Breakfast Honors State Executive Here

"DAD" WILL BE 'KING FOR A DAY'. SUNDAY, JUNE 16 FATHER'S DAY

ALLRED HONORED WITH BREAKFAST

GOVERNOR THANKS DONLEY COUNTY FOR SUPPORT GIVEN HIM IN CAMPAIGNS

Governor James V. Allred and his secretary, Edward Clark, were honored guests Friday morning at a breakfast given by business and professional men and women of Clarendon, at the First Christian Church dining rooms, with 68 in attendance.

The governor and his secretary were enroute to Pampa to attend the Pre-Centennial celebration, where Gov. Allred spoke later in the morning.

Judge W. T. Link acted as toastmaster, and made the introduction of the distinguished guests. Invocation was given by James L. Standridge, Minister of the Church of Christ.

Mr. Clark was introduced by the toastmaster as an East Texan on his second trip to the Western part of the state. The secretary to the governor responded in an appreciation of the "western hospitality" accorded the party on their trip into this section. He humorously gave praise to organizations from the Panhandle for their ability to invade Austin and secure highway appropriations. He also praised the progress of this section of the state.

Col. H. Otto Stueder, of Pampa, member of the governor's official staff, was introduced and thanked the men and women in behalf of the governor for the courtesies extended and for the bountiful breakfast served the governor and his party.

Governor James V. Allred was introduced as a great champion of the state and national constitutions and one of the greatest governors the state had ever had.

The address delivered by the governor was one of those intensely human talks which have made him so popular with Texas audiences. He thanked the people of Donley county for having always given him whole hearted support in his political campaigns, even when he was defeated for attorney general. He reviewed the seven proposed amendments to the Texas constitution which are to be voted upon August 24, and a few of the bills passed by the recently adjourned legislature.

The audience was dismissed after singing "America."

Gov. Allred left immediately after the breakfast for Pampa in company with Col. Stueder and Gilmore N. Nunn, publisher of a Pampa newspaper, who met the governor here.

MONTIE RITCHIE HEADS JA RANCH

APPOINTED ADMINISTRATOR FOR VAST RANCH ESTATE IN HEARING AT CLAUDE

Montie W. H. Ritchie, grandson of the late Mrs. John G. Adair, was appointed administrator last Thursday at a hearing in the Armstrong County Court House of the vast Adair estate, the famed JA Ranch.

The decision was handed down to Mr. Ritchie by Judge Mathews, county judge of Armstrong county, resulting from the death of T. D. Hobart, late executor and manager of the ranch and the resignation on May 31 of Clinton Henry, assistant manager of the ranch.

The JA Ranch was founded in 1867 by the late Col. Chas. Goodnight and the late John G. Adair. The ranch includes 450,000 acres located in three counties.

For many years, the ranch has been a favorite visiting place for celebrities both from this country and abroad. Mr. Ritchie came to the ranch from his home in London.

Clarendon To Return To Old West During Fourth Of July Celebration

FOURTH WILL BE A GALA AFFAIR

PLANS WELL UNDER WAY; COUNTY PEOPLE DONATING RELICS, PICTURES.

People all over the county and the Panhandle are showing great enthusiasm over Clarendon's "Re-enactment of a Fourth of July Fifty Years Ago." Persons from surrounding communities and towns will be asked to cooperate in the collecting of pioneer relics.

Jerome Stocking, chairman of the local collection committee, reports that he has already received a number of interesting relics and photographs which will be exhibited on this occasion, which promises to be a high spot in the history of the county.

Mr. Stocking is interested in old guns, spurs, belts, and old Indian relics, old pieces of furniture, old photographs, and particularly anything that dates back to the old Clarendon settlement.

Mr. Stocking has selected Will Chamberlain, J. C. Estlack, and Misses Lorraine Patrick and Jo Ella Stewart to serve on the collection committee with him.

A special collection of old dresses, bridal costumes or any dress worn before 1910, will be made by the girls of this committee.

Whether display windows in the business district will be utilized for the exhibits or whether the collection will be located in a central house has not as yet been decided by the committee.

Homer Mulkey, chairman of the parade, has chosen Jimmy Moores, Ed Fox, and Winks Adams to assist him. Mr. Mulkey reports that he, together with his committeemen, will secure 150 horses and riders for this gala event.

The JA Ranch will either allow the ranch chuck wagon to be used in the parade or rig up a semblance of the wagon, reports officials.

It is the purpose of those in charge of the parade to have all old cow punchers to don their regalia and to lead the pompous exhibition.

J. M. Hill, chairman of the floats committee, has received the promise of a beautiful float from the local Lions Club; other business and civic clubs will doubtlessly respond.

The worthy purpose of this celebration, aside from a pioneer and old settler's get-together, is to develop the necessary spirit which will prepare the county for the 1936 Centennial in making it the greatest historical re-enactment ever undertaken by a people.

DAM REPAIRING IS WELL UNDER WAY

ALL DAMS WILL BE REPAIRED BEFORE STARTING NEW ONES.

"It is the purpose of those in charge of the flood control project to repair the broken dams and improve all dams already completed before undertaking the construction of any new retention dams," stated J. M. Hill, local Engineer of the flood control project.

The large dam south of the college building which remained intact has been greatly improved the spillway being made approximately twice its previous width and the height of the dam being increased from six to eighteen inches.

Due to the reduction of relief labor, work in repairing the dams broken during the recent heavy rain has been slackened considerably, although thirty to forty transient bureau boys work daily together with relief clients who do not work consecutively through the week.

The dam which was damaged on the Sims farm has been widened and deepened, with width added to the spillway.

Mr. Hill, in order that the project might be submitted to the State Relief Office to receive approval, is completing a map of the entire project with elevations on all the draws at ten feet intervals, beginning at Clarendon Lake and extending to the head of the draws.

Mrs. Carroll Baldwin and children of Lamesa are in Clarendon this week visiting her father, W. M. Bourland.

CLYDE DOUGLAS ATTENDS DRUGGIST CONVENTION

Clyde Douglas attended the fifty-sixth annual convention of the Texas Pharmaceutical Association which was held at Dallas on June 3rd, 4th, 5th, and 6th. Mr. Douglas left this city Monday and returned Thursday.

Fifteen hundred attended the convention which was held at the Baker Hotel.

Principal speakers for the occasion were Governor James V. Allred, Representative R. I. Reader from San Antonio, Senator Joe Hill of Henderson, Senator Claude Westerfield from Dallas, John W. Stocum of Indianola, Iowa, John W. Dargavel, Chicago, Illinois.

Mrs. H. E. Westmoreland and daughters, Kiki and Janice, are visiting this week in the home of Mrs. Westmoreland's parents, Mr. and Mrs. Tom F. Connally.

Miss Mary Katherine Headrick of Amarillo is visiting this week in the home of Miss Ineva Headrick.

Martin lost 8 and 7, to H. H. Gittich; Otus ackson lost, 1 up, 19 holes, to J. C. Stockton; Frank Whitlock won, 1 up, 19 holes, to J. W. Keather.

Bankers Are Here Friday For Social

Four-County Bankers Organization Will Convene For Annual Fete

Local bankers will be hosts Friday to the Four-County Bankers Association at the annual social get-together; Collingsworth, Hall, Childress and Donley compose the four-county organization and over fifty bankers from this district will be visitors in this city Friday.

Headquarters for the meeting will be at the Antro Hotel. Clarendon bankers have planned a most interesting day for the visitors. The first event of the day will be a golf tournament at the Hillcroft Golf Club; the wives of the bankers to be entertained at the Pastime Theatre with a special matinee.

At five o'clock, swimming and a chicken barbecue at the Country Club will be the main feature of the afternoon's program. Dancing in the Club house will complete the festivities of the day.

Lions and Transients To Play Donkey Ball

A team from the Lions Club and a team from the local Transient Bureau will furnish thrills, spills, and laughs galore for Clarendon baseball fans Tuesday afternoon at 2 o'clock at the College Park with a donkey baseball game.

The proceeds of this game will go to the worthy cause being sponsored by the Lions Club, the crippled children's fund.

Lion Homer Mulkey is in charge of the game and every player except the pitcher and the catcher will be mounted.

There will be a small admission fee.

Patrick Talks To Lions On Mexico

Twelve Lions Named For Perfect Attendance Period Ending April 19

A talk on the "Coming Trip to Mexico" was delivered the Lions at their regular meeting Tuesday noon by W. H. Patrick on the occasion of the Lions International Convention being in Mexico City in July.

Mr. Patrick in a fine selection of words gave a pleasing description of his last trip into Mexico, told the Lions they would never make a trip outside of the United States that you will enjoy any better than one to Mexico. In speaking from his past trips he stated he had made three trips to Mexico, two of them being to Mexico City, the last being with a group on a trip for the Federal Reserve Bank system.

He dwelt at length on the industrial city of Mexico, Monterey, a city of 300,000, and Mexico City.

Lions named as having a perfect attendance from September 17 to April 29 were Burton, Caraway, Ferrell, Braswell, Rathjen, Douglas, Patman, Stallings, Drennan, McKee, Lowry and Lane.

Lion Mulkey announced arrangements were being made to present Joe Boy Hill of Canyon, a member of Admiral Byrd's Second Antarctic Expedition here the latter part of the month. He also announced a donkey ball game to be played at College Park next Tuesday afternoon, the proceeds going to the crippled children's fund.

Lions Ragland, Hicks and Link were announced as the program committee for next week.

Shamrock Pastor To Speak Tonight Church of Christ

The Reverend Perkins Cooper, pastor of the Shamrock Church of Christ, will be in this city tonight to deliver a sermon at the local church at 8:30 o'clock.

The Reverend Cooper is an interesting speaker and promises an inspiring sermon. The general public is invited to attend.

Transient team on a forfeit, the Chamberlain team failed to put in their appearance. In order not to disappoint the large crowd of fans that had assembled, a game was played by the Transient team and an All-Star pick-up team. The Transient boys showed they were ready to play ball by beating the All-Stars with a score of 22 to 14. Umpires, Cobb and Rhodes.

DADS' WILL BE HONORED SUNDAY

FATHERS' DAY WILL BE OBSERVED THROUGHOUT NATION SUNDAY

As is usually the case "father" enjoys none or a very minor portion of the sentimental affection in the average family life. Mother has been honored, and justly so, in that "Mother's Day" finds its place on the calendar of national celebrations and memorials, but until recent years no day was specified to do honor to "Dad". However, Clarendon and Donley County fathers will join their brothers throughout the nation Sunday and enjoy the unusual position of "king for a day" and receive the plaudits and affectionate consideration from the sons and daughters and wives on this grand gladsome occasion.

The general tendency in this age is to class a father as the financial head of the family institution, a person with a trifle frown upon his forehead, and at times one to be feared. But such is far from the usual run of fathers. "Dad", although a bit blustery and perhaps wearing a hardened look upon his countenance from the punishing billows of a stormy business and economic world, is still a warm hearted human, one who longs for the affection of an appreciative family.

"Dad's just a regular fellow at heart and always working and planning for his family and a kind deed or word will mean worlds to this fine gentleman we know as "father". Don't forget "Dad", Sunday.

Churches in this city are co-operating in making "fathers day" a day of reverence. The Rev. E. D. Landreth, pastor of the First Methodist Church, will deliver a message on "Being a Father", and the Rev. W. E. Ferrell, pastor of the First Christian Church, will deliver a sermon pertaining to the significance of "fathers day".

All churches in the City extend a special invitation to fathers and their children to be present at the morning and evening services.

Pledge

I will think—talk—write . . . Texas Centennial in 1936! This is to be my celebration. In its achievement I may give free play to my patriotic love for Texas' heroic past; my confidence in its glories that are to be.

TIDY UP FOR THE BIG CELEBRATION

With the re-enactment of a "Fourth of July Fifty Years Ago" and Clarendon's big Homecoming less than a month away, brings to mind that our town ought to have a genuine clean-up and brightening in preparation for that event.

Clarendon has long held a reputation for one of the most attractive cities in the Southwest, and if we are to be visited by hundreds and thousands of Old Settlers, former residents of the city and county as well as a great crowd of casual visitors, then it behooves us to make the old town put on her best bib and tucker, to prove that in modern years she has lost none of her former charm.

There are a number of paint jobs going on over town, which with a general tidying up will go far to bolster up the genuine Western welcome Clarendon will extend to her guests on July 4th.

PROHIBITIONISTS CAN WIN IF THEY WORK

In the attempt to repeal state prohibition in Texas on August 24th, the dry forces have the votes to win by a hand some majority, if they will only arouse themselves and get their forces out to the polls.

The anti's are counting big on carelessness and lethargy of the prohibitionists winning their fight for repeal, and the proposed repeal law has so many jokers in it that in the intervening weeks the voters are going to need waking up on the subject, or Texas may have liquor without any semblance of control.

Texas daily newspapers, many of them, are so bound up with the race-track element, who are solidly behind the effort to bring legal whiskey back to this state, that no aid from them may be expected; quite the contrary. They will either keep still and hope for little agitation, or they will becloud the issue as many of them have always done.

The issue is legal whiskey with little restriction, or unlawful whiskey with an administration that will do its best to stamp it out. It's the same old fight—"whiskey" or "no whiskey."

Donley County is expected to return its usual heavy majority for prohibition and decency—and she will, if the dry voters do their duty.

FIRST READER LESSON

Six little boys met on a highway and began throwing rocks at each other.

Each had his pockets full of stones.

Each little boy was hurt. Everyone was soon bleeding. So they quit for awhile.

But the sixth little boy wouldn't throw away his stones because the fifth one wouldn't.

And the fifth little boy wouldn't throw away his stones because the fourth one wouldn't.

The fourth little boy wouldn't throw his stones away because the third one wouldn't.

The third little boy wouldn't throw his stones away because the second one wouldn't.

The second little boy wouldn't throw away his stones because the first one wouldn't, and the first one wouldn't throw his stones away because the sixth one wouldn't.

So all kept stones in pocket. Whenever they met, a fight generally always occurred. The little boys had such names as France, Germany, England, America, Japan, and Italy.—Journal, Winston-Salem, North Carolina.

The cry of the taxpayer is "cut expenses, but don't lop off anything that will affect me."

CHECK UP

Look this list over and check yourself against it. If none of these causes for failure apply to you, then you are to be congratulated, because you are a SUCCESS.

1. Finding fault with the other fellow but never seeing your own.
2. Doing as little as possible and trying to get as much as possible for it.
3. Spending too much time showing up the other fellow's weak points and too little time correcting your own.
4. Slandering those you do not like.
5. Procrastination—putting off until tomorrow something that you should have done before yesterday.
6. Deceit—talking friendly to the other fellow's face and stabbing him in the back as soon as he turns around.
7. False beliefs that you are smart enough a harvest of pay before sowing a crop of honest service.
8. Disloyalty to those who have trusted you.
9. Egotism—the belief that you know it all and no one can teach you anything.
10. Last, but not least, lack of the necessary training and education to enable you to stand at the head of your line of work.—Quoted.

JEFFERSON'S GREAT DREAM

The more closely you scan the trend of affairs in the United States over the past century, the more you must be of the opinion that the present era is the forerunner of a great transition in our theme of government. This nation was founded, and Thomas Jefferson visioned it as such, on the theory that the average man would own his own land, and also that a majority of the population would remain in agricultural centers.

But this dream of Jefferson's hasn't materialized; most people work for others, and they do not depend upon their own land for sustenance. The result is that we now have a generation of voters, the majority of whom are products of city industry; they do not know the feel of an ax as it clears farm land in a forest; they do not thrill to the turn of a furrow as they sow crops; they have no recollection of the beat of wind and rain and snow and sleet upon their bodies as Winter tried to drive them from the conquest of Nature's elemental environment.

The net result of all this reveals a majority of American citizens unable to appreciate the priceless heritage of free self-governing privileges; the resulting citizen apathy and disinterest therefore leave the predatory and mercenary politician; and, unless human beings reform, you can figure out for yourself how and when some form of State Piracy and dictatorship will eventually become sovereign in our beloved America.—Eccentric, Birmingham, Mich.

"Ride Him, Lady, Ride Him!"

Though it is, admittedly, a bit of trick photography, the picture suggests interesting possibilities in the development of automobile decorations.

The animal is the Dodge radiator ornament; it depicts the Big Horn or Rocky Mountain sheep, the embodiment of speed, surefootedness and agility. In a wider sense, the sculptured sheep is emblematic of the new Dodge Red Ram engine.

The attractive young lady tricked on the sheep's back is Miss Helen Pruett, one of the newer members of Hollywood's film colony.

In the face of one of the largest crops that our county has ever known, and fast oil development, it is natural that we should look for the improvement of our city; in its respect we are by no means standing still. Not only are our streets being paved but many residents are being remodelled, and many hundred feet of sidewalk are finished or under headway. The street paving represents an expenditure of about \$50,000, and this construction is being done with all possible speed to insure good workmanship.

The Lelia Lake oil well which has been shut down for several weeks on account of a twisted casing, will resume drilling at once, as their machinery for pulling has arrived, and they will go down. Indications so far have been favorable. They have reached nearly a 500 foot depth.

FIRST METHODIST CHURCH

E. D. Landreth, Pastor

Sunday is Father's Day and will be so observed at the Methodist Church. What better way could you observe this day and honor your father than to be present at the place of worship Sunday. The pastor will preach on the subject of "Being a Father." This message should be heard by every father and son, every mother and daughter who can be present.

Sunday School opens at 9:45. Church services begin at 10:50 a. m. and 8:15 p. m. Sunday evening at 7:15 the first meeting of a Training Class will be held. All who are interested in better preparation for teaching in the church school are invited to be present and enroll for the course. The meeting will be held each Sunday evening just preceding preaching services.

In Goliad county nine boys are cooperating in a demonstration in which 23 pigs have been put on feed in a splendid location with access to plenty of green pasture. They will have self-feeders, constructed the A & M way, and shelled corn combined with protein supplement will be the ration. Local bankers have set up a revolving fund to help the boys finance the venture and the Goliad Rotary Club has underwritten it for them.

ELECTRIC POWER

An Item that has not Increased

Through the American principle of private initiative in business, electric rate reductions have been continued along with improvement in service. According to the United States Bureau of Labor Statistics, electric service costs for the United States as a whole are now 39% lower while the cost of living now is 38% higher than in 1913.

According to the National Industrial Conference Board, food is now 25% higher than 1933, clothing 22% higher, and rent 8% higher. Total taxes, including the numerous Federal taxes the consumers pay indirectly, have increased at an alarming rate and for the average family now amount to more than ten times the cost of electric service.

Net average rate for all the 160 communities served by the West Texas Utilities Company is today more than 60% below that of 1922. Electric service is cheap. You should use more of it.

BELOVED CITIZEN PASSES THURSDAY

W. D. VAN EATON, IMPORTANT FIGURE IN COUNTY FOR 31 YEARS DIES HERE

A multitude of friends of Clarendon and the entire county were shocked Thursday at the sudden death of William Daniel Van Eaton, pioneer rancher and resident of Donley county for 31 years.

Death came to this beloved, picturesque character as the result of a stroke of apoplexy at 9:20 o'clock Thursday morning while working in the flower garden of his home in this city; he died instantly.

Mr. Van Eaton gained the love of Clarendon and Donley county citizens, and people all over the Panhandle, by his sterling qualities of character, his willingness to befriend anyone, and for his leadership in public affairs.

William Daniel Van Eaton, 80, was born in Jonesville, North Carolina, on March 23rd, 1855. He attended Emory and Henry College, the oldest Methodist College in the South and located at Avington, Virginia.

After graduating from Emory and Henry College, he moved to Texas and lived for five years at Fort Worth. In 1881, he managed the Phelps ranch in Hill county, which had previously been owned by a cousin from his birthplace in North Carolina.

He was united in marriage with Miss Lucille Moncre, of Richmond, Virginia, in the year of 1888, at Cleburne, Texas. To this union were born two daughters, Annie Maud and Archer.

In 1904, Mr. and Mrs. Van Eaton moved to this city in order that the two girls might enjoy the benefits of the old Methodist College. Mr. Van Eaton purchased the large ranch which he still owns on Spade Flats, together with farm lands in other sections of this county.

In his early youth, Mr. Van Eaton united with the Methodist Church, his father being a Methodist pastor at Jonesville. In this church as he developed spiritually, he found his life's greatest ambition, to help his fellow man, to be a honor to his church, and to set an example of true Christian living. Mr. Van Eaton was instrumental in the erection of the local First Methodist Church, being a member of the building committee. He was a member of the Masonic Lodge.

Since the establishment of the Adair Hospital, Mr. Van Eaton served as a board member. Among other city and county activities in which he participated, he was a member of the Board of Regents of the old Clarendon College.

Besides his wife, he is survived by two daughters, Mrs. B. W. James of Richmond, Virginia, and Mrs. Joe McMurtry of Briscoe county; two grandchildren, Mary Lucille and Bernard Van Eaton James of Richmond; four nephews who reside in North Carolina; one nephew at Olive, New Mexico; and four nieces of North Carolina.

Funeral services were conducted Sunday morning at 9:30 o'clock at the family home with the Reverend E. D. Landreth, pastor of the First Methodist Church, performing the last rites. Mesdames Lester Sheffy, Ralph Korbow, J. L. McMurtry, E. D. Landreth, Lala Wilkerson and

Miss Helen Martin composed a sextet and sang "Rock of Ages," and "Abide With Me."

Pallbearers were T. H. Peebles, C. R. Skinner, W. M. Bourland, S. W. Lowe, Walter Taylor, and G. M. Cottingham. Honorary pallbearers were W. H. Patrick, Frank Bourland, T. F. Connally, Lee Holland, Fred Rathjen, Joe Horn, John Blocker, C. T. McMurtry, Alan Jefferies, and Dr. J. M. Ballew of Memphis.

Interment was made in the Citizens Cemetery.

Mr. and Mrs. George T. Cook of Peeble Beach, California, and Miss Ethel Bugbee of Long Beach, California, visited in the home of Mr. and Mrs. Tom Bugbee, Mr. and Mrs. W. H. Patrick, and John Bugbee from Wednesday of last week until Monday.

Mr. and Mrs. C. Baldwin of Lamesa and Mrs. Z. G. Sherman of Hedley spent Friday in Clarendon visiting in the home of Mrs. M. E. Thornton.

MARY BERTHA SHURE DIES IN MARYLAND

Miss Mary Bertha Shure, 20, daughter of Mr. and Mrs. R. Dean Shure of Takoma Park, Maryland, died June 5 at the home of her parents after an eight-week's illness.

Miss Shure was born in Clarendon in 1915 and lived in this city where her father was head of the conservatory of music in the old Clarendon College.

Miss Shure was a senior at Southern Seminary, Buena Vista, Virginia, and was to be graduated with honors.

During the Senior year she was art editor of the year book, drawing all the illustrations, the last of which she had completed before becoming ill.

She is survived by her parents and one brother, Ralph, an attorney in Chicago.

Funeral services were held in Takoma Park Friday at one o'clock.

HANDY-ANDY LAUNDRY TO OPEN HERE ON SATURDAY

Mrs. O. H. Jackson has installed new, modern equipment in a helpfully laundry located three blocks East of the Donley County State Bank and called the Handy-Andy Laundry. The laundry will open Saturday.

Mrs. Jackson has an ideal location with ample space and promises courteous, economical, and efficient service to all customers.

R. W. Harvey, Jr., former bookkeeper at the Donley County State Bank and now manager of the National Surety Corporation at Dallas, was in Clarendon Tuesday visiting with friends.

Mrs. E. C. Boliver, Edwin Boliver, Miss Pauline Boliver and Mrs. W. H. Huffman and children and little Miss Mable Moore, all of Hedley spent Tuesday in Clarendon.

Allen Bryan left Sunday and returned Tuesday after a business trip to South Plains.

CARD OF THANKS

We wish to take this means of attempting to express our sincere gratitude to the many kind friends and neighbors, to those who sat up, and to the Masonic members for their wonderful help during the death of our loved one. May God in His infinite goodness provide each of you with choicest blessings, is our ever prayer.

Mrs. W. D. Van Eaton, and Family.

Dr. Knox Dunlap Weds Miss Shelton In Church Ceremony

In a beautiful and impressive ceremony Wednesday afternoon at four o'clock at the First Methodist Church, Doctor Knox Dunlap, son of Mr. M. A. Dunlap of Ponca City, Oklahoma, and Miss Pauline Shelton, daughter of Mr. and Mrs. E. P. Shelton of this city were united in marriage. Doctor S. G. Slover of Amarillo read the ring ceremony.

An improvised trellis covered with pink roses formed the altar where the couple exchanged the vows. Tall silver candelabra with pink tapers flanked the altar and the background was beautiful with potted plants, roses, and greenery.

Miss Anna Moores, accompanied on the organ by Miss Delphia Bones, sang the pre-nuptial solo, "At Dawning." Miss Bones played the organ processionals, Mendelssohn's "Wedding March" and softly played Liszt's "Liebestraum" during the ceremony. The organ recessional was "Bridal Train" by Moore.

The bride, who entered with her father, wore a lovely bridal creation of white satin, sheered high at the neckline, with flowing peasant sleeves. The skirt was fitted in front and trained slightly in the back with a sheered gore. She wore a matching turban with a tiny nose veil. Her shower bouquet was of pink Columbia roses with showers of sweetpeas and baby's breath.

The groom is the son of Mrs. John Irons of Cumby, Texas. Mr. Irons attended Clarendon Junior College the past year. Only close friends and relatives attended the ceremony. The young couple left immediately for points of interest in East Texas and will both enter North Texas State Teachers College at Denton this summer.

Attending the groom was Doctor L. A. Ashmore of Wichita, Kansas, a roommate of the groom in medical college.

Mrs. Harold Raiiins of Dallas and Miss Edith Shelton were ushers.

The bride is a talented musician, being a popular member of musical circles both in this city and in Canyon where she attended West Texas State Teachers College. Mrs. Dunlap attended Clarendon High School, Clarendon Junior College, and will receive her B. A. degree from West Texas State Teachers College this summer. She is a member of the Pi Omega society at Canyon and a member of the National Honor Society, Alpha Chi. In 1934, Mrs. Dunlap was chosen one of the beauties at West Texas State Teachers College.

Doctor Dunlap attended high school at Ponca City, Oklahoma, and received his A. B. degree from the University of Kansas at Wichita, Kansas. For two years, he coached in football at Maize, Kansas, and re-entered the University of Kansas, receiving his Medical Degree in 1932. Doctor Dunlap interned at the University Hospital of Oklahoma City and joined the army, gaining the rank of First Lieutenant in the Medical Corps. June 1 of this year, he completed his work in the Medical Field Service School at Carlisle, Pennsylvania. He is a member of the Phi Beta Pi fraternity and a Thirty-Second Degree Mason.

The young couple left immediately following the ceremony for Wichita, Kansas, and points of interest.

Mrs. Dunlap wore a suit of navy blue crepe with a blouse of white net. Her accessories were of white and blue.

After an extended trip, Doctor and Mrs. Dunlap will be at home at Fort Leavenworth, Kansas.

Out of town friends and relatives present at the ceremony were Mr. and Mrs. Solon Dunlap and son, Oral, of Oklahoma City, Mr. and Mrs. E. C. Arnold and daughter, Helen, of Oklahoma City, and M. A. Dunlap of Ponca City, Oklahoma and Miss Florance Holman of Canyon.

Irons-Dennis

Announcement has been made here of the marriage of Mr. Sherman Irons of Lelia Lake to Miss Jeanette Dennis, also of Lelia Lake. The couple were married May 22nd at the home of Mr. Iron's sister, Mrs. F. N. Allen. The Reverend F. N. Allen read the ceremony.

The bride was attired in a black frock with cream colored accessories. She taught the past year in the Lelia Lake school and attended Texas Woman's College at Fort Worth.

The groom is the son of Mrs. John Irons of Cumby, Texas. Mr. Irons attended Clarendon Junior College the past year.

Only close friends and relatives attended the ceremony.

The young couple left immediately for points of interest in East Texas and will both enter North Texas State Teachers College at Denton this summer.

Youree-Settle

A surprise to their many friends was the marriage Thursday of Mr. Gene D. Youree to Miss Helen Settle, both popular young people of Hedley. The ceremony was read by the Reverend T. J. Rea, pastor of the Memphis Methodist Church, at the Memphis parsonage.

J. D. Shaw and Miss Ruth McQueen, both of Hedley, attended the couple.

The bride wore a lovely suit of tan and green with harmonizing accessories. She is the daughter of Mr. and Mrs. H. B. Settle of Hedley, and is a popular member of the younger set of that city, having been elected Queen of the Hedley High School this year. She was a member of the 1935 graduating class.

The groom is the son of Mrs. N. E. Youree of Fairplay, Colorado. He has lived in Hedley most of his life, and has a host of friends in that city. He is a graduate of Memphis High School, having finished with the class of 1933. He attended West Texas State Teachers College at Canyon in 1934.

The couple left immediately after the ceremony for Colorado and Southern California.

After July 1st, they will be at home to their friends in Denver, Colorado, where Mr. Youree will be employed with the Eureka Sugar Refining Company.

Headlee-Garland

Mr. Herbert L. Headlee and Miss Vera Maxine Garland were united in marriage here Friday morning at 10 o'clock at the Methodist parsonage. The Reverend E. D. Landreth, pastor, read the ring ceremony.

The bride was attired in a suit of dusty pink with white accessories. She was attended by her sister, Miss Mary Lee Garland, who wore a white semi-tailored frock with harmonizing accessories. The groom was attended by his brother.

Mrs. Headlee taught for the past year in the Lelia Lake school, but resides with her parents in the Ashtola community. The groom is a resident of Borger.

The young couple will reside in Borger.

B. & P. W. Club Has Business Meeting

The Business and Professional Women's Club met Monday evening in the Club Rooms for the regular business meeting.

President Miss Mantie Graves presided over the business and aside from monthly business transacted, the club made a liberal donation to the Club Room Board fund.

Members present were Misses Opal Pyle, Mantie Graves, Helen Weidman, Julia Wiedman, Ruth Donnell, Annie Bourland, Lotta Bourland, and Mesdames Ruth Teat and Helen Watson.

The young couple left immediately following the ceremony for Wichita, Kansas, and points of interest.

Mrs. Dunlap wore a suit of navy blue crepe with a blouse of white net. Her accessories were of white and blue.

After an extended trip, Doctor and Mrs. Dunlap will be at home at Fort Leavenworth, Kansas.

Out of town friends and relatives present at the ceremony were Mr. and Mrs. Solon Dunlap and son, Oral, of Oklahoma City, Mr. and Mrs. E. C. Arnold and daughter, Helen, of Oklahoma City, and M. A. Dunlap of Ponca City, Oklahoma and Miss Florance Holman of Canyon.

Houdashell-Taylor

Mr. Frank Houdashell and Miss Lila Myrtle Taylor were united in marriage Monday afternoon at 4 o'clock at the county court house. Judge S. W. Lowe united the couple in marriage.

Mr. and Mrs. Houdashell are both residents of this city. The bride was attired in a dark blue crepe with white accessories. The young couple will make their home in Clarendon.

Brown-McDonald

Mr. Monroe Brown and Miss Willie Mae McDonald were united in marriage June 1st, in this city at the Circuit parsonage of the Methodist Church. The Reverend W. T. Lackey, pastor, conducted the ceremony.

The bride resides in the Martin community where she attended school and the groom is a resident of the Midway community.

The young couple will engage in farming in the Midway community.

J. B. Knight Celebrates Birthday

Mrs. C. L. Knight entertained Monday at her home honoring her son, J. B., on his seventh birthday with a lawn party.

The little guests each brought a gift, and the afternoon passed quickly in games and contests on the lawn.

A large white cake graced with pink candles was presented the honor guest and the hostess served an ice course to the youngsters in the late afternoon.

Honoring Master Knight were little Misses Marilyn Maher, Dorothy Jean Helton, Beverly Gray Stricklin, Elise Norwood, Clara Jo Hays, and Masters Freddie Rathjen, Sullivan Cooper, Jr., Lee Shelley, Billy Shelley.

Kiddies Story Telling Hour

The Pathfinder Story Hour drew a large attendance of kiddies Tuesday afternoon when they met in the regular meeting on the Courthouse lawn.

"The Ugly Duckling" was pleasingly told the kiddies by Mrs. Tom Goldston. An half-hour of supervised play followed with Mesdames R. L. Bigger and Cap Morris as sponsors.

At the Story Hour next Tuesday evening from 7 until 8 o'clock, Mrs. W. E. Stewart will be story teller and Mesdames H. T. Burton and Fred Buntin will be sponsors.

All the children of the county are invited to attend.

Friendship Club Has Enjoyable Meeting

The members of the Friendship Club met Tuesday afternoon for a pleasant afternoon in the country home of Mrs. Harley Skinner.

The hostess opened the meeting with prayer and Mrs. C. E. Lindsey read the scripture; the remainder of the afternoon was spent in sewing and conversation.

A dainty ice course was served to Miss Idell Durrette of Amarillo, guest, and to Mesdames C. R. Skinner, J. E. Mongole, J. G. Teel, M. T. Crabtree, J. D. Stocking, C. E. Lindsey, M. E. Thornton, L. Ballew, J. L. Allison, and the hostess, Mrs. Harley Skinner.

Garden Flowers Used At KiKare Klub

An abundance of cut flowers decorated the entertaining rooms Thursday afternoon when Mrs. S. W. Lowe entertained the members and the guests of the KiKare Needle Klub at her home on College Boulevard.

The afternoon was delightfully spent in conversation and needle work, and the hostess served a tasty salad course.

Members and guests present were Mesdames Joe Cluck, B. L. Jenkins, Reeves, J. R. Bartlett, Allen Bryan, O. C. Watson, Louie Thompson, Ralph Kerbow, W. C. Clifford, G. G. Kemp, Eva Draffen, W. B. Sims, Buel Sanford, Harry Brumley, LaVerne Goldston, and Misses Ida Harned, Etta Harned, and Dorothy Kerbow.

Mr. and Mrs. G. W. Kemp enjoyed a visit this week from Mrs. Kemp's parents, Mr. and Mrs. R. B. Sharp of Spur, and also her brother's family, Mr. and Mrs. C. L. Sharp and little daughter, Jeanette, of Denton.

MOTHER OF TWO CLARENDON MEN DIES AT JACKSBORO

Mrs. Martin Lane, mother of Alvin G. Lane and Elmo Lane of this city, passed away at her Jacksboro home Saturday, after a lingering illness.

Mr. and Mrs. Alvin Lane and two sons, Maurice and A. G., Jr. of Whittensburg, and Mr. Elmo Lane left here Saturday afternoon upon receiving the message of her death.

Funeral services were held Sunday afternoon at Jacksboro. Interment was made in the Jacksboro cemetery.

W. S. Boydston and Carl Tipton of Groom visited here Sunday with friends.

SCOUT MEETING DATE CHANGED TO MONDAY

The regular meeting date of the Boy Scout troops has been changed to Monday night. The boys will meet each Monday at the Boy's Hall located in the College dormitory. This change of the meeting date is not permanent but will be for only the summer months.

Cap Morris reports that a gala affair is planned for Thursday night, a hike and picnic on which all Boy Scouts are invited. The regular hike will be on every 2nd and 4th Thursday, according to Mr. Morris.

Mrs. Bill Greene and son, Billy, are visiting in Dallas.

NAYLOR

(By Mrs. Richmond Bowlin)

Our school closes Friday. Will present program that night—all are invited to be with us. We have had a most successful school year and are delighted to have our teachers, E. H. Estlack and Mrs. Edwin Eanes for another year. Last news from little T. E. Naylor, Jr. was that he was slowly improving. The Naylor family attended the funeral of Mr. Van Eaton at Clarendon Sunday. Mr. and Mrs. W. M. Pickering, also Mr. and Mrs. Edwin Eanes spent Sunday afternoon at Chamberlain, guests of Edwin's parents, Mr. and Mrs. W. T. Eanes. Mr. and Mrs. E. V. Quattlebaum spent Sunday with Mr. and Mrs. A. O. Hefner. Mr. and Mrs. Tommy Bain were dinner guests of Mr. and Mrs. J. W. Mann and all visited Sunday afternoon with Mr. and Mrs. Price Simmons. Mrs. A. E. Tidrow is spending this week with her daughter, Mrs. Dee Crites and Mr. Crites at Chamberlain. Mrs. Crites is just home from hospital at Clarendon. Mr. and Mrs. Ray Hefner also Miss Letrows Scott, all of Clarendon, were dinner guests of Mr. and Mrs. Walter Scott Sunday, and Mr. and Mrs. Ray Hefner were supper guests of Mr. and Mrs. A. O. Hefner. Virgil Adams and son spent Sunday with Mr. and Mrs. A. O. Hefner. Mr. and Mrs. Richmond Bowlin spent Sunday with Mr. and Mrs. Rhea Bowlin. Mr. and Mrs. T. B. Downing and family spent Sunday with Mr. and Mrs. Walter Scott. A. O. Hefner came home Friday from Groom where he spent the week on business. Mr. and Mrs. Verna Lusk of Clarendon spent Sunday with Mrs. Lusk's parents, Mr. and Mrs. A. O. Hefner. Farmers are very busy—some planting an others cultivating. Sunday School doing nicely—good attendance, all are invited to come.

Home-grown grain, plenty of skim milk and green feed helped Orville Laabs, 15, Cameron county 4-H club poultry demonstrator to keep his feed cost down to 53 cents per hen for 10 1-2 months.

GOLDSTON NEWS

(By Mrs. G. R. Grant)

Brother Vaughn filled his regular appointment here Sunday morning and Sunday night. Those visiting in the Jordan home last Sunday were Mr. and Mrs. Easterling of Martin. Mr. and Mrs. Scaff, Mr. and Mrs. Brock and Mr. and Mrs. Barrow of McLean.

H. M. Stewart is in Amarillo this week taking treatment for his eye which has been giving him some trouble. Mrs. Rowe and children visited with her parents, Mr. and Mrs. Hahn over the week-end. Mr. Pope and wife of Arkansas are visiting here with his children. Mr. and Mrs. Hudgins of Amarillo visited here Sunday and Monday with their daughter, Mrs. Leonard Goldston and family. Mr. and Mrs. Stegall took Sunday dinner with Mr. and Mrs. Hubert Ziegler. Mr. and Mrs. Fontayse Elmore visited relatives in Amarillo last Saturday. Mr. and Mrs. Alfred Pegram of Quail visited with his parents here over the week-end. Leonidus Elmore went to Vernon last week where he has employment for the summer. Carl Dilli, who has been attending school at Amarillo returned home last week. The Young Folks Sunday School class enjoyed a picnic at the Girl's Campfire house Saturday night. Farmers have been very busy planting. The weather being ideal Wednesday morning. We had a nice shower which will be of great benefit. Mr. and Mrs. W. L. Goldston visited Sunday afternoon with Mr. and Mrs. G. R. Grant. Brother Vaughn took dinner with Mr. and Mrs. Gray last Sunday.

CIRCULAR ADVERTISING GOES IN WASTE BASKET

Did you see the waste paper can at the post office last week? Did you notice that it was running over with circulars—all advertising sheets—which had been thrown there by box-holders? Did you notice that many refused to even go to the waste paper can, but simply dumped this all-advertising sheet on the floor? That "advertiser" (?) wasted a lot of good money filling the waste paper can. The business firm which resorts to so-called "cheap" methods of reaching the public through circulars and all-advertising bill plans is not reaching the buying public 100 percent, or even 50 percent. How many copies of The News, have you seen thrown into the waste paper can at the post office? The newspaper is a welcomed visitor into every home, where it is read by every member of the family. The advertiser who wishes to have his message welcomed into the homes of the Clarendon community should use The Clarendon News regularly. It is unprofitable to buy advertising for the benefit of the ash can.

Naylor, Pat Longan, Jimmie Mill-sap, one visitor, Mrs. Evans from Mobeetie, Misses Virginia and Jane Williams, Katie Meaders, Beatrice Hardin. Misses Jane and Virginia Williams will entertain the club next meeting. Mr. and Mrs. Lee Usery and children spent Sunday with Mr. and Mrs. W. W. Dodson in Clarendon. Ferris Spaton who was operated on for appendicitis Thursday is getting along very nicely. Mr. and Mrs. Potter, Mrs. Orvil Harlin and Donald Harlin were dinner guests in the Longan home Sunday. Mrs. John Goldston and daughters, Betty and Lucile, called on Mrs. Lee Usery Monday afternoon. Mr. and Mrs. Breedlove and Mr. and Mrs. J. C. Longan spent Sunday with Mr. and Mrs. Nelse Robinson. Engines of destruction, that's what automobiles are called. By always being in a hurry drivers can do much to hand this designation on down to posterity. Mothers and fathers in crossing streets should be careful not to set good examples for their children. A red light to many is like a red flag to a bull—a signal to charge.

Victor Moore Says: "It's the Top in Motor Cars"

Victor Moore, now starring in Broadway's biggest musical hit, "Anything Goes", says: "I bought my new Dodge because of its striking looks... and was delighted to find that it gave me amazing gas and oil economy." And Mrs. Gertrude Regal, 2953 Decatur Ave., Bedford Parkway, N. Y., N. Y., says: "I've got plenty of friends who own small cars, but none of them save money the way my new Dodge does. I get from 3 to 5 more miles per gallon of gas than they do, and my oil costs are as much as 20% less." Wherever you go, the story is the same. Owners are simply amazed at Dodge economy. And yet that's only one of its advantages. You, too, can enjoy the extra roominess, comfort and luxury of this big, sturdy Dodge—for a trifling few dollars more than the lowest-priced cars. List price now only \$645 and up at factory, Detroit.

"50% of all motor wear occurs during the starting period"

... say automotive engineers

Measuring cylinder wear with a precision gauge—accurate to a hundred-thousandth of an inch!

*Motorists who know these facts will save money:

Motor oils refined by the usual methods have some oiliness and film strength, but they may form carbon and sludge, which lead to expensive motor repairs. Other oils may form almost no carbon and sludge, but are so over-refined that they are robbed of oiliness and film strength they need to prevent motor wear.

Germ Processed Oil is refined to eliminate carbon and sludge troubles and then the Germ Process adds extra oiliness and 2 to 4 times more film strength than any straight mineral oil, as tests on the Timken machine have proved.

Here are the facts: Oils not Germ Processed drain back into the crankcase when your motor is idle. Bearings, pistons and cylinders are dry when you start. Even in warm weather your motor makes at least a thousand revolutions before the quickest flowing oil can reach all parts. Bare metal grinds against bare metal—destructive wear occurs. Conoco Germ Processed Oil cuts down this costly starting wear! The patented Germ Process—adding concentrated oily essence to highly refined oil—makes it penetrate and combine with metal surfaces. That penetrative film, forming the "Hidden Quart", becomes part of the metal itself and never drains away. Hundreds of dry-crankcase runs have proved the "Hidden Quart"

lubricating value. Cars using Germ Processed Oil were driven 15 to 75 miles with the crankcase empty but without motor damage!

Germ Processed Oil protects your motor another way. All cars built since 1931 have greatly increased pressures and must have oil of extra high film strength for safe lubrication. Straight mineral oils have no more film strength than they had 10 years ago—some have less! Conoco Germ Processed Oil, with 2 to 4 times the film strength of mineral oils, gives modern motors the lubrication they need.

Only Conoco Germ Processed Oil gives full motor protection—when you start, while you drive. You will cut motor wear if you use it!

LIBRARY NOTES
(By Mrs. C. A. Burton)

Honore Willis Morrow has a large circle of appreciative readers. Those of you who have visited the Grand Canyon will remember the Kalb Studio on the bank of the Canyon near the hotel where a Mr. Kalb, each day, delivers a lecture and shows moving pictures of the Colorado River. Just before we were there some years ago the National Geographic had carried a most interesting article about this lecture, so we decided to hear it. As we came out, I stopped and asked Mrs. Kalb to express to her husband our pleasure in the lecture, and remarked that it reminded me so much of a book I had recently read. "The Enchanted Canyon," by Honore Willis Morrow? she asked. I answered yes, and she said Mrs. Morrow got the inspiration to write the story after hearing that lecture. Those of our readers who have read it will agree as to its worth.

Mrs. Morrow is perhaps at her best in her historical novels as, for instance, her Lincoln stories and "Forever Free." In our late purchase of books is her "Black Daniel," the story of Daniel Webster and the lovely woman whom he courted and won. The story contains other actual people, and its historical events are quite accurate. The difference between "Black Daniel" and the Lincoln stories is one of emphasis—this time it is the romance which interests the author. The following quotation illustrates: "In 1829, Daniel Webster, then at the height of his powers, lost his elder brother to whom he was passionately devoted. A year previous his wife had died. In his extreme grief Webster determined to quit public life. Opposition to this decision developed from all directions, but the influence of his friends and the protests of his admirers might have availed nothing had it not been for Caroline Leroy with whom Webster had fallen in love."

Throughout the story is woven the account of Caroline's successful efforts to keep Daniel in the Senate, and in the service of his country. Those who appreciate the historical novel will find this quite satisfying. The biography of King Albert of the Belgians by Emile Cammaerts will be published this fall by MacMillan. It is the story of the life of a king who remains a hero when all is told. The author is a famous Belgian writer, now living in England, and is the biography authorized by the royal family, and much of the material was furnished by the widowed Queen Elizabeth.

We are having an era of exposures among the new books as shown by "100,000,000 Guinea Pigs" by Kalleet and Schlinek and "Skin Deep" by Lena Madelin Phillips, both of which were on a waiting list until school closed, but which are now available to

everybody. Both are the result of Consumers' Research, and should be reliable. A still later book which comes under the same category is "The Popular Practice of Fraud" by T. Swann Harding. Unlike the above named books, this does not advise the reader what to buy, but it does expose hundreds of frauds.

A few new books for boys were added to our shelves this week: "The Radio Boys With the Iceberg Patrol" by Allen Chapman, "The High School Boys' Canoe Club," "The Motor Boat Club at Nautucket," "The Motor Boat Club in Florida," and "At the Golden Gate"—all by H. I. Hancock. Besides these a little volume of poems by that poet whose name is a household word, Edgar A. Guest—"Poems of Patriotism."

In addition to these Mrs. Fred Chamberlain sent us a bundle of books—two for boys by Alger, two by McCutcheon, "Nedra" and "Brewster's Millions," "The Wheel of Life" by Allen Glasgow, "The Passionate Quest" by Oppenheim, and "Rosalie" by Charles Major. Would that all our friends would do likewise.

Sometime ago a book, "Handbook of Best Readings" by S. H. Clark was lost, evidently picked up at an Adult School session. We are hoping some one may have found it and will return it. Please do if you know of its whereabouts.

Clarendon lost a close match to the Wolfen Club in Amarillo Sunday, nine to eleven. Twenty golfers made the trip.

With the fair ways mowed and new sand on the greens, the stage is set for the eighth annual City Tournament starting Sunday, June 16th. Open to any golfer in the city, the entrance fee is \$1.00, which entitles the player to eighteen holes Sunday, and at least thirty-six holes of tournament play through the week. There will be a flight for everyone, with attractive prizes in each flight.

Who's going to win? Well your guess is as good as mine. Ira

Merchant is going strong and has an excellent chance to come thru, but don't overlook such old shot-makers as Andy Woods, M. P. Gentry, and Bill Cooke. Wood's steady game wins for him lots of matches. Gentry is always hard to beat in a pinch, and Bill knows the shots. Then there are the dark horses who are lurking in every tournament, ready to spring from the shadows and cut down an unsuspecting favorite without warning.

There it is, and being a pretty good second guesser, I'll tell you more about who is going to win next week. In the meantime get a Calcutta pool ticket on your choice, and watch him romp to fame and wealth.

Watch the second flight, it's going to be tough. The tourney program: Eighteen holes qualifying Sunday, June 16th. Calcutta Pool Monday night, Tuesday, Wednesday, first round

matches in all flights. Thursday, Friday, and Saturday, semi-finals in all flights. Sunday, June 23, thirty-six holes final in championship flight. Eighteen holes final in all other flights.

This week's scores: Table with columns Name, Rounds, Ave. Dick Cooke 6 37 2-3 Wesley Knorrp 4 40 3-4 Otus Jackson 8 40 7-8 Alex Cooke 9 40 8-9 U. J. Boston 5 41 T. F. Connally 6 41 1-6 Bennett Kerbow 5 42 1-5 J. T. Patman 6 42 4-6

Mrs. J. G. Dodson of Cordell, Oklahoma, will leave Clarendon Thursday after having spent ten days visiting in the home of her daughter, Mrs. J. L. McMurtry.

Mrs. O. L. Fink left Sunday to make an extended visit in Ironton, Texas, with her daughter, Mrs. Edgar Brittain.

WHOSE WORD WILL YOU TAKE FOR BLOWOUT PROTECTION?

LOW wheels, larger tires, and the high speeds of today make blowout protection in your tires vital to your safety as never before. Are you accepting exaggerated and unsupported advertising and sales claims—or are you accepting the judgment of men who risk their lives on their tires and know from experience the tire that gives them the greatest blowout protection?

Thirty-three race drivers and their mechanics lined up for the dangerous, gruelling grind of the 500-Mile Race at the Indianapolis Speedway May 30th. Firestone Tires were purchased and used on every one of the thirty-three cars.

Kelly Petillo won the race at an average speed of 106 miles per hour. Wilbur Shaw was second, flashing across the finish line just behind the winner. Both drivers broke the track record without tire trouble. In fact, not one of the thirty-three drivers had tire trouble of any kind.

For sixteen consecutive years Firestone Tires have been on the winning car. The race this year simply emphasizes again the undisputed evidence that Firestone Gum-Dipped Tires have the greatest stamina and blowout protection.

Gum-Dipping is one of the outstanding reasons why Firestone Tires give such amazing performance. By this process every cotton cord is soaked and every strand is insulated with pure liquid rubber, preventing internal friction and heat, the main cause of blowouts. Gum-Dipping is a patented extra process not used in any other make of tire.

When you consider that there were 882,000 automobile accidents in the United States last year, and of these, 43,000 were caused by blowouts, punctures, and skidding, you will more fully realize how very important it is for you to protect your life and the lives of others by equipping your car with Firestone Gum-Dipped High Speed Tires—the safest tires built.

It will be worth your time to read these three questions and their answers:

QUESTION 1—"Will the tread give me the greatest traction and protection against skidding?"

ANSWER—Leading university tests show Firestone High Speed Tires stop your car 15% quicker than the best of other popular makes of tires.

QUESTION 2—"Are they built to give me the greatest blowout protection?"

ANSWER—Unequaled performance records for sixteen consecutive years prove that Gum-Dipping gives you the greatest blowout protection ever known.

QUESTION 3—"Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

ANSWER—Thousands of car owners report unequaled mileage records—evidence of the longer wear and greater economy of Firestone High Speed Tires.

Volume—Direct Purchasing—Straight Line Manufacturing and Efficient and Economical System of Distributing to 500 Stores and to 30,000 Dealers, enables Firestone to give greater values at lowest prices

Removes the DIRT and cleans White Shoes in a JIFFY

Here's a formula that does more than spread a layer of white. It first cleans the ugly spots that give your shoes that half cleaned look. Then a creamy layer of whitener gives that "just like new" appearance. Try it.
