Rain Worth Many Thousands of Dollars EIGHTH ANNUAL GOLF TOURNEY WILL START HERE SUNDAY MORN

HOT FIGHT LOOMS FOR CHAMPION OF TOURNAMENT

AL COOKE AND IRA MERCHANT DOPED TO WAGE BATTLE FOR HONOR

The eighth annual city golf tournament is scheduled to get under way at Hillcroft Golf Club, near the city, next Sunday, according to announcement yesterday by Carl Parsons.

His statement follows: "You can start Sunday to qualify for the 18 holes. Three days will be allowed for the first round of matches and three more days for the second round matches."

"Finals in all flights will be on Sunday, June 3rd. Meredith P. Gentry is the defending champion. Other champions in former years are: 1927, John Pennell; 1928, Bill Cooke; 1929, Al Cooke; 1930, Ira Merchant; 1931, Ira Merchant; 1932, Al Cooke.

"This tourney will be featured by a hot race between Ira Merchant and Al Cooke to determine which may win the cup for the third time which entitles the winner to permanent possession of same.

"Thirty players will enter the tourney. We will have the Calcutta pool and auction Monday night.

Among the leaders expected in this tourney will be: Dick Cooke, Bill Cooke, A. N. Woods and Duke Gentry, as well as these already named."

Reserved Seats For Follies To Be Sold Quickly

The reserved seat sale for the "Legion 1934 Follies," to be presented at the College auditorium here next Tuesday evening, started off with a bang yesterday at Douglas-Goldston Drug Company.

Adjutant "Pinky" Price of the Aubyn E. Clark post of the Legion, which is sponsoring the big show, is in charge of the reserved seat sale. There will be 40 other seats, tickets for which are now in the hands of the members of the ticket committee.

One of the things which will make this show the biggest of the year in Clarendon is the designing of the costumes to be worn by the 35 people in the show. This work is being supervised by Mrs. Ira Merchant.

Miss Mary Cooke, whose pupils will take parts in the show, reports the choruses are working into perfect order for the show. Mrs. Simmons Powell is the accompanist for the dance numbers.

Post Commander Boykin of the Legion is in charge of nightly rehearsals this week of a special men's chorus to be one of the headline acts on the program Tuesday evening. The best male voices in the city are taking part.

"Everything is working out the best you ever saw," reports Adjutant Price. "It just happens that all those whom we called on will be able to participate as we are staging the show at a time when they will all still be in town.

"We appreciate greatly the co-operation of everyone in putting the show on and there is no reason why all seats should not be sold before the doors open Tuesday night for the show."

This show is a benefit affair for the Legion post.

ZEKE SEZ

One of the busiest days spent by the writer in months was last Friday from the time of the 10 o'clock program that morning at Junior High in Clarendon, with two hours at Martin School and three in the afternoon at McKnight School.

Talk about good food, but you don't know the half of it, unless you were one of the fortunate ones who attended the picnic at Martin on last Friday at noon, the high point in the closing exercises at the school. Principal George Cavanaugh was busy as could be, playing baseball and looking after everything else, all despite the fact he was exhibiting a crippled foot. "Just using an old shoe," he laughed, believe it or not. Messrs. Talley, Baker, Jordan and others helped their good wives put out the loads of fried chicken, roast beef, sandwiches, pies, cakes, pickles, salads, etc. Too bad so many folks were so busy with their planting they couldn't take time off to attend the picnic.

Those two speakers at the afternoon program at Martin were up to the occasion. County Supt. Sloan Baker gave some very interesting facts and figures to prove the value of education to any individual. Will Hayter delivered the scheduled address. That he brought a message very much while was reflected in the rapt attention shown his remarks. What success he has made of life, Mr. Hayter, at one time a teacher for several years, attributes to what education he secured. He said his father offered him the choice of a section of land or the same money spent on his education. He took the education and has never regretted it.

The county superintendent allowed us to ride on the back seat of his new car over to McKnight in the afternoon where the Giles school boys were "pouring it on" McKnight's boys in a good ball game—the old-time, pastime of America youth. "J. D." was the hero of the afternoon, as he pitched flawless ball for Giles. His full name is J. D. Foster and only 16, but he is one of the best twirlers we have seen in

Don't Pass Up Any of These, Next Saturday

Poppy day will be observed by the Woman's Auxiliary of the American Legion in Clarendon next Saturday.

Mrs. Barcus Antrobus, chairman of the poppy day committee, announced yesterday that members of the Auxiliary will be on the streets Saturday to sell the poppies.

"We have 500 poppies for sale, poppies made by World War veterans who are in the hospital at Legion, Texas," said Mrs. Antrobus. "These men get much pleasure in making these poppies at the same time making a little money for themselves. And the Auxiliary gets a small part of the net proceeds for use in putting over their program."

Mrs. James Trent is president of the Auxiliary.

NOTICE THE PUBLIC

Clean-Up week from Monday to Saturday, June 2nd. Have your trash piled near the street or alley. Phone City Hall and City truck will call for it.

WHIPPING POST SUGGESTED AS CRIME REMEDY

LIONS CLUB HEARS PROGRAM ON METHODS FOR CRIME PREVENTION

One of the best programs of the season was heard Tuesday at the Clarendon Lions Club luncheon at the Anthro Hotel, where Judge W. T. Link conducted a discussion on ways and means of crime prevention. In outlining the subject Lion Link urged the death penalty more frequently than now used, and rather startled the membership by advocating the return of the whipping post for certain lesser crimes. The speaker quoted from the records of Great Britain to show how certain crimes had been stamped out by the earnest use of the whipping post, while here in the United States, New Jersey had made a favorable record by the use of the whip. Lion Link also advocated the juries passing only on the innocence or guilt of the accused, leaving the punishment to be assessed by the judge after having the privilege of questioning the accused and bringing out other testimony not now admissible.

Lion Guy Pierce said he believed that more of the blame for crime was chargeable to the parents and that the homes were responsible for lack of discipline and crime which followed logically. Lion Pierce advocated the doing away with district courts and substituting a county court with jurisdiction which would do away with delay in trials, saying that the time element was all in favor of the criminal.

Lion Jim Patman said there had been a great increase in crime in the past twenty years and blamed much of it on indifference to law enforcement of the citizenship, and read statistics to show that the people as a whole were partners in crime on account of their reluctance to do jury duty and their sympathy in light punishments. He declared the American people were suckers in this matter since we were paying a fourteen billion dollar a year bill for crime they aided by their attitude.

Lion Porter made a plea for the co-operation of the various states of the Union in handling criminals, and urged the co-operation of peace-officers, federals, state and city, one with the other, saying that many criminals were able to escape by reason of the jealousy existing

between officers of different jurisdictions.

In the absence of Lion Mulkey, Dr. Oscar Jenkins made a report on the satisfactory condition of the club ward recently operated on for mastoids, and Lion Caraway reported that the Ragle child was being sent to Dallas again for further treatment.

Lion Ed King of Pampa was a visitor of the day.

The delegation was headed by Colonel E. Walters, white man who has spent a lifetime with the Osages as leader and counsellor. He is honorary high chief of five tribes. He acts for them in business transactions. Others in the party included J. E. Sweet and C. C. Shallow of Pawhusky. The Indians are from Homy. The leaders among the Indians were: Chief R. Maker, James Maker, and their squaws (wives), Pete Strikeaxe, James Strikeaxe and Louis Riddle.

Manager T. D. Hobart of Pampa, veteran business head of the ranch, was on hand to help extend the welcome to the visitors. "Skinny" Adams drove several of them over the wide reaches of the ranch Sunday afternoon.

School Boy Is Critically Hurt In Car Accident

One of the saddest accidents of the commencement period for Clarendon occurred late Sunday night, about midnight, when Kennedy Davis, 18, who received his diploma along with 41 class-mates last Friday night, was critically injured when a car in which he was riding with two boy pals overturned several times near Jericho.

Kennedy was rushed to the Adair Hospital where he has lain in a state of coma most of the time although he has been able to take some liquid nourishment all along. His spinal column is severed near the base, according to attending physicians who hold very little hope for his recovery. The injury has caused complete paralysis of the lower part of his body, from the hips down, from which he has not improved at all up to press time.

The two companions of Kennedy, Paul Greene, 16, and Johnny Blocker, 18, while thrown clear of the car, escaped with only minor bruises. However, the accident happened so quickly these two boys hardly know what happened except the car began turning over, one of the boys believing it turned over three times before he was thrown clear of it. The car is reported to have stopped in the field, 30 feet from the road.

The three youths had been to Groom and were returning home at the time of the accident.

PUBLIC INVITED TO MEMORIAL CEREMONY

Chairman R. Y. King of the Memorial Day committee issued a statement yesterday in which he urges attendance of the general public at the Memorial Day ceremony to be held in Legion Hall at 10:30 o'clock next Wednesday, May 30. The Legion and Auxiliary bodies have charge of the program. Afterwards, graves of all war veterans in the cemetery will be decorated by the committees in charge.

An outstanding feature of the Junior College program was the presentation of an easy chair to Dean W. A. Clark Jr. by the class as an "appreciation" of the dean's work in the college. Dean Clark is leaving Clarendon this year, having completed his duties here with this commencement.

Bill Word, Jr. made the presentation.

In the high school program, the American Legion awards for the outstanding students went to Robert Nichols for the boys and to Lovie Beavers for the girls.

Rich Osage Indians Visit The Famous JA Ranch Over Last Week-end, When Cowboys Put On Big Show For Their Benefit; Indians May Buy The Property

The JA Ranch includes approximately 500,000 acres of pasture and farm land at this time (by far the greatest percentage being pasture) stocked with approximately 22,000 head of cattle from which 3000 to 8000 calves are produced annually. Since the death of Mrs. Adair, Mr. Hobart has been the "big boss" of the ranch, in accordance with the will of Mrs. Adair.

Some of these Indians several years ago purchased 600 sections of land in New Mexico which they converted into a sheep ranch, it is said. They also intend, if they complete a deal for the JA Ranch, to settle some 150 of their number on it.

AWARDS GIVEN LAST WEEK AT SCHOOL EVENTS

SPEECHES DELIVERED BY CLINE, BRASWELL AND McKEE PRAISED

School week, or commencement week, closed last Friday night with the graduation exercises of the high school at the Methodist Church.

One of the most interesting talks ever delivered to a class here was heard by those who attended the Junior College exercises on Thursday night when Walter Cline of Wichita Falls spoke to the class. Those who heard Sam M. Braswell deliver the address Friday night to the high school class declare it was one of the best addresses ever delivered here by the editor of the News. Rev. Robert S. McKee was heard Friday morning at the Junior High graduating exercises. His address commanded the close attention of all who heard him.

The awards, as distributed in various programs, caused much interest on the part of parents and patrons as well as the students themselves. At the Junior High, interest was at the highest in the various awards made. The winner of the "Sons of the American Revolution" medal was Carl Eudy. This medal was presented in a fitting manner by W. H. Patrick, acting for T. D. Hobart of Pampa, who is the official of the organization for this section. Principal R. E. Drennan, speaking in the absence of Dr. B. L. Jenkins, presented the Jenkins medals, one to Billy Patman for the outstanding boy and one to Gene Teat for the outstanding girl.

These winners are selected by secret ballots of their fellow students. Winners of the Book Club prizes were: Led Jay, and girl, Oleta Wood. Salutatorian for class was William Sullivan, with Jeanne McDonald the valedictorian.

An outstanding feature of the presentation of an easy chair to Dean W. A. Clark Jr. by the class as an "appreciation" of the dean's work in the college. Dean Clark is leaving Clarendon this year, having completed his duties here with this commencement.

Bill Word, Jr. made the presentation.

In the high school program, the American Legion awards for the outstanding students went to Robert Nichols for the boys and to Lovie Beavers for the girls.

These awards were made by Judge J. R. Porter, acting for the Aubyn E. Clark post of the Legion. The only change on the scheduled program was the benediction which was delivered by Rev. M. M. Beavers in the absence of Rev. Robt. S. McGee.

Members of the faculty of the Clarendon school system who live elsewhere were busy packing and departing for the summer over the last week-end. All of them with one or two exceptions will be back in September for the new term.

30 Donley Vets To Benefit From Pay Restoration

Approximately 30 World War veterans residing in Donley county will benefit from restoration of Government compensation to those veterans cut off in the summer of 1933.

These 30 veterans will receive, on an average, of about \$125 yearly, or a total of about \$3750, according to information gathered at the office of County Administrator R. A. Baker and from Adjutant Clyde Price of the American Legion. Price made the estimate on the number of veterans who likely will benefit from the independent offices' bill which carried \$83,000,000 for veterans.

"There are a few veterans in the county who are now receiving compensation," said Price.

The restoration of veterans compensation also applies to veterans of the Spanish-American War and those of the Boxer Rebellion and who served in the Philippine insurrection trouble.

Amarillo Drouth Meet Punctuated By Rain Squall

Stories of the hard times caused by continued drouth in the Dalhart section, with the consequent fear of depopulation of that area, were heard at the Panhandle-wide mass meeting held in Amarillo Monday night.

The mass meeting was called by Mayor Ross D. Rogers of Amarillo and others for the purpose of passing certain resolutions which Amon G. Carter of Fort Worth and Walter Cline of Wichita Falls agreed to carry to Harry L. Hopkins, federal relief administrator, at Kansas City yesterday when Hopkins reached there.

Pleas were made by county officials from several counties north of Amarillo for "going over the heads" of the Texas relief commission and one or two speakers urged the group to ignore Hopkins and go direct to President Roosevelt to find out what happened to the \$8,900,000 fund allocated the drouth stricken regions months ago and which has been "lost" somewhere down the line.

One speaker even advocated a "march on Washington" like the Coxey's army of old or the modern bonus marchers.

"It is a sad state of affairs when our section goes into its fourth year of drouth with no prospects for any crop this summer if it doesn't rain soon and yet be unable to get any relief except barely enough groceries to keep our people from actual starvation," declared School Supt. Johnson of the Dalhart school system.

The meeting was featured by the appearance of President Hamlin of Farwell, newly elected head of the West Texas Chamber of Commerce.

These awards were made by Judge J. R. Porter, acting for the Aubyn E. Clark post of the Legion. The only change on the scheduled program was the benediction which was delivered by Rev. M. M. Beavers in the absence of Rev. Robt. S. McGee.

Members of the faculty of the Clarendon school system who live elsewhere were busy packing and departing for the summer over the last week-end. All of them with one or two exceptions will be back in September for the new term.

2-INCH FALL IS BOON TO WHEAT-FARMERS HAPPY

DONLEY COUNTY ALSO TO PRODUCE RECORD CROP OF FRUIT THIS TIME

Donley County is surely in the swim this summer with the two rains which fell this week in the county.

The additional moisture this week measured over two inches in Clarendon while it was heavier in some parts of the county.

As one farmer yesterday expressed it:

"It would be safe to say it is a million-dollar rain, I believe, as it may prove to be worth more than that to the county. Anyhow, the rain means thousands of additional dollars to wheat farmers of the county at it fell just when wheat needed it. The soil is plenty wet now."

Corn and cotton are both up on many farms of the county, while cotton planting has been the order of the day where farmers could get in the field.

Donley County is expected to raise the best fruit crop in many years, some of it due to be ready for the market in a few weeks now. The cantaloupe deal will in all probability be the best in many years, with a uniform melon being planted around Lelio Lake where shipping sheds will be provided by the Denver Railroad.

All in all, Donley county will stage a real come-back this fall if no big hails come.

Methodist And Baptist Still Lead League

TEAM STANDING

Club	Won	Lost	Pct.
Methodist	5	0	1000
Baptist No. 7	1	0	1000
Highway	2	1	666
Presbyterian	3	2	600
Christian	1	3	250
Baptist No. 6	0	3	000
Legion	0	3	000

Last Friday afternoon the Highway and Legion boys met on the old diamond to entertain a large crowd of fans. The Legion boys started off fine but soon dropped out of the race, and the Highway boys walked off with the big end of the score. Final results were Highway 15 runs and 12 hits; the Legion 3 runs and 8 hits.

Monday the fans witnessed a snappy game between the Baptist No. 6 boys and the leaders of the League. The Baptist started the fireworks in the first inning by running in 6 scores, but the Methodist tightened up and did not permit them to cross the plate again. The score ended as follows: Baptist 6 runs and 9 hits; Methodist 11 runs and 16 hits.

Tuesday the Presbyterian took an easy game from the Christians. The game was very tight in the beginning and for several innings the Christians kept one run in the lead, but the Presbyterian boys made a rally in the fourth inning and from then on it was their game. The final score, Presbyterians 19 runs and 31 hits; Christians 3 runs and 10 hits.

This week's results: Friday, Highway 15, Legion 3, Monday, Methodist 11, Baptist No. 6, 6, Tuesday Presbyterian, 19, and Christian, 3.

Mrs. L. L. Swan left Thursday for an extended visit with her parents at Wellington, Kansas.

THE BRAVEST STORY OF 1934

When Jane Anne Slaughter, 14, spoke her valedictory address to the senior class of the Hollis, Oklahoma, Junior High School, from her hospital bed in Dallas, Monday evening of this week, it seemed to us that the bravest story of 1934 came to its climax.

Last summer while a visitor with her parents at the Century of Progress exhibition at Chicago, Jane Anne was in an automobile accident in which she sustained a most serious spinal injury. Confined to her hospital bed since that time she carried on her studies by correspondence and maintained an average grade of 95 percent, which along with her former years' work gained for her the first honors of valedictorian at the Hollis commencement Monday evening of this week.

Talk about there being no bright spots in the lives of Young Americans! Why there are chapters in this story which gilds the whole horizon of the new generation with promise of a spirit genuinely American and filled with hope of a Republic bold and unafraid.

Jane Anne Slaughter has written the bravest story of 1934, and her dauntless courage and indomitable fortitude in spite of physical suffering and handicaps of pain, absence and discouragement will serve as a beacon light for all boys and girls, yea, men and women, who read and sense her triumph over stinging, obstinate, relentless misfortune.

DROUTH RELIEF IN THE PANHANDLE

Good rains this week over the Panhandle country gives strength to the feeling that help from Heaven is easier gotten than help from Washington, but it is going to take help from both places to give certain sections of the Panhandle country an even break after three years' officially un-noticed drouth.

The mass meeting at Amarillo Monday night took the right steps in demanding the fulfillment of advertised promises of the National Administration, and there is nothing in that demand that runs counter to Judge Hamlin's timely warning against falling into the pitfall of paternalism. All Panhandle people want is funds appropriated for specific purposes of national and local development like highway building, and allocated to this section, spent here and spent here immediately. This we have the right to demand, and such a demand delivered with the proper Panhandle punch at Washington will get results.

Panhandle people are counting on the President. If that fails then they will demand a newer new deal, but The News does not believe it will come to that.

THE LAW SAYS—

Texas law says that when a county has voted dry and has turned down the sale of 3.2 beer, that there may be no legalization of such beverage in any subdivision thereof until such county has voted the legalization as a whole.

Judge Fires recently issued an injunction against the opening of any beer joints in Childress precinct, even though it cast a small majority for the sale of 3.2 beer.

It is said that there are those who are seeking to call an election in a justice precinct including Clarendon for the sale of 3.2 beer. They face several hurdles hard to surmount. In the first place they must get an election ordered which in its very nature is unlawful in Donley County. Secondly, they would have to win the election, which can't be done in this county. Thirdly, they would face the same court injunction and couldn't open up even if they won.

Our people are largely against the sale of beer and the law is still strongly on their side.

OLD TIME RAINS IN DONLEY

For the past three weeks rains have fallen in Donley County more like we used to see them fall up to the present slump in Panhandle rainfall, than for the past four or five years.

We doubt if there is another county in the world where such good crops have been raised in the past five years with so little annual rainfall as has been the case in Donley.

Always the Queen County of the Greenbelt, Donley is falling into her natural and traditional role of the land of timely and pteous rains this season. Come to Donley.

"A NEW CROP OF SUCKERS"

Wholesale gambling has swept the country to such an extent that large firms have posted notices that any employe will be discharged who participates in gambling. The people have been living under such strained circumstances the past few years, that gambling looks like an easy way out. Many of the states have legalized horse race gambling; beer has been legalized in practically all of the states; bootleggers are flourishing more than before the repeal of the 18th amendment. All of this is inductive to gambling. Even the professional gamblers and the conscientious anti-prohibitionists are alarmed at the extent to which the lawless element is going in the present spree of personal freedom. They realize that the pendulum will swing in the other direction one of these days, and wipe out present legalized evils for all time.—Canyon News.

WE ARE THE PEOPLE

Remember that old story of the Fourth of July celebration in a small midwestern town half a century ago. The governor, a senator, and a couple of representatives were to address the citizens in a public park. Pretty soon they started making their way through the crowd to the speakers' stand, and some flunkey or other who was trying to clear a path for them called out "Make way for the representatives of the people." Instantly someone in the crowd called back: "Make way yourself. We are the people!" And that's what it all comes down to. The people's representatives down at Washington, may advance any kind of theory or nostrum they choose; eventually, if their fellow citizens don't like the looks of it, they will hear that old cry—"Make way yourselves. We are the people!"—Gazette, Stillwater, Minn.

COST, TOO GREAT

Under the present system it costs too much to run for office, and the overhead expected from an official in the form of donations is too great. Some day we will have a county manager or similar form of government, when county officials will be hired as they are hired in private business—strictly on the basis of efficiency and fitness, without expensive campaigns, and without political alignments or considerations whatever. Some day there may be a government without politics, made necessary for relief from an intolerable tax burden.—Bee, DeQueen, Ark.

No doubt most of us would vote it a pleasing address if it was delivered in ten minutes, but the great trouble is the speakers all appear to think the audience is enjoying it as much as the speaker, which, of course, is not true.

The good parties are the ones you miss.

Look for Better Flavor With Electric Cooking

You wouldn't believe that Electric Cooking could make so much difference in flavor! Meats and vegetables cook to melting tenderness in their own juices — with the addition of practically no water. And in the electric oven the heat rapidly sears, roasts, and prevents excessive shrinkage. Baked foods are deliciously and uniformly browned. Grilled steak has the flavor of charcoal broiling!

Electric Cooking retains so much more of the nourishing elements of the food that you can actually buy less meat or vegetables and still have just as much to put upon the table!

Electric ranges cook food with a speed and economy which compare favorably with any other kind of fuel! Let us demonstrate our new ranges. Of course, there is no obligation — and attractive terms can be arranged.

This is the "Electrical Age." A Hotpoint range will be another step to your All-Electric Kitchen.

FARMERS DESIGNS NEW IMPLEMENT WHICH HAS WORTH

From local implement men, the News has learned of a new combination go-devil and cultivator implement in use on the Frank Bourland farm that is said to work wonders.

The new implement was designed and put together by A. E. Morgan, farmer on the Bourland place. Mr. Morgan invented the new combination this Spring, having the smithy work done here in Clarendon. He is a young man, 28, son of J. E. Morgan. He is married, with wife and two little boys.

Harry Brumley says the new implement ought to be worth something to the inventor if he can get the idea patented.

ONLY 19 FAILURES IN TEXAS DURING APRIL

Austin, Texas.—Only nineteen commercial failures occurred in Texas during April, against 21 in March and 44 in April, declines of 9.5 percent and 57 percent respectively, according to figures compiled by the University of Texas Bureau of Business Research from reports from Dun Bradstreet, Inc. Liabilities of the bankrupt firms totaled \$235,000 compared with \$435,000 in March of the current year and \$470,000 in April last year, respective drops of 46 and 50 percent. Assets of the firms that failed, totaling \$109,000, were 66 percent below those of March and 18 percent below those of April last year. Average liabilities per failure were \$12,368, a drop of 40 percent from the \$2,714 in March but an increase of 16 percent over the \$10,691 of April, 1933.

The commercial production for the 1934-35 crop in Texas, to be marketed tax-free, has been limited to 3,091,200 bales.

MARTIN

(By Polly Sowell)

Sunday School was held at the usual hour Sunday morning with a good attendance.

Singing was well attended Sunday night.

The Martin folks are rejoicing this morning (Tuesday) over the good rain which fell last night.

The Intermediate Sunday school class of the boys and girls were entertained by their teachers, Mr. and Mrs. Harry Hartzog Sunday, with an all d-y picnic at Kelly Creek. After playing many games, lunch was served to about 40 or 50. All reported a wonderful time.

Mr. George Kavansugh and his assistants closed the Martin school Friday. They presented a very interesting program Thursday night. Friday, the community had an all day picnic at the school house. There were plenty to eat and other attractions.

The community has had a real good school session, and naturally feel proud of this term of school.

The faculty for another year has been completed. There will be one new teacher in the system another year; Miss Lucille Polk has been chosen for the Junior teacher to fill Mrs. Kavanaugh's place. The teachers who are staying are Mr. Kavanaugh, principal, and Mrs. Jim Baker, intermediate teacher.

Mr. J. D. Wood, George Bulman, Mrs. Jim Baker, Mrs. J. E. Baker, went to Paducah last Saturday on school business.

Mrs. Jim Baker and Mrs. Walter Hutchens are reported on the sick list. We hope for them a speedy recovery.

Mr. and Mrs. George Kavanaugh and daughter left Saturday for Commerce, where Mr. Kavanaugh will attend the summer school.

Rev. Jewel Sibley from Perryton spent awhile Saturday morning with his parents, Mr. and Mrs. A. J. Sibley.

Mrs. Carl Meek and children spent a few days in Vernon visiting her sister.

Mr. and Mrs. Rural Nichols from Ashtola spent Sunday with Mr. and Mrs. Ralph Nichols.

Mr. and Mrs. J. H. Eastling spent Sunday with Mr. and Mrs. Clyde Easterling.

Mr. and Mrs. V. R. Jordan entertained the community Friday night with a farewell party in honor of Mr. and Mrs. George Kavanaugh who left Saturday for Commerce.

Mr. and Mrs. J. E. Baker spent Sunday afternoon with Mr. and Mrs. Edwin Bailey.

Mr. and Mrs. Debb Hammonds and family of Clarendon spent Sunday with Mr. and Mrs. A. T. Tolbut.

Miss Madeline Grounds who has been visiting Miss Mary Lois and Quata Hayter returned to her home in Dallas Wednesday.

Mr. and Mrs. Sid Geddis and daughter of Newlin spent the weekend with the ladies' parents, Mr. and Mrs. Jess Davis.

Mr. Henry Barnes from Arkansas, is visiting in the home of Mr. and Mrs. J. H. Easterling.

Mr. and Mrs. George Bulman and family spent Sunday at Clarendon with the latter's parents, Mr. and Mrs. J. F. Cannon.

Mr. J. A. Sowell spent Sunday at Sunnyview, at the home of Mr. and Mrs. A. M. Lanham.

Mr. W. E. Hodges and Mrs. Rufus Pool and daughter spent the weekend at Hereford with Mr. and Mrs. Chester Hodges.

Mr. and Mrs. U. R. Jordan and soft spent Sunday afternoon with Mr. and Mrs. Walter Morrow.

Mr. and Mrs. Jack Eddings spent Sunday with Mr. and Mrs. Oscar Kempson.

Mr. and Mrs. Harold Graham spent Sunday with the latter's parents, Mr. and Mrs. J. C. Sutton.

TWO TEXAS GIRLS GET FREE TRIP TO CAPITOL ON THEIR CLUB RECORD

College Station, Texas.—Florence Killingsporn, Brenham, Washington County, and Evelyn Silbernagel, Dickinson, Galveston County, have been chosen as the two 4-H Club girl representatives from Texas to the National 4-H Club Camp in Washington June 14-20, Miss Bess Edwards, assistant state home demonstration agent, Texas A & M College Extension Service, has announced. These farm girls were selected from 18,000 club girls for their ability to make money and beautify their homes. They will be sent to the national capitol with funds made by 4-H club members from a refreshment stand operated each year at the Farmers' Short Course at the college.

Florence Killingsporn has made a profit of \$700.61 in three years from poultry flock, canning fruits and vegetables, and making her own clothing. This does not include \$52.60 won in prizes, nor three scholarships to the Educational Encampment at the State Fair of Texas at Dallas. In her poultry work she followed A & M methods by building a modern brooder house and laying house, feeding balanced rations, culling out boarders and controlling insects and diseases. She made 37 garments for her wardrobe last year, improved her bedroom and beautified her yard. She is president of the girls' 4-H clubs of Washington county and has taken a leading part in community activities including the helping of other farm families to make their living at home by demonstrating methods.

Evelyn Silbernagel made \$515.04 in three years of Club work. In her yard demonstration are 160 shrubs in her screen and foundation plantings are 250 living cuttings in her cutting bed. A shell walk was laid, a hedge and small barn moved, a road changed to enlarge the lawn and a pit type toilet was built. Her bedroom has been improved by refinishing the floor, woodwork and furniture and by adding a shelf and clothes rod to her closet.

Her canned tomatoes and tomato juice have been standardized and her home improvements have been made by the sale of her standardized products.

NEW FIRMS LESS IN APRIL SURVEY SHOWS

Austin, Texas.—The 113 charters granted to new corporations in Texas during April had a total capitalization of \$1,331,000, against \$2,401,000 for 123 firms in April last year a decline of 44.6 per cent, according to the University of Texas Bureau of Business Research. The total April capitalization, however, was 5.3 per cent greater than the \$1,264,000 for 139 corporations in March of the current year. Declines in numbers of charters as compared with March and with April, 1933, were shown in the following groups: Oil, manufacturing, banking and finance, transportation, and miscellaneous. Ains were registered for real estate and building and for merchandising.

Permits to do business in Texas granted out-of-state companies were 24 per cent greater than for March and 44 per cent above those of April last year.

Cotton, planted last Saturday, had already sprouted Monday because of the hot weather, added to good moisture in ground, says A. O. Hott of the Chamberlain community, in town Monday. "We have ideal conditions for planting," he declared.

The Monroe Doctrine settled, once and for all, the independent destiny of the Western Hemisphere, and incidentally the destiny of Texas.

drtn spent the weekend with their parents and grandparents, Mr. and Mrs. Dave Patterson.

Increase Shown In Retail Purchases In Various Line

Austin, Texas.—An increase of 57 per cent occurred in retail sales during March in 85 Texas establishments representing all parts of the State as compared with March, 1933, and 41 per cent gain was made over February of the current year, according to the University of Texas Bureau of Business Research. Dollar sales for the first three months of the year were 40 per cent above those of the corresponding period last year. The average increase in sales from February to March during the past seven years has been 25 per cent.

"Easter purchasing was done in March this year, whereas last year it came in April, and retail prices have increased in the neighborhood of 20 percent, thus affecting dollar value of sales," the bureau's report said. "But after allowing for these factors, improvement in retail sales over last year has been substantial."

"Further evidence of improved purchasing power is shown by the fact that in March 37 per cent of outstanding accounts was collected while in March, 1933, 28 per cent was collected."

RURAL WORK CENTERS PLANNED FOR TEXAS

COLLEGE STATION.—Friendship community in Houston county is the first one to apply for a settlement of farm families on relief rolls in their community and for the building of a rural work center as outlined by the Texas Relief Commission from plans furnished by Texas A and M College. Other communities in

the State have since applied for these rural work centers, according to O. B. Martin, extension service director.

The rural rehabilitation plan adopted by the Texas Relief Commission with the approval of the FERA in Washington provides that a portion of farm families on relief rolls be re-settled in farm communities and that farm and home manufacturers be developed to sustain them. Families picked for their skill or aptitude in manufacture are to be settled in vacant homes in communities that ask for such settlements. Paid by the FERA these people will first make habitable the vacant farm-homes to which they are assigned in return for which they will be given the places rent free for one or more years. The next step will be the construction of modern rural work centers where tools and equipment will be kept for making such things as rugs, mattresses, leather, harness, chaps, gloves, cured meat, canned stuff and many other commodities. These are to be exchanged locally for necessities. The rural work centers will be primarily for the use of these newly settled families, but will also be available to the entire community.

The plan, which was worked

out by Mr. Martin and which is being administered by J. E. Stanford, director of Texas Rural Rehabilitation, Austin, is a distinctive Texas contribution. It calls for hundreds of these work centers in communities where vacant houses are available and where the home folks want them. According to Mr. Martin it will probably speed up by many years the movement toward farm and home manufacture which has been developed to a high degree of individual farms by county farm and home demonstration agents.

TERMITES ARE FOUND IN MANY CLARENDON HOMES

Termites have demanded attention among the home-owners of Clarendon in recent years, according to a story about this unusual pest told one day this week by Dr. Guy Stricklin.

Many of us possibly don't know today what this termite pest is, but, for your information, it is a little ant-fly that becomes a worm and imbeds itself into wood of most any kind but more particularly the wooden timbers in the foundation work of our homes.

"I never dreamed of the damage that could be wrought by this pest," declares Dr. Stricklin, "until my attention was called to the presence of them in the walls of my home. The termite eats the wood. If you will take the trouble to take the facing off your doors at home, you will find plenty of evidence of the destruction of the pest. We gathered a bucketfull of them one day last summer. They come from tropical climates and are spreading all over the southern part of the United States now.

"How get rid of them? The only thing I know is to creosote your walls, floors and ceilings. That will stop them. They eat into the wood now until they reach varnish, thus leaving only a thin shell."

Others in the city report the same trouble with the pest.

Miss Mary Slater Weds Mr. Mann

Announcement is made of the marriage of Miss Mary Slater to C. L. Mann of Hedley, Texas. The impressive ring ceremony was read May 6th, in Canyon, by Rev. Dickey, Presbyterian minister of that city. Accompanying them were Miss Helen Slater, sister of the bride, and Miss Jewell Montague.

The bride was attractively attired in a rose triple-sheer ensemble, with white accessories, accessories. Her corsage of white and pink rosebuds and fern was tied with pink satin ribbon. The Bride's Book was carried by her sister and filled out after the ceremony.

The bride is the daughter of Mr. and Mrs. W. C. Slater of this city. She is a graduate of Clarendon High School and Clarendon Junior College. For the past two years, she has taught in the Pleasant Plains School, near Panhandle.

Mr. Mann is the son of Mr. and Mrs. J. H. Mann, prominent family of Hedley.

The young couple will be at home in the Chamberlain community after June 1st. Best wishes of their many friends go with them to their new home.

Recent Bride Is Showered

Mrs. C. L. Mann, who before her marriage May 6th, was Miss Mary Slater, was the recipient of a number of lovely gifts at a Miscellaneous Shower Sunday, May 13th, when Mrs. Leo Dettler of Panhandle entertained.

Pink and white was the color scheme carried out in the decorations and refreshments.

After a number of games and a short program, the bride and groom were led to a fish pond of gifts. These were opened and admired by all present. Among the many lovely presents was a Friendship Quilt presented by the Liberty Community Club of near Panhandle.

On April 21st, Miss Slater was complimented with a China Shower given by Mesdames H. R. Pugh and N. W. Glasscock of Panhandle.

A color scheme of yellow and white was carried out. After a number of games, little Miss Trula Jo Slater, niece of the bride, presented her with a basket of "yellow daisies" that

Farewell Party For Miss Lusk

Tuesday evening, Frank and J. D. Holtzclaw entertained with a farewell party honoring Miss Afton Lusk, who left Saturday for her new home at Perrin, Tex.

Various games and pleasant conversation made the evening pass all too soon. Miss Lusk was also the recipient of many nice and useful gifts.

At a late hour refreshments of ice cream and cake were served to the following: The honoree, Miss Lusk, Misses Ruth and Ruby Tucker, Kathryn and Ruth Cornell, Maye Dever, Elizabeth Dunn, Frances Fowler, Margaret Kelly.

Messrs. Bob Goodson, Truett Holtzclaw, John R. Ragland, Jessie Cornell, Leon Lusk, Jimmie and Curtis Thompson.

Messrs. and Mmes. U. Z. Patterson, Verna Lusk, Lee Lusk, Everett Stephenson, W. B. Holtzclaw, Mesdames J. M. Cornell, Velman Thompson and the hosts J. D. and Frank Holtzclaw.

1912 Needle Club

With Mrs. C. W. Taylor as hostess, the members of the 1912 Needle Club gathered at her home Thursday, to spend a most delightful afternoon.

Mrs. Taylor's famed rock garden was the scene of this meeting, and a most enjoyable time was spent in doing fancy needle work and admiring the attractive garden spot.

A two course luncheon was served in the late afternoon to Mrs. John Sims, Sr. and Mrs. J. H. Morris, guests.

Mrs. B. L. Jenkins, Mrs. A. A. Mayes, Mrs. J. T. Patman, Mrs. Sella Gentry, Mrs. Anna Hall, Mrs. A. L. Chase, and Mrs. R. A. Chamberlain, members.

Chamberlain Club In Session

Mrs. Wilson was hostess to the Chamberlain Home Demonstration Club May 17. Each member pieced a quilt block which will be quilted some time in the future.

Those present: Mesdames Will Barbee, Roy Beverly, Frank Barbee, Frank Reid, Edd Aduddell, A. O. Hott, Lloyd Reid, Harley Skinner, Henry Mand, Gilbert Mann, Fowlkes, John Aduddell, Wilson, the hostess, and one visitor, Willie Barbee. The club will meet June 7th in the home of Mrs. Frank Barbee.

"tell." This led the honoree to a pretty May-basket of gifts. A delectable salad course was served to the guests.

Musical Enjoyed Here Monday

Several of the musical pupils of Mesdames Ralph Kerbow, G. L. Boykin, and Allan Bryan were presented in an invitation recital, Monday evening at the Club Room.

This was well received by about sixty guests, who were served delicious refreshments at the close of the program.

Among those appearing were Misses Rebecca Welch, Dorothy Kerbow, Margaret Wilkerson, Margaret Jean Leathers, Jo Ann Smith, Jane Kerbow, Gene Teat, Belle Wilkerson, and Mary Smith.

B. & P. W. Club

With Ruth Harris and Layma Taylor as hostesses, the Clarendon Business and Professional Women's Club celebrated its fourth birthday on Tuesday evening, May 22nd.

At the short business session, presided over by Fannie Perry, the club decided to have its year book printed and also to accept the challenge of the Lions Club to play ball. All arrangements for this game were left in charge of Carrie Davis.

Layma Taylor was elected to the office of club treasurer to fill the vacancy left by Annie Ruth Johnson, when her company transferred her to Paducah.

A beautiful cake, upon which four birthday candles gleamed, was cut and served by Lottie Lane, past president of the club, following which Opal Pyle introduced Mrs. Frank Soteking, who very delightfully entertained the club by the reading of a three act play.

Fifteen members were present and guests for this occasion were Miss Lou Naylor, a charter member of the Amarillo B. & P. W. Club, Mrs. B. D. Dawkins, Mrs. Frank Stocking, and Miss Emma Ayers.

Friendship Club Meets Tuesday

Delightful informality marked the meeting of the Friendship Club Tuesday afternoon, when Mrs. J. E. Mongole entertained at her home.

The session was opened in the usual manner and a most enjoyable afternoon spent, with delectable refreshments being served by the hostess, who was assisted by her daughters.

Attending were Miss Pauline Fox and Mrs. W. A. Massie, invited guests; and Mrs. C. R. Skinner, Mrs. M. E. Thornton.

Lelia Teachers Are Honored

A lovely affair was the party given by the Lelia Lake Study Club Thursday afternoon, in the home of Mrs. W. V. McCauley, honoring Mrs. W. V. Thomasson and Mrs. E. V. Cooper. They have been valuable members and the club as well as the community regret their departure.

The home was beautifully decorated with garden flowers. As the guest arrived several games were played, then going-away gifts were tendered the honorees.

The club colors, green and white, were accented in the refreshments of ice cream and cake and favors.

Those guests to enjoy the afternoon were Mesdames Bertie Leathers, Sally Martin, Dessa Day, W. W. Jones, Grace Leathers, Elsie Morton, and M. P. Myalls; and club members were Mmes. C. C. Carter, S. R. Tomlinson, M. G. Cottingham, John Gerner, D. M. Cook, Rice Batson, H. R. King, Will Kennedy, C. R. Aten, J. A. Thompson, Guy Taylor, Wilton Grounds Carrol Lewis, and Miss Hessie Holland, the honorees, Mrs. Thomason and Mrs. Cooper, and the hostess, Mrs. M. V. McCauley.—Contributed.

Mrs. H. Tyree, Mrs. M. T. Crabtree, Mrs. Lynn Ballew, Mrs. J. D. Stocking, and Mrs. G. J. Teel, members.

The next meeting of the club will be June 12th, with Mrs. J. H. Harris.

Young Matrons Class Party

Among the many enjoyable social affairs of the week was the entertaining of the Young Matrons Harmony Class Tuesday at the home of Mrs. Ben Andis, with Mrs. Homer McElvaney and Mrs. Andis, hostesses for the afternoon.

When the guests had assembled, games of forty-two were played with delectable refreshments being served in the late afternoon to:

Mesdames Paul Shelton, W. A. Clark, Jr., Tom Goldston, Eli Perkins, Claude McGowan, C. W. Galloway, Charlie Bairfield, Roy Ingram, Nathan Cox, Bert Smith, Elbe Ballew, Fred Russel, club members; and Mrs. Bill Wicklin and Mrs. Snooks Andis of Memphis, guests. . . .

Miss Mary Stocking, who taught this past year at Whittenburg, is home for the summer months.

First Bloomer In Dallas Started Wags Gossiping

Fort Worth.—There was Communism in Dallas in the 1850s, and Fort Worth missed it only because Arthur Brisbane's father and Victor Prosper Considerant, a Frenchman, believed the town to be "closer to the frontier and farther from Austin" than Dallas was.

A multitude of interesting facts about that early-day experiment in Communism, or probably more properly, Socialism, have been gathered by Dr. W. J. Hammond, head of the department of history in Texas Christian University.

The famous Mrs. Bloomer, who gave her name to a now familiar item of women's wearing apparel was a member of the colony. The late Arthur Brisbane, father of the Hearst columnist, helped locate the colony. It once had a population greater than the main section of Dallas. It lasted—but to begin at the beginning.

French and Belgian and Swiss followers of the school believing that society should be organized into co-operative units, decided about 1850 that they might found such units in Texas. Considerant, French leader of the movement, came to America to pave the way. The latter came with him to Texas to locate the colony. They came by boat as far as Fort Smith, Ark., bought horses there, and made their way to Dallas on horseback.

They weren't altogether pleased with the site decided upon—then near Dallas, now a part of the city. They would have liked settling within the reassuring shadow of Fort Worth. But they finally decided upon Dallas, bought some 15,000 acres of land, and established a communal trading center, laundry, flour mill, bootery, etc.

The colony survived from 1854 to 1867. At one time there were 500 members. One of them was Mrs. Bloomer.

Mrs. Bloomer set New York agog in 1850 when she advocated a voluminous sort of trousers for women. When she arrived in Dallas wearing these amazing "bloomers" the good people of the town were aghast. After days of backfence buzzing, they decided she couldn't stay there.

She said the 1854 equivalent of "Phoey" to the Dallas people and went to the outskirts of the village to consult with the folks of "Reunion" colony. They looked her over in some surprise, but one man finally settled the matter with a disgusted: "Hell, they're better than hoop skirts."

The colony failed, says Dr. Hammond, because its citizens were too well born, too highly educated. It failed when the money they brought with them—and that which Brisbane had added—gave out. Nobody knew how to plow and so the rich land failed them. Nobody could even cultivate the vineyards. And that had been Considerant's dream—a great vineyard and fine wine and a planned society.

EXAMINATION FOR FREIGHT RATE CLERK

The United States Civil Service Commission will accept applications until June 4 for the position of Freight Rate Clerk.

The entrance salary is \$2,300 a year, subject to a deduction of not to exceed 1 percent until June 30, 1934, and of not to exceed 5 percent during the fiscal year ending June 30, 1935, as a measure of economy, and also to a reduction of 3 1/2 percent toward a retirement annuity.

Applicants must have had within the ten years immediately preceding the closing date for receipt of applications at least five years of experience in positions in which the lutes performed required them to become thoroughly conversant with the various railroad freight classifications, freight tariffs, circulars, rules of the Interstate Commerce Commission, etc., at least two years of which must have involved the distribution of earnings between carriers on through traffic.

Full information may be obtained from Miss Norma Rhode, Secretary of the United States Civil Service Board of Examiners, at the post office in this city.

NAYLOR (By Mrs. Richmond Boylin)

Leroy Tidrow and Miss Mildred Tennell of Clarendon surprised their many friends last Thursday, by going to Lelia Lake and coming home Mr. and Mrs. Leroy Tidrow. We forgive you and extend to you our very best wishes.

Mrs. Tidrow is the daughter of Mr. and Mrs. Perry Tennell of Sunnyview, and was graduated from Clarendon Hi in '33. This year she has been a student at C. J. C.

Leroy is the son of Mr. and Mrs. A. E. Tidrow, and has grown to manhood at Naylor where he has many friends. He has been a student at Hedley Hi for the last two years, and one of the Hedley Owls.

They left Friday morning for points in East Texas. Leroy's sisters and husbands, Mr. and Mr. Dee Crites and Mr. and Mrs. Printice Hust accompanied them.

Mrs. Frank Deweese of Tulia and Miss Jewel Hart of Hedley spent Friday afternoon with Mrs. Tommy Bain.

Bro. Williams filled his appointment Sunday. Preaching at both morning and evening hour. W. M. Pickering and daughter, Mrs. Edwin Eanes, attended the school meet at Paducah. They report a fine and interesting meeting.

Mr. and Mrs. A. E. Tidrow visited Sunday afternoon with Mr. and Mrs. J. W. Mann.

Mr. and Mrs. Tommy Bain visited with Mrs. Bain's parents, Mr. and Mrs. J. W. Mann, Sunday afternoon. Clifton Adams spent Saturday night with Lesley Pickering.

Victorian Days Gone Forever Says T.C.U. Dean

Fort Worth, Texas.—"The young men of today are not any different from the boys of 30 years ago, but the young women have taken on a new air of aggression."

This is the opinion voiced at the annual conference of Texas Deans and Advisors of Men, held recently on the campus of Texas Christian University.

"We of the older generation are going to have to find a new way of meeting the social life of the young people," one dean said. "We will never return to the Victorian attitude toward the relationship of the two sexes."

Referring to college dances, another said: "We are not certain we can change the older groups in their idea toward the social dance, but I am sure we are not going to change the attitude of the young people who come from homes where dancing is permitted to colleges where it is not allowed."

THREE BROTHERS TO GET DEGREES SAME DAY

Austin, Texas, May 24.—Three members of the Jones family of Austin, formerly of Decatur, will be graduated from the University of Texas School of Law, and, not content with such honors, each will also take another bachelor's degree as well, making a total of six degrees.

Perry L. Jones, 26, Harold Jones, 24, and Herman Jones, 23, sons of Mrs. P. L. Jones, who came to Austin in September, 1930, to afford the boys home as well as University advantages, will each receive the bachelor of law degree. Perry and Harold will also have conferred on them the degree of bachelor of business administration, and Herman will obtain the bachelor of arts degree.

Their honors have not been empty ones, it seems, for between them have won a large number of distinctions in scholarship and good fellowship.

In early Texas colonies, "wine skins," as in Biblical days, were used as containers for liquids, such as honey.

Seeks Sinful Songs Of Negro Convicts In Pen

Austin, Texas.—Under Commission from the United States Library of Congress, John A. Lomax of Dallas, and his son, Alan have traveled 15,000 miles by automobile through four Southern States for the purpose of interviewing nearly ten thousand negro convicts and thousands of other colored folk in rural communities. Their object was to obtain phonograph records of authentic negro folk songs. They will continue their research along similar lines.

Mr. Lomax is considered a foremost authority on Southern and Southwestern folk-lore, and was one of the founders of the Texas Folk-Lore Society. He is a graduate of The University of Texas, holding both the bachelor and master of arts degrees, obtaining the former in 1897. Young Alan is likewise a former student of the University.

In an article which he wrote for the Musical Quarterly, Mr. Lomax tells a number of experiences he had in interrogating the black convicts and in encouraging them to sing before his microphone the "sinful songs," or secular music, of his race. He sought, not the so-called negro spirituals which have grown from the black man's acceptance of a comparatively new religious faith, but the deeply pagan strains that are the natural emotional outpouring of the primitive negro race.

GOLDSTON NEWS (By Mrs. G. R. Grant)

Bro. Lackey filled his regular appointment here Sunday morning and Sunday night. There was good attendance at Sunday school in the afternoon.

We had a good rain Monday night that will be of great benefit to the gardens and grass.

Mr. and Mrs. W. C. Veazy, who have been visiting relatives in Hopkins county for the past three months, returned home last week.

Miss Mattie Rhodes is at home now, as her school closed at Midway, Friday of last week.

Jimmy Millsap has been employed as Principal of our school to take Mr. Gatewood's place. Mr. Gatewood was offered the school but secured a better position in a school in Wheeler county.

Warren Bray came down from Amarillo Sunday to take Mrs. Bray and baby home. They have been here the past week visiting with her parents, Mr. and Mrs. Grant and sister, Mrs. Clyde Hudson and Mr. Hudson.

The Young People's Sunday School class enjoyed a picnic Saturday night on the McAdams Ranch. All report a nice time.

Mrs. Homer Gorman visited in Clarendon over the week-end. Rev. Lackey and wife took Sunday dinner with Mr. and Mrs. Neely Veazy.

The Literary Society gave an interesting program Monday night.

Quite a number from here attended Trades Day at Clarendon Wednesday of last week.

"WHY ART THOU LEAN"

"Text:" And he said unto him, Why art thou, being the king's son, lean from day to day? Wilt thou not tell me?" Ito Sam. 13.4. As we behold the professing people of God, with all their privileges and opportunities of life, we are perplexed somewhat, like the author of our text, to know why they are so lean or seem to get so little out of Christian life. After having become a child of our heavenly Father and having tasted the good things of this kingdom, why are they lean?

I. Have we not, through His saving and sanctifying power, been made heirs to an inheritance which is both incorruptible and undefiled and that fadeth not away? Then, why are we, being the King's son, lean from day to day? Why do we not possess more joy and gladness of heart and soul? Have we not within our souls a well of water springing up with eternal life? They why so lank as though our God were inadequate or altogether insufficient to meet our demands, either spiritually or materially.

II. When we cease to love, that faculty at once become weakened. When we cease to sympathize with our fellow beings, that particular part of the spiritual man begins to decrease, and likewise, when we cease to give or to obey and believe the divine injunction "Give and it shall be given unto you," our once liberal or giving faculties become dwarfed. Are you falling away from God, retrograding in your spiritual life? Are the spiritual springs of your inner life till flowing freely or are they becoming torpid and just moving along at a poor dying rate? Are you a living example of what a Christian ought to have? Do the folk sin your neighborhood believe in your kind of religion?

III. It is for everyone who will to devote his or her life to service and thus have the abundant life which our blessed Saviour intended. The promises are for you and you may enjoy the wonderful gifts and blessing promised. Why are thou lean? You must obtain these blessings for yourself.

W. E. Ferrell, Minister First Christian Church, Clarendon.

Short Course To Hold 25th Meet July 30-Aug. 3rd

College Station.—A quarter of a century of annual Farmers' Short Courses at Texas A & M College will be rounded out this summer during the week of July 30-August 3. O. B. Martin, director of the Extension Service, has announced.

This event, the largest rural gathering in Texas each year, is being planned along much the same lines as last year's course, which was acclaimed the best in their long history. Practical courses and demonstrations will be the feature rather than talks and lectures.

Special courses will be offered to limited groups in tanning leather, in making harness, grape juice, syrup, silage, rugs, in butter and cheese manufacture wool grading, scouring and dyeing, and others.

There will be general lectures of wide interest each morning, followed by group talks and discussions of all phases of farming, livestock and home making subjects. Every afternoon will be given over to demonstrations of a wide variety of useful practices on farm and ranch and in the home. Entertainments at night will feature visit to college departments, horse show and tournament, farm contests, community singing, and folk games.

Attendance this summer is expected to reach that of recent years when 3,000 or 4,000 people have come from farms and ranches in every part of the state. Special attention will be given the 1,700 boys and girls who are to come under the 4-H club banner. Railroads will offer reduced rates and camping facilities will be arranged for those who come by car.

The battle of San Jacinto was a just retribution for the heinous crime committed against a patriotic and brave people by the ruthless invaders.

Pampa Getting All Dressed-up For Big Days

Pampa, May 24.—Pampans, busier than at any time during the last three years on account of renewed oil activity, took time off this week to put the finishing touches on their Pre-Centennial Celebration and Pioneers Roundup which they will stage May 31 and June 1.

A huge stack of letters was proof of the Pre-Centennial committees that the first celebration in Texas of the events preceding San Jacinto has been taken well by citizens all over the Panhandle. Because these letters indicate a large crowd of visitors will be here for the celebration, careful plans have been made for their entertainment.

The Pre-Centennial celebration will get under way at 11 o'clock on the morning of May 31 when James V. Alfred, attorney general of Texas, will open the patriotic fete in city auditorium. That afternoon at 2 o'clock will be held the Pre-Centennial parade. This will include the following floats: three missions, the Alamo, San Jose, San Francisco de La Espada; Mission San Francisco de los Tejas, the first church in Texas; Coronado's dream of the Gran Quivira, a golden city of Cibola; Coronado's "dream come true"; the Mother of Texas, Mrs. James Long; Texas under six flags; LaFitte on Galveston Island; origin of the name "Texas," the first marriage in Texas; surrender of Santa Anna at San Jacinto; burial of La Salle in East Texas; the fate of Nolan's men, and Stephen F. Austin in his Mexico city dungeon.

Three Pioneers Roundup programs will be held. One after the parade, one the next morning and one the next afternoon. An old fiddlers contest and square dance will be held for old timers the first night.

One of the speakers who will address old timers on the second day is Judge James D. Hamlin of Farwell, president of the West Texas Chamber of Commerce, and pioneer XIT ranch attorney. W. H. Patrick of Clarendon has been invited to preside at the Roundup programs. Local committee chairman are as follows: Mrs. Claude Ledrick, rooms; Mrs. De Lea Vicars, registration; Mrs. W. R. Ewing, hostesses; Mrs. E. A. Shackleton, information. A separate building will be available for old timers.

Athletic features of the celebration will comprise a baseball game between the Pampa Roadrunners and the House of David, May 31; a championship prize fight between Ralph Chong of Houston and Duke Trammel of Dallas; a donkey baseball game on the second afternoon.

The Pre-Centennial pageant, depicting 14 important moments in Texas history, will be presented in the natural theatre in Central park on the second evening. A cast of 150 persons clad in historically correct costumes will also march in the parade.

TWO TECH STUDES WORK WAY OVER TO EUROPE

Lubbock, Texas, May 24.—Two Texas Technological College seniors who are graduating this June will receive their degrees "in absentia." They are Rob O'Hair and Max Wagborne who recently sailed from Houston on S. S. Westmoreland, a freighter, bound for Europe where they are to visit ports in France, Holland, and Belgium.

O'Hair, president of the Interclub Council, will be awarded his B. A. degree, and Max Wagborne, humor editor of La Ventana, 1934 yearbook, is to receive his B. A. Both students arranged to take their final examinations early as they are to work their way.

Many Visitors In T. U. Faculty For The Summer

Austin, Texas, May 24.—A large number of visiting faculty members who are authorities in their particular phases of work will augment the regular teaching staff of The University of Texas for the summer session.

For the first term of the summer school visiting teachers will include: Dr. William Campbell Binkley, professor of history from Vanderbilt University; Dr. R. A. Tsanoff, professor of philosophy from Rice Institute; Dr. L. A. McGee of Southwest Texas State Teachers College; Dr. Paul P. Young, associate professor of history from Southwestern University.

Dr. Carter Alexander, professor from the Teachers' College, Columbia University; Bonner Frissell, N. S. Halland and S. R. LeMay, school superintendents from Palestine, Breckenridge and Athens, respectively; J. M. Foote of the Louisiana State department of education; G. W. Gotke, school superintendent from Brownsville.

Second term visiting teachers will include besides Dr. Binkley and Dr. McGee, the following: Dr. John Owen Beaty, professor of English from Southern Methodist University; R. F. Jones, professor of English from Baylor University; Mrs. Dora Hill Raymond, associate professor of history from Sweet Briar College; Dr. R. Earl McClendon, of Sam Houston State Teachers College; Dr. Walter Thompson Watson, associate professor of sociology from Southern Methodist University; Jeremiah Rhodes of the junior high school division of the Louisiana State department of education.

C. L. Stinneford, associate professor of economics from the University of Chicago; H. F. Alves, assistant superintendent of the Texas State department of education; Roy Redichek, chief of the University Bureau of Public School Interests, and R. H. Williams, principal of John H. Reagan High School, Houston. C. A. Nichols, professor of education from Southern Methodist University; and J. S. Waterman, dean of the University of Arkansas school of law.

191 TO FINISH AT TECH JUNE 7

Lubbock, Texas, May 24.—A total of 191 candidates for bachelor degrees at Texas Technological College has been announced for the June graduating class by Dr. Bradford Knapp, president of the college. Bishop A. Frank Smith of the Southern Methodist Church, Houston, will deliver the baccalaureate sermon Sunday evening in the Tech gymnasium June 3, at 8 o'clock. Dr. Henry G. Bennett, President of Oklahoma Agricultural and Mechanical College, Stillwater, will be the principal speaker for the conferring of degrees, 10 o'clock the following Tuesday morning.

Other events on the commencement program include the annual reception in honor of the graduating class, faculty, and visitors at the home of President and Mrs. Bradford Knapp, the senior banquet, alumni banquet, a special breakfast for home economics graduates, the laying of corner stones for the new dormitories, and the annual meeting of the board of directors.

NOTICE, PIE SUPPER AT CHAMBERLAIN ON FRIDAY NIGHT, JUNE 1

On Friday night, June 1 a pie supper will be staged at Chamberlain school for the benefit of a singing school.

Candidates are asked to keep the date in mind and be on hand. The general public is also invited.

The program will start at 7:30. The committee in charge includes: A. O. Hott, J. Estes, Mrs. Harley Skinner, Mrs. Gilbert Mand and Mrs. Wallace.

Less Than Half Crop Of Wheat For Area, Report

An estimate of 14,500,000 bushels was placed on the 1934 Panhandle-Plains wheat crop by grain dealers of the area in a sectional meeting held in Amarillo last Saturday. This estimate is less than half a normal crop, it is said.

Hale County topped the list with an estimate of 2,160,000 bushels, Swisher, Carson and Ochiltree counties were allotted 1,500,000 bushels each, and Hansford, Castro and Floyd all were above the million mark. Gray and Armstrong were placed slightly under a million each. Counties not expected to produce any wheat, on account of drought, include: Dallam, Hartley, Moore, Oldham, Collingsworth, Hall, Motley and Cottle.

Among the new officials is C. R. Ludwig of Groom as vice-president and Floyd Nelson of Claude on the board of directors.

Want 100,000 To Attend Opening Of Palo Duro Park

Secretary G. L. Boykin of the local chamber of commerce is in receipt of word from D. E. Colp of Austin, State director of parks, that at least 100,000 visitors is the goal set for the celebration July 3 to 8th, opening Palo Duro park.

"We will have a big rodeo for the week and other programs," says Colp. "We want you to join others in sending a special invitation to our Congressmen and Senators, at Washington, asking their presence at the opening of the big park."

Mr. Boykin has complied with the latter request, inviting Senators Connally and Sheppard and Congressman Marvin Jones of this district.

STUDENT SERVES IN POLITICAL CLUB

Lubbock, Texas, May 24.—Garland Smith, senior at Texas Technological College, was elected student representative for the Young Democrats of America which recently met in a state convention in Dallas. Smith is to serve on both the state and national executive committees.

J. Doyle Settle, who graduated from Texas Tech last June, candidate for state representative from the 119th district to the forty-fourth legislative, was named member at large of the state executive committee for the Young Democrats of America in a recent executive committee meeting in San Antonio.

Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless use of strong laxatives may do more harm than good.

Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels back to regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles. Member N. R. A.

4. The day of Election shall be the 23rd day of June, 1934.

5. The place at which the polls are to be open is the School House of Common School District No. 18, the same being commonly known as the Martin Common School District.

6. J. D. Wood and Walter Morrow are named and appointed managers of said election and they shall appoint their own clerks.

7. Voters at said election desiring to prevent the animals designated in the order from running at large shall place upon their ballots the words, "For the Stock Law," and those in favor of allowing animals to run at large shall place on their ballot the words, "Against the Stock Law."

Wherefore, witness my hand and seal of office this the 16th day of May, 1934.

S. W. Lowe, County Judge, Donley County, Texas. 20-4tc.

Thousands of subsistence farms will be needed, says the University of Texas Bureau of Business Research, to care for workers to be forced on relief rolls if the cotton curtailment program is made permanent.

Depression prices for beef cattle, hogs and dairy products taught Texas farmers one valuable lesson—the use of the pit silo as an inexpensive method to save feed.

FROM YOUR TAX COLLECTOR COMPTROLLER OF PUBLIC ACCOUNTS STATE OF TEXAS AUSTIN

To The Tax Payer:

You will recall that from time to time since 1930, the Legislature has been suspending interest and penalties on Delinquent Taxes. Last May, the last measure of this kind was enacted, which provided a 2 percent penalty on all ad valorem taxes delinquent on February 1, 1933, (later they included the split tax payments which became delinquent on July 1, 1933,) if paid by December 30, 1933, and 4 percent penalty, if paid by March 31, 1934; and 6 percent, if paid by June 30, 1934. After this June 30, 1934, expiration date, the old law prescribing 10 percent penalties and 6 percent interest per year, will again be in force.

This means that on and after July 1, 1934, this year, the penalty and interest you will be required to charge will not be 6 percent, but will include 6 percent interest per annum from the date it was first delinquent, plus 10 percent penalty. For example:

30 percent will be added to 1930 Delinquent Taxes
24 percent will be added to 1931 Delinquent Taxes
18 percent will be added to 1932 Delinquent Taxes

(A delinquent cost will also accrue in addition to the above)

"The Family Next Door"

A Weekly Feature of The Clarendon News

ZEKE SEZ—
(Continued From Page One)

many a day. The inimitable twins, the Misses McCann, teachers at Giles, were at the game, keeping score for their boys. Joe Baker, principal at Giles for the past four years, is the real leader for you. He kept right up with every move of his boys, lending them encouragement at every point, cheering them on to victory. Joe Baker is an honest-to-goodness teacher and leader, than whom, it is said, there are none better among the county's schools.

We learned one thing, through the day, about Sloan Baker we didn't know before—he is one of the greatest boosters you ever saw for community singing. In fact, he carried a big box full of new song books and led singing of some of the best songs in the book. To be sure, Mrs. Baker was also right there and did her part—playing the piano in each case.

Y. A. Rankin is the proud "Daddy" these days. He and his good wife have a fine 12-day old boy up at their house. Rankin may be late sometimes now to the job but his men understand the reason therefor. Most of them have been Daddies for several years.

Eli Perkins, better known by those who know him intimately as "Si" Perkins, linotype operator, paid his first visit to Hillcroft Golf Club Sunday afternoon. Result—score of 88 and "sore" muscles Monday and Tuesday. You'll learn, Si, just keep on playing.

If you wish to get better acquainted with Manager Parker at his variety store, just start talking about Paducah. We promise you he'll come alive.

We see where a promotion firm in Pampa is advertising town lots in the new oil field boom town of "Kellerville," near McLean. From what we saw of Keller or Kellerville, any investment in real estate there is likely to be blown away with the first sandstorm as sand is "belly" deep around that spot. If we bought a lot there, it would likely blow away or be found in the sage-brush half a mile away!

Lester Boykin is on the street every morning now! Something unusual. Yes, school is out and he now has full time for his work with the Chamber of Commerce. Watch the trades-day movement grow bigger as the weeks go by.

Frank Heath of the Clarendon Furniture Company reports having sold 67 Maytag washing machines during the past 100 days. That's real salesmanship on the part of somebody. It ought to be a record for this whole western district.

Prof. C. B. Jackson got in such a hurry at the last minute last Saturday when he left with Mrs. Jackson to visit "home-folks" in Huntington, Lufkin and Groveton, that he left or lost his coat. He sends word back that if anyone has a gray coat they don't recognize be sure and let him know about it and he will pay a reward for same.

T. D. Nored was running around in circles Monday afternoon trying to determine just what he would have to offer the ladies of Clarendon and Donley county next week for the company's cooking school, which Miss Zella Allen will conduct for three days, May 30, 31 and June 1st, inclusive.

R. W. Moore was in town yesterday to report his wheat is looking fine and that his neighbors believe the yield will be around 16 to 18 bushels per acre. Some of his neighbors will make smaller yields but the rains this week will cause the quality to be good. "It is wet down, way down, now," said Moore. G. G. Reeves of the Chamberlain neighborhood says the rain will likely cause several acres of newly-planted cotton to be planted over.

Talking about the Indians who came to town the other day, a true story of how hardy they are came out after they had gone. While on their way into town Monday night, after 10, from the ranch, their bus stuck in a muddy spot. All of those Indians crawled out and got behind their big bus and started pushing. It is claimed they pushed the big bus for nearly a mile before they got back on hard-surface roads. They reached the Antro hotel around 1 a. m., wet, bedraggled and muddy but in fine spirits because of the experience.

Food Expert to Conduct Free Cooking School Here Next Week

Miss Zella Allen, well-known food expert and home economist, will arrive in Clarendon on Tuesday of next week for the opening of a three-day free cooking school sponsored by the West Texas Utilities rompany here, according to announcement by Manager T. D. Nored yesterday.

Sessions of the school will be held each afternoon on Wednesday, Thursday and Friday of next week, promptly at 2 o'clock. The sessions will all be held in the basement of the First Christian church through arrangement with the church board. The dates are May 30, 31 and June 1st.

The women of Clarendon and Donley county will enjoy the treats throughout the three-days program. Practical demonstrations on the electric oven, refrigerators, egg-beaters, etc. will be given by Miss Allen. These lessons will be practical in every day food problems in the home. The receipts will be given to those attending the sessions.

Economy will be stressed throughout the school. Dishes costing only a few pennies will be demonstrated and served. Those wishing to get the most out of the school are requested to bring note-books and pencils. Every woman and girl in Donley county is invited to attend these sessions.

PICNIC AT WORD'S RANCH

Last Friday the student body of Lelia Lake High School accompanied by Mr. Cooper and a number of friends and parents went out to the Word Ranch for a picnic. High school was dismissed for the afternoon and a line of cars assembled at the school house at noon and they arrived at the ranch about one o'clock.

Immediately upon arrival at the ranch a big picnic lunch was served on the ranch outdoor table after which the boys went swimming or played games with the girls for the balance of the afternoon. Mr. Allen was in charge of the games and introduced many popular boyscout games. Boating, also, was a popular sport during the day. The

students enjoyed the hospitality of the ranch boss and were much pleased with the trees and wild game. Another interesting place was the big cool spring.

Bailey to Talk Here at Noon on Friday, June 1

Announcement was made from Dallas headquarters of Congressman Joseph Weldon Bailey Jr., this week that he will be in Clarendon during the noon hour, Friday, June 1st, for a talk to the voters.

Bob Sellars, member of the Bailey headquarters office is expected in Clarendon this week-end to make final arrangements for the appearance here of Joe Bailey.

DIMMITT CHOIR WILL PRESENT PROGRAM HERE

CLARENDON FOLKS TO HEAR CHOIR DIRECTED BY FORMER LOCAL MAN.

Sunday evening at the eight o'clock hour the Dimmitt Methodist Church Choir will present a program of music at the Clarendon Methodist Church, to which the entire community is invited.

This program is the result of an exchange agreement whereby the Dimmitt choir comes here for a program and the local Methodist choir will later present a program at Dimmitt. The point of special interest is that the Dimmitt singers are directed by Chas. H. Dean, Jr., who formerly lived here and directed the local Methodist choir for several years. His wife, the former Mattie Eva Lane, is organist for the visitors and will present an organ solo during the program.

Clarendon choir members will give the visitors a buffet supper

at the Braswell home Sunday afternoon at 6:30, and weather permitting they will drive back to Dimmitt after the program. Reserved seats will be occupied by the local choir as hosts to the program Sunday evening which is as follows:

- PART I.**
Hymn, "Softly Now The Light Of Day," Gottschalk—Choir.
Anthem, "Holy Art Thou," (Largo), Handel—Choir.
Anthem, "Face To Face," Johnson—Choir.
Soprano Solo, "Selected"—Mrs. Alfred H. Freeman.
Tenor Solo, "His Eye Is On The Sparrow," Gabriel—Mr. Ed West.
Soprano Solo, "I'm A Pilgrim," Lorenz—Mrs. Harvey Youts.
Anthem, "Great Peace Had They," Rogers—Choir.

- PART II.**
Anthem, "Fear Not O Israel," Max Spicker—Choir.
Organ Solo, "Pilgrim's Chorus" from "Tannhauser", Wagner—Mrs. Chas. H. Dean.
Male Sextet, "Goin' Home", (Largo), Dvorak—Messrs. West, Webb, Reynolds, Hanks, Bice and Dean.
Anthem, "Sanctus", Gounod—Choir.
"Hallelujah Chorus" from "Messiah," Handel—Choir.
"Day Is Done"—Choir.

Mrs. A. M. Lanham Succumbs Tuesday

Funeral services for Mrs. Mary Abigail Lanham, wife of A. M. Lanham of the Sunnyview community, were held Wednesday afternoon, at 3 o'clock from the First Baptist Church. Rev. F. A. Allen of Lelia Lake officiated at the last rites. Interment was in the Citizens Cemetery, with the Rebecca Lodge in charge. Pallbearers were Roy Clappitt, Lee Holland, L. E. Scott, Orville Scott, Carl Scott, and W. F. Tooley.

Mrs. Lanham died at the family residence at 5 p. m. Tuesday, after several months' illness. She was born April 11, 1874 in Tennessee, being 60 years, 1 month, and 11 days old at the time of her death. In

1893, she married her cousin, A. M. Lanham and to this union were born one son, and two daughters.

She was a member of the Baptist Church and the Rebecca Lodge, being Secretary of the latter for thirteen years, her health making it necessary for her to resign just before Christmas. Mrs. Lanham was a devout Christian woman and a faithful worker in her Lodge work. She leaves many friends to mourn her passing. She was correspondent for The News from Sunnyview for many years, and it was with sincere regret that we learned of her passing. The deceased is survived by her husband, two daughters, Mrs. Ethel Tooley and Mrs. Bonnie Scott of Chillicothe, one son, Delbert of Plainview, and three sisters, Mrs. A. J. Edwards of Dallas, Mrs. Walter Carpenter of Texarkana, and Mrs. J. H. Edwards of Nashville, Tenn.

ZEKE SEZ—
Manager Doss Palmer of the Palmer Motor Company, local Ford dealers, issued a statement yesterday in which he declares "the public can now drive the New Ford V-8's without worry about Clyde Barrow stealing them or just plain taking them as he has done. Barrow picked the New Ford V-8 because of its speed and because of the fact that it is a car that will stand all kinds of rough treatment and will make the fast speed on any kind of road, regardless."
Didja ever hear of Barrow stealing any other make of car for his quick get-aways?
