## 1,936 Votes Cast In Saturday's Election

A total of 1,936 votes were cast in the first primary election held in Donley County last Saturday with only two local races which will have a run-off in the second primary. They are the offices for County Treasurer and Commissioner of Precinct 3. The two candidates entering the run-off for Treasurer are Mrs. Tom Crabtree and Miss Jessie Cook. The two leading men in the Commissioners race are R. O. Kelley and J. A. Tollett.

In the race for U. S. Senator, Tom Connally received the majority of votes in the county with a total of 1,193. For Governor, the top leading candidates were Beauford Jester with 803; Homer P. Rainey with 289; John Lee Smith, 280 and Grover Sellers with 237. The remaining candidates received very few votes.

For Lieutenant Governor Boyce House received 674, and Allan Shivers received 549. For Comptroller of Public Accounts George H. Sheppard received 1,256 and Clifford E. Butler received 343. For State Treasurer Jesse James received 1,117 and Clarence Williams received 444. For Attorney General Pat M. Neff Jr. received 1,023 and Price Daniel received 621.

Congressman Eugene Worley received an overwhelming vote of confidence with 1,882 votes as did R. L. Templeton, unopposed candidate for Representative with 1,906. For District Attorney, Sam J. Hamilton received 903 and Leonard King received 774.

In other unopposed races Clyde Slavin candidate for County Judge received 1,898; A. T. Cole for County Attorney received 1,896 and Helen Wiedman received the largest vote of any candidate listed on the ballot in the county election with 1,928 votes. R. C. Weatherly for Justice of Peace, precinct No. 2 received 922 votes.

Sheriff Guy Wright walked away with his race with 1204 votes; Carroll Lewis received 523 and C. Huffman 187. In the county Treasurer race Miss Jessie Cook received 826 votes; Mrs. Tom Crabtree 810 and Mrs. Florence Jones Hester 247.

### MEMORIAL PANEL ORDERED THIS WEEK

Members of the Donley County Memorial Committee from the various communities of the county met at the Legion Hall in Clarendon Monday, July 22.

An order was placed with National Ronzite Industries of Chicago for a panel, complete with the names of all men and women of Donley County who served in the armed forces during World War I and World War II.

Delivery is expected in from 60 to 90 days. The Honor Roll is to be placed in the Court House in Clarendon. Names are to be arranged alphabetically in channels, which will make it possible to add any names which have been inadvertently omitted. All citizens of Donley County are invited to inspect the job when it is installed. It is believed that within a short time after it is placed on display, any errors or omissions can be corrected, and that everyone will be proud of this tribute to our service men and women.

### CHARLES DAUGHTRY DIES AT FT. WORTH

Charles Daughtry, 76 years old, blind piano tuner who had traveled the Panhandle for 40 years, died Friday, July 26 at his home in Ft. Worth. Mr. Daughtry used to travel this territory by buggy, hiring someone to do his driving. When automobiles came in, he made the territory by car, with Mrs. Daughtry doing the driving and helping him in his work. He had his regular customers over the Panhandle and was a familiar character to many.

Sole survivor is the widow, Mrs. Daughtry. Mrs. Allen Bryan is a sister of Mrs. Daughtry and Mrs. J. P. Manley who also resides here is Mrs. Daughtry's mother.

Funeral services were held at 10 o'clock July 27 at the Guardian Funeral Home at Ft. Worth.

### SOFT BALL PRACTICE FOR SCHOOL BOYS STARTED THIS WEEK

Coach E. J. McKnight announced this week that Soft Ball practice was started this week at the Jr. High School diamond and that every boy of high school age was invited to participate in the game. The practice will begin at 6 p. m. each week day, so if you plan to attend be sure to be there at that time as teams will be organized for a very sporting game.

### SCHOLLENBARGER BUYS BROCK CLEANERS

George Schollenbarger of Liberal, Kansas has purchased the Brock Cleaners and took over the management of the firm the first of this week. The firm will be known in the future as George's Cleaners.

Mr. Schollenbarger has made his home in Liberal, Kansas for the past three years but originally lived at Perryton. His family consists of his wife, one daughter, Kay, and one son, Keith. They will move to Clarendon just as soon as living quarters can be obtained.

Mr. Schollenbarger comes to Clarendon with 19 years experience in the Cleaning business and welcomes you to visit him in his new business.

### SENATOR HARDIE BECOMES HOSPITAL PATIENT

"Senator" Fred Hardie was taken to Adair Hospital the last of the week suffering intense pain from a number of imperfections that have beset this well known character the past few months.

His many friends will be pleased to learn of his early recovery.

Mrs. Page Harmon returned home last week from Panhandle, where she has been recuperating from a major operation she recently underwent in Groom.

## New Coach Moves Here Last Week

E. J. McKnight, wife and son Erwin Joe, moved their home to Clarendon the past week from Lakeview where Mr. McKnight has coached in past seasons. Clarendon residents are happy to welcome this new family and are ready to get behind the new coach in every sporting event.

Mr. McKnight coached at Lakeview in 1942 and again in 1946. He entered the Air Corps in June of '42 and received his discharge in December of '45. He comes to Clarendon with a mighty fine record as a coach and as a football player of past years. He was chosen as All State end while in high school at Mexia, Texas and received honorable mention as All American end while playing with Texas Tech in 1941. He made the first string at Tech from 1938 through '41, so with the cooperation of the local boys who will answer the call for practice this fall and Mr. McKnight's ability, we should have something to show the other teams in the district when the regular schedule starts.

There is only one main thing that Coach McKnight asks of his boys and that is that they must not break training rules if they want to play on his team. We will be hearing more as the season approaches about our new coach and the football team, and know that everyone will be behind them both 100 per cent from start to finish.

### CHANGE IN LEADER HEADING THIS WEEK

Some sixteen and a half years ago the Donley County Leader came into existence, and ever since that time, with the exception of the first few issues, it has been carrying the same heading on the front page. This week you will notice a change in this heading. It is more modernistic in style and the word Leader is outstanding, for we believe Donley County is a Leader in every way. We hope you will like it.

Mrs. Austin Rhoades went with her daughter and family to Allandred Wednesday where they are moving from Memphis.

## Revival Now In Progress at First Christian Church

The revival meeting at the First Christian Church got under way last Sunday with Evangelist Thomas A. Gray of Coleman, Texas doing the preaching. Two were baptized at the evening service.

Weekday services are held at 10 a. m. and 8 p. m. with a children's and young people's meeting each night at 7:15 to which all boys and girls are invited. In these meetings the Evangelist is showing a series of slide pictures illustrating different periods in the life of Christ.

Next Sunday Mr. Gray will preach on the questions "What Is Salvation?" at the morning service, and "What Will You Do with Jesus?" at the evening hour. Other sermon topics to be used during the meeting are "Faithful Unto Death", "Can a Man Be Saved Outside the Church", "Who Should Be Baptized and How", "Five Kinds of Fools", "The Sins That Crucified Christ", and many others.

Special musical numbers are provided by the Evangelist and members of the local church. The church and minister, Bedford W. Smith, extend a cordial invitation to the people of Clarendon to attend all these services. A warm welcome awaits you.

As a last minute notice to everyone, a new air conditioner has been installed in the church and you will be assured cool comfort during the meeting.

## Donley County Old Settlers' Annual Picnic Aug. 21st

### BOY SCOUTS HOLD COURT OF HONOR

Last Friday evening at the American Legion Hall, Scout executive Olsen of Pampa, Adobe Walls Council, held the Court of Honor for Scouts of Clarendon and Memphis.

The following Scouts were awarded their second class badges and cards: Billy Richard Robinson, Gene Bryan, Lloyd Hunt, Clyde Price Jr., Jack Brooks, Buster Bain, Jerry Phillips, Bob Clifford, Hollis Carrol and Sidney Muse. These Scouts had completed successfully all tests and requirements for 2nd class Scouts.

Also troop 37 of Clarendon was presented a banner for having over half a Troop at Camp Kiowa. The American National Red Cross presented qualification cards for beginner swimmers to Rockne DeShazo, Vernon Goldston, Bob Clifford and Guy Wright, Jr.

The following members of the Troop committee were present: McCullough, Elliott, Price, Smith and scoutmaster Robinson.

The Memphis troop was represented by scoutmaster Meyers and five Boy Scouts. One of the Scouts received the Star Scout Badge.

A number of Scout parents were present. They were introduced by their Scout sons.

### L. C. Parker Rites Held Wednesday

Funeral services for L. C. Parker, 65, who died in a Wichita Falls hospital after a lingering illness Monday night, were conducted at the Methodist Church in Iowa Park at 4 p. m. Wednesday.

Mr. Parker was one of the big-time ranchers on McClellan creek for a number of years, and resided several years in this section a quarter of a century ago. Most of his life was spent in Wichita County, he being a stock-farmer 12 miles south of Wichita at the time of his death, and where the family home was maintained.

Survivors include his wife; two daughters, Mrs. Abbie Warner, Clarendon; Mrs. Mattie Roach, Houston; two sons, L. C. Parker Jr., Route 3; Walter Parker, House, New Mexico; two sisters, Mrs. Kate Cunningham, Moriarty, New Mexico; Mrs. Albert May, Iowa Park; four brothers, Don Parker, Wichita Falls; Roy, Jim and Harry Parker, all of Ft. Worth, and seven grandchildren.

### FREAK AUTO MISHAP BRUISES DONLEYITE

While in Amarillo early Monday, W. M. Pickering, prominent stock-farmer and produce producer of the Naylor community, was painfully bruised when T. J. Dorman of Electra fainted, causing his auto to run wild.

Dorman's car on West 16th street near Jackson intersection, was seen to go wild while at the same time M. O. Pounds attempted to get on the running board and steer it clear of a car parked by Mrs. Clyde Stallings. Dorman's car ran into a pole, veered and struck the Stallings car and knocked it onto the sidewalk pinning Mr. Pickering for a moment as he attempted to jump out of the way resulting in a bruised leg and scratches as he was emerging from a grocery store.

### D. W. Clappitt Services Held This Morning

Funeral services were held this morning at 10:30 at the First Baptist Church for D. W. Clappitt with Rev. Hal Upchurch officiating, assisted by Rev. Bedford Smith.

Mr. Clappitt, age 92, was a long time resident of Donley County, having moved here in 1908. He was a retired building contractor and was widely known throughout this entire area. He was a member of the Baptist Church and the IOOF Lodge. He passed away at his home here July 30, following a lengthy illness.

Mr. Clappitt is survived by his wife; one son, Roy Clappitt and one daughter, Mrs. W. N. Martin of Amarillo. Also three grandsons, Harold LeRoy Clappitt of Clarendon and David William and Horace Alton Martin of Amarillo.

Palbearers were W. W. Taylor, W. J. Greene, J. T. Patman, J. M. Graham, J. D. Swift and F. C. Johnson.

Burial was in Citizens Cemetery with funeral arrangements under the direction of Womack Funeral Home.

Mr. and Mrs. Frank Whitlock and Mrs. Monty Garrison have returned home from a three weeks vacation also visited with relatives at San Diego, Calif.

The boys and girls, whose absence dampened the gaiety of the past four annual gatherings, are back home again. The 21st annual reunion will be held at Tate Grove some six miles northeast of Hedley, the old "stomping" ground of Donley County's hardy pioneers for many years.

The attractions will be more varied and in greater number this session.

Hon. Frank Kendall of Hedley will deliver the welcome address. No man in the county is better fitted for that place than he. It was his father, the Rev. Kendall who built the rock house located first on what is now known as the old John Blocker ranch, recently purchased by C. T. McMurtry. He knows the history of Donley County since way back in the 90's, and will tell it.

J. C. Estlack, publisher of the Donley County Leader, and postmaster of Clarendon, will respond to the welcome address and act as master of ceremonies for the occasion. It has been said of him that he knows more Panhandle history than any other man.

Old timers like old-time music. They will have it, too, in great gobs. There will be an "old fiddlers" contest for fiddlers of Donley County only. The prizes will be ten, seven-fifty and five dollars.

The committee to take care of the fiddle contest will be Joe David, Will Walling of Lelia Lake and Walter Johnson of Hedley. There is a lot of fiddle talent in old Donley and Billy-in-the-Low Ground and Molly Whipped the Devil is sure to ring through the tree tops of Tate Grove August 16th any time after 10 o'clock that morning.

The old folks will change over to the singing of old songs throughout the day. In fact it is an old folks affair and they mean to make a full day of it. Newt Waldron has charge of the singing program.

Milton W. Mosley is president of the Association. R. E. Mann is vice president and Mrs. J. B. Masterson is secretary-treasurer. Bring plenty of chuck along. The Association will have plenty of free coffee and ice water. In fact everything is being done right now to make a success of the 21st annual meet.

All service and ex-service men are especially invited.

Congressman Gene Worley has been invited to speak that day, and it may be possible for him to be present. He will make every effort to be there.

### DONLEY COUNTY TO BE REPRESENTED AT 4-H CLUB ENCAMPMENT

Representing Donley County at the Annual 4-H Club encampment held at Lake McClellan each year will be eight 4-H Club boys from this county. The boys making the trip are Pete Bromley, Duwane Hearn, Douglas Lowe, Wayne Lowe, Jiggs Mann, Jimmie Howze, Edd Sawyer and Bob Clifford.

The encampment will start the afternoon of the Fifth and last until the afternoon of August 7th. Swimming, boating, rifle shooting and lectures by specialists from the Extension Service will be featured at the encampment. County agent H. M. Breedlove will be in charge of the boys from Donley County assisted by Pete Bromley who has just returned from the Navy.

Mr. and Mrs. Earl Humphrey and two daughters from River-side, Calif. are here visiting his mother, Mrs. Eva Humphrey, and also other relatives and friends.

Mrs. Netta Moore and Mrs. Louise Cowan were Amarillo visitors Sunday.

LIBRARY NOTES

By Mrs. C. A. Burton

The two children's books looked forward to each year are the Newberry Medal books—the most distinguished contribution to American Literature for Children, and The Caldecott Medal books—the most beautifully illustrated book for children.

I have already told you about the first—"Strawberry Girl" by Lois Levrski, and, now we have the second, "The Rooster Crows"—a Book of American Rhymes and Jingles—by Maud and Miska Petersham. Both must be seen

to be appreciated—they are beautiful. And equally as fascinating is "Cocky" by Loyd Tirmann, who is professor of education at the University of New Mexico, and is a gifted story teller. He has made an exhaustive study of desert animals and plants, as this story of the road-runner proves. The illustrator is head of the Department of Art at the University of New Mexico. He is a former staff artist and cartoonist with the Chicago Daily News and also taught drawing at the American University at Cairo.

Alice Tisdale Hobart has done some distinguished writing during the past few years. Her earlier books were about China and later she wrote a penetrating study of the Latin races in California. Now she comes with a story of modern Mexico—"The Peacock Sheds His Tail." It is a story of Mexico toiling toward democracy—and promises to be very worth while.

The majority of people, when they see the name of Walter B. Pitkin, immediately think "Life Begins at Forty." And now he brings us a new book, "The Best Years—How to Enjoy Retirement." In the past fourteen years life expectancy has increased

fifteen years. A normal man of sixty today is younger than his great-grandfather was at forty—so says Walter B. Pitkin. He shows you how to live without growing old. Mr. Pitkin was born in 1878 in Michigan. He spent many years in Europe, came back and joined the faculty of Columbia University where he has taught for 35 years. He has written 32 books. His famous "Life Begins at Forty" was the result of his experiences in post-medical rehabilitation of Veterans of World War I. It was translated into 12 languages.

## BASHAM—KIDD

Miss Dorothy May Basham, daughter of Mr. and Mrs. W. T. Basham of Alna, Arkansas became the bride of Douglas Kidd, son of Mr. and Mrs. W. D. Kidd of Clarendon, July 26th.

The impressive single ring ceremony was performed by Rev. E. J. Norman in Wellington.

Mrs. Kidd attended Arkansas State Trade School of Aircraft Instructors in Little Rock, Ark., and, during the war, was employed by Boeing Aircraft Co. in Wichita, Kansas.

Mr. Kidd is employed by the Telephone Co. in Wellington, where the couple will make their home.

## KILL KARE KNEEDLE KLUB

This Club was entertained in the home of Mrs. Lon Rundell, with Mrs. Sam Lowe, Mrs. Grover Heath and Mrs. W. B. Sims, assisting hostesses.

Beautiful roses and dahlias were used for house decorations. During the social hour, Mrs. Billie Christal and two daughters gave several song numbers with Mrs. Christal at the piano. Dorothy Campbell gave two numbers on the piano. Games were also enjoyed.

Dainty refreshments were served to guests, Mrs. Billie Christal and two daughters from Lelia Lake, Mrs. Harper Scoggins of Borger Lois Scoggins of Claude,

and Mrs. R. O. Thomas and Dorothy Campbell, and club members, Mesdames W. D. Kidd, Sam Lowe, Ed Speed, Eva Draffin, Bob Hay, W. A. Land, Buel Sanford, Eugene Noland, Major Hudson, Homer Mulkey, H. C. Brumley, F. A. White, J. R. Bartlett, Grover Heath, R. R. Dawkins, Lon Rundell.

## CLARENDON H. D. CLUB

The Clarendon H. D. Club will meet at the home of Mrs. Earl Lea August 2nd at 2:30 p. m. Current events will be the answer to the roll call.

Mr. and Mrs. Homer Estlack and son Allen Homer and daughter Donna Jane returned home Monday after a weekend visit with her parents, Mr. and Mrs. J. C. Drennan and other relatives at Electra and friends at Kamay. Ted Lee Price, a nephew of Mrs. Estlack, accompanied them home for a weeks visit.

While visiting relatives at Memphis last week Mrs. J. D. Jeffries fell and broke her hip. She is resting and doing fine at the St. Anthony hospital at Amarillo.

Mrs. Effie Jacobs of Plainview returned to her home Wednesday after a weeks visit in the home of Mrs. Cal Merchant and Mrs. F. G. Patching.

Another call for overseas relief has come from the United Service center. Cotton feed and flour sacks are desperately needed abroad for clothing and bedding according to relief workers overseas. Because of the terrible shortage of all textiles some mothers in central Europe are using newspapers for diapers. Many thousands of persons in Europe and Asia have not changed their clothing in months; they have only one set of outer garments and no underclothes whatever.

Housewives, farmers, millers and others who have cotton feed or flour sacks are urged by relief officials to send them to the United Church Service Center, New Windsor, Md. where they will be promptly baled and shipped overseas. It is requested that the bags be laundered if possible before sending.

### METHODIST CHURCH

H. W. Hanks, Pastor

The Methodist will begin a revival meeting at Ashtola next Sunday night, August 4th. There will be services each night beginning at 8:15. The meeting will run one week, closing Sunday morning August 11th. We are anxious for everyone in the community to take part in the services. There will be no morning service. We hope to have prayer meeting by the various age groups each evening just before the preaching service. There will be good singing. There is something each one can do to assist in the meeting. So may each one follow the leadership of God. In so doing God will greatly bless our efforts. And we will all be brought closer to God. Let each one accept his or her responsibility. Let everyone feel free to make any suggestion. Our only desire is to do good. Pray for us.

### TO THE VOTERS OF PRECINCT 3

I wish to take this means of thanking all the voters of Precinct 3 for the support given me in the past, and solicit your continued support in the second primary.

Your vote and influence will be very much appreciated.

BOLLIE KELLEY

## MORE RESERVE OFFICERS RECALLED FOR ACTIVE DUTY

An increase in quotas authorizing the recall to active duty of 1,125 National Guard and reserve officers has been announced by the War Department. This and previous authorizations make a total of 7,589 vacancies available to officers who have gone on inactive duty or terminal leave who desire further active duty. War Department representatives indicated that this number may be increased in the near future. It is desired to fill the vacancies with volunteers.

Under the authorization, just announced, the recall to active duty embraces 1,000 officers of all grades for service in the Civil Affairs Division, 46 for service with the Intelligence Division, 35 for service with the Foreign Liquidation Division and 50 additional for the Finance Department.

Volunteers under this program may elect to serve for an unlimited length of time or for a twelve, eighteen, or twenty-four month period. The War Department recognizing that such volunteer officers should have some degree of assurance that their services will be utilized for the entire period for which they volunteer, plans for this policy to remain in effect until the Army obtains a permanent postwar status. At present, the War Department cannot foresee any circumstances which would cause separation of officers prior to the completion of their volunteer period.

Officers desiring to volunteer for return to active duty must apply in writing to The Adjutant General, War Department, Washington 25, D. C., and must meet the physical standards for overseas service. Application forms may be obtained at any Army installation, Army Recruiting Station, or Officers' Reserve Corps Headquarters. In the event an officer on inactive status, desiring active duty does not have a Reserve or National Guard Commission, he may apply for active duty providing he has applied for a Reserve Commission. Qualified applicants may be recalled pending action on appointment in the Officers' Reserve Corps.

## AAA FARM NEWS

### Wheat Crop Insurance

Federal Crop Insurance is again being offered to Donley County Wheat Producers. The flat rate for the county is 1.8 bushels per acre for 75% coverage that protects the producer from all natural hazards and 1.0 bushels per

acre for 50% coverage. You may apply at the county office, or through any crop insurance agent, and there will be one or more agents in the county in the near future.

Wheat is insured under contracts covering three consecutive crop years. Anyone may cancel his contract as it applies to the third year by giving written notice to the county committee on or before the closing date for the

second year. Insurance covers the crop from the time the wheat is seeded until it is threshed or removed from the farm, but not later than October 31 of each year. The closing date for submitting applications for 1947 wheat in Donley County is August 31st.

### Performance Reports

August 15 is a general closing date for most of the farm practices to be carried out this year. Producers were issued Prior Approvals for the practices they mean to carry out under this year's Program and those Prior Approvals are also the Performance Reports. All Forms "30" that show August 15 as a date for reporting to the county Office should be brought or mailed in on or before that date. Contour farming, Strip cropping, Summer fallow and other practices should be reported.

### 7c a Pound for Alfalfa

Again there is a desperate need for legume seed. The following special payment will be made to farmers for harvesting and marketing Alfalfa seed: 7c per pound. This is a new practice that has just been added to the Texas Handbook for 1946. Payment will be computed on the number of pounds of seed (clean basis) harvested in 1946 and sold into commercial channels before January 1, 1947. Producers must submit satisfactory proof to the county committee of the number of pounds of seed (clean basis) sold.

No prior approval of the county committee will be necessary.

### CARD OF THANKS

If at first you don't succeed, try, try again, and I am trying again. I wish to take this means of thanking the voters for their support in the first primary and solicit your votes again on the 24th of August. I walked up to your homes 2 years ago; it took me over 3 months. I felt like I could not do that this time, but I still want you to know your votes will be sincerely appreciated.

Mr. and Mrs. Ted Price and sons J. W. and Glen Henry and Mrs. Barbara Drennan and daughter Sandra visited their sister and family, Mr. and Mrs. Homer Estlack Sunday.

### Quarter Horse Show At Pampa

PAMPA, August 1st—Entries for the Top O' Texas Quarter Horse Show should be mailed in not later than August 1st, according to Quentin Williams, Horse Show Superintendent. The Show is being held on Friday, August 16th, in connection with the Annual Top O' Texas Rodeo.

There were about 130 entries in the show last year, and it is expected that the show will be considerably larger this year. In addition to the regular cash prizes and ribbons, the American Quarter Horse Association and the National Quarter Horse Breeders Association are both offering special prizes this year for top winners in the show. All quarter

horses that are registered or eligible for registry in any recognized breed association are eligible for entry in the show.

Entries in the Rodeo Contests should be made not later than noon, August 16th. Much interest is being taken in the Cutting Horse Contest where first prize is a beautiful hand-stamped saddle. One-half of the entry fees will also be added to the purse in the Cutting Horse Contest as well as all Rodeo events.

The Palomino Show to be held Friday night, August 16th, is also attracting a lot of interest. Entries in this contest should be mailed to Dr. Malcom Brown of Pampa with the entry fee of \$5.00, which will be used as cash-prizes in addition to the ribbons and rosettes offered.

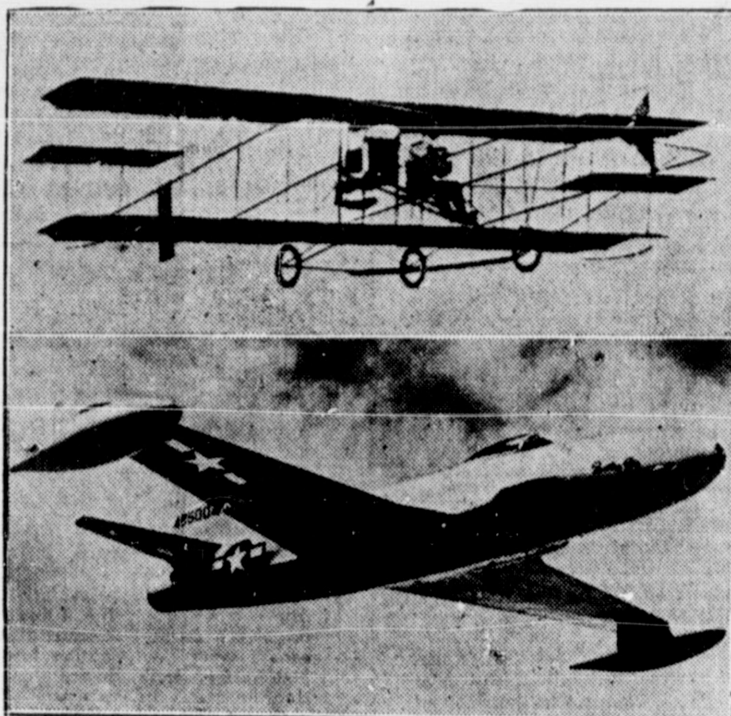

### Khiva Temple To Benefit From Wrestling Events

Mr. O. W. Elliott, Potentate's Aide in Donley County, said that one of the most unselfish, kind, and generous offers has just been received by Khiva Temple. Noble Dory Detton, a member of Khiva Temple, is sponsoring a Junior Heavyweight World Championship Wrestling match on August 15 in Amarillo, Texas. The elimination bouts have already started, and the winner of the eight wrestling tournaments will wrestle the Noble LeRoy McGuirk, the title holder, member of India Temple.

Mr. Elliott said that Noble Dory Detton will make an outright gift of the greater part of the net derived from this championship match to Khiva Temple. Such gifts as this will help materially in securing a hospital within the jurisdiction of Khiva Temple.

Everyone interested should support and patronize this championship match, said Mr. Elliott.

Mrs. Clyde Butler and son LeRoy and daughter Mrs. Louise Cowan have returned home from a vacation trip to the mountains in New Mexico.

Released by U. S. War Department, Bureau of Public Relations.

**HUDSON VALLEY SEES ANOTHER HISTORIC FLIGHT**—The Army Air Forces P-80 Shooting Star, powered by an I-40 G-E jet motor, will retrace the aerial route blazed along the Hudson River Valley by Glenn H. Curtiss 36 years ago. The flight was scheduled for the afternoon of June 21 at the opening of the General Electric Company's air research demonstration. Curtiss in his little biplane (above) made the trip from Albany to New York City in two hours and 51 minutes. His average speed was slightly over 50 miles an hour.

The Shooting Star (below), piloted by an AAF officer, covers the same distance in approximately 15 minutes. The route of the new jet plane is from above the City Hall in New York up the valley to the State House at Albany and thence in a two-minute dash to the Schenectady County Air Port. Flight operations of advanced types of AAF, Navy and civilian planes begin this national demonstration.

There was much fanfare in Curtiss' pioneering achievement in 1910. He won the \$10,000 prize offered by Joseph Pulitzer for the flight from Albany to New York under 24 hours and comparison was made between his flying time and the historic voyages of Henrik Hudson and Robert Fulton over the same route. Hudson's time in his sailing vessel the "Half Moon" in 1609 was five days, while Fulton's run in the steamboat "Clermont" in 1807 was 32 hours.

### Veterans' News

Army engineers were authorized this week to develop plans and specifications for four new Veterans Administration hospitals in the Dallas Branch area.

The new hospitals will be erected at Big Spring and Bonham, Texas; Shreveport, La.; and Tupelo, Miss. Sites have already been acquired.

These hospitals and others now being planned will provide adequate beds for the medical care of veterans in Texas, Louisiana and Mississippi. Dr. Lee D. Cady, VA's Medical Director in the Southwest, said:

The back-log of World War II veterans' disability claims in the Dallas Branch Area has been reduced nearly 80 per cent since February. VA's June report shows:

As of July 1, a total of 9,738 cases was pending in Texas, Louisiana and Mississippi compared with 47,799 at the end of February. Sam P. Kohon, Direc-

tor of Claims, revealed. He attributed the reduction to development of trained VA Personnel, new operating procedures and a decline in the volume of new applications.

More than 250,000 veterans of World War II living in Texas, Louisiana and Mississippi have filed pension claims of which 118,752 were awarded pensions and 121,638 had their claims disallowed.

Most of the potential vacancies for veterans in institutions of higher learning this fall are still to be found in junior colleges and small liberal arts colleges. VA's latest educational survey shows.

Mrs. J. C. Estlack is at home after visiting with her sisters and brothers at Bellevue, Washit and Bowie, also attended the Hodges reunion at Bellevue July 21st.

and was joined there by her son Phifer from Denison for a week-end visit.

Mr. and Mrs. C. L. Craig of Plainview, Mr. and Mrs. Harold Bickett of Goodnight, Mr. and Mrs. F. W. Harris of Claude spent Sunday visiting in the F. G. Patching home.

Mr. and Mrs. A. L. Chase took their son Arthur to Berger where he has accepted a position with the Huber Oil Co. They also visited Mr. and Mrs. Allen Patman and family.

Ned Barns spent the weekend visiting his sister Annalyn Barns at Ft. Worth. She accompanied him home for a visit.

## H. J. R. No. 10

HOUSE JOINT RESOLUTION proposing an Amendment to Article 16 of the Constitution of the State of Texas, by adding thereto Section 62 providing a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; limiting the amount contributed by the State to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits hereunder from receiving other direct aid from the State; authorizing counties to provide and administer such a Fund for appointive county officers and employees after favorable vote in a county election for such purpose; limiting the amount contributed by the county to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits from said Fund from receiving other direct aid from the State; and providing for an election, necessary form of ballot, and publication on the question of adoption of this Amendment.

## BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 16 of the Constitution of the State of Texas be amended by adding thereto Section 62, which shall read as follows:

"Sec. 62 (a). The Legislature shall have the right to levy taxes to provide a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; provided that the amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of such person, or by the State of Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid.

"(b). Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county; provided the same is authorized by a majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the

county, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held throughout the State in November, 1946, (being the 5th day thereof) at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas," and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas."

Each voter shall scratch one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

H. J. R. No. 5  
A JOINT RESOLUTION proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to appropriate Seventy-five Thousand (\$75,000.00) Dollars, or so much thereof as may be necessary, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization of the Governor of Texas on August 31, 1937.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows:

"The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand (\$75,000.00) Dollars, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization by the Governor of Texas on August 31, 1937."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the next general election to be held on the

first Tuesday after the first Monday in November, A. D., 1946, at which all ballots shall have printed thereon:

"FOR the CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE"; and

"AGAINST the CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

## H. J. R. No. 49

HOUSE JOINT RESOLUTION proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sale purposes of acquiring rights-of-way for and constructing and maintaining public roads; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new section to be known as 7a and to read as follows:

"Section 7a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roads, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining, and policing such public roads, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District

Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County and the percentage allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words: "FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roads; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof."

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for Amendments thereto.

# WASHINGTON NEWS LETTER

By Cong. Eugene Worley

Late in June Congress passed a Resolution providing for official representatives of that body to participate along with representatives of other nations of the world in ceremonies attending the independence of the Philippine Islands. Pursuant to that Resolution, an official Committee, including myself, was appointed to represent the Congress of the United States.

In the belief the more you and I can know as to what goes on in other parts of the world the more intelligent action we can take, I am preparing a series of weekly reports covering this trip which I hope you as a reader of this newspaper and as an American citizen who has a tremendous stake in our relations with foreign countries will find informative. If these reports appear in your newspaper, it is through the kindness and cooperation of your editor.

I might say in the beginning that while all of the trip was most interesting and informative, the highlights were the Bikini Atomic Bomb explosion, the ceremonies attending the granting of independence to the Philippines, conferences with General Marshall in China, General MacArthur in Japan and other military and State Department officials.

The Committee traveled between twenty and twenty five thousand miles in a period of two weeks. More time of course would have been desirable but the press of legislative duties in Washington demanded our early return. All of this travel was done by air.

The Congressional Delegation left Washington late on June 25 flying overnight to the West Coast, a distance of approximately 2400 miles. After conferring with State Department and military officials in San Francisco, we left the Coast about ten o'clock the following night by a C-54 plane. From San Francisco to Hickam Field, Honolulu, is approximately 2400 miles, which was made in about twelve hours. Since there were only four bunks aboard the plane and since the

House Members felt the Senators were entitled to consideration mainly on account of their ages, most of us slept sitting up, on the floor, or anywhere we could. We arrived at Hickam Field the next morning which is the same Field the Japs virtually ripped apart on that black day of December 7, 1941, but today practically all evidence of their attack has disappeared. Again there were conferences with State Department and War and Navy officials and local citizens interested in statehood.

Quite a change had come over the Island since I was stationed there in 1942. At that time, a strict curfew was in order, military law reigned supreme, glass windows were taped with adhesive for fear of breakage from bomb concussion, all Japanese, which represents a considerable portion of the Hawaiian population, were off the streets before dark, no one was allowed on the streets after ten o'clock without a pass, and the blackout was strictly enforced. All of these precautions were taken because an attack and invasion was expected to be launched by the enemy at any time. These expectations were confirmed when the Japan-

## Hats Off to this Fellow...

HE fed us, our soldiers, our allies, and a lot of other people while we won a war. Now he's asked to keep the world from starving.

He's the American farmer.

He deserves the thanks and appreciation of everybody. He deserves it more than most folks realize because he increased his production by 30 per cent in five years without enough new tools to replace the labor he lost.

But, American farmers are disappointed—and they have a right to be. They expected that the end of the war would bring them an opportunity to replace their patched, repaired, weary and over-worked farm implements.

Of all of our shortages, that in farm tools and implements is the most serious.

Strikes have caused the shortages in farm implements—strikes in steel, strikes in coal, and strikes in the farm implement industry itself.

In the steel industry alone, the production of steel in the ten months following VJ day was 19 million tons short of expectations, enough to supply farm needs for at least five years. Most of the decline was due to strikes.

That is why the steel industry has not been able to catch up with the demand for new roofing, wire, fencing, tools and all the things of steel needed on the farm.

That is why the farmer is being penalized through no fault of his own. This nation cannot move ahead under the threat of ever-recurring labor strife.

Steel mills need all the scrap iron and steel they can get. Farmers can help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

The Institute has printed a booklet STEEL SERVES THE FARMER. Write for a copy and it will be sent gladly.

**RADAR SCOPES IN OPERATION**—The PPI scope which is actually an adaptation of a television tube to radar has a map grid drawn across the face. The "A" scope indication is a line of light for each flight of aircraft detected. Aircraft in formation cause a wider line than a single aircraft. The radar beam is directional and the antenna has to rotate constantly in order to detect aircraft in all directions.

### Farm and Ranch Workers Needed

General farm and ranch workers are still needed in most sections of Texas despite the return to farms in large numbers of veterans and war plant workers, according to a labor survey conducted by C. Hohn, State Farm Labor Supervisor with the Texas A&M College Extension Service. In the Panhandle, labor needs are not large, but general farm workers are wanted in Lipscomb County and tractor drivers in Swisher and Roberts Counties. Hoe hands are in demand in

Crosby and Lynn Counties. Cotton and grain sorghum growers in the Rolling Plains country from San Angelo to Oklahoma need year-around farm hands and cotton choppers in Childress, Donley, Foard, Kent, Stonewall and Haskell Counties. North of Brownwood to Oklahoma in the West Cross Timbers and North Central Grazing Areas, a few general farm and ranch workers as well as year-around and skilled laborers are on demand. There is also opportunity for dairy hands in this area. Year-around farm and dairy hands will find work in the Northern part of the Black and Grand Prairie areas above Austin. Gen-

eral farm hands are needed in the South Texas Blackland from Beeville to Brenham, where cotton picking has begun in Bee and De Witt Counties.

The survey shows that in nearly all sections, living quarters will be furnished for year-around workers, with wage rates running from \$60.00 to \$140.00 per month. Day hand rates range from \$3.00 to \$8.00 in some sections.

County Agent H. M. Breedlove urges all farmers and ranchers who need year-around or seasonal workers to contact his office, so this information can be passed on to any laborers without work.

### Dodgers Win Over Memphis 7 to 1 Last Sunday

The Clarendon Dodgers went to Memphis last Sunday with blood in their eyes or the equivalent as they defeated the Memphis team by a score of 7 to 1.

Head went the full length of the game on the mound and did an excellent job as did the other team players all through the game. Only one error was charged to the local team during the game. Skinny Putman led the club on hits with 3 out of four.

The Dodgers will meet the Wellington team here next Sunday. This is another scheduled game of the Valley league and promises to offer plenty of entertainment to all baseball fans.

Mrs. A. H. Baker moved Saturday, July 20th to Mineral Wells where she will make her home. Her daughter and husband, Mr. and Mrs. Tom Rush accompanied her.
