

Ashtola Stock Pen Tangle Solved Today

Commission Cuts Local Gas Rate On Feb. 1st To 50c

SETTLEMENT IS SATISFACTORY

AGREEMENT COVERS RIGHT-OF-WAY MATTERS WITH DENVER THROUGH CO.

In a conference here this morning between Donley County Court officials, the jury-of-view, and Fort Worth & Denver executives the tangle that has held up speedy purchase of right-of-way in the Ashtola sector, was solved in an agreement reached just before noon.

According to the agreement the Fort Worth & Denver will move their stock-pens at Ashtola south of the proposed route, building a spur from the house-track to accommodate the loadings of a ten-car string. The railroad also agrees to cede fifty feet of their right-of-way to the highway, on sections where it is needed, which will be particularly desirable in and around Lelia Lake. Judge Lowe and the jury-of-view are all well pleased since they saved the county fifteen hundred dollars from the original figure placed by the Denver on the change at Ashtola, and are receiving fifty-foot right-of-way strips in many places where it will save the county money. The railroad will also give their wire fence to property owners along the route where it can be moved.

The Ashtola stock-pen matter has been holding up the progress of the jury-of-view in securing the right-of-way, and with certain other minor changes on the part of the engineers which will make the route easier to purchase, it now appears that it remains a matter of a very few days for the completion of the project insofar as the county is concerned, which should mean the letting of contracts for dirt and drainage work on the 36 miles in Donley County in a very short time.

Judge Lowe and the jury-of-view are all jubilant over the very fine spirit of co-operation exhibited by Vice-President and General-Manager J. D. Farrington and Supt. S. A. Covington of the Fort Worth & Denver lines, who handled the matter for their company here today, while those who have followed the progress of the negotiations closely express a feeling of satisfaction over the culmination of an agreement with the good-will of all parties concerned.

Sam J. Hamilton, of Memphis, was a business visitor here Monday.

Plan Invitation Track-Meet Here For Panhandle Schools

NEW CINDER TRACK FOR COLLEGE PARK

ATHLETES OF PANHANDLE AND OTHER STATES TO BE INVITED HERE

Plans are rapidly taking form for the first annual Invitation Track Meet, sponsored by Clarendon Junior College and the business men of the city. All high school track teams in the Panhandle, as well as those of neighboring states, will be invited to participate in the Meet.

The date of the meet and the number of days over which it will extend depend on the interest shown by the invited schools and must be fixed at a later date.

Present plans call for first, second, third and fourth place awards for all track events in the regular Interscholastic League

Chamberlain School Burns Wednesday

Fire of unknown origin totally destroyed the Chamberlain school house Wednesday morning. The blazing school building was discovered by Clarence Jackson, one of the teachers, at about 2:30 a. m., when the roof was almost falling in.

The building was a three-room frame-and-stucco structure, built several years ago. It was insured for \$2,000, including its contents. No fire had been used in the heaters since noon the day before, nor had anyone been at the building since about 3:00 o'clock.

The regular school schedules will be resumed next Monday morning pending construction of a new building, Karl Adams having tendered the use of a four-room house on his farm near his home, County Superintendent Sloan Baker states that the Chamberlain school board plans the construction of a new three-room brick building.

An enrollment of 70 to 75 pupils are taught at the Chamberlain school, the faculty consisting of Mr. Clarence Jackson, principal, and Misses Maude Crawford and Mary Sue Watters.

HEDLEY IS MAKING USE OF RFC FUNDS

WORK RELIEF AFFORDED TO ABOUT 100 FAMILIES, SAYS COMMITTEEMEN

Many needy public improvements and sorely needed work for unemployed men with families have been the joint results of the expenditure of RFC funds in Hedley by the Work Relief Committee of that city, according to Louis E. Thompson, manager of Thompson Bros. Hardware Company of Hedley.

"As a matter of fact, I do not know just how we could have met the situation without the RFC funds," said Mr. Thompson, who is chairman of the local work relief committee. "We have been able to furnish employment on three-day shifts for a total of nearly 100 men with families, who would otherwise have had no employment at all," he said, adding that "we have followed very closely the plan used by the Clarendon committee, believing that it enables the greatest spread of the funds used and benefits the greatest possible

NEGRO MINSTREL IS TAKING SHAPE

REHEARSALS UNDER WAY FOR PERFORMANCE ON FRIDAY, FEBRUARY 3

Burnt cork . . . end-men . . . bones and tambos . . . barber-shop harmony . . . ugly boys and pretty girls . . . sounds like a negro minstrel show, doesn't it? And that is just what it's going to be. The Clarendon Lions Club is going to present another of its popular negro minstrels Friday night, Feb. 3, at the Pastime Theatre. A good picture will precede the minstrel, so that a double bill of entertainment is offered for the one night.

Rehearsals are already under way, and the progress made guarantees a show that will be full of snap and ginger . . . tuneful songs and choruses . . . side-splitting gags, many of them putting local folks on the griddle . . . and the typical minstrel show setting.

Tom F. Connally will be the interlocutor. End men are Carl Parsons, T. D. Nored, P. B. Gentry and W. T. Heyter. And are they good? You ought to hear 'em in rehearsal.

There's the circle, of course, and a chorus of pretty girls, and a mixed quartet, and a negro male quartet. Those who have heard that male quartet practice say that they produce real "barber-shop harmony," the kind that makes little tingles of pleasure up and down the spine—you know what we mean, don't you? Get the calendar down now (or the "date book," if you're that stylish) and mark down the night of Feb. 3 closed to everything but the Lions Clubs' negro minstrel show. They're saying it's going to be the best one ever produced here.

"And remember that when you buy a ticket to the minstrel show, you will be having a part in the various helpful enterprises which the Lions Club sponsors, especially the aid for crippled and blind children. The Lions hope that the negro minstrel will be presented to a packed house.

number of unemployed people."

The first project undertaken by the Hedley committee was a clean-up of the cemetery, followed by application of dirt-surfacing to a number of the streets, including the public school grounds. This work is going forward steadily, according to Mr. Thompson, and will be continued as long as RFC funds are available.

The Hedley work Relief committee is composed of Messrs. L. E. Thompson, chairman, Ernest Eads, secretary, J. W. Noel, J. B. Masterson and J. A. Pirtle.

Rev. J. W. Watson To Make Address

Arrangements have been made by the pastor and the board of stewards of First Methodist church for a series of five talks on the general subject, "My church, and what I can do to help it."

The talks will be made by Rev. J. W. Watson, pastor of the Methodist church at Pampa, beginning Sunday night, Jan. 29, at 7:00 p. m., and continuing each night until Thursday night. Everybody will be welcome at the services, and Methodists are especially urged to attend them.

Mr. Watson will bring to his hearers plans of church management that really work and the interest of his talks will not be limited to Methodists alone.

Rev. W. M. Murrell, presiding elder of the Abilene district and former Clarendon citizen, was in the city Wednesday to pay his taxes and attend to other business matters.

Midnight, Feb. 1, Is Taxpayer's Deadline

County Tax Collector M. W. Mosley states that payment of taxes, including automobile license tax, may be made until midnight, Feb. 1, instead of Jan. 31, as heretofore.

He also announces that his office will be open all day Sunday, Jan. 29th, for the convenience of any who may desire to pay taxes that day.

LEGION IS HOST AT OPEN HOUSE

ANNUAL PROGRAM OF FUN AND SERIOUS THOUGHT IS WELL ATTENDED

The Aubyn E. Clark Post of the American Legion of this city was host Tuesday night to a large number of invited guests, the occasion being the annual Open House program. A combination of serious and humorous features, the program proved highly enjoyable to both members and guests.

The meeting was called to order by Post Commander Ralph Kerbow, after which the color-bearers advanced the flag with the customary ceremony. He then introduced the speaker of the evening, Legionnaire G. L. Boykin, who spoke on "The Ideals of the American Legion," stressing the efforts of the organization to maintain a high sense of patriotic duty and citizenship obligation among its members.

He defended the rank and file of the membership from the attacks which have been made on them from certain quarters because of alleged demands on the government for unmerited compensation. He insisted that the great majority of the ex-soldiers are not making and have never made any unfair demands along this line. Commenting on the general prevalence of law and order and the absence of mob violence, he said, "It can hardly be doubted that the presence of 4,000,000 men, with military training and high patriotic ideals, has much to do with the maintenance of order during these trying times."

Following his excellent address, the colors were retired by the color-bearers, and the program of fun began under the direction of Legionnaire Guy Kerbow, as announcer for "radio station AWOL," with "mike" and all radio station paraphernalia, including two orchestras "on the radio staff of musicians." One of the orchestras dubbed the Little German Band and was composed of Hubert Reavis, Billy and Chas. Walker, Edwin Cox, Bob Bledsoe and Henry Wilder. The other was Clifford Decker's "Rag Hounds." The two organizations alternated in rendering musical numbers which were vociferously applauded.

The most humorous number of the program was given by Dr. Brinkley Tate (Kelly) Chamberlain, who expounded the virtues of his remedies in a manner that convulsed his audience and during which he employed a banana stalk to typify the human spine. His number "went over big."

Another talk that was highly enjoyed was delivered in a bitingly satirical manner by Admiral Srenko (H. T. Burton), a member of the National Economy League. The admiral frankly disclosed all the motives which he claimed underlie the reason for the League's existence.

The clever wise-cracks of Announcer Guy Kerbow to his "radio audience" were frequently interrupted by little Harry Kerbow who, as "Western Onion" messenger, recklessly riding his trusty tricycle, rushed telegrams from the "radio audience" to the

(Continued on Page Eight)

GOOD ROADS BODY TO MEET FEB. 1ST

DISTRICT GROUP OF TEXAS GOOD ROADS ASS'N. WILL CONVENE IN AMARILLO

On call of Hon. John P. Slaton, Director 31st District of the Texas Good Roads Association, a meeting is called in Amarillo for Wednesday, Feb. 1st, of the friends of good roads in this senatorial district.

The Texas Good Roads Association has been organized for the purpose of supporting the present program of highway construction in Texas, to resist all efforts to divert funds from the gasoline tax more than at the present time, and to promote better service and efficiency in the construction and maintenance of our highway system.

Call for the meeting received here by Sam M. Braswell, chairman of the highway committee for the chamber of commerce, reads as follows:

"There will be held at Amarillo a district meeting of Representatives of the Texas Good Roads Association on next Wednesday, February 1st at the Amarillo Hotel. The meeting will convene at ten o'clock A. M. This will be a very important meeting in the interest of roads and highways for the entire Panhandle. We especially request all those who are connected with the Texas Good Roads Association to be present. Also all others in your county who are interested in the continuance of building highways in the Panhandle by the State and National Governments are also invited.

"Not only will the district officers for the Texas Good Roads Association be present, but some of the State officers, either from Dallas or Houston, and possibly both, will be present and address the meeting and give us much information."

House-warming Party At Bartlett Grocery

"Some would call it a formal opening, but plain folks like we are prefer to call it 'our house-warming,'" says J. Roy Bartlett in his big advertisement in The News announcing Saturday, January 28th, as the date when the big pot will be put into the little one. Although the store has been doing business for about two weeks, it has not really been entirely ready for it until this week.

Fresh paint, applied to every stick of fixtures and to the walls of the building, the addition of some new fixtures and an arrangement with any eye to attractive appearance have all combined to present a most pleasing store interior.

Valuable assortments of groceries will be given away on House-warming Day, and with many purchases of groceries additional items will be included free. Representatives of a number of manufacturers will be present to greet visitors at the store throughout the day. Mr. Bartlett expresses the hope that every person who comes to Clarendon on Saturday, Jan. 28, will call at the store, "for we are anxious to renew all old acquaintances and make many new ones," he said.

LITTLE THEATRE BOARD TO MEET MONDAY, 4 P. M.

All officers and directors of the Little Theatre are requested to attend a meeting which will be held Monday afternoon, and at which the presence of all officers and directors is earnestly desired.

Members of all committees are also urged to be present at the meeting.

City Sewage Plant Cleaned by RFC

Work relief for the unemployed and the accomplishment of needed civic improvement and repairs go forward steadily under the direction of the work relief committee.

Surfacing the streets with clay is being continued. All trash and rubbish of which the committee has had information have been removed. Any citizen who has trash or rubbish ready to be removed should notify Mrs. T. M. Shaver, city secretary, who will see that it is removed. Requests for this service should not be telephoned to members of the committee, as men with wagons report regularly to the city hall for instructions.

One of the outstanding projects which the committee has had in hand this week is the cleaning and overhauling of the city sewage disposal plant. The work will be completed this week. It was badly needed and Dr. B. L. Jenkins, city health officer, expressed great satisfaction over the removal of a menace to public health. Due to necessary reduction of expenses by the city commission, the work had been delayed longer than is usually the case.

BOOK SHOWER FOR LIBRARY STARTED

CITIZENS DONATING BOOKS FOLLOWING NEWS STORY OF SHOWER PLANS

Mrs. C. A. Burton, librarian of the City Library, is highly pleased over the quick response made by a number of citizens following publication in the News last week of plans for a "book shower," to be held at an early date.

Not waiting for formal announcement of dates for the shower, the following books have been brought to the library: Given by Harry Miller: "The Joyous Trouble-Maker," Jackson Gregory; "Buck Peters, Ranchman"—Mulford; By the 1926 Book Club: "Long Bondage," Donald Joseph; "Return to Yesterday"—Ford Maddox Ford; Given by Dr. M. L. Stricklin: "The Message"—Louis Tracy; "Wild Harvest"—Oskinson; "The Girl of the Golden West"—Belasco; "The Yellow Sub"—Lynn; "Carnival Colors"—Mauda Radford Warren; "Never the Twain Shall Meet"—Kyne; "The Woman Thou Gavest Me"—Hall Caine. By purchase: World Almanac for 1933; Texas Almanac for 1933; "The Rainbow Trail"—

Who Is That "Mysterious Gal?"

There's a gal in Clarendon, somewhere in the teens, who is waiting for someone to ask her a certain question about the Lions Club Minstrel Show, Friday night, Feb. 3, at the Pastime Theatre.

A secret committee has selected the girl, has told her that when any person asks her a question about a certain thing connected with the Minstrel Show, she is to report the person's name and question to the committee, but without disclosing it to any one else.

On the night of the minstrel show the name of the person who asked the right question about the show will be announced and he, or she, will be awarded a valuable prize, description of which will be announced in the papers next week.

So, get busy, folks. Ask any girl you see, any question you can think about the minstrel show. You might happen to ask the right girl just exactly the right question. The committee doesn't require that the question be exactly right as to every word, comma and question-mark. But it must be the question about the right minstrel show matter. Isn't that going to be easy? . . . Well, somebody is going to think they got something mighty easy. Here's hoping it's you! . . . Who . . . who . . . who . . . who is this "MYSTERY GAL?"

"LOWER GAS RATE" SAYS COMMISSION

PASSES ORDINANCE LOWERING RATE TO 50 CENTS PER 1000 CU. FT.

Lower gas rates are the objective of the City Commission in an ordinance, carrying the emergency clause, which was passed at its regular meeting, Friday, Jan. 20, setting the rate to domestic consumers at 50 cents per 1000 cubic feet. No reference is made in the ordinance to the 10 per cent discount now allowed when bills are paid by the 10th of the month.

Mayor W. P. Cagle stated to a News reporter that no comment on the commission's action has been made by the City Gas Company. "The new rate will go before the State Railroad Commission in due course," said Mr. Cagle. "The railroad commission will review the new rate and approve or disapprove it. In the meantime it may be expected that the gas company will bill its customers as heretofore until the new rate actually becomes operative or inoperative, according to final disposition of the matter."

The text of the ordinance follows:

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF CLARENDON:

The maximum rate for supplying natural gas to any consumer for any one month shall be and is hereby fixed at the following rates, to-wit:

Fifty cents (50c) per thousand cubic feet for the first twenty thousand feet of natural gas supplied to any one consumer for any one month.

Forty cents (40c) per thousand cubic feet for the next thirty thousand cubic feet of natural gas supplied to any one consumer for any one month.

Thirty cents (30c) per thousand cubic feet for the next fifty thousand cubic feet of natural gas supplied to any one consumer for any one month.

Any person, partnership or corporation supplying natural gas in said city of Clarendon, Texas,

(Continued on Page Eight)

Zane Grey.

Mrs. Burton and the library board will very greatly appreciate a steady continuance of the shower of books that has already started, even though the date for the shower has not yet been definitely set. Books that come in before hand will be counted in the totals for the shower, however.

GOVERNMENT PRINTING

The owner of a country printing establishment in Ohio, who is also the publisher of two weekly newspapers with a combined circulation of 3,000, recently pointed out the dire effect of government in business upon his trade. For example, he said:

"This competition is keenly felt by printers. We use our newspapers to help the government in many ways. The public has been educated to the income tax and all other forms of taxation through the newspapers without cost to the government. Yet, in our two offices, we lose from \$600 to \$800 annually because the government prints return cards on stamped envelopes at prices that cannot be touched by any printer."

This isolated instance the like of which is legion, throws into bold relief the picture of private industry maintaining the government by taxation as its own competitor. Government printing office, as well as government anything else, of course pays no taxes. It creates taxes for others to pay.—Public Service Magazine.

SELF SERVICE

Many good folk are lamenting the passing of the era when men and women consecrated their lives to unselfish service and prepared themselves to become ministers, missionaries, teachers or country doctors that they might administer to the spiritual, mental and physical need of humanity without thought of large worldly gain. They are not in error when they charge the modern men and women are choosing vocations today in which they can do the greatest service to themselves.

People of today are coming to the belief that the best way they can help others is to produce much that their profits shall be large and that they shall never become dependent upon society. The old idea of service was direct. The new service is indirect. Twenty years ago it was still thought that only ministers, doctors and teachers served humanity. Today every workman who carries his whole day's wages home is known to have earned that wage in service to society.

Elbert Hubbard's version of the Golden Rule was "Do unto others as though you were the others," but even more up to date version is "Do yourself much good and no bad to others." Getting something for yourself is reprehensible only when it is obtained at the expense of another.—News, Austin, Minn.

PROSPERITY MUST START ON THE FARM

The quickest way to break the back of the depression is to restore the buying power of the farmer. If this one thing is done a cycle of improved business will result, reaching into all other fields of endeavor.

The reconstruction of our distress must start at the bottom, not at the top, if we are to overthrow our business lethargy within a reasonable time. Farming communities are without buying power, merchants stocks are low, trade is at a low ebb, credit is tight and naturally so because of low priced commodities. Communities, such as ours, will not regain their purchasing power until prices of farm products are boosted.

When the farmer cannot buy, the manufacturer does not operate, his employees do not work and so the cycle of unemployment and business listlessness goes on in metropolitan centers. When the farmer buys, the merchant moves his goods and re-stocks his shelves from the manufacturer. Then the wheels start to turn.

So far we have witnessed a congress devoting its time to beer. And its time was wasted in this session. The important thing is not beer, it is business—the business of putting the farmer back on his feet. The froth on beer discloses no prosperity.

But take hope. Just now there is indication that congress intends to take up farm relief. The Domestic Allotment plan is coming up for consideration. There are arguments in favor and against it but we have reached the point where it behooves us to try something new. If it fails we will be no worse off than we were; if it succeeds we are ahead.

The allotment plan looks to improving the price on several farm commodities. It could be put into operation within a short time and improve the farmer's purchasing power at once. That done the farmer would be a good spender. He needs things; we all need something or other. The manufacturer would soon feel the results of our needs, when the farm buying power is restored.

It wouldn't take much to start the cycle of business and industry on the upgrade if buying power were in the right place but until the wealth that comes out of the soil is recognized there will be no buying power and no prosperity. Better days will come to all when corn and hogs are put on a pinnacle of respect, not before.

—Express, Red Oak, Iowa.

THINK MORE OF "THE OTHER FELLOW"

The greatest problem of the present moment for each and every community to solve is that of helping the unemployed. The greatest problem of the winter months will be to keep the unemployed man and his family from suffering for the actual necessities of life.

Every family which has food and clothing and a warm home must "think of the other fellow" and share their blessings with him that he may not suffer. A little help from many families kept up week after week will meet the need. No man or woman should fail to do his or her part in helping others who are in need. As "many hands make light work," so many dimes and quarters make the dollars, and many small measures of food make the basket full.

St. James is not behind other cities in planning to meet the need in this community. Organized effort is what counts best. The community relief committee with the help of the Red Cross, should be able to meet every demand, if loyally supported by generous and thoughtful citizens.

The greatest help is in making jobs for those out of employment. The predictions are that, in spite of all the relief measures started by the President and Congress, the 10,000,000 estimated unemployed now in the United States will increase in the next few months rather than decrease. This is one of the greatest problems President Roosevelt and his new Congress will have to face.

—Plainedealer, St. James, Minn.

"JUST A LIBRARY BOOK"

The book skidded heavily from the boy-bike rider's hand to the sidewalk. He grinned at the passerby, "That's all right; it's just a library book."

Where is your imagination, boy? Just a library book! New, it was marked carefully by the library lady, and listed on cards. A little boy, whose home has few books, was its first reader. Hungry for those things that book held within its covers, he turned its pages carefully, so not to break the back. He read it. He read some parts of it twice, and, when the borrowing time was up, hugged it under his arm as he took it back where it was again put on its shelf.

He still remembers and is helped by words he read in it. Next a little girl had it. She was sick. The words in the book made her happy, even when she was so weak her mother had to read it to her.

And other boys, and girls—so many of them—hungry for what is in that book; made happier, richer because of that book.

Boy, if I could be what I want when I leave this world, I think I would like best to be "just a library book", taking joy, and love, and helpful ideas to girls and boys who love to read—providing not too many of your kind got hold of me, boy, because even a book doesn't like to be dropped or thrown around, especially a library book which has so many other homes than just yours, where it still wants to visit and help folks.

SAFETY FIRST

THE PUBLIC should be prudent in seeking relief from pain. Take nothing which does not have the approval of the medical profession.

BAYER ASPIRIN will never do you any harm, and almost always brings the desired relief. But remember that the high medical endorsement given Bayer Aspirin does not apply to all tablets for relief of pain.

THE DOCTOR is careful to specify Bayer Aspirin for these important reasons:

It has no injurious ingredients. No coarse particles to irritate throat or stomach. Nothing to upset the system. Not even any disagreeable taste. The Bayer process insures a pure, uniform product.

INSIST on the tablet you know to be safe. And the one that has speed. Bayer tablets dissolve so quickly, you get immediate relief from your headache, neuralgia, or other pain.

Better Lighting Will Ease Your Budget Worries

There are budgets that really will work . . . budgets that will show how to bring expenses within income! But they weren't created at a dark and gloomy desk . . . they were the result of calm and intelligent analysis under the cheering atmosphere of good light.

It's surprising what a difference adequate lighting makes! . . . Troubles take on a less terrifying aspect when subjected to the clear, eye-soothing brilliance of the modern electric light. It's not only much easier to work, but the absence of eye-strain keeps your mind clear and alert.

Next time you sit down to plot out the month's expenses, or to write a letter, be sure your light is adequate. You'll find the difference amazing!

A trained employe will be happy to inspect your home-lighting arrangements. There's no obligation, of course . . . and chances are that a simple rearrangement of your present fixtures, or adjustments giving you adequate sized lamps where they're needed, will be all that's necessary.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

SUNNY VIEW

We had our first real sand storm of the year Saturday afternoon.

The health of this section is good at this writing.

Mrs. Sam Roberts received word Saturday that her mother, Mrs. Z. O. Batson of Memphis happened to a very painful accident when she fell from a car and bruised her shoulder and breast very badly. Mrs. Roberts and sister, Mr. and Mrs. Quinn Aten and brother, Mr. and Mrs. Rice Batson of Lelia Lake drove down and spent Saturday night and Sunday with their mother and found her doing, as well as could be expected.

Mr. and Mrs. Heckle Starks and Mr. and Mrs. Sam Roberts visited with Mr. and Mrs. Neal Bogard of Hudgins Friday night.

Miss Pauline Brame spent from Saturday until Monday with her sister, Mr. and Mrs. Sam Dale of Goldston.

F. L. and Truett Behrens helped their sister, Mr. and Mrs. Roy McKee of Ashtola, move to the Odos Caraway farm near Lelia Lake last week.

Mrs. S. A. Pierce of Clarendon spent Saturday night and Sunday with Mrs. Millard Starks.

Mr. and Mrs. Slaton Mahaffey of Pleasant Valley were dinner guests of her parents, Mr. and Mrs. S. T. Clayton.

Mr. and Mrs. W. K. Davis were dinner guests of Mr. and Mrs. Milt Allen Sunday.

Mr. and Mrs. Neal Bogard and family of Hudgins and Mr. and Mrs. Heckle Starks spent Sunday with their parents, Mr. and Mrs. Millard Starks.

Mr. and Mrs. W. K. Davis received word that their son, Lois Davis and wife might arrive here any time.

NAYLOR

All the old timers say Saturday was the worst day ever, but by now every one has the sand dug away so as to get around. We would rather have snow.

Austin Selby spent the week end with relatives and friends at Berger.

Mr. and Mrs. Dee Crites of Lelia Lake spent the week end with the lady's parents, Mr. and Mrs. A. E. Tidrow.

Carl Naylor has been appointed school trustee in place of Mr. Eanes who has moved away.

Mr. and Mrs. Ray Hefner are now on the Quattlebaum place and will work for Carl Naylor.

Mr. and Mrs. A. E. Tidrow visited with Misses Minnie, Lou and Ara Naylor Sunday night.

Mr. and Mrs. Richmond Bowlin visited over the week end with friends at Amarillo. They report the storm Saturday was terrible, doing much damage to wheat.

All the farmers are busy hauling wood, thereby beating old man depression.

T. E. Naylor took a load of turkeys to Amarillo this week and found quite a better market.

LELIA LAKE

Mr. and Mrs. C. M. Clark of Floydada spent Sunday night and Monday as guests of Mr. and Mrs. McCauley.

Owen Butler left Monday for an indefinite stay in Amarillo.

Mr. and Mrs. Luther Butler visited with her mother at Memphis Monday.

Addis Holland and brother, Odell, and Frank Shaw left Wednesday for Thoreau, New Mexico where they will work.

D. W. Tomlinson spent Thursday and Friday in Amarillo.

Miss Aline Reid, who is attending high school at Clarendon, was home for last week end.

Alvis McGowan and family spent Sunday with his parents at Clarendon.

Mr. and Mrs. Bob Williams spent Sunday with Mr. and Mrs. Wayburn Trout.

Rev. John Cole was called to

the bedside of his mother at Levelland Monday.

Miss Garland spent last week end with homefolks at Goodnight.

Mr. and Mrs. Quinn Aten and Mr. and Mrs. Rice Batson spent Saturday night and Sunday with their mother at Memphis.

Sam King is with his aunt this week at Antelope Flat.

Van Knox and family moved to Ashtola on Wednesday of last week.

On Friday evening Mr. and Mrs. B. F. Leathers entertained with a 42 party for their friends at their spacious home. After many lively games, refreshments were served to Messrs. and Mesdames D. E. Leathers, C. L. Lewis, Grounds, G. F. Leathers, Goodrich, Thomasson, W. A. Tomlinson, Rice Batson, Quinn Aten, King, Myers, Dee Crites, Billy Christal, Webb, Cottingham and host and hostess, Mr. and Mrs. B. J. Leathers.

Mr. and Mrs. L. D. Goodrich moved their drug supplies to Big Spring Sunday.

Frank Grooms and family left Saturday to make their new home at Bowie.

ASHTOLA

Sunday School was attended by a small crowd Sunday.

Mr. and Mrs. D. W. Jones and children, Dorothy and R. D. motored to Hedley Sunday visiting relatives.

Miss Dalletta Jess of Amarillo spent the week end with Miss Athlyn Dreesman.

Those visiting in the W. A. Poovey home Sunday were Alma and Dola Fay Gregg, Mary and Emma Sue Caham, Edna Lee Walling and Tendal and Foster Gregg, Richard and Gerald Hatley, John Harp, A. J. Garland and Raymond Williams, Mr. and Mrs. Sid B. Thomas.

The seventh grade entertained with a party at the school house Friday night. Every one reported a good time.

Mr. and Mrs. Bill Payne of Hedley spent Friday night with Mrs. Payne's sister, Mrs. Sid B. Thomas here.

Mrs. Tate Poovey spent Thursday and Friday in Lelia Lake with Mr. Poovey's sister, Mrs. John Dial.

Mr. and Mrs. Charley Meadors entertained the community with a party Saturday night. Miss Willa Poovey (Cledis) and Letrice Eason spent Sunday night in the W. E. Gregg home.

Mr. and Mrs. Ray Holland, Mrs. R. R. Simmons and daughter, Edith, Messers B. B. and H. W. Holland, Hubert and Winona Ford spent Sunday in the W. J. Holland home.

Mr. and Mrs. W. W. Leverett gave a birthday dinner Sunday in honor of Mr. Leverett. Those attending were Mr. and Mrs. John White and son, L. P., Mr. and Mrs. Clifford Johnson and daughter, Mr. and Mrs. C. L. Leverett and children and Miss Lettie Calwell and Irene Collier, Ruth and Buster Warrick.

Miss Othell Walling of Lelia Lake spent Thursday night and Friday with her cousin, Edna Lee Walling.

Mr. Elbert Bowen who is teaching school here spent the week end in Clarendon with his parents.

Misses Tendal Gregg and Gerald Hatley spent Saturday night with Richard Hatley.

Mr. and Mrs. Townson and children spent Sunday in Clarendon visiting relatives. Mr. and Mrs. Grady Henson and children and Mr. and Mrs. Raymond Bulls spent Sunday with Mr. and Mrs. George Warrick.

Mr. and Mrs. Al Henson spent Sunday and Monday in Childers visiting relatives.

The Antelopes, both girls and boys, are terribly proud of themselves after winning the two games last Thursday when they went to Lelia Lake. The girls played a good game. The score being 10 to 11 in our favor.

The boys defeated Lelia Lake in their game the score being 21 to 7.

Instead of honeymooning, Herbert Pierce of Springfield, Mo., went to prison for two years after stealing a shirt for his wedding.

HUDGINS

Mr. and Mrs. Jimmie Allee have moved near Clarendon. We hate to see Mr. and Mrs. Allee move.

Miss Lopez Whit visited Mr. and Mrs. O. D. Meador Monday night.

Mr. Frank Behringer, Mr. Emet Thompson, and Mr. William Meador visited Mr. and Mrs. Jeff Talley Tuesday night.

Mr. and Mrs. Watt Hardin and family moved into the Chamberlain Community Tuesday. We hate to see Mr. and Mrs. Hardin move.

Sad but true! Alas! It has really happened. Hudgins was defeated by Chamberlain Wednesday afternoon. The score being 10 to 2.

Hudgins met defeat at the hands of Chamberlain by a core of 22 to 15 Friday afternoon on their own court. The game was a much better game than Wednesday's game as the score indicates.

Mr. and Mrs. J. A. Wardlow and family of Shamrock, Mrs. S. J. May and daughter, Elsie, and David Peabody of Chamberlain visited Mr. and Mrs. Frank Behringer Monday night until bedtime.

Miss Ruby Wood who is attending school at Clarendon spent the week end with her parents, Mr. and Mrs. G. W. Wood.

Mr. John Perdue left Tuesday to visit his brother, Mr. Tom Perdue of Hereford.

Mrs. Mattie Ray, from Mississippi, is visiting her brother, Mr. O'Neal.

Mrs. W. J. Whitt, teacher of Pleasant Valley entertained her sixth and seventh grade, and the sixth, seventh, eighth, and ninth grades of Hudgins with a tacky party Friday night at her home near Chamberlain. Progressive "bunco" was the leading entertainment of the evening. Neva Riley of Sunnyview won first prize for the highest score and William Meador of Hudgins won the other prize for low score.

Mr. and Mrs. O. L. Jacobs, Mr. and Mrs. Jeff Talley and family, Mr. and Mrs. O. D. Meadors and family, Mr. and Mrs. W. J. Whitt and family, spent Sunday with Mr. and Mrs. J. L. Talley and family.

Mr. and Mrs. L. M. Putman and family visited Mr. and Mrs.

M. L. Putman of Chamberlain Sunday.

Mr. and Mrs. O. D. Meador visited Mr. and Mrs. Leon Foster of Lelia Lake Sunday afternoon.

Mr. and Mrs. Frank Behringer visited Mr. and Mrs. L. M. Putman Saturday night.

There was a very good crowd present at Sunday School Sunday morning but we would be glad to see more come.

Mr. and Mrs. L. O. Christie and family spent Friday night in the O. L. Jacobs home.

Mr. and Mrs. Cearley and family spent Sunday in the Pat Cearley home at Chamberlain.

There were several from other places to attend the Singing at Hudgins Sunday night. We are glad to have visitors and welcome them back again and all others who will come and help us in the singing.

There will be a Literary Program at Hudgins Friday night. Every body come.

Mr. and Mrs. L. O. Christie and family spent Sunday with his sister, Mrs. Kay Smith and family at Leslie.

Mr. Morris of Windy Valley called on Mr. O. L. Jacobs Monday.

LOCAL MEN RE-ELECTED BY MEMPHIS COMMANDERY

Frank Whitlock, John F. Blocker and Homer Mulkey attended the election of officers of the Memphis Commandery of Knights of Pythias Monday night.

Each of the three were re-elected to the offices which they have held for the past year, Mr. Whitlock being Sword-bearer, Mr. Mulkey Standard-bearer and Mr. Blocker Junior warden.

Solomon Nickinsky of London, arrested for spitting in his partner's eye, was bound over in the sum of one penny to keep the peace and be of good behavior for one day.

If you would not have your enemy know your secret, tell it not to your friend.

Federal Cut in Road Aid Will Add To Jobless

WASHINGTON, D. C., Jan. 25.—Work relief will receive a severe set back unless Congress continues Federal Aid road appropriations on the present basis of \$125,000,000 per year, declares the American Road Builders' Association in a statement issued today.

"Road building is perhaps the only government activity that can be singled out as having created any considerable amount of work for the jobless," points out the Association. "The value of road construction as a means of providing work has been realized everywhere during the last two years.

"In order to speed up road construction and the employment of men, the Federal Government has advanced to the states a total of \$200,000,000 in emergency road appropriations. This money is to be refunded to the government by the states from future Federal Aid Allotments, which will result in lessened building. So here is an important reason why Congress should continue Federal Aid on the established basis.

"Further, under Title I of the Emergency Relief and Construction Act, the states are borrowing \$300,000,000 from the Government for unemployment relief for expenditure as the states see fit. This money, too, must be returned to the Federal treasury from future Federal Aid appropriations. And again future road building in the states will be reduced.

"To decrease Federal Aid for roads now would in a large measure nullify the excellent job-giving program that is well underway through the cooperation of the states and the Federal Government; the reduction of Federal Aid would immediately be reflected in increased numbers of jobless.

"There are roughly 300,000 men employed in state highway work in which Federal Aid is a decidedly stimulating factor. But for every man on the road job, there are two others supplying equipment and materials, so the total employed because of road work is nearly a million men. These men with their families represent from three to five million people.

"So while Congress is faced with economy, it is urged that cuts in Federal expenditure not be done in such fashion that additional men will be thrown out of jobs in wholesale lots. Through the new Federal taxes motorists are paying for Federal Aid—and that tax income should go back into the roads from whence it came," concludes the statement.

BAGBY IS LEADER UNITED FIDELITY

OFFICIAL PRAISES HIM AS EXAMPLE OF WHAT GOOD PRODUCER SHOULD BE

To George B. Bagby has gone the laurels for being the United Fidelity Life Insurance Company's leading producer for the year of 1932, according to D. Easley Waggoner, vice-president and general manager of the Company.

Mr. Bagby's record proves him to be an unusually successful life insurance agent. During the year of 1932 he had a production totaling \$347,773.00 of delivered and paid-for business. During the year he sent in a total of 192 applications and 188 policies were completed and delivered to his clients. Only four applications of \$1,000.00 each were not completed and only one policy of \$1000.00 was issued but not delivered.

The record made by Mr. Bagby since he first entered the life insurance business is very interesting. Without previous experience in life insurance business he became an agent in March of 1928. His production the first year was approximately \$250,000.00 and since that time he has produced in excess of \$500,000.00 more than one year. His average production during his five years in the business, despite the depression years, has been in excess of \$400,000.00 a year. Mr. Bagby's record is remarkable only when his territory in which he operates is taken into consideration. He lives and works in a town which has less than 2,500 men, women and children and in a county which has less than 10,000 inhabitants.

"George Bagby is a fine example of what a good life insurance agent should be," said Mr. Waggoner. "He considers that he is building a business and uses the same energy and intelligence that he would have to expend if he were in any other commercial or industrial enterprise. He looks after the interest of his patrons. He keeps a record of the maturity date on all policies he has written and before premiums come due he makes it a point to see these clients and keep them sold on the importance of keeping their policies in force. In this way he not only has an unusually high renewal record but continues to care for the needs of his clients for additional insurance as these needs arise."

EDITOR'S NOTE:—The above was taken from the January 16th, 1933, issue of Texas Insurance, published at Dallas, Texas, a general semi-monthly news publication for life insurance men. George Bagby's success as an insurance man is a matter of pride on the part of his many Clarendon and Donley County friends. For him to lead all the men of his company is indeed an achievement of which both he and his friends may well be proud, especially in view of his limited field. Congratulations, George!

Newspaper and periodical publishing accounts for an annual production valued at \$38,243,907, in Texas, ranking seventh among Texas industries. Book and job printing shows a total annual volume of \$13,214,351, giving the printing and publishing business of Texas a volume of more than \$50,000,000 annually and placing the industry in fourth place in Texas in point of value of production.

Texas packers are being forced to go outside the State for hogs to slaughter. One Dallas packer recently paid \$3,000 in one day for a shipment of live hogs shipped from Kansas City, Mo.

J. M. Elliott, of Memphis, father of Mrs. J. E. Teer, was in Clarendon Wednesday, visiting his daughter's family and attending to business matters.

Chas. Baird and R. L. Ellis, both of Kansas City, were business visitors at the courthouse Wednesday.

MOVE TO SAVE FARMS SPREADS

FARMERS ORGANIZING TO REQUEST MORATORIUMS AGAINST FORECLOSURES

FLOYDADA, Texas, Jan. 23.—Floyd county farmers meeting here today joined a movement to prevent foreclosures of farm and home mortgages which old residents say is "sweeping the plains country like a prairie fire of pioneer days." A two-year moratorium on foreclosures appears to be the general goal.

The meeting here was one of a series held in rapid succession since the original gathering at Plainview a week ago. It appears that none of the organizations set up are linked together with a central governing body yet and no unified plan of action had appeared tonight.

Bureau Sponsors Move.

The movement, however, is patterned after that of the Farmers Holiday Association of Iowa and is designed to prevent loss of rural property to the occupants through foreclosures.

The meeting was under the auspices of the farm bureau federation of Floyd county. Announcements bore signatures of John L. West and T. J. Hill, federation president and secretary, respectively.

The Plainview meeting was perhaps the largest one held. Its resultant "farmers and property owners league" gained support of many prominent and influential Hale county citizens. The league will "look for a solution of the foreclosure problem."

CORRECTION

In a recent issue The News carried a story of the appointment of H. M. Faulkner, former citizen of Clarendon, as postmaster at Estelina. It develops that Mr. Faulkner is an applicant for the appointment, but has not yet received it, nor does he expect the appointment of any applicant to be made for over a year. The News regrets that it was misinformed, although it is assured of its informant's good intention in giving the information, and of the belief that the information was correct as reported.

Mr. and Mrs. Jas. Trent returned Saturday night from Hot Springs, Ark., where they spent about three weeks.

Mr. and Mrs. S. T. Sayre, of Mineral Wells, are visiting in the home of their daughter, Mrs. John F. Blocker.

A meeting at Wellington resulted in organization of a permanent "citizens advisory council." Lengthy resolutions were sent Gov. Miriam A. Ferguson and members of the legislature, deploring present economic conditions and drastic mortgage foreclosures now being made.

The Wellington resolutions suggested three proposals for relief legislation, the more important ones being a moratorium on all farm and home loans for at least two years, and measures to regulate and control the extent of foreclosures under present conditions.

The Tulsa meeting was organized into "the farmers and home owners protective league" with its designated purpose "to prevent foreclosures on property."

Wesley Knorpp returned Wednesday from Long Beach, Calif., where he spent the past month with relatives.

Mrs. Lona T. Shawver and Mrs. John O. Maberry were visitors in the W. H. Patrick home Tuesday and Wednesday of this week.

ROTARY PROGRAM UNDER D. R. DAVIS

FULL TIME GIVEN AIMS AND OBJECTS DISCUSSION BY THREE MEMBERS

The six "Aims and Objects" of Rotary, with particular reference to community affairs, formed the basis of discussions at the Friday luncheon of the Rotary club at the Clarendon Hotel. The program was under the direction of Densil R. Davis, manager of the City Gas Company.

The discussions, led by R. E. Drennan, W. E. Ferrell and D. R. Davis, concerned the formation of a program of greater usefulness to the community as a whole. It was brought out clearly that it is a well-defined policy of Rotary, everywhere, to keep the club, as an organization, in the background, so far as active club participation in the community projects and affairs are concerned.

Rotary wants its members to identify themselves in every possible way with community service—not as Rotarians, nor as a Rotary club, but as citizens trained by Rotary ideals to a realization of the obligation of citizenship. This was the thought brought out by the speaker, whose discussions were given the full program hour.

Mrs. Lona T. Shawver and Mrs. John O. Maberry were visitors in the W. H. Patrick home Tuesday and Wednesday of this week.

SOCIETY

LORRAINE PATRICK, Editor

Mr. and Mrs. Meade Haile Entertain

One of the loveliest parties of the season was the entertaining by Mr. and Mrs. Meade Haile of a few of their friends, with a buffet supper and bridge party, at their home on Friday evening.

The table, which was spread with a cloth of unusual design, was centered with a dainty bouquet of sweetpeas and fern, while on either side tall yellow tapers in silver holders cast a soft glow over the pretty setting. Mrs. Kelly Chamberlain presided over the silver coffee service.

Later games of contract bridge were enjoyed with Mrs. Earl Alexander winning high score for the ladies and Mr. Kelly Chamberlain being high for the men. Each received a lovely prize.

To participate in this delightful affair were: Miss Nettie Sims, Miss Mary Cooke, Miss Lorraine Patrick, Mr. John Hutton, Mr. Carl Allmond, Mr. and Mrs. Carroll Knorrp, Mr. and Mrs. Kelly Chamberlain, and Mr. and Mrs. Earl Alexander.

Birthday Party

Edward Engel celebrated his sixth birthday last Friday by inviting several of his little friends in for the afternoon. Games most appealing to children that age were played and later a beautiful birthday cake lighted with six brightly gleaming candles, was brought in. This was both admired and eaten.

To help him celebrate were: Lalar Belle and Margaret Wilkerson, Morris Lane, Allen, Billy, and Ruth Patman.

Mother's Club Elects Officers

Meeting with Mrs. Bernard Morris, at the home of her mother, Mrs. A. T. Miller, about twenty members of the Mother's Self-Culture Club gathered last Friday afternoon to elect officers for the year and enjoy a splendid program.

In the business meeting Mrs. Bernard Morris was elected President; Mrs. Homer Gorman, Vice-President; Mrs. O. L. Jenkins, Secretary and Treasurer.

Mrs. Bill Patman was leader of the program and gave a chapter from the book on Child Psychology which the club is studying. Mrs. T. D. Nored gave an article on "Training a Child to Accept Responsibility," and Mrs. R. E. Paxton a short talk on "Places for a Child to Play." Little Miss Johnnie Lorraine Johnson delighted the group with a reading, "The Haunted House."

Visitors for the afternoon included Mrs. G. J. Teel and Mrs. J. H. Morris. Mrs. Harrison Simpson was introduced as a new member.

Mrs. Jenkins Is Hostess to Needle Club

Mrs. B. L. Jenkins, Sr., the newly elected president, was hostess to members of the 1912 Needle Club last Thursday afternoon, at her spacious and hospitable home.

A delightful afternoon was spent in pleasant reminiscence and fancy needle work, after which the hostess, assisted by Miss Carroll Holder, served a delicious salad course to:

Mesdames L. S. Bagby, J. B. Baird, A. T. Chase, Sella Gentry, Homer Glascoe, Ann Hasty, Anna Hall, A. R. Letts, W. H. Martin, A. A. Mayes, J. T. Patman, C. W. Taylor, and Mrs. Will Attebury of Amarillo.

Friendship Club Meets

With Mrs. M. E. Thornton as hostess, the Friendship Club met on Tuesday afternoon with fourteen members and one visitor present.

The meeting was opened with the Lord's Prayer. Following this Mrs. J. D. Stocking read the Scripture lesson. The remainder of the afternoon was spent in agreeable conversation and fancy needle work until dainty refreshments were served by the hostess to:

Mrs. C. R. Skinner, Mrs. J. D. Stocking, Mrs. G. J. Teel, Mrs. Mrs. J. W. Rowland, Mrs. J. H. Allison, Mrs. J. A. Meaders, Miss Katie Meaders, Mrs. J. A. Tomb, Mrs. M. T. Crabtree, Mrs. C. E. Lindsey, Mrs. H. Tyree, Mrs. J. E. Mongole, Mrs. L. Ballew, and Mrs. W. W. Buck.

Mrs. Tolbert Honored

Mrs. Johnnie Tolbert was honor guest at the Miscellaneous Shower given by the Ladies Aid of the First Christian Church, at the home of Mrs. F. C. Johnson.

When the guests had gathered, Mrs. C. E. Herd led the Devotional, after which Mrs. Tolbert was the recipient of many useful and attractive gifts and when each had been opened and admired, delicious refreshments were served. Those present included:

Mrs. Frank White, Mrs. O. D. Leisberg, Mrs. R. H. Carver, Mrs. C. L. Knight, Mrs. Fannie Robertson, Mrs. J. N. Wood, Mrs. Eva Humphrey, Mrs. W. E. Terrell, Mrs. John Tolbert, Sr., Mrs. Jim Casey, Mrs. G. A. Anderson, Mrs. R. P. Wilson, Mrs. C. E. Herd, Mrs. C. R. Gamblin, Mrs. H. Hulkey, Mrs. Luther Butler, Mrs. H. S. Hughes, Mrs. W. L. Butler, and the honoree, Mrs. Tolbert.

Mrs. O. D. Leisberg will be hostess to the Ladies Aid at its next weekly meeting and Mrs. F. C. Johnson will be leader of the Tenth Chapter of Second Corinthians.

Mr. and Mrs. Ira Merchant Entertain

Mr. and Mrs. Ira Merchant were cordial host and hostess to members of their Night Club when they entertained Monday evening with an informal buffet supper and bridge party.

After the delicious supper, games of bridge were enjoyed with Mr. Jack Merchant winning high score and being awarded a nice prize.

To enjoy this were: Mr. and Mrs. Kelly Chamberlain, Mr. and Mrs. Carroll Knorrp, Mr. and Mrs. Meade Haile, Mr. and Mrs. Parke Chamberlain, and Mr. and Mrs. Jack Merchant.

Owissa Troup Party

The Owissa Troup of the Camp Fire Girls enjoyed a theatre party last Friday evening. Meeting at the home of Mrs. Richard Wilkerson, they were accompanied by their guardian, Miss Julia Mae Caraway, to the theatre where they saw "The Champ."

Later they returned to Mrs. Wilkerson's home where they played games until a late hour when they were served dainty refreshments. Attending were: Lalar Belle Wilkerson, Jean Teat, Ethlyn Drennan, Margaret Wilkerson, Dorothy Kerbow, Edith Shelton, Francis Morris, and Miss Caraway, the guardian.

1930 Good Will Club

Among the congenial parties of the week was the entertaining of the 1930 Good Will Club on Thursday afternoon by Mrs. Joe Carlile, at her home.

During the afternoon Mrs. Melvin Cook gave a reading, "What it Takes to Constitute a Good Club." This poem was written by Mrs. Cook and was thoroughly enjoyed by everyone present.

In the business meeting the club decided to give a party for their husbands every other Thursday night, and next Thursday night, which will be February 2nd, Mrs. Fred Russell, Mrs. Blanche Oden, and Mrs. A. O. Yates will entertain at the home of Mrs. Yates.

Dainty refreshments were served. Club members attending were: Mrs. Don Martin, Mrs. Lucian Bones, Mrs. Si Johnson, Mrs. A. O. Yates, Mrs. Fred Russell, Mrs. C. R. Gamblin, Mrs. Melvin Cook, Mrs. Blanche Oden, and Mrs. I. B. Pierce.

Forty-Two Party

Miss Althea Jones was hostess to a few of her friends, at the home of Mr. and Mrs. Fred Russell on Wednesday evening, with a Forty-Two party.

When the guests arrived they found tables in readiness for the games and playing soon began with Mr. Noel Hewitt being winner of the high score and Miss Harvey Lou Strawn, Miss Agnes Oakley and Mr. Ross Honeysucker all receiving low scores.

At the conclusion of the games dainty refreshments were served. Participating were: Misses Agnes Oakley, Onie Oakley, Virginia Scivally, Iola Stephenson, Mildred Calloway, Harvey Lou Strawn, Messrs. Paul Scivally, Billy Gamblin, Kenneth Sherman, Noel Hewitt, Dink Lyle, Ross Honeysucker, Hubert Carlson, and Mr. and Mrs. Don Martin.

P. T. A. To Have Birthday Pageant

The Sims Parent-Teacher's Association will have a special program at its meeting on Feb. 2nd, which will be next Thursday afternoon at the Junior High Auditorium from 3 to 4 o'clock.

The local organization is celebrating its tenth year of existence along with the National Organization's thirty six years, this latter group being organized on February 17th, 1897.

The program will consist of a "Birthday Pageant", which will have forty six characters in it, and will tell of the beginning of the work of Parent-Teachers. Between acts the Junior Band will play and afterwards a social hour will be enjoyed. All the mothers and teachers are urged to attend as it will be an unusual program and one well worth seeing.

Good Will Club Honors Husbands

Honoring the members of the Good Will Club and their husbands, Mrs. Melvin Cook and Mrs. C. R. Gamblin entertained with a Dinner-Forty-Two Party on Thursday evening at the home of Mrs. Cook.

After the delectable dinner was enjoyed by all, games of Forty-Two were played with Mrs. Don Martin winning high score and Mr. Fred Russell the low score.

Enjoying this were: Miss Nova Cook, Miss Claudye Ratcliff, Mrs. Blanche Oden, Mrs. Si Johnson, Mr. Homer Bones, Mr. Claude Hott, Mr. Wilson Gray, Mr. and Mrs. Lucian Bones, Mr. and Mrs. Don Martin, Mr. and Mrs. Fred Russell, and Mr. and Mrs. A. O. Yates.

B. & P. W. Meeting

Laying aside their business of being professional and taking up the role of ordinary human beings having a good time, the members of the Business and Professional Woman's Club looked at themselves, as their fond parents saw them years ago when the photographer said, "See the pretty birdie," during its bi-monthly meeting Tuesday evening at the Woman's Club Room, with Julia Wiedman and Ruth Teat as hostesses. Each member brought a baby picture of herself and these were displayed in a "Who's Who" Contest, producing much merriment.

This meeting, however, was not wholly given over to gaiety. Mrs. B. G. Smith was elected as a delegate from the local club to attend a reception and dinner given tomorrow evening for the National President, by the Amarillo Business and Professional Woman's Club. At this time it was also decided that the Mothers and Daughters Banquet which is to be sponsored by this organization, would be given Feb. 21st. The place and hour are yet to be determined, but will be announced later.

Members attending included: Mrs. B. G. Smith, Opal Pyle, Mrs. Andrew Jay, Carrie Davis, Fannie Perry, Etta and Ida Harned, Ruth Reeves, Helen Wiedman, Mantie Graves, Norma Rhode, Julia Mae Caraway, and Rhoda Wiedman.

Dinner-Bridge

Mr. and Mrs. Earl Alexander complimented their Bridge Club with a Dinner-Bridge on Wednesday evening at their home.

A sumptuous dinner was served with games of bridge being played afterwards. Mrs. Kelly Chamberlain was winner of the high score and was awarded the prize.

To enjoy this were: Mr. and Frank Stocking, Mr. and Mrs. Basil Kirtley, Mr. and Mrs. J. E. Teer, club members; and Miss Nettie Sims, Mr. and Mrs. Kelly Chamberlain, and Mr. and Mrs. Simmons Powell, guests.

CHAMBERLAIN H. D. C.

The Chamberlain Home Demonstration Club met with Mrs. O. B. Rumpy Thursday, January 19, with twelve members and two visitors present.

Mrs. H. M. Reid gave an interesting demonstration on Soap Making.

The Club will meet with Mrs. H. M. Reid Thursday, February 2, for their next meeting.

Mrs. Mollie E. Gray returned Sunday from a meeting of the Grand Trustees of the Eastern Star Home at Arlington. While she was gone she visited relatives in Greenville and Fort Worth.

Mr. and Mrs. Bennett Kerbow made a business trip to Quitaque and Turkey Wednesday, returning by way of Memphis and bringing home with them for a visit their daughter, Mrs. Paul Smithy and her little son and daughter.

Uncle Dick Merchant Passes 94th Birthday

The 94th birthday of R. E. ("Uncle Dick") Merchant, father of Col. Merchant of this city, was celebrated Sunday, Jan. 22nd, with a birthday dinner at the home of Mr. and Mrs. Cal Merchant.

Two sons, one daughter, seven grandchildren and six great-grandchildren were guests of the happy occasion, always one of particular enjoyment to the guest of honor. The beautiful birthday cake was decorated with 94 candles and when the time arrived for the ceremony of "blowing out the candles" the nonagenarian demonstrated his lung capacity by blowing out all but three of the 94 candles with the first puff.

Guests present included Mr. and Mrs. N. J. Merchant, Mrs. Billie Ayers and children and Mrs. Mary Valessick and daughter, all of Ft. Worth; Mr. and Mrs. Jess Wynn, Mrs. Erie Tuttle and Mr. and Mrs. J. S. Harrison and children, of Panhandle; Mr. and Mrs. Ira Merchant, Miss Jennie Franklin, Mr. Silas Franklin and Mrs. Mary E. Stegall, all of Clarendon.

FIGURE THIS OUT AND TELL US THE ANSWER

A traveling man went into a country hotel early one morning; gave the clerk a \$100 bill saying he didn't want to carry that much money around with him all day; the clerk put the bill in the safe; the hotel's butcher called to collect the \$100 due him; the cashier gave him this traveling man's \$100; the butcher paid his rent, \$100; the landlord paid his lawyer, who paid the doctor, who owed the hotel and gave them back the same \$100 bill, and the hotel in turn gave the traveling man back his \$100 bill. Afterwards the traveling man, chatting with his big-city friend, laughed about the joke he had played on the "hick" hotel, saying the bill was stage money, and then he proceeded to light his cigar with the bill. Several debts were paid and apparently nobody was any worse off. Yet it seems to us that there must "be a catch in it." What do you think about it?

PASTOR'S PARTNERS

Program for Sunday, Jan. 29: Subject—Baptist Work in Our State.

1. Beginning at home—Ruth Cornell.
2. Secretary of Mission—Kermit Sloan.
3. Sunday School Secretary—Robert Clark.
4. The B. Y. P. U. Secretary—Glenie Deal.
5. The W. M. Secretary—Mrs. Adam.
6. Editor of the Baptist Paper—Mrs. Kimbriel.
7. Superintendent of the Orphanage—Maxine Oller.

Special—Mrs. W. C. Stewart.

S. H. Condron, former citizen of Clarendon and member of the faculty of West Texas State Teachers College at Canyon, was in the city Tuesday, paying taxes and shaking hands with friends. Mr. Condron is optimistic over the prospect of a satisfactory arrangement for the continuance of the Canyon school on its present status, but on a reduced budget.

Mr. and Mrs. Bert Boomer, of Groom, spent Saturday and Sunday here with Mrs. Boomer's parents, Mr. and Mrs. W. W. Taylor.

Mr. and Mrs. Fred Wewerka, of Muskogee, Oklahoma, were visitors Sunday in the home of Mr. and Mrs. T. M. Shaver. Mrs. Wewerka was formerly Miss Leta Verne Martin.

A man is henpecked because he is chicken-hearted.

School Notes

By SLOAN BAKER, County Superintendent

Part of State Auditors Report for year ending August 31, 1933: Revenues for 1933 are estimated at \$25,522,515.00; Budget for purchase of text books, \$1,401,051.61; with a difference of \$4,121,463.39. Remainder being \$15.40 per capita.

Deficit at the beginning of the year 1933, \$4,807,460.42. This left available for appointment to the schools on present year's census of \$1,565,929, \$12.33 per capita or \$19,314,002.97. The State Board of Education has appointed \$16 per capita, \$25,054,864.00. Thus the deficit at August 31, 1933 will be \$3.67 per capita, \$5,740,861.03.

When the State Board of Education determines the per capita appointment the amount of expenditures is then determined, and teachers contracts are made on the basis of such anticipated revenues. These contracts cover both the amount of salaries to be paid and the length of term to be taught. Thus when the State fails promptly to make payment of its allotment, the effect is that the school district at some point in the school term can not meet its current demands, in order to meet the emergency the school district must make arrangements to carry its overdrafts with a local bank, or, in the alternative, the teacher must be paid with vouchers drawn against funds that do not exist.

Due to financial conditions of recent months throughout the State, many schools can not make arrangements to borrow as in the past. As a result the teachers are given vouchers that can not be paid on demand; and teachers in many, city and rural, districts, are now probably holding and particularly in the rural districts several millions of dollars of vouchers against funds yet to be received by the State. In many cases these teachers are borrowing against school script; or they may have sold the script at a heavy discount.

Money for the fiscal year 1933 has already been used in liquidating the balance of \$3.50 on the 1932 apportionment. The 1933 apportionment can not be paid as due. As a result some of the 1933 school vouchers can not be paid on demand, and the teachers who have fulfilled their contracts in good faith must inevitably suffer through no fault of their own, by having to wait until the next fiscal year to collect for services performed in 1933.

The County Board of Trustees ruled in their August meeting that a course of study be formed for the schools of the county based on the State course of study in line with the subjects taught in the High Schools of the county. The following committees have been selected to form this course of study. For the eighth, ninth and tenth grades: G. W. Kavanaugh of Martin, Chairman; Joe Baker of Giles, C. W. Howard of Bray, Frank Dehringer of Hudgins, are appointed. The committee composed of E. H. Estlack of Fairview, Chairman; Mrs. Gordon Gatewood of Goldston, Miss Ruth Dunn of Glenwood, and Miss Maud Crawford of Chamberlain, will plan the sixth and seventh grade subjects. For the fourth and fifth grades committee is Mrs. Linnie W. Naylor, Chairman, of Hackberry; Miss Evelyn Curry of White Fish, Miss Lou Brock of Watkins, Miss Myrtle Hall of Jericho, Mrs. Rebecca McCrory of McKnight, Chairman; Miss Mildred Baker of Smith, Miss Hazel Cole of Ashtola and Miss Agatha Taylor of Windy Valley, compose the first, second and third grade course of study committee.

It is a good thing that the Basketball Coaches are requiring the players to make creditable grades in their school work before they can play.

Giles Juniors won a game from the Giles Exes, 39 to 5. This Junior team has a good chance at the County Championship.

Goldston and Martin have played two basket ball games the last week, each team winning one game each.

Miss Helen Baley, Intermediate Grade Teacher at Ashtola gives pupils which teaches them health rules better than a text book.

Mrs. Rebecca McCrory, of McKnight, rewards her primary pupils when they make good grades by allowing them to read at a reading table placed at the rear of the room.

Bray trustees are piping water to the teacherage and making other needed improvements.

Miss Lou Brock of Watkins, received some new books for her enlarged enrollment. This is Miss Brock's fourth year at Watkins. L. A. Kalk, a trustee at Watkins conferred with the C. S. on matters concerning his school.

J. C. Clemons will have some beautiful flower beds around his

school this spring. He built the beds on three sides of the McKnight school house.

The C. S. would like to have the names of all the pupils who make the honor roll in each school so their names can be printed in this column.

MEN WORK ALL NIGHT PIGGLY WIGGLY FRONT

A crew of men in charge of Watters & McCrary, contractors, worked all night Wednesday night, at remodeling the front of the Piggly Wiggly store.

The recessed entrance midway of the front was moved to the southeast corner of the room and the plate glass front rebuilt in a straight line. "The new arrangement will permit a much more attractive display of fruits and vegetables and provide more room for customers," said Mr. U. J. Boston, owner of the store.

Just as we were about to go to press, we heard the fire whistle and upon inquiring found that a wastebasket in the E. M. Ozier home had caught fire, but with the help of the fire department, was quickly extinguished and no damage done.

IMPROVEMENTS ON CAMPUS

During the past two weeks many improvements have been made on the campus of the Senior High. The most notable of these are the four tennis courts which are being re-surfaced with clay. After many loads of clay had been hauled, it was distributed evenly over the courts and leveled by city machinery. At present men are engaged in watering the courts and packing the clay with a roller.

Another improvement which adds much to the appearance of the grounds around the dormitory is the placing of bricks around all of the flower beds. These beds have also been cleared of the debris which collected from last year's plants. A brick walk which will be convenient for Home Economics students in wet weather, has been laid to the side door of the dormitory. Along the walk that runs from the south door of the administration to the street a gutter has been built to carry all of the water that accumulates on the walk to the street.

H. E. BOYS

The boys this semester have been studying the Unit of Foods and Nutrition. Friday the 20th, they served two breakfasts.

The menus for breakfast one consisted of:

- Grapefruit
- Oatmeal
- Scrambled Eggs
- Cream
- Plain Muffins
- Butter
- Coffee

Those that were served were Lloyd Martin, host, Drew Wilkerson, Hostess, Homer Thomas, Willard Skelton, "Heafy" Whitlock, and guest, Mr. Frank Stocking.

The second breakfast consisted of:

- Grapefruit
- Oatmeal
- Baked Eggs
- Cream
- Buttered Toast
- Butter
- Hot Chocolate

Those that were served were Bill Green, host, Ardis Patman, hostess, Bill Thomas, Joe Jackson, Raymond Tidwell, guest Miss Temple Harris. The meal was carried out quite well.

Alpha Delta Psi Literary Society

The Alpha Deltans met in their Society room Wednesday night, January 18, with a good attendance. After Miss Nova Cook, president, called the house to order, new officers were elected for the remainder of the school year as follows: Helen Lawler, president; Kenneth Brown, vice-president; Lu McClellan, treasurer; and Harold Phelps, reporter. Next Wednesday night was set as the time for the installation of the new officers. The Alpha Delta Psi extends a hearty welcome to all visitors.

SENIORS HOLD CLASS MEETING

Monday, after school, the seniors held a class meeting at which several matters of importance were discussed. The president, Alfred McMurry, urged everyone to have his picture made as soon as possible. The president also stated that it would be desirable to place orders for invitations soon. The fact that the date for the Annual Junior-Senior Banquet is approaching was brought to the attention of the class, and it was decided to start making plans for this event. A suggestion was made that the Seniors have a party before those members of the class who will soon become Juniors, owing to their failure in the first semesters work, will have to depart. The motion was not by the president but was not carried.

JUNIOR HIGH SCHOOL STUDENTS ENJOY PROGRAM

The Junior High School enjoyed a program Friday afternoon at 2:45 in the auditorium. The program consisted of numbers by the small children. The first number on the program was a song by Jimmy Boykin, accompanied by Mrs. Allen Bryan. A reading by Frankie Ann Robertson, a song by Beverly Gray Stricklin, a reading by "Sookie" Stocking, a song by Manley Bryan, a reading by Hayter were also given. The Junior High School really enjoyed this program and the pupils hope that these talented little folks will visit them again soon.

ASSEMBLY REPORT

Monday afternoon at 1:20 assembly was called for the College and high school students. Mr. Burton made several announcements about the changing of schedules. He stated that business arithmetic was open to Juniors and Seniors only for the present semester.

JUNIOR CLASS PLANS TRIP

The Junior class was very happy to receive the invitation given by Elinor Morris to visit the Morris Ranch at Springcreek. The ranch situated about sixteen miles from Clarendon. The class has planned to leave at three o'clock in the afternoon on two trucks which are to be hired to take the students to and from the Ranch. Miss Anna Wiedman, the sponsor of the Junior class, will be the chaperone on this occasion. Everyone is planning to have a good time.

Changing names has become a vogue among the Junior College students as is evidenced by the name seen on Terrill's Atlantic Monthly—Billy Jo Terror written in bold black letters. Terror of we don't know what, unless it's women who have a weakness for red mustaches.

Little Murphy and Benson head the list of "new crushes" for this week.

All those interested in doing self-work are requested to contribute safety pins for a defenseless little boy who got all the buttons torn off his jacket by a big brute of a man down on Kearney Sunday night. Holl's Leathers seems to be going back to his baby days.

A group of promising young Americans have written the president-elect demanding a better quality of liquor after his inauguration, March 4th. Patriotic? Not exactly!

A certain young lady gangster is "hiding out" from the law this week due to the fact that the City Marshal has threatened to put her "on the spot" in the Mayor's office for winning all the Kearney street races. Rumor has it that she passed every car on the whole three blocks in record time.

HOME ECONOMICS

The first year Home Economics girls have finished their dresses which were their problems for the first semester and are putting

Palo Duro Literary Society

Exams are over at last and they weren't nearly the terrors we spent sleepless nights cramming for. Did we flunk 'em? Not on your life!

Now, we're back into society again, the first meeting since before the holidays and we're going to make it "bigger and better" than ever. After all, doesn't psychology teach us that a little fun mixed with our studying makes a more active brain?

With the election of a complete new roll of officers, the society played "Fruit Basket Turn Over" at the beginning of the program. For Bill Wood took Dorothy Jo Taylor's place as president, Josephine Murphy was elected vice-president, Pauline Sanford became secretary and treasurer, Silas Franklin, critic, Joyce Link reporter, and LeRoy Leathers janitor.

After all official duties were dispensed with, a very interesting program concerning the life and works of Benjamin Franklin with a musical interlude to relieve the monotony was rendered. Vocal Duet, "A Little Street Where Old Friends Meet" and "When You Were a Tulip" by Carroll Holder and Jean Bourland. Life of Benjamin Franklin by LeRoy Leathers. Saxophone Solo, "Just a Little Street Where Old Friends Meet" and "Cruel Daddy Blues" by Henry Wilder. Sayings of Benjamin Franklin by Joyce Link. Poem, "Franklin" by Lucille Andis.

them on display at Greene's Dry Goods Store beginning Monday, January 30, and lasting until Wednesday night, February 1. Past cure is still past cure.

AGRICULTURE NOTES

The first Year Agriculture class spent last week studying the ways of "Terracing". This class found to be a beneficial and an economical way to maintain fertility.

The class spent three periods running terrace lines on the Robert Nichols farm near Ashtola. They were very successful except with one terrace that was discovered to be out of line because some one of the class had knocked the level out of line and caused it to be untrue.

The class plans to finish this work next week if weather conditions permit.

TEACHERS AND CUPID

Discrimination against women school teachers who marry has become widespread and the American Federation of Teachers is marshalling its forces in their behalf.

They ask the pertinent question: "Why should teachers be barred from their profession when they marry, while stenographers, bookkeepers, clerks and other women wage-earners are not subject to discharge for this reason, so long as they acceptably perform their duties?"

Among the champions of the married teachers is Mrs. Helen Taft Manning, daughter of Chief Justice Taft, she herself holding the important position of dean of famed Bryn Mawr College.

To a fair-minded person it would appear that the only test which should be applied to anyone in a public or private position is that of fitness for the duties to be performed and the willingness to perform them faithfully.

An acre of sisal yields from 500 to 1,000 pounds of fiber.

SPORTS

SPORT SPUTERS

BY O. C. WATSON, JR.

Say everybody, just listen to this. Through the co-operation of the city's business men and coaches Hutton and Stocking, a big two-day Track Meet is about to be staged in dear old Clarendon, which will include all twenty-six counties in the Panhandle and towns of all rank and size. Of course prizes will be given, not medals, but prizes that the winner can use. The date has not been announced but as soon as these men can get their plans made, the dates will be announced. This is to be called the "Young Panhandle Olympics". If all schools come that are to be invited, there will be some 250 boys in Clarendon for the two days. The track is being considered and the field is being cared for to take care of the capacity crowd. Boy, what an event this is going to be! Mr. Lloyd Benson also deserves much credit for this meet.

It sure looks like no one can stop these Texas Longhorn Cagers as they have brought their games up to 5 wins and no losses. They nosed out S. M. U. Friday in a very tight game.

S. M. U. plays Rice tonight in their fifth conflict.

I notice the Clarendon Jr. College Cagers won a game the other night by defeating the Lelia Lake Zebras 26 to 17. Boy, what a team they must have. This puts them with three losses and 1 win.

I want to thank all of you "Criticizers" for enabling me to continue with my job.

"The Family Next Door"

A Weekly Feature of The Clarendon News

"The Family Next Door"

LISTEN, MONEY - I DON'T WANT TO BE AN OLD KILLJOY OR ANYTHING, BUT I NOTICE OUR FOOD BILLS ARE MUCH MORE THAN THEY WERE LAST MONTH.

WELL, WHAT OF IT?

WHAT OF IT? GREAT SCOT, WOMAN! I THOUGHT WE WUZ GONNA TRY TO SAVE A LITTLE MONEY - CUT DOWN ON THESE SCOTIA THINGS! YOU'VE BOUGHT ENOUGH STUFF TO FEED AN ARMY - WHY? THAT'S WHAT I'D LIKE TO KNOW!

NOW WAIT A MINUTE, SASSY! LET ME SAY A WORD - THIS ALL CAME FROM ONE OF YOUR BRIGHT SUGGESTIONS - I BOUGHT MORE STUFF -

- SO I COULD ECONOMIZE ON LEFT-OVERS!

Bits Of WASHINGTON'S Current Comment

The sudden death of former President Coolidge has interrupted the trend of thought of the country for a time, even though no corresponding break in the activities of a busy land was to be observed.

Regarding the money matters of the Federal Government, it is said that the President in the near future will place something on record showing how affairs stand. The paper may be merely a statement for the benefit of the public at large.

The foreign debt situation rests in a status quo. We cannot kill off a few billion dollars worth of French and call it square, nor would we be any better off if we attempted to do so.

A sailor who was having a tough time under a hard-boiled skipper, tied a can of sea biscuit and a jug of water to a life preserver, jumped overboard, and was picked up by another craft, whereon better manners prevailed.

Russia is said to be aiming at a new plan for the benefit of its citizens. An aim, as a plan is about as far as communism can go toward disposing of the troubles of the world.

An alleged captain in one of the Chicago vice and rum armies has been found on a side road, with the top of his head missing. The police fear a reopening of the gang war. Why worry about it?

A newspaper department which purports to give advice on domestic matters, prints a sympathetic but rather impractical answer to a question from a lonely wife as to how she can keep her husband at home.

A rolling pin which has been in the same family for more than 150 years is still being used by Mrs. A. W. Beveridge of Olathe, Colo.

Seven hundred pairs of women's garters were found by police in the luggage of a self-styled Don Juan who police believe is J. F. Franklin, escaped Oklahoma convict.

WATCH YOUR MACHINE

Every prudent person who owns and operates a piece of machinery is careful to see that it is kept in good condition. This is generally done through frequent inspections to detect unusual wear and tear, so as to have the necessary repairs made before the machine actually breaks down.

The most important piece of machinery of all, however, is often sadly neglected. We refer to the human body, the machine upon which all joy of living depends.

It is well that people are more and more getting the habit of having periodical physical examinations, even though they be apparently in good health. By these examinations incipient disease may often be detected long before the person examined would have felt any discomfort from it.

Every person, especially those getting along toward middle age, should have a thorough physical examination at least once a year, whether they feel any symptoms of disease or not. If no disease be found, it is a great satisfaction to know that one is sound physically, while a warning of disease in its first stages enables one to obtain treatment which may check its progress and materially prolong his life.

TOUGH ON MASHERS

Those who would "ply the avocation of a flirt or masher" find little opportunity for the sideline of activity in the town of Abilene, Tex., if an ordinance passed by the municipal authorities is strictly enforced.

Quite a number of such regulations have been made in various cities and towns, but it appears that the Abilene fathers have tried hard to construct a model ordinance covering the offenses sought to be suppressed. How well they have succeeded may be judged by the following extracts from the law.

"It shall be unlawful for any person to idle and loiter on any street or thoroughfare, sidewalk, or doorway of any place within the motor car, motion picture show, business house, or in the entrance or doorway of any place within the corporate limits of the city of Abilene for the purpose of plying the avocation of a flirt or masher.

ECONOMIC HIGHLIGHTS

Happenings That Affect the Dinner Pails, Dividend Checks and Tax Bills of Every Individual, National and International Problems Inseparable From Local Welfare.

GENERAL—As the year gets underway, business shows a determination to balance budgets and make both ends meet. New retrenchment is anticipated.

Heavy industries are still sluggish. Surpluses of raw materials are formidable, with stocks of finished goods low. This oversupply of raw materials, plus reduced buying power, darkens the business picture at present.

Best sign is the mental attitude of business—it is entering the new year with more real morale and honest confidence than for several years past. Securities and commodities, of late, have shown considerable strength and the fact that depression has forced on industry a new meaning of efficiency should cause earnings to jump fast when the turn comes.

THE FARM—Expectations are for better grain prices in 1933, unless production is heavily increased. The winter wheat crop is forecast at 400,000,000 bushels, smallest sowing since 1923. The cotton crop is expected to total 24,000,000 bales, smallest in five years.

Livestock market and price level reported firm.

Industry—Raw steel output in 1932 was 13,000,000 tons, lowest since 1906. Steel mills operated on an average of 19.41 percent of capacity.

Heavy engineering construction contracts for the last week of year rose to \$38,329,000, a weekly figure surpassed but twice during 1932.

Confidence is expressed that oil industry is at last working out of depression. Supply has balanced demand, a relative degree of price stability has been reached. Since 1930 crude inventories have been reduced by 88,000,000 bbls.

Shipping men look to future with hope, as result of Sixth National Merchant Marine Conference. High government officials favoring continuance of

"It shall be unlawful for any man in the city of Abilene to stare at or to make goooey eyes at, or in any other manner look at or make remarks to or concerning, or cough or whistle, or do any other act to attract the attention of any woman upon or traveling along any of the sidewalks, streets, or public ways of or in a manner calculated to annoy such woman."

Federal aid for maintenance and protection of the Merchant Marine.

New official figures show that copper production in 1932 was about one-half of 1931, and that refinery production was 54 percent lower.

Full-fashioned Hosiery Manufacturers Association of America, Inc., favors 30-hour work week, and bill limiting operation of any equipment in excess of 12 hours per day.

The rail wage controversy grows steadily more intense. The \$200,000,000 deficit incurred by Class I lines last year has made drastic economy unavoidable, and it is believed that wage cutting is one of the few possible ways to achieve this.

Automobile interests prepared to make a strong bid for better business this year. They point to the new low price levels, the improved products and the obsolescence of so many cars now in use as justification for optimism.

Congressional leaders of both parties now considering advisability of broadening powers of the R. F. C. to give it wider discretionary authority in making loans to rail roads for their immediate needs.

ABROAD—In general, Canadian business conditions show no improvement. Central American situation improved due to exports of new coffee crop. Chilean situation somewhat less optimistic, with manufacturers reducing output. Confidence reviving in Italy, largely due to successful crops, fairly stable employment and improvement in some industries. In Mexico improvements of early fall are continuing. Philippine export trade continues stagnant. Sweden showing encouraging increase in exports; however, prices are lower and exchange unfavorable. Abandonment of the gold standard by the Union of South Africa has virtually suspended foreign busi-

They Relate Their Experience

VENABLE WILSON, Atlanta, Ga.

DAN O'BRIEN, Kansas City, Mo.

"Sargon Soft Mass Pills proved to be exactly what I needed. This is the first time in six years I don't have to dose myself with purgatives."—Venable Wilson.

"These pills are simply wonderful for stimulating the liver and ridding the system of poisons. For the first time in years I am entirely free of constipation."—Dan O'Brien.

Sargon Soft Mass Pills are not like any laxative you have ever taken. They are so gentle and thorough in their action that there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all, their directions call for a gradual reduction of the dose until the point is reached where you no longer require a laxative of any kind.

This remarkable medicine may be obtained at Douglas-Goldston Drug Co.

CONOCO SCORES TRIUMPH IN NEW TYPE GASOLINE. FOR A NAME \$5,000.00 IN CASH. FOR BEST SLOGANS \$5,000.00 IN CASH. \$10,000 IN CASH PRIZES! Instant Starting Pick-up Lightning Gasoline

IF YOUR TOES ITCH MERITT-FOOT POWDER Will Stop it Instantly. Guaranteed for Athletes Foot—just dust it on the feet and in the shoes. Kills the germs which live for months in leather—Deodorizes Foot and Shoe—Clean—Harmless—Odorless. Ask us about it.—Douglas-Goldston Drug Co.

Where Does She Get Her "Pep?" SHE doesn't look seventy. Nor feel that old. The woman who stimulates her organs can have energy that women half her age will envy!

Nothing Will Help You So Much to Win as to T-R-Y this Gas in Your Car. Conoco refining chemists have produced a new, improved motor fuel. No matter how different it is, we must call it g-a-s-o-l-i-n-e; for that is the name the public knows for every motor fuel. But this gasoline deserves a special name; one that suggests how "different" it is. How else may the public know? Conoco (.....?) Gasoline! If you can give us the name we want, \$5,000 in cash is yours. \$5,000 more will be divided among those who suggest the best slogans to describe it. What we seek is to make motorists "understand."

CONTEST RULES: 1 Names must be not more than 12 letters; slogans not more than 12 words. Submit either or both on single sheet; plain white paper; one side only; but preferably on official contest information-and-entry blank, free at Conoco dealers and stations. Elaborate presentations receive no extra credit. 2 Contest closes midnight, February 23, 1933. Entries must be postmarked before that date and hour. 3 Continental employees, members of their families and others connected directly or indirectly cannot compete. 4 Should more than one person submit exactly the same name or slogan, each will receive full amount of any prize such entry may win. All entries become Continental Oil Co. property, and none will be returned. 5 The Company reserves prior rights to phrases and slogans of its own creation, already in prepared advertising. Also it reserves the names "Continental" or "Conoco" gasoline, "Conogas", and "101" gasoline. Whether or not the winning contest name is adopted, prize money will be paid; but the Company reserves the right to use a name of its own creation if decided more suitable and more protectable under trade-mark laws. 6 No purchase is required of contestants. Continental Oil Co. executives will be the judges and their decisions final. Winners will be announced over radio, and prize money paid as soon as possible after contest closes. ADDRESS ALL ENTRIES TO "CONTEST OFFICIAL" Continental Oil Company Ponca City, Oklahoma

Lower Gas—

may charge and collect less than the rates herein fixed, but may not charge nor collect more than the above fixed rates. The minimum monthly rate is \$1.00 for each consumer.

This Ordinance shall be in force from and after February 1, 1933.

WHEREAS, an imperative public necessity exists that the rates charged for natural gas in Clarendon, Texas, be fixed at the amounts above stated, and that the rule requiring ordinances to be read on three several days be suspended; such rule is hereby suspended, and this ordinance is passed under suspension of such rule, and shall be in force from and after the date herein provided.

The above and foregoing ordinance was duly read and unannouncedly passed, approved and adopted at a recessed regular meeting of the City Commission of the City of Clarendon, Texas, held in the City Hall in Clarendon, Texas, on this January 20, 1933.

W. P. CAGLE, Mayor,
City of Clarendon, Texas.
Attest: Mae Shaver,
City Secretary.

Rates Now In Effect

Under the provisions of the franchise issued to the gas company when it began business in Clarendon the following rates are provided:

For domestic use, a rate of 70 cents per 1000 cubic feet, with a 10 per cent discount if bill is paid by the 10th of the month.

For semi-commercial use (meaning users of 600,000 cubic feet or more per month) the following schedule of rates applies: First 100,000 cubic feet, 50c per 1000; next 400,000 cubic feet, 23c per 1000; next 100,000 cubic feet, 22 1/2c per 1000; over 600,000 and up to 1,000,000 cubic feet, 22c per 1000.

For commercial use (meaning over 5,000,000 cubic feet and not exceeding 8,000,000 feet, 17c per 1000; over 10,000,000 and less than 20,000,000 cubic feet, 16c per 1000; over 20,000,000 cubic feet, 11c per 1000 cubic feet.

On all above bills the 10 per cent discount is to apply when bills are paid by the 10th of the month.

"EXPRESSIVE RELIGION"

Text:—"Let the redeemed of the Lord say so." Psa. 107:2.

This exhortation is to tell not what we are or what we have done, but to tell what God has done; and not what He has done for us physically, mentally or socially, but what He has done for us spiritually. He has redeemed us.

I. This duty we owe to ourselves. No true man is willing to compromise himself, but is willing for the world to know where he stands.

II. This duty of letting others know we are redeemed, we also owe to others. The secret disciple wins few followers for the Master.

III. This duty of letting men know that we are redeemed we owe, above all else, to God. We owe it to Him as a matter of gratitude. We owe it to Him as a matter of rejoicing. All of the honor and all of the praise of our salvation belongs to our God. We owe it to Him as a matter of obedience. He commands it. "Let the redeemed of the Lord say so."

IV. We that are redeemed should "say so" in word—both written and spoken. Many souls have been won to Christ by written appeals. We should "say so" with spoken words, both in public, personal profession as we publicly own Jesus as our personal Savior, and also by personal testimony to the Savior. Like Andrew of old, we must also go and find others and bring them to Jesus.

V. We that are redeemed should "say so" by our works. Not only by the words of our lips, but also by the works of our lives. Here too, "Action speaks louder than words." The Gospel lived is more powerful than the Gospel preached.

VI. We should "say so" before our loved ones, in the home, before our comrades in business, and before all the world. God's mercies are new every morning and that calls for expressions of praise every day.

Next Sunday morning we will bring a lesson on: "The Church—What We Can Do For It." This lesson will be of interest to all who are trying to give God honor and praise for His mercy and loving kindness toward them. At the evening services we will bring a message on the subject: "Appearance And Reality." We aim to show the difference between sham and true religion.—W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

J. R. Porter returned Monday night from Abbyssville, South Carolina, where he went a week earlier on business.

Legion Open-House—

announcement—sometimes to his great confusion.

At the conclusion of the program coffee and French doughnuts were served to members and guests, after which a large number engaged in domino and "42" games.

Legion Officers

Officers of Aubyn E. Clark Post, No. 126, American Legion, of Clarendon, are: H. R. Kerbow, Commander; C. Huffman, 1st Vice-Commander; G. L. Boykin, Adjutant; R. M. Chunn, Chaplain; F. W. Tucker, Sergeant-at-Arms; C. J. Douglas, Service Officer; H. T. Burton, Historian; Chas. B. Trent, Liaison Officer.

Legion Membership

A total of 93 ex-service men are enrolled in the local Post this year, the membership reaching quite close to the quota set for the year. The membership list follows:

Pierce, James Q. Moore, Sullivan Cooper, T. M. Shaver, Ernest L. Hunt, E. R. Andis, Joe A. Holland, H. R. Skinner, Robert C. Henry, W. E. Cliffner, M. L. Stricklin, H. L. McElvany, W. J. David, V. R. Jordan, R. F. Wiedman, L. W. Wilson.

Boy Scouts in Over Night Hike

Friday afternoon, Jan. 3, at about three o'clock, 22 of the Boy Scouts with their leaders left for Blocker's Ranch where one of the most enjoyable occasions was entered into.

In about 40 minutes we were there. The Patrol Leaders with the Scout leader, according to Scout Spirit, looked the beautiful grove over and chose a place where the fire of the big campfires would not harm the trees. That done, wood was gathered and piled in three piles. One of the boys showed his skill at building fires, starting the fire with only one match.

Then the fun began. First Patrols No. 1 and No. 2 divided No. 3 between them and agreed to separate about a quarter of a mile apart and send a message with signals. The first message, as that was first in our minds, was "When do we eat?" It was picked up immediately and the reply, "We eat at seven," was sent and received. With another message or two sent and received, we gathered back to the camp fire to begin preparation of the evening meal. That soon ready, all ate to their fill. By that time it was dark and the two groups began other signaling. After a successful display that that could be done, other games were indulged in until about ten o'clock, when bed time arrived. All to bed for the night of rest.

The next morning reveille sounded to find that many had already arisen and had another big camp fire going. The official cooks soon had a sumptuous breakfast ready and "eat?" Every body seemed to have lost his appetite and to have found a dog's appetite.

Then an hour or two's exploration began which lasted until about ten o'clock when our retreat started. But we did not want to come home.

We wish to thank Mr. Blocker for his kindness to furnish such a good place for that camp. Those leading the boys on this camp were: R. E. Drennan, S. L. Tidwell, Lee Vaughn and Rev. B. N. Shepherd.

Parents—remember your boys will never be carried on Boy Scout Trips without proper chaperoning. If more parents will back this work we will have less worries and better citizens out of our boys.

—By A Fellow Camper.

CITIZEN OFFERS TO ASSIST LIONS

WORK AMONG CRIPPLED AND BLIND CHILDREN BRINGS OFFER OF TIME, MONEY

His sympathies enlisted by the work which has been done, and is being continued by the Lions Club of this city among crippled and blind children, a citizen has offered the club the use of both his time and money, whenever either are needed, in carrying on its humanitarian work.

"I think that the work the Lions are doing is truly noble and, while I am not a Lion, it occurred to me that there might be occasions when my time or some of my money might be welcomed and help in carrying on this splendid work," said this citizen. Members of the Lions Club appreciate very much the offer of assistance and especially the stamp of approval which the offer placed on their work.

The club heard the foregoing statement at its regular luncheon Tuesday, where the roll-call answered by each member stating the number of years he had lived in Donley County, Odos Caraway having lived here the longest—46 years. W. H. Patrick came to the county a year later. Many of the members have been residents of the county for more than ten years.

Detailed reports as to progress of the several children's aid cases which the club now has in hand were heard. Close contact with them is being maintained. One case was sent back home by the examining physician with the statement that it was undernourished to such an extent that its bodily strength must be built up and weight increased several pounds before it would be safe to undertake treatment. Arrangements have been made for the supply by neighbors of milk, eggs, etc., necessary for the child's building up.

W. H. Patrick urged that members of the Lions Club check their personal libraries for any volumes which they could donate to the Public Library. "When it is realized that more than 13,500 books have been borrowed within the past year by members from a library which contains a

total of only 2,600 volumes, a turn-over of five times per year, it is evident that the library is genuinely appreciated by the people and that it should have more books," said Mr. Patrick. The management of the library will greatly appreciate gifts of books by the citizens. A book shower is being planned for an early date.

T. D. Nored who, with Sam M. Braswell, attended the Zone meeting of Lions at McLean last week, made a brief report of the meeting, which was attended by representatives of the Clarendon, Claude, Estelline, Childress and Amarillo clubs. The next zone meeting will be held at Clarendon during April.

Bon Ton Remodels And Brightens Up

The Bon Ton Confectionery's interior appearance has been materially improved by the remodeling and re-decoration which has been going on this week under the direction of Homer Taylor.

The back bar has been completely rebuilt and its length doubled, making it more attractive and more useful. All the woodwork and furniture has been refinished. "Oh, it doesn't amount to much, but it does make things look better around here," said Floyd Lumpkin, owner of the Bon Ton for so many years that he can't remember when he acquired it. And it does look a lot better.

DRS. JENKINS ATTEND MEDICAL MEET FRIDAY

The Four County Medical Society, which is composed of doctors from the counties of Collingsworth, Childress, Hall, and Donley, met at Memphis last Friday evening, with an unusually good attendance. Drs. B. L. and O. L. Jenkins of this city were among those present.

Interesting papers concerning medical theories were presented by Drs. Jones of Wellington, and Townsend of Childress.

In the December meeting officers were elected for the coming year. These were Dr. J. A. Odum of Memphis as President and Dr. O. R. Goodall, also of Memphis, as Secretary. Dr. O. L. Jenkins is the retiring president.

Miss Marjorie Guill, of Memphis, is visiting the family of her aunt, Mrs. Guy Kerbow.
