Building Program Resumed After Lapse MRS. C. C. POWELL HEADS MOTHERS AND DAUGHTERS ORGANIZATION

TRENTS TO BUILD NEW OIL STATION

65x50 FOOT MODERN BRICK
STRUCTURE AT McELVANEY'S LOCATION.

Work will begin during the early part of the week on the new Sinclair Station, to be erected on the location of the McElvaney Tire Building, owned by James and Chas. Trent.

According to James Trent, the front fifty feet of the present structure will be torn away, giving the double drive way station a fifty foot depth. Twenty-five feet of the parking space between the W-W Lunch Stand and the present building will be used to extend the building to a sixty-five foot front on First Street.

The station will be of white stucco with green tile topping. A special room for washing and greasing, together with other equipment for an A-1 station, will be included in the construction.

While the station is under construction, the McElvaney Tire Shop will occupy the former office of the American Express Company in the Trent building, but upon completion, Homer McElvaney will move his business to the rear portion of the building with a new plate-glass front opening on Sully Street.

The estimated combined improvements and equipment will exceed \$5,000.

MOTHER OF SCOTT RENEAU DIES IN OKLAHOMA HOME

Lula Ellen Reneau, mother of Scott Reneau of this city and former resident of Clarendon for several years, died Monday, February 18th, at her home in Weatherford, Oklahoma. The deceased moved from Clarendon to Weatherford in 1928 and died at the age of 52 after being confined for four months with pneumonia.

Lula Reneau was converted and joined the Baptist Church of which she was a faithful member while in Clarendon and until the time of her death.

Surviving are Scott Reneau of this city, Gladys Reneau Brandie of Amistad, New Mexico, Ester Reneau Baumann of Cordell, Oklahoma, Rex Reneau of Weatherford, Oklahoma, and Marion Reneau of Junction City, Oregon.

MINISTER COMPLETES FIVE YEARS SERVICE

Rev. W. E. Ferrell, of the First Christian Church, completed a five years ministry with this church last Sunday. Rev. Ferrell came to this city from Salisbury, Maryland, where he also served for five years. He reports that during his ministry here he has delivered 431 sermons, 88 special sermons or addresses, 32 funerals. During this ministry there have been 102 additions to the church of this number he has baptized 59. He also reports 9 weddings during this period. He reports that the church is in fine shape and all are expecting great things in the future. Many improvements have been made to class rooms and the Bible School is steadily growing.

BAND DIRECTOR TAKES POSITION AT SHAMROCK

Glenn A. Truax and family moved to Shamrock yesterday where he has accepted a place as director of the municipal band. Mr. Truax takes the post recently vacated by Bob Sandusky in that city, and leaves here for a larger salary.

The Truaxes recently moved here from Memphis, and Mr. Truax proposes to hold band and bugle corps practice here until a new director is locally employed.

D. B. Pope is making an extended visit in Mineral Wells.

Scouts Will Hike To Taylor Springs

The Clarendon Boy Scout troop under the leadership of Cap Morris, Scoutmaster, will hike to Taylor Springs, seven miles South of Clarendon, Saturday.

While on the trip the boys will do outdoor work on first and second class scout work, and make geographical observations of strata in the formations about the springs.

The scouts have been making strata observations at different times in Troublesome Canyon on the Bairfield Ranch.

The boys under the capable direction of Scoutmaster Morris are becoming highly proficient in their scout work.

BROTHER OF TOM CONNALLY ON BOARD OF EXAMINERS

It has been announced here that Dr. H. F. Connally of Waco received an appointment this week by Governor Allred to the State Board of Examiners.

Dr. Connally is a brother to City Commissioner Tom Connally and has been in Clarendon on several occasions as guest of his brother.

TRIBUTE IS PAID TO WASHINGTON

MASONS GIVE WASHINGTON
PROGRAM AND CONDUCT
PAST MASTER NIGHT.

One of the most interesting programs commemorating the birthday of George Washington, given by Clarendon Masons was held at the local lodge hall last Friday night to approximately forty-five Masons.

H. Mulkey, as Worshipful Master of the Lodge was master of ceremonies, and introduced the speaker.

In well chosen words, Tom F. Connally spoke of the standards of "perseverance" and work well done by living up to those standards. In like manner "constancy" was explained by H. T. Burton, and the benefits that Masons could derive by being constant.

The address of the evening was given by R. E. Drennan, when he told of "Washington," the Mason, in eloquent terms, giving full tribute to Washington for the man he was, and the life he lived, as president and as a private citizen.

This also being Past Masters' Night, H. Mulkey bestowed upon the eight past masters a glowing tribute of the fine leadership they had maintained during their tenure in office.

In a response Elmer Palmer, past master, paid tribute to Mr. Mulkey on the splendid work carried on by him and the close cooperation Mr. Mulkey had received by the local fraternity.

Heckel Stark was introduced to the membership as the "baby member," being the latest one initiated.

Past Master James T. Trent paid a wonderful tribute to P. A. Buntin for his Masonic membership of long standing. Mr. Buntin became a Mason in 1871 in Kentucky, and has been a faithful member since," stated Mr. Trent. Mr. Buntin responded with anecdotes of past years.

After the program a lunch of doughnuts, coffee and hot chocolate was served.

Worley Is Stricken With Appendicitis

Representative Eugene Worley, of Shamrock, was stricken with acute appendicitis last Friday while on the floor of the House of Representatives, and was rushed to a hospital for an emergency operation.

Immediately after the operation attending physicians said his condition was satisfactory.

METHODIST CHOIR TO GIVE CANTATA

REHEARSALS FOR ANNUAL
EASTER EVENT BEGINS
IN EARNEST THIS WEEK.

"The Living Christ," by Henry Wildermere, will be the cantata sung by the Methodist Choir Easter Sunday Evening, April 21st, and rehearsals will be begun in earnest at the regular weekly practice Friday evening at 7 o'clock, according to Sam M. Braswell, director.

Henry Wildermere is regarded as the greatest living writer of sacred anthems and choruses, and his work "Victory" presented here Easter three years ago, still stands as one of the finest presentations ever given by the local choir. "The Living Christ," has even a larger sale and acclaim accorded it, and its beauty in diction and musical concept is among the high points of church music in this century.

Interspersed with the choruses depicting the tragedy of the Cross and the dawn of the First Easter, are solo, duets, and trios of unusual charm, which the organ accompaniment is typical of Wildermere's artistic treatment.

A number of the younger singers of the church will assist the regular choir in the work and Miss Delphia Bones is already working on the expressive organ score.

The choir has been invited to give a rendition of this cantata on Sunday night following Easter at Dimmitt, the guests of the Dimmitt Methodist Choir in the church where Rev. Joe Strother, well-known preacher and musician is pastor.

Mr. and Mrs. W. L. Patrick and two children, Margaret and Junior, moved to Clarendon this week from Dumas. Mr. Patrick will be assistant resident engineer for the State Highway Department, having served in that capacity before moving here from Dumas.

MATADOR BAND IN CONCERT, MARCH 7

TEXAS TECH BAND BENEFIT
CONCERT FEATURES A
TRICK ROPER. SOLOISTS.

Two soloists and a trick roper will be featured by the Texas Technological College concert band which will be presented in Clarendon on March 7th at 2:30 p. m. at the College Auditorium. The 52 piece organization was chosen from the 95 piece college band and is under the direction of Prof. D. O. Wiley.

Alfred Riley, cornet soloist, one of the two to be featured, has won two State contests at the Dallas fair. Riley was the feature soloist with North Texas Agriculture College band for four years. Director Wiley states that he is perhaps the best cornet soloist he has directed in a college band.

David Humphries, flute soloist, has won many West Texas division contests in the past several years. He will be featured in the concert of Tech's band.

Billy Lewis, who can make a rope do every thing except talk, is the most accomplished trick rope artist who has ever been presented with a band directed by Professor Wiley. Lewis is an aggie student of the college and was with the Hardin-Simmons band last year.

The band leaves Lubbock March 4 to tour 14 West Texas towns in two special busses.

This concert is a benefit for the local band uniform fund.

Frank White spent Sunday in Amarillo.

C. H. S. SENIORS PRESENT COMEDY

ANNUAL SENIOR PLAY WILL
BE STAGED NEXT THURS-
DAY EVENING.

"Antics of Andrew" heralded as the best play ever produced by the Clarendon school, will be presented Thursday evening, March 7th, at 8:00 o'clock by the Senior class of the local high school. Mrs. Carl Bennett, Jr., will direct the comedy, and Senior students, talented in dramatics were chosen for the cast of this comedy that depicts the life of a college boy who finds a rich uncle a more difficult problem in his college life than Greek.

Sam Barrow as Andrew Brown, a carefree college lad, is sent to Cameron, a midwestern college, by his wealthy bachelor uncle and given an allowance of one hundred a week. Fifty dollars a week extra is promised the harum-scarum young nephew by the uncle providing he marries.

But Andy, engaging two friends, as room mates, Harold and Willie, played by Harold McDaniel and Willard Skelton, respectively, crosses his fingers and writes his uncle he is married. Later in the plot, Andy finds that one hundred and fifty dollars a week is hardly enough for a young spendthrift, so he writes his uncle a despairing letter telling him that his mother-in-law has arrived to reside with him, and his uncle sends him an additional check of one hundred dollars a week. Andy, Harold and Willie, find spooning quite in the vogue with two hundred and fifty dollars a week to spend on their girl friends, Althea Thorne, Julie Boyton, and Betty Boyton, played by Misses Dorothy Powell, Peggy Taylor, and Sarah Virginia McGowan.

The plot deepens considerably when Isaac Zimmerman, rich uncle of Andy, arrives at Cameron to visit the home, wife, mother-in-law of his esteemed nephew. Nothing could be more hilarious than the concluding acts of this fun-provoking play.

Adding the touch of college and dignity to the cast are Professor Boyton, Linwood Betts, and the Reverend Doolittle, Bob Word, Detective O'Flarity, Wilson Kutch, and Royle, Woodrow Bulls, add comedy and drama, while the Petunia, the negro cook role is played by Miss Vivian Taylor, and Jacques, the French valet role, is played by Lowell LaFon.

A large audience is expected at this clever presentation, the first of the year to be given by the school. The price of the tickets will be 15 and 35 cents and students of the Senior class will have charge of the sales.

Can Display Tags On Autos March 1

The law has again been changed in regard to the 1935 automobile plates. They can now be secured with the knowledge that they can be displayed by March 1, after Governor Allred signed a bill to that effect.

This, however, does not alter the fact that April 1 is positively the deadline on getting the plates, as a twenty percent penalty will be imposed after that date.

195 Checks Arrive For Donley Farmers

County Agent Breedlove announced this morning that two wheat checks for \$86.40, and 193 second corn-hog checks in the sum of \$5,141.24, had been received and cards were being mailed out to Donley county farmers notifying them to call by and get their checks.

Mr. Breedlove also said he had received the forms for the 1935 cotton program and work would begin signing up Donley farmers in a few days.

COUNTY PLANNING BOARD ORGANIZED

SEVEN-MEMBER BOARD NOW
READY TO FUNCTION
WHEN STATE IS READY.

When the state planning board as recommended by Governor Allred has finally been authorized and set-up, Donley county will be ready to co-ordinate its relief problems with the state plan through its own county planning board which was set up here last week under the supervision and authority of the Commissioners Court.

Judge Lowe announced the appointment of four members, and the four were charged with the responsibility of naming three others, making the seven required; Tom Connally was named chairman and the three members named with him by the court were, W. A. Poovey, Supt. Kirk, and Sam M. Braswell.

Thursday afternoon the four named met on call of Chairman Connally and selected W. M. Pickering, M. M. Noble and L. E. Thompson to complete the committee.

Chairman Connally announces that the committee will attend the meeting of such committees in Amarillo when a regional planning board will be set up. This meeting will be called as soon as the state planning board is finally passed and the plan of co-ordination is made known.

Under the present understanding of the proposed law, only such relief projects as are authorized by the county board will get the attention of the state board which gives its approval to allocation of all funds for any kind of governmental relief projects. This will apply to municipal, county, school and other public works. It will be the purpose of the county board to study local conditions and recommend those projects which best will serve local needs and be in line with patriotic objectives and economy.

WORLEY FOR HIGH TAXES ON RACING

WOULD ALSO PLACE EXPERT
COTTON CLASSERS IN
AGRICULTURE DEPT.

In a letter to The News, Eugene Worley, representative states that he is striving to keep campaign promises and serve the people of his district, by introducing a bill calling for a substantial increase in the tax on horse racing.

He further stated, "In pursuance to one of the planks in my platform as a candidate for the Legislature the past Summer, I have introduced a bill calling for a substantial increase in the tax on horse racing. This bill would increase the tax from ten percent to fifteen percent, and gives the state ten percent instead of the two and one-half percent which it has been receiving. A rough estimate of the amount which will be payable to the state by virtue of this bill is approximately two million dollars. This will materially aid the Available School Fund, the Jack and Stallion Fund, the Agriculture Department and each county in the state.

"I intend to place bonded cotton classers in the Department of Agriculture, making their services available to all farmers interested in securing a better price for their cotton. This was also one of the planks in my platform," he said.

Mrs. M. L. Stricklin left Tuesday morning for Altus, Oklahoma, where she will visit her sister, Mrs. Taylor Bowles.

'Baby Bonds' Will Be Available Here

It won't be long now before the citizens of Donley county will have the opportunity to buy the much-publicized 'baby bonds,' which the Federal government plans to put on sale around the first of March.

The President, it is said, will buy No. 1 and it is hoped that the people will take kindly to the offering. The bonds will be sold on a discount basis and a bond that will mature at \$25 on a certain date will be sold for less than the sum, the difference being the interest it will earn during its lifetime.

BOSTON SELLS McLEAN STORE TO SMITH BROS.

U. J. Boston, Piggy-Wiggly owner of Clarendon and McLean, this week completed a deal whereby he sold the McLean Piggy-Wiggly to Smith Bros. well-known oil men and gin operators.

Smith Bros. have been heavy customers of the McLean store by reason of their large employment and varied interests, and decided to go into the grocery business as an additional line.

MOTHERS-IN-LAW DAY AT AMARILLO

TUESDAY, MARCH 5th, IS OLD
TACK'S TRIBUTE TO ALL
MOTHERS-IN-LAW.

Clarendon will contribute her quota to the thousands of mothers-in-law to be feted in Amarillo next Tuesday when the governor of Texas appears to pay his homage to the second Mother-in-Law Day.

March 5 will be re-dedicated to mothers-in-law and all West Texas will be on hand to pay tribute to them. Governor Jimmie Allred will make his first trip from Austin since the inauguration to speak before the group.

A day of free entertainment has been planned for the visiting mothers-in-law. Cafes and drug stores in Amarillo will serve free coffee, ice cream and sodas to all who wear the sweet-pea badge.

A parade in which a dozen bands will participate will be formed of the mothers-in-law and they will pass in review before the governor. Newsreel cameras will record the demonstration.

Registrations for mothers-in-law will start at 9 o'clock in the Amarillo Hotel and the Amarillo Building.

At 1 o'clock the governor will speak to the assembly on Polk Street. The most distinguished mother-in-law in Texas—Mrs. Oran Miller of Wichita Falls, mother-in-law of Governor Allred—will be crowned.

At 1:30 o'clock the parade will start and end its way to the Municipal Auditorium where the governor will speak to the mothers-in-law. At 3:30 o'clock all theatres will be thrown open to the honor guests for a free movie.

The first Mother-in-Law Day was celebrated last year. It was sponsored by Old Tack as a tribute to his mother-in-law. The idea spread rapidly and mother-in-law clubs were formed over the entire nation. Many will send delegates to the celebration in Amarillo.

Express Office Is In New Location

The Railway Express Company office which for the past few years has occupied space in the Trent Building next to the Cold Storage plant has been moved to the First National Bank Building.

The McElvaney Tire Shop will be located in the building vacated by the express company, pending erection of a new building.

FEBRUARY 13, 1936 SET FOR NEXT MEET

150 ATTEND 3rd ANNUAL
MOTHER AND DAUGHTER
BANQUET TUES. NIGHT.

In the third annual Mother and Daughter banquet held Tuesday evening under the auspices of the local Business and Professional Women's Club, the banquet was made a separate organization with Mrs. C. C. Powell being chosen as president for the coming year. According to the plan of the Father and Son banquet, a daughter, Miss Dorothy Jo Taylor, was elected vice-president. The board of directors chosen to serve with the president were Misses Julia Mae Caraway, Anna Moores, and Mrs. Paul Shelton.

February 13th was set as the annual date for the banquet. In her characteristic charming manner, Mrs. Ruth Teat was toastmistress. Mrs. E. D. Landreth gave the invocation followed by orchestra music under the direction of Glenn A. Truax.

Mrs. Paul Shelton, prominent club woman and mother of two daughters, delivered the address of the evening on "The Things We Leave Undone."

In her sincere address the speaker said "Mothers and daughters should pool their responsibilities and march shoulder to shoulder to attain the beautiful strength of character may be acquired at work, but beauty of character is learned in the home. Tenderness, humbleness, courtesy, self forgetfulness, faith, and sympathy are learned at the fireside.

"Mothers do you know your daughters? Daughters do you really know your mothers? Love, even the most sacrificing, does not imply understanding. Many a mother is utterly blind to her daughters most cherished aspirations.

"For mother and daughters, the active side of courtesy lies in what I love to think of as togetherness. For togetherness is a plant, and if you tend it carefully in that home of yours it will grow. As you cultivate mutual interest, they will surprise for you by flowering out into all sorts of beautiful things. For the togetherness plant is hardy. Like a scarlet geranium in the window sill, it cheers the passer-by almost as much as those within.

"Sir Joshua Reynolds used to give a coat of white to all the canvas he used for his pictures before commencing to work. He said it gave luminous and brilliance to the whole picture. Young daughters, you are beginning to paint a life picture. Be sure to make the ground work of your life white and pure. Life is a treasure for investment. You are at the beginning of life. A beginning always has an end of some kind. Ask yourselves, 'What am I beginning to be and do?' When a man begins to build a house he always has the top stone well in view. Can you afford to build less wisely an immortal life?"

At the conclusion of the address, Mrs. Shelton quoted: "It isn't the thing you do, dear; it's the thing you leave undone, which gives you a bit of heart-ach."

At the setting of the sun." The banquet, served by the Methodist Missionary Society, was served to nearly one hundred and fifty mothers and daughters. Fond memories of yesterday were formed in decorations and programs. Miniature cradles in green and programs in pink and green carried out the chosen color scheme. A large wooden cradle centered the center table, and fashions of long ago in clever settings of green centered other tables.

Bearing out the charm of olden days was the style review from Martha Washington to the present day, Miss Anna Moores, dressed as Martha Washington, read verses appropriate to each

THE COW IS THE FOUNDATION

In the multiplicity of relief measures and general confusion of the public mind about tariff walls, taxation schemes, and the like, it is more than easy to overlook some of the foundation stones upon which economic independence on the farm is achieved.

Talking with a local banker the other day, this writer was impressed with the fact that this banker testified that his good record for farm collections was based upon the ability to pay of those farmers who had one or more good milk cows. When reference was made to hogs, and chickens, Mr. Banker agreed that they had their place on every profitable farm, but reiterated again that "the cow is the foundation," and gave instances of where farmers in this section had actually made a good profit and paid off their indebtedness under these last five years—the worst economically any of us know about—by the simple and industrious handling of milk cows.

It has been said that the cow has made a better showing in farm profit in Donley County, population considered, than in any neighboring county of the Panhandle. This may be true and we wish it were more so, but since such a good showing has been made in this county, why in the name of all that is just and wise, do we not use every effort to extend the use of the milk cow to every farm home where she is not now employed at a profit, and really make Donley County the most economically independent farming country in the whole Southwest.

Soil conservation is important, certainly; better seed is necessary, surely; diversified crops are imperative, absolutely; but since the cow is proven the foundation stone of financial security for the farmer, let's get more of the foundation—a broader foundation, if you please—and let us add the sow and the hen to form the unbeatable and ever victorious triumvirate for a new day of farm prosperity in this section.

When the farmer prospers, the town and country will prosper in like measure. Without farm independence, no stockman, banker, merchant or professional man can hope for independence.

MORE F. F. A. AND 4-H FOR BOYS AND GIRLS

Secretary-Manager Hill of the Clarendon Chamber of Commerce is already busy on his worthy plans for more F. F. A. and 4-H club work among the boys of Donley County, and is urging that pig-clubs and calf-clubs be given large place among the forward-looking projects of the coming year. This follows the plan of County Agent Breeblove.

There is something especially fine and promising about a group of clear-eyed youngsters proudly working with pure-bred litters of big-boned meaty pigs, or carefully feeding and grooming a select calf. It gives them a long stride into sound, profitable stock raising, and an early entry into worthy citizenship.

Then, too, work of this kind employs the constructive nature of youth and saves many a boy from the pitfalls of vice which sometimes cripples and hampers for life.

Let's encourage the pig-clubs. Let's get behind the calf-clubs. Let's lay our plans for a Donley County stock show next Fall or next year which will celebrate the Centennial in a way never to be forgotten or set aside.

CONGRESS VS. THE CONSTITUTION

The famous and long awaited gold decision by the Supreme Court came as somewhat of a shock to those who believed that the constitution was safe from tampering regardless of the temporizings of the moment, and other defensible actions of a harried congress.

The right of contract seems to have been somewhat abridged in the decision which makes Congress stronger than the constitution.

We sincerely trust that we shall never witness the freedom of the press, and free speech on trial before the Supreme Court. May no incident bring them in question.

"A SCOUT IS CLEAN"

For twenty-five years now, the Boy Scouts of America have been pledging to uphold the Scout law, which begins, "A Scout is clean," and goes on to enumerate all the ways in which he is to maintain cleanliness. For twenty-five years boys have been going straight under the observance of that law.

One of the mainstays of this sort of cleanliness is the law which obligates the Scout to "travel in a clean crowd," and to our mind, this is the most important, though sometimes more neglected than all the other good points of the law.

Bad company has wrecked more lives, and hampered more naturally upright people than any other one phase of human contacts. "Old Dog Tray," illustrated this maxim for many generations, but with the passing of the Blue Back Speller, his just punishment has been lost in the limbo of forgetfulness, but in the Scout law a mighty wall is being built higher and higher every year against the evils of bad company.

To "travel in a clean crowd" is worthy of attention by the older folk today—by millions of boys and men who never had the opportunity to be a Scout and learn the law of cleanliness, which so develops and protects character.

None of us are too wise, too good or too strong to forget to "travel in a clean crowd."

PRIDE OF FAMILY NOT A FAULT

There are some who scoff at the family pride which rose to such heights in the days of the Old South, and there are those today who decry any reference to family name or achievement.

Seems to us that family pride is something that we should all try to encourage and extend. True, there ought to be something in the family character to be proud of, and certainly there ought not to be a foolish vanity that would keep one from doing his own bit to uphold and extend his family's reputation.

Yes, we need in this day, more family pride—the kind that means something—the kind that drives one forward under compulsion of love and veneration to higher ideals and citizenship. We need the kind that will not allow us to trifle with small vices, thus endangering the blessed structure of character and integrity.

Pride of family is not a fault—if it undergirds and braces—if it impells us upward.

The Sage of Three Rivers says that now the telegraph process of sending photos has been perfected whenever he sees a sagging telegraph wire he is going to wonder if it is carrying a picture of Kate Smith.

A German scientist has incorporated the light beam and the photo-electric cell and perfected a device for measuring the density of fog.

Maybe families aren't as large as they used to be, but we know a lot of them that can talk and act mighty big.

Advertisements Are A Guide To Value

EXPERTS can roughly estimate the value of a product by looking at it. More accurately, by handling and examining it. Its appearance, its texture, the "feel" and the balance of it all mean something to their trained eyes and fingers.

But no one person can be an expert on steel, brass, wood, leather, foodstuffs, fabrics, and all of the materials that make up a list of personal purchases. And even experts are fooled, sometimes, by concealed flaws and imperfections.

There is a surer index of value than the senses of sight and touch . . . knowledge of the maker's name and for what it stands. There is the most certain method, except that of actual use, for judging the value of any manufactured goods. Here is the only guarantee against careless workmanship, or the use of shoddy materials.

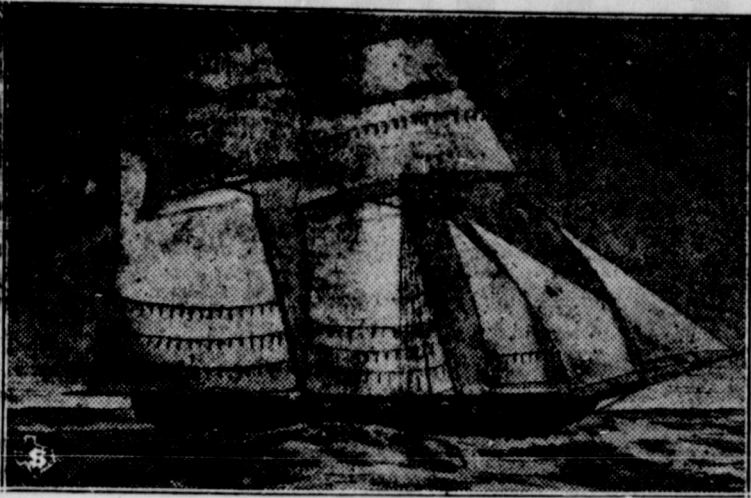

This is one important reason why it pays to read advertisements and to buy advertised goods. The product that is advertised is worthy of your confidence.

Merchandise must be good or it could not be consistently advertised. Buy advertised goods

TEXAS HISTORY IN THE MORNING

No. 4—The Story of the Texas Navy

—Think—Talk—Write—Texas Centennial in 1936

The Texas Navy played an important part in the state's history. Early in 1836, before independence was declared, the Texas governor and council authorized privateers to harass the Mexican coast in the name of Texas, and these prevented the landing of Mexican soldiers and supplies on the Texas coast. By the end of 1836 the Texas Republic had a navy of four vessels—the Invincible, Brutus, Liberty and Independence—but in 1838 one had been sold, two wrecked and one captured by Mexico. In June, 1840, five new Texas ships and 71 men, in alliance with Mexican Revolutionists, captured Tobasco on the Mexican coast, levied a \$25,000 tribute and with the money were able to remain at sea another 10 months. The above picture is from an old painting of the good ship San Antonio. One of the three ships with which Texas blockaded the Mexican coast in 1843 as a punitive measure after Mexico had made raids along the Rio Grande. An act of 1844 ordered all Texas vessels put out of commission and in 1846 they became a part of the U. S. Navy. (Texas News Photos.)

Car Registrations In January Increase

Austin, Texas.—An increase of 148 percent was recorded in new passenger car registrations in Texas during January as compared with January, 1934, according to the University of Texas Bureau of Business Research. Reports from fifteen representative Texas counties gave a total of 4,497 registrations, an increase of 119 percent over December. Sales in the lower price brackets made the best comparative showing, but the increase in the highest price groups was also substantial, the Bureau's report said.

Starting with two trench silo demonstrations and a depression, helped along by a drouth, Brazoria county farmers and dairy-men now have 75 trench silos ranging in capacity from 35 tons to 950.

BILL WOULD AID LOCAL BUSINESS FIRMS IN STATE

Austin.—Legislative bulwarks against itinerant and irresponsible merchants who prey on Texas cities during busy seasons were sought in the Senate this week.

Protection of legitimate home merchants and provisions for issuing of State and local vendor's licenses are continued in measures of a bill sponsored by A. P. Duggan of the 30th Senatorial District.

Wandering retailers, setting up temporary business establishments in towns, must, according to the terms of act, deposit \$500.00 with the Secretary of State, this to constitute a special deposit subject to attachment by creditors.

A state license fee of \$25.00 will be required for operation of the store for one month. Municipalities may, also, by proper ordinance, fix a license for itinerant merchants. If the merchant operates the store for a longer period than six consecutive months he may thereafter be required to pay the license fees.

Provisions of the bill do not apply to bona fide residents of a county engaged in business in that county nor to commercial travelers for wholesale houses.

Another bill proposed by Senator Duggan this week would place collection of all occupational taxes under control of the State Comptroller of Public Accounts. It is believed the revenue of the State would be increased one-half million dollars by this move.

The Comptrollers' report now

shows a \$200,000 loss in occupation tax collections.

Canarian.—An average of 11 eggs per hen was laid during November by 550 white leghorn hens belonging to Mrs. Smith Morehead of the Washita Home Demonstration Club in Hemphill county, while standard production for that month is only 9 eggs per hen, according to Miss Sadie Lee Oliver, home demonstration agent. The 509 1-4 dozen eggs sold for \$160 while the cost of production was only \$82.65, leaving Mrs. Morehead a profit of \$77.35 for the month. Her chickens are raised by methods outlined by the Texas Extension Service, and her expenses were for laying mash, grain, oyster shell, medicine, and lights.

Hog killing and pork curing demonstrations were held in Washington county at the farms of Messrs. Chip and Lewin Rout in December by T. H. Roensch and C. Hohn, county and district Extension agents, when 26 hogs were killed, cut and cured the Texas A. & M. way. About 30

people participated in the demonstration.

Mr. B. F. Ray of Killeen made the following observation with reference to the sheep buying program: "I believe that the sheep buying program will show a more pronounced and lasting benefit than any of the other drouth relief measure for the present, but more lasting benefits will result from the culling. They were culled for age, breeding, individual quality and condition. I believe that it is conservative to say that the quality of breeding base of Bell county sheep is 50 per cent better than it was before the program."

Peach trees that are going into new orchards on land released from cotton in Van Zandt county are being protected from rabbits by the use of paper cylinders. Elbertas and Georgia Bells are favorites for planting in this country and 2100 more trees went into the ground in December.

CHURCH CHATS

(Continued from Last Week)
Distinctive Features.

Mark in his gospel also emphasizes Christ's divine power. He often alludes to Christ's human feelings, His disappointments, (9:5); His weariness, (4:38); His wonders, (6:6); His sighs, (7:34); His affections, (10:21).

Matthew harks back to the past, and deals largely with the prophecies for the sake of the Jewish readers, and also gives much space to the discourses of our Lord. Mark is more condensed, has little to say about prophecy, gives only a brief report of discourses, but lays great stress upon the mighty works of Jesus. Nineteen miracles, are recorded in this short book which demonstrates the supernatural power of the Master. Eight of these prove His power over disease, 1:31, 41; 2:3-12; 3:1-5; 5:25; 7:32; 8:23; 10:46. Five shows His power

over nature, 4:39; 6:41, 49; 8:8, 9; 11:13, 14. Four demonstrates His power over demons, 1:25; 5:1-13; 7:25-30; 9:26. Two shows his conquest over death, 5:42; 16:9.

Synopsis. The book may be divided into six parts.

1. The introductory and preliminary events leading up to the public ministry of Christ. Chapter 1:1-13. In this first chapter Mark plunges abruptly into his subject and pours forth a torrent of description in the first thirteen verses. He opens with the announcement that Jesus is the Son of God. He then dwells upon the five preparatory steps for his work. The coming of His herald, His baptism with water, His endowment with the Holy Spirit, The divine witness of His sonship, and His conflict with His arch enemy.

2. The early Galilean Ministry, chapters 1:14 to 7:23. Mark omits the early Judean Ministry given by John.

3. The tour of Tyre and Si-

A BANK'S STRENGTH

Banking strength is the combination of, a sound ratio of assets to liabilities, capital sensibly invested and a conservative policy of skilled management.

True banking strength is none of these things alone, yet all of them.

No single attribute alone makes for financial impregnability. That results, rather, from a fusing of them into the structure, direction and operation of a given bank.

My Debt to My City

"My city owes me nothing. If accounts were balanced at this date, I would be the debtor. Haven't I all these years lived within the limits of the City and shared all its benefits? Haven't I had the benefits of its schools and churches? Haven't I had the use of its library, park, and public places? Haven't I had the protection of its fire, police, and health departments? Haven't its people, during all this time, been gathering for me from the four corners of the earth, food, for my table, clothing for my body, and material for my home?"

"Hasn't this city furnished the patronage by which I have succeeded in my business? Hasn't it furnished the best friends of my life, whose ideals have been my inspiration, whose kind words have been my cheer, and whose helpfulness has carried me over the greatest difficulties?"

"What will I give in return? Not simply the taxes which cover so small a part of what I have received. I want to give more; I want, of my own free will, to give enough, that I can rightfully say, 'This is my city,' so that I can take pride in my city, so that I can take pride in its prosperity, and the honors which come to its citizens, and all that makes it greater and better."

"I can do this only by becoming a part of the City—by giving

Income Tax Man Here March 7th

Deputy Collector Ralph Kenniston of the Internal Revenue Department will be in Clarendon March 7 from 8:30 a. m. to 5:00 p. m. to assist tax payers in making their annual income tax reports, according to information received from W. A. Thomas, Collector.

The department advises that a change in the law will make it necessary for many more citizens to file income tax reports than has been customary in the past. Every married person with an income of \$2,500 must file a report regardless of the number of dependents. Every unmarried person with an income of \$1,000 must file a report regardless of dependents. A fine of \$500 will be imposed upon those who do not file the reports, regardless of whether they owe a tax.

Mr. Kenniston also states that he wishes to meet all who have difficulties with their income tax reports and will assist them in answering any questions which arise.

While here Mr. Kenniston will be located at the Postoffice.

Bible School Begins Contest

The Bible Schools of the Memphis Christian Church and the Clarendon Christian Church enters into an attendance contest next Sunday. These two schools are about evenly matched and a great contest is expected. Both groups are working hard to start the contest off with determination to win from the start. The losing school will present the winners with an appropriate banner. Every member of the local church is urged to help this school win that banner from Memphis.

FOREIGN MISSION PROGRAM

The First Christian Church announces that it will hold a special Foreign Mission Program next Sunday morning. The Pastor will preach a sermon on this subject and the music will be furnished by the newly organized Young People's Christian Endeavor choir. This choir has been practicing some special songs for the services. The choir will meet for final rehearsal at the parsonage of the church Friday evening.

Mr. and Mrs. Wade Hillard had as their guests Sunday Mr. and Mrs. T. N. Hillard of Childress and Mr. and Mrs. Travis Walker of Paducah.

FOOTBALL CHANGE MEETS APPROVAL

WELLINGTON, SHAMROCK, McLEAN, MEMPHIS, CLARENDON IN SAME DIST.

The Clarendon Bronchos return to their "old" football district next fall, according to an announcement of re-districting in the Class B division, announced last night by the Texas Interscholastic League.

The new set-up places Memphis and Wellington in District 3 of Region 1, along with Clarendon, LeFors, McLean, Mobettie, Shamrock and Wheeler.

The manner in which the district title will be decided will be worked out at a district meeting soon. Supt. Curtis A. Cryer of McLean is district chairman.

According to the re-districting, the winner of District 3 will meet the winner of District 4 which is composed of Floydada, Lockney, Matador, Paducah, Quitaque, Silvertown, Spur and Turkey.

Play within the districts, be it a round-robin affair or divided into two or more sections, is left entirely with the district officials, however the sentiment among local fans indicate a preference for the round-robin play.

This seems to be the general inclination among the district representatives. This would eliminate the formation of sections and give each club in the district seven conference games. Since league rules limit a team from participating in more than ten games through the district, they would be allowed only three practice games, and probably would have only two in order to have a margin in case of a tie.

The cutting down of the size of the region was made possible by the addition of another region to the state, making a total of ten.

State Basketball Contest March 8-9

Austin, Texas.—A total of 1,610 schools have enrolled for the 1935 Interscholastic League basketball tournament, according to Roy B. Henderson, athletic director of the University of Texas as Bureau of Public School Interests, State executive office of the League. Of these, 1,254 are high schools and 356 are rural schools.

This year is the first time rural schools have been required to register for participation in basketball, and this fact undoubtedly accounts for the large increase in enrollment, Mr. Henderson said. The State tournament will be held in Austin during the Interscholastic League State Meet, March 8 and 9.

MRS. RUNDALL TAKES OVER ANTRO COFFEE SHOP

Mrs. Lon Rundell and her son, Haskell Kemp, are closing the Post Office Cafe and beginning Monday, March 3rd, will take over the Antro Hotel Coffee Shop where they will serve regular meals and continue their short order and sandwich business which has proven so popular.

Mrs. Rundell has leased the dining room of the hotel and will operate it as an independent business just as she has conducted the Post Office Cafe which she is closing.

Christian Endeavor Meeting

In spite of the cold North winds and the whirling sand, the young people met for their Christian Endeavor program Sunday evening. The subject of the evening was, "What the Bible Says About Forgiveness." Miss Zoy Fronabarger was program leader and Miss Mary Lynn Teer presided over the meeting. The main feature of the evening was the organizing of an Endeavor Choir, to assist the minister in his regular services. The motto of the society is, "For Christ and His Church."

REV. McCLUNG CONDUCTS PRAYER SERVICE WED.

The Reverend S. R. McClung of Floydada, former pastor of the First Baptist Church of this city, visited in Clarendon Wednesday evening and conducted the prayer service in the local church.

Rev. McClung took his text from the 25th Chapter of Acts, 11th verse, preaching on "I Appeal Unto Caesar."

The Reverend H. A. Harrison of Ralls and Truett McClung accompanied the visiting minister.

District Convention Of Federated Clubs To Be Mar. 27-28-29

The Seventh District convention of Federated Women's Clubs will be held this year in Plainview on March 27-28-29. This will be a home-coming convention, the first district convention being held in Plainview fourteen years ago, and the past district presidents and officers will be honor guests.

Clarendon will send delegates from her five federated clubs, and reports of club activities will be given by these delegates, usually the president of the club.

The program as announced by District president, Mrs. W. P. Avriett of Lamesa, in the February issue of Texas Federation News, will be as follows:

The convention proper opens Wednesday morning, March 27, at 9:00 o'clock, First Methodist Church, with registration of delegates. Formal opening is at 9:30.

Two outstanding addresses will be given this morning by Mrs. J. W. Fincher, Houston, General Federation Director, and Mrs. Phoebe K. Warner, Claude, National Rural Cooperation Chairman.

An especially attractive luncheon as the Hilton Hotel will be at 12:00. Mrs. J. W. Walker is toastmistress at luncheon. Mrs. J. T. Whitmore, past district president, will address the group her subject being "Rosemary for Remembrance." At this time club reports (3 minutes) will begin, starting with Y through T.

Wednesday afternoon, March 27, session 1:30. Mrs. J. W. Fields, Haskell, past state president, is to speak on "Historic Homes of the Old South." The Senior Choral Club contest will close this session.

Wednesday at 5:00 p. m. there will be a tea sponsored by the Juniors honoring District and State officers, Junior Club Presidents, delegates, and visitors. Presidents of all Junior Clubs in the District are to be in the receiving line.

Presidents' evening—Mrs. W. P. Avriett will preside at this meeting. Mrs. Volney W. Taylor, State President, will give the only address of the evening. A skit "Meet Your District" has been arranged by Mrs. Avriett. Department Chairmen will be introduced and also club presidents.

The Junior session will be the salient feature of Thursday morning session. Mrs. Joe Caton, Snyder, is Junior chairman. The Junior Choral contest will be held at this time with Mrs. Ardelle S. George in charge. During the morning Mrs. Volney Taylor, State President, will also attend the Convention.

The Centennial luncheon will be held Thursday at the Hilton Hotel. Mrs. W. E. Davis, Childress, will be toastmistress. Presentation of the "Conservation Family" will be made at this function. An outstanding speaker is to be presented also.

Thursday afternoon, March 28, Mrs. J. W. Fincher and Mrs. W. P. Avriett will conduct a permanent headquarters session.

Dr. Harris M. Cook, West Texas State Teachers College, Canyon, will address the convention. "Curriculum Revision" will be his subject.

Miss Ruth Pirtle, Director of Speech Arts, Texas Technological College, Lubbock, will present a short fine arts program.

Thursday evening at the Hilton Hotel, the Home-coming dinner will be given honoring past district presidents and past club presidents. Mrs. H. G. Towle will be toastmistress. "Looking Back Fourteen Years" will be Mrs. F. E. Cave's reminiscence.

Pampa's winning choral club will be one of the attractions of this dinner.

Thursday evening at 8:30 at the First Baptist Church, the fine arts department will present their program. Mrs. C. T. Hunkapillar will preside. Distinguished artists of the District will present this program, which is to be in three parts.

At the Friday morning session, Dr. Bradford Knapp, President of Texas Technological College, Lubbock, will address the convention. Mrs. W. R. Ewing, Pampa, assisted by Mrs. J. M. Dodson, will conduct a memorial service. The Merit session which follows will be unusually interesting since so many prizes are being offered.

The closing luncheon, at noon Friday, will be a Press and Publicity luncheon. The publicity group of the District will be in charge. This will be one of the numerous features of the con-

Blue Birds Enjoy Washington Party

Mesdames D. F. Wadsworth and J. R. Porter assisted their daughters, Misses Margaret Faye and Anne Ree, in entertaining the members of the Blue Bird Troop with a Washington Birthday party Thursday evening.

The little guests made their appearance in white wigs, Martha Washington dresses, or costumes of red, white, and blue. Under the direction of the troop guardian, Miss Geraldine Pratt, seasonal games held sway during the evening.

The dining table where the group was served was laid with white with decorations of red, white and blue. A large white cake decorated with a candy flag, centered the table, and favors and balloons bearing out the seasonal colors were presented the guests with a refreshment course featuring the same motif.

Guests present were Misses Helen and Jean Porter, and troop members present were Misses Nelda Sue Burton, Cassandra Morris, Naomi Morris, Charlotte Ann Tombs, Bobby Jo LaFon, Betty Jo Bain, Roxie Lawler, Zona Pat Grady, Marilyn Sawyer, and the guardian, Miss Geraldine Pratt.

Mothers Club Honors Husbands Friday

Honoring the members of the Mothers Self Culture Club and their husbands, Mesdames T. H. Ellis, C. W. Galloway, Carl Bennett, Jr., Van Kennedy, J. F. Heath, Ralph Keys, Nathan Cox, and B. F. Wadsworth were hostesses at the home of Mrs. Ellis on Friday evening with a dinner.

Featuring the Washington birthday motif, the two course dinner was served to the guests at the card tables.

Games of bridge and "forty-two" offered diversion during the evening with high score awards going to Harrison Simpson and Mrs. Bill Patman while Dr. T. H. Ellis and Will Johnson received low score awards.

To enjoy this delightful dinner party were Mesdames and Messrs. Bill Patman, J. H. Howze, C. B. Morris, Ralph Keys, B. F. Wadsworth, Van Kennedy, Ralph Decker, Harrison Simpson, George Norwood, Henry Tomb, J. D. Swift, Clyde Douglas, Walter Clifford, Roy Ingram, Nathan Cox, Frank Heath, Earnest Hunt, and Dr. and Mrs. C. W. Galloway and Dr. and Mrs. T. H. Ellis and Mesdames Will Johnson, Ted Williams, Carl Bennett, Jr., and Mr. Albert Johnson and Miss Maxine Ellis.

Lyon-Rogers

Announcement has been made here of the marriage of J. W. Lyons, Jr., of Quitaque to Miss Jewell Cantrell Rogers of Lebanon, Tennessee, at the home of the bride's mother on January 28th. Dr. C. E. Almand read the ceremony.

The bride wore a tan suit with harmonizing accessories, carrying as her flowers a bouquet of sweet peas and rose buds. She was attended by Miss Thelma Terry, a former schoolmate. Mr. Lyons was attended by a classmate, Jerry Beck, of Niagara Falls, New York.

Miss Lyons was graduated from the Lebanon High School and attended Cumberland University.

Mr. Lyons is a graduate of the Quitaque High School and received his degree of Bachelor of Law from Cumberland University.

The young couple will live in Quitaque where Mr. Lyons is County Attorney for Briscoe County.

Mr. Lyons formerly lived in this city with his parents, Mr. and Mrs. J. W. Lyons, Sr., and is a grandson of Mrs. J. E. Lyon of this city and also of Mrs. B. J. Rhoderick who lives at 705 Monroe Street, Amarillo.

The News joins with the many friends of Mr. Lyons in Clarendon in wishing them much happiness.

Tom Connally, Jr., of Amarillo spent Friday evening visiting his parents, Mr. and Mrs. Tom Connally, Sr.

vention. Mrs. Avriett's closing address will be given at the luncheon, her subject being "Looking Forward."

Ray-Moreman

Beautiful in a setting of silver king and forsythia was the wedding ceremony Sunday morning at ten o'clock which united in marriage at the bride's home in Hedley, Mr. W. E. Ray of this city and Miss Cloetel Moreman. The Reverend A. V. Hendricks, pastor of the Hedley Methodist Church read the ring ceremony.

White tapers in silver candleabra cast their faint glow as the bride, who entered with the groom, marched to the improvised altar of greenery and flowers in the double doorway.

Lohegrin's "Wedding March" was played by Miss Otey Watkins, and Mrs. Rolle Brumley, sister to the bride, softly sang "At Dawpung" during the ceremony.

The bride was lovely in an afternoon frock of dusty pink crepe with dusty pink lace trimming. She wore accessories of brown.

Following the ceremony, a reception was given in the bride's home. A profusion of cut flowers and greenery decorated the dining room, and the table, distinctive with its cloth of Italian lace, was centered with a beautifully decorated three-tier wedding cake. White tapers in silver candleabra effectively lighted the room and flanked the beautifully appointed dining table. Mrs. Bonnie Battle presided over the silver coffee service.

Mrs. Ray was attired in a traveling suit of brown wool with harmonizing accessories when the couple left after the reception for a trip to Mineral Wells and San Antonio. The bride, daughter of Mr. and Mrs. J. A. Moreman of Hedley, attended North Texas State Teachers College at Denton and West Texas State Teachers College at Canyon. For the past six years, she has been a valued teacher in the Hedley public school.

Mr. Ray, son of Mr. and Mrs. Marion Ray of this city, is a prominent business man of Clarendon, being associated with Walter Clifford in the Clifford & Ray Grocery. He attended Clarendon College, and was recently elected president of the Chamber of Commerce.

Clarendon guests to attend the ceremony and reception were Mrs. Marion Ray, Mr. and Mrs. Joe Goldston, and Mr. and Mrs. H. C. Brumley.

1912 Needle Club Has Unique Party

Mesdames A. L. Chase, A. R. Letts, A. A. Mayes, and B. L. Jenkins entertained the members of the 1912 Needle Club with a "Birthday Party" on Thursday afternoon at the home of Mrs. A. A. Mayes.

Each of the four hostesses received lovely gifts, and the club adjourned to the Pastime Theatre where they enjoyed "Murder in the Clouds."

After the show, the guests returned to the home of Mrs. Mayes and were served delicious refreshments.

Those to enjoy this social were Mesdames Sella Gentry, L. S. Bagby, Minnie Dyer, J. B. Baird, J. T. Patman, A. A. Mayes, A. R. Letts, B. L. Jenkins, A. L. Chase, and Miss Annie Hall.

Master Clay Keene Complimented

Complimentary to the twelfth birthday anniversary of Clay Keene, Mrs. J. D. Stocking entertained a number of his classmates at her home on Thursday afternoon.

For several hours, various games were played by the young guests. With a wish for many happy returns of the day, Master Clay was presented with many beautiful and useful gifts from his school mates.

A large cake, topped by twelve candles, graced the dining table. After the candles were extinguished and wishes were made by the group, those in attendance were served ice cream and cake. Among those present to participate in the pleasures of the afternoon were the honoree, Master Clay Keene, and Misses Betty Jo Caraway, Betty Jo Webb, Joan Smith, Jesse Lott, Katrina Carlile, Claudine Haley, and Masters Grady Lasseter, Al Word, Earl McKinney, and Durwood Means.

"Gardens" Subject of Club Program

The Mothers Self Culture Club met Tuesday afternoon in the Club Rooms with Mrs. Ted Williams and Mrs. George Norwood as hostesses.

In a short business session, Mrs. Rayburn Smith was unanimously voted into the club membership.

"Gardens" was the subject of the program, Mrs. Oscar Jenkins being leader. "Vegetable Gardens" were discussed by Mrs. Will Johnson, and Mrs. J. H. Morris discussed the arrangement and methods of conducting a flower show.

The concluding number on the program, "The Good Ship Lollypop" was sung by little Misses Marilyn Merchant and Margaret Ann Jenkins.

A dainty salad course was served to Mesdames Ira Merchant, Alfred Estlack and Misses Margaret Ann Jenkins and Marilyn Merchant, guests and to eighteen members.

Quality

Manhattan Shirts

KNOWN AS THE BEST—THE BEST KNOWN

The most important word in the vocabulary of The Manhattan Shirt Company is "Quality." A shirt cannot have real style, real smartness, unless the fabric, tailoring and details of workmanship all bear the stamp of quality. The new Manhattan shirts for Spring we are now showing tell a story of style and quality that you will recognize at once. If you care about your appearance, and refuse to compromise with inferior products, these Mannattans are the shirts to choose. Plain and fancy shirts, white and colors.

ASSEMBLY

A short, but unusual assembly program was enjoyed by the student body Thursday afternoon, February 21. The group sang three new songs, "Spanish Cavalier," "Dixie" and "It Isn't Any Trouble." Following the singing of these numbers, Royce Turnbow and C. P. Jones played two numbers on the harmonica and guitar.

Can You Guess?

Lowell Lafon, Christine Lankin, John McCauley and Aileen Reid were described last week in this column. This time there are only two persons to identify, but they are hard and interesting enough to keep you guessing a while.
This girl is tall, angling, and wears a frown. She has a circle of faithful friends who look to her to lead in hilarious good times, and the entire Junior class likes her as a dry, amusing wit. She wears attractive clothes and gold earrings. Her favorite pastime is eating, but next to that she likes riding in a Chevrolet coupe. Her favorite clothes include boots and tams.
He is tall, smiles a lot, wears glasses, and is a favorite among the Junior class students. He is everybody knows to which family he belongs because he looks like his brothers and sister who formerly attended school here. He is greatly interested in Agriculture and has been on livestock judging teams representing his Ag class.

PET DISLIKES

Following is a list of persons and the things they have to contend with that they most heartily hate.
Vivian Taylor—smelly feet.
Led Jay—English.
Virginia Cluck—being so short.
Jimmy Bourland—head colds.
Miss Parten—pineapple.
Earl Eudy—girls.
Jack Latson—a fifty cent pipe after two months use.
LaVerne McMurtry—Teaberry chewing gum.
Marvin Baker—Pontiacs.
J. T. Hicks—shrimp.
Tillie Pratt's used to be Price Whitlock, but you would never guess it now.
Everybody—sandstorms.
Mr. and Mrs. John Westmoreland visited in Hillsboro and West last week-end.
Miss Elon Aiken spent the week-end in Dallas.
Miss Willie Glenn Parten returned from Waxahachie Sunday night after a visit with her family.
Bonnie Hardin went to McLean Sunday.
Mr. and Mrs. R. E. Drennan and daughter, Ethelyn, were Amarillo visitors on Saturday.
Miss Bita May Hall returned to Clarendon Monday morning after a week's convalescence from the flu in Ft. Worth.
Lloyd Martin spent Sunday in Amarillo.

Annual Banquet Is Huge Success

The Junior-Senior banquet last Thursday, February 2, was one of the most successful in school history in spite of the bad sandstorm that night. The food, served by the Win-One Sunday School class of the Methodist Church, was unusually good and was enjoyed by all present.

The classes wish to express their appreciation to those who were responsible for the success of the banquet. Miss Thornton and Mr. Allison, senior class sponsors, and Miss Hall, junior class sponsor, all helped immeasurably in arranging and directing the plans of the banquet. Miss Hall was unable to attend the banquet, as she was suffering from the flu at her home in Fort Worth, but she sent a telegram expressing her regret at not being able to be present. The various committees also put forth their best efforts toward the perfection of every detail of the banquet.

The banquet hall was decorated in the Senior class colors, green and white. Long streamers in green and white crepe paper were hung from the ceiling and in the center of the tables were placed green "C. H. S.'s" cut out of crepe paper. The place cards were little silhouette cut-outs of girls wearing caps and gowns. A copy of the menu, attractively mimeographed, was placed at each plate.

A rather short but well balanced program was presented while the students were eating. The toasts and responses were interspersed with special musical numbers, a reading, a tap dance number and popular piano music played by Arthur Chase. The program was concluded with the group singing two popular selections, "The Object of My Affection" and "Stay as Sweet as You Are."

Following the banquet, many members of the two classes progressed to the home of Bob Boston where dancing to the music of Louise Smith, Hubert Reavis, and Nicky Stewart was enjoyed by all. Soon after Mrs. Boston had served punch to the dancers, they left, rejoicing that their classes' big event of the year had turned out so successfully.

Mysterious Mike Moseys Around

There is some dope concerning the Ashtola school bus that should be told if possible. It seems that a handsome driver is creating a stir in quite a few feminine hearts. Well, we can say that the girls know their bus drivers. Another fellow on the bus, small and dark, seems to be having much trouble keeping certain ornaments on his person, such as Senior rings and watch chains. The fellow even made the statement that he might have to do something drastic to get the said articles returned. Of course the young lady will return them—mehby. A certain young lady on the bus seems to have made several Clarendon boys sit up and take notice. As a tip, she wears a red cordoroy dress that makes a million dollars look like small change; in fact she is one of Ashtola's best looking girls. There is also a girl on the bus that wishes to rival the well-known Rudy as a saxophonist and crooner. As yet the sax hasn't materialized but as a crooner she isn't so bad. Good-bye Ashtola until later.

The Clarendon track team is to the front now. The boys seem to be planning to make things hot for Hedley in the county meet. Mr. Jones' little boy may (note the "may") have a warm reception when he comes up to show the Clarendon sprinters his heels. It is too early to speculate, but Coach Kerby seems to be giving some of the best track coaching seen at C. H. S. in some few years.

Socrates was seen riding on Highway 5 Saturday with a certain blonde. Looks bad, as it was daylight—of course Socrates won't neglect his sport column. Anyway his last column was good.

The sandstorm blew Mike into South Texas so far he won't be back for two days so he telegraphs the writer.

REPORTER INTERVIEWS SOUTH WARD TEACHER

A teacher who has taught for thirty years in Clarendon's public schools recently submitted an interview, the first of its kind, to a Broncho Range reporter.

The career of Miss Elizabeth Stevens contains a very interesting story of teaching children under difficult conditions. A sharp contrast was drawn in comparing Clarendon's school of 1905 and that of today. Class rooms in the old red brick building were enormous, and each teacher (there were eight women instructors) had at least sixty pupils. Her ability as a popular and capable instructor was measured by the number of students she had; if only fifty boys and girls were willing to be in a teacher's room, there was something vitally wrong with her; if she had seventy-five pupils she was acclaimed a great personality.

The children were so crowded in these rooms that two were forced to sit on a single seat. Of course there was lots of confusion and punishment was used frequently to maintain order. Occasionally a pupil was allowed to sit on the floor to rest himself. General courses were taught at this time, but creative art was not allowed. Boys and girls could not afford to waste time learning to draw and paint. Even very small beginners could not use crayons during class hours.

Miss Stevens stated that another enviable teaching record is held by Mrs. J. H. Headrick, who is at present a teacher in the primary grades. After graduating from Clarendon High School and attending college, she taught in Clarendon schools while, but gave up teaching when she married. After rearing her two sons, James and Billy, to accountable ages, she began teaching in the South Ward School.

Miss Stevens is now teaching the children of several former pupils. Among her great number of pupils have been Mrs. R. Wilkerson and her son, Drew, both of whom are now attending Clarendon Junior College.

Cheerful Chatter

Brr! A snap of cold weather, and the most interesting change noticed as a result of the cold wind is the variance of footwear. Girls who usually wear dainty, high-heeled slippers to school are sporting high protective boots.

An interesting contest is going to start pretty soon. My column cannot disclose the details, but on the bulletin boards there will be published the facts about a contest that involves every student in high school and college. Keep posted by reading the bulletins.
Imagine my consternation, on entering the library, to see a person in a shirt sitting docilely on Ardis Patman's lap! Miss Harris was nearby, luckily, and she promptly put an end to such brazenness. Brazenness. Brazenity. The sensation of the week—

College Banquet Plans Completed

Following a quick succession of banquets, plays, and other important events, the annual college banquet will take place tomorrow night, Friday, March 1st, in the Baptist Church. The committees that are planning the banquet are expecting a large crowd of students and ex-students to be present.

The program committee announces that in addition to the toasts and musical numbers there will be a surprise performance or stunt put on by a college boy and girl.

The decoration committee has also been hard at work and they believe that they have originated something novel in the way of decorations.

The present student body is very anxious to have a large attendance of ex-students, and they hope that every ex-student who is within reasonable distance of Clarendon will make every effort to be there.

Arthur Chase telling about being refused his dessert because he didn't eat his spinach.

The Chatterer has just discovered a vast extravagance. Why do they serve food to the girls at a banquet? After all, most girls only go to see the others' clothes and to show off her own. All in all, though, the Junior-Senior banquet was swell.

Some of the boys are debating quitting school because they have already received diplomas (favors).

No, Personal, the Chatterer's black eye was not caused by someone who refused to "take" some of her chatter.

Speaking of the banquet, were there ever more beautiful clothes? Every color, size, and shape were to be seen all equally becoming to the wearer. Pink, blue, yellow, black, green, orchid, white, and many other colors were represented. Virginia Cluck, Beatrice Garmon, Nell Cook, and others wore pink dresses of various materials. Black was the color worn by Hulda Jo Cauthen, Sarah Virginia McGowen, Miss Headrick and others, including the boys who got practically no attention whatsoever.

The Chatterer wishes to say something about the unusually pleasing manner in which Bob Word, acting as toastmaster, conducted the program. His announcements were clear and easily heard, he avoided long-windedness, and his jokes were actually funny. Cheerful thinks that there should have been one more toast given Thursday night, a toast to the toastmaster of the Junior-Senior banquet of 1935.

SALARY OF LEGISLATORS

To those who complain at the added salary paid members of the Texas legislature, now \$10 a day, information as the practice in other States will not be amiss. Seventeen States pay \$10 or more a day for their legislators' services and 21 pay between \$1 and \$10 a day.

But the significant item in the figures is that some of the States pay an annual stipend and do not have a limit on the length of the session, so that the daily pay may be lower when sessions are unusually long. This plan would seem to be more satisfactory from many standpoints, both to the taxpayers and to the men in office or seeking office.

The highest legislative salary is paid by New York and the State senators and representatives of that state receive \$2,500 a year. That gives the officials a figure that they can live on, unless perchance they reside in a metropolis and adopt its high standards. Massachusetts pays \$2,000 a year and Illinois pays \$3,500 for two years. Pennsylvania pays \$2,500 for two years and Wisconsin and California \$2,400 for two years.

Lowest salaries are paid in Michigan and Oregon, which pay \$3 a day, and in Connecticut, which pays \$300 for two-year terms with a five months session.

Special sessions are never paid on a "time and half for overtime basis," an article in the current issue of State Government magazine states. Virginia, however, pays \$360 to each man for the entire special session and Pennsylvania \$500. All of the States allow traveling expenses to and from the capitol, these ranging from 5 cents a mile to 25 cents a mile.—Sherman Democrat.

"You're The Top," Editors Tell Star In Poll

Gladys Swarouth, singing; Howard Claney, announcer, at the "mike"; and William Daly, directing the Firestone Choral Symphony.

The charming leading mezzo-soprano of the Metropolitan, Gladys Swarouth, topped all feminine singers by a wide margin in the recent poll of 260 radio editors. Although in the classical song division, the versatile star of the Firestone program sings popular and musical comedy songs as well. Male singers and comedy stars are popular too, but when it comes to feminine vocal art the editors' vote tells Miss Swarouth "You're The Top." This is the third honor that has come to her in the last few weeks. Fashion authorities chose her as the "best dressed singer" and a leading author selected her in a group of outstanding women of 1935.

Mr. Millinger secured the tile from Walter Roberts, a 4-H club boy of Llano county who learned to make it as a part of his club work undertaken under the supervision of D. D. Steele, Llano county agent.

Delta county women had an eye to looking well and in their home demonstration work they completed 322 individual fitted patterns and made for themselves 6,245 articles of clothing valued at \$9,140.63. New clothes closets to house their good clothes were reported by 20 women and 37 others improved the closets they already had.

MARVIN JONES Panhandle Congressman

Home Owners' Loan Corporation

Many people have expressed an interest in having the activities of the Home Owners' Loan Corporation extended until all applications that have already been filed with the organization have been acted upon.

I have had this matter up repeatedly with the Banking and Currency Committee, as have several of the other members.

The chairman of that committee has introduced a bill which will make adequate provision for taking care of the applications now pending in the files of the Corporation. He expects to press this matter, and I have no doubt that both the House and Senate will take favorable action thereon.

Crop Production Loan

Both the House and the Senate last week agreed to the House Crop Production Loan bill which makes provision for 60 million dollars, or so much thereof as may be necessary for loans to farmers for the purpose of financing current production.

An effort is being made to speed the administration of this loan. It has been my privilege to handle these measures in the House for the last several years.

I feel that conditions now prevailing make their continuation for this year urgently necessary.

Public Works It now seems probable that the public works measure will be en-

actuated. I have been urging that a full share of such funds as may be provided should be made available for projects in the country districts.

It could be used for road building, grade crossings, local parks, soil erosion and other rural projects, in addition to the projects that would be available for cities and towns.

In addition to the 70 thousand miles of unpaved state and federal roads, there are more than one million miles of farm-to-market roads which could well be graveled.

No more useful form of public works could be devised than a vast road-building program. This would be of advantage to all the people.

State Board Although the method has not as yet been definitely determined, it is probable that it will be necessary for all projects to be approved by a state board.

While the funds for the works program will probably not be available until after July 1, it would be well for the plans for local projects to be ready before that time.

The measure provides for a continuation of relief funds until July 1, when it is hoped the funds will be available for the work projects.

instead of a holiday. The reason so few people observe it as such is, because a holy day is meaningless to an unholy life.

The way to observe our Sundays is but a reflection of the life that we are living. Christ was always found in the sanctuary on Sunday.

If we are His followers and loyal to his teachings and example we will surely be found some time during the day He has pleased to call His own in the place He has designated as a place of worship.

GO TO YOUR CHURCH Sunday. Be in your place of worship. Your church life is strong or weak according to your example.

How many Sundays would we have Sunday School if all the members attended like you? How many preaching services would we have if the members attended only Sunday School like you?

How many evenings with no service at all if your example were followed? Your presence in your place on the Lord's day in His house means more perhaps than you have ever realized.

For your children's sake go to church. You are cordially invited to be in either or all of the services at the First Baptist Church Sunday.

Preaching by the pastor at 11:00 a. m. and 7:30 p. m.

Be confidently expecting great things of the Lord in your church next Sunday and you will not be disappointed.

Bill Would Reduce Registration Fees

Texas motorists would be given a one-third reduction in passenger motor vehicle registration fees under a bill reported last Tuesday by the house highways and motor traffic committee, 7 to 6.

Favorable action was taken despite assertions by opponents that any reduction in rates would materially cripple the highway department.

Aged Citizen Buried Here Last Saturday

Death robbed Clarendon Friday another of her pioneer citizens when Chas. Young McDonald was called to rest after a prolonged illness.

The deceased, 82, was a resident of Donley for twenty-seven years, having moved here in 1907 from Vernon where he had been a resident for one year. Chas. McDonald was born in Franklin County, Missouri, where he lived for fifty-five years before moving to Texas. He was married forty-nine years ago to Miss Mary L. Kennedy in Missouri.

Together with his son, Will, he purchased the McKillop Drug in 1912 and operated it as the McDonald Drug until 1918. He also engaged in farming and ranching while in Clarendon. He is survived by a wife and a son, Will C. of this city.

Funeral services were conducted at ten o'clock Saturday morning by the Reverend Robt. S. McKee, pastor of the Presbyterian Church, at the Will McDonald home. Interment was made in the Citizens cemetery.

Low Cost Tile For Irrigation Purposes

Announcement has been made this week by the County Agent's office of an effective system of irrigating flower gardens and small vegetable gardens by the use of concrete tile at the low cost of one cent a foot.

Buried in the ground at a depth of ten to fourteen inches, these home-made tiles have been found to be the best-known method of inexpensive irrigation for small plots.

One sack of cement and four cubic feet of sand will make 110 of these tile one foot long. Providing one does his own work, the tile will cost only the price of one sack of cement.

A complete set of stens and illustrations for this system of irrigation may be secured from the County Agent's office.

Relief Sewing Room Will Open Monday

Operation of a sewing room in Donley county will begin next Monday morning. The sewing room will be located in the cannery building and all work will be done with relief labor under the supervision of Mrs. J. M. Acord.

Employees will be required to furnish their own machines and the Texas Relief Commission will supply all materials. The garments when finished will be disbursed to relief clients through the regular procedure and will be designated as works division products.

The following types of garments will be processed: Print dresses for women and children, overalls for small children, work shirts for men and boys, underwear for women and children, layettes, sheets, pillow cases, quilt tops.

Heath Gets Shipment Of Maytag Washers

According to Frank Heath, proprietor of the Clarendon Furniture and Maytag Store, Donley county has become one of the leading centers of the Panhandle in the sale of Maytag washers. The store Tuesday received a shipment of thirty washers, making sixty for the month of February received by this firm, which is a mighty fine record in comparison with other points in population.

Mr. Heath calls the attention of housewives to the Maytag Washers in an ad in this issue of The News, which is in line with a series of advertisements placed by this firm.

McMurry College Band Here Mar. 6

Dean Boswell of McMurry College at Abilene phoned the city commission here yesterday to make arrangements for the College Band to appear here in a street novelty performance on Wednesday morning, March 6th.

Permission was granted and Clarendon people will have opportunity to hear the famous McMurry "Indian" Band at some hour of the morning, not yet determined. When you hear the boom of the drums and the blare of the trombones come down and enjoy the performance.

IMPROMPTU IS LIONS PROGRAM

SURPRISE NUMBERS GREET PARTICIPANTS AND MEMBERS IN SONG-TALKS.

The program chairman of the Clarendon Lions Club sprang a surprise Tuesday on both entertainers and club members, when he reached in his professional bag and drew out an impromptu program which surprised him as much as it did the others.

Before an unusually heavy attendance, Program Chairman Drennan announced a male quartette and then named Lions Jenkins, Braswell, Landreth and Lowe to their great dismay. The quartette went into a hurried huddle and after some thumbing through the Lions song book, proceeded to sing "The Old Oaken Bucket," with more or less varied success. Some musical critic such as Lion Reading declared that there was one cylinder missing, and proposed that the club have at least one spark-plug cleaned or replaced. Others not so musical thought that more than one cylinder was missing, and seemed disposed to be better pleased if all were missing.

This quartette number got the club's goat so decidedly that Lion Drennan was encouraged so he announced an address, "What I Expect To Do in Donley County, and How the Lions Club Can Help," and assigned Loin J. M. Hill to the job of making it. Lion Hill, recently moved here as secretary-manager of the Clarendon Chamber of Commerce, and teacher of Agriculture in the High School, so after some un-called for remarks about the number just preceding, he launched off into his subject and made a most creditable talk stressing the need of more F. F. A. and 4-H boys in Donley County, proposing that when this work had been expanded that a stock show be staged annually in Clarendon where this activity might be properly displayed. Lion Hill impressed his hearers with his earnestness and enthusiasm and will have the help of the Lions in his aims.

Lion Drennan, by this time had decided that he might as well make an impromptu address himself, so he pulled out a current copy of "The Lion" magazine and gave an interesting discussion of its contents and merits as a real help to any member of the Lions Club.

W. L. Patrick was introduced as a guest of Lion G. K. Reading, and a new citizen of Clarendon, having been assigned here for work in the resident highway engineer's office. Mr. Patrick responded briefly.

Cub Lion Joe Bownds was introduced as the newest member and made a short response pledging himself to the work of the organization and expressing his pleasure at being numbered among the Lions.

Lions Bugbee, Andis and Pierce were named as program committee for next week.

FIERCE SANDSTORM BLEW THREE DAYS

VISIBILITY SUNDAY WAS TWO BLOCKS; TEMPERATURE DROPPED SUNDAY NIGHT

High winds blowing in from the West last Friday brought a sandstorm to the entire Panhandle which lasted three days, reaching its height Sunday when visibility was lessened considerably, and the sun was obscured most of the day.

This was the worst sandstorm in the past five months and reached into the central part of the state, with all its fury. Few ventured out during Sunday in the wind which blew at an estimated forty and forty-five miles per hour consistent throughout the day, and the darkness in homes necessitated burning of electric lights.

The wind abated Sunday night, leaving in its wake Monday morning a temperature which reached eleven degrees, within twelve of the lowest record for the winter.

EPISCOPAL CHURCH WILL HAVE COMMUNION SERVICE

At the St. John Baptist Protestant Episcopal Church Sunday at the regular church service hour, 11:00 a. m., the Holy Communion will be commemorated and the pastor, the Reverend Newton C. Smith will preach a pre- Lenten sermon from the 20th verse of the 5th chapter of the Gospel of Matthew on Sincere repentance.

A cordial invitation is extended to all to attend the Sunday morning worship.

Calves From Donley In Amarillo Show

Clarendon will be well represented at the Amarillo Fat Stock Show on March 3, by several members of the local Future Farmer chapter. On this day the vocational agriculture judging team will compete with many other teams for honors in the livestock judging contest.

Four Clarendon boys will have fat baby calves on exhibition at the Amarillo show. These calves are owned by R. A. Beverly, Pat Salvin, Bob Boston, and John Howard Gilbert.

Mr. and Mrs. J. H. Morris had as their guest from Wichita Falls over the week-end, Mr. Morris' mother and sister, Mrs. R. F. Morris and Mrs. Roberta Ryan and son, John Morris.

Judge Fires Able To Resume Bench

District Judge A. J. Fires resumed his bench as presiding judge of the 109th district court at Memphis Tuesday after an absence of two months on account of illness. During Fires' absence, Judge R. H. Cocke of Wellington served as judge.

Fires became ill following the court term at Wellington late in December and was ordered to bed by his physician. His condition became critical at one time, but his recovery has been rapid during the past two weeks. He was absent from the bench during the entire seven-week term at Childress and missed the first week of the Memphis court. Judge Cocke served by appointment of the bar association of the counties.

Donley County To Have 4-H Activity

County Agent, H. M. Breedlove, started work recently to organize a 4-H Club for boys and girls of Donley county.

Five hundred enrollment cards have been ordered from College Station, and according to the county agent, the Donley county clubs will be active by May 1st.

With a project in mind of having a fair in the Fall, in which the 4-H Clubs will sponsor a baby beef show, Mr. Breedlove is enthusiastically working to enlist all the boys and girls of the county in clubs at the earliest date possible.

Misses Margaret and Rachell Melton and Miss Ardena Talley of Miami spent the week-end visiting Mrs. Jesse Lowe.
