . .

Here's high-powered gas; extra dry; extra fast; extra potent. The instant it reaches the spark-plugs, then the show begins. Within the cylinders, it explodes. Every atom turns into energy . . . drives the piston down in a smooth stroke of power.

Greased lightning can't beat it. It starts quick as a spark and picks up fast as a flash. Press the starter and step on the gas. No mis-firing; no bucking, stalling or lagging. You step right out . . . right now!

A treat to your motor, a joy to you, yet it costs not a penny more. It's improved in anti-knock. It makes miles thrifty. Fill up today. Test it out. Ask the Conoco man for an entry blank. Last call to help us name it. Who knows? You may win a prize.

Lelia Lake Girls Win Tournament

By Anna B. Creamer and Margaret Gerner

Are we happy? "O' boy, I'm tellin' you" we are; after our hard struggle to win the tournament, sprained ankles, hurt knees, etc., we can say that we can't help being happy over our victory Feb. 3-4 at the Donley County Invitation Basketball Tournament in Clarendon.

Ashtola was the first team we played and because they beat us the last time we played them, we were determined to win and "win we did!" The score was 19-15 in our favor. Pretty tight game, "eh?"

We also saw the game between Goldston and Chamberlain. We can say it was a good game, with Chamberlain coming out ahead at the end of the game, and seeing what a team they had made us girls rather blue.

Saturday at 6:30 p. m. we had changed our minds and were determined to win the game. This we did.

At half we were behind, "and were we blue?" Well not much because that made us fight harder when our time was up, and at the end of the game we were in the lead 23 to 21.

The ones that helped win the victory for Lelia High School are: Forwards, Margaret Gerner, Anna Belle Creamer; Centers, Ruby J. Jones, Ruth Davis; Guards, Margaretta Cruse, Inez Wood; Substitutes, Maxine Tomlinson and La Nelle Lewis.

We certainly appreciate the good sportsmanship of both teams we played.

Also we want to thank the good referee and umpire.

We girls of Lelia Lake felt greatly honored because of the big crowd that was yelling for us as we played the games. "And did it help? Oh, boy, and how!"

We tried to be good sports and feel as if we have made friends all over Donley County.

(Continued From Page One)

nified their intention of again taking their place in this work of the club.

District Governor C. Hubert Walker of Pampa has called particular attention to the work of the Clarendon Lions and has challenged them for a still greater showing when their report is called for at the Amarillo convention in April. Governor Walker is planning to be here in late March or early April when Group 31 holds its spring meeting in Clarendon and the local club is working to its several goals by that meeting.

April 17th and 18th, dates of the District "T" Convention in Amarillo will be devoted to the annual rally of the Lions in Great Plains country. Gov. Walker is enthusiastically assisting Amarillo committee in plans for the conference, says George Ordway, chairman of the arrangements.

Mr. Walker has had varied experiences, ranging from teaching for fifteen years, serving as a member of the Texas Legislature, from a district of 10 counties, as postmaster, as a publisher, to owner of the Pampa Office Supply Company—which position he holds today.

Lion Governor Walker was born near Pulaski, Tenn., where he received his early education. Finishing grade school and high school he attended college in Tennessee, Alabama, and Ohio, taking a Letters and Science course. During the war Mr. Walker was so valuable in his work on the Liberty Loans and the Red Cross that his daughter was chosen to christen the government ship, "City of Dahart."

In Lionism Herbert Walker has been active from the start. He was first president of the Dahart Club, and its first charter member. He has also been president of the Pampa Lions Club.

Lion Walker has been active at several international conventions, and now holds the highest office in his district with which it is possible for his fellow Lions to honor him.

Lion Walker is one of the few but fortunate individuals who is not regarded as a "prophet in his own land" is regarded, but rather is given full recognition, serving during the past year as president of Pampa Board of City Develop-

Red Cross—
(Continued From Page Three)

45 Clarendon women have given freely of their time to work in the sewing room in the Goldston building. When the work was first started, about four months ago, the women worked three days a week, then two days a week, and are now working one day a week, on Mondays.

Supplementing the work done at the sewing room, Mrs. Burton stated that practically every women's church organization and many of the social and needle clubs had taken work to their homes in great quantity. "I don't see how the women of Clarendon could have done any more than they have done," declared Mrs. Burton.

Six women have been given periodic employment at the Red Cross sewing room, their wages paid by funds from other sources. Mrs. Burton has been assisted in her work by Mrs. Cal Merchant and Mrs. Robt. S. McKee, the three having jointly supervised the sewing and distribution of garments and materials. When asked how much longer the Red Cross Relief work could be carried on, Mrs. Burton shook her head and said, "I just don't know. An' it hurts us to have to seem reluctant at times to issue this or that needed article. But it is always prompted by the fear that a time will come when there will be nothing at all to issue, so far as the National Red Cross is concerned. We must make our supplies go just as far as possible," she added, in a tone that indicated that she would greatly prefer just to see that every family needing help was outfitted fully instead of sparingly, as has had to be done.

The Donley County Red Cross has many calls on it for articles which doubtless can be found, unused and not needed, in many Clarendon homes. Mrs. Burton requests that readers of the News look their homes over for shoes and clothing, dishes, cooking utensils—in fact, almost anything used in simple cooking and house-keeping can be placed where it will be gratefully received.

As hobbies Lion Walker prefers to hunt and fish, and his two daughters, both of whom are now married, have taught him to like a good game of "Hearts."

Portter Suggests
(Continued From Page One)

attorney, district clerk, county judge, county clerk, county attorney, sheriff, tax collector, tax assessor, county treasurer, county school superintendent, four county (precinct) commissioners, two justices of the peace, two constables, two mayors, two city clerks, two city tax assessors, two city tax collectors, two city marshals, two city night watchmen, two city commissioners, five city aldermen, one independent school tax collector-assessor.

He suggested that the duties of the 39 officials could be combined as follows: One judge to discharge the duties of district and county judge and justices of the peace; One clerk to serve as county, district and city clerk; one tax assessor-collector; one sheriff; one county-district attorney; one county superintendent; one county road superintendent.

He pointed out that among the 39 members of the "official family", there now exist certain combinations of official duties which have placed in the hands of one person, but at no reduction of the legal compensation allowed for each office.

It would be necessary, he indicated, to have Legislative enactment brought about before such sweeping changes could be obtained, but he made his suggestions as offering a method of saving a very large percentage of the salary expense now being paid by the taxpayers, insisting that the spread of the duties of the 39 officials could be concentrated in fewer offices with no loss of efficient handling of the taxpayers' business.

Mrs. Sam Lightfoot of Lubbock is visiting her aunt, Mrs. W. H. Cooke.

Clyde J. Donclas was a business visitor in Amarillo Tuesday.

E. T. Pope visited the Hanna-Pope store at Memphis Tuesday afternoon.

Mrs. Everett Barnes, of Amarillo, and Mrs. Tom Heatherly, of Panhandle, daughters of Mr. and Mrs. Chs. Speed, attended the Mothers and Daughters banquet with Mrs. Speed Monday night.

Mr. and Mrs. C. R. Skinner have been quite ill this past week.

Lack of Funds
(Continued From Page One)

interest as provided. According to the Board of Trustees, some of these warrants will be paid along in the summer, some in the fall, three-fifth before the expiration of twelve months, and the last before twenty-four months. This is based on the assumption that conditions remain as they are, and allowing nothing for improved financial situation of the country, and in the opinion of the Board and committee, an understatement rather than an over-statement of the possibilities of liquidation.

With this information before the citizenship, it is planned to make a personal appeal to all those who have paid their school taxes, and those who have any surplus of money on hand to take up one or more of these \$20.00 teachers' warrants, in order that each teacher may have enough money to meet the necessities of life, they being entirely willing to hold their own warrants above that irreducible minimum. This means that the people of this district are asked to invest in something like a third of the \$13,000.00 warrants required to pay the teachers for the last four months of the school year, or around \$4,500.00.

The committee comes to the people of the Clarendon Independent School District, therefore, with this crisis and plan of relief, and ask that (1) everybody pay every possible dollar into the school treasury for school taxes—immediately—and the collector is instructed to accept and credit partial payments in any sum on school taxes; (2) every citizen able to do so is urged to patriotically come to Supt. Burton or Secretary Walter Taylor and offer to buy one or more \$20.00 warrants from teachers who must have some cash if they continue to stay on the job. This is an eight per cent investment of funds for individual and one of the greatest services that could be done for the schools and the children of this district; (3) every business man who can do so is urged to accept such salary warrants as exchange for his goods just so far as he can possibly do so without financial hurt to himself.

The committee above mentioned is working on the plan of having a teacher in the school system select a business man, and that business man help that teacher convert a part of his or her scrip into cash. This does not mean, necessarily, that the business man must take the scrip himself, but that he help the teacher find a market for so much of his or her scrip as is necessary for that teacher to convert into cash. And the committee is of the opinion that this may be done in one of the several ways, and would suggest that there is enough money leaving Clarendon to outside interests during any one month to cash all of the teachers' scrip; and that if the business men of Clarendon would propose to those institutions to which they are sending cash that they send part cash and part teachers' scrip, the committee is of the opinion that a considerable amount of the teachers' scrip can be converted into cash and thereby serve a double purpose. That is, the teacher would receive cash and the Clarendon business man's money would stay in Clarendon and be spent here, and not sent outside.

People of the Clarendon Independent School District, the facts are before you, the condition is frankly and simply presented, the plan of relief—the way out—is explained, and the joint committee sincerely trusts that it has appeal for you as it has appealed to them. The responsibility is ours, yours. It is personal.

Will you enlist in the plan of keeping our schools open? Will you aid the teachers in this simple, practical manner? Will you show Citizenship-extraordinary in the face of this crisis?

This is an unusual situation. It calls for unusual action. It invites unusual acts of citizenship.

NORED TALKS ON CROPS IN TEXAS

"KNOW TEXAS" SERIES IS CONTINUED WITH FACTS ON TEXAS AGRICULTURE

The feature of the Lions Club program at its Tuesday luncheon was a talk, one of a series on "Know Texas," by T. D. Nored, manager of the West Texas Utilities Company of this city. Mr. Nored's subject was "Texas Agriculture."

"For the past twelve years Texas has held first rank in the union in the value of crops produced on its 31,049,000 acres of cultivated land," Mr. Nored said. "Only 18.4 per cent of its total area of more than 167,000,000 acres is cultivated, including 59 so-called commercial crops, sold for market demand. Cotton production last year comprised 53 per cent of the total, as compared with 66 per cent in previous years. This falling off in cotton production is due, in part, to the development of the fruit and truck growing business," he continued.

"Cotton was discovered growing wild in Texas in 1525 by a Spaniard, Cabeza de Baca. After the founding of the Stephen F. Austin colony, the growing of cotton began in Texas," he said. "In 1849 the first census taken of city schools, came before the board to discuss the financial situation of the schools arising out of a large percentage of delinquency in payment of school taxes. He asked the board's which would assure a full nine-months school term.

After extended discussion by members of the board, a motion made by Joe Goldston and seconded by T. D. Nored carried, authorizing the appointment of committee to study the situation and in conjunction with a committee from the school board. A joint meeting of the two committees was set for Monday night, Feb. 13 at the First National Bank. The president appointed the following committee: Joe Goldston, Tom F. Connally, Sam M. Braswell, E. R. Andia and H. T. Burton.

W. T. Hayter, chairman of the newly formed Farmers and Home Owners Protective League, was next heard in an explanation of the work and purpose of his organization. Upon motion by T. D. Nored, seconded by Joe Goldston, the board endorsed the organization and offered its assistance to Mr. Hayter in any way possible for the good of the county.

On motion of W. W. Taylor, seconded by Joe Goldston, the board appointed \$15.00 to be used as premium money for the Boys' Club show to be held this spring.

T. D. Nored presented the proposed Invitation Track Meet to the board and upon motion by P. B. Gentry, seconded by Joe Goldston, the board expressed its approval of the meet and pledged its assistance in making it a success.

Secretary G. L. Boykin was instructed to ascertain the probable expense of the Donley County Interscholastic Meet, to be held on March 24-25, and report back to the board.

After discussion of the plan for issuance of "scrip" or local currency, similar to that which is being used in certain Texas cities, a committee was appointed to handle the matter, and work out a plan of operation if the plan meets with general approval. The committee named is composed of H. R. Kerbow, E. T. Pope, T. D. Nored and H. Mulkey.

The board endorsed the "Let's Swap" movement announced by The Clarendon News and offered its assistance in the extension of the plan to include a weekly "Let's Swap" market-place for the assembly of articles which the owners desire to exchange for other useful articles.

after Texas' annexation, showed a cotton production of 58,973 bales. In 1926 over 5,000,000 bales were ginned, valued at over \$304,000,000. It is estimated that 70 per cent of the population of Texas is dependent on cotton production."

He stated that Texas wheat has recently been pronounced the highest protein content wheat in the world, and that it would probably command a premium in future markets.

"Grain sorghums were introduced in 1896, and their production has increased rapidly in the past 15 years," said Mr. Nored. "New varieties developed are said to equal corn in feeding value."

"Texas fruit and vegetable crops, of no great consequence ten years ago, now have a large influence on market prices," he stated. "Earlier production of these crops than can be had in most parts of the nation results in the consumption in the fresh state of about 90 per cent of the crop, about 10 per cent of it being canned for market sale. The Texas onion crop of 1930 sold for \$2,352,000, and the value of the total fruit and vegetable crop of Texas for 1930 was \$434,512,000, at lower valuation than in past 15 years, with the exception of 1921," he said.

The club voted unanimously to sign petitions to the senator and representative of this section to oppose the passage of the House Bill No. 273, abolishing the present fish, game and oyster commission, putting it under the appointive power of the governor, reducing the number of game wardens to six, abandoning the nine state hatcheries if they are shown to be unnecessary, and diverting the funds received from licenses into the general fund.

Homer Mulkey made a report on the club's crippled children activity, stating that a lad underwent a tonsil operation at the Adair hospital Tuesday morning in preparation for later treatment for crippled limbs. He also stated that Mrs. Dodson, living on the Forest Sawyer farm, wants to go to Amarillo for examination of her failing eyes, and asks transportation by any Lion or other citizen who may be going to Amarillo this week.

It is probable, according to Mr. Mulkey, that the McLean Lions club will ask Clarendon Lions minstrel to show at McLean in the near future. He visited there Friday and was advised that the club was considering inviting the minstrel show to McLean.

Visitors at the luncheon were W. A. Nettle, Lion from Overton, Texas, and L. E. Thompson, of Hedley. Mr. Nettle said that his club was functioning in an active way as the chamber of commerce in his city. Mr. Thompson complimented the Clarendon club on its various activities and expressed the opinion that the people of Hedley would enjoy seeing the Lions Minstrel show if its presentation there could be arranged.

William Henry Corder Died Here Thursday

William Henry Corder, widely known as "Dad" Corder, died Thursday morning, Feb. 16, at 3:30 o'clock at the home of his daughter, Mrs. Pat H. Longan of this city. He was born April 9, 1853, in Rappahannock county, Virginia, living for a time in Missouri and in Colorado, but coming to Clarendon about 20 years ago, where he has since lived. He was a member of the First Christian church of this city. He had been in failing health for several months.

He is survived by two sons, Tom and Charley Corder, of Clarendon, and four daughters, Mrs. P. H. Longan, Mrs. Cecil Beach and Mrs. Elizabeth Rowley, of Clarendon, and Mrs. Sallie Fisher, of Springfield, Ill.; a sister, Mrs. L. Rutherford, of Woodrow, Colo., and three brothers, Sam Corder, of Moffatt, Colo.; Robert Corder, of Brush, Colo.; and J. E. Corder, of Quinter, Kansas.

Funeral services were conducted at First Christian Church today at 3:00 p. m. by W. E. Ferrell, pastor under the direction of Buntin & Son Mortuary. Pallbearers were J. C. Longan, Harold Longan, Charles Longan, Will Gaither, Frank Hardin and William Hardin, all being grandsons of "Dad" Corder, except Frank Hardin.

For a long time a familiar figure to the people of Donley county, the passing of Mr. Corder will be regretted deeply by all who knew him and who sympathize sincerely with the family which mourns his going.

the near future. He visited there Friday and was advised that the club was considering inviting the minstrel show to McLean.

Visitors at the luncheon were W. A. Nettle, Lion from Overton, Texas, and L. E. Thompson, of Hedley. Mr. Nettle said that his club was functioning in an active way as the chamber of commerce in his city. Mr. Thompson complimented the Clarendon club on its various activities and expressed the opinion that the people of Hedley would enjoy seeing the Lions Minstrel show if its presentation there could be arranged.
