## Clarendon Damaged By Flood Saturday GOODNIGHT ARREST MAY SOLVE MYSTERY IN PANHANDLE CRIMES

### WATER RAGES THROUGH CITY

DRAINAGE INADEQUATE TO CARE FOR THE HEAVIEST RAIN FALL IN HISTORY.

Coming on the heels of a series of fine drenching rains for the past ten days, old mother nature pulled the torrential faucet last Saturday afternoon about 1 o'clock and swept this city with the most devastating flood waters ever in the history of Clarendon resulting from 4 to 7 inches of rain.

As the streets were just beginning to fill with the usual Saturday afternoon crowds, despite the threatening clouds, a steady rain began falling, a tip of the cloudburst which the watershed south and southwest of the city was receiving. After a good precipitation was received in Clarendon the fall abated for a short time and then the deluge began in earnest as the rainfall drove down in solid sheets. However the drainage ditches were already taxed to their capacity and rising fast when the heavy rainfall reached the city, and without warning raging torrents were swirling through the business section and the lower portions of the residential district, sweeping automobiles, debris, chickens and small livestock in its path.

The concrete flood ditch through the main part of town failed to handle even a portion of the water and a wave some two feet in height rolled down the business district flooding stores and basements, washing out small bridges and undermining practically an entire block of brick paving North of the Clarendon Ice and Cold Storage Co.

Water reached a height of from a few inches in the higher parts of the town to three feet in the business district and four

### CANNING PLANT READY TO START

LACK OF FUNDS IS REASON FOR DELAY ON CANNING PLANT.

Mrs. Acord, in charge of the Federal Relief Canning room told the News, the canning plant was waiting on funds to start the work of canning beeves, chickens, other meats and vegetables. The assembling of the equipment has been completed and she is already to start with the arrival of the necessary funds.

Mrs. Acord received a telegram Sunday stating the funds were being sent out in a few days and she is expecting them any day.

So far nothing has been booked for canning, as the funds have not been received, but 200 beeves are ready on short notice as well as 200 chickens.

Mrs. Acord further stated that because of the equipment, the plant may have to be enlarged, because canning can be done faster than the cookers can turn out the food.

Of the meat canning the overment will keep 40 percent and the producer keeping 60 percent, and of fruits and vegetables the Government will keep 55 percent and the producer 45 percent.

Mrs. Acord wishes the News to state that meat which has been condemned and killed should not be brought to the canning plant to be canned, as this would be a violation of the law, and if she has any doubt as to the source of the meat, an affidavit must be signed by the person bringing the meat, as to its source.

### Pavement Is Being Repaired At Once

The large section of the brick pavement washed up by the Saturday flood waters just north of the Clarendon Ice and Cold Storage Company is being repaired this week by crews of workmen under the supervision of G. K. Reading, Resident Engineer for the State Highway Department. At the request of Mayor Martin Mr. Reading kindly consented to oversee the repair work and had the laborers cleaning the paving bicks early Monday morning in preparation to relaying the sand cushion before replacing the bricks with the asphalt topping probably the latter part of the week.

The cause of the wash out was laid to the wearing away of the asphalt topping which should seal the paving bricks. Water seaped under the brick, expanding them until they heaved upward, causing the damage.

### GOLF TOURNEY AWAITS STARTER

PLANS COMPLETE, COURSE IN BEST CONDITION OF HILLCROFT HISTORY

Everything is in readiness for the starters call in the Fourth Annual Invitation Golf Tournament of the local Hillcroft Golf Club, and everything points to one of the most successful events ever staged in the course's history. Invitations were mailed the fore part of the week and already a fine response is being received by Carl Parsons, Chairman of the Tournament Committee. Indications lead the club officials to believe that something over fifty golfers from over this territory will be on the first tee Sunday morning awaiting the starter's call of "Fore."

Clarendon has long been known over the Panhandle as being a golfing city with one of the most attractive and finest golf lay-outs west of Fort Worth, and in previous tournaments the very finest players of this entire section have participated in this event. While the entry list will no doubt be smaller this year due to adverse conditions throughout this area the golfing fans of the city will however be sure that just as fine golf will be displayed in Sunday and Monday's schedule. The last tournament was won by Elliott Hatch, then of Amarillo, whom is now one of the best shot makers of Fort Worth and Dallas. This year the local club will attempt to produce the winner of the at home, despite the attacks from event and keep the championship the visiting champions.

The feature of the tournament will be the right to qualify on the home course of each city from which the players will enter. Their cards or scores will be mailed or brought to the tournament committee where the flights of sixteen players each will be made up and the pairings for the match play determined. The play will begin Sunday morning promptly at 8 o'clock.

B. P. Brents arrived here Wednesday from Leonard and is now associated with The News as city news editor and advertising solicitor. Mr. Brents is not new to the Panhandle, having at one time been connected with the internal revenue work in this section, has had several years newspaper experience and comes recommended by Whitfield Carhart of Greenville and former local citizen. Any courtesies to Mr. Brents will be much appreciated by the News management as well as by himself.

### ALL CITY SCHOOLS OPENED MONDAY

LARGE STUDENT BODY IN ALL THE DEPARTMENTS GREET TEACHING STAFF

The opening exercises of Clarendon High School and Junior College were held in the Auditorium of the College at ten o'clock Monday morning.

Mr. R. E. Drennan led the assembly in singing "America" accompanied by Miss Mary H. Howren at the piano. The invocation was given by the Methodist pastor, Rev. E. B. Bowen. Following the invocation, Rev. Bowen addressed the assembly on "Education as a Basis for Good Citizenship." In this inspiring address, Rev. Bowen stated three facts that are essential to youth, education, and good citizenship. The supreme treasure of civilization is youth; the surpassing value of youth is character; and, the one essential value of youth is the mind, the speaker stated. Education should deal with the mental, spiritual, and physical structure of youth; a scheme which neglects any one

(Continued on page four)

### Flood Elimination City Leaders' Aim

Leaving for Amarillo shortly after noon today was a group of Clarendon men for a conference with Congressman Marvin Jones relative to an immediate movement for the prevention of floods in the Clarendon area. City government, county government and chamber of commerce officials and the citizenship generally was represented in the party that will make the representations to Mr. Jones in an effort to secure federal assignment of a CCC camp here for the building of flood retention dams on the arroyos draining watersheds to the West and South of town through the local business district.

Those making the trip were: Tom F. Connally and Harry Brumley of the city commission, Judge S. W. Lowe of the commissioners court of Donley County, Joe Goldston, president of the chamber of commerce, G. L. Boykin, secretary-manager of that organization, Sam M. Braswell, director and others.

It is hoped that an immediate order for assignment of a CCC camp here will be made when the facts are presented to the federal CCC administration.

### BAPTIST CONVENTION TO BE HERE

ASSOCIATION WILL MEET WITH LOCAL CHURCH SEPTEMBER 11 AND 12

The Panhandle Baptist Association will hold its sessions with the local Baptist Church as host next Tuesday and Wednesday, September 11 and 12. A splendid program has been outlined by those in charge and the schedule for both days are studded with brilliant and forceful speakers who will bring the delegates in attendance a series of truly worthwhile messages.

Fortunate indeed is the coming Associational sessions in being able to secure the services of George Mason of Dallas who will bring the principal messages at both the morning and afternoon sessions on Wednesday. Other well known speakers will be identified at once if the readers will look at the program below.

Both Church and Sunday School as well as the lay programs will be discussed and outlined for the coming year which will be of

(Continued on Page Four)

### New Store To Be Opened Here Soon

Mr. and Mrs. R. G. Reiger and children Glenaraye and George Richard arrived in Clarendon Monday from Childress, to open up a new business of Ladies and Men's Ready-to-Wear furnishings.

The new business will be located in the Eddington building a few doors North of the News office, on Kearney Street.

Mr. Reiger has had several years experience in the business with Saul's of Wichita Falls and the C. E. Stone Store of Childress.

Mr. Reiger told the News he was very happy to come to Clarendon to establish a business and in trying to give service he would have a new and complete line of Ladies and Men's Furnishings. He invites the public to the opening which at this writing is yet undetermined.

### NO ADDITIONAL FUNDS ALLOTTED

CITY AIDED TO EXTENT OF \$525 DURING RECENT FLOOD OF STREETS.

Relief help to the city of Clarendon to aid in repairing flood damages will amount to approximately \$525.00. The city has recently completed a street improvement project on which \$1066.50 relief fund had been expended in addition to materials and equipment furnished by the city.

In a telegram received Sunday from Mr. E. A. Baugh, Chief Engineer of the Texas Relief Commission, he stated that Donley County would be allotted no additional funds for flood and storm relief. The commission has, however, approved additional labor to be used on street work which will be secured entirely from the relief rolls with the exception of regular city and county employees.

No new cases will be opened to supply this labor, the relief rolls having reached a new high last week with 425 families totalling approximately 2750 persons being certified for relief. Rules for eligibility will be strictly enforced and action will be taken on any misrepresentation of facts to the County Board, the County Court or to the local relief authorities.

### County Agent Broun Issues A Warning

Mr. T. R. Broun, County Farm Agent stated to the News Wednesday that Federal Corn-Hog papers were sent to College Station the first of the week. This is a further advancement in the relief program.

"Fifteen hundred head of cattle," said Mr. Broun, "are being fed by owners in Donley County, and about three weeks will pass before we will be able to get to the 1500 head, in the buying and killing program."

He also stated that the buying of cattle was entering into third week with a schedule of 450 each week being shipped.

"Last week," said Mr. Broun, "instructions were received from the authorities that condemned cattle which are killed cannot be given away and without prejudice to anyone the people are so informed, because two detectives are working in this territory and will come into Donley County if evidence is obtained to show the above law is being violated."

### CAPTURE MADE IN RECENT ROBBERY

MAN HELD HERE, WOMAN HELD IN CLAUDE, ONE MAN FUGITIVE.

The solution to several baglaries that have occurred within the past six weeks may have been solved when law enforcement officers of Armstrong, Donley, Gray, Wheeler and Collingsworth Counties after long hours of tireless work and many miles driven captured one man and one woman Wednesday. The man who gave the name of H. L. Martin was placed in the Donley County jail and the woman who gave the name of—Langford was placed in the Armstrong County jail at Claude, stated Sheriff Guy Pierce Wednesday after the capture.

A series of robberies took place about six weeks ago when the homes of John Tate and H. W. Cauthern, near McKnight, were burglarized July 21, and household effects stolen, while the families were away from home. A witness saw a 1933 Chevrolet car with the Gray County License tag No. of 411—leaving the Cauthern home. The next day Sheriff Pierce and Deputy Walker were in Shamrock and learned that a week before July 21, persons unknown had hijacked a filling station there and driven off in a Chevrolet car of the above description, but bearing license number 411240. Sheriff Pierce stated that was all that was heard of the different matters until about three weeks later, when the Sheriff of Carrizozo, New Mex., called the Sheriff at Pampa in regard to two men and one woman being seen in a 1933 Chevrolet car with the Texas, Gray County number 411240. The Sheriff of Gray County was asked if he wanted the parties picked up.

(Continued on Page Eight)

### COUNTY TAX RATE REMAINS AT 74C

COMMISSIONER'S COURT TO PASS ON BUDGET AT THE NEXT REGULAR MEETING

In an interview with Mr. Sam Lowe, County Judge, Wednesday, Judge Lowe stated the County tax rate of 74c for the past year will remain the same for the coming year.

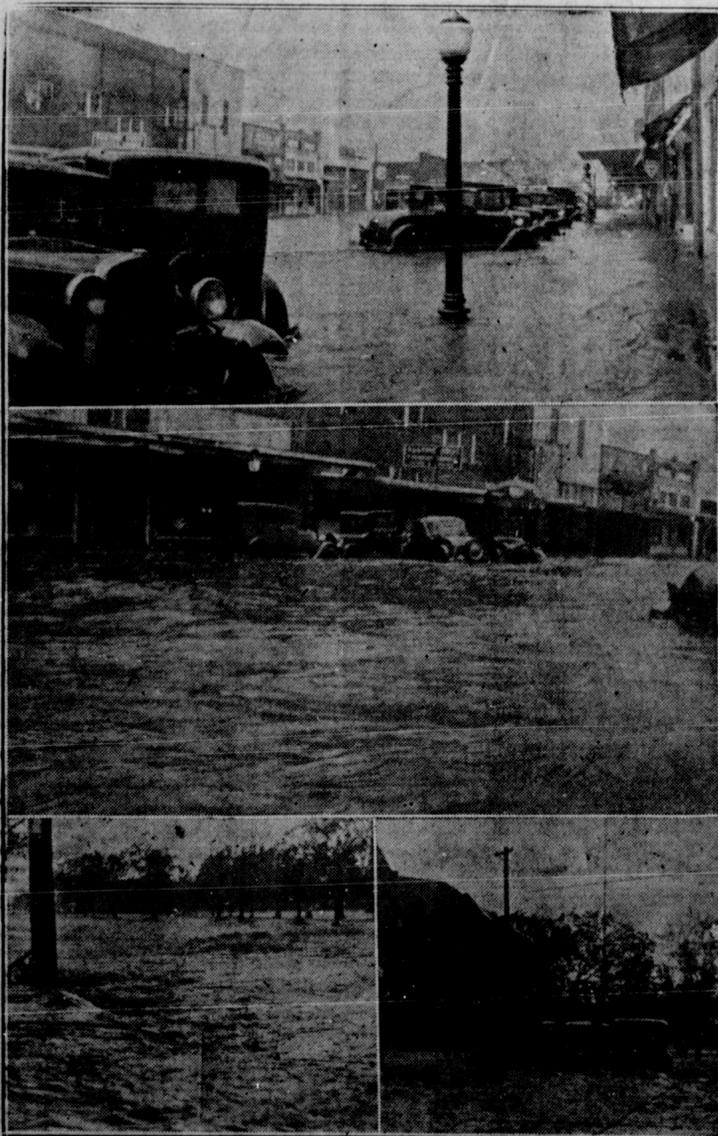

The Donley County valuation for 1933 was \$5,899,540.00 and for 1934 was \$5,919,085.00 an increase of \$19,545.00.

The intangible asset valuation for the county will be increased for 1935 by approximately \$87,840.00 because of the State Tax Board decreasing the valuations of the two railroad properties \$50,000.00 and increasing the valuations on the three pipe line companies properties \$137,840.00. The increases on the valuations of the pipe line properties are as follows: Gulf Pipe Line Co., \$30,890.00; Texas Pipe Line Co., \$24,510.00 and the Humble Pipe Line Co. \$82,440.00.

In the interview Judge Lowe said, "for the first time in the history of Donley County the valuations of the Intangible assets were fixed by the State Tax Board, instead of by the County officials. This time the County officials had nothing to do with preparing those valuations."

Judge Lowe stated that the County Budget had been prepared but not passed on by the County Commissioners, and therefore the budget figures for 1935 in comparison to the expenditures for 1934 were unobtainable, but will be given in an early issue of the News.

### STREET SCENES IN SATURDAY'S FLOOD

### FLOOD PREVENTION IMPERATIVE HERE

It should hardly be necessary here in Clarendon to argue with anyone that flood prevention is one of the immediate and imperative needs of this town.

For many years Clarendon people have basked in a beneficent providence which has as yet exacted no toll of human life, even if within the last sixteen years there has been two visitations of flood which has been damaging and costly to stocks and stores as well as the streets and alleys of the municipality.

If on last Saturday afternoon had there fallen two or three added inches of rain in the watershed West and South of Clarendon there is little doubt but lives would have been lost and the property damaged would have mounted to the hundred thousand dollar figure.

There is no rule against water spouts, there is no guarantee against floods in excess of what we have witnessed recently and in years past. There is no common sense and reason in an intelligent citizenship toying with such a dangerous situation. We don't believe the leadership of Clarendon will sit longer by and make no definite, determined effort to safeguard against flood disasters here which could easily become of horrible extent.

There is a movement on foot headed by the city government and aided by the chamber of commerce which would secure through federal agencies dams on the two drainage areas to impound flood waters in times of excessive rainfall, with flood-gates to be opened after the local drainage has been taken care of, which will most certainly arrest floods of damaging height, and guarantee Clarendon for all time against damage and loss of precious lives.

Our people will most certainly back with every resource of moral and practical activity such a worthy project.

Flood prevention is the immediate and imperative need of the Clarendon community.

### FEDERAL ADMINISTRATION MIGHT BE BETTER

Texasans have known for months that politics stood in the way of best relief administration in this state. Hearings on relief board's troubles at Austin have convinced everybody that there should be a change in either personnel or the system, and the record shows that Texas has contributed more money than forty-four states in the union on the basis of federal participation.

In the light of all these facts, it seems to The News that it would be much better if the legislature would abolish the present state relief board, refuse to issue another dollar of bonded indebtedness for matching of federal funds, and notify the federal government that it can come to Texas and set up its own relief administration.

After all, the federal relief money is ours, just like state relief money is—so why the duplication?

Let's save the row, the duplication and have a lighter payday, when we go to pay off our Texas relief bonds.

### DRUNKENNESS DOUBLED IN TEXAS

Since repeal, drunkenness has increased 100 per cent in Texas, according to the estimate of Dr. J. H. Stevens, head of Dallas city and county hospitals, who declared that these institutions now have three times as many emergency calls and that the additional accidents are all caused by intoxication. He says: "Gasoline and whiskey do not mix." Texas, though it voted for repeal, has not repealed its dry laws. That will be considered by the legislature.

W. N. Wiggins, Secretary of the United Forces for Prohibition for Texas, said that the public can hardly conceive of the lamentable conditions brought back with the liquor traffic. Anybody, young or old, can get all the liquor he wants. Texas is no exception in this particular.

The darkest hour in any man's life is when he sits down to plan how to get money without earning it.

Speaking of life's little afflictions; have you ever walked far in a pair of tight shoes?

### ANOTHER OPPORTUNITY FOR FUTURE CITIZENSHIP

Another sustained opportunity for safeguarding future citizenship comes with the opening of Clarendon schools this week, and every citizen, whether or not a patron of the school should resolve now to give more thought and tangible support to such an institution dedicated to the future of this country.

We wonder, sometimes, just how such a careless and happy-go-lucky generation of youngsters can ever hope to assume in a few brief years the helm of affairs in this nation, and we are apt to criticize our teaching methods as being too theoretical and totally lacking the practical side of things. If we feel this way we certainly owe a duty to our schools in an effort to correct so great a defect—if such condition exists.

We ought to give our schools more thought; we ought to give them more of our personal attention; we should reinforce our teachers with the feeling of our intense personal interest in their problems and their difficulties. It would mean better results in the school, better teaching from our teachers and better citizenship on the morrow.

Yes, the ringing of the school bell means the ushering in of another opportunity for future citizenship. Will we all—citizen, patron, teacher and pupil take immediate advantage? In the answer to that question lies the destiny of the nation.

### THE INITIATIVE OF REWARD

From 1793, when Whitney brought out his cotton gin, American initiative has been remaking the world. The first crude steamboat set a new fashion in marine transportation, improved again with the screw propeller. The telegraph, the telephone, the radio gave new meaning to time and distance. Who can appraise or delimit the widening of mental horizons through the availability of the reaper and the mower, the sewing machine, the electric light, the automobile? Who will presume to evaluate the vulcanization of rubber, the typewriter, the discovery of ether, the air brake, the phonograph, the power printing press and typesetting machinery?

This birth of ideas and, more important, the development of those ideas into actual use, have been stimulated by the promise of reward to the successful. If there rewards are to be levelled down to the all-inclusive impersonality of the state as the collector and distributor of the people's savings, the danger is that ideas will be correspondingly devalued and the desire to get ahead deadened. That thought is variously articulated today.—Merle Thorpe, Nation's Business,

Whenever words of comfort seem to fall short of the situation we are reminded of the cemetery salesman who was trying to sell a lot to a little old lady. He wound up by saying, "Just think, wouldn't it be a great comfort to know that after you die you would be buried beside this beautiful lake?" "What!" exclaimed his prospect, "with my rheumatism?"

You can live cheaper but not happier when your wife's reducing.

Too many men work off excuses as reasons.

## SAVE TIRE MONEY WITH THIS Life saving TIRE

**New Goodrich Silvertown, the only tire with Life-Saver Golden Ply that Prevents Great, Unseen Cause of High-Speed Blow-outs**

The enemy of tire safety and mileage has been licked at last! For now, to protect you and your family from blow-outs, every new Safety Silvertown has the remarkable Life-Saver Golden Ply. This amazing invention resists internal heat. Prevents the great, unseen cause of blow-outs. And with the destructive effects of internal heat overcome by the Golden Ply, the big, rugged Silvertown outwears ordinary tires by months. Enjoy safety—save money with extra mileage. See us today about a set of Golden Ply Silvertowns for your car. They cost not a penny more than other standard tires!

**HEAT CAUSES BLOW-OUTS**  
The Life-Saver Golden Ply Resists Heat PREVENTS THESE BLOW-OUTS

**READ THIS TIRE GUARANTEE**  
Every Goodrich Silvertown passenger car tire is fully guaranteed for a period of 12 months (business use, 6 months) against accidental damage due to cuts, bruises, blow-outs, rim cuts, faulty brakes, wheels out of alignment and ordinary wear and tear. What's more, this tire may save your life!

**Now only \$7<sup>85</sup>**  
4.50 x 20

**The NEW Goodrich Safety Silvertown**

## Palmer Motor Co.

Hello, folks! How are every one of you? We just couldn't stand to pass up an opportunity to say a few words under our heading and slip it in the paper while the Boss is gone down the state. It seems pretty nice to sit down and pound a typewriter once more while our thoughts are wandering around from one sport to another, mostly golf and football.

Before we go into football season, let's pause just once more and enjoy one of the summer's best sports and recreations—GOLF. Here in Clarendon this Sunday and Monday we will be hosts to a number of the Panhandle's crack niblick swingers here to participate in the Fourth Annual Hillcroft Invitation Golf Tourney. Our own players will be entered and doing their best to uphold the honor of the home town. We hope the championship stays in the city, but anyway let's all take a little time off and go out to the Hillcroft course and watch some or all of the matches. Study the game, watch the shots, and applaud the good strokes, even though it may defeat your own favorite. It's a great gang—those golfers of this section, so let's show them we appreciate their visit to our little city.

With September here and the thrill of the approaching chilly days of fall already tasted thoughts naturally turn to that greatest of all scholastic and collegiate sports—Football. And all this centers our attention to our own Clarendon High School Bronchos. However the attention will be given a broader scope this season for indications point towards most every community around Clarendon sharing one or more stars to this season's Maroon and White entry for the Panhandle Class B gridiron scramble.

SPORT SLANTS is proud that more of the surrounding communities will have men on this season's Broncho squad. It's school, town, and county, giving us all something in common for which we may work for and support—thus knowing each other better than before. When every one is pulling for a football team together, it creates a fine wholesome bond which lasts long after the season closes.

All of us in Clarendon welcome you fellows from Chamberlain, Ashtola, Martin, Goldston and other communities to our school and we know each of you will add much to Clarendon High School, and we hope you may attain much from your broader association here.

As is already known, there is very little upon which to base appreciation for a great High School team this year. However we make that the fans will get about the biggest thrill from watching this year's gang of youngsters fight than they have for the past several years. Nothing is going to be flashy this season—probably no outstanding man; but we believe this year's charges under the tutelage of Frank Stocking will show something new in the fashion of FIGHT and GRIT and DETERMINATION which has more or less been lacking in considerable play of eleven which have graced the College Park in the previous seasons.

Possibly this year's machine will be a bit ragged in its play and perhaps not attain the super heights of last year Maroon and White eleven when it came through with that brilliant win against Meean's grand team, but we wager it will click a lot more consistent than that same club which collapsed almost completely after the above mentioned upset.

It will be a young, light and inexperienced team, boasting only two lettermen from last year's outfit, but it's going to be interesting and even thrilling to watch Coach Stocking develop those kids from week to week until they upset the dope by handing the Memphis Cyclones another consecutive walloping. We are for you, Bronchos, snap into it and let's go places this year.

By the way, Memphis, McLean

and Shamrock will bear watching this year as each have a fine line-up of material. Well so long.

### Trapeze Act To Be Featured At Fair

That "daring young man on the flying trapeze" everybody in Clarendon has been singing about will be at the Tri-State Fair, September 15-22, in Amarillo.

He will be a member of the Aerial Daltons, one of the feature attractions of the Sam B. Dill circus with Tom Mix, movie star, and his horse Tony.

The Sam B. Dill three-ring circus will be one of many features at the 1934 greater exposition. Performances will be given each afternoon and night during the fair.

Besides the circus with its many star performers, there will be the Western States Show, a clean carnival to add glamour to the fair.

Horse races with entries from most of the country's major tracks will be staged daily, except Sunday. There will be legalized wagering with an enlarged, improved plant to accommodate the turf fans.

The Tri-State Fair, according to Mason King and "Bill" Beechler, who were here recently, now is negotiating for a spectacular night attraction, to be staged in front of the grandstand. This attraction will come direct from Hollywood.

### Implement Show Is Tri-State Feature

Somebody in Clarendon may come home from the Tri-State Fair, September 15-22, in Amarillo with a new, free automobile, a motor car radio or a set of new tires.

The 1934 greater fair will stage a complete automotive show for the first time in five years and three major prizes will be given away.

Every agency will have a full exhibit of the latest models. The automotive building will be packed. Interesting demonstrations of the latest innovations in the motor kingdom will be staged daily.

Those who attend the motor show or the night attraction in an opportunity to compete for front of the grandstand will have the prizes.

In addition to the latest model automobiles, the newest in farm power machinery will be exhibited at the fair.

For the first time in four years the Tri-State Fair will have a full representation in the implement sheds.

Illa Mae Hastings arrived here Thursday to spend a few days with her mother, Mrs. Florence Hastings, before going to LeFors where she is employed as instructor of English in that high school. Miss Hastings spent the summer studying at Columbia University. She came to Texas on the Clyde-Mallory liner, Mohawk, but the steamer grounded getting to port at Galveston and her arrival was interesting if delayed.

Rev. and Mrs. J. Perry King had as their guests the first part of the week Dr. Bousche and Mrs. E. E. King of Ballenger and Mr. and Mrs. E. B. Fain of Amarillo.

### Rheumatic Pain Stopped by Lemon Juice Recipe

Try this if it doesn't relieve you, make you feel better and younger and happier, you druggist will refund your money. Get a pack age of the REV PRESCRIPTION. Mix it with a quart of water, add the juice of 4 lemons and take a tablespoonful two times a day. In 4 hours, usually, the pain is gone, joints limber up, wonderful glorious relief is felt. Equally good for rheumatism, or neuritis pain. Costs only a few cents a day. For sale, recommended and guaranteed by all leading druggists. Any druggist will get the REV PRESCRIPTION if you ask him to do so.

## HUNTING SEASON OPENED SEPT. 1ST

DOVES MAY BE HUNTED FROM SEPTEMBER 1ST TO OCTOBER 31ST.

The fall hunting season which opened in Donley county on Saturday, Sept. 1. From that date until October 31st, doves may be legally hunted. According to a booklet issued by the state game commission for 1934, this county will not have an open season on prairie chickens this year.

Bag limit on doves is: 15 a day and not more than 45 a week.

Beginning Dec. 1, and ending Jan. 16, both days inclusive, covers the open season on quail and chachalacas for Donley county.

The bag limit is: 12 a day and not more than 36 a week.

Waterfowl and shore birds: Seasons and bag limits governing migratory birds are subject to federal regulations and have not as yet been designated. This information will be given to papers and generally publicized, states the booklet, when authorized by federal authorities.

While local inquiry fails to reveal the presence of deer in this county, the open season on bucks with pronged antlers is from November 16 to December 31. Limit is two bucks a season. Hemphill county is closed this year against shooting deer.

Resident hunting license of \$2.00 is required of every citizen of the state above the age of 17 years who hunts out of the county of his residence.

Non-resident license fee is \$25. Each migratory waterfowl hunter's license must bear the \$1.00 federal duck stamp, which may be purchased at any county seat postoffice or postoffices in cities of 2,500 or more population. This is a federal law and proceeds are to be used for game conservation and propagation.

### More Cash Premiums For Livestock Men

Livestock exhibitors at the Tri-State Fair, September 15-22, in Amarillo will receive larger cash premiums than ever before in the history of the exposition.

And each prize is guaranteed for payment in full by Wilbur C. Hawk, president of the 1934 greater fair.

The Tri-State Fair this year is on the Midwestern circuit of the Hereford association with such attractions as the American Royal in Kansas City, the International at Chicago and fairs at Des Moines, Lincoln, Topeka, Hutchinson, Oklahoma City and Dallas.

For the Hereford exhibit alone the Tri-State Fair is offering \$5,000 in premiums.

Equally liberal prizes are offered in the swine department as well as the beef and dairy cattle departments.

Capacity exhibits are expected in the livestock division and the fair management already has the assurance of the finest herd in the United States being exhibited.

Copies of the livestock premiums may be obtained by writing to O. L. "Ted" Taylor, secretary-manager of the fair, at P. O. Box No. 2454, Amarillo. The fair management had printed on first run more than 5,000 catalogs.

## LIBRARY NOTES

(By Mrs. C. A. Burton)

Inez Haynes Irwin has written two books, both of which might be called psychological novels—"Gertrude Haviland's Divorce" and "Gideon." The latter is the story of a boy's life as it is influenced by two women—his mother Bella, the gay frivolous, light-minded divorced wife, and Laurel, his father's second wife. The influence of environment is very striking as one realizes that the boy is the product of his surroundings amidst jazz-mad, cocktail drinking pleasure seekers. He adores his gay, careless, mother, and almost rebels at the thought of visiting his father and learning to know him. But blood also tells, and he cannot get entirely away from some of the innate principles and fine qualities of Gideon Hallam, his father. Gradually he learns to appreciate the inherent fineness of the remarkable woman who has pieced together the wreckage of his father's life. The contrast in the character of the two women is very striking, but the development of Gideon's character is the most interesting study in the book. It is a splendid presentation of a present day problem with all its implications and its inevitable consequences—but also of life's splendid possibilities. The calmness and beauty of the lodge in the forest bring a sense of rest to the reader after the hectic restlessness and artificiality of the life Gideon has always known. And the serenity and poise in Laevel's life cannot fail in its influence.

A fortunate chance gave us a few new books by some of our favorite authors. They are "Old Wine and New," "Two Black Sheep," and "A Prophetic Marriage" by Warwick Deeping whose compassionate understanding of love and sorrow have made him one of the best known and best loved novelists of the present time. "A Modern Comedy" is by Phyllis Bentley whose earlier book "Inheritance" proved so successful—and which we have on our shelves. "Lark Ascending" is by Maud De La Roche who will probably always be known as author of the "Jalna" series, all of which we have. And the last of our list is "Their Fathers' God" by O. E. Rolvaag. This volume completes Rolvaag's trilogy beginning with "Giant's In the Earth," followed by "Peder Victorious." You will remember that these books were written in the Norwegian language by Rolvaag who was then professor of Scandinavian languages in St. Olaf's College in Minnesota. They were translated by Trygve M. Ager, and they give us a wonderfully illuminating view of the life of the Scandinavian people when transplanted into our western world. We were exceedingly glad to have this book complete the trilogy.

Mr. and Mrs. J. Roy Wells are spending the week in Clarendon visiting Mrs. Wells' parents. Mr. Wells will teach this year at Sam Houston College at Huntsville.

Roberta Lafon left for Childress Monday where she will teach in the Primary grades.

## The Log of a Pirate

School opened August 27 with about 65 pupils enrolled. Since the tenth grade students are attending school at Clarendon, the high school is rather small.

We are well pleased with our faculty, all being new excepting Hazel Cole. We are very glad Miss Cole is with us again. Besides being a splendid teacher, she is the most active pirata; she served as first grand captain of Los Pirata. Despite the loss of several active members, of Las Pirata, there is a united effort to carry on.

### PIRATE NEWS

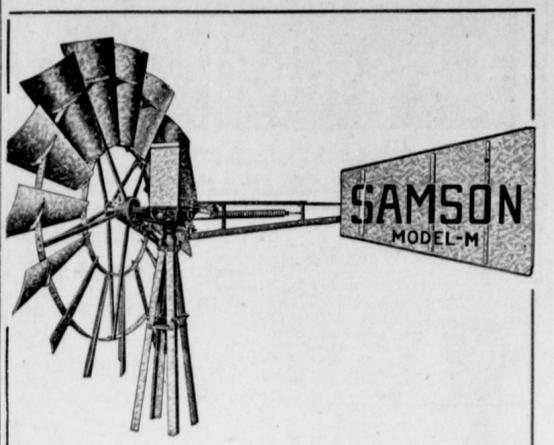

Most of the Pirates have gone to Clarendon, but there are still enough to hold the organization together. Some of the Pirates are in Groom and in Canyon. We are planning a High School play "Fingerprints", for the purpose of buying Manual Training Tools.

### FIRST PRESBYTERIAN CHURCH

Robt. S. McKee, Pastor  
Sunday School, 10:00 a. m.  
Morning worship, 10:55 a. m.  
Sermon subject, "Helping or Hindering The Holy Spirit."  
Intermedicate Y. P. Society, 7:00 p. m.  
Evening Service, Bible Study, 8:00 p. m. Read Rev. 20.

Meeting of Elders, Deacons and Trustees, Tuesday, 7:45 p. m.  
The Circles of the Woman's Auxiliary will meet Wednesday, 3 p. m. Circle No. 1 with Mrs. R. S. McKee and Circle No. 2 with Mrs. Heckle Starks.

Mr. and Mrs. J. H. Jarrell spent Monday with Mrs. Jarrell's sister, Mrs. Ed Teer.

When you can buy a better value at the same price or less, "It's DOUBLE ECONOMY to buy it."

The NEW MODEL "M" SAMSON with the New Oiling System is a better value.

May we have the pleasure of showing you the latest developments in Windmills.

## SEASONS INITIAL NORTHER ARRIVES

### BLINDING SANDSTORM PRECEEDS NORTHER IN DONLEY COUNTY.

Following less than twenty-four hours upon the history's worst flood in Donley County, citizens witnessed another interesting bit of change in nature's make-up with a blinding sand and dust storm propelled by a driving 40 mile gale straight from the north Sunday afternoon about 6 o'clock.

In the season's initial norther the air was crisp and carried a chill from a Rockies, and as far down as Ashtola reports evidence marks of frost. At Claude a heavy frost was reported with damage being done garden truck. Monday morning the wind had subsided, but the cool chill existed making it very comfortable to wear a coat or other covering about the city and country.

A heavy dark reddish cloud banked the north Sunday afternoon and was advancing at a terrific pace as the citizens feared another flood accompanied by a devastating hail attack, but their fears were soon allayed as the red took on a tumbling motion which means only that another famed Panhandle dust and sand storm is about to envelop the country. It was one of the worst seen here in a number of months, and even the four to seven inches of rain of the day before proved inadequate in laying the cutting particles as they rode the singing gusts of wind.

Little damage was reported other than several small out houses and trees being down and uprooted.

Mrs. J. D. Stocking has as her guest for the week Mrs. W. G. Ebey of North Carolina.

Mr. and Mrs. Loran Naylor of Panhandle announce the birth of a son on Monday of this week.

Ruth Cornell of Denison, Texas is visiting Katherine Cornell this week.

Mrs. Baskerville and daughters, Minerva and Maria of Memphis visited Mrs. Olin Bain Wednesday.

Mr. and Mrs. H. B. Jones of Amarillo were guests of Mrs. W. H. Patrick this week.

## ALL CITY SCHOOLS— (Continued From Page One)

of these essentials of education is dangerous, the speaker continued. In further development of his subject, Rev. Bowen said that animals were never educated to a task but were trained; people were educated because they possess the essentials of education: a mental structure and a moral foundation.

Vice-president of the School Board, O. C. Watson was the next speaker on the program. Mr. Watson welcomed the old teachers back to their positions in the faculty and greeted the new ones. To the student body, Mr. Watson expressed his desire that each student should cooperate with the faculty in making the school year the most successful of his life and that each student should leave the school at the close of the year better equipped to live than when he enrolled. On behalf of the school board, the speaker expressed his pride in the school system, the faculty, and the students.

Following the talk by Mr. Watson, Superintendent H. T. Burton introduced the new members of the faculty. Among those to be introduced were Mr. R. E. Drennan, Dean of the College, Mr. Kerby, head of the Commercial Department, Miss Berry, Home Economics teacher, and Miss Willie Glenn Parten, Librarian.

After several announcements made by the superintendent relative to change in schedule, "Old Black Joe" was sung by the assembly and Rev. J. Perry King, pastor of the First Baptist Church, gave the benediction.

## BAPTIST CONVENTION— (Continued From Page One)

interest to every member of the Baptist Church either here or from surrounding cities.

3:15 Reports of Executive Board.  
3:30 District Missions, D. D. Samrall, District Missionary.

4:00 Address, George Mason, Dallas.  
Adjournment.

## LIGHTNING CLAIMS VICTIM SATURDAY

### ALFRED RAY WALKER, SON OF MR. AND MRS. W. B. WALKER, VICTIM.

Tragedy accompanied the flood to Donley County last Saturday when lightning struck the truck of John Nichols, killing Alfred Ray Walker, sixteen year old son of Mr. and Mrs. W. B. Walker of Quail, Texas, and severely shocking other members of the party as they were driving to Clarendon to spend Saturday afternoon.

The party consisting of John Nichols and son, and Mr. W. A. Hughes and two sons and the unfortunate victim were hurrying to the city to gain shelter from the driving rain which caught them several miles from Clarendon, when a severe bolt of lightning struck the truck in which they were riding. All were dazed from the shock and before aid could be given the Quail youth he had expired to the stroke.

A call for the Buntin ambulance was made to the city, but the flood waters had reached such a height in the city that it was impossible for relief to reach the stricken party, for quite a period of time.

The young victim was buried Sunday afternoon with the Rev. Williams, pastor of the Windy Valley Baptist Church conducting the last rites, to which a great gathering of the deceased' friends attended attesting to the splendid character which was untimely taken from their midst.

Left to mourn the passing are

the parents, three sisters and two brothers.  
The News joins with the entire county in expressing our deepest sympathy to the bereaved family in its great sorrow.

Mrs. C. L. Benson and C. L., Jr. left Wednesday for Roswell. Fred Reid and Lloyd Martin accompanied Mr. Benson as far as Canyon where they enrolled in W. T. S. T. C. Bill Greene and Lloyd Benson enrolled at N. M. M. I., at Roswell. Both boys will make the football team this year. Bill Greene was the first cadet to enlist in the college.

Miss Genevieve Davidson, a teacher in the Chickasha, Okla., public schools has returned to her home after spending the summer with her sister, Mrs. Simmons Powell.

Dr. T. A. McClenny and wife of Dallas visited his brother, C. T. McClenny, Sunday.

## Satisfied Customers Are Electric Cookery's Greatest Selling Helps

What this Company says of Electric Cookery is of negative importance; but the testimonials of hundreds of satisfied users, who are your neighbors and friends, you would hold in high esteem. We have such letters and invite your inquiries about them.  
The Superb quality of Electric Cookery is unexcelled. It has withstood every test of the most discriminating of housewives. It preserves the natural flavors of food and cooks the food at the least minimum expense and effort without reducing the wholesome properties of the food.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

West Texas Utilities Company

# SOCIETY

JO ELLA STEWART, Editor

## Women's Clubs Begin Fall Season

The month of September marks the opening of the club season in Clarendon. Of the six federated clubs, the 1926 Book Club was the first to start its year of study. The Book Club began Tuesday evening with a dinner at the Antro Hotel. Mrs. Lank Thornberry will be the club president for this year.

The Les Beaux Arts Club will open its year Saturday with a garden party at Mrs. J. W. Evans with Mrs. Evans and Mrs. Homer Glascoe as hostesses. Mrs. Walter Taylor is to head the organization this year.

The Junior Les Beaux Arts Club will meet at the Club Room Wednesday, September 12, with Dorothy Jo Taylor as hostess.

The first meeting will be given to the election of officers and a short parliamentary drill. The Junior Club's year book will be composed of programs on music, art, and literature.

The exact date for the meeting of the Mother's Club has not, as yet, been set, but a social will mark its opening the latter part of the month. Mrs. Oscar Jenkins will be the club's president.

A luncheon September 28 will feature the opening of the Pathfinder, Clarendon's oldest study club. At this meeting there will be eight hostesses, Mesdames J. W. Evans, Charlie McMurtry, W. H. Patrick, R. L. Biggers, Carroll Knopp, Allen Bryan, Clyde Douglas, and Simmons Powell. The lady teachers of the school will be invited to attend this meeting as honor guests. The club will, as heretofore, pursue a miscellaneous course of study, and Mrs. Tom Goldston will serve as the 1934 president.

The Sims Parent-Teachers Association opened today. Mrs. Cap Morris will preside over the organization.

## 1926 Book Club Opens With Dinner

The 1926 Book Club opened its season with a dinner Tuesday evening at the Antro Hotel. Hostesses for the evening were Virginia Bryan, Edna Boykin, and Zell Tomb. The banquet hall was decorated in autumn colors, and the same colors were featured in the place cards and favors. Each table was centered with a miniature replica of the old modes of travel starting from the stage coach and ending with the present day motor.

The gracious toastmistress, Lotta Bourland, introduced each incoming officer and they, in turn, responded with a stunt.

Out of town guests present were Fraye Stallings Wells of Huntsville, Ella Clark Kent of Amarillo, and Joyce Holland Clark of Borger.

Members present were Mary Hardy Allensworth, Beatrice Williams Antrobus, Edith Eddins Ballew, Thelma Alexander Bairfield, Thelma Parson Bennett, Lotta Bourland, Edna Mathews Boykin, Virginia Manley Bryan, Dewey Meacham Clifford, Evadna Hurn Cox, Hazel Bourland Dilard, Temple Harris, Myrtle Hunter Ingram, Alto Lewis Lane, Jennie Dale Powell Porter, Luma Noble Smith, Mary Geyer Thornberry, Mae Nell Elliott Teer, Zell Mann Tomb, Imogene Moreman Brunley, Edgar Mae Mongole, Eunice Kutch Buntin, Odell Blair Ozier, Larlar Drew Wilkerson.

## Blue Birds Enjoys Picnic and Swim

The Blue Birds of the Camp Fire organization were entertained at the Country Club Friday by their Guardian, Geraldine Pratt, Mr. and Mrs. H. T. Burton and Mr. and Mrs. Cap Morris, were the chaperones.

After an enjoyable swim, the youngsters ate a delicious picnic supper. Games were played by the troop until they returned to town.

Members of the Blue Bird troop to be entertained were: Naomi Morris, Cassandra Morris, Margaret Fay Wadsworth, Marilyn Sawyer, Annie Ree Porter, Nelda Sue Burton, and Mary Lorena Gorman.

Mrs. Tren Stargel of Amarillo visited her mother, Mrs. G. W. Antrobus, Tuesday.

## McClenny-Hill

Miss Georgie Hill of Alarneed became the bride of James McClenny in a simple ceremony Saturday night at the Baptist parsonage. The bride is the daughter of Mr. and Mrs. Arnel Hill of Alarneed and granddaughter of O. C. Hill of this city. Mr. McClenny is the son of Mr. and Mrs. C. F. McClenny of Clarendon. Rev. J. Perry King, pastor of the First Baptist Church read the ceremony.

The bride was attired in a suit of blue crepe with contrasting accessories. Miss Lila Hill, sister to the bride, and Leon Stigers, both of Alarneed, were the only attendants.

The young couple will reside on the McClenny farm at Sunnyview.

## Progressive Party Friday Evening

Sarah Virginia McGowan and Virginia Cluck were delightful hostesses Friday afternoon when they entertained their friends with four tables of bridge at Miss Cluck's home. Laverne McMurtry played high, and Peggy Word low.

A delicious salad course was served to Misses Mary Lynn Teer of Belton, Laverne McMurtry, Frances Sanford, Peggy Word, Clarine Allensworth, Tillie Pratt, Anna Moores Swift, Peggy Word, Laverne McMurtry, Emma Ruth Burkett, Clarine Allensworth, Helen Louise Green, and Mary Wood, the honoree.

Following the bridge party, the girls were entertained by Clarine Allensworth at her home with a lovely buffet supper. The house was attractively decorated with cut flowers, and a color scheme of pink and white was used.

Mary Frances and Dorothy Powell entertained the same evening with a dance at their home. Dancing and games were enjoyed until a late hour. Punch was served to Misses Laverne McMurtry, Frances Sanford, Peggy Word, Clarine Allensworth, Tillie Pratt, Avis Lee McElvany, Vivian Taylor, Helen Louise Green, Virginia Cluck, Sarah Virginia McGowan, and Messrs. Willard Hudson, Billy Walker, Nickey Stewart, Bob Boston, Price Whitlock, Charlie Murphy, Wesley Powell, Red Estlack, Sam Barrow, Robert Nichols, Drew Wilkerson, Ardis Patman, Arthur Chase, and the hostesses, Misses Mary Frances and Dorothy Powell.

Mary Frances and Dorothy Powell entertained the same evening with a dance at their home. Dancing and games were enjoyed until a late hour. ## Alpha Delta Psi Plans Opening

Preliminary to the opening of college on Monday, and subsequent social and scholastic activities for the ensuing semester, a meeting of officers of Alpha Delta Psi was held Sunday afternoon at the home of Louise Smith.

The Alpha Delta Psi is one of the two prominent literary societies formed many years ago in Clarendon Methodist College. This organization has since grown and prospered under the leadership of various college students and faculty members. Each year several social educational functions are sponsored by the club, society members capably acting including a three-act play with the amateur parts. Miss Lorraine Patrick has for several years directed these popular productions.

On Sunday the following clubbers discussed future activities to insure a successful, worthwhile season of Alpha Delta Psi work: Sue McHam, a visitor from Wichita Falls, Wanda Mayfield, Louise Smith, Homer Estlack, Bob Goodson, and Lu McClellan.

Beautiful cut flowers adorned the rooms and added much to the delightfulness of the afternoon Tuesday when Mrs. Ralph Andis entertained the 1930 Needle Club at her home.

Sewing and conversation furnished entertainment for the pleasant afternoon. A dainty ice course was served to Mesdames Carl Peabody, Joe Bounds, Ben Buck, U. G. Patterson, Rhea Couch, Ralph Decker, Carl Tyree, Vadee Carpenter, Clarence Whitlock, Alvin Landers, and the hostess, Mrs. Ralph Andis.

## Mrs. McClelland Is Hostess To Club

Mrs. J. B. McClelland was hostess Tuesday afternoon to the 1922 Bridge Club. The house was beautifully decorated with flowers of the season. Mrs. R. A. Chamberlain played high and Mrs. R. L. Biggers cut for consolation.

A lovely two course afternoon luncheon was served to Mrs. George Ryan, Mrs. W. H. Patrick, Mrs. Jones of Amarillo, and Mrs. Philip Gentry, guests.

Mrs. Jim Trent, Mrs. J. L. Simms, Mrs. Sella Gentry, Mrs. E. R. Letts, Mrs. T. H. Ellis, Mrs. R. A. Chamberlain, Mrs. Odos Caraway, Mrs. R. L. Biggers, Mrs. L. S. Bagby, Mrs. J. B. McClelland, members

## Mary Wood Honored By Kicuawa Troop

The Kicuawa Troop of the Camp Fire Girls gave Mary Wood a farewell party in their room at the girl's dormitory last Thursday afternoon. Mary was given advice by each of the girls with the aid of the Oujia board and a memory book was presented the honoree by the troop.

Chili was served to Vivian Taylor, Dorothy Powell, Mary Frances Powell, Sarah Virginia McGowan, Virginia Cluck, Tillie Pratt, Anna Moores Swift, Peggy Word, Laverne McMurtry, Emma Ruth Burkett, Clarine Allensworth, Helen Louise Green, and Mary Wood, the honoree.

## Eastern Star Gives Anniversary Dinner

The Eastern Star members entertained their families at the anniversary banquet given in the Eastern Star hall Thursday night with Worthy Matron, Ruby Bromerly as hostess.

Mrs. McHenry Lane was in charge of the entertainment and directed a one act farce called "The Rescue." Eunice Buntin played the part of the English heiress, and Cap Morris as Handsome Harry, king of cow boys, valiantly rescued the fair lady and won her hand. Charlie Bairfield portrayed the role of Indian chief and Bill Bromerly as Bull Durham, was his accomplice. Zell Tombs was Wild Nellie, the pet of the Plains and Thelma Bairfield was Hulla-Hulla, the medicine woman.

Mrs. Walter Taylor, Mrs. Eva Rhodes, and Mrs. Cap Morris composed the refreshment committee.

## Rebecca Lodge Enjoys Picnic

The Rebecca Lodge entertained their husbands with a picnic at the River Tuesday night. After a sumptuous picnic supper, games and stories furnished the entertainment.

Only the lodge members and their husbands attended this picnic.

## Ruth And Ruby Tucker Honored

Mrs. F. C. Johnson's Sunday School Class of the Christian Church and friends surprised Ruth and Ruby Tucker with a handkerchief shower at their home last Thursday evening. After the twins had opened and admired the handkerchiefs, games of "42," Rook and Funch were enjoyed until a late hour. A huge birthday cake of white, decorated with eighteen pink candles was presented the girls.

Refreshments were served to Misses Katherine Cornell, Frances Fowler, Mickey Ferrell, Ruth Cornell of Denison, Aileen Reed, Mary Wood, Louise Tucker, and Zoy Fronabarger, and Messrs. Frank Holtzclaw, Earl Hill, John R. Ragland, J. D. Holtzclaw, Bruce Riley, Jessie Cornell, Glenn Riley, D. L. Baker, and Rev. and Mrs. Ferrell, Mrs. Tucker, Mrs. F. C. Johnson, and the honorees, Ruth and Ruby Tucker.

Elizabeth Baker of Fredsburg, Virginia and Miss Baker of Dallas were guests at the Antro Hotel Tuesday and Wednesday of this week. Miss Elizabeth Baker is an author and came to Clarendon to secure material. Her last work was a book for children. While in Clarendon, she visited the JA Ranch and Palo Duro Canyon.

## Ladies Auxiliaries

The Episcopal ladies met Wednesday afternoon for the first time this fall at the home of Mrs. A. R. Letts. The meeting was in the form of a social, and plans for the coming year were discussed. An afternoon luncheon was served by the hostess.

The auxiliary will meet again next Wednesday at the Parish House with Mrs. L. L. Swan as hostess.

The Baptist W. M. S. met in a joint meeting of all the circles at the Baptist Church Wednesday. After the business session, Rev. J. Perry King led the Bible lesson. He found his scriptures in Philipians, fourth chapter and first through seventh verses.

The Presbyterian Auxiliary met in its regular business session at the church Wednesday. Plans for the District Conference which will meet here September 26th were discussed. The ladies are to be the hostesses at this time.

## "BRONCHO RANGE" OUT NEXT WEEK

The Clarendon News will again this year reserve a page for school activities. Arthur Lowe Chase, who was last year's assistant editor, will be editor-in-chief of the "Broncho Range" this year. As yet, the assistant editor has not been selected. Miss Ineva Headrick will be sponsor for the page, and also be sponsor for the school Press Club.

For the past five years, the News has published a school page. This feature is devoted to the activities of South Ward, Junior High, High School, and Junior College.

Mr. Bert Mayfield, who is in charge of the Corn-Hog program for Donley County, is in Lillian this week shipping hogs which have been purchased by the government.

Mr. and Mrs. Tom Connally of Amarillo visited in Clarendon Tuesday.

## FINE RESULTS IN BAPTIST REVIVAL

### REVIVAL CAMPAIGN CLOSED SUNDAY NIGHT WITH 40 ADDITIONS TO CHURCH.

Although during two weeks of the most unfavorable and unseasonable weather Clarendon has experienced in a long time the Baptist revival came to a successful close Sunday night in the midst of a sandstorm. For this closing service the house was well filled. Between three and four hundred people heard Evangelist Dossey deliver one of his powerful sermons, and there were a number of conversions and additions to the church event in the midst of a storm. During the meeting there were 40 additions to the church, 26 coming for baptism.

Many will be interested to know that all of the lumber used in the tabernacle which was swept away by the flood waters, was recovered, and that the piano used in the meeting was not damaged seriously.

"We feel indebted beyond words to express to the Shamburger Lumber Company who furnished lumber for this meeting. We have felt, and do feel now that the churches of a community should provide a place for these open air meetings without imposing on the Lumber Companies for the material. Perhaps such a place can be provided for next summer.

"Sunday will be the closing of the Associational year at the Baptist Church. We urge a large attendance at all of the services. Lets hold as our goal 400 in Sunday School and 150 in B. T. S. It can be done."

"The Association meets with our church next Tuesday and Wednesday. Dr. Kellum, Geo. J. Mason, T. C. Gardner, and many other noted worker and speakers are scheduled to appear on the program. The public is cordially invited to attend these meetings. The members of the Baptist church are urged to take advantage of this opportunity of informing themselves as to the on going of the Baptist work in Texas, the Southland and throughout the world."

## Pastime Installs New Equipment

Manager Homer Mulkey of The Pastime Theatre has again placed the local motion picture house among the foremost ranks in Texas this past week by the installation of three very splendid improvements. First, the old battery sound equipment has been replaced by the latest all electric equipment, giving the local house as fine sound reproduction as is possible to attain even in the most costly metropolitan houses. Theatre goers no doubt have noted the improvement in the excellence of the tone since the installation of the equipment, but have been unable to reason just what method was used to improve the films to such an extent.

Second, Manager Mulkey has replaced the old floor of the building with a fine edgegrain flooring, an improvement well known to everyone.

Third, last and most noted to those visiting the theatre is the purchase and installation of three hundred deep leather upholstered seats. These extra fine seats have replaced the old and rather uncomfortable can backed chairs used for the past several years. The last word in comfort and style, these new luxurious

## Food Sale Saturday

The Busy Women's Class of the Methodist Church will serve sandwiches, cream, cake, pie, coffee, and tea in connection with a food sale beginning Saturday at ten o'clock in the morning and closing that evening at ten o'clock. The women will be located in the building formerly occupied by Bain's cafe, next door to the Home Bakery. The food sale will consist of dressed friers, hens, cakes, and pies at reasonable prices.

The ladies will feel indebted and grateful to you for your patronage.

Subscribe for The Clarendon News

seats bring to the public a new standard of relaxation and through enjoyment never seen before in cities less than metropolitan class.

The management and Operator Lee Casey are justly proud of these excellent additions to the local amusement center and invite everyone to come in and inspect the greater Pastime Theatre. The very finest of Metro-Goldwyn-Myer, Fox, First National and Warner Bros., first run pictures always are offered for your added pleasure at the Pastime.

LELIA LAKE (By Mrs. H. R. King)

Mr. and Mrs. E. R. Myers and sons, Mr. and Mrs. Albert Sanders and sons, returned Friday from a stay at Hot Springs, New Mexico.

Mr. and Mrs. Wilson Bloodworth, Mr. and Mrs. Frank Brown of Teaxrkana and James Bloodworth of Clarksville left Monday after a short visit with their uncle, Mr. H. R. King and family.

Mr. and Mrs. Auyer Robinson left Friday for Denton where they visited several days with his parents, Mr. and Mrs. Charlie Robinson, who has been visiting there, returned with them.

Altha Knox left Monday for Hedley where she will work.

James Reynolds left Monday for Melrose, New Mexico, where he will attend school.

Sam King returned Saturday from a visit with relatives and friends at Lubbock and Hale Center.

Rev. and Mrs. F. N. Allen and family returned Wednesday from a few weeks stay in East Texas. They were accompanied home by Mr. Allen's brother, who will remain for a short visit.

Mr. and Mrs. Richard Finch of Marilla, spent the week-end with his grandmother, Mrs. H. Wood.

Mr. Clyde Grimsley and son Wallace made a business trip to Claude Tuesday.

E. J. Myers and Leroy Leathers made a business trip to Lubbock Saturday where they plan to enter school next term.

Mr. and Mrs. Odell Holland and daughter of Quail spent the latter part of last week in the home of his parents, Mr. and Mrs. C. H. Holland.

School started Monday with a very nice attendance of the patrons. Rev. McKee of Clarendon delivered a most interesting and inspiring address. Supt. Kirk in a short talk asked the co-operation of the patrons in sending their children to school on time and as many days as possible. He says only through full co-operation can we have a good school another year. We welcome the new teachers and wish them a very pleasant work here in our community.

The Home and Garden Club entertained Tuesday in the home of Mrs. S. R. Tomlinson with a surprise birthday party in honor of Mrs. J. A. Thompson. Games of bridge and forty-two were played during the afternoon and delicious refreshments of ice-cream and cake were served to Mesdames B. J. Leathers, Will Kennedy, C. J. Aten, D. M. Cook, W. V. McCauley, Clark, John Gerner, H. R. King, S. R. Tomlinson, Visitors, Miss Ganelle Lytle, Mary Jane Cook, Anita Cook and the honoree, Mrs. J. A. Thompson.

The News editor was presented with samples of fine Hale, Elberta, and Chinese cling peaches this week by E. V. Quattlebaum. Mr. Quattlebaum grew the peaches on his farm just west of town. The editor thanks him for the peaches and reports that they were of splendid size and flavor considering the long dry spell this summer.

Manley Bryan broke his leg Friday while roller skating.

Midway (By Mrs. P. H. Longan)

Bro. Allen will begin a weeks meeting Monday night, September 3rd. He is from Lelia Lake. Everyone is invited to attend.

Mr. and Mrs. Henry Riley, Mr. and Mrs. Elmo Riley and Mrs. Hester from Shamrock, were visitors in the W. K. Davis home this week-end.

Mrs. Elizabeth Rowley of Amarillo spent Sunday with her sister, Mrs. Pat Longan.

Mac Beach and family of Hereford spent Saturday night with Mr. and Mrs. Nelse Robinson.

Mr. and Mrs. Pat Longan visited in the Davis home Saturday night.

Mr. and Mrs. Dennis P. Smith were pleasantly surprised last Wednesday night when their friends gave them a kitchen shower. They said that the big assortment of food given them would be a source of pleasure and help for many days. The flock of fryers is not only keeping the wolf from the door but is a source of pleasure for the little daughter. It is their wish that all their friends may be

paid a hundred times for their kindness.

Mr. and Mrs. John Chamberlain and Mr. and Mrs. John Goldston spent Sunday on the Spade Flats with their children, Mr. and Mrs. Gene Chamberlain.

Lucille and Betty John Goldston and Lora Jean and Dorrell Meaders, all entered school in Clarendon Monday morning.

Mr. Burdine, of Dallas, the nurse that came home with Kennedy Davis, left for home Saturday morning. Mr. Meyers of Lelia Lake has taken his place.

Jim and Hugh Brown of Amarillo spent Tuesday and Wednesday in the Potter home.

J. M. Potter and Donald Harlan, attended the picnic and reunion at Wayside, Texas, Thursday. From there they expect to go on to Tulsa and Running Water, where they will visit friends.

Durwood McCracken who was taken to the Adair Hospital last Thursday after receiving a fractured leg from a fall was returned to his home Sunday. His condition is reported improving.

Phifer Estlack spent Monday, Tuesday and Wednesday with his parents. Mr. Estlack will attend Texas University again this year.

'Concrete Begins'—most welcome sign in the world to a weary motorist. You relax. Sit back in the seat. Ease up your grip on the wheel. Your car leaps ahead. The motor soars into a swifter, smoother pace. The tires sing. You're on the wing. The jolts... wheel-ight... nervous tension of other roads are quickly forgotten. Motoring regains its zest.

Pave Texas highways with Concrete... attract more Texas Centennial visitors... advertise Texas to American motorists.

for a booklet which proves that many of your motoring dollars can be saved by more concrete roads.

WHITEFISH (By Vida D. Byerly)

The Wednesday morning chapel program was conducted by Miss Gorman's students. The program was very interesting. Visitors attending were Mesdames Mark Turner, J. N. Smith, Frank Crisp, Lionel Ward, Enloe Crisp and Gordon Thomas; and Misses Marguerite Crisp and Lulu May Dunkle.

Mrs. Monroe Byerly spent Wednesday with Mrs. Gordon Thomas. Mrs. Enloe Crisp and children, Billie and Bobbie, and Mrs. Fern Davenport and baby daughter spent Friday night and Saturday with Mr. and Mrs. Dee Davenport.

Miss Willie Ana Gorman made a trip to Clarendon Friday in company with her sister and brother-in-law, Mr. and Mrs. Lloyd McCune of Alarreed.

Mr. and Mrs. Donald Lewis and little son, Jackie, stopped here for a visit with relatives enroute from Chicago to their home in Arizona. Mr. Lewis is the nephew of Messrs. Frank, Robert and Enloe Crisp.

Mr. and Mrs. John Sparkman accompanied by Messrs. Charlie Bible, O. K. Lee and Monroe Byerly made a business trip to Clarendon Friday.

Mr. and Mrs. Noots Davidson spent the week-end visiting at various points in Oklahoma.

Messrs. O. K. Lee, John and Charlie Bible, Monroe Byerly and John Sparkman started working Monday on the 65 Highway work near Jericho.

Mrs. Fern Davenport visited the school Friday morning.

Mr. and Mrs. Cap Morris left Sunday for Ford County where their farms are located.

Miss Irma Lewis left this week for Green River, Wyoming where she will be employed in the public schools of that city.

Mr. and Mrs. J. C. Estlack left Monday for Carlsbad to attend the funeral of Mr. Estlack's mother, Mrs. A. Estlack.

NAYLOR (By Mrs. Richmond Bowlin)

Wind and sand, if you please, visited Naylor Sunday about 6:30 p. m. Some damage done to crops and orchards.

Mr. and Mrs. Carlos Robinson and daughter, Miss Eibel, have returned from a two-weeks stay in East Texas.

Mr. and Mrs. Eugene Estlack and little daughter spent Sunday at Clarendon, guests of Mr. and Mrs. J. C. Estlack.

Mr. and Mrs. Edwin Eanes spent Sunday at Clarendon guests of Mr. and Mrs. Thomas Eanes.

Mr. and Mrs. Leroy Tidrow spent last week at Sunnyview guest of Mrs. Tidrow's parents, Mr. and Mrs. Perry Tunnell.

Misses Katherine Metcalf, Martha Metcalf, Gladys Davis, and Mary Alice Scott, all of Amarillo, spent Sunday and Monday with Misses Minnie, Lou, and Ava Naylor.

Mrs. Carl Hahn and Mrs. Williams of Stratford spent Thursday with Misses Minnie and Ava Taylor.

We have had nice rains and Lake Creek came down roaring.

Mr. and Mrs. B. L. Jenkins Jr. and son, Brit, spent the week-end in Clarendon visiting relatives. They left Monday to vacation in Colorado for an indefinite period. Mr. Jenkins, who for some time has been proprietor of the College Inn at Canyon, recently sold his business there.

Nola Gordon left Monday for Grandview, near Pampa, where she will teach again this year.

Eugene Worley Says Pledges Best Effort

Eugene Worley, who received the nomination for Representative of the 122nd District was here Friday and issued the following statement to the voters of Donley County:

"Please accept my sincere thanks for the many votes given men in the recent primary; to tell you I appreciate them would be expressing it mildly. I realize fully what an Herculean task it is to give the sixty-three thousand people of this district the representation they should have, and I pledge my best efforts to secure for them what they need.

"I have nothing but the highest regard and respect for my opponent and those who supported him. I feel confident that my opponent was actuated by the same motives as myself, namely, to be a good public servant. I assure you that I am under obligations to no one except to the people of this district and I likewise assure you that I shall never bind myself to anyone except the people as a whole who haven't had the representation they are entitled to.

"I am leaving this week for Austin to begin working in the interests of the people of this district. I've tried to see all of you personally and thank you. To those I haven't seen, I take this method. I still need your support because without your confidence in me I might as well not be your servant.

"To err is human and I know I'll make some mistakes, but if I do, please rest assured they'll be made because of my desire to be of benefit to the people who placed their confidence in me and elected me to this high office. I deem it an honor and a privilege to serve you in this capacity, and my every effort shall be to make you a representative in fact as well as in name."

PELLAGRA CAUSED BY LACK OF PROPER FOOD

Austin, Texas, September 6th.—Six hundred and forty-five Texans died last year of pellagra, declared Dr. John W. Brown, State Health Officer. Pellagra is a disease that is caused by lack of proper foods. It comes on slowly and may not be recognized until the victim begins to have a sore mouth, stomach trouble and reddening and scaling of the skin. When these symptoms appear the disease has been present for some time.

The longer a person has pellagra the harder it is to cure, so one should be on the lookout for the early symptoms such as nervousness, indigestion and burning of the feet and hands. The disease may become so severe as to affect the mind.

Pellagra is not contagious. As long as a person eats enough of the right kind of food and is not otherwise diseased, he is in no danger even if he lives with a pellagra patient.

The prevention of pellagra depends upon eating the right kind of food at all times. To make sure that the diet is right, it should always include plenty of milk daily, some fresh meat, and as many fresh vegetables as possible. Tomatoes, whole wheat products, salmon, brewer's yeast and fresh fruits are especially valuable. Having provided these essentials of a proper diet, the rest may be arranged according to family and personal likes. In this way pellagra may be avoided.

Misses Josephine and Maud Estelle Browder who spent the summer with their grandmother, Mrs. R. A. Chamberlain, returned to their home, in Fort Worth Saturday. Miss Virginia Kent who has been guest of the Browder girls for the past week returned with them to her home in Dallas.

Estes Resigns

COL. CARL ESTES

Col. Carl L. Estes, East Texas publisher and editor-manager of the Tyler Courier-Times and Morning Telegraph, owned by the T. B. Butler Estate, Thursday announced his resignation from these publications effective Sept. 1st. Estes established the Telegraph for the Butler Company four years ago.

Going to Tyler 11 years ago as advertising manager of the Tyler Courier-Times, he advanced rapidly until he became editor 5 years ago, and editor-manager 3 years later. The papers, six column, carried no leased wire news service when he went to the East Texas city. Under his direction they were completely re-equipped mechanically, full leased wire services installed and, due to the forceful, fearless and outspoken editorial policy he pursued particularly in connection with the fight on "hot oil" they have acquired a State-wide reputation as metropolitan dailies.

Commenting on his resignation in Dallas Thursday, Estes said: "I will continue the fight on 'hot oil' and will now devote my full time to my own publications and will continue my residence at headquarters in Tyler." Col. Estes publishes an oil magazine and is interested in a number of other East Texas newspapers.

Col. Estes, widely known East Texas political leader and at present a member of the Texas Relief Commission, has recently been put forward for National Democratic Committeeman from Texas by friends in several North and East Texas counties, it being known that he stands in high favor with the incoming State administration as well as the National. He was one of the four delegates-at-large to the Chicago Convention, and led the Texas delegation in placing the State standard alongside that of California, which resulted in the stampede to President Roosevelt.

RURAL HOUSING TO COVER 142 COUNTIES

Austin, Texas, Sept. 3.—The Texas Relief Commission's program of rural rehabilitation will be pushed to the limit, during the next two months, it was announced today by J. E. Stanford, director of the department, as he issued instructions to his field supervisors to employ assistants to help them carry out the program during the next eight weeks.

It is the aim of the department to house every family possible and supply them with capital goods before the winter season arrives.

Federal authorities have been asked for a grant of \$800,000 for rural rehabilitation in Texas in September as against \$250,000 for the current month.

Stanford reported the program now being carried on in 142 counties and said it will be extended to others as soon as rains break long existing drought in these counties.

Mr. and Mrs. W. C. Stewart had as their week-end guests, Mr. and Mrs. F. W. Hooper and Mr. and Mrs. F. E. Simmons of Dallas and Mr. and Mrs. R. E. Koerner of Pampa.

Miss Mary Lynn Teer of Belton is spending the winter with her brother, Mr. Ed Teer, Miss Teer has enrolled in the high school.

American Royal Live Stock and Horse Show

The premium list for the 36th Annual American Royal Live Stock Show to be held at Kansas City October 20 to 27, is just off the press and is ready for distribution to prospective live stock exhibitors.

This year's premium list includes classifications with liberal premium offerings for Beef Cattle, Dairy Cattle, Swine, sheep, Draft Horses and Mules.

It is truly said the prosperity of nations lies in their herds and flocks and the improvement of these herds and flocks is in the hands of men who understand live stock breeding. The American Royal is the display window in which the achievements of these breeders may be displayed to the public and are of vital importance from an educational standpoint to the consuming public, the live stock industry itself, and gives the breeders an opportunity to make comparisons and to benefit by the experience of one another.

Anyone contemplating exhibiting at the American Royal October 20 to 27, should send their entries in at once.

If you have not received a premium list same may be had by writing 300 Live Stock Exchange Building, Kansas City, Missouri.

ON TEXAS FARMS By Minnie F. Cunningham Extension Service Editor

Texas meat canning plants—to the number of 19—are doing their level best to take care of the cattle bought as drought relief; 8585,134 No. 2 cans of meat time had been placed on the pantry shelf of the Relief Commission by the middle of August. Eight and a half million cans of meat is quite a bit.

All those cans are filled with beef products. Next will come the program of buying sheep and goats and the meat of these animals will be conserved in the same way.

That is the New Deal in drought relief. The old way was a heap of whitening bones on the prairie and a total loss to the producer.

There is another feature to New Deal handling of drought problems—that is planning to make the facts learned from this one serve to help make the next one less terrible.

One such plan is the erosion survey of the whole country undertaken by the Soil Erosion Service of the Department of the Interior. Field work on it was begun this week—to be finished by October 15.

Finding will supply a complete picture of the condition of agricultural lands to be used in the development of the American agricultural policy of the future.

"Let Science Have a Chance" is the title of a recent article by the Secretary of Agriculture and may become the watchword of his department.

Miss Lodi Green arrived here Saturday and spent the week end with her parents, Mr. and Mrs. George Green. Miss Green is employed in Dallas with the Lone Star Gas Company.

BROWN'S LOTION is guaranteed by Douglas and Goldston Drug Co.

CONDITIONS OF SALVATION IV. "SOME CHURCH HISTORY AND PROPHECIES"

We have learned in our previous lessons, that the Bible is the inspired word of God and that its purpose is to reveal a plan of salvation and that only one way is revealed in that great book. Today we wish to study some prophecies and history about the Church and its program. There are thousands of organizations that should study the early history of the church in the light of "God's Word."

I. WHEN WAS THE CHURCH ESTABLISHED. If we can settle this question, much and lasting good can be established. According to prophecy this organization was to begin in the latter days. (Isa. 2:1-3; Mic. 4:1-2) Paul in his writing, Heb. 1:1-2, shows that it was established at the proper time. In the 2nd chapter of Acts we find the history of the beginning of the church and in Acts 11:15 we find the Apostle Peter referring to this event as the beginning. From those references we find that the church began on the day of Pentecost following the resurrection of Christ. Any Church who claims to have its beginning either before or after this date is not scriptural.

II. WHERE THE CHURCH WAS ESTABLISHED. Our next important question is: where did the church begin. In Isa. 2:1-4; 62:1-4; Micah 4:1-2; we read that the prophets pointed toward Jerusalem as being the starting point. In Luke 24:49 Christ told his disciples that the program was to begin at Jerusalem. In Acts 1:6-8, the disciples were told to tarry in Jerusalem until the Spirit came. In Acts 2nd, chapter we find them waiting and we find the Holy Spirit leading them in the establishment of the church. See also Acts 11:15. From prophecy and facts we learn that the place was Jerusalem. Then the true Church of Christ could not have its beginning in any other place.

III. HOW THE CHURCH WAS ESTABLISHED. When God gave the law from Mt. Sinai he demonstrated His power. When he began the church in Jerusalem, he demonstrated His power. Peter in his sermon Acts 2:16-21 quotes from Joel 2:28-32 and said this was the fulfillment of that prophecy. It tells how the plan began. When God is ready to change it he will demonstrate it with power.

IV. THE SUCCESS OF THE CHURCH. Daniel said: (Dan. 2:36-45) that the church's power would never decrease, but would continue to grow. Christ said: (Matt. 16:18) that the gates of hell would not prevail against it. The church program will never fail, it will be a success. (Next

Free Parking Space At Tri-State Fair

Special services for the accommodation of all out-of-town visitors to the Tri-State Fair, September 15-22, have been arranged by the exposition management.

For visiting motorists there will be a police-protected parking space inside the grounds. The inside parking space will be guarded day and night by special police. At night the space will be flooded with light. It will be near the center of all activities at the fair.

There will be plenty of free parking space, but a small fee will be charged for protected parking inside the exposition grounds.

Since the last fair the Tri-State Exposition has erected a large, substantial rest room on the grounds. It is built of native rock taken from the Bivins ranch near Amarillo.

Large dining rooms, operated principally by religious organizations, will be open day and night.

SUNNY VIEW By Pauline Brame

Mr. and Mrs. Neal Bogard and family of Hudgens, Mr. and Mrs. Heckel Starks called in the Millard Starks home Sunday.

Mr. Delbert Lanham attended to business in Amarillo Saturday.

Mr. and Mrs. J. Devanport called in the F. L. Behren home Monday night.

L. E. Scott of Chillicothe will stay with his grandfather, Mr. A. M. Lanham and attend Clarendon College.

Much damage was done to the highway during the big rain that fell Saturday. Teams and trucks are busy at work refilling the washed places.

## LIONS ADDRESS IS ON CENTENNIAL

### SAN ANTONIO WINS CLUB PLURALITY FOR SITE OF TEXAS CENTENNIAL

Now the great question is settled. The Texas Centennial is to be held at San Antonio in 1936—that is if the vote of the Clarendon Lions Club is allowed to stand as final in selecting the favored Texas city for that great event.

In the announcement of the vote taken a week ago by the club, Clarendon Lions found that they had voted as follows: Houston, 4; Austin, 1; San Antonio, 17; Dallas 10; Fort Worth 2. All Lions know who voted for Austin, and know fifty percent of who voted for Fort Worth.

The final returns on the voting was announced Tuesday at the Clarendon Lions Club meeting by Lion President Patman. The Centennial address scheduled a week ago, but held over for lack of time, was delivered by Lion McKee and proved to be one of the high spots of recent programs. Lion McKee discussed most interestingly the history, aims and objectives of the Centennial movement in Texas, much to the enjoyment of the members.

Program chairman, Lion Drennan, was in charge of the program.

Announcement of the Fall and Winter attendance contest was read from the International office, and the club voted to enter as a club and for individual contest as well. The contests run from September 17th to November 26, inclusive.

Visitors for the day were: Meredith Gentry, Clarendon; Prof. Roy Wells, Huntsville; and Dr. Boetsche of Ballinger. All responded briefly.

Mr. and Mrs. J. W. Sullivan and children visited in the C. T. McClenny home Sunday.

Mr. and Mrs. W. L. McConnell of Panhandle visited Mrs. McConnell's mother, Mrs. J. D. Stocking, Sunday.

## WATER RAGES

(Continued From Page One)

feet in the low flats of the city. Slime and mud left considerable damage in the city, where basements were filled and the contents ruined. Automobiles were flooded and engines filled with water and silt together with numerous bent fenders as the vehicles were smashed against one another by the force of the flood waters.

Probably the most damage was sustained by the First Christian Church, whose basement was flooded and the piano and Sunday School furniture totally ruined. The Pastime Theatre also bid for damage honors as a shipment of new upholstered seats, still uncrated, drifted around in over two feet of slimy water, absorbing quite a bit of the moisture before rescue parties could get to the new equipment. Other business basements were filled with water, as were a number of the basements of the residential homes, where considerable damage was reported before they could be drained or pumped empty with the local fire fighting equipment.

The Fort Worth & Denver sustained a great deal of damage when two sections of their right of way was washed away, however the track stood the strain and emergency crews placed both passenger trains on their way after each had waited near the city for some three hours. The East bound train was held a half mile west of the Bugbee crossing while the West bound train was halted at the coal chute in the yard limits.

Practically the entire out-door revival tabernacle of the First Baptist Church was swept away on the crest of the flood, however the piano sustained very little damage.

Crews were out early Sunday morning and Monday cleaning the streets and property of the mud and debris, and very little is left to testify to the extent of the damage other than the enlarged lake just northeast of the city.

Buntin's Funeral Home suffered a big loss when some twenty-seven new burial vaults were ruined by the water and silt. These were not insured, but some salvage may be made in that they can be sent back to the factory and rebuilt and relined

to gain their former protection. A cheerful note is the fact that practically the entire amount of timber and electrical wiring used in the Baptist open-air tabernacle has been found and salvaged, cutting down the loss there considerably.

Crops were not damaged as much as was first feared and the farmers are optimistic over chances even yet for a fair yield from their fields.

## CAPTURE MADE

(Continued From Page One)

ed up, and after his getting in touch with Sheriff Pierce he notified the Sheriff of Carrizozo to arrest and hold the men and woman.

In the meantime the parties in the car had escaped back into Texas, and were not heard of until last Saturday evening during the hard rain, a car of the same description carrying two men slid into a ditch near Lem Taylor's farm. George Eanes assisted in getting the car out of the ditch, and rode with the men two miles further on towards Clarendon until the engine of the car drowned out in the hard rain. Eanes then caught another ride into town and reported to Sheriff Pierce about the men and stating that the men had guns and lots of clothing in the car, Sheriff Pierce stated.

That night another home was burglarized, that of Perry Woods who lives on the Lem Taylor place, near where the car slid into the ditch.

Then Sheriff-Elect Claude McKinney of Wellington, received a tip that the parties who did the hijacking and killing in Wellington while the Rodeo was going on in Clarendon recently, were staying in a shack three miles west of Goodnight, with Jack Bunn, Sheriff Pierce said. McKinney made this report to Sheriff Tom Bronson of Claude and subsequently a raid was made on this shack Tuesday, September 4, and captured one man and one woman, with a man getting away into the canyon South of Goodnight.

Sheriff Bronson of Claude called on Sheriff Pierce and Deputy Walker to aid him in the search for the fugitive, Pierce told the News reporter that Earl Durham was the name of the man who escaped into the canyon.

The officers captured the car which was pulling a trailer loaded with numerous household articles, such as radios, clothing and guns, which were identified by the persons whose homes had been burglarized in the past six weeks. Sheriff Pierce told the News reporter that Martin denied stealing any of the articles but a coat he was wearing was recognized by a party as being one stolen from another party.

The woman captured is said not to have been married to either of the men and denies being implicated in the robberies.

Among the artillery in the car were four sawed-off shotguns, two Winchester rifles, one 410 gauge shotgun and two pistols.

When Durham escaped into the canyon he left clad only in his underwear, but carrying one automatic pistol the officers knew of and maybe one more, stated Sheriff Pierce. Later he robbed a family of some clothes to wear, but had no shoes. Then he stole a horse and saddle, and the officers believe he made a pair of make shift moccasins to wear because the travelling on foot would have been to rough

## Dr. B. L. Jenkins Speaker For Juniors

The Junior High held their opening exercises Monday morning with Dr. B. L. Jenkins as principle speaker. After the assembly had sung "America" led by Professor Bone, Mr. McHenry Lane introduced the speaker.

Dr. Jenkins talk dealt primarily with the contest which he conducts every year in the school and awards the best all around boy and girl with a medal. The student's vote is counted 51 percent and the teacher's vote is rated 49 percent. Voting for this contest will start next month. Five will be selected and eliminated as they lose votes.

The next speaker on the program was the principal, Mr. McHenry Lane. Mr. Lane made announcements relative to changes in schedule, and to the new students. The assembly was dismissed after singing "My Old Kentucky Home."

## ST. JOHN BAPTIST CHURCH

Rev. L. L. Swan, Rector There will be no services Sunday, September 9th.

Rev. and Mrs. Swan were the guests of Mr. and Mrs. C. J. S. Lowndess of Amarillo, while attending the meeting of the Clergy Conference and of the Executive Committee of the District of North Texas which they pronounced of exceptional interest. At the conclusion of the proceedings, the Bishop made the presentation of a handsome robe to Rev. Swan as the gift of the Clergy of the District on his retirement to assume charge of St. Paul's Parish, Wellington, Kansas, of what he was rector 35 years ago—the home city of Mrs. Swan's parents.

Ina and Kathleen Riley are in Quannah on a two-weeks visit.

for him, as the house was later found abandoned. Search is being continued for him Wednesday afternoon.

Charges of burglary of the homes of John Tate, H. W. Cauthern and Perry Woods, were filed by Sheriff Pierce Wednesday afternoon against H. L. Martin, held in the County Jail at Clarendon.

As the News goes to press today, there have been no new developments in the attempt to capture Earl Durham, who is alleged to have been working with H. L. Martin and who Wednesday apparently escaped into the Palo Duro Canyon, South of Claude.

Measures have been taken to prevent any cars on the ranch from being appropriated by the fugitive to further his escape from the law enforcement officers of this territory who are working hard to affect his capture.

H. L. Martin, captured at Claude Wednesday, after questioning, was taken to Wellington Thursday morning by Sheriff Pierce, where charges will be filed against him for the murder of Elmer Barnes, Sheriff Pierce reported to the News.

Barnes was shot during the hijacking of the Lucky Corner Filling Station in Wellington, of which he is attendant, Saturday August 18, and died the next day.

## RAW RECRUITS IN BRONCHO OUTFIT

### ONLY TWO LETTER MEN WILL BE BACK TO CARRY COLORS.

When Frank Stocking took his first look at this year's material for his Clarendon High School Broncho football team Tuesday afternoon he was greeted by the presence of only two letter men from the 1933 Broncho eleven, plus twenty-three other candidates, of whom only seven were squad men on the previous machine. While this at first glance seems an almost impossible task to build a winning combination, the local mentor smiled at the pessimistic remarks of the local fans and is working out a plan whereby he hopes to build a brand new team featuring the small, light material at hand, in a fast open style of play that will meet with the ready appreciation of the home fans. While no championship club is looked for to represent the local school this fall, it is believed that Clarendon will have one of the gamest fighting teams to represent the school in a number of seasons.

In Word and Green, both backs, Coach Stocking with the task of finding them capable running mates at the other two positions, and with an even greater assignment of building an entire forward wall which will be capable of holding a tight defense and supplying the offensive punch to send the light backs into opposition territory.

Squadmen include Butler, Hudson, Powell, Barrow, Boston, Martin, and Holtzclaw. Should these men develop like they should a portion of the problem will be solved, and should Reid, of Chamberlain and Easterling, of Martin show the class of their football brothers before them, still further smiles will wreath the face of the congenial mentor. Hot from Chamberlain, Turnbow and Sibley of Martin and Gregg of Ashtola are all being looked to give the Bronchos plenty of tough and dependable material.

Coach Stocking asks the fans to get behind the team this season and lend as much encouragement as possible to the youngsters and he feels certain they will in turn give a very creditable showing on the gridiron this season, despite the gloomy outlook at the present.

No schedule has been released at the present time, but The News will carry it just as soon as it is completed and the initial game announced.

Mr. and Mrs. W. C. Slater and daughter, Helen, returned to their home last Wednesday after a six week trip visiting friends and relatives in Ohio, and the Century of Progress at Chicago. Miss Slater left Sunday for Pringle, north of Stinnett, where she will teach in the public schools the coming year.

Dorothy Jo Ryan returned Friday from a visit in Oklahoma City and Marlow, Oklahoma.

John R. Ragland, whose name was overlooked last week when the names of the students who are going away to college were printed, will attend Texas Tech at Lubbock this year.

## September 19th Is Trades Day

Mr. Allen Bryan, Chairman of the Trades Day Committee, has informed the News that the next Trades Day will be held on Wednesday, September 19, and a special invitation is being given everyone to visit Clarendon on that day to take advantage of the beginning of the Fall buying prices offered by the merchants, and to look over the large stocks of merchandise they will find in the stores.

The trades day grounds of course offers special attractions which will appeal to all the traders.

Come one—come all. Orene Riley returned Monday from Stinnett where she spent the Summer.

Mr. and Mrs. C. R. Wilson of Paducah were week-end guests of Mrs. Wilson's mother, Mrs. Cap Lane.

## HIGHWAY 66 WORK PROGRESSING FAST

### MEN FROM DONLEY COUNTY INCREASES FROM 55 TO 61 FRIDAY.

Mr. A. H. Baker, in charge of the Donley County division of the National Reemployment Service, says the work on Highway 66 near Jericho is progressing fast. Fifty-five men from Donley County have been employed on the project but an order has come through for 61 men from this county to report for work Friday.

The labor on this project is being divided with Gray County, with the men alternating shifts of 40 hours from each county.

The only machinery employed at the present time is a steam shovel which is digging a 14 foot ditch, and 12 trucks.

**WESTERN CANADA**  
*The Scenic Wonderland*  
OFFERING A WIDE VARIETY OF ATTRACTIONS

HERE are many mountains in Canada, are old hills worn by erosion and graced by Time with natural charm and picturesque beauty. In size and stately grandeur none can compare with those of the Cordilleran region of the west. The Rockies and the Selkirks are outstanding. Here are a number of the great National Parks of Canada—Jasper, Banff, Kootenay, Yoho, Glacier, Waterton Lakes and Mount Revelstoke. The visitor to this mountain world will find endless variety in scenery—soaring pinnacles, jagged peaks, and towering domes. Varied also are the deep canyons down which rush mountain torrents that break into cascades and waterfalls with delightful abandon. There is no danger of monotony for one can turn at will from cloud-tipped peaks to grassy meadows and green valleys. Everywhere there is color—grey of rocks, white of snow, deep green of trees and silver of

waters. Not in a lifetime can the visitor discover all the beauties of this region.

Each year thousands of requests are directed to the Commissioner of National Parks, Department of the Interior, Ottawa, for information regarding Canada's vacation attractions. Motoring, mountain climbing, hiking, fishing, trail riding and the gay life of mountain resorts will again this year be magnets to attract visitors to Western Canada.
