## Questions In Regard To Hospital

Below you will find a letter that was received by the Leader office the past week in regard to the City-County hospital. At this point we will not attempt to answer some of the questions involved but invite those who know the answers to drop us a note in condensed form. We want to give a clear picture of all views regarding the hospital question but space may possibly be limited.  
Editor,  
Donley County Leader  
Dear Sir:

I am taking the liberty of writing you this open letter concerning the coming election as to the establishment of a County-City hospital.

I am not crusading, just asking a few questions. So far as I am concerned, I think that we people of Donley County need a hospital. But about all that we know is—there's going to be an election to decide its fate. And if it passes, we taxpayers will have the job of financing it.

Nothing is aimed at the character of those trying to establish the hospital. I believe that they are sincere and honest about it, but are all of their efforts well thought out? Have they any accurate idea as to the cost of the project? If it is a catch-as-catch-can proposition, it would be a risky one.

Will this proposed tax be enough or will it be necessary to start hoisting the valuation in order to meet the ever increasing expenses of the project? What about that county tax that was voted some time ago?

Anything financed by taxes comes high. No one knows that better than we taxpayers. Recent statistics show that one out of every four dollars goes for taxes.

It is common knowledge that keeping a hospital out of the red is quite a feat. A reader of the daily papers knows, from what he reads, that these larger hospitals are always on the look-out for more efficient administrators in their efforts to try to make their institutions break even. A local hospital here would not be apt to be any different from a financial standpoint. So it ought to be well planned and efficiently officered too.

The paper states that the board of managers would be empowered to decide as to whether the hospital would have an open or a closed staff. What does that mean? Does it mean that they can, if they choose to do so, pick a certain brand of doctor or doctors, that would be permitted to use the hospital for their exclusive benefit, and at the tax-payers expense? If the taxpayer must foot the bills would it be right to exclude doctors of any ilk at the

## Mail Carrier Escapes Serious Injuries In Car - Bridge Mishap

Mrs. C. Huffman, who has been carrying the mail on Jericho Rt. for a number of years, was bruised, badly shocked and shaken up Tuesday morning when her car went out of control and collided with the bridge spanning Carroll Creek about a half mile east of the Country Club.

Mrs. Huffman was traveling east when the accident occurred. The hill to the west of the bridge was muddy and when Mrs. Huffman's car entered onto the bridge, a slick tire dropped off the narrow run-way on the bridge throwing the car into the steel side-railing. It banged back and forth catching all four fenders of the car before it came to a stop just before leaving the bridge. The car was badly damaged.

expense of those of another kind? Would it be legal to tax a man and then force him to use a doctor that he did not want, nor choose, if he was to get the use of the hospital?

Can this governing board turn the operation of the hospital over to an individual, a fraternal organization or religious organization if they simply decide to do so? Would John Q public be expected to still foot the bills under those conditions? That seems to be a popular thing to do in many places it seems. Especially in our neighboring state of New Mexico. I do not think that a lot of taxpayers care to foot the bills to further the cause of any select individual or group.

What about the political anger of this board? Will it have politics in it? Politics and medicine do not seem to mix very well in the USA as has been shown by the sad spectacle of mixing the Salk Polio vaccine with politics.

These are simple some questions that I have been wondering about and I have written this letter with the hope of learning the answer to them, and I believe that those that are fostering the plan are honest about it and that they are fair-minded enough not to resent the questions of anyone seeking enlightenment about it.

But anyone bitten by the curiosity bug is liable to incur the wrath and ridicule of some persons even though they are in no way remotely connected with the plan. I am not seeking enmity, popularity nor publicity—simply answers to the questions that are bothering me. And such being the case, I'm not hiding under an alias but signing my own name.

And I would like to conclude by saying again that I favor a local hospital among us and that I hope a successful and feasible plan can be worked out to get one started.

Respectfully,  
Al Dever.

Donley County Leader, \$2.50 year

### MYSTERY FARM NO. 12

—Can you identify this farm home? If you think you can and get your guess in to the Leader office by Monday morning you may win a free subscription or free movie ticket. Names of those correctly identifying the Leader Mystery Farm are placed in a box. The first name drawn wins a free subscription for one year to the Leader; the second will receive a movie pass to the Mulkey Theatre good for two people; the next three names will receive a movie ticket for one. Only one subscription will be given per family but you may guess each week and be eligible for the movie tickets. Everyone has an equal chance this way. You do not have to buy anything or be obligated in any manner to participate. Call or come by the Leader office only with your guess any time during office hours.

### Local Firemen Return From Fireman's School

Geo. L. Green, local fire marshal and E. C. Woods, truck driver for the Clarendon Volunteer Fire Department, returned home Sunday from College Station where they attended the 26th session of the Fireman's Training school last week.

Early day firemen were referred to as smoke eaters and their efficiency was judged by the amount of water pumped on a fire. At the modern fireman's school we are taught, that with modern equipment, fog-nozzles, high pressure pumps and chemicals, we can put out a fire with less water and less damage to the building or contents, Green stated.

He said that the attendance at the school was the largest in the history of the school with a total of 935 students, 159 instructors, 408 Texas towns represented and 25 out of state towns; also 19 military stations. Twenty-five states other than Texas were represented.

Green reported also that the local fire department was installing a 2-way radio system that will be tied in with the county radio system to be used for storm warnings, disaster warnings and all around communication. Half of the cost of this system is being paid for by the Federal Government.

If you have time, or will take time to visit our local fire station, the personnel on duty will be glad to show you our modern fire-fighting equipment, Green added.

### Dusters To Play Amarillo Sunday

The Clarendon Dusters will take on Rath's Blackhawks at Amarillo Sunday afternoon. The Blackhawks are the toughest bunch to beat in the Caprock League, but the Dusters are hoping to do the same thing that Groom did the past Sunday, a drubbing to the tune of 18-19 in Groom's favor.

The game at Amarillo will be played in Gold Sox Park, located North of Amarillo football stadium, at 3 o'clock.

The Dusters lost their practice game last Sunday afternoon to the Amarillo Jaycees 13-6. The game was tied up 5-5 going into the 11th inning. The Dusters pushed over one run but the visitors ran wild with 8 runs.

### Yearly Moisture Total Receives Another Boost

According to Tommy Saye, official weather observer, we have received a total of 17.07 inches of moisture so far this year with 1.85 of that amount being received this month. This total exceeds the entire total received last year by 1.05 inches and the total for this month thru Wednesday noon exceeds the amount received in July 1954 by 1.29 inches.

Saye reported the following amounts received this past week: 1.03 on the 14th; .28 on the 16th and .54 on the 19th. The hottest day for the month so far was 98 degrees on the 9th with the coolest high, a nice 78 degrees on the 20th. The hottest low was 75 degrees on the 8th and the coolest was 61 on the 14th.

Some parts of the county have received less moisture than here in town but some areas have received considerable more as the showers have been spotted and of the section line nature. In most instances the moisture was greatly appreciated.

### New Drive-In Theatre Being Built Here

Construction is well underway on the new Sandell Drive-In Theatre just north of the overpass on highway 70. Gary Barnhill of Turkey is the owner of this new business and reports that he hopes to have it in operation within the next 4 to 5 weeks.

Land for the site of the Theatre was purchased some two weeks ago from the Mulkey Estate and was the proposed site that Lee Bell had selected for a drive-in when the drought hit this area. It comprises 9 acres of land and was purchased originally from E. Bryson. With the Mulkey Theatre here in town, Mr. Bell felt that it would be unadvisable to construct another theatre with conditions as they were.

The new theatre will handle over 300 cars and will have a 20 x 50 foot projection room and concession stand and a 20 x 35 foot patio that will seat 40 to 50 people. The tower will be of steel construction and will have a wide screen. The ramps will be surfaced with caliche at the present time, Mr. Barnhill stated.

Mr. and Mrs. Barnhill and two daughters plan to move here to make their home within the near future.

### W. W. Pinkerton New Supt. of Schools

Announcement was made this week by the local school board that W. W. Pinkerton, Supt. of the Darrouzett Schools, has been hired as the new Superintendent of the Clarendon Public Schools and President of Clarendon Junior College, and will assume his duties here August 1st. Pinkerton will replace H. W. Truitt who resigned as Supt. in June.

Mr. Pinkerton leaves a fine record of improvement at the Darrouzett schools where he has been Supt. the past four years and was re-elected for another term. He has also served as Supt. of Schools at Westminster, Texas 3 years. He received his B. S. and M. S. Degrees from North Texas State College at Denton and is a veteran of World War II.

Mr. Pinkerton is 37, and his family consists of his wife and four sons. It has been understood that Mrs. Pinkerton is a talented piano teacher and probably will be interested in teaching private lessons after becoming established here.

### Some Will Be Seeing Red Again!

If you see a red check mark in the upper left hand corner of this page, it is our way of reminding you that your subscription has expired and it is time to pay up again. The subscription price is \$2.50 here in the county and \$3.00 per year for those receiving the Leader outside and away from this area. With an anticipated raise in the price of newsprint again, the subscription price of the Leader may be higher in the not too distant future. Let us have your renewal promptly as it is not our desire to cut any name off our list.

### Second Polio Shot Available July 26

Miss Ruth Richerson, county superintendent, announced this week that the second inoculation of the Salk Polio Vaccine would be available for the students of all the Donley County schools who were in the first and second grades last school term, and who have had their first shots.

Drs. Humphrey and Martindale will start administering the shots at 8 o'clock A. M., Tuesday, July 26th at the court room in the court house, Miss Richerson stated.

## OLD SETTLERS PICNIC DATE SET FOR AUG. 5th At TATE GROVE

### Large Group Attends Road Dedication

Several cars of interested and appreciative citizens of Clarendon joined similar groups from Silverton, Memphis, Turkey and other points in a Dedication celebration at the top of the Cap near Silverton last Thursday afternoon. Fletcher Curry, local hotel owner and booster of better roads, said it was one of the nicest affairs he had ever attended and that the view from top of the Cap was beautiful at that time of the afternoon.

Briscoe County Judge J. W. Lyons served as master of ceremonies. Marshall Formby was the only Highway Commissioner able to attend but his speech was well worth the trip. Curry stated, Formby's speech followed that of Palmer Massey, Dist. Engineer of Childress who was quite modest in speaking of the engineering job on the Cap road. Formby praised Massey for his engineering job on the road and stated that it was a remarkable feat.

W. S. Whaley, who was unable to attend on account of illness, and Clifford Farmer of Memphis received special recognition for their efforts in getting the roads completed.

### SAYE'S FINISHING UP REMODELING JOB

Remodeling at Saye's is being completed this week giving the business a new look which will afford more shopping pleasure to residents of this area. A new low ceiling has been constructed in the building and new eight foot fluorescent light fixtures have replaced the old light fixtures and the interior of the building has been painted and redecorated from front to back. The remodeling has hampered Beauty Shop operation and general sales in the store but we are ready to take care of business as usual, Mrs. Saye stated.

### LEAVE FOR TOUR OF NORTHEASTERN STATES

Mr. and Mrs. J. R. Brandon, Miss Lucile Polk and Mrs. Julia Heuer left Sunday for a three weeks tour of the Northeastern States. They plan to visit Washington, D. C., Portland, Maine, points in southern Canada, Detroit, Michigan and points of interest along the route.

Mr. and Mrs. Frank Tyler and son of Lubbock spent the week end with their parents, Mr. and Mrs. G. C. Heath and Mrs. E. W. Tyler.

The annual Donley County Old Settlers Picnic date has been set for August 5th and will be held at Tate Grove northeast of Hedley, where the picnic has been held for many years. The date has been set up so that school children might attend, stated Mrs. Wayne Latimer, secretary of the association.

J. Garland (Cotton John) Smith has promised the president, Woodroe Farris, that he will be at the picnic along with other KGNC entertainers. Farris said that if anyone had any favorite entertainers who they would like to see, just let the organization know and they will try to engage them.

Officials of the picnic organization urged everyone interested to contact relatives and friends, so that they may make plans to attend.

The officials of the organization are Woodroe Farris, president; Clifford Johnson, Vice-president; Mrs. Wayne Latimer, secretary and treasurer, and Mrs. Will Rains, founder of Hedley.

### Annual Country Club Barbecue Date Set For August 2nd

The date for the annual Country Club Chicken Barbecue has been set for Tuesday, August 2nd. Serving time will be 7:30 p. m.

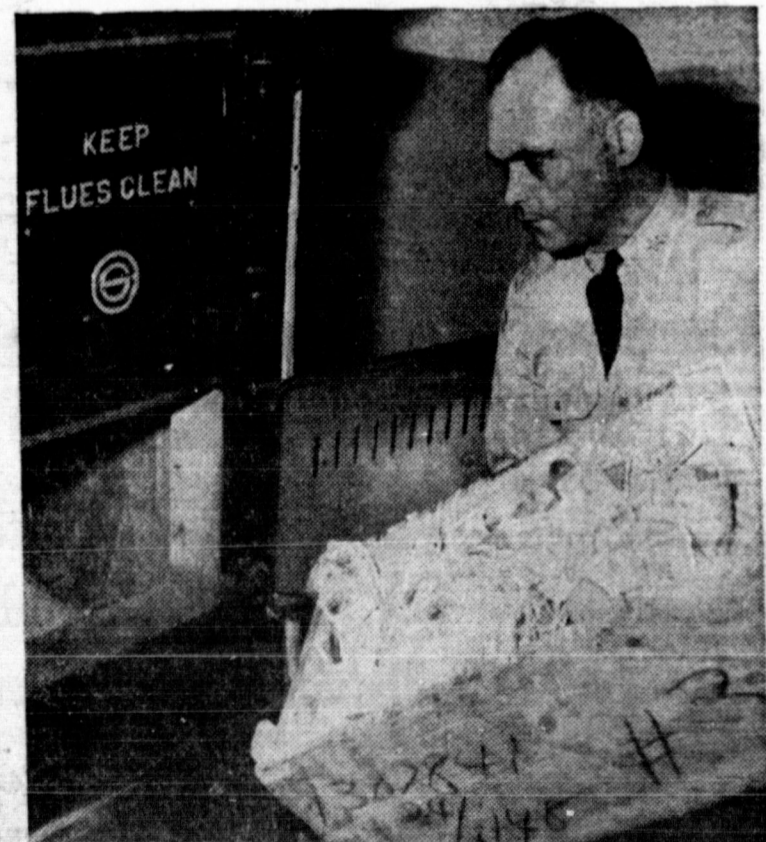

Club members can invite as many guests as they wish just as long as they purchase a ticket for themselves and each guest. One-half chicken, beans and coffee will be furnished by the club at \$56 per ticket. The Club will purchase all chickens so the barbecuing will be uniform. You must acquire or speak for the number of tickets desired no later than Saturday, July 30th as the committee must know by that time how many chickens to purchase.

Tickets may be purchased at the Household Supply or Bob Moss Pharmacy. Those desiring, may play Bingo following the barbecue.

Club members are reminded that each ticket will be good for 1/2 chicken, beans and coffee, so if you want bread and other trimmings be sure to bring them along in your picnic basket.

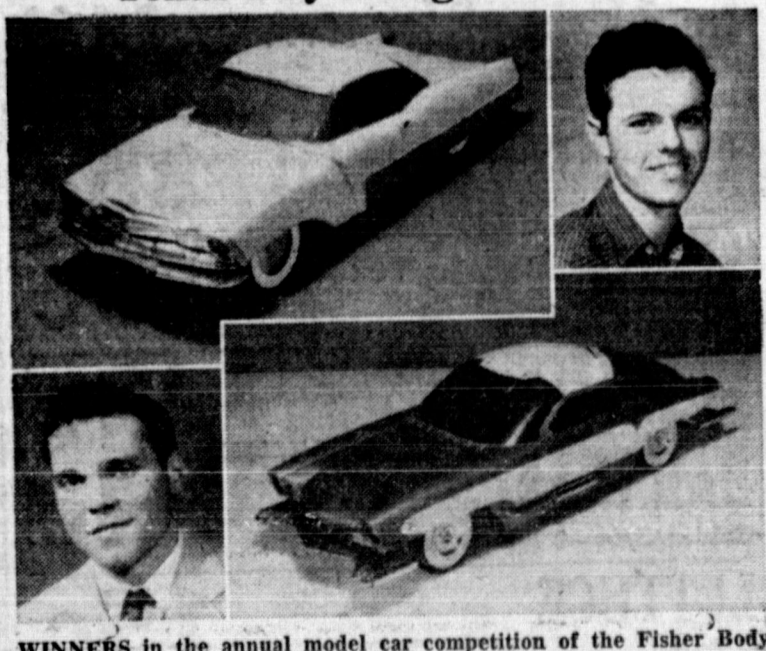

### CUB SCOUT NOTICE

The regular cub scout pack meeting will be held at the Country Club on Tuesday, August 26th at 5:30 p. m. All cubs and their families are urged to be present and enjoy a good outing. Each family is to provide sack lunches and drinks for themselves.

MONEY TO BURN—Major Charles W. Valencour, Milwaukee, Wis., of the comptroller's section, Army headquarters, Tokyo, Japan, burns a box of Military Payment Certificates. These are the "MPC's" used by armed forces personnel in overseas areas. When they are too worn for further use, they are called in and destroyed.

## Texas Boy Designers Win

WINNERS in the annual model car competition of the Fisher Body Craftsmen's Guild are Jerry Moore (upper right), of San Antonio, who took first state honors in the Junior Division (ages 12 through 15), and Anthony K. Mauldin of Fort Worth, whose beautiful model car won first in the Senior Division (ages 16 through 19). Each received a cash award of \$150. Young Mauldin's model went on to take regional honors and a chance to win a university scholarship in the national competition. This year the Guild is celebrating its Silver Anniversary.

**MARTIN NEWS**

Mrs. W. H. Morrow

There was a big crowd out for church and Sunday school Sunday.

The B.T.U. meeting closed Friday night with a good success.

Mr. and Mrs. Geo. Bulman went to Memphis after church Sunday and spent the rest of the day with Mrs. Huldo Wilson and Mrs. Linnie Cautchen.

Mr. and Mrs. Ed McDaniel of Ft. Worth visited Mr. and Mrs. Pete Land last week.

Mr. and Mrs. Pete Land, Mr. and Mrs. Ed McDaniel spent Sunday at Amarillo at the Holland Reunion.

Mr. and Mrs. Lindell Patterson of Lubbock visited Mr. and Mrs. W. H. Morrow and Mr. and Mrs. Geo. Bulman Wednesday.

Mrs. Richard Cannon went to Hereford Sunday to see her mother, Mrs. J. A. Pool who is in the hospital there.

Mr. and Mrs. Wayne Morrow and Bobby, Mr. and Mrs. Pete Morrow and Mike of Amarillo and Mr. Richard Cannon were dinner guests of Mr. and Mrs. W. H. Morrow Sunday.

Mrs. C. J. Talley spent last week end at Amarillo visiting Mr. and Mrs. Paul Talley and Mr. and Mrs. Frank Mace.

Miss Della Wood spent Sunday with Mr. and Mrs. Lonnie Wood. Mr. and Mrs. Hott visited Mr.

and Mrs. W. D. Higgins Friday night.

Mr. and Mrs. W. D. Higgins visited Mr. and Mrs. Hotts Tuesday night.

Mrs. Nell Davis from Calif. visited Mr. and Mrs. W. D. Higgins Wednesday and Wednesday night.

Mrs. Arvol Frod and children and Alice Read from Amarillo visited Mr. and Mrs. D. L. Brinkley Monday.

Mr. and Mrs. Dewey Brinkley and Eddie visited in Amarillo Sunday.

Mr. and Mrs. Geo. Bulman visited Mr. and Mrs. W. D. Higgins Thursday night.

Mr. and Mrs. Geo. Bulman visited in the Morrow home Sunday eve.

Mrs. T. H. Harmonson and six Junior girls went to Camp at Panfork Encampment last week.

Three girls, Charlotte Jones, Joan Bennett and Susie Posey are attending Intermediate Camp from Martin this week.

Rev. and Mrs. T. H. Harmonson and family visited the Dale Hill family Sunday afternoon.

The church is making plans for the Revival to begin August 5th. Rev. J. J. Allison of Claude will preach and Sam Patterson of Chillicothe will do the singing.

**LELIA LAKE NEWS**

Mrs. H. R. King

Mr. and Mrs. J. C. Stepp and daughters returned Thursday

night from a visit with relatives in Huntington, Virginia.

Mr. and Mrs. D. M. Cook left Thursday to spend a few days with relatives in Plainview and Lubbock.

Mr. and Mrs. Ronald Castner and daughters visited relatives in Lubbock Thursday and Friday. Mrs. Quinn Aten and Mrs. Sam Roberts visited relatives in Memphis Tuesday.

Will Mace left Thursday to visit relatives in Farwell.

Mr. and Mrs. Bill Henson and children of Childress spent Sunday with her mother, Mrs. J. W. Shields.

Mr. and Mrs. George Moore of Amarillo spent the weekend with her parents, Mr. and Mrs. C. C. Ayers.

Mr. and Mrs. D. E. Leathers and Mr. and Mrs. Rice Batson had business in Amarillo Thursday.

Mr. and Mrs. Nelson Seago and Mrs. Benny Hill and Stevie spent the weekend with relatives in Hico. They were accompanied home by Mrs. J. J. Seago who will visit her son and family several weeks.

Mrs. Earl Myers accompanied the Seagos to Dublin where she spent the weekend with Mr. and Mrs. Frank Wolford.

Carol Stepp of Amarillo spent the weekend with her parents, Mr. and Mrs. J. C. Stepp.

Mr. Bobby Lee of Sundown, the new agriculture teacher, visited J. C. Stepp Saturday.

Mr. and Mrs. E. J. Bentley of Arlington left Friday after visiting her brother Nolie Simmons and Mrs. Simmons and relatives in Hedley.

Mr. and Mrs. Andrew Womack of Memphis spent Sunday with Mr. and Mrs. Luther Butler.

Mrs. W. V. McCauley left Saturday to spend the weekend with her son, John McCauley and family of Amarillo.

Mr. and Mrs. R. T. Simmons of Amarillo visited Mr. and Mrs. Nolie Simmons Wednesday.

Mr. and Mrs. Bill Mooring and boys spent the weekend in Lubbock visiting relatives.

Mrs. Mary Lou Morris and Judy accompanied them to Lubbock and will leave from there to return to their home in Rodeo, Calif.

**DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS**

Many times a conservation job cannot be done at one time, but requires from one to several years to accomplish the desired results; and often the cooperation of more than one farmer. An example of this is a diversion which Wes Sullivan needs on the north side of the draw which runs through his place into Lloyd Risleys. Before this diversion is constructed some means of handling the water it will carry must be developed. To do this Lloyd Risley agreed to let Wes Sullivan build a waterway from where the diversion will empty, parallel to highway 287 to the place where the draw goes under the highway. This waterway will be constructed and seeded to a mixture of grasses. After these grasses have become established and made sufficient growth to protect the waterway from washing, then the diversion will be built and the water diverted into it.

Prior establishment of a grass cover on a waterway is not always necessary. The steepness of the slope and the type of soil are the two factors taken into consideration in determining whether or not the grass should be established before or after the waterway is placed in use.

Wes Sullivan has already completed a diversion on the south side of the draw through his place. In this case no waterway was needed because the diversion could be emptied on native pasture.

A good example of a waterway and diversions protecting cropland from washing rains can be seen from highway 287 on John

Knorrp's irrigated place near Clarendon. These diversions and the waterway were designed and laid out by technicians of the Soil Conservation Service assisting the Donley Soil Conservation District, in 1952, and have prevented considerable damage to the cropland since then.

**Now & Tomorrow With The Atom**

By BILL JURY  
 General Electric News Bureau  
 Hanford Atomic Plant

(The following is the second of a series of seven articles disclosing the highlights and sidelights which have accompanied the nation's development of atomic energy. Prepared at the Hanford atomic energy plant, the series deals with the human things which followed in the wake of the first historic announcement that man had harnessed the atom. It touches upon the things which lie ahead.)

The story of the amazing transfiguration of a land of sagebrush and sand into a true desert oasis is another chapter in America's atomic history.

Desert wasteland in Southeastern Washington was selected as the site of the now-famous Hanford atomic energy plant nearly 13 years ago because its sparse population and the nearby Columbia River and abundant electrical power met the requirements of scientists and engineers.

Thousands of workers and their families moved into the area to help construct and maintain the plutonium-manufacturing plant, now operated by General Electric Co. for the AEC. They soon realized they would have to fight the ageless desert before they would be comfortable in their new

home. The nearby village of Richland was a logical townsite for the new families—almost flat with plenty of room to grow—but it arose to a low crown from the Columbia and Yakima rivers on the east, south and west and caught the full effect of every wind that swept across the desert.

The Atomic City immediately embarked upon a vigorous campaign to save its homes and belongings from the screaming winds and frequent dust storms which roamed the arid waste unchecked. To combat the wind, dust and summer heat, a program of tree and shrub planting was begun in an area barely capable of supporting sagebrush.

A few hardy old trees were salvaged from the nearby village of Hanford. They were dug up, lifted and moved by truck-mounted cranes and replanted in the new townsite. While the transplanted trees were cared for a search began for species of trees which could survive Richland's cold winters, hot summers and thin, somewhat alkaline soil.

The first step was the establishment of a tree farm. The project started out with around 20 types of seedling trees and was built up to include 150 varieties. In the end, about 75 types proved to be adaptable.

Western pine and spruce and leafy trees native to the midwest fared the best. Lawn trees were selected with the idea of getting something which would let a little breeze blow. In this line, catalpa, maple and sycamore were favorites. The street trees were of varied types, mixed to prevent a single pest or disease from wiping out the entire plantings in one sweep. They included Norway maple, locust, European Plane tree, European Linden, ash and American sycamore. All grew tall and dense after long

and continuous watering. Since 1943, approximately 25,000 trees and shrubs have been moved or planted in the city. The program included everything from foot-high shrubs to 40-foot trees. Today, more than 40 miles of streets throughout the city of over 27,000 persons are lined with trees.

The fight to stop the wind and provide shade for the residents soon developed into a two-fold struggle. The other effort was the planting of shelter belts around the city to lift the main force of the prevailing winds.

The first shelter belt was planted along the west side of the town, and consisted of five rows of trees. An overgrown wind-break, the five-row belts were made up of shrubs on the windward side, with progressively taller trees in each of the four other rows.

This forced the wind over the shelter belts, and the street and lawn trees held it there until the wind was safely over the city. Tests have shown that the effect has been a reduction in wind velocity of several miles per hour throughout the sheltered city.

Once the wind and sand had been controlled, the new families, planted, watered, fertilized and trimmed their lawns with the care given a child plucked away from the burning desert wastes. Today the transformation has been completed. Richland has been turned into a veritable "oasis" nearly as miraculous as the product its citizens have produced in the nearby Hanford atomic energy plant.

(Next week: "Atomic Future")

The rubber plant, or guayule, grows in the western part of Texas. Quicksand is a bed of sand so water-soaked that it engulfs anything that attempts to rest on it.

**MYSTERY FARM NO. 11**—This farm home was identified by forty-two persons last week as the Leroy Luttrell place 8 miles northeast of Clarendon. Sylvia Luttrell Isaacs came in to make positive identification and receive the free glossy picture. Mr. Luttrell purchased this 440 acre farm in 1941 from Lloyd

Risley. It was originally a part of the RO Ranch. All improvements, house, buildings, trees, etc., have been put there since the purchase of the land. Mr. Luttrell follows diversified farming methods; he grows cotton, grain sorghums, watermelons and has a nice peach orchard. He also raises beef cattle. His favorite

crops are cotton and beef calves. Mr. and Mrs. Luttrell were married January 30, 1931 and are long time residents of the county. They have three children, Sylvia Luttrell Isaacs, Leo Luttrell, age 16, and Wondall Ray, age 9. All are members of the Lelia Lake First Baptist Church.

**GOLDSTON NEWS**

Mrs. Roy Roberson

Mrs. Walter Goldston was in Lubbock Sunday and attended the Losson family reunion.

Mr. and Mrs. Roy Stewart and boys visited Saturday night with Mr. and Mrs. Roy Brock of Clarendon.

Mr. and Mrs. Bud Philley and Kay visited while Sunday eve with Mr. and Mrs. Slim Phillips and family of Clarendon.

Those visiting some time thru the week in the home of Mr. and Mrs. Dick Eichelberger were Mr. and Mrs. Howard Stewart and girls, Rev. Paul Wright, Rev. Biggs and Mrs. Fontayne Elmore

all of Clarendon and Mr. and Mrs. Neeley Hudson of Goodnight.

Mr. and Mrs. Gilbert Stewart and baby spent Saturday night with Mr. and Mrs. Royce Hall of Hedley.

Mr. and Mrs. M. W. Hatley visited Wednesday night with Mr. and Mrs. Ed Smith.

Mr. and Mrs. Bud Philley and Kay visited Saturday night with Mr. and Mrs. C. A. Callahan.

Those visiting in the V. Littlefield home Sunday eve were Bill and Kenneth Littlefield of Happy, Mr. and Mrs. C. A. Callahan, Mr. and Mrs. Roy Roberson, Pat and Minnie.

Mrs. M. W. Hatley visited Saturday eve with Mrs. Ed Ledbetter.

Mr. and Mrs. Bud Philley and Kay visited Sunday eve with

Mrs. John Adkins of Clarendon.

Mr. and Mrs. Loyd Littlefield and Gerry took dinner Sunday with Mr. and Mrs. V. Littlefield.

Pat Roberson spent Saturday night with Don Hall of Clarendon.

Bill Littlefield and Kenneth of Happy took dinner Sunday with Mr. and Mrs. Bud Philley and family.

**Important thought to keep in mind:**  
There are times when it can be awfully embarrassing to stall. There's no need to worry about stalling in hot-weather traffic; no need to worry about balky hot-engine starting! Just fill up at your Gulf station with New Super-Refined Gulf NO-NOX—the gasoline that's made with evaporation control to prevent vapor-lock. And always protect your engine with New Gulfpride H.D. Select, the motor oil that controls carbon.

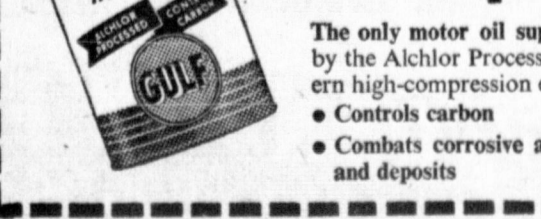

**New Gulf No-Nox Gasoline** delivers not just the highest octane but **full working octane** because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock and engine stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team...New Gulf NoNox Gasoline and **New Gulfpride H.D. Select Motor Oil**

The only motor oil super-refined by the Alchor Process for modern high-compression engines.  
• Controls carbon  
• Combats corrosive acids, rust and deposits  
• Assures lower oil consumption  
• Provides the toughest protective film ever developed in a motor oil  
Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30.

## Miss Crutchfield Is Bride of Tommy Blasingame

In a double-ring ceremony, Saturday afternoon, July 16, Miss Joyce LaNell Crutchfield, daughter of Mr. and Mrs. Roy Crutchfield of Clarendon, Texas, became the bride of Tommy Blasingame, son of Mr. and Mrs. Tom Blasingame, also of Clarendon.

Bert Wells, Minister of the Clarendon Church of Christ, read the service in the home of the bride's parents.

Greenery and wedding baskets of yellow gladioli and yellow carnations accented with blue ribbon to carry out the bride's colors, formed the background for the improvised altar decoration.

Miss Jackie Estlack, pianist, played traditional nuptial selections.

Given in marriage by her father, the bride was attired in a street length suit of white nylon-ribbon knit, and light blue accessories. She carried a white Bible topped with white rosebuds and white french carnations tied with love knots in the streamers.

Attending the bride as maid of honor was Miss Jeanie McAnear. Don Robertson was best man.

For the reception that followed the ceremony, the bridal table was covered with a lace cloth over a blue skirt, and was centered with an arrangement of yellow chrysanthemums and blue daisies. Assisting in the serving were Mrs. Bert Wells of Clarendon and Mrs. Ritt Morris of Claude.

Guests were registered by Miss Jeanette Crutchfield, sister of the bride.

The couple left immediately for Santa Fe, N. Mexico where they will make their home. The bridegroom is employed by the Telephone Company there.

## MISCELLANEOUS SHOWER HONORS MISS CRUTCHFIELD

Miss Joyce Crutchfield, bride-elect of Tommy Blasingame, was honoree at a miscellaneous shower Thursday afternoon, July 14, in the home of Mrs. W. W. Sandifer. Receiving hours were from 4:00 p. m. to 6:00 p. m. Hostesses were Mesdames H. G. Bobbitt, Johnnie Johnson, Charlie Morgan, Bert Wells, Gordon Mann, T. Allred, L. M. Smith, Doc Mann, and W. W. Sandifer.

Guests were received at the door by Mrs. Sandifer and were presented to the honoree, Miss Crutchfield; her mother, Mrs. Roy Crutchfield; and Mrs. Tom Blasingame. Suzanne Sandifer presided at the guest registrar. Miss Jackie Estlack entertained at the piano throughout the receiving hours.

The refreshment table was beautifully laid to carry out the honoree's chosen colors of yellow and blue. Covered with a lace cloth over an underskirt of yellow, the table was centered with a miniature bride and groom amidst an arrangement of yellow chrysanthemums and blue daisies. Flanking the centerpiece were yellow tapers in blue candelabra. Completing the table setting was the crystal service and yellow napkins lettered in blue. Misses Jeanie McAnear and Carolyn Thomas presided.

Approximately forty guests registered and many who were unable to attend sent gifts.

## ANNUAL BOOK CLUB BREAKFAST

On Thursday morning at 7:00 o'clock the members of the Book Club gathered in the home of Mrs. L. T. Shelton to enjoy their annual "get-together" breakfast; co-hostesses were Mrs. Alvin Landers, Mrs. J. R. Porter, and Miss Lucile Polk. The occasion, always a memorable one, was made more enjoyable by the presence of two ex-members, Mrs. Jolly Johnson, Thompson, Texas, and Mrs. Rolle Brumley, Miller, Missouri.

After greetings had been exchanged and inquiries had been made concerning each others summer activities, a delicious breakfast was served buffet style to the following members and guests: Mrs. B. C. Antrobus, Mrs. E. S. Ballew, Mrs. D. G. Ballew, Mrs. C. E. Bairfield, Mrs. Hemer Bones, Mrs. R. C. Bryan, Mrs. L. N. Cox, Mrs. J. R. Gillham, Mrs. Glenn Hoggatt, Mrs. Clyde Hudson, Mrs. Lloyd Johnson, Mrs. W. J. Lewis, Jr., Mrs. C. M. Lowry, Mrs. C. B. Morris, Mrs. Homer Parsons, Mrs. Frank Phelan, Mrs. Rayburn Smith, Mrs. W. C. Thornberry, Mrs. Frank White, Jr., Mrs. Bill Bromley, Mrs. W. E. Ray, Mrs. Joe Ritter, Mrs. Jolly Johnson and Mrs. Rolle Brumley.

## CLARENDON REBEKAH LODGE

Clarendon Rebekah Lodge met in regular session Tuesday, July 12th. Following the business session which was conducted by Noble Grand, Helen Land, officers for the new term were installed. Lodge Deputy Lucille Swinney with the help of her installing staff installed officers as follows: Noble Grand, Edith Spivey; Vice Grand, Jo Briggs; Warden, Zola Donald; Inside Guardian, Wilma Spier; Right Support Noble Grand, Lucille Swinney; Left Support Noble Grand, Nora Smith; Right Support Vice Grand, Florence Hill; Musician, Chloe Smith; Chaplain, Willie K. Wade. The new Noble Grand, Edith Spivey, presented the Retiring Noble Grand, Helen Land, a past Noble Grand jewel.

The meeting adjourned till next regular meeting on July 19, at 8:30 p. m.

## Miss Muhltner Is Bride of Frank A. Stocking

Mr. and Mrs. Walter Muhltner of Ann Arbor, Michigan, announce the marriage June 25th of their daughter, Mary Alice, to Mr. Frank A. Stocking, son of Mrs. Frank A. Stocking of Arlington, Va., and the late Mr. Stocking.

The 8 p. m. candlelight ceremony took place in the First Methodist Church of Ann Arbor. Dr. Merrill R. Abbey conducted the service.

Given in marriage by her father, the bride wore a full-length gown of white crystaletta. The long-sleeved bodice featured a basque waist and an appliqued neckline. A coronet of seed pearls held her illusion veil in place and she carried a cascade bouquet of white roses and Stephanotis.

Miss Ruth Ann Muhltner was her sister's maid of honor. She wore a gown of pale blue crystaletta with a matching costume coat and a headband of blue tulle and lilies of the valley. Also gowned in blue crystaletta was the bridesmaid, Miss Sandra Pepper of Royal Oak, Michigan. They carried bouquets of bluish pink Hibbard roses.

Miss Joanne Beebe was the flower girl. She wore a blue organdy dress with a white organdy pinafore.

Mr. Paul M. Barnes of Ponca City, Okla., formerly of Arlington, served as best man. Ushering were Messrs. David Laing, Jack Hulbard of Ann Arbor, and George Gates of Welch W. Va.

Following a reception in the church social hall, the couple left on a wedding trip through upper Michigan. They will make their home in Ann Arbor.

Mrs. Muhltner, mother of the bride was attired in mauve organza with matching accessories and a corsage of miniature pink calla lilies. The bridegroom's mother was gowned in Dior blue taffeta and lace with matching hat and accessories and a white orchid corsage.

The former Miss Muhltner attended Michigan State Normal College and her husband received his B.A. and L.L.B. degrees from

the University of Michigan. He is a member of Lambda Chi Alpha and Phi Alpha Delta fraternities.

Mr. Stocking is the grandson of the late Dr. and Mrs. J. D. Stocking, pioneer residents of Clarendon. His parents, Mrs. Rita Stocking and the late Frank Stocking, lived in Clarendon for a number of years, his father coaching and teaching in the Clarendon Schools and his mother also teaching in the schools, later giving private tutoring in Speech. Mr. Stocking was born in Clarendon and spent several years of his childhood here.

## ASHTOLA NEEDLE CLUB

The Ashcola Needle Club met Thursday, July 7th in the home of Mrs. Mary Bell DeBord. The meeting was called to order by Johnnie Poovey, vice president. Ivan Tolleson gave the opening prayer.

Ivan Tolleson was in charge of the program which was piecing the club quilt.

The next meeting will be July 21st at 8 o'clock for an ice cream supper. Edna Perdue is hostess and Irmanell Gray is leader. Everyone bring cake and a freezer of ice cream.

Refreshments of cake and ice cream were served by Mary Bell DeBord to Johnnie Poovey, Ivan Tolleson, Laura Mahaffey, Florence Evans, Lena Graham, Elizabeth Graham and Virginia Tolleson.

## KITCHEN SHOWER

Mrs. Jeanie Johnson and Carolyn Thomas were hostesses at a Kitchen Shower in the Johnson home Friday morning, July 15, honoring Joyce Crutchfield, bride-elect of Tommy Blasingame.

Visiting was the program of the morning and after the honoree opened her gifts, those present signed a rolling pin. The rolling pin and a kitchen corsage were presented to Joyce.

Coffee and donuts were served to Joyce Crutchfield, Jackie Estlack, Cherrye Shade, Barbara Edens, Jeanie McAnear, Sylvia Isaacs, Annette Gettys, and Mayrene Hearn by the hostesses Carolyn Thomas and Jeanie Johnson. Several who were unable to attend sent gifts.

Donley County Leader, \$2.50 year

## MISS NEWBERRY COMPLIMENTED WITH BRIDAL SHOWER

A miscellaneous shower honoring Miss Vivian Newberry, bride-elect of Bill Pittman, was given recently in the Community Hall at Goodnight, Texas. Hostesses were Mesdames W. M. Crain, Oneta Allmon, Kitty Lawler, Bess Carter, Cleo Hubbard, and Marie Smith.

The hall was decorated throughout to carry out a pink and white color scheme. Floral arrangements added charm to the rooms. Receiving the guests were Mrs. L. S. Newberry, mother of the bride, Miss Vivian Newberry, Mrs. Carl Pittman, and Mrs. Dora Adkins. Miss Elena Ann Donald presided at the registrar.

while Miss Lugenia Hubbard, pianist, provided a musical background for the afternoon. A toast to the bride-elect was given by Miss Donald.

Guests were served punch and cake from a table laid with a linen cut-work cloth and centered with a bouquet of pink roses. About thirty called and many who were unable to attend sent gifts. The honoree received many lovely and useful gifts.

Guests last week in the home of Mr. and Mrs. F. O. Hodge and Nedra were Mrs. Robert H. Cole and Mark, also Kenneth Earl Rainer of North Hollywood, Calif., Mrs. R. V. Smith and Linda of Lubbock and Mrs. Bob Parker and Rhonda of Borger.

11:30 A. M. — Morning Prayer and Sermon.

By PRICE DANIEL  
U. S. Senator

The biggest news in Washington last week was tragic for Texas and the nation. It was the heart attack suffered by Senator Lyndon B. Johnson. I had seen Senator Johnson only the day before, when I left on a trip to Texas, and he appeared to be in good health and good spirits. The only trouble was that he was working too hard in his capacity not only as senior Senator from Texas but as majority leader of the Senate. It was a shock, although not too much of a surprise, to learn of his serious illness. Although his condition is still quite serious, we are encouraged by the possibility that his recovery may be complete enough for him to resume his Senate leadership in January.

In a recent column I mentioned the outstanding accomplishments of Senator Johnson as majority leader and the commendations which he has received from all over the nation. There is no doubt that his present condition is the result of the tremendous amount of work he has been doing both for our State and the Nation. The position of majority leader is one which involves constant efforts in resolving conflicts and seeking to reach accords among a majority of the 96 Senators whose thoughts are sometimes quite diverse. In order to properly carry forward a legislative program, it is necessary for the majority leader to be constantly alert and to bring together enough divergent views to provide the necessary votes for success of the legislative program. The enormity of this task cannot be overstated. In fulfilling this duty Senator Johnson has given so freely of himself that he has impaired his health.

Senate Prayer  
In a completely unprecedented

action, the Senate paused for a moment of silent prayer for the recovery of Senator Johnson. The resolution which provided for this action stated, "Resolved that the Senate stand in silent prayer to the Almighty for the early and complete recovery of the majority leader, the beloved senior Senator from Texas." This has never been done in the Senate before and is considered one of the highest tributes ever paid to a man in the position of Senator Johnson. More important, it shows that members of the Senate recognize that God has the power to heal and restore our colleagues if it is God's will.

If Senator Johnson is incapacitated in any great degree after January 1 of next year, it will be a great loss not only to our State but to the Nation and the Democratic Party. It is more than anyone else who has been able to bring together for the good of the country a majority in the Senate on many important issues. It is more than anyone else who might be able to help restore

unity and confidence in the Democratic Party, both in Texas and the Nation.

Mrs. Frank Murray of Hedley visited Friday with her parents, Mr. and Mrs. G. C. Heath.

Mr. and Mrs. W. A. SoRelle and children of Amarillo visited last week with the Misses Harned.

Mr. and Mrs. Bill Jordan and children of Amarillo visited Monday night and Tuesday in the home of her parents, Mr. and Mrs. Carl Pittman.

Mr. and Mrs. Calvin Naylor and boys of Amarillo were guests in the home of Mr. and Mrs. Carl Naylor Saturday night.

Sarah and John Naylor of Pampa are spending this week in the Carl Naylor home.

Mr. and Mrs. Carl Naylor, also Sarah and John Naylor of Pampa visited Tuesday evening with Misses Minnie and Ava Naylor.

Mrs. C. O. Sandifer of Wheeler visited a few days last week in the home of her son and family, Mr. and Mrs. W. W. Sandifer and Suzanne. She was enroute home after a visit in Abilene. The Sandifers took her to Pampa where she continued her trip home.

Mrs. Ada Baker and Miss Ethel Baker of Denton, also Dr. Paul Baker of Boise, Idaho visited last week in the homes of Mrs. Dora Adkins, Mr. and Mrs. Carl Pittman, and Mr. and Mrs. Glenn Adkins.

Mr. and Mrs. J. D. Swift spent the week end with Dr. J. D. Swift at Wichita Falls.

Program committee of the Stewardship Campaign of the Methodist Church, composed of (standing) Carl M. Bennett, W. M. Pickering, W. A. Baley, (seated) Homer Estlack, Mrs. W. C. Thornberry and Mrs. Forest Sawyer, has completed plans for the kickoff dinner for the stewardship program to be held at the First Methodist Church on the night of August 1st.

**NAVAL RESERVISTS GUARANTEED ASSIGNMENT TO FLEET OF CHOICE**

AMARILLO—For the first time in history Naval Reservists who volunteer for active duty for periods of two, three or four years will be guaranteed assignment to the fleet of their choice. They will also be able to state their preference for the type ship they would like to serve on.

High school graduates in certain pay grades in the Amarillo area who volunteer for three

years may select one of the Navy's 54 basic specialty service schools open under the new program.

Reservists in 174 ratings will now have the opportunity to transfer into the regular Navy in their current pay grades.

Formation of special recruit companies has been authorized so that groups of Reserve personnel who require recruit training may undergo training with their "Buddies".

Naval Reservists desiring addi-

tional information regarding this program should contact the Naval Recruiting Officer, write P. O. Box 1007, Amarillo, Texas or the Naval Reserve Training Center on 2309 Line Ave., Amarillo, Tex.

Ysleta, near El Paso, Texas, was in Mexico when it was founded, but the Rio Grande changed its course, placing the town on the American side.

Hawaii is called the "half-way house of the Pacific."

**Methodist Church Stewardship Program Well Under Way**

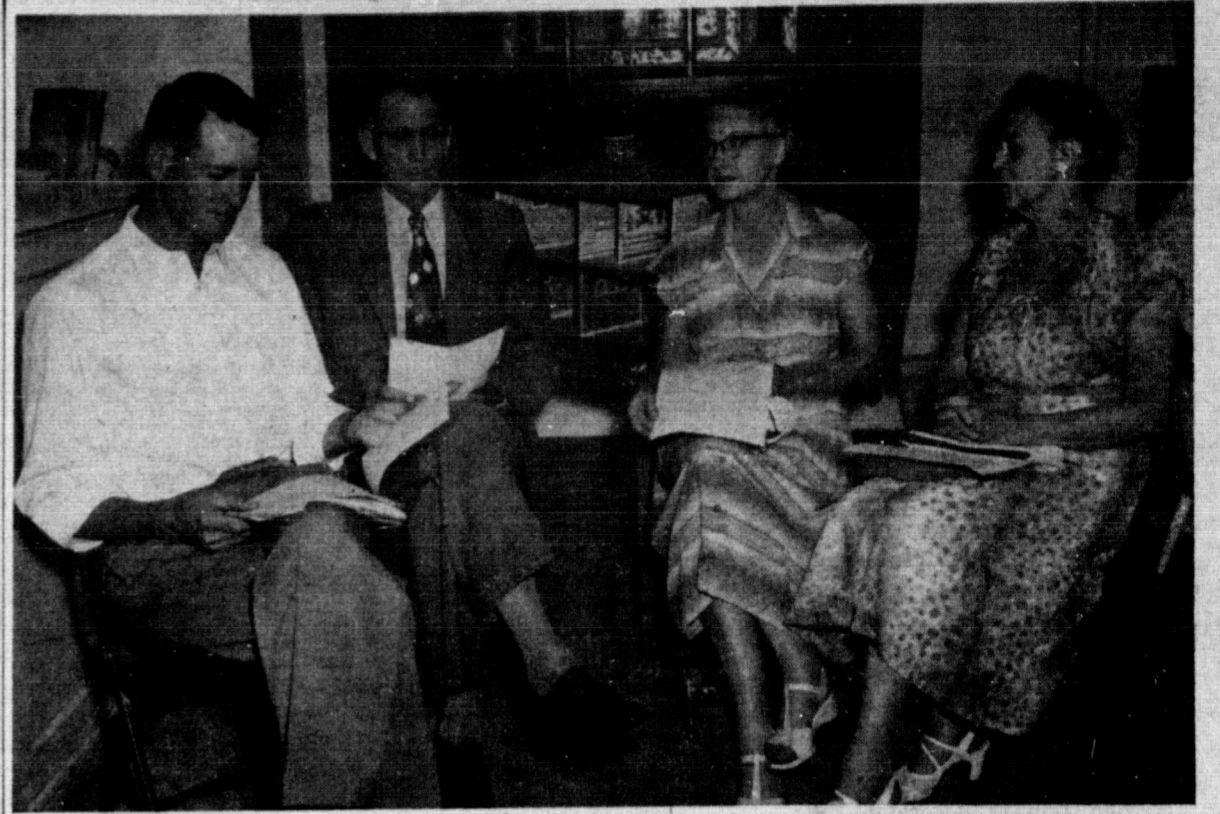

A very active program of work highlighted by the meetings of several committees each week has kept a large percentage of the members of the Clarendon Methodist Church busy during the past three weeks. The stewardship program of the church is well under way, according to J. R. Gillham, general chairman of the campaign, and the response of the workers and members has been unusually good.

The speakers committee headed by Steve Fedric, assisted by Mrs. Joe Ritter, Mrs. L. N. Cox, Otis Naylor, and W. H. Skelton provided a series of lay speakers to Sunday School Classes and to the regular services, and the committee has a group of lay speakers assigned for each of the next two Sundays. The program committee composed of Carl M. Bennett, Mrs. E. S. Ballew, Rayburn Smith, Mrs. Forest Sawyer, and Mrs. W. C. Thornberry has completed plans for the program for the kickoff dinner on the night of August 1st. A top-notch lay leader speaker is being secured for the occasion and an outstanding program is promised the church membership.

The thirty-six member organization and solicitation committee met at the church Tuesday night to lay plans for their campaign to be held during the week of August 1-8th, and division leaders H. M. Breedlove and J. R. Bartlett were well pleased with the progress of these groups.

The work of Mrs. Johnny Blocker's Signs and Posters Committee and Mrs. Bob Moss' Church Bulletin Committee was outstanding during the past week and many compliments were spoken in behalf of the work of these groups. According to Gillham, all of the committees are meeting their responsibilities and completing their work in a very efficient and cooperative manner.

**LEADER CLASSIFIEDS GET RESULTS**

The speakers committee of the Clarendon Methodist Church's Stewardship campaign, composed of left to right, Steve Fedric, Otis Naylor, Mrs. Joe Ritter and Mrs. L. N. Cox, has arranged for a series of Lay Leader speeches for all church services for the next three weeks.

**HUGHINS NEWS**

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

**FEDERAL EXPENDITURES**  
 Federal Government agencies, according to a report from Senator Byrd's committee, entered the third quarter of fiscal year 1955 with unexpended balances and authorizations totaling 101.1 billion dollars. This does not mean that these agencies had this much cash on hand. It means that agencies, on March 31, 1955, were still authorized to call upon the Treasury for sums in that amount. The third quarter of fiscal year 1955, being April, May and June of this year, has already passed, but the final figures on expenditures have not been released.

For the first three quarters of the 1955 fiscal year, the agencies had spent 47.2 billion dollars. For strictly military services 26.3 billions was spent, leaving a balance of 57.3 billion.

The Foreign Operations Administration spent 2.8 billion during the first nine months of fiscal year 1955, and entered the last three months with a balance of 10.1 billion dollars. You will recall that in a previous newsletter I pointed out that 3 1/2 billion dollars was added to the balance

**EANES RADIO & Television Service**  
 EDWIN EANES, Owner  
 Located at Estlack Mach'y Co.

in the recent foreign aid authorization. The balance of 10 billion dollars on hand was one of the several reasons that I voted against adding more funds to the balance out of the taxpayers' pockets.

18 billion dollars was spent by other agencies of the government, leaving a balance in their accounts of 33.7 billion.

You will no doubt wonder why such stupendous balances should be present when the government is operating on a deficit. Most of these balances represent appropriations and authorizations for expenditures to be made upon the fulfillment of contracts for military and other equipment and supplies that must be ordered in advance. In some cases, contracts are entered into that will not be fulfilled for several years. However, the appropriation or authorization for the appropriation must be made in order to provide the means for the government to carry out its part of the contract.

## TENSION IN THE CAPITAL

Our own Texan, Majority Leader Lyndon Johnson, was the victim of what could well be called capital tension. All of us who know Lyndon are well aware of the force with which he continually drives himself in carrying on his work. The tremendous responsibilities that rest on his shoulders and the conscientiousness with which he always tries to fulfill them would be a heavy burden for several men to carry. As a session of Congress begins to draw near a close, these tensions increase and more demands are made on all of the Members, and especially those in the position of leaders or spokesmen for their respective parties. These sometimes become too great for the human body to support. This is no doubt what happened to Lyndon. I feel certain that his condition is temporary, but it will require much rest and careful nursing for him to be restored to his former vigorous self. Everyone is going to help, and we hope that within the next few months he will be fully recovered with no bad after effects.

The Hardin-Simmons University Cowboys of Abilene, Texas, the most famous of all college bands, have played all over the nation and have toured Europe.

## GABIE BETTS BURTON

### LIBRARY NOTES

By May L. Prewitt

This week we were given a subscription to "Presidio", a magazine published and edited monthly by and for the men of the Iowa State Penitentiary at Fort Madison, Iowa. With the sanction and under the direction of Warden Percy A. Lainson, you will likely read with eager interest everything in the magazine. It is printed on excellent paper and has an attractive back.

Our magazine friend brought us a wonderful supply of new magazines this week, and we also received several copies from others. This contributor gives eight or ten periodicals each month and her duplicate issues of mine keep up our magazine supply. There are several whom we can depend upon to give two each month.

No new books, as our cash is completely exhausted — hardly stamp funds and some of these boys read and re-read the same books as often as four times. The girls have almost worn their copies of Carolyn Keene, Betsy Allen, Margaret Sutton, etc., completely pageless. We have about twenty biographies, but they have all been read. When one issues more than one hundred books per day for three months you can realize the condition of the copies. We have less than \$200 per year for Library books investment. All our devotionals, and most non fiction are memorial books. The Pathfinder Club and 1926 Book Club bring pleasure and recreation as well as information to many people by sponsoring the Library. The Mother's Club gives some each year too. We receive several \$1.00 and \$2.00 donations, and one person gives me fifteen dollars per year for books for boys.

Out of town people make favorable comments on our Library.

Glenn Cunningham, the runner, was so badly burned when he was a young boy that it was feared he would never walk.

Tennis was purely an amateur sport until 1926.

# FARM NEWS

from the County ABC Committee

## COTTON MEASUREMENT

We are still measuring cotton. There are 10 reporters working. Up to this time, there has been 259 cotton farms measured in the field; 206 farms measured in the office with 62 farms being overplanted. Each farmer is being mailed notice of his cotton acreage as soon as the acreage is determined in the county office. Farms that show to be overplanted will have 20 days to dispose of their excess cotton. A charge of \$2.00 per farm, plus \$1.00 for each additional plot over 1, will be made for disposition of excess acreage. If the farmer believes there has been an error in measurement of his cotton, he should call at the office and review his acreage reports; then, if he is still dissatisfied, he can have his acreage remeasured by making a \$5.00 deposit per farm, plus \$2.00 for each additional plot. The deposit will be refunded only in cases where the remeasurement reduces the acreage enough to bring the acreage within his allotment.

## ACP - 1955 PAYMENTS

The first transmittal for ACP payments is being prepared to send to the State Office. Payments on this transmittal will be made on the following completed practices:

- Terraces - 177,898 L. ft. - 12 farms.
- Diversion Terraces - 13,417 cu. yds. - 5 diversions.
- Erosion Control Dams - 7,317 cu. yds. - 3 dams.
- Wells for Livestock Water - 298 ft. - 2 wells.
- Bindweed Control - 5000 lbs. Borascu - 8 acres.
- Deep Plowing - 1,284.7 acres - 38 farms.
- Reorganizing Irrigation System - 1,152 L. ft. of pipe - 1 farm.
- Crop Rotation Practice - 119.9 acres - 402 lbs. seed - 7 farms;
- 3040 lbs. fertilizer - 2 farms.
- Improving Permanent Pasture - 203 acres - 444 lbs. seed - 3 farms.
- Establishing Permanent Pasture - 106 acres - 185 lbs. seed - 2 farms.

Mechanical Control of Mesquite - 162.8 acres - 1 farm.  
Shaping Waterways - 6.8 acres - 3 farms.

## Clarendon F. F. A. Meeting Set For July 27th

The first regular meeting of the Clarendon F.F.A. Chapter for the new school year will be held July 27th. Those youths who were members of the F.F.A. the past year or who plan to enroll in vocational agriculture for the next school year are eligible to participate in the meeting. Those desiring to attend the meeting should meet at the Vocational Agriculture room at 3 p. m. on the afternoon of the 27th, or meet the group at the Country Club at 4 p. m.

Letters are being mailed to all members and prospective members announcing the meeting. All boys who plan to attend the meeting and who desire to swim should bring their swimming suits. A picnic lunch will be served the group at 6 p. m. The group will determine at the meeting whether or not they will have a summer tour and will discuss a number of other points and will select a nominating committee to nominate officers for the chapter for the school year.

Due to a change in state policy this year, youths enrolling in first year vocational agriculture will have class two 1-hour periods per day and will receive two full credits. Those enrolling in Vo-Ag II or Vo-Ag III will each be in class one hour and will receive one credit for each course. The course of study for each of the three courses will be entirely different.

## CHRISTIAN CHURCH BAKE SALE SAT.

Members of the First Christian Church will feature an all day Bake Sale at Junior's Food Market Saturday, July 23rd. Everyone is invited to shop their display of items for their week end bakery needs.

Mr. and Mrs. E. H. Estlack, Rochelle and David of Austin are visiting his father, J. C. Estlack and other relatives.

## Boy Scouts on Bicycle Tour Enjoy Local Hospitality

Sixty-five Boy Scouts, along with their counselors spent Wednesday night in Clarendon. These boys were from the various towns of the Adobe Walls Council area. The trip, which is an annual affair, took four days.

Two meals and a sack lunch for the second day were prepared in the Lions Club Hall by Mrs. Anderson and her able assistants. The boys were paying their way, but a small deficit in the actual cost of caring for them here was donated by the Clark-Brock American Legion Post. The Legion sponsors the Clarendon Scout Troop.

The sudden rain that came up Wednesday night of last week caught most of the boys before they could reach shelter, but they took it like the troopers that they are. They were liberal with their compliments for the food and entertainment they received while here and for the men who donated trucks to take their baggage to White Deer, the next stop on their tour.

## T. U. Revival Ends At Martin Baptist Church

Martin Baptist Church enjoyed a Training Union Revival last week with Rev. and Mrs. Lee C. Perry from the Training Union Department from Dallas, directing it. Mrs. Perry directed the Elementary study and Rev. Perry taught the adult; Mrs. Nolan Barrow taught the Juniors and Mr. and Mrs. B. T. Spear taught the Young People.

During the five nights of the school the average attendance was about 50 with 75 enrolled and 53 earning awards.

In a beautiful coronation service Friday night Miss Sara Ann Barrow was crowned "Queen of Training Union". Tommy Waldrop was crowned "King."

The elementary department was well organized during the week where Mrs. Otho Elliott, and Mrs. Frank Cannon were enlisted to help Mrs. Raymond

Waldrop who has been working with the children for about two years. There are some more workers to be enlisted also.

In the Elementary Department, Rhythm Band equipment has been secured and is being used each Sunday night.

The Young People, adult, and junior departments have all taken on new interest and enthusiasm and are planning greater things in the future. Mrs. Nolan Barrow is going to assist Mrs. Pete Land with the Juniors now.

## Donovan Houdashell Represents Clarendon F. F. A. At State Convention

Donovan Houdashell, 1955 graduate of Clarendon High School, is acting as the official delegate of the Clarendon F.F.A. Chapter at the State F.F.A. Convention at Houston. The convention opened July 19th and will last through the 22nd. Donovan was the area one winner in the Wildlife Conservation Contest, and was presented with the honor for this award at the Area I meeting at Amarillo, May 7th. The local chapter assisted Donovan in making the trip as its official delegate in order to fulfill its objective of having representation at all state, area, and district meetings.

Over four thousand F.F.A. members from the entire state of Texas will participate in the state convention. The 1955-56 State Program of work will be adopted, new officers elected, and the leaders and outstanding students of the past year will be honored. State and American Degree winners will be honored. It has been some time since a member of the Clarendon Chapter received the American Farmer Degree in F.F.A. work, but the Clarendon Chapter ranks second only to Lubbock in the number of American Farmer Degree awards in the entire Area I F.F.A. membership.

Mr. and Mrs. Herman Cross and Annette had as visitors Friday, her uncle, Mr. and Mrs. J. R. Reed and family of Cleveland, Texas.

## Forty-Two Identify Mystery Farm No. 11

There were forty-two persons who correctly identified the Leader Mystery Farm of the Air No. 11 last week. Mrs. M. L. Putman drew out for the free subscription to the Leader; Junior Davis drew out for the two free movie tickets to the Mulkey Theatre and each of the following will receive one free movie ticket each: W. W. Taylor, Becky Shields and Pete Darnell.

Others correctly identifying the Mystery Farm were Mrs. William Chamberlain, Mrs. B. L. Knowles, Betsy Chamberlain, David Fricks, Mrs. Raymond Waldrop, Lee Leek, Willard Knox, Mrs. A. O. Hefner, Grady Wilkinson, Joanne Kidd, Clarence Cornell, Elmer Dishman, Mrs. Kinch Leathers, Mrs. David Bennett, Shelby Bell, Ed Mahaffey, Jessie White, Mrs. D. C. Williams, Mrs. Nelson Seago, A. W. Simpson, Mrs. Jessie White, Donald Adams, Mrs. Bill Gerner, Mrs. Sue Hill, Mrs. Bob Garton, Evelyn Jean Mann, Warren Neighbors, Mrs. J. H. Helton, Mrs. Lee Shaller, Dub Smith, Fred Allen King, Ernest Phillips, Mrs. Pete Land, Grady Silvers, Linda Putman, Mrs. D. R. Koontz, and Evelyn Chamberlain.

Mr. and Mrs. C. F. Moss and Shirley, Mr. and Mrs. A. M. Moss, Donald and Carl Mann, Mr. and Mrs. James Traylor and Karen and Mrs. Patsy Hill all spent the week end at Eagle Nest Lake and visited other points of interest in New Mexico.

Mr. and Mrs. Bill Brown of Llano, Texas, Mr. and Mrs. H. L. Martin of Guerneville, Calif. and Mr. and Mrs. Chas. Condon of Los Angeles, have been visiting with their parents, Mr. and Mrs. R. T. Brown the past two weeks.

Mr. and Mrs. James Bain and Mr. and Mrs. Olin Bain visited their mother, Mrs. Nora Bain at Childress Sunday. Mrs. Bain is recovering nicely from injuries received in a fall recently.

## Legion Reports On July Fourth Barbecue Funds

Local citizens contributed a total of Six Hundred Thirteen (\$613.00) Dollars to pay for the free barbecue that was served by the American Legion on July Fourth.

According to Rayburn L. Smith, Finance Officer of Legion, the total cost of serving it was Four Hundred Sixty-six Dollars and 43 cents, (\$466.43), which left a balance in the fund of \$146.57. This money is deposited in the Donley County State Bank in a separate fund to be used next year by whoever may be in charge of serving the barbecue.

The Legion wishes to thank every one who donated money and work to make this celebration a success.

Mrs. Melvin Vick and Robert of Panhandle visited from Thursday to Saturday in the home of Mr. and Mrs. Carl Naylor.

One of the most welcome cards that we have received in a long time came this week in the form of a little complimentary message from Miss Laura V. Hamner. Not so much the words expressed that meant so much but to have a word of encouragement from this

Female Dean of the writing game would make any amateur feel justly proud and happy. Anyhow, this welcome card came from the Hargis Hospital way back in Birmingham, Alabama, where this fine and gracious lady, known to millions as Miss Pioneer herself has been recuperating and waiting for a new fit in glasses that is hoped to help her vision through the days to come. Here's hoping you the best Miss Pioneer and may you have many many more wonderful years to Light And Hitch at many of our hitching rails. After this friendly pat on the back from this talented lady we will be even more eager to grasp her hand across

the airways as she says: "Hello, Folks of the Panhandle" for what we hope is many more days in our wonderful panhandle future. May God bless you all real good Miss Laura. How about many of you sending her a card or a letter but perhaps just to her home address at the Herring Hotel in Amarillo, Texas.

One of my regular readers and probably one of my most severe critics gave me the following quotation which to me was sort of a new way of putting a very important truth; "If folks would get their nose out of the air and their feelings off their sleeves this old world would get along a lot better." Now no joking, this is the truth. It's awful easy for folks to get their nose so far in the air that they don't see their fellow-man passing by, and then if he

brushes them just a bit in his haste he has done already hit their feelings right on the cuff. Anyway, we liked the expression and will try harder to keep our hands in our pocket from now on.

The following little poem expresses a thought that might help us as we try to live each day at a time; might help to stop borrowing trouble from the days to come.

I have nothing to do with tomorrow, My Saviour will make that His care, Should He fill it with trouble and sorrow, He'll help me to suffer and bear.

I have nothing to do with tomorrow, Its burdens then why should I share? Its grace and its faith I can't borrow, Then why should I borrow its care.

There was an old quotation that we used to hear a lot that went like this; "Sometimes we can't see the forest for the trees." Actually, almost the whole problems of humanity could be summed up in this thought. We

can't see the other fellows problem because we are so close to our own. We used to hear a fellow say that he wouldn't want to belong to a church because he couldn't find one without any hypocrites in it. Someone else used to answer that if we could hide behind a hypocrite or any other kind of a sinner then we would have to be smaller than they were in order to get out of sight behind them. There is another saying that; "All that is true is not new, and all that is new is not true". I guess this is also a true saying. Anyhow, to say that we couldn't see the forest for the trees could take us back to the scripture that speaks of "Taking the beam out of our own eye so that we can see better how to gouge the mote out of the other fellow's eye. Did you ever stop to think that most true sayings come from the Bible. Also, most sacred songs come through an inspiration from thinking on some verse in His Holy Word??

Our first letter in answer to our question about the importance of July 30th comes from Miss Becky Ruth Spivey of Rt. 1, Clarendon. This day is really important to Becky Ruth; it is her

10th birthday. Actually, I had no reason knowing why this day was important to her, but as this answer is a pretty good one we will count her as a winner and send her the FREE subscription to our favorite farm magazine. If some time later a completely correct answer as to why July 30th is important to me comes in, then we will do the same for the one correct solution. Anyway, Happy Birthday, Becky Ruth.

We will be helping dish out Free Barbecue Friday, July 29th for the Caprock Rodeo & Old Settlers Day in Claude. Don't forget the three big days for the Celebration—July 28th, 29th and 30th in Claude.

The Donley County Leader, \$2.50 a year.

# One look tells everyone you've graduated from the low-price field

Yet you can own a big super-powered Mercury for less than 13 models of the low-price 3\*

The neighbors will think that you got a raise—when actually you'll be saving money!

For example, on first cost. You can buy a big 188-horsepower Mercury Custom 6-passenger Sedan for less than 13 models in the so-called low-price field.\* And that's only the beginning of what you save . . .

Record sales let us give you a top allowance for your present car. Mercury is one of the year's hottest cars. Our quick turnover, high volume, lets us give you more for your present car.

You get back more of your investment with Mercury's top resale value. Mercury consistently leads its field for resale

value according to independent market reports of used-car prices.

Remember, too, that Mercury's famous economy and stamina keep operating costs low—help make Mercury one of the lowest-cost cars in its class to own.

In Mercury's lowest-cost Custom series you've got 4 models to choose from. For a few dollars more you have a choice of 7 more models in the Monterey and 198-horsepower Montclair series. (The smart, low-silhouette Montclair hardtop coupe is shown above.)

We invite you to stop in at our showroom to see and try the model that fits your needs and budget best.

**NO OTHER CAR OFFERS YOU BIGGER REASONS FOR BUYING IT**

- Exclusive styling shared by no other car
- New SUPER-TORQUE V-8 engines on every model (188 or 198 horsepower) —backed by Mercury's record of producing V-8 engines exclusively
- 4-barrel vacuum carburetor on every model at no extra cost
- Dual exhausts at no extra cost on all Montclairs and Montereys
- Ball-joint front suspension for easier handling
- Unique anti-fouling high-compression spark plugs
- Consistently highest resale value in its field

IT PAYS TO OWN A **MERCURY** FOR FUTURE STYLING, SUPER POWER

Don't miss the big television hit, Ed Sullivan's "TOAST OF THE TOWN," Sunday evening, 6:00 to 7:00. Station KPFA, Channel 10.

### C. Boone McClure Lauds Old-Timers In July 4th Talk

EDITORS NOTE—For the benefit of old-timers and other residents who were unable to be present to hear C. Boone McClure's talk to the Old Settlers group here July 4th, we are publishing his speech in its entirety. Due to the length of the talk, it will be published in three installments.

#### PART II

Let us look at the way of life of these pioneers and see if their way of life, with all its rugged characteristics and conditions,

wasn't really the more abundant life after all.

Last night I was privileged to stay in your ultra-modern, luxurious Bagby Motel. It is an edifice that would do honor to any community in the land, and Mr. Bagby's gracious hospitality was as cordial and as genuine as anyone could desire. Yet, honestly, but certainly with no intent of offense or discourtesy, I must confess that I would far rather have stayed in "Old Man" Schrim's Hotel, the first in Old Clarendon. I'm sure that some of you recall that its walls were of buffalo hides, and its length was a full one hundred and fifty feet. If I could not have found lodging there, I would have gladly stayed in the wagon yard. When I

was a small boy in Canyon I often squinted one-eyed through the cracks in the board fence that surrounded Shotwell's Wagon Yard, yearning for the experience of being on the inside. Somehow I still have that yearning, and I know that if I could have stayed in Schrim's buffalo hide hotel, or in Swain's dugout hotel in Childress, or in any wagon yard in the Texas Panhandle, I'd be a better citizen today. Yes, we've had it too good.

In just a few moments we will all be enjoying "Flip" Breedlove's barbecue, and I know that it will be excellent in every respect. Yet, I'd gladly trade my plate for a lunch in Schrim's Hotel. I understand that his lunches were very good — even to the strawberry pie that one customer described as containing but two seeds and a stain. Or if like Goodnight, Bugbee, Collinson, and many others, I could have for my lunch today a hunk of jerky to chew on for awhile and then wash down with nothing but warm water lest hostile Indians locate my whereabouts, I'd know better what the Declaration of Independence has given to me.

It has ever been typical of Fourth of July speakers to extoll the virtue of being born in a log cabin, especially a two-room cabin with a dog run; and they

would have you believe that being so born was sufficient alone to qualify them for the highest political offices in the nation. I am no politician, but I would be proud of it today if my first cradle had been in a log cabin or in a dugout. The A. B. Duncan dugout down in Floyd County was the welcome haven to some twenty people during a snow storm some years ago. By the third morning Mrs. Duncan was rather hard put to find enough food to set the breakfast table.

While Judge Duncan was "returning thanks" before the eating began, a stray steer started across the top of the dugout, broke through, and dumped about a half-ton of dirt squarely on top of the breakfast table. Practically every dugout home in the entire region had its own history, filled with such incidents unusual to our present-day mode-of-life. But, man for man, I feel that the dugout produced just as good specimens as did the log cabin, and I highly respect them both.

For the past eighteen years I have belonged to a civic club whose motto is "service above self," and during those years I have worked with quite a few so-called civic projects. Not a single one in the entire lot matches the civic projects of Old Mobeetie's ice house. Year after year, all the men in the community joined their efforts to pack the house with ice cut from Sweetwater Creek in the dead of winter in order that the entire town might enjoy ice all summer.

In recent weeks the nation has suddenly become alarmed over why Johnny can't read, why he can't write, why he doesn't know his multiplication tables, why there is so much juvenile delinquency. We might ponder over the relative value of the safety razor too. Maybe we would be doing a better job of raising our children if the old razor strap still hung within easy reach. Eighty years ago the parents were concerned about the curriculum too, for one account re-

lates that a certain Mr. Purcell addressed a complaint toward the teacher who was teaching the children about China. "Why don't you tell them kids where the damn water holes are on these high plains, they'll never see the inside of China." In a figurative sense we need to heed Mr. Purcell's advice today. We need to teach our kids more about the water holes on these high plains, and there are a lot of foreign countries that they do not necessarily need to see the inside of.

#### NAVY RECRUITING

Young men, if you are between the ages of 17 and 31, with your military obligations still ahead of you investigate the Navy's new career program. On the job training, travel, special school's, good pay and a chance to retire at the age of 37.

For further information write Box 1007, Post Office Building,

Amarillo, Texas, or stop in and talk it over, we are located in room 302.

#### NAVY NEEDS MEN TO FILL SPECIALIZED FIELDS

Young men who are High School Graduates are needed to fill the many highly specialized job fields, if you are between 17 and 31, a high school graduate and can pass the mental and physical examinations there is a place for you in the U. S. NAVY, come in today and investigate the opportunities now offered under the new career program.

For further information write the U. S. Navy Recruiting Station, Box 1007, Post Office Building, Amarillo, Texas, or stop in and talk it over, we are located in room 302.

There are more than two thousand oil wells within the limits of Oklahoma City or close by.

## Engine Wear Reduced 40% with Trop-Artic Motor Oil

(THE DIFFERENCE IN WEIGHT IS A DIFFERENCE IN WEAR!)

In an engine test equal to 2500 miles of driving, piston rings lubricated with ordinary oil lost weight, showing extensive wear.

In an identical test piston rings lubricated with Phillips 66 Trop-Artic Oil showed scarcely any wear at all.

### IT'S PERFORMANCE THAT COUNTS!

The difference in piston ring wear illustrated above proves an important point about the performance of motor oils:

Most engine wear occurs when you first start your car or under stop-and-go driving conditions with an engine that hasn't warmed up. It takes a very special kind of oil to flow quickly and protect your motor when you start, and then to protect moving parts from sludge and varnish after the engine heats up. TROP-ARTIC All-Weather Motor Oil gives you this double protection. Compared to older types of oils, it can even double engine life.

In a motor-oil it's performance that counts. And TROP-ARTIC gives super performance! You'll get easier starting... save gasoline... and you can save 15% to 45% on oil consumption. Get TROP-ARTIC from your Phillips 66 Dealer.

PHILLIPS PETROLEUM COMPANY

## No wonder this Hardtop is the HIT OF THE YEAR!

### IT'S 4-DOOR HANDY —and priced for action!

This one you'll just have to see. It's a beauty. It's a brand-new kind of car. It's a Buick Riviera with four doors. And to top it all—it's a SPECIAL—the lowest-priced of all Buick Series.

Know what that means? It means you can have the newest hit in hardtops—the most advanced new body design yet—and you can have it in the price range of America's smaller cars.

It means you can have a steel-roofed car with the long, low, sweeping sportiness of a convertible—with no center posts in the side window areas—and with two separate doors to the rear.

And you can have all this hardtop beauty with sedan comfort and convenience at the easy-to-take modest extra cost of a 4-door model over a 2-door model.

But if you think that's all—listen: This gleaming grace of automobile is a Buick through and through—a '55 Buick, from the hottest-selling line of Buicks in all history.

So here you have the soft, firm steadiness of Buick's all-coil-spring ride and torque-tube stability. Here you have Buick brawn, Buick solidity, Buick handling ease, Buick styling and visibility and interior luxury.

And here you have the lift and life of vigorous new V8 power of record might—and coupled to the spectacular performance of Buick's Variable Pitch Dynaflo.\*

Why wait a day longer—when you can come in right now and try the first true hardtop with the extra comfort, room and convenience of a full-sized 4-door sedan?

Drop in tomorrow, first thing—for a look at the price, and an idea of the whopping-big trade-in deal our huge sales volume permits us to make.

\*Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

**NOW—Biggest Trade-in Deals ever on the Biggest-Selling Buicks in History!**  
Come in and see!

## Thrill of the year is Buick

—WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM—

Enjoy cooled, filtered air for less than you think with Buick's AIRCONDITIONER. It's a genuine Frigidaire

# Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association

AUSTIN—Every outward sign of courtroom confidence is being exhibited by Bascom Giles. His trial on charges of taking \$6,800 from the state, in connection with a Kinney County land deal, got under way July 5. Almost the entire first week was spent in selecting jurors. More than 50 witnesses were subpoenaed by the state before the trial began, but Giles' attorneys refused to show their hands by issuing early subpoenas.

Testimony is expected to consume the greater part of two weeks.

Giles, who originated the \$100,000,000 veterans land program, and administered it until Jan. 1 of this year, appears to be as cool and confident as any man in the room.

Among those representing him is his son, Rogan. Others are former state senator Clint Small Sr., Clint Small Jr., and Polk Shelton. All are Austin attorneys. Representing the state is Les Procter, district attorney of Trav-

is County, and his two assistants, John Allen and Bob Smith.

Procter sought, but did not receive, funds from the legislature to hire extra staff members for the veterans land program cases. Representatives from the Attorney General's office sat as spectators as the trial got under way. Procter ducked questions as to why they were not participating.

Brady land dealer B. R. Sheffield, indicted jointly with Giles, in the Kinney County deal, awaits trial after Giles. Trials are yet to come, too, in scores of other cases stemming from the sweeping inquiries into the land program, which began last November.

### Parr Trial Starts Monday

A judge's attack of asthma gave South Texas political boss George Parr a breathing spell last week. But Parr faces additional difficulties in a federal income tax evasion case set for July 18 in Austin.

Parr's trial on a conspiracy charge in District Judge John R. Fuch's court in New Braunfels was indefinitely postponed when the 69-year-old jurist was severely stricken with asthma.

Parr, along with 11 others, is under indictment for misappropriation of Benavides Independent School District funds in Duval County.

**Desegregation Policy Set**  
It's "hands off" for the State Board of Education, in racial integration of local school districts. School districts will get their state aid money whether they are segregated or not.

Although offering the assistance of its staff in solving desegregation problems, the board made it clear that no suggestion or direction will be given as to what each school district should do to comply with the U. S. Supreme Court ruling which ended public school segregation.

**UT To Open Doors**  
University of Texas regents took three momentous steps at their July meeting.

1. They voted immediate admission of all qualified students to all divisions of the graduate school.

2. They voted to admit Negro undergraduate students, beginning with the September, 1956 term, in the main university; and at the Texas Western College branch in El Paso, this September. Admission to all other branches will be in September of 1956.

3. They also voted to set up restrictions on all admissions, based on examinations and scholastic requirements, effective in 1956. UT regents also refused to reconsider their earlier rule which

banned from the campus automobiles owned by freshmen and sophomore students.

### Interscholastic League Reappraises

Texas public schools which admit Negroes will not be barred from Interscholastic League activities next year.

This ruling, made last week by the league's executive committee, resulted from a petition from the El Paso system regarding its status. El Paso plans to desegregate next fall.

Interscholastic League's constitution, framed before the U. S. Supreme Court's ruling against school segregation, limits membership to "any public white school."

Angeles twirling instructor; and Bill Allen, twirling instructor in Miami, Fla.

Last year more than 300 students from the Tri-State area attended the camp, which emphasizes a concentrated diet of band and choral work, twirling classes, drum majors' classes, concerts, recitals and television appearances. Recreation and planned activities are slated every night during the camp.

Courses for band and choir directors are also slated during the camp, including such work as

band pageantry, taught by Pier-sol; concert band conducting, by Prescott; and music and workshop, by Dr. Houston Bright, WTSC choir director.

Tuition for students during the two-week period, including rooms in the college dormitories and meals in the cafeteria, is \$45. Enrollments made after June 1, however, are \$50. Reservations are made through the music department at West Texas State.

The Donley County Leader, \$2.50 a year.

# Chevrolet's got a new honey of a hardtop

...with a lower-than-ever price tag!

The new "Two-Ten" Sport Coupe

Maybe you've had a yen for a hardtop but couldn't quite squeeze it into your budget. If so, this baby's for you! It's the hardtop as only Chevrolet builds it. Long, low and plenty saucy, like its convertible cousin. It's an honest-to-goodness hardtop, too—no center pillars when you roll down the

windows. Nothing but fresh air and a picture-window view. Best of all, this big, beautiful "Two-Ten" Sport Coupe is priced right down with the two-door sedans in Chevrolet's field. It lists for less than any other leading hardtop sold today. Come in and see what a wallop bargain it is.

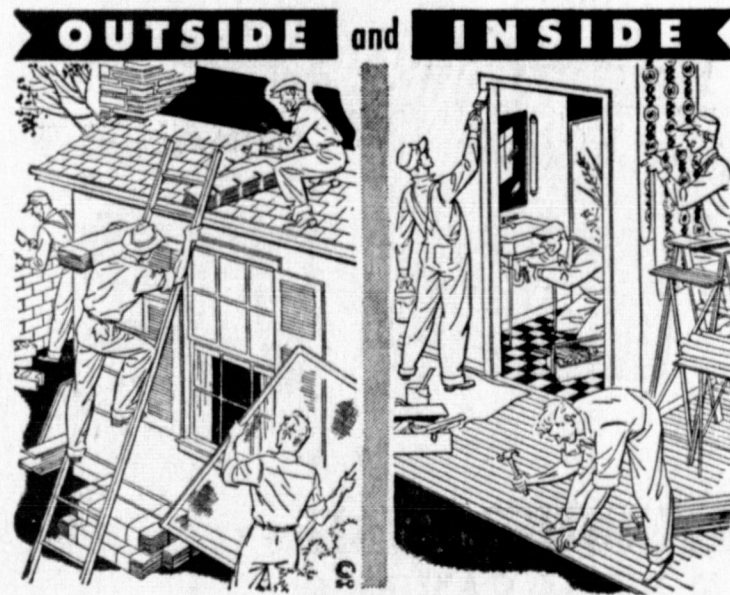

COMBINE YOUR NEW CHEVROLET PURCHASE WITH YOUR VACATION PLANS!  
Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet's built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel cost!

# Top O' Texas World's Championship Rodeo & Kid Pony Show Will Begin August 1st At Pampa For Six Days

With another nation wide guest star, the eleventh Annual Amateur Top o' Texas World's Championship Rodeo will go into full swing August 1, in Recreation Park, Pampa, Texas with Goat Mayo of Petrolia, Texas as stock contractor and Arena Director.

The Top o' Texas Kid Pony Show and Miniature Rodeo will be held on Monday and Tuesday, August 1 and 2 at 8:00 p. m., with the main rodeo performance on Wednesday, August 3 through August 6 at 8:00 p. m. daily.

With a guitar and a song, Jimmy Wakely, a smiling Oklahoman, has won for himself star

status in show business, and will make personal appearances at each rodeo performance.

It all began when Jimmy decided to enter an amateur contest on a Local radio station in Oklahoma City. Teamed up with two other singers, he called his act "The Wakely Trio." After the contest they were given a steady job on that station. Gene Autry was a guest on their show, and immediately signed them for his "Melody Ranch" program, which ultimately brought Wakely to Hollywood.

With his keen sense of showmanship, Jimmy grasped every

opportunity and steadily has built for himself a secure position in his profession. He is one of America's top ranking singers and the number one artist in the western and country field for Capitol Records, for whom he records exclusively. Wakely calls himself an Oklahoman, although he actually was born in Mineola, Arkansas, and moved to Oklahoma when he was 4.

The Amarillo Air Force Band will be on hand again this year to furnish that "just right" music for each rodeo performance, as well as participate in the main rodeo parade to be held in downtown Pampa on Wednesday, August 3 at 4:00 p. m.

Mr. Paul C. Crouch, President of the Association states that there will be 300 cowboys and cowgirls from all over the southwest participating in the main rodeo events which include: Calf Roping, Double Muggin, Bareback Bronc Riding, Saddle Bronc Riding, Bulldogging, Bull Riding, Cowgirl Sponsor's Contest and an NCHA approved Cutting Horse Contest.

Making their appearance for the first time at the Top o' Texas Rodeo will be "The Henry's" with their world famous dog act.

A show is never complete without the cowboy's assistant, the clown. Jake Mitchell, popular rodeo clown, will be on hand to take charge during the Bull Riding Contest to see that each cowboy is safe from the charging Brahma Bulls.

Mr. Guy Andis, Chairman of the Cutting Horse Contest, is anticipating some of the top cutting horses of the nation to participate in this year's show. Mr. Sig Faircloth of Eastland, Texas and Mr. J. D. Craft of Jacksboro, Texas will be the official judges for this year's show.

Mrs. Thelma Hopkins, Chairman of the Cowgirl Sponsor's Contest, has extended invitations to cowgirls in the southwestern area to be on hand to compete for a beautiful hand-made saddle.

Billy Foust and the Circle Arrow Boys, popular western swing band, have been engaged to play for the rodeo dances each evening in the National Guard Armory building which is adjacent to the rodeo grounds. Jimmy Wakely

will appear nightly at the rodeo dances following his appearance in the rodeo arena.

A new four-lane highway from downtown Pampa to the rodeo grounds is now under construction and will be finished by July 15. This will facilitate traffic to and from the rodeo grounds for the thousands of rodeo spectators.

**To Analyze Light From Star**  
AUSTIN — Dr. Frank Norman Edmonds, Jr., of the University of Texas will use a University Research Institute grant to analyze light from Procyon, a first-magnitude star in the Canis Minor constellation.

Such research offers clues to physical conditions of a star itself and the universe in general, and provides basic information which may be useful in weather forecasting and more accurate measurement of time.

### NOTICE OF ELECTION

Pursuant to an order issued by the Board of Commissioners of The City of Clarendon, notice is hereby given that an Election will be held on the 6th day of August A. D., 1955 at the City Hall, the same being the place designated by law as the voting place of City of Clarendon on the date hereinafter mentioned, in City of Clarendon, County of Donley, Texas, for the purpose of voting upon the following questions submitted to the voters of said City, to-wit:

For: Levying and collecting a tax, not to exceed Ten (10) Cents per one hundred dollar valuation

on property subject to taxes within the city limits of the City of Clarendon, for the purpose of jointly establishing, erecting, equipping, maintaining, and operating a joint-County-City hospital.

Against: Levying and collecting a tax, not to exceed Ten (10) Cents per one hundred dollar valuation on property subject to taxes within the city limits of the City of Clarendon, for the purpose of jointly establishing, erecting, equipping, maintaining, and operating a joint County-City hospital.
