The 1951 Kaiser is here!

- America's newest car!
America's most glamorous car!
Triumph of Anatomic Design*

The 1951 Kaiser DeLuxe 4-door Sedan...one of 6 body styles and 12 models. Hydra-Matic Drive available in all models at extra cost.

*Anatomic Design... (Ana-TOM-ic)... is the newest, most advanced step in motor car making. It is the principle of engineering the anatomy of the car, every feature of the body and chassis, to suit the needs of human anatomy in a way never before achieved. It results in a car that is easier to control, more comfortable, safer for you and your family to ride in. And here it is... the first car in America built from roadline to roofline on the principle of Anatomic Design! Like riding "outdoors"! Largest windshield, slimmest corner posts in any car... no "blind spots"! Most room ever! High-Bridge Doors offer new walk-in ease. Single-Roll Body provides extra wide, lounge-comfort seats, more head room and leg room. Easiest ride on the road! A Level-Flight Ride... because exclusive spring suspension takes up road shock! Here's super-safety! Lower center of gravity and Truline Centerpoint Steering let the '51 Kaiser take curves faster, safer! Oversized jumbo brakes make stopping surer, swifter! Value that holds up! Years-ahead newness and economy of operation save you money and assure lasting protection for your investment. New 115 h.p. Kaiser Supersonic High-Torque Engine gives you faster acceleration; less vibration with higher compression, quieter, smoother performance; more driving power per horsepower, lower gas and oil consumption. Built to Better the Best on the Road!

one glance and you know it's the newest car in America! one mile behind the wheel and you'll want to own it!

Remember Last Summer? Install a PARAMOUNT Air Cooler now and enjoy cool summer comforts!

NEW MODELS! BUDGET TERMS NEW LOW PRICES!

PARAMOUNT Air Coolers INSTALLED IN YOUR HOME IN 30 SHORT MINUTES "What wonderful, refreshing comfort they bring!" That's what folks say about the Paramount Air Coolers. Operating quietly, and efficiently, they let you sleep better at night, wake up refreshed, eat in comfort—give new energy throughout the working day. Paramount Air Coolers mean round-the-clock comfort—they bring new enjoyment and comfort. CHOICE OF 12 MODELS Of Course—It's Electric! West Texas Utilities Company

ANN THOMPSON HONORED AT LANDERS HOME

Ann Thompson, bride-elect of Chauncey Hommel, was honored with a lovely shower at the home of Mr. and Mrs. Alvin Landers Thursday, May 4th.

The entertaining rooms were beautifully decorated with arrangements of orchid iris, pink rose buds, and snowballs. The serving table was covered with a pink organdy cover with a centerpiece of pink roses with crystal candle holders on either side bearing orchid candles. The

bride's chosen colors of orchid and pink were carried out in plate favors and refreshments of punch, nuts and cookies.

Ann Thompson, Mrs. Alvin Landers, Mrs. Geo. Thompson and Mrs. F. J. Hommel formed the receiving line.

Mary Ann Landers gave an appropriate reading. Ira Jean and Barbara Fay Estlack provided piano music throughout the afternoon.

Mrs. Redell Henson presided at the punch bowl the first hour and Betty Jane Thompson, the second

hour. Geraldine Hommel registered the guests in the brides book.

Hostesses for the occasion were Mesdames Landers, Jack Brooks, Olin Bain, Homer Estlack, Dick Vallance, Bill Lane, Alfred Estlack.

About 100 guests called during the afternoon.

GARDEN CLUB

The Garden Club met Tuesday afternoon in the home of Mrs. A. L. Chase with Mrs. D. E. Stevenson assistant hostess. The entertaining rooms were decorated with potted plants of which the African violet was outstanding.

Mrs. J. H. Howze, president, was in charge of the business. Plans were made for the Petunia flower show later in the summer.

Mrs. Lena Antrobus was program leader. Mrs. John Goldston gave quite an interesting discussion on "How to Plant Dahlias."

Mrs. H. C. Brumley talked on the "Hobby of Button Gardening." She displayed several very interesting miniature gardens.

Mrs. Rayburn Smith gave an interesting article on organic gardening. Mrs. Lee Holland talked about "Things to do in the garden now." Mrs. Antrobus read a very interesting garden poem.

Dainty refreshments were served to visitors. Mrs. Cal Merchant, Mrs. Homer Glasco, and members, Mesdames Lena Antrobus, B. C. Antrobus, H. C. Brumley, Jack Brooks, John Blocker, Edwin Eanes, John Goldston, Joe Goldston, Lee Holland, J. H. Howze, Will Johnson, J. L. McMurry, Frank Phelan Sr., Frank Phelan Jr., Rayburn Smith, Walter Taylor, J. J. Wester, O. C. Watson, H. T. Warner.

GIRL SCOUTS

The Girl Scouts had their regular meeting Monday, May 8th. We have a new assistant leader, Leatha Smith.

Some of the girls baked a cake which was served to the following members: Della Allen, Doris Helen Brock, Mable Dean Brock, Janice Benson, Martha Nichols, Tookie McClellan, Kay Scholtenbarger, Ruth and Rebecca King, Glenna Lane, Wanda Lewis, Wanda Sibley, Paula Skelton, Harlene Smith and the assistant leaders Mrs. R. Y. King, Mae Morris, and Mrs. Basil Smith.

MIDWAY CLUB

The Midway Club met with Nora Goldston in an all day meeting May 4th. One quilt was finished. A delicious dinner was served at the noon hour.

Members present were Ellen Moreland, Eddie Williams, Goldie Mooring, Allie Quattlebaum, Roxie Williams, Lucille Eanes, Lucille Luttrell, Vada McCrary, and hostess, Nora Goldston.

The next meeting will be May 25th with Mrs. Edith Longan. —Reporter

MOTHERS STUDY CLUB

The annual spring luncheon and guest day of the Mothers Club was held Tuesday at the Patching Club house. Hostesses for the party were Mesdames Bill Riney, Mike McCully, Dalton Swinney, Horace Green, Lloyd Risley, and Al Covington.

Centerpiece of the table was made up of roses and snowballs. Miniature bouquets of roses decorated the individual tables. The meal was served buffet style.

Following the luncheon, Mrs. Cap Morris reviewed the book, "Raising a Riot." The story was that of a father who decided he could raise and care for his three children and also follow his career of writing. Mrs. Morris delightfully brought out and made humorous all those everyday problems and trials that are so familiar to mothers.

Thirty-five members and guests were present to enjoy the luncheon and review.

T. E. L. S. S. CLASS

The T. E. L. S. S. Class of the First Baptist Church met with Mrs. L. L. Wood, Tuesday, May 9. The day was spent in quilting and visiting.

A lovely covered dish luncheon was served at the noon hour to the following visitors: Mesdames Charlie Johnson, A. J. Sibley, Cap Lane, Clyde Butler; and members, Mesdames M. L. Rattan, A. W. Simpson, Carl Naylor, D. M. Cook, R. C. Bingham, Frank Barton, M. C. Rampy, C. B. Owens, Marian Ray, W. J.

Williams, Van Knox, T. L. Allison, Lola Barns, and hostess, Mrs. L. L. Wood.

MARTIN QUILTING CLUB

The Martin Quilting Club met with Mrs. Lois Stevenson April 28th with 15 members, 3 visitors and one new member. Two quilts were completed.

Members present were Mesdames Gracie Crofford, Margaret Waldrop, Lois Sibley, Rubye Jordan, Blanche Higgins, Nola Hill, Alleen Talley, Lela Bulmar, Bessie Helton, Della Barker, Rhena Robertson, Yvonne Barker, Eunice Land, and Lizzie Morrow. Visitors were Mesdames Walter Hutchins, A. Pittman, and W. E. Hodge. New member was Mrs. Melba Risley. Several received Pollyanna gifts.

The next quilting will be with Mrs. Nola Hill May 11th. —Reporter

MOTHER'S CIRCLE

The Mother's Circle met at the Methodist Church on Wednesday, April 26th at 4 p. m. The meeting was opened with the group singing "A Charge to Keep." Mrs. T. M. Caldwell, Jr. brought the devotional. The mission study was given by Mrs. Frank Phelan followed by Mrs. T. M. Caldwell, Jr. who discussed ways to help our children love and use the Bible. It was voted to retain Mrs. Frank Phelan as our Circle chairman for the coming year. Mrs. T. M. Caldwell, Jr. and Mrs. Homer Bones were appointed to make out the programs for the

coming year.

Those attending the meeting were Mesdames Mark Allen, Sam Lowry, Carl Bennett, Bob Moss, Horace Green, Max Rhea, Frank Phelan, Homer Bones, T. M. Caldwell, Jr.

All interested mothers and teachers of young children are invited to our next meeting, May 24th. The nursery is kept for the children. —Reporter

F. H. A. NEWS

The F. H. A. met Wednesday, May 3rd in the Home Making room.

During the business meeting new officers for the coming year were elected. They will be as follows: President, Mary Ann Landers; Vice-Pres., Betty Jane Thompson; Reporter, Inelle Cox; Corresponding Secretary, Patsy Estlack; Parliamentarian, Glenda Sue Davis; Historian, Sandra Shelton; Song leader, June Starr Allred; Club mothers, Mrs. Carroll Knorpp and Mrs. L. T. Shelton.

Refreshments were served by Alice McCrary and Jo Ann Sibley.

WIN ONE S. S. CLASS

The Win One S. S. Class met the past Tuesday with Mrs. Eva Rhode as hostess. Mrs. John Goldston gave the devotional. Her subject was "Is God Our Central Pillow?"

Reports were given by all the chairmen of the committees. The secretary, Mrs. Powell, re-

ported the Jennie Dale Porter memorial funds had reached almost \$300, and it was decided to make it an endowment fund for the Orphans Home at Dallas.

It was also decided to have the young girl from the orphans home, whom the class has sponsored since a baby, to spend a week end in Clarendon as a guest of the class.

Mrs. Rhode served delicious ice cream and cake to guests, Mrs. Will Chamberlain and daughters, and members, Mesdames Jim Patman, C. D. McDowell, John Blocker, Will Johnson, Frank Bourland, Walter Taylor, Wm. Payne, Nora Goldston, C. C. Powell and hostess, Eva Rhode.

Frank Tyler of Amarillo visited in the Dub Tyler home the week end.

GOLDSTON

Carolyn McBrayer

Those attending the singing
at Martin Sunday evening were
Mr. and Mrs. Houston McDonald,
Mr. and Mrs. Clarence Moss and
family, Carolyn McBrayer, Nora
Jackson, Geraldine, Patsy Jack-
son.
Mr. and Mrs. O. L. McBrayer
and family visited relatives in
Quitaque Sunday.
Mr. and Mrs. Charlie Sullivan
of Amarillo visited Mr. and Mrs.
Roy Roberson Sunday.
Mr. and Mrs. Clarence Moss
and family, Mr. and Mrs. Houston
McDonald went fishing at Mc-
Clellan Lake Wednesday night.
They had good luck.
Johnny Philly visited Leldon
McBrayer Tuesday.

Mrs. Louise Keith of San Ber-
nardino, Calif. and Mrs. Leuna
Catchpole of Durango, Colorado
were visitors in Clarendon Sun-
day. Both are daughters of the
late Frank Daniels who was a
pioneer settler in Old Clarendon.
The family removed from Donley
County in 1887 and settled in
Southwestern Colorado where he
raised a family of six children.
Only the earliest settlers here
will remember Mr. Daniels or the
Daniels family.

Mrs. H. L. Bobbitt has opened
up her sewing room and ladies'
furnishings in the building on
South Kearney, recently vacated
by Pinky Price.

J. A. Warren was in Amarillo
Friday attending business mat-
ters.

Mrs. Ray Palmer and children
visited her sister, Mrs. Williams
at Amarillo this week.

Mrs. Shelby Bell visited her
father, Odos Caraway who is ill
in a hospital at Wichita Falls.

JUST and FAIR in all dealings

THRILL-PACKED DOGIE DAYS PROGRAM IS ANNOUNCED

A full thrill and action-packed four-day schedule for Dumas Doggie Days and Old Settlers Reunion May 25-28 was announced this week by Ivan Boxwell, general chairman of arrangements of the celebration.

The big event, under the joint sponsorship of the Dumas Lions club, Chamber of Commerce, Fire Department and the American Legion, is expected to bring thousands of visitors to Dumas during the four days from all over the Tri-State area.

Entertainment lined up already includes three big days of quarterhorse races, giant parade, free

barbecue on Old Settlers Day, big dances to music of Bob Wills' nationally-known band, complete carnival and midway and prizes of all sorts.

The celebration will begin Thursday night, May 25 when the giant midway set up at the courthouse by the Lions, Fire Department and American Legion swings into action.

Friday (May 26) is Old Settlers Day, with a big free barbecue scheduled for noon at the courthouse square. Finous Collings is chairman of the barbecue committee, assisted by Oma Glover,

Jesse Cooper, Paulus Schroeter, Fuqua Younger, James Morton, and a host of other workers, in addition to local merchants and others who have contributed funds for the barbecue. They will meet at 8 p. m. Tuesday in the commissioners courtroom.

Grand opening of the three-day racing event is set for 2 p. m. May 26 at the Mounted Plainsmen track on the west edge of the city. The first Bob Wills dance at the White Elephant club is scheduled for 9 p. m. that night. Saturday (May 27) at 11 p. m. the giant parade will move down Dumas Ave. under the direction of Parade Marshal Guy Dillingham. More quarterhorse races are set for 2 p. m. that afternoon, while the second Bob Wills dance will follow at 9 p. m.

THE DONLEY COUNTY LEADER

The grand finale of the quarterhorse races is set for Sunday (May 28) afternoon. The giant midway also will be in action all day Friday and Saturday and Friday and Saturday nights.

Letters of invitation have been sent to civic groups in neighboring cities, and poster and bumper placards are being distributed by Boxwell this week.

Delegations from other cities have been invited to join in the parade, in which prizes of \$25 and \$15 are offered for visiting bands, prizes of \$25, \$15 and \$10 for best float or decorated car, prizes of \$15 each to best-dressed cowboy and cowgirl, \$15 to most unique and colorful float or decorated car, and a year's pass to the Evelyn theatre, \$10 from The Moore County News and a year's pass to the Star theatre to best-decorated bicycles.

Visiting bandsmen will be fed at noon on parade day in the beautiful new high school cafeteria.

The quarterhorse races will be held in lieu of the rodeo of previous years, at the Plainsmen's well-appointed track west of the city.

Purse races, match races and general entry races are scheduled. Entries already have been received representing the finest horseflesh in the Southwest. All entries must be in advance.

Inquiries about entries should go to Blackie Warren, general delivery, Dumas, or Harry Holliday, Dumas. Admission at the races will be \$1 for adults and 50 cents for children.

Another word, pardner, better put on those western togs when you come to Dumas, for the local dunking crew might toss you in the big water tank reserved for local residents who fail to don their western gear for the celebration.

FARM NEWS

From the County PMA Committee

REVIEW COMMITTEE MEETS:
The office has certainly been a busy place this week. The Review Committee consisting of Mr. George L. Close of Rt. 2 Shamrock, Texas, Mr. Richard A. Eddleman of Estelline, Texas, and Mr. Iley Compton of Arlie Rt. Childress, Texas, spent four days at the office this week listening to appeals by farmers from all parts of the county. They were fine fellows, and we are happy to report that they sent home a lot of "satisfied customers."

IT PAYS TO READ THIS:
It still isn't too late to get your approval for Strip Cropping if you are interested in receiving 50c an acre assistance for carrying out this practice. We are also issuing approvals for Crop Residue Management on summer fallowed land from which no crop is harvested in 1950. Come by the office and let us help you!

1949 ACP CHECKS:
We are sure that all the fellows in the county, who carried out practices last year, will be pleased to know that the checks have started coming in. To date around 150 to 200 checks have come in, and we are sure that the rest will be in soon.

VISITORS IN THE OFFICE:
The Review Committeemen were not the only visitors we had this week. Mr. Allan R. Saunders, one of our district Field Supervisors, was also in the office this week. He and Doug Lowe, our Sr. Field Officer, went out into the county to check terraces, dams, ditches, and other practices that have been carried out in the county.

DONLEY COUNTY

AGRICULTURAL SHORTS:

"Fifty-four farms in Donley County had Diversion terraces constructed in 1949. This consisted of 87739 cubic yards benefiting 1252.0 acres at a cost of \$4386.95."

"Farmers in this county earned assistance amounting to \$4549.20 for leaving stalks & stubbles on 18196.8 acres. A total of 274 farms participated in this."

"Donley County had 3 farms earning assistance of \$450.24 for Leveling 30.8 acres of land for irrigation."

"Water wells for livestock were drilled on 10 farms in 1949 to equal a total of 1116 ft. at a cost of \$3,173.00."

COTTON PRE-MEASUREMENT:
Our pre-measurement crew has completed measuring all the farms that signed up for this service except three, and they hope to finish these before the end of next week.

COMBINATIONS AND SUB-DIVISIONS OF FARMS:
All producers in the county who have planned to have their farms combined or sub-divided for this year will have to wait now until 1951. If you had planned to come in to the office and have this done you may still come in and put your name on the list for next year. May 1st was the deadline on this.

Mrs. H. B. Hill returned home Wednesday afternoon from a few days visit with her son and family, Mr. and Mrs. Paul Hill at Dumas and she also visited her sisters, Mrs. W. D. Wallace and Mrs. J. C. Clifton at Dalhart.

Mrs. Homer Estlack and Allen Homer and Donna visited her father and wife, Mr. and Mrs. J. C. Drennan at Altus, Okla. Saturday night and Sunday.

UNITED PENTECOSTAL CHURCH TO HOLD REVIVAL

A revival will begin Sunday night, May 14th at the local United Pentecostal Church with Rev. E. H. Price, Evangelist, of Oklahoma City doing the preaching. The public is cordially invited to attend all services.

Rev. James L. Gilbert, local pastor stated that if anyone needed transportation to the church during the services to call him at his residence.

Mr. and Mrs. F. L. Behrens enjoyed a visit with all their children Thursday, except their eldest son, Chas. J. Behrens who lives at Mission, Texas. Present were Archie Behrens from Washington, Mrs. Waggoner and her daughter, Mrs. Leo Oles and children of Claude, Mrs. McKee and daughter of Hedley, Mr. and Mrs. Truett Behrens and children, Mr. and Mrs. B. E. Jones and son of Clarendon and F. L. Jr. of Amarillo.

Among those attending the Shrine spring ceremonies at Amarillo Sunday and Monday were Messrs. and Mesdames Homer Estlack, Geo. Thompson, John F. Blocker, Johnny Blocker, Joe Jones, L. L. Wallace, Nelson Anderson, and R. A. Beverly and Johnny Leathers.

J. W. Murphy was taken to an Amarillo hospital Monday for medical treatment. He was reported to be suffering from an attack of virus pneumonia. He was reported improved late Wednesday and his many friends wish him a speedy recovery.

Mr. and Mrs. E. J. Wise had for week end visitors, Mr. and Mrs. Donald Wise and family of Amarillo and Mr. and Mrs. Winfred Wise and family of Memphis.

Mr. and Mrs. E. J. Wise attended the Golden Wedding anniversary of Mr. and Mrs. R. E. Newman at Hedley Sunday.

Pfc. Ralph R. Percival of the Sheppard Air Base at Wichita Falls visited homefolks the week end.

Mrs. Clyde Gilbert is confined in an Amarillo hospital where she is recovering from major surgery.

Mr. and Mrs. Hayden Baker of Channing visited her parents, Mr. and Mrs. Ralph Decker Saturday and Saturday night.

Mr. and Mrs. Ralph Decker visited her sister, Mr. and Mrs. Alton Scoggins at Claude Sunday.

Mr. and Mrs. Guy Vinson and son Guy Lynn of Amarillo visited in the McKinney and Mills homes Saturday.

A Common Paper for Common People

BLOWIN' Out the CORNERS

By Uncle Zeb

New members to the Ain't Smoking Right Now Society; Charlie and Fred Brown, father and son of the Claude, Goodnight and Groom communities. I think all of these towns try to claim this wonderful family. Anyway, we are glad to have them as members and am enclosing them

a shiny new membership card. They were "Turned in" so to speak, by one of their neighbors, Cleve Bennett, who is also a member in good standing. Thanks Cleve, and Charlie, and Fred.

The wife of one of my brother-in-laws writes, and I quote: "Will be by to stay all night with you Saturday night. Hope you can be at home; if you are not at home it will be alright, we will stay all night there anyway." This is an actual quote, and this is the brother-in-law with the new car and no appendix. You can't get ahead of brother-in-laws; reckon I could go down and spend the week-end at his home.

A regular reader who doesn't care to have his name mentioned hands me the following little poem entitled:

MAN
As soon as a man gains renown
The world begins to run 'him
down.

If a man should acquire a roll
They all pity his poor, poor wife.
If when a man tries politics
His friends declare, he's up to
tricks.

And when a man is tied for life
They all pity his poor, poor wife.
And if a man should gain success
They will all say, "Twas luck I
guess".

But when a man is down and out
"That serves him right", his
neighbors shout.

Thanks to this reader for helping us out, and for the cute little poem. It is this kind of help from the readers that make writing our little column so much easier.

Had a nice letter from J. O. Freeman, relative of Ed Robinson, and also a member of the Society. He was thanking me for his membership card. He lives down where the trees grow; down Oklahoma way. Thanks for the nice letter.

With the other Lions, I attended the banquet in honor of the girls and boys of the athletic department of the Claude School. You can learn a lot from these high school students. Anyway, it was a lot of fun, and if all the students were as nicely behaved as the two young ladies that were on either side of me, you could have heard a freight train drop. They were wonderful or would have been if it had not been for the way I acted. I believe it was Dr. Clark that said that our child-

ren were at a disadvantage to trying to do anything with us parents because we were so old when they got us, or words to that effect. Anyway, it was such fun to visit with these young folks, and thanks Miss Dawkins and Miss Brunson for teaching me good manners. Come to think of it I don't seem to care for lemon in my tea anymore, or salt either.

Do you know what Satan said to Hitler on his arrival at the Hot-Spot? Anyhow some of the young folks asked me this question and of course I wouldn't have known. The answer would have been simple if I had been up on my modern expressions. The answer was: "If I Had Known You Were Coming, I'd Have Baked A Cake." Looks like any adult could have answered that one.

I always enjoy getting my copy of the Boys Ranch Round-Up; a little magazine published by Boys Ranch. If you have never visited this great institution be sure and plan a trip there this summer. You won't soon forget it.

Speaking of the election; one

fellow said that he wanted a change of horses; said we had been given a Tru-Deal and a New Deal, a so called Fair Deal, and supposedly a Square Deal, plus plenty and plenty of Raw Deals. Anyway, this fellow says that he is in favor of a Re-Shuffle.

125,000 Rural Youth In Southern States To Be 4-H Gardeners

Now that they have received the signal—brightly colored seed catalogues—boys and girls in the Southern states are anxious to get started in becoming expert 4-H gardeners.

It is estimated that more than 125,000 of these rural youth in Texas and thirteen other Southern states will take part in the 1950 National 4-H Garden program. In it they will learn how to manage a well-planned garden, carry out a program of vegetable insect and disease control, and market produce in an economical and approved manner.

Through their garden project, they will increase individual and

family incomes by reducing the amount of food purchased. They will also contribute to better family health by producing sufficient amounts of essential and nutritious vegetables and fruits for use throughout the year.

Incentives for outstanding achievements in gardening include gold-filled medals of honor for four county winners, and an all-expense trip to the Chicago 4-H Club Congress next November for the state champion, provided by Allis-Chalmers. Eight national winners selected from the state champions will each receive a \$300 college scholarship.

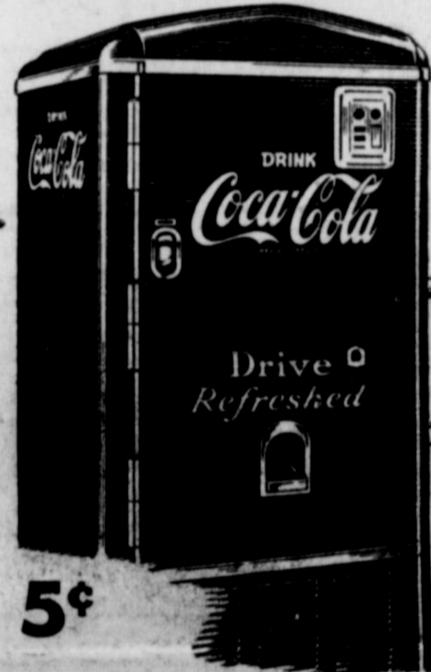

The 4-H Garden program is conducted under the direction of the Cooperative Extension Service. County Extension agents will furnish complete information.

Winners were named in 99 counties in this State last year.

Cutting and burning of den trees have hastened the decrease in the number of racoon in some areas of the South.

Europe is named for the goddess Europa.

SENIOR PLAY TO BE PRESENTED THIS FRIDAY

"Mystery In The Library," the Lelia Lake junior and senior play is now getting the final touches. Plans are being made to have this play Friday, May 12, but the date is not definite. Uncle Jay, over KGNC, will announce the defi-

THE DONLEY COUNTY LEADER

Billy White, Joanne Christal, Mr. and Mrs. Bill Lowe, Mr. and Mrs. Craig Johnson, Wilcey, Boyd and Winnie V. White, and James King.

Those assisting the hostess were Mrs. Bonnie Mooring, Betty White, and Mrs. Luther Butler.

EDUCATION PROFITS BY USE OF FILMS

The Lelia Lake School students and faculty found the following films profitable to education this week.

Those shown were, "The Nervous System," seventh and eighth grade health; "Tower of Strength and Health," elementary health; "Safe Use of Tools," "Highway To First Aid," elementary safety

education; "People of the Arctic," "History of American People," "The Ugly Duckling," "Indian Life," "You and Your Clothes," and "Birds of The Dooryard," and social studies of the elementary grades.

SERIES OF TESTS GIVEN SENIORS

The Lelia Lake Senior class members requested the privilege of taking tests to determine their intelligence, reading ability, vocational preference, and personality tests.

Billy Hill, Billy White, Billie Jean Pool, and T. J. Carter are taking a special aptitude test since these students are interested in the teaching field. These

tests will help them to select their fields of work in this or some other vocation.

These tests also help the student to select the proper college and to determine his major and minors in college work. They also help him find hidden abilities, talents, faults, and to analyze his personality traits.

The hardest American softwood is longleaf pine; the hardest hardwood is bois d'arc.

The vastness of the forest land in the Southern States compels us to recognize trees as a major factor in the total scheme of land use.

One of the reasons why mesquite trees are hard to kill is that they produce root-collar sprouts at ground level where stem and roots merge.

Common cork is made from the bark of a species of oak.

From where I sit... by Joe Marsh

Mud Lake Gets "Cleared Up"

County officers got a notice from the government not long ago, asking them to change the name of Mud Lake. Seems it's a pond, not a lake, by government standards.

Because it lies entirely inside our town limits, we asked to do the name-changing ourselves. Figured we'd think up a brand-new name. Mud Lake's really not very muddy—sort of pretty, in fact.

County people said go ahead, so we held a Town Meeting. Everyone suggested something. Windy Taylor thought "Taylor Pond" would be nice, because his place borders

it—for about 30 feet! But we finally decided to call it "Turtle Pond" in honor of the real owners.

From where I sit, naming that pond wasn't the most important thing in the world—but the way we did it was. Everyone offered his opinion and then the majority vote decided it. That's the way it should be—whether it concerns naming a pond, or having the right to enjoy a friendly glass of beer or ale—if and when we choose.

The AMERICAN MEDICAL ASSOCIATION

PURPOSES--ACCOMPLISHMENTS

Your family physician is a member of the American Medical Association, and helps to make its policies.

The American Medical Association was organized in its present form in 1902 for the purpose of:

- Raising the standard of requirements for practice of medicine; raising the efficiency of Medical Schools and Hospitals.
- Protecting the public against gross and harmful medicine; protecting the public as regards pure food and drugs; cooperation between Pharmacy and Medicine for public protection.
- Keeping alive an intensive search for more effective methods of prevention, treatment and cure of illness; furnishing the public with information regarding health and disease prevention; distributing medical knowledge for service to mankind, as soon as confirmed as sound.
- Promoting preventive medicine and public health through professional channels.
- Guarding public by enforcing a strict code of principles, ethical practice and behavior of its members; working out social and economic problems affecting the public and practice of medicine; maintaining ethics, fairness and conscientious scientific service through unified effort.
- For the collection of biographical material concerning the educational and practical qualifications of all the physicians of America, for public information.
- For publication of a quarterly Index of world-wide medical and scientific articles and research, as a constant aid to physicians in extending the benefits of medical knowledge to all mankind.

Why just listen to reasons? COME SEE FOR YOURSELF!

THIS TIME we'd like to tell you about something that you cannot see in this picture—something, in fact, you cannot know about from looking at someone else in a passing Buick—or from viewing a Buick on our showroom floor.

It's the feel you get from a Buick in motion.

You are going to find out that it is something like traveling on your own private, jet-propelled cloud—only firmer.

Maybe you know a stretch of washboard road, where you have to slow down, or bounce and jitter.

Try that in a Buick and see how you keep a level, comfortable boulevard smoothness.

Maybe you're always on edge to dodge dips and chuckholes. Those also lose most of their jolt when you're at the wheel of a Buick—or in the rear seat.

In a few simple words—the ride of any Buick—SPECIAL, SUPER or ROADMASTER—is out of this world.

We could give you a lot of reasons. Soft coil springs on all four wheels, for example—the firm linkage of the torque-tube drive—the distribution of weight—big soft tires on wide rims—the way Buick engines are mounted.

Even Dynaflo Drive*—always silk-smooth and free of geared-drive harshness—plays its part in the marvelous Buick ride.

But why simply listen to reasons? Experience is still the best teacher.

Come see for yourself why the Buick ride is called "matchless"—and how little it costs to replace a jitterbuggy with one of these level-striding honeys.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ONLY BUICK HAS Dynaflo—AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

WHATEVER YOUR PRICE RANGE

By **DOYLE WILLIAMS**
Minister
Church
of Christ

If you will remember: we have been studying the scripturalness of our teaching and practices in matters of religion. We have found thus far that we must find in the scripture—the Bible, all things that we teach and practice, or we become unscriptural, and condemned by the God of the Bible. And that it is not enough to be scriptural in one thing, but in all things that we do and

teach; that is, find it in the will of God. We must be scriptural in the name that we wear as individuals; we must be able to go to the Bible, and find a thus sayeth the Lord. If you can not find the name that you are wearing as to designate what you are in matters of religion in the Word of God, you are unscriptural in doing such a thing. You can know assuredly that your name did not originate in the mind of God, but in the mind of man. I must wear the name given to me by the Word of God, and to do this is to be scriptural in name. We might profit by the following: Who said that we should wear the name Christian when I become a child of God? And we answer God, for in Acts of the Apostles we read, "And the disciples were first called Christians at Antioch." Acts II: 26. Peter says, "If any

man suffer as a Christian let him not be ashamed." Then we ask the question: Who said that I could wear any name differently from the ones recognized by the God in Heaven? Then, I begin to search, and I can't find in all the word of God his recognition of any other name, and the authority for wearing any other, and I immediately come to the conclusion; that if God ever thought of any other name for me to wear he forgot to reveal it, and if he ever thought of any other, he forgot to write to us in any other name. Then may I ask; where did all the names come from? and the only answer would be, not from God, but from man. Then if they originate with man they could not be scriptural, because they can not be found in the scripture. Dear reader: If God does not say anything about a thing in his entire revelation to man, how can you know that he approves of the name that you are wearing, as religious?

must also be scriptural in name as a body of Christians. What then, did or does the Holy scripture reveal as pertaining to a body of Christians as to the name they should wear? And we answer the question with the scripture that comes from God. "The Churches of Christ salute you." Rom. 16:16. Here we find the Apostle Paul writing to Christians in Rome, and he calls them as bodies of Christians the Churches of Christ. To wear as a name and as a body of Christians the name church of Christ, is to be scriptural in name as a Church. But to wear any name as a body of Christians that can not be found in the word of God is to be unscriptural.

The average citizen should be the one most concerned about forestry. He is the ultimate purchaser of lumber and the other products of trees.

Balsa, one of the world's lightest woods, was named from the Spanish word meaning raft.

New Exploration And Research Program Gives Great Promise To Commercial And Sport Fishermen.

AUSTIN — The new exploration and research program launched by the Gulf States Marine Fisheries Commission is viewed by the Executive Secretary of the Texas Game, Fish and Oyster Commission as bearing great promise for commercial and sport fishermen.

The undertaking will emphasize examination of fish life in previously uncharted angling areas in a broad step toward developing new fields of profit as well as of recreation.

For the average Texan, particularly the inland residents, fishing ordinarily means matching wits with a wary catfish or trying to outguess a fighting black or white bass, or even to lure a tasty crappie or other pan fish to the stringer. Expanded fresh water facilities stress the land lubbers' needs. But the scope of the game and fish department does not end there.

For, down on the coast, a vast industry is centered around providing boats, tackle and guides for the throngs living in that area and for the visitors from inland Texas and from far beyond. Just as vital and probably a greater economic asset, is the commercial fishing industry which brings in the shrimp, oysters and other marketable salt water species.

The fact that Louisiana, Alabama, Georgia and Florida share the same outlook was a mighty factor in harnessing up the coastal team along with the Fish and Wildlife Service to get the job done.

The Executive Secretary, who is vice-chairman of the organization said the marine biologists foresee great new opportunities in the deeper sea areas distant from the shoreline—areas which have never been developed for sport fishing or for commercial fishing.

Two vessels obtained from the Fish and Wildlife Service have been outfitted. One will be equipped with all kinds of fishing gear to do exploratory work off the shore. The other will specialize in research—a sort of marine sci-

tist's dream. It will check the water temperature and record currents and other data which vitally affect fish life. It also will be rigged to study the water for microscopic organisms necessary for fish life. The entire life cycle of the denizen of the deep will be charted. The affect of the new trade stimulant will be felt far beyond the coastal boundaries.

Fish Stocking Progress

The Chief Aquatic Biologist of the Game, Fish and Oyster Commission has observed that ranchers and farmers, in utilizing all possible resources to better living conditions, are finding wildlife an indispensable factor. To this end the trend is toward stocking ponds and tanks with fish. Some farm ponds that are only an acre in size have produced three or four hundred pounds of fish annually.

Proper management and education have had an important part in this development. The popular opinion of laymen that the more fish planted in a lake, pond or tank meant more fish and better fishing has been discounted by the biologists. This

has permitted distribution of fish fry over a greater area, with consequent benefit for all.

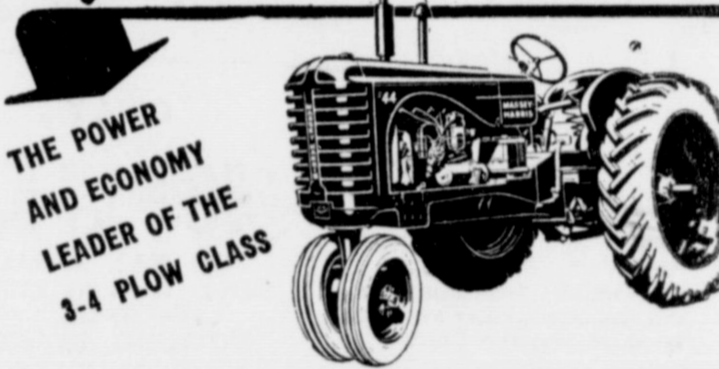

There is a definite limitation to the number of fish a certain area can support. If the place is overstocked, and without the proper balance of species, the result is runted fish and disappointed anglers. Thus when land owners send in their applications, the Game Department judges by the description of the pond, tank or lake what kind and how many fish are needed. The landowner or tenant has a part in this planning, too. He has to describe the area and to be particularly accurate in stating whether his waters are being stocked the first time, or are being re-stocked.

Keeping good forest cover on steep land has long been recognized as an important factor in reducing the flood load of rivers.

Forests cover 57 per cent of the land area in 36 East Texas counties comprising the commercial forest region of the State.

"A penny burned is a penny earned"

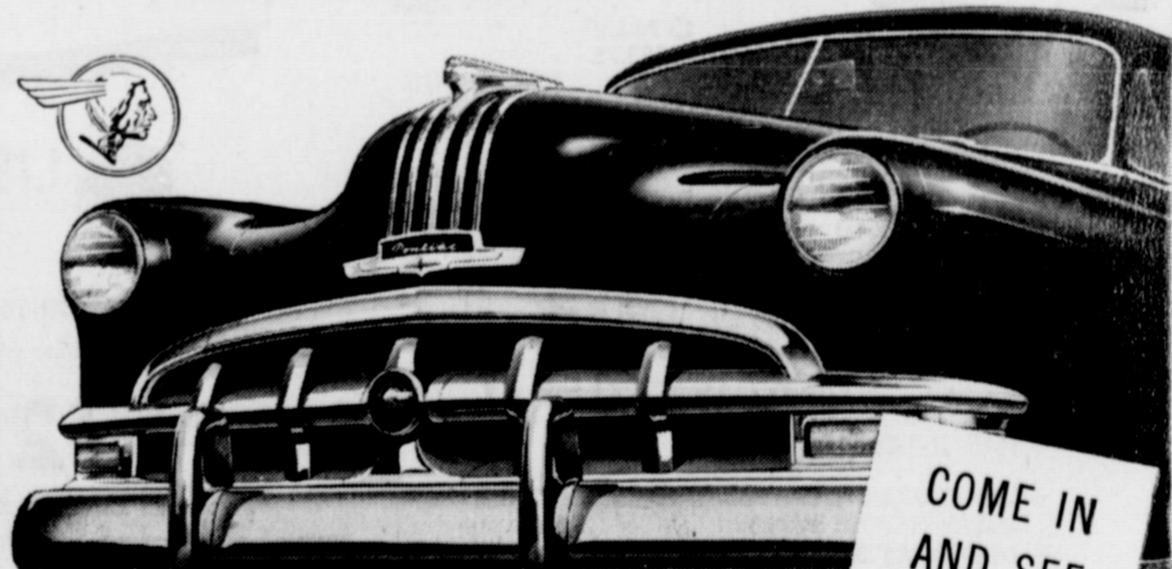

Thrifty Gulf South housewives rely more and more on low-cost natural gas. Many started with gas cooking, then gas water heating. Today, thousands know the economy and convenience of gas refrigerators, gas-fueled clothes driers and adequate, automatic natural gas heating. These women are reaping dividends in time and money saved, while clean, efficient natural gas does the heavy work.

Natural Gas Service Is Vital

The gas industry is an important factor in the prosperity of the Gulf South. Through service to industry and commerce, it helps create payrolls that are the lifeblood of our economy. Gas company taxes help maintain state and local governments, build roads and support schools and other public institutions. Yes, if you live in the Gulf South, you benefit from natural gas.
