Petition To Be Presented To School Board Tonight

A petition was circulated the first of this week and was being signed by local business men, teachers, band parents and other qualified voters asking the Clarendon School Board to call a special election in regard to raising the school tax rate.

The signed petition was asking for the rate to be raised from one dollar to one-fifty (\$1.50) per hundred dollar valuation. The reason for the entire set-up is to get more money so the teachers salaries can be raised and to buy and erect a much needed gymnasium, petitioners declared.

The petition will be presented to the School Board tonight and should the school board see fit, a special election will probably be called around the middle of next month to vote on the question.

The petitioners declared that from all previous action and indication that the School Board would call the election as at the present time there are insufficient funds to take care of either of the above mentioned items.

The following is a press release from the Texas State Teachers Association and will give you a much better picture of what is happening in the school systems all over the state. Local school officials state that our condition is worse than any of the surrounding towns or possibly the entire state.

The Texas State Teachers Association has just completed a survey among city and county school superintendents to determine the condition in the public schools of Texas. Replies were received from 1,038 superintendents representing 35,874 teaching positions or about 76% of the total in Texas. The turnover in the teacher personnel in the public schools for this year is the greatest in our history, 9,272 teachers or more than 25% were new in their job when school opened this fall.

Of the teachers included in the survey, 5,730 were listed with sub-standard qualifications which represents 1 out of each 6 in the state. Superintendents reporting stated that they had in their school system 2,157 classes with a student enrollment of 40 or more. The national standard for enrollment is 27 students in high school classes and 30 in elementary classes. This overcrowded condition has resulted from the shortage of teachers and, in many instances, a lack of adequate classrooms.

Today, Texas needs at least 9,000 qualified teachers to relieve our overcrowded classrooms, to add to the curriculum many subjects that have been eliminated during the war years, and to replace sub-standard personnel.

Superintendent Charles M. Rogers of Amarillo, retiring president of the Texas State Teachers Association commented that: "Today if our public schools could employ immediately all of the students in the colleges and universities of Texas that are preparing to be teachers, we would not relieve our great shortage. I am sure that we do not have in our Texas institutions of higher learning 9,000 people today who are preparing to become teachers. We must raise salaries in Texas high enough to encourage those now in college to enter teaching as their chosen profession. I cannot see any other solution to the problem."

LARGE CROWD ATTENDS DEDICATION PROGRAM HERE NOVEMBER 11

A large crowd was in attendance Monday morning for the parade and service honoring the service men and women of the county and the presentation of the Memorial Plaque which has been erected inside the Court House.

The Chairman of the Memorial committee presented the Memorial to the citizens of the county and Lt. Col. Charles B. Robinson of the Reserve Officers' Corps, Chaplain, made the response.

Mrs. C. A. Burton was highly complimented for her untiring services as Home Service Chairman of the Donley County Chapter of the Red Cross for the past 29 years. She recently resigned from the job and turned it over to Miss Ruth Richerson.

Donley County Farm Bureau Holds Meeting

Holly Wood, president of the Donley County Farm Bureau, presided at a regular meeting of the organization at the Lelia Lake school house on Thursday night the seventh of November.

Twenty members were present and problems of agriculture and importance of organization was discussed by county agent H. M. Breedlove. Mr. Wood gave a discussion of the importance of the Farm Bureau in present day agriculture and called on all members to help in the present drive to get more members.

Election of officers was held for 1947 and officers elected were as follows: President, Holly Wood of Lelia Lake; Vice President, Cap Morris of Clarendon; Secretary and Treasurer, Luther Butler of Lelia Lake and three directors elected were B. F. Wolford of Lelia Lake; J. B. Masteron of Hedley and Nolie Simmons of Clarendon. The resolution made by the organization that no office was to be held over two years by any of the officers. The meeting ended by serving hot coffee and doughnuts to all present.

FHA Ready To Aid Farmers

Donley county farmers who are unable to obtain operating loans from local banks, cooperative lending agencies or other responsible sources in their communities may seek assistance from the Federal government through the recently created Farmers' Home Administration, according to C. P. Emmett, Donley County supervisor for FHA.

FHA combines in one agency the functions formerly carried on by the Farm Security Administration and the Emergency Crop and Feed Loan Division of the Farm Credit Administration. Mr. Emmett said. It assumed responsibility for their programs on November 1.

The new agency's facilities are available only to farmers who are unable to obtain financing at interest rates not exceeding five percent from banks and other lending agencies in their communities. Eligibility of applicants is passed upon by a local committee of Donley County farmers, who certify, among other things, that the applicant is not able to obtain credit elsewhere.

The production and subsistence loans made by the Farmers' Home Administration are of two types, Mr. Emmett said: annual loans and adjustment-type loans. Adjustment-type loans are similar to the "rehabilitation" (See FHA READY, page Eight)

DRIVER ESCAPES SERIOUS INJURY AS AMBULANCE OVERTURNS

Lloyd Vandeventer escaped with only minor bruises when the ambulance he was driving overturned about two miles north of Goldston Tuesday morning due to a blowout of the right rear tire. The ambulance was a total wreck and Mr. Vandeventer was very lucky to come out of the ordeal without more serious injury. He was coming toward Clarendon when the accident occurred and was riding alone. The ambulance is owned by the Womack Funeral Home and it was understood that Mr. Vandeventer is employed by that firm at Hedley.

American Legion Sponsors Wheel Chair Drive For Donley Co.

The American Legion, Aubyn E. Clark Post No. 126, of Clarendon, Texas is sponsoring a plan to secure wheel chairs and crutches, much needed devices for the treatment of patients in their own homes.

In order that the county may be most conveniently served, these wheel chairs will be located

Pictured above is one of the models of wheel chairs which will be available to the citizens of this county free of charge under the current community service project.

in Clarendon and are for the free temporary use of Donley County residents. Cost of transportation will be the only charge made for the chairs.

These wheel chairs are portable and will provide the comfort of any ill person's needs and desires. They will be described to you and the plan explained by representatives of the American Legion, each bringing a letter of introduction.

This is being launched as a community project and is not a request for donations, as donations cannot be accepted.

MRS. MARVIN SMITH BURIED HERE

Mrs. Marvin Smith of Lefors, wife of a former Clarendon resident, was buried in the Citizens Cemetery here Monday afternoon. Funeral services were held at Lefors that afternoon.

Mrs. Smith was fatally injured last Thursday night in a head-on collision near Lefors as Mr. and Mrs. Smith and his sister, Mrs. Ella Terry of Cee Vee were returning to Lefors from Pampa where Mr. Smith was a lay delegate to the Northwest Texas Methodist Conference.

Mrs. Smith is a step-mother of Mrs. Walter Hagler and Mrs. Marvin Warren, both former residents of Clarendon.

Capt. and Mrs. Led Jay of New Jersey are visiting his parents, Mr. and Mrs. Andrew Jay. Their other son, Capt. John Jay of Enid, Okla. flew home for the week-end and participated in the air show November 11th.

Bronchos To Battle Cyclones Friday Night At Memphis In Last Game of Season

JR. COLLEGE FOOTBALLERS TO PLAY MEMPHIS VETERANS

The Clarendon Jr. College football team, coached by H. M. (Flip) Breedlove, will encounter the Memphis Veterans of Foreign Wars here in a heated pigskin tussle Friday night, November 22nd at 7:30.

This will be the first and probably the only game of the season for the locals, but they have been really putting in the practice time in preparation for this game. The Memphis team will be made up also of ex-high school players and the game is expected to be a stem-winder from start to finish.

Approximately six additional veterans in addition to those enrolled Tuesday night can be enrolled in the first unit. It is doubtful if an instructor for the second unit can be obtained until June of 1947. Any additional veterans seeking to enroll in the work should contact County Superintendent Ruth Richerson at once. Each unit is set up for thirty-six months.

Leach stated that the veterans' administration would purchase each veteran \$152 of farm hand tools each of the three years for his individual use in his farming program. These tools must be purchased from an approved list.

Frank Cannon, a graduate of West Texas State College in the field of agriculture, will serve as director of the first unit in agriculture. Miss Ruth Richerson, County Superintendent, J. R. Gillham, local vocational agriculture instructor, and H. T. Burton, local school superintendent, who are county officials in the program, assisted in organizing the first unit.

AAA Committee Election Soon

Farmers in Donley County will receive notices within the next few days about annual elections of community and county farmer-committees, Mr. Simmons, Chairman of the County Agricultural Committee said today.

Each of the eight farming communities will elect three committeemen and two alternates, as well as a delegate to the county convention where a three-man county committee will be elected.

Mr. Simmons said that approximately 800 farmers are eligible to vote in the elections this year. Eligible farmers are those who are participating in the 1946 Agricultural Conservation Program, or who have a contract with the Federal Crop Insurance Corporation. This includes owners, operators, tenants, and sharecroppers on farms where the conservation program is being carried out. Because of the community property laws in the State of Texas, the wife may vote if the husband is eligible whether he be landlord, tenant or sharecropper.

In announcing the election, Mr. Nolie Simmons urged that all farmers who are entitled to vote to go to the polling places in the community and vote. Since the committeemen are responsible for developing, adapting, and administering national farm programs to meet local problems and needs, it is important that the men elected really represent the choice of the majority of the farmers in the community.

Veterans' School Of Agriculture Started Tuesday

The top-most traditional game of the season will be played Friday night at Memphis with the Bronchos meeting the Cyclones in the last game of the season for the locals.

From all indications, Clarendon will practically move to Memphis to witness the annual affair as they want to push the Bronchos to another victory which will allow them to wind up the season tied with Shamrock for the second place in the District. Wellington cinched the district lead last week when they defeated the Irishmen 28-13 at Wellington with a near capacity crowd witnessing the game. The Irish have lost two games outright but the Bronchos have only lost one and tied two. This gives both teams the same count.

That's enough of statistics and standings. What most all fans are interested in now is just how the game will come out, etc. The Cyclones started the season with what appeared to be a very good ball club and made a very good showing in their first games and then bogged down. They came back to life again when they met Shamrock and were only defeated by one point 12-13. That particular game placed them in the same category with the Bronchos; otherwise the Bronchos have made a much better showing.

Most fans are picking the Bronchos to beat the Cyclones by two and three touchdowns and according to the way things have been going they should, but if Memphis gets all their ropes tied together (which they usually do for the game with the Bronchos) they will give the locals a good fight for the honors and might come out on top if the Bronchos enter the game the least bit over confident. They have some mighty fine material down there and the past is forgotten when this traditional game comes up.

That's the Cyclones side of the picture. Our side, - well, Coach McKnight is the proud papa of twin girls and has been taking his enjoyment out on the boys by putting them through a tough week of training in preparation for the game and indicated that they will all be in there to do their best; at least they haven't been slighted on the practice field.

Any way, whatever the outcome might be, there will be a big bunch from here down there Friday night giving the Bronchos all the moral support possible, and if you want to see the game and don't have a ride, just look around a bit and you'll find one without much trouble.

'47 AAA Program Planned For Donley

The Community Committeemen, County Committeemen, County Agent, Soil Conservation Administrator and P.M.A. District Field Officer, Mr. G. G. Weaver, met in the County ACA Office last Tuesday, Nov. 5th to study the soil conservation needs for Donley County and to select the conservation practices for which P.M.A. assistance will be offered in 1947.

Seventeen of the practices approved for the State were accepted for Donley County. Most of the practices accepted are those with lasting value toward real soil conservation, including terraces, drainage ditches, earthen dams, elimination of destructive plants on pasture land, and others. Some few are recurring practices which every farmer in Donley County should follow to hold the top soil on his land.

Donley county farmers should begin now to plan to carry out every good soil conservation practice that can be carried out on their farm. P.M.A. (AAA) assistance is offered to help defer the cost of carrying out these practices.

Community meetings will be held as soon as possible in which the whole program will be discussed and details worked out. Copies of the Summary of the 1947 Texas Handbook, showing only the practices recommended for Donley County, will be ready for distribution at the meetings.

Mrs. J. L. Allison spent the weekend visiting her daughter, Miss Naomi Allison at Amarillo.

Mr. and Mrs. T. M. Shaver and Mrs. Bill Patman visited Mr. and Mrs. Fred Wewerka and family and Misses Mildred and Helen Martin at Elreno, Okla.

Are You Planning An Orchard?

It is time to start thinking about planting an orchard this winter and the varieties of fruit trees you intend to plant. Varieties adapted to this section are to be a big factor in deciding kinds of fruit to plant and county agent H. M. Breedlove would like to help plan family size orchards for any persons interested.

Breedlove will also order fruit trees for farmers in the county this year and by ordering in large numbers they can be bought at a saving for all persons. Anyone desiring fruit trees can leave their names and number of trees desired with Breedlove as the first order will be placed in the near future.

Family size orchards are important to the family income and diet and when you look around the farm it is easy to see a large place that is not being used will do for a substantial

THE MINUTE MAN—THEN AND NOW

Millions of Americans will see the new Minute Man on a Treasury poster (right) which will spark a nationwide publicity drive in behalf of the savings bonds program from Nov. 11 to Dec. 7. At the left you see the defense and war bond symbol as it was from 1941 to 1945 with the Minute Man turning away from his plow as he grasps his musket in defense of the nation's freedom. In the new design, an adaptation from the famous Daniel Chester French statue at Concord, Mass., the Minute Man has shifted his musket to his left hand but has now grasped the plow of peace again with his right hand. On the base of the peacetime symbol appears the keynote of U. S. Savings stamp and bond program: the word "Security."

LIBRARY NOTES

By Mrs. C. A. Burton

The publishing houses have celebrated Book Week with such wonderfully attractive lists of

books—books for everybody. New Zealand is having a Children's Book Week—and the "Newberry Award" has gone to Stella Morice's "The Book of Weremu"—their first. John P. Marquand, whose books "The Late George Apley"

and "So Little Time" you have read from our shelves, has written his first novel in three years, "B. F.'s Daughter," and 825,000 copies are already in print.

Mazo de la Roche comes to us with a new "Jalna" novel to delight the many readers of the "Jalnas" in the past—"Return to Jalna."

Kenneth Roberts, whose Northwest Passage" became almost a classic, has a new story, "Lydia Bailey," which is the Literary Guild selection for January, and was purchased by Twentieth Century-Fox even before publication.

The Nazis in Holland forbade the distribution of Bibles by the Netherlands Bible Society, but the result was that during the war years more Bibles were distributed than ever before. In the Dutch East Indies, in the face of Japanese opposition, several new translations were added to the already 42 translations into the Indonesian language. A new Dutch translation on the order of the new revision by the American Committee has been completed, and is being widely used.

Dr. Harry Emerson Fosdick has written a new book to be out soon. It is "On Being Fit to Live With," and promises to be as popular as his "On Being a Real Person" which sold 196,000 copies.

"Fabulous Empire", the story of the famous 101 Ranch near Marland, Okla., by Fred Gibson, is attracting much attention, and negotiations for the motion picture rights have already been completed.

Surplus text books—the accumulations from the Victory book drives—have sent to colleges and universities all over the U. S. More than 38 tons were

shipped from the Annex to the Library of Congress in one week. Early in September the Veterans Administration asked the Library to distribute to educational institutions for the use of veterans approximately 2,125,000 surplus United States Armed Forces Institute publications. The 300 titles represented include paper-bound texts for vocational and college courses, sets of pamphlets prepared by the International correspondence schools, and various popular text books bound in cloth.

Through the Department of State in Washington, Columbia, South America, it sent 80 volumes of the works of Columbian authors to the Library of Congress.

Betty MacDonald's "The Egg and I" has held place as a best seller for eleven months, and has 1,108,366 copies in print. Our two copies are constantly "out."

A new book which is getting much attention from the critics is "The Shore Dimly Seen" by the Governor of Georgia, Ellis Arnall. Jonathan Daniels says of it, "A book not merely about the South for Southerners, but about America for Americans. An understanding addition to the literature of real, creative liberalism in the United States."

PLOWIN' OUT THE CORNERS

By UNCLE ZEB

Well, it looks like the Republicans did about what they said they were going to do at the Election; all the time I thought they were just bragging. Now I wonder if they will do all those nice things for us that they have been telling us they would do. Sure hope they don't start telling us that it will take them several terms to get us out of the mess the Democrats got us into. That

old dog won't hunt. Senator Cleghorn's deep south didn't rebel, so if every thing goes wrong we can say "I told you so."

Sometimes our bad tempers get us into a lot of trouble, and it takes a lot of cool thinking to get us out. Everytime that I can hold my tongue and don't get somebody told when they start "raking me over the coals," I always feel like "patting myself on the back" afterwards. If we lose our temper we realize afterwards that instead of just the other fellow making a fool of himself, that we both did.

All this muddy weather makes me think of good roads. In East Texas most of the mail routes and bus routes, and some of the cow trails are paved. Why can't we have some of it up here? Wonder if there is anything we could do about it if we would try real hard? Has anybody got some good ideas? Let's hear from you. Voting for the Good Roads Amendment should have been a good beginning. That is supposed to make road taxes spent on the roads; now how can we get some spent in West Texas on our roads. The schools, the churches, the merchants, and every individual suffers a loss one way or the other from bad roads, and the Heck of it is we pay the taxes, and then pay about three times over again in gas, repairs and time and don't have anything to show for our money. Would some meetings, some organization, and some old fashioned "raising cane" help? or is it a lost cause?

One of the Editors said that he would leave it up to the readers whether he continued this column or not. Can't keep being afraid it won't stand a test like that.

Different people read the same Bible, and come up with a little different doctrine and join different churches and denominations, but the faith and sincerity with which they believe in the author and his promises is the same. Seems to me their rewards in the world to come would be the same.

If Isabella had ice cubes...

Christopher Columbus would never have discovered America! Isabella, Queen of Spain, had caskets full of jewels. She had velvet robes and silken gowns and handsome hand-made shoes. But she had no electric refrigerator! So the jewels were pawned. Three little ships set out against the sea. And Columbus happened on America back in 1492. Fantastic? Not really. In Isabella's day, they tried to keep food from spoiling by spices brought overland at great expense from India. Columbus believed he could reach the Indies by sailing westward on the unknown Atlantic. The rest is in history books. Poor Isabella, with all her clumsy luxuries, never dreamed of ice cubes—nor any of the miracles of modern electric living! Though electricity plays such a great part in today's comforts and conveniences—you're scarcely conscious of electric service. That's because it's always on hand—all you want—at little cost.

MARY ANN BROMLEY BECOMES BRIDE OF JAMES DOUGLAS RILEY

Nuptial vows were exchanged by Miss Mary Ann Bromley, daughter of Mr. and Mrs. Bill C. Bromley on Saturday evening of November 9th at eight o'clock, to Mr. James Douglas Riley, son of Mr. and Mrs. R. R. Riley.

Rev. Hal Upchurch, pastor of the First Baptist Church of Clarendon, Texas, read the singlering service in the parlor of the parsonage.

Those in attendance were the bridegroom's brother and wife, Mr. and Mrs. Leon Riley.

The bride was attired in a blue and brown suit, complemented by brown accessories and a corsage of pink roses and white carnations.

Mrs. Riley has lived in Clarendon all of her life, and was graduated from Clarendon High School in the spring of this year, and entered San Jacinto School of Cosmetology of Amarillo, Texas from which she will be graduated in December of this year.

Mr. Riley received his education here and has served two years in the United States army, and at the present is an employee of Mr. Frank J. Hommel of this city.

This young couple plan to make Clarendon their home.

SIMS P.T.A. TO MEET

The Rev. W. Warrin Fry will be guest speaker at the regular meeting of the Sims P.T.A. Thursday, Nov. 21.

The two fifth grades will be in charge of the program. These programs are an enjoyable occasion to every parent and your presence lends encouragement to your child and his teacher.

ANNA MOORES SWIFT HONORED WITH COFFEE

Anna Moores Swift, bride-elect of Mr. Emmett Simmons, was honored with a coffee Saturday morning at the home of Mrs. Allen J. Bryan with Mrs. Simmons Powell and Mrs. U. J. Boston, co-hostesses.

Pink and burgundy chrysanthemums were used throughout the entertaining rooms to carry out the brides chosen colors.

Coffee was poured by Maxine Ellis from the table which was laid with an imported cut work linen cloth. Dainty pink organdy fans with miniature pink and burgundy corsages at their bases added a touch of interest to the center piece which was a silver bowl containing chrysanthemums of the same shades.

Receiving the guests with the hostesses and Miss Swift were Mrs. J. D. Swift, mother of the bride-elect and Mrs. Nollie Simmons, mother of the groom-elect.

Each guest brought her favorite recipe which was entered in a file presided over by Mrs. Homer Charles Speed. Mrs. Lloyd Benson and Mrs. Frank White Jr. assisted in the dining room. About seventy guests called during the morning.

1912 NEEDLE CLUB

Mrs. A. A. Mayes entertained the Needle Club at her home Thursday afternoon. The guest rooms were made most attractive with vases of lovely fall flowers. Several hours were spent in fancy needle work and visiting. The hostess, Mrs. Mayes, served a lovely plate lunch to guests, Mrs. Eva Rhode and Mrs. B. G. Watson; members, Mesdames R. A. Chamberlain, A. L. Chase, L. S. Bagby, J. T. Patman, J. T. Sims, Sella Gentry, Mayes.

UNITED COUNCIL OF CHURCH WOMEN

The United Council of Church Women met October 30 at the Methodist Church for a covered dish luncheon.

The afternoon program was opened by the group singing "We've a Story To Tell." Mrs. Hanks presided over the business session. Mrs. Frank White Sr. was elected the new vice-president. It was voted to send Miss Dora Jane Armstrong, who is seriously ill in a Dallas hospital, a card from the United Council. It was voted to buy some playground equipment for the negro children's play ground. Rev. Warrin Fry announced that the Episcopal Church is collecting candle stubs to be sent to the European countries. He stated that it would be from five to seven years before the European countries would again have their electric power replaced. So if you have candle stubs, please contact Rev. Fry, or Mrs. Jeffries. The Council voted to take a special offering for "The David Hanks Memorial" at our World Day of Prayer meeting.

Mrs. Jeffries, program chairman, had charge of program. The theme was "Peace." Mrs. Millard Word read the scripture followed by prayer by Mrs. Landreth. Mrs. Hurst sang "The Peace That Jesus Gives." Mrs. Millard Word then gave the devotional, reading from Isaiah. She stressed "Practicing the Presence", the results being Peace within the individual. Mrs. Word ended the devotional by giving a keynote "Lord have mercy on me a sinner."

Mrs. Word then gave a beautiful tribute to one who we all know has worked with patience and untiring efforts, for the community of Clarendon. She has given 29 years of her time for the Red Cross work. She is one who we all know and love - Mrs. C. A. Burton. The offering taken was \$15.75 for the Leper work; \$18.00 for playground equipment and \$13.90 regular offering.

Mr. Mosley from Cooper, Texas visited his nephew and family, Mr. and Mrs. Weldon W. Harkness Monday.

FRIENDSHIP CLUB

The members and their guests of the Friendship Club were entertained by Mrs. Van Eaton at her home Tuesday afternoon. Mrs. Lindsey, president, opened the meeting. At the business meeting plans for a Xmas dinner party were discussed. The rest of the afternoon was spent in needle work and pleasant conversation. At the social hour dainty refreshments were served to guests, Mrs. Joe McMurtry, Mrs. Youree and Mrs. U. T. Devers; Club members, Mesdames Lindsey, J. D. Stocking, J. L. Allison, H. Tyree, J. P. Pool, J. W. Morrison, G. J. Teal, and hostess, Mrs. Van Eaton.

The Club will meet Nov. 26 at the home of Mrs. J. D. Stocking.

PRESBYTERIAN AUXILIARY

Circle No. I of the Presbyterian Auxiliary met Wednesday afternoon with Mrs. A. L. Chase.

Mrs. Park Chamberlain, chairman, presided for the business session and Mrs. W. B. Smith gave the lesson on prayer. Love-ly refreshments were served to 9 members, also one guest, Miss Mary Howren.

Circle No. II of the Auxiliary met at the home of Mrs. Carroll Knorpp Wednesday afternoon. Mrs. Francis Brown had charge of the program. Delicious refreshments were served to 12 members. The Auxiliary will meet Wednesday, Nov. 20 at the home of Mrs. Geo. Green, Mrs. Lee Bell hostess. There will be a special offering for the Orphans at the meeting.

PRESBYTERIAN YOUTH FELLOWSHIP ENTERTAIN

The Presbyterian Youth Fellowship entertained the church officers and their wives, as well as their own parents, with a program and refreshments Sunday Jimmie Howze, the president, had charge of the program. Dean and Douglas Wadsworth, Evelyn and Anne Robinson and Guy Alden Wright presented the different phases of the new Youth Program.

Doris Knorpp and Doris Louise Smith served the guests from an attractive table decorated with red and gold chrysanthemums and gold colored candles. The plate favors were baby 'mums in the same colors.

About 30 guests and members enjoyed the meeting. Mr. and Mrs. Millard Windom are the newly elected sponsors for the group.

1920 CLUB

Miss Mary Cooke was hostess Friday to the 1920 Club at its first post war meeting.

In the games of Contract Bridge, Mrs. Floyd Lumpkin won high score, after which a salad plate was served.

Members present were: Mesdames Sam Dyer, George Norwood, Carroll Knorpp, Walter Knorpp, Warrin Fry, Forrest Sawyer, Floyd Lumpkin, Simmons Powell, B. F. Kirtley, and Miss Charlotte Molesworth. The guests were: Mesdames W. W. Noblet, C. T. McMurtry and Miss Edith McCrary.

JR. BEAUX ARTS CLUB

The Jr. Beaux Arts Club met at the Womens Club Room for their monthly meeting, Nov. 7. Co-hostesses were Elizabeth Talley, and Edna Mahaffey. The program was on the History of American Arts and was presented by Sylvia Fox, Nova Lee Barker, and Edna Mahaffey.

Delicious refreshments were served to the following: Sue Smith, Lucy Brown, Elise Norwood, Dorothy Jean Tatum, Edna Mae Mahaffey, Sylvia Fox, Nova Lee Barker, Billy Jean Knox, June Atteberry, Joy Hoggatt, Ruby Dell Dingler, Lovey Stanley, Miss Lucile Polk and Miss Howren.

CHRISTIAN CHURCH WOMEN HAVE MISSION STUDY

The women of the Christian Church met Wednesday, Nov. 6 at the church for mission study. The program opened with Mrs. Roy Clappitt playing a medley of missionary hymns. Miss Gladys Wright led the devotional, "The Missionary Labors of Paul." Mrs. R. P. Wilson reviewed an article "A Restorationist in Austria", by a former chaplain. Mrs. F. A. White, Sr. told of the plans of another chaplain to return to Italy to carry on the work of a mission established three years ago. After the lesson quiz, the meeting closed with the missionary benediction.

Mrs. Robert Allen of Houston spent the weekend with her parents, Mr. and Mrs. W. B. Armstrong.

MOTHERS CLUB

Members of the Mothers Club met Tuesday afternoon in the club room with Mrs. Homer Bones and Mrs. Fontayne Elmore as hostesses.

Mrs. Bill Riney presided over the business meeting. An interesting program was presented by Mrs. Bill Weatherly and Mrs. Walter Clifford.

Refreshments were served to Mesdames Walter Clifford, Bill Riney, Nelson Anderson, Dalton Swinney, Jr. Spier, Leondis Yankee, R. Y. King, Homer Estlack, G. W. Estlack, Geo. Thompson, W. C. Mooney, Lloyd Risley, Dr. Laura Lowell, and the hostesses, Mesdames Homer Bones, Fontayne Elmore.

Bob McGowan returned home Wednesday from a visit with his daughter, Miss Fannie McGowan, at Prescott, Arizona. He was delayed on his return trip by a big snow storm in that section.

Mr. and Mrs. Heckle Stark were in Amarillo on business Saturday.

Mr. and Mrs. E. L. Lamb and family and Mrs. Gladys Chunn visited Mrs. Lamb's parents, Mr. and Mrs. J. E. Hunt the weekend.

Cleta Fern Phillips who is bookkeeper for the Western Loan Co. of Pampa spent the weekend with her grandparents, Mr. and Mrs. J. E. Hunt.

Mrs. Gladys Chunn will soon join her husband in Germany.

Church Services—11:00 a. m.
Youth Fellowship—6:00 p. m.
Evening Evangelistic Services—7:00 p. m.

You have only a few years to sponsor Christ's righteousness in a sinful world. Let us be about our Master's business.

METHODIST CHURCH
H. W. Hanks, Pastor

We are indeed glad to be back for another year with the good people of Clarendon. We appreciate the many tokens and words of appreciation. We want to make this the best year we have ever had. To do this it will be necessary for all of us to pray much and work together in the spirit of the Master. I want each of you to know that I want to help each of you in any way I can. I want your prayers.

Next Sunday's Program
S. S. at 9:45. Preaching at 10:50. At the morning hour we want to have an installation of the stewards. So let each steward be present. The service will be incomplete if any one of the stewards should fail to be present. The young people and intermediates meet at 6:15. Preaching at seven. Brethren and Sisters and friends pray for us.

Mrs. J. F. Ferkner of Memphis visited Monday with her daughter and family. Mr. and Mrs. Frank Hommel. Her granddaughter, Geraldine Hommel accompanied her home for a night visit Monday night.

Franc L. McCluer

Dr. Franc L. McCluer, president of Westminster College, Fulton, Missouri, and an elder in the First Presbyterian Church, of Fulton, will be the speaker on the Presbyterian Hour, next Sunday morning, November 17, 1946, at 7:30 A. M., over an independent network of southeastern radio stations.

Born in Missouri, Dr. McCluer was graduated from Westminster College in 1916. He also took postgraduate work and received the Master of Arts degree in 1920. What Is CREDIT

???

It's simply faith --- the faith folks have that you'll pay your obligations promptly. Guard it like a precious jewel. Once lost it takes years to recover. Once gained, it makes the best friend you'll ever have.

If bills are owing, you can wipe the slate clean with a bank loan and repay us by the month. Best of all --- you keep your credit good.

18th Dist. Convention of American Legion Amarillo, Nov. 16-17

Amarillo, Nov. 12—Ed Riedel, Austin, Chef de Gare of the 40 and 8, Grand Voiture of Texas, and past Department Command-

er of the Texas Department of The American Legion, will be one of the chief speakers at the combined 18th District Convention and Grande Promenade Saturday and Sunday, November 16-17, at Amarillo.

James R. Moore, Amarillo, 18th

District Commander, will preside with Hanson Post No. 54, Amarillo, as host.

Registration of delegates will begin at 9 a. m. Saturday at the Herring and Amarillo Hotels. Convention Headquarters will be at the Herring. At 1 p. m. the 40 and 8, Legion fun and honor organization, will convene for the District promenade. Otto Landis, Amarillo, 18th District Chef de Gare will preside. Chief business on the agenda is the election of a new Chef de Gare and other District officers. At 2 p. m. an initiation 'wreck' will be held with Voiture 689, Amarillo, in charge of ceremonies.

The Child Welfare Banquet for all registered delegates will be at 7 p. m. at the Crystal Ball Room of the Herring Hotel with a dance scheduled for 9:30 p. m.

Sunday morning all Commanders, Adjutants, and Rehabilitation officers will breakfast at the Herring as guests of Commander Moore. A band concert at the City Auditorium by the Sam Houston Junior High School Band will follow the breakfast at 8:00 a. m.

A joint session of the Legion, Ladies Auxiliary, and 40 and 8 will convene at 9:30 a. m. to hear Chef de Gare Riedel. A mass initiation of new members into the Legion is scheduled for 11:00 a. m. followed by a Memorial Service.

The main business session of the Convention will get under way at 1:30 p. m. at the City Auditorium with the Hon. Eugene Worley, United States Congressman, 18th District, scheduled to deliver the principal address. The delegates will consider and formulate plans for the ensuing year, Commander Moore has announced.

Other distinguished Legionnaires besides Chef de Gare Riedel who have indicated their intentions of being present are: George S. Berry, Lubbock, 5th Division Commander; Bob Marr, National Field Representative; and Sid Lowery, Lubbock, Regional Service Officer.

Hotel reservations are in charge of Bill Sansing, Chairman, American Legion Housing Committee, Chamber of Commerce, Amarillo, Texas.

From where I sit... by Joe Marsh

How to Handle a Fortune

Some months ago I reported in the Clarion how Mel Bate's uncle died up north, and left him with a tidy fortune.

Naturally, our town was curious to see how Mel would spend it: Traveling around the world... wearing fancy clothes... or dining on cold pheasant and champagne...?

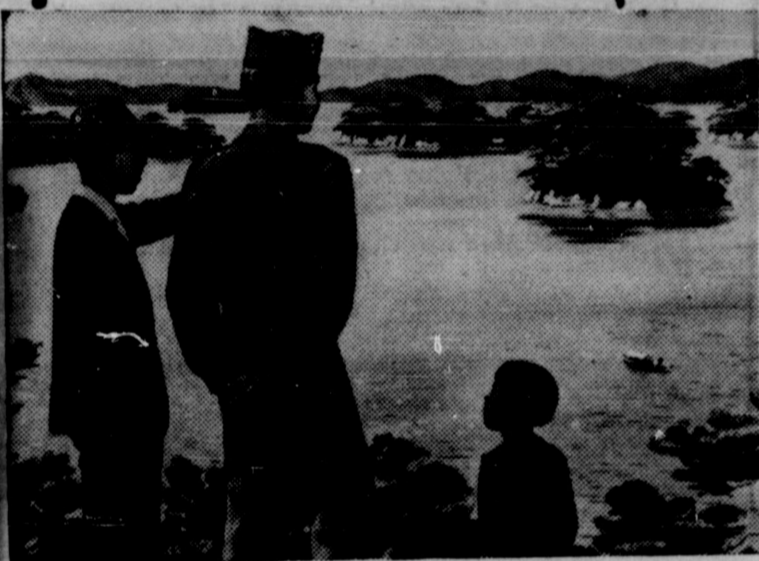

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his shirt sleeves by the fire, chatting

with the Missus, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, homey life; companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a new life—with interesting work, sports, entertainment and travel opportunities—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 6th, 7th, 24th or 25th Infantry Divisions.

What an opportunity... what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language. Learn the fascinating details of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These—familiar haunts of pre-war tourists—and many new developments—provide a broad choice of recreation.

Not everyone can measure up to this job. Only 3-year enlistees who meet prescribed physical and mental standards can enjoy the benefits of such a job. High overseas pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss! See your nearest Army Recruiting Officer for full details.

County Agent Urges Killing of Fruit Tree Borers

Ethylene dichloride emulsion can be applied for the control of borers in fruit trees any time during the fall, winter or early spring months with good results. Best results will probably be obtained in the fall at the end of the egg laying period of the borer moths, when most of the borers are small.

The emulsion can be applied either by spraying or pouring. The quantity should be regulated rather closely since application much in excess of the recommended dosage may cause injury to the tree.

H. M. Breedlove, county agent for Donley county, requests that

all persons desiring to kill borers in fruit trees by this method to call by his office so he can give them the proper formula to be used on various kinds of fruit trees. Applications are made by wetting the soil immediately surrounding the tree. No preparation of the soil is necessary on loose level soil. It is necessary some times to cup the soil around the tree to keep the liquid from running away from the tree. In tight soil it is necessary to work the soil so that the liquid will absorb into the ground rapidly.

The Extension Service experiment stations have advised county agents that this method is very effective and if used this winter should help to control the borer in fruit trees. Breedlove is recommending this treatment and formulas are available in his office for all persons who have had this trouble with their orchards.

FHA Ready-

(Continued from Front page)

loans formerly made by the Farm Security Administration. They are based on improved farm and home management plans worked out jointly by the borrower family and FHA supervisors. These plans call for home production of feed and of the family living as nearly as possible; for several sources of cash income for the farm, and improved soil conservation practices and the best land utilization. The loans may be made for farm operations, for purchase of additional livestock and modern tools and equipment for the farmer, and canning or other needed equipment for the farm home—in fact for anything needed to put the farm and home plan into operation. The loans are accompanied by on-the-farm assistance in farm and home management problems provided by FHA supervisors. Repayment may be made over a period of up to five years.

Annual loans are operating loans made without a farm and home management plan, but must be repaid within 12 months. They are similar to the type of loans formerly made by the Emergency Crop and Feed Loan Division of the Farm Credit Administration.

Under the provisions of the law creating the new agency, production and subsistence loans may not be made to any one borrower for more than \$3,500 in any one year; total indebtedness of any one borrower to the agency is restricted to \$5,000. The loans bear five percent interest. Borrowers indebted to the Farmers' Home Administration for five years may not obtain further credit until their indebtedness has been paid in full.

Mr. and Mrs. W. B. Haile of Borger visited their daughter and family, Mr. and Mrs. Clyde Martin Monday night.

Mr. and Mrs. Luke Skelton and son Bobbie returned home Tuesday from a visit at Littlefield with Mrs. Skelton's sister and husband, Mr. and Mrs. L. H. Smith.

Weekly SURPLUS NEWS

A fair value of \$1,338,312 has been established on the Continental Carbon Company plant at Sunray, Texas, it was announced by War Assets Administration. This is the first step toward the disposition of this property through a competitive bid sale. It is expected the cut-off date on receiving bids will be set within two weeks.

Long sought motor vehicles for which veterans have held certificates from WAA, in some instances for many months, are to be available in a one-day sale at Camp Hood Tuesday, Nov. 26. More than 130 used passenger sedans, pickup trucks, Jeeps, weapons carriers, truck tractors, motorcycles, carryalls and other former army equipment recently declared surplus, will be sold. Inspection at Camp Hood may be made from Nov. 18 to Nov. 25, except Saturdays and Sundays. Oldest dated certificate holders will be served first on the day of the sale.

Rubber heels—more than 400,000 pair of them are waiting to be claimed by veterans, and other priority claimants. And they are right on hand too—at the Fort Worth QM Depot. WAA offers them starting Nov. 7th at low prices to get them in circulation quickly. Veterans may buy

for as little as 4 cents a pair and quantity purchases are from 6,000 to 60,000 pair minimums, depending on the business classification. Orders may be placed with the Fort Worth WAA office, T&P Bldg.

All silk—and a yard wide, that's the latest War Assets Administration offer—and exclusively to veterans of World War II. A million yards of pure silk in taffeta weave, 36 inches wide, 800,000 yards of which is in natural white. Minimum purchases are set at 5000 yards—maximum at 30,000. Prices range from 90c a yard for green and brown camouflaged silk to \$1.15 for white. Veterans must submit case number and date of preference certificate with orders to WAA. Orders should be placed with the Louisville, Ky. WAA office.

The toy market for the Christmas season is having its troubles supplying the demand, but WAA did its part to help alleviate that shortage. Some ingenious toy manufacturers have purchased \$3,000,000 (original cost to the government) worth of GAS MASKS which they have converted into toys for the Christmas trade.

Mr. and Mrs. Frank Whitlock spent Sunday night and Monday with their son and family, Mr. and Mrs. Heavy Whitlock, and Mr. and Mrs. Clarence Whitlock from Lubbock at Amarillo.

Ben Tom Prewitt visited his parents, Mr. and Mrs. Prewitt the weekend at Estelina.
