Funeral Services Held Sunday For Mrs. J. C. Estlack

Mrs. J. C. Estlack, wife and mother of the publishers of your Donley County Leader, passed away at the Donley County Adair Hospital Friday afternoon at 4 p. m. She had been seriously ill and in the hospital one month almost to the exact hour.

Funeral services were held Sunday afternoon at 3 o'clock at the First Methodist Church with Rev. John A. English officiating, assisted by Rev. L. A. Sartain. Mrs. Estlack, age 68 years, moved to Clarendon in 1919 with her husband J. C. Estlack from Eunice, N. M. in order to give their five sons a better education than was obtainable in that homestead locality at that time. Clarendon was known throughout the southwest as an education center at that time, and still is, so they decided to make Clarendon their permanent home. Up until a few years ago "Mother" Estlack was active in Methodist Church work and was a member of the Sr. Home Demonstration Club. She loved to cook and follow out the motives of the club, and pass on to others the benefits she herself had enjoyed. After her health began to fail she did most of her visiting on the telephone and was in contact with more people every week in this manner as she was the society editor and main news reporter for the Leader since it was established on March 4, 1929. Since she had no daughters of her own, she prized her daughter-in-laws highly and devoted the past few years, months and days of her life to her grandchildren.

She is survived by her husband J. C. Estlack; five sons, Alfred, Homer and George Wayne of Clarendon, Eugene of Austin and Phifer of Denton, and seven granddaughters and five grandsons; also four sisters, Mrs. Annie Wadsworth of Vashiti, Mrs. Mattie Manning of Amarillo, Mrs. Laura Hahn of Gainesville, Mrs. Susie Joplin of Bowie; five brothers, Sam, Homer, Roy and Earl Hodges, all of Wichita Falls and Rew Hodges of Duncan, Okla. All were present for the services here.

Pallbearers were Charlie Lowry, Ernest Hunt, Nathan Cox, Lynn Payne, C. W. Lane and Marshall Morris.

Mrs. Estlack was laid to rest in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

Donley Farmers Fight Cotton Leaf Worm

Cotton farmers all over Donley County are fighting the cotton leaf worm stated county agent H. M. Breedlove this morning. Twenty thousand pounds of calcium arsenate and sulphur were shipped to the West Texas gin at Hedley for farmers in the county who have an infestation of cotton leaf worms.

Breedlove says that eight pounds of the dust per acre will control the cotton leaf worm, but if it rains after the application then it must be done again. Five dusters are busy in the county at this time.

The leaf worm seems to be limited to certain fields in the county, scattered in different parts of the county.

Breedlove also advises that toxaphene spray is very good for the control of leaf worms and should be applied as a spray at the rate of one pound of the toxaphene per acre. Any one wishing additional information on the control of the cotton insects should contact the county agent.

SISTER OF LOCAL MAN DIES AT SWEETWATER

Funeral services were held Sunday in the Nolan Baptist Church for Mrs. J. F. Ensminger, age 76, who passed away at the Sweetwater hospital Friday evening. Among the survivors is John Brandon of Clarendon who is a brother. Burial was in the Nolan Cemetery.

Revival At Martin Baptist Church Begins Aug. 11

Revival services at Martin Baptist Church will begin Friday night, August 11th at 8 p. m. Rev. Milton Evans, pastor, First Baptist Church at Skellytown will be the evangelist. Rev. Evans is well known in this territory and is a very able preacher of the gospel.

"There is a very definite need in our nation today of turning to God," stated Rev. Ernest Phillips, the pastor of the Martin church. "May that turning begin in Donley County. We invite you to our services twice daily. A warm welcome from our hearts awaits you."

TWINS TO CELEBRATE BIRTHDAY TOGETHER

It is indeed an occasion when twins can celebrate their 83rd birthday together, and that is what Mrs. W. D. Martin and her twin brother, Lee Gibson, of San Angelo plan to do August 12th.

Mrs. Martin and Mr. Gibson were born and raised in Johnson County, near Mansfield, Texas. And, as was the custom of that day, attended the privately owned and operated school of Prof. John Collier.

Mr. Gibson married and moved to Collingsworth County, later moving to San Angelo. He has two children and still makes his home in San Angelo.

Mrs. Martin married at the age of 16 and also settled in Collingsworth County where she lived for a number of years until the family moved to Clarendon about 25 years ago.

Mrs. Martin is the mother of 7 living children and 2 who are now deceased.

We wish both Mrs. Martin and Mr. Gibson a very "Happy Birthday" and may they have many more.

Mr. and Mrs. Dalton Ford visited Mrs. A. G. Lane Sunday.

FARM NEWS From the County PMA Committee

WHEAT ALLOTMENT:

We received our wheat allotment for Donley County! For 1951 Donley County will have 30,018 acres of wheat to allot. At the present time we are computing the individual allotments for the wheat producers, and we will mail them out as soon as they are ready.

OFFICE NOTES:

Mr. H. A. Swinney, out in the Naylor Community, is one of our best customers when it comes to Winter Legumes. We have just begun to think about our 1951 program, but it seems that Mr. Swinney is one jump ahead of us. He has already placed his application in this office for an approval for 2800 pounds of Austrian Winter Peas and 140 sacks of 20% Superphosphate. Mr. Swinney wants his approvals for assistance on these two practices just as soon as we get our 1951 allocation and can start issuing approvals.

Mrs. Ritter, our Administrative Officer, and L. D. Aten, Marketing Quota Clerk, were in Childress on Tuesday and Wednesday of this week attending a meeting on Cotton Marketing Quotas.

We are once again indebted to "Red" Doherty for bringing us some fruit. His latest contribution consisted of big, fat, red, juicy plums, and we really did enjoy them.

If "old man weather" is good to us this week and holds off the rain, we will get through with our cotton measurement this week. We think that our boys have done a good job considering all the rain.

We received a letter from "Zeke" Brown, who gave this county so much good publicity in his Southwest Plainsman, while writing for the Amarillo Times. Zeke is now working for a newspaper in Washington, D. C. He says he has an interesting job, but that he misses West Texas.

AGRICULTURAL SHORTS:

"Good example is of value only to those who profit from it and opportunity's knock is heard only by those who are listening."

"It is summer when we can see results from the application of soil conservation practices—Terraces have held the water and grassed waterways have minimized erosion. Stands of row crops planted "around the hill" are much better than those in the traditional checkerboard pattern."

"If we are to adopt the policy of forcing so-called surplus upon efficiency," what is going to happen to them. The head of a great farm organization said recently these people should give up farming and go to work in furniture factories. Where are the factories with jobs for them?"

"In the 1930's when agricultural prices were at their lowest it was estimated that one city family in four had a good diet."

Hail & Rain Damages Cotton In County

Hail and rain has hurt the cotton acreage of Donley County to quite an extent says county agent H. M. Breedlove. The best estimate at this time is that approximately eight thousand acres of cotton in the county has been damaged by hail and rain. This is a conservative estimate says Breedlove and this figure could be larger than predicted at this time, but after a tour of the entire county, this is purely an estimate.

The big job now is getting a crop on this land for cover and Breedlove says that wheat, Austrian Winter peas, Vetch and rye can be the answer for a good cover crop this winter. This is the thought of the farmers over the county on the crops that they intend to plant to keep the land from blowing and at the same time build the soil and get another cash crop as soon as possible.

Farm Bureau Plans Good Program At Chicken Barbecue Friday, Aug. 11

Mr. Holly Wood, president of the Donley County Farm Bureau urges every one to get in their chickens for the big barbecue this Friday afternoon at five o'clock at the Lelia Lake school house.

Remember the date is August 11th, this Friday and the chickens should be left at the Moreman lockers at Hedley or the Clarendon Frozen lockers in Clarendon. One half chicken is required per person and the Farm Bureau will furnish all the trimmings.

A good program is planned, including Uncle Jay and Grady Hazlewood.

Mr. Wood stated that if you have not taken your chicken to one of the lockers, then you could bring it to the Lelia Lake school house not later than noon on Friday. H. M. Breedlove, county agent, will do the barbecuing.

The chicken will be served promptly at five o'clock in the afternoon. This barbecue is for every one and you do not have to be a member of the Farm Bureau to attend.

SUMMER REVIVAL AT BRICE BAPTIST CHURCH

A cordial invitation is extended every one to attend the Summer Revival, beginning at the Brice Baptist Church, Monday evening, August 14th.

Rev. Clements will do the preaching, and Joe Wood, choirster at the church, will have charge of the singing during the revival, which will last ten days.

GRANTS TO OBSERVE PLATINUM ANNIVERSARY

Mr. and Mrs. G. R. Grant are holding open house on Sunday afternoon, August 20th in celebration of their Platinum (60th) Wedding Anniversary. Friends are invited to call between the hours of 2 and 6 p. m.

NOTICE

There will be a meeting at the county court room in Clarendon, August 12 at 3 o'clock, of all women in the county who are interested in obtaining a county Home Demonstration agent.

"We are anxious to have a representation from every community in the county," one of the club officials stated. "If you are interested, be there. We expect to perfect our plans and present them to the Commissioners' Court, Monday, August 14th."

ATHLETIC MEETING CALLED FOR TUES. NITE

A combination meeting of the Quarterback club and the Athletic Council has been called for next Tuesday evening at the local gym at 8 p. m. The purpose of the meeting is to give everyone an opportunity to meet the new coach, Tom Harrell and get the ball rolling on fall athletic projects. Everyone interested is invited and encouraged to be present.

BROTHER DIES

Mr. and Mrs. J. H. Hurn and granddaughter Laddie Cox attended the funeral of Mrs. Hurn's brother, A. F. Rush, at Plainview, Sunday.

Mr. Rush died Friday following a long illness. Services were held Sunday at 3 o'clock in the Lemons Funeral Home.

Mr. and Mrs. G. A. Anderson were called to Hutchins, Texas Friday due to the death of Mr. Anderson's brother-in-law, King Goar. Mr. Goar died Thursday night. Services were held Saturday afternoon. The Andersons returned home Monday.

Mr. and Mrs. C. C. Hearn returned home Wednesday after a visit to Carlsbad Caverns and with their daughter and family at Lubbock.

Services Held Friday For John E. Mongole

Funeral services were held Friday afternoon at the First Presbyterian Church for John E. Mongole with Rev. Paul Wright officiating, assisted by Rev. Wm. H. Foster.

Mr. Mongole, age 90 years, passed away at his home here after a long illness. He had been a resident of Clarendon for over 30 years and was a resident of the Panhandle for over fifty years. At the time of his marriage to Miss Maggie Muir on Nov. 16, 1899, he was working on the J. D. Jeffries ranch in Gray county. He was a member of the Presbyterian Church and was an elder of the church for many years.

Survivors include his wife and two daughters, Miss Mabel Mongole and Miss Edgar Mae Mongole, all of Clarendon; a sister, Mrs. G. F. Stump, Roanoke; a brother, Gate Mongole, Morefield, W. Va., and a number of nieces and nephews.

Pallbearers were Billy Beedy, Archie Maness, George Beedy, Ralph Zachry and Carl Smith.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

Services Held Wednesday For Mrs. W. C. Snelson

Funeral services were held Wednesday afternoon at the First Baptist Church at Hedley for Mrs. Mary Grace Snelson with Rev. C. W. Lisenbee officiating.

Mrs. Snelson, age 54 years, died at the local hospital Tuesday afternoon. She had been an invalid for the past 14 years. She had been a resident of Donley County since 1928 and the family home is located four miles north of Hedley.

Survivors include her husband William C. Snelson of Hedley; four daughters, Mrs. J. B. Alexander, Gardena, Calif., Mrs. J. A. Heathington, Compton, Calif., Mrs. R. J. Howell and Mrs. A. L. Wynn of Amarillo; three sons, William and R. D. of Hedley and Bruce of Redding, Calif.; 19 grandchildren; three sisters, Mrs. Ella Smith, Winters, Mrs. Myrtle Bailey, San Diego, Mrs. Blanche Murray, Hobbs, N. M.; four brothers, Josh Jennings, Hedley, Tom Jennings, Texarkana, Ark., Bruce Jennings, Northport, Va., and Sam Jennings, Rule, Texas.

Burial was in Rowe Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

The Lion's Roar

By Jack E. Gray

The Lions Club had its regular meeting Tuesday, August 8, and had a very large turn out in our membership. We also had six visitors which included our guest speaker, Rev. A. J. Quinn. Rev. James Mitchell rendered his application to become a Lion and was approved unanimously, so we take this opportunity to welcome him as one of us.

Lion Frank Phelan arranged a very good program which consisted of a song by Marvin Hillis and a splendid talk on "This Fast Moving Age", by Dr. A. J. Quinn. We would like to take this opportunity to thank Mr. Hillis and Dr. Quinn for appearing on the program and giving us such good entertainment.

Lion Phelan stated that Mr. B. McClure will be on the program next week and will give a talk on old firearms. Mr. McClure is from the West Texas Museum.

At close of program, members faced the flag, sang the first verse of America and adjourned.

REVIVAL AT GOODNIGHT TO START FRIDAY NITE

A revival is scheduled to begin this Friday night at the First Baptist Church at Goodnight. The meeting will continue thru Sunday, August 20th. A welcome is extended to all. Services will be held twice daily at 11 a. m. and 8 p. m.

Hail And Rain Destroy More Donley Crops

That very ferocious cloud which blew in from the southeast last Saturday afternoon left a wide area of destruction after depositing its heavy load of hail and rain. One downpour of hail caught the east part of Clarendon and extended east and north while another struck the Martin area, stripping crops, and flood waters were rampant in the area to the extent that highway traffic was held up for quite some time near the J. R. Gillham dairy. It was reported that fences were washed out on comparatively level ground. A part of the Goldston area was struck by the hail traveling along the east side of Clarendon. Crop losses were heavy and it is almost too late to plant anything except some items to hold the soil. Joe Goldston's rain gauge showed Clarendon to receive 1.35 inch during the downpour. Strong wind accompanied the storm and did considerable damage to some roofs. Hail damage ran pretty high up and down main street as neon signs were knocked out and the glass background of the Mulkey Theatre marquee was battered.

Things were apparently needing moisture again pretty soon, for another cloud moved in from the west Tuesday night and deposited another .83 inch of moisture, bringing the year's total to approximately 15.40 inches of moisture.

Local farmers believe they can go ahead and make a crop of what's left of a crop without any more rain and plenty of sunshine. In fact, the sun even needs to work over time so our good neighbors can get some work done.

Reorganization Meeting Aug. 17th For Cub Pack 37

A reorganization meeting for Cub Pack 37, sponsored by American Legion Post No. 126, will be held at Legion Room, City Hall, 8:00 P. M., Thursday night, August 17, Jack Gray, Cubmaster, announced this week. All boys 8, 9, and 10 years of age, who would like to be Cub Scouts, are urged to come to this meeting, and will be welcome if they are accompanied by one of their parents. The purpose of the meeting is to inform parents and boys about the Cub Scout Program, and to reorganize the various Dens of the Pack for this Fall. Plans on Cub Scouting and other information will be provided by John H. Pound, Field Scout Executive, of the Adobe Walls Council.

"Cub Scouting is the basic program of the Boy Scouts of America for boys 8, 9, and 10 years of age," Mr. Gray said. "It's program is home and neighborhood centered, and the Scouting ideals presented to the boys are the same as those used in Scouting all over this country—they are just reworded so that a boy of this age can understand them. The purposes of Cub Scouting are the same as those of all Scouting Programs: character building, citizenship training, and physical fitness. Our Boy Scout Troop, and Explorer Post here in Clarendon are doing extremely well under the leadership of Lee Bell, Scoutmaster, and Jay Gould, Explorer Adviser. We hope that the Cub Pack can do as well from the results of this meeting—if we can, Scouting in Clarendon will be available to all boys from 8 thru 18. We sincerely hope that all parents who are interested in this program for their boy will come out to this meeting with their sons," Mr. Gray concluded, "as we believe that Cub Scouting is the best boys' program we could offer to these young boys of Clarendon."

Donald Beard, who is a student of the Naval Academy at Annapolis, Maryland is at home for the month of August, after having completed a 6 weeks cruise.

PEWIN' Out the CORNERS by Uncle Zeb

Uncle Bob Robertson writes in to literally take the hide off of me about my taking the chicken from Mrs. Brown. He says that it was nothing less than a mean Irish trick. He don't think a Scotchman would think of doing such a thing. He seems to think that surely I returned the chicken

later. Now I do feel terrible - - Later it was too late. Did I do so very wrong about it? I will leave it to the readers. Write in your opinion and if according to the letters that I get within the next three days I have wronged this good lady in taking her chicken I will pay her back two fold. I will return her gift worth double the price of the chicken. Uncle Bob makes the person who thinks that I did wrong but I am hoping that their opinions were made too sudden; that the folks who have thought this thing out will decide in my favor. Will the deep thinkers; the ones who have thought long and hard on this write in and help me justify my act. Write in this very minute so I can give the verdict next week.

Of course, I want to be the judge of all entries. Thanks to all my friends for writing in with their favorable comment. Thanks in advance. Thanks again and again.

Last week, in his column Random Thoughts, Lewis Nurdyke gives a boost to my plan for a Department of Truth in our government. Thanks Lewis for the "Plug." If there ever was a time when we needed something like this it is now. Even though we had spent money like water the last few years we had absolutely next to nothing to show for it when the showdown came. The pennies that the great spenders spent during the days of Roosevelt faded into chicken feed in the light of what we have spent in the last few years. Then when the test came we had only a mere 400 smooth faced kids with some rusted out World War antiques to send against the enemy. It is time that politicians quit playing poli-

tics and tell us the truth regardless of whether the party stays in power or not; regardless of whether our votes are bought with measly doles from Washington. As the people who pay with blood, sweat and tears, and money we should know the truth. According to the Bible the Truth makes men Free - - Crooked politics! deceit, and false propaganda makes men slaves.

We can not claim immunity to defeat because we claim to be a Christian nation. Just because most of us keep a Bible on our table God will not fight our battles for us. Were we on our knees praying for those four hundred children that we sent over to Korea to whip the daylight out of that little hundred thousand Communists - - Were we out grabbing another tire or a sheet or a sack of sugar?? Were we upping the price so as to grab another dollar in war profits off our fellow man while his son fought for us?? If we worship

Money; war profits, and political security God will not call us a Christian nation. He will not always destroy our enemies. How many prayer services did you hear about when we entered the war (it is war to those that are in it regardless)? We love our country, and our freedom but we have been lulled to sleep by the Fair Deal strains of false security. The only security for our body is in the grave, and the only security for our soul is in God.

Forgive us for being so worked up. Ever so often it seems we have to go and sound "Preachy." Maybe next week we will feel better and have more cheerful things to write about. I almost hope that I do have to buy a gift for Mrs. Brown.

Carboniferous Rocks Discussed In New University of Texas Geology Publication

AUSTIN—Carboniferous rocks in Central Texas' Llano region are discussed in a new University of Texas Bureau of Economic Geology publication.

The bulletin gives basic, detailed information compiled by the late F. B. Plummer, University petroleum engineering professor and geologist.

He studied Carboniferous rocks which outcrop in McCulloch, San Saba, Burnet, Llano, Mason, eastern Kimble, western Lampasas, Blanco, and Gillespie counties.

The report will be of practical use to the North-Central Texas petroleum industry and to Llano-region quarrymen and ranchers interested in building-stone and water resources development. Copies may be obtained from Bureau of Economic Geology, University of Texas, Austin, Tex.

The U. S. Children's Bureau is under the Department of Labor.

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the light-weights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynaflo Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely envying the man in this great car! Why not emulate him?

With all its outsize room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Ben Guill Reports To The People

(Congressman 18th District)

The farmer has received so much unfair, bad publicity recently that hundreds of citizens have written to me demanding that we do away with a government farm program altogether. In fairness to the farmer I would like to point out that the basic storable commodities (such as cotton, corn, wheat, soybeans and tobacco) have actually brought a profit of \$50,016,353 to the United States government during the last seventeen years. We must remember, however, that more than 75 per cent of the farmers of the nation raise perishable commodities and it is this group which has cost the government money. During the last seventeen years, up until May 31, 1950, the entire agricultural support program has cost Uncle Sam more than two and a third billion

dollars. That's a lot of money to spend in seventeen years but it represents only about one-twelfth of what we have spent in five years for the relief of European countries. And during the last seven years, at an average of \$138 million a year, the farm support program has helped to keep business good up and down the Main Street of every town in the Panhandle and in the nation as a whole.

But, this year the potato crop alone could easily cost the United States more than five hundred million dollars and the supports on potatoes will be dropped unless the growers agree to quotas. It has been proved again and again that we cannot have supports without quotas. In addition, we have 192 million pounds of butter in Government warehouses. That's far more than one pound for every man, woman and child in the country. We also have 107 million pounds of eggs in Federal storage, 322 million pounds of dry milk and 80 million

pounds of cheese. All this is in storage and is doing no one good, while some people are going hungry both in this country and abroad.

A Bill was passed out of the House Agriculture Committee this morning which would appropriate 50 million dollars from the foreign relief fund which is to be spent on repackaging and transportation of these products to places where they will do the most good. This excess produce would be used for relief, for school lunches, for charity and for foreign countries where such commodities are in desperately short supply.

I am very much opposed to spending any money at this time for any purpose except national defense. Nonetheless, the value of the commodities going to waste in government warehouses is many times \$50 million. I voted for the extra expenditure in order to prevent a total loss of the commodities.

It is obvious that there is something lopsided about a farm pro-

gram under which this could happen. The farmers of the Panhandle realize this. This is borne out by the fact that only 16.6 per cent of all those answering the questionnaire I recently sent to every voter in the Panhandle approved of the present program. On the other hand, 50.9 per cent wanted a different approach altogether.

In view of this, I introduced a Farm Bill of my own in the House last week. The Bill outlines the manner in which the farmer himself can participate in the writing of his own agricultural program. It would establish a kind of Agricultural Congress, with farmer representatives from each Farm Credit District and each commodity group. After hearings are held in each District, the Executive Committee formed by the Bill would sift and discuss recommendations coming in from the field and would then make specific suggestions for legislation to Congress.

I have always felt that Government should be moved closer to

the people. I have also felt that the farmer could solve his own problems just as intelligently as the economic bureaucrats here in Washington, many of whom have never in their lives been on a farm except on a visit.

There is very little chance of this Bill being passed during this session of Congress because of the lateness of the date and the present desperate war situation. But I have introduced it so my fellow members on the Agriculture Committee can become familiar with it and we can then have a better opportunity to pass it during the next session.

I am happy to report that the Bill has received favorable comment from both the Democratic and the Republican members of the Agriculture Committee and I have received a great deal of encouragement from many sources. I hope we can someday make this dream a reality.

GARDEN CLUB

Mrs. Rayburn Smith and Mrs. J. F. Blocker were hostesses to the Garden Club Tuesday afternoon in the home of Mrs. Johnny Blocker. Attractive garden flowers were used for decorations.

The business session was in charge of the president. The following officers were elected: president, Mrs. J. H. Howze; vice president, Mrs. Pete Kunz; secretary, Mrs. Rayburn Smith.

Mrs. John Goldston, as leader, began the program with a contest, "Ten best sellers in Flower seed." She emphasized the importance of planting annuals in the month of August and also gave some pertinent facts concerning care to be given plants for best fall flowers.

"Beauty for your shadiest

spots," presented by Mrs. Pete Kunz, was illustrated by numerous flowers; the most beautiful was the Tuberous Begonia.

"Secretary-Johnson's Garden," revealing the hobby and diversion of a prominent citizen was discussed by Mrs. Barcus Antrobus.

During the social hour, the hostesses served dainty refreshments to one guest, Mrs. Elba Ballew and attending members, Mesdames Lena Antrobus, B. C. Antrobus, A. L. Chase, Edwin Eanes, John Goldston, J. H. Howze, Lee Holland, Will Johnson, Pete Kunz, J. L. McMurtry, Frank Phelan Sr., Frank Phelan Jr., W. W. Taylor, O. C. Watson and J. J. Wester.

Barbara Jean Wilson Becomes Bride of Raymond McKee

The Church of St. John the Baptist Episcopal at Clarendon, Texas, was the scene of the marriage of Barbara Jean Wilson, daughter of Mr. and Mrs. Cody Wilson of Clarendon, and Raymond McKee, son of Mr. and Mrs. George McKee, also of Clarendon, on Sunday, August 6, 1950, at 3 o'clock in the afternoon.

Rev. Edgar Henshaw, pastor of the Pampa Episcopal Church, read the double ring ceremony. Thad Bugbee was the candle-lighter. Preceding the service Mary Jo Hester sang "Because" and "Oh Perfect Love," accompanied by the organist, Mrs. Bill Cooke. Mrs. Cooke also played the traditional wedding marches for the processional and recessional. The rostrum was decorated with baskets of white gladioli.

The maid-of-honor was Miss Eva Bell Humphrey, of Higgins, Texas, cousin of the groom. She wore a blue satin ballerina length dress with an overskirt of white nylon organdy and a half hat of matching blue satin. She carried a nosegay of gladioli sprinkled with small blue flowers and ribbon.

The best man was Jimmy McKee, brother of the groom. The ushers were Jimmy Palmer, Gene Evans, and Grover Ray Wilson of Paducah, cousin of the bride.

Given in marriage by her father, the bride was dressed in a ballerina length ivory satin dress with an overskirt of white nylon organdy. It had a sweetheart neckline and fitted waist and the cap sleeves had a row of buttons matching those on the bodice. She wore white shoes and wore a half hat of the ivory satin with a shoulder length organdy veil. She also carried out the tradition of something old, something new; something borrowed and something blue. For "something old" she wore an heirloom necklace and ear screws in which seven generations of Wilsons had been married. For "something borrowed" she carried an old imported lace handkerchief belonging to Mrs. Tom Bugbee. The bride carried a white Bible covered with white rose buds.

For her daughter's wedding, Mrs. Wilson chose a dress of dusty rose crepe with grey and black accessories and wore a corsage of pink carnations.

Mrs. McKee wore a navy blue crepe dress with white accessories. She wore a corsage of white roses.

The reception was held immediately after the ceremony in the rectory of the church. The serving table was covered with an ivory imported linen cloth. Ivory and pink roses with fern formed the centerpiece. The three tiered cake had ivory icing decorated with little blue wedding bells, and topped with a miniature bride and groom. Mary Cooke served the cake and Alice McCrary poured the punch. Geraldine Durham and Billie Wilson of Quanah, cousin of the bride, assisted with the serving. Millie Allen presided at the bride's book.

For the wedding trip, the bride chose a combination green and tan suit and wore white accessories. She wore a brown straw hat and her corsage was of white roses.

After a short trip in Mexico the couple will be at home in Clarendon.

The bride was graduated from Clarendon High School with the class of 1950. The groom received his schooling at Higgins, Texas. Out of town guests for the

MR. AND MRS. RAYMOND McKEE

wedding were: Mr. and Mrs. A. R. Gasway, Quanah; Mrs. R. H. Wilson, Quanah; Mr. and Mrs. Elmer Wilson, Donna and Jerry, Quanah; Mr. and Mrs. Harold McKee, Borger; Mrs. John Humphrey, Higgins; Mrs. Rogers Hester, Amarillo, Osker and Loyd McKee, Memphis, and Billy McKee, Spearman.

Miss Marie Koen Becomes Bride of Sgt. Charles Seets

Miss Marie Koen became the bride of Sgt. Charles Seets Sunday evening in a ceremony at the Methodist Church. Rev. John English read the single ring service.

Basket arrangements of gladioli provided the setting at the altar as Mrs. Rayburn Smith, organist, played "O Perfect Love" for the processional and during the exchange of vows.

The maid-of-honor, Effie Lou Carpenter, cousin of the bride, wore a blue dress, white accessories and a corsage of pink carnations. Emory Stone, cousin of the groom, was best man.

The bride wore a white dress with a neckline of net. Her shoulder length veil fell from a lace Juliet bonnet. Her corsage was of pink "Sweetheart" rose buds. White gloves completed her costume.

The bride is the daughter of Mrs. Delton Koen, Clarendon.

The groom is the son of Edgar Seets of Memphis.

Following the ceremony, a reception was held in Fellowship Hall of the church.

The table was laid with a lace cloth centered with an arrangement of pink gladioli. Mrs. Mildred Ritter served the tiered wedding cake and Mrs. Dona Masingale poured punch. Others assisting were Mesdames Bradshaw, Burns and Lindley.

After the reception the couple left on a wedding trip to Denver, Colo., after which they will make their home at Ft. Riley, Kansas where Sgt. Seets is stationed.

Out of town guests for the wedding were aunts of the bride, Mrs. Milton Carpenter, Mrs. Rish Phillips, Mr. Dickie Everett, and Miss Effie Lou Carpenter of McLean and Mr. and Mrs. W. R. Phillips of Wellington.

W. S. C. S. MEET AGAIN

The Womens Society of Christian Service met again Monday evening, August 7, at Lelia Lake. The Society opened the meeting by singing "Blest Be The Tie That Binds" led by Mrs. W. W. Jones and Mrs. Bill Poole.

The study was on Home Missions; Bible reading was part of the Sermon on the Mount. Responsive reading was on missions led by Mrs. J. W. Webb. Others taking part on the program were Mrs. George Johnson, Mrs. John Gillian, Mrs. W. W. Jones, Mrs. McCoruley. All parts were handled out by the Vice-president, Mrs. J. L. Butler. There were nine members present. The meeting closed by group prayer.

The women of the group invite all ladies of Lelia Lake to come and meet with them each Monday evening from 3 to 4 p.m.

Mrs. Maurice Lane and Kay are visiting Mr. and Mrs. Gayle Adams and son and Mr. and Mrs. Roy Gammon and Elaine in Ft. Worth. Maurice Lane met them there for the week end.

THE STATE OF TEXAS

TO: Luther H. Haley Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 25th day of September A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 31st day of July A. D. 1950, in this cause, numbered 2600 on the docket of said court and styled Virginia Paulk Haley Plaintiff, vs. Luther H. Haley Defendant.

A brief statement of the nature of this suit is as follows, to wit: For a divorce because of cruel treatment rendering further living together insupportable, alleging marriage August 30, 1946. No community property. No children as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this 9th day of August A. D. 1950.

Attest:
Walker Lane, Clerk,
District Court,
Donley County, Texas

Mrs. Clyde Butler returned home Friday after visiting relatives in Arkansas. This was Mrs. Butler's first visit since childhood. In Searcy, Ark. she visited an uncle Tom Gay and in Little- rock, a cousin, Mrs. J. E. Yearly.

CARD OF THANKS

Words can not express the feeling in our hearts toward those who extended their kindness and sympathy during the illness and death of our beloved wife and mother. We want everyone who assisted in any way to know that we deeply appreciated everything. The many flowers which she received during her illness and after her passing were beautiful. It is our desire that God's richest blessings will be with each of you always.
J. C. Estlack
and Estlack families.

Mr. and Mrs. Leckle Stark had as their guest over the weekend Mrs. Stark's brother and wife, Mr. and Mrs. P. H. Patten and two children, Mike and Lee Ann. Return From Fishing Trip

Mr. and Mrs. A. F. Sprinkles returned last Wednesday from a fishing trip out in New Mexico.

They go every year to the same fishing place, Tres Ritos, N. Mex. They caught their limit every day. Outside of a few showers the weather was fine, they reported. Mrs. Sprinkles reports the most thrilling time of all, was when she walked up on a big Cinnamon bear and two cubs helping themselves to wild strawberries. Mrs. Sprinkles, like her sister, Mrs. T. Jones, loves the mountains and likes big game hunting best of all. They stated that they enjoyed every minute while they were gone.

Mr. and Mrs. Robt. Allison and daughters, Lila and Mary at 1812 Pierce St., Amarillo, enjoyed their sons and brothers over the week end; Mr. and Mrs. Arlis Allison from Chicago, Ill.; and Mr. and Mrs. Boyd Allison and children from Clarendon. They all motored to Lubbock to attend a Reunion on Friday.

You, too, can enjoy the comfort of COOL, COOL Electric Cooking!

Someday You will COOK Electrically WHY NOT NOW?

With my new Electric Range my Kitchen is many degrees Cooler!

There's a NEW and MODERN Electric Range for YOU!

August... the hottest month! What is your kitchen like? A steaming bake-oven with an old-fashioned cooking stove? Or is it a pleasant, cool room... with an electric range? With an electric range there's no open flame to build up kitchen temperatures. Surface units have controlled heat that goes directly into the cooking utensils and the food—ovens are heavily insulated on all six sides... keeping the heat inside where it belongs; where it cooks the food, not the cook. Housewives everywhere say—"For cool cooking comfort, Buy Electric!"

- It's Fast! Electric "speed-units" now cook faster than any other method!
- It's Automatic! Electric cooking's automatic features save you time, labor and money!
- It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!
- It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.
- It's Economical! Low-Cost electric rates and faster cooking bring operating costs way down.
- It's Labor Saving! Automatic features save you work; free you from much kitchen drudgery.
- It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned as flame lamps.
- It's Convenient! Designed for modern kitchens, the special features of Electric Ranges mean extra conveniences for you!
- It's Clean! There is no smoke, soot, or dangerous fumes to mar your kitchen.

It's the Best! See Your Electric Range Dealer now!

West Texas Utilities Company

We will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economy that only modern electric cooking can bring. We'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier!

Upper bracket Beauty

For the second straight year, Ford has received the Gold Medal award as "Fashion Car of the Year." And its good looks are matched, as owners will tell you, by its fine-car quality. Take a "Test Drive" in this '50 Ford and you'll find it has the "feel" of America's finest cars, too. We call it "big-car roadability"—you'll call it the smoothest, quietest ride on wheels. You'll agree Ford's THE ONE FINE CAR IN THE LOW-PRICE FIELD.

White sidewall tires and wheel trim rings optional on extra cost.

50 Ford

Low bracket Cost

Compare the '50 Ford, feature for feature, with cars costing hundreds more! Only Ford, in the low-price field, offers an engine choice of either the 100 h.p. V-8 or its companion-in-quality, the 95 h.p. Six! Only Ford offers a "Lifeguard" Body! Only Ford offers 35% easier-acting King-Size Brakes! And no car offers a bigger combination of savings—savings in original cost, savings in running costs and the long run savings that result from Ford's high resale value.

 Library Notes

By May L. Prewitt

This month we issued 1941 books which is the most ever issued in one month according to records back to 1930. June and July are always busy months, but this year the children have surely relied upon the Library books for a source of past time.

Seventeen books were added by purchase and two by gift during August. Children are happy to donate a book to the Library as it seems to make the Library more of their possession. Some donate lovely books, and so many of them. The Library is of little expense to the city and county, and offers so much of interest and pleasure. We have several Goodnight memberships.

The books added this week are, Maum's "Over the Hurdles," and De Vries, "Strike-Out King." These are for the Junior boys, but a few of the girls shall like

them too. The teen age boys and girls have felt neglected the past month, so we shall risk the future in take of cash and order four or five. Baseball and football stories are their favorite sports.

The fiction forecast for September has some fascinating advertisements in the fall catalogues, but we do not have many adult fiction readers since the families who worked at the airport moved. Perhaps every body will have more leisure this fall.

4-H Clubs Take Lead In Rural Recreation

The importance of providing recreation for the leisure hours farm folks have these days has become one of the major concerns of thousands of 4-H Club leaders and members. During the past three years, a plan has been worked out whereby adults and youth interested in directing recreational activities in their clubs and communities can take a special course set up for this purpose. This training and club participation has been brought about through the National 4-H Recreation and Rural Arts program now in full swing in Texas. Sponsor of the program, U. S. Rubber Company, is providing about \$29,000 for leader training clinics, club and individual awards.

Last year more than 10,200 young people and 6,400 adults attended these clinics. They receive instruction in group singing, dancing, games, sports, dramatics, handicrafts and many other activities.

While they are having fun, the 4-H'ers are also working hard to make a good showing for themselves and their club. To encourage these endeavors, U. S. Rubber presents merit certificates to clubs and members; \$25 cash awards to counties; and Chicago 4-H Club Congress trips to eight national champions.

The 1949 State honors went to Patsie Elizabeth Scales, of Brownfield. Cash awards were won by 23 counties. The money is used for recreational equipment. Recognition cards were given to

1565 members. At present the program is being conducted in 47 states under the supervision of the Cooperative Extension Service.

Tests Prove Up Gasoline's Mileage

Present-day gasoline contains more miles per gallon than the average motorist is getting out of it, recent tests made by one oil company show. Driving carefully checked factory model cars over a 751-mile run with every imaginable road condition, 31 amateur drivers averaged 22.07 miles per gallon at an average speed of 41 1/2 miles per hour. The best performing stock car achieved 26 1/2 miles per gallon. By such tests and examinations the oil industry strives constantly to boost operating economy for all motorists.
