

Winners Named In Intramural Boxing Event

The final night of the Intramural Boxing tournament last Thursday night drew a large crowd of boxing fans to witness one of the best group of boxing bouts held this year. Practically every one of the fifteen bouts brought the fans up in their seats with excitement as there was hardly a dull moment outside of the rest periods between rounds. The event named winners in each weight division entered in both the grade and high school divisions and this was no easy job in many of the bouts for the out of town judges as there was plenty of determination and boxing skill displayed by practically all contestants. In some of the bouts, the winners carried only from two to five points difference or in some cases were stopped by the referee due to some type of injury. All in all, the fights were all good and Clarendon has a very good group of boxers that would look good in any ring against the best of fighters in their class. We want to commend all of the boys taking part in the event for their sportsmanship; they are all a fine bunch of boys whether in the ring or on the outside. The winners of the tournament from both nights are as follows with the winner in each weight division named first and then their opponent. Grade School: 55 lb.—Glenn Mace dec. Skeeter Andis. 60 lb.—Mike Davis dec. Jimmie Carter. 65 lb.—Gordon Moore dec. James Bryan. 70 lb.—Corky Andis dec. John Payne. 75 lb.—Bob Davis dec. Bill Porter. 85 lb.—Bennie Edens dec. Danny Phillips. 90 lb.—Hubert Kidd dec. Leon Youree. 112 lb.—Ronnie Phillips dec. Rodney Youree. 147 lb.—Pecos Phillips dec. Jack Trussell. High School: 90 lb.—Bob Adams dec. Glen Sanders. 105 lb.—Jerry Morgan won over Lyvon McBrayer by forfeit. 112 lb.—Kenneth Davis tko'ed Jimmie Beard. 118 lb.—Ralph Nichols dec. Ray Morris. 135 lb.—Gene Bulman tko'ed Red Carter. 147 lb.—Kenneth Stone dec. Bob Beard. 160 lb.—Dan Whitsell dec. Billy Joe Baker. 175 lb.—Sidney Harp ko'ed Douglas Lowe.

Donley County To Declare War On Bindweed

Control of bindweed will start in Donley County within the next week, County Agent H. M. Breedlove stated this morning. It is necessary for the bindweed to have quite a bit of growth before the program starts because the 2-4-D which will be used for spraying the weed must be absorbed through the foliage of the plant in order to get the proper kill. Temperature is also another big item in bindweed control as the temperature should be in the eighties when the weed is sprayed. Twenty-six farmers have signed up in the county agents office for the use of the sprayer machine to be used on their farms for controlling bindweed. The land where the weeds are growing is completed wasted because when a good stand of bindweed covers the ground nothing else will grow on this spot. Experiments in the past have shown that about ninety percent of bindweed can be killed the first spraying.

J. D. GARRISONS HOLD OPEN HOUSE APRIL 24

Mr. and Mrs. J. D. Garrison held open house Thursday, April 24th for their many friends and acquaintances on Mr. Garrison's eightieth birthday. Mrs. J. H. Howze and Mrs. Lacy Nobles furnished piano music for the afternoon. Vocal solos that were used included "Silver Threads Among The Gold" and "In the Land Where We Never Grow Old." Mr. and Mrs. J. E. Bond from Hedley sang "Look for the Beautiful." Mrs. Monty R. Garrison, Mrs. J. D. Garrison and Mr. J. D. Garrison, the honoree, formed the receiving line to meet the many friends at the door. Refreshments for the afternoon were cake and ice cream. The three tiered birthday cake was decorated in pink and yellow with eighty candles on it. The guests registered in the birthday book at a table decorated with yellow jonquils, tulips, and irises. Approximately 75 guests called during the afternoon. Out of town guests included Mr. and Mrs. Martin Duke, Tulsa; Mr. and Mrs. Monty R. Garrison, Vernon; Mr. and Mrs. Claude Bagwell, Claude; Mr. and Mrs. O. D. Rhoades, Abernathy; Mrs. George Byard, Mrs. Walter Hogge and Mrs. Robert Garrison, all of Claude. Mr. and Mrs. Garrison are long time residents of this section, having moved to Clarendon in 1924 from Claude, where they had lived many years.

Dodgers Lose To Kirkland 11 to 9

The Clarendon Dodgers lost the second scheduled game of the season to the boys from Kirkland Sunday afternoon by a score of 11 to 9 in a free-hitting game all the way through. The locals out hit their opponents 14 to 10 and also held the top edge in errors. Howerton led the Dodgers for hits getting 4 out of 5 and Seago and Billy Mooring got 3 out of 5 each. The Dodgers will go to Quanah next Sunday. Anyone who can go and will have extra room for any of the players are asked to please see Bill Adams and let him know how many you can take. They are going down and do their best to win this game and it is understood that there will be a change made in the line-up in order to increase the hitting power. The locals will leave here at 11 a. m. Sunday, so all ball players are requested to be on hand at that hour. Mobettie took over undisputed possession of first pace in the Red River Valley baseball league when they trounced Quanah 2-0 Sunday. Six teams are tied for second place. Quail subdued Memphis 5 to 2, Childress took a 10-inning affair from Wellington 3-2.

LEAGUE STANDING

Table with columns: W, L, Pct. Mobeettie 2 0 1.000, Kirkland 1 1 500, Childress 1 1 500, Memphis 1 1 500, Quanah 1 1 500, Wellington 1 1 500, Quail 1 1 500, Clarendon 0 2 000

LOCAL FISHERMEN BRING HOME THE FISH

A party comprised of Bert Smith, Bert Jr., Richard Maxey and Henry and Gilbert Mann returned home Monday from a five days fishing trip to Lake Saline and reported a wonderful catch and brought along the fish to prove their boasts. Mr. Smith reported that this fishing paradise was located about 80 miles south of Shreveport, La. and near Clarence, La. They stayed at Durham's Camp where he said they had everything a man needed to fish with. Their catch included white perch, bass, channel cat, yellow cat and crappie, weighing up to 5 pounds.

Piggly Wiggly Changes Hands This Week

Tommy Bandy of Amarillo and formerly of Happy, has purchased the interests of U. J. Boston in the Piggly Wiggly store here and took over active management of the firm Monday of this week. Mr. Bandy has been associated with the grocery business all his life and for the past two years has been operating a grocery business in Amarillo. He is a graduate of Texas Tech at Lubbock. Mr. Bandy stated that he liked Clarendon fine and certainly appreciated the friendly spirit here. In selling his business here, Mr. Boston stated that he would now turn his attention to his other grocery interests in the Panhandle area.

THEATRE TEAM WINS BOWLING TOURNAMENT

The City Bowling Tournament ended Friday night with the Mulkey Theatre team bowling their all time high score of 2791 pins to win the tournament in fashion. The pressure bestowed on this team must have been responsible for the whip cracking. Something forced them into rolling their all time high for the three games and also the high single series of the entire tournament which was 1053 pins, giving each man an average of 210 3/5 for that game. Had they lost this match it would have thrown them into a tie with four other teams, which didn't look too good; so they bowled their hearts out to prevent the chance of losing in the run off had they lost. The Theatre team composed of Dan Clinton, Gene Bryan, Rev. W. W. Fry, Sam Lowry, Jimmy Jenkins, and Bob Bentley are proud of their victory and enjoyed the clean play and sportsmanship of the tournament. This team, as well as their sponsor, Lee Bell, are proud of the trophy they won as well as their medals. The trophy will be on display in the Mulkey Theatre as soon as the engraving can be completed. Paul Schull proved his ability as the best bowler of the tournament with an average of 199 7/27 for 27 games. Paul appreciates his winning as it was a personal accomplishment with plenty of strong competition. J. B. Melton with 193 23/27, Gene Bell with 191 11/27, Geo. Thompson with 190 1/27, and F. G. Crofford with 182 14/27 were the men close to Paul's high for the top average. Others showing plenty of fight were Dr. H. R. Beck, Gayle Pycatt, Homer Taylor, Gene Putman, Arthur Davis, Jimmy Jenkins, C. L. Benson, Wuck Adams, Shin Maxey and many others who showed plenty of good bowling and also had good averages which would be hard to beat anywhere. The final team standings are as follows, though there is strong talk among the bowlers that things will be different in the next city tournament which will probably get underway by June if not before. In the meantime there will probably be held a Sweepstakes singles tournament or Ragtime doubles.

Mulkey Theatre 6 3, Bryan Clothing Co. 5 4, Foxworth-Galbraith Lbr. 5 4, C. J. C. Outlaws 4 5, Sundell & Estlack Mach. 4 5, Tompson Bros. Hwd. Co 4 5, Cooca-Cola Bottling Co. 4 5, Whitlock Barber Shop 4 5, Palmer Implement Co. 4 5

Mrs. R. A. Chamberlain Underwent a Minor Operation Friday at the Cook Memorial Hospital at Ft. Worth. She is doing nicely.

If Congress, the Courts, or We The People don't find a way soon to solve our Labor problems, it is going to become a serious threat to our democracy. I never did believe in any of the strikes that were called by some of the Farmers, but if no one else can solve the problem, I wonder sometimes what would happen if we would organize solidly, and then when we didn't have machinery, and most everyone else quit work, we could just stop too. This might go a long way toward helping solve the problem. Maybe two wrongs don't make a right, but we can't help wondering sometimes.

Heard a man say the other day, that he was physically able to retire, and financially able to keep on working.

When the Courts and the Government withdrew the fine against certain unions and this money was used to help promote other strikes, you could almost say they were helping to promote the strike.

Why should the World pay so much attention to what Mr. Wallace has to say? He is just one of a 140 million Americans, and they don't pay much attention to what you or I say. I don't get it.

Just thought of another Spring poem. I know Mama won't like it, and I will probably get insulted again, but I thought some of you might agree. Any-way during this time of year I just can't help thinking these kind of thoughts. My Neighbors work and sweat and toil. To keep the weeds from off their soil. "But what the heck", says I, with a smile, For the frost will get them after while.

Sometimes we are in a group of people and the atmosphere is friendly, and everyone is having a good time, and some one person can walk up and suddenly the feeling is tense, arguments will start, and you will suddenly wish you were at home. I have never understood this; some people just naturally seem to spread sunshine, and make everyone they pass feel happier, while others seem to be the very picture of gloom, and go down the street spreading hate and discontent and arguments to everyone they meet. I have never met a man yet that did not want to be liked, and that man did not want to have friends. Then, why do so many of us make this serious mistake?

I still wish some one would come up with a good idea on paving more of our country roads. Every time we get stuck in a mud hole we pay for a pretty good chunk of paving in repairs and gasoline. If it would help, our schools, our churches, our pocket-book, and our disposition, then why can't we have it?

Clarendon's first Court of Awards for Girl Scouts will be held Sunday at 2:00 at the Park. Troop No. 1 of the Intermediate Scouts, whose leader is Miss Maxine Ellis, will receive Second Class Badges. Mrs. C. B. Morris' Senior Girl Scouts will receive their Hostess Badges. Mrs. Joe Jones is assistant leader of the Intermediate group I troop.

COURT OF AWARDS FOR GIRL SCOUTS TO BE HELD SUNDAY

The public is cordially invited to attend the ceremonies. In case of inclement weather, the Court of Awards will be held at the Episcopal Church instead of the Park. Mrs. N. C. Hudson and daughter, Mrs. Forest Helton and the small sons of Happy, Texas visited the day Thursday with her mother, Mrs. L. M. McCracken and sister and family, Mr. and Mrs. Jim Heckman.

F. F. A. Judging Teams Win At Lubbock

Teams of the Clarendon Future Farmer Chapter ranked second in final ranking of all events at the annual Texas Tech Area I judging contests held at Lubbock, April 26, in competition with 174 teams from sixty-two schools from Alpine to Perryton. Lubbock won first place in the sweepstakes or final ranking nosing out Clarendon by one point. The local milk judging team won that event by a wide margin with Gilbert Stewart, Jack Stone and Duane Littlefield ranking first, second, and fifth as individuals and qualifying for the state contests to be held in August. The poultry team composed of Lyvon McBrayer, Tommy Murphy, and B. G. Spier ranked third and McBrayer was the high point individual of the entire contest. The livestock team composed of Bob Clifford, Vernon Goldston, and Buster Bain ranked eleventh. The rankings of the crop team composed of Glen Sanders, Ralph Nichols, and Billy Smith, and the dairy cattle team composed of Ray Morris, Jerry Morgan, and Gene Bulman is not known at this time. The poultry team also qualified for competition in the state contest as the high three teams in each event may enter that contest.

SOIL CONSERVATION OFFICE OPENED HERE

The Donley County Soil Conservation District has opened offices here in the Goldstar Bldg. with Mr. Carmen Rhode, formerly of Childress, in charge. It is understood that he will have an assistant who will be named at a later date. Mrs. Jackie Phelps will be his secretary and will be in the office during the regular hours to assist anyone coming in. The district supervisors are now ready to receive applications for aid on ranch and farm land such as terracing, drainage, spreader dams or any other conservation practices. The office here will render technical aid to all those who request the conservation service.

J. L. McMURTRY INJURED TUESDAY AFTERNOON

J. L. McMurtry, prominent rancher, received a broken leg and various cuts and bruises when his auto got out of control late Tuesday afternoon and crashed into a ravine 20 feet deep. He was taken to an Amarillo hospital for treatment. The accident occurred when Mr. McMurtry was returning home from his ranch and had just turned off on the cut-off road from highway 66 east to Jericho. He remained in his auto for quite some time blowing his horn to attract attention before a motorist stopped to render aid. He was reported resting very well at the latest report.

DISTRICT MEETING OF COUNTY AGENTS AT WICHITA FALLS

A district meeting of county agents and home demonstration agents will be held in Wichita Falls on the 8th and 9th of May. County Agent H. M. Breedlove was advised this morning by J. A. Scofield, district agent. The meeting is to discuss agricultural programs in the county and to receive latest information from several Extension specialists who will attend the meeting. H. M. Breedlove will attend this meeting from Donley County.

CHAMBERLAIN INSTALLS PERMANENT OFFICERS

On Friday night, April 25, members of the Chamberlain Farmers Union Local met at the Chamberlain schoolhouse to elect permanent officers. Elected were Alfred B. Ivey, president; Wilson E. Dolman, vice-president; H. A. Harrison Jr., secretary-treasurer. Appointment of other acting officials will be made at the next regular meeting. John Gordon, Farmers Union representative, assisted the group with the business session. Mrs. W. E. Dolman presented the entertainment program which consisted of piano numbers, a reading and a song. After adjournment the teen agers danced to phonograph music, the youngsters played various games under the supervision of Mrs. Dolman, and the older folks enjoyed several hands of "42". Refreshments of pie and coffee were served. The social hour was enjoyed by old and young alike. Everybody is cordially invited to attend the next regular meeting of the Chamberlain Farmers Union Local which will be held the latter part of May.

GEORGE L. HEATHERLY BURIED HERE SATURDAY

Funeral services were held last Saturday afternoon at the Church of Christ for George L. Heatherly with W. T. Hines, minister, officiating. Mr. Heatherly, age 71, passed away Thursday, April 24 following a quite lengthy illness. He was a retired carpenter and a resident of Clarendon for the past 15 years. He is survived by four sons, Tom of Lubbock, John of Atoka, Orlin, Hubert of Clarendon and Gordon of Amarillo; four daughters, Mrs. Anna Ford, Mrs. Thelma Jones and Mrs. Lois Carrol of Amarillo and Mrs. Bess Wallace of Plaindealing, La. Also seventeen grandchildren and four great grandchildren. Pallbearers were Olin Bain, L. L. Wallace, Homer Parsons, Joe Batin, J. I. Spurgeon and W. L. Butler. Burial was in Citizens Cemetery with the Murphy-Spicer-Buntin Funeral Home in charge of arrangements.

Mr. and Mrs. Ollie Hommel of Alanreed visited Mr. and Mrs. Frank Hommel Tuesday.

Old Time Box Supper This Monday Night

(V.F.W. Reporter) Next Monday night, May 5th, is an occasion that has been anxiously awaited for several days. Yes, we sincerely believe you won't be disappointed in our attempt to revive a type of good entertainment that seems to have been almost forgotten. The box supper is to be held in typical old-time fashion at the college auditorium. The fun and frolic is to begin at 8 p. m. Along with the auctioneering which is to be done by Hubert Bradshaw, there will be string music and a few numbers by local students displaying some of the hidden talent of the community. As the final event of the evening, the name of the lucky person will be drawn to find the very fortunate owner of a sparkling new 7 cu. ft. Frigidaire. The proceeds of this event will go to the general V.F.W. fund. There is some much needed equipment yet to be purchased. We ask the help of the public to make this box supper a success in order that the organization may have a firm start and fulfill its original aim. This aim is to be of as much help to the community as possible. So all you ladies prepare a box or pie and all you gents bring the money to buy them.

Services For Prominent Youth Held Monday

Funeral services were held Monday afternoon at the First Baptist Church for Charles Leroy Butler, with Rev. Hal Upchurch officiating, assisted by Rev. J. D. McDaniel of Claude. Leroy died instantly when the auto in which he was riding crashed into the rear of a truck four miles north of Panhandle last Thursday night about 10:30. He and his brother Leslie were returning home from Borger when the accident occurred. Leslie is still in a Borger hospital suffering from a crushed chest and various lacerations. He is reported much improved at this time. Leroy's death came as a great shock to practically every resident of Clarendon and surrounding communities as he held the admiration of young and old alike for his personality, courtesy and ability. He was one, if not the youngest, business man in Clarendon. He would have attained his 18th birthday May 6th of this year. He has always been known as a hard worker and a hustler since a very small boy. For the past several years he has held down responsible positions with several local business firms, and in November 1946 went in with his father J. C. Butler and established the Butler Jewelry & Furniture Store. He took the lead in the furniture department of the business and was building his volume of business right along. He has made Clarendon his home since early childhood, coming here from Claude. All business firms in Clarendon closed their doors during the funeral hour in tribute to this fine young business man. Leroy graduated from the Clarendon High School last year. He was quiet spoken and business minded. He was respected and held the admiration of his fellow students. Many a person has stated that they had never heard a comment about Leroy that was not worthwhile or not complimentary. He was a fine young man and his memory will linger with us for many many years. He is survived by his parents, Mr. and Mrs. J. C. Butler; five brothers, Earl, J. W. and Clyde of Borger, Glenn of Claude and Leslie of Clarendon. Two sisters, Mrs. Loren Rhodes of Amarillo, and Mrs. J. R. Cowan of Borger. Also his grandmother, Mrs. S. W. Butler of Clarendon. Pallbearers were Billy Roy Blackman, Jimmy Douglas, Dudley Trussell, Jimmy Palmer, Max Keys, Joe Lovell, Gene Adams and Wendell Davis. Honorary Pallbearers were Howard Stewart, L. T. Whitlock, Bill Todd, U. J. Boston, G. W. Bradshaw, Ralph Decker, Ben Buck, U. Z. Patterson, Tom Roberts and Glenn Churchman. Flowerbearers were Betty Jean Decker, Elise Norwood, Eri Etta Cannon, Dorothy Tatum, Joe Ann Blackwell, June Atteberry, Mrs. Mary Ann Riley, Ira Jean Estlack, Lovey Stanley and Mrs. Dorothy Nell Darby. Burial was in the Citizens Cemetery with the Murphy-Spicer-Buntin Funeral Home in charge of arrangements.

Attendants at the funeral were relatives of Mr. and Mrs. Clyde Butler who attended the funeral of their son Leroy Monday were: Mrs. Butler's brothers Bynum Jordan of Hot Springs, N. M., and Bee Jordan and daughter Jo Ann of Ft. Worth; her sister, Mrs. Fay Hearne of Ft. Worth; an uncle, Mr. E. R. Jordan and a cousin, Mr. and Mrs. C. R. Jordan and son all of Ft. Worth; Mr. Butler's brother, Mr. and Mrs. Walter Butler of Lubbock, an aunt, Mrs. Hensley of Shawnee, Okla.; cousins, Mr. and Mrs. Bert Freeman of Weatherford, Texas and Mrs. Bell Freeman of Bowie.

What Is Management?

Management is as old as the hills. There is nothing complicated about it at all. It is a natural function of human society.

A man and a woman marry, set up housekeeping, and raise a family. Both are managers.

They manage as they buy a home, educate the children, plant a garden, pick out a car, a refrigerator, a piano. A hundred decisions a day around the house are management decisions.

Management occurs at all levels in government, charity, education, lodge. It is the plumber with his helper, the elevator starter, the superintendent of schools, the master of the grange.

But in America, management probably has had its most scientific application in business.

Business management, even before World War I, helped build up a volume of production surpassing that of any other nation. In World War II, the results were even more spectacular. America outproduced all other countries combined.

By 1941, the value of an hour of work in terms of the staple necessities of life, bread and butter, had so been raised that an American could buy from two to eight times as much as a man in Europe. This didn't just happen. Neither the men and women in industry nor the money in industry can be effective without good management. Nothing else is so important to the workers' welfare, the investors' welfare or the public welfare.

Mr. and Mrs. Edgar Talley and family spent Sunday with Mr. and Mrs. Perdue of Hudgins. Mr. and Mrs. Dick Eichelberger spent Sunday visiting Mr. and Mrs. H. M. Stewart. Mr. Stewart is ill but is improving at this time. Trixie Lee and Donna Lynn Goodjoin are visiting Mr. and

Mrs. Leonard Putman. Mrs. Jones is visiting Mr. and Mrs. Hatley at this time.

Mr. and Mrs. Dick Eichelberger visited Mr. and Mrs. H. C. Smith awhile Saturday night.

Mr. and Mrs. Jack Gray and son visited Mr. and Mrs. Leonard Putman this weekend.

From where I sit... by Joe Marsh

We Got to the Fish Fry After All

That community fish fry was sure a great success. There were plenty of appetizing extras, and Will Dudley did a right wonderful job of frying the fish—soft and flaky inside—brown and crisp around the edges.

But we didn't get to go. The missus was tired after working in the yard, and we just didn't want to leave her.

Then how did we know the fish was so good? Because the folks didn't forget us. They sent Skippy Henderson over with two steam-

ing covered plates of fish, and a pitcher of cool, sparkling beer. And we finished them off in front of our own fire.

From where I sit, that's one of the things that makes our town so nice a place to live in: a spirit of share and share alike. That plate of fish and glass of beer weren't just great eating, they were symbols of the thoughtfulness that makes for better living!

Joe Marsh

THE TEMPLE OF TRUTH
By the Apostle

That's all, folks, until the paper shortage lets up. That might not be until the several proposed mills are finally constructed in Alaska.

SKEPTICAL.
Farmers are starting their annual gamble — weather, bugs, worms, sandstorms, hail and prices.

HISTORICAL.
Then there was the farmer's daughter who was brought up like a sheaf of wheat. She was cradled, threshed and finally became the flower of the family.

MODERNISTIC.
Ah, sweet mystery of life. A fur coat and bare legs on a cold April day.

EXPLORATORY.
Two fleas were enjoying a visit on Robinson Crusoe's island. Finally one flea hopping away with the remark: "So long, pal. I'll be seeing you on Friday."

HOT ZIKKITY!!
Kilroy has finally disappeared. Mama has finally laid that pistol down and if Richard will just keep that door open, perhaps radio programs will improve to the point that radio sales and repairing will again flourish.

KID DREAMS.
Have you, in your older days, just turned back the clock of time and tried reading Robinson

Crusoe, Jack and the Bean Stalk and Gulliver's travels? Youth's dreams never grow old. And we might add much of the Anderson's Fairy Tales along with the reading that brings back pleasant memories.

ADVICE.
No, Betty, red corpucles are not non-coms in the Russian army.

SKYLINE TIDINGS
By Ethel R. Harvey

The air show over Clarendon Sunday afternoon reminded us of the war years, when we heard the constant hum of the trainer planes from Randolph Field and Brooks field, and the roar of B-29's from Kelly Field. The nine planes, which carried 21 pilots and passengers, were all from the Clarendon airport and included the Cessna, Luscombe, PT-19, Aronca, two Funks, two Cub Trainers, and one Cub Cruiser. The twin-engine ship was flying at 2000 feet, the 85-HP

craft at 1000 feet, and the Cubs at 500 feet.
The small red plane, Cub Cruiser, doing the low flying and buzzing over Clarendon and Lelia Lake about three o'clock Saturday afternoon was a Pampa Flying Service plane piloted by William White. The Pampa manager has been notified of the pilots disregard for CAA safety rules.

A plane belonging to the Shamrock Flying Service, and piloted by Don Robbins was wrecked in a forced landing near the RO Ranch headquarters Saturday afternoon. The pilot neglected to check his supply of gasoline before taking off for the Clarendon field. He was nearing the river when he discovered he was out of gas, and in making a landing, he was trying to avoid hitting a sandhill, and struck some mesquite bushes that made a wreck of the plane.
Fred Smith flew Don Robbins back to Shamrock Saturday night, making his first night flight in the Luscombe.
The A&E Service has been granted a non-schedule Operators

permit to fly passengers to any point in the United States.
Bob Hutson received his private license last week; Jack N. Riley made his cross-country flight to Lubbock and Canyon last Saturday.

MARTIN
By Mrs. J. H. Helton

Mr. and Mrs. Pete Land, Mr. and Mrs. Billy Jack Land attended a recital in Hedley Sunday, given by Mary Sue Scales.
Francis June Helton spent Saturday night and Sunday with the Matha girls.

Those to take dinner in the Ben Kyser home Sunday were Mr. and Mrs. Robert Davis, Clyde and Mary Neal, Mr. and Mrs. J. E. Hollingsworth took supper with them.
Mr. and Mrs. Lavell Phillips spent Monday and Tuesday in the J. H. Helton home.

Those to visit in the Floyd Crofford home Sunday were Billy Jack Jordan, Gene Bulman, Mr. and Mrs. Will Jordan, Nelson Christie, Mr. and Mrs. Guy Sibley, Jo Ann and Wanda, Mr. and Mrs. F. G. Crofford, Mr. and Mrs. Richard Cannon and Frank.

Mrs. H. B. Ickert of California has bought the Edwin Baley farm and will move there the first of May. Mr. and Mrs. Fred Smith will farm it for her.

Mr. and Mrs. J. M. Newland visited Sunday in the Walter Hutchins home.
Mr. and Mrs. J. H. Helton, Franky Gene, Mrs. H. B. Ickert, ate supper Sunday in the Fred Smith home.

Rev. Howard Crawford and

wife of Phillips, Texas ate dinner in the home of Walter Hutchins Sunday. It was the birthday of Mrs. Hutchins' father, J. M. Newland.

REWARD
The Trustees of The Citizens Cemetery Association will pay \$25.00 reward for information leading to the arrest of any person or persons caught stealing shrubbery of any kind within the Cemetery.

Traditional Religious Customs Unaffected by Modern Changes
Deep in the hearts of our people is reverence for their loved ones who have passed on.
Streamlined modernity may affect some of our old-fashioned customs, but the traditional religious rites observed in funeral services will continue to reveal the faith that governs and gives purpose to life.

LAVERNE McMURTRY BECOMES BRIDE OF J. W. COLLINS Jr.

Before an altar banked with cybodium fern and arrangements of lilies and baby breath, Laverne McMurtry, daughter of Mr. and Mrs. J. L. McMurtry became the bride of J. W. Collins Jr., son of Mrs. J. W. Collins Sr., 1615 Harrison, Amarillo.

Rev. E. D. Landreth read the single ring ceremony in the sanctuary of the First Methodist Church on Saturday evening at 8 o'clock. Cathedral tapers in tiered candelabra lighted the service. Both aisles of the sanctuary were marked with white aisle cloth and single candelabra. Preceding the ceremony, Mrs. Rayburn Smith, organist, played "Always," "Indian Love Call," "Traumerel" and "Liebestraum." Mrs. E. D. Landreth sang "Because" and "The Lords Prayer." The traditional wedding marches were used.

Mrs. Ray Palmer attended her sister as matron-of-honor. Bridesmaids were Mrs. John Murphy of Amarillo, Mrs. J. Robert Murphy of Dallas, Mrs. William McBirney of Tallahassee, Florida, Mrs. Lee Bivins of Amarillo and Mrs. Alfred McMurtry of Goodnight.

Attendants wore gowns of shell pink faille with cowl necks and cap sleeves. The draped skirts fell from a fitted midriff, and gantlets of matching material. Their heart-shaped halo hats were made of pink horsehair braid-trimmed with violets and pink ribbon streamers.

Mary Myles Mathers and Jennie Lee Mathers, nieces of the bridegroom and Connie McMurtry, niece of the bride, were flower girls. Their frocks were of pink starched net and their halo hats were fashioned after those of the bridesmaids. They carried minia-

ture Colonial baskets and sprinkled rose petals in front of the bride.

Clark E. Mathers of Miami, served as best man, and groomsmen were Jack Heathman of Wichita, Kansas; Bob Parr, Robert O. Mills of Amarillo; Pat Brandenburg of Los Angeles, Cal., and Vincent White of Breckenridge.

For her daughter's wedding, Mrs. McMurtry chose a gown of blue-mist crepe with long matching gloves. Her flower hat accented the color of her dress, and her corsage was of pink gardenias.

Mrs. Collins, mother of the bridegroom, wore a gown of terra cotta sheer, a flower hat of matching color, and egg shell gloves. She wore a corsage of gardenias.

The bride, given in marriage by her brother, J. Alfred McMurtry, wore a gown of white hammered satin. The fitted basque was designed with a round yoke of sheer net joined to the bodice with seed pearls. Four scrolls of seed pearls extended to the waistline. The long, fitted sleeves tapered to a point over the hands, and the full skirt swept into a court train. Her full-length tiered veil of bridal illusion was bordered with a double row of imported Chantilly lace, and fell from a halo of illusion. She wore a single strand of pearls, a gift from the bridegroom. She carried a bouquet of orchids and stephanotis.

Following the ceremony, a reception was given in the home of the brides parents. The round mirror topped table was centered with the three tiered temple cake surrounded by fern and white rose buds, flanked by tall white tapers in crystal candelabra, and the crystal punch bowl opposite the cake.

After the reception, the couple left on a wedding trip to points of interest in Colorado, Arizona and California. The bride traveled in a gray pin striped flannel suit with navy blue accessories. She wore a white orchid corsage.

After May 10, the couple will be at home at the Talmage Place, 1401 Van Buren. Mrs. Collins graduated from Clarendon High School, Ward Belmont at Nashville, Tenn., and the University of Texas. At the time of her marriage, she was employed by the Pioneer Airlines of Amarillo. Mr. Collins was graduated from the Amarillo High School, and Amarillo College. After his graduation, he was employed with Phillips Petroleum Company, and is now an independent oil broker with headquarters in Amarillo.

Out of town guests to attend the wedding were: Mr. and Mrs. Curtis Maynard, Mrs. Arthur Abrams, and son Arthur, Mrs. Jno. Nyall Jr., Mr. and Mrs. Steve Cowan, Mr. and Mrs. Jno. Satterstrom, Mr. and Mrs. Tol Ware, Mr. and Mrs. David Rasco, Mr. and Mrs. Shelby Kritser, Mr. and Mrs. G. H. Caulfield Jr., Mrs. Martha Caldwell, Mr. and Mrs. J. W. Batson, Naomi Allison, Mr. and Mrs. Bob Mills, Mr. and Mrs. Bob Parr, Mrs. Earl Mayne, Mrs. W. B. Patterson, Mrs. Frank Storm, Mary Storm Goebel, J. R. Lons, Barbara Boyce, Elaine Johnson, Katie Lynn, Marjorie Stone, Carol Askew, Mr. and Mrs. Wm. C. Boyce, Mr. and Mrs. E. B. Johnson, Mr. and Mrs. Jack Fuqua, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Philip Gentry, Mr. and Mrs. J. L. Sharp, Mr. and Mrs. Ray Moore, Mr. and Mrs. Jno. Maynard, Mr. and Mrs. A. J. McCart Jr., Mr. and Mrs. George Parr, Mr. and Mrs. J. C. Paul, Mr. and Mrs. Ernest Batson, Mr. and Mrs. Phil Campbell, Ann Chisholm, Alameda Herrmann, Doris Herrmann, Mrs. Cathrine Whicker, Mr. and Mrs. Chas. Smith, Mrs. Roy Bruner, Mrs. Van Bruner, Mrs. B. P. Teel, Mrs. Wm. Manning, Mrs. Clarence Williams, Mrs. John O'Brien, Mr. and Mrs. Horace Westmoreland, Lou Westmoreland, Mr. and Mrs. Bob Boston, all of Amarillo.

Mr. and Mrs. Newton Harrell, Claude; Mr. and Mrs. Loui Merrill, Mrs. Horace Tarver, Mrs. C. N. Kinslow and Bill, Mr. and Mrs. James Morris, Memphis; Mrs. J. L. Murtaugh, Austin; Mrs. D. C. Brooke, Lubbock; Mr. and Mrs. Clifford Allison, McLean; Mrs. William McBirney, Tallahassee, Florida; Mr. and Mrs. Vincent White, Breckenridge; Mr. and Mrs. Clark Mathers, Miami; Mr. R. S. Nash, Oklahoma City; Mr. and Mrs. J. R. Murphy, Dallas; Mr. Pat Brandenburg, Los Angeles, and Mrs. L. A. Triggs, Kansas City, Mo.

CLARENDON H. D. CLUB
The Clarendon H. D. Club meeting has been postponed until May 16 and will not meet Friday May 2nd. Mrs. Anderson, Pres.

Does Post Graduate Work
Dr. J. E. Cox, Supt. of Clarendon Clinical Adair Hospital attended a course for post graduate study of Cranial Osteopathy in Des Moines, Iowa. He has been away from hospital three weeks.

KILL KARE KNEEDLE KLUB

The beautiful spring flowers of iris, lilacs and tulips were used to decorate the guest rooms at the home of Mrs. Sam Lowe Thursday when she entertained the members and a few guests of this club. The usual needle work and visiting were the main feature of the afternoon.

In the late afternoon, Mrs. Lowe assisted by her niece Ida Mae Brown, served a lovely plate, refreshment to guests, Mrs. W. T. Lowe, Mrs. Genoa Doshier and Ida Mae Brown; club members, Mesdames J. R. Bartlett, Eva Draffin, W. D. Kidd, R. R. Dawkins, H. Mulkey, W. A. Land, Buel Sanford, Clarence Piercy, Ed Speed, Eugene Noland, H. C. Brumley and hostess, Mrs. Lowe.

REHEARSAL DINNER FOR WEDDING PARTY

The rehearsal dinner for the McMurtry-Collins wedding party was given by Mr. and Mrs. C. T. McMurtry in their home on Friday evening, April 25th.

The entertaining rooms were decorated with purple iris and pink gladioli. Dinner was served buffet style to the following guests:

Rev. and Mrs. E. D. Landreth, Messrs. and Mesdames Clark Mathers, J. Robert Murphy, Lee Bivins, Alfred McMurtry, John R. Murphy, Ray Palmer, J. L. McMurtry, Robert O. Mills, Jack Heathman, Bob Parr, Vincent White, Mrs. J. W. Collins, Mrs. William McBirney, Mr. Pat Brandenburg and the honor guests.

PATHFINDER CLUB

The Pathfinder Club met Friday, April 25 in the club room with the president, Mrs. Joe Ritter, presiding.

A very interesting and informative program on the International Relationship between the United States and the Latin American countries was rendered by Mrs. Ed Dishman, Mrs. Park Chamberlain and Mrs. Ernest Hunt.

During a social hour, the hostesses, Mrs. U. J. Boston and Mrs. Louie Thompson served refreshments to the following members: Mesdames Joe Ritter, W. H. Patrick, C. A. Burton, J. R. Porter, R. Y. King, Carl Allmond, Simmons Powell, J. Gordon Stewart, Ed Dishman, Park Chamberlain, Oscar Thomas, J. H. Howze, C. D. McDowell, Ernest Hunt, and Miss Mabel Mongole.

BRIDE-TO-BE HONORED WITH BRIDGE PARTY

Honoring Miss LaVerne McMurtry on Thursday afternoon, Mrs. Pat Slavin gave a bridge party in the home of Mrs. C. T. McMurtry.

At the close of the games, Mrs. Noblet received a gift for high score which she presented to the honoree, who also received gift from the hostess.

Delicious refreshments were served to Mesdames Noblet, Norwood, Slavin, Palmer, Lewis, Moore, Blocker, McBirney, Carroll Knorpp, Lumpkin, the honoree, Miss McMurtry and hostess, Mrs. Pat Slavin.

Donley County Leader, \$2.50 year

Vaccinate Against Typhoid Fever

If you have not been vaccinated against typhoid fever within the last two or three years, Dr. Geo. W. Cox, State Health Officer, advises you to go to your doctor or to the nearest health officer and have him give you the three "shots" that will protect you against the disease.

"The three shots that will protect against typhoid are given at intervals of one week apart," Dr. Cox stated. "As it takes some time for the protective treatment to be established throughout the system, it is wise not to delay in having it done. My advice is, have it done now so that immunization may be complete before summer arrives and vacation trips are taken."

This advice was addressed particularly to Boy Scouts, Girl Scouts, and other youngsters who are looking forward to spring and summer hikes and trips. It is, however, meant also for others, young and old, whose business or pleasure during the summer will take them to places where there may be doubt as to the purity or safety of the water supply, or as to the care with which food is handled.

The old adage that "an ounce of prevention is worth a pound of cure" is particularly applicable to this disease, which is so dangerous and debilitating when it does occur, and which can be prevented, so easily through immunization.

History of Clarendon Clinical Hospital

By Dr. Laura A. Lowell

The Adair was built in 1910 and given to the community of Clarendon. At that time it was uppermost in the mind of Mrs. Adair that there should always be a place for J. A. staff and cowboys to always have adequate medical care. From 1910 to 1930 the Hospital operated under the leadership of various physicians. From 1930 to 1940 the hospital was operated on a county basis. The acting board of directors was composed of county commissioners and their helpers. In 1940 it cost the county around \$3,000 to operate the hospital for the people. In December 1940 the sudden death of Dr. Mark Strickland and Dr. Hamm seriously hampered activities at the hospital.

In February 1941 Drs. Keith and Laura Lowell located in Clarendon. Due to the fact that Dr. John Witt at Groom and Dr. Dwight Cox at Hedley were caring for majority of rural people of Donley County, the people demanded that Osteopathic physicians be admitted to the staff of Adair Hospital. It so happened that Dr. Keith Lowell had just finished 2 years of special study for major surgery in Kansas City, Mo. During this stay in Kansas City he was associated with seven major surgeons and did active duty in both hospital and clinic. Dr. Lowell's decision to specialize

TOO LATE TO CLASSIFY

WANTED - Two or three room furnished apartment. Phone 386. (11-p)

PLENTY OF FRESH CATFISH at M-System Grocery (11-c)

FOR SALE - New Fresno scrapers, 17 cu. ft. capacity; 1 small concrete mixer, new. Tom W. Carpenter Equipment Co., Amarillo, Texas. (11-3c)

FOR SALE - Farmall Tractor, new tires, head, clutch and magneto. Has complete two row lister and cultivator equipment. Make good tractor to pull combine. J. R. Gillham. (11-c)

In major surgery came after seven years general practice in Lincoln County, Montana. Dr. Lowell and his wife served a rural area of 35 miles radius west of Glacier Park and 7 miles from the Canadian line. (Continued next week)

Dean Moore of Wichita Falls is visiting his sister and family, Mr. and Mrs. Johnny Beard.

Most business men take an annual inventory of their business, farmers should take an annual inventory of soil fertility.

FIRST CHRISTIAN CHURCH

Geo. B. Forrester, Minister The Sermon topic for Sunday morning will be "The Faith That Pleases God", and for the evening, "Cardboard Souls". At the morning service Mr. W. T. Hayter will appear before the congregation to present his desire to install Chimes in First Christian Church, Clarendon, in memory of his beloved wife, who was a devoted member and untiring worker through the years, being a leader in all of its activities and serving as its Treasurer, guarding its funds in a most acceptable way. These Chimes will fittingly continue her vigilant call to worship, not only of the members, but of the boys and girls, men and women in all walks of life, each Lord's Day morning, and while the Chimes will be in First Christian Church, they will be for the benefit of all Clarendon, and throughout the community

Miss Ruth Donnell went with her mother, Mrs. Donnell in the ambulance to Seminole Thursday. Mrs. Donnell is seriously ill in the hospital there.

Warren Hardin had an appendectomy at Groom Monday.

Mrs. Nath Helton of Groom visited her father, Mr. H. M. Stewart, Tuesday.

CARD OF THANKS

We wish to express our sincere appreciation to our many friends and neighbors for their thoughtful acts and deeds of kindness during the illness and death of our father, G. L. Heatherly. We are also grateful for the floral offering and food. May God's richest blessings be with each of you. The G. L. Heatherly children.

Mrs. Lucian Bones and daughter Vivian of Amarillo spent Sunday night visiting in the Bob Head home, also attended the funeral of Leroy Butler, Monday.

wherever she was known. As soon as the offer is accepted by the congregation, Mr. Hayter will wire the manufacturers in Los Angeles, Calif., in order that the Chimes may be installed at the earliest date possible. These Chimes are equipped for the use of selected Records of appropriate musical numbers for all occasions, and will be available for all of the Churches who may desire their use on special occasions.

SHERMAN, TEXAS

MIDWAY

Mrs. John Goldston

Midway had another forced landing of a plane Sat. evening which turned out to be almost a crash. A newspaper man, Don Robbins from Shamrock was flying through when he ran out of gas about three miles East of the Will Chamberlain place. The plane was damaged about 50%. The man who received some cuts and bruises walked to the Chamberlain farm where he was given first aid, called his friend from the Clarendon airport, who came for him. He was taken back to Shamrock later.

Word was received here Sat. eve that Jack Chamberlain had been injured by a horse and was taken to a Matador hospital. Later reports stated that it was a bad sprain in the knee.

Mrs. Marvin Jones shopped in Amarillo this past Monday.

This past Thursday was a hectic day in the Lavern Goldston family. The older boy, Fred, had a fall which caused a head concussion. After an hour or so in the Groom hospital he came to himself, and exam showed nothing

wrong and was returned to his home with only a headache for a few hours. Then the next son, Jimmy, came in with his arm broken.

Mr. and Mrs. Gene Chamberlain and boys of Memphis visited with the La Vern Goldstons Sat. evening. His mother and brother visited with them Sunday.

Mrs. Mike McCully and Mr. and Mrs. Shelby Bell of Clarendon visited with Mr. and Mrs. Will Chamberlain this past Sun.

Mrs. Moreland visited with Mrs. Hill Monday.

The Moorings attended church at Lelia Lake Sunday.

Naomi Mooring was a dinner guest of Ernestine White Sunday. Bobby Vaughn, Mrs. Billy Gamble, Margarette and Eddie Louise Hawley visited with Mrs. Quattlebaum Sunday afternoon.

Mrs. Allen and son Riley visited in the W. K. Davis home Thursday.

Mrs. Longan was called to Plainview Monday on account of illness of her daughter, Mrs. A. B. Stephens.

Mr. and Mrs. Woods, a sister to Mr. Hill, have moved in the Swinney house and are working for Mr. Hill.

Bobby Vaughn of Amarillo and

Mrs. Billy Gamble of Alabama visited in the Hawley home during the weekend.

Mr. and Mrs. James Moore of Cheyenn, Wyoming and Mr. and Mrs. Elmer Sawter of Amarillo spent Sat. thru Sunday with Mr. and Mrs. W. M. Pickering.

Mrs. Rackney was returned to her home from a Memphis hospital Thursday.

LELIA LAKE

Mrs. H. R. King

Mr. and Mrs. Leroy Leathers of Amarillo spent Sunday in the home of his parents, Mr. and Mrs. B. J. Leathers.

Elbert Bain of Los Angeles spent the weekend as a guest of Mr. and Mrs. H. R. King Jr.

Mrs. Cless Ball and son Udell of Vashti left Sunday after a few days visit in the home of her sister, Mrs. Ernest White and other relatives here.

Miss Edna Wood of Dumas was a weekend guest of relatives here.

Miss Euna Morris of Clarendon spent Sunday in the home of Mr. and Mrs. Don Tomlinson.

Mr. and Mrs. John McCauley of Amarillo visited here Sunday with their parents, Mr. and Mrs. W. V. McCauley and Mr. and Mrs. Joe Johnston.

Mr. and Mrs. Edwin Mills of Claude visited homefolks Sunday.

Mr. and Mrs. Tom Smith Jr. and Mr. Tom Smith of Word ranch spent Sunday in the home of her sister, Mr. and Mrs. Ed Morton.

Billie Floyd of Borger visited here Saturday.

Mr. and Mrs. Merl Chenault and Mr. and Mrs. Elmer Chenault of Clarendon spent Sunday in the home of their brother and family Mr. and Mrs. Ellis Chenault.

Mrs. Allen Angle of Plainview is visiting her parents this week.

LIBRARY NOTES

By Mrs. C. A. Burton

The Saturday Review of Literature's annual Anisfield-Wolf award for the best work in the field of racial relations is to be

Dr. J. Gordon Stewart

PHYSICIAN & SURGEON

Office in Latson Bldg

Office Phone 238

Residence Phone 253

divided between Pauline R. Kibbe's "Latin Americans in Texas" and Sholem Asch's "East River." The title of Mrs. Kibbe's book explains it, and the awarding committee say that it is "courageous and effective," and predict that it will be very helpful in our Good Neighbor program. It is not fiction. The author has been executive secretary of the Good Neighbor Commission of Texas since its creation in 1934, and discusses the question with intelligent understanding.

Sholem Asch's "East River" is fiction, dealing with the Jewish question, and presenting it with unusual understanding, also. His books have never been a disappointment.

Jeannette Michael Haven's poem, "Rip Van Winkle's Dream" has been awarded the Hopwood poetry prize. The author is barely 20 years old, but has won this prize four times. She pictures Rip Van Winkle awakening to a lovely, much better world.

Much discussion has come about the 50 outstanding books of 1946. A critic who is usually pretty sane says 1946 fiction reached a new time low. The Retail Bookseller Trade Magazine lists only three holdovers:

"The Miracle of the Bells" by Russell Janney, "East River" by Sholem Asch, and "B. F.'s Daughter" by Marquand.

The A. L. A. list included none of these but gave "Singing Waters," Ann Bridge; "The Bulwark" by Dreiser; "The American," by

Howard Fast; "We Happy Few", Helen Howe; "The Sudden Guest", La Farge; "Spoonhandle," Ruth Moore; "The Fields," Conrad Richter; "David the King", Gladys Schmitt; "Britannia News", Margery Sharp; "The Snake Pit," Mary J. Ward; and "Detta Wedding," Eudora Welty. The critic of whom I spoke suggests that the committee shut their eyes and dabbed their pencils at the 1946 fiction list.

"The Miracle of the Bells" is receiving more commendation than any of the above. It sold 200,000 copies in its first 4 months, a record for any first novel. "The Egg and I" continues to lead in non-fiction.

Louis Untermeyer has signed for a series of 13-week Sunday evening programs to be called "Let's Balance the Books."

The Gospel of John has been translated by the American Bible Society into the Maguendano language for that tribe of people in the Philippines and 500 copies have been sent to them at Manila. This is another of the 1,000 languages into which parts of the Bible have been translated.

The daily press states that Mrs. Rex Beach, wife of the novelist who has so many stories to his credit, died this week at their home in Florida, with her husband, Rex Beach, at her bedside.

President Truman designated the past week as Pan American Week, asking the people to join in any Good Neighbor plans. The Library of Congress has taken the lead in this, and is doing such a splendid work through the Pan American libraries.

Before I close, I want to say that I do not agree with the

critics who find nothing worth while in 1946 fiction. I have found much that was.

Mr. and Mrs. J. R. Bartlett left Thursday (today) to visit their daughter, Mr. and Mrs. J. W. Goodman at Lampasas and their son, J. R. and wife at San Antonio, Texas.

Assembly of God Church To Begin Revival May 5th

The Assembly of God Church will begin a revival on Monday evening, May 5th. Rev. C. R. Rearick of Panhandle will be preaching each evening. Emphasis on Sunday school and young people singing will be special features of each service.

Pastor A. W. Harris and the local church extends a warm welcome to you.

Mr. and Mrs. A. H. Moore spent Friday and Friday night on business at Ft. Worth.

Mr. and Mrs. Ben Chamberlain and two small daughters visited relatives in Clarendon Sunday.

REV. C. R. REARICK

Ranchers Using Power Spray

Three ranchers used the power spray from the county agents office this week for the control of horn flies and lice on their cattle. Fifty six head of steers were sprayed with DDT on the Frank Finch ranch Tuesday. On Wednesday, 150 head of cattle were sprayed for J. D. Swift; Thursday, 100 head for Forrest Sawyer.

Friday, a demonstration will be held on the J. R. Porter stock farm, one mile west of Goldston on the spraying of cattle. Approximately 86 head of cattle will be sprayed Friday and every one is invited to see this demonstra-

tion. Breedlove, county agent, will conduct the demonstration and will start around ten o'clock in the morning.

DDT is being used for the spraying of the cattle and with three or four sprayings during the summer, Horn flies can be pretty well controlled on cattle—this depending a great deal on weather conditions.

It is also planned to demonstrate the use of 2-4-D on bind weed on Friday at the Porter ranch after the cattle spraying demonstration.

The horn fly program on cattle and the control of bind weed on farms will be one of our biggest programs this summer the county agent stated and he is asking that everyone interested to attend this demonstration if the weather is pretty.

Mrs. A. O. Walker and daughter Anna Marie of Amarillo spent the weekend with her parents, Mr. and Mrs. W. B. Sims and sister, Mrs. Eva Draffin.

Staff Sgt. Farris A. Dozier from Fitzsimmons General Hospital at Denver, Colo. is home for two weeks, visiting his parents, Mr. and Mrs. Chas. Dozier and other relatives and friends. Sgt. Dozier is a technician at the Army hospital.

Mr. and Mrs. Geo. Green are at home after a months visit with their children at Munday and Ft. Worth.

Mr. and Mrs. Wayne McElroy and son Jackie visited his mother, Mrs. F. T. McElroy at Altus the weekend.

Mr. and Mrs. John Rhodes are visiting her mother, Mrs. Mattie Lewis at Cooper, also other relatives.

Mrs. Annie Darden is visiting her son and family, Mr. and Mrs. C. Darden.

Mesdames W. A. Land, H. Mulkey, Eve Draffin, R. R. Dawkins, Clarence Piercy, and Euel Sanford were visiting in Amarillo Tuesday.

Mrs. Baggett visited her daughter Shady Baggett at Hollis, Okla. the weekend.

Mr. and Mrs. Walter Hanna of Floydada visited Mr. and Mrs. Oscar Thomas Sunday.

A Common Paper for Common People

All Farmers Urged To Redouble Conservation Efforts Early

Recent reports of dust riding into the Midwest with snow from the western plains are warning that conservation efforts should be redoubled in all areas, even though return of dust bowl conditions is not an immediate threat, according to the Department of Agriculture.

A quick check indicates that about a million acres in Texas, Oklahoma, and nearby areas suffered some damage from blowing in late January. Thus far, blowing damage has been local, but severe enough in places to damage wheat fields, block roads, and to cause auto accidents.

"Droughty conditions" in Great Plains areas last spring and summer, followed by sudden rains, prevented many farmers from planting grain or drowned out their wheat.

Consequently, considerable acreage weren't protected by enough cover during the winter, and in a few areas a light 1946 crop left a shortage of stubble for protective mulch tillage. Moreover short feed and forage crops resulted in heavy grazing of wheat and some grain sorghum fields after harvest. This led to further reduction in cover.

Winter freezing and thawing pulverized the sparsely covered soil, and exposed dry topsoil blew eastward when high, drying winds swept down in late January and early February.

Although observers have agreed that major 1947 dust storms are unlikely, the possibility is always close. There were welcome fall rains in the southern plains, but conditions there can change suddenly. Below-normal moisture in late winter and spring might very well bring a return of critical drought conditions in some areas.

Ordinarily, the worst blow period is in early spring. Several sizeable dust storms blew out of the Plains a year ago. But favorable weather and conservation practices carried out by farmers and ranchers forestalled further spread of the storms.

The time to stop dust storms is during the seasons when moisture and other conditions make it possible to put into effect the best permanent soil and moisture saving measures, soil conservation officials point out. Redoubling conservation efforts in every area now is the best insurance against dust bowls and other ills arising from pressing the land too long beyond its capabilities.

Tanks On Pasture Land

Tanking, like terracing has "caught on" in Donley County. Beginning with 1944 the CMS, or Purchase-Order Plan, was used whereby a contractor could be paid for the building of a tank almost as soon as it was completed. That year a record was set for the county with 119 earthen dams built. In 1945 only 28 tanks were constructed, but in 1946 there were 79 tanks built. The AAA payment for building an earthen dam is 10c per cubic yard. Under the Purchase Order Plan, AAA pays that 10c almost immediately, if the tanks are built according to specifications, and the vendors or contractors look to the farmers or ranchers for the balance of the pay for the construction job.

There are 4 or more vendors in the county now who are already at work on the construction of both dams and damless tanks. The payment for damless tanks is 8c per cubic yard. Earthen dams can be constructed for livestock water and also for erosion control. A good many spreader dams were constructed in 1946 and probably a lot more should be constructed to prevent erosion.

ADVICE TO DONLEY COUNTY FARMERS

Our Government is offering to assist you to do additional conservation work needed on your farm in 1947. Assistance may be in the form of cash payments (at the end of the program year) or advance of materials and services needed in carrying out conservation practices. Each landlord, tenant, and sharecropper is urged to:

1. Apply to your county committee for the amount of assistance you will need for carrying

out each practice. You must get county committee approval of assistance before beginning the practice.

2. Carry out the practice in accordance with specifications set up in the handbook (See specifications at county office)

3. Complete the practice and so inform your county committee or county office "within the time fixed by the county committee."

The amount of assistance for each farm is set at the rate of \$2.00 per acre for cropland plus 20c per acre for non-crop open pasture land. The amount of assistance is also determined by the county committee on the basis of conservation needs and the amount of funds available in the county.

These Are Your County & Community Committeemen

The County Triple-A Committee is composed of the following members:

Community A
Nolie Simmons, Chairman, Clarendon, Texas; Roy Jewell, Vice Chairman, Hedley, Texas; William M. Pickering, Member, Naylor Rt., Clarendon; Hugh S. Mahaffey, First Alternate, Ashtola, Texas; L. D. Messer, 2nd Alternate, Hedley, Texas.

Community B
(Goldston and Jericho)

Roy H. Stewart, Jericho Rt., Clarendon, Texas; Ernest L. Lamb, Jericho, Texas; Roy D.

Brock, Jericho Rt., Clarendon, Texas.

Community C
(Ashtola and Martin)

Pink M. Marshall, Ashtola, Texas; Richard Cannon, Rt. 1, Clarendon, Texas; Roy C. Brinson, Rt. 1, Clarendon, Texas.

Community D
(Clarendon and Chamberlain)

Melvin C. Rappy, Clarendon, Texas; Edwin Baley, Rt. 1, Clarendon, Texas; Forrest E. Sawyer, Clarendon, Texas.

Community E
(Midway and Naylor)

Dennis F. Reed, Naylor Rt., Clarendon, Texas; W. J. Williams, Naylor Rt., Clarendon, Texas;

Edd W. Mooring, Naylor Rt., Clarendon, Texas.

Community F
(Lelia Lake and Windy Valley)

James B. Smith, Lelia Lake, Texas; Carroll L. Lewis, Lelia Lake, Texas; Oscar Anderson, Rt. 1, Hedley, Texas.

Community G
(McKnight and Bray)

Tommy W. Bain, Hedley, Texas; Frank D. Davis, Rt. 1, Hedley, Texas; Leamon D. Messer, Rt. 1, Hedley, Texas.

Community H
(Hedley, Giles and Smith)

Jay K. Hunt, Hedley, Texas; Charlie A. Crow, Memphis, Texas; Enoch M. Glass, Giles, Texas.

Community I
(Skillet and Whitefish)

Thomas C. D'Spain, Alanreed, Texas; Louis A. Kalka, McLean, Texas; W. O. Hommel, Alanreed, Texas.

Terracing Your Land Saves Soil And Money

Control of erosion is still one of the major problems in all sections of Texas according to B. F. Vance, State Administrator of Production and Marketing Administration. Vance says that terracing sloping land has long been recognized as one of the fundamental steps in soil conservation.

Recent estimates made up from the recommendations of farm groups in each county in the State show that there is a need for the construction of a good system of terraces on 20 million acres of land in Texas. It is generally recognized by successful farmers who cultivate sloping soils that terracing is the first step in soil conservation, but that terracing alone does not furnish a complete soil conservation program. Other conservation practices such as contour farming and leguminous cover crops are needed after terraces are completed.

Since 1944 farmers in Donley County have been especially interested in terracing and more terraces are being constructed every year. 1944 was the first year that the Purchase Order Plan was used in this county. This plan makes it possible for farmers to secure a contractor to do his terracing. The contractors, under this plan, are being paid almost currently for the work performed. In 1944 there were only around 300,000 feet of terraces constructed. In 1945 more farmers became interested and more contractors began work and around one million feet of terraces were built to meet the AAA specifications.

In 1946 there were 17 contractors at work in this county. More than 1,200,000 feet of terraces were constructed.

Beginning early this year there are already 15 contractors busy putting up terraces for producers in this county. It looks now that 1947 will be a record year for terracing in Donley County.

The rate of assistance offered by ACP to cooperating farmers is \$1.00 per 100 feet for small terraces and \$1.50 for large terraces. Interested farmers should see their local ACA Office or their community committeeman for details.

County Committee

The three farmer-committeemen elected by other county farmers last December to operate the program are Chairman, Nolie Simmons, and Roy C. Jewell and W. M. Pickering.

The chairman and members of the county committee must have a good working knowledge of what the area needs in order to build and maintain its soil resources. They also need to have a wide acquaintance among other farmers in the county. That's because one of their most important duties is to keep farmers and others informed on how the AAA office can help in carrying out soil-building practices. This includes providing farmers with both cash assistance and services—such as where and how to obtain conservation services or materials.

The committee also works with other Government agencies and civic groups. In doing this, they stand ready to cooperate with all activities aimed at improving the general welfare and prosperity of the county, State and Nation.

One of the most important tasks of the county committee is to meet and work with the county's twenty-four community committeemen. These community committeemen were also voted into their jobs by their farm neighbors, and they are the ones who call upon farmers throughout the county when necessary.

Take Care Of Your Land --- And It Will Take Care Of You

Good land is our most important resource. Take care of it — and it will take care of you and the Nation. Practice CONSERVATION FARMING! You'll have better land, better crops.

When planning your 1947 farming operations, be sure to see the County Agricultural Conservation Committee. They'll tell you how the Agricultural Conservation Program can help.

Donley County Memorial Committee Holds Final Meeting March 31, 1947

Following are the minutes of a call meeting of the Donley County Memorial Committee held on March 31, 1947 at the City Hall in Clarendon, Texas, all members having been notified in writing by notices mailed 5 days in advance.

The meeting was called to order at 8:20 o'clock P. M. by Chairman, Rayburn L. Smith. Members present were R. W. Alewine, W. H. Morrow, George Bulman, H. T. Burton, Pete Land, Ruth Richerson, Quinn L. Aten, Roy Jewell, O. F. Messer, C. B. Morris, J. M. Tate, W. H. Clay, C. L. Johnson, C. M. Lowry and Leon Reeves, representing the school districts of Clarendon, Hedley, Lella Lake, Giles, Bray and McKnight.

It was suggested by Chairman Smith and Secretary Johnson that the accounts and bank statements be audited. A motion made by R. W. Alewine and seconded by C. M. Lowry to have A. L. Chase do the auditing was unanimously approved.

A motion was made by C. B. Morris and seconded by Roy Jewell that the names of the Honor Roll be recorded in the County Clerk's Office. The motion carried unanimously and Ruth Richerson and Rayburn Smith were instructed to carry

out the order.

A motion was made by George Bulman and seconded by Roy Jewell to refund to the Clarendon American Legion Auxiliary and to the Clarendon and Hedley American Legion Posts, the amounts they had donated to the fund; the residue of the funds on hand to be divided equally between the Clarendon and Hedley American Legion Posts, with the understanding that they assume responsibility for the Honor Roll Panel and carry on the work of the Donley County Memorial Committee from this time forward. On vote, the motion was unanimously approved.

A motion was made and seconded that, its work being completed, the Committee adjourn permanently. The motion carried. C. L. Johnson, Secretary.

ANNOUNCEMENT

At a regular meeting of each of the Clarendon and Hedley American Legion Posts, motions were adopted to accept the responsibility for the Donley County Honor Roll and set up a fund of \$100.00 for its maintenance. Disbursement of this maintenance fund to require joint signatures of the Adjutants of the two Posts.

PRACTICES APPROVED FOR DONLEY COUNTY FOR 1947

1. Construction of terraces: 1c per ft. for small terraces and 1 1/2c per ft. for large ridge type terraces.
2. Construction of Diversion Terraces: 8c per cubic yard.
3. Constructing or enlarging drainage ditches: 92c per 100 linear ft. for ditches with 5 to 7 sq. ft. in the average cross section and 8c per cubic yard for ditches with an average cross section of 7 sq. ft. or more.
4. Construction of earthen dams or reservoirs: 10c per cubic yard for dams, and 8c per cubic yard for damless tanks.
5. Drilling or digging wells for livestock water: Wells with 4 to 6 inch casing—\$2.00 per linear ft. Wells with 6 in. casing or more—\$3.00 per linear ft.
6. Strip cropping ON THE CONTOUR: 50c per acre. Applicable ONLY to terraced land.
7. Strip cropping NOT on the contour: 50c per acre.
8. Contour farming intertilled crops: 50c per acre. Applicable ONLY to non-terraced land of less than 3% slope on which proper guide lines are run in 1947.
9. Contour farming drilled crops: 25c per acre.
10. Leaving on the land as a protection against wind erosion the stalks or stubble of sorghums or millet: 25c per acre.
11. Deep plowing (10 inches) of sandy cropland: \$1.50 per acre. Applicable only to sandy soils.
12. Elimination of destructive plants (Pricklypear, cactus, mesquite, underbrush, bushes and shrubs) on pasture land: Different prices, depending on the

amount of infestation, not to exceed \$5.00 per acre.

13. Mowing established pastures: 50c per acre.

14. Resceding pasture land by deferred grazing: 12c per acre.

15. Establishing or improving permanent pastures by seeding pasture grasses, pasture legumes or a mixture of grasses and legumes. Different prices (Ask at county office).

16. Harvesting legumes and grass seed: Weeping love grass and alfalfa—7c per pound. Not to exceed \$3.50 per acre and limited to \$70.00 per farm.

17. Establishing a satisfactory cover of winter legumes seeded in fall of 1946: Austrian winterpeas: 5c per pound. Hairy vetch—14.4c per pound.

18. Application of potash and phosphate: Different prices (Ask at county office).

19. Control of bindweeds: By plowing — \$10.00 per acre. By chemicals—\$5.00 per acre.

Donley County Leader, \$2.50 year

The Santa Rosa Roundup May 6-11

The second annual Santa Rosa Roundup, sponsored by E. Paul Waggoner and the Santa Rosa Roundup Association, to be held in Vernon will be May 6 through May 11th at the newly constructed \$200,000 rodeo plant, located three miles south of Vernon on the Seymour highway.

This rodeo promises to be even bigger and better than the initial showing last year, with top performers and the best rodeo stock in the business on hand. The show will be produced by Earl and Jack Sellers of Del Rio, Texas, father and son team, who have produced first class rodeos all over the nation.

General Jonathan Wainwright, whose name is synonymous with Corrigidor and Bataan, will be in Vernon to lead the big parade which will open the Santa Rosa Roundup.

At the Santa Rosa Roundup you will see calf roping contests, cutting horse, steer wrestling, saddle bronc riding, bareback bronc riding, brahma bull riding and a wild mare race. Special attractions will be the J. C. Smith mounted quadrille of Dallas, plain and fancy trick riding and roping by Dorothy Rizzell, Paul

line Nesbitt, holder of the world's championship; Buff Brady, Jr. who perhaps, has performed in more rodeos than anyone in his profession; Calgary Red, who does trick roping on a tight wire; and Volney Snodgrass with his trained sheep dog. Clowns will be Willy McCray and Charlie Schultz with his bucking Ford.

A Beauty Revue, sponsored by the Vernon Chamber of Commerce, with contestants from

more than 50 cities in Texas and Oklahoma, will be held. The first place winner will be awarded \$500.00 in cash; second prize winner will receive \$250.00 and third prize will be \$100.00.

Larger profits are ours if we feed the soil by returning something to it each year for what we take away in food.

MOST OF CROPLAND IN THE COUNTY IS LISTED UNDER AAA PROGRAM

Farmers in Donley County are interested in conservation of the soil. That interest is shown in the fact that more than 70% of the cropland in the county is covered by an active worksheet in the AAA Office. In 1946 owners and operators of more than 750 farms in the county performed practices amounting to more than \$70,000.00 in AAA assistance. This means that for every dollar of funds paid out under AAA assist-

ance much more than a dollar's worth of improvement is being made on the lands in the county, for the AAA payment on any practice covers only a PART of the actual cost of the practice.

All farmers are requested to report to the county AAA Office as soon as possible to request prior approval for AAA assistance for any work that is to be done in 1947. For the 1947 program year \$73,000.00 was allocated to Donley County. In order that this county will not exceed the allocation it is necessary that prior approvals be issued for

This . . .
. . . or this

every practice that is carried out. No practice can be paid for unless a prior approval is obtained.

Feed Phosphate to the soil.

AUSTRIAN WINTER PEAS IN DONLEY COUNTY

Last fall Donley County farmers seeded around 1000 acres to Austrian Winter peas. Mr. Breedlove County Agent, was able to secure the seed for the farmers and gave them directions for planting. This is a new experience for the farmers in this county and most of them are well pleased with the results. Winter legumes have proven to be one of the most satisfactory methods of building up the soil. They not only supply the much needed nitrogen but they also furnish

organic matter which mellow the soil, holds moisture and brings about better growing conditions. AAA pays \$5.00 per 100 lb. to help the farmer who wishes to carry out this soil conserving practice. Farmers might begin now to think of applying superphosphate to the crop that is help to pay the expense of carrying out this practice too.

When our soils are gone, we too must go unless we find some way to feed on raw rock or its equivalent.

Grass makes millions of dams.

State Committeemen

Farmer-committeemen who run the Texas Production and Marketing Administration (PMA) office in College Station serve both farmers and the public.

They administer farm programs formerly handled by several agencies of the Department of Agriculture. The activities cover not only farm production problems, but the intricate business of farm prices and the marketing of farm products — matters of great importance to all consumers.

These committeemen are: B. F. Vance, College Station, Chairman; Victor L. Cade, Rt. 5, Lub-

bock; Howard T. Kingsbery, Santa Anna; George A. Slaughter, Wharton, and William L. David, Corsicana, Texas.

Agencies in the PMA setup which these men operate include the Commodity Credit Corporation and the Federal Crop Insurance Corporation.

Each committeeman has a wide acquaintance with farmers and farm problems in Texas.

STOP, LOOK, LISTEN, soil erosion is our Nation's No. 1 enemy. It must be checked.

A prosperous community cannot stay after the soils of that community have washed away.

Don't let anyone hear you brag about how many farms you have worn out.

More Soil Conservation

Means **BETTER FARMS** and **BETTER LIVING**

"Conserve the Soil" has been the advice given by experts for many years. And the soil conservation practices which have been carried out in this county have proven to be worthwhile, and more and more farmers are taking part.

We think this soil building program is one of the most important steps which has been undertaken to improve conditions of the farms. It means that the fertility of the soil will not be depleted as in some other sections, and production will be increased by these practices.

County ACP Payments Mailed

Most Donley County farmers who carried out approved soil-building practices during 1946 should have received payments by now covering Uncle Sam's share of the costs, according to Chairman, Nolie Simmons, of the Agricultural Conservation (AAA) Committee.

Meanwhile, he said, plans for the county's 1947 Agricultural Conservation Program are well

underway. This county has been allocated \$71,000.00 to be used in assisting farmers with conservation work during the 1947 program year.

Farmers should study the 19 practices approved for this county and file their application for assistance before starting work, said Mr. Simmons. The committee will review the applications and allot funds to help carry out practices this spring, next summer and fall. "We want to get the most conservation possible in 1947."

Mr. Simmons explained that farmers and the government, through ACP, share the cost of

maintaining and building the county's soil and water resources. "That's because good land benefits everybody," he continued. It means better income for the farmer and better health for all of us."

The County Office at Clarendon is already planning the conservation program for 1948. Chairman Simmons urged farmers to make suggestions on program improvements, either to his office or to their nearest AAA Committeeman. This program is operated by farmers and it is up to them to make it work.

VALUE OF ACP SHOWS UP IN RECORD CROPS

The value of conservation farming has shown up in the record-smashing crops of recent years in addition to its long-term value to the welfare of the nation.

In a statement from B. F. Vance, State Administrator of the Production and Marketing Administration, he points out that farmers of Texas who received ACP assistance in 1946 actually carried out conservation work worth approximately 2 1/2 times the amount of Federal assistance. In some instances he asserted, "Farmers stand more than half the cost, not counting labor supplied by the farm family."

"But", he adds, "you can't determine the real value of conservation in dollars and cents. You can't add up the value of tons of topsoil saved, or the fertility added back to depleted soils, the flooded lands drained, rangeland protected, or water saved. Conservation work has a value that is not measurable."

AAA OFFICE

The Donley County Agricultural Conservation (AAA) office is your office. The time of the people who work there is your time. They are public servants, and the office, with its equipment, is public property.

Salaries, expenses, all costs are paid by all taxpayers. The purpose of the office is to promote the agriculture of the county, and therefore, the general welfare of everybody in the county.

You are cordially invited to come in and find out anything you want to know about farm programs which the office administers. As you probably know, the office is located in the old Post Office building, just south of Norwood's Pharmacy, and the telephone number is 135.

A staff of four local folks do the big day-to-day job required to keep Donley County's Agricultural Conservation (AAA) office operating to serve local farmers.

Head of the office is Mrs. Mildred Ritter. She has the responsibility of carrying out the decisions of the office's three farmer-committeemen, elected each year by other farmers of the county. She also supervises the office staff in handling paper work of other kinds, as for federal crop insurance, loans, and conservation services.

One of the biggest jobs of the office staff is to get out information of all kinds to farmers—by answering questions of those who drop into the office where, by the way, they are always welcome; by sending letters and forms to farmers through the mail; and by getting facts and figures to the public via newspapers.

Mrs. Ritter and her office force also make up reports under the direction of the county committee which are relayed to the Texas Production and Marketing Administration (PMA) office in College Station. PMA is the agency of the Department of Agriculture to which the county committee is responsible.

Those who help Mrs. Ritter to get these and other jobs done in the county are Mrs. Dolly Cole, Chief Clerk, Charles Rains, Sr. Field Officer and Jim Lumpkin, Clerk.

Conservation Is Citizen's Responsibility

In a speech on January 30, Grant Thompson, assistant director of the Department of Agriculture's Field Service Branch stated that conservation of the Nation's land and water resources is the responsibility of all its citizens.

"The important task of looking after the land and water resources of our farmland—demands the attention and support of 141 million people, the entire population of this country," he adds, "for the boys and girls who play in city parks have just as big a stake in the Nation's soil as the boys and girls who are raising prize livestock for county fairs."

"The bottles of milk set on the city family's doorstep every morning and the meat on the city dinner table come from one place—the soil. The price and continuous supply of that milk and that steak depend on the productivity of the soil that produc-

ed them."

Thompson pointed out that farmers are now putting six times as much lime on their land as they did 11 years ago when the Agricultural Conservation Program (ACP) began. But he added that the 25 million tons spread in 1946 is less than half of our "carefully estimated national needs."

Discussing the annual cost of the ACP to United States citizens, Mr. Thompson said, "If we break down the share that goes for harvested cropland, we find that the people are contributing less than \$1.50 a person to help farmers take care of their land."

All who are friends of the soil need now to move and speak out together as never before.

Crops recently mentioned by the Secretary of Agriculture which either will, or conceivably might, cause the government "price support" headaches by the end of 1948 include: Potatoes, eggs, cotton, wool, flaxseed, peanuts, dairy products, and some fruits and vegetables.

Urban people must form a good pep-squad and get behind the team if farmers are to win the fight against soil erosion.

A half done job in terracing a field is worse than no terraces at all.

Crime thrives more and more as the land becomes poorer and poorer.

SAVE YOUR SOIL

And the Future of Donley County Is Assured

Now Is The Time To Plan For Production In All The Years To Come

We recognize the fact that agriculture is the foundation of the progress and prosperity of Donley County. The fertility of our soil is our most valuable asset. The knowledge that conservation practices are the answer to our number one problem causes us at this time to heartily endorse the AAA program.
