BRONCHOS MEET CLAUDE FRIDAY IN SEASON OPENER

GAME WILL BE PLAYED ON COLLEGE FIELD HERE; CALLED AT 8 P. M.

The 1936 football season will get underway here Friday night when the Clarendon High School Bronchos meet a power-ful Claude team at the College Field at 8 o'clock.

The game will be fairly indicative of what Clarendon fans may expect in this year's grid as the Claude club is a husky bunch of aggressive boys, who last Friday opened their schedule with a 47 to 0 win over a fighting Allanreed team.

The Bronchos are a light but speedy eleven, with a line average of 165 while the backs tip the scales at around 150. The Mustangs boast a line average of 185 with the backs weighing

around 150. Coach Jones sent his charges through a heavy scrimmage here Tuesday, and although rough spots appeared at times, the boys were blocking viciously and lugging the leather with near midseason form. This fact may be accounted for, however, by the fact that only one man among this year's starters is a first year man. He is the center, Watters. The rest carry from one to three years' service stripes.

Jones was fairly optimistic about the team Tuesday after-noon, and predicted a close win over the Claude Mustangs. "But," he said, "it's the next two week-

IDENTITY OF SUICIDE IS UNDETERMINED AFTER HUNDREDS VIEW BODY.

The identity of a man, appearing about 35, who was found along the Rock Island railroad tracks near Rockledge 20 miles northeast of Clarendon Saturday morning with his head partially blown away by a shotgun blast, remained a mystery Wednesday night after hundreds of Clarendon citizens viewed the body at the Buntin Funeral Home where the body

was being held here. Officers said a charge from a 20-gauge shotgun had entered his head between the eyes. The body was resting upon the gun when found by a section crew Saturday morning about 7:30 o'clock. The exact position of the body was 20 feet from the railroad track, officers said. He was lying on his left side with the forefinger of his left hand partially circling the gun barrel. The finger was scorched by the heat

of the barrel they said. There was no doubt that the death wound was self inflicted, or that it occurred at the spot the body was found, officers asserted. Powder burns were on the head and parts of the skull and brains were found for 50 RECEIVES CONFIRMATION OF feet circling the corpse, which indicated the man was bending over when the charge struck his head. with perspiration, and plainly very tired from his exerton, was forking the hay back on the wagon with tremendous energy.

"What happened?" asked the gentleman—a somewhat unnecessary question in view of the evidence.

"The wheels went down in a rut," said the boy," and this here jag of hay turned bottom-side up."

"Well, you look to be all tired out," said the sympathetic city man. "This seems to be a pretty big job for one of your years, too. Suppose you quit for awhile and go on up to my house yonder with me and have a bite to eat and a drink of cold lemonade or buttermilk."

"I wouldn't dast to do that," said the boy. "Paw wouldn't like it ef I didn't get this here hay put back right away."

"Oh, that'll be all right. Nothing is going to happen to your hay while your gone or to your team, either. Come along with me; I'm sure your father won't mind."

Half reluctantly as though swayed by conflicting emotions the youngster laid down his fork and accompanied the hospitable stranger. Twice, during the course of the meal which was provided for him, he paused from eating to voice his fears that "Paw" would be seriously annoyed with him for his failure, to complete the job of replacing that hay. Each time his host reassured him, meanwhile pressing fresh helpings of this and that upon the young guest.

Finally at the end of half an hour or so, the boy pushed his chair back from the table and rose up.

"I guess I'll be goin' now," he said. "Paw'll want I should get the hay forked up. I expect he'll be mighty pestered with me."

"Why need your father know anything at all about it?" said the gentleman.

COMING TO CHRISTIAN CHURCH

REV. AND MRS. R. E. AUSTIN

Rev. and Mrs. R. E. Austin have accepted a call to Clarendon where he will be pastor of the First Christian Church. Rev. Austin has recently completed a six-year course in the Northwest Bible College at Eugene, Ore.

He is the son of Mr. and Mrs. J. W. Austin of Childress, and originally of that city, has preached in Oregon and Texas, holding meetings in California, Oregon, and Texas. He recently completed a successful revival at the First Christian Church in Quanah, and the Central Christian Church in Childress.

M. E. Flowers, track supervisor for the railroad, told officers that he had seen the man lying in the right-of-way as he passed the place in his power-car about 3 o'clock Friday, but he had assumed he was asleep and paid no attention.

Besides the shotgun shells, officers found a billfold containing a blank piece of paper, two pages from a seed catalogue, a new razor blade and a sleeve from a dress or shirt.

Reports from fingerprint departments in Washington, Austin, and Oklahoma City stated the man's prints were not on file, which established the fact that and that he was not a war vetscar on his right arm above the elbow which appeared to be a bullet wound.

No one in Jericho, Alanreed or in the vicinity remembered seeing the man, and officers have secured his last meal.

Junior High News

While we miss the friendly faces of the eighth grade of last year in the Junior High we are glad to welcome the sixth grade from South Ward.

Among the new pupils from out of town are Mary Dell Heathington, Chamberlain; Annie Ree Doris and Flaurine Sherman, Hedley; Hazel Smith, Allanreed; Waldron Melton, Midway.

The following pupils from here have visited the Texas Centennial: Bobbie Skelton, Billie Ralph Andis, J. A. Howard, Roy and Ray Bulls, Doris and Flaurine Sherman, John Burton King, and Carl Morris.

Roy Bulls found the Chrysler Building and Radio Studio very interesting. Billie Ralph Andis says the most interesting things he witnessed were the Texas Cavalcade and the Black Forest. The outstanding feature to Ray Bulls was the General Electric House of Magic.

Mr. Robbins and the band put fine concert Friday the Fourth. Everyone enjoyed it very

Everyone is urged to cooperate with Lu McClellan and Sarah McGowen who are arranging the programs. Students should do their part in program presentation whenever they are asked.

Juniors Organize

The Junior class had a meeting Wednesday noon to elect officers for the coming school year. Miss Headrick presided during the voting for president, after which Verlin Martin, the newly elected president, took charge. Three cheers for Marty! He handled things just like a man of the world. Jo Word was a close contestant for the presidency. Gene Baxter, prominent joke-

ster of the Junior class, was elected vice-president. (The reward of which was a nice long run through the Avenue-of-Belts,

Ethelyn Drennan, (ol' Carrots) was elected secretary and treasurer. A very responsible job.

Jane Kerbow must have a vocabulary to suit her voice as she was elected both reporter and Pep Squad leader. Leather lungs and Latin make an ideal combination at least in this case!
