## Walter D. Cline To Be College Speaker WORK TO START ON NEW GAS SYSTEM HERE IN 90 DAYS, SAID

### CITY DADS MEET WITH SMITH AND AGREEMENT MADE

MANAGER OF OLD COMPANY SAYS WILLING TO SELL OUT HERE.

At a meeting held this (Thursday) morning, the City Commission agreed with the Smith Brothers Gas Company on all details of the proposed new natural gas franchise. A second adjourned meeting will be held at 4 o'clock this afternoon when all the papers will be signed, it was reported. Attorneys for the gas company were preparing the papers during the day. Work is expected to begin in 90 days and the new company hopes to begin service to Clarendon gas users in six months from now, said the statement issued by the City Commission. In connection with the gas situation, Manager Dancil Davis of the City Gas Company said his company is willing to sell their interest here.

### Clarendon Wins Share Of Honors At Press Meet

Clarendon won its share of the honors at the annual convention of the Panhandle Press Association held in Amarillo last Friday and Saturday. The NEWS won both certificates of award in the advertising division of the contests. These were for the best ad up to a half page and the best full-page ad layout. Judges were instructed to regard timeliness of subject matter, symmetry of layout, special appeal and probable effectiveness, judging by subjects advertised. J. C. Estlack of the Donley County LEADER was elected secretary of the association for another year. Morris Beavers and Miss Lorraine Patrick represented the NEWS at the convention.

### Bownds Baby Dies Suddenly

The entire citizenship of this city was saddened Monday morning by the news that Jackie Ann Bownds, 6 months old daughter of Mr. and Mrs. Joe Bownds succumbed at nine o'clock as she was being rushed to Amarillo for medical attention. It is indeed tragic that God should deem it fit to take away such a sweet bit of life and the father and mother have the sympathy of the town and county in their loss. Funeral services were held at the First Baptist Church, Tuesday afternoon at 3 o'clock, with the Rev. F. A. Allen of Lelia Lake, conducting the last rites. Interment was in the Citizens Cemetery. Besides her parents, the babe is survived by her grand-parents, Mr. and Mrs. C. E. Killough of this city and Mr. John Bownds of Memphis.

### TOM HUNTER VISITS CITY TUESDAY MORN

Tom F. Hunter of Wichita Falls, candidate for Governor, was a Clarendon visitor Tuesday morning on his swing of West Texas towns this week. Mr. Hunter spoke in Memphis Monday night but arrived in Clarendon at such an early hour and also without previous notice that he contented himself with visiting the voters in the business district here. Hunter's campaign slogan is "Texas not only needs a new deal but a new dealer."

### ZEKE SEZ

We learn, with interest, that W. M. (Bill) Patman, local representative for the Southwestern Life Insurance company of Dallas, made the honor roll again for April when he wrote \$31,000 worth of new business for his company. Bill is a consistent worker and can always be counted on to make the grade. Incidentally, Mayor John Martin says we owe him an apology and we believe he is right, since he says he is much nearer 60 than he is 70 years of age, whereas we had him listed as 72 in last week's paper, Our error, Mayor. We also might add we hope the duties of being mayor will cut down your age still more. Extending the hand of welcome and the key to the city to all visitors may bring back more youth.

It was a long, long story—staying around Camp Dick, in Dallas, during the World War. Camp Dick was a concentration camp for the Air Corps personnel, while awaiting orders to various, flying fields over the country. It had the name of being such a place as most of the men wanted to stay away from, mostly because of the rigid discipline (much of it school-boy stuff) affected by the officers in charge, particularly one Capt. Pennybacker. If you wish a real inside story about Camp Dick in those days, just engage Charlie Trent in conversation regarding same.

Someone remarked Monday morning that summer is just around the corner. Darn if we believe it. We thought it had already arrived.

One of the prettiest spots to be found in Clarendon is the lobby of the Hotel Clarendon. If you haven't seen that fish pond, devised and supervised by Dick Allen, just drop in and take a look. That lobby looks like an oasis in a desert on a

### Hubert Reavis Breaks Record In State Meet

Hubert Reavis, student in the Clarendon Junior College, lone-man track team from here in the State track meet of Junior colleges, held in Waco last weekend, broke the State record in the 220 low hurdles when he made the event in 25.8 seconds time. Hubert thus gained a lot of advertising for Clarendon, as his work won fourth place for the local school among the 16 junior colleges represented. He also won first in the high hurdle event. Band Director Gus Stephenson and family accompanied Hubert to Waco, the Stephensons visiting relatives while there. On behalf of Hubert, thanks are extended business men and others who helped defray his expenses, thus making it possible for him to make the trip.

### Former Resident Is Visiting Here

Alec Ligertwood of England arrived Sunday for an extended visit with friends in Clarendon and the Panhandle. Mr. Ligertwood was one of the many Brits who came to this part of the country in its pioneer days. For twelve years he was connected with the JA Ranch as bookkeeper and he was also with the Matador Ranch. This is the first time he has been back in twenty-one years. He is visiting in the W. H. Patrick home.

### STATE INSPECTOR PRAISE WORK IN FIRE PREVENTION

MISS OLGA JUNIGER VISITS ALL SCHOOLS OF CITY ON OFFICIAL TOUR

"Fire drills and other regulations to prevent disaster in case of a fire in one of the Clarendon school buildings have been well planned and worked out," declared Miss Olga Juniger, special inspector from the office of the State Fire Insurance Commissioner at Austin, following a tour of the city's schools Monday.

Miss Juniger was carried to the Junior College, High School and Ward schools by City Commissioner Harry G. Brumley. Supt. H. T. Burton, Dean W. A. Clark, Jr., and Principal R. E. Drennan, heads of the various units, met Miss Juniger and showed her the preparations that have been made and drills that are practiced to prevent disaster in case of a fire.

"We are proud of the report Miss Juniger gave following her visit," said City Commissioner Harry G. Brumley. "Her okeh means we have a good system."

### LET 'EM STAND OUT IN A DUST STORM SUGGESTED

DALHART MAN WRITES BRASWELL REGARDING ROAD WORK

That the resolution passed by the citizens group meeting on Tuesday afternoon of last week in this city which was sent to Miss Marie Dresden at Austin provoked a lot of attention is attested in a letter received Monday by Sam M. Braswell from Business Manager A. C. Johnson of the Dalhart public school system.

The letter follows in full: Dear Mr. Braswell: Most hearty congratulations on the telegram sent from Clarendon to her Royal Highness (?), Lady Dresden, relief administrator, Austin, concerning the emergency road program for the drought area.

Ever since last August I have been advocating a Federal Coordinator for this program in order to get it out of these rotten politics. If the conferences now in progress fail again, why not get together and work through our Senators and Congressmen at Washington for an entirely "new deal" on the matter? We'll be glad to do anything we can during several of the terrific dust storms that we have had, I have fervently wished that I could have had Harry Hopkins, Lawrence Westbrook and Lady Dresden staked out for two or three hours in one of our many wind-swept fields. I feel reasonably sure that such an ordeal might give them a faint conception of what our people have endured for the past two years and we might then get some action.

Following a bad dust storm yesterday afternoon, we received about one-quarter of an inch of welcome rain; blown in from surrounding fields. With sincere personal regards and best wishes, I am Yours very truly, A. C. Johnson

T. D. Hobart of Pampa attended to business matters here Tuesday.

### Sheriff Pierce Given Machine Gun By Court

Sheriff Guy Pierce will now be ready to meet Clyde Barrow or John Dillinger, he says, just as soon as a new machine gun, ordered by the county commissioners last Friday, gets here.

Sheriff Pierce secured 500 signatures on four petitions that were circulated over the county, asking the court to buy him one of the bandit slaying weapons. The sheriff handled one petition here and in Hedley, Elzie Gregg handled one at Ashtola, J. Bynum one at Lelia Lake and C. E. Johnson one at Giles.

"A salesman of machine guns was here last Friday and demonstrated one to us, so the court ordered purchase of one," Sheriff Pierce told the News. While the sheriff probably will not use the machine gun for some weeks, months or possibly years, it will be a protection for the citizens of Donley county.

### Methodist And Baptist Lead In First Week

Club	Won	Lost	Pct.
Methodist	2	0	1000
Baptist No. 7	1	0	1000
Presbyterian	1	1	500
Christian	1	1	500
Baptist No. 6	0	1	000
Legion	0	2	000
Highway	0	0	000

Baseball fans started the week off by attending the game Monday afternoon. A good snappy game was played by the Presbyterian and Legion teams. The Pres., team was in good form and started in the first inning to show the other boys that they were out to win. The Legion team was slow getting started and fought a hard battle from start to finish. The summary of game. Presbyterians 15 runs, 21 hits. Legion, 7 runs, 12 hits.

Tuesday afternoon the Baptist No. 7 and Christian Teams crossed bats and played a good game. The Christian lads made five runs in the first inning but in the second the Baptist boys caught up with trem and from then on they continued to gain and won the game. Summary: Baptist 23 runs 32 hits; Christians 8 runs and 17 hits.

The game Wednesday afternoon proved to be the most exciting and best game of the week. The Methodist took the Legion on for their second win in the series. The legion boys were in fine shape and gave the M. E. Team a run for their money. The scores were tied several times during the game and it was any body's game until the last innings. Summary: Methodist 12 runs and 17 hits; Legion 10 runs, 13 hits.

### HEDLEY MAN FINED \$50 FOR ATTEMPT TO KISS WOMAN

Maken Fowler, Hedley resident, was fined \$50 and costs in county court here Wednesday morning on a charge of aggravated assault tried before County Judge Sam Lowe.

Fowler, unable to pay his fine at the time, was remanded to jail.

It is alleged the defendant went into the apartment of a neighbor and, after using the telephone, hugged and attempted to kiss the wife of his neighbor in the case.

County Attorney R. Y. King signed the complaint and prosecuted the case. Mrs. Robert Cooke and children left Tuesday for Amarillo where they will make their home. Mr. Cooke has secured a position with the Troy Laundry.

### City Dads Will Remit Penalties On Back Taxes

What is considered a wise move and sure to meet the approval of the citizens of the city was the determination of the city council to remit all interest and penalties on all taxes paid on or before July 15th, 1934.

City Finance Commissioner Tom F. Connally made announcement yesterday.

"We do not want to be unduly persistent but we want to assist all delinquents in meeting their past due taxes," he says. "In order to assist you and to enable the City to meet her obligations, we are going to remit all interest and penalties on all taxes paid on or before July 15th.

"If you can't pay in full, will accept partial payments."

Mr. Connally, in discussion, says the amount of delinquent taxes now approximates \$49,000, of which he leaves tax-payers will be under the above arrangement to pay in between \$15,000 and \$20,000 during the next year.

"We have obligations due which must be met. We believe by making many of our citizens help us out at this added."

### Band Concert At Theatre Here At 4 O'clock Sunday

Music week will be featured in Clarendon by the public appearance of Clarendon's municipal band in a free concert next Sunday afternoon at 4:00 o'clock at the Pastime Theatre, according to announcement today by Manager Homer Mulkey of the Pastime Theatre.

"This is the only place we could get for the concert," says Mr. Mulkey. "We believe the people of Clarendon appreciate their band and for that reason I have offered them use of my theatre without cost for this concert."

The public is cordially invited to attend.

The program includes special numbers by the following members: Billie Walker, J. R. Cox, Drew Wilkerson, Hubert Reavis, Bob Boston, Jack Stephenson and Annie Ruth Johnson, with Mrs. Wilkerson and Delphia Bones at the piano.

Numbers include: march, "Men of Ohio" by Filman; overture, "Gala Night" by Chenete; novellette "Kitten Kopers" by McKenney; musical comedy, "Ching Bing Boom" by White; "Trombone Blues" by Jewell, and march "Branura" by Duple.

### ROAD RELIEF PROJECTS MAY BE STARTED NOW

ADDITIONAL GRANT OF \$750,000 BY WASHINGTON TO MEET NEED

An additional \$750,000 was approved in Washington Monday for the emergency road program in the Panhandle and hurricanes swept Rio Grande Valley section of Texas, according to wire reports.

The story, as carried by the Amarillo News Tuesday, says relief work on the Panhandle highways may be started by the end of this week.

"The last obstacle in the emergency road program appeared to have been hurdled today when state relief headquarters received notice from Washington of a \$750,000 special relief grant," reads the article.

"This additional grant, proved by Harry L. H. federal relief administrator for the purchase of materials for the hurricane-swept Rio Grande Valley."

## TIMELY ADVICE FOR HOT WEATHER

There is no use in voters getting "all het up" over political differences. Let's us common voters go right on supporting the candidates whom we think will best serve, and leave the quarreling and bickering to the politicians. That's the way they make their living. Don't lose a good friend or neighbor over political differences. Vote and "let vote" as conscience may dictate.—State Line Tribune.

## SHAMROCK GOES DAILY

Our neighbor and contemporary, the Shamrock Texan, is getting well into the swing of a husky afternoon daily in that hustling border city to the East.

We wish Albert Cooper and his staff lots of success in this New Deal year and we expect substantial support from the city of Shamrock to this metropolitan effort.

## McLEAN EDITOR SPEAKS TRULY

One can buy printing from peddlers, as you can goods in most any line, but you take the risk of getting something you do not want and you are contributing to pay-rolls in other cities that do McLean no good. Regardless of whether you buy printing or groceries, buying in McLean contributes to the growth of your community while buying of peddlers contributes only to the growth of competing communities.—McLean News.

## WISDOM FROM EXPERIENCE, EH?

The menu in Texas from now on will consist of various of Governor's political hash, with just a change then in the seasoning, in order to make it appeal general public. It's all the same stuff only seasoned.—Miami Chief.

## THIS DAILY OFF WITH A BANG

The history of Texas is linked with the names of heroes and martyrs whose deeds of valor the world delights to honor.

What a small bit of rented cotton land can do toward living at home was illustrated last season by Mrs. J. H. Hitchcock, Laneview, Ellis County. From 25 cents' worth of pinto beans 9 bushels were gathered and 118 quarts of snap beans canned.

W. J. Caley, Brooks county dairyman, is in favor of the proposed dairy reduction program of the AAA but his cows have different notions. In two weeks in March they dropped 8 heifer calves.

## 4,729 MILES ON A TOTAL OF FIVE QUARTS OF OIL!

Here is the winner! —the car that covered 4,729 miles at fifty miles an hour, lubricated with New and Improved Conoco Germ Processed Motor Oil.

THE "HIDDEN QUART" PRINCIPLE OF PENETRATIVE LUBRICATION PROVES GREATLY SUPERIOR IN COMPETITION WITH FIVE NATIONALLY KNOWN MOTOR OILS!

CONOCO has a New and Improved Germ Processed Motor Oil. Its many advantages were so evident to us, that we arranged with the Contest Board, American Automobile Association, to test five other widely advertised and nationally known motor oils along with Conoco's new and improved oil in a daring "Destruction Test." By letting the results speak for themselves, we are able to present to America's motoring public for the first time proved facts of superiority, not empty claims.

These six oils, with a single fill of five quarts, with no more oil added in six strictly new stock cars, were driven until the motor in each car was destroyed from lack of lubrication. Here are the results: the first oil failed at only 1713.2 miles; others failed in rapid succession. The best of the competing oils went only 3318.8 miles . . . while New and Improved Conoco Germ Processed Oil completed 4729 miles . . . more than 3000 miles farther than the first oil to fail . . . and more than 1400 miles farther than the second best oil! The "Hidden Quart" had proved superior again!

Conoco wrecked these motors to show you which oil has the lowest consumption and true economy. Drive into a Red Triangle Station, drain and fill with this new and improved oil. Whether your car is new or old, you need this extra margin of economy and safety.

**Warning TO NEW CAR OWNERS**  
Some car manufacturers are using new types of bearings which will stand greater pressures and temperatures, resulting from increased power and speed. New and Improved Conoco Germ Processed Motor Oil has been exhaustively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market. Protect your new car by using the motor oil you can be sure of.

**WHITEFISH**  
 (By Vida D. Byerly)

A large part of the community attended the Singing Convention held at the Eldridge District school Sunday, April 29. The convention is an organization consisting of Alanreed, Eldridge and Whitefish. The meeting at Eldridge was a regular meeting with the exception that Eldridge was entertaining out of town since their meeting was ruined by a severe sandstorm on the preceding 5th. Sunday.

The singing was well attended by each community member and by numbers of visitors from other communities.

Whitefish's part of the program was as follows:

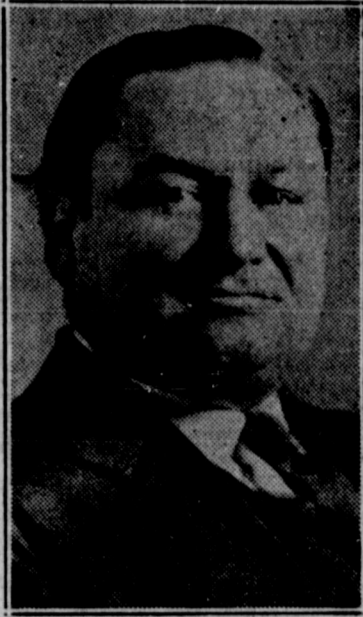

"Let a Little Sunshine In"—Lula May Dunkle, Pearlina Sprouse, Lorenzo and Odell Sparkman.

"I Want To Be a Sunbeam"—Roxie Ruth Thomas, Ann Ward, Bobby Crisp and Joan Sparkman.

The above were rendered by school children. There were a number of other mixed quartets and several duets. One duet which received a very popular encore was rendered by Mesdames Marvin Hall and Gordon Thomas. Another popular number was given by Mesdames Valdee Brown and Marvin Hall.

Those attending from here were Valdee Brown and family, Euloe Crisp and family, Loinel Ward and family, Frank Crisp and family, Mr. and Mrs. Alvin Long, Mr. D. W. Turner and niece Lorene Turner and Pearlina Sprouse, Mrs. A. H. ## Music Program Pleases Lions Tuesday Noon

Popular and classic music was the order of entertainment on the regular Tuesday noon program of the Clarendon Lions Club at the Anpro Hotel this week, when Mrs. Pauline Pierce Lamb of California, and Mesdames G. Lester Boykin and Ralph Kerbow furnished the program. Mrs. Lamb, formerly of Clarendon was the guest of her brother, Sheriff Guy Pierce, and rendered two popular piano numbers to the delight of the club members.

Mrs. Boykin gave a series of violin numbers accompanied by Mrs. Kerbow which included popular and classic renditions. Mrs. Boykin is always a popular entertainer in Clarendon and is a favorite of the Lions Club.

Visitors of the day were Sam Householder of Byers, Texas, and a members of the Byers Lions Club. Introduced by his host G. G. Kemp, Lion Householder said that his appreciation of the work of Lions Clubs was very high since the churches and the Lions Club were about all that had actually survived the depression in his section of Texas.

George Carter, recent citizen of Clarendon from Memphis, and connected with Thompson Bros. Co., was introduced as a guest of Dr. A. W. Hicks, and expressed himself as pleased to be in Clarendon and indicated a desire to belong to the Lions Club.

Brief reports on recent trips by Lions Porter and Braswell were heard, and by vote of the club a challenge is to be issued to the B. P. W. Club for a baseball game in the near future. Lion Ralph Andis was named to arrange the game. A large attendance was present.

## Relief Work Is Resumed In City; No Cash Payroll

After more than a month's "lay-off" relief work was again resumed in Donley County last Friday. The majority of the projects that are being worked at this time are improvements on county roads. The new program is not a work program but strictly relief, and only those persons who are relief subjects and are able to work will be employed. The work is replacing the direct relief that has been given during the month of unemployment, and it is contemplated that payment will be made in kind only for the time being. No cash will be available for payroll at this time. Direct relief will continue as in the past for those who are needy and are unable to work.

## NOTICE DELINQUENT TAX PAYER

The City of Clarendon has some obligation falling due in the near future. We do not want to be unduly persistent but we want to assist all delinquents in meeting their past due taxes. In order to assist you, and to enable the City to meet her obligations, we are going to remit all interest and penalties on all taxes paid on or before July 15th, 1934. If you can't pay in full we will accept partial payments. The City Commission. 3tc.

## NATIONAL COTTON WEEK AT TECH COLLEGE

Lubbock, Texas, May 10.—National Cotton Week will be celebrated at Texas Technological College with a second annual Cotton Carnival sponsored by the Tech textile department in the Lubbock High School auditorium May 11 at 8 o'clock.

"The show is free and everyone is invited," Prof. M. E. Heard, director, stated. "There will be a style show made up of representatives of downtown stores and campus clubs in which all of the clothes worn will be made of cotton. This is not a contest, but is to be put on merely in keeping with the National Cotton Week."

Miss Lucille McCrummen of Lubbock, president of the Tech Forum, will be Carnival Queen, reigning with King Knox of Roby, a member of Phi Psi, honorary textile fraternity.

Tornado and Hail Season is here—see J. T. Patman for Insurance 19-2tc.

### Science says Today use a LIQUID Laxative

If you want to GET RID of Constipation worries—

The unwise use of harsh laxatives may drain the system, weaken the bowel muscles, and in some cases even affect the liver and kidneys. A doctor will tell you that the wrong choice of laxatives often does more harm than good. Fortunately, the public is fast returning to the use of laxatives in liquid form. A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to take "a double dose" a day or two later. In buying any laxative, always read the label. Not the claims, but the contents. If it contains one doubtful drug, don't take it. Dr. Caldwell's Syrup Pepsin is a prescriptional preparation in which there are no mineral drugs. Its ingredients are on the label. By using it, you avoid danger of bowel strain. You can keep the bowels regular and comfortable.

#### The liquid test:

This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics: First: select a good liquid laxative. Second: take the dose you find is suited to your system. Third: gradually reduce the dose until bowels are moving regularly without any need of stimulation. Dr. Caldwell's Syrup Pepsin has the highest standing among liquid laxatives, and is the one generally used. It contains senna, a natural laxative which is perfectly safe for the youngest child. Your druggist has Dr. Caldwell's Syrup Pepsin.

# SOCIETY

LORRAINE PATRICK, Editor

## Mrs. J. T. Patman Is Hostess

The 1912 Needle Club was delightfully entertained Thursday afternoon at the home of Mrs. J. T. Patman.

Bouquets of spring flowers adorned the entertaining rooms where the guests gathered for a most enjoyable afternoon of needle work and pleasant conversation.

Dainty refreshments were served in the late afternoon to Mrs. George Ryan, Mrs. T. H. Ellis, and Mrs. W. H. Price of Pleasanton, Kansas, guests.

Mrs. J. B. Baird, Mrs. Anna Hall, Mrs. B. L. Jenkins, Mrs. Sella Gentry, Mrs. A. A. Mayes, Mrs. A. L. Chase, Mrs. R. A. Chamberlain and Mrs. C. W. Taylor, members.

## 1926 Book Club

Samuel Jesse Warshawsky's Novel "Heart Compelled" was reviewed by Edna Boykin at the regular meeting of the Book Club, Tuesday afternoon, May 1st, at the home of Mildred Martin.

The leader of the program, Myrtle Ingram, gave the author's life.

Mary Thornberry, club delegate to the recent convention, gave her report, which was very interesting and instructive.

Following the program, the hostesses, Mildred Martin and Edith Ballew served.

## '22 Bridge Club Entertained

Among the many enjoyable social events of the past week was the entertaining of the 1922 Bridge Club on Tuesday afternoon, May 1st, by Mrs. L. L. Swan.

In the games of auction bridge which formed the entertainment for the afternoon, high score awards went to Mrs. T. H. Ellis and Mrs. R. A. Chamberlain and consolation cut to Mrs. Stella Gentry.

After the games, a delectable two course luncheon was served at the dining room table to Mrs. John Sims, Sr., Mrs. Odos Caraway, Mrs. W. H. Cooke, Mrs. T. H. Ellis, Mrs. Sella Gentry, Mrs. A. R. Letts, Mrs. C. H. Bugbee, and Mrs. R. A. Chamberlain.

## Birthday Party

Little Mary Alice Allison celebrated her seventh birthday Sunday afternoon at the home of her grand-parents, Mr. and Mrs. J. R. Martin. She invited her friends in and games were played. Ice cream and cake were served. All reported a good time.

## GUY WRIGHT HAS NO TIME NOW FOR SUB-MACHINE GUN

Page Demosthenes! So says Deputy Sheriff Ghy Wright!

"He's got real lungs," declares the proud father. "He won't need any practice by the seashore to make a public speaker."

Yes, sir, a new 8 1/4 pound, bouncing, healthy youngster made his appearance at the home of Mr. and Mrs. Guy Wright Tuesday morning.

Yes, it is, the first heir to the throne!

"No, I haven't named him as yet," declared the Daddy. "Haven't had that much time off, yet."

No wonder Sheriff Pierce has had to double up on his end of the job looking after the duties of the Sheriff's department this week.

Sub-machine guns are a minor subject, worthy of little attention, if any, in the Guy Wright home this week.

Congratulations!

Mrs. Dewey Heath and sons, Dewey Tom and Jackie returned Tuesday from Amarillo where they had been visiting Mrs. Heath's mother, Mrs. Georgia Ferlet since Friday.

For Automobile Insurance, see J. T. Patman. 19-2tc.

## Changes In News Force This Week

Several changes are being made this week in the News Staff. Eli Perkins of Amherst is replacing Roy Trimble, linotype operator for the News the past three years. Mr. Trimble is now connected with the Memphis Democrat at Memphis, Texas.

Morris Beavers, who has been with the News for the past eighteen months, will leave tomorrow for Plainview, where he will be connected with his brother, Milton, on the Community Weekly. Rhea Myrick of Greenville will arrive this weekend to take Mr. Beavers place.

While we welcome these new men, we regret to lose both Mr. Beavers and Mr. Trimble, and we wish them every success in their new environment.

## STAMP COLLECTORS WILL GRAB THIS ONE

Postmaster Bugbee was all smiles Monday morning.

He had just received one of the most unusual shipments of stamps ever seen in Clarendon.

In fact, they are the first stamps of this kind ever printed in the U. S. A.

The shipment contained exactly 5000 "Mothers' Day" stamps, which is a reproduction of Whistler's famous painting, "Portrait of My Mother."

Underneath the picture are the words:

"In Memory and in Honor of the Mothers of America"

The new stamps were placed on sale here yesterday. They are in 3-cent denominations only.

"It is urged that children use these to write their mothers a special letter for Mother's Day," said Postmaster Bugbee.

Stamp collectors will want to save several dozen of the new stamps as this is the only 1934 issue which will be received here.

## Ashtola High School News

### Las Piratas

Hoorah! We, the jolly group of Las Piratas are off for a two days trip to the Harding Ranch. We expect to have a grand time, because as you all know, we Piratas, have a good time wherever we go. But, will tell you no more until we return.

We the wise, witty, little creatures, are hoping someday to gain fame and fortune in this old world. Although other may follow, we are striving to reach the goal.

There is no greater love that will exist for our brother Piratas than for their sisters Las Piratas.

From the day we first entered the doors of old Ashtola High school, never did we dream we would be drawn so closely as to become sisters and brothers. All this credit we owe to Mr. and Mrs. Sid B. Thomas, the sweetest and best teachers in the world. Although our hearts are sadly broken of the parting of Mr. Thomas next year, from Ashtola. But we will strive to carry on with our organizations. But

no matter how sad it may be, we must carry on, with a cheerful smile, because the memory of two happy years spent together with Mr. Thomas, Piratas and Piratas.

## The Log Of A Pirate

The Ashtola Pirate baseball team is slowly improving. After dropping two games to Goldston, we took two straight games; one from Hedley and one from Goodnight. In the Hedley game, "although the infield made many errors, Gregg kept the game well in control, allowing only five scattered hits, and striking out eleven batters.

The score was Ashtola 17 and Hedley 9.

Monday afternoon in the game with Goodnight, Gregg again pitched superb baseball allowing but only three hits in six innings. In the seventh with the score Ashtola 15, Goodnight 1, a series of pinch hitters were rushed into the game and succeeded in running three scores before Hatley struck out the last batter. The infield exhibited a much better brand of ball than in any other game this season.

The final score was Ashtola 15 and Goodnight 4.

Friday night at the school auditorium, the senior class will present the play, "The Wild Oats Boy," by Lillian Mortimer. A comedy-drama in three acts. Eddie, the "Wild Oats Boy," may acquire a fortune of \$50,000 by complying with the conditions of his uncle's freak will, and being in bed every night for three months at 8:00 o'clock. For a night-bird like Eddie, that is some chore, especially when the bed is placed in the living room.

His scheming relatives, who will benefit by the will if he fails, tries to thwart him, but he finally out-wits them all, and wins back his sweetheart, Judy. A hick widow, and her son Trout, an old farmer; and an Irish female impersonation, keeps the audience in a roar.

There will be no admission.

Sunday, April 21, the entire crew who is planning to go to Canyon to school next year, with the ex-captain of T. C. Isham, met at the home of Mr. and Mrs. Thomas and discussed plans for the following year. These officers were elected: Harry Hartzog, great captain; C. R. Cross, captain; Willard Cook, sea hank; Tendol Bregg, bookkeeper. The boys are all very enthusiastic over the prospects, and are planning for a most enjoyable, as well as a profitable year.

## Postpone Rally at Jericho

A political rally, scheduled for Friday night at Jericho, has been postponed to a later date, owing to conflicting dates with other communities.

Principal Bob Weatherly of Jericho had planned a rally but found out, when in town Saturday, there are at least two others already scheduled for the same date.

Misses Jet Downing and Katherine Douglass of Amarillo were Sunday guests of Mrs. Mollie Gray and Mrs. C. G. Stricklin.

and Planning," offered the first term. Prof. O. A. St. Clair, head of the engineering drawing department, will be in charge of "Mechanical Drawing for Teachers of Advanced Students," "History and Principles of Vocational Education," and "Production Planning and Control," all of which will be offered the first term.

Those are "General Woodwork," "Sheet Metal Work," and "Advanced Foundry Practice." They are to be offered the first term. "Hand Weaving from Fiber to Fabric" and "Cotton Grading and Stapling" are two new courses offered in textile engineering, taught by Prof. M. E. Hoard the first six weeks. A course in electrical engineering offered in the long session but in summer school before, "Elements of Electrical Engineering,"

will be taught both of the summer periods. Professors C. V. Bullen and W. F. Helwig are in charge.

Mrs. Mollie Gray and Mrs. W. H. Patrick were Amarillo visitors Saturday.

Miss Elgin Patrick is spending this week as a guest of Mr. and Mrs. Tom Bugbee at their ranch near Goodnight.

The students of Clarendon High and Clarendon Junior College wish to thank the Clarendon News and the editor Mr. Braswell, for giving us a page in the paper for our school news.

**EDITORIAL**

This year, we started school in the same spirit of enthusiasm that was characteristic of the nation at that time. We did not expect this enthusiasm to last; it was temporary, at the first of last September. The last of May, however, we find that this enthusiasm has not lost its ardor, but has grown.

This year we have had more activities within the school than ever before. Varied activities and an understanding between the students and the instructors have made this one of the most successful years of our school career.

Through our school news, we have tried to reflect that enthusiasm. Whether we have been successful, we will leave that to our readers to decide. Regardless of the success we have made of this enterprise, we have endeavored to put only that which would interest our readers yet give them accurate reports of all our school activities on our page. Perhaps, we have bored you at times with our many examinations, our personal comments upon various students, our editorials, or our weekly class reports, but looking back over all we have had in the paper this year, we hope that each reader has found at least one article to interest or amuse him. In this last issue of the school paper for this year, the students join with me in expressing our thanks to our readers for interest they have shown in our school by reading our school paper.

And, I thank the readers who have been the stimulation publishing our page. I must also thank those who have made our page possible, the staff. Each member of the staff, it seems, has put forth every effort to help make our page a success. Through cooperation upon the part of our staff, of the Assistant-editor, and Miss Ineva Headrick, our sponsor, my year's work with the paper has been quite enjoyable.

(By the Inquiring Reporter)

Things I can't do without—clean socks; "Boulevard of Broken Dreams," at least once a day; one of Kathy Erush's books, once a month; a new word in my vocabulary once a day; striped ties; and spinach. These are bare necessities, but they are really necessities.

What, with finals coming on, I bet you could count the studies in town on school nites on the fingers of one hand.  
Ironic Ads, "Donley County Burial Club—Shines 10c—I was under the impression they covered up your feet when you headed for the last roundup.

Catastrophes—Failure of our showman to get the new musical opus, "Moulin Rouge." Failure of C. B. Jackson to interpret even a hay ride into an orderly row of assets and liabilities. Mr. Burton to lose the trout fly of his watch chain, or Miss Headrick to forget one English theme a year.

**"Music In Nature" Program Presented**  
Mrs. Powell presented her pupils in a recital, Tuesday night, May 8, at the College Auditorium. The program was based on the theme, "Music in Nature," and as nearly as possible, all the selections included on the program were suggestive of some phase of nature.  
There was a short interlude during the piano program, when Dorothy Kerbow, pupil of Mrs. Boykin, was accompanied by her mother, Mrs. H. R. Kerbow in a violin solo.  
The closing number was a chorus, including all of Mrs. Powell's pupils and several others, whom she wishes to thank for their assistance.  
At the end of the program, Mrs. Powell presented the two awards toward which all of her pupils had been working. The award for the younger pupils was based on the number of hours the pupil had practiced during the last two months. This award was given to June McMurry, who had practiced eighty-three hours during this period. The second award, for older pupils, was given to the one who had the most pieces to memory. This award was given to Delphia Bones, who had memorized six selections during the year.  
"We're Not Dressing," in which the lad with the trombone voice sings, "Goodnight Lovely Little Lady," is my prediction of a box office hit.  
The sending out of the formal duns, Graduation Announcements to you, will open a gala social season for the younger social elect, featuring, danceparties, receptions and gabfests.  
Walt Winchell's Calyum in the Wichita Record holds an all time high for popularity and it is a well observed popularity, if I may say so.

**Clarendon Band To Observe Music Week**

The Clarendon High School band's contribution to the observance of music week will be a concert to be given Sunday, May 13th, at four o'clock p. m., in the Pastime Theatre. There will be no charge and the public is invited to attend.  
Specialty number for the program will include a cornet duet by the old maestro, a clarinet solo by Hubert Reavis, a trumpet solo by Bill Walker, and a trombone solo by Drew Wilkerson. Other specialty numbers are being arranged.  
The band will feature two overtures, "Gala Night" and "China Bing Boom." The latter is a mythical musical comedy, a new class of music which appeared only a short time ago. A march, "Bravura," a sid-horn specialty, "Trombone Blues," and a novelty, "Kitten Kapers," will complete the program.

**La Salamanca**

A few of the Spanish students of the Clarendon High had the honor of presenting a program for the Palo Duro Literary Society on Friday night, May 3. There were different types of costumes that represented Spanish people, Spanish dancers, caballeros, the gaucho, the flower girl, and catholic sisters, the fortune teller, and the little street urchins. A number of songs were sung to represent the different kinds of Spanish music.

**SOUTH WARD STUDENTS WIN ART CLUB AWARDS**

In the South Ward, three prizes were awarded Monday by the Junior Les Beaux Arts Club to the students in the first, second, and third grades doing the best work since Christmas. The Club which awarded the prizes of fifty cents each felt that this would be an incentive to encourage the children in their study of art.  
In the first grade, B. L. Jones won first place and the prize of fifty cents. B. L.' work of art was a poster of a hen and chickens. He was awarded the prize upon his proportion, balance, and spacing. The second and third places were given to Ruby Nell Whitsett.  
In the second grade, Claude Hearn won the first award upon a crayon sketch of a woodpecker. The judges chose this piece of work because of his distinctive colors and careful replica of the bird. Chester Talley and Troy Moffett were awarded honorable mention.  
Ruby Barnard won the contest for the third grade upon a book of spring. Ruby's printing was especially neat and her drawings were to be commended for a third grade pupil. And Reba Honeycutt and C. P. Kirklander received honorable mention for this grade.  
The judges from the Junior Les Beaux Arts Club were Jean Bourland, Dorothy Jo Taylor, Garroll Holder and Joella Stewart.

The fact that Texas now owns a magnificent granite capitol which takes rank among the finest public buildings in the world is due to the exertions of Governor John Ireland.

**C. J. C. Man Sets New Track Record**

For the first time in its history, Clarendon Junior College has gained distinction through one of its students in a track event.

Mr. Hubert Reavis, star high school track man last year, has received laurels at the State Junior College Track Meet at Houston.  
Reeves of Schriener was high point man with a score of thirteen and one-half points. Although Clarendon did not place as a college, she claims the distinction of having a student who broke the state record in low hurdles. Hubert set the state record time at 24.8 seconds. At this event, there were five other records broken. Hubert also placed first in the high hurdles.

**Junior High Report**

The eight grade enjoyed a very splendid afternoon at Troublesome Canyon Thursday. We all came back safe and sound except for a few who fell in the water.

The valedictorian for the graduation class of '34 will be Jeanne McDonald. The salutatorian will be William Sullivan. Earl Eudy came very close to being salutatorian but his average lacked just a fraction of being high enough.

Thursday night the egraduation class met at the Methodist Church to practice for the Baccalaureate sermon. These will be given Sunday and we want every one to be there.

Teachers are rather nice, after all, the students have decided at last of school; so a group of students, not all of whom are from the graduating class, have chosen their favorite teacher and have written an appreciation of him.

**MR. BURTON**

The students of Clarendon High see a very familiar face on the campus daily. The mouth, of this notable person is continually wreathed in smiles, and no matter how friendly our greeting seems at first, it always sounds dull and unhappy after his own voice rings out so pleasantly. Perhaps, after all, it is true that plumpness causes jolliness.

On the other hand, our friend, for such he is, is always capable and willing to smooth out our troubles and leave us at ease. A talk with him in his office may mean fewer gray hairs caused from our perfectly dreadful worries. We often hear teachers say that they hate to fail us as badly as we hate to fail. Though we have often doubted this, a person has at last been found in our own city, who, without saying a word, almost draws our sympathy for him because of our own failures.

Then students consider carefully the many ways this person has helped you; you seniors, some of whom are graduated only through his special efforts; you coming sophomores who will learn to love him soon; and all others whose privilege it has been to know him give a cheer for the very best superintendent living, H. T. Burton!

**MR. ALLISON**

Although this is Mr. Allison's first year to teach in our school and an out-of-town visitor might take him for one of our fellow classmates, we students feel that there is not a more likeable

teacher in Senior High. As he answers the numerous questions originated by the pupils in the Advanced Arithmetic class, there seems to be almost no end to his patience. We, the members of the student body, wish to express our sincere appreciation for the help which he has given us during the school year of 1933-34.

**MISS HOWREN**

Since every student in school appreciates due consideration in class, it is with grateful words that we express our appreciation of Miss Howren. Although sometimes we really could not see a thing in the troublesome geometry problems, we acted as if we thoroughly understood each step and reason because we hated to disappoint our teacher after all her strenuous exertion

to explain each detail of a theory. Her exams, we truly admit, are most reasonable of all the teachers. She picks out easy problems and always has an optional which appeals to every pupil in school. Why, oh why, couldn't every teacher be as considerate of the victims at exam time as is Miss Howren. With due respect we also appreciate the time which she allows us to prepare the following day's lesson. Now, as we, the Seniors, enter new trends of life, we shall always remember Miss Howren as a kind, considerate, and influential teacher.

**MISS HEADRICK**

We of the Senior Class wish to express our sincere gratitude to Miss Ineva Headrick, our

(Continued From Page Six)

English teacher, for her superb and tireless efforts in instructing us. Our respect for Miss Headrick is due not only to her matchless ability as a teacher of grammar, composition, and literature, but to her personality. Miss Headrick possesses the right proportions of sincerity, humor, and intellect to differentiate her from ordinary persons.

**MR. JACKSON**

This school year has been a happy one as well as a beneficial one for the typing and shorthand students, due to Mr. Jackson's willing help and instruction in every phase of the commercial courses. His patience, cheerfulness, and willingness have been so great that they have almost spoiled some of his pupils, but it has endeared him to all of them.

**MR. CLARK**

With the close of this term Clarendon Junior is losing one of its greatest assets, Mr. W. A. Clark, Jr.

Mr. Clark has been Dean of C. J. C. for five years and during this time he has done more to make C. J. C. a better college than any other person. He has built up the Chemistry department and Education courses. Only last year he secured the affiliation of the Biology Course.

In general Mr. Clark has put C. J. C. on a high standard recognized by all Senior Colleges.

We all feel deeply grateful to him and wish him all the success in the world in his new position.

**MR. STOCKING**

Of all of the teachers in our dear old high school who have given exams, Mr. Stocking is the most famed for his exams in the fourth year history. He teaches strictly by the Stocking method; you can take it or leave it, but most people like it. Even though many of us were unable to grasp the meaning of so many tests, we all agree that they were not so bad after all. He has worked untiringly when most of us would have been disgusted with everyone and everything.

Speaking for the Senior Class I should like to express our appreciation for the consideration shown us by one of our most beloved teachers, Mr. Stocking.

**MISS THORNTON**

All this year the third year English students have suffered the torture of trying to learn grammar rules and writing themes, but had it not been for the sunny smiles of our teacher and her eagerness to help, many Juniors and Sophomores might not have survived.

Our attachment to Miss Thornton first resulted from our admiration of her personal appearance, but our acquaintance was yet young when we learned to appreciate her ability as a teacher. Miss Thornton's unbiased opinions, her ability as a teacher of English, and her pleasing personality have endeared to the student body.

**MISS HARRIS**

Shall we Seniors ever forget dear Miss Harris? No, never! If you haven't taken Latin, you do not know what you have missed. It is like a picnic every day. You cannot sleep in history class, but after all we should

not. It is best to look a little interested in the discussion, if you do not want to be called upon. But you do not have to be in Miss Harris' classes to feel her influence or receive her advice. Here's to the Temple of Knowledge, Truth and Love.

**MISS ROACH**

This year Miss Eloise Roach's first year in our school, but it suffices to say that in that length of time each of her pupils has become as thoroughly attached to their older teachers.

Miss Roach's ability to teach deserves only one comment; she always knows what she is doing. Her enthusiasm, her good-nature, and her pleasant smile and "Bonjour" and "Buenas Tardes" have contributed to making each day more pleasant for the students. Her ability to speak seven different languages fluently is only one of her many accomplishments.

As sponsor of the Palo Duro Society, she has proved a truly good sport; willing to bear with the members in their taciturn moods and pat them on their backs in their good fortune.

The school really gained something when Miss Roach accepted the position as head of the language department.

**KICUWA REPORT**

The Kicuwa troop had their regular meeting in their room last Wednesday. The meeting was called to order by the President. The cook books were discussed and each member told the number she had sold. We think everyone should have one of these books, as they have very good recipes in them.

The Palo Duro Society has asked the troop if they would like to help in entertaining the children at Story Hour this summer. The girls are thinking of doing this, because it will help them in taking their Torch Bearers Rank.

**Junior Report**

School days are almost a thing of the past, and will be for only three months, after which date the Juniors will be Seniors and the Seniors will be people of the world. Everyone is anxious for school to be out, but there will be a great deal of cramming from Thursday night until about the next Thursday night. Poor Juniors!

**PALO DURO**

The last regular meeting of the Palo Duro Literary Society was held on Wednesday, May 2, when the members were delightfully entertained by the member of the Spanish classes.

Ardis Patman as leader of the program gave an interesting talk on The Independence of Spain as an introduction to the program. This was followed by La Marcha Real, the National Hymn of Spain, which was sung by the Spanish II class. The Geography and Government of Spain was briefly discussed by Miss Eloise Roach. The leader then gave a summary of Spanish Art using Murrillo and Velazquez as representative of the old masters and Zuloaga as typical of contemporary artists. The well-known La Maloma was played by Nick Stewart on the harmonica and was greatly enjoyed by his listeners. Follow-

ing a discussion by the leader of countries that are the children of Spain, the Spanish II and III classes sang the Mexican Love Song, Cielito Luido, and the Spanish II class sang El Quelele, a Mexican folk song whose story was told by Virginia Cluck. Miss Willie Kennedy told of Spanish Life and Types in an interesting manner, illustrating the following types by members of the Spanish classes in costumes — senorita, caballero, flower girl, Argentinian cowboy, street urchin, waif, and nun.

A balcony scene was enacted by Nell Cook and Mary Lois Hayter—the former taking the part of the esenorita and the latter that of the caballero who sang a Cuban love song, Palomita Blanca by Ernesto Lecuona. The program was concluded by a talk on Spanish Music by Eloise Hill, who, with the aid of their Spanish classes, illustrated the various types of songs. Choral singing was illustrated by La Escuela, a song which is sung in the girl's schools of Spain; Serenata de Pierrot was sung to illustrate the love song. A folk song of Cuba, Tres Pericos, and one of Extremadura which is a province of Spain Los Pastores, were given as

illustrations of this type. At the close of the program, President McMurtry presented a gift to Miss Roach as a token of the Society's appreciation for her interest in their work during the year.

**SPANISH REPORT**

We, the Spanish III students, certainly wish to express our hearty appreciation for Miss Roach who has so willingly helped us through this year's work. To be sure, Spanish is a difficult course, but it has been made easy by her willingness to answer our simple questions and endure our stubbornness. She has a "grand" habit of continually speaking Spanish to us, and repeating things only once; therefore, we sometimes misconstrue things. At the beginning of school, we thought that we would have to write to the Spanish academy of Grammar and have them make some changes in Spanish sentence structure, pronouncing and spelling of words etc., but have now decided that as long as we have Miss Roach, we will pull through in "grand style."

vett's New Deal forces in Washington, flew to Amarillo last week-end and spent all day Sunday. Dick swears its twenty degrees cooler in there.

The entire town was saddened Monday morning when it was reported the sweet little baby of Mr. and Mrs. Joe Bowns had passed away very suddenly. Many recalled seeing the little lady with her parents Saturday afternoon and how full of life she was at the time. Our sympathy goes to the bereaved parents.

George Stocking, on leave from his college teaching job, while serving with President Roose-

velt's New Deal forces in Washington, flew to Amarillo last week-end and spent all day Sunday. Dick swears its twenty degrees cooler in there.

While there were not so many here last Monday for the Dollar Day bargains put out in many stores, yet most of them had some good business at some period of the day. The fact that Monday marked the opening of the busy season on farms hereabout reduced the crowd that otherwise would have been here. Merchants feel, however, they can lose a little business at this time since the county received such a blessing last week in the nature of the largest rain in three years.

Our hat is off to Lyman Robbins, manager of the Memphis Democrat. He changed over to a daily newspaper with the first issue last Sunday morning. Robbins had 40 pages in that issue—a start that would make any newsman proud of himself. It speaks well for the excellent cooperation given Robbins by Memphis business men. If they continue to support him in his efforts, it will mean much for the neighboring town to the southeast. Best wishes, Lyman. You've got two real operators in the back—Fleet and Roy. They'll do their part.

Mr. and Mrs. Eli Perkins were called to the bedside of Mr. Perkins' father, who is seriously ill at Amherst, on Monday and returned Wednesday morning.
