CLARENDON, DONLEY COUNTY, TEXAS, JANUARY 5, 1950

A Common Paper for Common People

**SNORKEL (BREATHING DEVICE) ON GERMAN SUBMARINE**—This breathing device was used by the Germans in latter stages of World War II, permitting their submarines to patrol continuously submerged. Diesel gases are exhausted and fresh air received via an opening above the "float valve" near the top of the snorkel. The wire mesh encasement was intended to reduce possibility of radar detection. At the right is the periscope, shown extended.

### Don't Forget To Pay Your Poll Tax

Tax officials at the court house are kinda getting perturbed over the slow business in regard to issuing poll tax receipts. Only about 400 out of a possible 2,000 have been issued and this is general election year coming up.

They are reminding a number of people who paid their taxes early and who did not get their poll tax receipts on account of the pending constitutional amendment, to be sure and check up and come on in if they want to vote this year. Your poll tax is not added in with your taxes this year and you will have to request them when you pay your taxes, they added.

You never can tell; your best friend may decide to run for some office and you would feel bad not having the right to vote. Pay your poll tax now and avoid the last minute rush.

### Local FFA Chapter To Be Represented At Houston Show

**HOUSTON, TEX.**—The Clarendon Future Farmer Chapter will be an exhibitor at the 1950 Houston Fat Stock Show and Livestock Exposition, February 1 thru 12, in Sam Houston Coliseum. The entry, one of the first from Donley County will consist of three fat steers, nine head of swine and three fat lambs.

Exhibitors in the sheep, hog and cattle divisions will be competing for more than \$45,000 in prizes and, if competing in the fat market show, will be going after top money paid at Houston auctions.

Total number of entries for all divisions at the 1949 show was 2,292 and show officials expect entries for the 1950 event to exceed 10,000.

### INDONESIA BECOMES REPUBLIC

**LAKE SUCCESS, N. Y.**—At United Nations headquarters, UN secretary general Trygve Lie, (left), accepts note from Dr. H. Riemers, Netherlands representative, confirming the Netherlands action transferring sovereignty to the newly-formed United States of Indonesia. In Amsterdam Queen Juliana proclaimed independence for 77,000,000 Indonesians, thus ending 300 years of Dutch rule.

### Official Family Vacancy Filled

**CHILDRESS, Dec. 31**—Gov. Alan Shivers tonight announced appointment of Childress County Attorney Allen Harp as district attorney of the 100th judicial district. Harp will fill the position left

ALLEN HARP

vacant by the resignation of Leonard King, who was serving his second term as district attorney. Mr. King became ill while engaged in prosecution of a case at Panhandle on Oct. 20. He had been in Veterans Hospital in Amarillo until a week ago when he returned to his home in Childress.

King was born in Collin County and has lived in Childress County since his boyhood. He served a partial term as county attorney and four years as county judge before being elected D.A. During World War II he was an enlisted man, serving in the Army in the Pacific theater.

Harp was born at Kirkland in Childress County and was graduated from Kirkland High School and Abilene Christian College. Before beginning the practice of law he was court reporter for the 100th Judicial District for six years. He represented the 121st district in the 46th Texas Legislature.

During the war he served as a private in the Army, later as a junior officer in the Navy. He saw duty as a gunnery officer. The new district attorney expects to announce his candidacy for the regular elective term within the next week.

### Another Test Well Being Drilled Near Goodnight

The Cities Service Oil Corporation is drilling another test well just outside of Donley County on the J. D. Swift ranch about 4 miles northeast of Goodnight. Drilling equipment was moved in several days ago and it has been reported that the hole is now around the 1,500 ft mark. The actual contract depth of the well could not be learned but it has been presumed that the test hole will be drilled to around 5,000 feet or granite.

### Three Announce For Political Offices This Week

Three candidates for county offices were in this week to make their formal announcements for two different county jobs. Walker Lane announced for re-election as clerk and Mrs. A. G. Lane and Mrs. Tom Crabtree both announced for the treasurer office. Mrs. Crabtree announced for re-election.

Other candidates are getting ready to come out with their announcements and several new candidates for the various positions are being discussed more frequently.

State politics are beginning to warm up considerably and a big year with numerous candidates is expected all the way around.

### Clarendon Cage Teams Defeated By Lelia Lake

The Clarendon girls lost a tight game to the Lelia Lake girls in the final two minutes of play last Friday night. They trailed by two points at the end of the first quarter and had a tie score of 10-10 at the half. They came back in the third period of play to lead by 20-14. Then with five minutes to play Lelia Lake tied the score at 20-20. Lelia Lake girls then sank 3 free throws to lead by 20-23. Then with three minutes to play Nellie Jon Heathington and Margie Phillips sank free throws to hold the score to 22-23. A final field goal by Lelia Lake ended the game at 22-25. Glenda Filley was fouled off in the fourth quarter and Frankie Wilson left the game with only 5 seconds to play. Venita Phillips had a run away in the scoring department with 15 of the 22 points to her credit. Seago and Butler led the opposing team with 10 and 9 points respectively.

Billy White, Bluebird center, led his Lelia Lake team to victory over the Clarendon Broncho squad. The Bronchos trailed throughout the game and were finally defeated by a score of 15-31. Johnny English, captain for the night, made a good showing by sinking 100% of his free throws for a total of 6 points. A field goal by Johnny also won him high point honors. Aris Mooring played a speedy defensive game and helped the scoring with 3 points. Wilson Lane scored with a field goal and a free shot, but was fouled off in the fourth quarter. Rodney Youree scored the other point with a free throw. The absence of Jimmy Jenkins and Bill Jack Cornell was noticed by everyone.

The Clarendon teams have been working over time to get ready for the Childress Tournament. No absences are expected at that time and they are determined to break this losing streak and get back into the top bracket.

### Turkey Steak Demonstration January 24th

County Agent H. M. Breedlove announced this morning that a demonstration would be held on the twenty-fourth of January at the Veterans vocational building at Hedley on the making of turkey steaks. Five turkeys will be worked into steaks during the day. The exact time for the start of the demonstration will be given next week in the Leader, and every one is invited to attend.

Mr. F. Z. Beanblossom, poultry specialist for the Texas A&M College Extension service will give the actual working of turkeys into steaks.

Breedlove says that farmers in the Hedley community have requested the information as quite a few of them plan to market some of their turkeys in the form of prepared steaks. Mr. Beanblossom will have all necessary equipment with him and lecture on growing and feeding of turkeys in advance of the turkey steak demonstration.

Turkey steaks are fast becoming a very important factor in the marketing of turkeys and gives the local turkey producer a much higher price for his turkeys than selling them on foot. Do not forget the date of the demonstration and the exact time of the beginning of the demonstration will be given next week after Mr. Beanblossom advises Breedlove on the hour of his arrival to Donley County. Everyone is invited who is growing turkeys now or interested in the growing of turkeys in the future.

State politics are beginning to warm up considerably and a big year with numerous candidates is expected all the way around.

State politics are beginning to warm up considerably and a big year with numerous candidates is expected all the way around.

### First Blue Norther Blows In Tuesday

The first blue norther of the season blew in about 10:30 Tuesday morning to send the mercury tumbling within minutes, in fact almost seconds. At 9:30 the mercury was sitting on an almost balmy 55.8; one hour later it was 38.8 and by 11:30 it was 27.7. From then on it dropped on the average of 2 degrees an hour until 7:30 p. m. At 7 a. m. Wednesday morning it had finally settled down on a frigid 4 degrees above zero. This was a fifty degree drop from the previous morning. Only a trace of moisture in the form of fine snow accompanied the spell.

Practically everyone was in hopes that a considerable amount of moisture would come along either preceding the norther or with it as the wheat is suffering considerably at this time.

This bad weather blew in almost at the same time as the big sleet storm last year. Most of you will recall the sleet started falling January 9, 1949 and continued for several days. The moisture was really appreciated at that time and a repeat would be welcome again this year. The worst part of the present cold spell went to the east and to the south of us as far as moisture was concerned. Sleet and freezing rain was experienced throughout the central part of the state and the valley caught the tail end of the storm last night. Severe ice storms have been reported from Missouri and other states in that area. Our temperature here wasn't so bad either, compared with the 50 below degrees along the Canadian border in Montana and the Dakotas.

### District Court Opens Today

Judge Luther Gribble was due here this morning to open District Court with 12 cases on the docket. The newly appointed District Attorney, Allen Harp, will take up his new duties when the court convenes.

Sheriff Guy Wright reported that the cases appearing before Judge Gribble today would be those cases where the parties charged would plead guilty and not ask for a jury trial.

The cases coming up which will require a jury will be tried the week beginning January 16, the sheriff added.

### LOCAL POST OFFICE SETS NEW RECORD

December receipts in the Clarendon post office set a new all time high with a gross of \$3,115.03 showing a gain over the same period in 1948 of \$429.26.

The best record up to this time was December of 1943 with receipts of \$2,860.67.

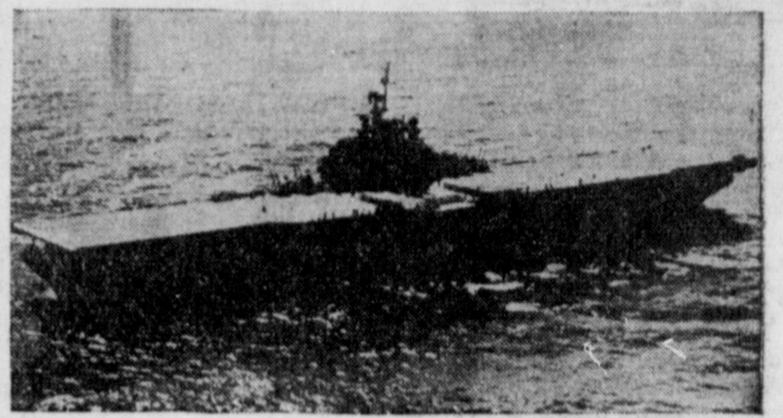

Several days during the rush period more than four thousand Christmas cards were mailed daily by local patrons.

The most strenuous work of the Christmas period was in handling the packages. Many times, Postmaster J. C. Estlack stated today, Andy Robertson, who hauls the mail sacks from the depot to the post office, was forced to make two trips. The package burdened sacks off the morning train would be piled high on Robertson's truck for each of the two trips. This never happened before in the history of the local post office, it is said.

### C-C Event of The Year Tonight

One of the largest banquet crowds of the year is expected tonight at the Annual Chamber of Commerce and Lions Club gathering at the Lions Club Hall. A varied program is in store for those attending. John B. Honts of Ft. Worth will make the main address and Carl Allmond will be the master of ceremonies. The new officers for the Chamber of Commerce will be installed and the Lions Club has an extra bit on the program. It is also ladies night for both organizations. A number of out-of-town guests are expected for the occasion.

### U. S. CARRIER TO GO TO FORMOSA

**WASHINGTON, D. C.**—The USS aircraft carrier Boxer has been ordered to join the Seventh task fleet patrolling the waters around Communist threatened island of Formosa, where the Chinese Nationalists have their headquarters. Two destroyers will accompany the carrier.

### Local Boxers To Go To Shamrock Friday Night

The first boxing event of the year for the Clarendon Boxing team will take place this Friday night at Shamrock. Coach Moore reported that his boys were whipping up in good shape for the bout and should win their share of the decisions.

Members of the boxing team expected to make the trip are: Hubert Heatherly, Spud Edens, Donald Adams, Jack Moore, Gordon Moore, Don Moore, Clyde Morgan, Carl Morgan, Max Stavenghan, Gerald Mulanax, Charles Stafford, Leon Mulanax, Jerry Moore, Leldon McBrayer, Joe Shadle, Fred Molesworth, Cotton Lettew, Jack Trussell and Travis Mulanax.

### WES IZZARD TO SPEAK AT COLLEGE AUDITORIUM JANUARY 19

The United Council of Church Women will have Mr. Wes Izzard as guest speaker January 19th. Everyone is cordially invited and is asked to make a note of the date.

### Boxing Schedule Announced

Although the Clarendon boxing schedule is still incomplete, a number of boxing fans have been wanting to know what to expect along this line, so Coach Moore has released the following schedule as it now stands. A complete schedule with other additional matches will be announced just as soon as word can be received, he stated.

January 6—Shamrock, there  
January 20—Shamrock, here  
January 27—LeFors, there  
January 31—Panhandle, here  
February 10—LeFors, here  
February 13—Wellington, there  
February 24—Quail, here  
March 14—Quail, there  
March 21—Wellington, here.

It has been understood also that the team from Abilene will visit Clarendon sometime during the boxing season. This is an annual event that local fans all look forward to.

### Rexall Drug Changes Ownership This Week

In an advertisement in this issue of the Leader, Frank Blair and Bob Moss are announcing the purchase of the drug store interests of Joe Goldston, Rolfe Brumley and J. M. Johnson in the Rexall Drug. Mr. Blair has been with the Rexall for several months and Mr. Moss, at the present time is at Austin. He plans to join the firm actively the first of February. The change in ownership became effective January 1, 1950.

Mr. Blair announced that the store name would be changed to Blair and Moss Pharmacy. The Goldston & Brumley Jewelry will remain under the same management as in the past as a separate business, he added.

Mr. Moss' family consists of his wife and young son, Robert. Mrs. Moss will be remembered as the former Eloise Hill, daughter of Mrs. Lee Holland.

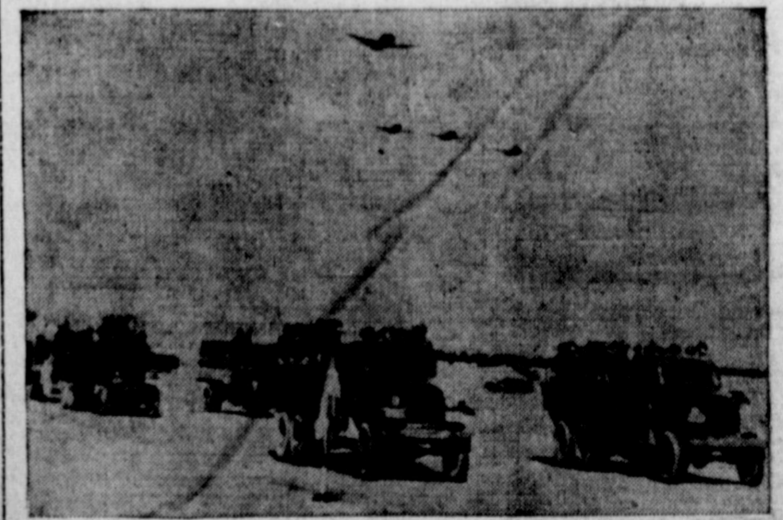

Mr. Blair stated that the store policies would remain as those of the past, wherein service for the sick and a friendly drug store will be emphasized. "We will continue the Rexall line of merchandise although the store name has been changed," he added.

### Bank Deposits Show Increase Over Year Ago

According to figures in the condensed financial statements of the three local banks in this issue of the Leader, deposits are up \$341,472.90 over the bank call which was issued one year ago at the same time. The total amount on deposit at the three banks on December 31, 1949 was \$5,927,976.73. This is said to be the all time high for the three local banks at the time of an official bank call.

With the increase in deposits the three local banks show an increase in the loan side of the ledger with an increase of \$146,533.22 over the amount registered a year ago. The total loans at the time of the present call were \$1,495,807.30.

### U. S. ARMS AID IRAN

**TEHERAN, IRAN**—American troop-carrying trucks and anti-aircraft units are shown taking part in military review. The troops wear American-type helmets and carry American weapons. The recent visit of the Shah to the United States may result in still more military help for this oil-soaked country which occupies the hot-spot in the middle east.

Mr. and Mrs. D. R. Koontz and family spent Sunday with Mr. and Mrs. Seth Swinney of Clarendon.

**ORDINANCE SETTING OUT PARKING ZONES, SETTING UP PENALTIES, DECLARING AN EMERGENCY.**

Be it ordained by the City Commission of the City of Clarendon, as follows:

**SECTION 1. PARKING ZONE:** The following shall be and is hereby declared to constitute a twenty minute parking zone: Beginning at the north-east corner of Block 7 in the City of Clarendon according to the recorded map or plat thereof, and extending south along said block to a point parallel with the southern boundary line of the building known as Post Office Building. Said parking zone to be painted yellow with black letters indicating a twenty minute parking zone.

**SECTION 2. PENALTIES:** Any person, firm, or corporation parking car, automobile, or other vehicle in above described zone, for a period of time in excess of twenty minutes shall be deemed guilty of a misdemeanor, and shall upon conviction thereof be fined in any sum, not to exceed \$50.00.

**SECTION 3. EMERGENCY:** It is hereby declared that an emergency exists due to traffic congestion, around the Post Office Building, which creates a public, and imperative necessity that the rule requiring reading of ordinance on 3 separate occasions be dispensed with, and that this ordinance become effective upon reading and passing hereof and publishing as required by law.

Passed and approved this the 3rd day of January, 1950.

(Cor. Seal) Joe F. Jones, Mayor

Attest:  
 Mae Shaver  
 City Secretary

Mr. and Mrs. G. A. Anderson have been on the sick list but both are much better now.

**CITY-COUNTY LIBRARY NOTES**

By May L. Prewitt

A few of the books ordered have arrived, but not half enough to supply the demand. Our patrons read too rapidly, as a new shipment is soon completed. It is necessary we complete a few series, and replace others. In this way the Sue Barton Nurse Books are now completed as Sue Barton Superintendent of Nurses, and Sue Barton Neighborhood Nurse were received for the girls. This last mentioned has just been published. Two gift books from the McClasky children were exceptionally useful—"Mrs. Duck and the Milkman" (and I must say it is the cleverest tiny toy book I almost ever saw) was one, and the other is "Bed Time Stories", a little golden book that we did not have. For adult readers we received

"The Way West" by A. B. Guthrie Jr., author of the "Big Sky"—It seems an assured fact that with the work of A. B. Guthrie the pioneer West has found its own novelist. Van Wyck Mason's new book is "Dardanelles Derelict"—a Major North Story. It is a World War II story that will fascinate those patrons who thoroughly enjoy Van Wyck Mason. "Prince of Egypt" by Dorothy Clarke Wilson is a story of mighty adventure in history's most fabulous age. The Empire of the Pharaohs in Egypt over 3,000 years ago. The Prince is Moses—not the bearded patriarch who was later to serve Yahweh and his out cast people in the wilderness, but Moses the young man, every inch the Egyptian nobleman he had been reared to be. The "Autobiography of Will Rogers" edited by Donald Day was given to the Library in memory of Mr. Charlie Johnson. This book is being reviewed by quite a few women who make Book Reviewing a profession. "Frontier Justice" by Wayne Gard was

given in memory of Mrs. Cleo Keys. It covers the period from 1836 to the close of the century, including the gold rush to California, the Wyoming Cattle wars, the gallant fights of the Texas Rangers for law and order and various other events. Mrs. Tom Roberts sent us several books of assorted classification. The little Houdashell boy gave us "Red Ryder." We have ample space for quite a few new books. Fiction of the early part of the century is not read extensively except by a few elderly patrons. Everybody enjoys a recently written book regardless of the setting being back in the periods of the crusades. Suppress the terms and style is modern. Our visitors this week from the various universities have been enjoyed, also a visit from a friend who is Librarian of Public and School Library at Edinburg, Texas—the one Library is used by all. These visitors all appreciate our new location. Donley County Leader, \$2.50 year

**MARTIN**  
Mrs. J. H. Helton  
Bro. Phillips preached both Sunday morning and evening services at Martin. We had several visitors at Sunday school and church Sunday morning. They were Billy Jack Talley of Martin and Arleta Hayes of Memphis, Neta Heath and Jim Guy of Clarendon, Mrs. O. T. Norton, Loyde and Linda of Pampa. There were 37 present for Sunday school. Mr. and Mrs. Guy Sibley and girls, Mr. and Mrs. W. L. Barker visited over the weekend in Lubbock with Mr. and Mrs. Vaughn. Mr. and Mrs. Ben Kyser and Clyde Davis spent Thursday thru Sunday visiting relatives in Rockwall, Dallas and Ft. Worth. Visitors in the W. G. Tims home Sunday night were Mr. and Mrs. Homer Morgan, Mr. and Mrs. Wilson Morgan, Mr. and Mrs. J. C. Maddock, Mrs. W. B. Mor-

gan of Hedley, Mr. and Mrs. Guy Morgan of Wichita Falls. Robbie Lee Tims of Littlefield spent Monday and Tuesday with Nelda Tims. Mr. and Mrs. T. B. Nelson and children visited Mr. and Mrs. A. W. Hill at Clarendon Sunday. Mr. and Mrs. W. G. Tims and Nelda spent Sunday with the O. H. Elliotts. Earl Brown, Malcom Mills of Amarillo and Harris Brown spent Sunday with the Ross Browns. Mrs. W. L. Jordan is visiting her parents, Mr. and Mrs. Wood at Fordice, Ark. the past week. Mrs. O. T. Norton of Pampa is staying with her father, Mr. W. L. Jordan while her mother is in Arkansas. Visitors in the home of Mary Cannon Wednesday afternoon were Lucille Dale, Juanelle Stevenson, Neal Davis, Jan and Myrne McDonald. Mr. and Mrs. J. V. Hollingsworth of Amarillo visited in the home of Mrs. Robert Davis Friday.

Mrs. Arlie Wood. Mrs. John Hansard and Judy of Stillwater, Okla. spent last week here with her parents, Mr. and Mrs. J. E. White. Mr. and Mrs. E. L. Hammitt of Amarillo visited Mr. and Mrs. Rice Batson Thursday afternoon. Sam King of Wichita Falls left Sunday after spending the holidays here with his parents, Mr. and Mrs. H. R. King. Mr. and Mrs. Lamar Aten, L. D. and Wayne spent last weekend in Hereford with Mr. and Mrs. Glenn Rutter. Mr. and Mrs. Lester Myers spent Saturday night and Sunday in Clovis, New Mexico as guests of Mr. and Mrs. Wiley Reynolds. They were accompanied home by Misses Adell Fox and Josephine Mills, who spent last week with Charlie Reynolds. Misses Mary Dell and Emma Katherine Holland of Groom visited Mr. and Mrs. Sid Pointer last week. Mr. and Mrs. Murphy Brock returned last Tuesday from a holiday visit with relatives in Ark. Miss Wanda Floyd of Borger spent last week with her grandparents, Mr. and Mrs. W. W. Jones. Mr. and Mrs. Quinn Aten were hosts to members of the Batson family in their home last Thursday evening. After games of 42, refreshments were served to: Mr. and Mrs. Brice Webster, Mr. and Mrs. Gus Rasco and Jerry all of Memphis, Mr. and Mrs. J. R. Williams and Sharon of Canyon, Mr. and Mrs. David Hudgins and sons of Lesley, Mr. and Mrs. Sam Roberts, Mr. and Mrs. D. E. Leathers and Johnny, Mr. and Mrs. Rice Batson, the hosts Mr. and Mrs. Aten and Shirley. Mr. and Mrs. Ed Morton, who are to move to Hedley soon, were honored guests in the home of Mr. and Mrs. M. G. Cottingham last

Friday evening when the Cottingshams entertained a number of friends. Those to enjoy games of 42 and lovely refreshments were: the honorees, Mr. and Mrs. Morton, Mr. and Mrs. Bryson of Clarendon, Mr. and Mrs. W. W. Jones, Mr. and Mrs. John Gerner, Mr. and Mrs. H. R. King, and the hosts, Mr. and Mrs. Cottingham.

**SOCIAL SECURITY NEWS**

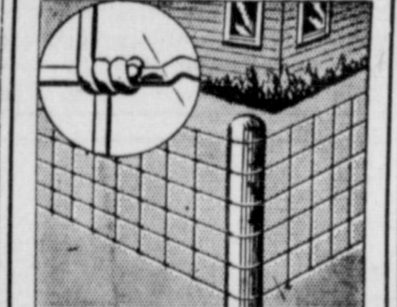

Numerous inquiries at the Amarillo Social Security Field Office indicate that there is considerable confusion concerning the new schedule of social security taxes, according to John R. Sanderson, Manager of that office. The new tax rate, effective with the first payroll in 1950, calls for 1½% taxes on both employers and employees, he says. This rate will not apply to the social security return to be filed in January, since that return covers only wages paid in the last three months of 1949. The amendment calling for this increase in rates was passed about two years ago, and has no connection with the bill now before Congress relating to extension of the Social Security program and the proposed increase in benefits under that law. Those wishing further information on this or any other Social Security matter are invited to meet a representative of the Amarillo Field Office at the Department of Public Welfare Office, in Clarendon at the Courthouse, at 9:15 on the second and fourth Tuesdays of each month.

**OUR DEMOCRACY** — by Mat  
— AS GOES THE CENSUS —

AMERICAN COLONISTS STAGED THE BOSTON TEA PARTY, IN 1773, IN REVOLT AGAINST TAXATION WITHOUT REPRESENTATION.

LATER, DRAWING UP THE CONSTITUTION, OUR FOUNDING FATHERS GUARANTEED US THE REPRESENTATIVE CHARACTER OF OUR GOVERNMENT BY DECREETING THAT THE NUMBER OF REPRESENTATIVES IN CONGRESS FROM EACH STATE SHOULD BE BASED ON THE POPULATION OF THAT STATE — AND CONSTITUTIONAL PROVISION WAS MADE FOR CENSUS-TAKING EVERY TEN YEARS.

IN 1950, OUR COUNTRY'S SEVENTEENTH CENSUS WILL BE TAKEN — CARRYING OUT THIS CONSTITUTIONAL DIRECTIVE, REAFFIRMING THE REPRESENTATIVE CHARACTER OF OUR GOVERNMENT.

**No Farm Depression Scheduled In 1950**

COLLEGE STATION—The net income of Texas farmers and ranchmen, on the average, should be good again next year, says Tyrus R. Timm, extension economist of Texas A&M College.

In the first place, he says, net farm income is expected to be good in terms of most previous years even if the decline expected in 1950 materializes. This will make the third straight year that farm prices have dropped from the postwar high of 1947. Net farm incomes for 1950 may be down as much as 10 to 12 percent under 1949 if yields are average.

Secondly, he continues, incomes of persons not living on farms and receiving their earnings from business profits, wages, dividends and rents may find their net incomes dropping less than those of farmers—maybe only 5 percent. The expectation that exports will hold up, that business inventories will continue in good shape, that a large volume of savings is still waiting for prices of many post-war products to drop more and the cashing-in of the insurance repayment to veterans amounting to some 2.8 billions of dollars are the dominant factors in the general outlook.

A third consideration, says Timm, is that the level of farm profits in 1950 likely would be much lower were it not for the strong government assistance in providing dollars for foreign countries to buy our products. And to a lesser extent by supporting the prices of some farm products sold in this country. Timm points out that part of the profits at least for 1950 have a risky foundation and much depends upon the continuation of government assistance.

The cost of farming is likely to decrease less than total farm income, says Timm, and that means lower farm profits. Total farm production is expected to continue at or near record level and this means it will be between 35 and 40 percent above the pre-war level.

Profit opportunities for livestock look better than those for crops, generally speaking, says Timm. The supply-demand ratio for livestock is more favorable to the producer. Yet, prices of livestock could drop more than those of major crops since some current livestock prices are considerably above parity and for cattle, as an example, presently no government support prices have been established at any level. By comparison, prices of commodities such as cotton and grain sorghums are hovering near the

government support prices. Although incomes look good again for 1950, farmers and ranchmen should not lose sight of the fact that American agriculture has never come out winner from wartime inflationary periods, says Timm. It has been the same story—after the war of 1812, Civil War, World War I and so far, after World War II—the prices paid farmers have gone down faster and lower and stayed longer than the prices for things the farmers had to buy.

Mrs. C. Huffman is at home after being at DeLeon ten days with her mother, Mrs. P. A. Stone who was seriously ill and passed away Dec. 26.

Mr. and Mrs. Joe Terry returned home Monday from a weekend visit with Mr. and Mrs. John Nichols at Albuquerque, N. M.

### Cutting Horses To Contest At Fat Stock Show

FORT WORTH—The open cutting horse contest at the Southwestern Exposition and Fat Stock Show, Jan. 27 through Feb. 5, will be restricted to 24 entries because of the limited number of stalls available for cutting horses.

Last year there were 53 entries and the number was reduced by preliminary contests. It is anticipated that the original number this year will again be much larger than the limit of 24.

An advantage of this elimination procedure is, of course, that the spectators at the performances of the rodeo and horse show will see only the very best horses.

Judges of the contest will be Orville B. Burtis, Manhattan, Kansas; Frank Daws, Thorckmorton, Texas, and Dink Hull, Childress, Texas — all well-known ranchmen.

The cutting horse contest was inaugurated by the Fort Worth exposition and is now seen at major rodeos over the country.

### Seeing is Believing

**GOOD DRAWING IS CLOSELY RELATED TO GOOD EYES THAT WORK EFFICIENTLY AS A TEAM, GIVING SHARP PERCEPTION AND EXCELLENT THIRD DIMENSIONAL VISION.**

**THOMAS JEFFERSON PAID \$20. FOR 2 PAIRS OF ROUGHLY MADE EYEGLASSES IN 1806, ACCORDING TO THE BETTER VISION INSTITUTE. TODAY'S PRECISELY ACCURATE SINGLE-VISION SPECTACLES CAN BE HAD FOR AN AVERAGE COST OF ABOUT 16 SHRUNKEN DOLLARS.**

**INFORMATION CENTER.... SIGHT PROVIDES US WITH MORE KNOWLEDGE THAN THE OTHER FOUR SENSES COMBINED.**

**YOU TAN MORE QUICKLY IN THE MOUNTAINS BECAUSE LESS OF THE ULTRAVIOLET SUNLIGHT RAYS HAVE BEEN FILTERED OUT THAN IN LOW ALTITUDES.**

The winner here last year, Housekeeper, owned by Robert H. Corbett of Breckenridge, went on through the season to become the top winning cutting horse of the year. The mare is half quarter horse and half thoroughbred and is ridden in the contests by her owner.

The open cutting horse contest of the Stock Show is, as the term implies, open to all horses regardless of sex, color, breeding or past performance. The sole basis in the contest is performance. The open contest is approved by the National Cutting Horse Association as are the cutting classes for registered quarter horses and Palominos. Douglas B. Mitchell, horse show superintendent of the Fat Stock Show, is secretary-treasurer of the Association.

Usually, the cutting horses seen in the contests here are in active duty on a ranch, earning their way and take time off to participate in the competition.

A cutting horse gets his name, of course, from his ability to go into a herd of cattle and "cut" out an animal, then prevent it from returning to the herd, a necessary part of ranch work. The horse must work with a loose rein, maintain the proper balance to move quickly in any direction with very little assistance from the rider, whose chief concern is to stay aboard while his mount is "turning on a dime."

Dinner guests in the home of Mr. and Mrs. G. W. Estlack Friday were Mrs. Faye Scoggins, Glendale, Arizona, Mrs. L. T. Whitlock and Larry of Amarillo and Clarence Bairfield, Clarendon.

Mrs. Stella Hill is visiting her son E. C. Hill in Hereford.

## CONTRACTORS NOTICE OF HIGHWAY CONSTRUCTION

Sealed proposal for construction of metal warehouse at Clarendon, Texas, will be received at the office of the District Engineer of the Texas Highway Department at Amarillo, Texas, until 10:00 A. M. January 20, 1950, and then publicly opened and read.

The minimum wages paid for labor on this project shall be \$1.10 per hour for "Skilled Labor", \$0.80 per hour for "Intermediate Grade Labor" and \$0.60 per hour for "Unskilled Grade Labor". The above minimum wage rates shall govern on this contract. Overtime and holiday work shall be paid for at the regular governing rates, except that all work in excess of forty hours per week shall be paid at the rate of one and one half (1 1/2) times the regular rate.

Plans and specifications are available at the office of James G. Lott, District Engineer, Texas Highway Department, Amarillo, Texas. (47-2c)

## CARD OF THANKS

We would like to thank our many friends of Donley County who so generously contributed to the fund helping pay my expenses in my fight against cancer.  
 Mrs. Virgil Johnson  
 Hedley, Texas  
 Mr. and Mrs. Lester Heathington  
 Mr. and Mrs. Thelbert Pierce

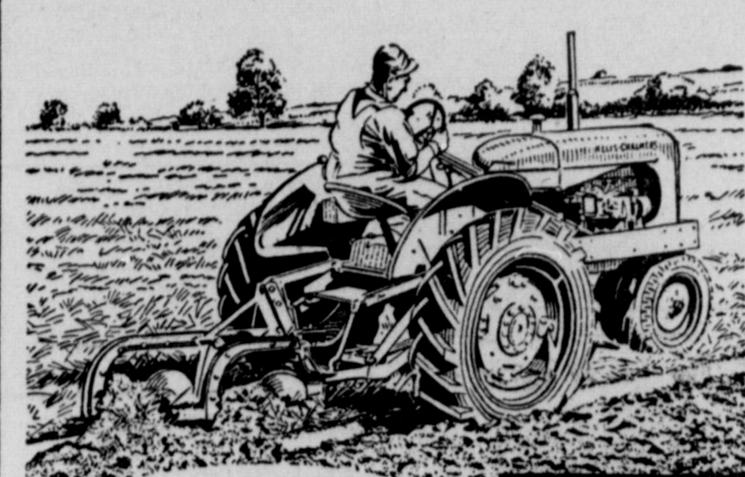

## ANNUAL STOCKHOLDERS MEETING

Notice is hereby given that the Annual Meeting of the stockholders of the Donley County Consumers Frozen Food Lockers of Clarendon, Texas will be held at the Lock Plant on the 10th day of January, 1950 at 7 p. m. for the election of directors and the transaction of such other business as may properly come before the meeting.  
 Fred Russell, Manager.

Mack Miller of Texline visited in the home of Mr. and Mrs. Semrad Monday night.

W. A. Grant of Amarillo, Mrs. Pauline Gray and daughter of Calif. and Mr. and Mrs. Clyde Hudson of Goodnight took new years dinner with Mr. and Mrs. G. R. Grant.

Mr. and Mrs. E. J. Wise and son Winfred Wise and family of Memphis spent New Years day in Amarillo with their daughter Ruby Lee and son Donald Wise and family.

## The New WD TRACTOR with POWER ADJUSTED Wheel Treads

Wheel treads can be adjusted instantly to desired row spacing with engine power.

- 5-WAY HYDRAULIC CONTROL**  
A single touch control lever at steering wheel answers every command of the operator in controlling implements.
- TWO-CLUTCH POWER CONTROL SYSTEM**  
Tractor may be stopped and started without interrupting power-takeoff or hydraulic system.
- 17 NEW FEATURES INCLUDE:**  
New light-pressure foot brakes; hydraulic shock absorber seat; easier steering; new low-pitch muffler; ASAE swinging drawbar.

We can give you full information. Stop in and see us.

**COMING OR GOING...**

**SMARTER THAN EVER...**

**AGAIN THIS YEAR THE BIG VALUE IS DODGE!**

You could pay a thousand dollars more and still not get all the new beauty... extra room... famous ruggedness of this great new Dodge

HERE'S BIGGER VALUE in smart new styling... in ease of handling... in comfort... in sound engineering. And in actual dollars and cents, too, because the big new Dodge costs just a few dollars more than the lowest-priced cars.

Despite its smart, low, graceful lines OUTSIDE, Dodge is higher, wider, longer on the INSIDE to give you the roominess that spells solid comfort... that means extra room for your head, your legs. Less overhang front and rear makes parking and garaging simpler, easier.

See this great new Dodge. Sample the flashing performance of the powerful high-compression "Get-away" Engine... the smoothness of Dodge Fluid Drive. Come in today.

**NEW BIGGER VALUE DODGE**

Just a few dollars more than the lowest-priced cars!

**NEW VALUE!** You'll thrill to the smoothness of Dodge Fluid Drive. Gyro-Matic, to free you from shifting, optional on Coronet models at moderate extra cost.

**BLOCKER MOTOR COMPANY, Clarendon, Texas**

# Greetings

We wish to take this opportunity to extend our gratitude to you --- our many friends and customers --- for your patronage and support of the past year. Also at this time we would like to announce a new management of the Rexall Drug Store beginning January 1, 1950. Frank Blair and Bob Moss have formed a partnership as co-owners and operators to do business as the Blair and Moss Pharmacy. Store policies will remain as those of the past wherein service for the sick and a friendly drug store will be emphasized. The jewelry department will remain under present management.

We look forward to serving you throughout the coming year.

HAPPY NEW YEAR TO ALL

ter of Calif. spent the week end  
with Mr. and Mrs. G. R. Grant.

### To The People Of Donley County:

On October 20th while in the  
trial of a criminal case at Pan-  
handle, I suffered a serious at-  
tack of illness and was immedi-  
ately taken to the Veterans Hos-  
pital at Amarillo and remained  
there until I was released and re-  
turned home at Childress about a  
week ago. I am deeply indebted  
to the court, the county attorneys,  
sheriffs, and other peace officers  
of the district who carried on my  
duties for me during my absence.  
My doctors have advised me  
that it would be detrimental to  
my future health to attempt to re-  
sume he strenuous duties of the  
district attorney's office, which  
duties require long hours and  
much driving between the five  
counties. I do not feel that I  
would be keeping faith with the  
people of the district if I attempt-  
ed to hold the office longer and  
having to depend on others doing  
the work since my doctors have  
advised me that I should not un-  
dertake the responsibility of the  
office for at least several weeks  
and possibly longer. I have, there-  
fore, tendered my resignation as  
district attorney to the governor  
to be effective January 1st.

The greatest satisfaction I shall  
receive for having had the privi-  
lege of serving you as district at-  
torney will not be as much the  
fact that during the three years  
there was only one acquittal, but  
rather the many friends that I  
have made over the district and  
the fact that of all the suspended  
sentences granted during this  
time only one has had to be re-  
voked. I want to again thank all  
of the people for their co-opera-  
tion and for the privilege of hav-  
ing served you as district attorney  
for the past three years.  
Leonard King

**CARD OF THANKS**  
We wish to thank our many  
friends for their kindness and  
sympathy during our time of be-  
reavement, and for the beautiful  
flowers, cards and wires. May  
God's richest blessings be with  
each of you.  
The Family of  
Mrs. P. A. Stone  
(Mrs. Stone is the mother of  
Mrs. C. Huffman.)

**FREEDOM PAYS OFF**  
... FOR YOU

you hear a lot of talk about the advantages of making  
our government socialistic. Don't be fooled. Freedom—  
and that's the American Way—pays off, and here's proof:  
Americans are only 1/16 of the world's population. Yet  
this handful of people produces almost 1/2 of the world's  
goods—mostly for its own enjoyment. What other system  
beats that?

**AMERICANS HAVE MORE—**

<p><b>MORE AUTOMOBILES</b> </p> <p><b>MORE RADIOS</b> </p> <p><b>MORE UNGAGGED RADIO STATIONS</b> </p> <p><b>MORE AND BETTER FOOD</b> </p> <p><b>MORE FREE-SPEAKING NEWSPAPERS</b> </p> <p><b>MORE COMFORTABLE HOMES</b> </p>	<p><b>MORE TELEPHONES</b> </p> <p><b>MORE UNFETTERED CHURCHES</b> </p> <p><b>MORE SCHOOLS</b> </p> <p><b>MORE AND BETTER CLOTHING</b> </p> <p><b>MORE PLACES OF AMUSEMENT</b> </p> <p><b>MORE ELECTRICITY</b> </p>
---	--

**AMERICANS HAVE MORE OF EVERYTHING THAN ANYBODY ELSE!**

Remember that, when you hear tales of the marvels of a  
socialistic government . . . when people urge that our  
government get that way by taking over the electric in-  
dustry, steel, railroads, medicine, and so on and on. Look  
at the record. **AMERICANS HAVE MORE OF EVERYTHING THAN  
ANYBODY ELSE.** Freedom did it, and never forget that. It  
makes a lot of difference to you—and to your family.

### FARM NEWS

From the County PMA Committee

#### 1950 APPROVALS:

The County Committee met Friday, December 30, to discuss the 1950 program. P.M.A. assistance of \$500 was allotted to each person who owns, operates, or has an interest in a farm. Acreage limits were set on practices 5 and 6. Practices 5A and B, subsoiling or chaseling to a depth of 8 inches, were limited to 150 acres per farm; practices 5C and D, subsoiling or chaseling to a depth of 12 inches, were limited to 100 acres per farm. Practice 6A, deep plowing, sandy croplands to a depth of 12 inches, was limited to 125 acres per farm; practice 6B, deep plowing to a depth of 15 inches, was limited to 100 acres per farm; practice 6C, deep plowing to a depth of 18 inches, was limited to 75 acres per farm.

We have already issued some approvals for these practices. Those having approvals are Alton K. Webb, Heckle Stark, Bernard T. McClellan, George D. Hillis, Mack C. DeBord, Dennison F. Cook, and William E. Grimsley. A minimum depth of 8 inches

must be reached before payment can be made on subsoiling. **APPLICATIONS FOR PAYMENT:**

Some of you have not signed your applications for payment or your farm cards. This needs to be done soon so that we can begin work on the applications for payment.

#### ODDS AND ENDS:

Louva Hunt has been visiting the office over the holidays. We were very happy to have her with us.

Mrs. F. G. Crofford will soon be an employee of this office. She will help us while the wheat acreage is being measured.

#### AGRICULTURAL SHORTS:

Conservation depends on farmers getting a fair price for their products as well as keeping the land in condition to produce them.

Some of the world's gravest problems concern the production and distribution of food.

It is estimated that about 18 thousand bales of cotton have been ginned in Donley County. That does not include cotton produced in Donley County but ginned in the surrounding counties.

Donley County Leader, \$2.50 year

**NAVY CELEBRATES ACHIEVEMENT AWARD**—Civilian employees of the Department of the Navy during the calendar year 1948 submitted 38,873 suggestions for time-saving and money-saving improvements, netting annual savings of \$8,818,396 to the taxpayers. Awards to the winners aggregated \$270,688.

Above, left to right—H. J. Rieck, New York, president, National Association of Suggestion Systems; C. J. Orness, head of Suggestion Unit, Industrial Relations, Department of the Navy; Rear Admiral W. McL. Hague, chief, Office of Industrial Relations, and F. W. McMenimen, Newark, N. J., chairman, Committee on Merit Awards, National Association of Suggestion Systems. (U. S. Navy Photo)

#### MRS. TOM CRABTREE ANNOUNCES FOR RE-ELECTION

The Leader has been authorized to announce the candidacy of Mrs. Tom Crabtree for re-election to the office of County Treasurer of Donley County.

"In announcing my candidacy for re-election to this office I wish to thank everyone for all they have done in my behalf in the past and sincerely solicit your support and vote in the coming election this year. I will do my best to see everyone before the first primary in July," Mrs. Crabtree stated.

Billie Lowe is in Austin on business this week.

#### MRS. A. G. LANE ANNOUNCES FOR COUNTY TREASURER OFFICE

In announcing my candidacy for the office of County Treasurer of Donley County, I would like to state that I have been a resident of Clarendon since 1923 and during that time I have never asked for or held any public office of any kind. I feel that I am qualified for the office and if elected will do my best to fulfill the duties of the office to the best interest of the citizens of Donley County.

I earnestly solicit your influence and support during the campaign and your vote at election time. I will make every effort to see everyone before that time.

Mrs. A. G. Lane

#### TO THE CITIZENS OF DONLEY COUNTY:

For the past year I have served as your County and District Clerk and I will request the Democratic Executive Committee to place my name on the official ballot for re-election to this office.

It has been my desire to conduct the affairs of this office in an efficient and business like manner for the best interest of all the people of this county. Your vote and influence in my behalf will be greatly appreciated.

Sincerely,  
Walker Lane

#### Petroleum Recovery Research Being Sadly Overlooked by Oil-State Universities

AUSTIN—Oil-state universities are overlooking petroleum recovery research, Dr. G. H. Fancher, University of Texas petroleum engineering professor, declares.

He terms the policy "penny-wise and pound-foolish" and says 60 million barrels of oil may be left in the ground in the U. S. unless researchers find new secondary recovery means.

"About 2,500 students are studying petroleum engineering in oil-state schools each year," Dr. Fancher declares. "They need the benefit of teaching inspired by research and of obtaining perhaps some research experience themselves to serve better the country in increasing oil recovery."

The Pennsylvania legislature is the only state law-making body appropriating money for either fundamental or applied oil recovery research, except in pitifully inadequate amounts, despite the recognized importance of petroleum production to oil-state economies, he says.

Dr. Fancher reported the research information as a member of the Advisory Committee on Secondary Recovery, set up in 1947 by the Interstate Oil Compact Commission.

The committee is directing a nation-wide research project into secondary oil recovery operations.

Mrs. R. C. Weatherly has returned home after spending the holidays in Houston visiting her son Robt. Weatherly and family. She also visited her brother and family, R. S. Bayless, her 84 year old aunt, Mrs. T. J. Atwood and her uncle, Dr. Harper Johnson who is 93 years old.

Mrs. E. W. Means of Rockport, Texas, Mrs. Bert Bost of Skellytown, Mrs. Virginia Miller of Dallas and Mr. and Mrs. D. T. Smallwood of Brice are with their mother, Mrs. R. L. Smallwood who is seriously ill.

#### Quietest New Years In Long Time

Sheriff Guy Wright reported the quietest New Year's week end in several years here in Donley County this year, and not even one drunk had to be thrown in the jug.

"We were exceptionally fortunate in not having any bad wrecks or other traffic accidents of any kind," he stated. Two minor accidents were reported yesterday but no one was hurt in either accident.

The sheriff stated that the traffic on the highways was about as heavy as usual this year but due to the longer holiday season, seemed to be strung out more and everyone was driving at a more reasonable speed. The only complaint he had to offer was being called out from 12 to 2 a. m. Wednesday morning while the mercury was trying to settle on the zero mark and he said he didn't mind that so much after his car heater warmed up.

Mr. and Mrs. Joe Tom Smith and two daughters of Springfield, Colo. visited his grandmother, Mrs. Monica Harvey and sister, Joyce Smith Tuesday night.

Mr. and Mrs. Carl Morris and baby Nancy spent the Xmas and New Year holidays with his parents, Mr. and Mrs. Cap Morris. They have returned to their home at Austin.

What couldn't the Farm Bureau do if it had 100% membership? (Adv.)

Mr. and Mrs. W. D. Payne and two daughters who spent the Xmas holidays with his parents, Mr. and Mrs. William Payne and brother, Lynn Payne, returned to their home at Grand Junction, Colo. Thursday.

A Common Paper for Common People

## OLD PATHS

By DOYLE WILLIAMS  
Minister Church of Christ

Are you "aliens from the commonwealth of Israel, and strangers from the covenant of promise, having no hope, and without God in the world?" If so, we propose to assist you in arriving at a knowledge of your duty, in order that you may become citizens of God's government on earth—children of God's family—members of Christ's body, the Church—that you may escape the punishment of the damned, and secure for yourselves the favor of God and the bliss of heaven. But while our primary object is to

benefit the alien, it is hoped that a careful reading of our writing will be interesting and profitable to the babes in Christ. They should not regard themselves as fully grown at birth, and therefore cease their investigations; but they should desire and feed upon the sincere milk of the Word, that they may grow to the stature of men and women fully grown in the kingdom and patience of Jesus Christ. Knowledge is one of the adjuncts of faith; "Besides this, giving all diligence, add to your faith virtue, knowledge." 2 Pet. I. 5. "Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the truth. Yea, I think it meet, as long as I am in this tabernacle, to stir you up by putting you in remembrance; knowing that shortly I must put off this my tabernacle." Vers 12-13.

But before we look for the conditions upon which aliens may

secure the favor of the Heavenly Father, it may be well to inquire whether or not there is any thing they can do that will be conducive to this end. There are prominent doctrines taught by those for whose learning and piety we have the most profound respect, which, if true, render it wholly unnecessary, it seems to us, to spend time or labor in instructing the sinner with regard to his duty either to God or man.

That we may place these doctrines properly before the mind of the reader, without any reasonable probability of misrepresenting them, we beg permission to make a few quotations from whence they flow.

"God, from all eternity, did, by the most wise and holy counsel of his own will, freely and unchangeably ordain whatsoever comes to pass." To the same import we have the answer as follows: "God's decrees are the wise, free, and holy act of the counsel of his will, whereby, from all

eternity, he hath, for his own glory, unchangeably fore-ordained whatsoever comes to pass, especially concerning angels and men."

Now, if the doctrine here set forth is true, we think it impossible for man to err. Whatsoever he does, is in keeping with and brought about by God's fore-ordination or decree, and therefore can not be wrong. If he does any thing—it matters not what—whether good or bad—if God has ordained everything, He has ordained that thing. If it comes to pass that a man lies, God has not only ordained that he should lie, but he has unchangeably ordained it. If it comes to pass that a man steals, God has unchangeably ordained that, too. If it comes to pass that man kills his neighbor, God has unchangeably ordained that, also. Continued next week.

Generals Lee and Grant fought on the same side in the Mexican war.

A lot of folks are urging that we try to interest Sen. Grady Hazelwood in running for an office in our federal government. It would be good for our country if he could see his way clear to do so. Grady deserves the promotion. He has won our confidence. He is a practical and wide awake statesman, with a desire to help save his country from the evils of falling asleep; falling asleep to the enchanting tune of Vote For Me My Friend, And Sleep In Security From The Cradle To The Rocking-chair; sung by politicians

who are more interested in the security of their hold on our economy and their jobs than they are in our country's future. Wonder where he would be the most useful to our common interests??

We talk about flying saucers. We hear of the flying cup. It takes our mind off our troubles. Such as coffee going up.

Uncle Jay even belly-aches if I don't fuss at him; you just can't please all the people, even if for a change I should try.

One of my friends, and mind you I said one, don't like poetry. I thought that maybe I had gained a point with him the other day when he admitted: "Oh, it's all right in its place".

Because of the grin on his face I asked where he thought was its place, and then he let me have both barrels; "In the waste-basket." As I have said before it is a good thing we don't all see things alike; if so too many people would have wanted Mama, and I would have had a tough race.

Most folks are wanting something out of Washington; either a hand-out, their taxes lowered, and in some cases both.

Somehow I feel kinda let-down since the holidays; no pep and no energy. Don't even appreciate Mama's cooking like I ought to.

Gotta make some New Years resolutions and don't feel like doing that. Anyway, it is only 352 days until Christmas again. I hope folks will write in and cheer me up again. I guess it was the Christmas mail that had me all pepped up. Write in anyway, and see if it will help my feelings.

From the collection sent in by Mrs. Boone: "I tried to count my friends one day; Since that day I have walked in awe, I stopped my counting in dismay; For stretching far, in long array, Still friends and friends I saw. And then I said all chokingly, And faint with weight of happiness;

Dear God, I pray that I may be, The Woman they think me— nothing less. Oh, let me be until life ends, The woman they think me—these my friends."

The pony express was established between San Francisco and St. Joseph, Missouri on April 3, 1860.

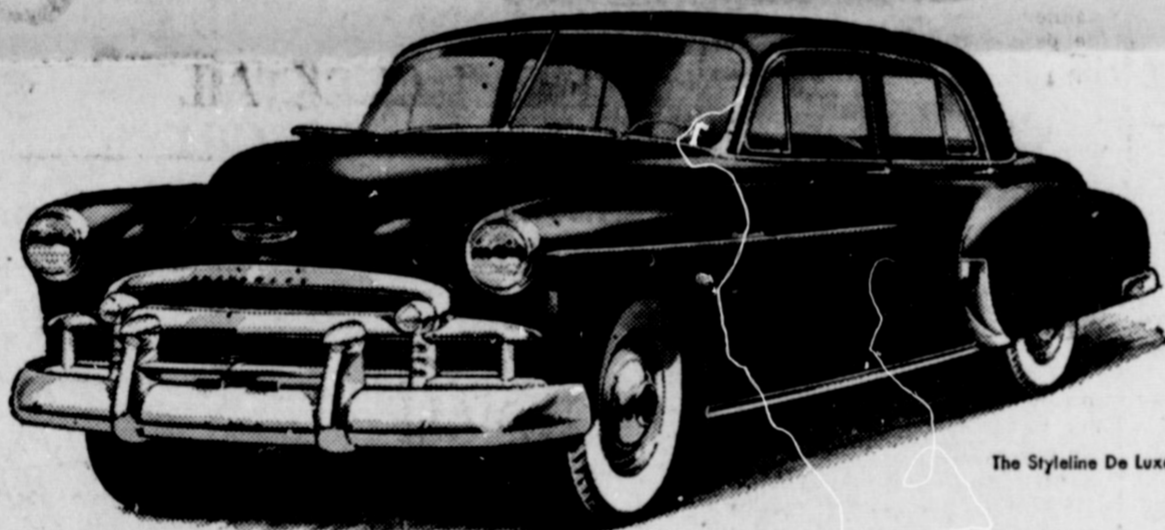

Edward Everett, famous orator, delivered an address two hours long at the Gettysburg dedication.

Millard Fillmore was president when the first bathtub was installed in the White House in 1851.

## On display Saturday— 1950 CHEVROLET

introducing **POWERglide** automatic transmission

Optional on De Luxe Models at Extra Cost

The Styleline De Luxe 4-Door Sedan

### FIRST...and Finest...at Lowest Cost!

Chevrolet for '50 brings you the best of everything at lowest cost . . . greater beauty . . . finer performance with economy . . . outstanding driving ease, comfort and safety!

Here, in Chevrolet for '50, are the finest values the leader has ever offered to the motoring public.

These thrilling new Chevrolets are available in 14 surpassingly beautiful Styleline and Fleetline body-types. They bring you a choice of two great engines and two great drives—the *Automatic Power-Team\** and the *Standard Power-Team*—described

in detail below. And they also bring you quality feature after quality feature of styling, riding comfort, safety and dependability ordinarily associated with higher-priced cars, but found only in Chevrolet at such low prices and with such low cost of operation and upkeep.

Come in. See these superb new Chevrolets for 1950—the smartest, liveliest, most powerful cars in all Chevrolet history—and we believe you'll agree they're **FIRST AND FINEST AT LOWEST COST!**

#### ONLY LOW-PRICED CAR TO OFFER A CHOICE OF STANDARD OR AUTOMATIC DRIVING

##### THE AUTOMATIC POWER-TEAM\*

(Built by Chevrolet—Proved by Chevrolet—Exclusive to Chevrolet)

**NEW POWERGLIDE AUTOMATIC TRANSMISSION**—for finest Automatic Driving (with no clutch pedal—no clutch pushing—no gearshifting). It combines with Chevrolet's new Economy High-Reduction Axle to bring you an entirely new kind of driving . . . low-cost automatic driving that is almost 100% effortless . . . it's the simple, smooth and thrifty automatic transmission. **NEW 105-H.P. VALVE-IN-HEAD ENGINE** (with Power-Jet carburetor and Hydraulic valve-lifters). Here's the most powerful, as well as the most thoroughly proved engine, in the low-price field . . . giving performance extraordinary . . . together with traditional Chevrolet economy in over-all driving.

\*Optional on De Luxe Models at Extra Cost

##### THE STANDARD POWER-TEAM

(Outstanding for Standard Driving Ease

. . . Performance . . . and Economy)

**HIGHLY IMPROVED, MORE POWERFUL VALVE-IN-HEAD ENGINE** (with Power-Jet carburetor and larger exhaust valves). The fine standard Chevrolet engine now made even finer . . . giving you more power, more responsive pickup, greater over-all performance . . . plus the outstanding economy for which Chevrolet has always been noted. **THE FAMOUS SILENT SYNCHRO-MESH TRANSMISSION** (with Extra-Easy Hand-E-Gearshift). Long recognized, by automotive engineers and the motoring public alike, as the pattern of smooth, quiet gear transmissions . . . assuring extremely simple and easy gearshifting . . . in fact, owners say *easiest* car operation, next to automatic driving itself.

THE ANNUAL ADDRESS

The President of the American Farm Bureau Federation

ALLAN B. KLINE

Before the 31st Annual Convention of the American Farm Bureau Federation Chicago, Illinois

December 13, 1949

EDITORS NOTE - Due to its length, the following address by

Allan B. Kline, President of the American Farm Bureau Federation, will be run in serial form until the address has been published in its entirety.

Mr. Chairman, Distinguished Guests, Ladies and Gentlemen: Again it is my privilege to make the annual report as your President. In a few days the twentieth century will pass the halfway mark. It is appropriate to try to figure out where we are, where we seem to be going; and also what we, as a farm group, would like to do in this present, what we desire for the future, and how we may best bring about what we desire.

The previous century was that of the industrial revolution. To be sure, there was Napoleon in the early part of it, and we had a civil war. But as one looks back on that century, what one sees is the extraordinary accomplishments of the industrial revolution.

How is our century to be labeled? Through our joint efforts we can help to answer that question as we think it ought to be answered. So far this is the warring century. Total war has come. The scale has been magnified. Death and destruction are wholesale. Cost? World War II cost infinitely more than all other wars put together. To be sure, there has been unmatched advancement in science and in skill but every achievement has twice focused in an all encompassing convulsion of destruction.

We are in the fifth year since the surrender of Germany and Japan, the second year of the Economic Cooperation Administration, the first year of the Atlantic Pact, the midst of the Cold War. The stupendous shooting war is over but the United States continues unprecedented spending for past wars and for defense. In this year, between 21 and 22 billion dollars will be spent for the Armed Forces, Veterans Administration, Economic Cooperation Administration, The Atlantic Pact.

By comparison, the total direct cost of World War I was \$21.8 billion. The direct cost of the latest war to U. S. alone was \$340 billion and with accruing costs of veterans, interests, etc., is estimated as \$700 billion by 1972.

How will the twentieth century be tagged fifty years from now? Few, indeed, of those alive today are so close to having a free choice as we. We are a powerful, democratic group of free people

in the world's most powerful country. How would we like our century to be known?

As an organization of farmers, our basic wants can be stated simply. Rural prosperity certainly, but not just for itself. Farmers live with nature every day. They live by nature. Unless they follow her laws, they can't make a living. Their philosophy is deeply affected by working with animals and plants, soils and weather. They take a special pride in a good field, a superior crop, or a healthy animal. Farmers likewise know, from sad experience, nature's penalties for poor workmanship or for ignorance, penalties ranging from hog cholera to dust storms. Farmers seek prosperity primarily for what it makes possible. Prosperity we need, certainly, but not to make a million; rather, to improve rural living and to give farmers a chance to improve themselves.

Let us then examine the basis for rural prosperity. First and foremost, it is high production per man and a well-distributed real income in the rest of the economy. There are two fundamental reasons for this fact. In the first place, these non-farm people are most of the people, and they produce our real wages. Farmers no longer live on what they produce; they live on what they can buy with what they get for what they produce. If others are highly productive, fully employed, the stores will be full of goods, and services will be freely available at reasonable prices.

Second, of course, these people are our customers. Recent history has dramatically demonstrated how better diets will result if people have money. This has an

extraordinary effect on the so-called surplus problem. For instance, figures from a study made by Michigan State College show that 1 3/4% increase in the production of livestock using wheat as feed, over the past twenty years, would have eliminated the wheat surplus. Consumers and farmers could both have been happier.

Hadacol Helps Textile Worker Stay On Job

The great textile mills of the Carolinas are booming again with shifts working day and night to turn out the nation's finest materials, and HADACOL is doing its part to keep folks on the job.

Many textile workers have reported the wonderful relief which HADACOL with its five B vitamins and four important minerals. This worker, a young father employed by the great Cannon Mills at Kannapolis, N. C.

Jay W. Barnhardt, Route 3, Box 343, Kannapolis, N. C., is 30 years old and the proud father of two children. His work in the Cannon Mills calls for a great deal of standing up.

"I had been ill for several years," said Mr. Barnhardt as he explained how close he came to having to give up his work. "I suffered with a weak stomach. It became worse and worse with gastric disturbances. I just could not hold food and no food agreed with me. I could not sleep and finally I became so sick that my legs got weak as I worked in the mill each day."

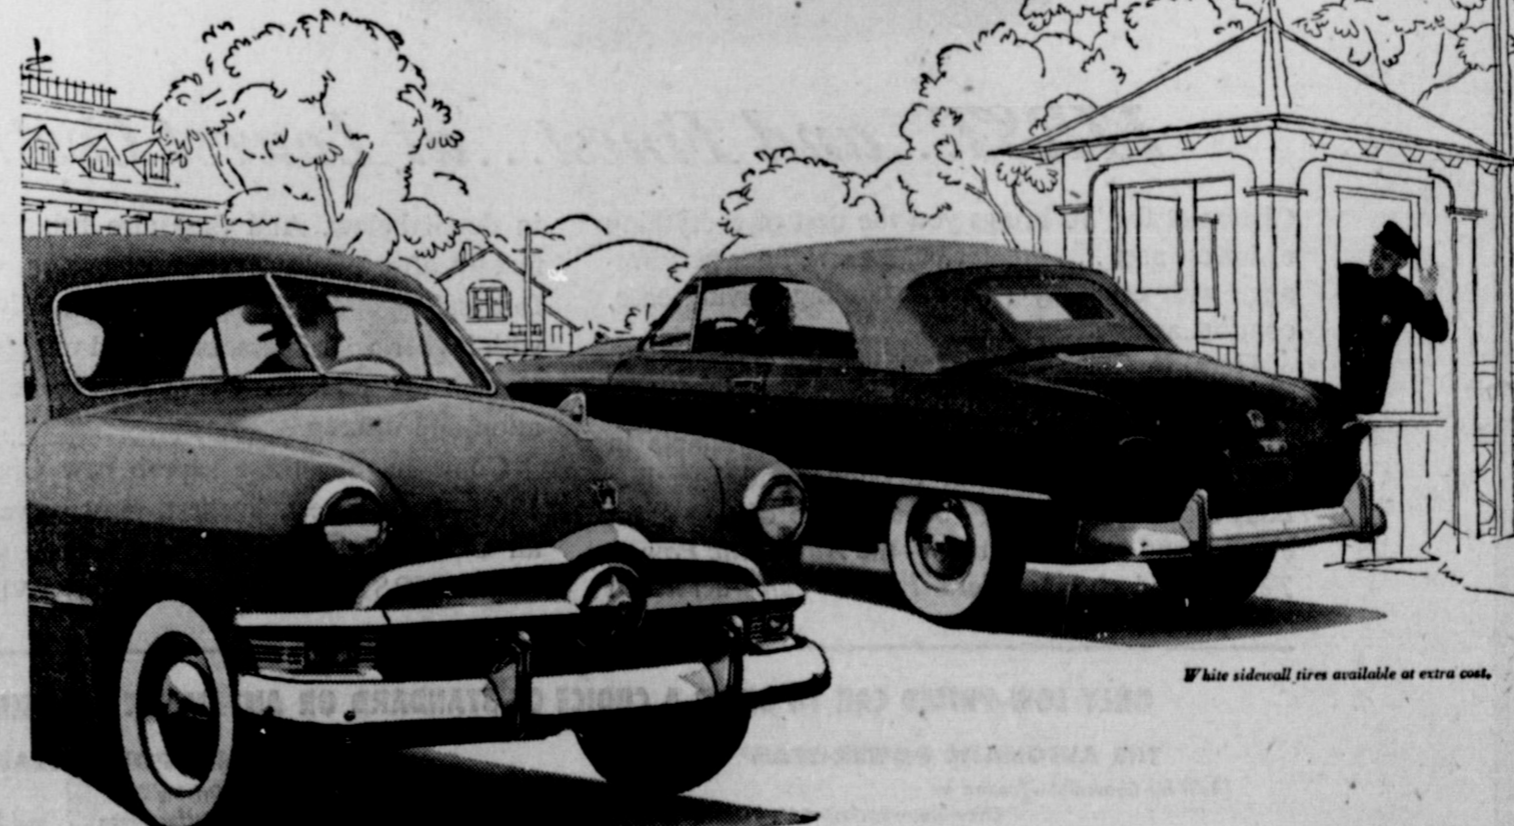

Mr. Barnhardt, like so many sufferers, had tried many preparations without relief, when he heard about HADACOL.

"After the second bottle of HADACOL I began to feel better and to regain the weight I had lost," said Mr. Barnhardt. "My digestion became normal again and today I am as well as ever. My legs no longer bother me. I eat and enjoy my food. I sleep well and have plenty of energy."

Mr. Barnhardt has taken several bottles of HADACOL and now takes the famous vitamin and mineral preparation to help stay well. He has had his wife take it with wonderful results and has recommended it to his friends in the mill.

Mr. Barnhardt suffered from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and mineral, which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

### EIGHTH GRADERS GET GYM PERIOD

A special gym period has been set aside for the eighth grade class, so that they can get special instructions in basketball.

The purpose of this is to train the future basketball players of Lelia Lake. Coach Johnson said that prospects look pretty good.

### NEW YEAR'S EDITORIAL

By Bobbie Seago  
Now the rush of Christmas is over, and we can let our thoughts revolve around the new year. What can I do to make myself a better person for my community, county, state, nation, and God? Yes, it is true that many New Year's resolutions are broken.

You will probably say, "What is the use of making them." Well, I can say this. If you can't keep one resolution, I don't think you are a very trustworthy citizen. When you are thinking about making your resolutions think of one that others, as well as you, will profit by. I am speaking as a school girl only, and I know that everyone of the students in our school need to improve their grades, but most of all we need to strive to secure a proper attitude and good sportsmanship.

### JOHNSON ASKS FOR GOOD SPORTSMANSHIP

This is the welcome address that Coach Craig Johnson gave at the banquet. We enjoyed it very much and hope that you will also.

"This is the third time we have held our annual Christmas banquet. It has become a custom, a very nice custom. We have come tonight to enjoy our many friendships. There is also another reason why we have come, to pay tribute to the birth of Christ. There are many religious beliefs, but, as your coach, I believe I'll say it this way. You can't go wrong if you will follow the code of sportsmanship: Keep the rules.

### BLUEBIRDS - - -

(Continued from page 3, 2nd Sec.) alley, then to the creek, down it, back to the highway, down the side of it for a few hundred feet, then down the middle of the highway until they were stopped. Bobby Hill drove them back to Lelia Lake where the owner was waiting. The wagon had approximately five hundred pounds of combine maize on it when they started. When they stepped Tom Davis said that about half of his feed had been lost. Mr. Davis laughed, got on his

wagon, and started home. **BLUEBIRDS BEWILDERED THROUGHOUT GAME**  
The game's final score between the Lelia Lake Bluebirds and the Samnorwood boys, Tuesday, December 20, was 42-14. The starting lineup was Billy Hill and Bobby Hill as guards; Wilcey White as center; Billy White and Kenneth Wilkinson as forwards. The Samnorwood boys completely ran over the Bluebirds the entire game. The boys could not hit and the crowd was in wonder

the complete game because the Bluebirds were off so. The high point man for the Bluebirds was Billy White, who made a total of 6 points. Dudley Coleman, Samnorwood's high point man, made a total of 12 points. **BRONCHETTES TAKE 25-23 SHELLACING**  
The Lelia Lake girl's basketball team came from behind to win 25-23 over the Clarendon Bronchettes, Friday night, Dec. 30, at the Clarendon gymnasium. The starting line up for the Bluebirds was Bobbie Seago, Shirley Aten and Marilyn Butler as forwards. Margie Tims, Joanne Christal, and Romaine Anderson were guards. The high point girl for the Bronchettes was Venita Phillips by 17 points. Bobbie Seago led out in front for the Bluebirds by 10 points. The Bluebirds have played two conference games and have won them both.

**GIRLS BEATEN BY SAMNORWOOD TEAM**  
The Samnorwood girls basketball team defeated the Lelia Lake Bluebirds Tuesday night, December 20, by a score of 35 to 24. It was a hard fought game all the way. Terry was high point girl for Samnorwood with 16 points. Bobbie Seago was high point girl from Lelia Lake with 9 points. endon's high point man. He made 8 points.

"To answer this question," Col. Garrison said, "we can point to National Safety Council figures which show that the night fatal accident rate per mile of travel is about three times as high as the rate during the day. Since the sun shines only about eight or nine hours a day in December, one can readily see why nearly eight out of ten of the pedestrians, and six out of ten of the motorists, who die in traffic do so during the hours of darkness this month." The Texas Department of Public Safety and the Texas Safety Association also pointed out that the number of traffic fatalities varies more with the number of hours of darkness during the year than with the number of miles traveled. Each of the months having the most darkness—October, November and December—has far more fatalities than July, the month of peak travel. "Treat darkness as you would any dangerous opponent—with caution and suspicion," Col. Garrison warned.

**Scientists Believe Polio Widespread**  
If you are over 15 years of age the chances are four out of five that you have already been infected with the polio virus. This statement—startling as it may seem—is based on prevailing scientific opinion, according to Mr. Keith Bain, chairman of the 1950 Donley County Chapter March of Dimes. In a review of a recent research report from national headquarters, Mr. Bain revealed that March of Dimes scientists came to this conclusion after completing sample surveys to detect polio antibodies in the blood of normal persons. The presence of polio antibodies in the blood result from some previous contact with the polio virus. Fully 80% of normal adults tested showed the presence of polio antibodies in their blood streams. Scientists now believe polio is much more widespread than the actual reported number of cases would indicate. In most of the individuals tested, there was no known previous history of polio. Scientists feel that the majority of these infections were of the unrecognizable, subclinical type which produces no symp-

toms at all or symptoms so mild that they cannot be diagnosed. Scientists believe that these subclinical polio infections are fortunate, inasmuch as it is this type of repeated exposure which can build up strong resistance to the disease. Without such protection, polio would be an even greater tragedy than it now is. He added that more than \$11,000,000 in March of Dimes funds have already been spent in seeking a preventive to the disease and to minimize its crippling after effects. Henry Wadsworth Longfellow is the only American whose bust is in Westminster Abbey in England.

**HOW THE NATION'S MEDICAL DOLLARS ARE DIVIDED**

DRUGS AND PHARMACEUTICALS	24%
PHYSICIAN'S SERVICES	23%
NURSES	3%
MISCELLANEOUS	17%
PRIVATE HOSPITALS AND SANITARIUMS	16%
DENTIST'S SERVICES	14%

**Doctors and Dentists get less than half of them—**  
MOST OF US are under the impression that doctors and dentists receive most of the money spent for medical purposes. As you will see from the above division of the medical dollar, this is far from true. Out of the total national medical bill, 57% of every dollar is spent for drugs, hospitals, nurses and other supplies and services. America's level of health is the highest in the world, but our physicians, dentists, druggists, hospitals, nurses and technicians are constantly striving to make that medical dollar buy MORE health for you. Ask your Doctor about Voluntary Health Insurance.

**BLUEBIRDS BREAK BRONCHOS 31-15**  
The Lelia Lake Bluebirds again defeated the Clarendon Bronchos Friday night, December 30, with a final score of 31 to 15. It was a tight game until the middle of the third quarter. At the half the score was 10 to 8. The starting line up was Kenneth Wilkinson and Billy White as forwards, Wilcey White as center, and Billy Hill and Bobby Hill as guards. The high point man on Lelia Lake's team was Billy White with 21 points. Jerry English was Clarendon's high point man. He made 8 points.

**If You Can't See It, You Can't Dodge It!**  
AUSTIN—"If you can't see it, you can't dodge it!" Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety said today in describing the high rate of after-dark traffic accidents in December. "It's pretty generally known by the public that night driving is far more risky than daytime travel. Just how much more risky, though, is the unanswered question that leads far too many motorists into finding out for themselves," he said. Emphasis is being laid, this month, on the hazards of holiday and night driving by the Texas Department of Public Safety in cooperation with the Texas Safety Association. Alexander the Great was born in Macedonia, died in Babylon, and was buried in Egypt. Slander is oral abuse.

**No wonder they're calling them "TOP CHOICE FOR 'FIFTY'"**

**POWER NEWS WITH A REAL PUNCH!**  
Here's just one part of Buick's three-way power story for 1950—the brand-new F-263 valve-in-head straight-eight. Packing a wallop that makes the SUPER a stand-out performer of the season, here is still higher compression and still greater power in no greater overall size. You'll get this new engine on all SUPER models, in 124 hp with Synchro-Mesh transmission, 128 hp with Dynaflow Drive.

**They're greater in power—higher in compression—a standout in styling—dreams to drive—and now there's a Buick beauty for 1950 to fit practically any budget**

No, we just couldn't hold back the whole big Buick line for 1950. They're too good-looking—too much fun to drive—too jam-packed with stepped-up, higher-compression, ready-to-ramble power—to be kept under cover. So maybe you've already seen some 1950 Buicks on the highway. Maybe you've noticed the extra "git up and travel" they have—glimpes the wide, curving windshields (one piece in most models)—noted, approvingly, that the typical Buick taper is now found in all Buick fenders. Maybe you've even heard some things... That there are more than a dozen-and-a-half models to choose from. That there are three power plants in the Buick line—all of higher compression, all stepped up in power. That all models are big and roomy inside—some rear seats are better than a foot wider than before!—yet in every instance, shorter over-all, so easier to handle, park and garage. Above all, maybe you've heard of exciting news on price... That Dynaflow Drive, for instance—standard on ROADMASTER models, optional on all others—now costs 20% less than on 1949 models.

That in the full line—SPECIAL, SUPER and ROADMASTER series—there is a Buick to fit practically every budget above the very lowest! Pictured above is the 1950 SUPER 4-door Sedan, one of the new Buick body types for 1950. At your Buick dealer's are more actual models, the whole story on others. Hadn't you better see him—right now—and see if you, too, don't find Buick "top choice for 1950"?
