BRONCHOS BATTLE CLAUDE MUSTANGS TO SCORELESS TIE

INITIAL TILT IS STAGED UNDER LIGHTS; FIELD IS HEAVY.

A light but determined Clarendon High School football eleven fought the heavier Claude Mustangs to a scoreless draw on a muddy field before a fair sized opening crowd here Friday night.

The powerful Mustang outfit kept the Bronchos on the defensive throughout a none too spectacular first half, but the locals came back strong after the rest, and a few minutes before the final gun were banging away at pay dirt on Claude's 5-yard stripe.

The drive was stopped when two Clarendon passes went awry after the Bronchos had driven from Claude's 45 to the 5 on a handfull of plays. With the ball on the eight-yard line Cornell knifed through tackle for three yards, but was thrown for a loss on the next play. Two passes, Cornell to Baxter, were incomplete and the boys from Armstrong kicked out of danger to Clarendon's 50.

Claude threw a scare into the Clarendon stands in the second half when, after recovering a Broncho fumble on the 45, they completed a pass that carried to Clarendon's 5. The play, however, was ruled out because both teams were off side.

The first uneasy moment for Clarendon, however, came right after the kickoff when Claude received and marched to the Broncho 42-yard stripe on two first downs. The local defense stiffened at this point and held for downs.

Both clubs used mostly straight football on the field, which was soft as a result of last week's consistent rains. Nine passes were attempted by Clarendon with one completion while Claude tossed three which were no good.

The Bronchos had the edge in first downs as they chalked up seven against visitors' four.

Cornell showed up good for the locals in the ball carrying role, aided by Holtzclaw, Grady, and Baxter, who also did some fine lugging and good blocking. Howe and McFarlin were outstanding Claude backs.

Clarendon Featured In WBAP Broadcast

Following is a talk that was made over radio station WBAP in Fort Worth Monday, the day that had been designated as Clarendon Day at the Fort Worth Frontier Centennial Celebration:

"Located in Donley County is a city with a population of 3,000. It is a neat, clean and attractive city, and the name is Clarendon. It is the county seat of Donley. Many types of farming and ranching are engaged in. There are over 30,000 head of cattle on her ranches. Cotton and grain sorghums are widely grown and, notwithstanding the rapid progress made by the cattle and farming industries of the county, there are still thousands of acres of virgin soil which a plow has never touched and which can be purchased at a reasonable price per acre.

"In addition, and most amazing of all, Donley County, believe it or not, has never had a crop failure!"

"Are you surprised then that in the midst of such productivity, there should flourish this substantial city of Clarendon? Good highways radiate from Clarendon in every direction. It is the best public school and college town nearest to the Panhandle oil fields. Here is located a municipal junior college. Over \$1,000,000 is invested in public school buildings and equipment. A municipal band keeps the town "pepped up."

"Two modern sanitariums, a country club, an attractive municipal camping ground and a citizenship progressive and broadminded, 90 per cent of whom own.

SCHOOL STUDENTS WILL MAKE TRIP TO CENTENNIAL

ATTRACTIVE RATES OFFERED FOR TOUR; WILL LEAVE SEPTEMBER 30.

Donley County schools will participate in the Texas Centennial tours for school groups, according to County Superintendent Sloan Baker, who is in charge of arrangements under the direction of the deputy state superintendent and the state department of education.

October 1 and 2 have been designated by the state department of education as the days for schools in District 1, of which Donley County is a part, to visit the Centennial Busses will leave Clarendon Wednesday, September 24.

(Continued on Page Four)

Bronchos Will Meet Skyrockets Friday

The Clarendon High School Bronchos will swing into their conference schedule Friday night when they meet the fast-stepping Wellington Skyrockets on the College Field here at 8 o'clock.

After putting his charges through a stiff scrimmage Tuesday afternoon that featured blocking and tackling, Coach C. C. Jones was gloomy in his forecast of Clarendon's chances in the game. "They are lacking the hustle," he said, "and they are meeting one of the strongest teams in the district. However, we will show an improvement over last week."

Wellington will enter the game favored to walk off with the long end of the score by virtue of a powerful running attack led by the hard-charging Estes, who is being touted for all-district half,

that gave the Rockets two easy wins over Community Center and Mobeetie before dropping a hard-fought 12-6 contest to the potential district champions, Wheeler.

In the three games played by Wellington this season they have piled up 82 points to their opponents' 12.

The probable starting line-up:

Clarendon	Pos.	Wellington
Cole	L.E.	Ham
Robinson	L.T.	Blossingame
Butler	L.G.	Sullivan
Watters	C.	Fulton
McClenny	R.G.	Shields
Noble	R.T.	McClure
Rolls	R.E.	Clements
Baxter	R.H.	Estes
Holtzclaw	L.H.	Clark
Cornell	Q.B.	Jackson
Grady	F.B.	Parker

SAFETY TESTS ARE POSTPONED DUE TO SLIPPERY STREETS

WILL BE HELD AT LATER DATE; PATROLMAN TALKS AT SCHOOL.

Automobile safety tests which were scheduled to be made in Clarendon Monday were indefinitely postponed due to the wet and slippery streets, according to Sergeant G. E. Schauer of the Texas Highway Patrol, who was here for the purpose of conducting the tests. The tests will be held at a later date, however, and the definite date will be announced soon.

Sergeant Schauer made a talk on safe driving at the high school stressing the necessity of education along safety lines to cut down the appalling loss of life and property through motor car accidents. At the noon hour, Sergeant Schauer and Captain M. L. Berry made short talks at the Lions Club.

Sergeant Schauer told a News representative that the tests are being conducted over the state in an effort to acquaint the public with the need for greater safety on the highways.

"Out of 140,000 cars tested, 30,000 were found to be defective," he said. "Many of the owners of these cars were not aware of the defects of their automobiles, and many of them had just neglected to have adjustments made. It is our object to make travel on the highways of the state less of a hazard to human life and property, and we can best do this by testing cars for defects, and educating the public in the art of safe driving."

"I am very sorry that we were unable to conduct the tests here as scheduled, but the slippery streets make it impossible to accurately locate defects. The tests will be made at a later date, however, and I hope that the citizens of Clarendon will take advantage of the opportunity to have their cars checked for defects."

Sergeant Schauer is working out of the Austin office, and is co-operating with six other men under the direction of Captain M. L. Berry of Amarillo, who is in

COUNTY RECEIVES \$651,800 IN LOANS FROM AGENCIES

248 LOANS ARE MADE BY LAND BANK AND COMMISSIONER.

In Donley County 248 loans were closed in the amount of \$651,800 by the Federal Land Bank and the Land Bank Commissioner, from May 1, 1933 through June 30, 1936, according to information received by H. P. Drought, National Emergency Council state director for Texas.

Of the loans closed in this county 81 for \$337,200 were made by the Federal Land Bank and 167 totaling \$314,600 by the Land Bank Commissioner.

Through the agency of the Farm Credit Administration in Texas \$196,139,976 has been loaned during the same period. These loans included 18,363 of Federal Land Bank Loans for \$89,429,400; 31,213 Land Bank Commissioner loans in the amount of \$58,151,000; 27,593 Production Credit associations totaling \$27,780,358; 123,286 emergency crop loans amounting to \$13,808,994, and 42,834 drought relief loans for \$6,970,224.

In addition to refinancing loans through the Farm Credit Administration, the farmers in Texas were benefitted also by a reduction of mortgage principal which amounted to \$6,288,500. Further savings resulting from lowered interest rates are estimated at \$3,550,000 annually.

In the period May 1, 1933 through June 30, 1936, 765,674 mortgage loans totaling \$2,056,156,826 were made and \$1,391,373,603 was advanced in loans to cooperatives, while \$318,878,072 was loaned to cooperatives by the agencies of the Farm Credit Administration in the United States.

Local Exhibitors At Poultry Show

190 DONLEY FOWLS ARE EXHIBITED AT TRI-STATE FAIR AT AMARILLO.

Approximately one-half of the fowls in the poultry department of the Tri-State Fair in Amarillo are exhibited by Donley County breeders, according to J. M. Hill, secretary of the Clarendon Chamber of Commerce, who said that 19 Donley County residents have 190 birds on exhibition.

The following list gives the exhibitors and the number of birds shown by each.

E. V. Quattlebaum, 21 Rhode Island Reds; Will McDonald, 29 Dark Cornish; J. L. Cobbs, 4 Rhode Island Reds; Loyd Reid, 13 Red Leghorns; D. M. Hinkle, 19 Dark Brown Leghorns; Oscar Maxie, 4 White Cornish; Mrs. J. R. Hillman, 19 Black Langshans; J. M. Hill, 5 Rhode Island Reds; Arville Dodson, 3 Buff Orpingtons; Joe Bownds, 4 Anconas; E. M. Ozier, 4 Partridge Plymouth Rocks; James Welch, 2 Buff Cochins Bantams; Hays Robbins, 4 Black Cochins Bantams; Miss Eula Naylor, 5 Speckled Sussex; Gilbert Mann, 20 Light Brown Leghorns; M. Brock, 11 Jersey Black Giants; B. L. Knowles, 4 White Langshans; Quinn L. Aten, 7 Jersey White Giants; C. L. Knight, 12 Dark Barred Plymouth Rocks.

70 PER CENT TEXAS CROP LAND SIGNED IN NEW PROGRAM

FIGURES REPRESENT APPROXIMATELY 25,000,000 ACRES OF CROP LAND.

College Station.—Seventy per cent of all crop land in Texas is accounted for in the 243,000 work sheets covering about 355,000 of the 501,000 Texas farms and ranches, according to H. H. Williamson, director of the Extension Service, in a summary of the Soil Conservation work of the Extension Service, presented at a meeting of the staff September 4. These figures represent approximately 25,000,000 acres of the 35,000,000 acres of crop land in the State.

These work sheets include a statement of previous land use on the farms and ranches covered by them as well as plans for

(Continued on Page Four)

Skies Clear After Continued Rains

3.55 INCHES FALL HERE IN EIGHT DAYS; TOTAL FOR MONTH IS 5.25.

A clear sky, with only occasional high scudding clouds Wednesday marked the first day of fair weather in Donley County in eight straight days during which steady rains left 3.55 inches of moisture to bring the month's total precipitation to 5.25 inches.

Although only a trace was recorded last Thursday, the average rainfall for the period was almost one-half inch daily with more than one inch falling Wednesday, September 16.

The clouds began breaking Tuesday morning after a final deluge about 5 o'clock that was officially measured at .25 of an inch. This week's heaviest drenching was Monday when .65 fell.

Cattlemen and wheat farmers were jubilant over prospects following the rains, while warm weather Wednesday gave promise of greatly aiding cotton and feed crops.

Official recorded measurements of moisture for the eight day period are as follows: Tuesday, September 15, .40; Wednesday, 1.05; Thursday, (.trace); Friday, .20; Saturday, .60; Sunday, .40; Monday, .65; Tuesday, September 22, .25.

DONLEY COUNTY WINS FIRST PLACE AT POULTRY SHOW

DEAF SMITH COUNTY IS SECOND AT TRI-STATE FAIR.

Donley County was awarded the county championship and Deaf Smith County placed second in the Tri-State Fair poultry show Wednesday. The championship award was made for the American Poultry Association by William C. Tallant of Oklahoma, judge of the show, who said the exhibits were among the best in the Southwest this year.

Donley County champion birds in each variety and their owners are:

Dark Barred Rocks, pullet, C. L. Knight; White Jersey Giant, pullet, B. L. Knowles; White Cornish, hen, Oscar Maxie; Single Comb R. I. Red, hen, E. V. Quattlebaum; Speckled Sussex, hen, Miss Eula Naylor; Partridge Plymouth Rock, pullet, E. M. Ozier; Mottled Anconas, pullet, Joe Bownds; Dark Brown Leghorn, pullet, D. M. Hinkle; Light Brown Leghorn, pullet, Gilbert Mann; Blacktail Red Leghorn, pullet, Lloyd Reid; Black Langshan, pullet, Mrs. J. R. Hillman; American Class, E. V. Quattlebaum; Best parti-color cock, E. V. Quattlebaum; best parti-color hen, E. V. Quattlebaum; best parti-color cock, cockrel, hen and pullet, E. V. Quattlebaum.

White Langshans, first, second, and third pullet, B. L. Knowles; White Jersey Giants, first cock, first and second hen, Quinn L. Aten; Banded Rocks, first cock, first, second and third cockerel, C. L. Knight; Single Comb R. I. Reds, first cockerel, first, second, third and fourth hen, E. V. Quattlebaum; second and fourth pullet, E. V. Quattlebaum; fifth pullet, J. L. Cobb; first young (Continued on Page Four)

Tack's Vanity—

Last week The News carried a picture of Old Tack on the front page, and we've been called a liar! Some fellers said that they had seen Tack's picture at the head of his kolumn in The Amarillo News hundreds of times, and they knew darn well that it wasn't the same picture that we had in The News and said it was Tack.

We tried to explain to them that Tack didn't use his real picture in his column heading, and that we kinda had an idea that the picture he did use was one of Ben Turpin, an old-time cock-eyed slapstick movie comedian.

And one of them fellers said that if that was a real picture of Tack that we ran in The News, he didn't blame him a bit for trying to fool the people into believing that he was as good-looking as Ben Turpin!

Didja Notice It?—

This department was omitted from The News last week. The main reason for this was to see how big a holler the thousands and thousands and THOUSANDS of readers would set up.

And so that explains that loud noise that was heard reverberating around over the Panhandle-Plains country last Thursday and Friday. It was the disappointed readers of The News, venting their rage at being denied the weekly satisfaction of their thirst for the finer things in the literary world.

(Well, anyway, one fellow asked what happened to the column.)

Good Showing At Fair—

Donley County is doing quite well over at the Tri-State Fair. It seems. Nearly everybody

Wilma Dee Smith In A. C. C. Chorus

Wilma Dee Smith of Clarendon was selected to sing in the alto section of the A Capella Chorus of Abilene Christian College, in competitive examinations this week, along with forty other voices which will compose the chorus this semester.

R. A. Supervisor to Be Here Each Tuesday

R. C. Land, Rural Supervisor of the Resettlement Administration, will be in Clarendon at the city hall every Tuesday for the purpose of interviewing rehabilitation clients, according to a statement this week.

Land said he would also discuss questions with any other person wishing information regarding the work.

Tombs Visit San Angelo Flood Area

Mr. and Mrs. Henry Tombs made a trip to San Angelo over the week-end to visit Mrs. Tombs' parents, who reside in the area in which the heavy floods of the past week struck. They found the family safe, but report that the water had almost reached the ceiling of their home. All fur-

Local F. F. A. Exhibit Wins Third At Fair

The Clarendon F. F. A. exhibit at the Tri-State Fair placed third when the 14 exhibits in this department were judged Monday by Cy Luker of the Soil Conservation Service. The premium for third place was \$40.

The exhibit was prepared and set up by members of the Vocational Agriculture classes under the direction of J. M. Hill. The boys on the committee to set up the exhibit this year were: Arville Dodson, Allen Pittman, and Max Wilson.

Donley Cops 22 Ribbons At Fair

Twenty-two ribbons were won by Donley County in the agricultural booth at the Tri-State Fair. Out of this number there were 4 first, 12 second, 4 third, and 2 fourth.

Names of producers and the products receiving these awards were not obtainable before press time.

Poultry And Dairy Teams Place at Fair

The Clarendon F. F. A. poultry judging team placed second in the contest at the Fair on Monday. The members of this team were: Rayburn Smith, Jr., Jelly McGowen, and Ray Palmer.

The Clarendon dairy judging team, composed of Jack Robinson, Warren Hardin, and Jack Reeves, placed tenth in competition with 20 teams from Texas, Oklahoma, and New Mexico.

The Clarendon dairy judging team, composed of Jack Robinson, Warren Hardin, and Jack Reeves, placed tenth in competition with 20 teams from Texas, Oklahoma, and New Mexico.

niture and woodwork was destroyed.

Mr. and Mrs. Tombs returned to Clarendon Monday morning.

RAINS IN TEXAS FALL TOO LATE TO HELP COTTON CROP

COOLER WBATHER, AMPLE MOISTURE SHOULD DEVELOP LATE BOLLS.

Widespread light to excessive rains, which fell in Texas during the week, broke a drought of more than two months in many portions but came too late to benefit cotton to any great extent as the crop is practically made in most of the State and there is no chance for a marked increase, reports to The Dallas News for the week ended Friday show.

Cooler weather and ample moisture, which checked premature opening, will help to develop many small bolls on late cotton in the South Plains and in parts of West, West Central, North, Northeast and Upper Central Texas, provided favorable weather prevails from now on. However, in the northwest portions much depends on a late frost date. Rains were too heavy in West Central Texas and benefits resulting will be more than

(Continued on Page Eight)

Clarendon Woman Wins Fair Prizes

Mrs. W. H. Corbin of Clarendon won four first places and seven second places in the domestic science department of the Tri-State Fair in Amarillo this week. Mrs. Corbin's ribbons were all in the preserve and jelly departments.

The first places were for strawberry jelly, glass and variety jelly, apple preserves and pear preserves, and the seconds were blackberry jam, peach, tomatoes, and apple butter preserves and apple, cherry and blackberry jellies.

Mrs. F. C. Knight of Groom and Mrs. H. Climer of Vega tied for high honors with both in possession of 27 blue and red ribbons.

Mr. and Mrs. Homer McElvany left Tuesday for Dallas to attend the Centennial.

Mrs. R. B. Sharp Dies In Lubbock

Mrs. R. B. Sharp, 74, of Spur, mother of Mrs. George Kemp of Clarendon, died in a Lubbock hospital Tuesday morning at 10 o'clock following an attack of appendicitis. Funeral services were held at the First Methodist Church in Spur Wednesday afternoon at 4 o'clock with Rev. Yates in charge. Burial was in a Spur cemetery.

Besides Mrs. Kemp, she is survived by her husband, R. B. Sharp, two daughters and four sons.

Motion Picture Will Be Shown At Church

"Ten Nights in the Bar-Room" will be presented in a talking picture at the First Methodist Church in Clarendon on Thursday evening at 7:30 o'clock.

Daniel E. Hogan, field secretary of the dry forces of Texas is in charge of the presentation. There will be no admission charge.

Hedley Students Enroll In Colleges

Seven co-eds and two college boys left Hedley last week to enroll in colleges and universities in the state.

Those entering the West Texas State Teachers College include Opal Cooper, Ruth Wells, Zona Adamson and Lela Ruth Watt. Martha Sue Noel, Doris and Joyce Tinsley left for Denton to enter C. I. A., while John Mitchell entered John Tarlton and Ivan Jones left for Rice Institute.

Mrs. Matt Bennett of Los Angeles, California, is spending this week in Clarendon visiting her many friends in this city.

JA Ranch Ships 11 Cars of Cattle

Eleven carloads of JA Ranch cattle were shipped last week from Ashtola.

The shipment, which was consigned to Ross Renfro of Amarillo, marked the opening of the shipping season for the big ranch.

Services Held For Mrs. Lee Morrison

Funeral services for Mrs. Lee Morrison, who died Saturday, were held at the Church of Christ Sunday with Rev. W. Wallace Layton in charge of the ceremony. Burial was in the Citizens cemetery Tuesday morning.

Mrs. Morrison was born in Alabama, June 20, 1893 and at the time of her death was 43 years old. She is survived by two brothers, two sisters, and two children.

Old Magazines Will Be Sold By Library

Second hand magazines will be for sale at the city library in the future, according to Mrs. C. A. Burton, librarian, who said this week that all classes would be offered for not more than 5 cents. High priced magazines will

(Continued on Page Four)

SERVICES HELD FOR ASHTOLA WOMAN

MRS. SARAH MARSHALL DIES MONDAY FOLLOWING LONG ILLNESS.

Funeral services for Mrs. Sarah Elizabeth Marshall, 73, who died in the home of her son, P. M. Marshall, at Ashtola at 5 o'clock Monday morning, were held at the first Methodist Church Tuesday afternoon at 3 o'clock, with Rev. Ural Sherrill of Groom, as assisted by Rev. E. D. Landreth, officiating.

Mrs. Marshall had been in ill health with high blood pressure since the first of the year.

The deceased was born in Arkansas, December 23, 1862, and resided there until 1878, when she moved to Brown County, Texas. She was married to R. A. Marshall in Callinan County, in 1880. Her husband died September 7, 1907.

Mrs. Marshall moved to Clarendon in 1928 after residing in Collingsworth County for six years.

Flower bearers for the funeral were Mrs. Lester Schull and Misses Mattie Rhodes, Dorothy Riley, LaVerne Lamberson, Jane and Virginia Williams, and Gladys and Beatrice Hardin.

In charge of the casket were Frank Hardin, Glenn Williams, Lester Schull, S. W. Lamberson, J. M. Graham and Slayton Mahaffey.

Mrs. Marshall is survived by five sons: W. A. Marshall of Cisco, Henry Marshall of Ashtola, and L. M. and Lee of Clarendon; one daughter, Mrs. Lula Smith of Cross Plains; one grandson, Willard Marshall of Pioneer; and four granddaughters: Lessie Bell Rogers of Pioneer, Wynette Marshall of Shamrock, and Mrs. Walter Deger and Mrs. Robert Turner of Wellington.

Burial was in the Citizens Cemetery in Clarendon with Buntin Funeral Home in charge.

(Continued from Page One)

shifting land out of soil-eroding crops into soil-conserving crops and practices. Tabulation of the work sheet figures indicates that at least 3,800,000 acres on Texas farms and ranches are now being devoted to soil rebuilding.

This is the first time in the history of Texas, Williamson stated, that farmers and ranchmen have made such a full analysis of the land use practices prevailing in the State. As a result many farmers and ranchmen are shifting to plans which definitely include soil building. The conservation program offers a chance to make the needed changes with aid from the Government in recognition that soil loss is a national problem.

According to estimates made by workers in the agricultural program there are indications that terracing, contouring, strip cropping, and other such practices to prevent soil losses will be applied to about 3,000,000 acres of Texas crop land in 1936.

Figures taken from annual reports of the Service from 1916, including 1935, show a total of 9,065,857 acres of Texas land terraced or contoured, Williamson said.

In addition to that 1,703,740 acres of land have lately been contour listed in the wind erosion area of Northwest Texas. In this work the Extension Service had the cooperation of the Soil Conservation Service, the Resettlement Administration, and other agencies, Williamson stated.

At The First Baptist Church

HERE IS ALWAYS WORSHIP—FELLOWSHIP—SERVICE

The measure of a Christian is the height of his ideals, the depths of his convictions, the breadth of his interest and sympathy, and the length of his endurance. These four characteristics will be determined largely by a careful systematic study of God's Word. The Bible is spoken of as a light to guide one's feet, a hammer to break in pieces the stony heart, a fire to burn out the dross within, and food for the nourishment of the soul. Amid the confused thinking and lowered ideals of the times, we need it constantly. In the crises of life the human soul craves the certainty of the Scriptures. Great characters are always grounded in divine truth. Avail yourself of the opportunity of studying God's word every Lord's day in your Sunday School. Give your child a chance to know God and Jesus Christ the Savior by putting them in intimate touch with the Bible School of your church. Foundations will be laid there on which to build great lives, and every parent worthy of the name wants their children to be worthwhile.

Next Sunday will be Promotion Day at The Baptist Church. The morning hour will be given largely to such service. B. T. U. at 6:30. Preaching service again at 7:30 p. m. We will have special music, and Mr. Todd, principal of the school at Chamberlain will be in charge of the choir. You will be happy to be in that service and we will be delighted to have you.

J. Perry King, pastor.

A nation wide survey of the wool scouring industry is being made for the Texas Planning Board by Hawley, Freese and Nichols, industrial engineers of Fort Worth. The survey will determine the feasibility of establishing wool scouring plants and woolen yarn mills in Texas.

Plans for an aerial map of Texas at an estimated cost of \$1,500,000 are being considered by the Texas Planning Board's mapping committee which estimates that such a map would take about ten years to complete.

SPORTS

BY DICK COOKE

The railbirds who have been shaking their heads over this year's Broncho prospects following the 0-to-0 tie with the Claude Mustangs last Friday night forgot to take into consideration that the Broncos were playing their first game against a strong, heavy team that had already polished off their nervousness with a 49-0 win over the Allamored High School. Also though being outweighed approximately 20 pounds on an average, the Broncos pushed the rugged Mustang line around at will during the last half and went from Claude's 45 to their 5 on a handful of plays. The attack bogged down at that point when Clarendon took to the air after Cornell, who had borne the brunt of the drive, lost seven on the first attempt but picked up four on the second.

Cornell threw the ball because there were eleven tough Mustangs waiting at the line of scrimmage; the play almost worked but the pass was dropped on the goal line. All in all, Claude was greatly underrated and if they don't go far in their district it will be surprising. They were, however, pointing for the Clarendon game. They came down here to win and the draw came as a disappointment.

Coming through last Friday's tilt without injuries, Coach Jones can again put his eleven scrappy warriors on the battle line when the lights go on for the Wellington-Clarendon game here tomorrow night. The Bronco starters are a well conditioned crew that should be able to mix it up with the best in the conference, and although Wellington is rated near the top of the heap this year, don't concede a Skyrocket victory yet. Clarendon walked off with a 20 to 7 win in the Rockies' own back yard last year, and they are virtually the same teams.

Wellington will make their appearance with the determination to win after the stinging 12 to 6 defeat at the hands of Wheeler last week. They had modestly insinuated that the Wheeler lads were all that stood in their way of the flag—a statement that Albert Cooper resented with reams and reams of space in his column in the Shamrock Texan.

School Students—

(Continued from Page One)
30, for Dallas. The total cost to each student and teacher for round trip, including two nights' lodging and Centennial tour, will be \$5.00.

"Donley County will have 100 square feet of exhibit space in the State of Texas building," Baker said, "and all schools are requested to get together as much of the Texas Independence Day school exhibits as possible to display in this space."

"The cost for the tour is most reasonable, and it is hoped that a large crowd of Donley County students will make the trip," he said.

Following is the itinerary for the trip:
Busses leave Clarendon at 8 a. m., Sept. 30; arrive in Dallas 6 p. m.; transportation cost, round trip, \$2.15. The following Centennial tour will cost \$2.85: Supper at Tent City, 6:30 p. m., Sept. 30; lodging at Tent City on Centennial grounds; breakfast at Tent City; admission to grounds; admission to Cavalcade, lunch on grounds; supper on grounds; lodging at Tent City on night of Oct. 1; breakfast at Tent City October 2.

Safety Tests—

(Continued from Page One)

charge of conducting the tests in 26 Panhandle counties.

The patrolmen travel in a sound-equipped car. The speaker is used in conducting the tests in lectures, and in demonstrating proper methods of driving.

Old Magazines—

(Continued from Page One)
be sold for 5 cents each, while cheaper ones may be obtained, three for 5 cents, she said.

The library is open on Mondays, Tuesdays, Thursdays and Saturdays from 3:30 to 6 o'clock in the afternoons.

Mr. and Mrs. Neal Bogard and family and Mr. and Mrs. Heckle Stark shopped and attended the Fair in Amarillo Monday.

Cooper asserts that it's not sporting or polite to be cocky in forecasting. And anyway, he adds, the Shamrock Irish can beat any other club in the district, unless it might be Wheeler, which is more or less Shamrock's little brother.

So with that already settled by Shamrock and Wellington, McLean, Memphis, Clarendon and the rest will have to be content to play for whatever position they can salvage out of the debris. We refuse to prognosticate but it may be that the 1936 Bronchos will turn out to be a surprise team.

CARVETH WELLS

Ten thousand miles in an automobile trailer, visiting America's mountain and lake resorts, national parks and other scenic wonderlands—that's the trip just completed by Carveth Wells, internationally known explorer, author and radio star, in preparation for his new coast-to-coast series of radio programs which will go on the air Sunday, September 27, sponsored by Continental Oil Company.

No encyclopedia-and-atlas explorer is Wells—he actually visits remote and little-known corners of the globe, as well as the most popular travel resorts, to gather interesting facts about travel—then puts them together in a style that has made his radio lectures universally popular.

During his Sunday, September 27, broadcast, Wells will take his radio public on a "magic carpet" tour through Shenandoah National Park, the Finger Lake region of New York state, through the middle west, into the Black Hills of South Dakota, to Yellowstone Park, Salt Lake City, and through the Rocky Mountains—

Donley County—

“Along Came RUTH”

(A Short, Short Story in Eleven Pleasant Paragraphs)

Doris had just returned from one of her tire-some shopping expeditions and had flopped in the easy chair in the living room, letting her bundles fall carelessly about her. She was in no mood to answer the door bell as it rang, but peeped through a window to notice Ruth restlessly awaiting the door's opening. "Well, I'm in no mood for company, but Ruth is such a gloom chaser it will probably do my disposition a lot of good to have her," Doris thought. "Been shopping again?" asked Ruth as she entered and noticed the disorderly bundles surrounding the easy chair. "Yes, been all over town looking for something respectable at a price I can afford," answered Doris in a rather wearisome tone. "Some day," replied Ruth, "you are going to learn how to do your shopping without coming home all fagged out and cross...but, by the way, let's see the latest in the way of fashions." "John's going to murder me for being so extravagant," said Doris as she began clipping package strings with the scissors. "Things are so high this year...and it is really hard to find just what you want." "Oh, this is an adorable frock!" exclaimed Ruth as she dived into one of the larger packages. "How much did it cost you?" "Plenty...twenty-two seventy-five, and marked down at that, so the clerk said. It's rather nice, but I can't be exactly satisfied with it at that price." "I don't like to hurt your feelings, girlie," said Ruth, "but I do believe I saw the very same dress advertised at Gaysom's for only fifteen ninety-five." "My goodness! What a sap I turn out to be," answered Doris. "I might have known the clerk was kidding me into buying something I didn't want." "Listen, Doris," Ruth began, "when are you going to get wise to the modern way of shopping...you know good and well the clerks can read your face...they know when you don't know. Wise up a little and let them know that you know a thing or two...get first-hand shopping information through the advertisements every week and be prepared to shop intelligently—and economically, too!"

Just Arrived—

We have just received the largest and best assorted stock of furniture, floor covering, ranges, stoves, radios, etc., that we have ever had. The price is really right on this merchandise. You will be surprised at the furniture a few dollars will buy now. Come in and let us show you this complete stock. We will be glad to have you whether you buy or not.

Trade your old furniture, etc., on new Crosley Radios, Florence Oil Stoves, Heaters, Maytag Washers, and Progress Vacuum Cleaners.

SOCIETY

MRS. FRED L. WILLIAMS, Editor

Classes For Adult Education Organized

A group of ladies who are interested in Parent Education met at the home of Mrs. Tom Crabtree Thursday, September 17, at 10:00 a. m.

A discussion of "Parent Self Analysis" was conducted by Mrs. Maurine Lackey and dealt with the failures of children in school.

Mr. J. W. Chapman of Amarillo, who is the district supervisor of adult education, was present and made some interesting comments on the lesson.

Those present at this meeting were Mesdames Chester Talley, P. T. Losson, J. H. Moree, D. R. Phillips, C. G. Hall, Harve Smith, Lee Leek, Charles Summers, L. H. Mullens, and Tom Crabtree.

Another group of ladies met at the home of Mrs. Mills at 11:30 a. m. Thursday to discuss the same subject. Mr. Chapman made an excellent talk at this meeting.

The following ladies were present: Mesdames W. H. Bale, Mabel McKinney, L. H. Mullens, Mills, Fowler, and Maurine Lackey.

Dorcas Alethean Class Meets

The Dorcas Alethean Sunday School Class of the Baptist Church met in the home of Mrs. Bert Smith Thursday afternoon, September 17, with Mrs. Smith, Mrs. C. Huffman and Mrs. Ben Hill as hostesses.

During the business meeting, officers for the coming year were elected and it was voted to donate to the pipe organ fund.

Lovely refreshments were served to the 16 members present by the hostesses and a delightful social hour was enjoyed by all.

Clarendon H. D. Club Meets

Mrs. O. L. Fink and Mrs. J. C. Estlack entertained the members of the Clarendon Home Demonstration Club in the home of Mrs. Fink, Friday afternoon, September 18. The president, Mrs. Fink, presided, opening the meeting with prayer.

After the business session, Mrs. Fink, the program leader for this meeting, entertained with games and contests.

The club adjourned to meet Friday, October 2, at 2:00 p. m. Lovely refreshments were served to guests, Mrs. Bennett of Los Angeles, California, and to the club members, Mesdames G. A. Anderson, A. H. Baker, C. L. Benson, H. J. Edington, M. A. Hahn, C. D. McDowell, Ed Speed, John Black, Misses Ida and Etta Harned, and the hostesses, Mrs. Fink and Mrs. Estlack.

Mrs. Meadows Entertains Club

The Friendship Club met Tuesday afternoon, September 22, with Mrs. J. A. Meadows as hostess. The meeting was called to order by Mrs. J. E. Monagle in the absence of the president.

After the Pollyanna packages had been opened and enjoyed a pleasant afternoon of sewing and conversation was enjoyed by those present.

The home was tastefully decorated with cut flowers and at the close of the social hour refreshments were served by the hostess to the club members, Mesdames G. J. Teal, J. A. Meadows, J. A. Tomb, H. Tyree, J. L. Allison, M. E. Thornton, J. E. Monagle, Eva Womack, and to the guests, Mrs. Bill Meadows and her daughter.

The club will meet next with Mrs. J. L. Allison on October 13.

World's ONLY Water-proofed Toothbrush - keeps teeth REALLY WHITE

Does your toothbrush turn limp when wet? Then it can't keep your teeth clean! THROW IT AWAY. Use the brush with the water-proofed bristles - Dr. West's. Can't get soggy; gives 60% better cleansing. Sterilized, sealed germ-proofing glass. 10 colors.

Dr. West's Water-proofed Toothbrush 50¢

Mothers' Club Elects New President

The Mothers Culture Club met at the club rooms Tuesday afternoon, September 22, for a business and social meeting. Mrs. D. F. Wadsworth and Mrs. Bill Bromley were hostesses.

Margaret Ann Jenkins contributed a musical number to the program.

Mrs. Ernest Hunt was elected president, due to the resignation of Mrs. B. L. Jenkins, Jr. Mrs. Dewey Heath and Mrs. G. K. Reading were elected to membership in the club.

Refreshments were served to 22 members and one visitor.

Legion Auxiliary Has Meeting

The American Legion Auxiliary met at the club rooms Monday afternoon, September 21, for its regular meeting. Mrs. Ralph Andis, president of the club, presided.

Mrs. Ben Hill had charge of the program for the afternoon. There were 10 members present at this meeting.

B. & P. W. Club Meeting

The Business and Professional Women's Club met Monday evening, September 14, at the club rooms, with the president, Fanny Perry, presiding.

The program for the evening was given by the chairmen of the various committees.

Those present for this meeting included Ruth Hartzog, Ruth Teat, Lottie Lane, Virginia Schull, Carrie Davis, Annie Bourland, Rhodie Perry, Mantie Graves, Julia Wiedman, Jeanne Bourland, Fann Wiedman, and one visitor, Mrs. Louie Hollaway.

Pathfinder Club To Meet Friday

The first meeting of the Pathfinder Club for the new season will be a dinner party to be held at the club rooms Friday evening, September 25, at 7:00 o'clock.

The new officers will be installed at this meeting and all the members are urged to be present.

Mrs. Wilson Has H. D. Club

The Chamberlain Home Demonstration Club met Thursday, September 17, at the home of Mrs. R. P. Wilson. The president, Mrs. Will Barbee, had charge of the meeting. Mrs. J. L. Goodman was taken into the club at this meeting. Mrs. Roy Beverly led in prayer.

A delicious buffet lunch was served to the visitors, Mrs. W. W. Webb, Mrs. J. A. Huffstutler, Mrs. J. L. Goodman, Mrs. Ivo Peabody and Mrs. Wilfred Andis, and to the members, Mesdames C. L. Mann, Roy Farris, J. E. Duckett, W. K. Fowlkes, T. M. Reid, J. B. Duckett, John Aduddell, O. A. Hott, Will Barbee, J. B. Estes, Ed Aduddell, Roy Beverly, Aileen Skinner, and R.

ROULETTE AND ROMANCE

George Raft and Dolores Costello Barrymore are co-starred in "Yours For The Asking", comedy romance of a gambler who decides to learn the ways of society, coming to the Pastime Theatre Wednesday and Thursday.

The picture boasts a supporting cast of such screen favorites as Ida Lupino, Reginald Owen, James Gleason, Lynne Overman, Richard "Skeets" Gallagher and Edgar Kennedy.

Gleason, Overman and Kennedy appear as the right-hand men of Raft in his gambling operations. The star meets Miss Barrymore, a society girl, decides to make his gambling place "an upper-crust layout" and gets her assistance. The trio of henchmen begin to fear that their boss is falling for Miss Barrymore. To prevent such an eventuality, they arrange to have Ida Lupino, beautiful adventuress, try to win him.

She succeeds, for a time; so well that Raft, who believes her a member of the Four Hundred, begins taking Emily Post lessons from Miss Barrymore.

Comedy situations are built up by the three aides, Miss Lupino, and a wandering salesman of ten-cent gadgets, Owen, who poses as Miss Lupino's aristocratic uncle for purposes of the plot.

"Yours For The Asking" places Raft in a story similar in some respects to that of one of his greatest hits, "Night After Night." It marks his return to the type of role which the movie public likes best for him; the tough egg with the smooth manner.

Miss Barrymore, who stepped immediately back into her former leading place in filmdom after a five-year absence, in "Little Lord Fauntleroy," is also given a role exceptionally suited to her unusual talents.

Tom Goldston, who has been in an Amarillo hospital for the past week, is improving, it was reported this morning.

CARD OF THANKS
We wish to take this method of thanking our many friends for their kindness and sympathy during our hour of sadness, and for the beautiful floral pieces.

P. Wilson.
The afternoon was spent in piecing quilts.
The next meeting of the club will be held on Thursday, October 1, with Mrs. Ed Aduddell as hostess.

MARTIN

(By Billie Ruth Bulman)

Sunday School was well attended last Sunday, and all the visitors are welcome to come back.

Vivian Veazey spent Saturday night with Cora Lee Jordan. Those visiting in the W. L. Jordan home Sunday were A. J. Sibley and Mrs. Mrs. Christie. Mr. and Mrs. Nelie Veazey and family, Cora Lee and Geraldine Jordan spent Sunday in the Floyd Shannon home.

Mr. and Mrs. Pete Hearn and family of Groom, Texas, Mr. and Mrs. Wallace Wallings and family and Darrell Bailey spent Sunday with Mr. and Mrs. Walter Morrow and family.

Raymond Shannon and Hulen Carrol Harvey spent Sunday with Winston Wood.

Earl Shannon spent Sunday with Allen Pittman.

Mr. and Mrs. Edwin Bailey and daughter spent Saturday in Amarillo.

Mr. and Mrs. Jack Bailey spent Sunday with Mr. and Mrs. W. F. Barker.

Johnnie LaFon, Margaret Sue Easterling spent Saturday night with Emily Davis.

Mr. and Mrs. Rufus Pool spent Sunday with Mr. and Mrs. Geo. Bulman.

Johnnie LaFon, Margaret Sue Easterling, Emily Davis, Fred Easterling, Mrs. Grey and Virgil Jordan spent Sunday in Amarillo.

Mr. and Mrs. Asa Peabody attended the Amarillo Fair Tuesday.

Mr. and Mrs. Clyde Barker and daughter and Mr. and Mrs. J. T. Easterling spent Sunday with Mr. and Mrs. Guy Sibley.

Mrs. E. W. Cattlet spent Friday night with her daughter, Mrs. Jess Davis.

Mrs. Linnie Cauthen, Mrs. U. Z. Patterson and son, and Hulda Jo Cauthen spent Wednesday with Mr. and Mrs. Geo. Bulman.

Sales Pads at The News.

Clarendon Featured

(Continued from Page One) their own homes, all make Clarendon an unusually ideal place in which to live.

"To the south about twenty-five miles from Clarendon, one may visit the historic JA Ranch. To the west is the famous Goodnight Ranch, where the buffalo still roam and from where an enchanting view may be had of the lovely Palo Duro Canyon, one of nature's surpassing works of beauty of grandeur."

Mr. and Mrs. W. A. Massie moved to Clarendon this week and will make their home here in the future. Mr. and Mrs. Massie have been living in Groom.

The News Congratulates:

Mr. and Mrs. D. B. Kempson of Hedley upon the arrival of their daughter, Saturday, September 19.

Mr. and Mrs. A. S. McNear upon the birth of their daughter, Barbara Nell, Wednesday, September 23.

RADIO TESTING EQUIPMENT

We have installed the latest type scientific testing board for testing radio tubes.

The tests are made to show defective amplifying units or four stages of internal shorts and open circuits and also for noisy tubes.

There is no guesswork. It is simple enough that you can understand the test.

Testing is FREE in our shop.

The Broncho Range

C. J. C.

VOL. 7

Devoted to the Students of Clarendon High School, Junior College and Junior High School

NO. 3.

The Broncho Range

Published exclusively each week in The Clarendon News by students of the Junior College, High School and Junior High School.

Editor ----- Lowell LaFon
Ass't. Editor Dorothy McCormack
Society Ed., Avis Lee McElvany
Sponsor ----- Ineva Headrick

Contributors to this issue: Helen Louise Green, Beatrice Garmon, Jeanne McDonald, Nell Sachse, and Wesley Powell.

EDITOR'S CORNER

In beginning this column of editorial comment, I want to remind you that the Broncho Range in order to be representative of the school must have the cooperation of the students. It is with this cooperation that our publication will maintain a greater variety of range and interest.

Anyone interested in writing for the page is invited and encouraged to do so. If you have a news item, a criticism, or any interesting article (contributions of a more serious content preferred.) please give the name to Ye Editor or place in the "news box" now in the library for your convenience.

The game last Friday was a good game, anyway, after considering everything. With the experience in this battle, the Jones boys should show up better tomorrow night; however, the Broncos will probably not meet a more powerful rival this season. For the Wellington Skyrockets are plenty tough this year. So we'll have to hope for the best.

Speaking of football games, we had lots of excitement last Friday night on the hill. The football boys were not the only ones having difficulties, it seems, if you get what I mean. The Pep Squad girls, I believe, were on the wrong side of the fence. There was a misunderstanding or the equivalent thereof. Anyway, let's hope everybody gets together for the game tomorrow night.

The Benefit Revue, a presentation of the newly organized Curtain Club, a story of which is carried on this page, promises to be very entertaining. With such a variety of entertainment, and such an array of talent involved, you simply mustn't miss it.

Wandering about the typing room the other day, I found the five new Royal typewriters much in demand. While the other 20 typewriters are in good condition, there's nothing like typing on one of the new Royals, so the students think.

The seniors are already making plans for their annual this year. All the high school students might well cooperate with the seniors in this work, for after all, the juniors and sophs will be included in the content. Plans are now under way for an Amateur Night on October 8, the proceeds to go in part payment on the annuals. Watch for further announcements. BR

WITH THE SOPHS

Floy Dewey wants very badly a heart. Can't any of you young fellows supply one? (This isn't an ad.)

A small wooly dog strolled into the study hall, evidently not to study. Funny, isn't it, but when we stroll into the study hall, singularly enough, we don't go to study. Or do we?

Does Mr. Jones like his study hall, or do we like Mr. Jones' study hall? You figure it out.

"A shroud is something we eat." So opines Dudie Gentry. We suggest Swiss chard or spinach, Dudie. You might find the shroud indigestible.

Lu McClellan came in to see if we Sophomores have any talent. In the course of his questions, he asked if we could read. Yes, we can read, and we can write, too. We haven't gone to school nine years for nothing. (We hope.)

We have one gentleman in

The Old Reliable Exterminator Used the world over for many generations, to kill rats, mice and vicious animals. Sure way to do away with dangerous pests. Safe to handle. Sold by general stores and drug stores. 25c per box. Manufactured by R. A. WELLS, Chicago

School Curtain Club To Present Opening Revue of Season Tonight

As the opening entertainment of this season, the Curtain Club, under the direction of Sarah Virginia McGowan and Lu McClellan, is presenting one of the best revues in its history tonight.

Memphis, Lelia Lake, Ashtola and Clarendon, among others, have a part in the program which consists of the following talent:

Mistresses of ceremony, Nell Cook and Ethlyn Drennan; piano novelty, Bobbie Leathers; song specialty, Peggy Word; a pantomime; cowboy arrangement; dramatic reading, Christine Knox; tap dance, Martha Thompson; piano duet, June McMurtry and Dorothy Kerbow; skit, Wesley Powell, David McCleskey, Dorothy McCormack and Allen Patman; piano solo, Bob Hamilton; chorus dance, six cuties; piano solo, Beatrice Garmon. BR

Junior High News

A means of getting new books for the Junior High Library is now in action. Each pupil of Junior High is to bring twenty-five cents for the year's library fee. It will be appreciated if the pupils who have good books and are through with them give 'em the same to the Junior high library.

Mrs. Headrick and Miss Sligor, the first grade teachers, have twenty-six beginners each. The children are beginning to understand how to work and play together, and it won't be long before they will feel perfectly at home.

Miss Waldron, the first grade teacher since 1928, has resigned to go to school at Fort Worth. She hopes to become a missionary. Miss Gray is the new fifth grade teacher in South Ward. Mrs. Kerby has been transferred to South Ward to teach in the fourth grade.

Several Junior High students recently returning from the Centennial Exposition and Frontier Centennial include Madeline Kelly, Louise and Cleo Russell. These students declare the "Cavalcade" and "Last Frontier" to be the best and most exciting.

Mr. and Mrs. Marvin Wright and son of Borger visited in Clarendon Monday. You can talk about yourself when your guest is gone.

Notice to Pupils or Parents

I will coach pupils who must make up work or who are falling behind in any subject at my home one block north of Junior High.

Mrs. C. A. Burton

WHAT DOES A BANK DO?

It Protects Individual and Commercial Interests. More than anything else—more, even than the assistance it gives in building an estate—A Bank Protects.

Farmers State Bank

Whether it is a dollar deposited, an estate entrusted to its care, or priceless keepsakes and important documents for safekeeping in its vaults, a bank protects.

SHAVER & WHITLOCK

Can clean your clothes and return them in the shortest time, because, we have the latest equipment; the most experienced workmen. No water wash to shrink or fade out the garment. Just call—

Shaver & Whitlock

'The Leading Cleaners'
'Phone 12

ASSEMBLY

The band and the pep squad entertained the student body at the regular assembly period Friday afternoon. Yells were practiced and announcements made concerning the football game Friday night.

After several struggles and just as many failures, it was found that we do not know our school song. Why not learn it? Hail! Hail! The Gang's All Here was the closing song. BR

WE SAW

Coach Jones with a far-away look in his eye—Ah, Geneva! (The G. F.)

Helen Risley wearing a Memphis class ring. Pauline Carlile reading a letter from Estelline. Dorthea with a boy friend from Pampa Sunday night. Why don't you girls get together?

Mary Lois Hayter back in school. Now who was it that told us you were considering entering the blessed state of matrimony?

Nell Cook looking as neat as ever, being faithfully haunted by her latest admirer.

Fern Martin in a black V-8. Wonder what Higgins thinks?

Mrs. Goodner rushing down the hall, but she wasn't in too big a hurry to give a sweet smile to everyone she saw. She has our personal nomination for the sweetest and friendliest person in school.

Editor LaFon gazing at the ceiling and typing away at his various editorial duties.

Marie McQueen (Memphis) severely reprimanding her neighbor, J. D. (Bark Bark) Webster. More power to you, Marie, somebody needs to do it.

Gene Butler tearing up the stairs at approximately five miles per hour. Show us the dame that deserves such a rush.

Still another new pupil for our C. M. J. C. from Memphis. We are told that his name is C. R. Gowan. (Be still, my beating heart!)

Mr. and Mrs. Marvin Wright and son of Borger visited in Clarendon Monday.

You can talk about yourself when your guest is gone.

State Patrolman Makes Safety Talk

"People are not safety-conscious. The thinking habit of the individual must be changed before the accident rate in this country is decreased," said Sergeant Schauer of the Department of Public Safety in a talk before the high school and college on Monday, September 21.

Head-on collisions, no center stripes on roads, parking on the pavement on the highway and carelessness were named as the main causes of accidents. Sergeant Schauer and a group of highway patrolmen were conducting a safety lane in Clarendon.

Cars were tested on six points: brakes, horn, light, steering apparatus, muffler, and windshield wiper.

According to Sergeant Schauer, 36,500 people are killed each year in accidents. If this rate of increase continues in the next five years, one out of every 20 people may expect to be killed or injured.

"Tell a driver when he is making a mistake so that he can correct it," instructed the patrolman. "The back seat driver is the best thing that ever happened."

"When you need help, call on the highway patrolman. It is our duty to render any service to you that we can. Remember that every officer is your friend." Sergeant Schauer was introduced by Sheriff Guy Pierce.

THE RANGE RIDER

This is one time I can't say "I told you so," but I can say everybody is proud of the way the team showed up last Friday night. Our team was at a great disadvantage as far as weight was concerned, but the fight and spirit that they showed made them a menace to their opponents. This scribe thinks that we have the scrappingest team in our district and dares anyone to dispute his word.

The Broncos will have to show a great improvement over their play if they expect to beat Wellington this coming Friday. Wellington, as you know, has one of the strongest teams in the district, but with the fight the Broncos gave the other night the Skyrockets are likely to be stuck in their trough.

I can say I told you so about the players. Did you notice how Butler and McClenny held their own against the big players from Claude? Nobles and Robinson showed that they knew what it was all about. How many of you kept your eyes on the ends, R-lls and Cole? They put up a good fight as did the other linemen. The backs were a little nervous at first, but they steadied down and turned in a real game.

Mr. and Mrs. Ray Roberts and Winford Gattis of Amarillo, and Mr. and Mrs. J. R. Batson of Lelia Lake visited in the home of Mr. and Mrs. S. S. Roberts Sunday.

CAMPUS STYLES

Many lovely frocks have been seen on the campus since school started. Red satin blouses are very popular, with those of Dorothy Nell Baker and Mildred Barker being especially attractive.

Rust linen is prominent also. Joy McCanne and Eloise Hill both have dresses like this and they are certainly good-looking.

Unusual combinations of color have been the rage this season. Ethelyn Drennan's blue, purple and green printed crash dress is an outstanding example. Anna Moores Swift's mustard-colored suit with hat and shoes to match is very different and attractive, and so is her rust suede hat.

Maxine Ellis' lilac pique jumper with printed blouse, and Jean Piercy's blue pleated chiffon, together with Mildred Atteberry's backless green linen and Billie Jo Wilson's brown chiffon over white dotted slip have caused quite a sensation.

Suede shoes in bright colors and unusual styles seem to be the most popular thing generally. White linen suits have been worn on the cooler days.

KNOCK! KNOCK!

Here are a number of knock knocks submitted by Bill Peden. Everyone knows the code so we merely abbreviate: Knock, Knock! Who's there? (Continued on Page Seven)

I-E-S Better Sight Lamps

LEND eye protection TO EVERYONE

NOTE TRANSLUCENT BOWL common to all I. E. S. Better Sight Lamps.

I. E. S. Better Sight Table Lamp: Specifically designed for study and reading, they provide eyesight protection for the school child, college student and everyone who uses eyes for close work at home.

Why subject your family to the punishment of glaring improper lighting that hne out of ten homes now have? It causes eyestrain and fatigue—plays havoc with nerves, impairs precious eyesight. How are you going to make seeing safe in your home? That's the problem.

I. E. S. Better Sight Lamps help solve this problem. They give you enough light to make seeing easier. The light is well-diffused, smooth and restful, and spreads in a wide circle over table, desk, or chair. Every member of your family needs this sight-saving light for reading, study, and all close tasks. Come in and choose your lamps. Easy terms can be arranged.

I. E. S. Better Sight Floor Lamp: Placed beside the easy chair this lamp insures relaxation and reading comfort. It gives 3 degrees of light—from one lamp bulb.

I. E. S. Semi-Indirect Lamp: This lamp gives 3 levels of light from one bulb—100, 200, or 300 watts—ample light for a bridge game; excellent light for reading; or soft pleasant light for entertaining.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

CAVALCADE BRINGS TEXAS HISTORY TO LIFE

Dallas.—Cavalcade of Texas, one of the "must see" things at the Texas Centennial Exposition, recreates the hilarious spirit of the Big Bend country in the above scene in the Jersey Lilly saloon when Judge Roy Bean was all the law there was West of the Pecos. Just below are the famous Wilson Clydesdales, valued at \$100,000, drawing one of the covered wagons across the largest stage on earth; lower left, a tragic moment during the Comanche attack on Fort Parker in 1836; Loraine Meeks, at right, member of the cast, dressed as a lovely Spanish senorita, wears a comb brought from Spain by her ancestors, a century ago. And below, still the crowds come, jamming the entrance at every performance.

JERICO

(By Miss Sue Lill)

It is still raining. Everyone is wanting dry weather now so they can sow their wheat.

Mr. and Mrs. J. L. Foshee and family were Clarendon visitors Wednesday evening.

Mr. and Mrs. George Kavanaugh and Miss Mable Mongole were Clarendon visitors Thursday evening.

Tuesday evening, Norma Jean Terry, while playing, put a grain of corn in her nose. She was taken to Dr. Witt of Groom who removed it.

Jericho is expecting a big day Friday at the Fair. School will be dismissed. The Jericho children will enter in the singing contest, competing with other two-teacher schools.

Charlie and James Hermes-meyer of the Groom community were visiting in the home of the Hermesmeyer brothers.

We were glad when the news arrived that Miss Cook is doing so well. We will also be glad when she can be with us.

There were 15 present for Sunday School Sunday.

Mrs. Jodie Helm, Mrs. E. R. Reeves, Mrs. Elmer Ashmead were quilting in the home of Mrs. Ashmead Friday and Saturday.

Mr. and Mrs. L. H. Terry and daughter, Norma Jean, were visiting in Sweetwater, Okla. Reports were that they received rain while Terrys were there.

Mr. and Mrs. John Lill were in Panhandle Monday.

Jeanne Bourland left the past week-end for Amarillo where she has accepted a position in the office of White and Kirk's.

T. F. Connall and A. N. Wood returned to Clarendon Tuesday night from a business trip to the North Plains.

Mrs. Leslie Foxhall of Memphis was in Clarendon Monday.

Stults (just) a joke, don't be angry.
Parten me for keeping this book overtime.
Tom Tucker home so I lost out.

OUR BOOK SHELF

"The Enchanted Voyage" is not one of Robert Nathan's best books; it is not as good as "One More Spring" of which it is a repetition, yet it contains all of the qualities which set Nathan apart as master of his art.

Hector Pickett is the sailor on the enchanted voyage. As he is a sailor by heart and not a business man, he suffers in silence many rebukes from his wife who believes that life is made of dollar and cents. To escape her eternal nagging, Hector builds a boat in the backyard of their

Bronx home where in the late evenings he spends many hours tinkering and dreaming, dreaming that he is anchored in the Bay of Fundy or sailing in the China Sea.

The "New York Times" critic states, "Like those of "One More Spring," they are creatures for whom a world of enterprise has been difficult. And in spite of it, Mr. Nathan shows how the meek may, indeed, inherit the earth—for a time at least."

Jeffersonian Democrats Declare Stand They Will Make In Coming Presidential Election

Texas Democrats Will Support Landon At the Polls In November

With a full realization that our country faces a political crisis transcending all partisan interests, we Democrats of Texas now pledge our best services to the Nation upon a non-partisan basis. We reassert our belief in the Constitution, in the rights of the States, and in the Jeffersonian principle. Believing thus, we must condemn the Roosevelt Administration.

The issue before the American people today is not Roosevelt versus Landon; nor is it the Republican Party versus the Democratic Party. The issue here is the same as that which rocks the rest of the world, and that issue is regimentation versus freedom and democracy. We are confronted with a change in our form of government from a Democracy, in which the government is the servant of the people, to a Socialist and Communistic state in which the individual becomes the servant of the state and loses all personal freedom and all property rights.

We charge that Mr. Roosevelt is not a Democrat and never has been in sympathy with the principles of the Democratic Party.

We charge that Mr. Roosevelt has aided and abetted the aims of the Socialists and Communists, and has set up a board of advisers known as the "brain trust," which is largely made up of red radicals not in sympathy with our form of government.

We charge that few members of this "brain trust" have ever been connected with the Democratic Party prior to the nomination of Mr. Roosevelt for President.

We charge that the key positions in the numerous bureaus set up by Mr. Roosevelt are now held by radical appointees selected for the most part by Felix Frankfurter, known throughout the country for his red radical activities.

We charge that the radicals, whether they call themselves socialists or communists, now have the nation by the throat, thanks being due Mr. and Mrs. Roosevelt (a married woman following the Russian system of not taking her husband's name), Felix Frankfurter, Rex Tugwell, and others.

We charge that all New Deal acts such as NRA, AAA, and others in which business, farmers, and the rest of us were to be regimented and directed by some bureaucrats, one of whom is Tugwell. We will prove to you before November 3rd, by quoting Mr. Tugwell himself, that he is as red or redder than Stalin the Russian dictator.

We charge that Mr. Roosevelt has shown no interest in the 1932 platform of the Democratic Party except to repeal prohibition.

We charge that most of the New Deal bills he forced through Congress were specifically called for in the 1932 Communist and Socialist platforms. We will prove this to you before November 3rd by showing the word for word the platforms of these parties and showing you how the New Deal acts met the demand of these platforms.

We charge that when Mr. Roosevelt insisted on having all relief and PWA money given to him to use at his discretion it was for the purpose of getting control of Congress, by denying any Congressman money-spending projects in his district if he voted against the President's bills.

We charge that Jim Farley, the Tammany politician, expended this money in building up a political machine to Tammanyize the United States, and has succeeded in doing so to an extent that it is as vicious as it is in New York City.

We charge that the Nation cannot survive the continuation of the present, flagrant, wasteful spending far beyond its income. Mr. Roosevelt expects to continue it. Our national debt is now more than \$35,000,000,000, or approxi-

ately \$1,500 for the average family. The interest charges of 2 1/2 per cent upon this debt amounts to \$880,000,000.

The President's program of soaking the rich by increasing the taxes on all income above \$50,000 does not provide enough money to pay even the interest charges on this debt. If the entire income of this group were confiscated, it would just pay the interest charges, which as shown by the United States Treasury Department figures for 1934, was \$890,936,207. The New Dealers have put the mill-stone of debt around the necks of our children and grandchildren. We believe these debts are being piled up for the purpose of bankrupting the Nation to forward the plans of the Communists and Socialists.

We charge that the most active bureau in Washington today is that of propaganda, through which millions of dollars of taxpayers' money is spent to misinform him and sing praises of the New Deal.

We charge that Mr. Roosevelt is wholly undependable. His record is one of broken promises. The nation and business cannot go forward when it cannot rely on the statements of the President.

We claim that Landon and Knox are the only national nominees defending the time-honored principles of Democracy. The most important plank in their platform is that in defense of State's rights to prevent the centralization of power in Washington, where some organized minority can seize control of our government.

We claim that we are going to carry this state against Roosevelt. The normal republican vote is about 150,000. Add to this 50,000 Republicans who ordinarily do not vote because they feel that it is useless. Add to this 150,000 Democrats who will not vote for Roosevelt under any circumstances. You know your own community is full of this kind of Democrats. Add to this 150,000 Democrats who will gladly join us if they think there is any use to vote against him. This alone will mean the election against Roosevelt, but add to this thousands more who will vote against Roosevelt when they are shown the fallacies and frauds of the New Deal. We Democrats are not going to let the New Dealers and Tammany Jim put any collars around our necks. A Texas voter is never a yellow dog unless he is a politician.

We want you to step out on the firing line with us. Are you willing to help us in the distribution of our literature, or in getting money to forward this work? We have a large number of organizations throughout Texas. We want one in every town.

J. EVETTS HALEY, Chairman.
Jeffersonian Democrats of Texas.
Headquarters: Austin, Texas.

THE CLANCY KIDS

Using Common Sense!

By Percy L. Crosby

(Copyrighted)

Williams Tells

(Continued from Page One) agrees that Donley's booth is just about the best exhibit on the grounds. And in the poultry department, Donley exhibitors displayed about one-half of the total number of birds that were exhibited. And, they won the county championship in this department. Very nice. Very nice, indeed.

with a couple of city slickers (Dude Gentry and Sam Dyer) Tuesday. I don't know a thing about horses, but I figured since I had a couple of experts for touts I would be most certain to show a handsome profit as the result of a little mild wagering. Alas, and alack! Fond dream that did not materialize. Those boys weren't so hot on picking winners, but they "put me on" one of the bravest horses I have ever seen. That noble animal bowed his neck at the post, and chased all six of the

others all the way around the track. That plug was so slow they had to hold up the next race to wait for him to get all the way around. And, I don't believe he'd have been in the money in THAT one if they hadn't waited!

Are The Broncos Stronger?—The Clarendon High School Broncos are still a question mark since Friday's tilt with Claude. Last year the Broncos nosed the Mustangs out, 6-0, while the best they could do this year was a scoreless tie.

The question is: Are the Broncos weaker, or are the Mustangs stronger? Personally, I believe that the Mustangs had a much stronger squad on the field Friday night than they did last year. And I believe the locals are greatly improved, also, even though I don't see them in the role of district champs. Just stick around and keep your eyes open, and they'll show you some football.

Who'll Win The District?—Personal not to Albert Cooper of The Shamrock Texan and Deck Wells of The Wellington Leader: It would seem that you two guys have got the district championship all cut and dried and settled. And it seems that it's to be either Wellington or Shamrock in the role of conquering hero.

I don't think either one of you know any more about it than Baby LeRoy. But I'll bet both of you two bits apiece, cash money (if I can get it), that neither Wellington nor Shamrock will take the district crown. My personal nomination as the most likely contender for the championship goes to the hard-charging Wheeler outfit. And I believe my opinion carries lots of weight, inasmuch as it will be recalled that I picked Charlie Haas of The Corpus Christi Buccaneers to swamp the Amarillo Sandies in that memorable state high school championship football game of 1934.

Pair of All-Staters— I may not be an authority on picking 'em in football (or horse races!), but I can make one nomination that I know will stand up. And that is that for a couple of home town football team "tooter-uppers" and "cuss-each-other-outers" Deck Wells and Albert Cooper are ace-high in the state. Those two guys have been going at it tooth and nail for

Increase Is Shown In Farm Receipts

Washington, Sept. 23—Farmers receipts from the sale of their principal products in July averaged for all regions 49 per cent higher than in July last year, the Bureau of Agricultural Economics reported recently. Gains during the month ranged from 22 per cent in the North Atlantic States to 75 per cent in the West North Central. Florida and Alabama were the only States to register a decrease for the month compared with last year. Cash receipts from the principal crops in July averaged 107 per cent higher than in July, 1935. Receipts from livestock and livestock products showed a gain of 22 per cent.

Rains In Texas

(Continued from Page One) offset probably by extensive flood and washing damage in that area. Top crop prospects in Central Texas were ruined by weevils and leafworms which are still active and likely to increase following rains. Weevils, more numerous than in many years in some counties, are taking all new fruit and stinging bolls. The heavy downpours over the State halted picking and damaged open cotton. Slightly less than half the crop is gathered in Central, North, Northeast, East and Southeast Texas; about 10 per cent harvested in Northwest, West, and West Central and in South Texas about all is picked. Although there are many small bolls still to open on younger cotton, first picking will get a large percentage of the crop and harvest is expected to be completed from two to three weeks earlier than average if weather permits.

the past several weeks. You never heard two fellers get so tough with each other! But it has a very sad aspect. Very sad, indeed! The whole thing is grossly unjust. You see, Deck runs a weekly and Cooper runs a daily newspaper. And Deck doesn't get to take a crack at Cooper but once a week, and Cooper hops on him every day. I think it would be the sporting thing if Cooper would lay off—except on one day each week. He could set aside a special day, sort of "Tromp Wells Day", or something on that order.

LOCALS

Mr. and Mrs. Jack Merchant of Pampa spent the week-end in Clarendon.

Mr. and Mrs. Allan Bryan and family spent Tuesday and Wednesday in Amarillo.

Mrs. Fred Russell underwent an operation at a hospital in Dallas Tuesday of this week.

Mrs. Bennie Bentley and small son, Gene Allan of Pringle, are visiting this week with her parents, Mr. and Mrs. W. C. Slater.

Mr. and Mrs. P. B. Gentry left this morning for Dallas and Fort Worth where they will attend the Centennial and Frontier Expositions.

Mrs. Karl Adams returned to her home in this city Tuesday, after having undergone an operation at the St. Anthony's hospital in Amarillo last week.

Mac and Mary Elizabeth, children of Mr. and Mrs. Ralph Bourland of Quail, returned to their home Wednesday after having spent several days visiting their grandparents, Mr. and Mrs. David Johnson of this city.

Rev. and Mrs. R. S. McKee, Mrs. F. E. Chamberlain, Mrs. W. G. Word, and Mrs. G. L. Green, attended the district conference of the Womans Auxiliary of the Presbyterian Church held in Amarillo Tuesday of this week.

17,000 Unnecessary Texas Deaths In '34

More than 17,000 Texans died unnecessarily during 1934, according to a report just issued by the Texas Planning Board's public health committee. In each instance death was caused by a preventable disease. The report also points out that Texas spends 10.73 cents per capita to protect

domestic animals from disease but spends only 3.68 cents per capita for disease control among human beings.

Sore Gums-Pyorrhea Foul breath, loose teeth or sore Gums are disgusting to behold, all will agree. LETO'S PYORRHEA REMEDY is highly recommended by leading dentists and never disappoints. Druggists return money if it fails. Douglas & Goldston Drug Co.
