May Rainfall Basis For Business Pick-Up

HOME-COMING IDEA ADDED TO CITY'S JULY FOURTH CELEBRATION

SATURDAY IS BIG BUSINESS DAY

AGRICULTURAL PROSPECTS OF COUNTY PROMISING FOR FARMERS, RANCHERS

Reports received from business houses of Clarendon indicates renewed vigor in replenishing of pantries and replacing of household furnishings, as evidenced by the large crowd in the city last Saturday, said one of the largest since last fall.

Nice financial returns were reported from practically all businesses, with the merchants planning like banner days throughout the summer.

Several inches of needed moisture received during May has been given as the contributing cause for loosening of temporary strings on pocketbooks. The rains have restored faith in farmers and ranchmen that the West is not a barren, unproductive land, but one which has been and can still be one of the most productive farming and ranching portions of the state.

Many families were seen buying larger stocks of groceries than they have customarily been buying, while the change from cool weather to summer warmth necessitates additional purchases of dry goods and other clothing.

Hardware stores, blacksmith shops, service stations and other business have not been left out of the spring buying. With crop planting programs reaching the advanced stage repairs have been necessary, while gasolines and oils for the everyday business trip and Sunday afternoon rides helps replenish the till for service station operators.

Hundreds of the large crowd in town Saturday attended the opening of Clarendon's latest business addition, George Carter's Sinclair Service Station, pronouncing it one of the nicest stations in this part of the Panhandle, and modernly equipped. Carter states he was well pleased with the reception given him on the opening of his station.

New Feature Begins In News This Week

"Among Our Home Folks," will be continued through each issue of The News giving the readers a new slant on these, our prominent, busy people.

All the answers, or even the questions, cannot be taken too seriously; nevertheless some of the answers given to these questions are as fundamentally a part of the one interviewed as the sober, dignified statements given by these characters, heretofore.

Graves Decorated By Legion Thursday

The American Legion and American Legion Auxiliary members decorated the graves of veterans on Memorial Day, Tuesday, at ten o'clock in the morning.

Barcus Antronus was in charge of placing the flags and Mesdames James Trent, L. S. Bagby, Van Allen Kent, and O. L. Fink decorated the graves with flowers.

State Meeting of B. & P. W. Friday

The state meeting of the Business and Professional Women's Clubs will be held Friday and Saturday in Mineral Wells.

At this meeting and at the request of Mrs. Faye Gordon, of Amarillo and President of the Texas Federation of Business and Professional Women's Clubs, a panel discussion has been arranged, the theme chosen for this panel being "Social Security." The discussion will be at the Crazy Hotel on Friday from 2 o'clock until 4 o'clock.

The public has been invited to attend and will take part in the discussion.

NEWS WILL ISSUE PIONEER EDITION

BIG SPECIAL WILL CONTRIBUTE TO CITY'S "FOURTH OF JULY CELEBRATION."

As the Panhandle's oldest newspaper, and as the champion of progress and advancement of Clarendon and Donley county for almost fifty years, The Clarendon News will issue a "Pioneer's Edition" on Wednesday, July 3rd, immediately preceding this city's celebration the next day, re-enacting a "Fourth of July Fifty Years Ago."

The News staff is already busy gathering material to make this a noteworthy newspaper covering the town and country of the old days, and all our readers are invited to co-operate with us in sending in names of early day families of Donley county and Clarendon from the first settler up until 1895. Please write us the names of those you remember and any facts about their deaths, places of burial, descendants, or present whereabouts if they are still alive. We will carry the names of all we are able to gather in this way, and will appreciate your help. Write us or call us over the phone and your assistance will make the "Pioneer Edition" what it hopes to be.

It is our purpose to have letters from Old Settlers—the committee says any person is an Old Settler at this celebration if he lived in this section before 1895, forty years ago—and your help in this connection will be appreciated also.

Some early day pictures of the period from 1878 to 1900 will be reproduced in the "Pioneer's Edition," and it is to be one that will be treasured for many long years as a memento of the pre-centennial period in Donley county.

Miss Mary Kathryn Headrick of Amarillo is visiting this week in the home of Miss Ineva Headrick.

BANKHEAD APPLICATIONS MUST BE SIGNED BY 10TH

All cotton producers who have not made out Bankhead applications for 1935 for tax exemption certificates, are requested to do so before June 10th.

No applications will be accepted after that date, which has been set as the final closing date by the Washington office.

OMA SCOGGINS IS PNEUMONIA VICTIM

PROGRESSIVE FARMER OF THIS COUNTY DIES FRIDAY OF PNEUMONIA.

Clarendon and Donley county citizens were grieved Friday afternoon at the death of Oma Allen Scoggins, who passed away at the Adair Hospital Friday afternoon after an illness of only five days duration. The deceased suffered an attack of pneumonia, but was not considered seriously ill until a few days before his death.

Oma Allen Scoggins was born August 30, 1895 on Mulberry Flat near the JA Ranch. He moved to Clarendon when a youth and graduated from Clarendon High School and College. He resided in this city with his mother until January 2, 1916, when he was married to Miss Faye Tyree, and to this union two children were born, Ruby Del and Dorothy Faye. His father passed away when he was 10 years of age and his mother died on August 3rd, 1932.

The deceased was converted at the age of 11 years and united with the Methodist Church. Although not demonstrative in his religion, Mr. Scoggins left the as-

Local 4-H Clubs To Attend Short Course

Plans are being made to take as many as thirty Donley county 4-H Club boys to the Short Course at College Station from July 28th to August 2nd.

Of the one hundred and twenty-five boys enrolled in the Donley clubs, County Agent Breedlove expects that thirty or more will be present for the week of agricultural instruction.

Three or four thousand boys and girls from this state are present each year for the short course, and heretofore Donley has sent no representatives. Authorities on agriculture from the extension service will deliver the addresses and conduct the classes, instructing in any phase of agriculture that the boys and girls desire.

S. ROBERT'S RELATIVE RIDES "DEATH CABLE"

J. C. (Jake) Roberts, who narrowly escaped death last Thursday afternoon while riding the steel cable spanning Peace River near Quanah when the trolley broke, throwing the three workmen into the river, is a relative of Sam Roberts of this county.

Mr. Roberts was washed ashore several hundred yards down stream without serious injury, but one of the three, Chester Robinson of Quanah, was drowned and the other sustained serious injuries.

LIGHT COMPANY TO ADD ENGINE

HUGE DIESEL-TYPE POWER-UNIT TO REPLACE OLD PRIMM "ONE-LUNGER."

Within the next few days installation will begin here of a large modern, up-to-date, Diesel-type engine to replace the old one-cylinder Primm oil burning engine, at the local power plant of the West Texas Utilities Company, according to announcement made here yesterday by District Manager H. H. Monk of Childress, who with local manager Charles Lowry visited the News office and furnished the information.

In accordance with their policy of keeping the service up to the minute and to avoid short delays such as has recently occurred, the company decided to ship in this big new type engine, which unofficially represents a factory cost of around forty thousand dollars, and will make the Clarendon plant the most modern in this district. The new engine is capable of quick starting, which will do away with many delays unavoidable with the old power equipment here.

The materials are being assembled and work will begin just as soon as the machinery is received, using local labor just as far as possible in the installation. The old Primm engine is to be junked.

Mr. Monk said the new power plant here, to be used as an emergency unit only, will take care of peak loads in this vicinity for many years to come, and it is the purpose of the company to keep abreast of the progress he predicts for Clarendon and Donley county.

OUT OF TOWN RELATIVES ATTEND SCOGGINS FUNERAL

Out of town relatives to attend funeral services Sunday afternoon for Oma Allen Scoggins were Mr. and Mrs. Myron Clark of Jacksonville; Mr. and Mrs. H. L. Wheeler and J. H. Wheeler of Guymon, Oklahoma; Willie Clark of Jacksonville; Mrs. Lola Brooks of Guymon, Oklahoma; Mr. and Mrs. Howard Stamper, Optima, Oklahoma; Mr. and Mrs. Muriel Tyree and Betty Loyce Tyree, Bailey, Texas; Mr. and Mrs. Arthur Scoggins and Martha Scoggins and Mrs. Grace Lewellyn, Aspermont, Texas.

HIGHWAY LOAN TO BE PAID THIS WEEK

BALANCE OF RIGHT-OF-WAY LOAN FROM HIWAY DEPARTMENT IS FINANCED.

Donley county will stand all-square with the state highway department at Austin this week when a check for the balance of \$11,500.00 due in the \$15,000.00 loaned the county by the department in 1933 to buy right-of-way on the new route of Highway 5, is received and accepted.

Out of car license money due the county payments of \$3,500.00 have previously been made in this debt, and under the new refinancing of county indebtedness, this balance is being retired.

This will place the county in better position for further negotiations with the department in regard to other highway improvement in Donley.

WORLD TRAVELER IS LIONS SPEAKER

ADDRESS ON SOCIAL AND ECONOMIC CONDITIONS IN EUROPE GRIPS HEARERS.

The most interesting address to be delivered before the local membership was the main feature of the program Tuesday, when the Clarendon Lions Club heard Rev. Edward B. Jenkins, of Rutherford, N. C., speak at the regular Tuesday luncheon on social and economic conditions in Europe, from the intimate knowledge of a recent tour of England, Belgium, France, Germany and Russia.

Rev. Jenkins is a brother-in-law of Rev. J. Perry King, member of the local club, and aside from being one of the prominent preachers of North Carolina, is a writer and commentator of note.

The speaker brought a graphic description of conditions in England and the rapid recovery there under the coalition government. He outlined the plan and working of the dole system, and the measure of economic security it brings with ten percent of the working-man's wages, being matched by fifteen percent on the amount contributed by the employer, with the government matching in equal sum, for the dole which provides food, lodging, clothing, fuel, liquor, etc., for the unemployed. While in England he noted the absence of drunkenness and beggary to a marked degree.

Next, Rev. Jenkins discussed Belgium and showed how as an ally of France this little seafaring country was making rapid strides toward recovery, having replaced all wrecked machinery from the war by new and modern equipment, with a satisfactory valuation on the Belgian franc.

France was represented as being a busy and prosperous nation, with her mind set particularly on national defense, spending millions on army, navy and air service, and a chain of the latest underground fortresses from the North Sea to Switzerland. These modern strongholds are connected by an underground rail system with huge stores of ammunition and supplies in preparation for a defense against Germany in the "next war," which all European nations are represented as regarding as an inevitable event. The speaker says the next war will be the most terrible mankind has ever witnessed, and declared that America cannot hope to be untouched by its magnitude. He said France could pay the United States its war debt, but that she did not propose to, choosing rather to invest her income in national preparations for defense.

In Germany, the speaker said he found the people the best dressed and the best fed in all

Five Young People Go To Abilene Meet

Mrs. E. D. Landreth carried a group of young people from this city Monday as far as Childress where they joined the Clarendon District Assembly bus and went with some forty other young people of this district to Abilene to attend the Northwest Texas summer assembly of Methodist young people, which is being held in McMurry College.

Mrs. Landreth returned to this city Monday, but the five Clarendon delegates joined the group from this district in the Clarendon District bus, which was made up of young people from Mobeetie to Childress. They will return Saturday.

Delegates from Clarendon were Walter Gorman, Thomas Clayton, Homer Estlack, Mary Frances Powell, and Nellie Grady.

REV. LANDRETH RETURNS FROM DIMMITT REVIVAL

The Reverend E. D. Landreth returned to this city Monday morning after conducting a very successful revival at the Dimmitt Methodist Church.

Reverend Landreth reports twenty conversions, fifteen additions to the church in the two weeks meeting during which he preached many inspiring sermons.

Ed West, of Dimmitt had charge of the music during the meeting.

SOFT BALL SEASON OPENED MONDAY

SCHEDULE FOR LOCAL TEAMS ARRANGED UNTIL JULY 19TH.

The opening game of the Soft Ball League was played Monday afternoon on the Junior High playground. A large crowd gathered to watch the match between the Oilers and the Future Farmers of America.

The Oilers started the game by running in two scores in the first inning. The F. F. A. boys put up a hard battle but they were not able to bunch their hits when they were needed.

The final score of the game was Oilers twenty-eight runs and thirty-four hits, the F. F. A., fourteen runs and twenty hits. Umpires E. Jones and Hockett.

The second game of schedule was played Tuesday afternoon, with the Baptist and Methodist teams crossing bats in a fast game. The Methodist boys took the lead in the early part of the game and kept a big margin on the Baptist boys until the last inning. With the score of nine to two against them the Baptist boys started a rally in the last inning and before the Methodist boys could gain control of the situation six runs were brought in. With the bases loaded and two men out Walker flew out bringing the game to a close.

The scores for the game. Methodist, nine runs and seventeen hits, the Baptist, eight runs and eighteen hits. Umpires, G. C. Jones and Hicks.

LECTURE AT BAPTIST CHURCH FRIDAY NIGHT

Communism in Russia and America will be the subject of lectures to be given Friday night at the First Baptist Church, by Rev. Edward B. Jenkins, of Rutherford, N. C. Mr. Jenkins made a tour through Soviet Russia last summer and saw the operations of this Anti-God, Anti-Religious government at first hand. He will give his observations at the church at 8:30 o'clock. The public is invited to hear this frank discussion of conditions today in Russia. The economic, agricultural, financial, anti-religious and political situation will be dealt with in this lecture.

Momer Mulkey left Tuesday night for Dallas.

JUNE RELIEF FUNDS ARE CUT IN HALF

\$3,055 TO BE EXPENDED DURING JUNE FOR RELIEF IN DONLEY COUNTY.

Donley county relief funds for the month of June will be cut approximately one-half from the May allotments. The drastic reduction of funds for Donley county is in line with that applied to all other counties of the state.

June funds will be spent by Donley county for purposes described in the following budget:

1. Direct Relief—\$265.00.
2. Work Relief Including Owner-Driven Team and Truck payroll—\$2,144.00.
3. Subsistence for Rural Rehabilitation clients including feed for livestock—\$646.00.

Radically reduced allotments for the relief population of Texas have been made for the month of June, by Adam R. Johnson, state relief administrator. Federal authorities notified Johnson that the state will receive \$2,500,000 for general relief, although application was made for more than \$4,000,000. Although the case load has dropped steadily since January 1, Washington officials have repeatedly expressed dissatisfaction with the number of families on relief in Texas.

"Accordingly, our per case grants will be reduced from \$17 in May to about \$10 in June," Johnson said, "and our total relief disbursement from \$5,612,000 in May to \$3,391,000 in June."

"Although at first sight this may appear to be dreadfully severe, we expect thousands of cases to quit the relief rolls in June for employment on farms where they can make more than the \$10 we are able to give them. Farmers everywhere are calling for labor to help them cultivate their crops and we feel that in the case of employable families there should not be any suffering because of this reduced grant."

Evett's Haley, Western author, who is connected with the History department of Texas University, was in this city yesterday visiting with W. H. Patrick and Harold Bugbee.

Mrs. O. A. Scoggins and two daughters, Ruby Del and Dorothy Faye, returned to Aspermont, Texas, this week with J. A. Scoggins for an extended visit.

PROMINENT MAN IN SUDDEN DEATH

APPOPLEXY TAKES W. D. VAN EATON AT HOME AT MID-MORNING.

Citizens were grief-stricken this morning as the Almighty in His infinite goodness claimed W. D. Van Eaton for His own at 9:20 o'clock.

The beloved, picturesque citizen was working in the flower garden of his home when he was stricken with apoplexy and died in a few moments, before medical aid could be secured.

Mr. Van Eaton, 80, has been a resident of Clarendon for 31 years, having been an important figure in ranching circles, being owner of a large Donley county ranch.

Besides his wife, he is survived by two daughters, Mrs. B. W. James of Richmond, Virginia, and Mrs. Joe McMurry of Briscoe county; and two grandchildren, Mary Lucille and Bernard Van Eaton James of Richmond, Virginia.

Funeral services were incomplete as The News goes to press, pending the arrival of the children.

George Chamberlain returned Friday from Texas University.

PROGRAM GROUP BUSY IN DETAIL

CHAIRMAN NAMED FOR VARIOUS SUB-COMMITTEE GROUPS FOR BIG EVENT.

Work in earnest on the plans for Clarendon's "Re-enactment of a Fourth of July Fifty Years Ago" was begun Tuesday of this week when the program committee headed by R. E. Drennan, met at the Legion Hall, discussed details of the work and named chairmen of the various sub-committees, who in turn will name their own associates.

It was definitely decided that besides the features of a Fourth of July fifty years ago, a home-coming of all old residents of Clarendon and Donley county would be added to the event, and every citizen of the town and country are being asked to write some friend who formerly lived in some town and invite them to come back and be their guest. This will bring hundreds of people here and add greatly to the sentiment of the occasion.

Plans are going forward for the entertainment of all the Old Settlers—and by "Old Settlers" it means any one who lived in this vicinity prior to and including 1895, forty years or longer ago.

Letters of invitation will be issued to every Old Settler whose name and address the committee can locate, and the assistance of every person is invited in this matter.

Very likely a rodeo and baseball game will be added as features of the day, and certain parties are already planning to promote them. Concessions will be sold for cold drinks, hot dog stands and the like at moderate rates, the money to be put into the general expense fund.

Members of the finance committee will call shortly on the business people of the town in order to secure at least \$300, which is regarded as the minimum amount to insure the actual expenses of the occasion.

Committeemen are already busy arranging details of the big Pioneer's Parade, Reception of Old Settlers, Exhibits of Early Day Relics, Exhibits of Pioneer Picture Gallery, Finance, Concessions, Pageant, Singing Bee, Home Talent Play, Decorations, Ceremonies, etc.

Following is the list of sub-committee chairmen:

- Pioneer Parade—Homer Mulkey.
- Old Time Singing Bee—Sloan Baker.
- Pageant and Drama—Mrs. Sam M. Braswell.
- Bands—J. T. Patman.
- Floats—J. M. Hill.
- Speakers—Sam Braswell.
- Display from Historical Society—Tom Connally and W. H. Patrick.
- Local Exhibits—Jerome Stocking.
- Decorations—R. S. McKee.
- Entertainment for the Pioneers—Bill Patman and Frank Whitlock.
- Finance—J. P. King and Odos Caraway.
- Publicity—J. C. Estlack.
- Host and Hostess for Pioneers—Mr. and Mrs. J. T. Sims.
- Invitation—Mrs. Katherine Bugbee.
- Concessions—J. T. Patman.

May Rainfall Is Greatest In Year

The amount of rainfall in Clarendon totaled 6.71 for the month of May with more than that amount in other parts of the county, stated local weather observer Joe Goldston.

The amount of rainfall received this month exceeded all other monthly totals since last May, the rainfall measuring 8.30 for that month.

Precipitation was greater last month from the 14th through the 18th, with 2.25 inches falling on the 18th day of May.

THE NEWS WILL PRINT A "PIONEER'S EDITION"

The Clarendon News will issue a "Pioneer's Edition" on Wednesday, July 3rd, in support and promotion of the "Fourth of July Fifty Years ago," to be celebrated here, July 4th.

Staff members of The News are already busy assembling material relative to the early days in Clarendon and Donley County to make this a memorable edition in Panhandle journalism and an issue to be prized among family keepsakes in this territory.

Extra copies will be available to the public at large and Old Settler guests on the occasion will receive a souvenir copy as one of the favors of the day.

ALLRED A FRIEND OF PALODURO PARK

Lest some might misunderstand Governor Allred's recent veto of the bill written by Senator Clint Small and passed by the legislature just closed, providing for a separate board from the State Parks Board for administering the affairs of the Paloduro State Park, The News wants to offer a brief explanation.

Under the State Parks Board there has been some delays and resultant dissatisfactions here in the Panhandle of the development and progress of the Paloduro State Park, and Senator Small wrote his bill as a result of this sentiment. Governor Allred was not familiar with the parks board routine and the situation in regard to the Paloduro Park project, and when the bill came before him he asked for conference with representative Panhandle citizens on the matter. In the discussion it was found that there were certain phases of the divorcement from the state board that might work harm here in our Paloduro Park, and in further conference with Chairman Colp of the State Parks Board, it was found that a satisfactory arrangement could be effected by the appointment of a sub-committee from the Paloduro Park area to work with the state board, and having certain duties delegated directly to it, which would bring many of the details of administration under the direct control of its closest friends. On this agreed plan, the Governor was assured there would be no objection to a veto of the bill and it was all worked out on an amicable basis, all parties looking to the best interests of the state parks system and the Paloduro in particular.

Governor Allred is a true friend of the Paloduro Park and every other interest of the Panhandle country and The News desires to commend emphatically his appointment of Hon. Clyde Warwick of Canyon, as chairman of the sub-committee, with Hon T. E. Johnson of Amarillo and Judge C. W. Humble of Hereford as the other members.

NO TIME FOR RE-WRITING CONSTITUTION

That somewhat thinly veiled suggestion of President Roosevelt for the re-writing of the Constitution can hardly be endorsed by the sober-minded people of the nation. Even if the Constitution were obsolete, as some of the more radical elements contend, the present, with its stress and general confusion, would be no time for rewriting it. Fundamental law should be drafted when the minds of the people are calmest, when reason is at its best. It must provide long-range provisions for the protection of the interests of all the people. The state of minds of the people at the present is not conducive to deliberate thinking.

Necessary changes can be effected in the Constitution. There have been many. They cannot be effected overnight, it is true, and that is one of the most commendable features of our organic law. Sufficient time is required to give the people an opportunity to deliberate, to escape from the spell of public excitement, to analyze propaganda, to observe the results and ultimate trend of proposed changes.

Because someone happens to differ with the Constitution is not reason enough to strike down the Constitution. If we were to embark upon the rewriting of organic law in general at the present time, there undoubtedly would be some proponents of the cash payment of the bonus that would be in favor of discarding the requirement that Congress muster a two-thirds majority before overriding a presidential veto. Of course Mr. Roosevelt would not like that and it would not be best for the country, but in the excitement of the moment the idea would gain considerable support.

Surely there are ways to achieve the necessary regulation of economic affairs without entering into a controversy over the Constitution at a time when too many people are hopelessly confused and agitated.—Vernon Record.

CLARENDON'S CELEBRATION ON JULY 4TH

No ordinary event is Clarendon's project of re-enacting on July 4th this year, "a Fourth of July Fifty Years ago" in which the Pioneers and Old Settlers of this section will be duly honored.

This celebration is Clarendon's contribution to the procession of pre-Centennial programs presented by Texas towns and cities, and should have a flavor and an interest of unusual merit in this Panhandle country for Clarendon was the center judicial, social and commercial for this section for several decades.

As another feature of the old-time Fourth of July celebration here this year we shall have a home-coming of former residents of Clarendon and Donley County and The News suggests that you begin now writing your friends who formerly lived here and invite them to come back and visit you in your home during the festivities of the big occasion.

Clarendon's Fourth of July Fifty Years ago, will bring the greatest crowd to this community it has ever had and this city will again be the largest center of interest on Thursday, July 4th, 1935, in the Panhandle, even as it was fifty years ago.

TVA COWS AND CASH REGISTERS

Comptroller-General J. R. McCarl, who is often and justly termed the "Watchdog of the Treasury," has sent a report on the Tennessee Valley Authority to the President.

According to the Chicago Tribune News Bureau, the report shows TVA has spent more than \$2,000,000 in an illegal or questionable way, incurring deficits in everything from power plants to cafeterias and tossing thousands of dollars around in an offhand manner. It enumerates among other things:

That TVA purchased cattle it had been previously offered for \$200 per head, for as much as \$950 per head, and later sold them for less than \$200;

That each TVA's directors overdraw his salary by more than \$1,000;

That, in defiance of the law, TVA set up its main offices in a rented building costing \$35,000 a year, in Knoxville, after reconditioning the administration building at Muscle Shoals, and then hired and bought a fleet of airplanes and cars to carry employes back and forth between the two towns;

That the TVA passed off shortages of hundreds of dollars occurring in its commissaries by saying that children had played with the cash registers;

That, while TVA is designed as a rate yardstick for private utilities and should lay aside \$1,000,000 a year for depreciation, it has actually laid aside less than \$83,000.

The report is in the President's hands. He will doubtless order a full investigation. Then the taxpayers will have an interesting insight into the efficiency of government in business, and learn where their money goes when public officials are given complete and unqualified control of hundreds of millions of public dollars.—Industrial News Review.

MAKES THE PENNIES BIGGER

When James Buchanan was President and tall beaver hats were in vogue; when gentlemen wore broad cravats and ladies wore hoop skirts, the pennies were tossed to children as big as quarters. But the cart-wheel coppers your grandfather got for keeping his lace collar clean were not as big in buying power as the pennies of today.

A penny then might buy a pastry, or ten of them take one to the Fair, but your great-aunt and great-uncle couldn't have gone to a movie at any price.

Sixty years ago the ladies could go shopping for dry goods and buy silks that would make you green with envy, linens that were linens and broadcloths that beggar description. But what their favorite stores did not have they usually got along without.

You can pick up The Clarendon News and in fifteen minutes you can know what the different shops are offering in fabrics, patterns, varieties and qualities that grand-mother never dreamed could be gathered together under any conditions.

Times have changed, and so have merchandise and business methods. One of the influences that has helped to bring about so much change that has helped to multiply opportunities and increase the spending size of our pennies is advertising.

Every merchant, every manufacturer knows that advertising materially reduces selling costs by increasing the demand for and the distribution of the products of hundreds of thousands of mills. Indeed, many of the things we count today as necessities or simple luxuries could not be made and sold at their reasonable prices except as advertising has created a broad market for them, making millions of sales at little prices and little profits.

PATHFINDER PRIZE WON BY MISS RYAN

"WHY WE SHOULD CELEBRATE THE CENTENNIAL" IS WINNING ESSAY.

"Why We Should Celebrate the Centennial" was the essay so convincingly written by Miss Dorothy Jo Ryan, 1935 Clarendon High School graduate, that she was awarded the Pathfinder Club prize of five dollars for the best essay, expressing the opinions of the senior student and writer.

Mrs. Tom Goldston, Pathfinder president, awarded the prize to Miss Ryan at the graduating exercises at the Methodist Church on Friday evening.

Below is printed the winning essay:

"Why We Should Celebrate the Centennial"

Celebrating the centennial will make Texas the tale of table talk in millions of homes and repay her for all out-lay from her treasury. It will testify that Texas might become an Anglo-Saxon common-wealth. It also commemorates the sacrifices of the primitive man and woman who discovered the ax, plow, rifle, spelling book, and the Bible. The glories of the Alamo, Goliad, and San Jacinto will be revived. The names of Austin, Houston, Crockett, and others suggest supreme moments in a people's life. Also the commemoration of heroic deeds that laid the corner stone to the foundation of the Texas Empire. The Texas people of 1936 remember the Clarion call of 1836—"Victory or Death," and that the bearers of the honorable names of those distinguished fathers and mothers will not now falter in the task before them to press onward to the goal of making Texas the brightest Star in the forty-eight that adorn the flag of the American Republic.

Not only should we celebrate the centennial to show the coming generation the responsibility that is being placed upon their shoulders, but because it is our own duty to keep the fire of duty everlastingly burning until the end.

The legislature has held meetings concerning the celebration and the Texas Centennial Convention was held in Austin February 12, 1924. Directors have been appointed then. Clubs have been organized to advertise it. In 1931, another board was appointed to carry out the centennial plans. Then Sterling submitted to the people a constitutional amendment which if adopted would authorize the legislature to issue funds or to otherwise get finances for the staging of the Texas

Centennial Celebration in 1936, for keeping the dignity of the state and its vastness. They have done every thing to educate the people as to the meaning of Texas Centennial.

They are working to bring back the almost forgotten history, from the thrilling stories of triumphs and adversities, hopes and disappointments, privations and sufferings, up to the wonderful goal they finally reached after so many years of labor which is now the pride of the world. It brings back the days when school was taught in a log cabin and even the days before there were schools; the great days when men gave their lives for their country.

It is a celebration that will for generations to come breed reverence and loyalty into those who follow.

The people should take enough interest in the centennial so as to send a good suggestion as to the plans for the celebration. The people have a chance to see that growth in agriculture, industry, education, arts, science, religious, and other branches of civilized government.

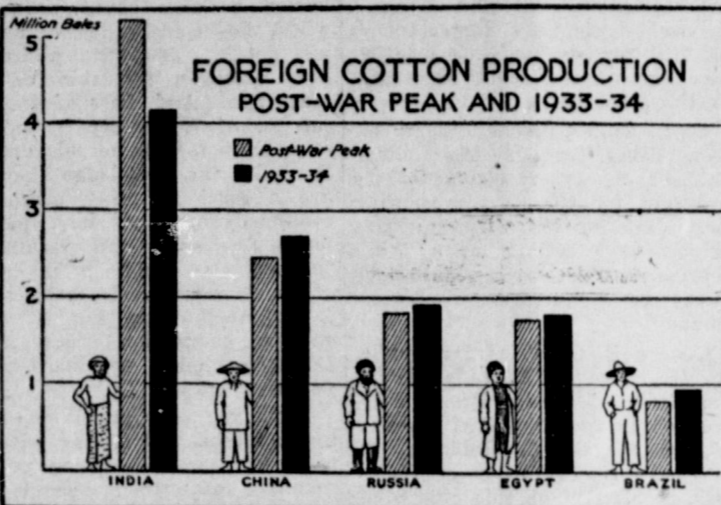

Every one is talking the celebration of Texas Centennial. Texas should celebrate her one-hundredth birthday in commemoration of its founders, its heroes, and its wonderful achievements.

It would be unreasonable to pass up the opportunity because it will greatly aid the business depression. The celebration will help us to recover from this terrible depression which we have suffered so long. Thousands of dollars are spent for vacation purposes each year so why not have all this money spent in Texas? The people who spend this money had just as soon spend their money in Texas if they can see something worth seeing.

There are thousands of people out of work who will be given work by the centennial celebration. It will show them to a greater extent what Texas has accomplished during its hundred years of existence. It will help the gasoline producers, the hotels, the restaurants, the railroads, theatres, garages, and all sorts of other business organizations that really are in need of this business. It will enable the farmers to sell more vegetables, eggs, beef, etc.

By this celebration, the people will be shown what real progress has been made since 1836. The people should support the convention to show their true allegiance to Texas. They will find out what a good place they now live in, and how many resources it produces.

The celebration will add thousands to the population of Texas. It will enable the people to see history, and romance of past years and the history being made

Although foreign countries have increased their cotton production since the World War, foreign production for the 1934-35 season is estimated to be less than one percent greater than in the 1933-34 season, or an increase of about 100,000 bales, according to Cully A. Cobb, Director of the Agricultural Adjustment Administration's Cotton Division.

Foreign production in the 1933-34 season was 13,478,000 bales as compared with an estimated 1934-35 production of 13,579,000 bales. The 1933-34 production of some foreign countries was less than previous post-war peaks and was not much above previous peaks in any of the foreign cotton producing countries.

Hundred Million Plea For Texas Highways

Misses Dorothy White and Julia Mae Caraway spent Sunday in Amarillo.

Austin, Texas, May 28.—In a determined effort to obtain \$100,000,000 for gap-closing on Texas highways before the Centennial and the opening of the Mexico City road, Harry Hines, new chairman of the State Highway Commission, will head a delegation of Texas leaders to Washington

every day. Therefore, I think Texas should do all in its power to intelligently work and plan for the one hundredth birthday party.

But's PHILOSOPHY

by DEAN E.V. WHITE
TEXAS STATE COLLEGE for WOMEN (C.A.)

Too little is inconvenience, too much a handicap. Spending much time in sane living never leaves an overdraft. Some people want to begin being good just before they die. Don't be courteous to some because you have been rude to others.

Advertising your meanness is worse than secreting your virtues.

in mid-June, he has announced. His hope is to impress the federal administration with the fact that the building of modern highways in Texas can provide more and better and quicker employment than weed-cutting, ditching or many of the other former CWA activities. It can do this, he contends, with minimum waste or abuses, and the result will be useful, permanent, revenue-producing facilities.

Accompanying Chairman Hines to the capital will be the other commissioners, Gibb Gilchrist, state highway engineer, Col. Ike Ashburn of the Texas Good Roads Association and envoys from many other groups.

"Texas should get over \$50,000,000 for roads and grade separations from appropriations already made, and we will ask for \$40,000,000 more. We have the plans all ready for badly-needed roads that will exceed this amount, and we can get them under way swiftly."

Coleman

It's easy and pleasant to iron with a Coleman. It saves your strength. You do better ironing easier and quicker at less cost. This modern Coleman Iron lights instantly... no generating with match or torch... no waiting. Saves you more time and work than a \$100 washing machine. Do a whole ironing with one iron. The evenly heated double pointed base irons garments with fewer strokes. Ironing time is reduced one-third. Heats itself... use it anywhere. Makes and burns its own gas. Economical, too... costs only 1/2¢ an hour to operate. Come in and see it demonstrated.

For a More Abundant Life

"WE HAVE IT" . . . for homes, for farms, for towns and cities, for industries.

ELECTRIC POWER!

West Texas is abundantly supplied with power resources. The West Texas Utilities Company's 2,600 miles of transmission lines are linked with modern, strategically located generating stations, bringing power to you wherever it is needed.

"Let's Have Cheap Power!"
We Have That, Too.

Power is a commodity which grows cheaper the more it is used. The power from this company's lines, available every hour in the day or night for a variety of uses, can be purchased cheaper than it can be manufactured by the individual city, or the individual industry, farm or homes.

"Let's Have Abundant Power, for a More Abundant Life."
We Have That in West Texas, Too.

You may recall, many years ago, when some neighbor was able to boast of his electric lights through cords hanging from the ceiling. Light was expensive then, only the well-to-do could buy this service. Today, everybody uses electric service, for the electric dollar buys now an abundant amount, about three times as much electric service as it did before the World War. Electric service is delivered to you now so cheap that its daily cost can be counted in pennies.

The area served by the West Texas Utilities Company has ample power facilities to meet the demands of this growing and progressive "Land of Opportunity," West Texas.

Do You Remember Way Back When? FROM OUR EARLY FILES

From the files of June 4, 1925 Another of Clarendon's citizens was honored last week when Wesley Knorpp, president of the Donley County State Bank was elected to the position of president of the John C. Knorpp Trading and Loan Company of Kansas City. Mr. Knorpp was elected to this position to fill the vacancy occasioned by the death of his father, John C. Knorpp, who was instrumental in the organization and success of the business.

The Masonic Home band of Fort Worth, touring the Panhandle, will be in Clarendon tomorrow and will render a concert on the steps of the City Hall at 1:30 p. m. Arrangements for the entertainment of the band were made by a committee composed of Messrs. G. A. Anderson, J. E. Russell and H. Mulkey. W. H. Patrick will be master of ceremonies.

In line with the remainder of Texas, the City of Clarendon observed the annual Methodist Day with a service in the First Methodist Church of this city Sunday evening. Rev. F. T. Charlton, pastor of the Presbyterian Church, delivered the address on this occasion and was heard by a fine audience.

The issue of the Dallas News of Monday of this week carried a history of the City of Clarendon together with a number of photographs of the city which were sent in as a boost for the city in commemoration of the opening of the Denver road into Dallas.

Miss Susie Patterson left Friday for Memphis, Tenn., to visit her sister, Mrs. M. Leo Rippey.

Miss Ineva Headrick returned Wednesday from Jacksonville where she taught in the Lon Morris College.

Miss Francis Cooke is home for vacation from Paducah where she taught the past year.

Robert Sawyer, Sr., of Long Beach, California is here attending to business matters and visiting his son.

Miss Sybil Johnson returned Saturday from Dallas where she attended S. M. U. the past year.

Rev. J. T. Griswold and Miss Lena V. are in Dallas attending the commencement exercises of S. M. U. where Jack takes his degree.

Mrs. Whitfield Carhart and children have joined Mr. Carhart

at Greenville, where they will spend the summer, returning to Clarendon by the time school opens.

From the files of June 5, 1919 Messrs Cleo Andis, Carl Parsons, Seldon Bagby and Ralph Andis spent Sunday in Memphis.

D. W. Hudgins returned home Friday morning after having attended Columbia Military Academy at Columbia the past term.

Mrs. C. H. Dean returned home Monday after a pleasant visit at the home of her sons, Will and John Mims, of Clovis and Roswell, New Mexico, respectively.

Misses Moena and Pansy Lane left Tuesday morning for Canyon, where they will attend the summer normal.

Rev. A. W. Hall of this city preached the commencement sermon to the graduating class of twelve at Lakeview High School Sunday.

Oscar Jenkins, son of Dr. and Mrs. B. L. Jenkins of this city, arrived here Tuesday morning bearing a diploma from the medical department of State University. He will be at home until July when he will leave for New York for a year's work in New York General Hospital.

A deal was closed May 21 whereby S. W. Lowe becomes the owner of part of the Central Grocery formerly owned by J. W. Watts. Mr. Lowe as new manager intends that the store will be run on the same high plane as heretofore.

Miss Vivian Benson, departed Wednesday morning for Canyon where she will be a pupil during the summer session.

Mr. J. H. Hurn is at Amarillo this week on the U. S. District Court jury.

The city officials passed an ordinance to wit:

Sec. 1. That it shall be unlawful for any person raising or keeping chickens, turkeys, guineas, and ducks owned by such person, or under the control of such person, to willfully suffer or permit any such fowl to run at large upon the public streets, avenues or alleys of the City of Clarendon, or to willfully suffer or permit such chickens, turkeys, or ducks to run at large or go upon the premises owned or in possession of, or under the control of any other person, within the corporate limits of the City of Clarendon—Etc. AGGIE ASSOCIATION MET HERE MONDAY

CLARENDON CHOSEN AS REGULAR MEETING PLACE FOR AG INSTRUCTORS.

The Panhandle Vocational Agriculture Teachers Association held its quarterly meeting in this city at the College building Monday and voted to make Clarendon the regular meeting place for the association due to its central location in the Panhandle.

Local Agriculture Instructor J. M. Hill reports that the meeting was one of the most successful of the association.

C. L. Yaker, district supervisor from Texas Technological College at Lubbock, was in charge of the program for the day, presenting new ideas for instructing in this subject and calling upon other representatives from Panhandle towns to supplement his statements.

George P. Grout of Panhandle, H. M. Howell of Claude, A. A. Tampe of McLean, Frank Deupree of Dodsenville, J. L. Lester of Pampa, C. A. Robinson of Perryton, H. L. Purvis of Childress, J. M. Hill of this city compose the membership of this association and were all present for the quarterly meeting.

Those interested in a part in the home-talent drama to be produced here on the evening of July 4th, please be present at the Junior Hi building at 8:00 o'clock Wednesday evening, June 12th. Six men and five ladies will be needed for the cast.

about the Supreme Court's action. It has been voiced recognized Constitutional limitations based upon precedents since the time of Chief Justice John Marshall.

The fact is that the N.I.R.A. decision probably is just the beginning of an avalanche. Mark that down for future reference. The AAA program, the tariff bargaining law and other measures are likely to get the axe as they come before the court. In other words when the young Brain Trusters were scoffing at the Constitution in 1933 they were not fooling. They ignored it.

One of the most peculiar industrial angles to come to light recently is the fact that with many people unemployed, there is a shortage of skilled labor. A survey of 287 metal manufacturing companies employing 115,260 employees showed skilled craftsmen enough to operate at the increased production level were not available.

One statistician has figured that with Postmaster General Farley claiming to represent 22,000,000 Democrats, the Republican National Chairman 16,000,000 Republicans, Dr. Townsend 25,000,000 seekers for Utopia overnight, Coughlin 16,000,000 believers in fables, Senator Long 10,000,000 "joiners," etc., that the total list of those who represent groups comes to over 300,000,000, about ten times our electorate.

The decision of the Supreme Court throwing out the N.I.R.A. and re-defining Constitutional limitations has taken rank as probably the most notable opinion delivered since the Civil War. But one of the points generally overlooked is the dramatic qualities of the decision.

For two years the New Deal has gone forward with new statutes. Outstanding legal authorities who warned that they were unconstitutional were brushed aside as "Tories." Court tests were avoided by Administration attorneys. For two glittering years everything went smoothly but then came the present session of Congress with its new deluge of laws. Once more attempts were made to get the new statutes through before the Supreme Court could act, but a Democratic majority itself began to think towards the Constitution.

The stage was set as though by design for the Court's action. A terrific drive was in progress to get an extension of N.I.R.A. Proponents of the Wagner Labor Dispute Bill to substitute Washington authority for local authority in employment relations was being raced toward enactment. The same was true of the AAA amendments to give the Secretary of Agriculture unlimited authority over handlers of agricultural products. In fact, the week of May 27 was to be the week of the big legislative drive. Then, like a scholarly professor breaking up the pranks of a schoolboy classroom, the Supreme Court stepped in at that dramatic moment and said, "Read your Constitution."

One wag suggested that the next step for the Administration is a school for New Deal lawyers, with the Constitution as required reading. Through newspaper circles passed the laughing jest, "Well, the revolution is over."

New Dealer attorneys professed to be amazed. But Senator George of Georgia, a distinguished attorney himself, pointed out on the floor of the Senate that there was nothing at all new

Health Department Warns Vacationists

Austin, Texas.—The call of the open spaces is with us again, the old swimming hole, lake, river, and shore all have their devotees, but in the contemplation of the good times we are going to have on the water let us pause a moment to resolve that we will not be one of the unfortunate victims that each year is added to the toll of those drowned.

If you expect to spend some time near the water, learn to protect yourself—learn to swim, lose that dreadful fear and panic into which a person is thrown who knows nothing about swimming when he finds himself beyond his depth. Just the ability to keep afloat a few minutes may mean life. And those of you who can swim! Remember it isn't always the non-swimmer who drowns. Don't let the knowledge that you are a good swimmer make you fool-hardy; you can have just as much fun swimming parallel to the shore as trying to make the other side, and it is much safer. It is much more fun to swim with a companion than alone. Don't dive unless you know where you are "heading."

Have you ever stood helplessly by and seen a bungling attempt to resuscitate a drowning person, minutes lost when seconds are precious? The prone pressure method should be started at once. You can learn the proper method in a few minutes yourself.

Swimming is one of the best of sports from a health standpoint, but needs to be indulged in with a proper respect for the possible hazards involved. Incidentally, middle aged and older persons should be physically checked up before engaging too strenuously in this form of activity.

Miss Naomi Allison returned Saturday from Amarillo where she taught school this year.

Among the Clarendon people to attend the graduation exercises this week at New Mexico Military Institute at Roswell were Mr. and Mrs. Bill Greene, Paul Greene, Marjorie White, C. L. Pre-Nuptial Shower Honors Miss Shelton, June Bride

Miss Pauline Shelton, who is to become the bride of Doctor Knox Dunlap of Fort Leavenworth, Kansas, on June 12th at the First Methodist Church, was honored Tuesday afternoon from 4 o'clock until 6 o'clock with a tea and pre-nuptial shower at the home of Mrs. G. G. Kemp.

The guests were met at the door by Mrs. Sam Cauthen and Miss Shelton and Mrs. Paul Shelton, stood in the receiving line.

Mrs. Rollins and Mrs. Kemp were living room hostesses. Crystal bowls and baskets of pink radiant roses decorated the living room and small bouquets of larkspur were in evidence.

Presiding over the table where the gifts were laid was Miss Dorothy Jo Taylor, who also presided over the Brides Book. The Brides Book was blue, pink and white. The following dedication was inscribed in the book by the hostesses: "Take one part romance, add to this the gift of companionship, then a full measure of sympathy and understanding with a dash—rather a large dash—of common sense. Stir gently."

"And there's the cup we'll lift high and drink to the bride."

Lace covered the table where the many lovely gifts were dis-

played. A blue glass bowl, filled with Seven-sister roses, centered the table.

The dining room was lovely with roses of many varieties, namely Pink radiants and pink and white Seven-sisters roses. Flanking each side of the lace covered table were three tier crystal candelabra with gleaming white tapers. Most beautiful and singular was the centerpiece, an improvised lily pond. Pink and white Seven-sister roses bordered the white bowl, in which floated lily pads and buds.

The buffet was centered with a large bouquet of white American Beauties in a crystal container. Crystal holders with white tapers added their charm to the lace-covered buffet.

The color motif of pink and white was repeated in the refreshments which were cup cakes of pink and white shaped as roses, together with punch and plate favors of tiny pink and white rosebuds tied with pink ribbons.

Miss Pauline Sanford was dining room hostess.

Fifty-seven guests called during the afternoon and fourteen sent gifts.

Mrs. M. R. Allensworth Sam Hardy Barrow, and Rev. G. S. Hardy left Saturday to spend a week visiting friends and relatives in Stamford and McCauley.

Win-One Sunday School Class

The members of the Win-One Sunday School class enjoyed their regular monthly social Monday afternoon in the home of Mrs. Tom Connally, with Mesdames Will Johnson and R. C. Weatherly acting as assistant hostesses.

Mrs. V. Smith read the scripture reading and Mrs. B. L. Jenkins, Jr. led in prayer. The business meeting was presided over by President Mrs. J. R. Bartlett.

Games were played during the social hour, and dainty refreshments using a color scheme of pink and white were served. Rose buds, bearing the color motif, were frozen in ice cubes and used as plate favors.

Members present were Mesdames J. R. Bartlett, V. Smith, B. L. Jenkins, Jr., Will Johnson, R. C. Weatherly, Cap Morris, Morris, C. C. Powell, J. T. Patman, Wm. Patman, Kutch, R. Y. King, A. A. Mayes, D. O. Stallings, H. B. Kerbow, S. M. Braswell, C. D. McDowell, Fred Bunting, and Tom Connally.

Mrs. Whitlock Hostess To Needle Club

Mrs. Clarence Whitlock delightfully entertained the members of the 1930 Needle Club on Tuesday afternoon at her home.

Sewing offered diversion for the afternoon, and the hostess served a dainty salad course featuring a color scheme of green and white.

Members present were Mesdames Ernest Hunt, Ralph Decker, Marvin Land, Alvin Landers, Guy Wright, Joe Ritter, Guy Pierce, Rhea Couch, Ralph Andis, U. Z. Patterson, Phil Couch, Carl Peabody, and the hostess, Mrs. Whitlock.

The next meeting of the club will be on June 18th at the home of Mrs. Ralph Andis.

Mrs. Estes Honored At Bridal Shower

Mrs. Jake Estes was named guest at a shower given Friday afternoon in the home of Mrs. J. B. Estes. Misses Juanita Estes, Mary Kathryn Hardin, Jimmie Estes, and Mrs. Joe Baten were co-hostesses.

Bouquets of pink and red roses made an attractive setting. The guests arrived at 2:30 and when the honor guests arrived at 3:15, she was greeted with the song, "Here Comes the Bride," sung by Misses Frances Hott, Jimmie Estes, and Mrs. Joe Baten.

Mrs. Horrace Reid gave the first selection on the afternoon's program, a reading entitled "The First Wedding."

Miss Frances Hott delightfully rendered several piano selections and Miss Juanita Estes read "The Real Success," which was dedicated to the bride.

The concluding number on program was the unison singing of "Blest Be the Tie."

Informal music was rendered by Mesdames Roy Blackman and John Aduddell.

Following the program, the bride was given one end of a long cord and upon reaching the end, found many lovely gifts. The gifts were opened and admired and the honoree thanked each in her gracious manner.

Refreshments featuring a color motif of pink and white were served to the honor guest, Mrs. Jake Estes, and Mesdames Lois Patman, John Aduddell, Horrace Reid, H. R. Skinner, A. O. Hott, Edd Aduddell, T. J. Rampy, Roy Blackman, V. V. Johnson, Gilbert Mann, Frank Reid, O. B. Rampy, W. B. Barbee, Henry Mann, Linders, Roy Beverly, and Misses Rose Ada Reid, Frances Hott, and Melba Johnson.

Home Demonstration Club Announcement

The members of the Home Demonstration Club will meet Friday afternoon at 2 o'clock at the home of Mrs. John Clark.

Mrs. M. T. Crabtree and Mrs. Major Hudson will be program leaders, and all members are urged to be present.

Justamere Bridge Club Entertained

Members of the Justamere Bridge Club and guests were entertained Friday evening in the home of Miss Jo Ella Stewart.

In the games of auction, Miss Vera Noland scored high. Roses and other garden flowers decorated the rooms. A salad course was served following the games of bridge.

Guests present were Misses Eunice Johnson, Pauline Shelton, Naomi Wright of Leonard, and Mesdames B. P. Brents, and Harold Rollins of Dallas, nee Johnny De Latson. Members present were Misses Evelyn Murphy, Vera Noland, Pauline Sanford, Dorrae Allensworth, and Mesdames Sam Cauthen and O. C. Watson, Jr., and the hostess, Miss Stewart.

Ladies Auxiliaries

The Baptist ladies met in an all-day meeting yesterday at the church with thirty-five attending the morning meeting and luncheon.

The meeting was for the purpose of a free-will offering to retired ministers and a box to be sent to Buckner's Orphans Home was also packed.

Mrs. A. T. Cole led the lesson and the devotional for the morning session, and pleasingly gave a talk on needed relief for aged ministers.

At the afternoon session, Mrs. Crockett Taylor led the devotional and the afternoon program, in keeping with the morning subject, was a playlette in which Mesdames Joe Goldston, J. V. Headrick, Wiley Carmichael, John Naylor, and Tom Tucker took part. The Reverend and Mrs. J. Perry King assisted in the playlette, representing the retired minister and his wife.

Mrs. H. C. Brumley gave a chalk talk, "Waiting for the Sunset," while Mrs. Allen Bryan played "Blessed Jesus."

Miss Annie Bourland was in charge of the singing. Seventy-five attended the afternoon meetings, eight of whom were guests.

Mrs. C. A. Burton led the missionary study for the Methodist Missionary Society at the meeting Wednesday afternoon at the church.

"Suzuki Looks at Japan" was the book studied and Mesdames J. R. Dillard and Carrie SoKelle assisted in the presentation of the topic.

Eleven members attended. The Christian Missionary Society met in the church Wednesday afternoon with eight members present.

The business for the afternoon was the election of officers. Mrs. Gene Herd was chosen for president and Mrs. Ed Teer was chosen for vice-president. The office of secretary and reporter will be filled by Mrs. W. E. Ferrell.

Mrs. Ed Teer led the devotional and Mrs. Frank White and Mrs. G. A. Anderson gave interesting talks on Japan. Mrs. White also gave a report of the State Convention of Christian Ladies Aides, held recently at San Angelo and to which she was a delegate.

Mrs. Herd and Mrs. Roy Clappitt gave a playlette entitled "A Japanese Brother's and Sister's Thoughts; Christian Schools; and Christian Religion."

The meeting was dismissed by the president.

The Auxiliary of the Presbyterian Church met yesterday afternoon at the church with fifteen members present.

This being the regular monthly business meeting, there was much discussion preceding the lesson. The Reverend Robt. S. McKee, pastor, had charge of the lesson and brought an inspiring message from the last three chapters of Mark.

Miss Edgar Mae Mongole will leave Saturday for Nashville, Tennessee, where she will enroll in Peabody College.

Lloyd Benson and Billy Green returned Tuesday night from Roswell, New Mexico, where they have been attending N. M. M. I.

Turner-Smith

Mr. D. W. Turner and Mrs. Pearl Smith, both of Alanreed, were united in marriage in this city Wednesday afternoon at 3:30 o'clock. Judge S. W. Lowe read the ceremony at his office.

The bride wore a light blue frock with accessories of white. Miss Helen Weidman attended the couple.

Mr. and Mrs. Turner will reside near Alanreed where he is a well-known farmer.

Orchid and Pink Is Motif of 1912 Club

An array of orchid and pink flowers decorated the entertaining rooms Thursday afternoon when Mesdames Annie Hall, Sella Gentry, L. S. Bagby and J. T. Patman entertained the members of the 1912 Needle Club at the home of Mrs. Patman.

Sewing and conversation furnished entertainment for the afternoon.

A large basket of larkspur centered the table, and the hostesses served a delectable two-course afternoon luncheon, using pink and orchid sweetpeas as plate favors.

Guests present were Mesdames Wm. Price of Marion, Illinois and Byron Alexander of Fort Worth. Members present were Mesdames L. S. Bagby, J. B. Baird, A. L. Chase, R. A. Chamberlain, Minnie Dyer, Sella Gentry, B. L. Jenkins, Annie Hall, A. A. Mayes, C. Taylor and J. T. Patman.

Billy Cooke Host At Parish House

Arthur Chase and Dick Cooke furnished music Wednesday night for the younger set when they were entertained with a dance at the Parish house, with Billy Cooke as host.

The evening was spent in dancing and various games, and Mrs. Frances Cooke Forrest, sister of the host, chaperoned the group.

An ice course was served to Misses Maxine Ellis, June McMurry, Phoebe Ann Buntin, Kathryn Ryan, Dorothy Kerbow, Jane Kerbow, Athlyn Drennan, Jean McDonnell, Joe Word, and Messrs. Junior Swift, Ray Palmer, Homer Tucker, Durwood McCracken, Phillips Gentry, II, John M. Bass, and the host, Billy Cooke.

1922 Bridge Club

Mrs. W. H. Cooke cordially entertained the 1922 Bridge Club at her home on Tuesday afternoon.

Mrs. John Sims' won high score and Mrs. Sella Gentry cut for consolation.

The table was centered with water lilies and baby breath. Snapdragons and delphiniums decorated the entertaining rooms.

A dainty two-course afternoon luncheon was served to Mesdames James Trent, L. S. Bagby, T. H. Ellis, Chas. Bugbee, Fred Chamberlain, R. A. Chamberlain, John Sims, and the hostess, Mrs. W. H. Cooke.

Mrs. Bernice LaFon left Tuesday to spend the summer in Amarillo where she will receive piano instruction under Emil F. Myers of the Amarillo College of Music.

Sunday School Class Has Picnic

Mrs. Elba Ballew entertained the members of her Sunday School Class of the Methodist Church with a picnic last night at her home in the Sunnyview community.

The members enjoyed a weiner roast and a camp fire chat.

Participating were Misses Dorothy Jo Taylor, Pauline Shelton, Evelyn Murphy, Vera Noland, and Mrs. Harold Rollins of Dallas.

Mr. and Mrs. Homer Mulkey and Mr. and Mrs. Verde Morris had as their guests from Thursday until Saturday, Mr. and Mrs. L. B. Morris and Miss Mildred Morris of Rush Springs, Oklahoma; Mrs. Horrace Wood of Marlow, Oklahoma, and Mrs. S. G. Archer of Lexington, Oklahoma.

J. R. Bartlett returned Monday evening from Texas University. His father, J. Roy Bartlett motored to Austin and brought J. R. home to spend the summer vacation.

Mrs. M. M. Noble and Joe and Peggy arrived in Clarendon this week from Austin. Mrs. Noble will spend the summer here, but Joe and Peggy leave Sunday for New Mexico where they will make an extended visit.

Miss Maud Estelle Browder of Fort Worth arrived in Clarendon Tuesday to make an extended visit with her grandmother, Mrs. R. A. Chamberlain.

Jim Bourland and daughter, Mary Kate, of Pampa spent Sunday in Clarendon visiting relatives.

John Henry O'Neal and Elbert O'Neal of Lubbock are guests of Mr. and Mrs. Meredith Gentry.

Mr. and Mrs. Jack Merchant and small daughter of Sanford spent the week-end in this city visiting Mr. and Mrs. Cal Merchant.

Mrs. Walter Taylor and daughters, Vivian and Dorothy Jo, are spending today in Groom with Mr. and Mrs. Bert Boomer.

Second Annual Pre-Centennial and Pioneers' Roundup, Pampa, June 6-7

Pampa.—Plans are virtually complete for the second annual Pre-Centennial and Pioneers' Roundup here June 6 and 7, and for the launching of the Panhandle Oil show on the same dates.

The mammoth program will include an historical pageant, parades each day, pioneers' reunion, two days rodeo, old time dancing, a street dance, a wrestling show, two A-1 baseball games, oil show parade features, oil field contests, oldtimers' barbecue, Panhandle dramas, speech by Governor James V. Allred on the second day, Pre-Centennial ball, old fiddlers' contest, and music by many bands.

Real Indians, imported from Taos, N. M., will help stage the pageant, giving war dances and feigning an attack on a wagon train.

They also will participate in the parades. A dozen oil show floats are under construction, as well as ten huge paintings of early Texas events drawn by horses. Visitors are invited to ride horses in the parades, providing they will adopt the old-time costumes, which include cowboy and cowgirl clothing.

Invitations are being mailed to thousands of oldtimers. A memorial service for departed pioneers will be held during the celebration.

The Kiwanis club will present "Judge Willis Wins the Day," under the direction of Joe Strubling at a Pioneers Roundup program. The dramatic skit deals with the melodramatic events connected with an unsuccessful attempt to impeach Judge Frank Willis, Sr., in the '80's.

Ben Guill and two of his students, Elizabeth Graham and Paul Schneider, will produce three other skits, "Arrival of John Adair at the JA Ranch," "The Law West of the Pecos," and "The Indian Scare of 1890."

Raymond Harrah, Roundup chairman, is working out details of registration for oldtimers. Badges will be ordered immediately. He has obtained a number of old fiddlers and callers for the dances.

Governor James V. Allred, who last year opened the first Pre-Centennial as attorney general, will return June 7 for a public address. Officials of the Centennial proper, who have given much publicity to the local event, likewise are expected.

Altogether, with an oil field holiday declared, the Panhandle is to have the biggest celebration of the year and one of the biggest of its history.

CLARENDON CIRCUIT

First Sunday, Naylor, 11 a. m. and 7 p. m. Midway, afternoon.
 Second Sunday, Ashtola, 11 a. m. and 7 p. m.
 Third Sunday, Goldston, 11 a. m. and 7 p. m.
 Fourth Sunday, Goodnight, 11 a. m. and 7 p. m.

Everyone is cordially invited to come and make these services worth-while. Soul winning is our aim. Pray and work with us in Jesus' name.

NAYLOR

(By Mrs. Richmond Bowlin)

Good rains and farmers are busy planting. Most of the cotton is planted.

Mr. and Mrs. K. C. Reed and family came in Wednesday night from Oklahoma City. Their little girl, Evelyn, victim of infantile paralysis, was in a hospital there and is much improved—sorry to report that she is now laid up with a broken leg.

Last report from T. E. Naylor, Jr., is that he is still improving, but is far from well—we hope to see him able to come home soon.

Mrs. F. M. Barton and sons of JA's spent Thursday night with Mr. and Mrs. A. O. Hefner.

Mr. and Mrs. D. F. Randell of Ashtola were guests Sunday of Mr. and Mrs. E. V. Quattlebaum.

Naylor enjoyed the County Singing Convention Sunday afternoon. All the good singers in the county were here and gave us a grand singing.

Bro. W. T. Lackey filled his regular appointment—preaching both morning and evening.

Mesdames A. E. Tidrow and Leroy Tidrow visited Sunday afternoon with Mrs. W. M. Pickering.

Mr. and Mrs. Rhea Bowlin and daughters spent Sunday with Mr.

ed pioneers will be held during the celebration.

A LITTLE BIT OF EVERYTHING

Everyone is happy! Everyone is proud of the beautiful sunshine.

After the bountiful rains received by this territory the farmers have begun their farm work in earnest, and are making progress in planting their crops. And too, the rains have been of untold value to the cattlemen, in that grass is cropping out on the ranges where during the long dry summer months everything was barren looking.

Mother nature is a good provider.

morning and evening in the meetings of the Young People's Department. We expect a fine crowd of young people, 9:45 Sunday morning, and 7:15 Sunday evening in the young people's room.

May we not permit the vacation season to dull our enthusiasm for the church services. Be in the services in time every time.

Some persons have remarked that Uncle Sam is also a good provider.

Now hard looks from some quarters are being focused toward the Supreme Court, while far-sighted ones praise the decision handed down by the Court as an intelligent one.

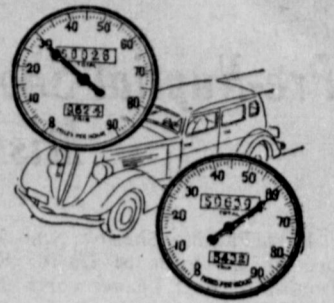

THE WONDER OF THE WEEK: Guy Wright, deputy sheriff and Walker Lane, district clerk, locked themselves in a court house room??? A G-man was necessary to get them out. Guess that one?

Frank Hardin says he is not going to be without water this summer, or the years to come, so he took home a new windmill Tuesday.

"50% of all motor wear occurs during the starting period"

... say automotive engineers

Only the oil with the "Hidden Quart" will stay up in your motor and cut down this starting wear!

Measuring cylinder wear with a precision gauge—accurate to a hundred-thousandth of an inch!

*Motorists who know these facts will save money:

Motor oils refined by the usual methods have some oiliness and film strength, but they may form carbon and sludge, which lead to expensive motor repairs.

Other oils may form almost no carbon and sludge, but are so over-refined that they are robbed of oiliness and film strength they need to prevent motor wear.

Germ Processed Oil is refined to eliminate carbon and sludge troubles and then the Germ Process adds extra oiliness and 2 to 4 times more film strength than any straight mineral oil, as tests on the Timken machine have proved.

Here are the facts: Oils not Germ Processed drain back into the crankcase when your motor is idle. Bearings, pistons and cylinders are dry when you start. Even in warm weather your motor makes at least a thousand revolutions before the quickest flowing oil can reach all parts. Bare metal grinds against bare metal—destructive wear occurs.

Conoco Germ Processed Oil cuts down this costly starting wear! The patented Germ Process—adding concentrated oily essence to highly refined oil—makes it penetrate and combine with metal surfaces. That penetrative film, forming the "Hidden Quart", becomes part of the metal itself and never drains away.

Hundreds of dry-crankcase runs have proved the "Hidden Quart"

lubricating value. Cars using Germ Processed Oil were driven 15 to 75 miles with the crankcase empty but without motor damage!

Germ Processed Oil protects your motor another way. All cars built since 1931 have greatly increased pressures and must have oil of extra high film strength for safe lubrication. Straight mineral oils have no more film strength than they had 10 years ago—some have less!*

Conoco Germ Processed Oil, with 2 to 4 times the film strength of mineral oils, gives modern motors the lubrication they need.

Only Conoco Germ Processed Oil gives full motor protection—when you start, while you drive. You will cut motor wear if you use it!

LIBRARY NOTES

(By Mrs. C. A. Burton)

Many new members are joining us for summer reading and we are glad. It is a joy to realize that the library can make a real contribution to the happiness of our people. And no one could doubt that it does after spending an hour there. Many of the children who have not read with us during school time are now coming for their vacation reading.

In a recent report of research work made at the Harvard Graduate School of Education, the statement is made that children handicapped by reading disability probably never fully overcome it. Case histories of forty persons were studied over periods of years. Not one of them measured up to the standard. Parents as well as teachers are realizing that the general intelligence of children is greatly increased by reading, and, many of the Clarendon parents are showing an increasing interest in an appreciation of the library.

Announcement is made of the Thorndike Library which is issuing books for children with the avowed purpose of giving them practice in the 2,500 words in most general use. The seven books which have been issued up to this time are "Anderson's Fairy Tales," "Black Beauty," "Pinocchio," Hawthorne's "Wonder

just off the press. A new list of best sellers is as follows: "Green Light," Lloyd C. Douglas; "Come and Get It," Edna Feber; "Heaven's My Destination," Thornton Wilder; "Of Time and the River," Thomas Wolfe; "The Forty Days of Musa Dagh," Franz Werfel.

James Boyd whose "Drums" became so popular soon after the World War, and who had already written the splendid Civil War story, "Marching On," has a new war story, "Roll River."

"SOFT BAWL"

By ROBERT NICHOLS

Greetings, bleatings, and a couple of cheerios from the softball league.

The barrier went up last Monday in the local league with the Oilers getting a flying start by downing the Aggie lads 28-14. It was a very realistic hit and run affair; the Oilers did the hitting and the Ags ran after the pill. "Shoeless" Joe Jackson acted up fairly well as pitcher for the Oilers.

On Tuesday afternoon the Methodist boys caught the greasy ones in the way of percentage by letting the Baptist down 9-8. This was a much closer played game than the one the preceding day. Whether this was because the gospel lads were better fielders or just poorer hitters it is not known, probably both. Stopper Powell did a superb job of pitching for the Weslyans, the Baptist not being able to get the ball past the infield for the first six innings. Stargel at third and Mgr. Gattis also turned in creditable performances for the winners. The Baptist manager prayed earnestly for a flood, but it seemed that he only got a sprinkle until the deluge in the last half of the seventh when his boys went on a rampage to come within one urn of tying the score.

CHURCH CHATS

"HIGHWAYS OF THE SPIRIT"

"Whither Have Ye Made a Road Today?" 1 Sam. 27:10.

This is an age of road-building. Detour signs of tantalization frequency giving ample evidence that city and state are diligently catering to the traveler. Great arteries are being opened up for transportation, and along the ways signs point out directions. But this is not confined to land-ways. The seas have their highways too, as charts will show, and with the

stars above to guide him the voyager may reach his port in safety and comfort. The sky is also filled with airways. Super-lamps are placed here and there to mark the route for the aviator that he may fly in safety across the continent with his precious cargoes.

I. So the Spirit also has highways. Faith, love, service and many other things suggest that God has placed his signs everywhere to lead men and women to peace and happiness. Alas, how often people miss His signs, leave the true road and come at last to the vale of tears and weeping.

II. The building of roads is a costly business, but not any more so in the material than in the spiritual world. They have built by human experience. Into their structure has been poured man's struggle after God and truth. Wise is he who learns to use the highways that human beings have found trustworthy in all ages.

III. A good road demands delicate engineering. The surveyor must provide against angles, curves and landslides, for it is intended to stand the tests of time, and multitudes will trust their lives to it. Here we are reminded of Him who said, "I Am the Way." Christ is the perfect road-builder of the spirit. He made no mistakes in the way He prepared.

IV. The purpose of a highway is to bring travelers to his goal. Ideals are life's destination, and blessed is he who has found the way upward. Whosoever will follow Christ's road will reach the greatest goals.

V. How can we know the route. The wise motorist learns to distrust the casual opinion of people. There are experts along the way with charts to guide. Such is the word of God to the spiritual traveler and in the experience of the ages he will find welcome confirmation of its accuracy.

W. E. Ferrell, Minister, First Christian Church Clarendon, Texas.

"DUB SHOTS"

DICK COOKE

The Hill Crofters were somewhat disappointed Sunday when the Memphis golfers failed to come up for a match. The locals were eager to post their second victory of the season, at the expense of their oldest rivals.

Clarendon is journeying to Amarillo Sunday for a return match with the Wolfen Club. Any golfer interested in making the trip, get in touch with Mr. Patman or Mr. Kerbow.

With a brand new cup for the winner, the sharpshooters will start the trek for the City Championship Sunday week. Two of the old guards will be missing from the play this year, Al Cooke who gained permanent possession of the old cup last year will not compete, and Dude Gentry, long a contender, is recovering from an operation.

Playing in a fast foursome the other day, Otus Jackson fired a sizzling par 36. Number five with the wind favoring the shots, was the golfers delight. Three eagles and numerous birdies were registered on the long hole.

With some practice, Verlin Martin should become an excellent golfer. In his caddy days he toured the course in 35 strokes, and his youth and smoothie should take his places. Byrum Haile is improving rapidly, and Lloyd Martin is playing fine golf for a beginner.

Shooting a fine sub-par 70 last week, Ira Merchant took the lead in the weekly standing. Byrum Haile broke in with four good rounds, pushing T. F. Connally down to the last position.

Miss Frances Sanford spent the week-end in Canyon visiting her sister, Miss Pauline Sanford.

MISS WESTMORELAND WILL GO WITH GROUP TO LONDON

A group of outstanding young American musicians, among whom is Elizabeth Westmoreland, sister of H. E. Westmoreland, has been selected by the Philadelphia branch of the English Speaking Union to give two concerts in London in June as an American contribution toward the Silver-Jubilee celebration of the 25th anniversary of the accession to the throne of King George V.

Elizabeth Westmoreland has been chosen as the official accompanist for the group and will select all the music to be used, all of which will be American. There are three singers, one young metropolitan opera star, a string quartette, a solo pianist, and a violinist in the group.

One concert will be given at the American Embassy and the

other in a private home and will be for distinguished audiences assembled by invitation.

After the two concerts, Miss Westmoreland will then spend five weeks in Paris studying modern French songs with Decreaux and then attend the annual music festival at Salyburg, Germany, before returning to America.

Miss Westmoreland will visit her brother, who resides in Amarillo, this fall.

Mr. and Mrs. Cal Merchant accompanied Ira Merchant to Topeka, Kansas, this morning. Ira will return sometime this week, but Mr. and Mrs. Merchant will remain there for an indefinite period while Mr. Merchant goes through a clinic.

Mr. and Mrs. Jack Sokelle of Borger were Clarendon visitors Monday.

Oma Scoggins Is—

urance of an abiding faith in God.

Mr. Scoggins was an esteemed citizen of this county, where he was one of the most progressive farmers for many years.

Survivors are his wife; two daughters, Ruby Del and Dorothy Faye; a sister, Mrs. H. L. Wheeler of Guymon, Oklahoma; and a brother, the Reverend J. A. Scoggins of Aspermont, Texas.

Funeral services were conducted Sunday afternoon at 2:30 o'clock at the First Methodist Church.

The services were conducted by the Reverend E. B. Bowen, former pastor of the Clarendon Church and now pastor of the Lamesa Methodist Church, and assisted by the Reverend Robt. S. McKee, pastor of the local Presbyterian Church.

Mesdames E. D. Landreth and S. M. Braswell and Messrs. S. M. Braswell and W. T. Hayter composed a quartette and sang "Those Golden Bells," accompanied on the organ by Miss Delphia Bones. Pallbearers were Elmer Palmer, Rudolph Weidman, U. J. Boston, Rolfe Bramley, Albert Armstrong and Lee Holland.

Honorary pallbearers were W. G. Word, Avis Rogers, Bert Mayfield, G. G. Reeves, Glenn Churchman, Joe Bownds and Walter Lowe.

Misses Frances Sanford, Willie Maud Pratt, Peggy Word, Helen Louise Green, Melba Johnson, Dora Lucille Piercy, Jean Piercy and Nellie Grady, friends of Mr. Scoggins' daughters, were flower girls.

Interment was made in the Citizens Cemetery.

World Traveler—

(Continued From Page One)

Europe. His discussion of the Hitler government was enlightening and most interesting, concluding that Herr Hitler could have done no less than he did in the punishment of the Jews there, since in every city certain Jews were leading in conspiracies against the government. The church, he said, had entered politics because it had forced to do so for protection of its interests.

Time forbade Rev. Jenkins from giving a period to the discussion of Russia, but it was easy to see that he was not at all pleased with conditions he found in that vast country where no Gospel had been preached and where family institutions as we know them are unknown.

In conclusion the speaker brought an eloquent word picture of his return to America from the tour, of his emotions as he beheld New York City, and the Statue of Liberty; of his joyful return to his home city nestling in the hills of North Carolina; the spires of the little church pointing men to God; the clear tone of the bell calling men and women to worship; the simple, earnest service; the worshipping family's return to the home in a land where true liberty is enjoyed; the evening worship at the family altar; the winking out of the lights; and last—the voice, saying "Be still and know that I am God." "America," declared the speaker, "is faced on the one hand with revolution or religion—with Chaos or God."

Lion Rathjen passed out the nomination blanks for the new staff of officers for the club in the ensuing year, with instructions to vote and return by next Tuesday.

J. C. Estlack left Friday and returned Tuesday from Austin, where he attended the graduation exercises for the University of Texas. His son, Phifer, received his B. A. degree this year.

Miss Mantie Graves left today to spend the remainder of the week visiting in Pampa.

Dick Marsh of Sayre, Oklahoma, visited Sunday in this city as guest of Miss Lorraine Patrick.

W. J. Bacon of Sayre, Oklahoma, visited Clarendon friends Sunday.

Mr. and Mrs. W. Z. Barron and son, Dean, of Groom spent yesterday visiting friends in this city.

Miss Sarah Beth Barcus returned from Bristol, Virginia, where she has been attending Sullins College. Miss Barcus will remain with her parents, Reverend and Mrs. T. S. Barcus, this summer.

Mrs. W. C. McDonald and two daughters, Jean and Ruth, spent Wednesday in Amarillo.

Dr. and Mrs. Carl Schukey of Pampa were guests over the weekend of Mr. and Mrs. Louie Thompson.

Final Rites Held For W. B. Quigley

W. B. Quigley, early Panhandle educator and pioneer banker, died at his home in Memphis, Thursday night, after an illness of several weeks.

Mr. Quigley was for several years a member of the Board of Regents of the Clarendon College, and is the uncle of Mrs. J. L. McMurtry of this city.

The deceased, 62, came to the Panhandle in 1895 from Grayson county and has taught in many Panhandle schools, making himself widely known as an educator, civic worker, and pioneer banker. For ten years, prior to January of this year when he retired, he was president of the Citizens State Bank, and was cashier of the institution, filling that capacity when the bank was organized in 1907.

Funeral services were held Friday afternoon at 3:30 o'clock at the First Methodist Church of Memphis, with the Reverend T. S. Barcus, presiding elder of the Clarendon District, conducting the last rites, assisted by Dr. John Angus MacMillan, pastor of the Presbyterian Church of Memphis and the Reverend T. J. Rea, pastor of the First Methodist Church of Memphis.

Interment was made in the Fairview Cemetery.

Besides Mr. and Mrs. J. L. McMurtry to be present at the funeral services from this city were J. D. Swift, W. H. Patrick, and Fred Chamberlain, all of whom were honorary pallbearers.

NINE WISE MEN ON CAPITOL HILL

A Thumbnail Sketch: The Supreme Court decisions were decisive and conclusive.

The outstanding feature of the ruling against the NRA is that: (a) Congress cannot make laws that uproot the relations of the states and their citizens to the federal government; (b) Congress may not delegate to the President power to make laws and to set up codes of fair competition as he sees fit.

The Frazier-Lemke act was declared unconstitutional on the grounds that the fifth amendment to the Constitution declares that private property may not be taken, even for a wholly public use without just compensation. The mortgage cannot be made to lose the money advanced under an agreement, through an act of Congress.

President Roosevelt removed William E. Humphrey, Federal Trade Commissioner on the ground "that the aims and purposes of the Administration with respect to the work of the Commission can be carried out most effectively with personnel of my own selection." Humphrey was formerly a Republican Congressman from Seattle and it was admitted that he had an excellent record in public service. He sued the Government, but died within a few months. The Supreme Court decided that the removal was excessive to the powers of the President. Humphrey's name was vindicated.

Accepted. Presidents' and legislators have a way of letting their enthusiasm run away with their sober judgement, and when the Congress yields to the Chief Executive in rushing through rash and experimental schemes that seize the rights of the states and their citizens, and impose restrictions upon all classes of citizens, something will snap.

In the present cases the Supreme Court used the power that it derives from a document known as the Constitution. It upheld the document. There is no alternative but to obey the mandate.

Chief Justice John Marshall "corrected" Thomas Jefferson. The Supreme Court has always been the anchor of safety, and its conclusions have always been accepted. That is particularly true in this instance in which Chief Justice Hughes, backed by every member of the Court, has "corrected" some huge mistakes that have been made in the past two years. Even the New Dealers, when they get over their disappointment, will likely join with the rest of the people in rejoicing over the fact that nine wise men on Capitol Hill sitting as members of the most influential judicial body in the world have ruled sensibly and finally in one day upon three matters of vital consequence to the people of the Republic.—U. S. P. A.

Mr. and Mrs. W. C. Stewart and son, Nicky, accompanied their daughter, Mrs. R. E. Koerner of Pampa, to Dallas Wednesday afternoon where they will spend a week visiting Mr. and Mrs. F. E. Simmons. Mr. Stewart will also visit his mother, Mrs. Z. T. Stewart of Venus, Texas.

Miss Mary Howren left Tuesday for an extended visit in Los Angeles, San Francisco, and San Diego with her sisters. Miss Howren will return to this city in August.
