LIBRARY NOTES

By Mrs. C. A. Burton

Gifts of books mean so much to us. Again Mrs. Rundell has gladdened us with two stories of the pleasant, easy to read type which are so popular, and Mrs. Tom Tucker brought us two boys' books. So often the remark is made, "What would we do without our library?"

Don't Wait Until "Pyorrhea" Strikes

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 7.824 miles of Gr., Strs., Flex. Base & Double Asph. Surf. Treat. from Hedley to 0.065 mi. East of Collingsworth C.L. on Highway No. 203, covered by S 170 (1) & (2), in Donley & Collingsworth County, will be received at the Highway Department, Austin, until 9:00 A. M., April 24, 1946, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has ascertained the wage rates prevailing in the locality in which this work is to be done. The Contractor shall pay not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type of "Laborer," "Workman," or "Mechanic" employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of J. G. Lott, District Engineer Amarillo, Texas, and Texas Highway Department, Austin. Usual rights reserved.

## KAPPA SPRING DANCE

Members of the Kappa Kappa Sorority were entertained Thursday evening March 11th with a Spring dance at the home of Louva Hunt. Hostesses for the occasion were Donna Ree Bryan, Portia Hay, Sybil Head, Sue Smith, Alma Louise Murphy, Patsy Pittman, Layma Vee Tatum, and Louva Hunt—the 1945 members of the sorority.

The Chinese motif was carried out in decorating the entertaining rooms. The dining table was centered with an attractive arrangement of floating water lily candles in a green bowl on a reflector. Sue Smith and Layma Vee Tatum, in Chinese dress, served individual cakes, mints and tea to the following members and guests: Mary Ann Bromley, James W. Palmer, Donna Bryan, June Day, Kathleen Grady, Bob Bentley, Melba Ruth Grady, Max Keys, Sybil Head, Billy Chilton, Louva Hunt, Chauncey Hommel, Dorothy Nell Kemp, Harold Darby, Alma Murphy, Billy Davis, Marilyn Bartlett, Harper Scoggins, Ruth Patman, Tom Goodner, Patsy Pittman, Douglas Shelton, Jean Porter, Burl Rhea, Betty Rhodes, Lee Shelly, Ada Sue Smith, Charles Davis, Sue Smith, Douglas Lowe, Layma Vee Tatum, Lynn Leathers, Klyda Fern Wilson, Billy Roy Blackman, Lou Lamberson, Betty Brown, Portia Hay, Dean Wadsworth, Bert Baris, Bob Beard, Floyd Henson, Dick Kennedy, Manly Bryan, Jiggs Mann, Mr. and Mrs. Rufus White, Mrs. Reagan Bryan and Mr. and Mrs. Ernest Hunt.

## HARMONY CLASS

The Harmony Sunday school class of the Methodist Church met in regular business and social session in the home of Mrs. H. T. Warner. Mrs. George Darden was assistant hostess. The business was in charge of the president, Mrs. Warner. It was voted to give five dollars to the teachers of the Junior department to assist in their work. Mrs. Dick Chunn gave the devotional from the 13th Chapter of Romans. Games were played during the social hour. Hostesses served a delicious Spanish lunch to 19 members and guests present.

## JUNIOR H. D. CLUB

The Jr. Home Demonstration Club met for their regular meeting April 11 at the Club Room with Nova Mears and Gladys Hommel as hostesses. The meeting was called to order by the president, Mary Wallace, and roll call was answered with "The Monthly Report" by 13 members. Several phases of the club's work were discussed and reports of committees were given. Ellen Bryan's name was placed on the associate roll and Jewel Stewart and Annie Ruth Thomas were added to fill recent vacancies. An article on household helps was interestingly given by Aylene Bain. Ruby Blackman received a pollyanna gift in honor of her anniversary.

Delicious refreshments of fruit cup topped with whipped cream and angel food cake were served to: Nina Armstrong, Emma Ayers, Aylene Bain, Ruby Blackman, Glynn Kirby, Mildred Larimer, Edna Russell, Ona Tatum, Mary Wallace, Dollie Wilson, Mosele Wright, and the hostesses, Nova Mears and Gladys Hommel.

The next regular meeting will be held April 25 with Mildred Larimer and Glynn Kirby as hostesses.

—Reporter.

## KILL KARE KNEEDLE KLUB

Misses Ida and Etta Harned entertained this club at their home Thursday afternoon. Spring flowers were used for decorations. The usual conversation and needle work was enjoyed until lovely refreshments were served to Mesdames: Grover Heath, Bob Hay, W. B. Sims, W. D. Kidd, Sam Lowe, F. A. White Sr., Gene Noland, Roy Bartlett, Eva Draf-fin, R. R. Dawkins and the hostesses.

## ENTERTAINS WITH EASTER EGG HUNT

Miss Iva Jean McAnear, daughter of Mr. and Mrs. Granville McAnear, entertained a group of friends Tuesday with an Easter Egg hunt at her home. Besides the hunt, outside games were played and refreshments of cookies and punch were served. Miss Alice Chesier found the prize egg which won for her an Easter rabbit.

## 1926 BOOK CLUB

Mrs. Carl Bennett and Mrs. Frank White Jr. were hostesses to the 1926 Book Club Tuesday afternoon at the Clubroom. The club room was very attractively decorated with spring flowers.

Mrs. Allen Bryan presented several of her pupils in a musical program. Those playing were Janice Benson, Doris Knorpp, Sandra Shelton, Joan Allen, Sybil Head, Edith McCrary, Mary Nell Hanks, Shirley Brumley, Inelle Cox, Ladelle Cox and Lois Marie Hommel. A solo was sung by Cora Lee Muse and a reading was given by Johnnie Johnson.

Punch and cookies were served to the following guests: Mesdames Glenn Allen, George Darden, H. W. Hanks, Joe Goldston, Carroll Knorpp, Johnson, Lloyd Benson and the members, Mesdames C. E. Bairfield, Bill Bromley, Rolle Brumley, L. N. Cox, Glenn Hoggatt, Cap Morris, Frank Phelan, W. E. Ray, L. T. Shelton, W. C. Thornberry, Allen Bryan, Walter Clifford and Don Grady.

## BIRTHDAY PARTY

Bertha Nell Hall was guest of honor at a birthday party in the home of her mother, Mrs. J. L. Hall, Wednesday afternoon, April 10th. Games were played from 4 o'clock until 6 o'clock and many nice gifts were opened and admired.

Refreshments were served at 5 o'clock to the following: Margaret Mosely, Jimmy Beard, Alice McCrary, Jo Ann Ritter, Rockne DeShazo, Jack Trussell, John Wesley Crawford, La Neile Bentley, Ramona Rhea, Wesley Farr, Ida Mae Brown, Mary Edna Elmore, La Verne Morris, Ray David, Wayne Hall and the honoree, Bertha Nell Hall.

## MARTIN QUILTING CLUB

The Martin Quilting Club met April 11th with Mrs. William Jordan. Two quilts were quilted by members, Mesdames Lewis Marshall, Lesker Christie, Floyd Crofford, Raymond Waldrop, W. G. Higgins, Earl Hodnett, Tom Sullivan, Herman Patterson, Tick Barbee, George Bulman, Guy Sibley, and John Helton. Visitors were Mrs. Dave Patterson, Mrs. Joe Green, Mrs. Alvin Pittman, Mrs. Fred Smith and Mrs. W. F. Barker.

The Club will meet April 25th with Mrs. W. G. Higgins.

Mrs. J. W. Schull has returned from Haskell where she has been visiting her mother who is ill.

Mr. and Mrs. J. O. DeShazo and family spent the week end with relatives at Crosbyton.

## BUY VICTORY BONDS

## T.E.L. CLASS

The T.E.L. Class of the Baptist Church met in an all day meeting at the home of Mrs. A. W. Simpson to finish quilt tops. A covered dish luncheon was served at the noon hour. The guests were Mrs. W. L. Spencer, Mrs. Bob Hay, Mrs. A. C. Arnold and Miss Chloe Darden. Members, Mesdames, Clyde Butler, Lola Barns, W. J. Williams, Claude Darden, Rampy, L. L. Wood, Tom Tucker, Carl Naylor, Grover Heath, J. M. Ray, Bob Bingham, Rancy and the hostess, Mrs. Simpson. Three quilt tops were finished.

## CLARENDON CLINIC-ADAIR HOSPITAL

Present Surgical patients in the hospital include: Mrs. John C. Smith, Ponca City, Okla; Mrs. Joe Montgomery, Lakeview; Mrs. John L. Hansard, McLean; Mrs. Chester Walker, Hedley; and Miss Betty Holland, Hedley. Medical patients are: Mrs. C. M. Maple, Clarendon; Mrs. O. W. Streubel, Seattle, Washington; Mrs. Will Dickson, Hedley; Mrs. Lillie Baskin, Clarendon, and Mrs. H. C. Longan, Clarendon.

Patients leaving the hospital this week were Mrs. S. J. May, Mrs. C. R. Ponder, Mrs. T. J. Talley, Miss Mardice Tipton, Mrs. Joe Hadder and Shirley Dianne.

Mrs. Cook of Dallas spent the weekend with her daughter, Mrs. M. Goodner.

SAMUEL DAVID HANKS

## Memorial Post-War Fund Started In Memory of Samuel David Hanks

One of the finest and most worthy donations that one can give in this post-war era is to the Samuel David Hanks Memorial Post War Fund. Recently Rev. H. W. Hanks, our local Methodist

pastor, and Mrs. Hanks sent \$300 for the new building at the Interdenominational Leprosarium in Africa. The gift was in memory of

their marine son, Samuel David Hanks, who gave his life at Iwo Jima that others in the world might live. Little did Mr. and Mrs. Hanks realize that through this gift the David Hanks Post-War Fund would be created. It is the hope of Miss Dora Jane Armstrong, who sponsored the idea and who has been so vitally interested in leper work, and so closely associated with it for so many years, that this may become an unlimited fund; a memorial of \$300 grown into many thousands which are so desperately needed to carry on this great work through the world.

The February 1946 Memorial issue (in memory of David) of the American Mission to Lepers carries a copy of Rev. Hanks' letter in which he gives a short sketch of David's life, and, the reason for making the above mentioned gift. Also is a letter to the outside world from Miss Armstrong announcing the creation of the David Hanks Post-War Fund.

"Tighten - the - Belt Gardens" will be springing up in Army camps all over the world where soil conditions are favorable as the result of a directive issued to

## Clarendon Lions Club

By Edith McCrary

The Clarendon Lions Club met for their weekly meeting on Tuesday, April 16, in the Antro Hotel. After roll call was answered, the secretary read the minutes of the previous week's meeting.

Guests present were Jack Robinson, Mr. Zimmermann, J. W. Butler.

Several committee reports were made. Lion Drennan reported for the Highway Committee with reference to the Highway Commission hearing in Amarillo on Tuesday, stating that a good representation was present but that no results were obtainable to date. An account of the events of the zone meeting held in Hedley on Wednesday, April 10, was given by Lion Rayburn Smith. With regard to the Fourth of July rodeo, Lion Elliott told the club members that no more plans can be made until the Roping Club meets.

Members of the senior play cast presented a skit previewing their play scheduled for Friday night, 8 o'clock, College Auditorium. Spokesman for the group, Raymond Adams, invited Lions to attend the presentation of "The Daffy Dills."

Following the program, the meeting was adjourned, and the members faced the flag while singing "America."

all commanders by the Army, the War Department announced today, through Headquarters of West Texas US Army Recruiting District.

The directive states: "The War Department recognizes the need and value of truck gardens at posts, camps and stations at this time when worldwide food conservation is required, and desires to cooperate to the fullest extent with the President's food conservation program."

"In addition to voluntary off-time recreation activity, Commanding Officers will utilize prison labor for gardening as a primary mission of rehabilitation."

"Equipment and tools or additional farm implements will be requisitioned at these posts, camps and stations where the soil is suitable for gardening purposes and plots are of such size to provide for the growing of vegetables common to military requirements. Such items as potatoes, corn, green beans, tomatoes, beets, carrots, and cucumbers will be encouraged."

"Food so produced will be for the consumption of military personnel only, and not for sale to civilians. Commanding Officers will consult the local county agricultural agent for information relative to the types of crops, time of planting and other information to aid in the cultivation of crops."

### CORRESPONDENCE STUDY PROVIDED FOR VETERANS

SCRANTON, Pa.—International Correspondence Schools has completed arrangements for direct enrollment of veterans under the G. I. Bill of Rights, Ralph E. Weeks, I. C. S. president, announced today.

More than 400 courses of study are thus made available to ex-servicemen who are entitled to the educational benefits of that law, Mr. Weeks said. The majority of these courses are in the field of technical training for positions in business and industry although the list includes all the regular high school subjects.

"A veteran may now enroll in the usual way and bring his I.C.S. course under the provisions of the G. I. Bill by simply presenting a Certificate of Entitlement," Mr. Weeks said. "He can obtain the certificate from the nearest office of the Veterans Administration."

Those who enroll under the G. I. Bill receive exactly the same service given to students who enroll independently, Mr. Weeks explained. That includes not only the textbooks and other materials but also the personal service of the instruction staff and the field force. The instructors correct and comment in detail on every lesson paper sent in by a student, while the field force provides a continu-

ing personal contact between school and student throughout the duration of a course.

Mr. Weeks said that there has been a strong demand for correspondence study from veterans who want to take jobs and continue their education at the same time. Now it is possible for them to enroll directly with I.C.S. under the G. I. Bill.

## Plant Gardens And Eat More

Gardens will play a big part in how well the family will eat in 1946 and 1947 says county agent H. M. Breedlove. The Department of agriculture has advised that food will be short for the coming year and has asked the Extension Service to pass this word on to all persons in the county. Food is being shipped overseas to the war torn nations as well as the food needed to maintain our standing army. The house wife may find it rather difficult to plan meals for the family in the coming months unless there is an adequate garden for the family and all vegetables are canned and stored away for the coming months. Breedlove says that all persons who have a place for a garden should start at once on that garden if they have not already done so because it will mean how well the family will eat in the next year. Information on the control of insects or the planning of the garden can be secured by calling by the county agent's office.

## TOO LATE TO CLASSIFY

FOR SALE — Four-room stucco house with bath, hot and cold running water; modern. Located 2 blocks south of Highway 270 on Brice road. J. L. Upton. Phone 159-J. (9-p)

**THE CHURCH OF CHRIST**  
 Robert D. Bankes, Minister  
**EVERY SUNDAY**  
 Bible classes—10 a. m.  
 (a class for every age under competent teachers)  
 Worship, 10:45 a. m. Sermon  
 Young People's class—6:30 p. m.  
 Evening Worship—7:30 p. m.  
 Ladies Bible class—3:00 p. m.  
 on Wednesday.  
 Mid-week Bible study — 7:30 p. m. Wednesday.  
 Mens Bible class—7:30 p. m. on Thursday.  
 You are cordially invited to attend our services.

**ST. JOHN THE BAPTIST EPISCOPAL CHURCH**  
 The Rev. W. Warrin Fry

There will be a three hour service on Good Friday, April 19th. The service will consist of Hymns, Meditation and preparation for Easter.  
 Everyone is invited to come and stay as long as they can during the service.  
 On Easter morning there will be a Service of the Holy Communion at 8:45 a. m.

**FIRST PRESBYTERIAN CHURCH**  
 Rev. Charley B. Robinson, Pastor  
 Phone 267-M

All members and special friends of the Church are urged to attend the services of worship regularly. The public is most cordially invited to worship with us at any

time. Sunday services are as follows:  
 9:45 a. m.—Sunday School.  
 11:00 a. m.—Morning Worship.  
 6:30 p. m.—Young Peoples' Meeting.  
 7:30 p. m.—Evening Services.  
**WEDNESDAY**  
 7:30 p. m.—Bible study and prayer meeting.  
 Choir practice will be held after prayer meeting.

**METHODIST CHURCH**  
 H. W. Hanks, Pastor

Let each one be in his or her place next Sunday in Sunday school and church. Our goal is 300. Will you help us reach it. Let each one who can pay conference collections in full. If one hundred families will pay ten dollars each we can pay all our benevolences. Of course some cannot pay that much. Some can and will pay more. With all pulling together we can and will win. Then, you have a friend who is unsaved. You can reach that friend if you will work and pray. Each member is urged to be present. Visitors are always welcome.  
 If there are those who wish to have their baby dedicated to God in Holy baptism, we shall be delighted to attend to that at the beginning of the church service Sunday morning.

Jack Phelan Jr., brother of Mrs. Carl Allmond, has his discharge and is at home at Memphis after a visit with Mr. and Mrs. Allmond.

Donley County Leader, \$2 a year.

**GARDEN GLANCES**  
 "America beautiful lies in the hands of the gardeners."

All over the flowering shrubs have transformed this spring into a magnificent "Festival of Beauty."

The spirea is so gay and crispy and white that it gives you the feeling that snow is still lingering on its branches.

The Jim McMurtry tulip bed flaunts a mass of gay colors, and entrancing to all who view it is the tulip garden of Mrs. Gray's. Unusually good specimens of the snow ball now in full bloom are to be seen at the Joe Holland and Walter Taylor homes.

In the Stricklin's yard a superb beauty bush is a veritable bower of small pink trumpets, and the one in Mae Prewitt's yard is especially lovely.

Over the garden walls at the Brumley's we found dozens of irises in many gay colors and a large bed of bluebonnets.

A real picture garden is that of Mrs. Pott's with its combination of purple and white irises, and very beautiful is the blue iris hedge at the Norwood's.

Dominating the Chase's garden is a strikingly lovely rose in tints of red and gold.

Gardening is an adventure for all ages. Won't you help make our town a garden spot?

Leroy Butler is confined to his bed with the flu this week.

## 1,725,344 Decorations, Awards Made From Dec. 7, 1941 to Nov. 30, 1945

A total of 1,725,344 Army decorations and awards were made to Army personnel from December 7, 1941, through November 30, 1945, the War Department announced recently. The total includes all decorations or awards granted except the Purple Heart which was given all men wounded in action.

The Medal of Honor, the Nation's highest military award, given only for gallantry and intrepidity at the risk of life, above and beyond the call of duty, had been granted to 240 Army men for service in World War II through November 30, 1945. The other Army decorations for valor and achievement, in the order of their precedence, were awarded as follows: Distinguished Service Cross, 4,036; Distinguished Service Medal, 987; Silver Star, 69,027; Legion of Merit, 12,285; Distinguished Flying Cross, 124,827; Soldier's Medal, 11,345; Bronze Star, 340,510; Air Medal, 1,162,087.

Of the 240 Medals of Honor, 177 were awarded to Infantrymen. The Infantry also received most of the Distinguished Service Crosses, 2,679, and the largest number of both the Silver Star, 42,185, and the Bronze Star, 155,409.

The Army Air Corps received the largest number of decorations of the total awarded to all the arms and services, 1,304,399. Of these, 1,147,635 were awards of the Air Medal, which in most cases is based on the number of combat missions flown and is awarded almost exclusively to Air

Forces personnel. The Eighth Air Force, which was in operation longer than any other Air Force overseas, led with 505,351 decorations, 577,282 Air Medals were awarded to officers, over 80 percent of which went to lieutenants, and 584,805 were awarded to enlisted men.

Enlisted men were awarded 157 Medals of Honor, 2,142 Distinguished Service Crosses, 46,671 Silver Stars, 255,745 Bronze Star Medals and 9,143 Soldier's Medals. Officers received 83 Medals of Honor, 1,894 Distinguished Service Crosses, 22,356 Silver Stars, 84,765 Bronze Star Medals and 2,202 Soldier's Medals.

Privates first class led by a wide margin all grades of officers and enlisted men in the number of decorations for heroism. Among officers, the junior grades (second lieutenants, first lieutenants and captains), who received the most casualties and commanded the smaller units, predominated over field grade and general officers in all combat awards with first lieutenants taking the lead.

The Army's highest non-combat award, the Distinguished Service Medal, is awarded for exceptionally meritorious service in a position of great responsibility. Criteria established for the Distinguished Service Medal normally can be met only by officers of high rank who must exercise initiative in decisions of great importance. It was awarded to 986 officers and one enlisted man, Staff Sergeant Joseph L. Lockard, who, as a private on

duty with an aircraft detector unit at Hawaii on December 7, 1941, remained on duty after the completion of the scheduled operation period and recognized signals indicating a flight of planes approximately 132 miles distant and promptly reported his readings. It was later established that the approaching planes thus reported were the Japanese attacking force.

The Legion of Merit was awarded to 9,490 officers and 2,795 enlisted men. It is granted for exceptionally meritorious conduct in the performance of outstanding services.

Mrs. G. M. Perry from Watato, Washington visited her sister and family, Mr. and Mrs. Harry Blair this week.

Mrs. J. L. Allison is at home after a weeks visit with her children at McLean, Pampa and Amarillo.

Mr. Cap Morris took his mother, Mrs. J. R. Morris to Stephenville last week and visited a few days. He has returned home.

**AMERICAN LEGION AUXILIARY**

The American Legion Auxiliary met in regular session April 15 at the club room with Mrs. Tom Tucker presiding.

The meeting was opened with prayer by Mrs. Bob Hay, followed by a solo, "Beautiful Dreamer," by Mrs. Homer Speed, with Mrs. Robinson at the piano.

Mrs. Caraway reported on the gift project and it was decided to have an all day meeting the third Monday in June to make gifts.

Mrs. Allen reported that a box had been sent to the French war orphans. Mrs. Huffman said that instead of having the food sale cash donations had been asked and thirty dollars was turned in by her committee.

It was voted to sponsor a Girl Scout Troop, to send ten dollars to Child Welfare and to give ten dollars to the Cemetery Association.

A committee of four women, Mrs. Flem Caraway, Mrs. Glenn Allen, Mrs. Bob Hay, and Mrs. Mike McCully, was appointed to sell flags.

### Grass Planting Demonstration

The first demonstration of the year in planting of grass seed was on the J. R. Porter farm west of Goldston this past Thursday, April 11th, according to county agent, H. M. Breedlove.

Sand Love grass and Weeping Love grass was planted for demonstration purposes and the demonstration was witnessed by fifteen farmers and ranchers from various parts of the county.

Mr. Quinten Williams of the Soil Conservation service gave a lecture on the planting of the grass and its importance for re-seeding fields to be turned back to grass. Breedlove stated that Sand Love grass had been planted on the Leroy Luttrell farm in the Midway community and the Heckle Stark farm of Clarendon. This grass will be harvested for seed this summer and it is hoped that seed will be available for farmers in the county for next spring plantings. Twenty acres will be planted on the C. T. McMurtry ranch this week and a demonstration will be held on the Roy Jewell farm at Hedley on the planting of Love grass this coming week by Breedlove.

In the afternoon the group made a tour of several farms of the county and Mr. Marshall Howard commented on the different types of soils of the various farms. Mr. Howard is with the soil conservation service and gave the group some constructive information on the handling of the different types of soils and the crops that would be best suited for the farms.

The demonstration ended at four o'clock in the afternoon and Mr. J. R. Porter, chairman of the board called a meeting of the soil conservation board for Thursday April 18th in the office of the county agent at 2:30 p. m.

Mrs. Roberta Adam, the District representative of the Red Cross was in Clarendon a few days this week.

Mrs. J. A. Howard is visiting this week with her daughter at Beaumont.

### Attend Press Meet In Amarillo

The 37th annual session of the Panhandle Press Association was held in Amarillo Friday and Saturday, a total of 238 being present for the very interesting sessions with banquets thrown in for good measure.

Bill Rutherford of the Dumas News was elected president; J. C. Phillips of the Borger Herald was elected vice president, and Clyde Warwick of the Canyon News was again elected secretary, a position he has held for many years with much honor and skill to the delight of the entire Association.

The Board of Directors elected include the above officers and Vincent Lockhart, Canadian Record; J. Claude Wells, Memphis Democrat; Forest Weimhold, Hockley County Herald; Wayne Estlack, Donley County Leader; and Douglas Meador of the Mator Tribune, the retiring president. Other directors are R. V. Miller, Tulia Herald and Paul Allingham of the Amarillo News.

Mr. and Mrs. Harwood Beville and Judge Bishop were in constant attendance, all of whom appeared to find much interest in mingling with friends of the press.

Attending from Clarendon were Mr. and Mrs. Wayne Estlack and postmaster J. C. Estlack who has been honored with every gift of the Association, having served as board member, secretary and in 1937 was president of the Association.

Mrs. E. L. Hunt is confined to her home with a serious illness this week.

Louise Underdown spent the week end with her brother and wife at Amarillo.

Mrs. C. W. Lane and sons Wilson and Tommy and Mrs. Alfred Estlack and daughter Ira Jean were Amarillo visitors Wed.

Jack Merchant of Pampa had a major operation Thursday at St. Anthony hospital in Amarillo. He is doing nicely.

### Tex Worrell To Play For Legion Dance May 1st

The American Legion sponsored a highly successful dance Tuesday night; but that was just a beginning. On May 1st, Tex Worrell and his nationally-known string swing band of screen and radio will be here to play for another dance to be sponsored by the Legion. Mr. Worrell has been under contract playing over station KPRO, Riverside, Calif., until recently, when he accepted an offer at Dallas. He is playing for American Legion dances on his way from California to that city.

More details will appear next week. Watch for them, as you don't want to miss this next dance.

The dance Tuesday night, sponsored by the American Legion, drew an enormous crowd, and it seems that everyone who went had their fill of fun. Mrs. Mike McCulley caught the balloon that won the pair of Nylon hose, and Mrs. Dick Shelton got the one which won a dress shirt for her husband. The gifts were given by Greene Dry Goods Co.

### Red Cross Drive Results Given By Districts

The following information shows how the Red Cross quota in Donley County was raised by districts and the workers who took part in raising the money which totaled \$3,005.79.

**Clarendon:**  
 Business district ..... \$820.00  
 Residential district ..... 754.81  
 Colored district ..... 40.49  
 Special gifts ..... 293.00

**Lelia Lake:**  
 Residential & Business . . . 28.25

**Hedley:**  
 Business and Residential district ..... 288.04

**Rural for the County:**  
 County Agents office . . . 781.20

**WORKERS**  
 Clarendon Business District—Lee Bell, Chairman; Lions Club. Clarendon Residential—Mrs. Harry Blair, Mrs. Thelma Bennett, Mrs. Billy Johnson, Mrs. B. F. Kirtley, Mrs. Henry Tatum, Miss Phoebe Ann Buntin, Mrs. Ray Palmer, Mrs. H. T. Burton, Mrs. Johnny Blocker, Mrs. Allan Jefferies, Mrs. C. L. Benson, Jr., Mrs. Lee Holland, Mrs. Shelby Bell, Mrs. Rayburn Smith, Mrs. U. J. Boston, Mrs. J. H. Howze, Mrs. Billy Lewis, Mrs. Donna Lane.

Clarendon Colored town—Victoria Waiker and Johnnie Bates.  
 Hedley—Lions Club, Hobart Moffett, Chairman.  
 Rural for Donley County—Community chairman, appointed through county agents office—Dorothy McCleskey, chairman.  
 Lelia Lake—Quinn Aten, chairman.

### Good Year Ahead For 4-H Club

Donley county 4-H club boys are now putting their calves on feed for the coming year and county agent H. M. Breedlove thinks that the coming year will be one of the largest in the history of the county for club work. Two calves are now on feed for the Pan American show in Dallas this October. Ten calves for the Amarillo show next March and one for the Fort Worth and Houston shows to be held next spring. The county agent says that he will have to get ten more calves on feed in the next few weeks and the entire group will be all set for the coming year. It is estimated that seventeen or eighteen calves will be shown in the Amarillo show next spring which will give the county a group of fifteen calves to show for the county carlot.

Boys who have not been contacted and who wish to feed for the coming year should contact county agent H. M. Breedlove so he can make arrangements to get their calves for them as soon as possible.

Mrs. A. C. Arnold of Melrose, St. M. is visiting with her daughter and family, Mr. and Mrs. Carl Naylor.

Mrs. Cap Morris, Mrs. Carl Pittman, Mrs. Della Pittman and Mrs. E. C. Pittman with their four children of the band members to Fairview Friday.

A COUNTY - WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY

1946

New Series—Volume 17 Number 9

CLARENDON, DONLEY COUNTY, TEXAS, APRIL 18, 1946

A Common Paper for Common People

Released by U. S. War Department, Bureau of Public Relations.

**SPORTS AND RECREATION IN THE ARMY**—Under the present recruiting project in the U. S. Army all enlisted men are given a 30-day furlough with pay each year. Some prefer to visit their homes. Others take advantage of famous vacation resorts. Above, left—Archery is a popular sport at Ft. Belvoir Military Camp, Hawaii. Right, American servicemen and women enjoy the beach at the French Riviera in these odd boats.

Mr. and Mrs. W. C. Scott left Sunday for Savannah, Missouri where Mrs. Scott will enter the St. Nicholas hospital Tuesday. hart, sister of Mrs. H. C. Smith, attended the funeral here for Mrs. Martha Brewster of Dal-Beatrice Smith.

## Seed Grain Treatment

This spring, when there is such a big need for feed grain and forage for livestock it is more important than ever for farmers to treat the seed chemically. This is the opinion of H. M. Breedlove, County Agent, and he says it is good insurance to treat all grain sorghum, sweet sorghum and corn planting seed every year.

Treating these seeds is standard recommended practice for the control of most seed-borne diseases. It also protects the seed and young seedlings from organisms in the soil that cause rot and seedling blights. It improves the stand, the yield, and the quality of the grain.

Some farmers can have their grain treated in custom machines that will come to the farm. Others have central treatment stations to which they can take their grain. But farmers who lack such facilities find that, with home-made equipment, they can do quite a good job of treating the seed. Grain sorghum and sweet sor-

ghum seed should be treated with 2 ounces of copper carbonate per bushel or other chemicals which can usually be bought at the local feed store. For corn sementesan Jr. is recommended. Exact directions for use of the chemicals are found on the container.

If a mixing machine isn't on hand, Breedlove recommends treating the seed in any tight can such as calcium arsenate or lard can.

The treatment is for kernel smut and other seed-borne diseases of grain sorghum and sweet sorghum and certain corn rots and protection against seed rots by molds and fungi in the soil, thereby giving better stands and yields.

## NEW ARRIVAL

Mr. and Mrs. Bill Holcombe announce the arrival of a son April 5th at an Amarillo hospital. He weighed 4½ lbs. and was given the name Charles Thomas. Mrs. Holcombe was brought home Sunday afternoon but the new son was left in an incubator at Northwest Texas hospital where he is to remain for a few weeks yet.

## Mountain Region Looks For Busy Season To Tax Capacity

Colorado and the other western mountain regions are making every preparation to extend a true Western welcome to the unprecedented rush of vacation-starved visitors which is expected to commence as soon as the snow disappears from the high country.

Existing accommodations for vacationists are being rebuilt, remodeled and enlarged, and many new accommodations will be constructed as rapidly as materials can be obtained. Whether the visitor prefers a modern hotel, a rustic lodge, a dude ranch or a mountain cabin, the "West" hopes to accommodate him. However, because of the unprecedented throng of visitors in prospect, advance reservations are urged to avoid possible disappointment.

**Colorado Plans Many Events**  
Colorado communities are planning a variety of events—races, Indian ceremonials, fairs, celebrations, golf tournaments, yacht races, water sports carnivals—to entertain homefolks as well as visitors during the summer.

1946 season, June 20 to Sept. 10. This is an all-expense tour including transportation and lodging at the Park hotels.

Railroad passenger service will be available to and from the several gateways and round-trip railroad tickets, permitting entrance at any gateway and exit at the same or another, will be sold.

## Pacific Coast

The delightful summer route through Colorado and the mountain states to California, Oregon and Washington, permitting stopovers at points of interest such as Salt Lake City, Yellowstone and Glacier National Parks, beckons to travelers this vacation season who want to enjoy all of the wonderful grandeur of Western America, a land of ever-challenging vistas to those whose love of the great outdoors takes them away from the every day sameness of ordinary living to the widest range and variety of vacation opportunities of any country in the world.

## Wheat Acreage In Donley County On Increase

To assure the continued fame of Colorado's fishing streams and lakes, the State added 150 tons of fighting trout in 1945 to the 6,000 miles of trout streams and 2,000 alpine lakes. In addition, pre-war fish have had time to grow bigger, scrappier and hungrier while most fishermen were tied down by war-time problems.

**Rocky Mountain National Park**  
For the first time since the end of the war, two-day, three-day, four-day and six-day all-expense circle tours will be operated again this summer from Denver through Rocky Mountain National Park. The "season" will be June 15 to September 15, inclusive, according to Rocky Mountain Parks Transportation Company.

All tours leave Denver Union Station promptly following the arrival of the Denver Zephyr from Chicago and the east and the Texas Zephyr from the Southwest.

Estes Park Chalot-Ranch and Grand Lake Lodge, which have been closed during the war, are being extensively renovated for the 1946 season.

Sight-seeing tours also will be operated this year to the 14,260-foot summit of Mount Evans and through Denver's mountain park system, in addition to Denver city sightseeing trips.

**Yellowstone National Park**  
The standard 2½-day sight-seeing tour through Yellowstone National Park, suspended during the war, will again be available to Western vacationists during the

County Agent H. M. Breedlove stated this morning that the wheat acreage in Donley County for 1946 is twenty thousand acres compared with twelve thousand in 1945. From the information gathered from farmers in the county it is estimated that the fall seeding of wheat will be quite an increase for the 1947 crop over the 1946 wheat acreage. This increase of acreage is due to the shortage of cotton pickers and the fact that the increase in wheat prices have caused the farmers in the county with land suitable to the growing of wheat to turn to this crop. Increase of cattle on the farms has also been another reason for seeding of wheat for the winter pasture. It is estimated that if a good grain crop is made this fall that more cattle will be on full feed in the county than, any previous years.

Mr. and Mrs. Orville Ellis and children of Bivins Station and Mrs. Stella Jones and boys of Amarillo visited in the W. C. Jones home Sunday.

Mrs. J. E. Doegen and daughter Louise of Houston visited her mother, Mrs. J. L. Hall the first of last week.

... and be sure the room is WARM

Isn't it a comfort in times of sickness to know there's dependable gas heat in your home? Your gas heating system is just as reliable as the natural gas supply that backs it up. Thousands of Texas homes depend on *United Gas*.

**UNITED GAS PIPE LINES SERVE 169 TEXAS COMMUNITIES**

United Gas Pipe Line Company transports low-cost natural gas to the city gates of 169 Texas communities, comprising 1,361,000 people. Ours is a great responsibility—to provide a dependable supply of natural gas to the homes, offices and industries of Texas and the Gulf South.

Ours, also, is the privilege of being a good citizen of every community we serve. The United Companies spend millions of dollars annually in payrolls, taxes and royalty payments—*money that benefits every family in Texas in one way or another.*

**UNITED GAS**  
SERVING THE

*Gulf South*

After four years of war, Colorado expects her mountains and forests to team with vacationists this summer. The above scene, selected from Colorado's many wonderful vacation spots, illustrates that there is plenty of room for vacationing in the vast Rocky Mountain playground.

### Military Personnel To Have Same Uniforms After July, 1948

Officers and men of the Army will dress alike after June 30, 1948 in battle jackets and trousers of the same olive drab shade now used in enlisted men's clothing, according to information received from Lieutenant Colonel Hardy, Commanding Officer of West Texas Army Recruiting District. This type of uniform is worn now by many officers and men and will become obligatory for all personnel after the 1948 deadline. Until then, the present types of uniform may be worn.

New regulations prescribing the olive drab combination for all ranks also paved the way for the eventual adoption of dress blue uniforms for officers and men provided they can be procured and manufactured without interfering with the production

of civilian clothing. If available, the blues will be worn by officers and men after June 30, 1948, for dress and special occasions. If the blues do not become available, the olive drab jackets and trousers will serve for both duty and dress.

For summer and tropical wear, the duty uniform for officers and enlisted men will continue to be the familiar khaki. The summer dress uniform for officers and men will be shirt, trousers, service cap, and battle jacket, in tropical worsted material.

The request to explore the possibilities of blue uniforms came from the European Theater of Operations when General Eisenhower, now Chief of Staff, was in command there. It was suggested that the blue uniforms

might be used for the Army of occupation, that new uniforms would be welcomed by our soldiers, and that they would distinguish them from troops of Allied Nations.

Tests for a satisfactory shade of blue are now being made and it will be several months before the lasting qualities of the new color are determined. Experimental models of the enlisted men's dress uniform comprises a sack type coat, matching trousers, and visored cap, in medium weight wool tailored to individual measure. Brass buttons and piping in the color of the individual's branch or arm of service add contrast. The officers' dress uniforms as contemplated would be similar except for insignia.

### Easter Seal Sale Officially Opened This Week

The thirteenth annual Easter Seal Sale was officially opened this week with the mailing of colorful Easter seals to 650,000 Texas citizens. The Seals are sent each Easter time as a reminder of the humane work being done throughout the year by the Texas Society for Crippled Children.

Proceeds derived from the sale of the seals makes possible the Society's work of locating handicapped children in need of medical care, procuring material aids, such as crutches and wheelchairs, rehabilitation and prevention of crippling diseases. During the past year, the Society also sponsored and saw passage of state legislation providing special education for the thousands of Texas' mentally alert youngsters too physically handicapped to attend regular school.

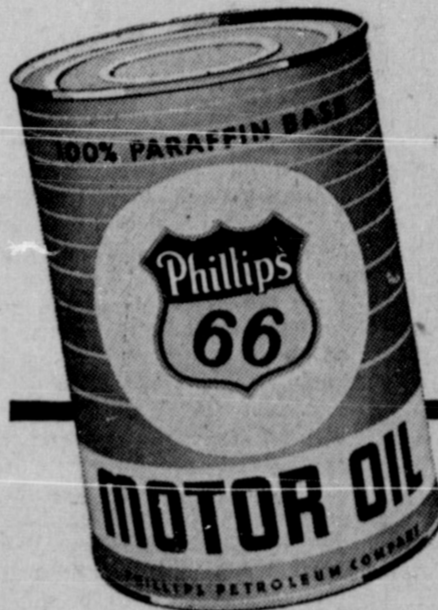

"With state education of exceptional children an accomplished fact, the work of the Texas Society for Crippled Children assumes even greater proportions," Dr. Sam Whitley of Commerce, president of the Society said in presenting his annual appeal. "The opportunity for education means that thousands more of these unfortunate youngsters must have physical preparation for this new experience. In many cases, the Society must seek out the children in rural or unenlightened homes and provide them with either medical or material aid before they are ready for education. Following their education, the Society, through its sheltered workshops, sees them off to a healthy useful life by teaching them to be self-sustaining."

All funds raised in each community are left with the county chapters for aid to that community's children. The funds are administered by civic-spirited Texans who give of their time.

**MAKE GEOLOGY TRIP**  
Cadet Carl M. Bennett, son of Mr. and Mrs. C. W. Bennett, Jr., and Cadet Carroll Brumley, son of Mr. and Mrs. Rolle Brumley, both of Clarendon, and students at Wentworth Military Academy, Lexington, Mo., are two of the twenty cadets who were selected to make a Geology field trip into Southern Missouri this week. The three day excursion included stops at the Lake of the Ozarks, Bennett Springs, and the caverns near Branson, where the group studied rock formations.

The Lewis and Clark expedition that opened up the Northwest was conducted by the Army

## A VERY SMART Change!

It's smart to change your motor oil NOW and it's smart to change to PHILLIPS 66

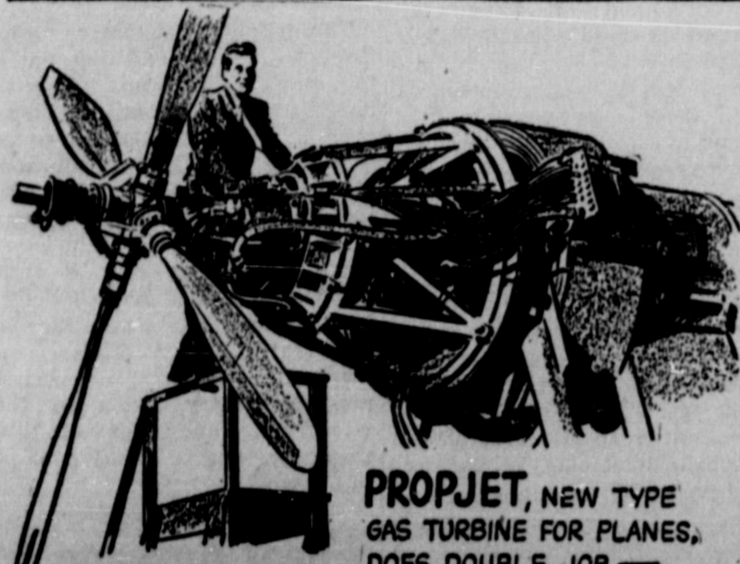

Sure, get that old, tired winter motor oil out of your crankcase. Fill up with a fresh new change for the hard, hot driving ahead.

And brother—here's a piece of free advice that's worth something! When you change, change to Phillips 66 Motor Oil! It's a rugged, stand-up-and-take-it oil from "deep in the heart of Oklahoma." You couldn't make a smarter change!

Get set for Summer—with Phillips 66!

### THE FACT IS By GENERAL ELECTRIC

**PROPJET, NEW TYPE GAS TURBINE FOR PLANES, DOES DOUBLE JOB — TURNS THE PROPELLER AND ADDS POWER THROUGH A JET TO THE REAR. EXPERTS SAY PROPJET WILL POWER GIANT TRANSOCEANIC AIR LINERS OF TOMORROW. IT WAS DESIGNED BY GENERAL ELECTRIC ENGINEERS.**

**CHICKS LAUGH AT GERMS! NEW "BROODERATOR" PROVIDES GERM-FREE AIR FOR CHICKS. AIR IS PURIFIED WITH A GENERAL ELECTRIC GERMICIDAL LAMP. AUTOMATICALLY CONTROLLED HEAT IS FURNISHED BY G-E CALROD HEATER.**

**ELECTRONIC HOT DOGS!** NEW MACHINE WILL GRILL HOT DOGS AND HAMBURGERS BY ELECTRONIC HEAT. G-E ENGINEERS HEARD DEVELOP IT.

**GENERAL ELECTRIC**

### Second Annual Top O' Texas Rodeo To Be Held at Pampa August 16-17-18

PAMPA—Dates for the second annual Top O' Texas Rodeo and Quarter Horse Show at Pampa, Texas have been set for August 16th, 17th and 18th, Wade Thomason, President of the Association announced this morning.

This year's show will feature the best amateur cowboys in Texas, New Mexico and Oklahoma, with prizes being offered in all of the different cowboy contests, including bronc-riding, calf roping, Wild-cow milking, bulldozing, cutting horse contests, etc. Lyons

### 11 In Race For Texas Governor

Announcement of Attorney General Grover Sellers that he would be a candidate for governor brought the total candidates for governors thus far to 11. This includes all who have formally filed for a place on the ballot, those for whom filing has been made by petition, and those who have said they are going to run.

These were: W. J. Minton of Sherman, John Lee Smith of Throckmorton, Walter Scott McNutt of Jefferson, Jerry Sadler of Longview, Case

March of Waco, Beauford H. Jester of Corsicana, William V. Brown of Texarkana, A. J. Burks of Odessa, Dr. Homer P. Rainey of Austin, Robert W. Calvert of Hillsboro, Sellers.

Still mentioned as possibilities: Gov. Coke R. Stevenson, former Gov. James V. Allred of Houston, Sen. W. Lee O'Daniel.

An Army-Air Force jet-propelled plane has flown across the nation almost with the speed of sound.

Army engineers have led all other agencies in flood prevention, through the building of locks, dams, levees and sea walls.

## Now... no wheat used in beer or ale

And wheat alone can solve the problem of feeding the world's hungry

Actually wheat has never been a large item in the brewing process—only 10,000 of the entire U. S. wheat crop was used in 1945.

In accordance with United States Government policy, the brewing industry has used no wheat whatever since March 1, 1946.

**OTHER MATERIALS CUT 30%**  
The other grains used have been reduced by 30%—that is, to 70% of the 1945 amount.

Wheat alone can solve the problem of feeding the hungry. The grains to which the industry is now restricted, are of a variety and grade not normally consumed by the people of the world as food.

**LESS BEER AND ALE**  
Altogether, the brewing industry is using 30%

less materials than in 1945. This results in a proportionately lower production. But since the current demand for beer and ale is about 25% greater than a year ago, the real shortage is nearer 50%.

Consequently, your dealer will not be able to supply you with all the beer and ale you would like. We know you will understand the reason for this.

Your attention is earnestly directed to the recommendations of President Truman's Famine Emergency Committee, which are summarized in the box below.

This statement tells in clear, simple terms what each of us individually can do to help during the emergency.

What the President's Famine Emergency Committee asks us all to do

1. Save and share wheat and its products . . . Go right on all foods that take wheat, fine and all—see breads, macaroni, cakes, cookies, pastries and deep-fried foods. Use drippings for pan-frying. Save salad oil—use bottled dressings.
2. Buy and save more plentiful foods . . . Balance diets with the more plentiful foods, such as potatoes, fresh fruits and vegetables.
3. Waste less food . . . Dress up today's leftovers for tomorrow. Make every scrap count with rabbit stew, creamed spinach, bread puddings or' egglets. Take no more than you can eat. Clean your plate. Turn! Turn! Turn! (Refrain from) property.

UNITED STATES BREWERS FOUNDATION

**Santa Rosa Roundup  
May 29 - June 2nd**

VERNON, Texas—Rodeo prize monies totaling \$3,960 will be awarded competing cowboys at the first Semi-annual Santa Rosa Roundup and Livestock Exposition to be held in this city May

29 through June 2. Contest events will include bareback bronc riding, calf roping, saddle bronc riding, steer wrestling, team tying, a wild horse race, and brahma bull riding.

E. Paul Waggoner, president and sponsor of the Santa Rosa Roundup and Livestock Expositi-

tion, in making this announcement, also stated that six rodeo performances were scheduled with night performances May 29-30-31, and June 1, and matinee shows Memorial day May 30, and Sunday, June 2nd.

Stock for the Rodeo is being furnished by Earl and Jack Sell-

ers of Del Rio, Texas who will also produce the show. Outstanding specialty acts have been contracted, including clowns, trick riders and ropers and many other feature attractions.

**Memorial Farm  
To Be Operated  
By A&M College**

College Station — A 1700 acre dairy on the Brazos river in McLennan and Falls counties to be known as the Central Texas Memorial Farm will be operated by the Agricultural and Mechanical College of Texas, it was announced today by Dean of Agriculture Charles N. Shepardson.

The dairy-farming demonstration project, an outright gift to the college from an anonymous donor, has no connection with the proposed agricultural and livestock use by the A&M College of the Bluebonnet ordnance plant at McGregor, Dean Shepardson pointed out.

The Central Texas Memorial Farm will have as its purposes demonstrations of soil building and soil protection practices, modern agricultural methods and cultural practices, dairy herd improvement work, advanced agricultural management training and will be a lasting and beneficial tribute to the great contribution made by Texas farmers, both in uniform and on the land, to the winning of World Wars I and II, Dean Shepardson announced.

The enterprise will be wholly self-supporting, Dean Shepardson declared, and improvements will be made just as rapidly as advanced practices and sagacious management justify. Training of the college's students in agriculture will be incorporated into the dairying, livestock and farm work of the enterprise.

Farmers and dairymen in the area will be invited to observe the management practices, and benefit therefrom, Dean Shepardson announced.

Miss Nannie Wilkinson of Decatur, Texas visited over last week end with her cousin, Mrs. J. L. Hall.

**AIR NEWS**

By J. Fred Smith, Jr.

Due to high winds, flying in light planes has been almost to a standstill, but the heavier planes have been flying. Dr. Lowell made three business trips to Amarillo, and one to Erick, Okla. These trips were made in his Vultee BT-13. Dr. Welsh made a trip to Amarillo in his PT-17, Stearman; he soloed this ship last week, and is flying it like a veteran.

Billy Thompson of Memphis, soloed the Fairchild PT-19 last week. Billy liked this plane so well, that he flew two hours without stopping. Gene Bryan had some experience flying in the rain, Sunday. Paul Semrad enjoyed an acrobatic ride Sunday. Pat Slavin flew the BT-13. He said it was like old times, as he flew this type plane while he was training in the Navy.

Cross country flyers from Wellington, Childress, Pampa, Borger, and Amarillo, landed at the local airport last week.

The Donley County Aviation Club will hold the next meeting Thursday night, April 18. If you are interested in aviation in any way you are urged to join this club. If you can attend this meeting, and you are not a member of the club, now, please notify Mr. or Mrs. J. Fred Smith, Jr., not later than Wednesday, so they will know how many plates to prepare.

The U. S. Army Air Corps had only 55 planes when the United States entered World War I.

The intelligent and careful pilot will seek additional guidance which comes from the knowledge of experienced pilots and from the analysis of accident records. Following are a few practical suggestions:

**Low Altitude Flying**

Although the Civil Air Regulations at present permit hedging and flight at, tree top

level in certain places, you should not be misled into thinking that this is considered a safe practice.

Most of the casualties in aviation have been caused by maneuvers at low altitudes. In case of engine failure you have no choice of a landing field, and no opportunity to maneuver to avoid obstructions or even to head into the wind. Sudden turbulence, a minor distraction, or slight inattention may put the plane momentarily out of control, without sufficient altitude to effect recovery.

Even though you may feel that no hazard to other persons or property is involved, low flying always has potential danger from unforeseen developments, and in populated areas is invariably a source of annoyance to people on the ground.

**Flight in Poor Weather**

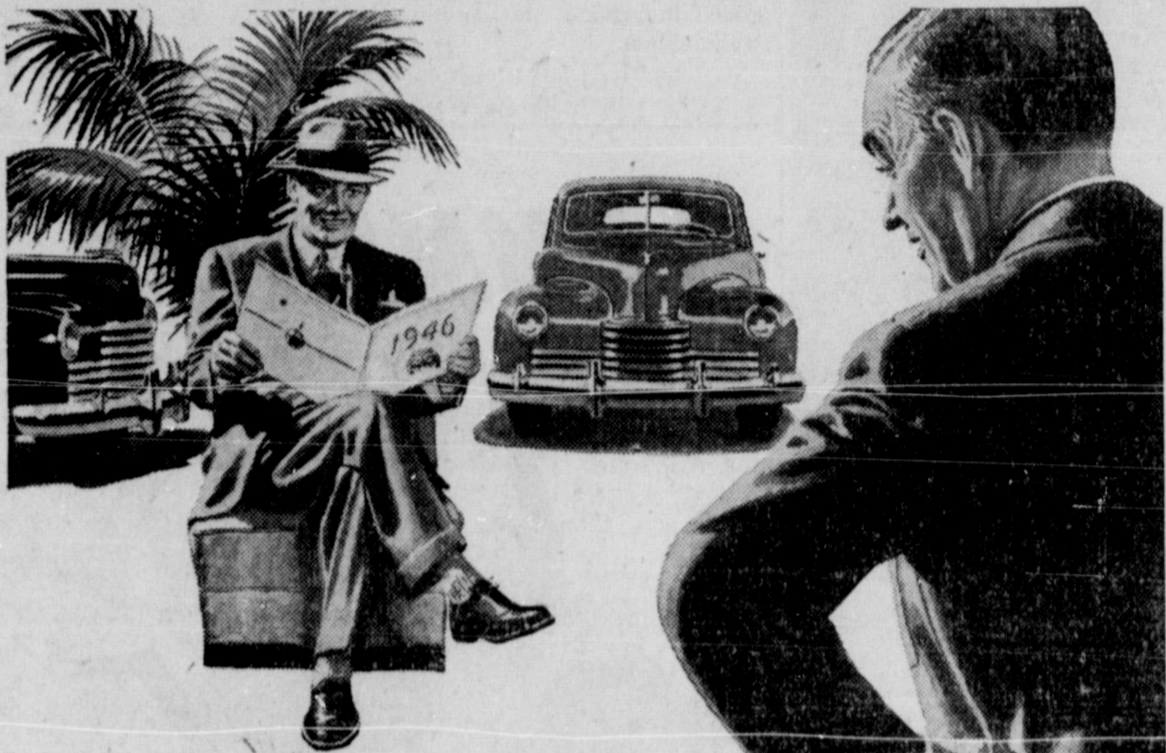

The regulations have been revised to permit contact flight when the ceiling is far below the minimum of 1000 ft. previously established. Consequently the inexperienced pilot needs to be warned that a low ceiling is extremely dangerous. For one reason, it forces the pilot to fly at low altitudes and thus incurs all the danger of low flying discussed above. Furthermore, it greatly increases the chances of getting lost, with the attendant possibilities of fuel shortage and forced landing.

The most serious hazard, however, is that the ceiling may descend to zero without warning.

The plane may suddenly fly into a cloud bank or into fog-covered area and thus lose all visibility before the pilot is aware of the situation and he may find it impossible to see the ground beneath him. Under such circumstances he would soon lose control of his plane and crash. Even if he succeeded in turning back he might find that the weather had suddenly closed in behind him as well as in front.

**"Okay, just so  
the engine's OIL-PLATED!"**

"This one is . . . and you're 101% right," the car salesman agrees. He goes on to explain, "We want this car to show you real engine endurance—which means the least carbon, sludge, and upkeep you can have. That's goodwill for us. And all it takes to keep your engine's insides OIL-PLATED is Conoco N<sup>th</sup> motor oil. . . . Say, this time you're figuring to treat your new car right!" . . .

Many of the oldest cars, too, are being kept in the running by having their engines OIL-PLATED. This internal wear-fighter—OIL-PLATING—is created by magnet-like action. That comes from Conoco N<sup>th</sup> oil's added ingredient—surfacing your engine's insides with durable OIL-PLATING. There's your barrier against lots of wear. You can have it in any car—any model or year—by driving around to Your Conoco Mileage Merchant's station. You'll get your correct Spring grade of Conoco N<sup>th</sup> oil—and an OIL-PLATED engine. **International**  
No. 106  
*"Maxi-shok"*  
**ELECTRIC FENCER**

OUTSHOCKS ALL OTHERS... ON DRY GROUND OR OTHERWISE

No. 106 MAXI-SHOK  
Designed by engineers to meet the most severe tests in performance and safety.

This unit is nationally famous. It delivers a terrific wallop, even during dry weather, yet it is perfectly safe and dependable under all conditions. MAXI-SHOK Fencers have a shock penetration different from all others—rubber boots will not prevent shock. For these reasons, it outperforms all other makes where soil is dry. Strong shocks are transmitted on fences up to 20 miles in length.

**HOLDS ALL KINDS OF LIVESTOCK And the Stock Respect Their Shock**

MAXI-SHOK Fencers are successful in holding Hogs, Sheep, Goats, Cattle, Horses and Mules. Many counties have over 1000 No. 106 Units, which proves their popularity. Order your Fencer today! End once and for all your stock fencing worries.

We carry a complete assortment—6 models to choose from—a fencer to fit every purpose.

**NEW ELECTRIC LIVESTOCK PROD**  
One jolt and the ornierest critter will get going RIGHT NOW!—up the ramp—into or out of the pen, truck or cattle car. International Electric Prod is 30' Long, positive contacts and commands the strongest wallops. Order one on no may back guarantee—NOW! TODAY!

## Results Count..

IN THE CATTLE BUSINESS, same as anywhere else—a ranchman may have a wonderful-looking bunch of cows and good-looking bulls. If they are sick, the results are apparent.

They show ring and in comparison. That is even more true when it comes to the results of a good vaccination.

## Texas Features and Facts

By A. Garland Adair,  
Curator of History,  
Texas Memorial Museum

Texas is now in the midst of a 52 day period that will be remembered as long as there are thoughts of the Lone Star state. From March 2nd, 1836, through April 21st of that same year, our pioneer fathers wrote more undying history than was ever written by mankind in such a short span of time. On the second of March, 1836, fifty nine delegates assembled at Washington-on-the-Brazos and adopted the declaration of independence for the then and there born Texas Republic. 110 years ago, Gail Borden's newspaper at San Felipe de Austin carried the first printed form of that declaration, which can be seen in the Sam Houston case in the Texas Memorial Museum. These same delegates wrote the first constitution for Texas.

Principles of civil and religious freedom were brought to Texas from the Motherland across the Sabine. Upon these principles rests the fabric of our state and the career of human liberty in this confused post-war world.

The delegates assembled not in palatial halls, but in a smithy shop on the banks of the Brazos, which later became one of the several migratory capitals of Texas.

So it was that old Washington arose as the birthplace of the Lone Star Republic. Ten years later Texas joined the Union. The final congress of the republic was held at old Washington. It is therefore proper that the Centennial of Statehood be commemorated at this sacred spot of hallowed memories. The American Legion of Brenham is to be commended for planning such a commemorative event there on June 28th of this year. The 101st anniversary of the last congressional session.

The freedom they there and then declared was won the hard way, through blood gloriously shed, suffering cheerfully endured and sacrifices gallantly made.

The Texas Revolution already in progress and which culminated fifty two days later on the 16th decisive battlefield of the world, at San Jacinto, April 21st, 1836, was no mere child's game. Shouting "Remember the Alamo, Re-

**FIRST BLIND STUDENT** to enroll at Texas State College for Women, Miss Genevieve Powell of Wichita Falls, works in design class as her seeing eye dog and constant companion, Blackie, looks on. Ambitious to help blind war veterans become useful citizens, Miss Powell is studying to be a registered occupational therapist in a veterans' hospital.

member Goliad" as they charged the tyrant Santa Anna's well-equipped and uniformed veterans, Sam Houston's ragged Texans were saying to themselves, "We must fight to the death or victory as our brothers fought at the Alamo and at Goliad."

No race has exerted a more beneficial influence upon the struggle for a republican form of

government, or left behind more enduring memories than did the early Texans who planted Anglo-American culture in our beloved homeland and state.

He who lives only in the present has not attained the stature and dignity of man made in the image of his Creator. Men cannot live without a past; it is as essential to them as a future.

## Planting Seed

SUDAN (2nd year seed) FREE of Johnson grass.

**GEO. B. BAGBY**

We feel a personal pride in the country they colonized, the institutions they founded, and the example they bequeathed for us their children to emulate. We exult in our history, in our birthplaces and in our lineage. We gather inspiration when we review the high purposes and noble principles by which they were guided in private dealing and public action.

So, today it is but proper that we meditate upon the noble lives

of our glorious ancestors, upon their trials, their tribulations, and their virtues. And tomorrow we will return to our daily avocations, with our minds refreshed and our hands strengthened for the tasks of the future.

Mr. and Mrs. G. W. Estlack and Mr. and Mrs. Maurice Lane attended the Panhandle Press Association convention at Amarillo Friday and Saturday.

## SUMMERIZE

Your Car

for Flying Horsepower

AT THE SIGN OF THE FLYING RED HORSE

### THE SEASONAL SERVICE ALL CARS NEED

**ENGINE**—Dirty, thinned winter oil drained and replaced with the proper grade of the new detergent MOBILGAS... a wear-proved oil that resists thinning under high heat, and offers amazing new cleaning properties for valves, rings, pistons and bearings.
