"MOTHER IS A FRESHMAN" TO BE PRESENTED MARCH 23-24th AT COLLEGE AUDITORIUM

"Mother Is a Freshman" will be presented by the Cue and Curtain Club at the College Auditorium on Thursday and Friday evenings, March 23 & 24th.

Fresh originality and sparkling dialogue combine to make this a gay comedy hit. The motion picture based on the same material was one of the most popular and successful.

"I'm a Sophomore," wails Susan (played by Inelle Cox). "How can I have a mother who is a Freshman?" If Susan had known what a sensation her attractive mother, Abby (played by Ladelle Cox) would cause when she hit Poenter College, she would have wailed even harder. Right at the start Abby is met by a "deep freeze" from the dignified college dean, (Sam Patterson) who suspects that the charming young widow's presence at this select girl's college is either a joke or a publicity stunt. However, Abby is serious and works especially hard to learn the required zoology which is her main course and which is taught by the likable professor Daniel Michalis (Joe Dilli). Patsy Estlack, as Clara, Susan's best friend, could teach the Associated Press something about spreading news. Carrie, Sandra Shelton; Helen, Mary Ann Landers; Bunny, Doris Jean Wallace; and Clara, Mary Elmore, as well as Susan and Clara, all have a great crush on the professor; but they resent it when the boys: Bobo, the class president, team captain, a 7 letter man and school editor (Bill Porter); Howie (Joe Ballew) who liberally takes Bunny to the dance and buys her a double Coke with lemon; Jack (Tommy Gattis) who has heretofore been the private property of Helen; and Bill turn their undivided attention upon the new Freshman, Mrs. Abigail Fortitude Abbott. Sylvia (Alice McCrary), whose motto is "all work and no play," likes Abby and honestly believes that colleges are supposed to be educational institutions. Mrs. Miller (Joan Swink) is the overburdened housemother whose responsibility it is to keep students and dean satisfied.

The Cue and Curtain Club presents "Mother Is a Freshman" as its first three-act play and the members hope to play to a full house on Thursday and Friday of next week.

BOX SUPPER FRIDAY NIGHT AT GOLDSTON SCHOOL HOUSE

The Goldston community is having a St. Patrick box supper at the Goldston school house Friday night, March 17th.

Everyone is invited to attend and bring a box or pie to be auctioned off. The money taken in is to be used to repair the school house.

BELGIANS VOTE ON MONARCHY

BRUSSELS, BELGIUM—Princess Josephine Charlotte casts her ballot in the Belgian national election to determine whether her father, King Leopold III, would return to the throne or remain in exile. More than 5,000,000 Belgians voted.

11 Degree Weather Nips Fruit Blooms

Rigid weather which moved into this area early last Saturday morning had its telling effect on most everything in general. It was quite a contrast from the balmy weather experienced here for the past several weeks. According to the weather station at the airport, the mercury dropped to a low of 11 degrees Monday morning and all fruit trees which had got an early start and blossomed out were nipped in the bud along with considerable other vegetation which had been fooled by the same warm weather.

So far Donley County is still doing fairly well as far as the dust storms are concerned. County agent H. M. Breedlove reported some fields blowing and considerable damage in isolated areas. In general we will not be affected much if we get some moisture in the near future and the wind holds up on its furry, he added.

Wellington Boxers Defeat Locals 8-6

The Wellington boxing team retained their winning power last night by defeating the locals eight out of fourteen bouts. Fans witnessed several very good fights and our local boys did exceptionally well against a bunch of youngsters that apparently had considerable more experience.

The results of each of the bouts, naming the Clarendon boxer first in each instance, is listed below:

75 lb.—Larry Hiron dec. by Don Hood.
80 lb.—Jim Carter dec. by Don Scott.
85 lb.—Gordon Moore dec. Billy Branch.
126 lb.—Billy Bob Adams dec. Floyd Hood.
65 lb.—Jack Moore dec. by Smoky Savage.
85 lb.—Weldon Talley dec. by Ray Francis.
138 lb.—Doyle Leffew tko'ed by Bobby McClutchen.
100 lb.—Tommy Blasingame dec. Truman Judd.
80 lb.—Don Moore dec. Gary Phillips.
112 lb.—Chas. Stafford dec. Leslie Sorrels.
112 lb.—Gerald Mulanax ko'ed by Tommy Harris.
132 lb.—Elmer Clements dec. by Bobby Thomas.
105 lb.—Carl Morgan dec. by Dennis Holman.
126 lb.—Jerry Moore dec. Gene Baird.

Bob H. Smith Appointed Census Crew Leader

A full-scale census of the United States is a gigantic undertaking. Such an undertaking as the 17th Decennial Census, which in reality is a combination of three, namely, the Census of Population, and the Census of Housing, is not prepared for or done over-night.

As a result of the market and business dislocations occasioned by World War II, and the unprecedented postwar prosperity, it is particularly appropriate to obtain a new inventory of the Nation's human and material resources.

Naturally, we are primarily interested at this time in the actual taking of the Census in Donley County. Mr. Walter S. Shaller, District Supervisor for the 18th Congressional District which includes our county, advises us that Bob H. Smith of Clarendon has been appointed Crew Leader for our County and will be responsible for the actual enumeration. Mr. Smith is now attending a six day training school in Amarillo, under the Technical Instruction of Mr. James M. Lindsey from the Washington staff of the Bureau of the Census.

Mr. and Mrs. W. E. Hodges left Sunday for Hot Springs, N. M. for baths and rest.

Annual Fireman's Ball Friday Nite

Don't forget to buy your ticket for the Fireman's Ball Friday night, is the important words that the Clarendon Volunteer Firemen are repeating everywhere they go this week. This is the annual St. Patrick's Day affair started by the local firemen last year and they are encouraging everyone to buy a ticket to the dance whether they go or not as the money derived from the dance will be used to buy much needed equipment for the fire department which is, in itself, a greater protection to every citizen who owns possessions that can be destroyed by fire at any moment. The price of the tickets is \$1 per person. The dance will start at 8 p. m. at the Opera House.

Rip Ramsey and his string band from Amarillo will furnish the music. Whether you like to dance or not you will enjoy coming and listening to their music, one fireman stated.

Country Club To Complete Organization

The members of the Clarendon Country Club met Tuesday night and voted that they had sufficient members to go ahead and complete the organization.

There are now approximately 90 members in the Club.

It was voted that a swimming pool forty by eighty feet be built. Several men were put on the committee to receive bids from contractors.

It was also voted to repair the dam across the lake. This dam repair is to be done first before the spring rains come if it can be done at a reasonable cost.

It was also voted to increase the membership to 125. This action was taken after it was decided that the grounds and such a large swimming pool would accommodate this many members.

Also with this many members more money could be used for improvements, and the Club put in top shape the first year. Otherwise improvements other than the swimming pool and the dam cannot be done the first year.

Officers and directors of the Club were not elected. It was decided that such elections not take place until the membership is closed.

Donley Residents Vote To Form Water Compact

A large group of Donley County residents, along with representatives from Collingsworth and Armstrong counties, met at the City Hall Tuesday night to discuss the future aspects of the water rights concerning Salt Fork of Red River and also whether the three counties would join the Red River Water Association which was formed at Quanah last Thursday night.

Local residents voted to form a compact with Armstrong and Collingsworth and after these two counties vote on the issue, it will be voted upon by the three counties whether they will join the above mentioned association.

Water is becoming a greater problem in this section of the country and now is the time to get in there and protect our own rights and have a say-so about the water originating in this section, a spokesman at the meeting declared.

JR. H. D. CLUB TO SPONSOR BAKE SALE SATURDAY

The Jr. Home Demonstration Club will sponsor a bake sale Saturday march 18, beginning at 10 a. m. at the Clarendon Furniture Co. The proceeds from this sale will be used in repairing the Patching Club House, so everyone is urged to come by and make their selection and take a rest from their week end baking.

Red Cross Drive In Full Swing; One-Half Quota Raised

SIMS PARENT TEACHERS WILL MEET TONIGHT

The Sims Parent Teachers Association will hold its monthly meeting Thursday night, March 16th in Jr. High auditorium at 7:00 with fathers and grandparents as special guests.

The program will be given by the three first grades and will start promptly at 7:00.

A special invitation is extended to all fathers and grandparents to be at this meeting.

Services Monday For Mrs. Anna Hatchett

Mrs. Anna Hatchett, 87 years old, died at 5 o'clock Saturday morning at the home of a son, W. N. Martin, 402 Forest, Amarillo, with whom she had been living for the past year.

Mrs. Hatchett was born Sept. 7, 1862, in Aspen Lawn, Va. She came to the Panhandle of Texas with her husband, the late W. A. Martin in 1891. They settled near Old Clarendon, where Mr. Martin was a farmer and rancher.

Mr. Martin died in 1907. Mrs. Hatchett was married to N. W. Hatchett, a retired merchant, in 1905. They lived at Clarendon until Mr. Hatchett's death in 1923.

Following his death, Mrs. Hatchett went to Fort Worth to make her home with a daughter, Mrs. W. S. Webb. She moved to Amarillo about a year ago.

Mrs. Hatchett was a charter member of Clarendon First Christian Church.

She was the mother of nine children, two of whom preceded her in death.

Survivors, other than W. N. Martin and Mrs. Webb, include three other sons, James F. Martin, Navasota, J. B. Martin, San Antonio, and N. G. Martin, Pharr; two other daughters, Mrs. Frank A. Paul, Amarillo, and Mrs. C. E. Redwine, Palo Alto, Cal.; three stepchildren, Ed and C. S. Hatchett, Sr., Amarillo, and Mrs. Oran Spear, Alvord; and eleven grandchildren and six great-grandchildren.

Funeral services were held at 2 o'clock Monday afternoon in Blackburn-Shaw Memorial Chapel at Amarillo. Officiating was Dr. R. C. Snodgrass, pastor of Amarillo First Christian Church. Pallbearers were Frank A. Paul, Jr., E. A. Wheeler, Dr. C. S. Hatchett, Jr., C. A. Stein, Manning Holland and Clarence R. Young.

Burial was made in Citizens Cemetery at Clarendon.

V. F. W. To Sponsor Welcome Signs

According to Leon Riley, Commander of the V.F.W., plans were completed this week for their sponsorship of two and maybe more giant "Scotch-lite" Welcome Boards 36 feet long to be erected at the approaches to the city of Clarendon.

Work will begin this week on the project, and the completion of the boards will be realized within thirty days.

The center one-third of the boards will carry a pictorial illustrating the natural resources of the area, and a welcome from the V.F.W. to tourists and tradesmen. Across the entire base of the boards on the skirts, the cities slogan will be boldly outstanding in "Scotch-lite". These boards will be more outstanding than any in this area of this type it was pointed out.

NEGRO TENOR TO APPEAR ON CONCERT PROGRAM

John Anglin, negro tenor, will appear on the Hall County Concert Association program Sunday March 26th at Memphis. The program will be held at the high school auditorium there at 3 p. m.

RED IS BAD STUFF ANY PLACE

Help us keep the red marks off your paper. If your subscription is expiring, a red mark will appear in the upper left hand top corner of the front page as a gentle reminder. Print paper prices have not come down any. It may be a long time before prices will be reduced. All this paper upon which your Donley County Leader is printed comes from British Columbia in southwest Canada. It is shipped out in blocks or bales by water down the Pacific slope through the Panama Canal to Houston, thence by rail to the Panhandle. There is no other known source of supply. At any rate, please help us to keep your name on the honor roll.

The price of subscription is \$2.50 in the county, and \$3 outside Donley county.

Pampa Boxers To Come Here Tuesday Nite

The Clarendon boxing team will engage the leather slingers from Pampa here at the local gym next Tuesday night, March 21st at 8 p. m.

Coach Ray Moore reported that the boys from Pampa were considered pretty fair but his boys will be ready to tangle with them for the final decision. The card is expected to be in the heavier weight bracket which should create considerable more interest as far as the fans are concerned. Everyone likes to hear that leather pop in a good clean fight.

Reserve tickets will be on sale at the Donley Hotel Monday, so be sure to get your tickets before the best seats are all gone. The crowd is expected to be larger as the boxing season is about through.

Skeltons Buy Bryan Clothing Company

Announcement was made this week of the purchase of Bryan Clothing Company by a partnership composed of W. H. and Durwood Skelton, local wholesale candy distributors. Willard Skelton will manage the new business, it was stated. Willard was formerly employed in the business several years ago and has had several years of experience along this line.

Allen J. Bryan, who has owned and operated the business here for the past 23 years, reported that he would give possession of the business on April 1st. The business will be closed for inventory on March 31st, he added.

Edwin Eanes Located at Estlack Mach'y Co.

It's the Great American Habit

Flipping switches is The Great American Habit. Even children have it. And it's a habit that has given America the world's highest standard of living.

In the home, electric service is just about the smallest item in the budget, what else makes life so easy, so healthy, so comfortable?

In industry, electricity lends the employee the strength of giants. Electric motors multiply his muscular strength by dozens or even by thousands—making it possible for him to produce more, better, faster—to earn more.

Electricity is certainly a vital part of our American life yet, oddly, this country spends less than 2% of its vast income for electric service. Such a bargain in efficiency didn't happen by accident, of course. Business-managed electric industry—progressed and expanded because of investors with faith and vision, employees with skill and experience.

There are still broad fields of electric living yet to be tapped. Business men can do the job better than tax paid bureaucrats. That's always been the secret of America's progress.

West Texas Utilities Company

The Sleep YOU Dream About! THE MIRACLE CUSHION OF AN Airfoam mattress

NO OTHER FOUNDATION looks like this inside. Each spring is joined through the middle by a flexible steel band. The upper part is free to adjust individually to your every move. The lower part acts as a unit, resisting your weight and supporting your body.

Now available for the first time at this new low price \$59.75 Full or twin size.

Here is the luxurious sleeping comfort you have dreamed about. Englander's new mattress of Goodyear's AIRFOAM will gently cushion your body, give you healthful, relaxed sleep. For its millions of tiny air cells are all interconnected to cradle every part of your body, cushion your every move.

GUARANTEED FOR 20 YEARS WHEN USED WITH ENGLANDER'S Red-Line FOUNDATION

The AIRFOAM mattress needs a special foundation to add to its comfort and lengthen its long life. So scientifically matched are they that they are guaranteed against any defects in material or workmanship when both are used together. And both for the price of a conventional mattress and box spring \$119.50

Mr. and Mrs. Earl Barker of Martin spent Monday with Mr. and Mrs. Barker.

Merrylene Waddell spent Saturday night with Doris Webb.

Mr. and Mrs. I. J. Self visited Mr. and Mrs. Barker Saturday night.

CITY-COUNTY LIBRARY NOTES
By May L. Prewitt

Here are some Library notes that may be of interest. The Library of Congress was the first one created by statute for the use of a legislative body in this country. Small collections of law and documentary books existed at the state capitals for legislative use and reference, but the first state library created by law, was established in Pennsylvania in 1816, and New York State Library was founded in 1818—then the others followed in till have these state Libraries. The Smithsonian Institution was established in 1866. It is practically the greatest scientific Library in existence. No national Library can be two large, since it is stored up for the use and reference not of one generation only, but of all generations that are to come.

Our adult book this week is, "Leap Over the Wall," by Monica Baldwin. "It is humorous, intelligent, beautiful in expression and content. Though it is the record of a woman's return to secular life—in wartime England—after twenty-eight years in a convent, it is no expose, no revolt against her church. It is rather the eager yet alarmed rediscovery of the world, for she returned to London like a visitor from the moon. Here is a book of physical and spiritual adventure, with the sound of convent bells and convent plain-song in the background and a gallant and charming heroine. You'll like it."

The awards for the best children's books of 1949 were announced in the last issue of the New York Times Book Review. The Newberry Medal was awarded to Marguerite de Angeli for "The Door In the Wall." It was written and sketched in England, telling of a heroic lame boy of the 13th century. The Caldecott Medal was given Leo Politi for his picture book, "Song of the Swallows." It tells the story of the Mission of San Juan Capistrano from the angle of a small boy who helped to ring the bells, to welcome the swallows back on St. Joseph's Day. We do not possess either book.

CHIROPRACTORS TO MEET AT WICHITA FALLS

Chiropractors from 49 Panhandle, South Plains and West Texas Counties, including Donley County, will gather Sunday, March 19 at 1:30 p. m. at the Holt Hotel in Wichita Falls for a meeting of District 5 of the Texas State Chiropractic Association.

Honor guests at the meeting will be Dr. Harvey H. Kennedy of Longview, president of T.S.C.A., and Dr. Joe Busby of Abilene, member of the State Board of Chiropractic Examiners.

Hospital Books Being Audited

As a routine annual procedure the Hospital Board, the Hospital Staff and the Commissioner Court are having the Hospital books audited by Mr. G. A. Sahli of Amarillo. Any citizen of Donley County who is interested in Mr. Sahli's report may call the Business Manager at the hospital, any member of the Hospital Board or the Commissioners Court after March 15.

KAPPA DANCE

The members of the Kappa Sub-Deb Club were entertained Friday night with a St. Patrick's dance at the Donley County Aviation Club. Hostesses were the following 1949 members: Sandra Bownds, RaNelle Nichols, Doris Smith, Mary Lou Barker, June Star Allred, Nellie Jon Heathington, Joyce Hall and Dorris Knorpp.

Green shamrocks of various sizes and festoons of green and white crepe paper were used for decorations. Favors were miniature Irish flags imprinted with "Erin Go Bragh."

Refreshments of lime punch and green and white shamrock shaped cookies were served to the following: Fanchon Allred, Wayne Lowe, Nancy Bennett, Ray Morris, Nell Bentley, Gene White, Patsy Blair, John Morris, Shirley Brumley, Jimmy Jenkins, Mary Edna Elmore, Millard Word, Lois Marie Hommel, Billy Mix Phillips, Alice McCrary, Billy Carl Pittman, Jean Ballew, Vernon Goldston, Mae Morris, Bob Clifford, Jo Ann Ritter, Fred Moleworth, Doris Jean Wallace, Ralph Nichols, June Star Allred, Drew Christie, Ra Nelle Nichols, Gerald Simms, Dorris Knorpp, Sidney Muse, Sandra Bownds, Jerry Moore, Mary Lou Barker, Jimmy Beard, Joyce Hall, Douglas Wadsworth, Doris Louise Smith, Tommy Morris, Bobby Everett, Tommy Murphy, Edward Sawyer, Charles Bogard, Nelson Christie, and the sponsors, Mr. and Mrs. Rufus White, Mrs. Edna Smith, and Joe Jones.

Mrs. May Hayes who has been visiting with her children in South Texas the past 4 months returned home last week.

CELEBRATES BIRTHDAY

Fifty-two children, grand children, and great grand children gathered in the home of Mr. and Mrs. S. C. Bell, Sunday, March 12, honoring Mr. Bell's 68th birthday. The table was beautifully decorated with a lace cloth, centered with a lovely bouquet of carnations, and an abundance of good things to eat at the noon hour.

The afternoon was spent visiting, and singing old hymns. Those present were: Mr. and Mrs. Sam Owens and children of Hedley, Mrs. Beatrice Long and children of Amarillo, Mrs. Leo Holland and children of Sunray, Mr. and Mrs. Houston Bell and children of Panhandle, Mrs. Golden Holland and children of Amarillo, Mrs. Ben Howard and children of Sunray, Mr. and Mrs. Shelby Bell, Jr. and children of Clarendon, Mr. Eugene Bell of Clarendon, Mr. and Mrs. Kenneth Bell and daughter of Borger, Mr. and Mrs. Billy Ray Bell of Clarendon, Mr. and Mrs. Tom Morley and Mr. and Mrs. Homer Myers and son of Amarillo, Mr. and Mrs. T. E. Naylor and daughter of Hedley, and a brother of Mr. Bell, Mr. and Mrs. Jim Bell and two daughters of Estelline.

Mr. Bell received many nice gifts, with wishes for many more happy birthdays.

Mr. Bell received many nice gifts, with wishes for many more happy birthdays.

Mrs. Pat Longan visited Tuesday with Mrs. Clyde Butler.

MARTIN QUILTING CLUB

The Martin Quilting Club met with Mrs. Bessie Helton March 9th with 13 members and 4 visitors. The members present were Mrs. Gracie Crofford, Margaret Waldrop, Lois Sibley, Rubye Jordan, Blanche Higgins, Alleen Talley, Della Barker, Yvonne Barker, Lois Stevenson, Lela Bulman, Eunice Land, Lizzie Morrow and hostess, Bessie Helton. Visitors were Freida Phillips, Helen Land, Rubye Fitzgerald and Lois Hutchins. The next quilting will be with Margaret Waldrop March 23rd.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met all day Wednesday, March 8, with Joy Roberson. Two quilts were finished and hemmed and fifteen quilt blocks pieced for Mrs. Roberson.

Lunch was served at the noon hour. Everyone had a good time. Those present were: Blanch Gray, Edith Jackson, Etta Reynolds, May Pearl McDonald, Flossie Reynolds, Geraldine Jackson, Oddie Moss, Gertrude Brock, Nora Jackson, Charlene Reynolds, Ruth Littlefield, Nora Smith and the hostess Joy Roberson. The Club will meet Wednesday March 22nd with Ruth Littlefield. —Reporter

KILL KARE KNEEDLE KLUB

Mrs. R. R. Dawkins entertained this club at her home Thursday. The guest rooms were decorated with pot plants. The usual program of needle work and pleasant conversation were enjoyed. The hostess served lovely refreshments to guest, Mrs. Flen Caraway and members, Mesdames Milt Mosley of Hedley, W. A. Land, Major Hudson, Frank Whitlock, S. W. Lowe, H. Mulkey, Eugene Noland, C. E. Lindsey, J. R. Bartlett, H. C. Brumley, G. C. Heath and Misses Ida and Etta Harned.

BIRTHDAY PARTY

Jerry Don Baten entertained a few of his friends Saturday at the home of his grandmother, with a party, it being his 5th birthday. After several games pictures were taken and punch and cake were served to 12 guests: Pat Spurgeon, Eddie Tipton, Paul, Joyce, Wyone Ponder of Brier, Billy and Barbara Pascall, Ronnie, Barbara, La Quita Baten of Memphis, also Sandra Schults and Gene Baten. Jerry received lots of pretty gifts.

CUE AND CURTAIN CLUB

The Cue and Curtain Club met in the home of Mrs. Johnson Monday, March 13 at 8:00 with Bill Porter as host. After a short business meeting Inelle Cox gave an interesting speech on Parliamentary Procedure and was assisted by members of the club. Refreshments were served to the following: one new member, Cotton Hall, and Sam Patterson, Alice McCrary, Willetta Riney, JoAnne Swink, Doris Wallace, Joe Lynn Ballew, Patsy Estlack, Ramona Rhea, Dorris Knorpp, Mae Morris, Tommy Gattis, Mary Ann Landers, Mary Elmore, Ladelle Cox, Joe Dilli, Inelle Cox, Sandra Shelton, and Mrs. Johnson. —Reporter

T. E. L. CLASS

The T. E. L. Sunday School Class of the First Baptist Church met in the home of Mrs. C. B. Owens, Tuesday, March 14. The day was spent in quilting, piecing a quilt and visiting. A lovely covered dish luncheon was served at the noon hour. Visitors were Mesdames Jones, Sibley, Taylor and Heatherly. Members present were Mesdames Todd, Barton, Williams, Lane, Cook, Simpson, Raney, Rampy, Hutson, Darden, Rattan, Naylor, Bingham and hostess, Mrs. Owens. The next meeting will be April 11th.

MOTHERS STUDY CLUB

Members of the Mothers Club met in the club home Tuesday, March 14 with Mrs. G. W. Bradshaw and Mrs. Hershel Heath as hostesses. The entire business meeting was spent in making plans for remodeling the bathroom at the club home. Mrs. G. W. Estlack and Mrs. Horace Green had the program. Refreshments of coffee and cake were served to Mesdames Nelson Anderson, B. C. Antrobus, G. W. Bradshaw, Horace Green, Hershel Heath, Evert Johnson, Carmon Rhode, Dalton Swinney, Bill Weatherly, G. W. Estlack, Dale Hill and Bill Riney.

Miss Iva Hinkle of Dumas visited home folks over the week end.

FUTURE HOMEMAKERS

The F. H. A. met on Wednesday, February 22nd at the Home Making room. The trips to Borger March 25th and San Antonio April 27th to 29th were planned. An interesting talk on Achievements for F.H.A. was given by Alice McCrary. After everyone had eaten their lunch, a dessert of cookies was served by Doris Crawford and Joan Hermes-meyer.

The F.H.A. met in the Home-making room, March 8. The following will attend the F. H. A. meeting at San Antonio April 27 to 29: Mary Edna Elmore, Dorris Knorpp, Sandra Shelton, Mary Ann Landers, Inelle Cox. Coconut pie was served for dessert by Eva Lane and Norma Bobbitt.

FOOTLIGHTS CLUB SEE FAMOUS PUPPET SHOW

The members of the Footlights Club drove to Amarillo last Thursday evening where they had dinner and attended a performance of Zuzuri, the famous puppet show which was presented by the Amarillo Exchange Club at the Amarillo High School auditorium for the benefit of the Cerebral Palsey Center. The Zuzuri troop which is owned by Dorothy Zaconic of New York is presenting "Pinochio" this year, and members of the local club thoroughly enjoyed the performance. After the show, the group was invited to go backstage and examine the puppets, the theatre, and the set at close range and to

meet Miss Zaconic and her troop. Those making the trip were Jackie Estlack, Patsy Schull, Jon-nalee Blocker, Joyce Eddings, Jeanie McAnear, Tommy Lane, and Mrs. Jolly Johnson.

WILDLIFE WEEK

Governor Allan Shivers has designated March 19-25 as Wildlife Restoration Week in Texas, in a proclamation citing that conservation of natural resources vitally affects every citizen.

The observance, which will conform to a national movement, was recommended as a basis for appropriate programs by schools, sportsmen's clubs, civic units, garden clubs, farm clubs and other groups.

Governor Shivers, in his proclamation, pointed out that life itself depends on soil and water which "should be conserved as the basic step toward preserving our natural heritage."

The governor urged emphasis on the need for broader understanding of the fundamental concepts of conservation. "With this solid ground for a foundation we will be able to expedite efforts to restore wildlife for Texans," said the chief executive. "The extent to which this is accomplished will be stimulated by the cooperation of even the most humble citizen in the most remote area."

Governor Shivers stressed the "unmistakable obligation to perpetuate our natural resources for future welfare and prosperity." He mentioned "the increasing interest in water and soil saving programs as indicative of a growing alertness by the citizenry."

Gov. Shivers Lauds Work of Special Session

Governor Allan Shivers, reporting to the people of Texas on work of the special session of the Legislature which ended last week, declared that the purpose for which the session was called had been fully accomplished.

The session was convened to raise money to operate the state hospital system during the next fiscal year and to finance a long-range building program for the institutions included in the system. The Governor reported that the Legislature made \$21,000,000 available for operating the system and established a building fund of \$5,000,000 a year for seven years.

"As a result of this progressive step," Gov. Shivers said "our state hospitals will be places where sick people can be brought back to mental and physical health—rather than unsafe, unsanitary places of confinement where they exist without much comfort and without much hope of a permanent cure."

"Thus the 51st Legislature, already distinguished as a Legislature that has attempted to give Texas one of the finest school systems in the United States; that was the first Legislature to provide for a system of rural roads, and a Legislature that made a long step toward the control of juvenile delinquency, has now crowned its record with this humanitarian legislation of enduring merit and continuing benefits."

Money to finance the program will be raised through an increase of one cent per package in the cigarette tax and in slightly increased levies on beer, wine, whiskey, natural resources, public utilities, insurance companies and other items included in a tax bill passed in 1941.

The purpose for which the lawmakers were summoned was carried out in the first 24 days of the session, the Governor said. The remainder of the 30-day session was devoted to passage of other emergency legislation.

"These additional acts mean," Gov. Shivers pointed out, "that from now on, we will be protected by more stringent and comprehensive laws against sex crimes; that telephone service will be easier to secure in the rural areas of the state; that the search for a cure for cancer will be accelerated at the M. D. Anderson Hospital in Houston; that our battle against federal control of our tidelands will continue unabated, and that the legal status of many newly created or consolidated public school districts over the state has been established."

The Governor declared that the session's record provides "conclusive proof" that business methods will work in government. "The success of this session is a tribute to the business approach to governmental problems," he said.

He explained that the accomplishments were made possible, first, by vision: "a grasp of the problem and a conception of the solution"; second, by orderly planning, participated in by a wide segment of the state's population, and, third, by "the cooperative action of the Legislature, the administration, the State Hospital Board and all the individuals, groups and organizations that had interested themselves in the program."

Governor Shivers said this formula was submitted to the people of Texas "as a sound basis for present and future operation of our state government."

Mr. and Mrs. Walker Lane and Patti and Mr. and Mrs. Cap Lane visited Mrs. Ray Wilson at Paducah the week end. Mr. and Mrs. Lane remained for a longer visit.

Mrs. Bill Lane and sons Wilson and Tommy and Mrs. A. D. Estlack and Barbara were in Amarillo Saturday. Mrs. Lane's sister Mrs. Dorothy Kelly and son Rickey accompanied them home for a week end visit.

Bill Lane and Hilton Crane visited Mr. Crane's sister, Mrs. Dorothy Kelly and son Rickey at Amarillo Monday night.

Mrs. D. F. Wadsworth is ill in St. Anthony's Hospital at Amarillo.

Miss Naomi Allison was sick with flu last week but returned to her teaching Thursday at Amarillo.

Miss Lucile Polk attended the teachers meeting Friday at Amarillo and also spent the weekend with Gladys Wallace.

Hilton Crane of Headrick, Okla. visited his sister and family, Mr. and Mrs. Bill Lane through the week end. He left for home Wednesday.

Mr. and Mrs. William J. Lewis Jr. are spending the week at San Antonio attending the Southwest Cattle Raisers Association.

Mr. and Mrs. Geo. McCleskey and daughter of Lubbock visited his parents here over the weekend.

Mr. and Mrs. Dub Tyler and son Garry, Mr. and Mrs. Grady Tyler and Frank Tyler were dinner guests of Mr. and Mrs. Troy Guy at Lelia Lake Sunday.

Lucille Dale and Juanelle Stevenson of West Texas State College at Canyon visited homefolks over the weekend.

Mr. and Mrs. Ray Palmer and Mrs. J. W. Collins of Amarillo were Okla. City visitors Thursday. They were attending to business.

Mr. and Mrs. J. L. McMurtry returned home Sunday from Mineral Wells where they had been for three weeks for medical service and rest.

Mr. and Mrs. Jesse Lowe of Lubbock spent the weekend with his mother, Mrs. W. T. Lowe and other relatives.

Mrs. Dewitt Parker and daughter Pauline of Tulsa have returned home after several days visit with her uncle and aunt, Mr. and Mrs. Joe Terry.

Mrs. N. L. Jones attended a quilting at Ashtola one day last week.

Mrs. Estella Hill is visiting her son Chester Hill at Amarillo this week.

SNAKE SEASON TIPS

Texans are cautioned about poisonous snakes and advised what to do if bitten in an article in the February issue of "Texas Game and Fish," official departmental publication. The author, John E. Werler, Curator of Reptiles, San Antonio Zoological Society, writes that more persons die from snake bites in Texas than in any other state and adds that the Lone Star State has at least 18 varieties of poisonous reptiles. He says that keeping

premises clear of rubbish is one good way of keeping snakes away from homes. The trash ofentimes attract mice and rats which snakes feed on and also provides cover for the reptiles.

Mr. F. A. White and daughter Mrs. Dorothy Williams returned home Tuesday night after visiting relatives at Colorado City, San Angelo, Rising Star and Abilene.

Miss Ruby Lee Wise of Amarillo is visiting home folks this week.

Ready for the busy season?

Let us inspect your tractor TODAY!

Save time and trouble in the months ahead by having a thorough tractor inspection in our shop. Let us make it look like new with a paint job, too. Here are the points we will check with you:

What About Your Congressman?

To all the people of the 18th
Congressional District:

HERE IS A
COMMON SENSE
PLATFORM

E. T. BURK
For Congress

BOWLEGS: All the bowed legs in Texas are not on cowboys. A good many arched shanks are on persons who straddle political fences.

The platform of E. T. Burk, a candidate in the special election and the Democratic Primary for Congress, is different, and if you don't believe it, read on. If you want common sense in government, read on.

E. T. Burk is a successful Amarillo businessman. For years, he operated the Amarillo Furniture Company and made many, many friends. He is a long-time Panhandle resident, a Methodist, an ordinary hard-working citizen.

E. T. Burk does not need the congressional office as a means of making a living. He is not rich, but he has worked hard and saved his money. He does not seek a political career. He is paying all costs of his campaign for congress and is not shackled by any individual or group. Everybody can depend on him.

COMMON SENSE—Briefly, E. T. Burk's platform is COMMON SENSE in Government.

PEACE—Without international peace, nothing else counts. E. T. Burk pledges himself to work unceasingly for the promotion of peace. He is willing to devote the rest of his life to it. He believes strongly in preparedness and adequate national

defense. He believes in a common-sense approach to the promotion of international understanding.

FARM PROBLEM—Agriculture is basic. It produces our food and fiber. E. T. Burk believes that the Congress should pass constructive, sound legislation to be administered by farmers.

LABOR—Common sense, fairness, understanding can do more than political maneuvering to bring industrial peace. Spite legislation is bad.

GENERAL WELFARE—Everything a member of Congress does should be weighed carefully to determine whether it promotes the general welfare.

IN GENERAL—E. T. Burk is a Democrat of long standing. He believes in economic operation of government and in keeping down taxes. He believes in private enterprise. He wants the government close to the people, intimate, warm. He believes in good public schools and adequate pay for teachers, but always with administration in local hands.

Do you want common-sense in government? Do you want a congressman who is not seeking a paycheck or a political career? Do you want a congressman who is paying the freight and is not pledged to represent just a few but every citizens of the district?

Local Men Attend Willson Lectures At McMurry College

ABILENE, Texas—Rev. W. E. Hamilton, John English, Jerry English, and Jimmie Jenkins, all from Clarendon, attended the Willson Lectures at McMurry College, March 7-10th.

The Lectures, established by Mr. and Mrs. J. M. Willson, Floydada in 1946, were delivered by Bishop J. Waskom Pickett of the Delhi (India) area of the Methodist Church. He spoke on how the Christian message is confirmed by the effect it has had on persons in India.
 A second series of lectures was delivered by Dr. Bernice Milburn Moore of the Hogg Foundation for Mental Hygiene in Austin on the place of the family in personality development.
 Wednesday, the Town and Country Commission of the North Texas, Central Texas and North-west Texas Conferences conferred on plans and policies for the Dal-las-Fort Worth area. Among those present were Bishop William C. Martin, the Rev. Glendell Jones, Irving, secretary of Town and

Country Work for the North Tex-as Conference, and the Rev. D. A. Chisholm, superintendent of the Corsicana district.

Plans were laid by the North-west Texas Conference Commis-sion for an aggressive program to help the rural church.
 It will be presented to the Northwest Texas Conference ses-sion at Big Spring, March 24-28, and calls for the appointment of executive secretary for Town and Country Work.

The Rev. Alby J. Cockrell of O'Donnell is chairman and the Rev. Darris Egger of Wheeler is secretary of the commission.
 The Rev. Glendell Jones and the Rev. L. W. Tucker of Weinert were the speakers on the work of the Country Church at a dinner Thursday.

E. T. Burk Announces Platform In Race For Congress, 18th Dist.

AMARILLO—E. T. Burk, wide-ly-known businessman, is the sur-prise candidate in the 18th district congressional race. Since the time of his announcement as a candi-date in the special election for the unexpired term of Cong. Gene Worley and in the July Demo-cratic primary for the full two-year term, Burk has been flooded with letters from all over the Panhandle.

These letters, coming from business friends and customers, pledge all out support for the businessman in the congressional race.

Until he sold out to his children last December, Burk operated the Amarillo Furniture Company for years. He has been a Panhandle businessman for 23 years.

Publication of Burk's Platform (see advertisement in this issue) has brought such a tremendous response that he is considered the leading contender in the con-gressional race.

"This is one time the citizens can vote for someone who isn't in politics, who seeks no political career and who doesn't want a public office for the paycheck," Burk said, after a busy day of answering letters. "I want no political career. I've had my career in business — competitive business. I do not need the gov-ernment paycheck for a living. Through years of hard work in business, I have saved my money — not a great deal, but enough to make a congressional race and to live. My only desire is to serve the people of this district. I am paying every cent of the cost of my campaign. I believe that any candidate who accepts contribu-tions would serve first the contrib-utors. My idea is that every citi-zen ought to have equal repre-sentation."

Mrs. J. D. Swift and daughter, Mrs. Emmett Simmons were in Temple last week where Mrs. Swift went for medical check-up. They were accompanied as far as Weatherford by Mrs. Simmons Powell and Miss Anna Moores. They also visited in Dallas, re-turning home Friday.

Mr. and Mrs. Geo. McCleskey visited Mr. and Mrs. M. W. Mosley at Hedley Sunday.

The Lion's Roar

By O. D. Lowry

The Lions Club met at the club hall Tuesday, March 14th with 14 guests and 81% of the members present. The Lucky Lion today was Carroll Knorpp.

The District Convention in Childress was announced and all Lions who plan to attend are to notify Lion O. D. Lowry. The convention will be May 13, 14 and 15th.

The program consisted of two original numbers by E. R. Blevins accompanied by Bobby Smith and Mrs. J. H. Howze. Fred Brownlee of Childress also spoke to the club. Thanks Lion Drennan for this program.

Remember the District Convention at Childress.

Mr. and Mrs. Dick Tomlinson of Lubbock visited in the J. L. Cook home Monday.

Mr. and Mrs. Horace Brooks and Beth of McLean visited in the Jack Brooks home Sunday.

IN TIME OF NEED

FARM NEWS
From the County PMA Committee

PRE-MEASUREMENT OF COTTON LAND:

We told you in last week's article about Mrs. Joe Ritter, Mrs. F. G. Crofford, Douglas Lowe, and the County Committee making a trip to Childress to attend a meeting pertaining to pre-measurement of cotton land. At the present time the information we have goes like this: There will be a charge for pre-measurement service of \$6.00 per farm, plus \$1.25 per plot, plus 3c for each acre in the allotment. Before a farm can be measured, the producer must come to the office and sign a request form for his land to be measured. The dates for coming to the office to sign the request will be announced in next week's article.

OFFICE NOTES:

Be thinking of the practices you want to carry out this Spring and come to the office and put your application in. It won't be too long until planting time and we always have quite a lot of producers sign up for assistance on Strip Cropping, Mowing pasture, and seeding small grains on the contour. If you are interested in carrying out a practice, drop by the office and let us discuss this matter with you.

We want to remind all those who have approvals for planting rye that April 1, 1950 is absolutely the last day that the rye may be grazed. The County Committee set this date several weeks ago and all those concerned were notified by letter.

Don't forget—you must have a Prior Approval before you can carry out a practice and receive assistance from this office.

The clerks have finished typing all the Applications for Payment and the checks should really be coming in soon.

We have had several farmers coming to the office wanting to know if we had received any information concerning the new law that Congress passed in connection with COTTON ALLOTMENTS. For the benefit of those wanting to know, we have not received one bit of information in relation to this.

"Farm buying power is in a particular sense a key to national prosperity. Declines of farm buying power have given the first warnings of depression."

"It becomes more evident every day that the farmer committee-system is the best way to operate a farm program—from the ground up rather than from the top down."

"Individual farmers who carry out soil and water conservation practices under the provisions of the A.C.P. will benefit from the improved productivity of their farms, and the people who depend on the production from these farms will also benefit."

Mr. and Mrs. Max Jones who have been visiting her parents, Mr. and Mrs. John Blocker have returned to their home at Dallas.

Mr. and Mrs. Bill Sullivan and children of Amarillo spent the week end with her sister and husband, Mr. and Mrs. Shorty Flowers.

Mrs. Fred Buntin and daughter Phoebe Ann and Mrs. Bill Ray went to Ft. Worth Sunday for a few days visit.

Heirs To \$5,200 Estate Being Sought In West Texas

CHICAGO—Possible descendants but more likely brothers and sisters or nieces and nephews of Stephen A. Howard and his wife, Sarah, nee Stokes, are being sought in West Texas to claim an estate of \$5,200 of which they obviously never heard.

Walter C. Cox, probate generalist, 208 S. La Salle St., Chicago, who specializes in tracing missing relatives to settle estates, is directing the hunt but with few helpful clues.

"The estate was left," Mr. Cox said, "by a descendant of Mr. and Mrs. Howard, who died without issue, and inheritance therefore reverts back through their lineage to their next of kin."

"The Howard's were married in west or east Texas in about 1880, and there is reason to believe that the relatives sought are now living somewhere in Texas."

"Mr. and Mrs. Howard's children or grandchildren, if any, would have first claim to the tidy estate. However, since it appears doubtful that there are any such descendants, the couple's brothers and sisters or nieces and nephews successively, would be next in line."

Mr. Cox warned that persons believing themselves to be the heirs sought must submit proof of relationship acceptable to the court having jurisdiction over the estate.

Mr. and Mrs. C. T. McMurtry attended the executive meeting of the Cattle Association at San Antonio the first of this week, returning home Wednesday.

AMERICAN LEGION NEWS

By Commander Mike McCully
Clark-Brock Post 126,
The American Legion

EDITOR'S NOTE—This is the fifth article by Commander Mike McCully of the local American Legion post on still another aspect of the Report of the Hoover Commission on the handling of veteran affairs. In this article the commander discusses the proposed new Veteran Insurance Corporation and the jokers concealed in it.

BREACH OF CONTRACT?

Every veteran of World War II who now carries National Service Life Insurance in any form may have to pay through the nose because of his trust in the United States Government if the recommendations of the Hoover Commission on veteran insurance matters are carried out.

Just when the Veterans Administration, after several years of tremendous effort, has got its insurance affairs into fairly well-working shape, along comes the Hoover Commission with a new plan to mess up these affairs in a colossal fashion. Furthermore the Commission's Plan contains the germs of a hidden joker which may jolt the World War II veter-

an in robust fashion in his pocket-book and in his belief in a square deal!

Pending legislation proposes to take away the handling of all insurance matters from the Veterans Administration and place it in a new and huge experimental government institution to be known as the Veterans Insurance Corporation. The joker lies in the fact that the Commission's Report indicates that the INSURANCE OPERATION SHOULD BE SELF-SUSTAINING! This may mean that the government no longer would pay the administrative costs of government life insurance policies now held by millions of veterans. Nearly 500,000 veterans of World War I who have been carrying U. S. Govern-

ment Life Insurance for 31 years and 7,220,000 veterans of World War II who have National Service Life Insurance policies, might find their premiums raised so sharply that they could not afford to continue their policies in effect!

Should this happen it would constitute a definite breach of contract entered into by the government with the Veteran when the Veteran was a fighting man!

Experts Rejected Idea
The American Legion has a name for this infamous proposal. IT IS ECONOMY MEANT TO BE ACHIEVED BY BETRAYAL! The tragic aspect is that if this recommendation is carried out to its full sinister implication, the net result will NOT be economy but ONLY betrayal of the veteran!

The members of the armed forces of World Wars I and II were briefed endlessly, pleaded with and high-pressed by their commanding officers to take out government life insurance. The government went into this insurance field because commercial companies wanted no part of the costs of the hazards of war. Our fighting men and women were told that the government had their interest at heart and was assuming the cost of the extra hazards of war so that every serviceman and woman could afford to carry this war insurance. During World War II alone, 20,020,809 applications for National Service Life Insurance were approved showing the belief of the veteran in his government! After demobilization the government campaigned strenuously to induce every veteran to reinstate and convert his

insurance into some permanent form and keep it in effect.

The Hoover Commission proposes to mess up the veteran's insurance affairs over the objections of its own Task Force which studied the VA insurance activities. The Task Force engaged the Trundle Engineering Company, management engineering company, management engineers, to look into the VA insurance matters. This group of experts as well as insurance executives on the Task Force itself, DID NOT recommend divorcing the insurance activities from the VA.

The Commission also disregarded the dissimilarity between government insurance and commercial insurance. The VA has no large agency force in the field. Private insurance companies do.

The proposed new insurance corporation would apparently include its own staff for legal, personal, supply, finance and file indexing purposes. This would mean creating many new jobs. But the individual veteran's case folder on other claims would remain in the VA. The corporation would frequently need to refer to this folder when it made any move in any veteran's insurance matter.

The American Legion can see absolutely no economy in such a set up — only more duplication, more confusion, more red tape, more trouble for the veteran and betrayal of the grossest kind.

My next article will discuss another angle of deep concern to every World War II veteran—the proposed messing up of guaranty loans under the G. I. Bill of Rights.

Allergy Sufferers May Benefit From Research Discovery

GALVESTON—Respiratory allergy sufferers—those who battle hay fever, asthma, and hives—will be aided by a research discovery of University of Texas scientists.

The process, allowing physicians and researchers to watch actual allergic reactions on living human tissue, was developed by Drs. J. M. Rose and C. M. Penner.

"The technique may be used to find what causes a person's allergy by testing his sensitivity to

possible irritants, and to find new allergy-stopping drugs," Dr. Chauncey Leake, University Medical Branch vice-president, said.

In testing a sufferer, minute pieces of tissue are clipped from his nose with little discomfort. They are kept alive in a chick embryo fluid culture.

Scientists introduce a possible

irritant in the culture and use a special-phase microscope to watch for an allergic reaction. If the tissue swells and stops living on the culture, the cause of the patient's discomfort is found.

New drug cures may be discovered by checking their effectiveness in stopping allergic reactions started on tissue samples.

DCSB
"The Friendly Bank"

Good Bank Credit is A Priceless Possession

Men and women of fine character and an unblemished credit record secure loans for many purposes promptly at this bank. In fact, the character of the borrower is more important to us than his financial standing. We welcome inquiries about loans, large and small, from persons of high standing whether they are regular patrons of this bank or not.

Member Federal Deposit Insurance Corporation

Donley County State Bank

A TRUE SENSE OF DIRECTION

AMERICAN COMMON-SENSE still prevails on ANY question—where the majority speak their minds. The great danger on many highly important issues, however, is that those VITALLY interested and affected fail to assert themselves.

Every American who possesses a true sense of direction wants individual freedom. He cannot have that freedom, and at the SAME time turn billions of payroll deduction dollars over to thousands of Federal bureaucrats, so they may ration all phases of health service.

Write your Congressman and Senator, that you want no COMPULSORY TAX health insurance, with all its redtape evils, and LOWERED quality of medical and other health services.

National surveys show that the vast majority prefer VOLUNTARY health plans.

Plowin' Out the Corners

Uncle Zeb

Newest member to the Ain't Smoking Right Now Society is

Carmen Rhode of Clarendon. He was recommended for membership by Gaines Maness of Claude. In fact, there is some kind of a deal between them whereby the one that goes back to smoking first loses something more than his self-respect. Anyway, best wishes to the both of them.

More than 500 memberships have been mailed out in the ASRNS since its beginning a little over a year ago. Regardless of

the charges by Uncle Jay, Jim Hooper and all the other skeptics very few have gone back to smoking. Quite a membership scattered over several states. Maybe we ought to have a celebration sometime.

If you remember my nephew that wrote to me a few weeks ago taking me to task because I did not recognize his pappy when he was waiting for us after church. His pappy is the brother-in-law with the new car; not the one with all the beans. Anyway, this nephew is a school teacher, after a fashion in a little community called Kelton near Shamrock. If you remember he sent me some sayings that I used under his make-believe headin' of "The Country Prof." Now he tells me that he has sold his first story to the Denver Post and that he owes his success to me, or to the inspiration that I gave him. As my joy was over-flowing, and my pride was getting out of bounds I finally managed to read the next sentence, and I quote: "I kept telling myself, that I must do something worthwhile; that I mustn't let myself grow up to be nothing like Uncle Zeb", end of quote. Words, words, words, how kind they can be, and how cruel at times. Anyhow, if all my father told me about brother-in-laws was so what on earth could you expect from a nephew.

Another faithful reader of this poor and unworthy column (so-called) is Mrs. Mayme Somerville of Wellington. She is Mama's aunt on her Mama's side. Anyway, not long ago she visited with us and while she was here attended a service with the Methodist folks.

Anyway she writes and asks to tell them and their pastor, Bro. Barr how much she enjoyed it. Actually, she asked me to brag on Brother Barr and the work he is doing here. I like to brag on folks, especially preachers. And as I consider this particular preacher one of my special friends the job is all the easier. So consider yourself bragged on Brother Barr; just as much as if you were a brother in my own special denomination.

Have you heard the song, "I Got Tears In My Y'ears; Lying On My Back, Crying Over You"? For Goodness Sakes, Anyway, what will somebody think up next?

If everything goes well, I will be in Shamrock this Friday, kicking up my heels with all the other Irishmen. Doubt if anyone will doubt my Irish when they see me sign my Uncle O'Zeb on the dotted line. You couldn't put an O to Uncle Bob Robertson's name a'tall. MacRobertson, that is. Oh me.

Come to think of it maybe the guy thought he could write a song easier than he could turn over.

Be on the look-out in your Amarillo Times for the Southwest Plainsman edition to come out about this time of the month. Anyway, look through it real good and see if you find "Plowin' Out The Corners" in this edition. If you do find it please write to Zeke Brown % Amarillo Times and explain to him why you think he should or should not leave it out from now on.

Talked to some of the folks who attended the Womanless Wedding

Wish I had been there, anyway.

John Wanamaker originated the saying "The customer is always right."

FARM BUREAU INSURANCE

Both the words Czar and Kaiser come from the Latin word Caesar.

What couldn't the Farm Bureau do if it had 100% membership? (Adv.)

OLD PATHS
By DOYLE WILLIAMS
Minister
Church of Christ

We next propose to show that salvation is attainable by all men, because the Gospel of salvation is to be preached to all men. Jesus charged the apostles to "Teach all

nations, baptizing them." And again: "Go ye into all the world, and preach the gospel to every creature." Why preach the gospel to every creature when the larger portion were not embraced in its provisions? It occurs to us that something like the following would have been more appropriate: "Go ye into all the world and preach the gospel to the elect, that they may know the ample provisions made for them before the foundation of the world; but to the reprobate say nothing, for as they can not by any possibility avert the awful doom that surely awaits them. It is better to let them remain ignorant of their

fate as long as possible." If this be true, we can see no use of all the labor and expense of printing Bibles, building meeting houses, and preaching the gospel to either saint or sinner. If we are of the definite number elected and fore-ordained to eternal life, there is no chance for us to be lost; and if not, we can not be saved. We have heard this preached from the pulpit, when the sermon closed with an exhortation to sinners to do something to save themselves. What a mockery! Why tell a man that God has unalterably fixed his destiny before time began, and then exhort him to "flee from the wrath to come" and "lay hold on eternal life"—as though he could change the unchangeable decrees of God. Surely, his efforts would do no good, nor could his negligence do any harm, if his destiny, before the foundation of the world, had been fixed, and could not be changed.

The fact that Jesus required the gospel to be preached among all nations, to every creature, promising salvation to those who would believe and obey it, is evidence as high heaven that all may have salvation who will accept it upon the conditions specified. Surely, God would not mock his creatures by preaching the gospel, and of-

fering salvation unto them on certain conditions, when He had previously fixed their destination, to be lost or saved; nor is that all: he follows the promises of conditional salvation with the awful threat "He that believeth not shall be damned." We can not see why any one should be required to believe and trust in a saviour who did nothing for them.

Men are required to believe upon and trust in Jesus, in order to salvation: "Many other signs truly did Jesus in the presence of his disciples, which are not written in this book: but these are written, that you might believe that Jesus is the Christ, the Son of God." And why believe this? "that believing you might have life through his name." Jno 20: 30, 31.

Pledged Into Fraternity
Joe Tom Lovell, son of Mr. and Mrs. Ben R. Lovell of Ashtola, has been formally pledged into the Southern Methodist University chapter of Alpha Kappa Psi, professional business fraternity.

Lovell was graduated from Clarendon High School in May, 1946. He is a senior student in SMU. Lovell is also a former student of Clarendon Junior College.

Action Story of Texas Wildlife Being Shared With Many Outsiders

AUSTIN—The action story of Texas wildlife is being shared by Lone Star State residents with vast numbers of outsiders. The Executive Secretary reported that departmental motion pictures have been provided other states for several years but that recently requests for Game Department films has increased because of television use in many Eastern states.

These stations have obtained films from the Game, Fish and Oyster Commission files to make their own copies for TV treatment. Copying is usually necessary because color films must be changed to black and white for TV transmission.

Meanwhile, Texans are availing themselves of the Game Department's wildlife film library. Each week both sound and silent films are mailed in increasing numbers to sportsmen's organizations, civic

clubs, schools, churches and to other groups. Films are sent express prepaid, from the Commission's headquarters in Austin with the primary requirement that they be handled carefully and be returned express prepaid, immediately after they have been used.

The film library comprises an authentic record of Texas wildlife. All pictures are informative and educational. Many are exciting since the subject matter ranges from sombre portrayal of nesting birds to wilderness combat between a rattlesnake and a roadrunner or chaparral bird. On-the-scene movies include bass fishing, wild turkey trapping, waterfowl hunting and antelope trapping. For the sportsman who knows his field and stream, there is practical treatment of hunting dogs, gun safety and care, fly-rod usage and general equipment demonstration.

The Game Department's film

library is at present somewhat limited but production on several new movies is scheduled to start soon and others are nearing completion. Among the available movies are closeups of the much sought after wild game birds. Other pictures include generous footage of turkey gobblers strutting and carrying on in the privacy of their natural habitat. Use of stalking techniques plus telescopic lenses enabled the cameramen to invade the wild birds' hideouts. For action, the battle to the death between the road runner and rattler apparently has the most appeal.

"Fan," meaning an enthusiast, comes from the word "fanatic."

Only 13 muscles are required to smile—fifty to frown.

JOHNSONS GIVE STEAK SUPPER TO BALL TEAM

A steak supper was given by Coach and Mrs. Craig Johnson honoring the Lelia Lake basketball boys on March 7, 1950.

The ones present were Billy Hill, Bobby Hill, T. J. Carter, Billy White, Ralph Ayers, Clarence Armstrong, Wilcey White, Kenneth Wilkinson, Woodie Vardeman, Harold Gerner, Billy Scott and Arthur Shields.

The boys are looking forward to this treat each year in the future.

The basketball boys are very thankful to Coach and Mrs. Johnson. All of the boys enjoyed themselves at the supper.

SPRING DRESSES BEING MADE BY HOME ECS

Spring dresses are being made by the home economics class. Some of the girls are starting their second cotton dresses while others are finishing their suits.

Pique, cotton prints, and chambray materials are being used. Styles vary from sun dresses, school dresses, and evening dresses. These garments are to be finished in around two weeks.

EDITORIAL
By Bobbie Seago

In Lelia Lake, as in most every school in this country, basketball season has come to a close.

We hate to see this year close for more reasons than one. Mainly because we are losing some of the best basketball players Lelia Lake will ever have. This is in a sense, a comparison to the game of life. It wouldn't be worth playing if you never lost anything.

We think we are very fortunate to have the coach we have. Coach Craig Johnson has gained a fine name as a coach throughout the Panhandle. He and his wife have worked faithfully for the past three years to make this school go forward in everything. We can say this and feel safe in doing so. We don't think there has been a man in this country who has worked harder than Mr. Johnson. We want to thank him from the depths of our hearts for everything he has done for us. We realize we can't keep this ambitious man and his wife forever, but we would like to keep them as long as possible.

PRACTICE STARTS FOR ANNUAL SPRING MUSICAL

The first practice for the spring Musical was given Monday, March 6, 1950.

Practice was very good and many new songs were tried. Some songs are going to be sung by the chorus and others will be group songs, solos, and duets.

Here is just a sample of the songs you will hear: "Dreamers Holiday," "Dear Hearts and Gentle People," "Slipping Around," "I Said My Pajammas," "Peg O' My Heart," "The Holy City," "Quicksilver," and "Lucky Old Sun". Around forty numbers will be sung and played on the

THE DONLEY COUNTY LEADER

musical this year.

JUNIOR CLASS GIVES PARTY FOR HIGH SCHOOL

The Junior Class entertained the Lelia Lake High School with a party Friday night, March 3. Having been the losers in a recent contest to see which class could raise the most money for the March of Dimes campaign, they were obligated to give a party for the three winning classes.

Games were played and refreshments of cake and ice cream were served to the following: Gaynell Scott, Mary Dodson, Arthur Shields, Billy Scott, Robert Murphy, Jaquetta Briggs, Carolyn Alexander, Joanne Christal, Terry Monk, Woodie Vardeman, Dru-cilla Foster, Patsy Mo's, Romaine Anderson, Patsy Carter, Carl Sossaman, Marilyn Butler, Clarence Armstrong, Wilcey White, James King, Harold Gerner, Kenneth Wilkinson, Ralph Ayers, Keith Reed, Benny Darnell, Bobbie Seago, Shirley Aten, Billy Hill, Leroy Jackson, Billy White, T. J. Carter, Billie Jean Pool, Mr. and Mrs. Craig Johnson, and Mr. and Mrs. Bill Lowe.

Bobbie Seago spent Monday night with Shirley Aten.

Jacquetta Briggs spent Saturday and Sunday in Martin and Le-fors.

LABORATORY METHOD USED IN ENGLISH

A new laboratory method of teaching English has been introduced to Lelia Lake High School. As a basis, a notebook entitled Essentials of English, is being used.

Each student is allowed to set his own pace in the course. All work is done in the classroom with the exceptions of themes, speeches, and book reports.

BLUEBIRDS START VOLLEY BALL GAMES

Although basketball season is over, there is never a dull moment at Lelia Lake High School. The Bluebirds have started playing volleyball. They start playing at the girls' gym period, which is at 11:15 a. m. and play until 12 noon. After noon the boys play from 12:30 p. m. until 1:45 p. m. There are usually three teams and the winners can stay on all the time.

It's a lot of fun that everyone enjoys because no one is left out.

DIAMOND-TRACK FIELD BEING CLEARED

The Lelia Lake Baseball diamond and truck field is being cleared off in preparation for spring sports.

The ground is being flat broke, disked, and dragged down. The

baseball backstop is being moved to the southeast corner of the field. A quarter-mile track will run around the field and the sprint track will run straight through the middle.

The prospects for a baseball and track team look good.

Clyde Tims went to Amarillo Sunday.

Patsy Moss spent Friday night with Romaine Anderson.

Dru-cilla Foster spent Friday night with Gaynell Scott.

Janell Fox spent the week end in Wichita Falls.

Romaine Anderson and Shirley Aten spent Thursday night with Joanne Christal.

Bunny Lowe went to Memphis Sunday.

Jerrie Faye King spent Friday night with Mrs. Joe Adams of Clarendon.

Carolyn Alexander spent Monday night with Martha Painter.

Shirley Aten spent Friday and Saturday night with Bobbie Seago.

Bobbie Seago and Marilyn Butler went to Amarillo Monday night on business.

From where I sit... by Joe Marsh

Handy and Easy Are Both Wrong

Handy Peterson and Easy Roberts got in quite an argument the other day over at Fred's Garage talking about the best spot to fish up at Green Lake.

"Opposite the old sawmill is the best spot," says Handy. But Easy "pooh-poohs" him. "I've seen the biggest fish caught off Cedar Point," says Easy. "I've been catching them there for years."

Then Fred goes into his office and brings out the biggest mounted rainbow trout you ever saw. "Bet that was caught at the sawmill," comments Handy. "Cedar Point,"

says Easy. "Well," says Fred, "you're both wrong. I caught this baby right out in the middle!"

From where I sit, there are always two (or more) sides to every story. Let's live and let live in the true American tradition of toleration. Your opinion is worth a lot, but so is the other fellow's—whether it's on politics, the best fishing spots, or whether he likes a temperate glass of beer and you like buttermilk.

Joe Marsh

Copyright, 1950, United States Brewers Foundation

Seen in HENRY J. TAYLOR, ABC Network, every Monday evening.

NOTE THESE STYLE LINES WELL. They're straight out of the Buick Riviera book—and they cloak interiors that are roomy as much-higher-priced cars.

FORE AND AFT - a Beauty and a Buy

It's lithe, long and lovely—and it calls not just for one look, but for two.

See how this sleek Sedan looks coming down the road—bold grillwork shining, broad bonnet purring with power, and the wide, curving, unbroken sweep of a one-piece windshield giving you horizon-wide outlook.

And spot the pretty picture you make going away. The broad, wrap-around rear window and topside styling in the Buick Riviera manner.

The graceful, spacious trunk, the "double bubble" taillights, the sense of high-fashion fleetness in everything from rear fender lines to the curve of the roof.

Yes, that's beauty—beauty in the unmistakable Buick manner. But observe also:

Interiors are extra roomy in all dimensions. The biggest you can buy for the money, we believe—and bigger than many higher-priced cars.

And, since this is a Buick SUPER, there's sensational new power under the hood—Buick's own F-263 Fireball straight-eight, this year's big news in valve-in-head power.

Yes, when you go stepping in this one, you'll really step—with roominess and top-drawer styling and the level going of all-coil springing—yes, and Dynaflo Drive* too, if you choose—making your pleasure complete.

The price? Well, drop in on your Buick dealer, ask about the SUPER 126 and be prepared for happy listening. Here's a buy—so grand a buy you'll lose no time getting behind a Buick wheel.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Features like these mean BUICK'S THE BUY

- HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.)
- NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • WIDE ARRAY OF MODELS with Body by Fisher.
