A Common Paper for Common People

THE SMOKE of battle has cleared in the past year, but not that of American industry—nor of the atomic bomb. The stacks of factories (right) are pouring forth their cumulus of spent energy as the productivity of American genius is transformed from the uses of war to the ways of peace. And out over the distant tropical atoll of Bikini the atomic cloud (left) has risen, as such a promise of civilization's physical reconstruction as a threat of its future annihilation. (Official U. S. Navy photos)

Baseball Play-off Series To Begin at Quanah Sunday

The first game of the series to decide the championship of the Red River Valley Baseball League will be played in Quanah Sunday with the Quanah nine opposing Childress.

Quanah won from Wellington 5-4 Sunday and Childress beat Memphis 10-6 to enter the finals. The second game of the play-offs will be played at Childress the following Sunday.

Both teams have played good ball during the season and are evenly matched. Quanah finished the season at the top of the league and Childress was second in a tie with Memphis.

LEE'S CAFE RE-OPENED AFTER REMODELING

The Lee's Cafe reopened the first of the week after being closed for several days for remodeling purposes.

Mr. and Mrs. J. D. Coin, owners and managers of the Cafe are proud to announce the re-opening and are happy to be able to offer their customers a more enjoyable and comfortable place to eat.

HEDLEY AMERICAN LEGION ELECT NEW OFFICERS

World War II Veterans pre-dominate in the new officers elected to the Hedley American Legion. Of the ten new officers elected only two are veterans of World War I.

Officers elected were as follows: Lionel Blankenship, Commander; Marion Show, 1st Vice Commander; Olon Plunk, 2nd Vice Commander; Blaine Doherty, 3rd Vice Commander; Foster Pickett, Adjutant; Clifford Johnson, Finance Officer; Chester O. Hill, Chaplain; Travis Alexander, Historian; R. H. Alexander, Service Officer; Roy Bevers, Child Welfare chairman and Jess Beach, Sergeant at Arms. Legionnaires Johnson and Hill are hold-over officers and World War I veterans.

METHODIST REVIVAL TO BEGIN SUNDAY AT LELIA LAKE

A revival is scheduled to begin this Sunday, August 25th at the Lelia Lake Methodist Church with Bro. Gaty of Hedley doing the preaching. Everyone is cordially invited to hear him preach throughout the meeting.

Beneficial Rains Fall Over County

A goodly portion of Donley County received beneficial rains the first of the week, and those parts not receiving an overly amount were benefitted by showers and cooling weather.

Jericho received over two inches through intermittent rains the first of the week, and at the same time the Goldston community reports three inches and over. The west end of the county received pretty good rains in spots, and the Hedley and east section reported good rains.

Clarendon seemed to be the center of the spot that was missed practically altogether with only very light showers. The Airport weather station reported .94 inch, but that happens to be nearly 5 miles southwest of town and doesn't do us much good right here. The south edge of the county was slighted in spots also with varying showers reported all around.

The rain in general will help the crops very much at this time as the spotted showers reached all around us for many miles, giving some places their first rain in several months. This should decrease the hot winds and daily high temperatures to a considerable degree.

Those ranchers receiving the bountiful moisture were most grateful and feel that the grass still has time to come out and be of some value before frost. At any rate it will toughen the old dry grass so that it won't blow away and be wasted.

Old Settlers Meet At Tate Grove

What they lacked in numbers was made up with enthusiasm in the gathering of the members of the Donley County Old Settlers Association at Tate Grove near Hedley Friday.

Mr. Frank Kendall of Hedley gave the welcome address in which he intermixed many incidents of early day happenings in this section of the Panhandle. His address was lengthy and most interesting.

J. C. Estlack made the response to Mr. Kendall's address and he, too, brought in pioneer comment. A copious supply of home cooked foods made up the dinner and the throng had much merriment and neighborly conversation during the noon hour.

Officers elected for the coming year were: President, Milton W. Mosley, he having made a record the past year that met with unanimous approval. Mr. Claude Nash, also of Hedley was chosen as Vice President. Secretary-treasurer was a spirited contest between the members with Mrs. Clyde Bridges and Mrs. T. J. Cherry in the race. Mrs. Cherry was chosen to serve the Association as secretary and treasurer. A board of six members was chosen as follows: "Slats" DeBord, Dayton Shelton, Tom Bain, Malcolm Glass, Bill Walling and O. L. Jacobs.

The afternoon session after the election of officers was given over to singing, music of the pioneer type and other matters that always interests the older pioneers.

TALL VISITORS VISIT RELATIVES HERE

Arkansas and Tennessee can brag all they want to on their tall personalities, but they don't have anything on some of our Texas boys. Mr. and Mrs. Henry Williams are being honored with a visit this week of his nephews David and Kenneth Williams from Archer County, and you really have to look up to those boys when you meet them. David, age 21, is just a mere 6 ft. 7 3/4 inches tall and the younger brother, Kenneth, age 17, is lagging a little, measuring 6 ft. 5 1/2 inches tall.

The young men, as they should be called, are enjoying their visit here and seem to like our little city very well. David says they have been having lately—and we say, "stick around boys; don't leave us now."

Mr. Williams is having a grand time showing the boys off, taking them around town. The boys didn't inherit any of their height from Henry as they must have run out of that stuff when he was growing up!

NOTICE TO ALL VETERANS

The American Legion Post of Clarendon, Texas, is going to attempt to process the claims of all veterans in Donley County for unused leave pay. The Legion Hall will be open at 9 o'clock, Tuesday, August 27, 1946 and also Wednesday morning at the same time. We will have the necessary forms with typists to help you execute said applications. Anyone who has lost a relative either in the service or since discharge may receive additional information from Mike McCully at the School Tax Office. You must have a certified copy of discharge or a photo of same. The County Clerk announces there will be no charge for making a certified copy.

The Legion Hall will be open two days and there will be absolutely no charge to the veteran for services rendered by the Post. M. M. McCully, Adjutant

CONSTRUCTION STARTED ON ANDERSON GARAGE

Construction was started this week on the erection of a new garage building being put up by Bud Anderson which is to replace the old building that has been a landmark in Clarendon for many years and previously owned by Odos Caraway.

The building is to be constructed of building tile blocks and will be 100 feet by 50 feet. It is to be modern in every respect and have plenty of window space, with offices, etc. in the east section of the building.

Mr. Anderson has constructed a temporary garage at his home to take care of his customers while the new building is under construction.

Revival Meeting In Progress At Church of Christ

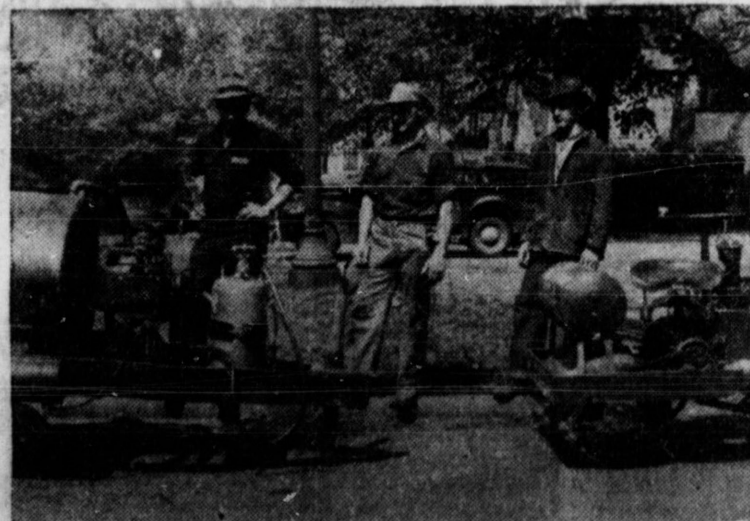

The revival meeting now in progress at the Clarendon Church of Christ continues with increasing interest and attendance. The meeting will continue through Wednesday the 28th.

V. E. Howard, Evangelist of Greenville, Texas is doing the preaching daily at 10:00 a. m. and 8:15 p. m.

Mr. Howard is a well known evangelist, and is heard throughout the Southwest and many parts of the nation through the regular radio broadcasts conducted by him. You may hear him in this section over KPDD—Pampa each Sunday morning at 8 o'clock. Some of the subjects to be discussed by the visiting evangelist include: "Who Has The Right To Be Saved?" "Saved By Faith," "Does It Make Any Difference?", "The Marriage of Christ," and "A Voice From The Dead."

"We most cordially invite all, regardless of religious affiliation, or if not a member of any church to attend this gospel meeting and hear Bible truths discussed in a forceful and able and loving manner," the local minister, Robert D. Bankes stated.

Building Own-Road To Success

Veterans Administration Photograph.

Three St. Paul, Minn., brothers—all veterans of world War II—having heard about the road to success, are now building their own road in that direction. The tank cat gives driveways a thick bituminous matting. The "Jeep" roller provides a permanent smoothness. A \$1,500 Government-approved loan helped set them up in business. The Nali brothers, from left to right, are: Lawrence, John and Robert their father, Ludwig Nali, has since been taken into the firm.

25 Applications Now In For G. I. Flight Training

According to J. Fred Smith, 25 G. I.'s have applied for flight training under the G. I. Bill of Rights. Nine of the students are already receiving flying instruction and about 15 are taking the ground course which is being held at the College building each Monday, Wednesday and Friday nights.

This is a wonderful opportunity for the G. I. to learn to fly at no personal expense, and if interested, you should contact Mr. Smith right away so you can enter the ground school along with the rest of the students.

The Clarendon Flying Service, owned and operated by Mr. Smith has the contract with the government for the G. I. training and it is hoped that within the near future a combination set-up can be arranged whereby the flying can be offered in connection with the local college set-up.

Mr. and Mrs. John Semrad and son Jack and Dorothy Jean Tatum returned home Wed. morning from a vacation trip to Calif. where they visited relatives also.

Conference Slated At A & M For County Agents

The state conference for all county agents in Texas will be held in College Station at the A&M College on August 27, 28, 29, 30. H. M. Breedlove, county agent for Donley county will attend the conference and leave for College Station on Aug. 26th. This type of conference is held by the Extension Service once a year to get all agents over the state in one meeting and explain policies of the service and to give the mthe latest information on improved farming and ranching methods.

In charge of the conference will be Dr. Trotter, director of Extension for the A&M College in Texas. Speakers from experiment stations and various departments of the college will make up the program as well as reports from all parts of the state by county agents.

Mrs. Sam Lowe and son Bill were Amarillo visitors Wed.

Mrs. Tom Trent of Waco visited Mrs. J. T. Patman and Miss Mantie Graves the weekend.

VOTE

SATURDAY AUGUST 24th 1946

Another large vote is expected to be cast this Saturday when Donleyites go to the polls to vote for their favorite candidates in the second primary run-off.

The governor's race seems to be the hottest in the state contest with practically everyone interested in politics putting in a word for or against the two men in the running. Beauford Jester still seems to be the choice of the majority but you never can tell what will happen until all votes are counted.

Allan Shivers seems to have the greater following over the state in the Lt. Governors race.

Other names to appear on the ballot in the state races are: R. E. McDonald and J. E. McDonald for Commissioner of Agriculture; Jesse Owens and Tom L. Beauchamp for Judge of the Court of Criminal Appeals.

Within the county we have only one race which will be voted on by all the voters of the county and that is for County Treasurer with Mrs. Tom Crabtree and Miss Jessie Cook in the run-off. This is expected to be a very close race as Miss Cook led in the first pri-

mary by a small margin. It will depend mostly on how the third candidate's votes are cast this time.

Voters in Precinct No. 3 will cast their vote for county commissioner in that precinct. R. O. Kelley and J. A. Tollett are the two men in this race and it is expected to be very close.

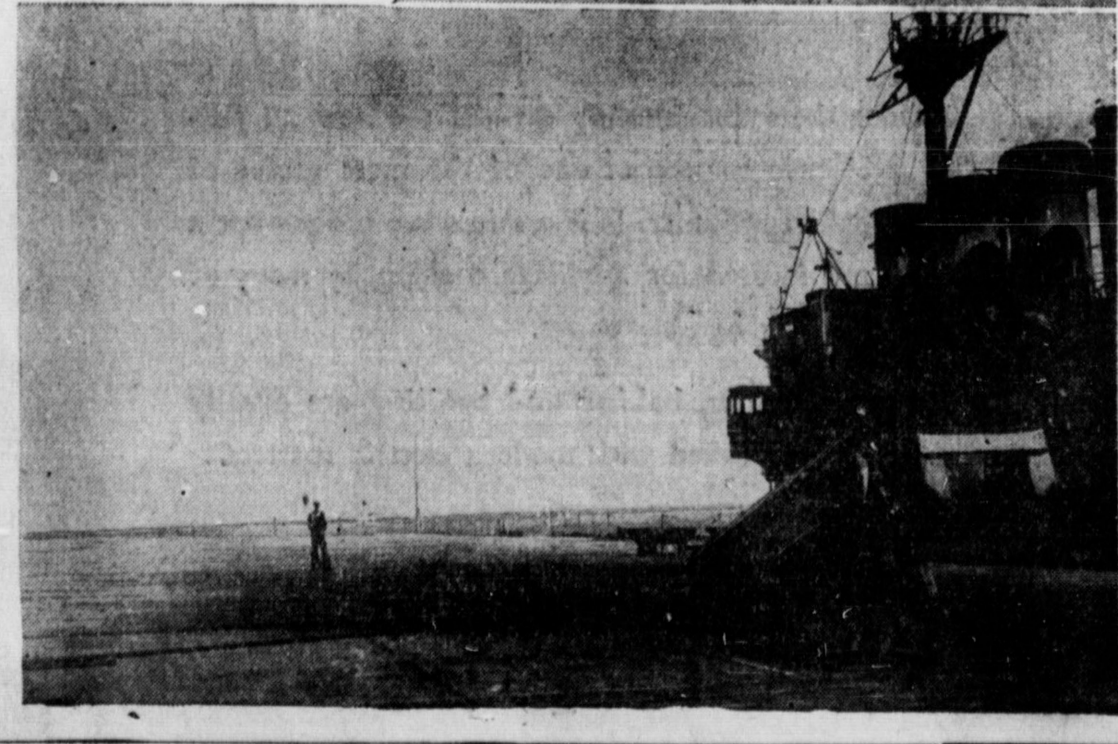

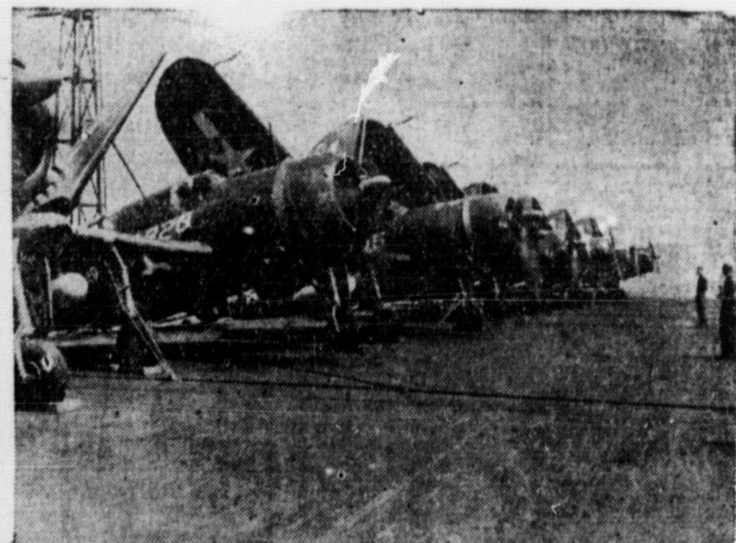

It is important that you make your plans to go vote Saturday as this is one job that no one else can do for you, and it is your duty as a citizen to go and vote for the candidate that you think is best qualified for the position.

Nearly 2,000 Donley county voters went to the polls the first primary and nearly that amount is expected to cast their vote this weekend.

John Russell Beville of Paris, Texas visited G. W. Estlack a short time Tuesday. He was on his way home after taking his two youngsters to Amarillo for a visit with their grandparents, Mr. and Mrs. Harwood Beville.

Ada Bradley is home from a weeks vacation in Mexico.

THE FLAT TOP of "Fighting Lady" is a safer place today for the wandering sailor than it was a year ago. On the flight decks of many of the carriers that brought America's naval air might to the very soil of Japan itself, the visitor, like the Navyman (below), can walk without fear of thundering propellers or the spotting of squadrons ready to roar out over the sea to drop lethal loads on enemy targets. This V-J Day finds thousands of "the birds with folded wings" voiceless and at rest and their mother hens secured snugly to their piers, but ready for almost instant action should the unwanted time for their services come again. LIBRARY NOTES

By Mrs. C. A. Burton

At the recent meeting of the American Library Association in Buffalo, New York, there were 2325 registered. Among these were visitors from the Philippines, Switzerland, London, Paris, The Hague, Brazil, Sweden, Uruguay, India, Denmark and Brussels.

The Carnegie Corporation of New York has appropriated funds which will make possible a conference in the autumn on international exchange and use of library materials. This is the result of the extraordinary interest now exists in this country and throughout the world.

Lillian Smith, author of "Strange Fruit," is now in India, where, as the only woman member of the American Famine Commission, she is studying famine conditions. Her new book, "Mr. White Man," will be published in 1947.

Among the new books about F.D.R. which are scheduled for early publication, are Frances Perkins' "The Roosevelt I Knew," Rita Halle Kleeman's "Young Franklin Roosevelt," "As He Saw It" by Elliott Roosevelt, and "The Speeches of Franklin Delano Roosevelt," edited by B. D. Zevin.

Walter Winchell, who has high-spotted so many books by other people, will have his own first book published in October. It will be entitled "Gift of Laughter," and will contain the best from his own column over a period of

20 years. Rex Beach has a new novel, the first in seven years—"The World In His Arms." Of course it is a story of San Francisco and Alaska.

A recent comment by the daily press: Editors make mistakes, too. Harper rejected Kipling's "Jungle Books," "Plain Tales From the Hills" and "Soldier's Three." The Atlantic Monthly rejected "David Haram" which later sold a million copies. Century Magazine once ordered Robert Louis Stevenson out. No publisher would touch Carrie Jacob Bond's "I Love You Truly." She published it and sold more than a million copies.

Moss Hart, Pulitzer prize winner, and Kitty Carlisle, the singer, were recently married at New Hope, Penn. They are honeymooning at his 245-year-old farmhouse in Bucks County.

Few books have created such a sensation as did Paphne du Maurier's "Rebecca." Since then all her books have been advertised as "by the author of Rebecca." One of her latest purchases is her "Frenchman's Creek"—a story of a French Pirate and an Englishwoman—full of mystery and romance.

The Amarillo Sunday News Globe carried an interesting account of the Amarillo Public Library and of Mrs. Ruth E. Dellzell, the librarian for the past 19 years who is resigning Sept. 1st. In 1927 the library contained 10,000 books—in 1946, it contains 32,000.

Allan Shivers Runs For Lt. Governor On Qualifications

Senator Allan Shivers, leading candidate for lieutenant governor, is seeking election to that office solely on the basis of his qualifications of wide training and experience.

In every way, Allan Shivers, the legislator, lawyer, farmer and World War II combat veteran, is exceptionally qualified for the No. 2 state office. As a state senator for a number of years, he established an excellent record of public service. A loyal Democrat and native Texan, he is a man of highest character and splendid personality. The majority of Texans believe he will reflect credit and honor on the State of Texas.

Shivers, a war veteran of two years overseas, during which time he earned 5 battle stars, did his best to make this a free country for a free people. He will continue that course as lieutenant governor.

He has conducted a dignified campaign, free of mud-slinging and personalities. His platform appeals to every Texan: Better farm-to-market roads, better salaries for school teachers, enlarged public safety facilities, a thorough public health program, redistricting of the state for legislative purposes, greater aid to the aged, and assistance to war veterans, reorganization of the pardon and parole system, a first class university for the colored, and equal responsibility from both labor and management. He is against a sales, state income or any other form of new taxes.

Allan Shivers will be the lieutenant governor of all the people. In addition to his own constituency and ability, he has the endorsement of the people and a record of public service and a record of public opinion.

Mrs. Doc Ford underwent a major operation in Dr. Witt's hospital at Groom Wednesday.

Wanda Easter is visiting her aunt and family, Mr. and Mrs. Clifford King of Texola, Okla. at this writing.

Yvonne and Joan Putman spent Wednesday evening with Daphne Roberson.

Mr. and Mrs. Houston McDonald visited Mr. and Mrs. Edgar Talley awhile Sunday.

Mrs. Sada Payne and son and Mrs. Raymond Farr and daughter spent Wednesday with Mr. and Mrs. Wilson Gray.

Mr. and Mrs. Roy Stewart spent Sunday with Mr. and Mrs. Dick Eichelberger.

Mr. and Mrs. L. L. Easter and Mr. and Mrs. J. D. Easter visited in Hollis, Okla. last week.

Mr. and Mrs. Eddie Reynolds returned home Friday after a

few days visit in New Mexico. Mr. and Mrs. John Raines of Pampa spent the weekend with Mr. and Mrs. C. Buck.

Mr. and Mrs. S. J. Tolbert of Ashtola spent the weekend in Vernon visiting the Sutton family.

Nature's Forces Hold the Rings Around Saturn... and OIL-PLATE Your Engine!
No one knows just why Saturn is the only planet to have rings around it. We do know, however, that mighty forces of gravitational attraction hold them there. Through extensive research into the forces of attraction between molecules of liquids and solids, Conoco scientists are able to bring America's motorists the benefits of new and better oils.
Using the force of molecular attraction (basic force that holds things together), a special ingredient in Conoco N#1 motor oil is attracted to working surfaces of your engine. In fact, so strong is this attraction that cylinder walls are OIL-PLATED.
And because molecular attraction holds Conoco OIL-PLATE up where it belongs... prevents it from all draining down to the crankcase, even overnight... you get these benefits:
added protection during the vital periods when you first start your engine
added protection from corrosive action when your engine is not in use
added protection from wear that leads to fouling sludge and carbon
added smooth, silent miles
That's why you'd be safer to OIL-PLATE your engine now... at Your Conoco Mileage Merchant's. Look for the Red triangle. Continental Oil Company

BRESETT-LATSON

Miss Jeanne Breset, daughter of Mr. and Mrs. D. A. Breset, became the bride of Bill Latson of Rusk, Texas, son of Mr. and Mrs. O. W. Latson of Clarendon, in a double ring ceremony held at the Breset home in Montezuma, New Mexico at 2 o'clock Saturday, August 3rd.

The couple spoke their marriage vows before a fireplace flanked by large baskets of glad-oli. White candelabra with lighted tapers adorned the mantel-piece. The Rev. Bob Evans performed the ceremony.

The bride wore her "going away" costume, a heavy blue silk suit with gold sequin embroidery in a Chinese motif on the jacket front, and a small black hat with a veil. Her corsage was of gladioli and French carnations.

Her only attendant was her sister, Shirley Breset, who wore a yellow frock with a matching floral hat. Bob Bennett of Wisconsin, served as best man.

Only members of the two families and close friends attended the wedding ceremony.

A profusion of flowers decorated the drawing rooms in the home of Mrs. Charles O'Malley, where a large reception was held immediately after the wedding.

The bride's table, covered with lace and decorated with pastel-colored sweetpeas and white candles, was centered with the three-tiered wedding cake. Pastel colors also predominated in the candies and cakes served.

Out of town guests at the reception included Mr. and Mrs. O. W. Latson of Clarendon, the groom's parents; Mr. and Mrs. Warren Breset of Santa Rosa; Mrs. Grace Wilson of Kirtland and Prof. and Mrs. Cecil Horne of Lubbock, Texas.

The couple left by car after the reception for their home in Rusk, Texas, where Mr. Latson is employed as associate editor of the Rusk Cherokeean.

Mr. and Mrs. Homer Estlack and children Allen Homer and Donna Jane left Sunday afternoon on a vacation trip in the Colorado mountains.

Mr. and Mrs. Rufus White and Mrs. White's parents, Mr. and Mrs. J. G. Parten of Waxahachie, Texas have returned from a two weeks vacation in Colorado.

Mrs. David Johnson of Amarillo visited her cousin, Mrs. Whitlock last week. She returned home Friday.

SURPRISE BIRTHDAY LUNCHEON HELD

The members of the Land family gathered in the Pete Land home Sunday for a surprise birthday luncheon honoring Mr. Land.

Those attending were: Mr. and Mrs. J. C. Cason of Wellington, Mr. and Mrs. Jiggs Land, Mr. and Mrs. Jack Land, Patricia and Jackie and Norma Jean Mabry of Amarillo, Mr. and Mrs. Rascoe Land of Clarendon, Mrs. Zebbie Land, Misses Ellen Faye and Millie Land, Mr. and Mrs. Bill Scales, Mr. and Mrs. Walter Bill Wiggins and son, Mr. and Mrs. Elmore Bailey and family of Hedley and Mrs. Billy Jack Land.

SENIOR B.A.U.

The Senior B.A.U. of the Baptist church met in the home of Mrs. Lola Barns in their monthly social with 8 o'clock covered dish dinner and afterwards with games and lots of fun, in the yard.

Those attending were Rev. Hal Upchurch and little Hal Ray, Mr. and Mrs. W. D. Kidd, Mr. and Mrs. Carl Naylor, Mr. and Mrs. R. W. Moore, Mrs. Leona Jones, Mr. and Mrs. Holligan, Mrs. Vinson, Mr. and Mrs. A. H. Moore, Mr. and Mrs. Alford Rackley, Mr. and Mrs. Bill Crawford, Mrs. Tom Tucker, Mrs. Jackson and Mrs. Lola Barns.

LEGION AUXILIARY

The American Legion Auxiliary met in a covered dish luncheon Monday afternoon at the home of Mrs. Cap Morris with 8 members present for the business session. Part of the meeting was spent in working on gifts for Veterans and in the business session Mrs. J. R. Bulls was elected as Chaplain to replace Mrs. Chas. Robinson who has resigned. It was voted to pack a box for European relief in the near future.

The next meeting will be held at the club room the third Monday in September.

HUDGINS

Mrs. S. M. Harp

The Baptist revival will start at the school house Sunday morning. Bro. John Holt of Ozark, Ark. and Bro. Issiak of Quail will have charge. Everyone is invited to come.

Mr. and Mrs. L. C. Tims, Velma and Clyde spent Sunday with Mrs. Tims at Hedley.

Mr. and Mrs. John Perdue and Dane, Dan Tims and Rudolph Perdue of Amarillo took Sunday dinner in the Harp home. Mr. and Mrs. Jack Foster called in the afternoon.

Texas Traffic Deaths Upped 47 Per Cent

AUSTIN—Texas traffic deaths jumped 47 per cent in the first six months of this year compared to the same period last year, N. K. Woerner, chief statistician of the Department of Public Safety, announced today.

The six-month toll was: Killed, 874. Injured, 30,346. Economic loss: \$26,141,075. This compared with 594 killed and 20,790 injured in the previous period.

"The increase continues to be greater with each succeeding month," Woerner pointed out.

Most dangerous today are highways and the small towns thru which motorists are prone to pass at high speed. Highway fatalities are up 66 per cent. Towns of 2,500 or less population recorded a gain of 70 per cent.

Most such towns have little or no traffic policing, and enforcement on the highways is grossly inadequate because the Texas Highway Patrol's 125 cars are limited to 100 miles a day by depleted funds, Woerner said.

In the cities, with increasing emphasis on safety programs and scattered additions to police personnel, the increase was only 22 per cent.

The pedestrian continues to be the number one target of death in

city traffic, Woerner pointed out. For the entire state, 217 pedestrians were killed in the half-year, and a 1946 total of 485 was predicted.

BEARD FAMILY RETURN FROM VACATION

Mr. and Mrs. J. W. Beard and sons Bob and Jim and Mrs. Beard's sister Eunice Moore and Woodrow Millsap have returned from a trip that included the states of New Mexico, Nevada, Arizona, Utah, California, Idaho, Oregon and Colorado.

Many places of interest were visited such as Boulder Dam, Grand Canyon, Yosemite Park, Crater Lake and Salt Lake. Many other places were visited but all concerned seemed to think Texas still looked best.

Only four nights were spent in tourist cottages. They camped out the rest of the time. About 5,300 miles was covered on the trip.

Mrs. Bob Oswald and three daughters from Okla. City are visiting her parents, Mr. and Mrs. Buel Sanford.

Mr. and Mrs. Herbert Curry and son Reggie of Memphis spent Sunday with her brother and family, Mr. and Mrs. Dale Hill.

Mr. and Mrs. E. A. Hardin of Pampa spent the weekend with Mr. and Mrs. W. O. Butler.

Mr. and Mrs. Will Johnson visited her sister, Mr. and Mrs. Russell Clark at Pampa the weekend.

Heart of Telephone Service

The vital spot of all telephone service is the highly complex central office equipment. Much of this equipment will continue to be scarce for some time. This is the principal reason why we still cannot provide telephone service for everyone still waiting. However, we will provide service just as speedily as equipment becomes available to us.

WASHINGTON NEWS LETTER

By Cong. Eugene Worley

We left for Guam shortly after our return to Kwajalein—a distance of nearly 1600 miles. Nothing of consequence happened on that trip except that our No. 1 engine developed carburetor trouble when we were halfway to Guam and had to be "feathered" which is flight parlance for stopping the engine and turning the propeller thin-side into the wind to prevent drag. The loss of one engine reduced our speed from about 185 miles an hour to about 160. In addition, we had the misfortune to hit some rather strong headwinds but arrived in Guam without further mishap. The Island of Guam itself is about 30 miles long with an average width of 8 to 10 miles and is one of the most strategic bases we have in the Pacific. While our plans called for a day there inspecting our military and naval set-up, it took an additional night and part of another day to repair the engine.

The Guam natives were very friendly to us during the war and still are. Nearly all of them opposed the Japanese occupation every way they could from guerrilla warfare to sabotage and welcomed the returning American forces with everything they had.

Leaving Guam about dark of the next night, we headed for Nichols Field at Manila. This is also a 1600 mile flight with an estimated time of arrival between 8 and 9 hours. By now, we had gotten used to sleeping on the seats or on the floor or standing up or any other position. No further engine trouble developed but when we hit Manila we encountered another rainstorm over the field which was ten times

worse than the Kwajalein shower. As a matter of fact, we stayed in the air for an hour and 50 minutes before we were told to land. When we did land, it was in about six inches of water which covered the field. I might add that the pilot who made that landing was Colonel Frank Kurtz who had been in Manila when the Japs were on the move and who was at that time flying one of the few B-17s we had left. You might recall the book, "Queens Die Proudly," which is one of the best and most accurate stories written of the early day warfare in the Pacific. Kurtz was one of the principals in that story.

As you will recall, the United States acquired sovereignty over the Philippines as a result of the Treaty of Peace with Spain, Dec. 10, 1898, and obtained such sovereignty and exercised jurisdiction and control over said Islands and people for 48 years. In March of 1934, the Philippines Independence Act was approved by Congress by which we should relinquish sovereignty except for the retention of certain naval and military bases which were deemed necessary for our future protection.

It was July 3 at Manila with the Independence Day celebration scheduled for the same day as our own Independence Day July 4. In spite of the fact it was 3 a. m. and in spite of the downpour, we were met by Commissioner Paul McNutt who has spent many years in the Islands. Driving through the darkness into downtown Manila, we could see the shambles left of many build-

ings by the Japanese when our forces returned. As you will recall, MacArthur had declared Manila an open city when our forces retired to Bataan and Corregidor but the Japanese had elected to fight it out in the return engagement. Consequently, most of Manila was badly shot up. In the Manila hotel for example, our forces had to eliminate the Japs from floor to floor and room to room with the result that bullet holes are still heavily scattered all over the place and one wing virtually demolished. A good part of downtown Manila is in similar state although little or no damage seems to have been done to the residential sections outside the actual city limits. The port facilities are in very bad shape and ships were lying at anchor in the harbor waiting to be unloaded but with few docks to handle them.

Next week: More about the Philippines.

Dwight Blair is visiting his brother Harry who was in an explosion accident and received some broken ribs. He is at Camp McClellan, Alabama.

Mr. and Mrs. B. B. Head from Springhill, Tenn. are visiting his nephew and family, Mr. and Mrs. B. N. Head.

EFFORTS WASTED
A house-to-house salesman rang the bell of a cheap looking apartment and as the door opened he tooted in a carefully prepared mudball which disintegrated and made a mess on the front room rug.

"Now, don't get excited, lady," he said calmly. "I am demonstrating the Super Duper Electric Vacuum Cleaner and I promise you that if this marvelous little piece of machinery doesn't completely and entirely remove every trace of dirt on your rug, I'll eat the whole mudball."

The indignant housewife looked at the machine closely and left for the kitchen. In a moment she was back bearing on a tray a bottle of ketchup, a jar of mustard, salt and pepper shakers and a rolling pin. She set the tray on a convenient table and hefted the rolling pin expertly.

"But madam," exclaimed the startled salesman, "I don't understand"

"You will, mister," replied the housewife, with something of a leer. "We ain't got no electricity."

Mrs. J. H. Howze returned home Monday night after a two weeks visit with relatives in Illinois and Mississippi.

Mrs. John Chamberlain and Mrs. John Rhodes visited in the Ben Chamberlain home Wednesday at Claude.

Mrs. J. R. Cox left Wednesday for Jacksboro and Perrin after a visit here with her daughter, Mrs. Tom Tucker.

Mr. and Mrs. Billy Johnson and Mr. and Mrs. Tommy Thompson from Oklahoma attended the rodeo at Pampa.

LEGAL

H. J. R. No. 62 House Joint Resolution proposed an Amendment to Article III of the Constitution of the State of Texas by addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in

such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3 per cent) per annum.

"In the sale of such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the State Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State of Texas Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest of deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, a which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment of Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this

State.
Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

NOTICE

To All Persons and Public Agencies Interested in Federal Aid Airport Development:

Under the Federal Airport Act, approved May 13, 1946, the Civil Aeronautics Administrator is directed to prepare a National Airport Plan outlining the development of public airports in the United States which is justifiable from an aeronautical viewpoint and estimated to be required within the next three years. This National Airport Plan will be the basis for establishing construction programs within the limitation of funds appropriated by Congress for accomplishing the same.

According to J. D. Church, District Airport Engineer of the Civil Aeronautics Administration, a public meeting will be held at 10:00 a. m., on August 27, 1946 at City Hall in Childress, Texas. At this meeting a representative of the Civil Aeronautics Administration will explain the provisions of the Federal Airport Act and will welcome data and information concerning the aeronautical needs of this area, which area is comprised of the following: Wheeler, Donley, Collingsworth, Briscoe, Hall, Childress, Motley, Cottle, Hardeman, Foard, Dickens, King, and Knox Counties.

The attendance of all interested officials and persons is requested.

Mr. and Mrs. Bill Craig visited in the A. T. Tolbert home Tuesday evening.

Any kid—up to 85 years old—would like to have this miniature railroad, now touring eastern Veterans Administration hospitals. A representative of the Baltimore & Ohio Railroad, which owns the display, points out an automatic signal block to patients of a Dayton, Ohio, VA Hospital.

BEGINNERS MUST HAVE BIRTH CERTIFICATE TO ENTER SCHOOL

O. D. Lowry, principal of the lower grade schools, issued a reminder this week that all children entering school for their first time must bring along their birth certificate when school opens Sept. 2nd. In addition to the birth certificate, a child entering school must have already been vaccinated for small pox. This ruling pertains to any and all children entering the public schools here, Mr. Lowry added.

Mrs. Joyce Clark of Austin visited friends here in Clarendon last week.

PRICE CONTROL NEWS

As dreaded postwar inflation snowballs across mangled Europe and other foreign lands the value of money is disappearing under the terrific force of uncontrolled prices, Mrs. Jackie Phelps, Price Control Clerk, declared today.

Pointing out that living costs in such countries as Hungary and France did not skyrocket to the present level over night but rose in steps of five or ten per cent until the danger point was reached, Mrs. Phelps said.

"Already cries of anguish over the increasing evils of inflation, particularly as they affect basic food commodities, are being heard from Mexico. Men and women returning from overseas report that men's suits are selling for \$300 in various nations of Europe and that cotton dresses in Paris are not out of line when they can be bought for \$98 in American money," Mrs. Phelps said.

She told of a Red Cross worker in Rheims, France who was offered \$180 for a watch which had originally cost \$17. "Soon even their cheap money will be gone. They will be able to buy no food, production will come to a standstill, followed by unemployment, suffering and starvation. Inflation brings havoc wherever it goes."

Mr. and Mrs. James Patman and son Tommy left for their home at Hume, Mo., Wednesday morning after visiting his parents, Mr. and Mrs. J. T. Patman.
