Cotton Checks For Over \$58,000 Received THURSDAY, 16TH. MARKS OPENING OF RODEO AND IS TRADES DAY

RECEIVE PAY FOR REDUCING CROPS

ANOTHER CONSIGNMENT OF
CHECKS EXPECTED SOON;
AGENT'S OFFICE BUSY

The spirit of economic recovery for the nation, made a visitation to Clarendon last week-end, leaving in its beneficent wake, \$58,343.61 to be paid to farmers in Donley county, who have expressed their confidence in the present administration by reducing their cotton acreage, as provided by the Department of Agriculture. The first of the checks, amounting slightly over \$39,000.00, arrived Saturday and the rest were received Monday morning, according to R. C. Land, assistant in the county agricultural agent's office.

Since Monday morning, when the first farmer came into the local office and signed for his check, County Agent T. R. Broun, and his corps of assistants have been busy, for all day long the office is filled with signers anxious to receive his payment from the government for the acres rented to it, through the reduction program.

"Most of the farmers have already been in and received their checks," Broun announced Wednesday afternoon.

Another, and even larger amount of checks is expected within the next few days.

For a time the drought was forgotten, as the farmers lingering in town, with broad smiles on their faces, added to the general aspect of prosperity.

It was reported, in connection with the announcement of the arrival of the checks, that contracts from every cotton county in the state, have been approved and certified to Washington.

A summary of the certificates of the 223 cotton counties, shows a grand total of 236,183 contracts, affecting 4,282,723 bales of 478 pounds net weight; 14,126,746 adjusted base acres, and 2,522,368 rented acres. The contracts show that 37.7 percent of the base acres were rented to the government. The total rental payments amount to \$26,777,280 and the parity payment of one cent per pound will amount to \$8,153,513.

The state of Texas has about one-fourth of the cotton counties and one-fourth of the contracts in the United States, representing nearly one-third of the lint and over one-third of the cotton acreage.

It is now generally conceded, that the acreage reduction campaign has saved the cotton farmers from again having to sacrifice their cotton at low prices because another crop in the face of large world carry over, together with lack of demand, could only have meant disastrous prices. The benefit and parity payments take the place of crop insurance for the many farmers who will make little or no cotton due to the drought, while the rented acres will supply additional food for livestock on farms where the drought has not completely destroyed the crops.

New Freight Train On F W & D System

Beginning Saturday, Aug. 11, the Fort Worth and Denver R. I. system will add a new freight train to their service, according to D. F. Wadsworth, local agent. It will leave Denver each day at 8 a. m. and will arrive in Clarendon the following day at 2 p. m. The train will reach Fort Worth at 4:30 a. m. This train has been added, according to Mr. Wadsworth, because of increased shipping by stockmen along the road's route.

Scorching Sun Does Not Stop Sunday Singing

Udaunted by a merciless sun which bore down all day, a crowd estimated at over 1,000, attended the monthly convention of the Donley County Singing Association held at Lelia Lake last Sunday afternoon. Called one of the most successful meetings since the formation of the organization, it attracted visitors from all over the Panhandle, as well as delegations of singers from Oklahoma.

Clarendon took a big part in the day's warbling, special singing being arranged by Sullivan Cooper and L. H. Barthman, both of this city. Over 50 from here attended the session.

One of the features of the meeting was the special singing by the delegation from Snyder, Okla.

There were also special songs by the Chamberlain and Naylor singing schools, both of which were led by Mr. Barthman.

This organization is fast gaining recognition as one of the most substantial and appreciated institutions of Donley county.

It will be announced in the near future just where the next county convention will be held.

Rev. and Mrs. E. B. Bowen, D. R. Davis and J. R. Porter attended the Methodist Laymen Meeting for the Panhandle section of Texas.

CITY MAYOR IN PROCLAMATION

AUGUST 13, IS WEEK SET
ASIDE, AS TEXAS CENTENNIAL WEEK.

Clarendon fell in line with other Texas cities Wednesday, when Mayor J. W. Martin proclaimed the week of August 13, as "Texas Centennial Week." This action followed a proclamation signed by Her Excellency, Miriam A. Ferguson, governor of the state, who had issued a proclamation earlier in the week, proclaiming the setting aside of seven days in observance of plans under way to make the Centennial "the grandest thing that ever happened within the borders of the Lone Star state."

Following is Mayor Martin's proclamation: By official proclamation Her Excellency, Miriam A. Ferguson, Governor of the State of Texas, has set apart the week of August 13, as Texas Centennial Week, during which time every Texan is called upon to Think-Talk-Write Texas Centennial for 1936.

In pursuance of such proclamation, I, J. W. Martin, mayor of the city of Clarendon, by virtue of the authority in me vested officially proclaim and set apart such Centennial Week, within our borders and call upon the entire citizenship to put its shoulders to the wheel, wage an extensive campaign of education, to the end that all Texas be now committed to the necessity of staging in this state during 1936 a great exhibition honoring the memory of our heroic fathers, portraying the advancement of the last century and forecasting the progress yet to come.

J. W. Martin, Mayor of the City of Clarendon.

Fred Rathjen and Mrs. Katie Rathjen attended the District meeting of the Lutheran Church that was held in Vernon, Sunday and Monday. Fred returned Tuesday and Mrs. Rathjen remained in Vernon for a visit with friends.

MANY EXPECTED FOR TRADES DAY

MONTHLY EVENT COMES ON
FIRST DAY OF RODEO;
INTEREST INCREASES.

With the fifth monthly Trades Day coming on Thursday, Aug. 16, the first day of the Rodeo, an extra large crowd is expected to be in the city on that day to take advantage of the many bargains to be offered by Clarendon merchants who have been putting this event over with increasing success each month.

Since the first one, in April, interest has increased instead of lagged in these monthly events. Although the last one, came during a blighting drought, which still holds sway in this section, a large crowd, composed of both urban and rural population gathered on the court house lawn for the occasion. And according to the general consensus of opinion, as much or a little more shopping was done as on the other Trades Days.

It has even reached the point to where the farmers and their families look forward to this occasion. With the opportunity afforded itself of meeting their friends from all over the county and of taking advantage of the local merchants' bargains, they flock to town in large numbers on each Trades Day.

The rodeo and Trades Day next Thursday are not expected to conflict, as the short program, which will be held as before, on the court house lawn will be over by the time the first events start at the arena, on the Chamberlain pasture, two miles south, according to Allen Bryan, one of the managers of the monthly Trades Days.

FACULTY LIST IS NOW COMPLETED

R. E. DRENNAN SUCCEEDS
W. A. CLARK JR., AS DEAN
CLARENDON COLLEGE.

With the election of Euell O. Bone, as science and mathematics instructor in high school and Miss Maurice Berry, as home economics teacher, the city schools faculty for the coming term of 1934-35 has been completed. School will open Monday, September 3, it was announced by W. W. Taylor, secretary of the school board.

H. T. Burton will again be at the head of the Clarendon school system. R. E. Drennan, formerly principal of the Junior high school and the south ward, has been elected Dean of Clarendon Junior College. W. A. Clark Jr., former dean, has accepted a position.

BE CAREFUL WITH FIRE— WE CAN'T AFFORD A LOSS

While everything is so parched and dry, just a little carelessness with a lighted match, cigar or cigarette stub, or trash fire, might cause such a loss of feed, fences, outhouses and dwellings as no one is able to bear—even lives might pay.

The News is therefore calling upon all its readers and friends to be very, very careful—extremely cautious, until we have passed this critical period in the history of our section that there be no untoward losses by fire, and the costly regrets that might follow in its wake.

Throw down no blazing match, discard no lighted cigar or cigarette, watch all trash fires, wet down all ashes containing live coals, leave no greasy rags lying in unfrequented corners—be careful—BE CAREFUL!

DEMOCRATS MET HERE SATURDAY

DELEGATES AND ALTERNATES
ELECTED TO STATE
CONVENTION IN SEPT.

The Donley County Democratic Convention met in the district court room at the court house Saturday afternoon at 2 o'clock, with W. P. Cagle, county chairman, presiding.

R. C. Weatherly Jr., of Jericho, was elected secretary. Following a motion to that effect, a committee, composed of Sam M. Braswell, A. L. Chase and W. T. Link was appointed, whose duties were to submit a list of delegates and alternates to be elected to represent Donley county at the State Convention, to be held in Galveston September 11.

The following list was nominated and elected: Delegates, Jess Pool, Hedley; A. B. Bynum, Lelia Lake; T. C. Johnson, Giles; G. R. Grant, Goldston; W. P. Cagle, J. T. Patman, W. T. Link and W. D. Van Eaton, all of Clarendon.

Alternates: J. R. Boston, Hedley; Guy Taylor, Lelia Lake, Dewey Wood, Skillet; R. C. Weatherly, Jr., Jericho; Edwin Baley, Martin; Pink Rogers, R. W. Moore and J. M. Cornell, all of Clarendon.

The county is entitled to one delegate and one alternate to each three hundred votes cast within its borders.

FACTS GIVEN ON CORN-HOG CUTS

DONLEY'S PART OF PAYMENT
WILL BE \$46,585; EXPECT
CHECKS RIGHT AWAY.

Donley's share of the \$4,805,500 to be paid Texas farmers for their cooperation in the corn-hog reduction program, is \$46,585.00, according to figures released by R. C. Land, assistant adjuter, at the county agricultural office Monday of this week. This \$46,585 is to be paid farmers in this county for corn acreage reduction and \$27,625 for reductions of hogs.

The \$4,805,500, affects 32,104 farmers in 228 counties of the state.

The work of the Corn-Hog Review Board was inaugurated by a statewide trip of the chairman, E. N. Holmgren, accompanied by F. E. Finley, statistician from the crop estimates division of the Federal Bureau of Agricultural Economics, meeting county committees and county extension agents to discuss and explain contracts. After this Mr. Finley remained at College Station and handled the statistical end of the Board's work throughout the entire time. That the work of the county committees has been well done is shown by the fact that when the contracts of the first three Texas counties reached Washington they were immediately approved and passed for payment.

The Board has now made contract allotments in all but seven counties. Already county committees in 103 counties have made their adjustments within allotments. The movement of county contracts to Washington will proceed rapidly now, according to information advanced here from

Chicago Bound Group Arrived Safe 'n' Sound

According to word received here by telegram Saturday night, the group of Clarendon Boy Scouts and citizens arrived in Chicago Saturday at about 6 p. m., safe and sound. They left here last Thursday morning in two trucks bound for the scene of the World's Fair.

In view of the fact that the caravan expected to reach their destination about noon Saturday, it is thought that the boys and their chaperons must have found several things of interest along the way. Another theory advanced is that they may be lingering unduly long over the meals which were prepared out in the open by Frank Whitlock, master of culinary arts.

At any rate they are there and are probably even now suffering from "sun-burned tonsils, gawkitis and pavement pounder's foot."

They expect to head back for Clarendon the first of next week.

Mrs. Clifford Davis and son, Billy are visiting Mrs. Davy's parents, Mr. and Mrs. John H. Burson on their ranch near Silvertown.

DONLEY LISTED FOR EMERGENCY RELIEF

PLACED ON EMERGENCY RELIEF ROLLS FOLLOWING APPLICATION LAST WEEK

Advising that Donley county had been placed on the emergency drouth relief rolls, telegrams were received here last week, one from United States Senator Tom F. Connally, and the other from Congressman Marvin Jones. The recipients of these messages, for the past three weeks, have combined their efforts toward attaining this rating for the county after it had been placed on the secondary program. They are Odos Caraway, Judge Sam W. Lowe, W. J. Lewis, W. H. Patrick, F. E. Chamberlain and Joe Goldston.

Patrick, Lewis, Chamberlain and Judge Lowe had conferred with Congressman Jones at Amarillo, several days ago at which time they received his promise to "do all in his power to have Donley placed on the emergency program." Goldston, Caraway and Judge Lowe, through telegrams sent to Washington, had secured secondary rating for the county.

T. R. Broun, county agricultural agent, told a News representative Wednesday that he had been notified by George W. Barnes, that as soon as possible he (Barnes) would be here to aid in setting up offices for the carrying out of the emergency relief provisions. Barnes is one of the government's drouth relief directors.

When the offices are established here, the work of inspecting and purchasing the cattle for the government, will be carried on by two men, both of whom will be appointed by the relief director. The duties of one of these men will be to inspect the cattle, to determine whether or not it is to be purchased and shipped to the canneries or purchased and killed. Those that are not in good enough condition to be sent to the canneries will be killed. It was announced that a registered veterinarian would have charge of this phase of the program.

Upon the other individual, will rest the duties of appraising the cattle and classing them as to value. Secondary relief, still being maintained, provides for lower

VISITORS AND CONTESTANTS
ALL OVER SECTION EXPECTED;
STARTS 16TH.

Leonard Stroud's Rodeo and Western Jubilee, to be here, next Thursday, Friday and Saturday, will be held at Chamberlain's pasture two miles south of Clarendon, according to G. L. Boykin, secretary of the Chamber of Commerce, which is sponsoring the event. It was first thought that the Rodeo would be held somewhere inside the city limits, but finding that no site was available it was decided to hold it on the grounds south of the city.

"Most of the Rodeo equipment has already arrived and Leonard Stroud, the conductor of the affair, is expected to arrive within the next few days to attend to last minute details," Boykin stated.

The program has been widely advertised and visitors are expected from all over the Panhandle. It is also thought that a record breaking list of contestants will be on hand to vie for the three day prizes.

Both day and purse money will be offered on bulldogging, steer riding, calf roping and bronc riding. Besides the regular run of events there will be added attractions each day to entertain the large audience which is expected.

Stroud's rodeos and his efficient troupe of performers, both man and animal, are widely known throughout the country, because of the clean interesting programs which they have presented in each town visited.

Besides the Chamber of Commerce other Clarendon citizens and organizations are cooperating to make this the biggest event of its kind ever held in Donley county.

CONVENTION RE- PORT IS PROGRAM

PRESIDENT PATMAN TELLS
LIONS OF INTERNATIONAL
CONVENTION.

Tuesday's luncheon of the Clarendon Lions Club was given over to a report on the proceedings of the Lions International Convention recently held in Grand Rapids, Michigan, presented by President J. T. Patman, who represented the club on that occasion. Lion Patman gave a graphic description of the meeting with special attention to the annual address of President Roderick Beddoe of Birmingham, Ala., who advocated larger families by real Americans if our civilization is to endure, and more particular attention to crime prevention among the young as one of the great objectives of the organization.

Visitors for the day were Rev. W. M. Murrell of Abilene, a former member of the Lions Club here, his son of Vernon, Texas, and Rev. E. D. Landreth, Methodist pastor of Memphis, all of whom responded in a brief manner.

Joe Goldston reported for the committee in charge of securing location for the Leonard Stroud Rodeo next week and asked for more time, which was granted.

Members present after several weeks' absence were Tom F. Connally, Prof. R. E. Drennan, and Ralph Porter. The latter was named program chairman for the next meeting.

ALLRED APPEALS TO THE PEOPLE

No candidate for governor of Texas in recent years has appealed so strongly to the great mass of average citizens as has the record and personality of Jimmy Allred, able representative of the people as Attorney General for the past four years and favorite candidate for governor in 1934.

In a year when so many candidates so evidently represent the so-called "interests," which in Texas means certain big oil companies and certain utility concerns who do not hesitate to use every agency to influence legislation, Allred is the one candidate whose record proves him free of any unholy connection with those whose open and financed hostility to him sets him particularly apart as the true representative of the people in Texas today.

Scorning to stoop to the levels of the demagogue, Jimmy Allred has drawn the support of intelligent, thinking, unbiased voters who place patriotism and citizenship first in casting their ballots, and who now come to their friends who recently supported unsuccessful candidates, and invite them to line up with them for the election of the one candidate with real experience, proven ability, and intense devotion to the interests of the citizenship of Texas in the run-off election of August 25th.

Allred is a vote getter, because he has the record back of him in his open and hearty appeal to the people. Allred deserves to be governor and the people intend to place him in the executive chair by their vote on August 25th.

OF ALL PEOPLE MOST BLESSED

For many, many years Donley County has been considered one of the garden spots of the Southwest, and her people have generally recognized their blessed opportunities. Nature has been lavish and seasonable sun, wind and rain have contributed their annual bit to keep her barns full and her children well-fed and happy.

In no year of the present century has Donley been so particularly blessed as in 1934, when to the East and West, North and South, huge areas are parched and barren, yet our fields still stand green with growing crops, and even without more rain in the growing season some substantial yields will be realized.

We may not have this year the bumper crops so common in Donley, but we will have some crops and we ought to uncover our heads and thank the Almighty that we live in the borders of so bounteous and blessed a section.

GRAY COUNTY GRAND JURY SPEAKS OUT

Following conditions growing steadily worse under the licensing of 3.2 beer in Gray County, the grand jury in that county last week brought in one of the most scathing denunciations of the officers and the people, with a demand that there be a general clean-up instanter.

There are too many high-grade, law abiding people in Gray County to continue to pass by such flouting of law and decency, and it seems now that through process of the law backed by public opinion Gray is to be cleaned-up of its unlawful liquor, wide-spread gambling, and lawless dance halls, so that it will no longer be a menace to her neighbor counties.

There was never a bigger lie spoken, than, "the law can't be enforced." It can and any determined band of right-thinking and sincere intentioned citizens can make it so.

Mr. and Mrs. Average Citizen: "It ain't my business to see that the law is enforced. Don't we elect officers to do that?"

Employees who are fired by enthusiasm and a desire to succeed always have a decided advantage over those fired by the boss.

ALLRED FORCES IN DONLEY HAVE NO MUD TO SLING

The majority of Donley County voters who raised this country to the rank of the banner Allred county in the Panhandle, have no mud to sling in the run-off campaign during August.

They are stronger for their own successful candidate than ever, and invite the friends of the eliminated candidates to join with them in giving their man an even greater majority, because they believe in the constructive conservatism of Jimmy Allred, as proven by his past record.

Allred men believe Tom Hunter is a good, sincere man, but they are hoping with the aid of hundreds of their neighbors to show the Panhandle that Donley merits again the title as the banner Allred county of this section.

WAR AND THE EXTRA NICKLE

With the advent of civilization and the inability of one person to manufacture for himself the necessities of life, the parasite of commercialism appeared. From a comparatively minor factor in the lives of medieval laymen it has now become one of the most vital elements influencing human behavior.

From the time of the Industrial Revolution the abuse of the profit motive grew until now it is powerful enough to plunge whole nations into the chaos of war.

The war of today is no more the glamorous riots that took place in the "good old days." Orgies of destruction, sponsored so to speak, by the munitions industries have exploited the traditions of patriotism and self-sacrifice that lead men to the front to fight for something they think will vitally affect their country.

War is not a great and heroic struggle for something fine. It is nothing more than means of gaining more and more wealth for the powerful factions in control of the munitions plants. More than that, this industry thrives on competition. It expands and develops while nations vie for armament supremacy in a jealous scramble for power.

It is noble to fight for one's country—if that country is in the right. It is a different thing, however, to fight for men who will exploit an entire nation for the sake of personal gain.

We speak of the horrors of war and make elaborate plans to prevent it, yet overlook one of the most important causes.

Take the profits out of war and there will be no more international conflicts like the World War. It is the "extra nickel" that causes the conflicts of today—not political entanglements.—Independent, Littleton, Colo.

“No other electric refrigerator has the Super Freezer... that's why Ours is a Frigidaire '34”

● Frigidaire's Super Freezer is superior to the freezing unit of other refrigerators because of a combination of three major features.

It has automatic ice tray release... the trays slide out of the freezer at a finger touch!

It turns itself on—automatically—when defrosting is completed!

And, the freezer is centrally located... a feature which not only provides room on both sides of the freezing unit for tall bottles, but which helps account for the fact that the entire food compartment of the Frigidaire '34 has a uniformly cold temperature!

The Frigidaire '34 has many additional, fine features too. There are models with adjustable shelves; Lifetime Porcelain inside and out; the Frigidaire Servashelf and—come in and see for yourself! There's a model for every size of family and purse.

HERE IS A FRIGIDAIRE THAT USES LESS CURRENT THAN ONE ORDINARY LAMP BULB—LESS THAN ANY OTHER MAKE OF REFRIGERATOR

AT THE FIRST BAPTIST CHURCH

There Is Always Worship—Fellowship—Service

It is remarkable how many problems can be solved by the simple rule of religion. Faith in God gives a silver lining to the darkest cloud. Somehow we can't just quiet explain it, but every time we go to church things look brighter. When we get to the end of our rope we just tie a knot in it and hang on; pretty soon we find that worship has steadied the storm-tossed ship of the soul and all is well. It is a great feeling to believe that all things work together for good to those who love the Lord. If we do not love the Lord things may not work together for our good. The promise is not to us all. The things of time seem to have failed us, it is time to get in touch with the eternal. The palmist David has said, "Trust in the Lord and do good: so shalt thou dwell in the land, and verily shall thou be fed. Commit thy way unto the Lord: trust also in him; and he shall bring it to pass." Now is exactly the time when we ought to cultivate the grace of persistence.

"Hang on! cling on! No matter what they say. Push on! Sing on! Things will come your way; Sitting down and whining never helps a bit; Smile in the face of drouth, and hang on to 'your grit.'"

Connally Thanks Voters of State

It will be impossible for me to see personally and extend direct thanks to all my friends and supporters for their loyalty and support in the campaign which has just come to an end.

Because of the limited time between the adjournment of congress and the date of the primary it was impossible for me to visit all counties in the state and to meet my friends and supporters. Allow me to take this means of thanking the Democracy of Texas for re-nominating me to a second term in the United States Senate.

To these friends and supporters who actively worked for me I want to express a very deep and keen sense of thanks and gratitude. It shall be my earnest desire to so serve the people of Texas during the next six years as to justify the confidence and regard of all who gave my candidacy their support.

Tom Connally.

BLOW-OUT PROTECTION!

Golden Ply in Safety Silvertown
Resists Heat—Tires Last Months Longer

You never know when your turn for a blow-out may come. BANG! The wheel is jerked out of your control before you know what has happened. Don't take this terrible risk with your life and the lives of your family and friends. The Life-Saver Golden Ply in every new Silvertown prevents blow-outs by eliminating their great, unseen cause. This amazing invention resists internal heat. Thus, blow-outs are prevented before they even start. Yet this priceless protection costs you not a penny extra.

HEAT INSIDE TIRE CAUSES THIS

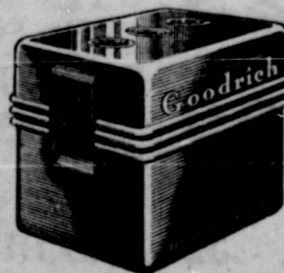

Today's high speeds generate terrific heat. Rubber and fabric tend to separate. A tiny blister forms, inside the tire where you can't see it, and grows . . . bigger . . . BIGGER . . . till suddenly BANG! A blow-out!

LIFE-SAVER GOLDEN PLY RESISTS HEAT PREVENTS THESE BLOW-OUTS!

Rubber and fabric don't separate. Heat-blisters don't form. Thus blow-outs are prevented by overcoming their great, unseen cause. And with destructive inside heat controlled, naturally Silvertowns give months of extra service—at no extra cost to you.

Colleges Plan To Have Work For Most Students

Texas colleges and universities will be able to provide one out of every eight students enrolled this winter with jobs, presidents of the various colleges were informed in a letter from E. A. Beugh, chief engineer of the Texas Relief Commission.

These jobs will pay on an average \$15 per month and will last from September to June, according to present plans. The positions will be open to 12 1-2 per cent of the students at each college on full-time enrollment, an increase over last year, when funds were provided for only 10 per cent of the enrollment.

In the case of the University of Texas, it will mean part-time work for approximately 700 students, provided suitable work can be found by school authorities.

Scope of the work has been broadened this year to include extension adult education, recreation and other work in addition to the work customarily done in the institutions by students working their way through school.

New students will get an even break with the old ones under the provision that 50 per cent of the funds allotted to a college shall be paid to students who were not regularly enrolled in any college during January, 1934.

Work will be equitable spread among men and women under the provision that jobs shall be allocated between boys and girls in proportion to the enrollment of each in the particular school.

Goodson Rites Are Held Saturday

Funeral services for Frank Goodson, 43, of Hobbs, N. M., were held at the home of his mother, Mrs. Hugh L. Brown, here Saturday morning. Rev. W. E. Ferrell, pastor of the First Christian church was in charge of the services. The body was shipped to Spur, Texas, for burial Saturday afternoon. Mr. Goodson died at Lubbock Thursday night, August 2. Besides his mother, of Clarendon, he is survived by a wife and son, both of Hobbs, four brothers and one sister.

Judge Hoover Is Panhandle Head Of Allred Forces

Amarillo, Texas, August 9th.—An active organization to push an extensive campaign in behalf of James V. Allred for governor through out the Panhandle, was perfected at a meeting in Amarillo Tuesday.

The organization selected as its chairman Judge H. E. Hoover in active contact with the Panhandle central office in Amarillo.

Assisting in the campaign will be L. M. Fischer of Amarillo as Vice chairman, who will be in active contact with the Panhandle central office in Amarillo.

T. W. Cotten is now serving as vice chairman of the Potter County club. Announcement will be made Wednesday or Tuesday of the personnel to conduct the campaign in Amarillo.

Among the members of the Panhandle Allred-for-Governor Club are the following persons who have pledged their support to an active campaign in this section:

Guy Pierce Warns All Bootleggers

Just a fair warning to the liquor law violators of Donley county. It seems some folks are under the impression that possession of home brew is not a violation of the law, but it is a violation of both the Federal and the State law. I do not want to see anyone get in bad and that is the reason I am giving you a final warning. There are some liquor law violations going on in Donley county that are going to stop. It may cost some money to stop it, but it is going to stop, so if you get caught don't holler, as you have been warned as long as I am sheriff. I will give \$10.00 reward to anyone for information that will help me catch a bootlegger. It is unlawful for anyone to have anything in their possession other than 3.2 beer in Donley county. You can take it or leave it but the liquor law is going to be enforced in this county.

BIGGER, BETTER TRI-STATE FAIR

BEGINS SEPTEMBER 15, ENDS 22; MORE ATTRACTIONS, LARGER PREMIUMS.

Amarillo, August 8.—With more feature attractions, including daily horse races, and larger premiums than ever, all guaranteed, the Tri-State Fair this year, September 15-22, easily will measure up to the old slogan—"bigger and better."

Preparations have been made for record crowds to pass through the free gate each of the seven days.

Besides horse racing with legalized wagering, there will be the Sam B. Dill circus with Tom Mix, the Western States Shows, a carnival company with sensational rides and other feature attractions.

The Tri-State Fair is just completing a \$30,000 building program to accommodate the 1934 crowds.

Back under the old management of Wilbur C. Hawk as president and O. L. "Ted" Taylor as secretary-manager, the Tri-State Fair this year is guaranteeing more than \$15,000 in cash premiums.

Catalogues containing all the premium list, rules and regulations are available now. A catalogue will be mailed upon written request to Mr. Taylor, P. O. Box 2454, Amarillo.

Several new departments will be added this year. For instance, \$5,000 in cash prizes will be offered exclusively for Hereford cattle. There also will be exhibits of milking shorthorns, jersey and holstein.

Cash prizes in all of the other departments are equally liberal. This year for the first time there will be no competitive system of judging county exhibits. Instead, each county that enters an exhibit will be paid \$50.00 in cash.

Advance inquiries already indicate each of the exhibit buildings will be jammed with displays. The automotive building will house the latest models for a motor show throughout the fair. "The Tri-State Fair weathered a depression and this year's drought will have no effect either upon the quality of exhibits or the attendance," declared Mr. Hawk.

"So don't forget the dates," he added. "The 1934 greater Tri-State Fair begins on Saturday, September 15, and ends on the following Saturday, September 22."

Miss Zula Bain Weds Mr. Didway

Coming as a surprise to their many friends, the marriage of Miss Zula Bain to Charles Didway was announced this week. The ceremony was performed by Rev. W. E. Ferrell, pastor of the First Christian Church, at his home Saturday evening. The young couple was accompanied by Miss Pearl Ross.

The bride wore an attractive dress of blue pique and hat to match, with accessories to match. She is the daughter of Mr. and Mrs. R. L. Bain, and has resided in Clarendon for the past twelve years, where she has made many friends.

Mr. Didway has been connected with the News for the past three months in the capacity of news-writer. He came here from Hominy, Okla., where he was employed on the Hominy Journal. He attended Oklahoma City University.

The young couple will leave soon for Hominy, where Mr. Didway will be employed on the staff of one of the papers in that city.

The News join in wishing them much happiness in the years to come.

Miss Perdue Complimented

Honoring Miss Doris Meredith Perdue of Amarillo, house guest of Miss Berkeley Ryan, a jolly group journeyed to Bell's ranch Monday evening for a refreshing swim and picnic.

Among those present were Miss Perdue, the honoree, Misses Berkeley Ryan, Marjorie White, Vera Noland, Evelyn Murphy, Geraldine Pratt, and JoElla Stewart.

Messes J. R. Bartlett, Willard Skelton, Lloyd Benson, Lloyd Martin, Johnnie Blocker, Hollis Leathers, Glenn Allison, and Mr. and Mrs. Keith Stegall.

Mr. and Mrs. Heckle Stark and Mr. and Mrs. Luther Butler of Lelia Lake, left Thursday morning for a few days outing in Colorado and Wyoming.

Rufus Emmons Weds Fort Worth Girl

Of interest to many Clarendon and Donley County people is the marriage of Rufus Emmons, former Clarendon boy, to Miss Ethel Bates, daughter of Mr. and Mrs. O. F. Bates of Fort Worth. They were married at the home of the bride's parents Saturday, with the Rev. A. W. Hall of Boulevard Methodist Church reading the ceremony before an improvised altar of greenery and baskets of octers and gladioli.

W. M. (Ox) Emmons, Jr., of Post, Texas, attended his brother as best man.

The groom is the son of Mr. and Mrs. W. M. Emmons Sr., of Plainview, former Donley County residents. Rufus graduated from Clarendon High School and Texas A. & M. College at Bryan.

The couple left for a wedding trip to New Mexico. They will make their home in Richmond, Texas, after September 1st.

Odell-Barnes Wedding Saturday

The marriage of Miss Lola Barnes and Pete Odell of Paducah, Texas was solemnized Saturday afternoon at three o'clock at the Baptist parsonage, with Rev. J. Perry King officiating. The young couple were accompanied by Mr. and Mrs. Frio Walling.

The bride wore a suit of powder blue of the latest fashion and a hat to match with accessories of white. She is a daughter of Mr. and Mrs. Ed Barnes of Clarendon and graduated from Clarendon High school in 1932. For the past year she has been a student nurse in St. Anthony's Hospital in Amarillo.

The groom is assistant agent of the Western Union at Paducah where the young couple will make their home.

The News joins their friends in wishing for them many years of happiness.

Mrs. C. E. Deltich of Wichita Falls is visiting her sister, Miss Ineva Headrick.

Many Parties Honor Guests

The summer months have drawn many visitors to Clarendon and among them a group of schoolmates and later girlhood friends, who have not been together in several years. Their friends have honored them with numerous parties the past week.

Monday noon, Mrs. Ralph Kerbow entertained with a lovely luncheon honoring Mrs. C. E. Deltich of Wichita Falls, nee Orville Headrick; Mrs. R. R. Burnett of Guthrie, Oklahoma, nee Emma Bromley; Mrs. C. H. Dilliehay of Hereford, nee Lena Maude Smith; and Mrs. Harold Guinn of Breckinridge, nee Ruie McLean.

Besides the honorees, Mrs. A. W. McLean of Amarillo and Mrs. E. W. Bromley were present.

An open house, in the form of a beautiful lawn party, was given by Mrs. Ralph Kerbow Monday evening, from eight until ten o'clock, honoring the above named honorees.

The guests assembled on the lawn and spent a most enjoyable evening visiting with the many out-of-town visitors. Punch and cookies were served to about fifty guests.

Among the many lovely parties tendered Mesdames Deltich, Burnett, Dilliehay and Guinn was a Bridge-Luncheon given by Mesdames C. C. Powell and J. R. Porter, at the Powell home, Tuesday.

After the guests arrived, a delectable two course luncheon was served. The hostesses were assisted in serving by Misses Mary Beth McClung, Nellie and Rosa Lee Grady, and Dorothy Powell.

Games of bridge were played following the luncheon, with awards going to Mrs. Penelope Ellis for high score, to Mrs. W. V. Thomasson for second high and to Mrs. Ralph Kerbow for consolation.

To enjoy this were Mesdames C. E. Deltich, R. R. Burnett, C. H. Dilliehay, and Harold Guinn, the honorees, and Mesdames Ralph Kerbow, Louie Merrell, J. H. Morris, W. V. Thomasson, Bill Bromley, C. B. Morris, Penelope Ellis, J. L. McMurtry, Marion Stephens of Wichita Falls, Mrs. A. W. McLean and J. B. Martin Richards Deering of Wellington, Mrs. B. W. James of Richmond, Va., and Misses Eva Patching and Mildred Martin.

An old-fashioned barbecue was the order of the evening, Tues-

day, when the Clarendon High school graduating class of 1916 was entertained at Mrs. E. W. Bromley's ranch. Her children, Mrs. R. R. Burnett, Jack and Bill Bromley were hosts and hostesses to the jolly crowd, which consisted of about sixty-five.

The beef was barbecued to a fine turn by Bill and Jack Brumley, Cap and Carl Morris, and Ralph Kerbow, and there was plenty of other side dishes to make it a most enjoyable meal.

Mrs. C. B. Morris and Mrs. J. H. Morris were charming hostesses to a "Brunch" at the home of Mrs. J. H. Morris, Wednesday morning at 9:30, honoring the out-of-town visitors.

A delicious three course "brunch" was served the guests upon arrival, following which games of forty-two and bridge were played, with Mrs. J. B. Martin winning high score and Mrs. C. H. Dilliehay cutting consolation.

Attending were Mrs. J. B. Martin, house guest of Mrs. J. H. Morris, Mrs. Annie Lou Deering and Miss Minnie Perbee of Vernon, house guests of Mrs. C. B. Morris, Mrs. R. R. Burnett, Mrs. L. Harold Guinn, Mrs. C. H. Dilliehay, Mrs. Ralph Kerbow, Mrs. Bill Bromley, Mrs. C. C. Powell,

Kill Kare's Have Breakfast Party

Kelly Creek was the scene of a jolly party Thursday morning when the Kill Kare Klub entertained with a picnic-breakfast.

A most enjoyable time was spent and lots of good food consumed. Among those attending were:

Skirting yawning chasms, tearing around 181 treacherous turns at breath-taking speeds, daredevil drivers fight their way up, grinding, pounding, swaying! In the annual Pike's Peak Race, where a slip means death, Firestone High Speed Tires were on the winning car. Surely this is the most amazing proof ever known of Extra Traction—Non-Skid Safety—and Dependability!

The new Firestone High Speed Tires for 1934 have the toughest, longest wearing tread Firestone has ever made. They have a wider tread of flatter contour, deeper non-skid, more and tougher rubber, giving you more than 50% longer non-skid mileage.

Every cotton fiber inside every cord is soaked and coated with Extra Rubber—eight additional pounds absorbed by every 100 pounds of cotton cords. This is Gum-Dipping, the Firestone patented process that provides extra Blowout Protection.

MAKE THIS TEST YOURSELF

Note how the rubber in a Firestone Tire clings to the high stretch Gum-Dipped cords. This greater adhesion and strength is made possible by the Firestone patented process of Gum-Dipping.

Note how the rubber in an ordinary tire pulls away from the cords that have not been soaked and insulated with rubber. This causes friction and heat within the cords, resulting in a separation.

Your Firestone Dealer is prepared to let you make, for yourself, the amazing test illustrated above.

The singing school that we have been planning on for some time began last Monday. There are 70 or more members who are attending regularly. If there are any others who are interested in singing schools, we invite you to attend. It begins promptly at 1:30 p. m. To every one in this community the school is free, but to those in other communities a small fee is required. However, we are sure that all who come will be well repaid. We will have, at least, an eighteen day school, and Mr. Earthman is well educated in music and has had a lot of experience. He is one among the best of teachers.

Mr. and Mrs. Beard Shadle of California visited Mr. and Mrs. V. V. Johnston last week.

Glenn Reid from Stratford visited his uncle, Horace Reid, last Wednesday.

Miss Ann Hardin spent the latter part of last week with Miss Madge Lowe of Clarendon.

Mrs. Forest Sanders of Friona has been a visitor in the home of her sister, Mrs. H. R. Skinner, the past week.

Mrs. Will Barbee celebrated her 45th birthday last Monday, July 30. Her seven children and eight grandchildren were present.

Miss Rose Ada Reid, who has had trouble with her tonsils for several years was taken to the Adair hospital to have them removed early Tuesday morning. The operation was successful and the patient was feeling so much better than was expected that she was allowed to return home with her parents Tuesday night.

Hoyt Bynum, and his pal, J. D. Boyd of Abilene, Texas were guests in the home of his grandmother and grandfather, Mr. and Mrs. J. T. Rampey, from Saturday night until late Sunday afternoon.

Like the nearby countries, the young men reported the country around Abilene to be very dry. The last rain there fell about the last of April. Due to so much snow and rainfall during the fall and winter, the crops there have held up pretty good so far, but are now beginning to burn. As the men motored through they ran into a pretty good rain near Childress.

Mr. and Mrs. M. C. Edmonson and family, Mr. and Mrs. Melvin Rampey and family spent Sunday in the home of Mr. and Mrs. J. T. Rampey. Mr. and Mrs. J. B. Estes also spent Sunday afternoon with them.

Mr. and Mrs. Zack Salmon and daughters, Billie, Zackie, and Darleen, of Brice called in the home of Mrs. Una Rampey Saturday morning. After a short visit, Mrs. Rampey, her little son and daughter accompanied them to Clarendon.

James Earl Hott spent Sunday with Bailey Estes.

Midway
(By Mrs. P. H. Longan)

It is still very dry but crops are holding up very well. The early corn is about the only thing hurt much so far.

Several from here attended the singing at Lella Sunday. For that reason we had our Sunday school Sunday morning. There was singing at the school house Sunday evening.

Mr. and Mrs. Staton Mahaffey and children spent a few days camping in the Palo Duro canyon the latter part of the week.

Mr. and Mrs. R. R. Wilson from Chamberlain were callers in the Logan home Thursday afternoon.

Mr. and Mrs. O. L. Beach and Mr. and Mrs. Vanderpool of Plainview spent Tuesday night with Mr. and Mrs. Nelise Robinson. They were returning home from Arkansas where they had spent a week visiting relatives. They told us this was the greenest spot they had seen on their trip.

Mrs. Gaither spent a few days with her parents last week while Mr. Gaither was attending a week's school in Amarillo.

Mr. and Mrs. Pierce, also Will Chamberlain were callers in the Robinson home Sunday evening.

Ed Mahaffey, who has been vacationing in Colorado, returned home Friday night. Ed says it rained on him every day while in the mountains.

Mr. and Mrs. J. C. Longan, Miss Flossie Koontz Delmer, Ray Koontz, Charles Harley, and Beryl Longan enjoyed a sewing party at the Lewis Lake Saturday evening.

Mrs. Longan spent Monday in Clarendon with Mrs. Beach.

Mrs. Gaither and Rachel Edith Longan drove to Amarillo Friday morning where they visited Mrs. Rowley and Mrs. Cook, bringing Mr. Gaither home with them Sunday night.

Mr. and Mrs. Potter entertained several friends with one of those well known dinners Mrs. Potter always prepares on the 5th of August, that being Mr. Potter's birthday.

Mrs. Lamberson visited Mrs. Lott several days last week.

Mr. and Mrs. J. C. Longan and Pat Longan were in Claude Friday afternoon taking up some apples and green peas.

Mr. and Mrs. Gene Chamberlain returned to their home here Thursday.

Mr. and Mrs. B. N. Kirby and daughter, Virginia, Mr. and Mrs. Jerome Kirby of Weatherford, Mr. and Mrs. Charley West from Clarendon, Mr. and Mrs. Ted Price and two sons and Miss Athelyne and Glenn Dreunou of Ashola spent Friday in the Potter home. On Saturday night they had with them Mrs. W. N. Clayton of Tolar, New Mexico, Barney Clayton of Pampa, Lloyd Scoggins from Okla.

Miss Zell Rogers, who is attending the summer session at W. T. S. T. C. at Canyon, spent the past week-end here.

LIBRARY NOTES
(By Mrs. C. A. Burton)

A small boy who had a birthday not long ago came to the library that afternoon and very proudly presented the money for his membership—it had been a birthday gift. So the joy of his birthday goes on through the days as he comes and selects his books. So many little children are reading through these vacation days. How we long for more books for them! The men of the Lions club feel amply repaid could they see how the children's books they gave in the early summer are being enjoyed. A few older children have already begun to read in the Book Club contest for the prize of a two and a half dollar gold piece, and quite a few of the older boys and girls are beginning their outside readings in their english work for school.

Through the busy time the men and older boys did not read so much, so the "Westerns" were on the shelves in larger numbers than usual, but the greater leisure of mid-summer finds this class of readers again hunting out their favorite authors. That people are reading is evidenced by the fact that 1710 books were checked out in July. And last Saturday afternoon set a new high record with 241 checked out in the one afternoon.

The Texas Library Association is preparing a handbook of Texas Libraries which will be very interesting. In seeking information about the first free libraries in Texas they find that the Houston library was founded in 1848, but did not become a free library till 1899, while the Galveston Free Library, which was a predecessor of the present Rosenberg Library, was made free in 1874.

The large number of readers who have enjoyed "The Raven" by Marquis James will be interested to know that he and his wife, Bessie Rowland James, are spending the summer in Europe exploring the archives of foreign governments for new material which will be used in the second volume of his life of Andrew

Jackson. It will be remembered that he gave many interesting sidelights of Andrew Jackson in his association with Sam Houston in "The Raven." Before sailing Mr. and Mrs. James delivered to their publishers the manuscript for a boy's life of Andrew Jackson which will be published in September under the title of "The Coreageous Heart." Mrs. James, in collaboration with her husband, wrote "Six Feet Six," a juvenile biography of Sam Houston. The forthcoming biography will probably be very similar.

A survey by a New York paper gives some interesting sidelights on reading tastes in the U. S. at the present time. The statement is made that light summer fiction is less in demand than usual, while there is a deluge of books dealing with life in a more serious way. More business books are being published than ever before in history, books like those of Stuart Chase and James P. Warburg. Books on government, particularly on the "new deal" are quite popular while books of encouragement like those written by Pitkin and Vash Young are widely read. Governmental experiments account for a large number of new books. Russia continues to furnish much material, though not so much as a year or two ago, while the Hitler experiment is getting more attention. Fascism in Italy is being comparatively ignored by present-day authors.

People who travel through books have had the scene of their adventures changed. The Orient in general and China and Tibet in particular have replaced Africa, and India is not receiving the attention it once had, while South America is getting much more.

There is an epidemic of books about particular sections of our own country, as in Carl Carman's best seller, "Stars Fell on Alabama." People are reading biographies extensively and clamoring for mystery stories as always.

Reagan Bain Sells
Hotel At McLean

Regan Bain, who has been managing a hotel in McLean for the past few months, sold his business to J. T. Morrow in a deal consummated last week. Bain has moved back to Clarendon, where he will assist his brothers in the management of the O K Cafe.

Mrs. Bain and son, Buster, who are visiting the former's mother in Amarillo, will join Mr. Bain here this week.

REV. M'KEE RETURNS FROM VACATION TRIP

Rev and Mrs. R. S. McKee and son, Robert, returned today from

a vacation trip to Kerrville, Temple and points south and east. They report a most enjoyable time.

Rev. McKee will preach at the regular services Sunday morning at the First Presbyterian church.

If there's anything to that, some urchin has been working overtime with his "bean-shooter."

Now would be a good time for umbrella makers to go on a strike. No one would miss them. Not even the ones that manufacture sun umbrellas. Everyone's trying to get a tan.

We just heard someone in the back end of the office mutter that it was going to rain before tomorrow night. We don't know whether to get someone to take him home so he can rest awhile or try to get him a job on the president's brain trust board.

We've got on our list of recovery the PWA, HOLC, CCC, AAA, FERA, and a host of others. And we nominate this one for consideration—POWW. Meaning—Plenty of Wet Weather.

Some eminent scientist has advanced the theory that disturbance of the etheral waves caused by broadcasting of radio programs has brought on this prolonged drought. In a way we can believe him. Some radio speeches are plenty "dry." And in another way we can't. Some programs are "all wet."

Do you remember reading a few days ago about the Indians in Oklahoma taking to the high hills and the tall timber, because they said that a flood was coming? They based their prediction on the fact that all the snakes had likewise took to the hills. I'll wager that 99 and 44-100 per cent of us had dather stay down and take our chances with the raging waters than to go up and keep company with the serpents.

Well so far as this column has been mostly a "rain edition." We're liable to be a little hard to get along with if it does rain right after this appears in print. But we make no claim of being a weather forecaster. There's one of those prophets that forecast the weather about 59 or 60 miles from here. He's got us on telling what the weather's gonna be like. But we still think we're about as good as they come on picking the head man in gubernatorial races.

Returns from Wise county, Texas show that Jimmie Hill won there easily. Wise county!

Do you remember the little verse that used to be in the school readers and went like this: Rain, rain Go away, Come again some other day Little Johnnie wants to play. But nowadays Little Johnnie, of he's not very old, probably has never seen it rain and would get more kick out of watching it than he would playing.

If it has already rained by now don't read this column.

But one more word about the weather—if it don't rain its going to be a heluva long dry spell!

Do You Remember Way Back When?

FROM OUR EARLY FILES

(August 8, 1918)

The Baptist meeting under Rev. G. E. Burton, of Clarendon, is progressing rapidly. Good crowds attend every service and it is believed that Reverend Burton's forceful preaching is doing some good.

Mr. and Mrs. Dave Kelley are happy over the arrival of a new daughter in their home.

Messrs. and Mesdames M. L. Kelley, Jr., and F. E. Chamberlain and children motored to Memphis Sunday afternoon, returning the same evening.

Miss Elizabeth Clifford returned home Sunday morning from a trip to Colorado.

Misses Tina SoRelle, Ruth Norwood, Marion Letts and Beulah Baird, have gone to Shamrock this week to attend a house party given by Miss Helen Smith.

Roy Kendall, of the Clarendon Drug Co., has bought the guest house from the Cameron Lumber company and moved in the last of the week.

Jack Zurich was quite seriously injured a short time ago, when a horse reared and fell back with him. His back was badly sprained and it was several days before he could raise himself up.

Mr. and Mrs. Harwood Beville and family are enjoying a vacation on their property near Canyon.

John Lott and family returned this week from a camping trip in the Taos, New Mexico country.

Mrs. C. E. Salmon has been quite sick the past week.

Kenneth Easum is suffering with another attack of fever but we are glad to report that the little fellow is improving rapidly.

Tom Mix, in "Western Blood," Theda Bara in "Rose of Blood," and William S. Hart in "The Tiger Man," are feature attractions at the Pastime this week.

(August 7, 1924)

Beginning with the first day of September of this year and running until the first of June 1926, there will be a daily mail route to Naylor instead of the

three day route as heretofore. G. L. Boykin, who will be agricultural instructor and athletic coach at the high school during the coming session, reported for duty last Monday. Mr. Boykin's home is at Ft. Worth, but he taught last year in the public schools of Jasper.

The new home of Mr. and Mrs. Sam Braswell on Second Street west, is nearing completion very rapidly.

Last Friday evening the members of the local National Guard unit, together with a number of invited guests, met at the Christian church to celebrate their winning of a big prize in the recent encampment at Galveston. Some fifty-five were present to enjoy the entertainment.

Mr. and Mrs. Frank Whitlock and family, and Mr. and Mrs. Lindsay Taylor, Mr. and Mrs. Fred Ballew and Boron Parker left the latter part of the week for a two days fishing trip near Canyon.

Mr. and Mrs. W. T. Clifford, Walter Clifford, Miss Lelia Clifford and Mrs. Clifford's father, Mr. Evans, left Wednesday morning by auto for Lubbock and other points in the South Plains on a visit to relatives.

Mr. and Mrs. Baker, of Washburn, are visiting Mrs. Baker's parents, Mr. and Mrs. W. A. Davis.

George Ryan returned Monday morning from a business trip through Alabama and other of the centrally located states.

Miss Mantie Graves and Albert Graves arrived in Clarendon this week, from South Dakota for a visit with relatives.

Mr. and Mrs. Crockett Taylor and family are at Osta Canyon for the Baptist encampment which will continue through next Sunday.

Mr. and Mrs. Rhea Couch left Saturday for a vacation trip to Eagle Nest Dam in New Mexico. They were joined in Amarillo by Mr. and Mrs. Bill Hilliard.

College Station. It was also announced that returning checks will be coming right along as the contracts receive final approval and are passed for payment.

The Board's figures show that 222,000 acres have been contracted for \$1,129,496, two-thirds of which is immediately payable, the remainder to be paid in November and December.

The quota of hogs raised for market, which is the average for the past two years, totals 985,073 head. For cutting their production one-fourth farmers will be paid at the rate of \$5.00 per head for the remaining three-fourths. For thus restricting their output to enable consumption to catch up with supply these farmers will be paid \$3,694,903, of which two-fifths will be paid in August and the remainder in two payments one in December and one in February.

Miss Clair Marie Braswell of Galveston arrived here Friday for a visit with her father, Sam M. Braswell and Mrs. Braswell. She will leave next week for Houston, where she will be employed as mycologist in the laboratory of a Dermatologist in the Medical Arts Building.

Melons Joined As Are Siamese Twins

A freak of nature, two ordinary looking cantaloupes, firmly joined together, was brought into the News office Saturday morning by Wilson H. Gray. Mr. Gray, who lives in the Goldston community, said that his wife found these "Siamese melons" in their patch and that they were the first twins he had ever seen in all his years of dealing with the melon families.

They were also the first the writer had ever seen and among the many who have looked at them here in the News office we haven't found one yet who have professed to ever having seen anything like it before.

The cantaloupes are of the Hales' Best variety.

CARD OF THANKS

Although I had no opponent in my campaign for re-nomination as District Clerk of Donley County, yet I am as sincerely grateful to the voters of this county for their almost unanimous expression of favor and confidence shown by their vote last Saturday as if I had had opposition. I thank you, one and all.

this Great New MOTOR OIL...

... Climaxes Continental's 59 Years of Leadership!

Continental Oil Company's half-century of quality leadership reaches a climax in New and Improved Conoco Germ Processed Motor Oil! It is the result of over two years of research and experiment and 963,000 miles of road tests.

This great new oil has these advantages: 1. Two to four times greater film strength than any straight mineral oil. 2. Penetrates and combines with metal surfaces—the "Hidden Quart that never drains away." 3. Stability under all conditions; will not thin out. 4. Prevents carbon and sludge troubles.

Here's proof that it gives you greater motor protection and lower oil consumption: Tested at Indianapolis Speedway against five other nationally known oils in identical cars, five quarts of New and Improved Conoco Germ Processed Motor Oil carried its car 4,729 miles—3,015.8 miles farther than the first oil to fail, 1,410.2 miles farther than the best of the five other oils!

18,000 Conoco Stations in 40 states have this great new motor oil for you in refinery-sealed cans and in bulk. Fill with New and Improved Conoco Germ Processed Motor Oil and know your motor has the finest protection you can give it!
