## Boys Recreational Club Room Secured UNION SERVICES AT BAPTIST CHURCH THANKSGIVING MORNING

### BOY'S CENTER TO BE AT COLLEGE

**RECREATIONAL CLUB ROOMS  
WILL NOT BE USED DURING  
SCHOOL HOURS.**

According to G. Lester Boykin, Chairman of Moral Code and Educational committee of the Lions Club, the project of providing a recreational center for the boys of different organizations of the city has been completed and the club rooms will be in the basement of the College Dormitory.

The rooms will be used as meeting places for the various organizations for recreational activities. Various days will be scheduled for the different clubs so there will be no conflictions with school hours.

The Lions Club gave \$25.00 to the committee working on this project and the money will be used for purchasing indoor games, tables, boxing gloves, etc.

At the present time the club rooms will be used by the Boy Scout troops, College Societies, The Future Farmers of America organization, and the Sons of Legionnaires. Other boys organizations may use the club rooms upon their willingness to contribute to the small expenses of the club rooms or work in kind being offered, made to the committee.

The rules and regulations have been posted on the bulletin board, as well as the present schedule for meetings.

The sponsors of the different organizations will be the persons in charge during the time their organization is using the rooms, and will not permit drinking, smoking or gambling, and order must be kept.

Besides the contribution received from the Lions Club, the American Legion and the Boy Scout troops of the Methodist and Baptist churches have signified their intentions of donating to the cause.

The school board committee composed of O. C. Watson, H. T. Burton and E. P. Shelton are working with the Lions Committee composed of G. Lester Boykin, Cap Morris, Rev. J. Perry King and Rev. W. E. Ferrel, in the matter.

### REGISTRATION FOR CONVENTION ASKED

**REGISTRATION CARD GIVES  
HOLDER ADMISSION TO  
ALL ENTERTAINMENT.**

A committee headed by Ralph Kerbow will make a canvas of the city just preceding the American Legion District Convention which will be held in Clarendon December 8-9, to sell to the citizens registrations for the convention.

The registrations will entitle the holder to admission to various amusements being offered for the entertainments of the visitors, as well as the barbecue which will be served-in fact, everything except voting.

Purchasers of these registrations will be furnished with a badge different in color from the ones furnished delegates. Members of the Legion post must also purchase registrations to attend the convention.

According to P. B. Gentry, chairman of the entertainment committee, there will be a parade on Saturday, December 8, which will be a gala affair for the city. There will be bands, drum and bugle corps and various other entertainments in the parade.

Mrs. Earl Alexander spent the week-end in Ft. Worth visiting relatives.

### Committee Appointed Rehabilitation Work

A Monroe, supervisor in Donley, Hall and Collingsworth counties in the rural rehabilitation work, was in the city last week working on the plans to rehabilitate Donley relief clients. While here he appointed a committee composed of Clifford Davis, H. Mulkey, E. S. Ballew and Mrs. J. M. Acord, who will work with him in passing upon the ones to be rehabilitated.

A fifth member of the committee will be appointed by Mr. Monroe when he returns to the city next week, according to Clifford Davis.

Numbers of farmers, it has been reported, have called at the local relief offices to rent the Government land on which relief clients will be located.

The citizens of Clarendon are in for a real magical show this evening at the College Auditorium when Birch the world famous magician, gives his performance while on a tour of Texas.

Clarendon is fortunate in securing this able artist of his wares for a date in the city, as he is showing in only a few cities in Texas on his national tour.

The performance is under the auspices of the local Lions Club and a share of the proceeds will go to the Crippled Childrens Fund of that organization. It is for a worthy cause and every one is asked not to pass up this opportunity of seeing a good magical show and at the same time contribute to a worthy need.

The committee acknowledges receipt of one \$25.00 donation from an individual in Ashtola. This was glad news to the chairman.

The quota of Clarendon and the county is 400, and Mrs. Patrick urges the people to join the Red Cross now and not wait until the last minute.

She has announced that the committee will have a representative all day Saturday at the Rexall Drug Store to receive donations or memberships.

"So far, we have not had a business house to join 100 per cent, for management and employees," stated Mrs. Patrick.

### CORRECTION

The Lelia Lake items of last week as printed in the News gave the amount of \$2.50 as being realized from an auction sale held at the school two weeks ago. We wish to correct this with due apologies and state that the amount should have been printed \$263.42, which is really better than \$2.50 for the school equipment.

### BRONCS TO PLAY CLAUDE FRIDAY

**COACH IS GIVING THE BOYS  
EXTRA TRAINING PRE-  
PARING FOR GAME.**

The News has been requested to announce that the Clarendon Broncs will go to Claude Friday for a tilt with the famous Claude eleven, and will attempt to pile up the scores against the neighboring city.

It has been reported that the Claude hustlers line will average slightly more than the Broncho line, but that the Bronc backfield will even the teams to such an extent that it will be a players match from start to finish.

Holtzclaw will also attempt another 75 yard run against the Claude squad, but spectators believe the run will not be as successful as it was against LeFors last Friday.

Coach Kerby has been giving his squad extra work to put the boys in shape for the Claude tilt. He is very optimistic regarding the Claude battle.

### 75 YD. RUN WINS FOR BRONCS, 7-0

**BRONCS WIN ONE CONFER-  
ENCE GAME OF THREE  
ATTEMPTS IN SCHEDULE.**

The opening minutes of the Pirate-Broncho contest were the most exciting of the game. To start the fireworks Clarendon kicked-off to LeFors who returned to their 35 yard line where they were held for downs by a charging Broncho line.

An exchange of punts followed with Clarendon in possession of the ball on their thirty yard line. A fumble gave the oval to the visitors, deep in Bronc territory, but this break turned tables when a Pirate pass, a few moments later, settled in Frank Holtzclaw's arms who scampered some 75 yards for a touchdown aided by some god blocking from his mates. Greene then kicked goal to give the Broncs a 7-0 lead.

Clarendon again kicked off, and after an exchange of punts, LeFors, gaining chiefly through the middle of the line drove to the Bronc 19 yard stripe where their march was terminated by a valiant Broncho line. Disheartened by this failure the Pirates were never able to penetrate the twenty yard line during the remainder of the game.

The second quarter was a tight defensive affair with the visitors having a little the better of it. The LeFors line was invincible, the Broncs making only one first down all afternoon. Greene's punting and a good defensive line held the Pirates at bay for the rest of the second quarter.

Dr. and Mrs. Mark Stricklin, M. E. Bell, and Miss Jean Bourland spent Friday and Saturday in Lubbock visiting Mike Stricklin who is attending Tech.

### Flood Control Tools Have Been Received

A truck load of tools to be used in the flood control work in and near Clarendon was received last Sunday from a warehouse in El Paso.

The truck brought: 100 wheelbarrows, 50 picks, 24 pails, 200 shovels, 25 pinchbars, 50 pick handles, 2 sets of blacksmith tools and various others too numerous to mention. In all there were \$905.00 worth received.

The work on the sites surveyed southwest of the city will begin in a few days. Some work started on the ditch in the city will be finished before the main work starts on the levee sites.

The work is being done by the men sent here by the Federal Transit Bureau, who are housed in the old Denver Hotel.

### GOOD AND BAD OF BUSINESS-THEME

**LIONS HEAR MEMBERS TELL  
OF PLEASANT AND UN-  
PLEASANT EXPERIENCES**

Roll Call of Lion members present Tuesday at the regular weekly luncheon was used as a forecast of how many tickets each member expected to sell for the Birch entertainment Thursday night for the Crippled Childrens benefit, and showed a fine attendance in prospect.

Lion Hicks brought to the attention of the club a proposed Athletic Committee among the business men of Clarendon and asked the Lions Club to name one representative to the committee. The American Legion is naming one committeeman and the two members thus constituted will name the third to complete the committee. The club voted to name such a committeeman and Lion Hicks was elected as the club representative. The committee will seek to promote the interests of high school athletics in Clarendon. Lion Kerby spoke to the proposition and urged that the athletic field be lighted for night games by the opening of next football season.

Lion President Palman urged again the best efforts on the part of the members in the sale of tickets for the Magician's show at the College Auditorium, Matinee and night on Thursday of this week.

Representing the program committee, Lion Connally had the secretary call the club roll, and each member was required to make a short talk on the pleasant and unpleasant details of his business or profession, the succeeding speaker being allowed a comment on just how he would meet the situation mentioned by his predecessor.

Lions Rathjen, Bugbee and Teer especially distinguished themselves, but adjournment came before the winner was declared. In a drawing some Lions received boxes of candy, others boxes without content and still another found his prize to contain winter reading in the form of almanacs.

D. L. C. Kinard of Memphis was guest of Lion Chamberlain for the day, expressing his pleasure at seeing such a live Lions Club in Clarendon.

Judge Sam W. Lowe, County Attorney R. Y. King, Constable I. B. Pierce and Bert Smith left Monday for New Mexico to look after their interests in the newly discovered gold fields in that state.

Mrs. Herbert Davis of Claude spent Wednesday in Clarendon visiting her mother, Mrs. Blanton.

Mr. and Mrs. W. T. Link and daughter, Joyce, spent last week in Ft. Worth.

### UNION SERVICE FOR THANKSGIVING DAY

**CLARENDON CHURCHES  
UNITE IN SERVICE AT  
BAPTIST CHURCH.**

According to the custom of long standing the Annual Union Thanksgiving Day Service, participated in by the churches of the city, will be held at the First Baptist Church next Thursday morning at 10:30 o'clock.

Rev. J. Perry King was supposed to have delivered the sermon, being the most recent comer to the community, but an engagement at a denominational meeting at Lubbock has called him from Clarendon on Thanksgiving, so the pastors have asked the new Methodist Pastor to deliver the sermon.

Singers of all the churches will assist in the music and a large attendance is urged at this annual joint service of Thanksgiving.

George E. Ragland was a business visitor in Wellington Monday.

### Old Files Reveal High and Low Prices

According to some of the old files of The Clarendon Journal of April 22, 1896 and The Industrial West, published in Clarendon, of June 26, 1897, the price of land was low, considerably, in comparison to the prices now, while the prices of bicycles were about three times the present prices.

The Journal, published by R. W. H. Kennon, stated that G. W. Antrobus sold to Christine Smith lots 13 and 14 in block 11. Consideration \$25.00.

According to the Industrial West, published by W. P. Blake, the Pope Manufacturing Co., of Hartford, Conn., advertised Columbia Bicycles for \$100.00 while T. S. McClelland sold to Alfred Rowe 417 acres of land for \$313.50.

### CHURCH OF CHRIST PASTOR POUNDED

**ELDER STRANDRIGE AND  
WIFE RETURN HOME;

The congregation of the Church of Christ surprised the pastor and Mrs. Strandrige with an old fashioned pounding, Tuesday night after the regular song practice.

When Elder and Mrs. Strandrige returned home from the practice they were met at the door by lots of folks, and members of the church who presented them with a larder full of good things to eat.

They expressed their appreciation of the many packages of groceries received.

I will think—talk—write... Texas Centennial in 1936! This is to be my celebration. In its achievement I may give free play to my patriotic love for Texas' heroic past; my confidence in its glories that are to be...

### THE NATION WATCHES NEBRASKA

No state in the Union but has many political leaders and observers who realize that the present bi-cameral (upper and lower house) legislature is an expensive and bunglesome machine of state government.

Since change comes sometimes more slowly in legislative methods than in any other activity of mankind, there is widespread interest in the experiment of Nebraska in voting a unicameral (one house) system for their legislature this Fall, and there is hope that this will mark the beginning of a more efficient, effective and economical system for all our states.

Texas has long been burdened by top heavy personnel in both houses, mediocrity by reason of low salary scale, and general ineffectiveness of the bi-cameral system. We need one house, with not to exceed eighty or one-hundred members drawing a fair compensation on an annual basis, so that recurrent special sessions will not add to state burdens.

When Nebraska finds the flaws in the new set-up Texas should be among the first to profit by her experience in this forward step.

### A CHURCH CHOIR FESTIVAL FOR THE PANHANDLE

Church choirs in the Panhandle have been very largely local endeavors without any regional organization or connectional interchange. Under this situation there has been developed many very fine choirs, but all could be better if some plan were devised whereby seasonal meetings could be had.

Clarendon has long been one of the better musical centers of this section and would be an easily accessible point for the organization of such a sectional convocation.

If plans work out now in mind 1935 will likely see this city host to church choirs of the Panhandle, the permanent organization of a guild of church music with much resultant good to all churches and choirs.

A Panhandle Church Choir Festival in Clarendon next year would be one of the cultural events of 1935 and is a most worthy objective.

### TEXAS CHURCHES JOIN IN DEMAND FOR HIGHER STANDARDS AND CLEANER LIVING

In the latter part of 1934 nearly every protestant church in Texas has pledged itself to a program demanding higher moral standards and cleaner living for its membership and 1935 is a certain to see a great movement which should bring to all our churches a standard that will cause our people to frown on any church member who takes a social drink, who gambles, who desecrates the Sabbath, who joins in the many forms of worldiness so deadly to spirituality and right thinking.

The lines are going to be drawn and every professing follower of Christ might as well begin now to examine his own personal life and dedicate himself to a life of higher standards, everyday righteouness and happy experience.

Of such is the kingdom of God, and through it lies the pathway to moral and economic recovery.

### BE FOREWARNED AGAINST GRAFTERS

As usual along about this time of the year, worthless schemes of all kinds are brought to the towns of the Panhandle by petty grafters—and some not so petty. Merchants and professional men of this section seem strangely accessible on advertising and premium schemes, in spite of the fact that they have been stung time and again. Just a little variation in the old plan and they fall for it again.

Never before have we needed to conserve our resources and spend our money only in legitimate channels of advertising, as this Fall and in the year to come.

Turn down the grafter hard. It will save you money and help to break him from his "taking" ways.

After business hour a sociable hour was enjoyed with delicious refreshments. We wish to invite every lady in the community to meet with us at Mrs. Wilson Gray's Friday, November 23, at 2 o'clock.—Reporter.

Mr. and Mrs. Clarence Whitlock, Mr. and Mrs. George Garrison, and Mr. and Mrs. Frank Whitlock spent Sunday in Amarillo visiting relatives.

**WINDY VALLEY SCHOOL NEWS**

There was a community singing at the school house Sunday 18th. There were some singers from Bray, Hedley, Lelia Lake, and Chamberlain. We hope every one enjoyed the singing and will come back and practice with us from ten until eleven o'clock next Sunday morning.

On Monday November 26th we are going to repair the school house, paint the inside of the building and put in new doors and windows.

The seventh graders are making a health and other note books in English. They organized a 9 E. C.—Good English Club. They had to read three library books before they could join.

The eighth grade is going along very nicely. We have had several oral reports in English and other studies. We have to read four books a month and the one that reads the most besides these gets a prize.

**Primary Room**  
U. L. and Jearl Swinney came back to school Monday after being absent for quite a while.

We are sorry to lose George Starks, who turned in his books Friday. He is moving to East Texas. Good luck, George.

We have been studying about Robert Louis Stevenson, who wrote so many pretty poems for us.

For third grade English we wrote a story about his life and memorized "The Land of Counterpane." Ara Paulk had the best story and Mrs. Batson put it on the bulletin board. We are also learning to write letters.

We want all of our parents to come to our program next Wednesday night, November 28. We'll show you what we can do and tell you a number of things about Thanksgiving.

**Intermediate Incidents**  
Mrs. A. A. Russel visited with us Friday afternoon. We hope she will come again, and often.

Prizes for the month in reading classes were given in the fourth, fifth and sixth grades to Robie Lee Russel, Paul Sargent, and Cleta Riffle, respectively.

It was so dark Monday morning that we had to turn on the lights in our room to even play like we were studying.

The reason so many fifth and sixth grade students have gone around with long faces this week is supposed to be kept a secret, but it has been rumored that they had to write some parts of their English over, and over, and over until it was done exactly right.

**LIBRARY NOTES**  
(By Mrs. C. A. Burton)

Here and there we find the following items of interest about books and the people who are writing them:

Booth Tarkington's "Little Orvie" will be published before Christmas.

Ford Madox Ford whose "Henry for Hugh" has been published this fall, has just come to New York from France.

Princess Martha Bibesco, who is lecturing in this country at present, has written a new novel, "Equality," which will be published in the spring.

John Buchan has been selected to deliver the address at the dedication on Nov. 30 of South Hall, Columbia University's new library building. Mr. Buchan's "Oliver Cromwell" as one of the outstanding biographies on the autumn lists.

E. Douglas Branch has given the social history of the twenty-five years preceding the Civil War in "The Sentimental Years" recently published.

It is stated that even publishers make mistakes, as was evidenced when every publisher in Australia turned down T. D. Davidson's "Red Heifer." He published it himself, and it was given the gold medal of the Australian Literary Society for the best novel of the year. It was due to be published in this country the 15th of this month.

Patrick Moreland, who first came to public notice in 1931 as winner of prize of the Poetry Society of Texas, has issued a second volume of verse "Slumber at Noon," published by the Kalleidograph of Dallas. Critics are speaking very friendly of it.

Many literary classics are being produced in abridged, simplified editions for children. Louis Untermyer has retold the Gilbert and Sullivan operas for children in "The Last Pirate," while the Junior Literary Guild is presenting Prescott's "Conquest of Mexico" in one volume filled with graphic illustrations.

F. Scott Fitzgerald's book of sport stories, "Taps at Reveille" which was announced for autumn publication has been postponed until spring.

Joseph Hergesheimer has written a new novel about a family of Pennsylvania paper makers through several generations called "The Foolscap Rose." It was published in October.

Peter Fleming, author of "Brazilian Adventure" has a new book, "One's Company"—a book about Russia, Siberia, Manchukoo

and China. A reviewer complains that with even chance to give thrills the author has instead written a very matter-of-fact account of these countries so full of interest at the present.

Hildegorde Hawthorne, grandfather of Nathaniel Hawthorne, has recently published a girls' story entitled "Tabitha of Lonely House." Following the traditions of her noted grandfather, she has written of old Concord, a setting with which she is so familiar. It is interesting to note inherited talents.

There is a decided tendency in late fiction to write home life, the every-day details of families under certain conditions in certain localities, thus making them a kind of pageant of the time and section presented. Many of them deal with the last two or three decades, bringing the story down through the depression to the present time.

Helen Hull's "Morning Shows the Day" is this type of story, also Ruth Suckow's "The Folks," Martha Ostensio's "The White Reef," Mateel Howe Farnham's "Great Riches," and many others. The last named author is a sister to Editor Howe of Amarillo. Of very much the same type are several farm novels as Caroline Miller's "Lamb in His Bosom," Louis Bromfield's "The Farm," and Leroy MacLeod's "The Crowded Hill." Perhaps I had best hasten to add that I do not have any of these—my failure to do so being obvious. If you have any of them, have read them, and want to let others enjoy them, we would so appreciate any such a gift.

The longer evenings are bringing us many new members—people who enjoy a book by the fire when the day is done.

**Oh, My Stars! Plays To Capacity House**

"Oh, My Stars!" a three act comedy presented by the Business and Professional Women's Club, was shown to a capacity house at the College Auditorium last Tuesday night. Miss Zell Rodgers was the director of the play.

The scenes were in the editorial offices of the Sagville Herald, of which Miss Norma Rhode was the editor. Her capable printer was played by G. Lester Boykin. His timely wisecracks to the uninitiated of the printing industry brought forth the laughs of the audience.

The comedy was interspersed by the eloquent speeches of C. C. Powell as Sherman Pendleton, the president of Sagville, and a political power in the village.

Others in the play were Misses Julia Mae Caraway, Helen Lawler, Rhoda Wiedman, and Mrs. Ruth Teat, and Messrs. Robert Land, C. C. Powell and Dr. A. W. Hicks.

## Hog Processors Have New Restrictions

According to a statement issued by W. A. Thomas, Collector of the internal Revenue, of Dallas, under date of November 14, 1934, new rules governing the sales effect and a part of the regulation is as follows:

Under the Agricultural Adjustment Act every processor of hogs is required to make monthly returns and pay the tax due to the Collector of Internal Revenue. Such forms are required to be filed in the office of the Collector of Internal Revenue and the tax due thereon paid on or before the last day of the month following the month within which the processing took place. The existing processing tax rate on hogs is \$2.25 per hundred pounds, live weight.

Previous to November 1, 1934, a processor of hogs was defined as any person slaughtering hogs for market. Effective November 1, 1934, by Regulations of the Secretary of Agriculture, in addition to the above definition of a processor of hogs, such definition was amended so as to include any person, market, restaurant, hotel, club, hospital or similar establishment purchasing hog carcasses or edible hog products from producers, or feeders of hogs for resale, rehandling or further preparation for market. The producer (not including a feeder) of hogs is privileged to slaughter and sell not more than 300 pounds of pork products during any marketing year direct to the consumer, tax exempt. The 300 pounds exemption referred to means that not more than 300 pounds of hog products can be sold tax free by any one producer to the consumer during the marketing year. The marketing year is from November 5th of one year to November 5th of the following year.

## FORMER CLARENDON WOMAN ENTERTAINS AT GREENVILLE

The many friends of Mrs. Whitfield Carhart will be pleased to read the following clipping from the Greenville Banner:

The home of Mrs. Whitfield Carhart, 4218 Stonewall st. was opened for a beautiful reception from 3 to 6 o'clock Saturday afternoon, when Mrs. Carhart, Mrs. R. T. Anderson and Mrs. Benton Clark received their friends during these hours.

The Autumn day with the Autumn decorations selected by the hostesses distinguished the occasion as one of the loveliest of the early fall social affairs.

Chrysanthemums were selected as decorations for the home, and in the living room where the guests were received, bronze, gold and orchid flowers were used. Baskets of yellow chrysanthemums were used on the mantel and cabinets, and these were enhanced with bowls of the plummy orchid variety. On either side of the archway into the dining room were floor baskets filled with handsome bronze flowers and fern.

Mrs. H. L. Lybrand welcomed the guests and presented them to the hostesses, Mrs. Whitfield Carhart, Mrs. R. T. Anderson and Mrs. Benton Clark. Assisting in receiving were Miss Ollie Coon, Mrs. E. D. Barlow, Mrs. Julian Wood, Mrs. Tom Bethell, Mrs. T. E. Conger, Mrs. Ellis Hardy and Mrs. E. H. Caswell. Mrs. R. L. Craven and Mrs. J. G. Smith entertained and invited the guests into the dining room.

The decorations of the dining room reflected the glory of the Autumn season. Foliage in vivid colors added to the harvest scene, which decorated the center of the tea table. The table was laid in a lace cover over satin. The Autumn basket used for the center decoration was surrounded with Autumn leaves and filled to overflowing with fruits and nuts. The Thanksgiving pumpkin and miniature turkeys held places of honor, and adding beauty and color were oranges, Mexican peppers, candied and fresh fruits and nuts. Completing the decorations were tall green tapeters in silver holders and cornucopias of pink and green mints. Mrs. Will Cantrell and Mrs. O. S. Hervey poured tea from silver services.

Receiving in the dining room and serving refreshment plates were Mes. Allen Clark, Paul Mathews, Preston Anderson, Dennis Vinzant, Misses Ruth Wilson, Jean Conger, Maxine Shepherd, Anna Patton Clark and Nancy Bush Craven.

"Greetings and all that sort of thing from our new camp in the town of Clarendon, Texas. We are situated about 60 miles S. E. of Amarillo, and have quite a nice place started here. One thing we do have, and we are mighty glad to have it, is the whole hearted co-operation of the officials of Clarendon. Also we have been fortunate in getting help from the merchants. The boys down here have been well supplied with magazines and reading material and they all appreciate it.

"Our big boss down here is Wm. Herndon, more popularly known as 'Pop' and Pop seems to have the whole hearted help of all the boys in the Bureau, which speaks well for Pop's ability.

"The kitchen is in charge of Frank Johnson, who is seeing to the vitamins of the boys. Frank has suffered from a wrenched (?) back for the past week. We wonder how he got it? ? ?

## Movie Stars' Doubles Disclosed in School

Our school is infested with people connected with famous movie stars, either as relatives or in resemblance by name, face, or form.

This is a startling announcement, perhaps, but glancing through office files, studying a profile here and there, and observing the walk and talk of certain persons, we find several similarities that the public should be interested in.

Tall, bespectacled Joe Montgomery says he is related to the handsome, dimpled Robert Montgomery of celluloid fame. Distantly, perhaps, but then every Montgomery can't even be that.

One of Garbo's leading men, John Gilbert, is right here in our midst. He is on the football scrub team, and his full name is John Howard Gilbert.

Willard and Carroll Hudson claim kin to cute little Rochelle Hudson whose home is in Oklahoma.

There is a counterfeit Mae West in the sophomore class. Maybe not so badly said—Shirley has plenty of curves, too.

As to similarities, Sherman Irons may some day look like Warner Baxter, but he will first have to spread his mustache a little east and west.

There is a boy in town who carries a picture of Helen Mack in his billfold because he can't get a personal photograph that does Helen Risley justice. If Risley would cover up her freckles like Mack does in the movies, the two Helens would pass as twins, because they are identical in figure, both have gray eyes, and even their hairlines are alike.

Willard Skelton passes for Dick Cromwell when new girls come to town. His charming smile and merry talk place him in the class of famous Richard.

The prettiest girl in school is Curtis Thomas, who looks a lot like Norma Shearer, with the same clear-cut features, meek eyes, and gentle smile.

In Education and Chemistry lectures Mr. Drennan displays some side-splitting antics that have caused students to classify him with that well known humorist, Will Rogers.

Vera Noland has adopted Joan Crawford as her favorite actress because her own eyes and lips resemble glamorous Crawford's.

Katherine Cornell who played Elizabeth Barrett Browning in the stage production of "The Barretts of Wimpole Street" and Katherine Cornell of the senior class of Clarendon High School are not acquainted with each other.

It is needless to say that Elery Watson with his stern jaw and supercilious eyebrows greatly resembles Clark Gable.

**CAN YOU TELL ME WHY:**  
Billy wasn't a Talker instead of a Walker?  
Robert wasn't a Dime instead of a Nichol?  
Marvin wasn't a Butcher instead of a Baker?  
Arthur wasn't a Hunt instead of a Chase?  
Wanda wasn't an Augustfield instead of a Mayfield?  
Harold wasn't Bacon instead of Hamm?  
Doris wasn't a Palace instead of a Cassle?  
Jack wasn't Straws instead of Hayes?  
Hollis wasn't Alligator Skin instead of Leather?  
Lovie wasn't a Bear instead of a Beaver?  
Alec wasn't Dishwasher instead of Cook?  
Gladys wasn't a Catfish instead of a Salmon?  
Clarence wasn't Intelligence instead of Wisdom?  
Mildred wasn't Somebody Else instead of Self?  
Christine wasn't a Sheep instead of a Lamkin?

Sarah Virginia McGowan, Harold McDaniels, Virginia Cluck, Drew Wilkerson, Avis Lee McElvany, Arthur Chase, Dorothy Powell, Nickey Stewart, Mary Frances Powell, and Jelly McGowan were in Amarillo Saturday.

## Cheerful Chatter

The chatterer feels that she has just witnessed her most enjoyable football game. She has seen games between college teams, from beginning to end; but in her estimation the Clarendon-LeFors game is the greatest. Never have the Bronchos played a better game. In spite of the confidence and the weight of the "Pirates," the Bronchos smashed through and beat them. We think that those fans who have quit attending the games because they said they hated to see the Bronchos so badly beaten are properly "told"; those fans who have remained faithful are well rewarded.

Speaking of football, we think the Clarendon Pep Squad did their very best. Perhaps it was the playing; perhaps competition. Though the Pirate pep squad had the Broncho pep squad outnumbered, I really believe that the "wild ponies" yelled twice as loudly as the "pirateers." Incidentally a dog accompanied the maroon and white squad almost all through the game.

While telling a friend of the teachers and courses of Clarendon High, it suddenly struck the Chatterer that the school has an extremely attractive, thoughtful, and intelligent faculty. Furthermore, there are no teachers but that do their best that all their pupils may pass.

Well, will the senior class never quit having trouble? Perhaps now that they have a new President and Vice-President, they will settle down and work, or perhaps they may decide that the "third time charms," and worry the new officers so much that they too will resign. Who knows? Nobody seems to, not even the class itself.

## Wee Willie Wonders

The assistant scribe (Mike to you) is on the job today since Wee Willie is out hunting some shirts to replace those he lost to yours truly when he bet that Lubbock would take the Sandies to a fall house cleaning. Not only did Willie come home in a barrel but he came home on the Ft. Worth & Denver's coolest cattle car. No sir and he didn't even thank me for the use of my ticket, the bum, and not a one of his shirts will fit me. Now get this, Wise Willie sez that Pampa will bust Amarillo on Butler Field and that Lubbock will scramble the Harvesters like a Kansas cyclone. Some one buy him a ticket to the Wichita Falls I. A. sez me.

Who in the heck said they wanted your address Cheerful Chatter? Don't jump at conclusions, neither Willie nor I want your address even if you do think so. Willie just got the news that you did live in that place and under certain conditions but as for wanting your address, far be it from him because he has enough to be true to now without dragging any more into the scrap. That blonde of his would just about scalp him and I know a certain dame that would cut off my ears if she suspicioned I wanted your address. So Chatter don't jump at any more conclusions or some one will slam your door.

I never like to miss a chance to compliment Socrates. Socrates as a sports writer nearly reaches the high peak that Amarillo's own Cal Farley reaches when he broadcasts a ball game or wrestling match. Both of these intrepid sportsmen are great in their line of work (toro to you) although one is confined to the newspaper and the other to the radio. Both have a vocabulary that makes the average person seek a Webster and marvel over the usage these two construe upon some of our good American words.

I don't like the way Chatter snaked a certain little guy in her column. Sure he is brave, isn't he president of the toughest and roughest of all the societies, doesn't he get tossed out of the library with monotonous regularity, and every so often he has a round with Coach Burton over some infringement upon the societies' rights? A bird like that can be true to a dozen girls and make them like it, believe me. He may be little but there is plenty of what there is.

Willie just came in with half a dozen shirts and has already bet them on the future District One games. I'll get those shirts, too, if the lady from whose clothes line he got them doesn't beat me to them.

## Socrates of Sports

The S. S., like all good gamblers, keep placing his money on the Broncs and they brought home the bacon last Friday. They nullified previous defeats by defeating a team that was rated 10 points better than they. The margin of victory lay in Horsie's ability to out-run the whole LeFors team plus a fighting defense that held the Pirates at bay all afternoon. The whole Broncho line turned in their best performances of the year. Greene's punts too kept the "wolf away from the door" on several occasions. Cornell and Grady did their part in putting Clarendon in the win column. It might be recalled that LeFors scored on McLean, something they couldn't do against the Broncs. The S. S. gives a greater part of the credit to Coach J. L. Kerby. To develop new material into the team that he put on the field Friday is certainly a boast for the Broncho mentor.

The college and high school basketball teams have had several engagements the past week and are making real progress in developing some good teams. The college badly defeated the Alarced teachers led by Bill Dillard, former star of the Broncs. The Bulldogs and Bronchos both have had several tussles with the Goldston lads, coming out successful except upon one occasion. The girls' high school team defeated Goldston last week but in turn took a lacing from Lelia Lake last Monday. It is hoped that the people of this town will back the basketball teams this year in Clarendon's first effort to have a real team. It is thought that new suits can be obtained soon.

Irons, McCauley and Stargel seem to be turning in good games as is Buchanan. Jack Walker is a god man, too, but there isn't much demand for him unless it is over at E. O. Bone's house, Cottingham, King, Behrens are other Bulldogs who are doing O. K. Reid Duckett, Carpenter, and Turnbow from the Chamberlain district are perhaps the outstanding high school candidates.

## TASTE AND BASTE CLUB HAS MEETING MONDAY

The "Taste and Baste" club met on Monday, November 19, in the Home Ec. rooms. The meeting was brought to order by the president, Dorothy Powell. The secretary read the minutes of the last meeting, after which the roll was called. Every person had to answer roll call with the name of something good to eat for Thanksgiving dinner. Mary Lois Hayter gave the origin of Thanksgiving and Dora Lucille Piercy read a Thanksgiving poem, followed by a reading by Sarah Virginia McGowan. After this short program, the club sang a club song and adjourned.

## SOPHOMORE SCOOPS

Ask Charlie Murphy what mistletoe is used for. He knows. Grace Hardie and Ruth Tucker think that "I" is genitive case. At least so they declared in English.

Miss Thornton is going to teach the Sophomores to speak correct English, even if they don't learn anything else all year.

The Sophomores are very glad to have Margaret Kelly in school. She has not been attending school on account of her eyes.

Marvin Mitchell declares he cannot pay attention unless he sits directly under the teacher's nose.

James F. Bartlett certainly is interested in a well-known brunette who lives in Ashtola.

Delphia Bones shopped and visited in Amarillo Friday.

Dorothy Jo Taylor, Fred Bourland, Jean Bourland, and Roy Stargel were in Amarillo Saturday night.

## Very Personal

The Seniors seem to be having a time keeping officers this year. First it was the pep leader; next, the vice-president; then, the president herself resigned. Still undaunted, the Seniors have elected other officers to fill the vacancies and still intend to make this a Senior class that is outstanding. It may be outstanding in having accepted more resignations than any other class, but at that it will be outstanding.

I wonder what was wrong with Eloise Hill last Friday night. She entered the show accompanied by Bill Weatherly and her mother, and forty-five minutes later she left alone. Did her mother vamp the boy friend, or what?

Strange though it may seem, Virginia Cluck has really outgrown a high chair. Saturday night in a high class cafe in Amarillo she embarrassed her escort by trying to sit in a high chair, but it was too small for her. She sat on a telephone directory instead.

Houston Gattis visited here Saturday and Sunday. He was seen escorting Vivian Taylor to (of all places) Lelia Lake.

Ardis Patman does not seem to fear the rivalry of those Romeo from Lelia Lake. At least he took a group of girls to Lelia Sunday in his car, and, incidentally, he brought all of them back.

Did you know that: Colorado, Athens, Palestine, Washington, and Richmond were all located in Texas? It is the truth. Look on any Texas map and you can find them.

Willard Hudson saves all his love letters. He now has an astonishing number from out-of-town girls.

If there were more people in C. H. S. like Tillie Pratt, I would suggest that a sequel be written to the feature, "Syllabic Slips" that appeared in the Broncho Range a short time ago. Tillie, who was trying to tell about the charley-horses in her legs, exclaimed, "These jersey cows in my legs are simply killing me." If she shows signs of improvement within the next few weeks, she may not be taken to Wichita Falls.

I have one criticism to make of Wee Willie and Mysterious Mike. Their column is interesting, but if they wish to keep their identity a secret for any reason, they need to discuss other subjects than the ones they do. Certain subjects they discuss are a dead give away (if you will pardon the slang). I did a little detecting, put two and two together, and the result is: I have discovered who Wee Willie and Mike are. I will not tell anyone, but this is just a friendly hint, see?

Dorothy Jo Ryan says that she and Mr. Greene took Emalee Johnson, Mut White, Eugenia Noland, and Paul Greene with them to the football game that Saturday. These names were omitted because of a typographical error, Dorothy Jo.

Two members of the faculty, Miss Hall and Miss Thornton spent the week-end in Amarillo.

Marjorie Harlan of W. T. S. T. C. in Canyon visited friends here last week-end.

## Societies Hold Joint Meeting

Last Tuesday evening a joint meeting of the literary societies of Clarendon Junior College, the Alpha Delta Psi and the Palo Duro, brought about forty members together for a study of international peace. Following the roll call of both societies, Lu McClellan read one of Robert W. Service's famous war poems, "The Fool." The entire assembly sang two doughboy songs, "Long, long trail" and "Smiles" with Ruby Dell Scroggins at the piano. Ardis Patman outlined the necessary five factors for international peace, which he obtained from one of the current magazines. Military music was presented on the piano by the Palo Duro's pianist, Arthur Chase. The meeting met and adjourned earlier than usual on account of the play, "Oh, My Stars," at the auditorium that night.

## MUSICAL PROGRAM GIVEN THURSDAY

"Carry Me Back to Old Virginia" was the opening number at assembly Thursday. The student body seemed to enjoy especially the round, "Row, Row, Row Your Boat" and the two songs by C. P. Jones who accompanied himself on his guitar. Eloise Hill played a piano solo, "Two Cigarettes in the Dark," and Athlyn Drennan sang "Neighbors," accompanied at the piano by Arthur Chase. After the program had been given, Mr. Burton made several announcements to the students.

## PEP SQUAD

During the Clarendon-LeFors football game, the Broncho pep squad did their very best just as did the football squad. Of course, it is true that, since the Bronchos won, the girls had more to yell about, but much cheering was done in answer to challenges flung in their direction by the Pirate pep squad. A good stunt was given, consisting of a "C" formation and a welcome to LeFors. The pep squad sold twenty dollars worth of tickets to the game and were admitted free. Thanks, Coach Kerby.

Jean Bourland spent Friday and Saturday in Lubbock.

Julia Earthman attended a singing convention at Midway Sunday.

## Popular College Student Moves

Miss Lovie Beavers, a member of the college freshman class, left this week for Sweetwater, where her father will be engaged in the Methodist ministry. Miss Beavers is very well known and liked in school and social circles, and her many friends regret her leaving. Last year's Senior class remembers that Lovie received an honorary medal proclaiming her the best all-around girl in the class. Ever since moving to Clarendon three years ago, she has been constantly in demand to present musical programs, singing, yodeling, and playing the harmonica with unusual skill. For two successive years Lovie won girls' singles in tennis for Donley County, and this year has assisted in coaching beginners in tennis.

As an active member of the Choral Club this year, Miss Beavers has participated in a vocal trio with Wilma Dee and Louise Smith that appeared at several public functions this fall. At the college carnival in October a large number of people became better acquainted with Lovie's talent when she sang

## SENIORS ELECT NEW OFFICERS

A meeting of the seniors was called November 19, 1934 to elect a new president and vice-president. There were five nominations: Willard Skelton, Bob Word, Sarah Virginia McGowan, Avis Lee McElvany, and Eloise Hill. Bob Word was chosen to fill the office of president with Avis Lee McElvany as vice-president. The vacancy in the office of president was due to the resignation of Mary Frances Dewey, who recently moved to Dallas. The senior class regrets losing a very capable officer but wishes success for her in every way.

Music pupils of Mrs. Elizabeth Powell who played in a recital at Amarillo Sunday were June McMurtry and Arthur Chase. La Verne McMurtry and Frances Sanford accompanied them on the trip, but not being very musically inclined, they went to a show.

and yodelled two numbers at the main event.

Lovie has also served on the editorial staff of the Range in the capacity of reporter, and we now voice the wish of her friends that she will be successful and happy in her new home.

**LUCKY GIRL**

Her mother felt that family physicians and child specialists, and the hospitals must be right. A simple test that proves they are.

If anyone in your family is occasionally sluggish or constipated; especially any child, you should know this medical truth:

You cannot get safe relief with any medicine if you cannot regulate the dose. And to regulate dosage, you should have a liquid laxative. With a liquid laxative, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition.

**Why Doctors Use Liquid Laxatives**

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of natural laxative elements like senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help them-

"Dr. Caldwell's Syrup Pepsin brought relief at once," says Mrs. A. C. Strong of 34-47 86th St., Jackson Heights, N.Y.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drugstore. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better than you have in a long time.

If you will risk sixty cents to discover the natural, comfortable action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

### CLARENDON POETS INCLUDED IN BOOK

"PRAIRIE NIGHTS AND YUCA" PRINTED IN DALHART HAS LOCAL POEMS.

Dalhart, Tex., Nov. 21.—Three Clarendon poets are included in Prairie Nights and Yuca, an anthology of Panhandle poetry which will be published by The Dalhart Texas this week. It was completely sold out ahead of its publication date. The three poets are Sarah Sewell Hall, Mrs. W. T. Lowe and Homer Charles Speed.

The volume contains the work of 102 Panhandle writers and is the first effort made to collect the work of poets of this region. It was discovered when work on the book began that the Panhandle had a number of widely recognized writers whose work had appeared in various magazines and anthologies.

The book contains 286 pages, is beautifully bound and has a cover design by George Austry of Amarillo, printed from wood cuts. Copies, many of them from reference shelves, have been bought by libraries over the country.

John L. McCarty, Texas editor, compiled the anthology, assisted by H. H. Lawrence of The Texan staff who has achieved considerable recognition as a poet.

### Clarendon Cotton Government Graded

The Clarendon gins which cooperated with the Dallas office of the United States Department of Agriculture, Division of Cotton Marketing, are furnished with the grade and staple of each bale of cotton ginned at their gin, and in addition the weekly cotton report showing the quality showing of the entire state production, stated the Junior Cotton Grading Estimator who was in Clarendon grading cotton, and making the comparison of the grades with the entire state production.

By this method of classification the patrons are better able to tell which variety of cotton grown locally are proving most successful in producing a better staple.

The local percentage report, as compared to the state report, is summarized as follows:

Grade	Donley State	
White and Extra White	18.2	22.5
Good Middling	53.2	44.1
Strict Middling	18.4	15.5
Middling	3.2	4.5
Strict Low-Low Mid.	2.0	2.5
Below Low Mid.	5.0	10.5
Spotted	2.0	2.5
Strict Mid and above	2.0	2.5
Mid. and below	2.0	2.5
Yellow Tinged, Light Yellow		
Stained, Yellow Stained, Gray, Blue Stained		.1
Staple (Inches)		
Shorter than 7-8	35.3	14.9
7-8 and 29-32	61.5	55.2
15-16 and 31-32	3.2	24.8
1 and longer		5.1

Mrs. Keith Stegall and daughter, Janet, visited Mrs. Dalz Lowe, nee Eva Lee Morrison, in Miami over the week-end.

Rhodin Chase spent the week-end visiting friends in Canadian.

### At The First Baptist Church

There is always Worship—Fellowship—Service

How do you regard the Sabbath? To many people it is just another day wasted away. A Holy Day is meaningless to an unholy life. Of all the days of the year our Lord regards the Sabbath day the most significant. He says, "Remember the Sabbath day to keep it holy." We remember many other days with a great deal more reverence than we do Sunday. Let's reverse our attitude and begin next Lord's Day to give it pre-eminence above all days and take a full Sabbath Day's journey toward the better land. Be in your place in your church and be partaker of the mutual benefits derived. You will be helped, your family will be happy, and the community will be benefited.

We welcome with a great deal of joy and enthusiasm the coming of the new Methodist pastor. On every hand and from every source we hear good things about him, his work, and splendid family. The splendid little city in the foot-hills of the Plains, better known as Clarendon, is to be congratulated upon securing such an addition to her citizenship. We wish for and predict, for the old historic First Methodist Church a great year under the leadership of this splendid young pastor and his wife.

You are cordially invited to worship in any or all of the services at the Baptist Church, which convene at the following hours:

Sunday School, 9:45. Judge S. W. Lowe, Superintendent. Preaching at 11:00 A. M. and 7:15 P. M. by the pastor. Training Service 6:15. Miss Vada Waldron, Director. J. Perry King, Pastor.

### THOMAS ROACH ADKINS

Thomas Roach Adkins, age 57 years, 9 months and 9 days; passed away at the farm residence near Clarendon Saturday, November 17, after being ill of an attack of acute indigestion.

He was born February 8, 1877 in White, Louisiana, the son of M. C. Adkins and A. Roach, and is survived by the following children: T. R. Jr., and Mrs. Roberta Pittman of Clarendon; Glenn of Washburn and Jess C., and M. E. (Byrd) of Amarillo, and his wife Mrs. Dora Simmons Adkins.

The funeral was conducted by Reverend Robert S. McKee at the Clarendon Presbyterian church Sunday at 3 o'clock, with interment following in the Citizens Cemetery, with Buntin & Son Funeral Home in charge.

Pallbearers were Edwin Bailey, J. A. Sowell, J. B. Wood, Acee Peabody, John Turnbow and Jim Baker.

Mr. Adkins moved to Donley county from Grapevine, Texas, fifteen years ago.

He was a member of the local Presbyterian church, and was a veteran of the Spanish-American war, being a member of the Texas Cavalry unit.

Ernest Pope was a business visitor in Lubbock Tuesday
