CLARENDON, DONLEY COUNTY, TEXAS, OCTOBER 2, 1947

A Common Paper for Common People

Pictured left to right are Vernon Goldston, Bob Clifford and Buster Bain, three local youths holding their first place Texas Milk Judging contest banner which they won the 1st week of August in the State contest at College Station. These three boys and their supervisor, T. H. Seay, left Monday for Waterloo, Iowa to represent the state in the National Contest there. Also making the trip with the boys are John Gillham and Frank Cannon, two Dairy-minded men who are still ready to pick up additional ideas and information that will better the dairy set-up here in Donley County.

ARIZONIANS VISIT CLARENDON SUNDAY

Among the many "rock hounds" to visit Clarendon from other states were Mr. and Mrs. J. L. Jones of Phoenix, Arizona Sunday. They travel in an especially built affair on a truck chassis. Hot and cold water, butane gas heater, lights, bed, clothes closet and all home comforts are theirs as they travel the several states. They collect gem stones of all types and work them up in their home lapidary for mere pastime.

Mr. Jones has a quarry near there from which his factory cuts out the many types of stone needed in buildings of all kinds. "No order too large for his capacity, or too small to receive prompt attention," is the policy by which the Jones establishment has built a reputation that is state-wide.

Mrs. Carl Allmond and her mother, Mrs. Phelan of Memphis were Amarillo visitors Tuesday.

FORMER CLARENDONITE RECEIVES PROMOTION

Ralph Kerbow, former Clarendon Hardware merchant, was transferred this week to the V. A. Regional office at Lubbock where he has been promoted to the position of Chief of the Appraisal section, Loan Guaranty Office.

Mr. Kerbow has been with the Veterans Administration since December, 1946. He has been located at Amarillo where he has operated under the title of Loan Guaranty Agent, Appraiser for the Amarillo district which comprises the 30 North counties in the Panhandle and has been dealing with appraisals for G. I. Loans.

Mr. and Mrs. Clyde Douglas left Wednesday for Oak Cliff, Dallas where they will make their home.

K. K. Day and family left Friday for Dallas and Ft. Worth on a business and pleasure trip. They returned Sunday night.

Large Group of Donley Farmers Attend Farm Bureau Meeting Here Wednesday, Oct. 1st.

Approximately 200 Donley County farmers attended the District Farm Bureau meeting held at the Mulkey Theatre Wednesday morning and Wednesday afternoon at which time several very capable speakers explained several very important subjects concerning the farmers of the United States today and expressed the need for expanding the Farm Bureau membership in this county between now and the first of November.

J. Walter Hammond, president of the Texas Farm Bureau, gave a talk outlining the need of farm organizations and the danger of future surplus commodities when foreign exports are cut down. Senator Grady Hazlewood of Amarillo, explained to the group that all big industries were heavily represented at the State Capitol and pointed out the reasons why the farmer needed more representation down there.

Austin Crowover, field representative of Waco, outlined the proposed membership drive which begins Oct. 22nd. He re-

ported that the membership was now around 23,000 and that they had hopes of raising this number to at least 40,000 by the time of the State Convention, which will be held in Amarillo Nov. 17th to 19th.

Sam Haynes of Abilene gave a talk representing the Cotton Council, and Loys D. Barbour, state director of Wichita Falls, outlined the services available for Farm Bureau members. Joe M. Hatton, state director for the Amarillo district, was chairman of the meeting.

After the main program was over, local members of the organization elected Cap Morris as Membership chairman and Joe Johnston as Vice-Membership chairman.

Mr. Morris announced that an organization meeting would be held Oct. 7th at the County Agents office to select captains for the drive.

The present officers of the Donley County Farm Bureau organization are: Holly Wood, president, and Luther Butler, Secretary.

Bronchos Win Third Game Over Price Cardinals

It was a rough and rugged game but the Bronchos came up victorious last Friday night in their game with the Price College Cardinals defeating the Amarillo grown-ups 12 to 6.

The Cards were the first to score in the first quarter when they recovered a Clarendon fumble on the 38 yard line and drove right on over the goal stripes with Ken Doyle doing most of the ball tooting.

The Bronchos came back in the second period to make their score after a repetition of the fumbling deal, only they recovered the ball on the Cards 22 yard line and after 5 plays Bulman carried over from the 2 yard line.

The second and final Bronco tally came in the fourth period after the locals displayed their aerial might and drove down the field to the one yard line and Jordan drove on over to pay dirt.

The Broncho line as a whole seemed a little slow all through the game and most of the boys seemed to think that it was their off night and this we all hope, for they will probably need everything in their game this Friday night.

The Bronchos suffered a big loss late in the game when Lowe received a badly sprained ankle and had to be removed from the game. Jordan, an outstanding player in the line and backfield also, turned in the best performance of any Bronco player, never letting up for a single minute. We want to see how many of the boys can match him this week.

First Bowling Tournament Games This Week

The local Keglers got off to a smashing start with the preliminary games last week with the Whitlock Barber Shop team nosing out a victory with 2,698 pins for the high total of the week.

The results of the preliminary games with the winning team named first were: Thompson Hardware over Foxworth Galbraith Lbr. Co.; Whitlock Barber Shop over Bryan Clothing Co.; Mulkey & Pastime Theatres over Whitsett Drug; Rundell & Estlack over Ray Palmer Implement Co.; and the Texas Highway Dept. and the Coca-Cola Bottling Co. have not completed their game yet.

The first tournament games are being played this week and the results will be given in next week's issue of the Leader.

Burial was in the Lakeview cemetery with funeral arrangements under the direction of the Murphy-Spicer Funeral Home.

Mrs. Maud Bryan of Stinnett spent the weekend with her sister, Mrs. Eva Humphrey.

We Need Your News Items Early

Again we are asking your cooperation in regard to all types of news items. For the past several weeks, a number of items have arrived at the Leader office too late for publication in the current issue of the happening and most items of this nature lose their real news value when carried over until the following week.

We don't want to leave any item out if we can possibly avoid it, but if we receive it too late, there is nothing we can do. When you have a news item or a social item to report, please call or bring the item in just as soon as possible after the happening and then we can make arrangements to publish the item.

Any items received after Wednesday noon are held up until the next week unless we can make room for it, so if you possibly can, be sure to turn your items in not later than Tuesday afternoon and we can always assure you that they will appear in the Leader. Besides not being published part of the time, late news, when it is published, works a hardship on the mechanical department, so we will certainly appreciate your cooperation at all times.

When you have a news item that you think is worth mentioning, we sure want it, as that is what interests all other Leader readers.

Again, we say thanks, and know you will help all you can.

Rancher Injured As Horse Falls

Monte Ritchie, manager of the historic Adair Ranch near Clarendon, was admitted to St. Anthony's Hospital at Amarillo Thursday night for treatment of injuries suffered in a riding accident on the ranch earlier Thursday evening.

Attending physicians said Mr. Ritchie had suffered a cranial concussion, but is reported as doing nicely at this time.

The injured man was taken to the hospital at Amarillo by a Murphy-Spicer-Buntin ambulance. Hospital attendants said the accident occurred when a horse reared and fell, pinning the ranch manager beneath it.

Bronchos To Meet Lefors Pirates In First Conference Game Friday

The Clarendon Bronchos will have a chance this Friday night to show their actual strength as far as conference play is concerned. They will meet the Lefors Pirates on the local field Friday night at 8 p. m. and it is estimated at the present time that the largest crowd of the season will be on hand to see if the Bronchos can hang on to their winning streak and enter the conference play in full colors.

The locals received a big jolt Friday night when Wayne Lowe, that pile-driving halfback, was knocked out of the game with a badly sprained ankle. More grief was added Monday afternoon when Pecos Phillips, another backfielder, received a broken collar bone during a practice

MEMPHIS, Texas — The West Texas Cotton, Chemurgic and Ceramics Carnival, to be held here Oct. 2-4, now boasts an array of dignitaries second to none. Gov. Beauford H. Jester of Texas, Sen. W. Lee O'Daniel, junior senator of Texas, and members of the State Board of Health, Railroad Commission, U. S. Engineers, U. S. Army and a host of others have accepted invitations for the "Mardi Gras of West Texas" celebration.

Governor Jester arrives here Friday morning to head a rodeo parade that afternoon, broadcast a salute to the area in exploiting its natural and industrial resources, and otherwise launch the two-day fiesta.

Senator O'Daniel arrives here Friday evening, will appear at the evening rodeo, stage show, Saturday's "Parade of West Texas" and assist in the coronation of "Maid of West Texas."

Festivities begin Thursday night at 6 o'clock and from that minute on until dawn, Oct. 5, there will be a riot of color, entertainment and educational presentations.

Three Local Men Injured In Car Accident

Three local men were hospitalized here Saturday afternoon due to a car accident which happened just inside the city limits on the Brice highway. L. L. Taylor, driver of the Plymouth coupe received several broken ribs, a concussion and severe shock; W. T. Chapman received a fractured vertebra and suffered from shock and the third occupant, I. D. Hollman, suffered from shock, cuts and bruises.

It was reported that the three men were driving into town and a Meads Bread truck started to pass them and saw that he couldn't go around and hooked the bumper of the Plymouth as he was drawing in behind again, flipping the Taylor car over. The driver of the truck was not injured.

Mr. Hollman was released soon after receiving treatment at the hospital, but Mr. Taylor and Mr. Chapman have not been released yet but are reported improving nicely.

THAT RED PENCIL MARK AGAIN

If a red pencil mark appears in the upper left hand corner of your Leader this week, it means that your subscription has expired and that it is time to pay up before your name is taken off the list. The latter will be done before the next publication date if you have not made arrangements to keep the Leader coming.

The expiration date on your paper is listed to the right of your name with the first figure designating the month and the last figures the year.

We don't want to cut anyone's name off the list but will be compelled to do so in face of the constantly rising prices of newsprint unless arrangements are made this week. The price is \$2.50 in the County and \$3.00 out of the county.

Robert J. Peek, Amarillo Man Dies of Injuries

Robert J. Peek, 65, Amarillo businessman injured in a highway accident near Hedley Sunday night, died in Goodall hospital of Memphis at 2 a. m. Monday. Mr. Peek, who was manager of Amarillo offices of the Metropolitan Building and Loan Association, died five hours after he was admitted to the hospital.

Drs. Goodall and Moore said the accident victim suffered internal injuries, shock, and multiple fractures of the left arm.

The businessman was driving home from Dallas when his car collided with a truck on Highway 287 near Hedley. The truck was headed south toward Memphis. The vehicles sideswiped each other, officers reported, and Mr. Peek drove his car two miles down the highway before coming to a halt in the ditch.

Harry Womack of Womack funeral home at Memphis said details of the fatal collision remain a mystery, but that Mr. Peek apparently was driving with his arm out the window of his car. Injury to the arm occasioned heavy loss of blood, he said.

Mr. and Mrs. A. O. Hefner had for Sunday visitors, her brother, B. R. Wood, their sons Lloyd Hefner, and Mr. and Mrs. Ray Hefner and daughter, all of Amarillo.

A large majority of the citizens of Clarendon are expected to be on hand at the Clarendon Airport Friday morning at 10 o'clock to welcome Beauford Jester, their Texas Governor, when he lands at the local field preparatory to motoring to Memphis where he will officially open the West Texas Cotton, Chemurgic and Ceramics Carnival there.

A large delegation from Memphis, along with the Memphis band, will be here to welcome Governor Jester and will be joined by the Clarendon band and practically all residents that can find a way to the field to make it one of the largest receptions ever to be given the Governor in West Texas.

Supt. H. T. Burton announced that all school busses will be mustered to haul as many students to the field as possible and has asked everyone not having a full car to drop by one of the schools and pick up some of the students and take them out. The schools will recess at 9:15 so that plenty of time will be allowed to pick up the students, and Mr. Burton added that all students were to return to their respective schools after the reception and resume their classes.

In addition to releasing the school students, all business firms in Clarendon have been asked to close from 9:30 to 10:30 so that everyone can turn loose and go out, and everyone is urged to go out to the Airport when they do close their doors and make it a 100 percent affair.

The Clarendon reception group will not make the trip on to Memphis Friday but a large number of individuals will be there taking in the celebration at different times. The band will participate in the program Saturday, and several other features on the program will be furnished by Clarendon talent.

Bronc Colts Battle Junior Pirates To Scoreless Tie

A well balanced and scrapping eleven in the form of the Jr. High Colts journeyed to Lefors Tuesday night and battled the Junior Pirates to a scoreless tie.

C Coach Raymond Adams stated that his boys appeared a little more progressive than their foes and played in the Lefors end of the field more than half of the time. In the third quarter the Colts made their closest threat toward scoring when they drove to the 12 yard line only to bog down before a stubborn Pirate defense. The Lefors Juniors made one 20 yard penetration during the game but were unable to go any further.

Jack Trussell was the outstanding ball toater and Tommy Lee Leek turned in a very good defensive game in the backfield.

The Colts will journey to Shamrock the 9th for a game and Lefors will return this week's game by coming to Clarendon October 14th. Be sure to make your plans to go along with these young lads or see the game here and get an idea of what the future Broncs look like.

Edgar Skelton spent the week end with his brother and wife, Mr. and Mrs. Luke Skelton.

Mr. and Mrs. A. O. Walker of Amarillo and Mr. and Mrs. W. A. Sims of Ft. Worth were here the weekend to help celebrate the 60th wedding anniversary of their parents, Mr. and Mrs. W. B. Sims.

The Texas Butane Dealers Association Urges You—

"For WINTER Insurance—BUY BUTANE OR PROPANE Now!"

The Texas Butane Dealers Association urges every domestic user of butane and propane to take stock of the capacity of your tank. If it cannot serve you through four winter months without refilling, you may find yourself without gas in the coldest season of the year.

During the war many new industries were developed. These industries—plastics, synthetic rubber, chemicals, etc.—use tremendous amounts of butane or propane the year round. On the other hand, domestic users burn four to seven times more gas in winter than in summer—but your dealer will be able to furnish you very little more in winter than in other seasons. On a year-round basis, there's enough butane or propane for everyone. But to lighten this winter overload, the Texas Butane Dealers Association urges users to tank ahead with a four-month's

winter supply while delivery is certain.

Just as farmers store their summer grain, or housewives can their summer fruit, heating gas users are asked to stock up when the supply is plentiful. It's "Winter-Insurance" for you: your cold-weather supply will be in your tank when you need it most. And by taking less time for your dealer's services, he can supply you and your neighbors more efficiently and economically during those critical months when roads are worst for delivery.

If you are not sure, The Texas Butane Dealers Association urges you to drop in and see your local gas dealer as soon as possible. He is your friend. He knows butane-propane, and he will do everything possible to help you get ready for winter now. Before you buy any system, see your gas dealer first!

SKYLINE TIDINGS

By DODO (the flightless bird)

Citizens of Clarendon! Attention! There are more things happening around and about and especially at the Airport! The planes have been flying day and night and everyone is busy - - - b-u-s-y!

You should take a gander at Dr. Lowell's ship. The Clarendon A&E have really been dressing it up with a new paint job. How does it fly now Doc?

Mr. and Mrs. M. J. Taylor and Mr. and Mrs. J. F. Jones couldn't

find time to visit the fair; so last Tuesday night they got the old faithful plane out and away they went. By the way, they say the fair was grand. Joe Matt Taylor, who had been visiting his aunt in Amarillo returned with his parents and from what they say that little fellow really likes to fly.

I imagine there's a happy boy in Claude now - he soloed this week. It's a wonderful feeling - - that first time alone - - isn't it Robert Halsted?

Oh yes, there have been some out of town visitors around. Mr. Montgomery of Shamrock stopped for minor repairs on his plane, an Erocoupe. Believe it or not she is now running as well as ever. And Mr. Henderson, also from Shamrock, decided his Cessana 140 needed an annual inspection, so out he went and cranked it up—destination Clarendon.

Portales, New Mexico received distinguished visitors from Clarendon this last weekend. Mr. and Mrs. Willard Knox of Lelia Lake hopped into their little "air-knocker"—Aeronica to you—and away they went.

There's a new instructor struttin' around—maybe even handing out cigars to his very closest friends. H. L. Lane received his instructors rating this week.

Congrats, Lane! How about some instruction now?

STOP! LOOK! and LISTEN! For Some BIG NEWS! A celebrity is coming to town—by way of plane—by way of the Clarendon Air Field. And that renowned person is none other than our governor, Mr. Jester. He is arriving Friday morning at 10:00 A. M. Let's all be out and give him a real Clarendon Welcome!

To be serious for awhile. The Clarendon Flying Service will continue as usual. Mrs. Smith is taking over in her husband's place and operations have already started. By next week the project should be under full swing! Hats off to Mrs. Smith!

Mrs. John B. King and son John Michael of Ballinger spent week end with home folks.

THANKS - - -

- - - to my Clarendon Friends who drop by for a visit while passing through Claude.

PATHFINDER CLUB BEGINS YEAR'S WORK WITH PRESIDENT'S DINNER

The Pathfinder Club began its year's work with the President's Dinner and the installation of officers. The meeting was held in the Donley Hotel, and was opened by the President, Mrs. Joe Ritter.

The table was arranged in the shape of a "U". It was beautifully decorated with bouquets of dahlias and perennial sweet peas. On each section of the table scenes illustrating the songs that the chorus was to sing were artistically arranged. The song, "The Little Gray Home in the West" was illustrated with a miniature gray cardboard house set in the midst of trees and shrubs.

The scene depicting "On the Bank of the Wabash" was a very realistic river made with glass. There was a log bridge across the river, and trees and shrubs were on either side of the river.

The song, "The Garland of Old Fashioned Roses," was illustrated with a miniature garden enclosed with a white picket fence. Among the trees, shrubs and flowers in the garden there was placed a small flower covered arch with a doll standing near the arch.

The place cards were gray

bonnets tied with blue ribbon. These bonnets represented the song "Put on Your Old Gray Bonnet."

After everyone was seated, our thoughts were turned back to 1911, the year the Club was organized. A chorus composed of Mesdames J. L. McMurtry, Carl Allmond, Lee Holland, J. H. Howze, Pat Slavin, Simmons Powell, Jack Brooks and accompanist, entered dressed in costumes that were worn in 1911. They sang the following songs that were popular in 1911: "Put on Your Old Gray Bonnet," "The Little Gray Home in the West," and "On the Banks of the Wabash."

Mrs. McMurtry wore a yellow georgette crepe dress that was beautifully beaded in pastel colored beads that harmonized with the color of the dress. To complete her costume she wore long gloves of a pale blue color.

Mrs. Allmond's dress was a black taffeta that was trimmed with gold braid. Her black beaver hat was trimmed with a brown and black plume. She wore a red corsage and a wide gold bracelet to off set her black dress.

Mrs. Lee Holland chose a black georgette crepe dress. With this she wore a long string of red beads. Her hat was a poke bon-

net made of burnt colored straw. It was bound with a narrow red binding and trimmed with a cluster of large red cherries.

Mrs. J. H. Howze's dress was a long waisted style of dusty pink crepe de Chine trimmed in small silver beads. Her hat was a wide brimmed rose and gray beaver. It was trimmed with a large black plume.

Mrs. Pat Slavin wore a white satin dress trimmed with net and silver beads. She wore a choker of large pearls and carried a white evening bag of moire decorated with gold beads. In her hair she wore blue ostrich feathers.

Mrs. Powell wore a black crepe dress trimmed in black shadow lace. She wore a large white beaver hat that was turned up in front and held by a black ostrich plume.

Mrs. Brooks selected a black taffeta dress with leg-o-mutton sleeves. The only trimming was a white lace trimmed jabot. Her hat was a wide brimmed black felt with a rose plume.

Mrs. Thompson's dress was a black satin with the sleeves and overskirt of black beaded net. She wore a large black beaver hat with a large flowing plume. Her long string of coral beads and ear screws of black beads set in a cluster added to the attractiveness of her costume.

A lovely dinner was served to thirty six members, after which the chorus sang "Memories," "A Garland of Old Fashioned Roses," and "When You Wore a Tulip and I Wore a Big Red Rose."

During the business meeting Mrs. J. R. Porter, club historian, gave a very interesting history of the club, and Miss Chloe Darden gave the treasurer's report.

Mrs. Ritter expressed her appreciation for the honor of being president for the past year, and presented each out-going officer with a gift. She then presented Mrs. Thompson, the president for 1947-48. Mrs. Thompson accepted her charge by responding in a very charming manner.

Mrs. Glendora Green was elected Recording Secretary.

Mrs. Thompson thanked the hostesses, Mesdames U. J. Boston, Clyde Slavin, Park Chamberlain, and Marguerite Goodner for the work of decorating the table.

A rising vote of thanks was given to Mrs. Curry for coloring the doilies.

The meeting then adjourned to meet October 10th.

CELEBRATE SIXTIETH WEDDING ANNIVERSARY

Mr. and Mrs. W. B. Sims, residents of Donley County for forty five years, celebrated their 60th wedding anniversary last Sunday. Although they did not keep open house, a number of old friends and neighbors called throughout the day and showered them with cards of congratulations, lovely cut flowers and gifts.

Those present for the occasion were their three children, Mr. and Mrs. W. A. Sims of Ft. Worth, Mr. and Mrs. A. O. Walker of Amarillo and Mrs. Eva Draffin of the home.

The dining table was laid with a white linen cloth with golden candles and a bowl of yellow roses for decorations.

In the afternoon a quartet from the Pathfinder Club, dressed in costumes of the past, sang old time songs that brought back many pleasant memories.

The rest of the afternoon was spent in making kodak pictures and visiting.

Mr. Sims is 92 and Mrs. Sims is 96 years old.

GOODMAN-MAXEY

In an impressive candle light ceremony Sept. 21, Allie Mae, daughter of Mr. and Mrs. Dewey Goodman, became the bride of Richard Maxey, son of Mr. and Mrs. W. O. Maxey.

Rev. L. A. Sartain, Baptist pastor, read the double ring service in the First Baptist church. Vows were exchanged before an arch, entwined with fern and centered with an arrangement of pink and white dahlias. Flanking the arch were baskets of pink and white dahlias and candelabra bearing lighted candles.

While the guests assembled, Sybil Head, pianist, played "Indian Love Call."

Arvazene Smith sang "O' Promise Me."

The traditional wedding marches were used for the processional and recessional.

Little Miss Jonna Lee Blocker, gowned in blue net dress, hat of pink and white sweet peas encircled with net, lighted the candles.

Attending her sister-in-law as bridesmaid, Mrs. W. E. Goodman wore teal blue suit with matching accessories, a corsage of pink roses tied with pink satin streamers.

Bert Smith Jr. served as best man.

The bride was attractive in a suit of aqua gabardine with black hat and accessories. She carried a white Bible topped with a bouquet of white roses and showered with streamers of white satin ribbon. For something old she wore

a lovely lavalere of her mothers; something borrowed, a blue nylon handkerchief that belonged to an aunt.

For her daughter's wedding, Mrs. Goodman chose a black wool crepe with a corsage of red roses.

Mrs. Maxey, mother of the groom, chose a gray wool suit with a corsage of white carnations.

Following the ceremony the families of bride and groom were feted with a reception in the home of the groom's parents, Mr. and Mrs. W. O. Maxey.

Mrs. Maxey was a member of the 1947 graduation class of Clarendon High School.

Mr. Maxey served for two years in the armed forces, spending most of the time in foreign service, returning in March of this year.

After a wedding trip, the couple will be at home in Clarendon.

FIRST CHRISTIAN CHURCH NEWS

By Gladys Wright

The "Win-A-Couple" Class for young married couples has recently been organized. The attendance is increasing each succeeding Sunday, under the very capable and instructive leadership of Rev. Bolton. Intensive plans are now under way to increase the enrollment to a much larger number.

Out of town visitors attending church last Sunday were: Mrs. Dan Dean, Mrs. Buck Tidwell, Mr. and Mrs. Bill Edens from the West Amarillo Christian Church; and Mr. and Mrs. Cecil Cunningham and son Jack of Oblong, Illinois. The Cunninghams were week-end guests in the R. C. Bolton home.

The Bogen sound system with amplifier, speakers, microphone and automatic record changer has been installed. New chime records have also been purchased to enhance the spiritual music that is presented each Sunday, both morning and evening. This equipment was presented to the church in memory of the late Mrs. W. T. Hayter by her husband. A dedication service has been scheduled for a later date, yet to be announced.

Next Sunday, Oct. 5, has been set aside as Communion Day. A special program has been planned for this occasion.

On Monday, Oct. 13, the Revival will begin; the minister will deliver the messages. Everyone is cordially invited to attend these services.

Mr. and Mrs. Geo. McKee visited their son, Mr. and Mrs. Geo. Harold McKee at Berger the weekend.

Mrs. Ralph Keys visited Mrs. Ralph Andis at Amarillo last week.

Mr. J. W. Almond of Childress and Mr. J. M. Wilder of Houston were guests of Mr. and Mrs. Carl Almond Thursday.

Mrs. A. G. Lane is at Ft. Worth visiting her daughter, Mrs. Roy Gammon and also for medical treatment.

Mr. and Mrs. Homer Taylor spent the weekend at Pampa visiting her parents, Mr. and Mrs. Charley West.

Mrs. U. J. Boston was called to Abilene Tuesday morning to be with her sister-in-law, Mrs. Pearl Callaway who is ill.

LIBRARY NOTES

By Mrs. C. A. Burton

"Making the American Mind: Social and Moral Ideas in the McGuffey Readers" is being presented by Richard D. Mosier, who states that 120,000,000 copies of McGuffey's readers were sold between 1836 and 1920. Those who knew the McGuffey readers will never forget them—those who did not have missed something.

On July 26, 1947, just 82 years after the death of Abraham Lincoln, his private papers collected by Robert Todd Lincoln at the White House after his father's assassination, were made available to the public. An impressive part of the ceremony in the rotunda of the Library of Congress was the roll call of authors of Lincoln books. Of course Carl Sandberg was among them. Helen Nicolay presented the personal papers of her father, secretary to Lincoln. One of the best Lives of Lincoln which I have in the library for young readers is by Helen Nicolay.

After the opening in the Library of Congress scholars thronged in to see the microfilm copies of the 18,350 papers—almost two miles in length.

In Germany, students from ten nations met in Frankfurt to inaugurate reconstruction work on the home of the poet Goethe, destroyed by Allied bombers in 1942.

Another historic structure, the Benjamin Franklin house in London, occupied by Franklin between 1757 and 1775, has been formally opened by the wife of the U. S. ambassador as headquarters of the British Society for International Understanding.

Aldous Huxley is living in an old farm house on the edge of the Mojave Desert. He likes to write in the early morning when the view from his rotunda-like book lined study shows the desert still bathed in crimson and gold. Every two weeks he goes to Los Angeles to confer about the production of his play "The Gioconda Smile." The large number of people will remember him from his book.

Our copy of Gunther's "Inside U. S. A." has been in constant demand despite the fact that Gunther said un-nice things about Amarillo. Harper reports a trade sale of 185,000 copies and the Book-of-the-Month have distributed 400,000. Now Gunther is at work on "Inside Washington"—since Washington was not included in the other book.

From where I sit... by Joe Marsh. "It's Living That Counts". I stole the title of this column from a magazine article that said a whole lot better than I can what farm and country life can mean. We talk about farm profits, production, research, and mechanical improvements... but isn't it true, what we really value is the life country living offers us?... the chance to be close to our families and neighbors... children sharing in the chores... working with our own hands at a worthwhile job. And country pleasures are simple: good talk at day's end, and a glass of mellow beer with friends... the companionship of man and wife, untrilled by distractions of the city... the mutual tolerance of one another's tastes—in choosing a friend, or a glass of beer, or a candidate for Governor. Mind, I'm all for material improvements. But from where I sit the real goodness of our country life is that spirit of tolerance, moderation, and good fellowship. Joe Marsh

YOU NO LONGER GET A 'LIGHT' BILL

IT'S A SERVICE BILL TODAY!

The old-fashioned "light" bill, like the surrey with the fringe on top, is a thing of the past. Electricity for lighting is only one of many items represented by your electric service bill. Today, in most homes, you're likely to find two or more electric appliances in every room—many homes have a score or more. That's why your electric service bill can no more rightly be called a "light" bill than a "refrigerator" bill.

The cost of a kilowatt hour of service to residential users has decreased one-third in the last 14 years.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

The program for the Colored juveniles held last Sunday at the Court House was well attended by juveniles from outside of Donley county with a total of 97 and only 4 from the city of Clarendon attending. This is brought to the attention of the Colored Leaders, Teachers and Preachers to show the comparison between the juveniles away from here and the local colored children.

Next to the Electric Chair, I guess I am more afraid of the Dentist's Chair than of any other. Anyway, last week I went to see my favorite Dentist, if I have a favorite one, and as we always had a lot of fun getting back at each other he began by telling me that in as much as I had made a big wheat crop he was going to try to find about a hundred dollars worth of business in my mouth. I told him that I couldn't imagine why everyone thought that Wheat Farmers had so much money, for every since last Spring people had been trying to find business with them and relieving them of their money. Anyway, he let me off for a Fiver, and after the pain died away I felt alright about the world again.

I enjoyed my trip to the Fair especially the Television booth. I don't know whether I was televised or not, but the floodlights were thrown on us. I smiled and closed my eyes and tried to look pretty, and when it passed on, I looked on the screen and I wasn't there. But I enjoyed it, and I can always imagine how I looked. I saw our old friend George Young, and he looked nice, and most of the other Radio stars, and they were all swell. I was a little disappointed though. I looked and I looked and I never did see Uncle Jay. I looked on all the screens and in the Studio and under the tables, but he wasn't there. I guess there are things that even Television can't do.

I was about to enjoy the Midway, when we passed one of the Stands and the girl in charge hollered "Hey Mister, bring your daughter in and let her win a prize." I still think she might have been talking to someone else, but Mama swears she was looking right at us. Anyway, I didn't think much of that part of the Fair but Mama will enjoy it for the rest of her life so I guess it was worth while.

The two high-points in our children's school days as far as we parents are concerned, would be their first day in school and their first day in college. We are always so proud of them, and wonder if the teacher will notice and appreciate all their fine points. Anyway, once when I was thinking along this line I happened to think of the old story about the little Chicken that went to school one morning without his lunch. "Mrs. Hen worried and worried; finally Mrs. Duck came along the road and she sent the lunch to

school by her. As Mrs. Duck didn't know her little chicken personally, she was told to just look all the pupils over and give it to the best looking one. And, as most of you remember, she looked them all over, and finally gave the lunch to a little Duck." Oh me.

Mr. and Mrs. Otto DeShazo moved to Lelia Lake Thursday. He will continue his work here with Heath Motor Co.

Among those to hear and appreciate the program of Lanny Ross at Amarillo Tuesday evening were Dr. and Mrs. J. Gordon Stewart, Geo. Bagby, and Mesdames J. L. McMurtry, Oliver Elliott, Pete Kunz, C. T. McMurtry, and Miss Anna Moores.

Mr. and Mrs. C. L. Benson and two children spent the weekend with her parents, Mr. and Mrs. Homer McElvany at Amarillo, also visited the Fair.

Mr. and Mrs. Albert Johnson of Amarillo and his son Albert Lewis Johnson visited her parents, Mr. and Mrs. Dixon at Hedley Sunday.

Mr. and Mrs. Will Johnson and Mr. and Mrs. Johnnie Johnson were in Amarillo last week visiting the Fair.

Bill Lane of Colorado City, Tex. visited his family here over the weekend.
