Shamrock Wins First In District Boxing Meet

The district boxing meet which was held here last Thursday, Friday and Saturday nights, was acclaimed as the best to be held in this area this year. In most cases, the bouts were well matched and after the event was over there was very little doubt about the winners of each weight class being the best boxers to enter the meet.

According to T. H. Seay, Vocational Agricultural teacher at Clarendon, the Clarendon Chapter of the Future Farmers of America will be very much in the State Fair Stock Show this year.

The results of the bouts by the nights with some of the finals appearing on the card on Friday night are as follows:

Much Needed Rain Nets .85 Inch Here

The big heavy clouds which have been passing over for several days finally decided to turn loose Wednesday afternoon and last night to quench the thirst of the parched ground that has taken a beating from the strong winds of the past few weeks. The total precipitation recorded by the official weather station at the airport was .85 inch and a good portion of this amount fell reasonably slow whereby it was of more benefit.

Farm and ranch land in this area were beginning to need the rain pretty bad. There has been enough moisture to hold the wheat in fairly good shape and get the grass started growing, but it would have been only a short time until it would have been an altogether different picture. The rain seemed to be general all over the Panhandle area with the heavier rain being recorded to the northeast. It was considered more or less a life saver of the wheat on much of the plains area as the crops there were in very bad condition. This is probably just the starting as thunder showers are forecast for the next several days and this is the time of year that we usually experience rains of flood proportions.

DONLEY CO. CONSUMERS DECLARE DIVIDEND

The Donley County Consumers organization recently declared a three percent dividend, and although a number of the stockholders have received their checks, the thing that is worrying the manager, F. O. Naylor, is that a number haven't received their checks and he has no record of their present address. He is asking all those interested to come by and pick up their money or inform him of their mailing address.

OPINION RULES COUNTY MUST MAINTAIN OFFICE

AUSTIN, Texas—The office of the attorney general ruled Saturday, April 10th that the office of county superintendent of schools may not be abolished in Donley County. R. Y. King, county attorney, wrote that since the school population had dropped to 1,700 "the people are now anxious to abolish the office. However, the attorney general ruled that under present law the office could be neither abolished nor discontinued.

MRS. J. F. JACKSON BURIED HERE TUES.

Funeral services were held Tuesday afternoon at the First Baptist church for Mrs. Lora Melvina Jackson with Rev. Ernest Phillips officiating. Mrs. Jackson, age 51, passed away at a Memphis hospital Monday following a quite lengthy illness. She had been a resident of the Goldston community and Donley County for the past 10 years. Prior to moving to Donley County, she was a resident of Hall County for 17 years. She was a member of the First Baptist church.

SOIL CONSERVATION WORK IN COMMUNITY "A" UNDER THE 1948 AAA PROGRAM

Donley County is divided into 8 AAA Communities. Community "A" is that part of the county north of the Salt Fork of Red River and east to a line about even with Alanreed. Much of this community in the county is grazing land. There are only 85 worksheets covering the farms and ranches in this community. The AAA Community committees for Community "A" are: Clarence J. Merrick, Roy H. (See SOIL, back page)

PLOWIN' Out the CORNERS by Uncle Zeb

If we could remember to look up to no one, even though they might have robbed a bank; or, down on anyone, even though they might have written a column, but to look for the good in every one, we would be better off in life.

We can do without the necessities of life until we will appreciate them. Anyway, when I was a boy I thought that corn bread and sweet milk; brown beans with pork boiled in them was just something to keep little boys and girls of poor families, like ours, from starving to death. Now, when Mama has time to cook them, I eat and I eat, and then want to save the left-overs for the next meal. I wonder how many of the everyday things would seem like luxuries if we suddenly didn't have them.

For a medicine to be good I wonder why it has to either: smell bad, taste bad, or burn when you rub it on. Anyway, if you have to have some ailment, don't have something that looks like it might last for seven years, and feels the same way. Even if you try to pronounce what the Doctor said you had, people still give you that funny look.

Had a nice letter this week from Joe Hatton of Amarillo. Joe is one of the state directors of the Farm Bureau, in addition to being an all around good fellow. Anyway, he warned me to hide all the Farm Bureau papers, and not let Mama read about the National Farm Bureau Convention next December in Atlantic City, N. J. I hid them from Mama but I get them out once in awhile and dream about the trip myself. Don't know what about taking Mama along inasmuch, as the trip includes a few days at Niagara Falls. Thanks again Joe.

Offered our column to a few more of the better Weeklies in the Panhandle area, and the nicest "No" that we received was from W. R. Rutherford of the Moore Co. News. Anyone can say Yes and make the other fellow feel good, but few people can say no and still leave you feeling good. Anyway, Mr. Bill can, and I will get that new ribbon for my typewriter and make those other adjustments that he suggested, and then write him a letter, as he suggested. Thanks Mr. Bill.

The biggest event due to happen in Claude this year seems to be the Rodeo on July 30 and 31. Although everyone is asked to help promote and put on this year's show, the Legion is really going all out, bending over backwards, robbing their piggy banks, and doing everything possible to make this year's show equal to that of any size town. Anyway, they asked me to especially invite my friends in Canadian, Clarendon, Vega, and other folks to come over and visit with us. Free Barbecue, parades and all the other trimmings will go along with it. I appreciated them think-

SERVICES HELD MONDAY FOR T. J. GILLESPIE

Funeral services were held Monday afternoon at the Womack Funeral Chapel for Thomas J. Gillespie with Rev. S. W. Hayne officiating.

Mr. Gillespie, age 61, passed away April 18 in an Amherst hospital. He had been a resident of Clarendon and Ashtola off and on since 1938. He moved to Donley county from Stonewall Co.

He is survived by two sisters, Mrs. Ida M. Wallace of Clarendon and Mrs. Minnie Shadle of Corpus Christi; two brothers, Geo. Gillespie of Peacock, Texas and Joe Gillespie of Decatur. Also several nephews and nieces.

Pallbearers were John White, Pete White, Ben Lovell, H. S. Mahaffey, J. R. Brandon and D. L. Vaughn. Interment was in Citizens Cemetery with the Womack Funeral Home in charge of arrangements.

POSTMASTER ATTENDS TEXAS MINERAL CONVENTION

Among the several hundred to show exhibits of gem stone products at the annual meeting of the State Mineral Society in Austin Saturday and Sunday was Postmaster J. C. Estlack.

At the close of the meeting in a state-wide contest, Estlack won second prize for best general exhibit. The prize is a pendant brooch set in gold, a product of the Bujard firm in Alpine, Texas. Thirteen states were represented with exhibits. Only Texas members of the Texas State Mineral Society were eligible to compete for prizes of which there were ten, and five ribbons were given for crystal exhibits.

During the business session, the Postmaster was elected a member of the Board of Directors of the Texas State Mineral Society.

ing that a lot of folks read our column, and am glad to be of service. Thanks Legionnaires, and pass me a second helping of that good barbecue and stack those beans up a little higher.

Listening this morning to George Young interview Honest Bill Miller of Spearman, I wondered if he got that name by being honest. Guess so.

Cecil says, my trouble was meanness working out. I should be a good boy now.

Just received a nice letter from Mr. Holly Wood of Lelia Lake. Mr. Wood accuses me of doing a lot of grunting in my last column about my sore neck. Anyway, I am better now and to make me feel even better he invited me to have supper with the Farm Bureau folks around there on Monday evening, April 26th at the Lelia Lake school house. Thanks for the invitation and for the opportunity to get acquainted with the folks. If possible I will sure be there. One of my weaknesses, and I have a lot of them, is cocoon pie. However, I wouldn't want to drop a hint.

One of the outstanding entertaining programs of the spring season will be enjoyed by Donley County people when the Amarillo High School A Capella Choir, directed by Julia Dean Evans, comes to the new high school gymnasium here on May 6th, under the sponsorship of the local Band Parents.

The Choir is composed of approximately one hundred voices and does honor to the prestige it has built up over the Panhandle during the past few years. The Choir will feature a varied program of religious, popular and novelty numbers.

The proceeds from the evening's entertainment will go to bolster the treasury of the Band Parents—a needy cause which further assures success of the high school band through purchasing of needed equipment and the repairing of instruments needing reconditioning. The price of admission for this type of skilled entertainment is well within the reach of everyone. Adult tickets will sell for \$1.00 and students and children for 50c. The program will begin promptly at 8 o'clock, Thursday, May 6th. Keep in mind this date and make it a "must" on your calendar of entertainment. You will thrill to talented voices blended in harmony as this choir and their able director bring out the beauty in every number rendered.

American Legion To Sponsor Junior Baseball League

The local American Legion post voted Tuesday night to sponsor a Junior Baseball League in Donley County this coming summer and practice sessions are scheduled to start just as soon as school is turned out.

Clifford Johnson, Hedley Legionnaire and District chairman of the youth baseball program, met with the group and stated that the Hedley youth had been playing under this program for the past three years and it was working out fine.

George Thompson will assume the duties of coaching the team, and a team manager is to be announced within the near future.

Those eligible to play on the team will be boys who had not reached their 17th birthday on January 1, 1948 and any boy under this age is eligible to play. The deadline for enrollment will be May 30th and the boys birth certificate must accompany his application which will be presented to the club manager when his identity is announced.

The team will have an opportunity to play a number of teams from neighboring towns over the Panhandle who are qualified under this program. It will give the youth a good clean sport and will include lots of the smaller boys who are not physically able to play football, etc., a Legion spokesman stated.

The Legion has already had some offers from business firms to furnish the suits and it is expected that a number of other firms will be happy to help take care of the other equipment.

We will publish more particulars in regard to the entire set-up just as soon as the program is complete.

Mr. and Mrs. Paul Hill of Dumas, Texas are the proud parents of a son born April 16 in Northwest Texas hospital in Amarillo. His name is John Paul. His grandparents are Mr. and Mrs. H. B. Hill of Clarendon.

Home Freezer Demonstration To Be Held Thursday, April 29th

Miss Norma Lantz, Philco home economist, will discuss and demonstrate points of frozen food chests to the general public at a free Philco Freezer demonstration at 7:30 p. m. at the Rundell & Estlack Machinery Company.

This is the first demonstration of this nature to be held here and Miss Lantz will demonstrate all the advantages of a home freezer and how to prepare the many foods that may be stored in one of these units.

She has pointed out that it is not necessary to own a freezer chest in order to benefit from the demonstration. The shortcuts to housekeeping which Miss Lantz will demonstrate will be applicable to any type freezer chest, locker plant drawer, and even the small storage space which is included in many of the advance refrigerator models being sold today.

Rundell & Estlack is sponsoring the demonstration which is entirely free to the public and are urging everyone interested to attend so that they may gain much helpful information that may be of great benefit in the future. Remember the hour is 7:30 p. m. next Thursday night, April 29th.

OVER 4 HUNDRED ATTEND AIR BREAKFAST SUNDAY

The Air breakfast held here Sunday morning, sponsored by Joe Jones, Mrs. J. Fred Smith and the Aviation club, was a great success with approximately over four hundred people in attendance with over two hundred of them flying in from surrounding towns over the Panhandle and New Mexico. The visiting planes to land at the local field were counted at 110 and that was quite a sight to see so many planes circling the field, awaiting an opportunity to land, and it took approximately an hour for the majority of the planes to get in the air again after the flyers had finished their breakfast.

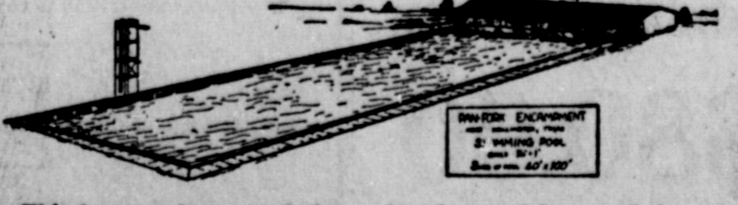

And in speaking of the breakfast, there were plenty of mouths to be fed and the chow line stretched out two hundred feet or more. There was plenty of bacon and eggs and everyone seemed to enjoy the occasion very much. Approximately 200 town people arose early to go out to the field and help welcome the visiting flyers and watch the arrival and departure of the planes.

Survivors include her husband, four daughters, Nora Arline, Edith Lee, Geraldine and Patsy Jean all of Clarendon; three sons, William of Amarillo, Frank and Kenneth of Clarendon; her stepmother, Mrs. J. H. Ashcraft of Clarendon; six sisters, Miss Emma Ashcraft, Clarendon; Mrs. F. D. Adkins and Mrs. Joe Marcum of Amarillo, Mrs. Emmett Ware, Wellington, Mrs. M. L. Adkins, Loco, and Mrs. Tom Scoggins of Lakeview; three brothers, J. C., W. W. and J. L. Ashcraft of Clarendon and one grandson.

Pallbearers were Sam Dale, W. H. Gray, Roy Robertson, Houston McDonald, Bill Littlefield and Odell McBrayer.

Burial was in Citizens Cemetery with the Murphy-Spicer-Buntin Funeral Home in charge of arrangements.

Mr. and Mrs. W. R. Morrison and family of Pampa visited his mother, Mrs. J. W. Morrison Sun.

This large and accommodating swimming pool is one of the many recreation facilities offered those attending Pan-Fork Encampment this summer—July 19-23 for girls and July 26-30 for boys.

Pan-Fork is a Summer Assembly sight that has been made available to the Baptist Churches of the Panhandle Plains area of the state. It is located near Wellington on the Salt-fork of the Red river. The site is covered with many beautiful trees and has a stream of running water crossing it. Some \$20,000.00 of permanent improvements are being constructed for use this summer.

**Mid-West Farmers
 Marketing Own
 Tractor Tires**

The farmers of the mid-west have developed and are marketing their own tractor tires, according to F. O. Naylor, manager of the Donley County Consumers, a cooperative association operating in this community. This tractor tire, which is superior in design and function, is distributed exclusively through farm cooperative organizations under the Co-op trade name and contains many new features that are the result of years of study and research by farm organizations. This new tire, which has been developed by farmers by writing their own specifications, offers greater traction, greater wearing surfaces, has greater cleaning action, 12% wider bars and 45% wider shoulder bars, stronger reinforcement and a stronger carcass. It is designed to do a better job for the farmer who controls the molds in which it is made and the distribution system which brings it to him on a cooperative basis.

This new tractor tire is expected to have a revolutionary effect

on the use of farm traction equipment, Mr. F. O. Naylor stated. The Co-ops have done a great job in developing this tire and it will be of great benefit to the farmer, he said, and the price is in line or a little lower than ordinary tractor tires, to say nothing of the refund the farmer will receive back from his cooperative.

The local cooperative, Donley County Consumers, is one of the 5,810 cooperative organizations in the mid-west, serving and owned by 3,000,000 farmers, that have banded together to secure farm supplies on a cooperative basis.

**IN MISERY HALF THE
 TIME; BLESSES RETONGA**

Suffered for Years From Gas On Stomach, Indigestion, Restlessness, Muscular Aches And Pains; Mother Of Eight Wants Others To Know About Retonga

"No one knows better than my husband how much Retonga has helped me," declares Mrs. Ed D. Nunnelley, well-known resident of RFD No. 2, Olathe, Alabama, whose husband has farmed on his present homestead for 57 years. The mother of eight children, Mrs. Nunnelley gratefully states:

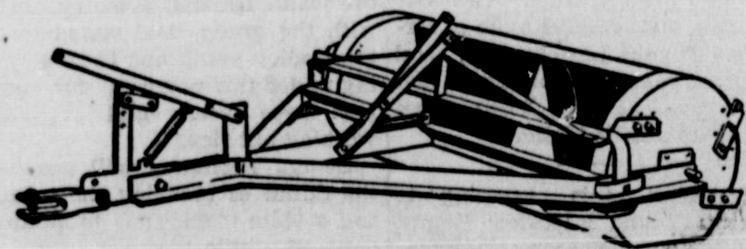

"I was in misery half the time from sour stomach and indigestion. I often felt like gas was pressing against my chest so hard I had to gasp for breath. I had to take strong purgatives like salts to get relief from sluggish elimination. I was on edge most of the time. Muscular aches and

pains ran through me like darts. I felt so run-down I was cross with myself for complaining so much. I always got up feeling worse than when I went to bed.

"Retonga was truly a blessing and a relief to me. I eat anything now and my food seems to give me the strength and energy I need. I sleep fine and no longer depend on harsh laxatives for relief from sluggish bowels. I feel easy after meals and am not bothered with excessive gas. The muscular aches and pains are relieved, and I have regained much of my lost weight."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Rexall Drug Store.—Adv.

Dodo went to sleep last week and didn't get the weekly gossip in, so I will just review over what happened last week.

Mr. Weldon Busnach took his solo XC (cross country) last Sat., but the wind got a little out of hand and he had to complete it Sunday.

Last Sunday was a very busy day out at the airport. There was all kinds of activity at the field that afternoon. Mr. Jack Montgomery, mayor of Shamrock was over to get his little Erocoupe. Mr. Arron Fry of Shamrock flew over with Matthew Taylor for a few

minutes visit with the boys at the field.

Everyone at the field has been very busy getting things ready for the big breakfast. I was out at the field Sat. and Mr. Joe Jones, Mrs. Edna Smith and Matthew Taylor were really hitting the high spots building tables, cleaning up around the field, making arrangements for orchestras, radio programs, etc. They were so busy that I could hardly get any news.

If everyone put out half as much effort as these three do to get Clarendon in the news and to try and show that it is a wide awake town as they do, there would be no questions asked like, "Why doesn't Clarendon ever do anything?" Come on folks let's wake up and help cooperate. Advertising never hurt anyone and it does a world of good even though it may cost a dollar or two.

Extra! We received word that the road crew was finally going to get to work on the airport road and make a road out of it instead of a cow trail. We at the airport are certainly glad to hear this and appreciate it whole heartedly.

There has been a little sign removed and we would certainly appreciate it if they would take it easy on the airport signs. They cost money, kids!

Sunday was a very big day out at the old field; over a hundred airplanes of all makes, types, sizes and shapes were here. Gee, I have never seen so many planes and people in all my life. There were lots of local citizens out and we were sure glad to see so many out and to show so much interest. There was a 45 minute broadcast over station KMAQ interviewing pilots and spectators at the field

as they came in. Have never seen so much bacon and eggs as the bunch behind the counter were dishing out. How about it, Mary?

We at the airport really appreciate the help that you people gave us and especially the boys who furnished the music. Thanks go to F. G. Crofford, Jack Sutton, Barker Brummett, and Kermit Sloan.

There were people who attended the breakfast from as far as Avon, New York to the east; Post Texas to the south; Perryton to the north, and Clovis, N. M. to the west. To the business establishments that helped sponsor the radio program, we sincerely thank you and wish that there had been more firms to help out. Well, folks, I guess I have spouted off enough. Dodo.

HOW TEXAS INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

Everybody LIVES IN GLASS HOUSES...

Glass is so closely linked with everyday living that you can't imagine doing without it. No, and there is no more vivid example of Nature's resources put to work for mankind than in glass. Sand, lime and soda by themselves have little value, and their uses are relatively few. But when they are united in the form of usable glass products they take on new importance.

So it is with natural gas, too. This great natural resource would be worthless if left in the ground. It is only when companies like United Gas move it to market—make it available for use—that it is given value. This is practical conservation... putting Nature's resources to work. Efficient, low-cost natural gas sparks industrial development, creates new jobs, benefits all the families in Texas.

GLASS INDUSTRY

Texas natural resources... Texas labor... and Texas capital. These are the factors in the success of the glass industry in our state. This is Free Enterprise at work—providing good jobs for Texas people, spending large sums of money with local suppliers of materials and equipment, and paying important tax money to the support of the state and local governments. The glass industry deserves your support for its efforts to build a more prosperous Texas economy.

Fort Worth & Denver City Railway Announces Historical Essay Contest In Observance of 75th Anniversary

FORT WORTH (Spl.)—An essay contest, with a 10-day all-expense, escorted, Colorado vacation trip as the prize to each of five winners, has been announced by Fort Worth and Denver City Railway and its subsidiary, The Wichita Valley Railway, as a part of the observance of the 75th anniversary of the chartering of Fort Worth and Denver City Railway Company by the Texas Legislature on May 26, 1873.

The subject of the essays sub-

mitted in this contest is to be, "The History of Fort Worth and Denver City Railway (or The Wichita Valley Railway) in My Home County."

It is pointed out by the railroad's headquarters in Fort Worth that a wealth of material on the early day history of Fort Worth, West Texas, and the Panhandle is tied closely to the history of the railroad itself, and that all historical data is acceptable for the essays submitted, such as county

records, stories or incidents recalled and related by old settlers, old newspaper articles, matter from history books, biographies, etc., supported by early day photographs of the railroad's construction or operation, if desired by contestants.

Detailed information relating to the contest rules and all of the features of this Diamond Jubilee celebration of 75 years of growth and development with West Texas, the Panhandle, and Plains areas are to be shown in a series of advertisements to appear in newspapers throughout the West Texas area served by Fort Worth and Denver City and Wichita Valley Railways during the next six weeks.

Five contest districts have been designated, and the counties through which these railroads operate have been allocated to each district.

The Fort Worth District embraces Tarrant and Dallas Counties, and the town of Rhome, Texas.

The Wichita Falls District embraces Wise County, except the town of Rhome, and the counties of Montague, Clay, Wichita, Wilbarger, Hardeman, Archer, and Baylor.

Amarillo District embraces the counties of Childress, Hall, Donley, Armstrong, Carson, Potter, Oldham, Hartley, Dallam, Collingsworth, Wheeler and Gray.

Lubbock District includes the counties of Briscoe, Floyd, Hale, Swisher, Castro, and Lubbock.

Abilene District embraces the counties of Knox, Haskell, Jones, Taylor, Stonewell, Kent, and Dickens.

The winning essay in each district is to be adjudged by a competent, impartial team of three

local judges in each of the towns named; the names of these judges are to be announced later.

Each district winner will be brought to Fort Worth by the railroad to participate in a 30-minute radio show to be presented over Station WBAP—820, from 10:30 P. M. to 11:00 P. M., on Wednesday evening, May 28th, the date of the 75th anniversary of the Fort Worth and Denver City's charter.

A comprehensive Colorado vacation trip is offered as the prize for the best essay in each district. The party of five winners, with an expert railroad passenger escort in attendance, will leave on the Texas Zephyr the afternoon of Sunday, June 6th. Monday and Monday night, June 7th, are to be spent in Denver, with a sightseeing trip embracing the Denver Mountain Parks during Monday afternoon.

Departure from Denver will be on Tuesday morning via Rocky Mountain Motor Company sightseeing bus for Chalet-Ranch in Rocky Mountain National Park, where Tuesday afternoon and night, June 8th, will be spent. On Wednesday morning, June 9th, a ride is to be taken over the world famous Trail Ridge Road to Grand Lake, for an afternoon and lodging that night.

Departure from Grand Lake Thursday morning, June 10th, will be early enough to connect with the Exposition Flyer at Granby, on the western slope of Colorado's mountains, for a daylight observation train ride to Glenwood Springs, Colorado. A stop of two nights will be made there.

During the day of Friday, June 11th, a sightseeing trip will be made from Glenwood Springs to

Aspen, where an old Colorado mining town has been restored to its original western style.

The party will leave Glenwood Springs by train after breakfast Saturday, June 12th, for daylight ride through another section of Colorado's mountains, surmounting the Continental Divide at Tennessee Pass, and through the Royal Gorge for a late afternoon arrival in Colorado Springs.

Saturday night, June 12th, Sunday, and Sunday night, June 13th, and Monday morning, June 14th, will be spent at this famous Colorado mountain resort. A sightseeing trip is planned here which will embrace all of the points of interest in the Colorado Springs-Pikes Peak area.

Return home will be on the Texas Zephyr, leaving Colorado Springs the afternoon of Monday, June 14th, placing all of the winners back in their home towns on Tuesday, the 15th.

The essay contest rules are simple.

1. Any resident of a county in which these railroads operate is eligible to participate, except employees of Burlington System Lines, comprised in Texas of Fort Worth and Denver City Railway, and The Wichita Valley Railway, and members of their families.

2. The subject of the essays must be, "The History of Fort Worth and Denver City Railway Company in My Home County;" in counties through which The Wichita Valley Railway operates, the subject is to be, "The History of The Wichita Valley Railway in My Home County." In Wichita County where both railroads operate, a contestant may write about either or both.

3. All essays submitted must be delivered to a ticket agent of Fort Worth and Denver City Railway, or The Wichita Valley Railway, or sent in by mail, addressed as follows, according to the district in which the contestant lives:

Fort Worth District—
Burlington Lines Ticket Office
806-B Houston Street
Fort Worth 2, Texas

Wichita Falls District—
Burlington Lines General Agent
506 Seventh
Wichita Falls, Texas

Amarillo District—
Burlington Lines General Agent
239-40-41 Amarillo Building
Amarillo, Texas

Lubbock District—
Burlington Lines General Agent
1805 Avenue G
Lubbock, Texas

Abilene District—
Burlington Lines General Agent
719 Mims Building
Abilene, Texas

4. All essays must reach a Fort Worth and Denver City Railway or a Wichita Valley Railway ticket agent, or the proper address by, or be postmarked to show that they were in the mails

by, Monday, May 10, 1948.

"This contest should be particularly appealing to high school, college, and university students, and any others interested in winning a 10-day vacation trip to Colorado's mountains," said Robert L. Hoyt, General Passenger Agent.

"All agents and representatives of these railroads will be in position to answer questions. Anyone interested in the contest who

lives at an outlying address inquiries to Fort Worth Club Building, Fort Worth 2, Texas," Hoyt

From where I sit... by Joe Marsh

Homer Does Some "Back-Seat Sewing!"

Homer Bentley's missus was working on her new sewing machine, when Homer comes in, draws up a chair, and starts talking: "Don't you think you're running too fast?" he says. "Slow down! Watch out! Be careful!"

When the missus finally turns with murder in her eyes, Homer says goodnaturedly: "I thought you might like a little help, dear—like you help me drive the car."

The missus can't help but burst out laughing—and they settle what might have been a quarrel over a

friendly glass of beer. The missus agrees to give up back-seat driving and nagging Homer about ashes on the rug. Homer agrees to quit criticizing Sarah's taste for flowery hats and parsley salad.

From where I sit, the key to getting on together is meeting every issue half way—and overlooking any petty differences in tastes—whether these tastes apply to beer or flowery-looking hats!

War Assets Administration Location Sales are designed to meet the approval of the general public. Sales procedure is simple, as no unnecessary red tape is involved. All you have to do is be present the day of the Sale—Bid on the various buildings or building you desire, and if you are the successful bidder, title will be conveyed "then and there." Buyers may move buildings from site the day of Sale.

Now is the time of year to build and repair—and with the use of war surplus housing it is economical beyond compare. Some of the buildings may be moved intact, others will have to be dismantled—but there are unlimited possibilities as to their use. Reconversion to homes, barns, garages, tool sheds and chicken houses are just a few of the purposes to which other surplus buyers have made use of these types of buildings.

Types of buildings being offered in this sale include lavatories, post exchanges, hangars, recreation buildings, supply and recreation, administration building, barracks, officer's quarters, igloos and various other types.

Remember—You can inspect the buildings from 8:00 A. M. to 4:00 P. M. any day excluding Saturdays and Sundays, from April 22 thru May 3.

Plan now to inspect the buildings and be at the Pampa Army Airfield, Pampa, Texas, to register for the sale between 8:00 A. M. and 9:00 A. M. on May 4, 5 and 6, 1948.

All sales will be final, on an "as is, where is," basis, subject to War Assets Administration Rules and Regulations and Terms and Conditions of Sale.

The unusual lug design of this big tire is what gives your tractors more less waste motion. Firmly buttressed to heavy under-tread, these deep rectangular lugs are powerfully braced to give years of service. They bite in, they bite ahead, regardless of soil conditions.

Each lug meets the soil squarely, assures full bite of the tread from shoulder to shoulder.

Scientific spacing and curvature of lugs forces mud and clay out as the turns. Mud pockets don't form. You get positive traction in any type of soil.

Strong plies of powerful cord fabric this tire the inner strength to support massive lugs, take punishing tread without weakening of the tire.

MINICK-ANDERSON

Miss Dorothy Minick, daughter of Mr. and Mrs. C. J. Minick of Clarendon, and Mr. Lewis Anderson, son of Mr. and Mrs. W. L. Anderson of Weatherford, were united in marriage in an impressive, double-ring ceremony at the home of Rev. and Mrs. W. E. Hamilton Monday afternoon, April 19, at 3:00 with Rev. Hamilton officiating. Mrs. Bud Moore attended the bride as matron of honor, and Mr. Bud Moore served as best man.

The bride was stunning in a petite white waffle-weave pique street-length dress trimmed with net applique, and accented by white accessories. Her corsage was of pink talisman rose buds. For her going-away ensemble, the bride chose a pink gaberdine suit and gray accessories.

Mrs. Moore was attired in a gray print crepe dress with white accessories. Her corsage was of white carnations. The bride's

mother wore a sheer pink crepe dress with a corsage of white carnations.

Mrs. Anderson was a student in West Texas State Teacher's College in Canyon, and also attended Clarendon Jr. College. Mr. Anderson was graduated from Weatherford High School and served 22 months in the armed forces, most of his service being in Korea.

The couple left on an extended honeymoon immediately following the ceremony. They will visit scenes of interest through New and Old Mexico.

Mr. and Mrs. Anderson will temporarily make their home in Weatherford until they enter college this fall.

PATHFINDER CLUB

The Pathfinder Club will meet Friday, April 23rd at 4 p. m.

Mrs. Dwight Blair and small daughter, Sharon visited in Me-Lean Friday night and Saturday.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met Thursday, April 15 at 2 o'clock in the Clubroom with Mary Belle DeBord, the president, in the chair. Roll call was answered by "My Favorite Flower."

Vena Hudson read a paper on flowers and landscaping. A number of bulbs, plants and shrubs were exchanged. Mrs. Lillie Knox and Miss Marvis Hudson were welcomed as visitors.

Marcella Lovell and Nona Hinders, hostesses, served delicious cake and punch to two guests and the following members: Mesdames Vena Hudson, Ima Wallace, Elizabeth Graham, Myrtis Williams, Mary Henderson, Dora Brandon, Ruby White, Sue Rhoades, Mary Belle DeBord, Viola Graham, Hazel Brandon and Johnnie Poovey.

Polly-Anna gifts were exchanged. After a successful business and social hour, the club adjourned to meet May 6th with Jo Harp and Elizabeth Graham as hostesses.

Let each member who has plants, seeds and shrubbery for exchange, bring them as that day will be our last plant exchange.

MARTIN QUILTING CLUB

The Martin Quilting Club met Thursday April 15 with Lois Sibley in an all day quilting. A delicious luncheon was served at the noon hour. There were 24 present. Two quilts were quilted on by guests, Mrs. Lacey of California, Mrs. Julia Waether, Mrs. J. T. Watt, Mrs. Ray Robertson of Pampa, Mrs. Roberta Pittman of Clarendon, Alice Pittman, Bess Green, Velma Hearn, Lavior McGough; members, Sela Bulman, Billie Barbee, Lizzie Morrow, Gracie Crofford, Nola Hill, Margaret Waldrop, Blanche Higgins, Helen Land, Fannie Wilson, Sallie Christie, Eunice Land, Wynvonne Barker, Ruby Fitzgerald, Ruby Jordan, Bessie Helton and the hostess, Lois Sibley.

Anna Waldrop, Lois Sibley and Blanche Higgins all received Pollyanna gifts. Mrs. Waechter gave a demonstration. Next meeting will be with Margaret Waldrop on April 29th in the home of her mother, Mrs. W. D. Higgins.

GOLDSTON QUILTING CLUB

The club met Wednesday evening with Mrs. Eddie Reynolds. Guests present were Velma Owens of Clarendon and Martell Webb of Hudgins. Members present were Mesdames Ella Reynolds, Connie Talley, Ruth Littlefield, Flossie Reynolds, Francis Ford, Sarah Pegram, Nora Smith, Ida Stewart, Joy Roberson, Mazie Eichelberger, Nina Dale, Ola McBrayer, Margaret Lemons, Miss Nora Jackson and the hostess, Charlene Reynolds.

The next quilting will be at the home of Nina Dale, April 28th.

Mr. and Mrs. R. P. Wilson have returned home from a visit with their son and wife, Mr. and Mrs. Bob Wilson and new grandson at Lubbock, Texas.

Mr. and Mrs. Joe Goldston are in Waco this week attending the State Congress of Optometry.

Mr. and Mrs. R. S. Brumley and Shirley and Mr. and Mrs. Elba Ballew and Elba Jean attended the rodeo celebration at Canyon last Saturday.

Mrs. J. L. McMurry and Mrs. Ray Palmer visited in Amarillo Monday.

Mrs. Terrell Trussell is seriously ill in the Goodall hospital at Memphis.

Mrs. Carl Tyree and Mrs. Lucian Bones were in Clarendon last week visiting relatives and attending to business.

Mr. and Mrs. Bruce Riley visited relatives near Canyon the weekend.

Mr. and Mrs. Frank Whitlock visited their sons and family at Amarillo Tuesday and Wed.

Mr. and Mrs. Horace Green and John Miller Morris visited relatives at Jacksboro the weekend.

CLARENDON H. D. CLUB

Mrs. Clyde Butler entertained the club at her home Friday in covered dish luncheon and quilting. The guest rooms were decorated in bowls and vases of lilacs and wisteria blossoms. A club quilt was quilted. At the noon hour, a delicious and bountiful luncheon was served family style at the large table.

At 3 p. m. the business meeting was presided over by the president, Mrs. Anderson. Guest present was Mrs. Mattie Manning of Amarillo; club members were Mesdames G. A. Anderson, A. L. Chase, Claude Darden, J. C. Estlack, M. C. Rampy, Laura Taylor, H. B. Hill, William Payne.

The club will meet with Mrs. Chase on May 21.

BUSINESS WOMENS CIRCLE

The Business Women's Circle of the First Baptist Church met in the home of Hazel Bingham Tuesday evening. Miss Jessie Cook, teacher, presented the mission study for the evening.

The following members were present: Miss Jessie Cook, Mari Rhode, Jackie Phelps, Jenny Whitsett, Eva McJunkin, Joyce Jacobs, Lee Tyler, Juanita Vaughn, and Hazel Bingham. New members were Virginia Mooney, Mary Williams, Melba Risley and Billy Beard.

The next meeting will be held at the church on May 11, with Joyce Jacobs and Jackie Phelps hostesses.

KILL KARE KNEEDLE KLUB

Mrs. Mulkey entertained this club at her home Thursday afternoon, April 8th. The guests rooms were decorated beautifully with Japonica blossoms. The usual needle work and pleasant conversation were the main feature of the afternoon.

A lovely plate refreshment was served to Mesdames F. A. White Sr., R. R. Dawkins, J. R. Bartlett, H. C. Brumley, Sam Lowe, Gene Noland, Clarence Piercy, Eva Draffin, Misses Etta and Ida Harned and hostess, Mrs. Mulkey.

The next meeting will be with the Harned sisters, April 22.

CUE AND CURTAIN CLUB
The Cue and Curtain Club met in the home of Ann Thompson April 19. A club constitution was presented and adopted. Ann Thompson presented an interesting speech on "The History of the Theater."

Refreshments of open-faced sandwiches, cookies and cakes were served to 21 members.

Mrs. Pat Slavin is visiting her parents, Mr. and Mrs. L. E. Davis at Lubbock this week.

JUNIOR-SENIOR BANQUET HELD FRIDAY EVENING APRIL SIXTEENTH

Friday evening at seven thirty, the basement of the First Christian Church was the scene of a beautiful, gay Hawaiian garden. The Junior-Senior Banquet was the occasion at which time the members of the Senior class were being entertained by the members of the Junior class. The Hawaiian motif was carried on throughout the banquet and the dance afterwards in the Opera House. Palm trees outlined the edges of the garden; silvery stars shone overhead and lighted Japanese lanterns burned throughout the evening. As the guests entered the door, the serving girls formed an arch with palm branches and presented each one with a colored Hawaiian lei.

With Buster Bain, president of the Junior class, as an able toastmaster, the program proceeded as follows:

Invocation—Rev. Warrin Fry.
The Products of the Islands—Ladelle Cox.

Hawaiian Melody—Serving girls: Elba Jean Ballew, Louise Swint, Lois Marie Hommel, Frankye Wilson.

The Mother Country—Mae Morris.
The Islanders—Mr. Drennan.
Volcanic Eruptions—Jane Johnson.
Hawaiian Breezes—Rev. R. C. Bolton.

Exploring the Islands—Ruth Drake Jackson.

The banquet was served by the ladies of the Win-A-Couple Class of the First Christian Church and the menu was as follows:

Papaya Cocktail
Hawaiian Pineapple Salad

Chicken a la King in Baskets
Green Beans
Star Beets
Buttered Rolls
Iced Tea
Paradise Pudding
Mints

Girls from the Sophomore class, dressed in black skirts with white peasant blouses, zombias and a lei acted as serving girls. They were Elba Jean Ballew, Dorothy Bennett, Helen Swint, Lois Marie Hommel, Doris Jean Wallace, Ann Thompson, Bonnie Faye Allen, Frankye Wilson, Margie Phillips, Frankie Smith, Dorothy Lou Brock, Billy June Casey, Doris Tims, Betty Lou Craig, Reba Wade, Evone Heathington and Jo Ellen McGowan.

After the banquet a dance in the Opera House was enjoyed by everyone present. As the guests arrived at the top of the stairs they were greeted by crepe paper streamers, and the word "Aloha" which was strung across the door. A giant balloon bag and confetti serpentines made the event gay. Japanese lanterns covered the light in the dance hall also.

Many beautiful dresses and corsages worn by attractive young ladies were seen at this banquet. Ruffles, bustles, hoop-skirts, and off-shoulder dresses were the most used styles. The old-fashioned type of dress were the ones most seen in this Hawaiian garden, and proved to be very charming. Even the young gentlemen present were dressed in their best "bib and tucker" with many white carnations in their lapels.

Mrs. Bradshaw and sons Douglas and Benny spent the weekend at Hereford with her mother, Mrs. B. R. Flowers. Mrs. Flowers returned home with her for a visit.

UNCLE SAM'S PART OF YOUR TELEPHONE BILL

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

The Federal tax rate on local telephone service is 15%. The tax rate on long distance service, where the charge is 25c or over, is 25%. Other forms of telephone service are subject to Federal taxes at rates ranging from 8% to 25%.

This tax is imposed by the U. S. Government directly on the user of the telephone. The telephone company, at its own expense, serves as a collector.

Long distance calls and certain other services, being taxed at 25%, are taxed higher than the 20% rate for luxuries such as furs, jewelry, and perfumes.

This form of tax, that is an excise tax on telephone service, has traditionally been resorted to only in national emergencies. Your telephone company believes this form of tax should not be a part of the peace time tax structure. Representatives of the telephone industry have urged and will continue to urge before the proper Congressional committees that these excise taxes now be eliminated; and many users and representatives of users of telephone service are likewise urging that they be repealed by the tax legislation now before the Congress.

You are welcome to every service.

The War Assets Administration hoisted a stop sign at all surplus industrial real property installations this week. The freeze on this type of war surplus came as the result of a request by the joint army-navy munitions board, which is engaged in reviewing the country's defense requirements in case of a national emergency. The stop-sale order does not apply to personal property except certain machine tools and production equipment, and generally does not apply to non-industrial real property. This latter includes surplus camp buildings sold for individuals to remove from the grounds and convert into homes or other needed housing. Industrial plants in the process of being disposed of will be sold subject to a national security clause to enable the government to re-assume ownership during a crisis. War Assets will continue to speed its job of selling out goods unneeded by the federal government while at the same time safeguarding facilities and property

essential to defense.

Next on the schedule of WAA's surplus housing sales will be an offering of 207 Pampa Army Airfield buildings. And people making inspection of the buildings with an eye to future dwellings will be aided by a new WAA brochure containing scale-drawn floor plans for the low cost conversion of barracks into two and three bedroom homes. These brochures will be distributed at the Pampa field and are also available on request at the Grand Prairie regional office. Inspection for the Pampa sale will begin April 22 and continue through May 3. The spot bidding will take place May 4, 5 and 6 when the buildings will be awarded to buyers regardless of priority.

World War II veterans will get first crack at some choice surplus consumer goods during a War Assets clearance of Love Field, Dallas, on April 28, 29 and 30. Merchandise stored in Lockheed Hangar No. 1 includes cash registers, office desks, truck tires and nails among a variety of other equipment. The sale will be a combination fixed price and competitive bid offering, with veterans afforded to buy certain articles on a rationed basis, and the remainder open to all the priority

classes and non-priority buyers as arranged in 40 lots of related materials. The fixed price selling will be conducted April 28, and bids will be awarded on the lots through April 28, 29 and 30 according to priority sequence.

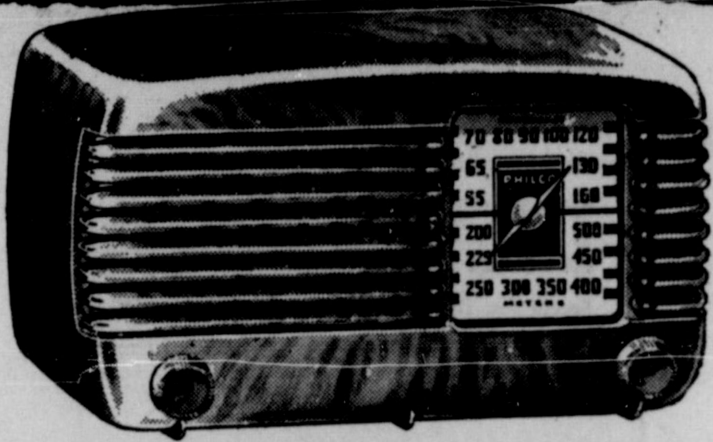

One place where war surplus is being put to valuable, novel use this month is the Veterans Administration hospital at McKinney. War veterans now patients in the hospital there are filling their waking hours with radio listening over a unique three channel bedside hookup system, first of its kind in the country. Every piece of equipment used in this intricate hookup, with the exception of the central transmitters, was salvaged from war surplus stocks. Headsets from

army tanks, air-ground systems used in the air forces and similar electronics instruments from all parts of the country were furnished by the War Assets Administration. Mr. Lou Finch of the Grand Prairie office's priority claimants division assembled the needed supplies during four months of intensive search.

Another clearance of consumer goods, involving materials valued at \$103,000, will be held at Camp Wallace near Galveston, on April 28, 29 and 30. Gas ranges, dishwashers, pillows, bathroom fixtures and beds and cots are some of the items to be sold. Inspection of the lots for all buyers will be held April 28. Veterans are invited to purchase during April 29, all other buying groups on April 30.

SOIL . . .

(Continued from Front page)
Stewart and Ralph Porter.

Farmers and ranchers in Community "A" are already busy with carrying out good soil conservation practices under the 1948 AAA Program. They, like farmers all over the county, are aware of the need for improving and keeping the soil that they have on their farms.

Five farmers: Murphy Brock,

owner of the place that C. H. Brock is operating; Roy Roberson; Jack C. Thomas, J. H. Ford's landlord; W. L. Baker; and Fontayne Elmore are constructing large ridge type terraces on their farms. Together they will have more than eleven miles of new terraces built and paid for with AAA assistance.

C. J. Merrick, Roy Roberson, J. H. Ford, and Ralph Porter all have had a winter cover crop of Austrian Winter Peas planted on several acres of their farms. They have planted a total of 4000

pounds of Austrian Winter Peas on these farms. Ralph Porter also planted 450 pounds of Hairy Vetch.

Harvey Smith and his landlord, J. J. Helm, have seeded four kinds of grasses on 35 acres of old cropland that they are turning back to permanent pasture. The AAA assistance amounts to more than 50% of the cost of the seed. There are many acres of land in Donley County on which this practice should be carried out. Ralph Porter is improving the pasture he has with the seeding of lovegrass.

V. Littlefield has drilled a well on his range land with AAA assistance. With the limited amount of funds available for assistance this year, the payment to a rancher for this practice covers only about 1/4 of the cost.

Other community "A" producers will take advantage of assistance offered by AAA for good conservation practices during the year. There are 15 practices approved for the county. Community "A" will have some farmer or rancher who will be interested in every one of those practices before this year is past. The AAA payments are made to assist any farmer or rancher who is interested in carrying out any good soil conservation practice. Though the payments are small they do go a long way toward correcting some of the major problems on individual farms.

Assistance under the program represents the interest and responsibility of all the people in the country in saving our soil. Divided among the 145 million people in the country the \$150 million for the 1948 program amounts to about \$1 per person. And that dollar, together with the many dollars the farmer puts up is the food and security lifeline
