Bronchos Take First Game From Lakeview

The Clarendon Bronchos ran rough shod over the Lakeview Eagles here last Friday night to win the game 32-0 in the season's opener. The Bronchos showed good style but in reality their true form could not be seen very well as the first string only played about half of the game and the Eagles were much the weaker team, showing very little progress against the second and third string Bronchos.

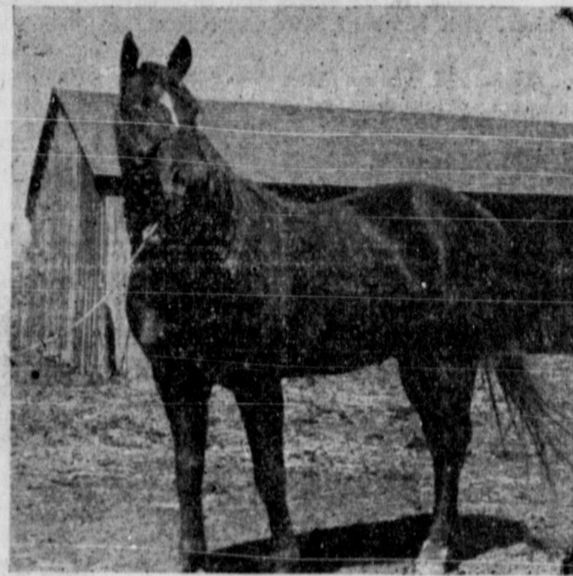

The scoring started on the first play after the Bronchos got the ball. Lowe returned the first Lakeview punt 63 yards for the counter. The second tally came mid-ways of the first quarter when Henson skirted left end for 34 yards. Both attempts at conversions were no good.

The second quarter was more or less silent with the Bronchos string playing practically all the time. The scoring spree started again in the third period with Lowe plunging through the left side of the line untouched for the 6 points and then took a pass from Bulman for the extra.

The fourth quarter scoring was accomplished through the aerial route. Lowe flipped a pass to Bulman for 31 yards and Bradford plunged for the extra and then the pass was repeated a short time before the end of the game with Lowe pitching to Bulman for 43 yards and the fifth counter of the game. The conversion was no good.

The Eagles were never near pay dirt any time during the game although they made several nice gains but were bogged down before they could get to rolling. Duval was the outstanding back field man for the Eagles and probably will be heard of plenty in the future as he has several years yet to play.

Fair And Horse Show Starts Tomorrow

The horse pictured above is typical of those which will be entered in the Horse Show here tomorrow (Friday).

The fair starts tomorrow and two big days of horse show, races and fair exhibits will be held in Clarendon. Friday afternoon at two o'clock at the roping grounds will be the horse show. This show is open to all persons in the state. Judges will be Col. Dornblaser of El Reno, Okla. as judge for the Thoroughbreds and Quentin Williams of Pampa, Texas for the Quarter horses. The races will be held on the afternoon of the 20th, which is Saturday, at the Raymond Farr farm, known as the Carl Bennett Farm, two miles west on the Amarillo highway and 1/2 mile north. Markers will be placed on the road to guide everyone to the races. Community fair exhibits will be on display both days at the Martin garage.

Joe McMurtry, general chairman of the fall fair and horse show, is urging that all persons with horses to bring them to the show and enter them so they can help to make the show one of the largest in the state of its kind. H. M. Breedlove, county agent, will handle the entries and any one desiring information on the horse show or fair exhibits should contact him at his office.

Six hundred dollars will be given away in prizes for the two day shows and fair exhibits. Now is the time to contact all of your neighbors and come to the county fair. Last week's issue of the Leader carried all of the premium list and divisions for the show.

Many people from out of town are expected to attend this show and Clarendon is prepared for a big two day celebration. Added attractions will be a ladies balloon race and cigar race the afternoon of the horse show.

The Clarendon Roping Club will have a roping contest Saturday night and a football game will be played in Clarendon on Friday night. There is plenty of excitement for the two days and plenty for everyone to see. Let's have a big turnout for this show so that each year we can make it larger and build it up to one of the best.

MOBEETIE ANNEXES RED RIVER TITLE

Childress, Texas, Sept. 15—Metz Lafollete, Mobeetie hurler signed by the Yankees in mid-season, arrived on the scene Sunday to lead Mobeetie over Memphis 6-1, for the championship of the Red River Valley League in the rubber game of a two-out-of-three game play-off.

Lafollete, who had pitched Mobeetie to the top of the standings with a perfect record before leaving to play with Lufkin, was the whole show, as he scattered six hits and batted two for two, driving in two runs.

Hank Keller started for Memphis but was driven from the mound by a four-run blast in the second inning. Reliever Bill Bass went the rest of the way, allowing only one run, but his mates could never get to Lafollete.

CLARENDON I. O. O. F. WILL HOLD HOMECOMING MON. NITE, SEPT. 22

The Clarendon Lodge No. 381 will hold its first Homecoming Monday night with a covered dish supper. Visitors from Memphis, Estelline, Borger, Pampa, Panhandle, Lakeview, Amarillo and Childress are expected to be here. N. W. Andis will be in charge of entertainment.

Queen Candidates To Wear Specially Designed Gowns

MEMPHIS, Texas, Sept. 16—Queen candidates of the area are in for still another pleasant experience here Oct. 2-4 for the West Texas Cotton, Chemurgic and Ceramics Carnival in addition to competing for the title "Maid of West Texas" and the all-expense-paid vacation for the winner. She will have a gown designed specifically for her by the head designer of The Arts and Fashion Guild of the Americas.

Each candidate, as presented to the visitors in Memphis, will have her gown designed upon her, individually designed to suit her type and personality. The gown will be awarded her for her participation through courtesy of individual, Inc., sponsor of the idea, according to an announcement this week by Jessica Davon, Guild president.

Queens have been assured from Amarillo, Pampa, Perryton, McLean, Spearman, Clarendon, Post, Childress, Shamrock, Seminole, Cleburne, Vernon, Wellington, Turkey, Canadian and other cities of West Texas.

All girls, except residents of Memphis, 16 years of age and older are eligible to compete for the title provided she is sponsored by a city, chamber of commerce, civic club, school, ranch or West Texas business firm. No self-sponsored candidate will be accepted, officials have ruled.

Candidates should be in Memphis by not later than 6 p. m., Oct. 2 and register at the Chamber of Commerce. She will be presented that evening on a radio broadcast and stage show presentation. She will be honor guest at the Queen Presentation Ball the evening of Oct. 3, and will be presented at all major Carnival events throughout the three-day program. The Coronation will be staged the night of Oct. 4 as a fitting climax to the "Mardi Gras" of West Texas.

Candidates will be required to wear a bathing suit in the parade pageant the morning of Oct. 4. Otherwise dress is optional. Candidates will appear in bathing suits at the Coronation and final judging in order to be fitted for her personality-gown award. Evening gowns are suggested for the two Balls given in honor of all candidates.

Bronchos To Play Chillicothe Eagles Here Friday Nite

The Clarendon Bronchos will take on another group of Eagles this Friday night on the local field, but from all indications they will be wearing different colors and will have a more powerful attack than the boys from Lakeview. The Eagles who will invade the local field this week will be from Chillicothe.

The Chillicothe boys, according to all information, are still plenty powerful although they lost their game to Paducah last Friday night 20 to 6; the latter team being a still stronger eleven. The Eagles are considered very good along the aerial route and local fans should have an opportunity to see plenty of fireworks when they cut loose on the Bronchos. Their first string is composed of practically all Juniors and Seniors with the exception of two Sophomores, and according to this one point, should be well experienced on the field.

The Bronchos will be out Friday night to show their real power and also to get revenge for the drubbing that was handed them by the Chillicothe boys last year.

Coach McKnight and assistant F. L. Behrens have been putting the locals through stiff workouts this week, building up their pass defense and putting more emphasis on a fast charging line. McKnight stated that there might be some changes in the Broncho backfield and line to cope with the expected attack of the Eagles

and barring injuries the remainder of the week, the boys should be in perfect condition for the game. At the present time he is giving practically the same probable starting lineup as last week with Bulman, Jenkins, Lowe and Henson in the backfield, and for the line, starting at left end will be Wilson, N. Christie, Selms, Jordan, Clement, White and Heckman.

The probable starting line-up for Chillicothe: F. Kennedy, Morrison, J. Creighton and J. Brock in the backfield and the line, starting at left end, G. Howard, G. Ellis, L. Taylor, Lockard, K. Aulds, Ken Aulds and J. Doyle.

The starting time for the game will be 8 p. m. so be sure to get there on time as this is expected to be one of the best non-conference games of the season. Tickets for this particular game will be on sale Friday and there will be a number of students making the streets so that no one can have the opportunity to say that they didn't have a chance to buy a ticket. The main idea though, whether you buy a ticket or not, is to see the game and let the Bronchos know you are behind them. They appreciated the nice crowd that attended the game last Friday night and will be expecting you there again tomorrow night.

J. B. Estes of Memphis was here on business Monday,

LOCAL BAPTIST REVIVAL MEETING WITH SUCCESS

The Baptist Revival which has been going on since last Wednesday night at the local church is meeting with success and interested crowds have been attending both morning and night. The revival will close Sunday night.

Morning services are being held at 10 o'clock and the evening services at 7:45. A short prayer period is being held each evening at 7:30. All are urged to come 15 minutes early and attend these prayer meetings which include all ages.

The local pastor, Rev. L. A. Sartain is doing the preaching, and W. D. Kidd, choir leader, is conducting the song services. If you love to sing, you are invited to help out in the choir.

A Sunday school attendance goal of 392 has been set for next Sunday. If this goal is reached, it will be the largest to ever be recorded at the local church. Much work is being done this week that the goal will be more than reached at the Sunday school hour next Sunday which begins at 10 o'clock.

JUDGE THOMPSON GIVEN TEN YEAR PRISON SENTENCE

After deliberating 13 minutes Wednesday afternoon, a district jury returned a verdict of guilty in the case of the State vs. Judge Thompson. His sentence was set at 10 years by Judge Luther Gribble.

Thompson was charged with assault with intent to murder with malice. He signed a waiver on an insanity hearing set for Wednesday morning and plead his own case before the 12 man jury, and following the trial he accepted the sentence with no appeal, according to Sheriff Guy Wright.

Mr. and Mrs. Homer Estlack were Amarillo visitors Tuesday.

EVEN PUBLISHERS KNOW QUEENS. Publisher Claude Wells of the Memphis (Tex) Democrat places the crown on the lovely head of "Miss Memphis" nee Peggy Lawrence to officially designate her hostess queen to more than a score of lovely ladies who will gather in Memphis Oct. 2-4 for the West Texas Cotton, Chemurgic & Ceramics Carnival. Visiting queens will compete for the title "Maid of West Texas" and the winner will be awarded an all-expense-paid vacation. All girls, properly sponsored, are eligible for the three-day regal occasion with the exception of Memphis residents. The Queen Coronation is but one of a host of major entertainment events provided for the anticipated thousands expected to witness the gigantic display of natural and industrial resources of West Texas. All candidates for the Queen role must report in Memphis by 6 o'clock the afternoon of Oct. 2 to begin two days and three nights of royal reception.

First 1947 Cotton Ginned Here Last Thursday

The first bale of cotton from the 1947 fall crop was ginned last Thursday by the E. F. Smith Gin Co. and was produced by Kenard Davis, a tenant farmer on the Risley farm near Goldston.

The finished bale was light and weighed 402 pounds. It graded middling 3/8. Mr. Davis did not sell the first bale but received a premium from local merchants which amounted to \$103.50 for bringing in the first bale of the season.

W. H. Strawn who lives just west of town was not far behind, bringing in his cotton to be ginned on Tuesday of this week.

Cotton all over the county is reported opening fast and boll pulling should swing into full gear before very long.

Safe hands guard the future of Texas

They're kindly hands—stern when needed—but understanding always. They are hands of Texas teachers, hands in which lie the future citizenship and culture of our state. These are the hands which conserve the glorious traditions, the manners, the customs and knowledge of the past.

But knowledge is of little value unless it can be put to use for the benefit of mankind, and it is the responsibility of our teachers to give it that value. So, too, other groups in

the state give value to many of the things we hold most dear.

United Gas gives value to a natural resource that might otherwise remain worthless in the ground. By providing a market for natural gas, by constructing pipe lines between wells and consumers, United renders a great service to the state. This is practical conservation, for it gives value to this finest of fuels, stimulates industrial development, creates jobs, and benefits all the families in Texas.

WEDDING SHOWER

A wedding shower was given in the Glenn Williams home Tuesday afternoon, honoring Mr. and Mrs. Warren Hardin. Mrs. Glenn Williams and Mrs. John Goldston were hostesses.

The rooms were decorated with dahlias and asters. The color scheme was orchid and pink.

Many gifts were received by the honoree, all of which she opened and passed for the guests to admire.

The table was laid with a linen cloth on which was placed the punch bowl on a reflector which was surrounded by lace and pink and orchid asters. The lovely decorated two tier cake in pink and orchid was served from a reflector by Miss Francis Dingler and punch was poured by Miss Doris Dingler.

About 50 guests enjoyed this occasion.

Veterans' News
Indications are that West Texas veterans are playing fair with the Veterans administration. Within the last thirty days some 362 veterans have returned nearly 36 thousand dollars to the VA, which they received, but to which they were not entitled, due to having dropped out of training, regional manager Robert W. Sisson, said Tuesday.
When a veteran interrupts his education or training he is no longer entitled to subsistence pay from the VA. Any amount received after termination of training must be returned, Sisson emphasized.
It is the veteran's responsibility to advise the Veterans administration regional office at Lubbock when he stops his training. It is unlawful for him to retain subsistence funds when he is no longer in training.
When a veteran interrupts his training in the middle of the month—failing to notify VA that he is no longer in training—and receives a full check at the end of the month, he must return that check to the Treasury Department, notify VA of the date he stopped training—and a check for the exact amount due him will be issued, it was explained.
In some instances the veteran-trainee cannot avoid receiving over-payments since it is impossible—near the end of the month—for him to notify VA that he is no longer in training in sufficient time to adjust his check. Nevertheless, the excess check must be returned for adjustment.
The fact that most West Texas veterans are promptly returning funds to the VA to which they are not rightfully entitled is evidence of their honesty and integrity, Sisson asserted.
Re-payments to VA range all the way from \$2.17 to a cash refund of \$630.00. Re-payments may be made in three different ways—First, by return of the government check together with a notation on the date training ended. Another check will be issued for the exact amount due up to the end of training. Second, by cash, personal check or money order. Checks and money orders should be made payable to the Treasurer of the United States. Third, by mutual agreement between the veteran and VA, he may continue or re-enter training in an approved course, in which case subsistence will be deducted until over-payment is liquidated.
A veteran who fails to return to the VA which he received after his training ended, or fails to make arrangements to liquidate the over payment jeopardizes his GI rights and makes himself liable to punishment under Federal laws. Inasmuch as such action may constitute fraud against the Government.
Over-payments cannot be charged off against veterans' eligibility. All veterans are notified in writing of the "over-payment" to which they are not entitled.
Mrs. Cal Merchant, Misses Ed-gar Mae and Mable Mongole and Rev. Paul Wright attended the funeral of Mrs. J. S. Wynn at Pampa Wednesday afternoon.

From where I sit... by Joe Marsh

Yes, I'm Guilty!

Folks sometimes criticize us small-town editors for the way we often play up "little things" ahead of big . . . human, local news in place of world events.

I can't deny it. Read the *Clarion* and you'll learn about the Martins' golden wedding anniversary . . . about the community sing down by the river . . . the husking bee at Sober Hoskins', where neighbors helped husk the corn, and later drank sparkling beer together. "Little things?" Maybe. But from where I sit, they add up to the

bigger things we call America: The friendliness of small towns . . . the helping hand . . . the respect for one another's rights. And above all the love of fellowship and freedom—whether it's freedom to speak one's mind or choose between a glass of beer or buttermilk.

I figure that if everybody looks after the "little things," maybe the bigger things will take care of themselves.

The clouds used to sit up high And just go sailing right on by. But man got tired of waiting round For Old Man Rain to come on down; So, now with the weather man's advice, And just a quarter's worth of ice He can keep his crop a looking nice.

We were watching one of these new-fangled "Thirsty Ducks" in a show window; one of us old-timers remarked "It just ain't so." Another one said "One thing for sure, if his Tail was any heavier he couldn't bend over, and if it was any lighter he couldn't straighten up." A youngster passing by took one look and said "That's as old as the hills." Just goes to show how the younger generation accepts things, and goes ahead looking for bigger and newer happenings. Atom bombs or thirsty ducks, it's all the same to them, but to us Old-Timers it is all such a mystery. "It just ain't so."

Some of my relatives are always coming by, and digging up some old story about my boyhood. I just can't believe they are all true. Anyway one of my Aunts says that one time when Mother had gone through a lot of trouble and was feeling blue she said "I

just feel like I could die", and according to the rumor I am supposed to have said, "Mother, if you feel that way, you had better cook us up something to eat." Mama says she believes the story in as much as all I ever think about today, is something to eat. But I don't believe it anyway. I won't ever admit it.

The Editor of the Farmer-Stockman sent us a handful of letters that he had received about our "Column." Thanks, for all the kind words, and let us hear from you again and often.

This is another one of those days when we can't seem to think of anything to write about. Maybe next week will be different, as we are taking a little spin over the weekend down where I spent a lot of my younger days. Anyway, we will be listening for something of interest.

McANEAR ATTENDS RADIO SHOWING IN AMARILLO

J. G. McAnear recently attended a special two-day dealer showing of the new 1947-48 Farnsworth radios and phonograph-radios at Amarillo.

Mr. McAnear stated that The Household Supply Co. had already received some of the instruments and that they were on display at the present time. He pointed out that the Farnsworth line, ranging from small table sets to deluxe console combinations, is comprised of 15 models in 24 different cabinet designs and finishes.

Mr. and Mrs. Adell Williams of Borger spent the weekend here with friends and visiting their daughters, Lois and Iva Dell, who are in school here.

CLARENDON FURNITURE COMPANY ADDS MORE FLOOR SPACE

Frank Thomas, manager of the Clarendon Furniture Co. announced this week the addition of more floor space to the business here.

The growth of the business here has demanded additional floor space for quite some time and we were quite fortunate in being able to lease the adjoining building to the north of us to expand our floor space, Mr. Thomas stated.

The new addition to the business is the building formerly occupied by the Butler Jewelry and Furniture Co. which is now located in the Donley County State Bank Building.

The building will have no front entrance as before as a large door opening has been made between their present building and the newly acquired space and the new floor space will be used exclusively for bedroom furniture and associated occasional furniture, Mr. Thomas added.

BAPTIST REVIVAL AT BRAY SCHOOL HOUSE

Come and have a part in the singing and also in the service and help to make the meeting a blessing to all the community.

Charlie Swinney attended business matters in Amarillo Tuesday.

V. F. W. BURIAL TEAM OFFERED TO KIN OF RETURNED WAR DEAD

Next of kin of World War II dead soon to be returned to the United States for reinterment were advised today that the burial team of Veterans of Foreign Wars Post 8917 will be available on request to accord military honors at funeral services.

Announcement was made by Post Commander Max Rampy, anticipating return of first bodies scheduled early in October.

If desired, the V.F.W. burial team will meet the train on which the body arrives, and participate in services as the next of kin may desire. The crack squad of riflemen and color guard will also participate in military rites.

"Membership of the deceased or any member of his family in the V.F.W. is not a requirement," Commander Rampy pointed out. "We consider it our duty to provide this service for all those who gave their lives in the service of our country."

Next of kin desiring services of the V.F.W. team should write or contact Commander Rampy at Clarendon when they have received notification from the War Department of date and place of arrival of the remains.
