A Common Paper for Common People

PELOWN' Out the CORNERS
By Uncle Zeb

Did you notice the article in the papers last week to the effect that the best dressed men would be carrying handbags next year? They even go so far as to say that men will swing them from their elbows with a strap. If I thought it would happen, it would be the "Last straw." My faith in humanity would be ruined. But it just can't be, at least no "He-man", no man with any "Backbone", or with anything on his chest at all won't do that. Any man that would do that would wear lace, an I swear if I ever meet one, carrying a purse swinging from his arm, I'll tip my hat, even if they pick me up in little pieces afterward. Oh me.

We can fall out with our next door neighbors overnight, but with our neighbors overseas it takes a lot of propaganda to get us all of one mind, either to love them or to hate them.

Do you remember this one?; if you could buy So and So for what he is worth and sell him for what he thinks he is worth, you wouldn't ever have to work anymore.

Once when Mother was sick in bed, Dad and the hired man were cleaning the house; about half way through Dad slumped over in a chair and said, "Sit down Homer and rest your feet." I guess it was no wonder that she was sick, even if it hadn't of been my little brother's birthday.

Did you ever hear of Snuff Juice for sore eyes? I can prove that we had a woman picking cotton for us one time that used it on her children. When they would start crying she would doctor them with the Snuff Juice; they would really scream for a few minutes, and then they would hush. I always imagined that just the plain old sore eyes felt good after the treatment quit hurting.

I feel just a little bit sorry for the fellows who are investigating the Movie Stars, so I composed a little poem in their honor; (Them Investigators)
The Crowd was all excited;
Their eyes were on a stem,
Their hearts were beating wildly,
But nobody noticed them.

QUIET HALLOWE'EN EXPECTED THIS YEAR

Outside of the Hallowe'en Carnival to be held at the Elizabeth Stevens school tonight, a very quiet Hallowe'en is expected in the form of rough pranks, etc., as most of the youngsters will get their share of the fun out of their systems tonight and will not be too rowdy tomorrow night when the witches and goblins are due to make their annual appearance.

We have a good bunch of youngsters to be proud of. Each year less property damage is reported and our young boys and girls seem to realize the value of everything more just like putting soap on window glasses and all over cars. They have learned that the soap cuts the glass and paint on the cars and makes them streak up.

We hope they will live up to their higher standards again this year and limit their pranks to plain old fun — and we believe they will.

Visitors in the W. C. Scott home Sunday were Mr. and Mrs. Chester L. Scott and Glenda, Mr. and Mrs. John F. Harlan and Latrice, Mr. and Mrs. Ray Hefner and Patsy, all of Amarillo; Mr. and Mrs. Ward Grimsley and Bobby of Jacksonville and Miss Carolyn White.

Broncos To Tangle With Irishmen At Shamrock Friday

The Broncos have another tough assignment for this week end when they journey to Shamrock to do battle with the top-ranking offensive team of the district Friday night at 7:30 p. m. instead of the usual time of 8 p. m.

Although the Broncos will be going up against a tougher, higher-ranking team, they will be in better condition for the affair than in previous weeks. Some of the injured will probably see more action in this game and will be in there to make up for lost time, and the Broncho team as a whole are clicking and showing more spirit as the Shamrock Irishmen is one team that they always like to upset as they did in last year's game on the local field. The Irishmen probably will have the same thought in mind and may be a little bit over anxious.

Even though the Irishmen are slated as the favorites, this is expected to be a pretty fair game, so go along with the Broncos and give them your support by being on the side line.

FORMER CLARENDONITE CRITICALLY ILL

Her numerous friends in this section will regret to learn of the serious condition of Mrs. J. T. Warren in an Amarillo hospital.

Mrs. Warren suffered a paralytic stroke, it is reported, last Saturday.

This kindly lady of many talents resided in Clarendon for many years where she enjoyed the popularity due one of her talents. Her chief pleasure was in doing something for some one in need. She took a prominent part in furthering the good work of the Baptist church. She was formerly a missionary in China for a number of years during the life of a former husband, Dr. Oxner, a minister.

FORMER TEACHER HERE RECEIVES HONOR

Miss Fannie McGowan of Prescott, Arizona, and a former teacher here in the Clarendon Public Schools, was elected chairman of Council No. 3, International Toastmistress club, at the council meeting held in Prescott recently, which was attended by representatives from Toastmistress clubs of Yuma, Tucson, Phoenix and Prescott.

The council decided to hold its next meeting January 24, 1948 in Yuma.

Local Lions Club Celebrates Silver Anniversary

Members of the Clarendon Lions Club, their wives and guests, met in the basement of the First Christian Church Tuesday night in observance of the Club's 25th Anniversary.

John McLean of Hereford, District Governor of District 2 T, was the principal speaker of the evening and gave a very thoughtful talk on Lions Club Progress. He also presented three present members of the club with Chevrons denoting 25 years of continued service with the local club. The three charter members receiving the awards were H. T. Burton, J. R. Porter and Odos Caraway. Other charter members attending the meeting who are not present members of the club were Fred Story of Childress, Walter Taylor and J. R. Bartlett.

The ladies of the First Christian church prepared the banquet for the group and the food was excellent.

Others appearing on the program were Sybil Head, Gene Bryan, Arvazene Smith, Mrs. Allen Bryan and Jane Johnson. The invocation was given by Rev. R. C. Bolton.

DR. KEITH S. LOWELL RECEIVES HONOR

Dr. Keith S. Lowell has returned from Los Angeles where he attended the Annual Meeting of the American College of Osteopathic Surgeons. We are pleased to report that Dr. Lowell has been awarded the honor of Senior Member of the American College of Osteopathic Surgeons.

This is a distinct honor being awarded only to those surgeons who have successfully practiced Major Surgery in their community over a period of years.

RECEPTION PLANNED FOR MARGARET TRUMAN

A reception, after concert, is being planned by the Panhandle Concert Bureau in the Panhandle-wide welcome for Margaret Truman following her concert at the Municipal Auditorium in Amarillo on November 7th.

Invitations are now being mailed along with the concert tickets, enabling those ticket holders to attend the reception in the Federated Club Rooms of the Municipal Auditorium following the concert.

The Panhandle's hospitality mat will be spread for the daughter of President Truman, and those in possession of invitation cards are urged to attend the reception.

Hundreds Are Killed In Mad Race For Time

The human animal becomes more of a curiosity as one looks over the statistics and finds out how the big majority managed to meet death while "coming away from some place."

Many accidents are unavoidable. Most of them are a matter of recklessness.

Texas is breaking the records this year so far in human sacrifice. During the past eight months, 1430 have been killed by auto and truck alone. During this mad race, 11,343 were crippled. That beats any war record in death and destruction so far as Texans are concerned. No wonder those in authority have moved in to take over and try to save the lives of the citizens of the great Lone Star state.

Of the 1430 killed outright, 1036 were killed outside incorporated towns or cities.

Persons on foot made up for 172 killed and 1157 injured. That is too slow for real excitement craved by too many drivers. Ramming the other machine ended in death for 551 and left 7216 cripples, many of them for life.

Beating the train to the crossing is an old pastime. A lot of folks get a big kick out of it, and because of this fact 73 were killed and 141 injured. Hitting the street car was a poor chance for excitement, all because street cars are scarce. Even at that, two were killed and 51 injured chasing this machine of locomotion that is rapidly passing out of the picture.

Running into vehicles drawn by animals is often an accident because the horse-drawn vehicle has no lights. They are presumed to have them under the law, but just don't. At any rate seven were killed and 35 injured in this manner.

Bicycles? Oh, yes, dear reader, cyclists take a lot of chances. Perhaps this accounts for the major portion of the 19 killed and 190 injured in this manner the past eight months.

Texas laws do not permit stock to stray upon the highways. This saves a lot of lives. Even at that, five were killed and 58 injured the past eight months. Running and ramming are favorite pastime with some. They like to try fixed objects such as telegraph or phone poles, concrete abutments and the like. This idea produced 133 deaths and 763 cripples during this check-up period.

Failing to slow down at the corners or curves takes a heavy toll of life. For this bit of carelessness 147 had to die while 520 cripples were left to tell the story. Next to that old-time stunt in the auto age, is the idea of running clear off the highway. Many drivers continue to persist in this freedom of the range and 173 paid with their lives and 1135 cripples were left to miserize over the carelessness of the drivers.

A mere matter of 42 had to die because the driver failed to use the bridge, and 76 cripples are left to ponder over the use of bridges and culverts on the highways. The strangest of all is the fact that one was injured by falling into a well. The old Tin Lizzie went right in on top of him. This driver was considerate in that he did not take anyone along to try this experiment.

MRS. MILLARD WORD TO ASSIST IN CONCERT OF MARGARET TRUMAN

Mrs. Millard Word, local composer, has been asked to assist in the Margaret Truman concert program which is to be held at Municipal Auditorium at Amarillo November 7th. Mrs. Word will play some of her own compositions and be assisted by Mrs. Don Bowie of Amarillo, who will do the singing.

This is quite a compliment to Mrs. Word and a large number of her friends plan to be in attendance for the program.

Large Crowd Expected Tonight For Local P.-T. A. Carnival

A larger crowd than ever is expected to turn out tonight for the P.-T. A. sponsored Hallowe'en Carnival which will be held at the Elizabeth Stevens building.

You are reminded to not eat at home as you can buy supper for the entire family for a very nominal charge at the school cafeteria in the basement of the Jr. High building and the ladies will start serving at 6 p. m. so you will have plenty of time to finish and join in with the fun at the numerous concessions in the other building. The menu will consist of hot dogs, sandwiches, pie, cake and a choice of drinks.

Among the concessions and amusements for the evening will be games of Bingo, Domino games, fishing pond, grab bag, horse shoes, throw at dummies, drop clothes pins in milk bottles, pin tail on donkey, fortune telling, Mickey Mouse picture show, bobbing for apples and a ghost room.

There will be a host of useful and valuable prizes at all the concessions as approximately ninety merchants and individuals have given generously to make the Carnival a big success and the Parent-Teacher Association wishes to thank each of those donating merchandise and cash for their wonderful cooperation.

The highlight of the evening, which by no means, ends the evening entertainment, will be the crowning of the Queen of all Clarendon Schools and also crowning of the King which will take place at 8:15 in the Jr. High Auditorium. There will be a small admission charge, for the event. Voting for the queens will be terminated at 6:30 p. m. as all money is to be turned in to Mr. Lowry's office at that time.

If you attended the Carnival last year, you know about the fun that is in store for everyone and all you that didn't attend should make your plans to attend tonight as you will never regret it.

Services Today For J. H. Mann

Funeral services were set for 2:30 this afternoon at the Church of Christ at Hedley for James Henry Mann with M. F. Manchester officiating, assisted by James Willitt.

Mr. Mann, age 73, passed away at his home at Hedley Wednesday morning. He has been a resident of Donley County since 1908 and a resident of Hedley for the past 39 years. He was a member of the Church of Christ.

He is survived by his wife; five sons, Hubert of Hedley; Gilbert, Henry, Luther and Gordon of Clarendon; two daughters, Mrs. Clara Mae Baggett of Hedley and Mrs. Callie Riley of Amarillo; one brother, J. H. Mann of Hedley and 16 grandchildren.

Palbearers will be Raymond Everett, Charles Johnson, Herbert Proctor, Vernie Wade, Hobart Moffett and Walter Johnson.

Interment will be in Citizens Cemetery, Clarendon with the Womack Funeral Home in charge of funeral arrangements.

Bronchos Down Mustangs, 20-0

The Clarendon Bronchos romped up and down the local gridiron last Friday night with renewed spirit and downed the Wheeler Mustangs 20 to 0.

The scoring started early in the first quarter when Carlile did a good pitching job to Jordan for 30 yards and the counter. An incomplete pass failed for the extra point. The remainder of the first half was a see-saw proposition with the Mustangs holding their own, even when the Bronchos pushed down to their 10 yard line and had to give the ball up on downs.

The second score came about mid-way of the third quarter after the Bronchos had taken over on the Wheeler 40 yard line and after six plays Bulman plunged over from the one yard line. Bulman's conversion was good for the extra point.

The third and final score came early in the fourth quarter when Jordan plucked a pass out of the air and moved on down to the 1 yd. line and in the next play plunged over for the counter. Again Bulman's conversion was good for the extra point.

For the majority of the game the Broncho line was working smoothly with plenty of good blocking and tackling which was certainly needed when Gene Hubbard, the big Mustang fullback went into action. Jenkins, who has been out of the main play for the past two games with a bad shoulder, and Bradford, accounted for themselves in the backfield, also.

AUSTRIAN WINTER PEAS MAKE GOOD WINTER COVER CROP & PASTURE

Austrian Winter peas have convinced farmers in Donley County that they will make a good winter cover crop and pasture. The peas turned under in the spring make a good green manure crop and are one of the best soil builders that we have found for this section up to this time. Last year Donley farmers planted forty thousand pounds of the peas in the county, the results was excellent, so this year over one hundred and fifteen thousand pounds have been planted in the county for winter cover crops and to be turned under in the spring for green manure crop.

County agent H. M. Breedlove stated that most of this seed was produced in Donley County from peas planted last fall. Most of the peas are being planted in feed stubble following the harvest of the feed. This method will give a good cover to prevent blowing and also a crop to be turned under in the spring and put plant food back into the soil.

Austrian Winter peas are sown at the rate of thirty-five pounds per acre and to a depth of about two inches. The seed are treated with nitragin "C" before planting. The peas can be planted as late as the middle of November with good results. For any additional information call by the county agent's office.

PIONEER RESIDENT IS CRITICALLY ILL

There is practically no change in the physical condition of Mr. C. T. McClenny of this city, who was removed from the hospital to his home at his own request.

The patient is suffering from major complications, according to a report given your Donley County Leader today.

LEGION AUXILIARY ASKS FOR USED CLOTHING

The American Legion Auxiliary is asking for used clothing to be sent overseas. If you have any old clothes that you are not using, please take them to Mrs. Colie Huffman's house or call 477-J.

The members of the Auxiliary will repair these things and pack them for shipment.

"We all know that the need is great," stated an Auxiliary member, "so, please clean out your closets and let us have what you can not use."

Duck Season Opens Tuesday

Very few ducks have been reported in this area but a large number of hunters are expected out next Tuesday morning, Nov. 4th to find what few there are.

The season this year is divided with the first part of the split season running from Nov. 4 thru Nov. 17 and the second part beginning Dec. 16 and continuing thru Dec. 29th. The limit this year is four of the migratory species. Shooting hours are from sunrise to one hour before sunset. Before you start out, it's a very wise idea to go by the Post Office and buy your duck stamp which is \$1.00 as it might go pretty hard if you ran into the game warden and didn't have one. You will need a state license also if you hunt outside the county.

While you are hunting ducks, remember that Quail season doesn't open until December 1st and the closing date is January 16, 1948.

Another thing - be careful - good luck and happy hunting!

Mrs. Fred Cook from Aransas Pass visited her daughter, Mrs. Gene Putman last week.

A larger crowd than ever is expected to turn out tonight for the P.-T. A. sponsored Hallowe'en Carnival which will be held at the Elizabeth Stevens building.

You are reminded to not eat at home as you can buy supper for the entire family for a very nominal charge at the school cafeteria in the basement of the Jr. High building and the ladies will start serving at 6 p. m. so you will have plenty of time to finish and join in with the fun at the numerous concessions in the other building. The proceeds from the Carnival will go to the School Cafeteria.

Spraying Cattle For Lice To Start Around Nov. 1st

Spraying cattle for lice will start in Donley County around November 1st. It takes two sprayings to get the lice because the first spraying only gets the lice that are present at that time. The second spraying, seventeen days later, will get all the lice that have hatched out and the cattle will be free from lice for the rest of the year.

The mixture of 1 lb. of Cube to 10 lbs. of wettable sulphur added to 100 gallons of water will be used. Wettable DDT can also be added to this mixture. H. M. Breedlove, county agent, also stated that this mixture will help to control about eighty percent of the grubs in the backs of cattle. Dipping or spraying either one is very effective in lice control. The county agent's office has a big power spray that is available for the public and can be used in any part of the county.

The fly control program in Donley county this year has been very effective, using DDT as a spray. The spray used by the county agent's office sprayed over seventeen thousand head of cattle over the county. This figure also represents two or more sprayings of cattle. The reports of ranchers on fly control is very good and many ranchers in the county have bought power sprays for their own use. The record at this time in the county agent's office is fifteen sprayers being owned by ranchers in the county.

Mr. and Mrs. Geo. Taylor returned here from Pampa Tues.

CANYON, October 26—Pictured above are antelopes, one of the wildlife groups of this region, in natural surroundings, which are depicted in the Natural Science exhibits prepared for the Panhandle-Plains Historical Museum by Gustaf Sundstrom.

The Museum was fortunate in securing the services of Mr. Sundstrom, one of the country's finest artists of pre-historic life, who executed six large oil paintings of cats, antelopes, horses, and elephants that lived in Pliocene times. These paintings decorate the east wall in the north room of the basement.

These are only a few of the many unusual and interesting items on display at the Panhandle-Plains Historical Museum, and a great number of others will be added upon completion of the second unit which is now under construction.

A campaign for funds to complete this unit is now underway in all counties of the Panhandle. Goal for the drive which closes Dec. 1, is \$50,000. H. C. Pipkin of Amarillo is chairman of the building committee and Harold D. Bugbee, J. C. Estlack, W. H. Patrick and Ralph Porter, members of the Board of Directors, are receiving contributions in Clarendon.

TIMES ARE CHANGING

Yet the age-old custom of reverential funeral rites and respect for the dead remains the same.

Our service meets every requirement of the times. A comfortable, newly re-decorated funeral home provides the modern facilities people have learned to expect.

Each family served by us sets the price of service, yet all receive the same personal attention, regardless of the amount spent. Our prices are never higher, often lower than are paid for funerals commonly regarded as the lowest priced.

From where I sit... by Joe Marsh
Sam's a Matrimony Expert
Sam Abernathy never intended to be a matrimony expert, but he hit the nail on the head the other day when he said:
"WHAT marriage really needs is more open minds and a lot fewer open mouths."
Sam may not think much of his missus' choice of hats or her habit of serving watercress and cream cheese salad. But he keeps his mouth shut (I mean, he just uses it to eat the salad). And the missus never criticizes Sam's affection for that worn-out chair before the fire, and his mellow glass of beer and pipe at the end of a long day.
From where I sit, that prescription would apply to most human relationships. Criticism rarely rouses anything but resentment. But an open mind—whether it's applied to a woman's choice of hats, or a husband's preference for a pipe and a moderate glass of beer or two—leads to the conclusion that there's right on both sides.

NOW-make a date to OIL-PLATE!
This time of year, lots of cars need protection, too... from last summer's worn-out "ghost" oils!
Only remedy we know is a quick change to winter-grade Conoco N#4!
Free-flowing Conoco N#4 Motor Oil (patented) includes an added ingredient which fastens an extra film of lubricant so closely to metal surfaces that cylinder walls are actually OIL-PLATED.
This extra OIL-PLATING resists gravity... stays up, won't all drain down even overnight! And that's why you're extra-protected from metal-eating, combustion acids... from "dry-friction" starts... from carbon and sludge due to wear!
For extra-quick starts, for extra-long, safe miles, make a date to OIL-PLATE your engine today!

ACTIVATING.

Ima Fizzle says the change in women's styles doesn't bother her a bit, that she will go to any length to attract attention.

EQUALITY.

Hollywood gossip columnists and Hollywood real estate men have one thing in common—they both deal in dirt.

EXPLANATION.

Why do bees buzz? That is a question that puzzles many. On the other hand, wouldn't you buzz around a bit if some one stole your honey and nectar?

WARNING.
Fast lives usually end up with slow music.

SPEEDWAYS.

"Stork Wins Race with Ambulance," newspaper headline. Yes, which got the earlier start?

THE WINNER.

The only man we ever heard of who could beat the slot machine was the sheriff, armed with a hammer.

CONFESSION.

Blue Bug Bessie explained that if she shrank from kissing, she would be nothing but skin and bones.

INQUISITIVE.

After reading the announcement of the spring styles for women's hats, could it be possible

that the hats will have delirium trimmings?

SAFETY FIRST.

SKYLINE TIDINGS

By DODO
(the flightless bird)

At the airport! One casualty! \$7.00 hospital bill! One car spring doing nicely after being battered by that rough car path from Clarendon to the flying field that has recently been dug - - at!

Do you like plays? Here's a brand new one.
Name: A trip to Clarendon.
Setting: Clarendon Airfield.
Character: Mr. Acord, his wife, Mrs. Bess Strickland.
Scene 1: That low flying plane late Monday evening was not any

of our local talent—but Mr. Acord and his wife flying in from Fairbanks, Alaska, in their new Beech Bonanza, to visit Mrs. Strickland and friends here.

Scene 2: Mr. Acord, wife, and Mrs. Strickland, made a trip Tuesday morning to Lubbock; returning Tuesday evening to again take off; this time to Dallas.

Scene 3: Vacation over, Mr. Acord and wife, left Clarendon Airport Friday afternoon, to Alaska via California.

Comments: That sure was a snazzy Beech Bonanza.

Students on their cross country flights often furnish a break in the monotony, that comes in any business, so we were glad to see those from the Clayton Flying Service at Vernon, drop in and pass the time of day.

Everyone should have been at the Airport last Friday. Free Cokes! LaVerne Vaughn Soloed! Mr. Stillman, flying a Rearwin Sportster, from Columbus, Ohio, came weaving in on "one wheel wing low Saturday. He claims he is not used to the Texas wind. He left Sunday morning for San Diego, Calif. Mr. Stillman said

that he had often wanted to see the West, and that so far he wasn't a bit disappointed in what he saw—especially did he comment the people in Texas. Said he wishes they were as friendly and cooperative where he came from. Was also amazed at the Quote "bigness of the plains" unquote.

The operator of the new field at Borger was over to Clarendon visiting an old friend and flying pal, Mr. Joe Jones. Have a pleasant visit reminiscing, Joe?

By the way, did you hear that airplane talking Monday. The Tailorcraft and occupants landed at the Clarendon Airport and here is the "dope" or the lay out. It's a new business venture operating out of Pampa dealing with advertising by airplane. Aero Audio Advertising Service, they call it. I don't know how it is going, to work but it is really a novel idea.

Mrs. Edna Smith took off for Lubbock Monday with more reams of paper for the Veterans Administration. I haven't been able to find out whether she was successful or not so all you Commercial students keep your fingers crossed cause I don't think there is a any more paper left to make up another contract.

PATHFINDER CLUB

The Pathfinder Club met in regular session at the Club Room, Friday, Oct. 24th at 4:00 o'clock. Mrs. L. N. Cox and Mrs. C. B. Morris were joint hostesses.

Mrs. Ernest Hunt, vice president, presided during the business session.

"Poetry" was the program topic, with Mrs. Marguerite Goodner as leader. Mrs. Goodner had selected a varied group of poems from the book of poetry, "Today is Here" by Don Blanding. Her selections brought out the humor and pathos of life, and her vivid interpretations were superb.

Mrs. Ray Palmer added to the enjoyment of the program with her piano numbers, "Deep Purple"—Peter de Rose and "In An Orange Grove"—Albert Davies.

The hostesses served refreshments to one guest, Mrs. Summers, and to 25 club members.

KILL KARE KNEEDLE KLUB

Mrs. Sam Lowe entertained the Needle Club at her home Thursday afternoon with beautiful roses and dahlias for decorations. After several hours of fancy needle work and visiting, a lovely luncheon plate was served from the dining table. Mrs. Lowe served from the silver service.

Guests present were Mrs. Frank Whitlock, Mrs. Genoa Doshier, Mrs. R. O. Thomas, Mrs. Fred Cook of Aransas Pass; club members, Mesdames H. Mulkey, R. R. Dawkins, Grover Heath, H. C. Brumley, Gene Noland, W. B. Sims, Frank White Sr., Major Hudson, Eva Draffin and Misses Ida and Etta Harned.

MOTHERS CLUB

The Mothers Club entertained their children Monday night with a Hallowe'en party at the club room.

Hostesses, Mmes. H. Estlack, Bill Weatherly, Lloyd Risley, Arlie Wood, Fontayne Elmore served refreshments to members, Mmes. Geo. Thompson, Evert Johnson, Dale Hill, Bill Riney, Horace Green, Hubert Heatherly, Gene Ross, R. Y. King, G. W. Bradshaw, W. C. Mooney, Clyde Wilson, Dr. Laura Lowell, Barcus Antrobus, C. W. Estlack, Nelson Anderson, Homer Bones and their 39 children and one small guest, Tommie Lane.

MIDWAY CLUB

The Midway Club met with Mrs. Judge Williams Thursday. A very lovely quilt was quilted. A perfectly delicious lunch was enjoyed with lots of trimmings, prepared by Mrs. Williams.

In the afternoon, the club held a business meeting, in which Mrs. Harley Longan was elected president; Mrs. John Goldston, Sec-Treas. and reporter.

Polly Anna names were drawn for each members birthday, wedding anniversary and Christmas. Fifty cent dues were assessed. Members were Ellen Moreland, Roxie Williams, Eula Butler, Pearl Terry, Edith Longan, Nora Goldston, Bobby Longan, Emma Thomas, Mary Lu Longan, Norma Chamberlain, Edd Mooring. This club will meet Oct. 30th with Mary Lu Longan.

ENTERTAIN WITH DINNER

Judge and Mrs. Williams entertained friends with a dinner Sunday at their country home. Those enjoying this delightful affair were Mr. and Mrs. R. C. Bolton, Judy and Bobby, Mr. and Mrs. R. P. Wilson, Mr. and Mrs. G. A. Anderson, Mr. and Mrs. Emmet Bryson, Mrs. W. S. Hearn, Mr. and Mrs. Roy Clappitt, and son Harold LeRoy, Mr. and Mrs. B. L. Hurst, Mr. and Mrs. F. A. White, Sr., Mr. and Mrs. Frank White Jr. and Frank III, Mrs. H. Mulkey, Mr. and Mrs. Cleo Woods and Sonny and Gary and the host and hostess, Judge and Mrs. Williams.

LES BEAUX ARTS CLUB

Les Beaux Arts Club wishes to thank those who contributed to the Flower Show last Saturday.

Born to Mr. and Mrs. Dalton Swinney a girl, October 24th, named Lucile.

Mrs. Dortha Kelley and son Richard of Amarillo were down over the week end visiting her sister, Mrs. C. W. Lane and family. Mrs. Kelley is secretary for Boys Ranch.

JUNIOR H. D. CLUB

This club met at the club room Thursday afternoon with Edna Russell and Helen Thomas as hostesses. After a short business session, plans were made to entertain their husbands with a party at the next meeting. The hostesses served a lovely refreshment plate to Dollie Wilson, Ruby Blackman, Edna Russell, Dessa Day, Helen Thomas, Mary Wallace, Margaret Naylor, Mozelle Wright, Nora Decker, Glen Kirby, Ola Williams, Sadie Head, Bernice Adams and Mildred Larimer.

LIBRARY NOTES

By Mrs. J. A. Burton

What would the library do without the Clubs? The Book Club gave us a \$10 check the other day, just as some bills were coming in and one of the girls reminded me that they did it without waiting for me to ask for it. I wanted to ask the Lions Club for a few dollars the other day when I had lunch with them, but they didn't give me a chance—perhaps they knew better. But every penny of money and gift of a book is gratefully received and enjoyed.

Never have I seen catalogues so full of attractive books for the little tots, teen-agers, and grown-ups, but never have I seen the prices so high. So you can read between the lines. But I have a lot of new ones that were not so high—good books in good condition, but used books. Here they

are—the large part of them, authors with whom we are quite familiar—a few of the later books and the larger part light reading: "Keepers of the Faith," Emilie Loring; "B. F.'s Daughter," John P. Marguard; "Foxes of Harrow," Yerby; "Sheridan Road," Helen Topping Miller; "Then Came the Test," Margaret Pedler; "Angel Comes Home," Margaret Widemer; "Beyond Tomorrow," Lida Larrimore; "Captain From Castile," Shellabarger; "Apartment in Athens," Glenway Wescott; "No Common Glory," David Pilgrim; "The Turquoise," Anya Seton; "China to Me," Emily Hahn; "Daughters Who Dare," Rob Eden; "Family Man," Anne Meredith; "Forever in My Heart," Vivian Grey; "Gallant Harvest," Peggy Dern; "Here at Home," Elizabeth Alexander; "Heart Unafraid," Helen St. Bernard; "Lost Property," Ruby M. Ayers; "Lost and Found," Priscilla Wayne; "Little and Good," Ruby M. Ayers; "Girl Interne," Elizabeth Seifert; "Doctor Ellison's Decision," Elizabeth Seifert. Throughout her childhood Elizabeth Seifert longed to be a doctor, but when she was ready for college, poor health and family disapproval turned her from this decision to a straight arts course in Washington University in St. Louis. But she has never lost her interest in medicine, and since her marriage, has done quite a little hospital work. Her first novel, "Young Doctor Galahad" which has been read extensively from our shelves, won the Dodd-

Mead prize of \$10,000. From a New Orleans house which specializes in books of the Old South "The Negro in Art," "The Life of Jefferson Davis," "Life of George Roger Clark," and "Paul Lawrence Dunbar." Two girls' books have come in—"Beverly Gray in the Orient" and "Beverly Gray On a Treasure Hunt," and an unusual book on Indians called "Ten Grandmothers." I think I told you that I had Loula Grace Erdman's \$10,000 prize story, "The Years of the Locust." Several books have been given us—"The Angelic Avenger" by Piere Andrazel, and a lovely little flag book by Mrs. O. C. Watson and "So Great Salvation" by J. F. Stromberg and "Psychology of the Soldier" by Norman Copeland—both given by Mrs. Mayville.

FIRST CHRISTIAN CHURCH NEWS

The two weeks revival meeting closed last Sunday, with the evening service. Our local minister, R. C. Bolton did the preaching. Each and every sermon was truly an inspiration within itself. There were a number of members added to the church roll as a result of the revival.

We are still striving to reach our goal of 100 for Sunday school this coming Sunday, Nov. 2nd. The outdoor bulletin board has had a new coat of white paint as well as a new location on the Northwest corner of the church grounds. It has also been illuminated with electricity, by means

of a ground spot light. Watch it for announcements each week! The church building is also undergoing various types of repair, including a new coat of paint on the woodwork.

Mr. Wood and family of Amarillo visited in the L. L. Wood home over the weekend.

There's a little bird out at the Airport that is very talkative. He told me that L. L. Wallace could stand some practice on cow pasture landings and he also said that there was an airport instructor just too lazy to get up Saturday morning only he didn't say who - - I wonder!

Two Airport operators of Colo. and Utah stopped in to shoot the

bull Tuesday morning while waiting for some of this Texas fog to lift. They are the Taylorcraft distributors of that part of the country. They dropped in out of the fog with a couple of new Luscombes and were sure glad to see that we had such a nice Airport. Said that they wish that they had an opportunity to have a field like this.

Veterans' News

The doctors' bill per patient per day in VA hospitals which are most expensive to operate, excluding food and administrative costs, is \$1.47. Dr. Paul R. Hawley, VA's Chief Medical Director has revealed.

That is the average cost for all doctors' service in general medical and surgical hospitals, Dr. Hawley declared in an address before the American War Dads in convention in Fort Worth, Texas.

In tuberculosis hospitals the bill comes down to 88 cents per day, and in mental hospitals the cost per patient per day "is the ridiculously low figure of 36 cents," Dr. Hawley added.

One big factor in low doctor bills for VA hospitals is the conversion of these institutions into "teaching hospitals" where the latest developments in medicine are taught, he said.

Doctors are anxious to become associated with VA hospitals to gain this knowledge and are willing to provide their services for lower pay than would otherwise be true, Dr. Hawley said.

He emphasized that all resident doctors earning specialties in VA hospitals are full-fledged doctors taking further training under the watchful eye of specialists, fully accredited to medical specialty boards.

Veterans who fail to repay substance allowance overpayments while in education or training under the GI Bill and who later apply for unemployment or self-employment allowances will have the amounts they owe the government deducted from the latter benefit checks, VA reports.

Explaining that Federal statutes prohibit payment of Government funds to persons indebted to the United States, VA said instructions will be issued to state unemployment compensation agencies for the recovery of such overpayments from readjustment allowance claimants.

These agencies administer the program in their respective states and make the actual payments to unemployed and self-employed veterans, although VA foots the bill.

Veterans who have made arrangements with VA to repay their indebtedness are considered in good standing and are in no way affected.

ted by the new system, since it will be used only in cases where "there is no apparent means of recovery from sources other than readjustment allowances," VA said.

Weekly SURPLUS NEWS

Agricultural representatives for the War Assets Administration are encouraging the purchase of war surplus explosive agents are farmers, ranchers and construction men. Approximately one million pounds of both TNT and demolition blocks, stored at the Red River Arsenal, are now on the surplus property market at low prices per pound or block. Contrary to popular belief, handling of the powerful TNT has been demonstrated to be somewhat safer than dynamite, for example. The place for complete details and ordering of either type of the surplus explosives is the WAA's Customer Service Center, Grand Prairie.

World War II veterans will find it profitable to call in person at the Grand Prairie Customer Service Center when they are in the vicinity of Dallas or Fort Worth. A new veterans counter for the sale of surplus items on a cash and carry basis has been added to the center's facilities. Whenever supplies of these items become available, they are immediately placed on sale in the center, and rationed out to each veteran customer. No certification is needed other than discharge papers or other proof of service. Although such supplies have been quite limited this far, quantities of blankets, watches and clothing items have already been distributed over this veterans counter.

A survey of war surplus inventories in Texas indicated this week that while present stocks of personal property are comparatively small, the amount of real property, particularly camp buildings, available for sale in the area will be considerable in the coming weeks. Present disposal plans give priority groups the opening option period on such property, with buildings and plants then offered on a non-priority basis to the public at large.

One of WAA's biggest offerings of surplus drugs and medical supplies will be available to veterans, priority buyers and the public on a national scale beginning October 27. More than ten million dollars worth of drugs and medicines, surgical and dental instruments and laboratory and hospital supplies are going on sale at the Louisville, Ky., medical depot. Many buyers will be able to qualify for a "small business" priority, it was pointed out. Interested persons are invited to contact the WAA Customer Service Center, 410 West Jefferson St., Louisville.

John Adams, second President of the U. S., once fought as a Marine during a sea engagement in 1778.

Rev. Bolton attended a Ministers meeting at Pampa Wednesday and Thursday.

Rev. and Mrs. M. Leo Reppy from Nashville, Tenn. visited friends in Clarendon Friday. Mrs. Reppy was Minnie Patterson before her marriage.

Mrs. C. K. Mosby visited Mrs. Geo. Green Monday and Monday night. She was going from Wichita Falls to Dalhart for a visit.

Rev. and Mrs. R. C. Bolton and family returned home from Okla. City Tuesday after a visit with friends.

Nathan Cox is having an irrigation well and equipment installed on his holdings in Swisher county.

Misses Ethel and Grace Harvey spent the weekend with their aunt, Miss Mollie Harvey at Chillicothe.

Mr. and Mrs. M. W. Mosley of Hedley visited their daughter, Mr. and Mrs. Bill Bromley Sunday.

Mr. and Mrs. Clyde Gilbert attended the Hereford Breeders Association annual banquet Tuesday night at Pampa.

LIQUOR BUSINESS PAYS BIG DIVIDENDS

The Antis have something to talk about these days. September revenues from the liquor traffic brought in \$2,084,637.54. Of this amount, fines and costs for liquor law violations in the "wet" areas totalled \$16,735.05. During the same period, there was collected from the "dry" areas, \$41,205.25. That gives the Pros something to talk about. Vote dry and get more revenue.

In the dry area, 312 cases were tried with 296 convictions. In the wet areas for the same period, 145 cases were tried and 124 convicted.

From January 1st to Sept. 30th this year there was collected a total of \$10,141,630.16. The expenditures for the same period was \$845,538.36.

Illicit stills captured included one each in Comanche, Titus, Hopkins, McCulloch and Marion counties. Three men were arrested and charged with illicit manufacture during September.

Mr. and Mrs. Paul Jones of Amarillo spent Sunday with his mother, Mrs. Marguerite Goodner.

Chasley Ann Whitt from Canyon spent the weekend with homefolks.

Mr. Powell from Long Beach, Calif. visited his sister, Mrs. Miller at the home of Rev. and Mrs. W. E. Hamilton last week.

B. E. Hughes of Los Angeles, Calif. visited his aunt, Mr. and Mrs. L. L. Wood Wednesday.

Pete Bromley of Canyon visited his parents, Mr. and Mrs. Bill Bromley over the weekend.

RADIO PROGRAM CONTINUED HONORING LOCAL WOMAN

For those of you who did not know or possibly forgot to tune in the radio last Sunday morning at 8:30 when Miss Laura V. Hamner of Amarillo gave a part of the life history and work of Mrs. C. A. Burton, will have the opportunity to listen to a continuance of the program this coming Sunday over KGNC at the same hour as Miss Hamner did not have ample time to cover the subject in her short broadcast time.

The Pathfinder Club of Clarendon is sponsoring this talk as a tribute to Mrs. Burton, who is not only a charter member of this club, but who has been a faithful worker in the club for more than thirty-five years.

Bill Reid of near Clarendon and Joe Boone, a friend of Seymour, who are attending Texas Tech at Lubbock, spent the weekend with Bill's parents, Mr. and Mrs. Lloyd Reid.

Mr. and Mrs. John Morris and children of Claude visited his brother and family, Mr. and Mrs. Cap Morris Sunday.

Mrs. Clyde Butler visited her daughter, Mrs. Joe Clyde Butler at Borger Saturday night.

Mr. and Mrs. W. A. Land are visiting their son, Mr. and Mrs. Marvin Land at Tucumcari, N. M.

Mr. and Mrs. Frank Decker of Childress visited Sunday with her sister and family, Mr. and Mrs. J. R. Bartlett.

Mrs. W. T. Lowe returned home Monday from several weeks visit with her daughter, Mrs. J. D. Farrar at Melrose, N. M.

INDIANS HONORED IN MODERN DAY

Santa Fe airfreighters today bear the tribal names of native Americans as a tribute to the members of Indian tribes who helped build the Santa Fe System Lines, according to H. R. Lake, president of Santa Fe Skyway, Inc.

At least 20 tribal groups are today represented in the Santa Fe railway family and include the following: Navajo, Hopi, Laguna, Zuni, Acoma, Isleta, Taos, Jemez, Sandia, Santo Domingo, San Ildefonso, Santa Clara, San Juan, Tesuque, Chimayo, Walapai, Supai, Mojave, Cherokee, Apache, and Pueblo.

Mrs. W. H. Price and her daughter Shirley, who have been staying with Mrs. Price's mother, Mrs. J. T. Patman for some time, left Friday for their home in Madisonville, Ky. Shirley will complete her senior year in the Madisonville High School and attend Ward-Belmont where she has been accepted as a residence pupil for September, 1948. The Prices formerly lived in Marion, Illinois.

W. G. Adams of Plains, Texas spent the weekend with his parents, Mr. and Mrs. Bill Adams and saw the Broncho-Wheeler football game. He reported that his team at Plains was doing alright and were still undefeated after seven games.

Mr. and Mrs. A. G. Lane and Mr. and Mrs. Maurice Lane and daughter visited their daughter and family, Mr. and Mrs. Dalton Ford at White Deer Sunday.

THANKS . . .
